EXPLANATORY PREFACE

This volume has been compiled and published in accordance with K.S.A. 77-430a and other applicable laws.

ARRANGEMENT OF RULES AND REGULATIONS

Administrative rules and regulations of the various state agencies are arranged in accordance with a three-part system of numbers divided by hyphens. The first number indicates the agency; the second number indicates the article (a group of regulations of such agency upon the same subject); the last number indicates the specific section or regulation within the article. For example, “1-4-11” refers to agency No. 1, article No. 4 and section No. 11.

The law requires that agencies cite the statutory authority for the regulation and the section(s) of the statutes which the regulation implements. This is published at the end of the text of the regulation. In addition, the Secretary of State includes a history of the regulation which indicates the original effective date of the regulation and each subsequent amendment.

COMMENTARY

This volume has been compiled and published in accordance with K.S.A. 77-430a and other applicable laws.

The 2020 Supplement contains rules and regulations filed after December 31, 2008 and before January 1, 2020. Regulations filed before January 1, 2009, are printed in the 2009 Kansas Administrative Regulations, Volumes 1-5. Regulations filed on and after January 1, 2020, may be located by checking the Kansas Register, Kansas’ official state newspaper. An index appears at the back of each Kansas Register and lists the volume and page number of the Register issue that contains the most recent version of the regulations filed after December 31, 2019.

To find the most recent version of a regulation:
First, check the table of contents in the most current issue of the Kansas Register
Then, check the Index to Regulations in the most current Kansas Register
Next, check the current K.A.R. Supplement
Finally, check the current K.A.R. Volume
If the regulation is found at any of these steps, stop. Consider that version the most recent. The most current regulations, proposed regulations open for public comment, and published regulations with a future effective date may also be found in the online K.A.R. at https://sos.ks.gov/publications/pubs_kar.aspx.

To determine the authorizing and implementing statute(s), the effective date, or to see when a regulation was amended or revoked, check the history found at the end of each regulation. The authorizing and implementing statute(s) are listed first followed by any subsequent action. For example, in “amended, T-7-12-11-90, Dec. 31, 1990” the “T” means temporary, the “7” is the number assigned to the agency in the K.A.R. volumes, and 12-11-90 is the date that the regulation was filed. Following the last comma is the effective date. Therefore, the amendment was filed as a temporary regulation on December 11, 1990, and the amendment became effective on December 31, 1990. A temporary regulation becomes effective upon approval by the State Rules and Regulations Board and filing in the Secretary of State’s Office or at a later date when specified in the body of the regulation. A temporary regulation lasts 120 days unless it is amended or revoked within 120 days. If the “T number” is not included in an action on a regulation, the regulation was filed as a permanent regulation. A permanent regulation is effective 15 days following publication in the Kansas Register or at a later date specified in the body of the regulation. Prior to July 1, 1995, a permanent regulation became effective 45 days following publication in the Kansas Register or at a later date specified in the body of the regulation. The regulation remains in effect until amended or revoked.

Any questions regarding the publication or use of the K.A.R.s or questions regarding the regulation filing procedure may be directed to the Kansas Administrative Regulations Editor at 785-296-0082. For purchasing inquiries call 785-296-4557. Questions concerning the subject matter of a regulation should be directed to the agency administering the regulation.

To receive a copy or subscribe to the Kansas Register, write to the Secretary of State’s Office, Kansas Register, First Floor, Memorial Hall, 120 SW 10th Ave., Topeka, KS 66612, or call 785-368-8095. You may also view the Register online at https://sos.ks.gov/publications/pubs_kansas_register.asp.

This regulation shall not apply to broker-dealer services provided to nonretail customers.

(c) Standards for broker-dealer conduct. No broker-dealer shall conduct broker-dealer services on the premises of a financial institution where retail deposits are taken unless the broker-dealer complies initially and continuously with the following requirements:

The broker-dealer shall be responsible for ensuring that the networking and brokerage affiliate arrangement clearly outlines the duties and responsibilities of all parties.

(3) Customer disclosure and written acknowledgment.

(ii) make reasonable efforts to obtain from each customer during the account opening process a written acknowledgment of the disclosures required by paragraph (c)/(3)/(A)/(i).

(iii) If the omission of the disclosures required by paragraph (c)(4)(C)(i) would not cause the advertisement or sales literature to be misleading in light of the context in which the material is presented, the disclosures shall not be required with respect to messages contained in radio broadcasts of 30 seconds or less; signs, including banners and posters, when used only as location indicators; and electronic signs, including billboard-type signs that are electronic, time and temperature signs, and ticker tape signs. However, the requirements of paragraph (c)(4)(C)(i) shall apply to messages contained in other media, including television, online computer services, and automated teller machines.

(5) Notification of termination. The broker-dealer shall promptly notify the financial institution if any agent of the broker-dealer who is employed by the financial institution is terminated for cause by the broker-dealer.

(3) It shall constitute a rebuttable presumption that the following legal or disciplinary events involving the investment adviser or a management person of the investment adviser are material to an evaluation of the adviser’s integrity for a period of 10 years from the date of the event, unless the legal or disciplinary event was resolved in the
investment adviser's or management person's favor or was subsequently reversed, suspended, or vacated:

(A) A criminal or civil action in a court of competent jurisdiction resulting in any of the following:

(4) The information required to be disclosed by paragraph (e)(2) shall be disclosed to clients before further investment advice is given to the clients. The information shall be disclosed to prospective clients at least 48 hours before entering into any written or oral investment advisory contract, or no later than the time of entering into the contract if the client has the right to terminate the contract without penalty within five business days after entering into the contract.

(5) For purposes of calculating the 10-year period during which events shall be presumed to be material under paragraph (e)(3), the date of a reportable event shall be the date on which the final order, judgment, or decree was entered, or the date on which any rights of appeal from preliminary orders, judgments, or decrees lapsed.

(6) Compliance with this subsection shall not relieve any investment adviser from any other disclosure requirement under any federal or state law.

(f) Prohibited conduct: cash payment for client solicitations. An investment adviser registered or required to be registered under the act shall not pay a cash fee, directly or indirectly, to a solicitor with respect to solicitation activities unless the solicitation arrangement meets all of the requirements of paragraphs (f)(2) through (f)(7).

(D) is subject to an order, judgment, or decree by which the person has been convicted anytime during the preceding 10-year period of any crime that is punishable by imprisonment for one or more years or a substantially equivalent crime by a foreign court of competent jurisdiction.

(4) The cash fee shall be paid pursuant to a written agreement to which the investment adviser is a party.

(5) The cash fee shall be paid to a solicitor only under any of the following circumstances:

(A) The cash fee is paid to the solicitor with respect to solicitation activities for the provision of impersonal advisory services only;

(B) the cash fee is paid to a solicitor who is a partner, officer, director, or employee of the investment adviser, or a partner, officer, director, or employee of a person who controls, is controlled by, or is under common control with the investment adviser, if the status of the solicitor as a partner, officer, director, or employee of the investment adviser or other person, and any affiliation between the investment adviser and the other person, is disclosed to the client at the time of the solicitation or referral; or

(C) the cash fee is paid to a solicitor other than a solicitor specified in paragraph (f)(5)(A) or (B), if all of the following conditions are met:

(i) The written agreement required by paragraph (f)(4) describes the solicitation activities to be engaged in by the solicitor on behalf of the investment adviser and the compensation to be received, contains an undertaking by the solicitor to perform the solicitor's duties under the agreement in a manner consistent with the instructions of the investment adviser and the provisions of the act and the implementing regulations, and requires the solicitor, at the time of any solicitation activities for which compensation is paid or to be paid by the investment adviser, to provide the client with a current copy of the investment adviser's written disclosure statement required under the brochure delivery requirements of K.A.R. 81-14-10(b) and a separate written disclosure document described in paragraph (f)(6).

(ii) The investment adviser receives from the client, before or when entering into any written or oral investment advisory contract with the client, a signed and dated acknowledgment of receipt of the investment adviser's written disclosure statement and the solicitor's written disclosure document.

(iii) The investment adviser makes a bona fide effort to ascertain whether the solicitor has complied with the written agreement required by paragraph (f)(4), and the investment adviser has a reasonable basis for believing that the solicitor has complied with the agreement.

(6) The separate written disclosure document required to be furnished by the solicitor to the client shall contain the following information:

(A) The name of the solicitor;

(B) the name of the investment adviser;

(C) the nature of the relationship, including any affiliation, between the solicitor and the investment adviser;

(D) a statement that the solicitor will be compensated for the solicitation services by the investment adviser;

(E) the terms of the compensation arrangement, including a description of the compensation paid or to be paid to the solicitor; and

(F) the amount in addition to the advisory fee that the client will be charged for the costs of the solicitor's services, and any difference in fees paid by clients if the difference is attributable to the existence of any arrangement in which the investment adviser has agreed to compensate the solicitor for soliciting clients for, or referring clients to, the investment adviser.

(7) Nothing in this subsection shall be deemed to relieve any person of any fiduciary or other obligation to which a person may be subject under any law.

(g) Prohibited conduct: agency cross transactions.

(1) For the purposes of this subsection, “agency cross transaction for an advisory client” shall mean a transaction in which a person acts as an investment adviser in relation to a transaction in which
the investment adviser, or any person controlling, controlled by, or under common control with the investment adviser, including an investment adviser representative, acts as a broker-dealer for both the advisory client and another person on the other side of the transaction. Each person acting in this capacity shall be required to be registered as a broker-dealer in this state unless excluded from the definition of broker-dealer under K.S.A. 17-12a102, and amendments thereto.

(2) An investment adviser shall not effect an agency cross transaction for an advisory client unless all of the following conditions are met:

(A) The advisory client executes a written consent prospectively authorizing the investment adviser to effect agency cross transactions for the client.

(B) Before obtaining this written consent from the client, the investment adviser makes full written disclosure to the client that, with respect to agency cross transactions, the investment adviser will act as broker-dealer for both parties to the transaction, receive commissions from both parties, and have a potentially conflicting division of loyalties and responsibilities.

(C) At or before the completion of each agency cross transaction, the investment adviser sends the client a written confirmation. The written confirmation shall include all of the following information:

(i) A statement of the nature of the transaction;
(ii) the date the transaction took place;
(iii) an offer to furnish, upon request, the time when the transaction took place; and
(iv) the source and amount of any other remuneration that the investment adviser received or will receive in connection with the transaction.

For a purchase in which the investment adviser was not participating in a distribution, or a sale in which the investment adviser was not participating in a tender offer, the written confirmation may state whether the investment adviser has received or will receive any other remuneration and that the investment adviser will furnish the source and amount of remuneration to the client upon the client's written request.

(D) At least annually, the investment adviser sends each client a written disclosure statement identifying the total number of agency cross transactions during the period since the date of the last disclosure statement and the total amount of all commissions or other remuneration that the investment adviser received or will receive in connection with agency cross transactions for the client during the period.

(E) Each written disclosure and confirmation required by this subsection includes a conspicuous statement that the client may revoke the written consent required under paragraph (g)(2) (A) at any time by providing written notice to the investment adviser.

(F) No agency cross transaction in which the same investment adviser recommended the transaction to both any seller and any purchaser is effected.

(3) Nothing in this subsection shall be construed to relieve an investment adviser or investment adviser representative from acting in the best interests of the client, including fulfilling fiduciary duties with respect to the best price and execution for the particular transaction for the client, nor shall this subsection relieve any investment adviser or investment adviser representative of any other disclosure obligations imposed by the act or the regulations under the act.

(h) Prohibited conduct: use of senior-specific certifications and professional designations.

(1) An investment adviser or investment adviser representative shall not use a senior-specific certification or designation that indicates or implies that the user has special certification or training in advising or servicing senior citizens or retirees in any way that misleads any person. This prohibition shall include the following:

(B) the use of a nonexistent or self-conferred certification or professional designation;

(C) the use of a certification or professional designation that indicates or implies a level of occupational qualifications obtained through education, training, or experience that the person using the certification or professional designation does not have; and

(D) the use of a certification or professional designation that was obtained from a designating or certifying organization that meets any of the following conditions:

(i) Is primarily engaged in the business of instruction in sales or marketing;
(ii) does not have reasonable standards or procedures for ensuring the competency of its designees or certificate holders;
(iii) does not have reasonable standards or procedures for monitoring and disciplining its
designees or certificate holders for improper or unethical conduct; or

(iv) does not have reasonable continuing education requirements for its designees or certificate holders to maintain the professional designation or certification.

(2) There shall be a rebuttable presumption that a designating or certifying organization is not disqualified solely for purposes of paragraph (h) (1)(D) if the organization has been accredited by any of the following:

(A) The American national standards institute; 

(B) the national commission for certifying agencies; or

(C) an organization that is on the United States department of education’s list titled “accrediting agencies recognized for title IV purposes,” if the designation or credential does not primarily apply to sales or marketing, or both.

(3) In determining whether a combination of words or an acronym or initialism standing for a combination of words constitutes a certification or professional designation indicating or implying that a person has special certification or training in advising or servicing senior citizens or retirees, the factors to be considered shall include the following:

(A) The use of one or more words including “senior,” “retirement,” “elder,” or similar words, combined with one or more words including “certified,” “registered,” “chartered,” “adviser,” “specialist,” “consultant,” “planner,” or similar words, in the name of the certification or professional designation; and

(B) the manner in which the words are combined.

(4) For purposes of this subsection, the terms “certification” and “professional designation” shall not include a job title within an organization that is licensed or registered by a state or federal financial services regulatory agency, including an agency that regulates broker-dealers, investment advisers, or investment companies, if that job title indicates seniority or standing within the organization or specifies an individual’s area of specialization within the organization.

(i) Applicability to federal covered investment advisers. To the extent permitted by federal law, the provisions of this regulation governing investment advisers shall also apply to federal covered investment advisers. (Authorized by K.S.A. 17-12a605(a); implementing K.S.A. 17-12a412(d)(13) and 17-12a502(a)(2) and (b); effective Oct. 26, 2001; amended Aug. 18, 2006; amended Aug. 15, 2008; amended May 22, 2009; amended Jan. 4, 2016.)

81-14-9. Custody of client funds or securities; safekeeping; financial reporting. (a) Definitions. For the purposes of this regulation, the following definitions shall apply:

(1) “Custody” means holding, directly or indirectly, client funds or securities, or having any authority to obtain possession of them or the ability to appropriate them.

(A) Each of the following circumstances shall be deemed to constitute custody:

(i) Possession of client funds or securities unless received inadvertently and returned to the sender promptly, but in any case within three business days of receiving the funds or securities;

(ii) any arrangement, including a general power of attorney, under which an investment adviser is authorized or permitted to withdraw client funds or securities maintained with a custodian upon the adviser’s instruction to the custodian; and

(B) Receipt of a check drawn by a client and made payable to an unrelated third party shall not meet the definition of custody if the investment adviser forwards the check to the third party within three business days of receipt and the adviser maintains the records required under K.A.R. 81-14-4(b)(22).

(C) a futures commission merchant registered under section 6f of the commodity exchange act, 7 U.S.C. § 6f, who holds client assets in customer accounts, but only with respect to clients’ funds and security futures, or other securities incidental to transactions in contracts for the purchase or sale of a commodity and options of the commodity for future delivery; and

(D) a foreign financial institution that customarily holds financial assets for its customers, if the foreign financial institution keeps the advisory clients’ assets in customer accounts segregated from its proprietary assets.

(b) Safekeeping of client funds and securities.

(1) Requirements. An investment adviser registered or required to be registered under the act shall not have custody of client funds or securities unless the investment adviser meets each of the following conditions. “An act, practice, or course of business that operates or would operate as a fraud or deceit,” as used in K.S.A. 17-12a502 and amendments thereto, shall include any violation of this subsection.

(A) Notice to administrator. The investment adviser shall notify the administrator promptly on form ADV that the investment adviser has or will have custody.

(C) Notice to clients. If an investment adviser opens an account with a qualified custodian on behalf of its client, either under the client’s name or under the investment adviser’s name as agent, the investment adviser shall notify the client in writing of the qualified custodian’s name, address, and the manner in which the funds or securities are maintained. The notice shall be given promptly when the account is opened and following any changes to the information.

(D) Account statements. The investment adviser shall ensure that account statements are sent to each client for whom the adviser has custody of funds or securities.

(i) Statements sent by the qualified custodian. If a qualified custodian maintains accounts containing funds or securities, the qualified custodian may send account statements to clients if the investment adviser has a reasonable basis for believing that the qualified custodian sends an account statement at least quarterly to each of the adviser’s clients for whom the custodian maintains funds or securities and that the account statement sets forth all transactions in the account during the period and identifies the amount of funds and amount of each security in the account at the end of the period.

(ii) Statements sent by the adviser. If account statements are not sent by the qualified custodian in accordance with paragraph (b)(1)(D)(i), the investment adviser shall send an account statement at least quarterly to each client for whom it has custody of funds or securities. The account statement shall set forth all transactions in the account during the period and identify the amount of funds and amount of each security of which it has custody at the end of the period.

At least once during each calendar year, a CPA firm that is registered and authorized to provide attest services in compliance with requirements of the state where the investment adviser is domiciled shall be engaged by the investment adviser to attest to the accuracy, in all material respects, of the account statements sent to clients by the investment adviser based on a comparison with records of transactions and balances of funds and securities maintained by the qualified custodian. The attest engagement shall be performed in accordance with attestation standards established by the AICPA and contained in the “AICPA profes-

The CPA firm shall perform the attest engagement without prior notice or announcement to the adviser on a date that changes from year to year as chosen by the CPA firm. The CPA firm shall file a copy of its independent accountant’s report with the administrator within 30 days after the completion of the attest engagement. (E) Independent representatives. Thereafter, the investment adviser shall send all notices and statements to the independent representative.

(F) Direct fee deduction. Each investment adviser who has custody, as defined in paragraph (a)(1)(A)(ii), by having fees directly deducted from client accounts held by a qualified custodian shall obtain prior written authorization from the client to deduct advisory fees from the account held with the qualified custodian.

(1) Heading. Each pleading shall contain the
heading "BEFORE THE STATE CORPOR-
ATION COMMISSION OF THE STATE OF
KANSAS" which shall be centered at the top of
the first page of the pleading.
(2) Descriptive title. Immediately beneath the

and shall be followed by a concise statement of
the matter presented to the commission for its
determination, including, if appropriate, a brief
description of the order, authorization, permis-
sion, or certificate sought by the party initiating
the docket. The name of the party initiating the
docket and the names of all other parties to whom
the initial pleading is directed shall be stated in
the descriptive title, followed by a designation of
each party's status in the proceeding. These desig-
nations shall include applicant, complainant, de-
defendant, and respondent.
(3) Docket number. Upon the filing of the ini-
tial pleading in a docket, a docket number shall
be assigned by the executive director of the com-

This article shall apply throughout Kansas unless
specifically limited. Special orders may be issued
by the commission. These special orders shall pre-
vail over any conflicting regulations.

(b) An exception to the requirements of any
regulation in this article may be granted by the
commission, after considering whether the excep-
tion will prevent waste, protect correlative rights,
and prevent pollution. Each party requesting an
exception shall file an application with the conser-
vation division. The applicant shall publish notice
of the application pursuant to K.A.R. 82-3-135a
and notice of any hearing pursuant to K.A.R. 82-

82-3-101a. Procedures for determining
location using global positioning system.
Whenever an operator is required to report a loca-
tion using a global positioning system (GPS), the
operator shall obtain and report the GPS reading
according to all of the following requirements:

(a)(1) The GPS unit shall be enabled by the
wide area augmentation system (WAAS) when
each GPS reading is taken; or

(2) if the GPS unit is not capable of using the
WAAS system, the unit shall be rated by the man-
ufacturer to be accurate to within 50 feet, at least
95 percent of the time.

(b) Each GPS reading shall be taken when the
GPS unit indicates that the unit is in a stationary
position for a sufficient amount of time to meet the
accuracy requirement of paragraph (a)(1) or (2).

(c) Each GPS reading shall be expressed in the
decimal form to the fifth place.

(d) A horizontal reference datum approved by
the director shall be used and reported with each
GPS reading. Acceptable horizontal reference da-
tums shall include the following: North American datum (NAD) 27, North American datum (NAD) 83, and world geodetic system (WGS) 84. (Authorized by and implementing K.S.A. 55-152; effective Nov. 5, 2010.)

82-3-106. Surface casing and cement. (a) Each operator shall set and cement surface casing pursuant to this regulation and the instructions on the notice of intent to drill approved pursuant to K.A.R. 82-3-103 before drilling to any depth to test for or produce oil or gas.

(b) Each operator shall set and cement surface casing in compliance with the following, which are hereby adopted by reference:

(1) Table I and appendix A, as incorporated in the commission order dated August 1, 1991, docket no. 34,780-C (C-1825); and

(2) appendix B, as incorporated in the commission order dated June 29, 1994, docket no. 133,891-C (C-20,079).

(c) Cementing alternatives.

(1) Alternate I cementing shall be performed as follows:

(A) A single string of surface casing shall be set from surface to the depth specified in the documents adopted in subsection (b).

(B) The surface casing shall be cemented continuously from the bottom of the surface casing string to the surface.

(2) Alternate II cementing, which includes a primary surface casing string and additional surface casing, shall be performed as follows:

(A) The primary surface casing string shall be set to a depth at least 20 feet below all unconsolidated material.

(B) The primary surface casing shall be cemented from the bottom of the primary surface casing string to the surface.

(C) All additional surface casing strings next to the borehole shall be set and cemented from the depth specified in the documents adopted in subsection (b) to the surface.

(i) The operator shall notify the appropriate district office before cementing the additional casing.

(ii) The additional cementing shall be completed within 120 days after the spud date unless otherwise provided in the documents adopted in subsection (b).

(iii) A backside squeeze shall be prohibited unless permitted by the appropriate district office with consideration of the cement evaluation method to be utilized and submitted as verification of cement placement. “Backside squeeze” shall mean the uncontrolled placement of cement from the surface into the annular space between the primary surface casing and the additional casing.

(d) Methods and materials.

(1) The operator shall use a drill bit that is at least two and one-quarter inches larger in diameter than the surface casing, when measured from the outside of the casing.

(2) The annular space between the surface casing and the borehole shall be filled with a portland cement blend and maintained at surface level.

(3) If cement does not circulate, the operator shall notify the appropriate district office immediately and perform remedial cementing sufficient to prevent fluid migration. If the surface casing is perforated, the operator shall pressure-test the surface casing according to district office specifications to ensure mechanical integrity.

(4) The use of any material other than a portland cement blend shall be prohibited.

(5) The cemented casing string shall stand and further operations shall not begin until the cement has been in place for at least eight hours and has reached a compressive strength of 300 pounds per square inch.

(6) The operator shall install centralizers as follows:

(A) If the surface casing is 300 feet or less, a centralizer shall be installed at the top of the shoe joint.

(B) If the surface casing is more than 300 feet, a centralizer shall be installed at approximately 300 feet and at every fourth joint of casing to the bottom of the surface casing.

(7) When total depth has been reached during drilling operations, the operator or contractor shall not move the rig off of the well until the required casing has been run or the well has been plugged.

All wells that are subject to the documents adopted in paragraph (b)(2) shall be exempt from the requirements in this paragraph.

(e) Each operator of a well not in compliance with this regulation shall shut the well in until compliance is achieved.

(f) Upon written, timely request by an operator, the director may provide an exception to any of the requirements of this regulation. In considering a request for an exception, the director may require the operator to provide financial assurance sufficient to cover the plugging costs for the well. Each request shall demonstrate that fresh and usable

(d) Except as otherwise specified in this subsection, the drilling of any wells within an area subject to an application for spacing or proration shall be prohibited until the commission has issued a final order on the application. However, any operator may drill a well during the pendency of the application if the well location conforms to the most restrictive location provisions in the application. Each protest shall be addressed to the commission. A protest shall not include a request that it also be considered as a formal complaint. If a protestant desires to proceed further against a tariff publication that is not postponed or that has been postponed and the postponement vacated, a separate, later, formal complaint or petition shall be filed.

(b) Protests against, and requests for, postponement of tariff publications filed under this regulation shall not be considered unless made in writing and filed with the commission in Topeka, Kansas. If the respondent fails to comply with any requirements or time period specified in the order, the respondent shall be deemed to be in default and to have waived any further hearing. The investigation may then be decided without further proceedings. “(b) Any unprotected steel service or yard line found to have active corrosion shall be either provided with cathodic protection and monitored annually as required by K.A.R. 82-11-4(o) or replaced. In areas where there is no active corrosion, each operator shall, at intervals not exceeding three years, reevaluate these pipelines.

“(c) In lieu of conducting electrical surveys on unprotected steel service lines and yard lines, each operator may implement one of the following options:

“(1) Conduct annual leakage surveys at intervals not exceeding 15 months, but at least once each calendar year, on all unprotected steel service lines and yard lines and initiate a program to apply cathodic protection for all unprotected steel service lines and yard lines; or

“(D) The replacement program, once initiated for a defined area, shall be completed by an operator within 18 months.

“(E) Operators, at their option, may have separate preventative maintenance programs for service lines and yard lines but must consistently follow their selection.

“(d) For a city of the third class, or a city having a population of 2,000 or less, which is an operator of a natural gas distribution system, a replacement program for unprotected steel yard lines may comply with paragraph (c)(2)(D) of this section or include the following requirements in their replacement plan:

replaced by the following: “Each pipeline that is under cathodic protection shall be tested at least once each calendar year, but in intervals not exceeding 15 months, to determine whether the cathodic protection meets the requirements of 192.463. If tests at those intervals are impractical for separately protected short sections of mains or transmission lines not in excess of 100 feet, or separately protected service lines, these pipelines may be surveyed on a sampling basis. At least one-third of the separately protected short sections, distributed over the entire system, shall be surveyed each calendar year, with a different one-third checked each subsequent year, so that the entire system is tested in each three-year period.”

(p) 49 C.F.R. 192.465(d) shall be deleted and replaced by the following: “(d) Each operator shall begin corrective measures within 30 days, or more promptly if necessary, on any deficiencies indicated by the monitoring.”

“(3) in areas with stray current; or
“(4) in areas where the pipeline is under pavement, regardless of depth, and more than two feet away from an unpaved area.
“(g) Where an electrical survey is impractical as listed in paragraph (f) of this section, the operator shall conduct leakage surveys using leak detection equipment in accordance with K.A.R. 82-11-4(ff) and evaluate for areas of active corrosion. The evaluation for active corrosion shall include review and analysis of leak repair records, corrosion monitoring records, exposed pipe inspection records, and the analysis of the pipeline environment. “(h) For unprotected steel transmission lines and mains, a repair/replacement program shall be established based upon the number of leaks in a defined area.”

(s) 49 C.F.R. 192.491(a) shall be deleted and replaced by the following: “(a) For as long as the pipeline remains in service, each operator shall maintain records and maps to show the locations of all cathodically protected piping, cathodic protection facilities other than unrecorded galvanic anodes installed before August 1, 1971, and neighboring structures bonded to the cathodic protection system.”

(x) 49 C.F.R. 192.553(a)(1) shall be deleted and replaced by the following: “(1) At the end of each incremental increase, the pressure shall be held constant while the entire segment of pipeline that is affected is checked for leaks. This leak survey by flame ionization shall be conducted within eight hours after the stabilization of each incremental pressure increase provided in the uprating procedure. If the operator elects not to conduct the leak survey within the specified time frame because of nightfall or other circumstance, the pressure increment in the line shall be reduced that day with repetition of that particular increment during the next day that the uprating procedure is continued.”

(n) If the facility has any outside dimension that is eight inches or larger, the operator shall mark its facility so that the outside dimensions of the facility can be easily determined by the excavator.

(o) If the facility has any outside dimension that is smaller than eight inches, the operator shall mark its facility so that the location of the facility can be easily determined by the excavator.

(p) The requirement to notify the excavator that the tier 1 operator has no facilities in the area described in the notice of intent of excavation shall be met by performing one of the following:

(1) Marking the excavation site in a manner indicating that the operator has no facilities at that site; or

(2) contacting the excavator by telephone, facsimile, or any other means of communication. Two documented attempts by the operator to reach an excavator by telephone during normal business hours shall constitute compliance with this paragraph.

(q) If the notice of intent of excavation contains a request for a meet on site, the operator shall meet with the excavator at a mutually agreed-upon time within two working days after the day on which the notice of intent of excavation was given.

(r) After attending a meet on site, the operator shall inform the excavator of the tolerance zone of the operator's facilities in the area of the planned excavation within two working days before the excavation scheduled start date that was agreed to at the meet on site.

(s) Any operator may request that the excavator whiteline the proposed excavation site.

(t) If the operator requests that the excavator whiteline the excavation site, the operator shall have two working days after the whitelining is completed to provide the location of the tolerance zone.

(u) If the operator requests that the excavator use whitelining at the excavation site, the operator shall document the whitelining request and any subsequent meetings regarding the facility location for that excavation site. The operator shall maintain records of the whitelining documentation for two years after the excavation scheduled start date. The documentation shall include the following:

(1) A record stating the name and contact information of the excavator contacted for the request for whitelining;

82-14-6. Violation of act; enforcement procedures. (a) After investigation, if the commission staff believes that there has been a violation or violations of K.S.A. 66-1801 et seq. and amendments thereto or any regulation or commission order issued pursuant to the Kansas underground utility damage prevention act and the commission staff determines that penalties or remedial action is necessary to correct the violation or violations, the commission staff may serve a notice of probable noncompliance on the person or persons against whom a violation is alleged. Service shall be made by registered mail or hand delivery.

(b) Any notice of probable noncompliance issued under this regulation may include the following:

1. A statement of the provisions of the statutes, regulations, or commission orders that the respondent is alleged to have violated and a state-
ment of the evidence upon which the allegations are based;
(2) a copy of this regulation; and
(3) any proposed remedial action or penalty assessments, or both, requested by the commission staff.

(c) Within 30 days of receipt of a notice of probable noncompliance, the recipient shall respond by mail in at least one of the following ways:
(1) Submit written explanations, a statement of general denial, or other materials contesting the allegations;
(2) submit a signed acknowledgment of commission staff’s findings of noncompliance; or
(3) submit a signed proposal for the completion of any remedial action that addresses the commission staff’s findings of noncompliance.

(d) The commission staff may amend a notice of probable noncompliance at any time before issuance of a penalty assessment. If an amendment includes any new material allegations of fact or if the staff proposes an increased civil penalty amount or additional remedial action, the respondent shall have 30 days from service of the amendment to respond.

(e) Unless good cause is shown or a consent agreement is executed by the commission staff and the respondent before the expiration of the 30-day time limit, the failure of a party to mail a timely response to a notice of probable noncompliance shall constitute an admission to all factual allegations made by the commission staff and may be used against the respondent in future proceedings.

(f) At any time before an order is issued assessing penalties or requiring remedial action or before a hearing, the commission staff and the respondent may agree to dispose of the case by joint execution of a consent agreement. The consent agreement may allow for a smaller penalty than otherwise required. The consent agreement may also allow for nonmonetary remedial penalties. Upon joint execution, the consent agreement shall become effective when the commission isues an order approving the consent agreement.

(g) Each consent agreement shall include the following:
(1) An admission by the respondent of all jurisdictional facts;
(2) an express waiver of any further procedural steps and of the right to seek judicial review or otherwise challenge or contest the validity of the commission’s show cause order;
(3) an acknowledgment that the notice of probable noncompliance may be used to construe the terms of the order approving the consent agreement; and
(4) a statement of the actions required of the respondent and the time by which the actions shall be completed.

(h) If any violation resulting in a notice of probable noncompliance is not settled with a consent agreement, a penalty order may be issued by the commission no sooner than 30 days after the respondent has been served with a notice of probable noncompliance.

(i) The respondent shall remit payment for any civil assessments imposed by a penalty order within 20 days of service of the order.

(j) The respondent may request a hearing to challenge the allegations set forth in the penalty order by filing a motion with the commission within 15 days of service of a penalty order. The respondent’s failure to respond within 15 days shall be considered an admission of noncompliance.

(k) An order may be issued by the commission to open a formal investigation docket regarding any potential noncompliance with the Kansas underground utility damage prevention act, and amendments thereto, or any regulations or orders pursuant to that act. If the commission finds evidence that any party to the investigation docket was not in compliance, a show cause order may be issued by the commission. If a show cause order is issued during the course of a formal investigation, the staff shall not be required to issue a notice of probable noncompliance. (Authorized by K.S.A 66-106 and K.S.A 66-1812; implementing K.S.A 66-1812; effective July 6, 2009.)

Article 16.—ELECTRIC UTILITY RENEWABLE ENERGY STANDARDS

82-16-1. Definitions. As used in these regulations, the following definitions shall apply:

(b) “Auxiliary power” has the meaning assigned to “station power” in K.S.A. 66-1,170, and amendments thereto.

(c) “Capacity from generation” means the net capacity of renewable energy resources owned or leased by a utility. Net capacity is the gross capacity minus auxiliary power required to operate
the resource as determined in a test conducted as soon as possible after commercial operation begins. This test shall reflect operation of the resource over a four-hour period under conditions that do not limit performance due to ambient conditions, equipment, or operating or regulatory restrictions. The determination for a multunit resource, including a wind farm, may be made through tests for a representative sample of at least 10% of the units. If the tests specified in this subsection are not practicable, the nameplate capacity of the resource minus the associated auxiliary power may be used as the net capacity unless there are factors that would prevent the resource from achieving nameplate capacity, other than ambient conditions, equipment, or operating or regulatory restrictions.

(d) “Capacity from net metering systems” means the rated generating capacity of systems interconnected with a utility pursuant to the net metering and easy connection act, K.S.A. 66-1263 et seq. and amendments thereto.

(e) “Capacity from purchased energy” means the capacity associated with energy purchased by a utility from renewable energy resources. The capacity from purchased energy shall be the nameplate capacity of the resource minus auxiliary power, adjusted as appropriate to reflect the utility’s share of the output of the resource.

(f) “Capacity from RECs” means the capacity associated with the purchase of renewable energy credits. For each source of RECs, this capacity shall be determined according to the following formulas:

\[
\text{Capacity (MWs)} = \frac{\text{RECs}}{\text{Capacity Factor} \times 8760 \text{ hours}}
\]

\[
\text{Capacity Factor}_i = \frac{12}{n} \sum_{t=1}^{n} \frac{E_{i,t}}{8760 \times C_{i,t}}
\]

where

- \( i \) = the individual renewable generation facility (source of the RECs)
- \( n \) = the number of months the facility has been in operation over the past 24 months, with \( n \) representing at least 12 months
- \( E_{i,t} \) = the total energy output (MWh) by renewable generation facility \( i \) during compliance period \( t \)
- \( C_{i,t} \) = the average total generator capacity (MW) by renewable generation facility \( i \) during compliance period \( t \)

The capacity factor shall be calculated for the source of the RECs, if possible. If the utility is unable to calculate the capacity factor for the source of the RECs, the capacity factor shall be the capacity factor of the utility’s own renewable generation from the prior calendar year for the same or similar type of resource as the source of the RECs, if known. If the utility has multiple installations of the same or similar type of resource, the capacity factor shall be the average of the facilities. If the utility did not have the same or similar type of resource as the source of the RECs or if the source is unknown, the overall capacity factor of the utility’s total renewable generation shall be used. In the absence of renewable resource generation, a default capacity factor of 34% shall be used.

(g) “Data year” means the calendar year that occurred before the due date of the utility’s report to the commission specified in K.A.R. 82-16-2.

(h) “Electric distribution cooperative” means a cooperative as defined by K.S.A. 17-4603, and amendments thereto, that is engaged in the retail sale and distribution of electricity and does not own or operate any generation or wholesale transmission facilities within the state of Kansas.

(i) “Electric utility” and “utility” mean any “affected utility,” as defined by K.S.A. 66-1257 and amendments thereto.

(j) “Generation and transmission cooperative” means a cooperative as defined by K.S.A. 17-4603, and amendments thereto, that does not engage in the retail distribution and sale of electricity and operates generation facilities and transmission facilities solely for the wholesale distribution and sale of electricity.

(k) “Nameplate capacity” means the maximum rated output of a generator under specific conditions designated by the manufacturer, generally indicated in units of kilovolt-amperes (kVA) and in kilowatts (kW) on a nameplate attached to the generator.

(l) “REC” means “renewable energy credit,” which means a credit representing energy produced by renewable energy resources and issued as part of a program that has been approved by the commission. For purposes of these regulations, this term is reflected on a certificate representing the attributes associated with one megawatt-hour (MWh) of energy generated by a renewable energy resource.

(m) “Renewable energy resources” has the meaning specified in K.S.A. 66-1257, and amendments thereto. For the purposes of K.S.A. 66-1257(d)(9)(A) and (B) and amendments thereto, the following shall apply:
“Existing hydropower” shall mean hydropower that existed on or before May 27, 2009.

“New hydropower” shall mean hydropower that existed after May 27, 2009.

“Renewable energy goal” means the goal established by K.S.A. 66-1256, and amendments thereto, for energy and energy portfolios of each utility subject to the provisions of the act. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1257 and 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

82-16-2. Renewable energy goal and report. (a) Any utility may attain the renewable energy goal in K.S.A. 66-1256, and amendments thereto, by maintaining a portfolio of renewable capacity from generation, purchased energy, RECs, or net metering systems.

(b) Each utility planning to seek commission approval for recovery of reasonable costs incurred under RESA and either related to the previous mandatory requirement or due to attaining the renewable energy goal, pursuant to K.S.A. 66-1259 and amendments thereto, shall submit a report to the commission detailing that utility's efforts related to attainment of the renewable energy goal. A generation and transmission cooperative may submit a collective report on behalf of the electric distribution cooperatives it represents. If this collective report is submitted, the electric distribution cooperatives shall not be required to file their own reports as required by this subsection. The report shall specify the renewable generation that has been put into service or the portion of the utility's portfolio of renewable generation resources served from purchased energy, RECs, or net metering systems on or before December 31 of each data year. An annual report shall be due on or before March 31 of each year. Each report shall contain the following information:

(1) A description of each type of renewable energy resource that was purchased or put into service on or before December 31 of the data year, including type, location, owner, operator, date of commencement of operations, nameplate capacity, and for the data year, the monthly capacity factor, monthly availability factor, and monthly and annual amounts of energy generated;

(2) a narrative supporting the rationale for selecting each capacity resource that was purchased or put into service and each purchased power contract that was executed during the data year;

(3) a description of the utility’s plans for attaining the renewable energy goal for the current calendar year, including the utility’s assessment of the expected impact to revenue requirements;

(4) the Kansas retail one-hour peak demand for each of the three calendar years before the data year and the average for these three years, with supporting data and calculations if the demand differs from the information reported on the federal energy regulatory commission’s FERC form 1. Each electric distribution cooperative that does not file FERC form 1 with the commission shall file a Kansas electric cooperative utility annual report with the commission;

(5) the amount of renewable energy capacity that will qualify as a portion of the year's peak demand as calculated pursuant to paragraph (b)(4), broken down by capacity from generation, purchased energy, RECs, and net metering systems;

(6) the renewable energy capacity identified in paragraph (b)(5) from a facility constructed in Kansas after January 1, 2000; and

(7) total retail energy sales, as measured in kilowatt-hours (kWh), in Kansas for the data year.

82-16-4. Retail revenue requirement. The retail revenue requirement attributable to attainment of the renewable energy goal shall be calculated as follows for each utility:

(a) In conjunction with the reports required by K.A.R. 82-16-2, each affected utility shall calculate the retail revenue requirement for each capacity resource used to attain the renewable energy goal. A capacity resource may result from generation resources, purchased energy, RECs, or net metering systems.

(b) Each determination of the retail revenue requirement shall reflect the total revenues required to allow the utility the opportunity to do the following:

(1) Earn a return on rate base items;

(2) earn a return on plant investments through depreciation;

(3) recover taxes other than income taxes;

(4) recover fuel and purchased power costs, including incremental fuel expense resulting from
the inefficient dispatch of power generation if this expense is known;
(5) recover operating and maintenance costs;
(6) recover administrative and general expenses; and
(7) recover income taxes, including current deferred income taxes.
(c) In order to calculate a return on rate base items, each utility shall use the overall rate of return authorized by the commission from its last litigated rate case or specified in a stipulation and agreement authorized by the commission. If an overall rate of return was not specified in a utility’s last rate case, then the average of the utility’s proposed rate of return and the rate of return proposed by commission staff shall be used. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

82-16-6. Renewable energy credit program. (a) Renewable energy credits shall be issued and used as part of a REC program either established or approved by the commission. Each application for approval of any program not approved by the commission in any prior year shall be submitted on or before January 1 of the calendar year in which the RECs are proposed to be included in the portfolio.
(b) Any utility may purchase or sell RECs without commission approval. However, each renewable energy credit shall be counted only once. A REC or any attributes associated with renewable energy generation sold or intended for any purpose other than attainment of the renewable energy goal shall not be applied toward attainment of the renewable energy goal.
(c) For the purpose of RESA, unused RECs shall remain valid for up to two years from the end of the calendar year in which the associated electricity was generated and shall be permanently retired when used for attainment of the renewable energy goal prescribed by the act. To the extent that RECs or attributes associated with renewable energy generation are sold or used for any purpose other than attainment of the renewable energy goal, the utilities shall reduce the capacity used for attainment of the renewable energy goal according to the formula specified in this subsection.

Total Renewable Capacity for Voluntary Attainment = TRC–C

where

\[ C_{OP} = \frac{E_{OP}}{CF \times 8760} \]

TRC = total renewable capacity

C_{OP} = renewable capacity sold or used for any other purpose than attainment of the renewable energy goal

E_{OP} = energy from RECs or renewable energy attributes sold or used for any other purpose than attainment of the renewable energy goal

CF = capacity factor for source of E_{OP}

(d) Each REC created, sold, or purchased by any Kansas utility shall be reported in an approved registry that documents and verifies attributes and other compliance conditions as well as tracks the creation, sale, retirement, and other transactions regarding the REC to prevent double counting and misuse, in accordance with these regulations and commission direction. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

(h) “REC” means renewable energy credit, as defined in K.S.A. 66-1257 and amendments thereto. For purposes of these regulations, this term is reflected on a certificate representing the attributes associated with one megawatt-hour (MWh) of energy generated by a renewable energy resource that is located in Kansas or serves ratepayers in the state.

82-17-2. Utility requirements pursuant to the act. (a) In addition to the requirements set forth in the act, any utility may install, at its expense, equipment to allow for load research metering for purposes of monitoring each net metered facility.

(b) Responsibilities for maintenance, repair, or replacement of meters, service lines, and other equipment provided by the utility shall be governed by the utility's current tariffs and terms of service on file with the commission. This equipment shall be accessible at all times to utility personnel.

(c) Each utility's interconnection with a customer-generator's net metered facility shall be subject to the utility's current tariffs and terms of service on file with the commission. This equipment shall be accessible at all times to utility personnel.

(d) Each utility shall enter into a written interconnection application or interconnection agreement with each customer-generator that is equivalent to sample forms available from the commission. Each agreement shall include the following information:

(Authorized by K.S.A. 2009 Supp. 66-1269; implementing K.S.A. 2009 Supp. 66-1265, 66-1269, and 66-1270; effective Aug. 6, 2010.)

