EXPLANATORY PREFACE

This volume has been compiled and published in accordance with K.S.A. 77-430a and other applicable laws.

ARRANGEMENT OF RULES AND REGULATIONS

Administrative rules and regulations of the various state agencies are arranged in accordance with a three-part system of numbers divided by hyphens. The first number indicates the agency; the second number indicates the article (a group of regulations of such agency upon the same subject); the last number indicates the specific section or regulation within the article. For example, “1-4-11” refers to agency No. 1, article No. 4 and section No. 11.

The law requires that agencies cite the statutory authority for the regulation and the section(s) of the statutes which the regulation implements. This is published at the end of the text of the regulation. In addition, the Secretary of State includes a history of the regulation which indicates the original effective date of the regulation and each subsequent amendment.

SALES

Volumes of the Kansas Administrative Regulations are sold by the Publications Division of the Office of the Secretary of State, First Floor, Memorial Hall, 120 SW 10th Ave., Topeka, KS 66612-1594, 785-296-4557.

Scott Schwab, Secretary of State
This volume has been compiled and published in accordance with K.S.A. 77-430a and other applicable laws.

The 2022 Volumes contain rules and regulations filed before January 1, 2022. The volumes replace the 2009 Volumes and 2021 Supplement. Regulations filed on and after January 1, 2022, may be located by checking the Kansas Register, Kansas’ official state newspaper. An index appears at the back of each Kansas Register and lists the volume and page number of the Register issue that contains the most recent version of the regulations filed after December 31, 2021.

To find the most recent version of a regulation:
First, check the table of contents in the most current issue of the Kansas Register
Then, check the Index to Regulations in the most current Kansas Register
Next, check the current K.A.R. Supplement
Finally, check the current K.A.R. Volume

If the regulation is found at any of these steps, stop. Consider that version the most recent. The most current regulations, proposed regulations open for public comment, and published regulations with a future effective date may also be found in the online K.A.R. at https://sos.ks.gov/publications/pubs_kar.aspx.

To determine the authorizing and implementing statute(s), the effective date, or to see when a regulation was amended or revoked, check the history found at the end of each regulation. The authorizing and implementing statute(s) are listed first followed by any subsequent action. For example, in “amended, T-7-12-11-90, Dec. 31, 1990” the “T” means temporary, the “7” is the number assigned to the agency in the K.A.R. Volumes, and 12-11-90 is the date that the regulation was filed. Following the last comma is the effective date. Therefore, the amendment was filed as a temporary regulation on December 11, 1990, and the amendment became effective on December 31, 1990. A temporary regulation becomes effective upon approval by the State Rules and Regulations Board and filing in the Secretary of State’s Office or at a later date when specified in the body of the regulation. A temporary regulation lasts 120 days unless it is amended or revoked within 120 days. If the “T number” is not included in an action on a regulation, the regulation was filed as a permanent regulation. A permanent regulation is effective 15 days following publication in the Kansas Register or at a later date specified in the body of the regulation. Prior to July 1, 1995, a permanent regulation became effective 45 days following publication in the Kansas Register or at a later date specified in the body of the regulation. The regulation remains in effect until amended or revoked.

Any questions regarding the publication or use of the K.A.R. Volumes or questions regarding the regulation filing procedure may be directed to the Kansas Administrative Regulations Editor at 785-296-0082. For purchasing inquiries call 785-296-4557. Questions concerning the subject matter of a regulation should be directed to the agency administering the regulation.

71-1-4. Requirements for reexamination. (a) Each applicant who, upon taking any examination or any section thereof a second time, fails to obtain a passing grade on that examination or section of an examination shall obtain additional or remedial instruction. The dental board shall determine the amount and type of such required instruction based upon the performance of the applicant on the prior examinations. The required instruction shall be completed in a course and at a school of dentistry or dental hygiene approved by the board. The applicant shall submit a written statement, signed by an authorized member of the faculty of that school of dentistry or dental hygiene, advising the board or its designee that the applicant is qualified for reexamination.

(b) If any applicant fails to pass the examination or any section thereof on reexamination, following compliance with subsection (a) above, the board may, for good cause shown by the applicant, authorize further reexamination. In such case, the board may accept the results of any reexamination of that applicant conducted thereafter by the national board of dental examiners or by any other testing agency, the results of which are otherwise accepted by the board. (Authorized by and implementing K.S.A. 1983 Supp. 65-1429; effective Jan. 1, 1966; amended May 1, 1984.)

71-1-18. Sterilization and infection control. (a) As used in this regulation, the following definitions shall apply:

(1) “Dental health care worker” means dentist, dental hygienist, dental assistant, or other employee of the dentist, or any other person who performs or participates in an invasive or exposure-prone procedure or functions ancillary to invasive procedures.

(2) “Exposure-prone procedure” means a procedure in which there is an increased risk of percutaneous injury to the dental health care worker by virtue of digital palpation of a needle tip or other sharp instrument in a body cavity or simultaneous presence of the dental health care worker's fingers and a needle or other sharp instruments in a poorly visualized or highly confined anatomic site, or any other circumstance in which there is a significant risk of contact between the blood or body fluids of the dental health care worker and the blood or body fluids of the patient.

(3) “HBeAg seropositive” means that the presence of the hepatitis B antigen has been confirmed by a test meeting the criteria of federal centers for disease control.

(4) “HBV” means the hepatitis B virus.

(5) “HIV” means the human immunodeficiency virus.

(6) “HIV seropositive” means that the presence of HIV antibodies has been confirmed by a test meeting the criteria of the federal centers for disease control.

(7) “Invasive procedure” means any surgical or other diagnostic or therapeutic procedure involving manual or instrumental contact with or entry into any blood, body fluids, cavity, internal organ, subcutaneous tissue, mucous membrane, or percutaneous wound of the human body.

(b) Each dental health care worker who performs or participates in an invasive or exposure-prone procedure shall observe and adhere to infection control practices and universal blood and body fluid precautions. For the purpose of in-
General Rules

Infection control, all dental staff members and all patients shall be considered potential carriers of communicable diseases. Infection control procedures shall be required to prevent disease transmission from patient to doctor and staff, doctor and staff to patient, and patient to patient. Each dentist shall be required to comply with the applicable standard of care in effect at the time of treatment. Precautions shall include the following minimum standards.

1. Each dental health care worker shall routinely use protective barriers and surface decontamination.
   (A) Gloves shall be used by the dentist and direct care staff during any treatment involving procedures or contact with items potentially contaminated with the patient’s bodily fluids or other dental debris. Fresh gloves shall be used for each patient. Gloves that have been used for dental treatment shall not be reused for any other purpose.
   (B) Surgical masks and protective eyewear or chin-length plastic face shields shall be worn to protect the face, the oral mucosa, and the nasal mucosa when splashing or splattering of blood or other body fluids is likely.
   (C) Reusable or disposable gowns, laboratory coats, or uniforms shall be worn when clothing is likely to be soiled with blood or other body fluids. If reusable gowns are worn, they may be washed, using a normal laundry cycle. Gowns shall be changed at least daily or when visibly soiled with blood.
   (D) Surface decontamination and disinfection or protective barriers shall be used in areas of the dental operatory that may be contaminated by blood or saliva during treatment and are not removable to be sterilized. Contaminated surface coverings shall be removed, discarded, and then replaced with clean material between patients. Surfaces to be covered or decontaminated and disinfected shall include the following:
      (i) The delivery unit;
      (ii) chair controls;
      (iii) light handles;
      (iv) the high-volume evacuator handle;
      (v) x-ray heads and controls;
      (vi) headrests; and
      (vii) instrument trays.
   (E) Dental health care workers shall wash their hands after glove removal if the hands have been contaminated by bodily fluids or other dental debris.
   (F) Dental health care workers who have exudative lesions or weeping dermatitis shall refrain from all direct patient care and from handling patient care devices used in exposure-prone invasive procedures, unless covered by an effective barrier.

2. Dental health care workers shall take appropriate precautions to prevent injuries caused by needles, scalpels, and other sharp instruments during and after procedures. If during a single visit a patient needs multiple injections over time from a single syringe, the needle shall be recapped or placed in a sterile field between each use to avoid the possibility of needlestick injury or needle contamination. Used sharp items shall be placed in puncture-resistant containers for disposal.

3. Any heat-stable instrument or device that enters tissue or contacts the mucous membranes shall be sterilized. Dental health care workers shall comply with the following sterilization requirements:
   (A) Before sterilization, all instruments shall be decontaminated to remove all visible surface contamination, including blood, saliva, tooth and dental restorative material cuttings and debris, soft tissue debris, and bacterial plaque. Decontamination of instruments may be accomplished by a thorough scrubbing with soap and water or detergent, or by using a mechanical device, including an ultrasonic cleaner. Persons involved in cleaning instruments shall take reasonable precautions to prevent injuries.
   (B) Heat-stable dental instruments shall be routinely sterilized between patient use by one of the following methods:

Article 1.—Examinations

74-1-1. Type of examination. The uniform certified public accountant examination prepared by the American institute of certified public accountants shall be used for all examinations. (Authorized by K.S.A. 1-202 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; implementing K.S.A. 1-302 and K.S.A. 1-304, as amended by 2003 HB 2241, § 3; effective Jan. 1, 1966; amended Nov. 14, 2003.)

74-1-2. Determining and reporting examination grades. (a) Each testing candidate shall be required to pass all test sections of the examination in order to qualify for a certificate.

(b) Each testing candidate shall be required to attain at least a minimum grade established through a psychometrically acceptable, standard-setting procedure approved by the board.

(c) Upon the board’s receipt of each candidate’s advisory grades from the examination provider, the grades shall be reviewed and may be adopted by the board. The examination grades shall be reported to the testing candidate. (Authorized by K.S.A. 1-202 and K.S.A. 2006 Supp. 1-304, as amended by L. 2007, ch. 97, § 2; implementing K.S.A. 2006 Supp. 1-304, as amended by L. 2007, ch. 97, § 2; effective Jan. 1, 1966; amended Nov. 17, 2000; amended Nov. 14, 2003; amended Jan. 11, 2008.)

74-1-3. Retaking the examination and granting of credits. (a) Each testing candidate shall be deemed to have passed the examination if the candidate obtains credit for passing each of the four test sections. Credit for passing a test section shall be valid from the date of the examination regardless of the date on which the testing candidate receives actual notice of the passing grade.

(b) A testing candidate may take the test sections individually and in any order. Credit for passing any test section shall be valid for 18 months from the date of testing regardless of the number of sections taken or the scores on any failed sections.

(c) Each testing candidate shall pass all four test sections within a rolling 18-month period that begins on the date the first test section passed is taken. If all four test sections are not passed within this 18-month period, credit for any test section passed outside the 18-month period shall expire.