82-17-3. Tariff requirements. Each utility shall file a tariff with the commission setting forth the terms and conditions for net metering interconnection with a customer-generator. In addition to setting forth the terms and conditions required by the act, the tariff shall include the following information:

(a) Any specific criteria and guidelines for determining the appropriate size of generation to fit the expected load;

(b) A provision requiring the customer-generator to furnish, install, operate, and maintain in good repair without cost to the utility any relays, locks and seals, breakers, automatic synchronizers, disconnecting devices, and any other control and protective devices required by an applicable recognized industry standard that is clearly identified in the tariff or in a tariff that is already approved by the commission, or by any requirements adopted by federal, state or local governing authorities for the interconnection of net-metered facilities, for the parallel operation of the net metered facility with the utility's system;

(d) a statement indicating whether or not the utility requires the customer-generator to install a utility-controlled manual disconnect switch located on the line side of a meter that has the capability to be locked out by utility personnel to isolate the utility's facilities if an electrical outage in the utility's facilities occurs. If a manual switch is required, the utility shall give notice to the customer-generator, as soon as possible, when the switch is locked out or used by the utility. The disconnect switch may also serve as a means of isolation for the net metered facility during any customer-generator maintenance activities, routine outages, or emergencies;

(e) a requirement that the customer-generator shall notify the utility before the initial energizing or start-up testing, or both, of the net metered facility. The utility shall have the right to be present at these times;

(2) For a student with a section 504 plan, the
student's section 504 plan team shall discuss and
consider the need for an evaluation under the spe-
cial education for exceptional children act, K.S.A.
72-961 et seq., and amendments thereto.
(3) For a student who has an individualized edu-
cation program and is placed in a private school
by a parent, a meeting called under this subsec-
tion shall include the parent and the designee of
the private school, who shall consider whether the
parent should request an individualized education
program team meeting. If the parent requests an
individualized education program team meeting,
the private school shall help facilitate the meeting.
(4) For a student who does not have an indi-
vidualized education program or section 504 plan,
the parent and school shall discuss the incident
and consider the appropriateness of a referral for
an evaluation under the special education for ex-
ceptional children act, K.S.A. 72-961 et seq. and
amendments thereto, the need for a functional
behavioral analysis, or the need for a behavior in-
tervention plan. Each meeting called pursuant to
this subsection shall include the student's parent,
a school administrator for the school where the
student attends, one of the student's teachers, a
school employee involved in the incident, and any
other school employees designated by the school
administrator as appropriate for the meeting.
(5) The parent shall determine whether the
student shall be invited to any meeting called pur-
suant to this subsection.
(6) The time for calling a meeting pursuant to
this subsection shall be extended beyond the
10-school-day limit if the parent of the student is
unable to attend within that time period.
(7) Nothing in this subsection shall be construed to prohibit the development and implementation of a functional behavioral analysis or a behavior intervention plan for any student if the student could benefit from such measures.

(e) If a school is aware that a law enforcement officer or school resource officer has used seclusion, physical restraint or mechanical restraint on a student on school grounds or during a school-sponsored activity, the school shall notify the parent on the same day the school becomes aware of the use, using the parent’s preferred method of contact as described in K.A.R. 91-42-4(a). A school shall not be required to provide written documentation to a parent, as set forth in subsection (b) or (c) regarding law enforcement use of an emergency safety intervention, or report to the department law enforcement use of an emergency safety intervention. For purposes of this subsection, mechanical restraint includes, but is not limited to, the use of handcuffs.

(f) If a parent believes that emergency safety interventions have been used in violation of this article or policies of the school district, then within 30 days from being informed of the use of emergency safety intervention, the parent may file a complaint through the local dispute resolution process. Any parent may request an administrative review by the state board within 30 days from when the hearing officer’s decision was issued pursuant to the local dispute resolution process. Any parent may request an administrative review by the state board within 30 days from the date the final decision was issued pursuant to the local dispute resolution process. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective, T-91-2-17-16, Feb. 17, 2016; effective June 10, 2016; amended July 7, 2017.)

91-42-5. Administrative review. (a) Any parent who filed a written complaint with a local board regarding the use of emergency safety intervention may request an administrative review by the state board of the local board’s final decision.

(b) Each parent seeking administrative review shall provide the following information in the request:

(1) The name of the student and the student’s contact information;

(2) the name and contact information, to the extent known, for all involved parties, including teachers, aides, administrators, and district staff;

(3) a detailed statement of the basis for seeking administrative review, with all supporting facts and documentation. The documentation shall include a copy of the complaint filed with the local board and shall include the local board’s final decision, if issued. The request shall be legibly written or typed and shall be signed by the parent. Relevant written instruments or documents in the possession of the parent shall be attached as exhibits or, if unavailable, referenced in the request for administrative review; and

(4) written consent to disclose any personally identifiable information from the student’s education records necessary to conduct an investigation pursuant to this regulation.

(c)(1) Each request for administrative review shall be filed with the commissioner within 30 days from the date a final decision is issued pursuant to the local dispute resolution process or, if a final decision is not issued, within 60 days from the date a written complaint was filed with the local board.

(2) The hearing officer shall forward a copy of the request for administrative review to the clerk of the local board from whom the administrative review is sought.

(d) Upon receipt of each request for administrative review, the hearing officer shall consider the local board’s final decision and may initiate its own investigation of the complaint. Any investigation may include the following:

(1) A discussion with the parent, during which additional information may be gathered and specific allegations identified, verified, and recorded;

(2) contact with the local board or other district staff against which the request for administrative review is filed to allow the local board to respond to the request with facts and information supporting the local board’s final decision; and

(3) an on-site investigation by department officers or employees.

(e) If the hearing officer receives information that the hearing officer determines was not previously made available to both parties during the local board dispute resolution process, the hearing officer may remand the issue back to the local board. The local board then has 30 days to issue a written amended final decision.

Upon remand, the hearing officer’s case will be closed. All rights to and responsibilities of an administrative review shall begin again when the local board’s amended final decision is issued or upon 30 days from when the hearing officer’s remand is issued, whichever occurs first.

(f) Within 60 days of the commissioner’s receipt of the request for administrative review, the hearing officer shall inform the parent, the school’s
head administrator, the district superintendent, the local board clerk, and the state board in writing of the results of the administrative review. This time frame may be extended for good cause upon approval of the commissioner.

(g) The results of the administrative review shall contain findings of fact, conclusions of law, and, if needed, suggested corrective action. The hearing officer shall determine whether the district is in violation of this article based solely on the information obtained by the hearing officer during the course of the investigation and the administrative review process. This determination shall include one of the following:

(1) The local board appropriately resolved the complaint pursuant to its dispute resolution process.

(2) The local board should reevaluate the complaint pursuant to its dispute resolution process with suggested findings of fact.

(3) The hearing officer’s suggested corrective action is necessary to ensure that local board policies meet the requirements of law.

(h) Nothing in this regulation shall require exhaustion of remedies under this regulation before using procedures or seeking remedies that are otherwise available. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective, T-91-2-17-16, Feb. 17, 2016; effective June 10, 2016.)

Article 12.—INCOME TAX

92-12-66a. Abatement of final tax liabilities. (a) General. The authority of the secretary to abate all or part of a final tax liability shall be exercised only in cases in which there is serious doubt as to either the collectability of the tax due or the accuracy of the final tax liability and the abatement is in the best interest of the state. This authority shall be exercised to effect the collection of taxes with the least possible loss or cost to the state and with fairness to the taxpayer. The determination of whether to abate all or part of a final tax liability shall be wholly discretionary.

(b) Definitions.
(1) “Assets” means the taxpayer’s real and personal property, tangible and intangible.
(2) “Collectability” means the ability of the department of revenue to collect, and the ability of the taxpayer to pay, the tax liability.
(3) “Concealment of assets” means a placement of assets beyond the reach of the department of revenue, or a failure to disclose information relating to assets, that deceives the department with respect to the existence of the assets, whether accomplished by act, misrepresentation, silence, or suppression of the truth.
(4) “Final tax liability” means a tax liability that was established by the department to which the taxpayer has no further direct appeal rights.
(5) “Order denying abatement” means an order issued by the secretary that rejects a petition for abatement and refuses to abate any part of a final tax liability.
(6) “Order of abatement” means an order issued by the secretary that abates all or part of a final tax liability and states the reasons that this action was taken.
(7) “Parties” means either the person who requests an abatement of a final tax liability or the person’s authorized representative, and either the secretary of revenue or the secretary’s designee.
(8) “Secretary” means the secretary of the department of revenue or the designee of the secretary.
(9) “Serious doubt as to collectability” means the doubt that exists when a reasonable person, viewing the controlling circumstances objectively, would conclude that the likelihood of recovering the tax liability is less than probable.
(10) “Serious doubt as to liability” means the doubt that exists when a reasonable person, viewing the controlling circumstances objectively, would conclude that it is probable that the final tax liability previously established by the department is greater than the actual tax liability imposed by the Kansas tax imposition statutes.
(11) “Tax” means the particular tax owed by the taxpayer and shall include any related interest and penalty.

(c) Factors affecting abatement.
(1) No final tax liability shall be abated on the ground of serious doubt as to liability if the taxpayer’s liability for the tax has been established on the merits by a court judgment or decision of the court of tax appeals. No final tax liability shall be abated on the ground of serious doubt as to liability if the taxpayer has filed tax returns, absent a showing of the reporting errors on the returns.
(2) No tax liability shall be abated by the secretary if the taxpayer has acted with intent to defraud or to delay collection of tax. Frivolous petitions and petitions submitted only to delay collection of a tax shall be immediately rejected.

(d) Procedures.
(1) Each petition for abatement shall be captioned “petition for abatement of a final tax liability” and shall be submitted to the secretary. The petition shall be signed by the petitioner and the taxpayer, if available, under the penalties of perjury and shall include the following:
(A) The reasons why all or part of the final tax liability should be abated;
(B) the facts that support the abatement; and
(C) a waiver of the taxpayer’s right of confidentiality under the confidentiality provisions of chapter 79 of the Kansas statutes annotated and amendments thereto, conditioned upon the secretary’s abatement of all or part of the final tax liability.

(2) If a petition alleges serious doubt as to collectability, the taxpayer shall submit a statement of financial condition that lists assets and liabilities, accompanied by an affidavit signed by the preparer under the penalties of perjury, attesting that the financial statement is true and accurate to the best of the preparer’s knowledge.

(3) After a petition has been submitted, the taxpayer shall provide any additional verified documentation that is requested by the secretary. The petitioner or taxpayer may be required by the secretary to appear before the secretary and testify under oath concerning a requested abatement.

(4) A petition for abatement may be withdrawn by the taxpayer at any time before its acceptance. When a petition is denied, the taxpayer shall be notified in writing by the secretary within 30 days of the decision to deny.

(5) An order of abatement that abates all or part of a final tax liability may be issued by the secretary. The order may direct any remaining liability to be paid within 30 days. Each order of abatement shall set forth the reasons that the petition for abatement was granted and all relevant information, including the following:
(A) The names of all parties;
(B) the amount and type of tax, interest, and penalties that were abated;
(C) the amount of tax, penalty, and interest that remain to be paid on the date of the order; and
(D) the amount that has been paid, if any.

(6) The submission of a petition for abatement shall not prevent the collection of any tax.

(e) Effect of an order of abatement. Each order of abatement shall relate to the entire liability of the taxpayer with respect to which the order is made and shall conclusively settle the amount of liability. Once an order of abatement is issued, matters covered by the order shall not be reopened by court action or otherwise, except for one of the following reasons:

(1) Falsification of statements or concealment of assets by the taxpayer;
(2) mutual mistake of a material fact sufficient to cause a contract to be reformed or set aside; or
(3) serious doubt as to collectability arising after an abatement order is issued that is based on serious doubt as to liability.

(f) Effect of waiver of confidentiality. The issuance of an order of abatement for $5,000 or more shall make all reports of the abatement proceeding available for public inspection upon written request, in accordance with K.S.A. 79-3233b, and amendments thereto, and the taxpayer’s express waiver of the right to confidentiality under the confidentiality provisions of chapter 79 of the Kansas statutes annotated, and amendments thereto.

(g) Annual report. On or before the last day of September of each year, a summary of each petition of abatement that was granted during the preceding state fiscal year that reduced a final tax liability by $5,000 or more shall be prepared for filing with the secretary of state, the division of post audit of the legislature, and the attorney general. Each summary shall include the following:

(1) The name of the taxpayer;
(2) a summary of the issues and the reasons for the abatement; and
(3) the amount of final tax liability, including penalties and interest, that was abated. (Authorized by K.S.A. 79-3236; implementing K.S.A. 2010 Supp. 79-3233, 79-3233a, and 79-3233b, as amended by 2011 SB 212, sec. 1; effective July 27, 2001; amended Oct. 28, 2011.)

92-12-145. Transfer of tax credits. (a) Any tax credits earned by a not-for-profit contributor not subject to Kansas income, privilege, or premium tax may be transferred to any taxpayer that is subject to Kansas income, privilege, or premium tax. These tax credits shall be transferred only one time. The transferee shall claim the tax credit against the transferee’s tax liability in the tax year of the transfer.

(b) The transferor and transferee shall execute a written transfer agreement to transfer the tax
credit. The agreement shall include the following information:

(1) The name and either the employer identification number or the social security number of the transferor;
(2) the name and either the employer identification number or the social security number of the transferee;

(5) the amount of tax credit transferred;
(6) the amount that will be received by the transferor for the tax credit transferred; and
(7) any other relevant information that the secretary requires.

(c) Each transfer agreement shall be reviewed by the secretary. If the transfer agreement is approved, a certificate of transfer shall be issued to the transferor and transferee indicating approval of the transfer. If the transfer agreement is denied, written notification of the denial shall be issued to the transferor and transferee. (Authorized by K.S.A. 79-32,113 and K.S.A. 2008 Supp. 79-32,261; implementing K.S.A. 2008 Supp. 79-32,261; effective June 20, 2008; amended May 22, 2009.)

92-12-147. Tax credit agreement. (a) Each scholarship-granting organization for which an allocation of tax credits has been authorized pursuant to L. 2014, ch. 93, sec. 61, and amendments thereto, shall enter into a new tax credit agreement with the secretary at least one month before the beginning of each calendar year for which the tax credits are available. (3) the amount and type of the contribution;
(4) the date of the contribution; and
(5) any other supporting documentation that the secretary requires to review the tax credit application.

means in a manner approved by the secretary. The scholarship-granting organization shall receive written notification from the secretary when the application is approved or denied. The scholarship-granting organization shall provide a copy of this approval or denial to the contributor that has made the contribution. (Authorized by K.S.A. 2016 Supp. 72-99a07, as amended by L. 2017, ch. 95, sec. 97; implementing K.S.A. 2016 Supp. 72-99a07, as amended by L. 2017, ch. 95, sec. 97, and K.S.A. 2016 Supp. 79-32,265; effective Dec. 5, 2014; amended Jan. 5, 2018.)

92-12-149. Quarterly reports. Each scholarship-granting organization shall submit a quarterly report indicating the amount of contributions qualifying for tax credits. This report shall be submitted to the secretary on a form furnished by the secretary. Any quarterly report may be filed by electronic means in a manner approved by the secretary. A quarterly report shall be submitted on or before the tenth day following the end of each calendar quarter even if no qualifying contributions are received in that quarter. Each quarterly report shall include the following information:

Article 14.—LIQUEFIED PETROLEUM FUEL TAX

92-14-6. Sales of LP gas to special LP-gas permit users; use of special LP-gas permit user decals. (a) Each operator of any motor vehicle that bears a Kansas special permit LP-gas user decal shall either self-report tax on the use of LP gas on a mileage basis or pay the tax in advance, pursuant to K.S.A. 79-3492a through K.S.A. 79-3492c and amendments thereto. Each LP-gas dealer who delivers gas into the tank of any vehicle that bears a permit decal shall record the user's permit number and name on the sales invoice if tax is not collected on the sale.

(b) Except as provided in subsection (c), if a motor vehicle that is authorized to operate under a special LP-gas user permit is destroyed, sold, traded, or otherwise disposed of before the end of a calendar year or if for any other reason the permit holder removes the decal from the vehicle, the permit holder shall immediately notify the director of taxation in writing of the nature of the vehicle transfer or the destruction of the decal. Failure to remove a permit decal from a vehicle that has been disposed of and to notify the director shall be grounds for cancellation of the authorization to operate on a mileage basis.

(c) If a permit holder sells a vehicle that is registered for LP-gas purposes to another permit holder or to a person who is applying for a permit, the purchaser may request the transfer of the permit, decal, and all other related rights and obligations to the purchaser. This transfer may be authorized by the director.

(d) If taxes have been paid in advance on a motor vehicle that is destroyed, sold, traded, otherwise disposed of, or converted from LP-gas use before the first of December in any year, the permit holder may apply for a refund of the taxes.

Article 19.—KANSAS RETAILERS’ SALES TAX

92-19-3a. Credit sales, conditional sales, and other sales and service transactions that allow deferred payment. (a) For purposes of this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, and K.A.R. 92-19-55b, the following definitions shall apply:

1. “Conditional sale” means a sales transaction made pursuant to a written agreement that is treated as a sale of goods for federal income tax purposes in which the buyer gains immediate possession or control of the goods but the seller or a financial institution retains title to or a security interest in the goods to ensure its future receipt of full payment before clear title is transferred to the buyer in possession or control of the goods. Conditional sale contracts include “financing leases.”

2. “Credit charge” means interest, finance, and carrying charges from credit extended on the sale of goods or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the buyer.

3. “Credit sale” means a sale of goods or services under an agreement that provides for the deferred payment of the purchase price. Credit sales shall include sales made under the following:
   A. An installment contract that transfers title and possession of the goods to the buyer at the time of purchase, but allows payment to be made in periodic installments; and
   B. A revolving credit contract that extends a line of credit to a buyer that allows purchases to be charged against the account and provides for periodic billing that requires payment of part of, and allows for payment of all of, the credit balance owed by the buyer.

4. “Creditor” means an entity or person to whom money is owed.

5. “Financial institution” means a bank, savings and loan, credit union, or other finance company licensed under the provisions of the Kansas uniform consumer credit code as specified in K.S.A. 79-3602, and amendments thereto, for isolated or occasional sales.

6. “Financing lease” means a conditional-sale contract that is denominated a lease, but that is intended to finance a lessee’s purchase of goods or its continued possession of goods under a sale-leaseback agreement. A lessor shall be presumed to have entered into a financing lease if the lessor accounts for the lease transaction as a financing agreement for federal income tax purposes. The term “capital lease” shall be considered synonymous with “financing lease.”

7. “Goods” has the same meaning as “tangible personal property,” which is specified in K.S.A. 79-3602, and amendments thereto.

8. “Invoice” means a paper or electronic bill of sale or similar dated document containing an itemized list of goods or services sold to the buyer that specifies the selling price of the goods or services and complies with the requirements of K.S.A. 79-3648 and amendments thereto, when an itemized charge is taxable.

9. “Layaway sale” means a transaction in which property is set aside for future delivery to a customer who makes a deposit, agrees to pay the balance of the purchase price over a period of time, and, at the end of the payment period, receives the property. An order shall be deemed accepted for layaway by the seller when the seller removes the property from normal inventory or clearly identifies the property as sold to the purchaser.

11. “Purchase price” has the meaning of “sales or selling price” specified in K.S.A. 79-3602, and amendments thereto.

12. “Rain check” means that the seller allows a customer to purchase an item at a certain price at a later time because the particular item was out of stock.

13. “Repossessed goods” means goods sold on credit that a retailer or other creditor reclaims as allowed by law after a buyer or debtor defaults on installment payments.

14. “Returned goods” means goods that a buyer returns to a retailer upon the parties’ cancellation of the original sales contract when the retailer either credits or refunds the full selling price of the goods and associated sales tax to the buyer. Returned goods shall not include goods accepted in trade or barter, goods repossessed or recaptured by legal process, and goods secured pursuant to the consumer’s abandonment of the sales contract or other voluntary surrender.

15. “Sales tax” or “tax” means Kansas retailers’ sales tax, Kansas retailers’ compensating use tax, and any local retailers’ sales or use tax that is levied in addition to the state tax.

16. “Services” has the meaning specified in K.S.A. 79-3602, and amendments thereto.
(b) Nothing in this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, or K.A.R. 92-19-55b shall be construed as modifying any of the following:

(1) Any requirement of any Kansas certificate-of-title statute or supporting regulation;

(2) any provision of the retailers’ sales tax act that allows a retailer to discount the selling price of goods or services based on a trade-in, coupon, or other price reduction that is allowed by a retailer and taken by a buyer on a sale; or

(3) any requirement imposed on creditors or consumers by the Kansas uniform consumer credit code, K.S.A. 16a-1-101 et seq., and amendments thereto.

(c)(1) When a retailer makes credit sales, the retailer may report and pay tax to the department on the total cash and other payments the retailer receives during each reporting period or, if the retailer’s books and records are regularly kept on the accrual basis, on the total receipts accrued in its books and records during each reporting period. A retailer that has filed six or more sales tax returns using the same method of accounting that it uses for its federal income tax reporting shall be presumed to have knowingly elected to use that method of accounting for sales tax purposes and to have benefited from its election. Regardless of the reasons for electing to use one method of accounting, a retailer shall continue to use that method of accounting to report its credit and other retail sales unless the director of taxation authorizes the retailer in writing to change its method of accounting for federal income tax purposes.

(2) A retailer shall not be disqualified from reporting sales on a cash-receipts basis because it makes credit sales or has accounts receivable. However, when a retailer that reports credit sales on a cash-receipts basis sells, factors, assigns, or otherwise transfers an installment contract, account receivable, or similar instrument, sales tax shall become due on the total amount of the remaining payments and shall be reported on the return for the period in which the retailer is paid or credited for the contract or receivable.

(3) For the purposes of administering and enforcing the requirements of the Kansas retailers’ sales tax act for retailers that report tax based on the total receipts accrued during a reporting period, the date contained on the invoice given to the buyer shall be presumed to be the date the retailer recognizes the receipts in its books and records as earned.

(4) If a retailer finds that it is a hardship to report and remit sales tax in accordance with the requirements in this subsection, the retailer may apply in writing to the director of taxation for permission to start reporting its sales using a different accounting method. The retailer shall fully explain the reasons for the request, and the director may identify reasonable requirements that the retailer shall meet as a condition to allowing the retailer to change the method of accounting it uses to report sales tax.

(d)(1) Each retailer that accounts for its credit sales on the accrual basis shall bill the buyer the full amount of tax that is due on the purchase price of the goods or services sold on credit and shall source and report the sale as if it were a cash sale. The purchase price shall not be reduced by any expense that the retailer attributes to the sale or service and recovers from the buyer even when the retailer bills the expense as a separate line-item charge or on a separate invoice.

(2) When a credit sale is made, any credit charge that is paid by a buyer in addition to the purchase price of goods or services shall be deemed not to be part of the purchase price and shall not be subject to sales tax if both of the following conditions are met:

(A) The invoice, bill of sale, or similar document given to the buyer separately states the credit charge and the selling price of the goods or services that were sold on credit.

(B) The extension of credit was contracted for by the parties, provided for by standard industry custom or practice, or otherwise granted by the retailer, including by issuing an invoice that unilaterally informs the buyer that interest at a stated rate will be added each month to any outstanding credit balance.

(3) A retailer’s charges for the extension of credit that meet the requirements of paragraph (d)(2) shall not be included in the retailer’s report of gross receipts.

(4) A retailer that makes credit sales shall maintain records that separately show the selling price of the goods or services, the corresponding amount of sales tax charged, the customer’s credit balance, and any interest, financing, or carrying charge that has been added to that balance.

(5) A retailer shall not collect sales tax on charges to customers for insufficient funds checks or closed-account checks. The receipts from these
charges shall not be included in the retailers report of gross receipts.

(6) This subsection shall not apply to the types of charges related to credit-card use that are specified in subsection (e).

(e)(1) If a retailer increases the selling price of goods or services for a buyer who uses a credit card to compensate for interchange fees or other charges that the credit-card company will later deduct from the payment it forwards to the retailer's account, these increases shall be considered to be part of the selling price of the goods or services and shall be subject to tax.

(2) Interchange fees and other charges that a credit-card company deducts from a participating retailer's account shall be deemed charges for the financial services that the credit-card company has rendered for the retailer and shall not be deducted from the retailer's report of gross receipts or otherwise used to reduce the amount of sales tax being reported.

(f)(1) A progress payment shall mean a payment made to a contractor as work progresses on a construction project that may be conditioned on the percentage of work completed, the stage of work completed, the costs incurred by the contractor, a payment schedule, or some other basis. Each contractor who issues a bill or statement for a progress payment for a period in which the contractor performed taxable labor services shall report sales tax on the taxable services as part of its gross receipts.

(2) If a contractor reports sales tax on the cash basis, it shall report the taxable labor services it performed during the period covered by a progress payment on the return it files for the sales-tax reporting period in which it receives the progress payment. If a contractor reports sales tax on the accrual basis, it shall report the taxable services it performed during the period covered by a progress-billing statement on the return it files for the sales-tax reporting period in which it recognizes the charges on its progress-billing statement in its books and records as earned.

(g)(1) Unless otherwise provided by statute, each retailer that makes a layaway sale shall report sales tax on the total selling price of the goods sold on layaway when the final payment is made and the goods are delivered to the buyer. The tax rate that is applied to a layaway sale shall be the rate that is in effect at the time of delivery. An exemption may be claimed on a layaway sale only if the exemption is in effect at the time of delivery.

If an unpaid balance remains when the goods are delivered, the transaction shall be reported as a credit sale that is consummated when the goods are delivered to the buyer.

(2) Sales tax shall be applied to a purchase made under a rain check in the same way that the tax is applied to a purchase made under a layaway sale.

(h)(1) Each retailer shall collect and remit tax in accordance with this subsection on any taxable sales of goods the retailer makes under a financing lease agreement or other conditional sale, unless the lease or sale satisfies one of the requirements listed in paragraphs (i)(2)(A) through (C).

(2) When an accrual-basis retailer sells goods at retail and the sale is financed under a financing lease, the retailer shall collect and remit sales tax at the time of sale on the full selling price of the goods. Sales tax shall be collected and remitted in this manner even if the retailer transfers title to the goods to a financial institution and possession of the goods to the third-party lessee or if the retailer retains title to the goods and transfers possession to the lessee. Lease payments that a third-party lessee makes to a financial institution or retailer to discharge its loan-repayment obligations under a financing lease or other conditional sale shall not be subject to tax.

(3) A financial institution shall not claim a resale exemption for the purchase of goods that the financial institution is financing under a financing lease agreement.

(4) The transfer of title to the lessee upon completion of the lease payments required under a financing lease agreement shall not be subject to tax.

(i)(1) A contract shall be treated as a financing lease regardless of whether the underlying transaction is characterized as a lease or rental under generally accepted accounting principles, the internal revenue code, the uniform commercial code, K.S.A. 84-1-101 et seq. and amendments thereto, or any other provision of federal, state, or local law, if the contract requires the lessee to possess or control the goods under a security agreement or deferred payment plan that requires the transfer of possession or control of the goods to the lessee under either of the following:

(A) A security agreement or deferred payment plan that requires the transfer of title to the lessee upon completion of the required payments; or

(B) an agreement that requires the transfer of title upon completion of the required installment payments plus the additional payment of an option
price, and the option price does not exceed the greater of $100 or 1% of the total required payments.

(2) Unless paragraph (i)(1) requires a contract to be treated as a financing lease, a contract shall be treated as an operating lease and not as a financing lease if the contract meets one of the following requirements:

(A) Contains a provision that allows the lessor to claim federal income tax depreciation benefits for the leased goods;
(B) allows the lessee to terminate the agreement at any time by returning the goods and making all lease payments due to the date of return; or
(C) qualifies as a Kansas consumer lease-purchase agreement under K.S.A. 50-680 et seq., and amendments thereto.

(j)(1) A late payment charge or penalty billed to a customer shall be exempt under this regulation only if the late payment charge or penalty is imposed for nonpayment of a credit balance that is owed under the parties’ agreement for the extension of credit, a financing lease, or other conditional sale agreement.

(2) A late payment charge or penalty that is billed to a customer by a regulated utility, cable provider, telecommunications company, or other entity that operates under the authority granted by law or contract by a municipal, county, state, or federal governmental unit is not a credit charge imposed for the extension of credit and shall be subject to sales tax.

(1) For purposes of this regulation, “bad debt” shall mean any debt owed to or account receivable held by a retailer that can be claimed as a “wholly or partially worthless debt” deduction under 26 U.S.C. Section 166 that arose from the sale of goods or services upon which the retailer reported retailers’ sales or use tax in a prior reporting period; and

(2)(A) A retailer shall be eligible to claim a bad debt allowance if the retailer meets the following conditions:

(i) Was the original seller of the taxable goods or services;
(ii) charged and remitted the retailers’ sales or use tax on a sale that can be claimed as a worthless debt deduction under 26 U.S.C. Section 166; and
(iii) has written off the bad debt as worthless or uncollectible in its books and records.

(B) A certified service provider shall be eligible to claim a bad debt allowance on behalf of a retailer that meets the conditions in paragraph (a) (2)(A) if the provider meets the requirements in subsection (g).

(3) A claim for a bad debt allowance shall be considered to be filed with the department according to one of the following:

(A) On the due date of the return for the reporting period in which the bad debt is written off as uncollectible in the retailer’s books and records, when a deduction for the bad debt is taken on that return; or
(B) on the date that the retailer files a refund claim with the department, if part or all of a bad debt allowance is being claimed as a refund because the bad debt allowance was not taken as a deduction on the appropriate return or the deduction that was taken exceeded the amount of taxable gross receipts being reported on that return. The filing date for a refund claim provided by K.S.A. 79-3609, and amendments thereto, shall be the later of either the postmark date on the refund request or the postmark date on the required supporting documentation.

(4) Each claim by a retailer for a deduction, credit, or refund based on a bad debt allowance shall be made in accordance with this regulation. K.A.R. 92-19-3c shall control the treatment of goods that are repossessed by a retailer after the retailer has taken a bad debt allowance on the underlying credit sale of goods defaulted on by the retailers’ customer.

(5) After a retailer sells, factors, assigns, or otherwise transfers an account receivable, installment contract, or other similar debt instrument for a discount of any kind that authorizes a third party to collect customer payments, the retailer shall not be eligible to claim a bad debt allowance, credit, or refund for bad debts that arise under an instrument that was sold or transferred at a discount. A third party that purchases or otherwise obtains a debt instrument from the retailer, and any person that subsequently purchases or otherwise obtains the debt instrument, shall not be eligible to claim a bad debt allowance, credit, or
refund for an underlying credit sale of goods or services defaulted on by the retailer's customer.

(b) Determining the amount of a bad debt allowance.

(1) The bad debt allowance that may be claimed for sales tax purposes shall be the difference between the federal worthless debt deduction calculated for the sale or account pursuant to 26 U.S.C. Section 166(b) and the applicable adjustments and exclusions to the federal worthless debt deduction specified in K.S.A. 79-3674 and amendments thereto.

(2) No anticipatory or statistical sampling method of estimating the amount of a sales-tax bad debt allowance shall be allowed except as specified in K.S.A. 79-3674(h) and amendments thereto.

(3) If a retailer maintains a reserve account for bad debts, only charges against the bad debt reserve that have been written off the retailer's books and records may be claimed as a bad debt allowance.

(4) The amount of sales tax that is deducted, credited, or refunded under a bad debt allowance shall not exceed the difference between the tax that the retailer remitted to the department on a retail transaction and the tax that the retailer collected on the retail transaction.

(5) The amount of a bad debt allowance shall not include any finance charges, collection expenses, or repossession expenses that the retailer assigned to the consumer's account.

(6) Whenever the sales tax rate that was in effect at the time and place of the original sale is changed pursuant to a statutory rate change or the enactment or repeal of a local tax, the amount of the bad debt allowance shall be adjusted to account for the rate change before the bad debt allowance is claimed.

(7) In the absence of adequate records showing the contrary, it shall be presumed that the interest rate for financing charges that the retailer billed to a customer's delinquent account is the maximum rate of interest that the retailer charged on the same type of delinquent account during the same period that gave rise to the bad debt.

(8) No interest shall be paid by the department on any sales-tax bad debt deduction taken on a retailer's tax return. Interest on a refund claim filed to recover part or all of a bad debt allowance shall be computed as provided in subsection (e).

(c) How to claim a bad debt allowance.

(1)(A) A retailer that is required to file federal income tax returns shall claim a bad debt allowance as a deduction from the taxable gross receipts being reported on the return the retailer files for the reporting period in which the bad debt is charged off its books and records as uncollectible.

(B) A retailer that is not required to file federal income tax returns, including a church or other nonprofit entity, shall claim a bad debt allowance as a deduction from taxable gross receipts during the reporting period in which the bad debt is charged off its books and records, if the allowance would otherwise qualify for a worthless debt deduction under 26 U.S.C. Section 166 if the retailer were required to file federal income tax returns.

(2) If a retailer fails to timely claim a bad debt deduction on the return identified in paragraph (c)(1) or if a bad debt allowance exceeds the taxable gross receipts being reported on that return, the retailer shall file a refund request pursuant to K.S.A. 79-3609, and amendments thereto, to recover the bad debt allowance or the balance of the allowance. The retailer shall not claim a bad debt allowance as a deduction so that a negative balance is reported on a return, as a deduction on an amended return filed for an earlier reporting period, or as a deduction on a return filed for a later period.

(3) A refund request that is filed to recover a bad debt allowance shall not include any other type of refund claim. The supporting documentation shall clearly state that the refund request is based on a claim for a bad debt allowance and shall identify the sales tax reporting period in which the worthless debt deduction could have first been claimed for federal income tax purposes.

(4) A refund claim based on a bad debt allowance shall be denied if the due date of the return for the reporting period in which the retailer first became eligible to write off the worthless debt for federal income tax purposes is outside the limitation period specified in K.S.A. 79-3609, and amendments thereto, for filing refund claims.

(d) Substantiating documentation.

(1) The burden of establishing the right to and the validity of a sales-tax bad debt allowance shall be on the retailer. In order to verify each sales-tax bad debt allowance being claimed, the retailer shall retain records that show the following:

(A) The date when the retailer first became eligible to write off the worthless debt in the books and records that it maintains for federal income tax purposes;

(B) The amount of the worthless debt that was written off for federal income tax purposes and
the amount of the worthless debt that is being claimed for Kansas sales tax purposes;

(C) any computations or adjustments made by the retailer to its federal worthless debt deduction to arrive at the bad debt allowance being claimed for Kansas sales tax purposes;

(D) any portion of the debt or worthless account that represents customer charges that were not taxed; and

(E) the amount of interest, finance charges, service charges, collection, and repossession costs that the retailer assigned to the debt or worthless account.

(2) The information specified in paragraphs (d)(1)(A) through (d)(1)(E) may be requested by the department at any time to substantiate a retailer's bad debt allowance claim.

(3) Any retailer that qualifies to claim a sales-tax bad debt allowance and whose volume and character of uncollectible or worthless accounts warrant an alternative method of substantiating the allowance may apply in writing to the director of taxation and ask to be allowed to maintain records other than those specified in this subsection. The retailer shall explain the reasons for the request, and the director may identify reasonable requirements that the retailer must meet as a condition to allowing the retailer to maintain records other than those specified in this subsection.

(e) A bad debt allowance submitted as a refund request. If a retailer claims a bad debt allowance by filing a refund request in accordance with paragraphs (c)(2) through (c)(4), the request shall be treated as the retailer's application for a refund. If a refund request based on a bad debt allowance is approved, either a credit memorandum or a refund payment may be issued by the department to the retailer for the approved amount. The amount credited or refunded shall not include interest, unless a credit memorandum or refund payment is not issued within the time provided for refunds by K.S.A. 79-3609, and amendments thereto. If a credit memo or refund payment is issued after the time provided for refunds, interest shall be computed from the later of either the filing date of the refund request or the filing date of the supporting documentation required by K.S.A. 79-3693, and amendments thereto.

(f) Recovery of allowances previously taken. If a retailer collects payment for goods or services or repossesses goods that were the basis of a bad debt allowance, the retailer shall apply the payment first proportionally to the selling price of the goods or services and the corresponding sales tax that remains unpaid and then to any other charges that are owed on the customer's account, including interest, service charges, and collection costs billed to the customer. The retailer shall report the payment amount that is apportioned to the selling price of the taxable goods or services as part of its taxable gross receipts for the period in which the payment is received.

(g) Certified service providers.

(1) If a retailer's filing responsibilities have been assumed by a certified service provider, the certified service provider may claim, on the retailer's behalf, any bad debt allowance that the retailer could claim under this regulation. The certified service provider shall provide a credit or issue a refund to the retailer for the full amount of any bad debt allowance that the provider recovers. No person other than the retailer who reported the taxable transaction and reported tax to the department, or a retailer's certified service provider, shall be entitled to claim a bad debt allowance that is based on a worthless debt or uncollectible account.

(2) If the books and records of the retailer or certified service provider claiming a sales-tax bad debt allowance support an allocation of the sales-tax bad debts among the member states on a particular customer's uncollectible account, the allocation shall be allowed pursuant to K.S.A. 79-3674, and amendments thereto. (Authorized by K.S.A. 2010 Supp. 75-5155 and 79-3618; implementing K.S.A. 2010 Supp. 79-3609, 79-3674, and 79-3693; effective April 1, 2011.)

92-19-3c. Repossessed goods. (a) Each retailer that repossesses goods that were the basis of a bad debt allowance under K.A.R. 92-19-3b, and each financial institution that repossesses goods, shall account for the repossessed goods in accordance with this regulation.

(b) The recovery of goods being repossessed and the transfer of title to the goods from the debtor to the retailer or financial institution are not retail sales and shall not be taxed.

(c) When repossessed goods are resold by a retailer, the receipts from the sale shall be reported as part of the retailer's gross receipts. When repossessed goods are resold by a retailer as a sale for resale, a retailer that previously claimed a bad debt allowance on the goods shall account for the receipts as an allowance recovery in accordance with K.A.R. 92-19-3b(f).
(d) When goods are repossessed by a financial institution, the resale of the goods by the financial institution and the transfer of title to the buyer shall be treated as nontaxable isolated or occasional sales.

(e) When a debtor satisfies the underlying debt after goods are repossessed, the return of goods and the transfer of title to the goods to the debtor are not retail sales and shall not be taxed. A retailer that previously claimed a bad debt allowance on the goods shall report the taxable gross receipts that are included in the payment from the debtor in accordance with K.A.R. 92-19-3(b)(f).

92-19-16a. Gifts, premiums, prizes, coupons, and rebates. (a) Each sale of tangible personal property shall be taxable if made to a person who will use the property as a prize or premium or who will give the property away as a gift. Donors of articles of tangible personal property shall be regarded as the users or consumers of the property. If a retailer donates property that was originally acquired for resale, the retailer shall accrue tax on the cost it paid for the property when the retailer files its next sales tax return, unless the retailer donates the property to an entity that is exempt from taxation on its purchases under K.S.A. 79-3606, and amendments thereto, or has provided the retailer with a resale exemption certificate.

(b) If a retailer making a retail sale that is subject to tax gives a premium or prize along with the item being sold, the transaction shall be regarded as the sale of both items to the purchaser if delivery of the premium or prize does not depend on chance.

(c) If the award of a premium or prize by a retailer depends on chance, the retailer's acquisition of the premium or prize shall be subject to sales tax. The retailer shall pay the tax at the time of acquisition of the premium or prize or, if the item is removed from resale inventory, shall accrue tax on the item's cost on its sales tax return.

(d) If a retailer accepts a coupon for a taxable product and will later be reimbursed by a manufacturer or other party for the reduction in selling price, the total sales value, including the coupon amount, shall be subject to sales tax. If a retailer accepts a coupon and will not be reimbursed for the reduction in selling price, the reduction shall be considered a discount, and the taxable amount shall be the net amount paid by the customer after deducting the value of the coupon. If a retailer enhances the value of a manufacturer's coupon, the amount of the unreimbursed enhancement shall be treated as a discount that is not subject to sales tax.

(e) For purposes of this regulation, “rebate” shall mean a return of part of the amount paid for a product after the time of sale, which is commonly obtained by sending proof of purchase to the manufacturer. Like manufacturers' coupons, a manufacturer's rebate is a form of payment. Therefore, even if a manufacturer's rebate is assigned to a retailer at the time of sale, the rebate shall not reduce the amount that is subject to sales tax.

(f) Sales of gift certificates, meal cards, or other forms of credit that can be redeemed by the holder for the equivalent cash value shall not be subject to tax when sold. If the certificate or other form of credit is used as a cash equivalent to purchase taxable goods or services, the retailer who redeems the certificate or other form of credit shall charge sales tax on the selling price of the goods or services, which shall not be reduced by the amount of the certificate or other credit being redeemed.

(g) Sales of coupon books and similar materials that entitle the holder to a discount or other price advantage on the purchase of goods or services shall be presumed to have value in addition to the coupons or discounts contained in them and shall be taxable as sales of tangible personal property, except when the sale of this type of book is by a nonprofit organization that treats the re-
receipts from the sales as a donation. If a coupon is redeemed from a coupon book or other material sold at retail, the retailer who redeems the coupon shall charge sales tax in accordance with the requirements for sales made with coupons that are specified in subsection (d).

(h) If a nonprofit organization treats receipts from the providing of coupon books and similar materials as donations, the nonprofit organization shall be liable for paying sales tax when it purchases the coupon books or other materials that are provided to a donor when a donation is made, unless the organization is otherwise exempted from paying tax on its purchases. If a coupon is redeemed, the retailer who redeems the coupon shall charge sales tax in accordance with the requirements for sales made with coupons that are specified in subsection (d). (Authorized by K.S.A. 2009 Supp. 75-5155 and 79-3618; implementing K.S.A. 2009 Supp. 79-3602 and K.S.A. 2009 Supp. 79-3603 as amended by L. 2010, ch. 160, sec. 1; effective July 27, 2001; amended April 23, 2007; amended April 1, 2011.)

92-19-40. (Authorized by K.S.A. 79-3618, implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective, E-80-26, Dec. 12, 1979; effective May 1, 1980; amended May 1, 1985; revoked April 1, 2011.)

92-19-49b. Goods returned when a sale is rescinded. (a)(1) When a retailer and consumer rescind a taxable sale of goods that the retailer reported on an earlier return, the retailer shall be entitled to deduct the original selling price of the returned goods from its current report of gross receipts, except as provided in paragraph (a)(2). A retail sale of goods shall be considered to be rescinded once the retailer accepts possession of the returned goods and the consumer accepts the repayment of all or part of the selling price and sales tax that was originally paid to buy the goods. This repayment to the consumer may be made by credit or refund.

(2) If a retailer reduces the amount credited or refunded to the consumer for the returned goods as compensation for depreciation, consumer usage, or any other reduction in the value of the goods, the amount of the reduction shall be considered a charge by the retailer for the consumer's use of the goods and shall be subject to sales tax as if it were a rental charge being billed to the consumer. Both the deduction from gross receipts taken by the retailer on its current return and the selling price credited or refunded to the consumer shall be reduced by the amount taken as compensation for the reduced value of the goods. The amount of tax that is required to be credited or refunded to the consumer shall be reduced in a proportional amount.