(d) A testing candidate shall not retake a failed test section until the candidate has received the score for the most recent attempt of that test section.

(e) Each testing candidate shall retain credit for any test section passed in another state if the credit would have been given if the testing candidate had taken the examination in Kansas.
(f) Despite the provisions of subsections (a), (b), and (c), the period of time in which to pass all test sections of the examination may be extended by the board upon a showing that the credit was lost by reason of circumstances beyond the testing candidate's control. (Authorized by K.S.A. 1-202 and K.S.A. 2018 Supp. 1-304; implementing K.S.A. 2018 Supp. 1-304; effective Jan. 1, 1966; amended, E-82-27, Dec. 22, 1981; amended May 1, 1982; amended Jan. 12, 1996; amended Nov. 14, 2003; amended Jan. 11, 2008; amended Feb. 19, 2016; amended Nov. 29, 2019.)

(a) Has established residence in Kansas;
(b) has passed one or more sections of the uniform certified public accountant examination in accordance with K.A.R. 74-1-3, with the grades determined by the advisory grading service of the board of examiners of the American institute of certified public accountants;
(c) meets the education requirement prescribed by K.S.A. 1-302a, and amendments thereto; and
(d) at the time of applying to transfer the credit earned in another state, is still eligible to be reexamined in that state except for reason of change of residence. (Authorized by K.S.A. 1-202; implementing K.S.A. 1-302; effective Jan. 1, 1966; amended, E-82-27, Dec. 22, 1981; amended May 1, 1982; amended May 25, 2012; amended Feb. 19, 2016.)

74-1-6. Refund of examination fees. (a) Any examination fee may be refunded by the board to a testing candidate who is unable to be present for an examination if the board determines that the testing candidate had an acceptable reason for not sitting. Acceptable reasons shall include a documented illness, death in the immediate family, and any other reason that the board determines to be unavoidable.

74-1-7. Examination security. Scheduled examinations, the grading of examinations, and the issuance of certificates may be postponed by the board for any of the following reasons:

(a) Breach of examination security;
(b) unauthorized acquisition or disclosure of the contents of an examination;
(c) suspected or actual negligence, errors, omissions, or irregularities in conducting examinations; or
(d) any other reasonable cause or unforeseen circumstance. (Authorized by K.S.A. 1999 Supp. 1-202, as amended by L. 2000, Ch. 81, § 4; implementing K.S.A. 1999 Supp. 1-302, as amended by L. 2000, Ch. 81, § 7; effective Nov. 17, 2000.)

74-1-8. Administration of examination; cheating. (a) Either of the following actions by a testing candidate shall invalidate any grade otherwise earned on any test section and may warrant the candidate's summary expulsion from the test site and disqualification from taking the examination for a specified period of time:

(1) Failing to comply with the testing administrator's instructions; or
(2) cheating in applying for or taking the examination.

(b) The following actions or attempted actions by a testing candidate may be considered cheating:

(6) violating the nondisclosure prohibitions of the examination or aiding or abetting another in doing so; and
(7) retaking or attempting to retake a test section by an individual holding a valid certificate or by a testing candidate who has unexpired credit for having already passed the same test section, unless the individual has been authorized to re-
take a test section or has been expressly autho-
rized by the board to do so.
(c) If it appears that a testing candidate has failed to comply with the testing site administra-
tor’s instructions or that cheating has occurred or is occurring, the testing candidate either may be
summarily expelled by the board or its designee or may be moved to a position in the testing center
away from other testing candidates.
(d) If the board has reason to believe that a testing candidate either has failed to comply with the testing site administrator’s instructions or has cheated on the examination, an investigation and
a hearing may be conducted by the board to de-
terminate whether the testing candidate will be giv-
en credit for any of the test sections and whether
the testing candidate will be barred from taking the examination for a specified period of time.
(e) If the board determines that a testing can-
didate has failed to comply with the testing site administrator’s instructions or that cheating oc-
curred but the board allows a testing candidate to take any subsequent examinations, any of the
following actions may be taken by the board:
(1) Admonish the testing candidate;
(2) seat the testing candidate in a segregated lo-
cation for the rest of the examination;
(3) keep a record of the testing candidate’s seat
location and identifying information as well as the
names and identifying information of the testing
candidates in close proximity to the candidate;
or
(4) provide information concerning the circum-
stances of the cheating to the national candidate
database, the American institute of certified pub-
lic accountants, and the testing center.
(f) Other state regulatory boards may be noti-
fied by the board of the board’s findings and any
actions taken against a testing candidate who is re-

taking any test section, or barred from taking the examination in the future. (Authorized by K.S.A.

Article 1.—MEMBERSHIP

80-1-1. Year of service; commencement. For the purpose of determining membership in the system under K.S.A. 74-4911 of the act, and amendments thereto, the year of service required for coverage under the retirement system shall commence with the first day the employee commences work with the employer in a covered position as defined by K.S.A. 74-4902(13), and amendments thereto. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4911, as amended by L. 1998, ch. 201, §15; effective Jan. 1, 1966; amended Sept. 10, 1999.)

80-1-2. Year of service before entry date; service defined. For the purpose of determining membership in the system under K.S.A. 74-4911 (1) of the act, and amendments thereto, for an employee in employment on the employer’s entry date, these definitions shall apply. (a) The word “service” as used in the “year of service” requirement shall mean all service for that employer before the employer’s entry date; this service need not be continuous.
(b) After the entry date of the employer, “service” for this employee shall mean service in a covered position as defined by K.S.A. 74-4902(13), and amendments thereto, for that employer; this service shall be continuous.
However, when this employee becomes a member, the provisions of the act relating to the crediting of prior service and participating service shall apply. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4911, as amended by L. 1998, ch. 201, §15; effective Jan. 1, 1966; amended Sept. 10, 1999.)

80-1-3. Year of service after entry date; service defined. For the purpose of determining membership in the system under K.S.A. 74-4911 (2) of the act, and amendments thereto, when a person becomes an employee after the employer’s entry date, the “year of service” required shall be in a position that is neither temporary nor seasonal and that requires at least 1,000 hours of work per year; this service shall be continuous. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4911, as amended by L. 1998, ch. 201, §15; effective Jan. 1, 1966; amended Sept. 10, 1999.)
80-1-4. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966; revoked Sept. 10, 1999.)

80-1-5. Military service; year of service. (a) For the purpose of determining membership in the system under K.S.A. 74-4911 (4) of the act, and amendments thereto, employees in military service on the employer's entry date shall not become members of the retirement system until they return to the employment of a participating employer. In the case of any employee whose combined public employment and military service does not equal one year at the time of the employee's return to employment, the date of membership shall be the first day of the payroll period coinciding with or following the completion of one combined (public employment and military service) year of service.

(b) Employees who enter the military service from their employment after the employer's entry date, who are eligible for crediting of military service pursuant to K.S.A. 74-4913(1)(b), and amendments thereto, and who have not completed one year of service at the time of their entry into the military service shall not become members of the retirement system until they return to the employment of a participating employer. In the case of an employee whose combined public employment and military service does not equal one year at the time of the employee's return to employment, the date of membership shall be the first day of the payroll period coinciding with or following the completion of one combined (public employment and military service) year of service.

(c) In each of the above instances, the member shall be granted service credit for the period of military service. The partial year of service actually worked before or after military service may be purchased pursuant to K.S.A. 74-4919a, and amendments thereto. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4911, as amended by L. 1998, ch. 201, §15; effective Jan. 1, 1966; amended Jan. 1, 1969; amended Sept. 10, 1999.)

80-1-7. Employee, defined. For the purpose of determining membership in the system under K.S.A. 74-4902 (13) and 74-4902 (14) of the act, the term “employee” shall be construed to mean an individual who is covered by social security, who is employed by an employer in an office or position, which position or office requires a period of at least 1,000 hours per year and for which compensation is actually paid. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)

80-1-8. Year of service; no compensation; effect of. For the purpose of determining membership in the system, a member will not be granted service credits for periods of holding public office, employment or position for which no “compensation,” as defined in the act, was payable under statute, ordinance or regulation existing at the time he held such office, position, or employment. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)

80-1-10. Eligible employers. (a) For the purpose of determining whether or not an entity is an “eligible employer” under K.S.A. 74-4902(13) and K.S.A. 74-4910 of the act, and amendments thereto, the entity shall qualify under the standards controlling the system's governmental-plan status as provided in 26 U.S.C. §414(d) of the federal internal revenue code, which is defined in K.S.A. 74-4902(22), and amendments thereto, after the termination of active military duty. “Active military duty,” as used in this regulation, shall include terminal leave. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4911, as amended by L. 1998, ch. 201, §15; effective Jan. 1, 1966; amended Jan. 1, 1969; amended Sept. 10, 1999.)
or instrumentalities of governmental units, shall be eligible employers. The following factors shall be considered when determining whether an employer constitutes an instrumentality of a governmental unit:

1. The existence of any specific legislation authorizing the employer;
2. The source of funds for the employer;
3. The manner in which the trustees or operating board members of the employer are selected;
4. The governmental unit’s consideration of the employees to be employees of the governmental unit; and
5. The degree of control that the state or local government has over the employer.

(b) Any employer that is a current or prospective participant in the retirement system may be required by the retirement system to obtain a ruling from the Internal Revenue Service as to the employer’s status as a governmental instrumentality or as to the impact of the employer’s participation in the retirement system. (Authorized by K.S.A. 1998 Supp. 74-4909; implementing K.S.A. 1998 Supp. 74-4910; effective Jan. 1, 1966; amended, E-74-5, Nov. 7, 1973; amended May 1, 1975; amended Sept. 10, 1999.)

80-2-1. Multiple enrollment; definition and requirements. Except for members of the legislature covered by K.S.A. 74-4994(5), and amendments thereto, in any case in which an individual holds more than one position, office, or employment with different participating employers that is covered by the retirement system, the following provisions shall apply to the individual’s membership. (a) “Dual employee” means any employee who holds covered positions with two or more participating employers and who meets the eligibility requirements for membership at each position. For each dual employee, coverage under each position shall be determined separately; in accordance with the provisions of the act and the membership rules and regulations.

(b) “Concurrent employee” means any school employee who holds more than one position with different participating school employers but who does not qualify for membership under any one participating school employer. Each concurrent employee shall qualify for membership if the total required hours of all positions equal or exceed 630 hours per year. The burden of electing coverage under the concurrent employee provisions shall be on the employee.

(c) Contributions shall be deducted from the salary of all positions that qualify for coverage, and service shall be credited pursuant to K.A.R. 80-2-2.