(3) A retailer shall not be required to report its taxable receipts from a retail sale that is rescinded if the original sale, the acceptance of the returned goods by the retailer, and the full repayment to the consumer are all completed during one reporting period. If only partial repayment of the selling price and sales tax is made to the consumer, the retailer shall report the amount used as the reduced value of the goods as part of its gross receipts for that reporting period.

(4) If a retailer does not reduce the amount refunded to a consumer under paragraph (a)(2) or (a)(3) for a reduction in the value of the goods and charges a restocking or reshelving fee to the consumer after goods are returned, this fee shall not be taxable. A restocking or reshelving fee shall be defined as a fee charged by a retailer to cover the time and expense incurred returning goods to resale inventory if the consumer has not used the goods in a way that reduces their value.

(b) Each retailer shall maintain records that clearly establish and support its deduction claim when a sale is rescinded.

(c) Any retailer may take a deduction or credit for a refund claim on its sales tax return only if the deduction or credit has been authorized in writing by the department or is allowed under this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, or another department regulation. All other refund claims shall be made by submitting a written refund application to the department, in accordance with K.A.R. 92-19-49c.

(d) Repossessed goods shall be treated as specified in K.A.R. 92-19-3c.
(e) Despite any other provision of this regulation, any motor vehicle manufacturer, manufacturer’s agent, or authorized dealer may apply to the department for a refund or take a deduction during the reporting period if a consumer returns a motor vehicle in accordance with K.S.A. 50-645, and amendments thereto, and is refunded the total amount that the consumer paid for the vehicle, including sales tax, less a reasonable allowance for the consumer’s use of the vehicle, which shall include the sales tax associated with that use. The manufacturer, agent, or dealer shall maintain records that clearly reflect the acceptance of the returned vehicle under K.S.A. 50-645 and amendments thereto, the amount of the refund, and the amount of taxes refunded. (Authorized by K.S.A. 2009 Supp. 75-5155 and K.S.A. 2009 Supp. 79-3618; implementing K.S.A. 2009 Supp. 79-3607 as amended by L. 2010, ch. 123, sec. 11, and K.S.A. 2009 Supp. 79-3609 as amended by L. 2010, ch. 123, sec. 12; effective May 27, 2005; amended April 1, 2011.)

(1) “Financing lease” shall have the meaning specified in K.A.R. 92-19-3a.

(2) “Goods” shall have the meaning as specified in K.A.R. 92-19-3a. For purposes of this regulation, “equipment” may be substituted for the word “goods” whenever equipment rentals or leases are being considered.

(3) “Lease or rental” shall have the meaning specified in K.S.A. 79-3602, and amendments thereto. When used in this regulation, these two terms and their derivatives are synonymous.

(4) “Lessee” shall mean a person who acquires the right to possess or control goods under a lease or rental agreement.

(5) “Lessor” shall mean a person who is engaged in the business of leasing or renting goods to others.

(6) “Operating lease” shall mean a lease agreement that gives the lessee possession or control of goods for a fixed or indeterminate period, while the lessor retains all or substantially all of the risk and rewards of ownership of the goods. This term shall be synonymous with “true lease.”

(7) “Primary property location” shall have the meaning specified in K.S.A. 79-3670, and amendments thereto.

(8) “Sales tax” or “tax” shall have the meaning specified in K.A.R. 92-19-3a.

(9) “Transportation equipment” shall have the meaning specified in K.S.A. 79-3670, and amendments thereto. When the term “motor vehicle” or “vehicle” is used, the term shall mean any passenger vehicle, truck, trailer, semitrailer, or truck tractor, as defined in K.S.A. 8-126 and amendments thereto, that is not classified as “transportation equipment” under K.S.A. 79-3670, and amendments thereto.

(b) Operating leases and rentals.

(1) Each agreement that is structured as a lease shall be treated as an operating lease unless the agreement meets the definition of a “financing lease” in K.A.R. 92-19-3a. Any operating-lease agreement may contain a future option to purchase the goods that are being leased or to extend the agreement, or both. Each oral lease shall be treated as an operating lease.

(2) Each person who rents or leases goods at retail for use in Kansas under an operating lease shall be deemed a retailer doing business in this state and shall register with the department and report tax on its taxable receipts as provided in this regulation. If tax is not collected on a taxable charge for a rental or lease, the tax together with interest and penalty may be collected by the department from either the lessor or the lessee.

(3) Each lessor shall collect tax on every taxable rental or lease charge that it bills to its lessees. A lessor shall not forgo this collection duty and elect instead to pay sales tax when the lessor buys goods to rent or lease.

(4) Each recurring periodic payment made under a rental or lease agreement shall be treated as a payment for a separate sales transaction in time units defined by the agreement of the parties. Each recurring periodic payment period under an agreement shall be treated as a complete sale for purposes of determining the following:

(A) Whether tax is required to be collected or paid on a periodic payment because of the enactment of a new tax imposition or exemption;

(B) whether a change in the tax rate applies to a periodic payment;

(C) what the appropriate local tax jurisdiction is when the primary property location is changed from one local taxing jurisdiction in Kansas to another; and

(D) what the appropriate state tax jurisdiction is when the primary property location is changed to Kansas from another state or from Kansas to another state.

(5) If a lease or rental agreement does not require recurring periodic payments to be made,
the lump-sum payment shall be treated as a complete sale for purposes of applying exemptions, tax rates, sourcing requirements, and other requirements of the sales tax act to the lease payment. No refund claim shall be allowed or assessment issued that is based on an enactment that takes effect after payment but during the term of this type of lease or rental, unless the enactment specifies otherwise.

(6) Each “rent-to-own” or “rental-purchase” agreement that is subject to the Kansas consumer lease-purchase agreement act, K.S.A. 50-680 et seq. and amendments thereto, shall be treated as an operating lease. A reinstatement fee charged under this type of an agreement shall be taxable.

(7) A rental or lease shall not qualify for exemption as an isolated or occasional sale of goods.

(c) Sourcing receipts from operating leases. Each receipt from the lease or rental of goods shall be sourced according to the following:

(1) Classification of the receipt as a down payment, recurring periodic payment, or a single payment for the entire lease or rental period; and

(2) The type of goods being leased or rented.

Each different type of receipt shall be sourced according to K.S.A. 79-3670 and amendments thereto.

(d) Computation of the tax.

(1) Sales tax shall be computed on the total amount of each lease charge billed to the lessee without any deduction for mandatory insurance, damage waiver fees, property taxes, maintenance, service, repair, pickup, delivery, and other handling charges, administrative charges, late payment charges or penalties, reinstatement fees, late return charges, fuel charges, surcharges, and other charges or expenses whether paid by the lessor or lessee. Each of these fees or expenses shall be considered to be part of a taxable lease charge, even when the fee or expense is separately stated on an invoice given to a lessee or when separate contracts are entered into for the rental or lease and for the payment of one or more of these fees or expenses.

(2) All payments of interest, financing, and carrying charges, and any other payment that a lessee makes to reimburse a lessor for the costs or expenses the lessee incurs under the lease, shall be subject to sales tax whether billed as a separate line-item charge or on a separate invoice.

(3) When a rental or lease agreement has been subject to sales tax, sales tax shall apply to any charge made for either of the following:

(A) The cancellation of the agreement; or
(B) The early return of the rented or leased goods.

(4) Each late return charge that is billed for a customer’s failure to return goods to a rental company or other lessor within the agreed-upon rental or lease term shall be treated as a charge for the customer’s continued possession or control of the goods. This charge shall be subject to sales tax regardless of whether the charge meets any of the following conditions:

(A) Is designated a late return charge, a penalty, or a credit charge;
(B) Exceeds the standard rental charge; or
(C) Is a flat charge that appears to be a fine.

(e) A lessor’s purchase of goods to rent or lease.

(1) Any registered lessor that rents or leases goods may claim that the goods are purchased for resale when the lessor buys goods for the sole purpose of renting or leasing to others.

(2) A lessor that rents or leases equipment or other goods to others shall not claim the equipment or goods are purchased for resale when the lessor buys the equipment or goods if the lessor engages in a service business that does either of the following:

(A) Uses the equipment or other goods to perform services, in addition to renting or leasing the equipment or goods; or
(B) Furnishes the equipment or goods to others with an operator.

(3) If a lessor paid tax when it purchased goods, the payment of tax shall not exempt any subsequent charges that the lessor bills for the rental or lease of the goods and shall not entitle the lessor to claim a credit for the taxes paid. Each lessor that is allowed to claim that goods are purchased for resale as provided in paragraph (e)(1) but paid tax on the purchase of the goods in error shall apply to the department for a refund of the tax.

(4) If a lessor that purchased goods solely for rental or lease later withdraws the goods from its rental or lease inventory for its own occasional use and then returns them to its inventory, the lessor shall accrue sales tax on the regular rental amount that the retailer would charge to a customer for use of the goods under a rental or lease agreement.

(f) Purchases of repair services and repair parts.

(1) A lessor’s purchases of repair services and repair parts for incorporation into the goods or equipment that the lessor uses exclusively to rent or lease shall not be considered to be a retail sale. A lessor’s purchases of oil, grease, filters, lubri-
(a) Furnishing equipment with an operator. 
(1) Each charge for furnishing equipment with an operator who will use the equipment to perform services shall be taxed as a service rather than a rental or lease and shall be subject to the impositions on services set forth in K.S.A. 79-3603, and amendments thereto.

(2) Each lessor shall charge and collect sales tax on each lease or rental charge that the lessor bills to a lessee who intends to use the equipment being rented or leased to perform services for others.

(3) When a lessee bills a customer for taxable services that it performed using leased equipment, the lessee shall not deduct or otherwise exclude the lease charges that it paid to the lessor when the lessee bills its customer for the taxable services.

(4) Equipment shall be considered to be leased or rented rather than provided with an operator if the only services the lessor provides are setup, inspection, or maintenance services that are performed on the leased equipment itself.

(h) Disposal of rental or lease inventory. When goods that were purchased for rental or lease are sold at retail, the lessor shall collect sales tax on the full selling price without regard to any tax that has been collected and remitted on receipts from the rental or lease of the goods. The sale of any goods that a retailer makes from its inventory to others with an operator requires goods, including furniture and similar items to a rental or lease business for use in equipment in its rental or lease inventory shall be a retail sale if the business uses equipment from its inventory to perform services or if the business furnishes equipment from its inventory to others with an operator.

(g) Furnishing equipment with an operator.

(i) Real property considerations.

(1) If a contract for the rental or lease of real property requires goods, including furniture and restaurant equipment, to be provided to a tenant with real property, no sales tax shall be due on any amount that is separately charged to the tenant for the goods. When a business purchases or leases goods to use to furnish or equip an apartment, office, restaurant, or other real property that the business intends to lease or rent, the sale or lease of the goods to the business shall be considered a retail sale or lease, and the business shall pay sales tax on the purchase price or lease charges as the final user of the goods.

(2) Each rental or lease of goods, including computers, typewriters, and word processors, to a person who obtains the exclusive right to use the goods for a fixed term shall be subject to sales tax even though the goods are attached or affixed to real property, unless the goods are being furnished with the rental or lease of a real property as specified in paragraph (i)(1).

(3) For purposes of determining the taxability of a rental or lease transaction that involves tangible personal property attached to realty, taxability shall be presumed if the property being leased or rented is considered “goods” pursuant to K.S.A. 84-2-107(2), and amendments thereto, unless the goods are being furnished with the rental or lease of real property as specified in paragraph (i)(1).

(j) Exemptions, discounts, and deductions. Any discount, deduction, or exemption may be claimed when a rental or lease of goods or services is entered into if the same discount, deduction, or exemption would be allowed when the same goods or services are sold at retail. When a lessee that makes recurring periodic payments claims entitlement to a new discount, deduction, or exemption that first takes effect during the term of a lease, any discount, deduction, or exemption may be applied to the periodic payments as provided in paragraph (b)(4).

to a retailer’s written request for clarification of the tax statute or regulation relating to a specified set of circumstances affecting the retailer’s collection duties as they relate to a claim of exemption from sales tax.

(b) A retailer, consumer, or other person shall not rely upon a verbal opinion from the department of revenue. Only a written private letter ruling issued to a retailer that concerns the retailer’s collection duties shall bind the department. Each retailer seeking a private letter ruling from the department shall submit a written request for the ruling to the department. The written request shall identify the retailer and state with specificity the facts and circumstances relating to the issue for which the ruling is sought. If insufficient facts are presented with a retailer’s request for a ruling, a private letter ruling shall not be issued by the department. If material facts are misrepresented in a retailer’s request for a ruling, a private letter ruling that is issued by the department shall be of no effect and shall not be binding on the department. Department correspondence that does not state that the correspondence is a “private letter ruling” shall not be considered or otherwise treated as a private letter ruling.

(c) Nothing contained in a private letter ruling shall be construed as altering any provision of the Kansas retailers’ sales tax act or any department regulation or as otherwise meeting any of the following conditions:

(1) Having the force and effect of law;
(2) being a notice, revenue ruling, or other tax-policy statement that has been published by the department; or
(3) being a precedent that can be cited or relied upon by any person other than the retailer to whom the ruling is issued, except to identify a ruling that is being relied upon as support for a request for the reduction or waiver of penalty or interest.

(d) If a private letter ruling erroneously instructs an individual retailer that it is not required to collect sales tax under a specific set of facts and circumstances, that retailer shall be absolved of its statutory duty to collect sales tax under a comparable set of facts and circumstances, unless the ruling has been rescinded or was based on the retailer’s misrepresentation of material facts. A consumer that did not pay the tax to the retailer shall continue to be liable for the uncollected tax. However, if the consumer belatedly pays or is later assessed the tax, penalty shall be waived, and any interest on the consumer’s late payment may be waived or reduced, upon the consumer’s request unless the consumer misrepresented material facts to either the retailer or the department.

(e) Each private letter ruling shall cease to be valid and shall be deemed to have been rescinded when any one of the following occurs:

(1) A statute or regulation that the department relied upon as a basis for the ruling is changed in any substantive part by the Kansas legislature or department of revenue.
(2) A substantive change in the interpretation of a statute or regulation that the department relied upon as a basis for the ruling is made by a court decision.
(3) An interpretation that the department relied upon as a basis for the ruling is changed in any substantive part by a more recent department notice, guideline, revenue ruling, or other published policy directive that rescinds all prior published policy statements about issues that are discussed in the policy directive. Any policy statement that has been rescinded by the department may be cited as support for a taxpayer’s request for the reduction or waiver of penalty or interest.

92-19-73. Membership fees and dues. (a) Each public or private club, organization, or business charging dues to members for the use of the facilities for recreation or entertainment shall collect sales tax on the gross receipts received from the dues, except for the following:

(1) Clubs and organizations that are exempt from property tax pursuant to the “eighth” paragraph of K.S.A. 79-201 and amendments thereto, including the American legion, the veterans of foreign wars, and certain other military veterans’ organizations;
(2) clubs and organizations that are exempt from property tax pursuant to the “ninth” paragraph of K.S.A. 79-201 and amendments thereto, including the Y.M.C.A., Y.W.C.A., Boy Scouts, Girl Scouts, and certain other humanitarian community service organizations; and
(3) nonprofit organizations that support nonprofit zoos, if the organization is exempt pursuant to section 501(c)(3) of the federal internal revenue code of 1986 and the dues are used to support the operation of the zoo.
(b)(1) “Dues” means any charge that is a debt owed to the club, organization, or business by an existing member or prospective member in order for the member or prospective member to enjoy the use of the facilities of the club, organization, or business for recreation or entertainment, and, except as provided in paragraph (b)(2), shall include periodic or one-time special assessments, initiation fees, and entry fees charged to members by a non-profit club or organization if a member’s continued nonpayment of the assessment or fee will result in the loss of membership or membership rights.

(2) Dues shall not include the redeemable amount of a contribution required for membership in an equity country club or other equity entity organized for recreation or entertainment in which none of the net earnings inure to the benefit of any shareholder or other person, including organizations described by I.R.C. 501(c)(7), if the club or organization is obligated to repay the redeemable amount of the contribution, and the redeemable amount either is reflected as a liability owed to the member on the club’s or organization’s books and records or is required to be repaid to the member under a written contract. The repayment obligation may be conditioned upon the club’s or organization’s receipt of a membership contribution from a new member. The redeemable amount of a contribution required for membership shall include payments made by a member or prospective member for membership stock, certificates of membership, refundable deposits, refundable capital improvement surcharges, refundable special or one-time assessments, or similar membership payments in an amount equal to the amount that the club or organization is obligated to repay to the member. These payments to a club shall not be considered redeemable contributions if the club’s repayment obligation is contingent solely on a club ceasing its operations as a nonprofit social organization sometime in the future.

(3) If all or part of a redeemable contribution paid to acquire or retain membership ceases to be carried as a liability on the books and records of a club that continues operation, or its successor, and the contribution has not been redeemed by a former member or former member’s estate, the amount of the contribution that is no longer carried as a liability and can no longer be redeemed shall be subject to sales tax.

(c) “Recreation or entertainment” means any activity that provides a diversion, amusement, sport, or refreshment to the member. This term shall include the health, physical fitness, exercise, and athletic activities identified in K.A.R. 92-19-22b.

(d) An exemption for gas, fuel, or electricity shall not be allowed for a public or private club, organization, or other business that charges dues to members if the gas, fuel, or electricity is utilized for heating, cooling, or lighting a building, facility, or other area that is used for recreation or entertainment. An exemption shall not be allowed for water, cleaning supplies, toilet supplies, sanitary supplies, and other consumables and supplies that are used by a public or private club, organization, or other business that enable dues-paying members or others to use the building or facility for recreation or entertainment. These exemptions shall not be allowed regardless of whether the business charges dues-paying members or others for admission or for participation in sports, games, or recreation.

(e) Any excess funds in the bingo trust bank

(b) If a licensee intends to conduct games of

reusable bingo cards for playing by the person or
another person before the time that the reusable
bingo cards are made accessible to all of the play-
ers before the start of a session.
(b) No person shall set aside or reserve reusable
bingo cards between games of bingo. All reusable
bingo cards to be used for a particular session
shall be shuffled before being sold or rented to the
players so as to ensure that reusable bingo cards
returned from the previous session do not remain

(c) At the end of each session, all reusable bin-

shall be displayed to the players present so that
each player who desires to see the number can do

Supp. 75-5181; effective Feb. 12, 2016.)
92-23-48. Bingo; procedure for correction if wrong number called. (a) If a caller calls a number different from what is on the ball or other object selected by chance and this fact is brought to the caller’s attention before the prize is awarded for that game of bingo, then the mistake shall be corrected by announcing that the correct number will be used rather than the incorrect number.

(1) If this correction results in one or more immediate winners, then the game of bingo shall be deemed complete at that point. If the caller can determine who would have won first if the mistake had not been made, then the prize or prizes shall be awarded to that winner or those winners. If the caller cannot determine which winner would have won first, then the prize or prizes shall be split as equally as possible among the winners.

(2) If this correction does not result in at least one winner, then the game of bingo shall be continued until there is a winner.

(b) If a caller calls a number different from what is on the ball or other object selected by chance and this fact is brought to the caller’s attention after the prize or prizes have been awarded for that game of bingo, then no correction shall be made and the winner or winners shall retain the prize or prizes. (Authorized by and implementing K.S.A. 2015 Supp. 75-5181; effective Feb. 12, 2016.)

92-23-49. Bingo; persons selling refreshments or performing janitorial work. (Authorized by and implementing K.S.A. 2015 Supp. 75-5181; effective Feb. 12, 2016.)

92-23-51. Disputed game of bingo. (a) “Disputed game of bingo” shall mean a game of bingo at which a participant or observer registers a complaint with a licensee’s employee or volunteer who is operating, conducting, or managing games of bingo for the licensee. If the participant or observer is not satisfied with the manner in which the complaint is handled, then that individual may file a written complaint with the administrator.

(1) Each licensee shall, on the premises, post in plain view of the participants the address where bingo complaints may be filed. The address shall be provided to each licensee by the department. (Authorized by K.S.A. 2015 Supp. 75-5181; implementing K.S.A. 2015 Supp. 75-5179 and 75-5181; effective Feb. 12, 2016.)

92-23-52. Bingo; multiple winners. (a) Before the beginning of the first call bingo game of a session, the licensee shall notify the players of how the licensee intends to pay out the prize for each game of bingo during that session if there are multiple winners.

(b) If a bingo player has a winning pattern simultaneously on two or more bingo faces or reusable bingo cards, then that player shall be treated as a separate winner for each such winning bingo face or reusable bingo card when determining the awarding of the prize or prizes for that game of bingo.

(c) If a bingo player has two or more winning patterns simultaneously on the same bingo face or reusable bingo card, then the licensee may treat the player as a separate winner for each winning pattern when determining the awarding of the prize or prizes for that game only if the licensee has published a house rule to that effect. (Authorized by K.S.A. 2015 Supp. 75-5181; implementing K.S.A. 2015 Supp. 75-5179; effective Feb. 12, 2016.)

92-23-53. Verification of winners. The winning numbers on the bingo face or reusable bingo card of each announced winner of each call bingo game shall be verified by the following individuals:

(a) At least one other call bingo player unrelated by blood or marriage to either the winning player or the caller of that game of bingo; and

(b) one or more of the bingo workers, using one of the following methods:

(1) The bingo worker shall call back the winning numbers while the other call bingo player looks at the bingo face or reusable bingo card and verifies that the correct numbers are being called back. The winning numbers shall be called out loud so that the other players present can hear the numbers. The caller shall announce whether the bingo face or reusable bingo card is a winner. For a
blackout game, the numbers not selected may be called by the bingo worker and other call bingo player to verify the winners; or

(2) the bingo worker shall call out the unique identifying number on the bingo face while the other call bingo player verifies that the correct identifying number was called. The caller shall type the identifying number into the bingo machine with an electronic verifier and announce the bingo machine’s response as to whether the bingo face is a winner. (Authorized by and implementing K.S.A. 2015 Supp. 75-5181; effective Feb. 12, 2016.)

92-23-54. Bingo; reduction in value of prizes. Any licensee may make the value of the prize awarded to the winner of call bingo contingent upon the number of players participating, if the exact terms of the contingency are posted or announced to all of the players before their purchase of any bingo faces or reusable bingo cards for the game. (Authorized by and implementing K.S.A. 2015 Supp. 75-5181; effective Feb. 12, 2016.)

92-23-55. Cashing of prize checks. Checks written by licensees for call bingo prizes of $500 or more shall not be cashed by any licensee or member of the licensee’s nonprofit organization, any lessor, any employee or agent of the lessor, or any other person located upon the premises where the licensee is conducting games of bingo. (Authorized by K.S.A. 2015 Supp. 75-5181; implementing K.S.A. 2015 Supp. 75-5179; effective Feb. 12, 2016.)

92-23-56. Bingo; instant bingo. (a) Each licensee shall maintain and enforce written procedures to ensure that the licensee’s instant bingo tickets are sold only at the times and places permitted by law.

(b) Instant bingo tickets shall be sold only by the licensee.

(c) Each prize for a winning instant bingo ticket shall be paid out to the winner only within the premises designated by the licensee for the conduct of games of bingo.

(d) Once sold, instant bingo tickets shall remain within the premises designated by the licensee for the conduct of games of bingo and shall be disposed of by placing them in receptacles provided by the licensee. The licensee shall be responsible for arranging for the removal and disposal of the instant bingo tickets. However, the licensee shall retain all winning tickets.

(e) An instant bingo game in which the prize is awarded by matching the winning number in a call bingo game shall not be carried over from one session to another. If not all of the tickets from a game have been sold before awarding a prize, then the amount of the prize may be reduced based upon a formula or schedule that has been made known to the players before the commencement of the instant bingo game. (Authorized by K.S.A. 2015 Supp. 75-5181; implementing K.S.A. 2015 Supp. 75-5179; effective Feb. 12, 2016.)

The records shall show the following:

(4) the value of all prizes awarded for each call bingo game played;

(7) the name and address of each winner of a call bingo game in which the prize awarded was more than $100 in value and of all winners of prizes in disputed games of bingo as defined in K.A.R. 92-23-51. A prize shall not be awarded to any individual who refuses to give the individual’s name and address to a licensee in compliance with this regulation;

(c) All records required by this regulation shall be available for, and subject to, inspection by the director of taxation or the director's authorized agents and employees at a location previously designated by the licensee. The records shall be subject to inspection at any reasonable time. The records for the preceding four months shall be available for inspection without advance notice at all times that the licensee is operating or conducting games of bingo.

(d) Each licensee shall provide all information, tax returns, and records regarding or related to the operation, management, or conduct of games of bingo that are requested by the department. Failure to provide all requested information shall constitute grounds for revocation of a bingo license. (Authorized by K.S.A. 2015 Supp. 75-5181; implementing K.S.A. 2015 Supp. 75-5179; effective Feb. 12, 2016.)

92-23-58. Bingo; filing of returns; notice; hearings. (a) On or before the last day of each calendar month, each licensee that was licensed during the preceding calendar month shall submit a return and remit all enforcement taxes due for the preceding month to the department. The return shall be submitted upon a form furnished by the department.

(b) If a licensee does not operate or conduct any games of bingo during a calendar month, the licensee shall still submit a return for that month. (Authorized by K.S.A. 2015 Supp. 75-5181; implementing K.S.A. 2015 Supp. 75-5176 and 75-5180; effective Feb. 12, 2016.)

92-23-70. Charitable raffles; definitions. As used in K.A.R. 92-23-70 through K.A.R. 92-23-75, each of the following terms shall have the meaning specified in this regulation:

For the purpose of determining potential gross receipts, each raffle ticket shall be calculated at its individual selling price before the application of any discount for the purchase of two or more raffle tickets.

(b) “Licensing period” means the period of time beginning on July 1 and through the following June 30. (Authorized by and implementing K.S.A. 2015 Supp. 75-5188; effective Feb. 12, 2016.)

The device shall require the driver of the vehicle to submit to a retest within 10 minutes of starting the vehicle. A rolling retest shall continue at randomized, variable intervals ranging from 10 to 45 minutes after the previous retest for the duration of the travel.

(p) “Service provider” means an ignition interlock device technician that is authorized by a manufacturer to service a certified device on behalf of the manufacturer or the manufacturer’s representative. The director may require the manufacturer or the manufacturer's representative to correct any abnormality found in the installation, calibration, maintenance checks, or usage records of the device. The manufacturer and the manufacturer's representative shall report in writing to the division within 30 days after receiving notification of any abnormality. In conducting these checks, the manufacturer shall install the device in a vehicle chosen by the division, and the manufacturer shall waive any costs to the division for the installation, calibration, or testing of the device.

Each request for accommodation shall be submitted on a form provided by the division. Each form shall require a certification by a licensed pulmonologist that the driver has a lung condition that will render the driver incapable of blowing a normal breath sample, 1.2 liters of air or more, into an ignition interlock device.

(c) If an accommodation that is requested pursuant to subsection (b) cannot be made for a driver that is a qualified individual with a disability as defined by 42 U.S.C. 12131(2), and amendments thereto, the director, upon the driver’s request, may reinstate the driver’s license after the initial ignition interlock device restriction period if the records maintained by the division have no indication of the occurrence of any of the following offenses during the entire initial ignition interlock device restriction period:

1. Conviction pursuant to K.S.A. 8-1599, and amendments thereto;
2. conviction pursuant to K.S.A. 41-727, and amendments thereto;

4. conviction of three or more moving traffic violations committed on separate occasions within a 12-month period; or
5. revocation, suspension, cancellation, or withdrawal of the person’s driving privileges due to an unrelated event.

If the driver that is requesting accommodation has any offenses during the initial ignition interlock device restriction period, the director shall not reinstate the driver’s full driving privileges until the driver has no such offenses for the year before the driver’s request for reinstatement of full driving privileges. This subsection shall not serve as a defense to allegations that the driver has violated K.S.A. 8-1017, and amendments thereto, during any required ignition interlock device restriction period.

(d) The director may waive the requirement for proof of ignition interlock device installation, upon a driver’s request, if the director determines that all of the following conditions are met:

1. The driver’s ignition interlock device restriction period has been extended at least two years beyond the initial ignition interlock device restriction period due to the driver’s failure to provide the division with proof of installation as required by subsection (a).
2. The driver has not had an “alcohol or drug-related conviction” or “occurrence,” as those terms are defined by K.S.A. 8-1013 and amendments thereto, a conviction pursuant to K.S.A. 8-1017 and amendments thereto, or a conviction of a violation of a law of another state that would constitute a violation similar to any violation specified in K.S.A. 8-1017 and amendments thereto, during the ignition interlock device restriction period.
3. The driver has not had any violations specified in paragraphs (c)(1) through (c)(5) during the ignition interlock device restriction period.
4. The driver has never held a driver’s license issued by the state of Kansas.

For multiple applications or appeals involving contiguous parcels owned by the same person or entity that together comprise a single economic unit, the consolidated filing fee shall be the fee for the parcel with the highest valuation plus $25.00 for each additional parcel within the economic unit. If multiple applications or appeals do not involve contiguous parcels but involve substantially similar issues that, in the interest of administrative economy, should be heard and decided together, the filing fee may be abated by the court to reflect the administrative cost savings anticipated from consolidating the multiple filings for decision. (g) Each not-for-profit organization shall be charged a fee of $10 for any appeal if the valuation of the property that is the subject of the controversy does not exceed $100,000, excluding all governmental entities except as provided in subsection (f). A motion for extension of time filed after the time limit has expired may be granted only if failure to act within the time limit was the result of excusable neglect.

(d) Any individual or entity may file documents at the court's office between the hours of 8:00 a.m. and 5:00 p.m. on any business day. Each document, whether mailed, hand-delivered, or sent by facsimile machine or electronically, shall be received by 5:00 p.m. in order to be file-stamped and considered filed on that date. Only one copy of the pleading or document shall be transmitted. An electronic signature or the symbol “/s/” on the signature line in place of a signature shall have the same effect as that of an original signature.

Electronic mail received after 5:00 p.m. shall be deemed to be filed on the following regular workday of the court. The time of receipt shall be the time shown by the court's electronic mail system.

(f) If an electronic mail message indicates that there is an attachment but an attachment is not included or the attachment cannot be opened, the sender shall be notified by the court of the deficiency, with the court's request that the electronic mail be re-sent and the deficiency corrected. The date and time of the filing shall be the date and time the electronic mail is re-sent without deficiency. Each attachment shall be sent in a format that meets the court's specifications.

(h) Each petition filed pursuant to subsection (g) shall be accompanied by the transmission record, a copy of any document included in the
transmission, and an affidavit of transmission by electronic mail as prescribed by Kansas supreme court rule 119, appendix B.

(i) Each party who files a document by electronic mail shall retain a copy of that document in the party's possession or control during the pendency of the action and shall produce the document upon request pursuant to K.S.A. 60-234, and amendments thereto, by the court or any party to the action. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-11. Facsimile filing. (a) The court's facsimile machine shall be available on a 24-hour basis, seven days each week. This requirement shall not prevent the court from sending documents by fax or from making repairs to and maintaining the facsimile machine.

(b) Each complete facsimile filing received in the court's office at or before 5:00 p.m. on a regular workday shall be deemed filed on that day. Each filing received after 5:00 p.m. shall be filed as if received on the next regular court workday. Each pleading filed by facsimile shall be followed by any applicable filing fees.

(c) Each pleading or other document filed by facsimile transmission shall have the same effect as that of any pleading or other document filed with the court by other means. A facsimile signature shall have the same effect as that of an original signature. Only one copy of the pleading or other document shall be transmitted.

(d) Each certificate of service shall state the date of service and the facsimile telephone numbers of both the sender and the receiver.

(e) The sender may petition the court for an order filing a document nunc pro tunc if a facsimile filing is not filed with the court because of either of the following:

(1) An error in transmission of the document, the occurrence of which was unknown to the sender at the time of transmission; or

(2) a failure to process the facsimile filing when received by the court.

(f) The petition specified in subsection (e) shall be accompanied by the transmission record, a copy of the document transmitted, and an affidavit of transmission by fax as specified in Kansas supreme court rule 119 relating to district courts, appendix B. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-12. Confidentiality. (a) Each document filed and all evidence received by the court shall be a public record, unless a protective order is issued by the court designating all or portions of the record confidential.

(b) Any party may file a motion for a protective order, or a motion and agreed order may be jointly submitted by the parties, showing cause why specifically identified information in the record or information likely to become part of the record should be kept confidential. The motion shall state a legally valid basis for the protective order and shall include sworn statements or affidavits supporting the motion.

(c) If a motion for protective order is granted, any measures permitted by law may be taken by the court to protect the confidential information. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-14. Consolidation. If two or more cases involve the same or substantially similar issues or if joint presentation of the evidence or legal arguments would be economical, a written order of consolidation may be issued by the court either on its own motion or on a motion by one or more parties. If cases are consolidated, orders may be issued by the court in a consolidated format. In the absence of a formal written order of consolidation, individual cases shall be deemed separate, unconsolidated matters. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)
94-5-15. Motion practice. (a) Each motion shall include the heading information required of court pleadings, as well as the following information:

(1) Reference to the provision of statute, regulation, or other procedural authority upon which the motion is based;
(2) a concise statement of the pertinent facts and legal authorities;
(3) a concise statement of the relief sought;
(4) a request for oral argument, if desired; and
(5) a proposed form of order to be adopted by the court if the motion is granted.

(b) Each response to a motion shall be filed not later than 10 days from the date of service of the motion, or within any shorter or longer period that the court may allow. Each reply, if any, shall be filed within seven days of service of the response or within any shorter or longer period that the court may allow.

(c) Regular times for hearings on motions shall be established by the court at intervals sufficiently frequent for the prompt dispatch of business.

(d) Notwithstanding subsections (a), (b) and (c), all motions for summary judgment shall be governed by the court rules governing motions for summary judgment in state district court actions, including K.S.A. 60-256 and amendments thereto, and Kansas supreme court rule 141, as amended. Motion for summary judgment shall be specially set by the court for oral argument. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-16. Discovery. (a) All discovery matters, including disputes and requests for sanctions, shall be governed by the Kansas administrative procedure act and the Kansas code of civil procedure.

(b) Discovery shall be completed expeditiously. The parties and counsel shall conduct orderly discovery and shall freely exchange discoverable information and documents.

(c) The parties and counsel shall make all reasonable efforts to resolve discovery disputes before involving the court in these matters. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-17. Subpoenas. (a) Any party may issue a subpoena or subpoena duces tecum in a court proceeding. Each subpoena shall be prepared by the requesting party and shall be in substantial compliance with this regulation and any published court forms.

(b) Each subpoena shall state the following information:

(1) The name of the witness;
(2) the address where the witness can be served;
(3) the location where the witness is required to appear and the date and time of the appearance;
(4) the matter in which the witness is required to testify; and
(5) for a subpoena duces tecum, a detailed listing of the documents or other material to be produced.

(c) A subpoena may be used for the purpose of discovery or for the purpose of securing evidence for a hearing. The duties of the person responding to a subpoena shall be those specified in K.S.A. 60-245(d), and amendments thereto.

(d) Each subpoena issued under the authority of the court shall be signed by the secretary or a judge under the seal of the court. Upon request, the secretary shall issue a blank subpoena bearing the seal of the court with the secretary's signature or a facsimile of the signature. The party to whom a blank subpoena has been issued shall be solely responsible for preparing the substance of the subpoena. Subpoenas shall not be prepared by the court.

(e) Service of each subpoena shall be the responsibility and at the cost of the party requesting the subpoena and shall be made in accordance with K.S.A. 77-522, and amendments thereto. Witness fees and mileage shall be allowed pursuant to K.S.A. 28-125, and amendments thereto.

(f) Any person subject to a subpoena issued by the court may seek appropriate protection as provided under K.S.A. 60-245(c), and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-18. Stipulations. (a) The parties and counsel shall to the fullest extent possible stipulate to facts, issues, and other matters that are not the subject of reasonable dispute.

(b) Any stipulation may be made either by written stipulation or by oral statement shown upon the hearing record. All stipulations shall be binding upon all parties so stipulating and may be regarded by the court as conclusive evidence of the fact stipulated.

(c) Each stipulation that finally and conclusively settles an appeal involving the valuation of county-assessed property shall be made by means of a fully executed order of stipulation and dismissal.
Each order shall be filed within 30 days from the date the parties notify the court of the pending stipulation. All stipulations executed by county officials shall be presumed by the court to have been made in keeping with the legal duties and obligations of those county officials.

(d) Each settlement negotiation shall be confidential, unless all participants to the negotiation agree otherwise in writing. Facts disclosed, offers made, and all other aspects of negotiation shall not be part of the record. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-19. Prehearing conferences. A prehearing conference may be held by the court for purposes of narrowing the issues and facts in dispute, simplifying the presentation of evidence, and otherwise assisting the parties and counsel in their preparation for trial. Each prehearing conference shall be conducted in accordance with K.S.A. 77-516 and K.S.A. 77-517, and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-20. Continuances. (a) Any hearing scheduled on the court's calendar may be continued by the court upon a written motion filed at least 30 days before the date of the scheduled hearing. This requirement may be waived by the court at its discretion upon a showing of good cause. Before requesting a continuance, the moving party shall consult with all other parties and shall state in the motion the position of the other parties with respect to the continuance request. Each motion for continuance shall clearly state the reason for the requested continuance. Parties and counsel shall not contact court staff in an attempt to reschedule a matter before the court. These requests shall be filed in writing as specified in this subsection. All necessary rescheduling shall be initiated by the court after a motion has been received.

(b) A motion to continue a hearing shall be granted only in exceptional and unforeseen circumstances. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-21. Exchange of evidence and witness lists. Unless otherwise ordered by the court, the following deadlines for the exchange of evidence and witness lists shall apply:

(a) At least 10 calendar days before a scheduled hearing involving single-family residential property, each party shall have exchanged copies of each document, photograph, or other evidence that the party intends to present at the hearing.

(b) At least 20 calendar days before a scheduled hearing except a hearing involving single-family residential property as specified in subsection (a), each party shall have exchanged copies of each document, photograph, or other evidence that the party intends to present at the hearing, along with a listing of all witnesses expected to be called at the hearing. At least 10 calendar days before the scheduled hearing, each party shall have exchanged copies of any rebuttal evidence, along with a listing of any rebuttal witnesses.

(c) In computing the time periods specified in subsections (a) and (b), the day of the scheduled hearing shall not be included. If the 10th or 20th calendar day before the hearing falls on a Saturday, Sunday, or legal holiday, the last business day before the date shall be the deadline for the exchange of evidence.

(d) If the parties fail to comply with the deadlines specified in this regulation or with any modified deadline ordered by the court, the presiding officer may take appropriate measures in the interest of preserving a fair hearing, which may include barring or limiting the presentation of evidence. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-22. Hearings. (a) Each hearing shall be open to the public and shall be conducted in accordance with the Kansas administrative procedure act. Each hearing shall be recorded by a certified shorthand reporter selected by the court or by audio or video recording systems. The court's record shall be the only official record of the proceedings.

(b) The use of recording, photographic, or television devices during any hearing shall be permitted only if the use of these devices is not disruptive.

(c) The cost of obtaining a transcript of any hearing shall be borne by the person requesting the transcript. A certified shorthand reporter shall be selected by the court to transcribe the official record of the proceedings. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-23. Evidence. (a) Unless otherwise limited by a specific statutory or regulatory provision, the presentation of evidence shall be gov-
cerned by K.S.A. 60-401 et seq., and amendments thereto, and by K.S.A. 77-524, and amendments thereto.

(b) Evidence may be received in writing instead of through oral presentation, in accordance with K.S.A. 77-524(d) and amendments thereto. However, the filing of a document shall not signify its receipt into evidence. Only those documents that have been received into evidence shall be considered as evidence in the official record.

(c) Whenever an evidentiary objection is made, the grounds relied upon shall be stated briefly when the evidence is offered. Any evidentiary objection may be ruled upon by the court, or the objection may be taken under advisement by the court. Evidence may be received by the court, subject to a motion to strike at the conclusion of the hearing.

(d) The discontinuation of the presentation of evidence may be ordered by the court upon its own motion if the evidence is cumulative, irrelevant, or otherwise objectionable. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-24. Failure to appear. (a) Failure of any party to appear at the time and place appointed by the court may result in dismissal or a default judgment.

(b) Within 10 days after service of an order of dismissal or default, the party against whom the order was entered may file a written objection requesting that the order be vacated and stating the specific grounds relied upon. The written objection shall be served on all parties in accordance with these regulations. An entry of dismissal or default may be set aside by the court, for good cause.

(c) If all parties agree to waive the right to a hearing and submit stipulated facts and written arguments, a hearing may be waived. However, the parties’ waiver may be rejected by the court at its discretion, and the parties may be required by the court at its discretion to appear for hearing if the court deems the action necessary or proper under the circumstances. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-25. Petitions for reconsideration. Each petition for reconsideration of a final order of the court shall be filed pursuant to K.S.A. 77-529, and amendments thereto. Each response to a petition for reconsideration shall be filed with the court within 11 calendar days after the petition for reconsideration is filed with the court. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

(2) Except for applications submitted by individuals with felony convictions, each complete application shall be required to be approved by the executive director before the applicant may be admitted to the KSH or KVH.

(3) For each applicant with a felony conviction, that applicant’s completed application shall be evaluated by the commission regarding the rehabilitation of the applicant and current degree of dangerousness to the applicant, other persons, and the property of others before the applicant may be admitted to the KSH or KVH.

(2) The second priority for admission shall be given to a veteran’s spouse or surviving spouse, parents, or children who have no adequate means of support, with priority based on the criteria specified in paragraph (a)(1) of this regulation.

(3) The third priority shall be given to veterans who have a means of support.

(4) The fourth priority shall be given to a veteran’s spouse or surviving spouse, parents, or children who have a means of support.

(A) If domiciliary care is needed, the veteran member shall show that the care will be provided by that member’s spouse, parent, or child. If a family member cannot provide domiciliary care, the KSH superintendent shall be so notified, and the veteran member shall be directed to undergo a medical evaluation to determine whether that person can reside alone.

(B) If the KSH superintendent suspects that an applicant or a veteran member needs domiciliary care, the superintendent may direct that applicant or veteran member to undergo a medical evaluation to determine whether that person can reside alone.

(C) If the medical staff determines that the veteran member needs domiciliary care and resides alone, the KSH superintendent may direct that the veteran member be placed in the domiciliary unit for care until a permanent arrangement is made.

(2) No cottage shall be initially assigned to the spouse, parent, or child of a deceased veteran member. If the veteran member dies, the surviv-
ing spouse, parent, or child shall have 180 days to vacate the premises. Before the end of the 180-day period, any surviving nonveteran spouse may move to a domiciliary unit or a one-bedroom cottage, if available, at the rental rate established for nonveterans. If a one-bedroom cottage is not available, the superintendent may allow the nonveteran spouse to remain by exception in the two-bedroom cottage past the 180-day period, contingent upon pending admissions. (Authorized by K.S.A. 76-1927 and 76-1955; implementing K.S.A. 76-1908 and 76-1954; effective May 1, 2009.)

Each applicant shall be notified in writing by the appropriate superintendent or by the executive director, whether the application is approved or denied.

(b) Denial of application.

(1) If an applicant is denied admission, written notification shall be sent to the last known address of the applicant by the appropriate superintendent, the executive director, or the commission. The notification shall state the reason or reasons for the denial.

(2) Within 30 days of the date of the decision, the applicant may file at the office of the executive director a written request for reconsideration by the commission. The request shall state the reasons supporting approval of the application. If no timely request is filed, the notification of denial shall become the final decision.

(3) Unless waived by the applicant, a hearing shall be set upon receipt of a request for reconsideration. The hearing shall be scheduled at the earliest available commission docket. The applicant shall be notified by the executive director of the date, time, and place of the hearing. The notice shall be mailed to the last known address of the applicant at least 10 days before the hearing.

(4) At the hearing, notice may be taken by the commission of its administrative records and files, and any other relevant evidence and arguments offered by the applicant, employees of the KCVA, or other interested persons may be heard by the commission. The applicant may appear in person, through telephone, by an attorney, or any combination of these.

(5) If the applicant fails to attend the hearing, the commission's decision may be made based upon the KCVA's records, files, and any other evidence that was presented at the hearing. The commission's decision shall be determined by a majority vote. A written decision shall be filed by the commission with the executive director, setting forth the facts and reasons for the commission's decision. Within 30 days after the hearing, a copy of the decision shall be sent by the executive director to the applicant at the applicant's last known address. The filed decision shall be considered the final agency action. (Authorized by K.S.A. 76-1927 and 76-1955; implementing K.S.A. 76-1908 and 76-1954; effective May 1, 2009.)

(a) Complaints. Any person may make a verbal or written complaint to the superintendent alleging a violation of any statute or regulation.

(b) Investigation. Upon receipt of a complaint, the superintendent shall conduct an investigation. If the investigation reveals reasonable grounds to believe that a member has violated a statute or regulation, no warning has been given for prior offenses in the past 12 months, and the current offense did not cause property damage or bodily injury, the superintendent may advise the member of the violation and warn the member that if the conduct or activity does not cease, proceedings will be commenced to discharge the member. As an alternative, a report by the superintendent may be sent to the KCVA detailing the investigation of the complaint, identifying the regulation that was violated, and recommending discharge of the member.

(c) Notice. Upon recommendation that a member be discharged, a hearing shall be scheduled at the earliest available commission docket. The member shall be notified by the executive director of the factual allegations of the complaint, the applicable statute or regulation, and the date, time, and place of the hearing. The notice shall be mailed to the last known address of the member at least 10 days before the hearing.
(d) Proceedings. At the hearing, notice may be taken by the commission of its administrative files and records, and any other relevant evidence and arguments offered by the member, staff, employees of KCVA, or any other interested persons may be heard by the commission. Article 7.—VIETNAM WAR ERA MEDALLION PROGRAM

97-7-1. Definitions. As used in L. 2009, ch. 62, secs. 1 through 6 and amendments thereto and these regulations, each of the following terms shall have the meaning specified in this regulation:

(a) (1) “Active service” and “active duty” shall include the following:

(A) For a member of an active component of the armed forces of the United States, the time served on active duty for which the member has received or is eligible to receive the Vietnam war era medallion for service related to the Vietnam war; and

(B) for a member of the armed forces of the United States, time served on active duty for the support of operations in the Vietnam war whether or not that service was in the country of Vietnam.

(2) These terms shall include any time spent in a hospital as a result of service-connected wounds, diseases, or injuries sustained on active service. Proof of this service shall be the official military records of the United States or other evidence as deemed sufficient by the director of veteran services.

(3) These terms shall not include time served on active duty for annual training or schooling, except for training and schooling in preparation for active duty in the Vietnam war.

(b) “Director of veteran services” means the designated director of the veteran services program for the Kansas commission on veterans’ affairs, who is appointed by the executive director of the Kansas commission on veterans’ affairs.

(c) “Parent” shall include the following:

(1) The natural or adoptive parent of a veteran; and

(2) any person who, for a period of at least one year, acted in the capacity of a foster parent to a veteran immediately before the veteran attained 18 years of age.

(d) “Program” means the Vietnam war era medallion program.

(e) “Spouse or eldest living survivor of a deceased veteran” means any of those individuals listed in K.A.R. 97-7-4. (Authorized by and implementing L. 2009, ch. 62, sec. 2; effective March 12, 2010.)

97-7-2. Veteran status. (a) To be considered a veteran for purposes of the program, each applicant shall establish both of the following to the satisfaction of the director of veteran services:

(1) The person for whom the application under the program is submitted is a veteran.

(2) The person for whom the application under the program is submitted meets both of the following requirements:

(1) Was not, at any time during the Vietnam war, separated from the armed forces under other than honorable conditions, including a bad conduct discharge or dishonorable discharge, or an administrative discharge under other than honorable conditions; and
(2) has never renounced United States citizenship. (Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, sec. 1 and sec. 2; effective March 12, 2010.)

97-7-3. Legal resident status. (a) Proof of residence. In addition to establishing the veteran status of the person for whom an application under the program is submitted as specified in K.A.R. 97-7-2, the applicant shall establish to the satisfaction of the director of veteran services that the person was a legal resident of Kansas during the person’s active service within the period beginning February 28, 1961 and ending May 7, 1975. The proof of residence shall be the official records of the United States or other evidence deemed sufficient by the director of veteran services.

A legal resident of Kansas shall mean an individual for whom Kansas was the state of domicile while serving in the United States armed forces or a reserve component of the United States armed forces within the period specified in this subsection and who did not claim legal residence in any other state during that period of active service, without regard to the place of enlistment, commission, or induction. A service member’s legal residence shall not change by virtue of military assignment to another state.

(b) Home of record in Kansas shown in official military records. Each veteran whose home of record is listed as Kansas in official military records showing qualifying active service within the period beginning February 28, 1961 and ending May 7, 1975 shall be considered a legal resident without regard to the veteran’s place of enlistment, commission, or induction.

(c) Home of record in Kansas not shown in official military records. In making a determination of legal residence if official military records do not show Kansas as the veteran’s home of record for the period of active service, the director of veteran services shall apply a rebuttable presumption that the veteran was not a legal resident of Kansas. The applicant may rebut this presumption by showing facts and circumstances establishing that Kansas was the veteran’s legal residence because Kansas was the veteran’s permanent place of abode to which the veteran intended to return.

(d) Documentation. If an applicant is unable to document the veteran’s legal residence in Kansas by means of official military records showing a home of record in Kansas during the period of active service, the director of veteran services may consider the following documentation when determining whether sufficient evidence exists to show that the veteran was a legal resident of Kansas who did not claim legal residence in any other state at that time:

1. Voter registration records for the period beginning February 28, 1961 and ending May 7, 1975;
2. proof of payment of state income tax as a resident for the period beginning February 28, 1961 and ending May 7, 1975;

6. (5) an affidavit of residence submitted by the applicant under penalty of law in which the applicant swears or affirms that the veteran on whose behalf the application under the program is submitted remained a legal resident of Kansas and did not claim legal residence in any other state for any purpose during the period of active service occurring within the period beginning February 28, 1961 and ending May 7, 1975. (Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, sec. 1 and sec. 2; effective March 12, 2010.)

Eligible deceased veterans shall include eligible veterans who died in performance of active service or as a result of service-connected wounds, diseases, or injuries and veterans who would, but for their death before submission of an application, be eligible to apply under the program based on active service. Applicants shall be considered in the following order:

1. The surviving spouse of the eligible veteran, unless the surviving spouse was living separate and apart from the veteran when the veteran commenced active service. The proof of spousal status required shall be the same as the proof that would be accepted by the United States department of

(Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, secs. 3, 4, and 5; effective March 12, 2010.)

If the application is submitted on behalf of a deceased veteran, a copy of the death certificate shall be attached.

(d) Review of applications. The director of veteran services shall conduct a review of each application for completeness. If the application is deemed complete, the director shall review the application to determine eligibility.

(b) Any applicant may be required by the director to provide information in addition to that included in the application required in K.A.R. 98-5-2(b). This information shall be for the purpose of determining the following:

(1) What is the annual quantity of water needed;
(2) whether the proposed sale of water supply is in the public interest; and
(3) whether the benefits to the state from approval of the contract are greater than the disadvantages to the state from rejection of the contract.

(c) When the director believes that there is sufficient information available to determine whether the proposed sale is in the interest of the people of Kansas and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall be notified by the director indicating that a request to enter into negotiations for a written contract has been received.

(d) The authority shall be provided by the director with the information collected or developed to show that the proposed sale is in the interest of the people of Kansas and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto.

(e) The authority shall consider the request to begin negotiations for a written contract and make a finding of one of the following:

(1) The proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto.
(2) The proposed sale is not in the public interest and will not advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.
(3) If the authority finds that the proposed sale is not in the public interest or will not advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall do one of the following:

(1) Reject the request to begin negotiations and advise the applicant of the reasons; or
(2) ask the applicant or the director to provide additional information that would permit the authority to find that the proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(g) If the authority finds that the proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall authorize the director to negotiate with the applicant for the purposes of entering into a written contract for sale of water supply.

The authorization to negotiate shall be valid for a period not to exceed three years. If the parties have not concluded a contract within that period, the authority shall reconsider authorizing contract negotiations. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305 and K.S.A. 82a-1311a; effective May 1, 1979; amended May 1, 1980; amended, E-82-7, April 10, 1981; amended May 1, 1981; amended May 1, 1984; amended May 1, 1987; amended April 26, 1993; amended Aug. 30, 2013.)

(a) Upon approval of the authority to begin negotiations, the applicant shall be notified by the director and asked to submit the following items before the commencement of negotiations, unless the requirement is waived:

(1) The anticipated location, legal description, engineering plans, and specifications of all works, ditches, conduits, and watercourses proposed to be constructed or used for the transportation of waters;

(7) engineering plans and specifications for any pump, siphon, conduit, canal, or any other device planned to be used to withdraw water from the reservoir; and

(8) any other relevant information that the director may deem necessary, specify, or require for that specific contract request or set of negotiations.

(b) After negotiations for a water purchase contract have been authorized by the authority and if the proposed sale is not for surplus waters, all other persons with a pending application shall be notified by the director or a designee that a water purchase contract or a request to negotiate a water purchase contract relating to the same reservoir has been authorized by the authority. Notice shall be given, by first-class mail with postage prepaid, to the last address provided by each applicant. The notice shall include the name of the applicant with whom negotiations are underway and the application date, number, and annual quantity requested. Each person so notified shall, within 20 days following notification by the director, file in writing a request to begin negotiations for a written water purchase contract, water assurance contract, or water supply access contract or a request to negotiate a water purchase contract, water assurance contract, or water supply access contract on file with the director relating to the reservoir from which water is proposed to be sold.

(g) After the applicant and the director agree to a contract, the contract shall be submitted to the authority for consideration at the next regular meeting of the authority or at a special meeting, if deemed necessary by the chairperson and the director.

(h) Before approving any contract, the authority shall find that all of the following conditions are met:

(1) The sale of water by written contract is in the interest of the people of the state of Kansas.

(2) The state has filed or will file, before initiation of water use under the contract, a water reservation right for storage of water in the reservoir designated in the contract.

(3) The state, if necessary, has signed an agreement with an agency or department of the United States for water supply storage in the named reservoir.

(4) The person has filed an application to negotiate the purchase of water from the named reservoir at an average daily rate equal to or greater than the rate specified in the contract.

(5) The quantity of water from the reservoir being negotiated does not exceed the yield capability from the conservation storage water supply capacity available to the state for use under the water marketing program through a drought having a two percent chance of occurrence in any one year.

(6) The annual withdrawal and use of the quantity of water contracted by the applicant will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(i) If the authority finds that the proposed sale of water is not in the interest of the people of the state of Kansas or that the proposed sale will not advance the purposes in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall reject the contract and perform one of the following:

(1) Terminate the contract negotiations. The application shall be removed from the list of current applications and shall be void. The applicant shall be required to reapply for any future water supply contract; or

(j) If the authority approves the contract, copies shall be provided to the house of representatives and the senate and to the secretary of state, pursuant to K.S.A. 82a-1307 and amendments thereto.

(k) The application shall be terminated when a contract is signed by the applicant, the director, and the chair, or their designees, and if the contract is not disapproved by the legislature. If the contracted quantity of water is less than the quantity stated in the application, the applicant shall not retain the application number for the remaining quantity. A new application shall be filed for additional water.

(l) If the legislature has not disapproved the contract when the period for legislative review has expired, a copy of the water purchase contract shall be filed by the director with the chief engineer.

(m) Any regulatory requirements may be waived by the director in order to sell surplus waters. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305, K.S.A. 82a-1307, K.S.A. 82a-1311a, K.S.A. 82a-1312, and K.S.A. 82a-1316; effective May 1, 1979; amended May 1, 1980; amended May 1, 1981; amended May 1, 1984; amended Aug. 30, 2013.)

(c) The rate fixed for each calendar year shall apply to all water use under contracts negotiated on or after March 17, 1983.
(d) For any contract negotiated before March 17, 1983, the rate in effect on the date established by the contract for review and adjustment of the rate charged for water shall become the new rate to be charged for all water that shall be paid for under terms of the contract, up to a maximum rate not to exceed 10 cents per 1,000 gallons. The new rate shall remain in effect until the next rate established by the contract for review of the rate charged for water. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1306; effective T-84-29, Oct. 19, 1983; effective May 1, 1984; amended May 1, 1987; amended Aug. 30, 2013.)

98-5-7. Rate charged for surplus water. (a) No charges shall be made for surplus water if the water is for streamflow maintenance or reservoir pool management.
(b) The rate to be charged for surplus water shall be the rate set in K.S.A. 82a-1308a, and amendments thereto, and defined in K.A.R. 98-5-6. The purchaser shall be obligated to pay for at least 50 percent of the quantity specified in the contract.

98-5-8. Contract provisions. (a) Each contract for the sale of water supply shall be on a form specified by the director. If the director determines, during the contract negotiation process, that any article or portion of any article in the
standard contract format is not needed or is not applicable, the article or portion of it may be deleted from the standard contract by the director.

(b) Any special requirement not covered in the standard contract format may be added as an additional article in the contract. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1306; effective Nov. 22, 1996; amended Aug. 30, 2013.)

Each request shall include a copy of the district’s certificate of incorporation filed with the secretary of state.

(b) The request to negotiate and the information provided by the water assurance district shall be reviewed by the director to determine if the information provided is sufficient to begin negotiations for a water assurance contract. The district shall be notified by the director if there is a need for additional information or if the request submitted is sufficient to begin negotiations. The notice shall be in writing and shall be provided within 30 days of receipt of the request.

(c) If the director finds that the information provided by the assurance district is sufficient, the negotiations shall commence.

(d) Each person who has a water purchase contract or an application for a water purchase contract on file with the director, or a water assurance contract pertaining to storage in reservoirs in the designated basin, shall be notified in writing that negotiations with an assurance district have begun. The notice shall be mailed to each person’s last known address. (4) The state has signed or will sign, if necessary, an agreement with an agency or department of the United States for water supply storage space in reservoirs named in the operations agreement.

(5) The water assurance contract includes a statement that the water assurance storage component of the major reservoirs in the designated basin are designated for the sole use and benefit of the water assurance district in accordance with the operations agreement.

(6) The remaining water supply capacity satisfies any present water purchase contract.

(7) Before any member of the water assurance district receives benefits or water pursuant to a water assurance contract, that member has adopted a water conservation plan consistent with the guidelines for conservation plans and practices developed and maintained by the Kansas water office pursuant to K.S.A. 74-2608, and amendments thereto.

Article 8.—EASEMENT AUTHORITY ON NAVIGABLE RIVERS

98-8-1. Application for easement. (a) Any cooperating landowner may submit an application for an easement on state property along a naviga-
ble river on forms provided by the director. The cooperating landowner shall acknowledge that the cooperating landowner will pay all applicable filing fees for any easement granted.

(b) The following shall be confirmed by the director:

1. The cooperating landowner owns the property adjacent to the state property upon which an easement is proposed; or
2. The cooperating landowner otherwise has a legal right to complete a project on the adjacent land.

(c) The cooperating landowner is participating in a state, local, or federal program, if applicable.

(d) A notice of intent to issue easement shall be issued by the director for each project that meets the requirements of subsection (b). The notice of intent to issue easement shall include the following:

1. The legal description of the cooperating landowner's property;
2. Information about the location on the river upon which the easement is proposed;
3. A description of the type of projects proposed to be completed by and through the use of the easement; and
4. A date and time by which any comments or responses to the director about the notice of intent to issue easement must be received by reviewing agencies and entities.

(e) A determination of whether any prior easement in the county or counties in which the project is proposed could conflict with the proposed easement shall be made by the director. The notice of the intent to issue easement shall be sent by the director to each person holding any prior easements that could conflict.

(f) The notice of intent to issue easement shall provide a comment period of at least 15 days and no more than 30 days. During that time, any person receiving notice may submit comments on the proposed easement to the director. The notice shall provide information on how to submit comments to the director.

(g) The notice of intent to issue easement may be sent by any means that the director specifies.

98-8-3. Review of notice of intent to grant easement. (a) After the comment period specified in the notice of intent to grant easement has ended, the application, any comments or responses received, and the proposed project shall be reviewed by the director.

(b) No easement shall be granted until applicable program funding for the project has preliminary approval, if the project depends on a federal, state, or local program for funding.

(c) If, after review, the director determines that the application meets the statutory requirements for an easement in K.S.A. 82a-220 and amendments thereto, notice of the approval shall be sent to the cooperating landowner and the fees necessary for filing the easement shall be collected by the director.

(d) If, after review, the director determines that the application does not meet the statutory requirements for an easement or that the comments and responses received from those receiving the notice of intent to grant easement raise questions or issues that need to be resolved before an easement should be granted, a notice of cancellation of the intent to grant easement that provides the cooperating landowner with information about the concerns raised or problems to be addressed shall be issued by the director. The notice of cancellation shall indicate that the notice of intent to grant easement will be cancelled on a date certain, but not less than 15 business days after the date of the notice to cancel. The notice of cancellation shall be sent to all entities that received the notice of intent to grant easement.

(e) The cooperating landowner may, before the date indicated in the notice of cancellation, provide additional information or data or address concerns. If the director determines that the additional in-

An easement may be granted by the director if no person receiving notice files an objection within 10 days. Each objection shall be reviewed by the director to determine if the objection would change the director’s intent to grant the easement. 105-4-1. Determination of eligibility. (a) At the commencement of proceedings against any defendant, the defendant may apply for legal representation at state expense by submitting, to the court, an affidavit of indigency on a form provided by the board. The court shall determine if the defendant is indigent, based upon consideration of the following factors, as defined in K.A.R. 105-4-2:

(1) The defendant's liquid assets;
(2) the defendant's household income;
(3) either the defendant's actual, reasonable, and necessary expenses incurred to support the defendant's household or the most current federal poverty guidelines, as published by the U.S. department of health and human services, for the defendant's family unit;
(4) the anticipated cost of private legal representation; and
(5) any transfer of property by the defendant without adequate monetary consideration after the date of the alleged commission of the offense.

(b) An eligible indigent defendant shall mean a person whose combined household income and liquid assets equal less than the most current federal poverty guidelines, as published by the U.S. department of health and human services, for the defendant's family unit.

(c) The court may also consider any special circumstances affecting the defendant's eligibility for legal representation at state expense.

(d) If the court determines that the defendant is financially able to employ counsel after counsel has been appointed, the court shall require the defendant to reimburse the board in accordance with the provisions of K.S.A. 22-4510, and amendments thereto, for all or part of the expenditures made on the defendant's behalf. (Authorized by K.S.A. 22-4504 and K.S.A. 22-4522; implementing K.S.A. 22-4504 and K.S.A. 22-4510; effective May 1, 1984; amended, T-105-10-3-05, Oct. 3, 2005; amended Feb. 17, 2006; amended, T-105-8-16-10, Aug. 16, 2010; amended Nov. 5, 2010.)

105-4-2. Definition of terms. Terms used to determine eligibility for indigents' defense services shall have the following meanings:

(a) Household income. The defendant's household income shall be defined as the defendant's income and the income of all other persons related by birth, marriage, or adoption who reside with the defendant. Income shall include the total cash receipts before taxes from all resources, including money, wages, and the net receipts from nonfarm or farm self-employment. Income shall include regular payments from a governmental income maintenance program, alimony, child support, public or private pensions, annuities, and income from dividends, interest, rents, royalties, or periodic receipts from estates or trusts.

(b) Liquid assets. The defendant's liquid assets shall be defined as cash in hand, stocks and bonds, accounts at financial institutions, real property or homestead having a net value greater than $50,000, a car, and any other property that can be readily converted to cash, with the following exceptions:

(1) The defendant's clothing, household furnishings, and any personal property that is exempt from attachment or levy of execution by K.S.A. 60-2304, and amendments thereto; and
(2) any other property, except a homestead having a net value greater than $50,000, that is exempt from attachment or levy of execution by K.S.A. 60-2301 et seq., and amendments thereto. The net value of the homestead shall be the fair market value less the mortgage, other encumbrances, and the reasonable cost of sale. The net value of any property transferred after the date of the alleged commission of the offense shall be included in the determination of the defendant's liquid assets.

(c) Transfer of property.

(1) If the defendant has transferred property after the alleged commission of the offense, the court shall determine the reason for the transfer of property and whether adequate monetary consideration was received. If adequate monetary consideration was not received, the court
shall presume that the transfer was made for the purpose of establishing eligibility unless the defendant furnishes clear and convincing evidence that the transfer was made exclusively for another purpose.

(2) If a transfer was made either for the purpose of establishing eligibility or without adequate monetary consideration and the property is reconveyed to the defendant or an adjustment is made by which the defendant receives full value, the defendant shall, if otherwise qualified, be eligible to receive legal representation at state expense. (Authorized by K.S.A. 22-4504 and 22-4522; implementing K.S.A. 22-4504; effective May 1, 1984; amended Nov. 1, 1996; amended, T-105-7-22-11, July 22, 2011; amended Nov. 14, 2011.)

If the information provided by the defendant on the affidavit is unclear, incomplete, contradictory, or questionable, further inquiry may be conducted by the board, the court, the county or district attorney, or other officer assigned by the court. The affidavit of indigency forms shall be published and distributed annually to the judicial administrator and to the administrative judge of each district. (Authorized by K.S.A. 22-4522; implementing K.S.A. 22-4504; effective May 1, 1984; amended May 1, 1985; amended Aug. 20, 1999; amended, T-105-7-5-06, July 5, 2006; amended Nov. 13, 2006; amended, T-105-8-16-10, Aug. 16, 2010; amended Nov. 5, 2010; amended Dec. 11, 2015; amended Nov. 14, 2016; amended April 26, 2019.)

(b) Certification of the worksite in which the applicant is planning to make a qualified business facility investment, as defined by K.S.A. 79-32,154(e) and amendments thereto, shall be contingent on documentation submitted by the applicant to the department that the worksite has met all statutory criteria during the measurement period, except as specified in K.A.R. 110-6-12(b). However, a determination may be made by the secretary that it is in the best economic interests of the state to allow initial certification or recertification based on a promise of future performance, rather than historical accomplishments, if certification is deemed justified by the magnitude of potential job creation and investment and by other considerations deemed appropriate by the secretary. (Authorized by and implementing K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)

(1) Estimated investment amounts;

(3) information regarding current and anticipated net new job creation and retention with associated payroll levels;

(4) revenue and sales projections; and

(c) Certification of a worksite for the sole purpose of utilizing an HPIP tax credit that has been carried forward shall not require the submission of an additional project description form and may be applied for with a sworn statement using a form prescribed by the department.

(d) If the main activity at a worksite is not related to the headquarters or back-office operation but all other program requirements are satisfied, the applicant may seek certification only for that portion of the worksite's area that houses the headquarters or back-office operation of that worksite if the company's accounting system has the capability to allow a segment of the worksite to independently track the various elements that support satisfaction of HPIP requirements. HPIP benefits shall be calculated by determining the portion of a qualified business facility investment used solely for that portion of the worksite housing the headquarters or back-office operation.

(e) After meeting all HPIP requirements, the worksite shall be certified by the secretary to the department of revenue. Before a worksite may be certified, all records used to support HPIP certification shall be subject to verification by the department. (Authorized by and implementing K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)

110-6-11. Certification period (CP).
(a) After establishing the measurement period at the worksite, the applicant shall establish a certification period as follows:

(1) For a worksite that has been fully operational for at least four calendar quarters, a 12-month certification period shall begin, at the option of the applicant, on any date during the calendar quarter following the effective date of this regulation. The worksite shall retain its certification as a headquarters or back-office operation of a national firm or multinational firm unless the worksite would no longer qualify using the criteria in effect for the original worksite certification.

(b) Before any formal commitment to invest, the applicant shall demonstrate knowledge of the HPIP program by submitting a certificate of intent to invest, on the PD form prescribed by the secretary. The worksite information provided on the PD form shall include the following:

(1) Estimated investment amounts;

(2) a projected starting date;

(3) information regarding current and anticipated net new job creation and retention with associated payroll levels;

(4) revenue and sales projections; and

(5) any other relevant information if requested by the secretary.

(c) Certification of a worksite for the sole purpose of utilizing an HPIP tax credit that has been carried forward shall not require the submission of an additional project description form and may be applied for with a sworn statement using a form prescribed by the department.

(d) If the main activity at a worksite is not related to the headquarters or back-office operation but all other program requirements are satisfied, the applicant may seek certification only for that portion of the worksite's area that houses the headquarters or back-office operation of that worksite if the company's accounting system has the capability to allow a segment of the worksite to independently track the various elements that support satisfaction of HPIP requirements. HPIP benefits shall be calculated by determining the portion of a qualified business facility investment used solely for that portion of the worksite housing the headquarters or back-office operation.

(e) After meeting all HPIP requirements, the worksite shall be certified by the secretary to the department of revenue. Before a worksite may be certified, all records used to support HPIP certification shall be subject to verification by the department. (Authorized by and implementing K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)
after the end of the MP. There may be two exceptions as follows:

(A) If, at the commencement of full operations, the new worksite is staffed with a workforce comprised of at least 85 percent of employees who have been relocated from other Kansas worksites of the company and if compliance with all other HPIP requirements is documented to the satisfaction of the secretary for the four calendar quarters immediately preceding the start of full operations, the applicant shall have the option to use the four calendar quarters before the start of full operations at the new location as its measurement period with a certification period starting at the onset of qualified capital investment to establish this new worksite. The certification period shall continue through the first four quarters of operations.

(B) A firm that is relocating from outside of Kansas shall have the option to use the four previous quarters before the start of full operations at the new worksite as its measurement period with a certification period starting at the onset of eligible capital investment to establish this new worksite and shall continue through the first four quarters of operations, if all of the following conditions are met:

(i) The new worksite is not subject to the HPIP source-of-revenue requirement and is using participation in KIT or KIR to satisfy the HPIP training requirement.

(3) The facility manager complies with other connection-specific requirements of the commission. (Authorized by and implementing K.S.A. 2007 Supp. 74-8772; effective April 24, 2009.)

112-107-21. Progressive LFGs. (a) Each progressive LFG shall meet the requirements of article 110.

(b) Each facility manager seeking to utilize a linked LFG shall submit the location and manner of installing any progressive meter display mechanism to the executive director for approval.

(c) An LFG that offers a progressive jackpot shall not be placed on the gaming floor until the executive director has approved the following:

(1) The initial and reset amounts at which the progressive meter or meters will be set;

(2) the proposed system for controlling the keys and applicable logical access controls to the LFGs;

(4) The change is necessitated by an LFG or meter malfunction. For progressive jackpots governed by subsection (a), an explanation for the malfunction shall be entered on the progressive electronic gaming summary required by this article, and the commission shall be notified of the resetting in writing.

(e) Once an amount appears on a progressive meter, the probability of hitting the combination that will award the progressive jackpot shall not be decreased unless the progressive jackpot has been won by a patron or the progressive jackpot has been transferred to another progressive LFG or wide-area progressive system or removed in accordance with subsection (g).

(f) If an LFG has a progressive meter with digital limitations on the meter, the facility manager shall set a limit on the progressive jackpot, which shall not exceed the display capability of the progressive meter.

(g) Any facility manager may limit, transfer, or terminate a progressive jackpot offered on a gaming floor only under any of the following:

(1) A facility manager may establish a payout limit for a progressive jackpot if the payout limit is greater than the payout amount that is displayed to the patron on the progressive jackpot meter. The facility manager shall provide notice to the commission of the imposition or modification of a payout limit on a progressive meter concurrent with the setting of the payout limit.

(2) A facility manager may terminate a progressive jackpot concurrent with the winning of the progressive jackpot if its LFG program or progressive controller was configured before the winning of the progressive jackpot to establish a fixed reset amount with no progressive increment.

(3) A facility manager may permanently remove one or more linked LFGs from a gaming floor if both of the following conditions are met:

(A) If the LFG is part of a wide-area progressive system offered at multiple facilities, the facility manager retains at least one linked LFG offering the same progressive jackpot on its gaming floor.

(B) If the progressive jackpot is only offered in a single gaming facility, at least two linked LFGs offering the same progressive jackpot remain on the gaming floor.

(4) Any facility manager may transfer a progressive jackpot amount on a stand-alone LFG or the common progressive jackpot on an entire link of LFGs with a common progressive meter, including a wide-area progressive system, from a gaming floor. The facility manager shall give notice of its intent to transfer the progressive jackpot to the commission at least 30 days before the anticipated transfer and shall conspicuously display the facility manager’s intent to transfer the progressive jackpot on the front of each LFG for at least 30 days. (A) Be transferred in its entirety; and

(B) be transferred to one of the following:

(i) The progressive meter for an LFG or wide-area progressive system with the same or greater probability of winning the progressive jackpot, the same or lower wager requirement to be eligible to win the progressive jackpot, and the same type of progressive jackpot. (ii) the progressive meters of two separate LFGs or wide-area progressive systems if each LFG or wide-area progressive system to which the jackpot is transferred individually satisfies the requirements of paragraph (g)(4)(B)(i).

(5) Any facility manager may immediately and permanently remove a progressive jackpot on a stand-alone progressive LFG, the common progressive jackpot on an entire link of LFGs with a common progressive meter, or an entire wide-area progressive system from a gaming floor if notice of intent to remove the progressive jackpot meets the following requirements:

(A) Is conspicuously displayed on the front of each LFG for at least 30 days; and

(B) is provided in writing to the commission at least 30 days before the removal of the progressive jackpot.

(h) The amount indicated on the progressive meter or meters and coin-in meter on each LFG governed by subsection (a) shall be recorded by the facility manager’s accounting department or LFG department on a progressive electronic gaming summary report at least once every seven calendar days. Each report shall be signed by the preparer. If not prepared by the accounting department, the progressive electronic gaming sum-
mary report shall be forwarded to the accounting department by the end of the gaming day on which it is prepared. An employee of the accounting department shall be responsible for calculating the correct amount that should appear on a progressive meter. If an adjustment to the progressive meters is necessary, the adjustment shall be made by a member of the LFG department authorized by the progressive gaming supplier to make progressive meter adjustments as follows:

1. Supporting documentation shall be maintained to explain any addition or reduction in the registered amount on the progressive meter. The documentation shall include the date, the asset number of the LFG, the amount of the adjustment, and the signatures of the accounting department member requesting the adjustment and the LFG department member making the adjustment; and

2. The adjustment shall be effectuated within 48 hours of the meter reading.

(i) Except as otherwise authorized by this regulation, each LFG offering a progressive jackpot that is removed from the gaming floor shall be returned to or replaced on the gaming floor within five gaming days. The amount on the progressive meter or meters on the returned or replacement LFG shall not be less than the amount on the progressive meter or meters at the time of removal. If an LFG offering a progressive jackpot is not returned or replaced, any progressive meter amount at the time of removal shall, within five days of the LFG's removal, be added to an LFG offering a progressive jackpot approved by the executive director. The LFG shall offer the same or greater probability of winning the progressive jackpot and shall require the same or lower denomination of currency to play that was in use on the LFG that was removed. This subsection shall not apply to the temporary removal by a facility manager, for a period not to exceed 30 days, of all linked LFGs that are part of a particular wide-area progressive system if the progressive jackpot offered by the temporarily removed LFGs remains available on LFGs that are part of the same wide-area progressive system in another gaming facility.

(j) If an LFG is located adjacent to an LFG offering a progressive jackpot, the facility manager shall conspicuously display on the LFG a notice advising patrons that the LFG is not participating in the progressive jackpot of the adjacent LFG. (Authorized by K.S.A. 2009 Supp. 74-8772; implementing K.S.A. 2009 Supp. 74-8750 and 74-8772; effective April 24, 2009; amended April 1, 2011.)

The LFGs participating in the link shall be collectively referred to as a wide-area progressive system.

(b) Each wide-area progressive system shall at all times be installed and operated in accordance with relevant requirements of the act, this article, and article 110.

(c) Each wide-area progressive system shall be operated and administered by participating facility managers in accordance with the terms and conditions of a written agreement executed by the participating facility managers. The agreement shall be referred to as an electronic gaming system agreement. Each electronic gaming system agreement shall be submitted in writing and approved by the commission and the Kansas lottery before implementation and shall meet the requirements of the act, this article, and article 110.

(d) Any facility manager participating in an electronic gaming system agreement may delegate, in whole or in part, the management and administration of a wide-area progressive system to a gaming supplier if the electronic gaming system agreement is executed by the gaming supplier and the terms of the agreement are approved by the commission and the Kansas lottery. The persons designated in an electronic gaming system agreement as being responsible for the management and administration of a wide-area progressive system shall be referred to as the wide-area progressive system operator.

(e) An agreement between a gaming supplier and a facility manager under which a gaming supplier sells, leases, or services a wide-area progressive system shall not constitute an electronic gaming service agreement, unless the agreement also covers the management and administration of the wide-area progressive system.

(f) Each electronic gaming system agreement providing for the management and administration of a wide-area progressive system shall identify and describe with specificity the duties, responsibilities, and authority of each participating facility manager and each electronic gaming system operator, including the following:

1. Details with regard to the terms of compensation for the electronic gaming system operator.
The agreement shall address to what extent, if any, the electronic gaming system operator is receiving compensation based, directly or indirectly, on an interest, percentage, or share of a facility manager's revenue, profits, or earnings from the management of the wide-area progressive system;

(2) responsibility for the funding and payment of all jackpots and fees associated with the management of the wide-area progressive system;

The electronic gaming system manager shall be advised of the executive director's findings. Each participating facility manager and any participating gaming supplier shall comply with the commission's licensing instructions.

(i) An electronic gaming system manager shall not commence operation and administration of a wide-area progressive system pursuant to the terms of an electronic gaming system agreement until the agreement and the internal controls required under subsection (g) have been approved in writing by the commission and any licensing requirements under subsection (h) have been met.

(j) If an electronic gaming system agreement involves payment to a gaming supplier functioning as an electronic gaming system operator, of an interest, percentage, or share of a facility manager's revenue, profits, or earnings from the operation of a wide-area progressive system, the electronic gaming system agreement may be approved by the commission only if it determines that the total amounts paid to the gaming supplier under the terms of the agreement are commercially reasonable for the managerial and administrative services provided. Nothing in this regulation shall limit the commission's consideration of the electronic gaming system agreement to its revenue-sharing provisions.

(k) Each wide-area progressive system shall be controlled from a computer monitoring room. The computer monitoring room shall meet the following requirements:

(1) Be under the sole possession and control of employees of the wide-area progressive system manager designated in the electronic gaming system agreement for that system. The employees of the wide-area progressive system manager may be required to obtain a license or permit if the executive director determines, after a review of the work being performed, that the employees require a license or permit for the protection of the integrity of gaming;

(2) have its monitoring equipment subjected to surveillance coverage either by the surveillance system of a facility manager participating in the electronic gaming system agreement or by a dedicated surveillance system maintained by the wide-area progressive system manager. The surveillance plan shall be approved by the executive director;

The accounting department shall take a monthly inventory of reserve chips and secondary chips and record the result of this inventory in the chip inventory ledger. Each individual who inspected and counted the chips shall sign either the inventory ledger or other supporting documentation. The procedures to be utilized to compute the unredeemed liability and to inventory chips in circulation, reserve chips, and secondary chips shall be submitted in the internal controls to the commission for approval. (4) The backs of all cards in the deck shall be identical and no card shall contain any marking, symbol, or design that will enable a person to know the identity of any element printed on the face of the card or that will in any way differentiate the back of that card from any other card in the deck.

Secondary storage areas, if needed, shall be used for the storage of surplus decks. Decks maintained in any secondary storage area shall be transferred to the primary card storage area before being distributed to the pit area or poker tables. All secondary storage areas shall be located in secure areas, the location and physical characteristics of which shall be documented in the internal controls and approved by the commission.

(d) Each primary card storage area and each secondary card storage areas shall have two separate locks. The record shall include the time, date, color, value, suit, reason for replacement, and name of the individual who replaced the cards. The replacement decks shall be reconciled to the record at least weekly. Once a replacement deck has been depleted to the point that the deck is no longer useful, the remaining cards in the replacement deck shall be picked up by security and destroyed or cancelled.

(s) At least once each gaming day as designated by the facility manager in the internal controls, a pit manager or the pit manager's supervisor may collect all extra decks of cards. If collected, all sealed decks shall be cancelled, destroyed, or returned to an approved storage area.

(B) A label shall be attached to each envelope or container that identifies the table number, date, and time and shall be signed by the boxperson and floor supervisor.

(C) The envelopes or containers and the method used to seal the dice shall be designed or constructed so that any tampering is evident.

(D) The security department employee receiving the die shall sign the original, duplicate, and triplicate copy of the dice discrepancy report and retain the original at the security office. This collection shall occur at the end of each approved gaming day and at any other times as may be necessary. (C) the employees conducting this inventory shall make an entry and sign the dice inventory ledger in a manner that clearly distinguishes this count as the quarterly inventory.

All drop boxes shall be removed and counted at the times previously reported to the commission. The removal and counting of contents at other than the designated times shall be prohibited, unless the facility manager provides advance written notice to the commission's security staff on site of a change in times or the commission requires a change of authorized times. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

   (b) Any facility manager may submit internal controls for the commission’s approval that would allow poker dealers to either pool tips with other dealers operating poker games in the poker room or receive tips on an individual basis. The receiving of tips individually may be allowed only when the dealer does not make decisions that can affect the outcome of the gambling game, is not eligible to receive winnings from the gambling game as an agent of the facility manager, and uses an approved shuffling machine during the course of the poker game. If tips are received by poker dealers on an individual basis, all tips shall be immediately placed into a locked individual transparent tip box that shall be assigned to and maintained by the dealer while working. The locked individual tip box shall be given to the facility manager at the end of the shift for counting, withholding of taxes, and subsequent payment during the normal payroll process.    (e) Applicable state and federal taxes shall be withheld on tips and gifts received by facility manager employees.
   (f) The facility manager shall include in its internal controls the procedures for dropping tip boxes.

If the game is reopened again on the same gaming day, complete opening procedures shall be followed to include the counting and verification of chips in the tray and inspection of cards or dice and all applicable gaming equipment. On arrival at the gaming facility, the shipment shall not be opened or inventoried until the seal is witnessed and broken by an agent of the commission. An agent of the commission shall verify that each table game and table game mechanism are unloaded, inventoried, and compared to the notice required in subsection (a). (Authorized by and implementing K.S.A. 2009 Supp. 74-8772; effective Jan. 8, 2010; amended April 1, 2011.)

112-108-56. Handling chips. A dealer shall “prove chips” when opening or closing a table, filling a table, or exchanging chips for a patron by displaying and counting the chips in full view of either of the following, in accordance with the facility’s procedures:

(a) Surveillance and either the pit manager or an employee in a higher position; or
(b) surveillance and the affected patron. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

The facility manager shall provide notice to the commission of the imposition or modification of a payout limit on a progressive meter concurrent with the setting of the payout limit.

2. A progressive jackpot game may be terminated concurrent with the winning of the progressive jackpot if the progressive controller was configured to automatically establish a fixed reset amount with no progressive increment.

3. A progressive jackpot amount may be transferred from a gaming floor. The facility manager shall give notice to the commission of its intent to transfer the progressive jackpot at least 30 days before the anticipated transfer, and the facility manager shall conspicuously display the facility manager's intent to transfer the progressive jackpot on the front of each affected table game for at least 30 days. To be eligible for transfer, the progressive jackpot shall be transferred in its entirety and shall meet one of the following conditions:

   C. The amount indicated on the progressive meter on each table game governed by subsection (a) shall be recorded by the facility manager's accounting department on a progressive electronic gaming summary report at least once every seven calendar days. Each report shall be signed by the person preparing the report. If the report is not prepared by the accounting department, the progressive electronic gaming summary report shall be forwarded to the accounting department at the end of the gaming day on which the report is prepared. An employee of the accounting department shall be responsible for calculating the correct amount that should appear on a progressive meter. If an adjustment to the progressive meters is necessary, the adjustment shall be made by a member of the EGM department as follows:

time of removal shall, within five days of the table
game’s removal, be added to a table game offering
a progressive jackpot approved by the executive
director. The table game shall offer the same or
greater probability of winning the progressive
jackpot and shall require the same or lower de-
nomination of currency to play that was in use on
the table game that was removed.

(g) If a table game is located adjacent to a table
game offering a progressive jackpot, the facility
manager shall conspicuously display on the ta-
ble game a notice advising patrons that the table
game is not participating in the progressive jack-
pot of the adjacent table game. (Authorized by
K.S.A. 2008 Supp. 74-8772; implementing K.S.A.
2008 Supp. 74-8752 and 74-8772; effective Jan. 8,

(2) A “wide-area progressive game” means a game that consists of a group of EGMs located at two or more gaming facilities, linked to a single CCS computer that has a manner of wagering that will provide the same probability of hitting the combination that will award the progressive jackpot that increases, by the same increments, as the EGM is played.
(b) Each CCS shall be able to support a variety of different progressive jackpot games, including single-machine games, linked games at a gaming facility, and wide-area progressive games shared by two or more gaming facilities.
(c) The CCS communication for the wide-area progressive system shall be by means of dedicated on-line communication lines, satellite, or another preapproved communications system. (e) Each CCS shall have the ability to produce reports that demonstrate the method used to calculate the progressive jackpot amount, including the documentation of credits contributed from the beginning of the polling cycle and all credits contributed throughout the polling cycle that includes the jackpot signal. The method shall assume that credits contributed to the system after the jackpot win occurs, in real-time but during the same polling cycle, are contributed to the progressive jackpot amount before the win.
(f) Each CCS shall be able to produce fiscal reports that support and verify the economic activity of the games, indicating the amount of and basis for the current progressive jackpot amount. These reports shall include the following:
(1) An aggregate report to show only the balancing of the progressive link with regard to facility-wide totals;
(2) a detail report in a format that indicates for each EGM, summarized by location, the cash-in, cash-out, credits-played, and credits-won totals, as these terms are commonly understood by the Kansas lottery; and
(3) a jackpot contribution invoice that includes documentation of contributions by the following:
(A) Each of its participating EGMs;
(B) the credits contributed by each EGM to the jackpot for the period for which an invoice is remitted;
(C) the percentage contributed by that gaming facility; and

double-keyed compartment or an alternative approved by the Kansas lottery and the commission.