(d) “Totality of employment” means that employee and employer contributions shall be remitted on the compensation of all positions filled by an employee with the same participating employer, if at least one position meets the definition of employee in K.S.A. 74-4902(14) or K.S.A. 74-4932(4), and amendments thereto. All state of Kansas agencies, including board of regents institutions, shall constitute one employer. An employee of any state agency in a covered position who also works in a non-covered position for the same or another state agency shall have contributions withheld from compensation for all positions. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4913, as amended by L. 1998, ch. 201, §16; effective Jan. 1, 1966; amended Sept. 10, 1999.)

80-2-11. Continuous employment construed; reorganization. The consolidation, reorganization, combination, or separation of a participating employer from one unit into two or more units, or from two or more units into a smaller number of units, shall not result in an interruption of an employee’s continuous employment in a covered position for the same employer, for purposes of determining credited service under K.S.A. 74-4913, and amendments thereto, when the employee’s position is or was continuously under the control of one of the units so consolidated, reorganized, combined, or separated. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4913, as amended by L. 1998, ch. 201, §16; effective Jan. 1, 1966; amended Sept. 10, 1999.)

80-2-13. Employee of employer; construed. For the purpose of determining membership in the system, an employee will be considered to be the employee of the employer from whom his compensation is or was received. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)
30-2-2. Multiple employment prior service credit; contributions; termination; retirement; construed. For all service credit purposes, all multiple employment shall be combined as though it were for a single employer.

(a) Prior service credits shall be given for all periods of prior service in all covered positions: Provided, That no more than one month of credit shall be given for any one specific calendar month of service. Participating service credits shall be given for all periods of participating service in all covered positions as reported by the employer: Provided, That no more than one quarter of credit shall be given for any one specific calendar quarter of service.

(b) For all claims purposes a multiple enrollment account shall be treated as though the individual were in one position.

(1) Refunds of accumulated contributions shall be made only in the event of termination of employment in all positions covered by the retirement system.

(2) Eligibility for a retirement benefit shall only be reached upon termination of all employment in positions covered by the retirement system.

(3) In the event of retirement, benefits shall be based upon the combined credited service and compensation from all positions covered under the retirement system. For the purposes of determining “final average salary,” only the compensation upon which contributions are received shall be used. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966; amended Jan. 1, 1969.)

30-2-3. Multiple employment, designation of beneficiary. An individual in multiple employment may for administrative reasons complete enrollment and other forms prescribed by the board of trustees, and if different designations of beneficiary are received, the board will recognize only the last one filed with the retirement system. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966; amended Jan. 1, 1969.)

30-2-4. Multiple employment; prior service annual salary. An individual who is in multiple employment on the entry date of one of his employers and at a later date another of his employers becomes a participating employer, his prior service annual salary shall be determined by adding the compensation the member received from all participating employers in any one of the three years immediately prior to the entry date of the first employer. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)

Article 3.—CREDIT AND BREAKS IN SERVICE

30-3-3. Prior service credit, break in service; defined. For prior service credit purposes, any period in which the employee was off the payroll of his entry date employer, except when on military leave or leave of absence, shall constitute a break in service. This rule shall not apply to members coming within the purview of rule 80-3-1. For prior service credit purposes, military leave credit shall not be given under rule 80-3-3 if the employee does not return to employment with the employer from whose employment he went on military leave and who was his employer on the employer’s entry date. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)

30-3-4. Participating service credit; granted when; leaves of absence; military leave; contributions. For the purpose of determining participating service credit, if an employee is on leave of absence, without pay, the employee shall be identified as being in this category by the employer on the remittance report. Military leave shall be creditable at the rate of one quarter of credit for each calendar quarter of military leave. For the purpose of determining participating service credit, these military leave credits shall not apply if the employee does not return to employment in accordance with K.S.A. 74-4902(22), and amendments thereto, with a participating employer. No contributions shall be made by the member or the member’s employer specifically for the period of military leave. All participating employers shall share in the liabilities created by the granting of service credits for military leave. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4913, as amended by L. 1998, ch. 201, §16; effective Jan. 1, 1966; amended Sept. 10, 1999.)

30-3-5 to 30-3-6. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966; revoked Sept. 10, 1999.)

30-3-7. Participating service, recording of compensation. Participating service shall be
recorded for a member for each calendar quarter for which contributions based on compensation for service are reported by the employer. No more than one quarter of credit shall be given for any calendar quarter: Provided, This rule shall not modify or change the provisions of rule and regulation 80-3-4. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)

80-3-8. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966; revoked Sept. 10, 1999.)

80-3-9. Withdrawal of contributions; payment of interest on account. (a) Any member formally challenging termination of employment by means of any administrative or judicial review process shall not be eligible to apply for withdrawal until the process has been concluded. The “administrative or judicial review process” shall mean any proceeding under the civil service act, K.S.A. 75-2925 et seq.; the administrative procedure act, K.S.A. 77-501 et seq.; and the act for judicial review and civil enforcement of agency actions, K.S.A. 77-601 et seq. Any member who succeeds in a challenge and is returned to employment by the employer shall have no break in service if the member is awarded back wages or salary. Payments of back wages or salary that result from a successful challenge shall be subject to employer and employee contributions.

(b) Each member who is not employed by a participating employer shall be deemed to have withdrawn that member’s accumulated contributions and to have terminated membership in the retirement system and forfeited all membership rights, except the right to receive a refund of accumulated contributions, at the time the application for withdrawal is received in the office of the retirement system. Submission of this application shall be irrevocable.

c) A member account for which a valid application for withdrawal is received in the office of the retirement system before June 30 shall not be credited with interest on June 30 as provided in K.S.A. 74-4922(a), and amendments thereto; this ineligibility for interest crediting shall include any member account for which a valid application for withdrawal is received before June 30 and is required to be held for processing for up to 90 days pending spousal consent pursuant to K.S.A. 74-4917b(2)(b), and amendments thereto. A valid application for withdrawal shall be fully completed according to the instructions on the KPERS withdrawal application form.

(d) Payment by the retirement system of the accumulated contributions shall be deemed final at the time the payment is made, and neither shall additional contributions be accepted from nor rebates be made to former employers of the withdrawn member after the retirement system makes the payment. (Authorized by K.S.A. 1997 Supp. 74-4909, as amended by L. 1998, ch. 64, §27; implementing K.S.A. 1997 Supp. 74-4917, as amended by L. 1998, ch. 201, §19; effective Jan. 1, 1966; amended May 1, 1978; amended Sept. 10, 1999.)

80-3-11. Prior service credit, proof of. In the event that a member making claim for prior service credit finds that such prior service cannot be verified by the employer from official records of the employer due to the nonexistence of the records of said employer, the member shall submit proof of such prior service such as may be required by the board of trustees of the retirement system. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1966.)

80-3-12. Military service credit, time for claiming. An employee who returns from military service to the employment of a participating employer must provide the employer and retirement system with the original or a certified copy of his military discharge or separation papers within three months after his re-employment with said participating employer when it is his desire to claim his military service credit. In the event that such employee fails to file, within the time hereinbefore prescribed, it shall be presumed he has waived service credit for the period of military service. However, if any person shall present evidence satisfactory to the board that his failure to file such military separation papers within said time period was due to lack of knowledge or incapacity on his part, said military service credit may be re-established at a later date. (Authorized by K.S.A. 74-4909; effective Jan. 1, 1970.)

80-3-14. Years of service; early retirement or vested benefit; computation of. For the purpose of computing the number of years of service to determine the eligibility of a member
for an early retirement or a vested benefit, the years and months of credited prior service and
the years and quarters of credited participating
service shall be combined before rounding to the
nearest whole year. (Authorized by K.S.A. 74-
4909; effective Jan. 1, 1966.)

80-3-15. Participating service; purchase
of year of service. If an individual has a year of
service followed by a period of participating
service that has been forfeited because of termination
of employment and withdrawal of contributions,
this member shall first have the forfeited participat-
ing service reinstated under the provisions of
K.S.A. 74-4919, and amendments thereto, before
participating service credit for the year of service
preceding the forfeited service may be purchased.
(Authorized by K.S.A. 1997 Supp. 74-4909, as
amended by L. 1998, ch. 64, §27; implementing K.S.A. 74-4919, as amended by L. 1998, ch. 64,
§37; effective, E-71-37, Sept. 8, 1971; effective
Jan. 1, 1972; amended Sept. 10, 1999.)

80-3-16. Military service; purchase of
credit for. (a) For the purpose of purchasing participating service credit under K.S.A. 74-
4919h, and amendments thereto, active service
in the armed forces shall not include periods of
active duty for training. Periods of reserve time
to fulfill the initial service requirements of 10
U.S.C. §651(a) as in effect on the date the mem-
ber’s service commenced, including active duty
for training, may be purchased at the rate of one
quarter for each year of service in active or inac-
tive reserves.

(iii) If the omission of the disclosures required by paragraph (c)(4)(C)(i) would not cause the advertisement or sales literature to be misleading in light of the context in which the material is presented, the disclosures shall not be required with respect to messages contained in radio broadcasts of 30 seconds or less; signs, including banners and posters, when used only as location indicators; and electronic signs, including billboard-type signs that are electronic, time and temperature signs, and ticker tape signs. However, the requirements of paragraph (c)(4)(C)(i) shall apply to messages contained in other media, including television, online computer services, and automated teller machines.

(D) recommending to a customer the purchase of a specific class of investment company shares in connection with a multiclass sales charge or fee arrangement without reasonable grounds to believe that the sales charge or fee arrangement associated with the class of shares is suitable and appropriate based on the customer’s investment objectives, financial situation, other securities holdings, and the associated transaction or other fees;

(E) recommending to a customer the purchase of investment company shares that results in the customer’s simultaneously holding shares in different investment company portfolios having similar investment objectives and policies without reasonable grounds to believe that the recommendation is suitable and appropriate based on the customer’s investment objectives, financial situation, other securities holdings, and any associated transaction charges or other fees;

(F) recommending to a customer the liquidation or redemption of investment company shares for the purpose of purchasing shares in a different investment company portfolio having similar investment objectives and policies without reasonable grounds to believe that the recommendation is suitable and appropriate based on the customer’s investment objectives, financial situation, other securities holdings, and any associated transaction charges or other fees;

(J) stating or implying to a customer that the purchase of shares shortly before an ex dividend date is advantageous to the customer unless there are specific, clearly described tax or other advantages to the customer, or stating or implying that a distribution of long-term capital gains by an investment company is part of the income yield from an investment in the shares; and

(D) is subject to any current state administrative order or judgment that prohibits the use of any exemption from registration in connection with the purchase or sale of securities; or

(E) is subject to any order, judgment, or decree of any court of competent jurisdiction temporarily or preliminarily restraining or enjoining the person from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any false filing with any state, or is subject to any order, judgment, or decree of any court of competent jurisdiction entered within five years before the commencement of the offering permanently restraining or enjoining the person from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any false filing with any state.