(2) The Kansas lottery or the Kansas lottery’s designee shall be given possession of one of the keys, or the Kansas lottery’s designee shall authorize each instance of access to the controller in advance. No person may have access to a controller without notice to the Kansas lottery.

(3) A progressive entry authorization log shall be included with each controller, and the log shall be completed by each person gaining entrance to the controller. The log shall be entered on a form provided by the Kansas lottery.

(4) If a progressive jackpot is recorded on any progressive EGM, the progressive controller shall be able to identify the EGM that caused the progressive meter to activate, and the progressive controller shall display the winning progressive amount.

(5) If more than one progressive EGM is linked to the progressive controller, the progressive controller may automatically reset to the minimum amount and continue normal play only if the progressive meter displays the following information:

(A) The identity of the EGM that caused the progressive meter to activate;
(B) the winning progressive amount; and
(C) the minimum amount that is displayed to the other players on the link.

(6) A progressive meter or progressive controller shall keep the following information in non-volatile memory, which shall be displayed upon demand:

(A) The number of progressive jackpots won on each progressive meter if the progressive display has more than one winning amount;
(B) the cumulative amounts paid on each progressive meter if the progressive display has more than one winning amount;
(C) the maximum amount of the progressive payout for each meter displayed;
(D) the minimum amount or reset amount of the progressive payout for each meter displayed; and

(b) Any CCS may perform the following:

(1) Downloading operating and game software to EGMs that use electronic storage media on which the operation software for all games resides or at a minimum approving, auditing, and verifying the downloading of software to EGMs;
(2) allowing gaming software to be driven by down-line loading on the communications line. Gaming software may be either solicited by the EGM or unsolicited; and
(3) allowing gaming software to be downloaded in a modular fashion with only the modules requiring a change being downloaded. Downloading shall not preclude continuous operation of the EGM network. The CCS provider shall detail for the Kansas lottery and the commission any particular download features of the software, including downloading in the background, eavesdropping, and compression. (Authorized by K.S.A. 2007 Supp. 74-5772; implementing K.S.A. 2007 Supp. 74-8749 and 74-8772; effective May 1, 2009.)

(d) Each CCS supplier shall provide a complete set of manuals at the beginning of acceptance testing. Updates to the manuals shall be supplied concurrently with any CCS modifications that result in updating the manual.

(e) A test system in addition to the system required in subsection (b) may be required if the Kansas lottery determines that a system shall be located at the Kansas lottery.
(f) The cost of initial acceptance testing by the Kansas lottery, the commission, and the commission's independent testing laboratory shall be paid by the CCS supplier. The cost of any testing resulting from system modifications or enhancements shall be paid by the CCS supplier. These costs shall include travel time and expenses for functionality that must be tested on-site or at an alternate location.

(g) Each CCS supplier shall be responsible for the consulting costs incurred by the commission and the Kansas lottery to develop the test scripts. (Authorized by K.S.A. 2007 Supp. 74-8772; implementing K.S.A. 2007 Supp. 74-8749 and 74-8772; effective May 1, 2009.)

The petitioner shall remain on the self-exclusion list pursuant to this article. (Authorized by K.S.A. 2009 Supp. 74-8772 and 74-8804; implementing K.S.A. 2009 Supp. 74-8772; effective Sept. 26, 2008; amended April 1, 2011.)

115-4-15. Restitution scoring system; white-tailed deer; mule deer; elk; antelope.

(a) For the purpose of establishing restitution values, each of the following terms shall have the meaning specified in this subsection:

(1) “Abnormal point” means a point that is non-typical in shape or location.

(2) “Antler burr” means the elevated bony rim around the antler base of a deer or elk that is just above the skin of the pedicle.

(3) “First normal point” means the longest, first point immediately above, but not part of, the antler burr. If this point is branched, the longest and straightest portion of the point shall be used for measurement. All other points branching from this point shall be considered abnormal points.

(4) “Gross score” means the number derived by totaling certain measurements taken from the antlers or horns of a big game animal in accordance with this regulation.

(5) “Inside spread of the main antler beams” means the measurement at right angles to the center line of the skull at the widest point between main antler beams.
(6) “Length of the main antler beam” means the measurement from the lowest outside edge of the antler burr over the outer curve to the most distant point of what is or appears to be the main antler beam beginning at the place on the antler burr where the center line along the outer curve of the beam intersects the antler burr.

(7) “Normal point” means a point that projects from the main antler beam in a typical shape or location.

(8) “Point” means a projection on the antler of a deer or elk that is at least one inch long as measured from its tip to the nearest edge of the antler beam and the length of which exceeds the width at one inch or more of length. “Point” shall not include an antler beam tip.

(b) All measurements shall be made to the nearest 1/8 of an inch using a flexible steel tape that is 1/4 inch wide.

(c) The gross score of an antlered whitetail deer shall be determined by adding together all of the following measurements:

(1) The inside spread of the main antler beams, not to exceed the length of the longest main antler beam;
(2) the length of the main antler beam on the deer’s right side;
(3) the length of the main antler beam on the deer’s left side;
(4) the total length of all abnormal points on the right and left antlers;
(5) the total length of all normal points on the right and left antlers as measured from the nearest edge of the main antler beam over the outer curve to the tip. To determine the baseline for normal point measurement, the tape shall be laid along the outer curve of the antler beam so that the top edge of the tape coincides with the top edge of the antler beam on both sides of the point; and
(6) the following circumference measurements from the right and left antlers:

(A) The circumference taken at the smallest place between the antler burr and the first normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;
(B) the circumference taken at the smallest place between the first normal point and the second normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;
(C) the circumference taken at the smallest place between the second normal point and the third normal point on the main antler beam; and
(D) the circumference taken at the smallest place between the third normal point and the fourth normal point on the main antler beam. If the fourth normal point is missing, the circumference shall be taken halfway between the third normal point and the tip of the main antler beam.

(d) The gross score of an antlered mule deer shall be determined by adding together all of the following measurements:

(1) The inside spread of the main antler beams, not to exceed the length of the longest main antler beam;
(2) the length of the main antler beam on the deer’s right side;
(3) the length of the main antler beam on the deer’s left side;
(4) the total length of all abnormal points on the right and left antlers;
(5) the total length of all normal points on the right and left antlers as measured from the nearest edge of the main antler beam over the outer curve to the tip. To determine the baseline for normal point measurement, the tape shall be laid along the outer curve of the antler beam so that the top edge of the tape coincides with the top edge of the antler beam on both sides of the point; and
(6) the following circumference measurements from the right and left antlers:

(A) The circumference taken at the smallest place between the antler burr and the first normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;
(B) the circumference taken at the smallest place between the first normal point and the second normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;
(C) the circumference taken at the smallest place between the second normal point and the third normal point;
(D) the circumference taken at the smallest place between the third normal point and the fourth normal point. If the fourth normal point is missing, the circumference shall be taken halfway between the second normal point and the tip of the main antler beam.
(e) The gross score of an antlered elk shall be determined by adding together all of the following measurements:

1. The inside spread of the main antler beams, not to exceed the length of the longest main antler beam;
2. The length of the main antler beam on the elk’s right side;
3. The length of the main antler beam on the elk’s left side;
4. The total length of all abnormal points on the right and left antlers;
5. The total length of all normal points on the right and left antlers as measured from the nearest edge of the main antler beam over the outer curve to the tip. To determine the baseline for normal point measurement, the tape shall be laid along the outer curve of the antler beam so that the top edge of the tape coincides with the top edge of the antler beam on both sides of the point; and
6. The following circumference measurements from the right and left antlers:
   A. The circumference taken at the smallest place between the first normal point and the second normal point on the main antler beam;
   B. The circumference taken at the smallest place between the second normal point and the third normal point on the main antler beam;
   C. The circumference taken at the smallest place between the third normal point and the fourth normal point on the main antler beam; and
   D. The circumference taken at the smallest place between the fourth normal point and the fifth normal point on the main antler beam.

(f) The gross score of an antelope shall be determined by adding together all of the following measurements:

1. The length of the right horn measured along the center of the outer curve from the tip of the horn to a point in line with the lowest edge of the base, using a straight edge to establish the line end;
2. The length of the left horn measured along the center of the outer curve from the tip of the horn to a point in line with the lowest edge of the base, using a straight edge to establish the line end;
3. The circumference of the base of each horn, measured at a right angle to the axis of the horn, not to follow the irregular edge of the horn. The line of the measurement shall be entirely on horn material;
4. Three circumference measurements on each horn based on the criteria specified in this paragraph. The length of the longest horn shall be divided by four. Starting at the base, each horn shall be marked at these quarters, even though the other horn may be shorter. The circumference shall be measured at these marks at a right angle to the axis of the horn. If the prong of the horn interferes with the first measurement from the base, this measurement shall be taken immediately below the swelling of the prong. If the second measurement from the base falls in the swelling of the prong, this measurement shall be taken immediately above the swelling of the prong.
5. The length of the prong measured from the tip of the prong along the upper edge of the outer side to the horn, then continuing around the horn, at a right angle to the long axis of the horn, to a point at the rear of the horn where a straight edge crossing the back of both horns touches the horn. If there is a crack where the prong extends from the horn, the length of the prong shall be taken passing over the entire crack. Once the initial prong length is taken, the width of the crack shall be measured and deducted from the initial prong length. The adjusted length shall be the recorded length of the prong. (Authorized by and implementing K.S.A. 2013 Supp. 32-807 and 32-1032; effective Jan. 1, 2013; amended Feb. 7, 2014.)

(d) Each hard-copy stamp received from an electronic or telephone license vendor or by electronic means shall be validated if the individual signs the issue displaying the valid stamp purchase. The confirmation number of each stamp purchased from an electronic or telephone license vendor shall be proof of signature until the individual receives the hard copy of the stamp purchased from the license vendor. (e) Any current issue of the department that is destroyed or lost may be replaced by electronic means. Each individual whose current issue was destroyed or lost shall sign the new hard-copy issue, attesting to the destruction or loss of the current issue. (a) Each falconer hunting or trapping raptors in Kansas shall possess any current hunting license, unless exempt pursuant to K.S.A. 32-919 and amendments thereto, and any other state or federal stamp, permit, certificate, or other issuance that may be required for hunting the species that the falconer is hunting. In addition, each nonresident falconer shall possess a current nonresident hunting license while participating in a falconry field trial or a department-approved special event.

(b) Any falconry raptor may kill wildlife, including animals killed outside the established hunting season, if it was not the intent of the falconry permittee to kill the wildlife. (1) Any falconry permittee may possess flight feathers for each species of raptor legally possessed or previously held for the duration of time the permittee holds a valid falconry permit.

(A) The permittee may receive feathers for imping from other permitted falconers, wildlife rehabilitators, or propagators in the United States. The permittee may give feathers for imping to other permitted falconers, wildlife rehabilitators, or propagators in the United States.

(B) It shall be unlawful to buy, sell, or barter the feathers.

(2) Any permittee may donate feathers from a falconry raptor, except golden eagle feathers, to any person or institution with a valid permit to possess the feathers issued by the United States fish and wildlife service or to any persons exempted by federal regulation from having the permit.

(3) Except for the primary or the secondary flight feathers and the retrices from a golden eagle, a falconry permittee shall not be required to gather feathers that are molted or otherwise lost by a falconry bird. These feathers may be left where they fall, stored for imping, or destroyed. All molted flight feathers and retrices from a golden eagle shall be collected by the permittee and, if not kept for imping, shall be sent to the national eagle repository.

(4) Each falconry permittee whose permit expires or is revoked shall donate the feathers of any species of falconry raptor, except a golden eagle, to any person or institution exempted from federal possession permit requirements or to any person or institution authorized by federal permit to acquire and possess the feathers. (A) The feathers from the body may be used for imping.

(B) The body may be prepared and mounted by a taxidermist. The mounted body may be used by the permittee as part of a conservation education program.

(C) If the raptor was banded, the band shall remain on the body. If the raptor was implanted with a microchip, the microchip shall remain implanted in place.

(4) The body or feathers of any raptor that is not donated or retained by the permittee shall be burned, buried, or otherwise destroyed within 10 days of the death of the bird or after final examination by a veterinarian to determine the cause of death.

(5) The carcass of each euthanized raptor shall be disposed of in a manner that prevents the secondary poisoning of eagles or other scavengers.

(6) For any falconry raptor other than a golden eagle, if the body or feathers are not donated or mounted by a taxidermist as authorized by this subsection, the falconry permittee may possess the raptor for as long as the permittee maintains a valid falconry permit. The falconry permittee shall keep all the paperwork documenting the acquisition and possession of the raptor.
(g) A falconry raptor may be used in conservation education programs presented in public venues in accordance with the following provisions:

1. Any general falconer or master falconer may conduct or participate in such a program without the need for any other type of permit. 3. A fee may be charged for the presentation of a conservation education program. However, the fee shall not exceed the amount required to recoup the falconer's costs for presenting the program.

4. The presentation shall address falconry and conservation education. The conservation education portion of the program shall provide information about the biology, ecological roles, and conservation needs of raptors and other migratory birds. However, not all of these topics shall be required to be covered in every presentation.

(h) Falconry raptors may be photographed, filmed, or recorded by similar means for the production of movies or other sources of information on the practice of falconry or on the biology, ecological roles, and conservation needs of raptors and other migratory birds in accordance with the following provisions:

Any rehabilitated bird may be transferred to the falconer in accordance with K.A.R. 115-14-15.

(j) When flown free, a hybrid raptor shall have at least two attached radio transmitters to aid the falconry permittee in tracking and locating the bird. The term "hybrid raptor" shall mean the offspring of two different species of raptor.

(k) The statewide season for taking game birds by falconry shall be September 1 through March 31. Any falconer may possess hen pheasants that are incidentally taken by falconry means during the established falconry game bird season. Each falconer shall possess no more than two hen pheasants per day.

This regulation shall be effective on and after December 31, 2012. (Authorized by and implementing K.S.A. 32-807; effective Dec. 31, 2012.)
A falconer wanting to capture a raptor from the wild shall comply with K.A.R. 115-14-14. (2) The individual shall not be required to take the department's falconry examination specified in paragraph (j)(3).

(3) The individual shall notify the state where the individual formerly resided of the individual's move, within 30 days of moving to Kansas.

(4) Any falconry birds held by the individual under the former permit may be retained during the permit application and issuance process in Kansas if the birds are kept in an appropriate facility as specified in K.A.R. 115-14-13.

   C. The individual holding the temporary permit may possess raptors for falconry purposes if the individual has falconry facilities approved in accordance with K.A.R. 115-14-13. The individual holding a temporary permit may fly raptors held for falconry by another permitted falconer. The individual holding a temporary permit shall not take raptors from the wild for falconry purposes.

2. Any individual holding a temporary permit in accordance with this subsection may use any bird for falconry that the individual legally possessed in the individual's country of origin for falconry purposes if the importation of that species of bird into the United States is not prohibited with all federal laws concerning the importation, exportation, and transportation of falconry birds; the wild bird conservation act; the endangered species act; migratory bird import and export permit; and the endangered species convention.

B. Each falconry bird imported into the state under this subsection shall be exported from the state by the temporary permittee when the permittee leaves the state, unless a permit is issued allowing the bird to remain in Kansas. If the bird dies while in the state, the permittee shall report the loss to the department before leaving the state.

C. When flown free, each bird brought into the state under the provisions of this subsection shall have attached to the bird two radio transmitters that allow the permittee to locate the bird.

G. The sponsor agreement shall include a statement from the general falconer or master falconer specifying that the sponsor shall mentor the applicant in learning the husbandry and training of raptors for falconry, learning relevant wildlife laws and regulations concerning the practice of falconry, and deciding what species of raptor is appropriate for the applicant to possess while practicing falconry at the apprentice level.

H. If the general falconer or master falconer is not able to fulfill the sponsor agreement to mentor the apprentice falconer, the apprentice shall secure a sponsor agreement from another falconer with the necessary qualifications and notify the department within 30 days of the change. The falconer sponsoring the apprentice falconer shall notify the department in writing within 30 days of withdrawing the falconer's mentorship.

An apprentice falconer shall not acquire more than one replacement raptor during any 12-month period.

(7) The facilities used to house and keep the raptor shall meet the requirements in K.A.R. 115-14-13.

(2) Each application shall be accompanied by a letter from general falconer or a master falconer stating that the applicant has practiced falconry with wild raptors at the level of apprentice falconer, or its equivalent, for at least two years, including maintaining, training, flying, and hunting the raptor for at least four months in each year. This time may include the capture and release of falconry raptors. A school or education program in falconry shall not be substituted to shorten the required two years of experience at the level of apprentice falconer.

(3) A general falconer may take and use any species of Accipitriform, Falconiform, or Strigiform, including wild or captive-bred raptors and hybrid raptors, as defined in K.A.R. 115-14-11, for falconry, with the following exceptions:

(2) A master falconer may take and use any species of Accipitriform, Falconiform, or Strigiform, including wild or captive-bred raptors and hybrid raptors for falconry, with the following exceptions:

(A) A bald eagle (Haliaeetus leucocephalus) shall not be possessed.

(B) Golden eagles (Aquila chrysaetos), white-tailed eagles (Haliaeetus albicilla), or Steller’s sea eagles (Haliaeetus pelagicus) may be possessed if the permittee meets the following requirements:

(i) The permittee shall not possess more than three raptors of the species listed in paragraph (l) (2)(B).

(ii) The permittee shall provide documentation to the department of the permittee’s experience in handling large raptors, including information about the species handled and the type and duration of the activity in which the experience was gained.

(iii) The permittee shall provide the department with at least two letters of reference from people with experience in handling or flying large raptors including eagles, ferruginous hawks (Buteo regalis), goshawks (Accipter gentilis), or great horned owls (Bubo virginianus). Each letter shall contain a concise history of the author’s experience with large raptors, which may include the handling of raptors held by zoos, rehabilitating large raptors, or scientific studies involving large raptors. Each letter shall also assess the permittee’s ability to care for eagles and fly them for falconry purposes.

(C) The possession of a golden eagle, white-tailed eagle, or Steller’s sea eagle shall count as one of the wild raptors that the permittee is allowed to possess.

(D) A master falconer may possess wild or captive-bred raptors or hybrid raptors of the species allowed by this subsection.

(E) A master falconer shall possess no more than five wild-caught raptors, including golden eagles, regardless of the number of state, tribal, or territorial falconry permits the falconer possesses.
A master falconer may possess any number of captive-bred raptors. However, the raptors shall be trained to pursue wild game and shall be used for hunting.

A falconry permit may be denied, suspended, or revoked by the secretary for any of the following reasons:

1. The application is incomplete or contains false information.
2. The applicant does not meet the qualifications specified in this regulation.
3. The applicant has failed to maintain or to submit required reports.
4. The applicant has been convicted of violating department laws or regulations relating to hunting or the practice of falconry or has had any other department license or permit denied, suspended, or revoked.
5. Issuance of the permit would not be in the best interests of the public, for reasons including complaints or inappropriate conduct while holding a previous falconry permit.

This regulation shall be effective on and after December 31, 2012. (Authorized by and implementing K.S.A. 32-807; effective Dec. 31, 2012.)

Falconry; facilities, equipment, care requirements, and inspections. (a) Each individual keeping raptors shall maintain the facilities in accordance with this regulation.

1. “Primary facility” shall mean the principal place and structures where the raptor is normally provided care and housing. This term shall include indoor facilities and outdoor facilities.
2. “Temporary facility” shall mean a place and structure where a raptor is kept during the raptor’s time away from the primary facility, including during transportation and while hunting or attending an event. This term shall include a place and structure where a raptor is kept for a limited time period while the primary facility is not available.

(b) All primary facilities used to house and keep raptors shall be inspected and approved by the department before the issuance of a Kansas falconry permit. Thereafter, all primary facilities used to house and keep raptors shall be inspected and approved before the issuance or renewal of a Kansas falconry permit. All primary facilities shall meet the following standards:

1. All indoor areas of the primary facility, which are also known as “mews,” and all outdoor areas of the primary facility, which are also known as “weathering areas,” shall protect raptors from the environment, predators, and domestic animals.
2. The indoor area of the primary facility shall have a perch for each raptor and at least one opening for sunlight.
3. Two or more raptors may be housed together and untethered if the birds are compatible with each other. Each raptor shall have an area large enough to allow the raptor to fly if it is untethered or, if tethered, to fully extend its wings to bate or attempt to fly while tethered without damaging its feathers or contacting other raptors.
4. Each raptor shall have a pan of clean water available.
5. Each indoor area of the primary facility shall be large enough to allow easy access for the care and feeding of the raptors kept there.
6. Each indoor area of the primary facility housing untethered raptors shall have either solid walls or walls made with vertical bars spaced narrower than the width of the body of the smallest raptor being housed, heavy-duty netting, or other similar materials covering the walls and roof of the facility. All windows shall be protected on the inside by vertical bars, spaced at intervals narrower than the width of the raptor’s body.
7. The floor of the indoor area of the primary facility shall consist of material that is easily cleaned and well drained.
8. Each indoor area of the primary facility shall include shelf perch enclosures where raptors are tethered side by side. Other housing systems shall be acceptable if they afford the enclosed raptors with protection and maintain healthy feathers.
9. A falconry raptor, or raptors, may be kept inside the permittee’s residence if a suitable perch, or perches, are provided. Windows and other openings in the residence structure shall not be required to be modified. All raptors kept in the residence shall be tethered when the raptors are not being moved into or out of the location where they are kept.
10. Each outdoor area of the primary facility shall be totally enclosed and shall be made of heavy-gauge wire, heavy-duty plastic mesh, slats, pipe, wood, or other suitable material.
11. Each outdoor area of the primary facility shall be covered and have at least a covered perch to protect a raptor held in the facility from predators and weather. Each outdoor area of the primary facility shall be large enough to ensure that all the raptors held inside cannot strike the enclosure when flying from the perch.
Any new design of primary facility may be used if the primary facility meets the requirements of this subsection and is approved in writing by the department.

(c) Falconry raptors may be kept outside, including in a weathering yard at a falconry meet, if the raptors are under watch by the permittee or a designated individual.

(d) The permittee may transport any permitted raptor if the bird is provided with a suitable perch and is protected from extreme temperatures, wind, and excessive disturbance. A giant hood or similar container may be used for transporting the bird or for housing it while away from the primary facility.

(e) The permittee shall inform the department of any change of location of the primary facility within five business days of the move to the new location.

(f) The property where the primary facility is located may be owned by the permittee or another person and may be at the residence of the permittee or at a different location.

The permittee shall submit to the department a signed and dated statement showing that the permittee agrees that the primary facility, equipment, all falconry-related facilities, equipment, records, and raptors may be inspected without advance notice by department authorities at any reasonable time on any day of the week if the inspections are in the presence of the permittee. If the property is not owned by the permittee, the actual property owner shall also sign the statement acknowledging the inspection allowance.

(g) The permittee shall provide and maintain the following equipment during the term of the permit:

1. At least one pair of Aylmeri jesses, or jesses of a similar type, constructed of pliable, high-quality leather or a suitable synthetic material. The jesses shall be used when any raptor is flown free. Traditional one-piece jesses may be used on raptors when not being flown;

2. At least one flexible, weather-resistant leash and one strong swivel of acceptable falconry design;

3. At least one suitable bath container for each raptor. Each container shall be at least two to six inches deep and wider than the length of the raptor; and

4. A reliable scale or balance that is suitable for weighing the raptors and is graduated to increments of not more than ½ ounce (15 grams).

(h) A permittee may house a raptor in temporary facilities for no more than 120 consecutive days if the bird is provided with a suitable perch and protection from predators, domestic animals, extreme temperatures, wind, and excessive disturbance.

(i) A permittee may allow a raptor to be temporarily cared for and possessed by another falconry permittee in accordance with the following requirements:

1. The raptor shall be kept at the permittee's primary facility or at the permitted primary facility of the other permittee.

2. The raptor shall be cared for by the other permittee for no more than 120 consecutive days, unless the department provides a written extension of time for extenuating circumstances that may include illness, military service, or a family emergency. Extenuating circumstances may be considered by the secretary on a case-by-case basis.

3. The permittee shall provide the other permittee with a signed, dated statement authorizing the temporary possession. The statement shall include information specifying the time period during which the temporary care and possession are allowed and what activity is allowed. The permittee providing the temporary care may fly the raptor as authorized in the statement, including hunting, if the permittee providing the temporary care holds the appropriate level of falconry permit. The raptors being provided temporary care shall not count against the possession limit of the permittee providing the care.

4. The permittee shall provide a copy of the United States fish and wildlife service form 3-186A showing that permittee as the possessor of the raptor to the other permittee providing the temporary care.

(j) Any permittee may allow a raptor to be temporarily cared for by an individual who does not possess a falconry permit in accordance with the following provisions:

1. The raptor shall not be removed from the permittee's facility during the time of temporary care. The person caring for the raptor shall not fly the raptor for any reason.

2. The raptor may be cared for by another person for no more than 45 consecutive days, unless the department provides a written extension of time for extenuating circumstances that may include illness, military service, or a family emergency. Extenuating circumstances may be considered by the secretary on a case-by-case basis.
(3) The raptor shall remain on the permittee’s falconry permit.

(k) Falconry raptors may be trained or conditioned in accordance with the following provisions:

(1) Equipment or techniques acceptable for falconry practices including or similar to any of the following may be used:
   (A) Tethered flying, which is also known as flying with a creance;
   (B) lures made from animal parts;
   (C) balloons;
   (D) kites; or
   (E) remote-control airplanes.

(2) The following species of live wildlife may be used:

   (C) house sparrow;
   (D) Hungarian partridge;
   (E) Chukar partridge; and
   (F) any small game, as defined by K.S.A. 32-701 and amendments thereto, during the established hunting seasons for the small game.

(l) All facilities and equipment shall be properly maintained and cleaned during the term of the permit.

(m) Mistreatment of any raptor shall be grounds for revocation of the falconer’s permit and for confiscation of any raptors in possession of the falconer. “Mistreatment” shall be defined as any of the following:

(1) Having physical custody of a raptor and failing to provide food, potable water, protection from the elements, opportunity for exercise, and other care as is needed for the health and well-being of the raptor;

(2) abandoning or leaving any raptor in any place without making provisions for its proper care; or

(3) failing to meet the requirements of this regulation.

This regulation shall be effective on and after December 31, 2012. (Authorized by and implementing K.S.A. 32-807; effective Dec. 31, 2012.)

115-14-14. Falconry; taking, banding, transporting, and possessing raptors. (a) Each person taking a raptor from the wild for falconry purposes shall possess a current, valid hunting license pursuant to K.S.A. 32-919, and amendments thereto, and meet the requirements for hunter education certification pursuant to K.S.A. 32-920, and amendments thereto.

(b) Each falconer shall apply for and receive a permit from the department before attempting to take a raptor from the wild in Kansas.

(c) Each capture device used to capture raptors shall have a tag attached showing the permittee’s name, address, and current falconry permit number.

(d) The permittee shall acquire permission from the landowner or the person controlling any private land before taking or attempting to take any wild raptor for falconry purposes.

(e) Wild raptors may be taken for falconry purposes if the species is approved by the department to be taken by the permittee and is allowed under the level of falconry permit possessed by the permittee in accordance with K.A.R. 115-14-12.

(1) A permittee shall not intentionally take a raptor species that the permittee is prohibited from possessing by the permittee’s classification level.

(2) If a permittee captures a prohibited bird, the permittee shall immediately release it.

(f) A permittee shall take no more than two raptors from the wild each year to use in falconry in accordance with the permit level limitations specified in K.A.R. 115-14-12. The take shall be further restricted by the following provisions:

(1) Passage and haggard raptors may be taken by apprentice falconers, general falconers, and master falconers year-round.

(2) Raptors less than one year of age may be taken only by a general falconer or master falconer and may be taken year-round.

(3) No more than two eyases may be taken by a general falconer or master falconer per calendar year. At least one eyas shall be left in the nest when an eyas is taken.

An apprentice falconer shall not take an eyas raptor from the wild.

(4) The following raptors may be taken from the wild, but only during the specified stages of development:
   (A) Red-tailed hawk (Buteo jamaicensis) in the eyas and passage stages;
   (B) American kestrel (Falco sparverius) in all stages; and
   (C) great horned owl (Bubo virginianus) in all stages.

(5) Any other species of raptor in the eyas or passage stage of development may be taken by general falconers and master falconers.

(6) The recapture of a falconry bird that has been lost by a falconry permittee shall not be considered to be the capture of a wild raptor to be counted against the annual limit.
(g) Except as provided by this subsection, no species designated by the United States or in K.A.R. 115-15-1 as endangered or threatened shall be taken from the wild.

(1) A general falconer or master falconer may obtain a permit to take one wild raptor listed by federal law as threatened for falconry purposes.

(2) (A) The permittee shall submit an application and receive a federal endangered species permit before taking the bird.

(B) The permittee shall submit an application and receive approval and a permit from the department before taking the bird.

(h) Each raptor taken from the wild shall always be considered a wild bird.

(i) Each raptor taken from the wild in a calendar year by a permittee and then transferred to a second permittee shall count as one of the raptors allowed to be taken by the first permittee who took the raptor from the wild. The raptor transferred to the receiving permittee shall not count against the limit of wild raptors that may be taken in the calendar year by the receiving permittee.

(j) Each raptor taken from the wild shall be reported as follows:

(1) The permittee who is present and takes possession of a wild raptor at the capture site shall file the required report information within 10 calendar days of the capture by submitting the information to the electronic database of the United States fish and wildlife service.

(2) Any permittee may enlist the assistance of another person to take a wild raptor if the permittee is at the exact location of the capture and takes immediate possession of the bird.

(3) Any permittee who does not take immediate possession of a wild raptor at the exact location of the capture may acquire a wild raptor from a general falconer or master falconer, as defined in K.A.R. 115-14-12, in accordance with the following reporting requirements:

(A) The general falconer or master falconer who takes the raptor from the wild shall report the capture in accordance with paragraph (j)(1).

(B) The permittee receiving the wild raptor from the general falconer or master falconer shall report the transfer of the bird within 10 calendar days of the transfer by submitting the information to the electronic database of the United States fish and wildlife service.

(k) A master falconer may be authorized by permit to possess not more than three eagles, including golden eagles, white-tailed eagles, or Steller’s sea eagles, for falconry in accordance with the following provisions:

(1) Each eagle possessed shall count against the possession limit for the permittee.

(2) A golden eagle may be taken in a location declared by the wildlife services of the United States department of agriculture or in an area within a state that has been established as a livestock depredation area in accordance with the following provisions:

(A) An immature or a subadult golden eagle may be taken in a livestock depredation area while the depredation area is in effect.

(B) A nesting adult golden eagle, or an eyas from its nest, may be taken in a livestock depredation area if a biologist that represents the agency responsible for establishing the depredation area has determined that the adult eagle is preying on livestock.

(C) The permittee shall notify the regional law enforcement office of the United States fish and wildlife service of the capture plan before any trapping activity begins. Notification shall be submitted in person, in writing, or by facsimile or electronic mail at least three business days before the start of trapping.

(l) Any raptor wearing falconry equipment or any captive-bred raptor may be recaptured at any time by any permittee in accordance with the following provisions:
115-14-14 DEPARTMENT OF WILDLIFE, PARKS AND TOURISM

(1) The permittee may recapture the raptor whether or not the permittee is allowed to possess that species.

(2) The recaptured bird shall not count against the permittee’s possession limit. This take from the wild shall not count against the capture limit for the calendar year.

(3) The permittee shall report the recapture to the department within five working days of the re-capture.

(4) The disposition of any recaptured bird shall be as follows:

(A) The bird shall be returned to the person who lost it, if that person may legally possess the bird and chooses to do so. If the person who lost the bird either is prohibited from taking or chooses not to take the bird, the permittee who captured the bird may take possession of the bird if the permittee holds the necessary qualifications for the species and does not exceed the permittee’s possession limit.

(B) The disposition of a recaptured bird whose legal ownership cannot be ascertained shall be determined by the department.

(m) Each goshawk, Harris’s hawk (Parabuteo unicinctus), peregrine falcon (Falco peregrinus), or gyrfalcon (Falco rusticolus) taken from the wild or acquired from a rehabilitator by a falconry permittee shall be identified by one or more of the following means:

(1) The bird shall be banded with a black nylon, permanent, nonreusable, numbered falconry registration leg band from the United States fish and wildlife service. The bands shall be made available through the department. Any permittee may request an appropriate band before any effort to capture a raptor.

(2) In addition to the band specified in paragraph (m)(1), the permittee may purchase and have implanted in the bird a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization, in addition to using the black, nylon, nonreusable leg band for rebanding.

(n) Each raptor bred in captivity shall be banded with a seamless metal falconry registration band provided by the United States fish and wildlife service. In addition, any such raptor may have implanted a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization.

The permittee shall report to the department the loss or removal of any seamless band within 10 days of the removal or notice of loss.

(A) When submitting the report, the permittee shall submit a request for a yellow, nylon, nonreusable leg band to the United States fish and wildlife service.

(B) The permittee may purchase and implant a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization, in addition to using the seamless leg band for rebanding.

(o) A falconry registration band shall not be altered, defaced, or counterfeited. However, the rear tab on a falconry registration band used to identify a raptor taken from the wild may be removed and any imperfect surface may be smoothed if the integrity of the band and the numbering on the band are not affected.

(p) The falconry registration band requirement may be waived by the secretary and the removal of a registration band may be allowed in order to address a documented health or injury problem caused to a raptor by the registration band in accordance with the following provisions:
(1) The permittee shall be required to carry a copy of the exemption paperwork at all times while transporting or flying the raptor.

(2) A microchip compliant with the requirements of an international organization for standardization and provided by the United States fish and wildlife service shall be used to replace the registration band causing the health or injury problem on a wild-caught goshawk, Harris’s hawk, peregrine falcon, or gyrfalcon.

(q) A wild-caught falcon shall not be banded with a seamless numbered band.

(r) Any permittee, with prior authorization, may take a wild raptor, including a wild raptor that has been banded with an aluminum band from the federal bird-banding laboratory of the United States fish and wildlife service, during the legal season using legal methods and equipment, in accordance with the following provisions:

(1) Each captured raptor that has any band, research marker, or transmitter attached to it shall be immediately reported to the federal bird-banding laboratory of the United States fish and wildlife service. The reported information shall include any identifying numbers, the date and location of capture, and any other relevant information.

(3) A captured peregrine falcon that has a research transmitter attached to the bird may be kept by the permittee not more than 30 days if the federal bird-banding laboratory of the United States fish and wildlife service is immediately contacted after the capture. The disposition of the captured peregrine falcon shall be in accordance with the directions provided by the federal bird-banding laboratory or its designee.

(4) Any raptor, other than a peregrine falcon, that has a transmitter attached to it may be possessed by the permittee who captured the bird for not more than 30 days in order to contact the researcher, or the researcher’s designee, to determine if the transmitter should be replaced.

(A) The temporary, 30-day possession of the bird shall not count against the permittee’s possession limit for falconry raptors.

(B) If the permittee who captured the raptor wishes to possess the bird for falconry purposes, the disposition of the bird shall be at the discretion of the researcher and the secretary if the species of the bird is allowable under the classification level of the permittee and the permittee’s possession of the captured bird does not exceed the established possession limit.

(s) Each raptor, including a peregrine falcon, that is captured and found with a seamless metal band, a transmitter, or any other item identifying it as a falconry bird attached to it shall be reported to the department within five days of capture.

(1) Each such falconry raptor shall be returned to the person who lost the raptor.

(2) If the person who lost the bird is prohibited from possessing the bird or does not wish to possess the bird, the permittee who captured the bird may keep the bird if the permittee holds the necessary qualifications for the species and does not exceed the permittee’s possession limit.

(3) If the permittee who captured the bird is prohibited from possessing the bird, the disposition of the bird shall be at the discretion of the secretary.

(4) The recaptured falconry bird shall not count against the possession limit or the calendar-year limit of wild birds that may be taken by the permittee during the time the recaptured bird is being held pending final disposition.

(t) Each raptor that is injured during trapping activities shall be handled in accordance with the provisions of this subsection. It shall be the permittee’s responsibility to address any injury occurring to a raptor during trapping activities in one of the following ways:

(B) The raptor shall be treated by a veterinarian or a permitted wildlife rehabilitator. The cost for the care and treatment of the raptor shall be the responsibility of the permittee.

(2) The raptor may be turned over directly to a veterinarian, a permitted wildlife rehabilitator, or a department employee, and the raptor shall not be counted against the permittee’s allowable take or possession limit. The permittee shall be responsible for the costs relating to the care and rehabilitation of the bird.

(u)(1) The permittee shall report each raptor that dies or is acquired, transferred, rebanded, implanted with a microchip, lost to the wild and not recovered within 30 calendar days, or stolen by
submitting the information to the electronic database of the United States fish and wildlife service.

(2) In addition to submitting the report required in paragraph (u)(1), the permittee shall file a report of the theft of a raptor with the department and the appropriate regional law enforcement office of the United States fish and wildlife service within 10 calendar days of the theft.

(3) The permittee shall keep copies of all electronic database submissions documenting the take, transfer, loss, theft, rebanding, or implanting of microchips of each falconry raptor for at least five years after the bird has been transferred, released to the wild, or lost, or has died.

(v) The intentional release to the wild of any falconry raptor shall be in accordance with the following requirements:

(1) A species of raptor that is not native to Kansas shall not be released to the wild. Any such bird may be transferred to another falconry permittee if the permittee receiving the bird is authorized to possess the age and species of raptor and the transfer does not exceed the possession limit of the permittee receiving the bird.

(2) Any species of raptor that is native to Kansas and is captive-bred may be released to the wild according to the following requirements:

(A) The permittee shall obtain the department’s permission to release the bird to the wild before the actual release. The time of year and the location where the release shall take place shall be specified by the department.

(i) The release of a raptor on department lands or waters shall meet the requirements of K.A.R. 115-8-12.

(ii) The permittee shall acquire verbal permission from the landowner or person in control of the private land before the release of the raptor.

(B) The permittee shall remove any tag, transmitter, or nonreusable falconry band, if present, before release. All falconry identification bands, tags, or markers shall then be surrendered to the department within 10 calendar days of the release.

(C) The permittee shall report the release of the bird within 10 calendar days of the release by submitting the required information to the electronic database of the United States fish and wildlife service.

(3) Any species of raptor that is native to Kansas and was taken from the wild may be released to the wild according to the following requirements:

(5) Hacking, which means temporarily releasing a falconry raptor to the wild for conditioning, shall be permissible. (Authorized by and implementing K.S.A. 32-807, as amended by L. 2012, ch. 47, sec. 25; effective Dec. 31, 2012; amended Feb. 8, 2013.)

115-14-15. Falconry; transfers, trading, and sale of raptors. (a) The number of transactions transferring a falconry raptor between permittees shall not be restricted if the permittee taking possession of the raptor does not exceed the possession limit in K.A.R. 115-14-12.

(b) Upon the death of a falconry permittee, the surviving spouse, executor, administrator, or other legal representative of the deceased falconry permittee may transfer any raptor held by the permittee to another authorized permittee within 90 days. 115-15-3. Threatened and endangered wildlife; special permits and enforcement actions. (a) The following definitions shall apply only to this regulation:

1. “Action” means an activity resulting in physical alteration of a listed species’ critical habitat, physical disturbance of listed species, or destruction of individuals of a listed species.

2. “Critical habitat” means either of the following:

   A. Specific geographic areas supporting a population of a listed species and including physical or biological features that meet the following requirements:
      i. Are essential to the conservation of the species; and
      ii. Require special management or protection; or

   B. Specific geographic areas not documented as currently supporting a population of a listed species but determined essential for the conservation of the listed species by the secretary.

3. “Habitat” means the abode where a listed species is generally found and where all essentials for survival and growth of the listed species are present.

4. “Intentional destruction” means an act or attempt that is willful and is done for the purpose of, and results in, the killing of a threatened or endangered species.

5. “Intentional taking” means an act or attempt that is willful and is done for the purpose of taking a threatened or endangered species. “Intentional taking” shall include “intentional destruction” as defined in paragraph (a)(4).

7. “Normal farming and ranching practices” shall include activities financed with private funds on private lands and government cost-shared, routine agricultural land treatment measures.

8. “Permit from another state or federal agency” shall not include a certification or registration.

9. “Publicly funded,” when used to describe an action, means any action for which planning and implementation are wholly funded with monies from federal, state, or local units of government.

10. “State or federally assisted,” when used to describe an action, means any action receiving technical assistance or partial funding from a state or federal governmental agency.

(b) Each person sponsoring or responsible for a publicly funded action, a state or federally assisted action, or an action requiring a permit from another state or federal government agency shall apply to the secretary for an action permit on forms provided by the department, unless one of the following exceptions applies:

1. An action permit shall not be required to conduct normal farming and ranching practices, unless a permit is required by another state or federal agency or these practices involve an intentional taking.

2. An action permit shall not be required for the development of residential and commercial property on privately owned property financed with private, nonpublic funds, unless a permit is required by another state or federal agency or the development involves an intentional taking.

3. An action permit shall not be required for any activity for which a person has obtained a scientific, educational, or exhibition permit, pursuant to K.S.A. 32-952 and amendments thereto and K.A.R. 115-18-3.

4. An action permit shall not be required for any species listed after July 1, 2016 if a recovery plan for the listed species is not completed within four years of the listing date, unless the species is listed as threatened or endangered under federal law or until a recovery plan for the listed species is completed.

(c) Each action permit application shall be submitted at least 90 days before the proposed starting date of the planned action and shall include the following information:

1. Location and description of the proposed action and, if required, detailed plans of the proposed action;

2. An assessment of potential impacts on the listed species or its critical habitat resulting from the proposed action; and

3. Proposed measures incorporated into the action plan to protect listed species or critical habitat of listed species.

(d) Each person sponsoring or responsible for an action for which an action permit is not required by subsection (b) and that will result in the intentional destruction of a member of any listed species shall apply to the secretary for an action permit on forms provided by the department. An
action permit shall not be required for any activity for which a person has obtained a scientific, educational, or exhibition permit, pursuant to K.S.A. 32-952 and amendments thereto and K.A.R. 115-18-3. An action permit application shall be submitted at least 30 days before the proposed starting date of the planned action and shall include the following information:

1. Location and description of the proposed action and, if required, detailed plans of the proposed action;
2. An assessment of potential impacts on the listed species or its critical habitat resulting from the proposed action; and
3. Proposed measures incorporated into the action plan to protect listed species or critical habitat of listed species.