(2) Upon application by the issuer, disqualification from the exemption specified in paragraph (b)(1) may be waived in writing by the administrator under any of the following conditions:

(A) The issuer demonstrates that it did not know and in the exercise of reasonable care could not have known that a disqualification existed.

(B) The person subject to a disqualifying order under paragraph (b)(1)(A) through (b)(1)(C) is currently licensed to conduct securities-related business in the state in which the administrative order or judgment was entered against the person.

(C) The agency that created the basis for disqualification determines, upon a showing of good cause, that it is not necessary under the circumstances to disqualify the person from use of the exemption, and the administrator concurs with that determination.

(D) The issuer demonstrates good cause that a disqualification should be waived by the administrator.

(c) Effect of noncompliance. Each failure to comply with a requirement of subsection (a) shall constitute grounds for denying or revoking the exemption for a security or transaction and shall be grounds for other relief and sanctions under K.S.A. 17-12a603 and 17-12a604, and amendments thereto. However, upon application by the offeror, the failure to comply shall not result in loss of the exemption for any offer or sale to a particular individual or entity if the administrator determines that all of the following conditions are met:
(1) The failure to comply did not pertain to a condition directly intended to protect that particular individual or entity.

(2) The failure to comply was insignificant with respect to the offering as a whole.

(3) A good faith and reasonable attempt was made to comply with all applicable requirements of subsection (a).

(d) Stacking of exemptions. Offers and sales that are exempt under this regulation shall not be combined with offers and sales exempt under any other provision of the act or these regulations.

(f) Technical compliance insufficient. The exemption in subsection (a) shall not be available for any transaction that technically complies with this regulation but is part of a plan or scheme to evade registration or the conditions or limitations explicitly stated in this regulation.

(g) Recordkeeping. The issuer shall maintain, for at least five years, a written record of all information furnished by it to all offerees, and the issuer shall file copies of the record with the administrator upon written request. (Authorized by K.S.A. 2005 Supp. 17-12a605(a); implementing K.S.A. 17-12a201(6)(B); effective, T-87-28, Oct. 1, 1986; amended May 1, 1987; amended Aug. 15, 1988; amended Jan. 19, 1990; amended May 31, 1996; amended Oct. 26, 2001; amended Jan. 19, 2007; amended Aug. 15, 2008; amended Jan. 4, 2016.)

81-5-8. Fees for exemption filings and interpretive opinions. (a) A fee of $250 shall be remitted with each form D or notice filed in connection with the following exemptions:

81-5-10. Oil and gas exemptions. (a) Definitions. For purposes of this regulation, the following definitions shall apply:

(1) “Commission” shall be defined as specified in K.A.R. 81-1-1. However, the term shall not include any interest in the oil and gas estate being sold, including any overriding royalty interest and any interest in the production from the oil and gas estate, if the identity of the person or persons owning or holding the interest and the extent of the interest are fully disclosed to all purchasers.

(2) “Public auction” means the public sale of an interest in an oil and gas royalty, lease, or mineral deed to the highest bidder when the offer of the interest and the bids are communicated through open, public outcry and the sale is complete when the auctioneer so announces by the fall of the hammer or other customary manner.

(3) “Purchaser” means any individual, corporation, limited liability company, partnership, association, joint stock company, trust, or unincorporated organization. However, if an entity was organized for the specific purpose of acquiring the oil or gas interests offered, each beneficial owner...
of an equity interest or equity security in the entity shall count as a separate purchaser.

(b) Oil and gas transactions.

(1) K.S.A. 17-12a301 through 17-12a306 and K.S.A. 17-12a401, 17-12a402, and 17-12a504, and amendments thereto, shall not apply to any offer or sale of any limited partnership interest, fractional undivided interest, or certificate based upon any fractional undivided interest involving any oil or gas royalty, lease, or deed, including subsurface gas storage and payments out of production, if the land subject to the interest or certificate is located in Kansas and all sales are made in accordance with one of the following conditions:

(A) Each sale is made to a person who is or has been during the preceding two years engaged primarily in the business of drilling for, producing, or refining oil or gas or whose corporate predecessor, for a corporation, has been so engaged or whose officers and two-thirds of the directors, for a corporation having an existence of less than two years, have each been so engaged.

(B) Sales are made to not more than a total of 32 purchasers without regard to whether the purchasers reside within or without the state of Kansas; the seller reasonably believes that every purchaser is purchasing the interest or certificate for investment purposes and not for resale; no general solicitation is used in connection with the offer or sale of the interest or certificate to any person; and no commission is paid or given for the offer or sale of the interest or certificate or the solicitation of prospective purchasers.

(C) Each sale involves property that produces oil, gas, or petroleum products in paying quantities on the date of sale, and the seller, after the sale, does not retain any ownership interest in or control over the lease or the interest or interests that are being sold.

(2) The exemption provided by this subsection shall not be cumulative to or used in conjunction with any other exemption provided under K.S.A. 17-12a202, and amendments thereto.

(c) Oil and gas auctions. The offer and sale of any interest in an oil and gas royalty, lease, or mineral deed shall be exempt from the requirements of K.S.A. 17-12a301 through 17-12a306 and K.S.A. 17-12a401, 17-12a402, and 17-12a504, and amendments thereto, if the interest is sold at a public auction. (Authorized by K.S.A. 2005 Supp. 17-12a605(a); implementing K.S.A. 2005 Supp. 17-12a203; effective June 28, 1993; amended Jan. 19, 2007.)

81-5-12. Solicitations of interest before the filing of the registration statement. (a) Exemption. Each offer, but not a sale, of a security made by or on behalf of an issuer for the sole purpose of soliciting an indication of interest in receiving a prospectus for the security shall be exempt from the requirements of K.S.A. 17-12a301 through 17-12a306 and K.S.A. 17-12a504 and amendments thereto, if all of the following requirements are met:

1. The issuer shall be a business entity organized under the laws of the state of Kansas having, both before and upon completion of the offering, its principal office and a majority of its full-time employees located in this state.

2. At least 80 percent of the net proceeds from the offering shall be used in connection with the operations of the issuer in this state.

3. The issuer shall not be engaged in or propose to engage in petroleum exploration or production, mining, or other extractive industries and shall not be a development stage company that either has no specific business plan or purpose or has indicated that its business plan is to engage in merger or acquisition with an unidentified company or companies or other entity or person.

4. The offeror shall intend to register the security in this state and conduct its offering pursuant to one of the following federal laws or regulations, as adopted by reference in K.A.R. 81-2-1:

(B) SEC regulation A, 17 C.F.R. 230.251 et seq.; or

(C) rule 504 of SEC regulation D, 17 C.F.R. 230.504.

5. Ten business days before the initial solicitation of interest under this regulation, the offeror shall file with the administrator a solicitation of interest form KSC-15 along with any other materials to be used to conduct solicitations of interest, including the script of any broadcast to be made and a copy of any notice to be published.

6. Five business days before usage, the offeror shall file with the administrator any amendments to the foregoing materials or additional materials to be used to conduct solicitations of interest, except for materials provided to a particular offeree pursuant to a request by that offeree.

7. No solicitation of interest form, script, advertisement, or other material shall be used to
solicit indications of interest if the administrator has instructed the offeror not to distribute the material.

(8) Except for scripted broadcasts and published notices, the offeror shall not communicate with any offeree about the contemplated offering, unless the offeree is provided with the most current solicitation of interest form at or before the time of the communication or within five days after the communication.

(9) During the solicitation of interest period, the offeror shall not solicit or accept money or a commitment to purchase securities.

(10) No sale shall be made until seven days after the delivery of a prospectus to the purchaser.

(b) Each offeror shall comply with each of the following requirements:

(1) Each published notice or script for broadcast shall contain at least the identity of the chief executive officer of the issuer, a brief and general description of its business and products, and the following legends:

(A) “NO MONEY OR OTHER CONSIDERATION IS BEING SOLICITED AND NONE WILL BE ACCEPTED.”

(B) “NO SALES OF THE SECURITIES WILL BE MADE OR COMMITMENT TO PURCHASE ACCEPTED UNTIL DELIVERY OF AN OFFERING CIRCULAR THAT INCLUDES COMPLETE INFORMATION ABOUT THE ISSUER AND THE OFFERING.”

(C) “AN INDICATION OF INTEREST MADE BY A PROSPECTIVE INVESTOR INVOLVES NO OBLIGATION OR COMMITMENT OF ANY KIND.”

(D) “THIS OFFER IS BEING MADE PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE FEDERAL AND STATE SECURITIES LAWS. NO SALE MAY BE MADE UNTIL THE OFFERING STATEMENT IS REGISTERED IN THIS STATE.”

(2) All communications with prospective investors made in reliance on this regulation shall cease after a registration statement is filed in Kansas, and no sale may be made until at least 20 calendar days after the last communication made in reliance on this regulation.

(3) A preliminary prospectus or its equivalent may be used only in connection with an offering for which indications of interest have been solicited under this regulation if the offering is conducted by a registered broker-dealer.

(c) Disqualifications. The exemption specified in subsection (a) shall not be available to an offeror who knows, or in the exercise of reasonable care should know, that the issuer or any one of its officers, directors, 10 percent shareholders, or promoters meets any of the following conditions:

(1) Has filed a registration statement that is subject to a currently effective registration stop order entered pursuant to any federal or state securities law within five years before the filing of the solicitation of interest form;

(2) has been convicted, within five years before the filing of the solicitation of interest form, of any felony or misdemeanor in connection with the offer, purchase, or sale of any security, or any felony involving fraud or deceit, including forgery, embezzlement, obtaining money under false pretenses, larceny, and conspiracy to defraud;

(3) is subject to any current federal or state administrative enforcement order or judgment entered by any state securities administrator or the securities and exchange commission within five years before the filing of the solicitation of interest form;

(5) is subject to any federal or state administrative enforcement order or judgment that prohibits, denies, or revokes the use of any exemption from registration in connection with the offer, purchase, or sale of securities; or

(6) is subject to any current order, judgment, or decree of any court of competent jurisdiction that temporarily, preliminarily, or permanently restrains or enjoins the party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security, or involves the making of any false filing with the state, entered within five years before the filing of the solicitation of interest form.

(d) Effect of noncompliance.