(e) An action permit required under subsection (b) or (d) shall be issued by the secretary pursuant to a timely and complete application, if the proposed action meets the requirements of the following:

1. Sufficient mitigating or compensating measures to ensure protection of either critical habitats or listed species, or both as conditions require, cooperatively developed by the department and the applicant and incorporated into the proposed action; and
2. All federal laws protecting listed species.

(f) A public hearing on the proposed action may be provided by the secretary before issuance of an action permit.

(g) In addition to other penalties prescribed by law, any action permit may be revoked by the secretary for any of the following reasons:

1. Violation of conditions established by the permit;
2. Significant deviation of an action from the proposed action; or
3. Failure to perform or initiate performance of an action within one year after the proposed starting date, unless otherwise specified in the permit or an extension has been authorized in writing by the secretary after a determination of no significant change in the proposed action.

(h) Law enforcement action shall be undertaken only in cases of intentional taking.

(i) Nothing in this regulation shall be deemed to exempt a person from the requirement to acquire knowledge of the presence of a listed species by the exercise of due diligence once a listed species is known to exist within an area or the area is designated as critical habitat. This subsection shall be applied only to offenses or obligations arising under state statutes or regulations. (Authorized by K.S.A. 32-960b, K.S.A. 2016 Supp. 32-961, and K.S.A. 32-963; implementing K.S.A. 32-960b, K.S.A. 2016 Supp. 32-961, K.S.A. 32-962, and K.S.A. 32-963; effective Oct. 30, 1989; amended Dec. 29, 1997; amended Feb. 16, 2018.)

(a) The following definitions shall apply only to this regulation:

1. “Recovery plan” means a designated strategy or methodology that, if funded and implemented, is reasonably expected to lead to the eventual restoration, maintenance, or delisting of a listed species.
3. “Local advisory committee” means a committee as described in K.S.A. 32-960a, and amendments thereto.

(b) A recovery plan shall be developed for each listed species, subject to the priority list for development of recovery plans, and shall be consistent with the amount of funds appropriated for that purpose.

1. All listed species shall be ranked to establish priorities for recovery plan development. Any recovery plan may include more than one listed species.
2. When, using the ranked priority list, a listed species is designated for recovery plan development, notice shall be published to that effect in the Kansas register and shall be mailed to persons who have requested to be notified of the recovery plan process for that listed species or for all species.
3. Reasonable opportunity shall be provided for individuals, organizations, and other interested parties to participate and express their views about the development and implementation of a recovery plan.
4. A local advisory committee shall be established to take part in the development of the recovery plan. The local advisory committee shall identify measures that minimize adverse social and economic impacts during recovery actions.

(c) Each recovery plan shall include the following:

A. The current status of the listed species, including the existing scientific knowledge of habitat requirements, limiting factors, and distribution;
B. Additional data needs;
(C) actions and land uses affecting the listed species;
(D) specific management activities that may be included in an agreement between the secretary and a landowner;
(E) critical habitat designations required for conservation and recovery of the listed species;
(F) objectives, criteria, and budgeted actions required to recover and protect the listed species;

(H) information and education-based opportunities for conservation of listed species on private lands;
(I) delisting date goal; and
(J) estimated implementation cost.

(2) For each species listed before January 1, 1998, the existing critical habitat designation process and permitting authority shall be maintained by the department until a recovery plan is adopted for that species. The recovery plan, once adopted, shall determine the final designations for critical habitat as well as identify specific actions that are subject to permitting and enforcement authority.

(3) For newly listed species, critical habitat shall be temporarily designated by the secretary. Each temporary designation shall expire four years after the species is listed, unless the species is listed under federal law. Final critical habitat criteria and specific actions that are subject to permitting and enforcement authority shall be determined by the adopted recovery plan.

(4) Each critical habitat established through the recovery planning process shall supersede existing criteria and designations.

(5) Each critical habitat established through the recovery planning process or temporarily designated by the secretary shall be determined on the basis of the best scientific data available while taking into consideration the economic impact of the designation.

(6) Any geographic area may be excluded from a critical habitat designation by the secretary if the secretary determines that the benefits of the exclusion outweigh the benefits of the designation, unless the secretary determines that the failure to designate the critical habitat will result in the extirpation of the species, based on the best scientific and commercial data available.

(a) The term “nuisance birds” shall include those species specified in the department’s “Kansas nuisance bird species table,” dated April 11, 2017, which is hereby adopted by reference.

(e) Issuance of a permit may be denied by the secretary if any of the following conditions is met:

(1) The permit application is unclear or incomplete.
(2) The need for nuisance bird control has not been established.
(3) Use of the poison or chemical would pose inordinate risk to the public, non-target wildlife, or the environment.

(f) Each permit shall be valid only for the period specified on the permit, which shall not exceed one year.

(g) A permit may be extended by the secretary upon request and justification by the permittee. However, the combined total of the original and extended time periods shall not exceed one year.

(h) Each permit shall be valid only for the locations specified in the permit.

(i) In addition to other penalties as prescribed by law, a nuisance bird control permit may be revoked by the secretary if either of the following conditions is met:

(1) The permit was secured through false representation.
(2) The permittee fails to meet permit requirements or violates permit conditions.

(j) A nuisance bird control permit shall not be required to control nuisance bird problems as described in subsection (b) if the control method is nonlethal or if the control method involves use of firearms, air rifles, air pistols, archery equipment, or falconry.

(k) Nuisance birds killed and the plumage of nuisance birds killed during nuisance bird control may be possessed, transported, and otherwise disposed of or utilized, except that nuisance birds killed and the plumage of nuisance birds killed during nuisance bird control shall not be sold or offered for sale.

(y) The promoter shall schedule the site, date, and time for the weigh-in and physical examination, which shall be subject to the approval of the commission.

(z) The promoter shall ensure that an extra set of gloves is available for each size of glove used
during the contest, which shall be used if any gloves are broken or in any way damaged during the course of a bout.

(a) A referee shall be present at each contest to make determinations as required by the act and these regulations regarding the conduct of each bout in the contest and the conduct of the contestants and the contestants' seconds while the contestants or seconds are in the ring. (f) The referee for each bout of a contest shall be selected by the boxing commissioner and approved by the commission.

The physician shall examine the referee and the alternate referee, including the heart, lungs, pulse, blood pressure, and eyes. After the examination, the referee and the alternate referee shall be allowed to officiate only if cleared by the physician.

(h) Before starting each bout, the referee shall check with each judge and the timekeeper to determine if each individual is ready. The referee shall also verify that the physician is present at the ringside.

(i) Before starting each bout, the referee shall ascertain from each contestant the name of the contestant's chief second and shall hold the chief second responsible for the conduct of the assistant seconds throughout the contest or exhibition. (B) The referee decides that a contestant is not making the contestant's best effort.

(2) If a contestant receives a cut or other injury, the referee may consult the physician to determine whether the bout will be stopped or whether the bout can continue. If the physician is consulted, the final authority to determine whether to continue the bout shall rest with the physician.

deduct one point from that contestant’s score for that round.

(n) At the conclusion of each round, the referee shall pick up the scorecard from each judge. When picking up the scorecards from the judges, the referee shall ensure that each scorecard shows each contestant’s name and score for that round and the name of the judge. If this information has not been recorded, the judges shall be instructed to complete the scorecards correctly. The referee shall then deliver the official scorecards to the chief inspector.

(o) The referee may request that the attending physician examine a contestant during a bout. The physician may order the referee to stop the bout. The referee shall then render the decision regarding the outcome of the bout.

(p) Before the referee requests the physician to aid or examine a contestant, the referee shall direct the timekeeper to stop the clock until otherwise directed by the referee.

(q) The referee shall ensure that each bout proceeds in a regulated and timely manner. Any other seconds for that contestant may be on the ring platform outside the enclosed area.

(b) Each manager shall be permitted to act as a second without obtaining a second’s license if at least one licensed second is also serving that contestant. While acting as a second, the manager shall comply with all regulations pertaining to the conduct of seconds.

(c) A second shall not enter the ring until the timekeeper indicates the end of the round. Each second shall leave the ring at the sound of the timekeeper’s whistle or buzzer before the beginning of each round. If any second enters the ring before the bell ending the round has sounded, the referee shall take action as provided in subsection (l). While the round is in progress, the chief second may mount the apron of the ring and attract the referee’s attention to indicate that the contestant is forfeiting the bout. The chief second shall not enter the ring unless the referee stops the bout. No second shall interfere with a count that is in progress.

(d) Except at the request of the physician, no second shall be permitted to aid a stricken contestant.

(9) pressure plates or ice packs; and
(10) a clean white towel.

(g) Only the substances specified in this subsection, if authorized and directed by the physician, may be administered to a contestant by a second. The use of any other substance administered by the second shall disqualify the contestant. The following substances may be administered by a second to a contestant:

(1) A topical solution of epinephrine 1:1000;
(2) microfibrillar collagen hemostat;
(3) thrombin.

(h) No ammonia or type of smelling salts may be used during a contest or exhibition.

(i) All spraying or throwing of water on a contestant by a second during a period of rest shall be prohibited.

(j) Before leaving the ring at the start of each round, the seconds shall remove all obstructions from the ring floor and ropes, including the buckets, stools, bottles, towels, and robes.

(k) The physician or an inspector may, at any time, inspect the contents of the chief second’s first-aid kit.

(l) If any second commits a violation of any regulation relating to seconds, the referee shall issue
a warning to that second. If, after that warning, the second continues to violate any applicable regulation, the referee shall apply the penalties specified in K.A.R. 128-6-1(x), 128-6-2(o), or 128-6-4(o). The referee shall also warn the second that any additional violation may result in disqualification of the contestant.

(m) Any second may choose whether or not to wear rubber or plastic gloves during any bout in which the second is serving a contestant. (Authorized by K.S.A. 2012 Supp. 75-50,187; implementing K.S.A. 2012 Supp. 74-50,186 and 74-50,187; effective April 4, 2008; amended Dec. 20, 2013.)

(1) A bell;
(2) a horn;
(3) a clapper;
(4) a whistle; and
(5) two stopwatches.

(b) A timekeeper shall be present at each contest and shall perform the following duties:

(1) The timekeeper shall sound the bell at the beginning and end of each round. The timekeeper shall also signal the approaching end of the round to the referee when 10 seconds remain in the round. When 10 seconds remain in the rest period between rounds, the timekeeper shall sound a whistle, bell, buzzer, or horn to warn the referee, contestants, and seconds of the beginning of the next round.

(2) The timekeeper shall keep accurate time for each bout. The timekeeper shall keep an exact record of each time-out taken at the request of a referee for an examination of a contestant by the physician, the replacement of a glove, or the adjustment of any equipment during a round. The timekeeper shall report the exact time at which a bout is stopped for a time-out.

(c) Each timekeeper shall be impartial. No timekeeper shall signal to any contestant or second at any time during a bout. Any timekeeper who fails to meet the requirements of this subsection may be subject to discipline by the commission.

(d) The timekeeper shall be responsible for each knockdown count. The timekeeper shall begin the mandatory count of eight as soon as a contestant has been knocked down. If the knockdown occurs less than 10 seconds before the end of the round, the timekeeper shall not signal to the referee until the referee indicates that the contestant is ready.

(e) The timekeeper for each bout shall be selected by the boxing commissioner and approved by the commission. (Authorized by K.S.A. 2012 Supp. 74-50,187; implementing K.S.A. 2012 Supp. 74-50,186 and 74-50,187; effective April 4, 2008; amended Dec. 20, 2013.)

This agreement shall be evidenced by a provision in the respective bout agreement and initialed by the contestants. The provision shall also provide notice to the contestants that there will be no restriction as to the amount of weight that the opponent may put on after the initial weigh-in and before the scheduled match.

(o) A one-pound allowance in the weight agreed upon in the bout agreement may be allowed by the commission. The one-pound allowance shall still be within the weight limits specified in subsection (l). No allowance shall be made for a championship bout.

(p) Any contestant who fails to appear at the appointed place and at the specified time to be examined and weighed or who leaves the designated area without permission of the commission before the weigh-in or the physical examination is completed may be subject to discipline by the commission, including suspension of license.

(q) For each failure to make weight as specified in this regulation, the contestant may be subject to penalties and sanctions, a fine, and a suspension or revocation of the contestant’s license.

(r) Except as otherwise provided by this regulation, during the two hours following the time of weighing in, if a contestant is able to make the weight or weighs one pound or less outside the agreed limits, no forfeit may be imposed or fine assessed upon the contestant.

(s) If a contestant is unable due to illness to take part in a contest or exhibition in which the contestant has agreed to fight, the contestant shall immediately report the fact to the commission and, if requested by the commission, shall submit to an examination by a physician. The fee for the physician’s examination shall be paid by the promoter if an examination is requested. Otherwise, the fee shall be paid by the contestant.

(t) The weight of each contestant or the classification in which each contestant will compete, or both, shall be announced at ringside.

(u) Each contestant’s equipment shall meet the following requirements:

1. Bandages on the hand of a contestant shall not exceed one winding of surgeon’s adhesive tape, which shall not be over two inches wide, placed directly on the hand to protect the part of the hand near the wrist. The tape shall cross the back of the hand twice, but shall not extend within ¾ inch of the knuckles when the hand is clenched to make a fist.

2. Each contestant shall use soft surgical bandage not over two inches wide, held in place by not more than 10 feet of surgeon’s adhesive tape for each hand. Up to one 15-yard roll of gauze bandage shall be used to complete the wrappings for each hand. Strips of tape may be used between the fingers to hold down the bandages.

3. Each bandage of the contestant shall be applied in the presence of both an inspector and the other contestant.

4. Each hand wrapping placed on a contestant shall be examined and approved by an inspector. Each approved hand wrap shall be initialed by the inspector who examined it. The opponent may be present.

5. Either contestant may witness the bandaging and hand wrapping of the contestant. A contestant may waive the witnessing the bandaging or hand wrapping of the opponent’s hands.

6. The weight of each glove shall be at least eight ounces and not more than 16 ounces, and each glove shall have the thumb attached.

7. Each contestant shall be gloved only in the presence of an inspector. The tape around the string of each approved glove shall be initialed by the inspector.

8. No contestant or second shall twist or manipulate that contestant’s gloves in any way. If a glove breaks or a string becomes untied during the bout, the referee shall instruct the timekeeper to signal a time-out while the glove is being adjusted.

9. Each contestant’s gloves shall be inspected by the referee of each bout. The referee shall ascertain that no foreign substances detrimental to
an opponent have been applied to the gloves of any contestant. If the referee detects a problem with the gloves or any other equipment, the problem shall be fixed to the satisfaction of the referee and the inspector before the bout continues.

(10) Each contestant shall wear boxing-appropriate attire and protective devices, including a dental appliance or mouthpiece that has been individually fitted and approved by the boxing commissioner. Each male contestant shall wear a protective cup. Each contestant shall wear an abdominal protector, which shall protect the contestant against injury from a foul blow. The abdominal protector shall not cover or extend above the umbilicus. Each female contestant shall wear a protective pelvic girdle and either a plastic breast protector or a sport bra.

(11) The belt of the shorts shall not extend above the waistline. Shorts shall be without pockets or openings and shall be subject to approval by the chief inspectors.

(12) For each bout, male contestants shall not wear the same colors in the ring or, if the contest or exhibition is being held in a fenced area, without the approval of the chief inspector. Female contestants shall have two uniforms in contrasting colors, with each uniform consisting of a body shirt, blouse, and shorts.

(13) Contestants shall not use any cosmetic when competing.

(14) The inspector shall determine whether head or facial hair presents any hazard to the safety of a contestant or contestant's opponent or will interfere with the supervision of the contest or exhibition. A contestant shall not compete in the contest or exhibition unless the circumstances creating the hazard or potential interference are corrected to the satisfaction of the inspector.

(15) A contestant shall not wear any jewelry or any piercing accessories when competing in the contest or exhibition.

(16) The contestants' fingernails and thumbnails shall not extend past the tip of the fingers and thumbs.

(17) Only Vaseline® or a similar petroleum-based product may be lightly applied to the face, arms, or any other exposed part of a contestant's body.

(v) Before starting a bout, the referee shall ascertain from each contestant the name of the contestant's chief second. Before each bout, the referee shall call together both of the contestants and their chief seconds for final instructions.

(w) No person other than the contestants and the referee shall enter the ring during a bout. A second or manager shall not stand or engage in any distracting actions while the bout is in progress. For each contestant's seconds and manager, a combined total of two warnings for violating any requirement of this subsection shall result in the removal of the seconds and manager from the ringside area, all of whom may be subject to discipline by the commission.

(x) Each preliminary contestant shall be ready to enter the ring immediately after the end of the preceding bout. Any contestant who is not ready to immediately proceed when called and, as a result, causes a delay may be subject to discipline by the commission.

(y) Before the referee requests the physician to aid or examine a contestant, the referee shall direct the timekeeper to stop the clock until otherwise directed by the referee.

(z) Any serious cuts or injuries to either contestant shall be treated by the physician. The physician shall determine whether to continue the bout:

(1) The physician may enter the ring if requested by the referee to examine an injury to a contestant.

(2) If serious cuts or injuries to either contestant occur, the referee shall summon the physician, who shall aid the contestant and decide if the bout will be stopped. The final authority to determine whether to continue the bout shall rest with the physician.

(3) If the physician determines that a contestant who is cut or injured by legal blows cannot continue, the referee shall announce that contestant loses by a technical knockout.

(4) The referee may request that the attending physician examine a contestant during the bout. The physician may order the referee to stop the bout. The referee shall then render the appropriate decision regarding the outcome of the bout in accordance with K.A.R. 128-4-7.

(5) Except at the request of the physician, no manager or second shall be permitted to aid a stricken contestant.

(aa) If a contestant loses a dental appliance or mouthpiece during a round, the referee may call a time-out. If the referee calls a time-out for this reason, the referee shall direct the contestant's second to replace the dental appliance or mouthpiece.

(bb) Before a contestant may resume competing after having been knocked down or having
fallen or slipped to the floor of the ring, the referee shall wipe the gloves of the contestant with a damp towel or the referee’s shirt.

(cc) A boxer shall be deemed to be down when either of the following occurs:

(1) Any part of the boxer’s body other than the feet is on the floor.

(2) The boxer is hanging over the ropes without the ability to protect that boxer, and the boxer cannot fall to the floor.

(dd) When a boxer is knocked down, the referee shall order the opponent to retire to the farthest neutral corner of the ring, by pointing to the corner, and shall immediately begin the count over the contestant who is down. The referee shall audibly announce the passing of the seconds and accompany the count with motions of the referee’s arm, with the downward motion indicating the end of each second.

(ee) The timekeeper, by signaling, shall give the referee the correct one-second interval for the referee’s count. The referee’s count shall be the official count. Once the referee picks up the count from the timekeeper, the timekeeper shall cease counting. No boxer who is knocked down may be allowed to resume competing until the referee has finished counting to 10. The boxer may take the count either on the floor or standing.

(ff) If the opponent fails to stay in the farthest corner, the referee shall cease counting until the contestants have returned to their corners and shall then resume the count from the point at which the count was interrupted. If the boxer who is down arises before the count of 10, the referee may step between the contestants long enough to assure the referee that the contestant who has just arisen is in a condition to continue. If so assured, the referee shall, without loss of time, order both contestants to go on with the contest or exhibition. During the intervention by the referee, the striking of a blow by either contestant may be ruled a foul.

(gg) When a boxer is knocked out, the referee shall perform a full 10-second count unless, in the judgment of the referee, the safety of the boxer would be jeopardized by such a count. If the boxer who is knocked down is still down when the referee calls a count of 10, the referee shall wave both arms to indicate that the downed contestant has been knocked out.

(hh) If both contestants go down at the same time, the count shall continue as long as one contestant is still down. If both contestants remain down until the count of 10, the contest or exhibition shall be stopped and the decision shall be a technical draw.

(ii) If a boxer is down and the referee is in the process of counting at the end of a round, the bell indicating the end of a round shall not be sounded, but the bell shall be sounded as soon as the downed contestant stands up.

(jj) When a contestant has been knocked down before the normal termination of a round and the round is terminated before the contestant has arisen from the floor of the ring, the referee’s count shall continue. If the contestant who is down fails to arise before the count of 10, the contestant shall be considered to have lost the contest or exhibition by a knockout in the round that just concluded.

(kk) If a legal blow struck in the final seconds of a round causes a contestant to go down after the bell has sounded, that knockout shall be regarded as having occurred during the round just ended and the appropriate count shall continue.

(ll) If a knockout occurs before the normal termination of a round and the contestant who is down stands up before the count of 10 is reached and then falls down immediately without being struck, the referee shall resume the count from the point at which the count was left off.

(mm) A contest or exhibition may be adjudged a technical knockout to the credit of the winner if the contest or exhibition is terminated because a boxer meets any of the following conditions:

(1) Is unable to continue;
(2) is not honestly competing;
(3) is injured; or
(4) is disqualified.
(nn) Each contest or exhibition that is won by other than a full count of 10 or the scoring of the judges shall be adjudged a technical knockout to the credit of the winner.

(oo) A referee may count a contestant out if the contestant is on the floor or being held up by the ropes.

(pp) Each contestant who has been knocked out shall be kept lying down until the contestant has recovered. If a contestant is knocked out, no one other than the referee and the physician shall touch the contestant. The referee shall remove the injured contestant’s mouthpiece and stay with the contestant until the ringside physician enters the ring, personally attends to the contestant, and issues any necessary instructions to the contestant’s second.
Each of the following tactics or actions shall be an intentional foul:

1. Hitting the opponent below the belt;
2. Hitting an opponent who is down or is getting up after being down;
3. Holding the opponent with one hand and hitting the opponent with the other hand;
4. Holding the opponent or deliberately maintaining a clinch;
5. Wrestling or kicking the opponent;
6. Striking an opponent who is helpless as the result of blows but is supported by the ropes and does not fall;
7. Butting the opponent with the head, shoulder, or knee;
8. Hitting the opponent with the open glove, with the butt of the hand, with the wrist or the elbow, or with backhand blows;
9. Going down without being hit;
10. Strikes the opponent's body over the kidneys;
11. Hitting the opponent on the back of the head or neck;
12. Jabbing the opponent's eyes with the thumb of the glove;
13. Using abusive language in the ring;
14. Hitting during a break, which is signaled by the referee's command or physical act to separate two contestants;
15. Hitting the opponent after the bell has sounded, ending the round;
16. Using the ropes to gain an advantage over the opponent;
17. Pushing the opponent around the ring or into the ropes;
18. Spitting out the mouthpiece;
19. Biting the opponent; and
20. Engaging in any other action not described in this subsection that is deemed an intentional foul by the referee on the basis that the action poses a danger to the safety of either contestant, impedes fair and competitive play, or is unsportsmanlike.

If a boxer fouls the opponent during a contest or exhibition or commits any other infraction, the referee may penalize the boxer by deducting points from the boxer's score, whether or not the foul or infraction was intentional. The referee may determine the number of points to be deducted in each instance and shall base the determination on the severity of the foul or infraction and its effect upon the opponent.

If the referee determines that it is necessary to deduct a point or points because of a foul or infraction, the referee shall warn the offender of the penalty to be assessed.

The referee shall, as soon as is practical after the foul, notify the judges and both boxers of the number of points, if any, to be deducted from the score of the offender.

Each point to be deducted for any foul or infraction shall be deducted in the round in which the foul or infraction occurred. These points shall not be deducted from the score in any subsequent round.

A contestant shall not be declared the winner of a contest or exhibition on the basis of that contestant's claim that the opponent committed a foul by hitting the contestant below the belt. If a contestant falls to the floor of the ring or otherwise indicates that the contestant is unwilling to continue because of an overruled claim of a low blow, the contest or exhibition shall be declared to be a technical knockout in favor of the boxer who is willing to continue.

Any boxer guilty of a foul in a contest or exhibition may be disqualified by the referee, and the boxer's purse may be ordered withheld by the commission. Disposition of the purse and the penalty to be imposed upon the boxer shall be determined by the commission.

If the referee determines that a contest or exhibition shall not continue because of an injury caused by an intentional foul, the boxer who committed the intentional foul shall lose by disqualification.

If an injury caused by an intentional foul results in the contest or exhibition being stopped in a later round, one of the following shall apply:

1. The injured contestant shall win by technical decision if that individual is ahead on the scorecards.
2. The contest or exhibition shall be declared a technical draw if the injured boxer is behind or even on the scorecards.

If a boxer is injured while attempting to foul the boxer's opponent, the referee shall not take any action in the boxer's favor and the injury shall be treated the same as an injury produced by a fair blow.

If a contest or exhibition is stopped because of an accidental foul, the referee shall determine whether the boxer who has been fouled can con-
If the boxer's chance of winning has not been seriously jeopardized as a result of a foul and if the foul did not involve a concussive impact to the head of the contestant who was fouled, the referee may order the contest or exhibition to be continued after a reasonable interval. Before the contest or exhibition resumes, the referee shall inform the commission of the referee's determination that the foul was accidental.

(zz) If the referee determines that a contest or exhibition shall not continue because of an injury suffered as a result of an accidental foul, the contest or exhibition shall be declared a no-contest decision if the foul occurs during either of the following:

(1) The first three rounds of a contest or exhibition that is scheduled for six rounds or less; or

(2) the first four rounds of a contest or exhibition that is scheduled for more than six rounds.

(aaa) The outcome of a contest or exhibition shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition if an accidental foul renders a boxer unable to continue the contest or exhibition after either of the following:

(1) The completed third round of a contest or exhibition that is scheduled for six rounds or less; or

(2) the completed fourth round of a contest or exhibition that is scheduled for more than six rounds.

(bbb) If an injury inflicted by an accidental foul later becomes aggravated by fair blows and the referee orders the contest or exhibition stopped because of the injury, the outcome shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition.

(ccc) A contestant shall not leave the ring or, if the contest or exhibition is being held in a fenced area, the fenced area, during any period of rest that follows each round. If any contestant fails or refuses to resume competing when the bell sounds signaling the commencement of the next round, the referee shall award a decision of technical knockout to the contestant's opponent at the round that has last been finished, unless the circumstances indicate to the commission the need for investigation or punitive action, in which case the referee shall not give a decision and shall recommend that the purse or purses of either or both contestants be withheld.

(ddd) If a contestant has been knocked or has fallen through the ropes and over the edge of the ring platform during a contest or exhibition, both of the following shall apply:

(1) The contestant may be helped back by anyone except the contestant's seconds or manager. The referee shall stop the clock, assess the contestant's condition, and resume time once the contestant is able to safely reenter the ring.

(2) The contestant shall be given 20 seconds to return to the ring.

(eee) For a contestant who has been knocked or has fallen on the ring platform outside the ropes but not over the edge of the ring platform, both of the following shall apply:

(1) The contestant shall not be helped back by anyone, including the contestant's second and manager. The referee may stop the clock and assess the situation until the contestant is able to return to the ring.

(2) The contestant shall be given 10 seconds to regain the contestant's feet and get back into the ring.

(fff) If the second or manager of a contestant who has been knocked down or has fallen helps the contestant back into the ring, this help may be cause for disqualification.

(ggg) If one contestant has fallen through the ropes, the other contestant shall retire to the farthest corner and stay there until ordered by the referee to continue the contest or exhibition.

(hhh) Any contestant who deliberately wrestles or throws an opponent from the ring or who hits an opponent when the opponent is partly out of the ring and is prevented by the ropes from assuming a position of defense may be penalized.

(iii) At the termination of each contest or exhibition, the announcer shall announce the winner and the referee shall raise the hand of the winner.

(jjj) A decision rendered at the end of any contest or exhibition shall not be changed by the commission, unless one of the following occurs:

(1) The commission determines that there was collusion affecting the result of the contest or exhibition.

(2) The compilation of the scorecards of the judges discloses an error showing that the decision was given to the wrong contestant.

(3) The referee has rendered an incorrect decision as the result of an error in interpreting a provision of these regulations.

(kkk) Each judge of a boxing contest shall score the contest and determine the winner through the use of the ten-point must system as follows:

(1) The better boxer of each round shall receive 10 points and the opponent proportionately less.
(2) If the round is even, each boxer shall receive 10 points.
(3) No fraction of a point may be given.
(4) Points for each round shall be awarded immediately after the end of the round.
(III)(1) After the end of the boxing contest or exhibition, the announcer shall pick up the scores of the judges from the commission’s desk. The majority opinion shall be conclusive and, if there is no majority opinion, the decision shall be a draw.
(2) When the inspector has checked the scores, the inspector shall inform the announcer of the decision, and the announcer shall inform the audience of the decision over the speaker system.
(3) Incomplete rounds shall be scored by the judges. If the referee penalizes either contestant in an incomplete round, the appropriate points shall be deducted. (Authorized by K.S.A. 2012 Supp. 74-50,187; implementing K.S.A. 2012 Supp. 74-50,186 and 74-50,187; effective April 4, 2008; amended Dec. 20, 2013.)

128-6-4. Professional mixed martial arts contests. Except as otherwise specified in this regulation, each professional mixed martial arts contest shall be conducted in accordance with this regulation. If a contestant is a professional in boxing, kickboxing, or karate, the contestant shall compete only as a professional in any mixed martial arts contest.
(a) Each contest shall be limited to those forms of martial arts that consist of unarmed combat.
(b) Except with the prior approval of the commission, a nonchampionship bout shall not exceed three rounds in duration. Each championship bout shall be five rounds in duration. Each contest shall consist of at least four bouts.
(c) Each round during a bout of professional mixed martial arts shall be five minutes in duration. Each period of rest following a round of combat shall be one minute in duration.
(d) Each contestant shall be weighed by the commissioner or designee within 48 hours before the contest. If a contestant’s weight does not fall within the range for the weight classification in which the contestant is scheduled to compete in that contest, the contestant shall be reweighed within two hours. If the contestant’s weight does not then fall within the range for that weight classification, the contestant shall be disqualified by the boxing commission.
(e) A mixed martial arts contestant shall not participate in a boxing, kickboxing, full-contact karate, or professional mixed martial arts bout in Kansas for at least seven days following a previous bout in Kansas or in any other jurisdiction.
(f) Each contestant shall fight only opponents who are in the contestant’s weight classification. A bout between two contestants in different weight classifications may be approved by the commission if the difference between the weights of the two contestants does not exceed nine pounds, except for heavyweights and super heavyweights.
(g) The schedule of weight classifications shall be as follows:

(h) If a substitute contestant is scheduled for a bout, the substitute contestant shall be subject to the same physical examination requirements as those for the original contestant, and the substitute contestant shall be approved by both the physician and the commission.
(i) Any contestant who fails to appear at the appointed place and at the specified time to be examined and weighed or who leaves the designated area without the permission of the commission before the weigh-in or the physical examination is complete may be subject to discipline by the commission.
(j) If a bout is deemed by the commission to be a mismatch that could expose one or both contestants to serious injury based on the record, experience, skill, or condition of each of the contestants,
(k) The weight of each contestant or the classification in which the contestant will compete, or both, shall be announced at ringside.

(l) Each contestant’s equipment shall meet the following requirements:

(1) Each contestant shall wear mixed martial arts-appropriate attire and protective devices, including a dental appliance or a mouthpiece approved by the commissioner. Each male contestant shall wear a protective cup. Each female contestant may also wear a plastic breast protector. Contestants shall not wear shoes or any padding on their feet during the contest.

(2) Only Vaseline® or a similar petroleum-based product may be lightly applied to the face, arms, or any other exposed part of a contestant’s body.

(m) Only officials and members of the media may enter into the contestants’ dressing rooms or area.

(n) Each contestant shall be ready to enter the ring immediately after the end of the preceding bout. Any contestant who is not ready to immediately proceed when called and, as a result, causes a delay may be subject to discipline by the commission.

(o) No person other than the contestants and the referee shall enter the ring during a bout. A second or manager shall not stand or engage in distracting actions while the bout is in progress. For each contestant’s seconds and manager, a combined total of two warnings for violating any requirement of this subsection shall result in the removal of the seconds and manager from the ringside area, all of whom shall be subject to discipline by the commission.

(p) Before starting a bout, the referee shall call together both of the contestants and the chief seconds for final instructions.

(q) Each of the following acts shall constitute an intentional foul in a contest:

(1) Using a head butt;
(2) gouging the opponent’s eye in any manner;
(3) biting the opponent;
(4) pulling the opponent’s hair;
(5) attacking the opponent’s groin in any manner;
(6) putting a finger into any orifice of the opponent or into any cut or laceration on an opponent, including fishhooking;
(7) manipulating any of the opponent’s joints in the fingers or toes;
(8) striking the opponent’s spine or the back of the opponent’s head;
(9) striking downward using the point of the elbow;
(10) striking the opponent’s throat, including grabbing the trachea;
(11) clawing, pinching, or twisting the opponent’s flesh;
(12) in the standing position, moving the arm toward the opponent with an open hand and fingertips pointed at the opponent’s face or eyes;
(13) kicking or kneeing the head of a grounded opponent. An opponent shall be deemed grounded if any part of the body, other than a single hand and soles of the feet, is touching the fighting area floor;
(14) stomping an opponent to the canvas on the opponent’s head or neck;
(15) thrusting an opponent out of the ring or fenced area;
(16) holding the shorts or gloves of an opponent;
(17) spitting at an opponent;
(18) engaging in any unsportsmanlike conduct that causes an injury to an opponent;
(19) using the ropes or fence to gain an advantage over the opponent;
(20) using abusive language in the ring or fenced area;
(21) attacking an opponent on or during a break, which is signaled by the referee’s command or physical act to separate two contestants;
(22) attacking an opponent who is under the care of the referee;
(23) attacking an opponent after the bell has sounded the end of the round;
(24) attacking an opponent whose head or neck;
(25) disregarding the instructions of the referee;
(26) competing in a noncombative manner, including avoiding contact with an opponent, consistently dropping the mouthpiece, or faking an injury;
(27) abandoning the contest during competition; and
(28) engaging in any other action not described in this subsection that is deemed an intentional foul by the referee on the basis that the action poses a danger to the safety of either contestant, impedes fair and competitive play, or is unsportsmanlike.

(r)(1) If a contestant or the contestant’s second commits any intentional foul, the contestant may have points deducted or be disqualified.
(2) The referee may penalize the contestant by directing the judges to deduct points from the contestant's score for that round, whether or not the foul was an intentional foul. Except as otherwise provided by this regulation, the referee may determine the number of points to be deducted for each intentional foul and shall base that determination on the severity of the foul and its effect upon the opponent.

(3) If the referee determines that it is necessary to deduct one or more points because of an intentional foul or an accidental foul, the referee shall inform the offender of the penalty to be assessed and, as soon as it is practical after the foul, notify the judges and both contestants of the number of points to be deducted from the offender's score.

(4) All points deducted from a contestant's score for any intentional foul or any accidental foul shall be deducted in the round in which the foul occurred. These points shall not be deducted from the score of any subsequent round.

(s) If a contestant loses a mouthpiece during a bout, the referee may call a time-out. If the referee calls a time-out for this reason, the referee shall direct the contestant's second to replace the mouthpiece.

(t) If a contestant claims to be injured during the bout, the referee may request that the physician examine the contestant. If the physician decides that the contestant has been injured and should not continue, the physician shall so advise the referee.

(u)(1) If a round is interrupted because of an accidental foul, the physician shall determine whether the contestant who has been fouled can continue. If the physician determines that the injured contestant's chance of winning has not been seriously jeopardized as a result of the accidental foul and that the foul did not involve a concussive impact to the head of the injured contestant, the referee may order the contestants to continue the round after a recuperative interval of not more than five minutes. Immediately after separating the contestants, the referee shall inform the inspector or other representative of the commission of the referee's determination that the foul was an accidental foul.

(2) If the physician determines that a contest cannot continue due to an injury caused by an accidental foul during the first two rounds of a contest that is scheduled for three rounds or less or during the first three rounds of a contest that is scheduled for more than three rounds, the referee shall declare a no-contest decision.

(3) If the physician determines that an accidental foul has rendered a contestant unable to continue the contest after completion of the second round of a contest that is scheduled for three rounds or less or after completion of the third round of a contest that is scheduled for more than three rounds, the outcome shall be determined by scoring both the completed rounds and the round during which the referee stops the contest. The contest shall be awarded to the contestant who has the higher score when the contest is stopped.

(4) If an injury inflicted by an accidental foul later becomes aggravated by any legal blow and the physician orders the contest stopped because of that injury, the outcome shall be determined by scoring both the completed rounds and the round during which the referee stops the contest. The contest shall be awarded to the contestant who has the higher score when the contest is stopped.

(v) Each contestant who fails to engage an opponent shall receive an immediate warning from the referee. If the contestant continues to fail to engage the opponent after a warning, the referee shall direct each of the judges to deduct a point from the contestant's score for that round.

(w) If a contestant fails to resume fighting when the bell sounds starting the next round, the referee shall award a technical knockout to the contestant's opponent.

(C) a no-contest decision; or

(D) a submission, either verbally or by tapout.

within 48 hours before the contest. During the weigh-in, each male contestant shall have only his body on the scale, without any attire or equipment, but any female contestant may wear shorts and a top. If a contestant’s weight does not fall within the range for the weight classification of the contested weight in which the contestant is scheduled to compete, the contestant shall be reweighed within two hours. If the contestant’s weight still does not fall within the range for that weight category, the contestant may be disqualified by the commissioner for the safety of both contestants.

(h) Any contestant may be required by the commission to be reweighed one additional time if doubt concerning the contestant’s actual weight exists.

(i) For each contestant whose weight exceeds the maximum amount, one or more of the following may be required as determined by the commission:

1. The contestant shall be allowed to lose up to two pounds of the contestant’s existing weight.
2. The contestant shall forfeit a portion of the purse.
3. The contestant shall forfeit the contest.

(j) Each subsequent weigh-in shall be conducted at the venue of the event before the commencement of the event, as directed by the commission. Any contestant or the contestant’s designee may be present to witness the weigh-in of the opponent.

(k) Each contestant shall fight only opponents who are in the contestant’s weight classification. A bout between two contestants in different weight classifications may be approved by the commission if the difference between the weights of the two contestants does not exceed nine pounds, except for heavyweights and super heavyweights.

(l) After the time of the weigh-in, weight loss in excess of two pounds of the weight that the contestant had at the weigh-in shall not be permitted and shall not occur later than one hour after the contestant’s initial weigh-in.

(m) Contestants scheduled to compete against one another may mutually agree to waive the requirements of subsection (i). This agreement shall be evidenced by a provision in the respective bout agreement and initialed by the contestants. The provision shall also provide notice to the contestants that there will be no restriction as to the amount of weight that the opponent may put on after the initial weigh-in and before the scheduled match.

(n) A one-pound allowance in the weight agreed upon in the bout agreement may be allowed by the commission. The one-pound allowance shall still be within the weight limits specified in subsection (f). No allowance shall be made for a championship bout.

(o) A contestant who is required to appear at the specified time and place to be examined and weighed shall not leave the designated area without permission of the commission before the weigh-in or the physical examination.

(p) For each failure to make weight as specified in this regulation, the contestant may be subject to discipline or imposition of a civil penalty.

(q) If a contestant is unable due to illness to take part in a contest or exhibition in which the contestant has agreed to fight, the contestant shall immediately report the fact to the commission and, if requested by the commission, shall submit to an examination by a physician. The fee for the physician’s examination shall be paid by the promoter if an examination is requested. Otherwise, the fee shall be paid by the contestant.

(r) The weight of each contestant or the classification in which each contestant will compete, or both, shall be announced at ringside.

(s) Each contestant’s equipment shall meet the following requirements:

1. The contestant’s hands may be wrapped with gauze and tape that end no closer than 1 ¼ inch from the contestant’s knuckles. The wrap shall include the wrist and may extend up to three inches past the junction of the wrist bone.

   A. Gauze may be applied to the wrist, palm of the hand, back of the hand, and thumb. The length of gauze used shall not exceed 15 feet per hand.

   B. Tape may be applied to the wrist, palm of the hand, back of the hand, and thumb. The tape shall not be greater than one inch in width and shall not exceed 10 feet in length per hand.

2. Each bandage of the contestant shall be applied in the presence of both an inspector and the other contestant.

3. Each hand wrapping placed on a contestant shall be examined and approved by an inspector. Each approved hand wrap shall be initialed by the inspector who examined it. The opponent may be present.

4. Either contestant may witness the bandaging and hand wrapping of the other contestant. A contestant may waive witnessing the bandaging or hand wrapping of the opponent’s hands.
(5) Each contestant shall wear BKF-appropriate attire and protective devices, including a dental appliance or mouthpiece that has been individually fitted to the contestant and approved by the commissioner. Each male contestant shall wear a protective cup. Each contestant shall wear an abdominal protector that protects the contestant against injury from a foul blow. The abdominal protector shall not cover or extend above the umbilicus. Each female contestant shall wear a protective pelvic girdle and either a plastic breast protector or a sport bra.

(6) The belt of the shorts shall not extend above the waistline. Shorts shall be without pockets or openings and shall be subject to approval by the chief inspectors.

(7) Contestants shall not use any cosmetics when competing in the contest or exhibition.

(8) The inspector shall determine whether head or facial hair presents any hazard to the safety of a contestant or contestant's opponent or will interfere with the supervision of the contest or exhibition. A contestant shall not compete in the contest or exhibition unless the circumstances creating the hazard or potential interference are corrected to the satisfaction of the inspector.

(9) A contestant shall not wear any jewelry or any piercing accessories when competing in the contest or exhibition.

(10) The contestants’ fingernails and thumbnails shall not extend past the tip of the fingers and thumbs.

(11) Only Vaseline® or a similar petroleum-based product may be lightly applied to the face, arms, or any other exposed part of a contestant's body.

(t) Before starting a bout, the referee shall ascertain from each contestant the name of the contestant's chief second. Before each bout, the referee shall call together both contestants and their chief seconds for final instructions.

(u) No person other than the contestants and the referee shall enter the ring during a bout. A second or manager shall not stand or engage in any distracting actions while the bout is in progress. For each contestant's seconds and manager, a combined total of two warnings for violating any requirement of this subsection shall result in the removal of the seconds and manager from the ringside area, and any licensee may be subject to disciplinary action or civil penalty.

(v) Each preliminary contestant shall be ready to enter the ring immediately after the end of the preceding bout. Any contestant who is not ready to immediately proceed when called and, as a result, causes a delay may be subject to disciplinary action or civil penalty.

(w) Before the referee requests the physician to aid or examine a contestant, the referee shall direct the timekeeper to stop the clock until otherwise directed by the referee.

(x) All serious cuts or injuries to either contestant shall be treated by the physician. The physician shall determine whether to continue the bout as follows:

1. The physician may enter the ring if requested by the referee to examine an injury to a contestant.

2. If serious cuts or injuries to either contestant occur, the referee shall summon the physician, who shall aid the contestant and decide if the bout will be stopped. The final authority to determine whether to continue the bout shall rest with the physician.

3. If the physician determines that a contestant who is cut or injured by legal blows cannot continue, the referee shall announce that the cut or injured contestant loses by a technical knockout.

4. The referee may request that the attending physician examine a contestant during the bout. The physician may order the referee to stop the bout. The referee shall then render the appropriate decision regarding the outcome of the bout in accordance with K.A.R. 128-4-7.