(1) Failure to comply with any condition of subsection (a) shall constitute grounds for denying or revoking the exemption for a specific security or transaction and shall be grounds for other relief and sanctions under K.S.A. 17-12a603 and 17-12a604, and amendments thereto. However, upon application by the offeror, the failure to comply shall not result in the loss of the exemption for any offer to a particular individual or entity if the administrator determines that all of the following conditions are met:
81-5-13 OFFICE OF THE SECURITIES COMMISSIONER

(A) The failure to comply did not pertain to a condition directly intended to protect that particular individual or entity.

(B) The failure to comply was insignificant with respect to the offering as a whole.

(C) A good faith and reasonable attempt was made to comply with all applicable conditions of subsection (a).

(2) Failure to comply with any requirement in subsection (b) shall constitute grounds for denying or revoking the exemption for a specific security or transaction and shall be grounds for other relief and sanctions under K.S.A. 17-12a603 and 17-12a604, and amendments thereto, but shall not result in the loss of the exemption for the entire offering.

(e) Waivers.

(1) Upon application by the offeror and the showing of good cause, any condition of this exemption may be waived in writing by the administrator.

(2) Upon application by the offeror and the showing of good cause, the disqualification specified in subsection (c) may be waived in writing by the administrator under any of the following circumstances:

(A) The person subject to the disqualification is currently licensed or registered to conduct securities-related business in the state in which the administrative order or judgment was entered against the person.

(B) The broker-dealer employing the person is registered in Kansas, and the form BD filed in Kansas discloses the order, conviction, judgment, or decree relating to the person.

(C) The agency that created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that the exemption be denied, and the administrator concurs with that determination.

(3) The absence of any objection or order by the administrator with respect to any offer of securities undertaken pursuant to this regulation shall not be deemed to be a waiver of any condition of the regulation and shall not be deemed to be a confirmation by the administrator of compliance with this regulation.

(f) Integration. An offer made in reliance on this regulation shall not result in a violation of the registration requirements by virtue of being integrated with subsequent offers or sales of securities, unless the subsequent offers and sales would be integrated under federal securities laws.

(g) Effect on other exemptions. Issuers on whose behalf indications of interest are solicited under this regulation shall not make offers or sales in reliance on K.S.A. 17-12a202(1) or 17-12a202(14) and amendments thereto, or K.A.R. 81-5-6, until six months after the last communication with a prospective investor made pursuant to this regulation. (2) The issuer shall reasonably believe that all purchasers are purchasing for investment and not with the view to or for resale in connection with a distribution of the security. Each resale of a security sold in reliance on this exemption within 12 months of sale shall be presumed to be with a view to distribution and not for investment, except a resale pursuant to a registration statement effective under K.S.A. 17-12a305(h) and amendments thereto or a resale to an accredited investor pursuant to an exemption available under the act.

(3) Each communication with a prospective investor shall meet the requirements of subsection (d).

(4) Within 15 days after the first sale in this state, the issuer shall file with the administrator a notice of transaction on form D or the NASAA model accredited investor exemption uniform notice of transaction, a copy of the general announcement, and the fee specified in K.A.R. 81-5-8.

(D) is subject to any current order, judgment, or decree of any court of competent jurisdiction, entered within the last five years, temporarily, preliminarily, or permanently restraining or enjoining the party from engaging in or continuing to engage in any conduct or practice involving fraud or deceit in connection with the purchase or sale of any security.

(c) Waivers. Upon application by the issuer, any disqualification specified in paragraph (b)(2) may be waived in writing by the administrator if one of the following conditions is met:

(1) The party subject to the disqualification is licensed or registered to conduct securities-related business in the state in which the order, judgment, or decree creating the disqualification was entered against the party.

(A) The information is delivered through an electronic database that is restricted to persons who have been prequalified as accredited investors.

(B) The information is delivered after the issuer reasonably believes that the prospective purchaser is an accredited investor.

(2) Improper use of discretionary authority. An investment adviser or investment adviser representative shall not exercise any discretionary power in placing an order for the purchase or sale of securities for any client without obtaining written discretionary authority from the client within 10 business days after the date of the first transaction placed pursuant to oral discretionary authority, unless the discretionary power is limited to the price at which and the time when an order shall be executed for a definite amount of a specified security.

(3) It shall constitute a rebuttable presumption that the following legal or disciplinary events involving the investment adviser or a management person of the investment adviser are material to an
evaluation of the adviser’s integrity for a period of 10 years from the date of the event, unless the legal or disciplinary event was resolved in the investment adviser’s or management person’s favor or was subsequently reversed, suspended, or vacated:

(4) The information required to be disclosed by paragraph (e)(2) shall be disclosed to clients before further investment advice is given to the clients. The information shall be disclosed to prospective clients at least 48 hours before entering into any written or oral investment advisory contract, or no later than the time of entering into the contract if the client has the right to terminate the contract without penalty within five business days after entering into the contract.

(5) For purposes of calculating the 10-year period during which events shall be presumed to be material under paragraph (e)(3), the date of a reportable event shall be the date on which the final order, judgment, or decree was entered, or the date on which any rights of appeal from preliminary orders, judgments, or decrees lapsed.

(6) Compliance with this subsection shall not relieve any investment adviser from any other disclosure requirement under any federal or state law.

(F) the amount in addition to the advisory fee that the client will be charged for the costs of the solicitor’s services, and any difference in fees paid by clients if the difference is attributable to the existence of any arrangement in which the investment adviser has agreed to compensate the solicitor for soliciting clients for, or referring clients to, the investment adviser.

(7) Nothing in this subsection shall be deemed to relieve any person of any fiduciary or other obligation to which a person may be subject under any law.

(g) Prohibited conduct: agency cross transactions.

(1) For the purposes of this subsection, “agency cross transaction for an advisory client” shall mean
a transaction in which a person acts as an investment adviser in relation to a transaction in which the investment adviser, or any person controlling, controlled by, or under common control with the investment adviser, including an investment adviser representative, acts as a broker-dealer for both the advisory client and another person on the other side of the transaction. Each person acting in this capacity shall be required to be registered as a broker-dealer in this state unless excluded from the definition of broker-dealer under K.S.A. 17-12a102, and amendments thereto.

(2) An investment adviser shall not effect an agency cross transaction for an advisory client unless all of the following conditions are met:

(A) The advisory client executes a written consent prospectively authorizing the investment adviser to effect agency cross transactions for the client.

(B) Before obtaining this written consent from the client, the investment adviser makes full written disclosure to the client that, with respect to agency cross transactions, the investment adviser will act as broker-dealer for both parties to the transaction, receive commissions from both parties, and have a potentially conflicting division of loyalties and responsibilities.

(C) At or before the completion of each agency cross transaction, the investment adviser sends the client a written confirmation. The written confirmation shall include all of the following information:

(i) A statement of the nature of the transaction;
(ii) the date the transaction took place;
(iii) an offer to furnish, upon request, the time when the transaction took place; and
(iv) the source and amount of any other remuneration that the investment adviser received or will receive in connection with the transaction.

For a purchase in which the investment adviser was not participating in a distribution, or a sale in which the investment adviser was not participating in a tender offer, the written confirmation may state whether the investment adviser has received or will receive any other remuneration and that the investment adviser will furnish the source and amount of remuneration to the client upon the client’s written request.

(D) At least annually, the investment adviser sends each client a written disclosure statement identifying the total number of agency cross transactions during the period since the date of the last disclosure statement and the total amount of all commissions or other remuneration that the investment adviser received or will receive in connection with agency cross transactions for the client during the period.

(E) Each written disclosure and confirmation required by this subsection includes a conspicuous statement that the client may revoke the written consent required under paragraph (g)(2)

(A) at any time by providing written notice to the investment adviser.

(F) No agency cross transaction in which the same investment adviser recommended the transaction to both any seller and any purchaser is effected.

(3) Nothing in this subsection shall be construed to relieve an investment adviser or investment adviser representative from acting in the best interests of the client, including fulfilling fiduciary duties with respect to the best price and execution for the particular transaction for the client, nor shall this subsection relieve any investment adviser or investment adviser representative of any other disclosure obligations imposed by the act or the regulations under the act.

(h) Prohibited conduct: use of senior-specific certifications and professional designations.

(1) An investment adviser or investment adviser representative shall not use a senior-specific certification or designation that indicates or implies that the user has special certification or training in advising or servicing senior citizens or retirees in any way that misleads any person. This prohibition shall include the following:

(A) The use of a certification or professional designation by a person who has not earned or is otherwise ineligible to use that certification or designation;

(B) the use of a nonexistent or self-conferred certification or professional designation;

(C) the use of a certification or professional designation that indicates or implies a level of occupational qualifications obtained through education, training, or experience that the person using the certification or professional designation does not have; and

(D) the use of a certification or professional designation that was obtained from a designating or certifying organization that meets any of the following conditions:

(i) Is primarily engaged in the business of instruction in sales or marketing;

(ii) does not have reasonable standards or procedures for ensuring the competency of its designees or certificate holders;
(iii) does not have reasonable standards or procedures for monitoring and disciplining its designees or certificate holders for improper or unethical conduct; or
(iv) does not have reasonable continuing education requirements for its designees or certificate holders to maintain the professional designation or certification.

(2) There shall be a rebuttable presumption that a designating or certifying organization is not disqualified solely for purposes of paragraph (h) (1)(D) if the organization has been accredited by any of the following:
(A) The American national standards institute;
(B) the national commission for certifying agencies; or
(C) an organization that is on the United States department of education’s list titled “accrediting agencies recognized for title IV purposes,” if the designation or credential does not primarily apply to sales or marketing, or both.

(3) In determining whether a combination of words or an acronym or initialism standing for a combination of words constitutes a certification or professional designation indicating or implying that a person has special certification or training in advising or servicing senior citizens or retirees, the factors to be considered shall include the following:
(A) The use of one or more words including “senior,” “retirement,” “elder,” or similar words, combined with one or more words including “certified,” “registered,” “chartered,” “adviser,” “specialist,” “consultant,” “planner,” or similar words, in the name of the certification or professional designation; and
(B) the manner in which the words are combined.

(4) For purposes of this subsection, the terms “certification” and “professional designation” shall not include a job title within an organization that is licensed or registered by a state or federal financial services regulatory agency, including an agency that regulates broker-dealers, investment advisers, or investment companies, if that job title indicates seniority or standing within the organization or specifies an individual's area of specialization within the organization.

(i) Applicability to federal covered investment advisers. To the extent permitted by federal law, the provisions of this regulation governing investment advisers shall also apply to federal covered investment advisers. (Authorized by K.S.A. 17-12a605(a); implementing K.S.A. 17-12a412(d) (13) and 17-12a502(a)(2) and (b); effective Oct. 26, 2001; amended Aug. 18, 2006; amended Aug. 15, 2008; amended May 22, 2009; amended Jan. 4, 2016.)

81-14-6. Electronic filing for investment advisers and investment adviser representatives. (a) Designated entity. The IARD and CRD shall be authorized to receive and store filings and collect related fees from investment advisers and investment adviser representatives, respectively, on behalf of the administrator.
(b) Electronic filing. Unless otherwise required by this regulation, all investment adviser and investment adviser representative applications, amendments, reports, notices, related filings, and fees required to be filed with the administrator pursuant to the act and these regulations shall be filed electronically with and transmitted to the IARD and the CRD.
(c) Electronic signatures. When a signature is required on any filing to be made through the IARD or CRD, the applicant or a duly authorized officer of the applicant shall affix an electronic signature to the filing by typing the individual’s name in the appropriate field and submitting the filing to the IARD or CRD. Submission of a filing in this manner shall constitute a legal signature by any individual whose name is typed on the filing.
(d) Exception to electronic filing. Any documents or fees required to be filed with the administrator that are not permitted to be filed with or cannot be accepted by the IARD or CRD shall be filed directly with the administrator.
(e) Hardship exemptions.
(1) Temporary hardship exemption.
(A) Criterion for exemption. Investment advisers registered or required to be registered under the act who experience unanticipated technical difficulties that prevent submission of an electronic filing to IARD or CRD may request a temporary hardship exemption from the requirements to file electronically.
(B) Application for exemption. To apply for a temporary hardship exemption, the investment adviser shall file a written request with the securities administrator in the state where the investment adviser's principal place of business is located. The request shall be submitted in a form approved by the securities administrator, and the request shall be filed no later than one business day after the due date for the filing that is the sub-
ject of request. The investment adviser shall also submit the filing that is the subject of the request in electronic format to IARD or CRD no later than seven business days after the filing was due.

(C) Effective date: upon filing. If the request is in proper form, the temporary hardship exemption shall be deemed effective upon receipt by the securities administrator. Multiple temporary hardship exemption requests within the same calendar year may be disallowed by the securities administrator.

(2) Continuing hardship exemption.
   
   (A) Criterion for exemption. A continuing hardship exemption shall not be granted unless the investment adviser is able to demonstrate that the electronic filing requirements of this regulation are prohibitively burdensome.

   (B) Application for exemption. To apply for a continuing hardship exemption, the investment adviser shall file a written request with the securities administrator in the state where the investment adviser’s principal place of business is located. The request shall be submitted in a form approved by the securities administrator, and the request shall be filed no later than 20 business days before the due date for the filing that is the subject of the request. If the investment adviser’s principal place of business is located in Kansas and the request is filed with the administrator in a form approved by the administrator, the request shall be either granted or denied by the administrator within 10 business days after the filing of the request.

   (C) Effective date: upon approval. The exemption shall be effective upon approval by the securities administrator in the state where the investment adviser’s principal place of business is located. The time period of the exemption shall be no longer than one year after the date on which the request is filed. If the securities administrator approves the request, the investment adviser shall, no later than five business days after the exemption approval date, submit filings to the IARD or CRD in paper form, along with the appropriate processing fees, for the period of time for which the exemption is granted.

   (3) Recognition of exemption. The decision to grant or deny a request for a hardship exemption shall be made by the securities administrator in the state where the investment adviser’s principal place of business is located, and the decision shall be adhered to by the administrator. (Authorized by K.S.A. 2005 Supp. 17-12a105 and 17-12a605(c); effective Oct. 26, 2001; amended Aug. 18, 2006.)

The notice filing for a federal covered investment adviser pursuant to K.S.A. 17-12a405, and amendments thereto, shall be filed on form ADV with the IARD. A notice filing of a federal covered investment adviser shall be deemed filed when the fee required by K.A.R. 81-14-2 and the form ADV are filed with and accepted by the IARD on behalf of the administrator.

   (b) Part 2 of form ADV. Until the IARD accepts the electronic filing of part 2 of form ADV, part 2 shall be deemed by the administrator to be filed if a federal covered investment adviser provides part 2 to the administrator within five business days of a request by the administrator.

   (c) Renewal notice filing. The annual renewal of the notice filing for a federal covered investment adviser pursuant to K.S.A. 17-12a405, and amendments thereto, shall be filed with the IARD. The renewal of the notice filing for a federal covered investment adviser shall be deemed filed when the fee required by K.A.R. 81-14-2 is filed with and accepted by the IARD on behalf of the administrator.

   (d) Updates and amendments. Each federal covered investment adviser shall file with the IARD, in accordance with the instructions in the form ADV, any amendments to the federal covered investment adviser’s form ADV. (Authorized by K.S.A. 2005 Supp. 17-12a605(a); implementing K.S.A. 2005 Supp. 17-12a405(c); effective Oct. 26, 2001; amended Aug. 18, 2006.)

81-14-9. Custody of client funds or securities; safekeeping; financial reporting. (a) Definitions. For the purposes of this regulation, the following definitions shall apply:

   (1) “Custody” means holding, directly or indirectly, client funds or securities, or having any authority to obtain possession of them or the ability to appropriate them.

   (A) Each of the following circumstances shall be deemed to constitute custody:

   (i) Possession of client funds or securities unless received inadvertently and returned to the send-
er promptly, but in any case within three business
days of receiving the funds or securities;

(ii) any arrangement, including a general power
of attorney, under which an investment adviser is
authorized or permitted to withdraw client funds
or securities maintained with a custodian upon
the adviser's instruction to the custodian; and

(iii) any arrangement that gives an investment
adviser or its supervised person legal ownership of
or access to client funds or securities, which may
include an arrangement in which the investment
adviser or its supervised person is the trustee of
a trust, the general partner of a limited part-
nership, the managing member of a limited lia-
tion company, or a comparable position for a pooled
investment vehicle.

(B) Receipt of a check drawn by a client and made
payable to an unrelated third party shall not meet
the definition of custody if the investment adviser
forwards the check to the third party within three
business days of receipt and the adviser maintains
the records required under K.A.R. 81-14-4(b)(22).

(2) “Independent party” means a person that
meets the following conditions:

(A) Is engaged by an investment adviser to act
as a gatekeeper for the payment of fees, expenses,
and capital withdrawals from a pooled investment;

(B) does not control, is not controlled by, and is
not under common control with the investment
adviser; and

(C) does not have, and has not had within the
past two years, a material business relationship
with the investment adviser.

(3) “Independent representative” means a person
who meets the following conditions:

(A) Acts as an agent for an advisory client, which
may include a person who acts as an agent for
limited partners of a pooled investment vehicle
structured as a limited partnership, members of
a pooled investment vehicle structured as a lim-
ited liability company, or other beneficial owners
of another type of pooled investment vehicle;

(B) is obliged by law or contract to act in the
best interest of the advisory client or the limited
partners, members, or other beneficial owners;

(C) does not control, is not controlled by, and
is not under common control with the investment
adviser; and

(D) does not have, and has not had within the
past two years, a material business relationship
with the investment adviser.

(4) “Qualified custodian” means any of the fol-
lowing independent institutions or entities:

(A) A bank or savings association that has de-
posits insured by the federal deposit insurance
corporation;

(B) a broker-dealer registered under the act
who holds client assets in customer accounts and
complies with K.A.R. 81-3-7(d);

(C) a futures commission merchant registered
under section 6f of the commodity exchange act,
7 U.S.C. § 6f, who holds client assets in customer
accounts, but only with respect to clients' funds
and security futures, or other securities incident-
tal to transactions in contracts for the purchase or
sale of a commodity and options of the commodity
for future delivery; and

(D) a foreign financial institution that custom-
arily holds financial assets for its customers, if the
foreign financial institution keeps the advisory cli-
ients' assets in customer accounts segregated from
its proprietary assets.

(b) Safekeeping of client funds and securities.

(1) Requirements. An investment adviser regis-
tered or required to be registered under the act shall
not have custody of client funds or securities unless
the investment adviser meets each of the following
conditions. “An act, practice, or course of business
that operates or would operate as a fraud or deceit,”
as used in K.S.A. 17-12a502 and amendments there-
to, shall include any violation of this subsection.

(A) Notice to administrator. The investment
adviser shall notify the administrator promptly on
form ADV that the investment adviser has or will
have custody.

(B) Qualified custodian. A qualified custodian
shall maintain the funds and securities in a sep-
ate account for each client under each client's
name, or in accounts that contain only funds and
securities of the investment adviser's clients under
the name of the investment adviser as agent or
trustee for each client.

(C) Notice to clients. If an investment adviser
opens an account with a qualified custodian on
behalf of its client, either under the client's name
or under the investment adviser's name as agent,
the investment adviser shall notify the client in
writing of the qualified custodian's name, address,
and the manner in which the funds or securities
are maintained. The notice shall be given promptly
when the account is opened and following any
changes to the information.

(D) Account statements. The investment advis-
er shall ensure that account statements are sent to
each client for whom the adviser has custody of
funds or securities.
(i) Statements sent by the qualified custodian. If a qualified custodian maintains accounts containing funds or securities, the qualified custodian may send account statements to clients if the investment adviser has a reasonable basis for believing that the qualified custodian sends an account statement at least quarterly to each of the adviser’s clients for whom the custodian maintains funds or securities and that the account statement sets forth all transactions in the account during the period and identifies the amount of funds and amount of each security in the account at the end of the period.

(ii) Statements sent by the adviser. If account statements are not sent by the qualified custodian in accordance with paragraph (b)(1)(D)(i), the investment adviser shall send an account statement at least quarterly to each client for whom it has custody of funds or securities. The account statement shall set forth all transactions in the account during the period and identify the amount of funds and amount of each security of which it has custody at the end of the period.

At least once during each calendar year, a CPA firm that is registered and authorized to provide attest services in compliance with requirements of the state where the investment adviser is domiciled shall be engaged by the investment adviser to attest to the accuracy, in all material respects, of the account statements sent to clients by the investment adviser based on a comparison with records of transactions and balances of funds and securities maintained by the qualified custodian. The attest engagement shall be performed in accordance with attestation standards established by the AICPA and contained in the “AICPA professional standards,” as specified in K.A.R. 74-5-2. The CPA firm shall perform the attest engagement without prior notice or announcement to the adviser on a date that changes from year to year as chosen by the CPA firm. The CPA firm shall file a copy of its independent accountant’s report with the administrator within 30 days after the completion of the attest engagement. The CPA firm, upon finding any material exceptions during the course of the engagement, shall notify the administrator of the finding within two business days by means of a facsimile transmission or electronic mail, followed by first-class mail, directed to the attention of the administrator.

(iii) Special rule for pooled investment vehicles. If the investment adviser is a general partner of a pooled investment vehicle structured as a limited partnership, is a managing member of a pooled investment vehicle structured as a limited liability company, or holds a comparable position for another type of pooled investment vehicle, the account statements required under this subsection shall be sent to each limited partner, member, or other beneficial owner or that person’s independent representative.