5. Except at the request of the physician, no manager or second shall be permitted to aid a stricken contestant.

(y) If a contestant loses a dental appliance or mouthpiece during a round, the referee may call a time-out. If the referee calls a time-out for this reason, the referee shall direct the contestant's second to replace the dental appliance or mouthpiece.

(z) Before a contestant may resume competing after having been knocked down or having fallen or slipped to the floor of the ring, the referee shall wipe the hands of the contestant with a damp towel or the referee's shirt.

(aa) A contestant shall be deemed to be down when either of the following occurs:

1. Any part of the contestant's body other than the feet is on the floor.

2. The contestant is hanging over the ropes without the ability to protect that contestant, and the contestant cannot fall to the floor.

(bb) When a contestant is knocked down, the referee shall order the opponent to retire to the
farthest neutral corner of the ring by pointing to
the corner and shall immediately begin the count
over the downed contestant. The referee shall
audibly announce the passing of the seconds and
accompany the count with motions of the refer-
eee's arm, with the downward motion indicating
the end of each second.

(cc) The timekeeper, by signaling, shall give the
referee the correct one-second interval for the refer-
ee's count. The referee's count shall be the of-
cial count. Once the referee picks up the count
from the timekeeper, the timekeeper shall cease
counting. No contestant who is knocked down may
be allowed to resume competing until the referee
has finished counting to 10. The contestant may
take the count either on the floor or standing.

(dd) If the opponent fails to stay in the farthest
corner, the referee shall cease counting until the
contestants have returned to their corners. The
referee shall then resume the count from the point
at which the count was interrupted. If the con-
testant who is down arises before the count of
10, the referee may step between the contestants
long enough to assure the referee that the con-
testant who has just arisen is in a condition to con-
tinue. If so assured, the referee shall, without loss of
time, order both contestants to continue the con-
test or exhibition. During the intervention by the
referee, the striking of a blow by either contestant
may be ruled a foul.

(ee) When a contestant is knocked out, the re-
eree shall perform a full 10-second count unless,
in the judgment of the referee, the safety of the
contestant would be jeopardized by such a count.
If the contestant who is knocked down is still down
when the referee calls a count of 10, the referee
shall wave both arms to indicate that the downed
contestant has been knocked out.

(ff) If both contestants go down at the same
time, the count shall continue as long as one con-
testant is still down. If both contestants remain
down until the count of 10, the contest or exhibi-
tion shall be stopped and the decision shall be a
technical draw.

(gg) If a contestant is down and the referee is
in the process of counting at the end of a round,
the bell indicating the end of a round shall not be
sounded, but the bell shall be sounded as soon as
the downed contestant stands up.

(hh) When a contestant has been knocked
down before the normal termination of a round
and the round is terminated before the contestant
has arisen from the floor of the ring, the refer-
(7) butting an opponent with the head, shoulder, knee, or elbow;
(8) hitting an opponent with the back of the hand, with the butt of the hand, with the wrist or the elbow, or with pivot blows or spinning back fists;
(9) going down without being hit;
(10) striking an opponent's body over the kidneys;
(11) hitting an opponent on the back of the head or neck;
(12) gouging an opponent's eye;
(13) using abusive language in the ring;
(14) hitting during a break, which is signaled by the referee's command or physical act to separate two contestants;
(15) hitting an opponent after the bell has sounded, ending the round;
(16) using the ropes to gain an advantage over an opponent;
(17) pushing an opponent around the ring or into the ropes;
(18) showing timidity, including intentionally spitting out the mouthpiece;
(19) biting an opponent;
(20) putting a finger into any orifice of an opponent or into any cut or laceration on an opponent;
(21) pulling an opponent's hair;
(22) manipulating an opponent's fingers; and
(23) engaging in any other action not described in this subsection that is deemed an intentional foul by the referee on the basis that the action poses a danger to the safety of either contestant, impedes fair and competitive play, or is unsportsmanlike.

(1) If a contestant fouls the opponent during a contest or exhibition or commits any other infraction, the referee may penalize the contestant by deducting points from contestant's score, whether or not the foul or infraction was intentional. The referee may determine the number of points to be deducted in each instance and shall base the determination on the severity of the foul or infraction and its effect upon the opponent.

(2) If the referee determines that it is necessary to deduct one or more points because of a foul or infraction, the referee shall warn the offender of the penalty to be assessed.

(3) The referee shall, as soon as is practical after the foul, notify the judges and both contestants of the number of points, if any, to be deducted from the score of the offender.

(4) Each point to be deducted for any foul or infraction shall be deducted in the round in which the foul or infraction occurred. These points shall not be deducted from the score in any subsequent round.

(4) A contestant shall not be declared the winner of a contest or exhibition on the basis of that contestant's claim that the opponent committed a foul by hitting the contestant below the belt. If a contestant falls to the floor of the ring or otherwise indicates that the contestant is unwilling to continue because of an overruled claim of a low blow, the contest or exhibition shall be declared to be a technical knockout in favor of the contestant who is willing to continue.

(5) Any contestant guilty of a foul in a contest or exhibition may be disqualified by the referee, and the contestant's purse may be withheld by the commission. Disposition of the purse and the penalty to be imposed upon the contestant shall be determined by the commission.

(6) If the referee determines that a contest or exhibition shall not continue because of an injury caused by an intentional foul, the contestant who committed the intentional foul shall lose by disqualification.

(7) If the referee determines that a contest or exhibition may continue despite an injury caused by an intentional foul, the contestant who committed the intentional foul shall lose by disqualification.

(8) If an injury caused by an intentional foul results in the contest or exhibition being stopped in a later round, one of the following shall apply:

(1) The injured contestant shall win by technical decision if that individual is ahead on the scorecards.

(2) The contest or exhibition shall be declared a technical draw if the injured contestant is behind or even on the scorecards.

(9) If a contestant is injured while attempting to foul the contestant's opponent, the referee shall not take any action in the contestant's favor and the injury shall be treated the same as an injury produced by a fair blow.

(10) If a contest or exhibition is stopped because of an accidental foul, the referee shall determine whether the contestant who has been fouled can continue. If the contestant's chance of winning has not been seriously jeopardized as a result of a foul and if the foul did not involve a concussive impact to the head of the contestant who was fouled, the referee may order the contest or exhibition to be continued after a rea-
sonable interval. Before the contest or exhibition resumes, the referee shall inform the commission of the referee's determination that the foul was accidental.

(xx) If the referee determines that a contest or exhibition shall not continue because of an injury suffered as a result of an accidental foul, the contest or exhibition shall be declared a no-contest decision if the foul occurs during either of the following:

1. The first three rounds of a contest or exhibition that is scheduled for six rounds or less; or
2. The first four rounds of a contest or exhibition that is scheduled for more than six rounds.

(yy) The outcome of a contest or exhibition shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition if an accidental foul renders a contestant unable to continue the contest or exhibition after either of the following:

1. The completed third round of a contest or exhibition that is scheduled for six rounds or less; or
2. The completed fourth round of a contest or exhibition that is scheduled for more than six rounds.

(zz) If an injury inflicted by an accidental foul later becomes aggravated by fair blows and the referee orders the contest or exhibition stopped because of the injury, the outcome shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition.

(aaa) A contestant shall not leave the ring or, if the contest or exhibition is being held in a fenced area, the fenced area, during any period of rest that follows each round. If any contestant fails or refuses to resume competing when the bell sounds signaling the commencement of the next round, the referee shall award a decision of technical knockout to the contestant's opponent at the round that has last been finished. However, a determination of whether the circumstances warrant reversal of the referee's decision, disciplinary action, or civil penalty may be made later by the commission.

(bbb) If a contestant has been knocked or has fallen through the ropes and over the edge of the ring platform during a contest or exhibition, both of the following shall apply:

1. The contestant may be helped back by anyone except the contestant's seconds or manager. The referee shall stop the clock, assess the contestant's condition, and resume time once the contestant is able to safely reenter the ring.
2. The contestant shall be given 20 seconds to return to the ring.

(ccc) For a contestant who has been knocked or has fallen on the ring platform outside the ropes but not over the edge of the ring platform, both of the following shall apply:

1. The contestant shall not be helped back by anyone, including the contestant's second and manager. The referee may stop the clock and assess the situation until the contestant is able to return to the ring.
2. The contestant shall be given 10 seconds to regain the contestant's feet and get back into the ring.

(ddd) If the second or manager of a contestant who has been knocked down or has fallen helps the contestant back into the ring, this help may be cause for disqualification.

(eee) If one contestant has fallen through the ropes, the other contestant shall retire to the farthest corner and stay there until ordered by the referee to continue the contest or exhibition.

(fff) Any contestant who deliberately wrestles or throws an opponent from the ring or who hits an opponent when the opponent is partly out of the ring and is prevented by the ropes from assuming a position of defense may be penalized.

(ggg) At the termination of each contest or exhibition, the announcer shall announce the winner and the referee shall raise the hand of the winner.

(hhh) A decision rendered at the end of any contest or exhibition shall not be changed by the commission, unless one of the following occurs:

1. The commission determines that there was collusion affecting the result of the contest or exhibition.
2. The compilation of the scorecards of the judges discloses an error showing that the decision was given to the wrong contestant.
3. The referee has rendered an incorrect decision as the result of an error in interpreting a provision of this regulation.

(iii) Each judge of a BKF contest shall score the contest and determine the winner through the use of the ten-point must system as follows:

1. The better contestant of each round shall receive 10 points and the opponent proportionately less.
2. If the round is even, each contestant shall receive 10 points.
3. No fraction of a point may be given.
(4) Points for each round shall be awarded immediately after the end of the round.

(jjj)(1) After the end of the BKF contest or exhibition, the announcer shall pick up the scores of the judges from the commission’s desk. The majority opinion shall be conclusive. If there is no majority opinion, the decision shall be a draw.

(2) When the inspector has checked the scores, the inspector shall inform the announcer of the decision, and the announcer shall inform the audience of the decision over the speaker system.

(3) Incomplete rounds shall be scored by the judges. If the referee penalizes either contestant in an incomplete round, the appropriate points shall be deducted. (c) Failure to obtain prior authorization, if required, shall negate reimbursement for the service and any other service resulting from the unauthorized or noncertified treatment. The prior authorization shall affect reimbursement to all providers associated with the service.

(1) Emergencies. If certain surgeries and procedures that require prior authorization are performed in an emergency situation, the request for authorization shall be made within two working days after the service is provided.
(2) Situations in which services requiring prior authorization are provided and retroactive eligibility is later established. When an emergency
occurs or when retroactive eligibility is established, prior authorization for that service shall be waived, and if medical necessity is documented, payment shall be made.

129-5-10. Definitions. Each of the following terms, when used in K.A.R. 129-5-10 through 129-5-21, shall have the meaning specified in this regulation:

(b) “Allowed amount” means any claim or portion of a claim that the provider and the managed care organization agree in good faith is correct and should be paid under the participating provider agreement with the managed care organization and under kancare program policies.

(c) “Claim” means any of the following:

(1) A bill for services;

(2) a line item of service; or

(3) all services for one beneficiary within a bill.

(d) “Clean claim” means any claim that can be processed without obtaining additional information from the provider of the service or from a third party. This term shall include any claim with errors originating in the state’s claims system. This term shall not include any claim from a provider who is under investigation for fraud or abuse and any claim under review for medical necessity.

(e) “Day” means calendar day. If the 30th calendar day or the 90th calendar day falls on a weekend or a holiday, then the 30th calendar or 90th calendar day shall be deemed to occur on the following business day.

(f) “Managed care organization” means an entity that has contracted with the Kansas medical assistance program for the provision of managed care services to medicaid beneficiaries in Kansas.

(g) “Provider” means a health care provider that has entered into a participating provider agreement with a managed care organization.

(h) “Unpaid claim” means any claim that has not been paid by a managed care organization and meets one of the following conditions:

(1) Is not subject to a bona fide dispute as specified in K.A.R. 129-5-15; or

(2) has not yet been processed and denied by a managed care organization. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-11. Applicability. The act shall apply only to each claim with a date of service on or after the effective date of the act, which was July 1, 2014. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-13. Date claim is deemed to be received. If a provider submits a claim to a managed care organization by mail, the managed care organization shall be deemed to have received the claim no more than three business days after the claim was mailed, unless proven otherwise. If the provider submits the claim electronically, the managed care organization shall be deemed to have received the claim no more than 24 hours after the claim was submitted, unless proven otherwise. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-14. Notice of denial or need for additional information; processing additional information; suspension of time periods. (a) If a claim is not a clean claim and cannot be either paid or processed and denied within 30 days after the managed care organization’s receipt of the claim, the managed care organization shall send a written or electronic notice acknowledging receipt and indicating the status of the claim. The notice shall include the date on which the claim was received by the managed care organization and shall state one of the following:
(1) The managed care organization refuses to pay all or part of the claim, with specification of each reason for denial.

(2) Additional information is necessary to determine whether all or any part of the claim shall be paid, with specification of what information is necessary. This notice shall constitute the managed care organization's request for additional information from the provider.

Each notice shall also identify the code for each reason for denial or for requesting additional information, if any, and shall include any other information necessary to inform the provider of the specific issues related to each claim.

(b)(1) The 90-day period for payment or for processing and denial of claims other than clean claims shall not include the days between the managed care organization's first request for additional information and the managed care organization's receipt of the provider's initial response to the request. The time period for payment of claims shall not be suspended following the submission by the managed care organization of a second or subsequent request for additional information to a provider on any single claim.

(2) After receipt of all requested additional information, the managed care organization shall perform one of the following:

(A) Pay the claim in accordance with the 90-day time period specified in the act; or

(B) Issue a notice to the provider stating that the managed care organization refuses to pay all or part of the claim and specifying each reason for denial.

(2) Failure to comply with this regulation shall subject the managed care organization to a direct cause of action by the provider for interest on the unpaid portion of the claim as specified in the act. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-16. Partially paid claims. If a managed care organization pays a portion of a claim within the time limits specified in the act, then only the unpaid portion of that claim shall be subject to the interest provisions of the act. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-17. Resubmitted claims. For each corrected claim resubmitted by a provider due to a provider error on the initial submission of the claim, the applicable 30-day or 90-day time limit for processing and full payment of the allowed amount or for processing and denial shall begin on receipt of the corrected claim by the managed care organization. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-18. Date claim is deemed to be paid. Each claim shall be deemed paid on one of the following dates:

(a) The date on which the managed care organization issued a check for payment and any corresponding explanation of benefits to the provider; or

(b) The date on which the managed care organization electronically transmitted a notice of payment to the provider. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-19. Interest on unpaid claims. (a) The principal amount due on which the interest payment shall be calculated shall be the allowed amount due but unpaid at the contracted rate for the service. All interest due under the act shall be applied only to the principal amount due as specified in this subsection and not to any unpaid interest. Interest calculated under the act shall not be compounded.

(b) Each managed care organization shall keep accurate and sufficient records for each interest payment and its corresponding claim documentation and shall provide a detailed report to the state upon request. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

129-5-20. Retroactive rate, program, and policy changes and clarifications. A claim shall not be deemed to be an unpaid claim if a retroactive rate, program, or policy change creates an unpaid balance on a claim that the managed care organization has previously paid. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)
129-5-21. Retroactive eligibility. If a provider submits a request for payment to a managed care organization before the patient is determined by the state to be eligible for medicaid, then the request shall not be deemed a claim under the act until the date on which the managed care organization is notified by the state that the patient was medicaid-eligible on the date of service. (Authorized by and implementing K.S.A. 2014 Supp. 39-709f and 75-7403; effective Aug. 28, 2015.)

(3) The services are provided to a patient of a federally qualified health center.

(4) The health professional providing the services is an employee of a federally qualified health center or under contract with a federally qualified health center and is required to seek compensation for that person's services from the federally qualified health center. (Authorized by K.S.A. 2008 Supp. 75-7403 and 75-7412; implementing K.S.A. 2008 Supp. 75-7405 and 75-7408; effective June 2, 2006; amended March 19, 2010.)

129-5-118a. Reimbursement for federally qualified health center services. Reimbursement shall not exceed the reasonable cost of federally qualified health center services and other ambulatory services covered under the Kansas medical assistance program. “Reasonable cost” shall consist of the necessary and proper cost incurred by the provider in furnishing covered services to program beneficiaries, subject to the cost principles and limits specified in K.A.R. 129-5-118a (c)(1) and K.A.R. 129-5-118b. (a) Reimbursement method. An interim per visit rate shall be paid to each federally qualified health center provider, with a retroactive cost settlement for each facility fiscal year.

(1) Interim reimbursement rate. The source and the method of determination of interim rate shall depend on whether the federally qualified health center is a new enrollee of the Kansas medical assistance program or is a previously enrolled provider. Under special circumstances, the interim rate may be negotiated between the agency and the provider.

(A) Newly enrolled facility. If the facility is an already-established federally qualified health center with an available medicare cost report, an all-inclusive rate derived from the cost report may be used for setting the initial medicaid interim payment rate. If the facility is an already-established federally qualified health center
opening a new service location, then the rate from the already established federally qualified health center shall be used for the new service location. If the facility converted from a rural health clinic to a federally qualified health center, then the rate from the rural health clinic shall be used for the new federally qualified health center. For all other circumstances, the initial payment rate shall be based on the average of the current reimbursement rates for previously enrolled federally qualified health center providers.

(B) Previously enrolled facility. After the facility submits a federally qualified health center cost report, the agency shall determine the maximum allowable medicaid rate per visit as specified in subsection (c). If a significant change of scope of services or a significant capital project has been implemented, the federally qualified health center shall submit an interim cost report if the center wants a change to the existing rate. The agency and the federally qualified health center shall use the interim cost report to negotiate a new interim rate.

(2) Visit. A “visit” shall mean face-to-face encounter between a center patient and a center health care professional as defined in K.A.R. 129-5-118. Encounters with more than one health professional or multiple encounters with the same health professional that take place on the same day shall constitute a single visit, except under either of the following circumstances:

(A) The patient suffers an illness or injury requiring additional diagnosis or treatment after the first encounter.

(B) The patient has a different type of visit on the same day, which may consist of a dental, medical, or mental health visit.

(3) Retroactive cost settlement. For each reporting period, the agency shall compare the total maximum allowable medicaid cost with the total payments to determine the program overpayment or underpayment. Total payments shall include interim payments, third-party liability, and any other payments for covered federally qualified health center services. The cost report and supplemental data submitted by the provider, the medicare cost report, and the medicaid-paid claims data obtained from the program’s fiscal agent shall be used for these calculations.

(b) Cost reporting. Each federally qualified health center shall submit a completed cost report. The form used for cost reporting shall be the most current version of the medicare financial and statistical report form for independent rural health clinics and freestanding federally qualified health centers with adjustments made, as necessary, to report the cost and number of visits for medicaid-covered services pursuant to K.A.R. 129-5-118.

(1) Filing requirements. Each provider shall be required to file annual cost reports on a fiscal year basis.

(A) Cost reports shall be received no later than five months after the end of the facility’s fiscal year. An extension in due date may be granted by the agency upon request, if necessary due to circumstances beyond the control of the federally qualified health center.

(B) Each provider filing a cost report after the due date without a preapproved extension shall be subject to the following penalties:

(i) If the cost report has not been received by the agency by the close of business on the due date, all further payments to the provider may be withheld and suspended until the complete financial and statistical report has been received.

(ii) Failure to submit the completed financial and statistical report within one year after the end of the cost report period may be cause for termination from the Kansas medical assistance program.

(2) Fiscal and statistical data. The preparation of the cost report shall be based upon the financial and statistical records of the facility and shall use the accrual basis of accounting. The reported data shall be accurate and adequately supported to facilitate verification and analysis for the determination of allowable costs.

(3) Supplemental data. The following additional information shall be submitted to support reported data and to facilitate cost report review, verifications, and other analysis.

(A) A working trial balance. This balance shall contain account numbers, descriptions of the accounts, the amount of each account, the cost report expense line on which the account was reported, and fiscal year-end adjusting entries to facilitate reconciliation between the working trial balance and the cost report. The facility shall bear the burden of proof that the reported data accurately represents the cost and revenue as recorded in the accounting records. All unexplained differences shall be used to reduce the allowable cost.

(B) Financial statements and management letter. These documents shall be prepared by the facility’s independent auditors and shall reconcile with the cost report.
(C) Depreciation schedule. This schedule shall support the depreciation expense reported on the cost report.

(D) Other data. Data deemed necessary by the agency for verification and rate determination shall also be submitted.

(c) Determination of reimbursable medicaid rate per visit.

(1) Allowable facility costs. This term shall mean costs derived from reported expenses after making adjustments resulting from cost report review and application of the cost reimbursement principles specified in K.A.R. 129-5-118b.

(2) Allocation of overhead costs.

(A) Total allowable administrative and facility costs shall be distributed to the following cost centers:

(i) Federally qualified health center costs;

(ii) non-federally qualified health center costs; and

(iii) nonreimbursable costs, excluding bad debt.

(B) Accumulated direct cost in each cost center shall be used as the basis for the overhead cost allocation.

(3) Average allowable cost per visit. The total allowable facility costs shall be divided by the total number of visits.

(4) Reimbursable medicaid rate. The reimbursable medicaid rate per visit shall not be more than 100 percent of the reasonable and related cost of furnishing federally qualified health center services covered in K.A.R. 129-5-118b.

(d) Fiscal and statistical records and audits.

(1) Recordkeeping. Each provider shall maintain sufficient financial records and statistical data for accurate determination of reasonable costs. Standardized definitions and reporting practices widely accepted among federally qualified health centers and related fields shall be followed, except to the extent that these definitions and practices may conflict with or be superseded by state or federal medicaid requirements.

(2) Audits and reviews.

(A) Each provider shall furnish any information to the agency that may be necessary to meet the following criteria:

(i) Ensure proper payment by the program pursuant to this regulation and K.A.R. 129-5-118b; and

(ii) substantiate claims for program payments.

(B) Each provider shall permit the agency to examine any records and documents necessary to ascertain information for determination of the accurate amount of program payments. These records shall include the following:

(i) Matters of the facility ownership, organization, and operation;

(ii) fiscal, statistical, medical, and other recordkeeping systems;

(iii) federal and state income tax returns and all supporting documents;

(iv) documentation of asset acquisition, lease, sale, or other transaction;

(v) management arrangements;

(vi) matters pertaining to the cost of operation; and

(vii) health center financial statements.

(C) Other records and documents shall be made available to the agency as requested.

(D) All records and documents shall be available in Kansas.

(E) Each provider shall furnish to the agency, upon request, copies of patient service charge schedules and any subsequent changes to these schedules.

(F) The agency shall suspend program payments if it is determined that a provider does not maintain adequate records for the determination of reasonable and adequate rates under the program or if the provider fails to furnish requested records and documents to the agency.

(G) Thirty days before suspending payment to the provider, written notice shall be sent by the agency to the provider of the agency's intent to suspend payment. The notice shall explain the basis for the agency's determination and identify the provider's recordkeeping deficiencies.

(H) All provider records that support reported costs, charges, revenue, and patient statistics shall be subject to audits by the agency, the United States department of health and human services, and the United States general accounting office. These records shall be retained for at least five years after the date of filing the cost report with the agency. (Authorized by K.S.A. 2008 Supp. 75-7403 and 75-7412; implementing K.S.A. 2008 Supp. 75-7405 and 75-7408; effective March 19, 2010.)

129-5-118b. Cost reimbursement principles for federally qualified health center services and other ambulatory services. The medicare cost reimbursement principles contained in subparts A and G in 42 C.F.R. part 413, as revised on October 1, 2009 and hereby adopted by reference, and the cost principles specified in this regulation and in K.A.R. 129-5-118a shall be appli-
cable to the financial and statistical data reported by the federally qualified health center for the determination of reasonable cost of providing covered services. (a) Nonreimbursable costs. Each cost that is not related to patient care and is not necessary for the efficient delivery of covered federally qualified health center services and other ambulatory services shall be excluded from the medicaid rate determination. In addition, the following expenses shall be considered nonreimbursable:

(1) Salaries and fees paid to nonworking directors and officers;
(2) uncollectible debts;
(3) donations and contributions;
(4) fund-raising expenses;
(5) taxes including the following:

(14) the cost of items or services provided only to non-Kansas medical assistance program patients and reimbursed by third-party payers;
(15) all expenses associated with the ownership, lease, or charter of airplanes;
(16) bank overdraft charges and other penalties;
(17) the cost associated with group health education classes, activities, and mass information programs including media productions, brochures, and other publications;
(18) expense items without indication of their nature or purpose including “other” and “miscellaneous,” without proper documentation when requested;
(19) non-arm’s-length transactions;

(21) legal expenses not related to patient care.

(b) Costs allowed with limitations and conditions.

(1) Loan acquisition fees and standby fees. These fees shall be amortized over the life of the loan and shall be allowed only if the loan is related to patient care.

(2) Taxes associated with financing the operations. These taxes shall be allowed only as amortized cost.

(3) Special assessments on land for capital improvements. These assessments shall be amortized over the estimated useful life of the improvements and allowed only if related to patient care.

(4) Start-up costs of a new facility.
   (A) Start-up costs may include the following:
      (i) Staff salaries and consultation fees;
      (ii) utilities;
      (iii) taxes;
      (iv) insurance;
      (v) mortgage interest;
      (vi) employee training; and
      (vii) any other allowable cost incidental to the operation of the facility.
   (B) A start-up cost shall be recognized only if it meets the following criteria:
      (i) Is incurred before the opening of the facility;
      (ii) is related to developing the facility’s ability to provide covered services;
      (iii) is amortized over a period of 60 months or more; and
      (iv) is identified in the cost report as a start-up cost.

(5) Expenses. Each cost that can be identified as an organization expense or capitalized as a construction expense shall be appropriately classified and excluded from start-up costs.

(6) Payments made to related parties for services, facilities, and supplies. These payments shall be allowed at the lower of the actual cost to the related party and the market price.

(7) Premium payments. If a provider chooses to pay in excess of the market price for supplies or services, the agency shall use the market price to determine the allowable cost in the absence of a clear justification for the premium.

(8) Job-related training. The cost of this training shall be the actual amount minus any reimbursement or discount received by the provider.

(9) Lease payments. These payments shall be allowed only if reported in accordance with the
generally accepted accounting principles appropriate to the reporting period.

(c) Interest expense. Only necessary and accurate interest on working capital indebtedness shall be an allowable cost.

   (iii) the transaction is recognized and reported by all parties for federal income tax purposes.

(2) Interest expense shall be reduced by investment income from both restricted and unrestricted idle funds and funded reserve accounts, except when the income is from restricted or unrestricted gifts, grants, and endowments held in separate accounts with no commingling with other funds. Income from the provider's qualified pension fund shall not be used to reduce interest expense.

(3) Interest earned on restricted and unrestricted industrial revenue bond reserve accounts and sinking fund accounts shall be offset against interest expense up to and including the amount of the related interest expense.

(4) The interest expense on that portion of the facility acquisition loan attributable to an excess over historic cost or other cost basis recognized for program purposes shall not be considered a reasonable cost.

(d) Central office cost. This subsection shall be applicable in situations in which the federally qualified health center is one of several programs or departments administered by a central office or organization and the total administrative cost incurred by the central office is allocated to all components.

(1) Allocation of the central office cost shall use a logical and equitable basis and shall conform to generally accepted accounting procedures.

(2) The central office cost allocated to the federally qualified health center shall be allowed only if the amount is reasonable and if the central office provided a service normally available in similar facilities enrolled in the program.

(3) The provider shall bear the burden of furnishing sufficient evidence to establish the reasonability of the level of allocated cost and the nature of services provided by the central office.

(4) All costs incurred by the central office shall be allocated to all components as a central cost pool, and no portion of the central office cost shall be directed to individual facilities operated by the provider or reported on any line of the cost report other than the appropriate line of the central office cost on any other line of the cost report outside of the central office cost allocation plan.

The general eligibility requirements in K.A.R. 129-6-51 through 129-6-60 and in K.A.R. 129-6-63 shall be eligibility factors applicable to determined eligibles, except as specified in those regulations. Certain eligibility requirements may be waived by the secretary and additional eligibility requirements may be adopted by the secretary for all, or designated areas, of the state for the purpose of utilizing special project funds or grants or for the purpose of conducting special demonstration or research projects. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

The determination of eligibility shall be based upon information provided by the applicant or recipient, or on behalf of the applicant or recipient, as well as electronic data matches with other state and federal databases, including the social security administration, department of homeland security, department of labor, and the department's office of vital statistics. If the information is unclear, incomplete, conflicting, or questionable, a further review, including contact with third parties, may be required.

A medical facilitator shall not be authorized to apply for medical assistance on behalf of another person.

(3) “Medical representative” means a person who is authorized to act on behalf of an applicant or recipient under a written authorization made by the applicant or recipient and who is knowledgeable of the applicant's or recipient's financial holdings and circumstances.

(b) Each applicant or recipient shall be legally capable of acting on that individual's behalf and shall also have the right to designate a representative to assist or act on behalf of the applicant or recipient.

(1) A legally incapacitated adult who is not capable of acting in that individual's own behalf shall not be eligible for medical assistance, unless a legal guardian, conservator, medical representative, or representative payee for social security benefits applies for assistance on the adult's behalf.

(2) Each emancipated minor shall be eligible to receive medical assistance on that individual's own behalf.

(3) An unemancipated minor shall not be deemed capable of acting on that individual's own behalf and shall not be eligible to apply for or receive medical assistance on that individual's own behalf, except as specified in this paragraph. An unemancipated minor shall not be eligible unless a caretaker, representative payee for social security benefits, or other nonrelated responsible adult who resides with the child and is approved by the parent or legal guardian applies for assistance on the minor's behalf. However, an unemancipated minor may apply for or receive medical assistance on that individual's own behalf if one of the following conditions exists:

(A) The parents of the minor are institutionalized.

(B) The minor has no parent who is living or whose whereabouts are known, and there is no other caretaker who is willing to assume parental control of the minor.

(C) The health and safety of the minor has been or would be jeopardized by remaining in the household with the minor's parents or other caretakers. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)
129-6-53. Financial eligibility for MAGI-based coverage groups. This regulation shall apply to all groups described in K.A.R. 129-6-34(c)(1).

(a) Definitions. For purposes of this regulation, each of the following terms shall have the meaning specified in this regulation:

(1) “Household income” means the sum of the MAGI-based income of every individual included in the individual’s household minus an amount equivalent to five percentage points of the federal poverty level for the applicable family size, for purposes of determining the individual's eligibility under the highest income standard for which the individual is eligible.

(2) “MAGI-based income” means income calculated using the same financial methodologies used to determine MAGI as defined in 26 U.S.C. 36B(d), with the following exceptions:

(A) An amount received as a lump sum shall be counted as income only in the month received;

(B) scholarships, awards, or fellowship grants used for education purposes and not for living expenses shall be excluded from income; and

(C) for American Indian and Alaska native funds, the following shall be excluded from income:

(v) payments resulting from ownership interests in or usage rights to items that have unique religious, spiritual, traditional, or cultural significance or rights that support subsistence or a traditional lifestyle according to applicable tribal law or custom; and

(vi) student financial assistance provided under the bureau of Indian affairs education programs.

(b) Exceptions to household income. Financial eligibility for families and children shall be based on household income, except for the following:

(1) The MAGI-based income of an individual who is included in the household of the individual’s natural parent, adoptive parent, or stepparent and is not expected to be required to file a tax return under 26 U.S.C. 6012(a) for the taxable year in which eligibility is being determined shall not be included in household income whether or not the individual files a tax return.

(2) The MAGI-based income of a tax dependent described in K.A.R. 129-6-41(e)(1) who is not expected to be required to file a tax return under 26 U.S.C. 6012(a) for the taxable year in which eligibility is being determined shall not be included in household income whether or not the tax dependent files a tax return.

(c) Income deductions. No other deductions shall be applied in determining household income.

(d) Financial eligibility.

(1) Financial eligibility shall be based on the current monthly income and family size of the household, unless a change in circumstances is expected. In this case, financial eligibility shall be based on the projected monthly income and family size of the household.

(2) For children and pregnant women determined eligible based on K.A.R. 129-6-73 and K.A.R. 129-6-74, the provisions of K.A.R. 129-6-54(a), (b), (c), and (e) regarding base periods and spenddown determinations shall be applicable.

(e) Exclusion of resources. The value of the household's resources shall not be taken into consideration in determining financial eligibility. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-54. Financial eligibility for MAGI-excepted coverage groups. This regulation shall apply to all groups described in K.A.R. 129-6-34(c)(2), except that subsections (c) and (d) of this regulation shall not apply to any medicare beneficiary who meets the requirements of K.A.R. 129-6-86 or to any working disabled individual who meets the requirements of K.A.R. 129-6-87.

(a) Definitions. For purposes of this regulation, each of the following terms shall have the meaning specified in this regulation:
(1) “Client obligation” means the amount that the individual is required to pay towards the cost of care that the individual receives in a long-term care arrangement. Client obligation shall be based on the amount of applicable income that exceeds the income standard in the eligibility base period.

(2) “Eligibility base period” means the length of time used in the determination of financial eligibility. The length of the eligibility base period varies from one month to six months as specified in subsection (b).

(3) “Spenddown” means the amount of applicable income that exceeds the protected income level in the eligibility base period and that is available to meet medical costs.

(b) Eligibility base period.

(1) The base period shall be determined according to the following:

(A) For prior eligibility, the base period shall be the three months immediately preceding the month of application.

(B) Except for persons determined eligible under K.A.R. 129-6-85, the base period shall be one month for current eligibility.

(C) For persons determined eligible under K.A.R. 129-6-85, the base period shall be one month for persons in long-term care and six months for persons in independent living for current eligibility. A six-month base period shall be shortened in certain instances including when the recipient begins long-term care, becomes eligible for cash assistance, or dies.

(2) The base period shall begin on the first day of the month in which the application was received. Subsequent eligibility base periods for recipients shall begin on the first day of the month following the expiration of the previous base period. Each reapplication received outside of a previously established eligibility base period shall be treated as a new application without regard to any previous eligibility base period. However, if the reapplication includes a request for prior eligibility, the base period of prior eligibility shall not extend into a previously established eligibility base period.

(c) Financial eligibility for persons in independent living.

(1) The total of all applicable income in the eligibility base period, as determined in accordance with K.A.R. 129-6-111, shall be compared to the income standard, as specified in K.A.R. 129-6-103, for the base period. If the total applicable income is less than the income standard and the individual owns property that has value within the allowable limits, the individual shall be financially eligible for medical assistance. If the total applicable income exceeds the income standard, the individual shall be ineligible for medical assistance except for persons determined eligible under K.A.R. 129-6-73, 129-6-74, and 129-6-85.

(2) For determined eligibles under K.A.R. 129-6-73, 129-6-74, and 129-6-85, if the total applicable income exceeds the income standard and the individual owns property that has value within the allowable limits, the excess applicable income shall be the spenddown.

(A) Each applicant or recipient shall incur allowable medical expenses in an amount at least equal to the spenddown before becoming eligible for assistance. Medical expenses paid either voluntarily or involuntarily by third parties shall not be utilized to meet the spenddown, except for medical expenses paid by a public program of the state other than medicaid.

(B) A previously unconsidered increase in total applicable income during the current eligibility base period that results in an additional spenddown shall not alter the base period. The individual shall meet the additional spenddown during the eligibility base period before the individual becomes eligible or regains eligibility for medical assistance. A payment made through the program within the current eligibility base period shall not be considered an overpayment if a previously eligible individual fails to meet the additional spenddown within the current eligibility base period.

(d) Financial eligibility for persons in long-term care arrangements.

(1) Total gross income shall not exceed 300 percent of the payment standard for one person in the supplemental security income program as specified in K.A.R. 129-6-103(a)(13).

(2)(A) If the person is eligible in accordance with paragraph (d)(1), the total of all applicable income in the eligibility base period, as determined in accordance with K.A.R. 129-6-111, shall be compared to the income standard, as specified in K.A.R. 129-6-103(b) for institutional arrangements and K.A.R. 129-6-103(c) for HCBS arrangements, for the base period. If the total applicable income is less than the income standard and the individual owns property that has value within the allowable limits, the individual shall be financially eligible for medical assistance. If the total applicable income exceeds the income standard and the individual owns property that
has value within the allowable limits, the excess applicable income shall be the client obligation.

(B) If the person is not eligible in accordance with paragraph (d)(1), financial eligibility shall first be determined in accordance with subsection (c). If allowable medical expenses, including the cost of the long-term arrangement, are in an amount that is at least equal to the spenddown, a final determination of financial eligibility shall then be determined in accordance with paragraph (d)(2)(A), including application of the appropriate institutional or HCBS income standard as specified in K.A.R. 129-6-103(b) or (c). If allowable medical expenses are not in an amount that is at least equal to the spenddown, financial eligibility shall be determined in accordance with subsection (c).

(3) Each applicant or recipient shall incur allowable medical expenses in an amount at least equal to the client obligation before becoming eligible for assistance. Medical expenses paid either voluntarily or involuntarily by third parties shall not be utilized to meet this obligation, except for medical expenses paid by a public program of the state other than medicaid.

(4) Any increase in total applicable income during the current eligibility base period may result in financial ineligibility or in additional obligation, but this increase shall not alter the base period. A payment made through the program within the current eligibility base period shall not be considered an overpayment if a previously eligible individual becomes ineligible because of an increase in total applicable income or fails to meet any additional obligation within the current eligibility base period.

(e) Allowable expenses. The following expenses shall be applied to a spenddown or client obligation if the individual provides evidence that the individual has incurred or reasonably expects to incur the expenses within the appropriate eligibility base period, or has incurred and is still obligated for expenses outside of the appropriate eligibility base period that have not been previously applied to a spenddown or obligation:

(1) Co-pay requirements;
(2) the pro rata portion of medical insurance premiums for the number of months covered in the eligibility base period regardless of the actual date of payment, past or future;
(3) any medicare premiums that are not covered by the department through the buy-in process. Premiums that are subject to the buy-in process shall not be allowable before completion of the buy-in process, even if the individual pays the premiums or the premiums are withheld;
(4) if medically necessary and recognized under Kansas law, all expenses for medical services incurred by the individual or a legally responsible family group member. Expenses for social services designated as medical services under the HCBS program shall be allowable under this paragraph for persons in the HCBS program. Expenses for routine supplies, as defined in K.A.R. 129-10-15a, and for institutional care if the individual does not meet nursing facility criteria through the level-of-care evaluation or reevaluation process as defined in K.A.R. 30-10-7, shall not be allowable under this paragraph; and
(5) the cost of necessary transportation by appropriate mode to obtain medical services specified in paragraph (e)(4). (Authorized by and implementing K.S.A. 2013 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-55. Residence, citizenship, and alienage. (a) Residence. Each applicant or recipient shall be a resident of Kansas. Temporary absence from a state with subsequent return to the state, or intent to return when the purposes of the absence have been accomplished, shall not be considered to interrupt continuity of residence. Residence shall be considered to be retained until abandoned or established in another state. Residency shall be established as specified in this subsection.

(1) Individuals aged 21 and over.
(A) For each individual not residing in an institution, the individual shall choose the state of residence, based on one of the following:

(B) For each individual residing in an institution, the state of residence shall be the state in which the individual’s parent or guardian is residing, whether or not the individual is capable of stating intent, unless the individual has been placed in an out-of-state institution. If the individual has been placed in an out-of-state institution, the state of residence shall be the state making the placement.

Each applicant or recipient shall cooperate with the department in the establishment of the applicant’s or recipient’s eligibility by providing all information necessary to determine eligibility as specified in K.A.R. 129-6-39. (b) Potential resources. Each adult applicant or recipient shall cooperate with the department by obtaining any resources, including income, due the adult or any other person for whom assistance is claimed.    (D) a child of the individual, other than the child described in paragraph (c)(4)(B), who was residing in the home for at least two years immediately before the date the individual entered an institutional or HCBS arrangement and who provided care to the individual that permitted the individual to reside at home.

(5) The assets have been transferred to any of the following:
   (A) The individual's spouse or to another individual for the sole benefit of the individual's spouse;
   (B) the institutionalized individual's child who meets the blindness or disability criteria of K.A.R. 129-6-85 or a trust established solely for the benefit of the child; or
   (C) a trust established solely for the benefit of an individual under 65 years of age who meets the blindness or disability criteria of K.A.R. 129-6-85.

(6) A transfer of assets has been made, and a satisfactory showing that the individual intended to dispose of the assets at fair market value, for other valuable consideration, or exclusively for a purpose other than to qualify for medicaid has been established. The following criteria shall be used to establish a satisfactory showing:
   (A) A record of the facts, in chronological order, related to each transfer of assets within the applicable look-back period shall be assembled; and
   (B) a transfer of assets for less than fair market value shall be presumed to have been for the purpose of establishing or maintaining medicaid eligibility, unless the individual presents clear and convincing evidence that the transfer was exclusively for some other purpose. The burden shall be on the individual to rebut this presumption by furnishing clear and convincing evidence that the asset was transferred exclusively for some other purpose. A signed statement by the individual shall not be, by itself, clear and convincing evidence. Each transfer shall be considered in the light of the circumstances at the time the transfer was made. The total amount of the transfer shall be considered in proportion to the length of the interval between the date of the transfer and the date of the application for medical assistance. In addition, the following factors shall be taken into account:
   (i) Whether the transfer was ordered by the court and neither the individual, the spouse, the conservator, the guardian, the beneficiary of the transfer, nor anyone else acting in their legal authority or direction took action to effectuate the transfer; and
   (ii) whether the individual could not have anticipated the need for medical assistance at the time of transfer due to an unexpected event occurring after the transfer that resulted in the traumatic onset of disability or blindness, the diagnosis of a previously undetected disability, or the loss of other income or resources, completely outside of the control of the individual or spouse, that would have otherwise precluded medical eligibility.

(7) The transferred asset has been returned to the individual or has been made available for use by the individual or spouse.

(d) Look-back date. The look-back date shall mean the earliest date on which a penalty for transferring assets for less than fair market value can be assessed, as specified in this subsection. A penalty shall be assessed for all transfers by the individual or the individual's spouse that take place on or after the look-back date. A penalty shall not be assessed for any transfers that take place before the look-back date.
(1) For transfers of assets before February 8, 2006, multiple transfers that occur within a single month shall be treated as a single transfer. The look-back date shall be either of the following:

(A) 60 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance in the case of payment from a trust or portions of a trust that are treated as assets disposed of by the individual as specified in K.A.R. 129-6-109(c)(1) and (2); or

(B) 36 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance in the case of all other transfers of assets.

(2) For transfers of assets on and after February 8, 2006, multiple transfers that occur within a single month shall be treated as a single transfer. The look-back date shall be the date that is 60 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance.

(e) Transfer period of ineligibility. If the individual or spouse has transferred assets for less than fair market value, the individual shall not be eligible for the services specified in paragraphs (a)(4)(A) through (D), as follows:

(1) For transfers before February 8, 2006, the penalty period shall be equal to the number of months calculated by taking the total cumulative uncompensated value of the assets transferred by the individual or spouse on or after the look-back date, divided by $4,000.