(E) Independent representatives. A client may designate an independent representative to receive, on the client’s behalf, notices and account statements as required under paragraphs (b)(1)(C) and (b)(1)(D). Thereafter, the investment adviser shall send all notices and statements to the independent representative.

(F) Direct fee deduction. Each investment adviser who has custody, as defined in paragraph (a)(1)(A)(ii), by having fees directly deducted from client accounts held by a qualified custodian shall obtain prior written authorization from the client to deduct advisory fees from the account held with the qualified custodian.

(G) Pooled investments. Each investment adviser who has custody, as defined in paragraph (a)(1)(A)(iii), and who does not meet the exception provided under paragraph (b)(2)(C) shall comply with each of the following requirements:

(i) Engage an independent party. The investment adviser shall hire an independent party to review all fees, expenses, and capital withdrawals from the pooled accounts.

(ii) Review of fees. The investment adviser shall send all invoices or receipts to the independent party, detailing the amount of the fee, expenses, or capital withdrawal and the method of calculation so that the independent party can determine that the payment is in accordance with the agreement governing the pooled investment vehicle and so that the independent party can forward to the qualified custodian approval for payment of an invoice with a copy to the investment adviser.

(iii) Notice of safeguards. The investment adviser shall notify the administrator on form ADV-11, setting forth safeguards specified in this subsection.

(2) Exceptions.

(A) Shares of mutual funds. With respect to shares of a mutual fund that is an open-end company as defined in section 5(a)(1) of the investment company act of 1940, 15 U.S.C. 80a-5(a)(1), as adopted by reference in K.A.R. 81-2-1, any investment adviser may use the mutual fund’s transfer agent in lieu of a qualified custodian for purposes of complying with paragraph (b)(1).
(B) Certain privately offered securities. An investment adviser shall not be required to comply with paragraph (b)(1) with respect to securities that meet the following conditions:

(i) Are acquired from the issuer in a transaction or chain of transactions not involving any public offering;

(ii) Are uncertificated, with ownership of the securities recorded only on the books of the issuer or its transfer agent in the name of the client; and

(iii) Are transferable only with the prior consent of the issuer or holders of the outstanding securities of the issuer.

(C) Limited partnerships subject to annual audit. An investment adviser shall not be required to comply with paragraph (b)(1) with respect to the account of a limited partnership, limited liability company, or other type of pooled investment vehicle that is subject to audit at least annually and that distributes its audited financial statements presented in conformity with GAAP to all limited partners, members, or other beneficial owners within 120 days after the end of its fiscal year. The investment adviser shall notify the administrator on form ADV that the investment adviser intends to distribute audited financial statements.

(D) Registered investment companies. An investment adviser shall not be required to comply with paragraph (b)(1) with respect to an account of an investment company registered under the Investment Company Act of 1940, 15 U.S.C. 80a-1 et seq.

(E) Beneficial trusts. An investment adviser shall not be required to comply with the safekeeping requirements of paragraph (b)(1) if the investment adviser has custody solely because the investment adviser or an investment adviser representative is the trustee for a beneficial trust, if all of the following conditions are met for each trust:

(i) The beneficial owner of the trust is a parent, grandparent, spouse, sibling, child, or grandchild of the investment adviser representative, including "step" relationships.

(ii) The investment adviser provides a written statement to each beneficial owner of each account setting forth a description of the requirements of paragraph (b)(1) and the reasons why the investment adviser will not be complying with those requirements.

(iii) The investment adviser obtains from each beneficial owner a signed and dated statement acknowledging the receipt of the written statement.

(iv) The investment adviser maintains a copy of both documents described in paragraphs (b)(2)(E)(ii) and (iii) until the account is closed or the investment adviser or investment adviser representative is no longer trustee.

(F) Upon written request and for good cause shown, the requirement to use a qualified custodian may be waived by the administrator. As a condition of granting a waiver, the investment adviser may be required by the administrator to perform the duties of a qualified custodian as specified in paragraph (b)(1).

(c) Financial reporting requirements for investment advisers.

(1) Balance sheet. Each registered investment adviser shall prepare and maintain a balance sheet, as required by K.A.R. 81-14-4(b)(6), each month. The balance sheet shall be dated the last day of the month and shall be prepared within 10 business days after the end of the month. The investment adviser shall file the balance sheet with the administrator, for any month specified by the administrator, within five days after a request by the administrator.

(2) Exemptions. An investment adviser shall be exempt from the requirements of this subsection if the investment adviser has its principal place of business in a state other than Kansas, is properly registered in that state, and satisfies the financial reporting requirements of that state.

(d) Positive net worth requirement.

(1) Each investment adviser that is registered or required to be registered under the act shall maintain at all times a positive net worth.

(2) Notification. Each investment adviser registered or required to be registered under the act shall, by the close of business on the next business day, notify the administrator if the investment adviser is insolvent because its net worth is negative as determined in conformity with GAAP. The notification of insolvency shall include the investment adviser's balance sheet that states the insolvent financial condition on the date the insolvency occurred. Upon receiving the balance sheet, the administrator may require the investment adviser to file additional information by a specified date.

(3) Exception for out-of-state advisers. If an investment adviser has its principal place of business in a state other than Kansas and is properly registered in that state, the investment adviser shall be required to maintain the minimum capital required by the state in which the investment adviser maintains its principal place of business. (Authorized by K.S.A. 17-12a502(b) and 17-12a605(a);
implementing K.S.A. 17-12a411, as amended by L. 2013, ch. 65, sec. 3, and 17-12a502(a)(2); effective Aug. 18, 2006; amended Aug. 15, 2008; amended Oct. 25, 2013.)

81-14-10. Operational requirements for investment advisers; supervisory procedures; brochure delivery. (a) Supervision of investment adviser representatives and employees.

(1) Annual review. Each investment adviser shall conduct a review, at least annually, of the businesses in which the adviser engages, which shall be reasonably designed to assist in detecting and preventing violations of and achieving compliance with the act, these regulations, and other applicable laws and regulations.

(2) Supervisory procedures. Each investment adviser shall establish and maintain supervisory procedures that shall be reasonably designed to assist in detecting and preventing violations of and achieving compliance with the act, these regulations, and other applicable laws, regulations, and rules of self-regulatory organizations. In determining whether the supervisory procedures are reasonably designed, factors including the following may be considered by the administrator:

(A) The firm’s size;
(B) the organizational structure;
(C) the scope of business activities;
(D) the number and location of the offices;
(E) the nature and complexity of products and services offered;
(F) the volume of business done;
(G) the number of investment adviser representatives assigned to a location;
(H) the specification of the office as a non-branch location; and
(I) the disciplinary history of the registered investment adviser representatives.

(3) Supervision of non-branch offices. The procedures established and the reviews conducted shall provide sufficient supervision at remote offices to ensure compliance with applicable securities laws and regulations. Based on the factors specified in paragraph (a)(2), certain non-branch offices may require more frequent reviews or more stringent supervision.

(4) Failure to supervise. If an investment adviser fails to comply with this subsection, the investment adviser shall be deemed to have “failed to reasonably supervise” its investment adviser representatives under K.S.A. 17-12a412(d)(9), and amendments thereto.

(b) Brochure delivery requirements.

(1) Definitions. For purposes of this subsection, the following definitions shall apply:

(A) “Current brochure” and “current brochure supplement” mean the most recent versions of the brochure or brochure supplements, including all sticker amendments.

(B) “Entering into,” in reference to an investment advisory contract, shall not include an extension or renewal unless the extension or renewal involves a material change to the contract.

(C) “Sponsor” of a wrap fee program means an investment adviser that is compensated under a wrap fee program for sponsoring, organizing, or administering the program, or for selecting or providing advice to clients regarding the selection of other investment advisers in the program.

(D) “Wrap fee program” means an advisory program under which one or more specified fees, not based directly upon transactions in a client’s account, are charged for investment advisory services and the execution of client transactions. The investment advisory services may include portfolio management or advice concerning the selection of other investment advisers.

(2) General requirements. Unless otherwise provided in this subsection, each investment adviser registered or required to be registered under the act shall provide to each client and prospective client a firm brochure and one or more supplements as required by this subsection. The brochure and supplements shall contain all information required by part 2 of form ADV and any other relevant information that the administrator may require.

(3) Offer and delivery requirements.

(A) Each investment adviser shall deliver a current firm brochure to each client or prospective client. Each investment adviser shall also deliver current brochure supplements for each investment adviser representative who will provide advisory services to the client. For purposes of this subsection, an investment adviser representative shall be deemed to provide advisory services to a client if the investment adviser representative does any of the following:

(i) Regularly communicates investment advice to the client;

(ii) formulates investment advice for assets of the client;

(iii) makes discretionary investment decisions for assets of the client; or

(iv) sells investment advisory services or solicits, offers, or negotiates for the sale of investment advisory services.
(B) The documents required in paragraph (b) (3)(A) shall be delivered to the client at least 48 hours before entering into any investment advisory contract with the client or prospective client, or at the time of entering into a contract if the advisory client has a right to terminate the contract without penalty within five business days after entering into the contract.

(C) An investment adviser shall, at least once a year and without charge, deliver or offer in writing to deliver to each of its clients the current brochure and any current brochure supplements required by this subsection. If a client accepts the written offer, the investment adviser shall send the current brochure and supplements to that client within seven days after the investment adviser is notified of the acceptance.

(4) Delivery to limited partners. If the investment adviser is the general partner of a limited partnership, the manager of a limited liability company, or the trustee of a trust, then for purposes of this subsection the investment adviser shall treat each of the partnership's limited partners, the company's members, or the trust's beneficial owners as a client. For purposes of this subsection, a limited liability partnership or limited liability limited partnership shall be deemed to be a limited partnership.

(5) Wrap fee program brochures.

(A) If the investment adviser is a sponsor of a wrap fee program, then the brochure required to be delivered to a client or prospective client of the wrap fee program shall be a wrap fee brochure containing all information required by form ADV. Any additional information in a wrap fee brochure shall be limited to information applicable to wrap fee programs that the investment adviser sponsors.

(B) The investment adviser shall not be required to offer or deliver a wrap fee brochure to the client or prospective client of the wrap fee program if another sponsor of the wrap fee program offers or delivers a wrap fee program brochure containing all the information that the investment adviser's wrap fee program brochure is required to contain.

(C) A wrap fee brochure shall not take the place of any brochure supplements that the investment adviser is required to deliver under paragraph (b) (3)(A).