(2) For transfers on and after February 8, 2006, the penalty period shall be equal to the number of days calculated by taking the total cumulative uncompensated value of the assets transferred by the individual or spouse on or after the look-back date, divided by the average daily private-pay cost of nursing facilities in the state in effect on the date the transfer occurs. The average daily private-pay cost shall be determined at least annually based on the rates reported by the nursing facilities in the state in effect on the date the penalty begins. The average daily private-pay cost shall be determined by the date of the transfer, as follows:

(A) 60 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance in the case of payment from a trust or portions of a trust that are treated as assets disposed of by the individual as specified in K.A.R. 129-6-109(c)(1) and (2); or

(B) 36 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance in the case of all other transfers of assets.

(f) Penalty start date.

(1) The date on which the penalty period begins shall be determined by the date of the transfer, as follows:

(A) For transfers before February 8, 2006, the penalty start date shall be the first day of the month in which the transfer occurred for applicants and no later than the second month following the month of transfer for recipients giving timely and adequate notice as defined in K.A.R. 129-7-65.

(B) For transfers on and after February 8, 2006, the penalty start date shall be the later of the following:

(i) For applicants, the later of the following: the first day of the month in which the transfer occurred or the first day on which the individual is eligible for medical assistance based on an application for medical assistance and is receiving institutional care or would be receiving HCBS but for the application of the penalty period; and

(ii) for recipients giving timely and adequate notice as defined in K.A.R. 129-7-65, no later than the second month following the month of transfer.

(2) Separately established penalty periods shall be served consecutively. Once the penalty period is imposed, the period shall not be interrupted or suspended even if the individual no longer receives institutional care or HCBS.

(3) If the spouse of the individual transfers an asset that results in a penalty period and that spouse is subsequently institutionalized and is determined otherwise eligible for medical assistance, the remaining penalty period shall be divided between the spouses.

(g) Hardship waiver.

(1) A penalty period shall be initially waived or suspended if the imposition of the penalty period would cause an undue hardship on the individual. To cause an “undue hardship” on the individual shall mean to deprive the individual of either of the following:

(A) Medical care to the extent that the individual’s health or life would be endangered; or

(B) food, clothing, shelter, or other necessities of life to the extent that the individual would be at risk of serious harm.

(2) Undue hardship shall not exist if the application of a penalty period merely causes an individual or any individual’s family members inconvenience or restricts their lifestyle. Undue hardship shall not exist if the individual transferred the assets to the spouse and the spouse refuses to cooperate in making the resources available to the individual.

(3)(A) Any individual claiming undue hardship may submit a written request to the department at any time during the penalty period. The request shall include a description of the undue hardship along with evidence to support the claim.

(B) The facility in which the individual resides shall obtain written consent from the individual or
the individual’s personal representative in order to assert a claim of undue hardship on behalf of the individual and provide supporting information on behalf of the individual. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

Clients' Eligibility for Participation

(1) Resources shall be considered available if the resources are actually available and the applicant or recipient has the legal ability to make the resources available. A resource shall be considered unavailable if there is a legal impediment that precludes the disposal of the resource. The applicant or recipient shall pursue reasonable steps to overcome the legal impediment, unless it is determined that the cost of pursuing legal action would exceed the resource value of the property or it is unlikely the applicant or recipient would succeed in the legal action. This paragraph shall also apply to the spouse of the applicant or recipient.

(2) Real property shall be considered unavailable if the property cannot be sold for one of the following reasons:

(A) The property is jointly owned, and its sale would cause undue hardship because of the loss of housing for the other owner or owners.

(B) The owner's reasonable efforts to sell the property have been unsuccessful.

(d) The resource value of property shall be the proportionate share of jointly owned real property and the full value of jointly owned personal property shall be considered available to the applicant or recipient. Resources held jointly with a nonlegally responsible person may be excluded from consideration if the applicant or recipient demonstrates that all of the following conditions exist:

(1) The applicant or recipient has no ownership interest in the resource.

(2) The applicant or recipient has not contributed to the resource.

(3) Any access to the resource by the applicant or recipient is limited to those duties performed while the applicant or recipient is acting as an agent for the other person.

(e) Except for persons described in K.A.R. 129-6-34(c)(1) and 129-6-34(c)(2)(A) through (I), the nonexempt resources of all persons in the assistance plan shall be considered in determining eligibility. Exempted resources as defined in K.A.R. 129-6-108(d) and 129-6-109(e) that are put in a trust that meets the requirements of K.A.R. 129-6-109(c)(1) or (c)(2)(A) shall be regarded as nonexempt, unless paragraphs (k)(4) and (6) of this regulation are applicable.

(f)(1) The combined resources of husband and wife, if they are living together, shall be considered in determining the eligibility of either individual or both individuals for the medical assistance program, except as noted in subsection (e) or unless otherwise prohibited by law.

(2) A husband and wife shall be considered to be living together if they are regularly residing in the same household. Temporary absences of either the husband or the wife for education, training, working, securing medical treatment, or visiting shall not interrupt the period of time during which the couple is considered to be living together.

(3) A husband and wife shall not be considered to be living together if they are physically separated and not maintaining a common life or if one or both enter into an institutional living arrangement, including either a medicaid-approved or non-medicaid-approved medical facility or an HCBS care arrangement.

(g) Except as noted in subsection (e), the resources of an ineligible parent shall be considered in determining the eligibility of a minor child for the medical assistance program if the parent and child are living together. However, these resources shall not be considered for any child in an institutional arrangement or an HCBS arrangement beginning with the month following the month in which the institutional arrangement begins.

(h) Despite subsections (e), (f), and (g), the resources of an SSI beneficiary shall not be considered in determining the eligibility of either individual or both individuals for the medical assistance program, except as noted in subsection (e) or unless otherwise prohibited by law.

(i) The conversion of real property and personal property from one form of resource to another shall not be considered to be income to the applicant or recipient, except for the proceeds from a contract for the sale of property.

(j) Income shall not be considered to be both income and property in the same month.

(k) If one spouse enters an institutional living arrangement, the other spouse remains in the
community, and an application for medical assistance is made on behalf of the institutionalized spouse, an income determination according to the following requirements shall be applied first in determining eligibility:

(1) The separate income of each spouse shall not be considered to be available to the other spouse beginning in the month in which the institutional arrangement begins. One-half of the income that is paid in the names of both spouses shall be considered available to each spouse, unless it is otherwise established that less or more than this amount is available. Income that is paid in the name of either spouse, or in the name of both spouses and the name of another person or persons, shall be considered available to each spouse in proportion to the spouse’s interest, unless it is otherwise established that less or more than this amount is available.

(2)(A) A monthly income allowance for the community spouse shall be deducted from the income of the institutionalized spouse in determining the amount of patient liability for each person in an institutional living arrangement or in a spenddown status for each person in an HCBS arrangement.

(B) The income allowance for the community spouse, when added to the income already available to that spouse, shall not exceed 150 percent of the official federal poverty-level income guideline for two persons plus the amount of any excess shelter allowance. “Excess shelter allowance” shall mean the amount by which the community spouse’s expenses for rent or mortgage payments, taxes and insurance for the community spouse’s principal residence, and the supplemental nutrition assistance program (SNAP) standard utility allowance, 7 U.S.C. 2014(e), exceed 30 percent of 150 percent of the federal poverty-level income guideline for two persons.

(C) An allowance for a dependent family member shall not be provided if the family member’s gross income exceeds 150 percent of the federal poverty-level income guideline for two persons.

(3) A monthly income allowance for each dependent family member shall be deducted from the income of the institutionalized spouse in determining the 300 percent income limit as specified in K.A.R. 129-6-54(d)(1) and the amount of client obligation for each person in an institutional living arrangement or in an HCBS arrangement.

(A) “Dependent family member” shall mean a person who is a minor or dependent child, dependent parent, or dependent sibling of either spouse and who lives with the community spouse.

(B) The allowance for each member shall be equal to one-third of 150 percent of the official federal poverty-level income guideline for two persons.

(C) An allowance for a dependent family member shall not be provided if the family member’s gross income exceeds 150 percent of the federal poverty-level income guideline for two persons.

(4) If the spouse is institutionalized on or after September 30, 1989, the nonexempt real property and personal property of both spouses shall be considered in determining the eligibility of the institutionalized spouse, based on the amount of property in excess of the community spouse property allowance specified in paragraph (k)(6), whether or not this allowance will be made.

(A) If the excess property is within the allowable resource standards of K.A.R. 129-6-107, the institutionalized spouse shall be eligible.

(B) In the month following the first month of eligibility for the institutionalized spouse, only the property of the institutionalized spouse shall be considered available in determining continuing eligibility, except for property to be transferred in accordance with paragraph (k)(6).

(5) If the spouse was institutionalized before September 30, 1989, the real property and personal property of each spouse shall be considered available to the other spouse in the month in which the institutional arrangement began. Thereafter, the property of each spouse shall not be considered available to the other spouse.

(6) The institutionalized spouse may make available to the community spouse a property allowance that, when added to the property already available to the community spouse, would be equal to one-half of the total value of the property owned by both spouses at the beginning of the first period of continuous institutionalization beginning on or after September 30, 1989.

(A) This property allowance shall not exceed $60,000 and shall be at least $12,000. Both the
$12,000 and the $60,000 limits shall be increased at the beginning of each calendar year by the same percentage as the percentage increase in the consumer price index for all urban consumers between September 1988 and the September before the applicable calendar year.

(B) If a greater property allowance is provided under a court order of support or through the Kansas administrative hearing process, that amount shall be used in place of the limits specified in paragraph (k)(6)(A). If a greater property allowance is required to increase the community spouse’s income to the amount allowed under paragraphs (k)(2)(B) and (C), a fair hearing officer shall take into account the income-generating value of the current property allowance as well as the additional property allowance requested. The property provided shall be invested so that income is maximized, including through a single-premium annuity, and based on the salable or market value of the property.

(7) The amount of property received by the community spouse as a result of the property allowance determined in paragraph (k)(6) shall not be considered in determining the eligibility of the institutionalized spouse, except as provided in paragraph (k)(4). If the institutionalized spouse will be eligible based upon transferring sufficient property to the community spouse to equal the amount of the property allowance, the institutionalized spouse shall be given not more than 90 days from the date of application to transfer the property. Additional time may be allowed for good cause. Pending disposition of the property, the institutionalized spouse shall be eligible during this period if all other eligibility factors are met.

(l) The resources of a noncitizen’s sponsor and the sponsor’s spouse shall be considered in determining eligibility for the sponsored noncitizen. (Authorized by and implementing K.S.A. 2013 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-108. Real property. (a) Definitions. (1) “Home” shall mean the house or shelter in which the applicant or recipient is living, as well as the tract of land and contiguous tracts of land upon which the house and other improvements essential to the use or enjoyment of the home are located. Tracts of land shall be considered to be contiguous if lying side by side, except for streets, alleys, and other easements. Pieces of property that touch only at the corners shall not be considered to be contiguous.

(2) “Other real property” shall mean real property other than a home, including land and buildings.

(b) Treatment of real property. The equity value of nonexempt real property shall be deemed...
a resource. If a specific and discrete property interest of less than 100 percent is designated for real property, the full value shall be considered in the determination of eligibility, regardless of the exemptions specified in subsection (d).

(c) Substantial home equity. Each person who applies for long-term care on or after January 1, 2006 and has an equity interest in a home in excess of $500,000 shall be ineligible for payment of care for a nursing facility or other institutional arrangement, HCBS arrangement, or PACE arrangement, unless one of the following persons continues to reside in the home:

1. The person's spouse;
2. the person's child, if the child meets the criteria of K.A.R. 129-6-85(b) or (c); or
3. the person's child, if the child is under the age of 21.

The $500,000 limit shall be increased beginning in calendar year 2011 from year to year based on the percentage increase in the consumer price index for all urban consumers based on all items and the United States city average, rounded to the nearest $1,000.

(d) Exempted real property. The equity value of the following classifications of real property shall be exempt, except as noted in subsections (b) and (c):

1. The home, except either of the following:
   a. A home from which an applicant or recipient has been absent and does not intend to return; or
   b. a home from which a person who enters an institutional living situation has been absent for at least three months, unless the absence is determined to be temporary or a spouse, dependent child, or another dependent relative remains in the home;
2. other real property that is essential for employment or self-employment;
3. income-producing other real property that is used in an individual's trade or business or that produces income consistent with its fair market value;
4. restricted or allotted land held by an enrolled member of an Indian tribe that cannot be sold or transferred without permission of other members of the tribe or a federal agency; and
5. real property that is directly related to the maintenance or use of a vehicle that is used primarily for producing income or is necessary to transport a physically disabled household member. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

available to the individual. Each payment made from the trust to the individual or for the benefit of the individual shall be considered income. All other payments made from the trust shall be considered under the property transfer provisions of K.A.R. 129-6-57.

(B) Each portion of the trust from which no payment could be made to the individual under any circumstances shall be considered under the transfer of assets provisions of K.A.R. 129-6-57 from the date of establishment of the trust or, if later, the date on which payment to the individual was restricted or foreclosed.

(C) An individual shall be considered to have established a trust if any assets of the individual were used to form all or part of the trust and if any of the following individuals established the trust, other than by will:

(i) The individual or the individual's spouse;

(ii) any person, including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse; or

(iii) any person, including any court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

(D) If the principal of the trust includes assets of any other person or persons, this subsection shall apply to the portion of the trust attributable to the assets of the individual.

(E) This subsection shall apply without regard to the purposes for which the trust was established, whether or not the trustees have or exercise any discretion under the trust, any restrictions on when or whether distributions can be made from the trust, or any restrictions on the use of distributions from the trust.

(F) This subsection shall not apply to a trust that contains the assets of an individual under the age of 65 who meets the blindness or disability criteria of K.A.R. 129-6-85 and that is established for the benefit of the individual by a parent, grandparent, or legal guardian of the individual, or a court. The state shall receive all amounts remaining in the trust upon the death of the individual, up to an amount equal to the total medical assistance paid on behalf of the individual.

Establishment of a trust under paragraph (c) (2)(G) for an individual who is at least 65 shall be subject to the transfer of assets provisions of K.A.R. 129-6-57.

(H) The requirements of K.A.R. 129-6-109(c) (2) shall be waived if the secretary determines that a waiver is necessary to avoid undue hardship on the individual. A finding of undue hardship may be granted if the individual verifies that all of the following conditions have been met:

(i) The individual has exhausted all legal remedies for gaining access to the principal or income of the trust.

(ii) All otherwise available assets have been expended to meet living and medical expenses.

(iii) The individual's health or life would be endangered if the individual were deprived of medical care.

3 For an irrevocable trust established with the individual's own assets on or before August 10, 1993, the following provisions shall apply:

(A) The trust shall be considered available up to the maximum value of the funds that can be made available under the terms of the trust on behalf of the individual if both of the following conditions are met:

(i) The individual is a beneficiary.

(ii) The trustees are permitted to exercise any discretion with respect to distribution to the individual.

(B) The trust may be established by the individual, the individual's spouse or parent, a legal guardian, or a legal representative who is acting on behalf of the individual.

(C) The amount from the trust that shall be considered as an available resource is the amount that could have been distributed but was not distributed within an eligibility base period. Each amount actually distributed shall be regarded as income. Each portion of the trust that is unavailable to the individual or is not used for the benefit of the in-
dividual shall be considered a transfer of property for less than fair market value in accordance with K.A.R. 129-6-57.

(d) K.A.R. 129-6-109(c)(3) shall not be applicable to any trust established before April 7, 1986 if the individual is a developmentally disabled individual who is residing in an intermediate care facility for people with intellectual disability and the trust is solely for the benefit of the individual.

(4) For any other trust, including a trust established with assets of someone other than the individual, the trust shall be considered available to the individual only if the individual has the ability to revoke or terminate the trust or to direct the use of the trust assets for the individual's own support and maintenance. Mandatory periodic payments received from a trust by the individual shall be considered an available resource equal to the present value of the anticipated payments, unless there is a valid spendthrift clause or other language in the trust that specifically prohibits anticipation of payments. If a valid spendthrift clause or other restrictive language exists, the periodic payments shall be considered countable unearned income.

(d) Treatment of annuities. The term “annuity” shall include any contract or device that conveys a right to receive a fixed, periodic source of income for a specified period of time. For purposes of determining an individual's eligibility for assistance or the amount of assistance, the following requirements shall apply:

(1) Each individual requesting medical assistance shall disclose any interest in an annuity. Failure to meet this requirement shall result in ineligibility for medical assistance due to noncooperation in accordance with K.A.R. 129-6-56.

(2) Retirement annuities, including civil service and railroad retirement annuities, shall be exempt as a resource, but the income received shall be countable unearned income.

(3) All other revocable and irrevocable annuities, including those reported to be nonassignable, shall be presumed to be an available resource. The right to either the principal or the income stream from an annuity shall be considered a countable resource. If the annuity can be sold, assigned, encumbered, or structured so that the benefit of the annuity can be received by someone other than the designated beneficiary, the annuity shall be considered available and shall be assigned a value.

(4) The fair market value of a revocable annuity shall be the cash value of the annuity. The fair market value of an irrevocable annuity shall be the amount yet to be paid out under the terms of the contract.

(5) If the individual can furnish evidence from a reliable source that the annuity or the income stream from the annuity is not able to be received by someone other than the designated beneficiary, the annuity shall be reevaluated. Reliable sources concerning the availability of the annuity or income stream shall include banks and other financial institutions, insurance companies, and brokers.

If someone who is not a member of that family group has the primary use, enjoyment, and possession of the vehicle, the vehicle shall not be exempted under this paragraph. Additional vehicles may be exempt if used over 50 percent of the time for employment or self-employment, if used as the family's home, if needed for medical treatment of a specific medical problem, or if specially equipped for use by a handicapped person;

If the total face value of insurance policies owned by any one individual exceeds $1,500, the total cash surrender value of those policies shall be a nonexempt resource; or

(C) the policy is in excess of $1,500 face value and has been irrevocably collateralized assigned to the state. The assignment shall be for an amount not to exceed the amount of benefits paid under the medical assistance program for the individual;

(A) The fund shall be considered separately identifiable if it is set up in a separate account and not commingled with any other funds, except funds for burial purposes including a prepaid contract fund for burial merchandise in accordance with paragraph (e)(13);

(B) the fund shall be considered as clearly designated if the account is noted “for burial purposes only” or if the client provides a signed, written statement attesting to the fact that the funds have been set aside and are intended for burial purposes only;

(C) if the fund is exempted and the client withdraws all or a portion of the funds, the amount withdrawn shall be considered as a nonexempt resource and, if transferred, shall be subject to the transfer provisions of K.A.R. 129-6-57;

(D) the $1,500 amount that can be exempted under paragraph (e)(14) shall be reduced by the amount of any irrevocable burial agreements established under K.S.A. 16-303 and amendments thereto, except to the extent that the irrevocable burial agreement represents excludable burial spaces under paragraph (e)(13), as well as the face value of all life insurance policies that do not exceed the $1,500 face value limitation in accordance with paragraph (e)(11). The face value of life insurance policies that exceed this $1,500 limit shall not reduce the amount that can be exempted for burial purposes;

For purposes of this regulation, “prospective monthly amount” shall mean an amount that is projected for purposes of determining an applicant’s or recipient’s monthly income. For those groups specified in K.A.R. 129-6-34(c)(1), all earned income and unearned income expected to be received in the month of application shall be used to determine a prospective monthly amount. This amount shall be used in the determination of both eligibility in the prior three months and current eligibility. For changes in earned income and unearned income, an estimate of those changes shall be used to determine a prospective monthly amount. For self-employment income, a prospective monthly amount shall be based on annual federal tax information from the most recent tax year. In the absence of federal tax information from the most recent tax year, an estimate shall be used to determine a prospective monthly amount.

(b) Treatment of income for MAGI-excepted coverage groups. For those groups specified in K.A.R. 129-6-34(c)(2), income shall be classified as income in the eligibility base period in which the income is received and as a cash asset following this eligibility base period.

(1) Prior eligibility. For individuals in independent living, current income as defined in paragraph (b)(2) shall be considered in the determination of eligibility for the prior three months. For individuals in long-term care arrangements, income received in the prior three months shall be considered in the determination of eligibility for the prior three months, except that self-employment income shall be averaged.

(2) Current eligibility. Income shall be considered prospectively to determine eligibility, beginning with the month of application. All income received or reasonably expected to be received shall be
considered in determining the applicable income for the eligibility base period. Income from self-employment and intermittent income shall be considered and averaged. Intermittent income shall be divided by the applicable number of months to establish the monthly amount. Intermittent income shall be considered as income beginning with the eligibility base period in which this income is received. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

(1) Applicable income shall be based on the methodologies used to determine modified adjusted gross income, as specified in K.A.R. 129-6-53(a), for persons in the household, as specified in K.A.R. 129-6-53(b).

Income-producing costs shall include only those expenses directly related to the actual production of income.

(2) Self-employment. The applicable earned income for a self-employed person shall equal the modified adjusted gross earned income less the income deductions of paragraph (b)(4), if applicable. Paragraph (b)(1) regarding modified adjusted gross earned income shall apply to calculations made pursuant to this paragraph. Annual tax information from the most recent tax year shall be converted to a monthly prospective amount. This amount shall be used in the determination of both eligibility in the prior three months and current eligibility. In the absence of tax information from the most recent tax year, the most current income shall be used to determine a monthly amount.

(3) Unearned income. All net unearned income shall be considered to be applicable income, except that K.A.R. 129-6-112 and 129-6-113 shall apply to persons in an independent living arrangement or in the HCBS program.

(Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

(A) Was 55 years of age or older; or
(B) was admitted as an inpatient in a long-term care facility, including a PACE institutional arrangement.

(2) If the medical assistance was incorrectly paid on behalf of an ineligible recipient, the department's claim shall be the total amount of assistance paid on behalf of the ineligible recipient.

(A) Processing applications for presumptive eligibility within prescribed time limits; and

(B) achieving an accuracy rate of at least 90 percent in eligibility determinations made by the hospital.

Article 10.—ADULT CARE HOME PROGRAM

129-10-18. Per diem rates of reimbursement. (a) Per diem rates for existing nursing facilities.

(1) The determination of per diem rates shall be made, at least annually, using base-year cost information submitted by the provider and retained for cost auditing and analysis.

(A) The base year utilized for cost information shall be reestablished at least once every seven years.

(B) A factor for inflation may be applied to the base-year cost information.

(C) For each provider currently in new enrollment, reenrollment, or change of ownership status, the base year shall be determined in accordance with subsections (c), (d), and (e), respectively.

(2) Per diem rates shall be limited by cost centers, except where there are special level-of-care facilities approved by the United States department of health and human services. The upper payment limits shall be determined by the median in each cost center plus a percentage of the median, using base-year cost information. The percentage factor applied to the median shall be determined by the agency.

(A) The cost centers shall be as follows:

(i) Operating;

(ii) indirect health care; and

(iii) direct health care.

(B) The property component shall consist of the real and personal property fee as specified in K.A.R. 129-10-25.

(C) The upper payment limit for the direct health care cost center shall be a statewide base limit calculated on each facility's base-year costs adjusted for case mix.

(i) A facility-specific, direct health care cost center upper payment limit shall be calculated by adjusting the statewide base limit by that facility's average case mix index.

(ii) Resident assessments used to determine additional reimbursement for ventilator-dependent residents shall be excluded from the calculation of the facility's average case mix index.

(3) Each provider shall receive an annual per diem rate to become effective July 1 and, if there are any changes in the facility's average medicaid case mix index, an adjusted per diem rate to become effective January 1.

(4) Resident assessments that cannot be classified shall be assigned to the lowest case mix index.

(5) To establish a per diem rate for each provider, a factor for incentive may be added to the allowable per diem cost.

(6)(A) Resident days shall be determined from census information corresponding to the base-year cost information submitted by the provider.

(B) The total number of resident days shall be used to calculate the per diem costs used to determine the upper payment limit and rates in the direct health care cost center. The total number of resident days shall be used to calculate the per diem costs used to determine the upper payment limit and rates for food and utilities in the indirect health care cost center.

(C) For homes with more than 60 beds, the number of resident days used to calculate the upper payment limits and rates in the operating cost center and indirect health care cost center, less food and utilities, shall be subject to an 85 percent minimum occupancy requirement based on the following:

(i) Each provider that has been in operation for 12 months or longer and has an occupancy rate of less than 85 percent for the cost report period, as specified in K.A.R. 129-10-17, shall have the number of resident days calculated at the minimum occupancy of 85 percent.

(ii) The 85 percent minimum occupancy requirement shall be applied to the number of resident days and costs reported for the 13th month of operation and after. The 85 percent minimum occupancy requirement shall be applied to the interim rate of a new provider, unless the provider is allowed to file a projected cost report.

(iii) The minimum occupancy rate shall be determined by multiplying the total number of licensed beds by 85 percent. In order to participate in the Kansas medical assistance program, each nursing facility provider shall obtain proper certification for all licensed beds.

(iv) Each provider with an occupancy rate of 85 percent or greater shall have actual resident days for the cost report period, as specified in K.A.R. 129-10-17, used in the rate computation.
(7) Each provider shall be given a detailed listing of the computation of the rate determined for the provider’s facility.

(8) The effective date of the rate for existing providers shall be in accordance with K.A.R. 129-10-19.

(b) Per diem rate limitations based on comparable service private-pay charges.

(1) Rates of reimbursement shall not be limited by private-pay charges.

(2) The agency shall maintain a registry of private-pay per diem rates submitted by providers.

(A) Each provider shall notify the agency of any change in the private-pay rate and the effective date of that change so that the registry can be updated.

(i) Private-pay rate information submitted with the cost reports shall not constitute notification and shall not be acceptable.

(ii) Providers may send private-pay rate notices by certified mail so that there is documentation of receipt by the agency.

(B) The private-pay rate registry shall be updated based on the notification from the providers.

(C) The effective date of the private-pay rate in the registry shall be the later of the effective date of the private-pay rate or the first day of the following month in which complete documentation of the private-pay rate is received by the agency.

(i) If the effective date of the private-pay rate is other than the first day of the month, the effective date in the registry shall be the first day of the closest month. If the effective date is after the 15th, the effective date in the register shall be the first day of the following month.

(ii) For new facilities or new providers coming into the medicaid program, the effective date of the private-pay rate shall be the date on which certification is issued.

(3) The average private-pay rate for comparable services shall be included in the registry. The average private-pay rate may consist of the following variables:

(A) Room rate differentials. The weighted average private-pay rate for room differentials shall be determined as follows:

(i) Multiply the number of private-pay residents in private rooms, semiprivate rooms, wards, and all other room types by the rate charged for each type of room. Sum the resulting products of each type of room. Divide the sum of the products by the total number of private-pay residents in all rooms. The result, or quotient, is the weighted average private-pay rate for room differentials.

(ii) Each provider shall submit documentation to show the calculation of the weighted average private-pay rate if there are room rate differentials.

(iii) Failure to submit the documentation shall limit the private-pay rate in the registry to the semiprivate room rate.

(B) Level-of-care rate differentials. The weighted average private-pay rate for level-of-care differentials shall be determined as follows:

(i) Multiply the number of private-pay residents in each level of care by the rate they are charged to determine the product for each level of care. Sum the products for all of the levels of care. Divide the sum of the products by the total number of private-pay residents in all levels of care. The result, or quotient, is the weighted average private-pay rate for the level-of-care differentials.

(ii) Each provider shall submit documentation to show the calculation of the weighted average rate when there are level-of-care rate differentials.

(iii) Failure to submit the documentation may delay the effective date of the average private-pay rate in the registry until the complete documentation is received.

(C) Extra charges to private-pay residents for items and services may be included in the weighted average private-pay rate if the same items and services are allowable in the Kansas medical assistance program rate.

(i) Each provider shall submit documentation to show the calculation of the weighted average extra charges.

(ii) Failure to submit the documentation may delay the effective date of the weighted average private-pay rate in the registry until the complete documentation is received.

(4) The weighted average private-pay rate shall be based on what the provider receives from the resident. If the private-pay charges are consistently higher than what the provider receives from the residents for services, then the average private-pay rate for comparable services shall be based on what is actually received from the residents.

The weighted average private-pay rate shall be reduced by the amount of any discount received by the residents.

(5) The private-pay rate for medicare skilled beds shall not be included in the computation of the average private-pay rate for nursing facility services.
(6) When providers are notified of the effective date of the Kansas medical assistance program rate, the following procedures shall be followed:

(A) If the private-pay rate indicated on the agency register is lower than the Kansas medical assistance program rate, beginning with its effective date, shall be calculated as follows:

(i) If the average medicaid case mix index is greater than the average private-pay case mix index, the Kansas medical assistance program rate shall be the lower of the private-pay rate adjusted to reflect the medicaid case mix or the calculated Kansas medical assistance rate.

(ii) If the average medicaid case mix index is less than or equal to the average private-pay case mix index, the Kansas medical assistance program rate shall be the average private-pay rate.

(B) Providers who are held to a lower private pay rate and subsequently notify the agency in writing of a different private-pay rate shall have the Kansas medical assistance program rate adjusted on the later of the first day of the month following the date upon which complete private-pay rate documentation is received or the effective date of a new private-pay rate.

(c) Per diem rate for new construction or a new facility to the program.

(1) The per diem rate for any newly constructed nursing facility or a new facility to the Kansas medical assistance program shall be based on a projected cost report submitted in accordance with K.A.R. 129-10-17.

(2) The cost information from the projected cost report and the first historic cost report covering the projected cost report period shall be adjusted to the base-year period.

(3) The provider shall remain in new enrollment status until the base year is reestablished. During this time, the adjusted cost data shall be used to determine all rates for the provider.

(4) Each factor for inflation that is applied to cost data for established providers shall be applied to the adjusted cost data for each provider in new enrollment status.

(5) No rate shall be paid until a nursing facility financial and statistical report is received and processed to determine a rate.

(d) Change of provider.

(1) The payment rate for the first 24 months of operation shall be based on the base-year historical cost data of the previous owner or provider. If base-year data is not available, data for the most recent calendar year available preceding the base-year period shall be adjusted to the base-year period and used to determine the rate. If the 85 percent minimum occupancy requirement was applied to the previous provider’s rate, the 85 percent minimum occupancy requirement shall also be applied to the new provider’s rate.

(2) Beginning with the first day of the 25th month of operation, the payment rate shall be based on the historical cost data for the first calendar year submitted by the new provider. The data shall be adjusted to the base-year period.

(3) The provider shall remain in change-of-provider status until the base year is reestablished. During this time, the adjusted cost data shall be used to determine all rates for the provider.

(4) Each factor for inflation that is applied to cost data for established providers shall be applied to the adjusted cost data for each provider in change-of-provider status.

(e) Determination of the per diem rate for nursing facility providers reentering the medicaid program.

(1) The per diem rate for each provider reentering the medicaid program shall be determined from either of the following:

(A) A projected cost report if the provider has not actively participated in the program by the submission of any current resident service billings to the program for 24 months or more; or

(B) the base-year cost report filed with the agency or the most recent cost report filed preceding the base year, if the provider has actively participated in the program during the most recent 24 months.

(2) If the per diem rate for a provider reentering the program is determined in accordance with paragraph (e)(1)(A), the cost data shall be adjusted to the base-year period.

(3) The provider shall remain under reenrollment status until the base year is reestablished. During this time, the cost data used to determine the initial rates shall be used to determine all subsequent rates for the provider.

(4) Each factor for inflation that is applied to cost data for established providers shall be applied to the cost data for providers in reenrollment status.

(5) If the per diem rate for a provider reentering the program is determined in accordance with paragraph (e)(1)(A), a settlement shall be made in accordance with subsection (f).

(f) Per diem rate errors.

(1) If the per diem rate, whether based upon projected or historical cost data, is audited by the
agency and found to contain an error, a direct cash settlement shall be required between the agency and the provider for the amount of money overpaid or underpaid. If a provider with an identified overpayment is no longer enrolled in the medicaid program, the settlement shall be recouped from a facility owned or operated by the same provider or that provider’s corporation, unless other arrangements have been made to reimburse the agency. A net settlement may occur if a provider has more than one facility involved in settlements. In all cases, settlements shall be recouped within 12 months of the implementation of the corrected rates, or interest may be assessed.

(2) The per diem rate for a provider may be increased or decreased as a result of a desk review or audit of the provider’s cost reports. Written notice of this per diem rate change and of the audit findings shall be sent to the provider. Retroactive adjustment of the rate paid from a projected cost report shall apply to the same period of time covered by the projected rate.

(3) Each provider shall have 30 days from the date of the audit report cover letter to request an administrative review of an audit adjustment that results in an overpayment or underpayment. The request shall specify the finding or findings that the provider wishes to have reviewed.

(4) An interim settlement, based on a desk review of the historical cost report covering the projected cost report period, may be determined after the provider is notified of the new rate determined from the cost report. The final settlement shall be based on the rate after an audit of the historical cost report.

(5) A new provider that is not allowed to submit a projected cost report, as specified in K.A.R. 129-10-17, for an interim rate shall not be entitled to a retroactive settlement for the first year of operation.

(g) Out-of-state providers.

(1) The per diem rate for out-of-state providers certified to participate in the Kansas medical assistance program shall be the rate approved by the agency.

(2) Each out-of-state provider shall obtain prior authorization by the agency.

(h) Reserve days. Reserve days as specified in K.A.R. 30-10-21 shall be paid at 67 percent of the Kansas medical assistance program per diem rate.

(i) Determination of rate for ventilator-dependent resident.

(1) The request for additional reimbursement for a ventilator-dependent resident shall be submitted to the agency in writing for prior approval. Each request shall include the following:

(A) Sections A, I, and O in the nursing home comprehensive “minimum data set” ("MDS") of the centers for medicare and medicaid services (CMS);

(B) a current client assessment, referral, and evaluation (CARE) plan for the resident;

(C) a physician’s order for ventilator use, including the frequency of ventilator use and a diagnosis that requires use of a ventilator; and

(D) a treatment administration record or respiratory therapy note showing the number of minutes used for the ventilator per shift.

(2) All of the following conditions shall be met in order for a resident to be considered ventilator-dependent:

(A) The resident is not able to breathe without mechanical ventilation.

(B) The resident uses a ventilator for life support 24 hours a day, seven days a week.

(C) The resident has a tracheostomy or endotracheal tube.

(3) The provider shall be reimbursed at the Kansas medical assistance program daily rate determined for the nursing facility plus an additional amount approved by the agency for the ventilator-dependent resident.

(4) No additional amount above that figured at the Kansas medical assistance program daily rate shall be allowed until the service has been authorized by the agency.

(5) The criteria shall be reviewed quarterly to determine if the resident is ventilator-dependent. If a resident is no longer ventilator-dependent, the provider shall not receive additional reimbursement beyond the Kansas medical assistance program daily rate determined for the facility.

(6) The additional reimbursement for the ventilator-dependent resident shall be offset to the cost center of benefit on the nursing facility financial and statistical report.

(j) Rate modification; secretary’s discretion.

(1) Any of the requirements of this regulation may be waived by the secretary and a nursing facility’s or nursing facility for mental health’s per diem rate of reimbursement may be modified by the secretary if the secretary determines that both of the following conditions are met:

(A) Exceptional circumstances place residents of nursing facilities and nursing facilities for mental health in jeopardy of losing the availability of, or access to, “routine services and supplies,” “an-
cillary services and other medically necessary services,” “specialized mental health rehabilitation services,” or “specialized services,” as defined in K.A.R. 30-10-1a.

(B) The jeopardy can likely be avoided or reduced by modifying the per diem rate of reimbursement for a nursing facility or nursing facility for mental health.

(2) If the secretary exercises discretion pursuant to this subsection, the increase in the per diem rate of reimbursement shall not exceed the state average rate for reimbursement. (Authorized by K.S.A 2015 Supp. 65-1,254 and 75-7403; implementing K.S.A. 2015 Supp. 75-7405 and 75-7408; effective Sept. 19, 2008; amended Feb. 5, 2016.)

129-10-19. Per diem rates; effective dates. (a) Effective date of per diem rates for ongoing providers filing calendar year cost reports. The effective date of a new per diem rate that is based on information and data in the nursing facility cost report for the calendar year shall be July 1.

(b) Effective date of the per diem rate for a new provider operating on the rate from cost data of the previous provider.

(1) The effective date of the per diem rate for a new provider shall be the date of certification by the state licensing agency.

(2) The effective date of the per diem rate based on the first historical cost report filed in accordance with K.A.R. 129-10-17 shall be the first day of the 25th month of operation. Each rate paid after the effective date of the rate based on the first historical cost report shall be adjusted to the new rate from the historical cost report.

(c) Effective date of the per diem rate from a projected cost report.

Articles
133-1. GENERAL PROCEDURES CONCERNING PARTIES.

Article 1.—GENERAL PROCEDURES CONCERNING PARTIES

133-1-1. Definitions. (a) As used in this article, each of the terms defined by K.S.A. 77-502, and amendments thereto, shall have the meaning specified in that statute.

(b) Each of the following terms shall have the meaning specified in this subsection:

(1) “Director” means director of the office of administrative hearings.

(2) “KAPA” means the Kansas administrative procedure act, K.S.A. 77-501 et seq., and amendments thereto.

(3) “OAH” means the office of administrative hearings.

(4) “Presiding officer” means the administrative law judge assigned to preside over an administrative hearing. (Authorized by and implementing K.S.A. 2016 Supp. 75-37,121 and 77-562; effective Jan. 20, 2017.)

133-1-2. Assignment of administrative law judges. (a) Any state agency head or a designee may request that the director assign an administrative law judge to act as the presiding officer in an administrative hearing that is neither subject to KAPA nor listed in K.S.A. 77-551, and amendments thereto, and for which the agency head is responsible. The request may be made in writing, by telephone, or by electronic transmission.

(b)(1) Upon receiving a request for assignment of an administrative law judge, an administrative law judge of OAH shall be assigned by the director, unless the director determines either of the following:

(A) The existing caseloads of the administrative law judges would prevent OAH from providing a timely hearing.

(B) There is a conflict that would subject the administrative law judges to disqualification.

(2) In making each assignment, the relative experience, caseloads, and expertise of the OAH administrative law judges, as well as potential conflicts, time frames, and other relevant resources and factors, may be considered by the director.

(c) After the assignment of an administrative law judge, the requesting state agency shall forward to the director written documentation of the basis for the administrative hearing, which may include any of the following materials:

(1) A request for an administrative hearing;

(2) a petition for a hearing from a party to the state agency proceedings;

(3) the order that is the subject of the request for a hearing; or

(4) any other documentation of the event or action that forms the basis for the administrative hearing under applicable law. (Authorized by and implementing K.S.A. 2016 Supp. 75-37,121 and 77-562; effective Jan. 20, 2017.)

133-1-3. Conduct of proceedings. (a)(1) Each administrative hearing to which an administrative law judge is assigned under K.S.A. 75-37,121(b), and amendments thereto, shall be conducted in accordance with KAPA, unless other applicable statutes or regulations provide otherwise.

(2) Each administrative hearing to which an administrative law judge is assigned under K.S.A. 75-37,121(d), and amendments thereto, shall be conducted in accordance with any applicable statutes, regulations, ordinances, or other law.

(b) All parties to the state agency proceedings may be required by the administrative law judge or the director to submit motions, objections,
briefs, and other pleadings in a format established by the director and with the number of copies prescribed by the director.

(c) When an administrative law judge is assigned to an administrative hearing under K.S.A. 75-37,121(d), and amendments thereto, the order issued by the administrative law judge shall contain the elements required under any applicable statutes, regulations, ordinances, or other law. (Authorized by and implementing K.S.A. 2016 Supp. 75-37,121 and 77-562; effective Jan. 20, 2017.)

133-1-4. Electronic filing. (a) As used in this regulation, each of the following terms shall have the meaning specified in this subsection:

(1) “Filing” means any pleading, motion, objection, proffer of evidence, discovery request or response, brief, or any other formal communication by a party regarding the docketed administrative proceeding for which the filing is relevant and the filer is a party.

(2) “OAH e-filing system” and “system” mean a public, web-based internet portal established by OAH to which the parties to a proceeding are given secure and password-protected access for the purpose of sending or receiving electronically submitted filings regarding their proceeding.

(b) In any proceeding for which the director has appointed a presiding officer, any party to the proceeding may submit any filing to the presiding officer by using mail or telephone facsimile. Additionally or alternatively, any party may submit any filing for its proceeding using the OAH e-filing system, subject to the following:

(1) The system may be used only by parties who meet the following requirements:
   (A) Have submitted to OAH a written and signed consent to the terms of use for the system that are specified by the director; and
   (B) have completed the system’s online registration for the specific proceeding to which they are a party.

(2) The only modes by which signed consent to the terms of use for the system may be submitted to OAH are personal service, mail, telephone facsimile, or scanning and electronically mailing the signed consent document to the electronic mail address specified for only this purpose by the director.

(3) Once a party’s signed consent is received by OAH, the party shall be sent by OAH, in a manner specified by the agreed terms of use, directions and information for completing that party’s online registration for the system.

(4) Any party may satisfy its duty to serve a copy of its filings to any other party using the OAH e-filing system, but only if both the serving party and the recipient party have completed their prerequisite signed consent and online registration for the immediate proceeding to which they are party.

(5) Only OAH personnel and the parties to a given proceeding shall have access to submit online or to view online any filings for their proceedings. Whether filed electronically or through other means, records of a proceeding shall be available to nonparties only as provided by the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto.

(c) No person may submit a filing or use the OAH e-filing system for a proceeding to which the person is not a party unless the presiding officer has recognized the person as an authorized representative of the party on whose behalf the person is filing or using the system.

(d) All orders and notices issued by the presiding officer shall be served in conformity with K.S.A. 77-531, and amendments thereto.

(e) A party’s inability to utilize the OAH e-filing system shall not constitute a basis for an extension of time in which to file any matter with the presiding officer or with opposing parties. This inability shall not affect any applicable filing deadlines imposed by law or by order of the presiding officer.

(f) For purposes of determining whether an error was committed by the OAH e-filing system before the effective date of a default or initial order, any party to the proceedings in question may request that OAH perform an audit of the system and deliver the audit findings to the presiding officer if all of the following conditions are met:

(1) The requesting party alleges that it was unable to make a timely filing due to an error of the system.

(2) The timeliness or existence of the filing transaction in question is material to the disposition of the party’s case.

(3) The party submits its audit request before a proposed default order for its case has become effective or before an initial order in the case has been issued.

(g) For purposes of determining whether an error was committed by the OAH e-filing system during an appeal pursuant to K.S.A. 77-527 and amendments thereto, any party to the appeal may
request that OAH perform an audit of the system and deliver the audit findings to the agency head if all of the following conditions are met:

(1) The requesting party alleges that it was unable to make a timely filing during the course of the appeal due to an error of the system.

(2) The timeliness or existence of the filing transaction in question is material to the disposition of the party’s appeal.

(3) The party submits its audit request before a final order on its appeal has been issued.

(h) Concise documentation of the results of any system audit performed in accordance with this regulation shall be incorporated into the record of any case in which a system error was alleged. (Authorized by K.S.A. 2016 Supp. 75-37,121 and 77-562; implementing K.S.A. 2016 Supp. 77-519 and 77-531; effective Jan. 20, 2017.)