(6) Delivery of updates and amendments. The investment adviser shall amend its brochure and any brochure supplements and deliver the amendments to clients promptly if information contained in the brochure or brochure supplements becomes materially inaccurate. The investment adviser shall follow the updating and delivery instructions for part 2 of form ADV. An amendment shall be considered to be delivered promptly if the amendment is delivered within 30 days of the event that requires the filing of the amendment.

(7) Multiple brochures. If an investment adviser renders substantially different types of investment advisory services to different clients, the investment adviser may provide them with different brochures, if each client receives all applicable information about services and fees. The brochure delivered to a client may omit any information required by part 2 of form ADV if this information is applicable only to a type of investment advisory service or fee that is not rendered or charged, or proposed to be rendered or charged, to that client or prospective client.

(8) Other disclosure obligations. Nothing in this subsection shall relieve any investment adviser from any obligation to disclose any information to its advisory clients or prospective advisory clients pursuant to any state or federal law. (Authorized by K.S.A. 2005 Supp. 17-12a411(g) and 17-12a605(a); implementing K.S.A. 2005 Supp. 17-12a411(g) and 17-12a412(d)(9), as amended by L. 2006, Ch. 47, § 6; effective Aug. 18, 2006.)

81-14-11. Kansas private adviser exemption. (a) Exemption from registration. An investment adviser shall be exempt from the registration requirements of K.S.A. 17-12a403, and amendments thereto, if both of the following requirements are met:

(b) Notice filing. Each investment adviser that qualifies for exemption under subsection (a) shall be subject to or exempt from filing a notice with the administrator as follows:

(1) Notice filing requirement. Each investment adviser that manages assets of no more than $25 million on December 31 each year shall complete the identifying information required by item 1 of form ADV, part 1A and file the printed form with the administrator on or before February 1 of the following year. No fee shall be required with the notice filing required by this subsection.

(2) Exemption from notice filing requirement.  
(A) Each investment adviser that manages assets in excess of $25 million and is registered with the SEC shall be exempt from the notice filing requirements of K.S.A. 17-12a405, and amendments thereto, and of paragraph (1) of this subsection.

permitted by the commission, and amended complaints that have been permitted by the commission, shall be served by the commission. Each complainant shall supply the commission with a sufficient number of copies of the complaint to enable the commission to serve one copy upon each defendant and retain the signed original and seven copies for its own use, together with any other copies that may be required by the commission. When by these rules or by a notice given under them an act is required or allowed to be done at or within a specified time, the time for doing such act may be extended for good cause shown by the commission in its discretion, or the act may be done subsequent to the expiration of the prescribed time where the failure to act within such time was the result of excusable neglect, as permitted by the commission.

(c) Additional time after service by mail. Service is complete upon mailing. Three days shall be added to the prescribed period for any action required of the recipient. (Authorized by and implementing K.S.A. 1989 Supp. 55-604, K.S.A. 55-704, 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended July 23, 1990.)

In matters before the utilities division and transportation division of the commission, the filing of certified copies of the charter or articles of incorporation of every corporation directly affected by the proposed action and certified copies of all certificates, statements, or records that modify or extend the purpose or powers of such corporations, may be required. However, until so required, the applicant may incorporate the items by reference rather than by actually filing the copies.

The application shall set forth the facts upon which the application is based, in numbered paragraphs, and reference to the particular provision of the law or regulations of the commission requiring or providing for the same shall be made in the application.

Written responses to petitions for intervention shall not be required. However, if a responsive pleading is filed to a petition to intervene, the responsive pleading shall be served in accordance with K.S.A. 77-519, and amendments thereto, and these regulations.

Any party may file and serve a protest, motion, or other proper pleading within 10 days after service upon that party of any application, petition, notice, formal complaint, supplemental complaint, or amended complaint. However, protests to oil and gas conservation matters shall be filed with the conservation division within 15 days after publication of the notice of the application as required in K.A.R. 82-3-135a. Answers to formal complaints shall be filed as prescribed by K.A.R. 82-1-220 and these regulations.

These designations shall include applicant, complainant, defendant, and respondent.

(b) Pleading title. The title of the pleading shall be centered immediately beneath the caption and shall describe the pleading contained in the numbered paragraphs that follow.

(c) Numbered paragraphs. Following the title of the pleading, the pertinent allegations of fact and law, in compliance with these regulations, shall be set forth in numbered paragraphs.

(d) Numbered pages. Beginning with the second page of the pleading, each page of the pleading shall be numbered consecutively.

(1) By the party making the same or by one of the parties, if there is more than one party;

the requirements of K.S.A. 54-104, and amend-

an association may be verified by an officer or di-
rector of the corporation or association. Written
verification may be waived by the commission by
order at its discretion.

(h) Certificate of service. Whenever service of a
pleading is required by these regulations, the par-

a certificate of service upon the pleading to show
compliance with these regulations. The certificate
shall show service by any method authorized by
K.A.R. 82-1-216.

(i) Form. Each pleading shall be typewritten on

shall be rejected and returned to the party filing
the document.

(k) Amendments. The amendment of any
pleading may be allowed by the commission at its

82-1-220. Complaints. (a) Any person may
initiate a complaint proceeding by filing a formal
complaint with the commission in which the rates,
joint rates, fares, tolls, charges, regulations, classi-
fications, or schedules of any public utility, motor
carrier, or common carrier are alleged to be un-
reasonable, unfair, unjust, unjustly discriminato-y, or unduly preferential, or that allege that any
service performed or to be performed is illegal,
unreasonably inadequate, inefficient, or unduly
insufficient, or cannot be obtained.

(b) Formal complaints shall be submitted in
writing and shall comply with the requirements of
these regulations. Formal complaints shall meet
the following conditions:

(1) Fully and completely advise each respon-
dent and the commission as to the provisions of
law or the regulations or orders of the commission
that have been or are being violated by the acts or
omissions complained of, or that will be violated
by a continuance of acts or omissions;

(2) set forth concisely and in plain language the
facts claimed by the complainant to constitute the
violations; and

(3) state the relief sought by the complainant.

(c) Commission action required upon the filing
of a formal complaint. A formal complaint shall, as
soon as practicable, be examined by the commis-
sion to ascertain whether or not the allegations,
if true, would establish a prime facie case for ac-
tion by the commission and whether or not the
formal complaint conforms to these regulations.
If the commission determines that the formal
complaint does not establish a prima facie case for
commission action or does not conform to these
regulations, the complainant or the complaint’s
attorney shall be notified of the defects, and op-
portunity shall be given to amend the formal
complaint within a specified time. If the formal
complaint is not amended to correct the defects
within the time specified by the commission, it
shall be dismissed. If the commission determines
that the formal complaint, either as originally filed
or as amended, establishes a prima facie case for
commission action and conforms to these regula-
tions, each public utility, motor carrier, or com-
mon carrier complained of shall be served by the
commission a true copy of the formal complaint,
and the respondent or respondents shall either
satisfy the matter complained of or file a written
answer within 10 days.

(d) A complainant may file an amended com-
plaint on its own initiative upon leave granted by
the commission. Each amended complaint shall
set forth any new grounds for the complaint that
have accrued in favor of the complainant and
against the defendant subsequent to the filing of
the original complaint. Each amended complaint
shall be served by the commission, as provided by K.A.R. 82-1-216. If practicable, an amended complaint shall be heard, considered, and disposed of in the same proceeding as that for the original formal complaint.

(e) Multiple complaints or multiple complainants may be joined as provided by K.A.R. 82-1-224.

(f) Before or after the hearing, the parties to the proceeding may, with the approval of the commission, enter into a voluntary settlement of the subject matter of the complaint if both of the following conditions are met:

1. The matter in controversy affects only the parties involved.
2. The issue has no direct or substantial impact upon the general public.

(g) In furtherance of a voluntary settlement, the parties may be invited by the commission to confer with a designated hearing officer or staff member. These settlement conferences shall be informal and without prejudice to the rights of the parties. No statement, admission, or offer of settlement made at an informal settlement conference shall be admissible in evidence in any formal hearing before the commission. (Authorized by and implementing K.S.A. 55-704, K.S.A. 2001 Supp. 55-604, 66-106; effective Feb. 15, 1977; amended May 1, 1985; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-220a. Expedited review of disputes between telecommunications service providers. (a) The expedited review process shall be used to resolve disputes between competing telecommunications carriers in an expeditious manner. Except as specifically provided in this regulation, the provisions of K.A.R. 82-1-220 shall apply.

(b) This process may be used to bring expedited resolution to disputes under interconnection agreements entered into pursuant to 47 U.S.C. secs. 251 and 252 of the federal telecommunication act of 1996. This process shall be in addition to any dispute resolution process or procedure specified in the parties’ interconnection agreement. Use of this process may be requested if a dispute directly affects the ability of a party to provide uninterrupted service to its customers or affects the provisioning of any service, functionality, or network element. This process shall not be used for disputes that involve consumer complaints against the carriers or requests for damages. The commission or its designated examiner shall have the authority to shorten or lengthen the deadlines specified in this regulation if the circumstances warrant or if all parties agree.

(c) Each request for expedited review shall be filed at the same time and in the same document as those for a complaint filed in accordance with K.A.R. 82-1-220, but shall include the phrase "Request for Expedited Review" in the heading. Each complaint that includes a request for expedited review shall contain the following information:

1. A description of the specific circumstances that make the dispute eligible for expedited review;
2. A description of the particular service-affecting issue justifying the expedited review;
3. A description of the parties' efforts to resolve each disputed issue, including any steps taken in accordance with the dispute resolution process contained within the parties' interconnection agreement;
4. A list of cross-references to the area or areas of the interconnection agreement that are applicable to each disputed issue; and
5. Any proposed resolution of the dispute.

(d) On the same day on which any complaint or response to the complaint is filed with the commission in accordance with this regulation, the complaint or response shall be served on the other party, the commission legal staff, and the commission advisory counsel by hand delivery or by facsimile or electronic mail with telephonic confirmation of receipt.

(e) Within three business days after the filing of the complaint, the respondent shall respond to the issues that the complainant asserts justify the request for expedited review. If additional time is needed to respond to issues raised in the complaint, the respondent shall specifically designate which issues it will address in a later response, but the respondent shall respond to issues that the complainant has designated for expedited review.

(f) A member of the advisory counsel, legal staff, or technical staff may be designated by the commission to act as an examiner in this expedited proceeding. The designated examiner shall have the discretion to determine whether resolution of the complaint should be expedited in light of the complexity of the issues or other factors relevant to the need for a rapid and efficient decision. After reviewing the complaint and response, the examiner shall decide whether expedited review is warranted. If the examiner decides that an expedited review is warranted, the examiner shall schedule a
meeting as soon as practical considering the issues raised, but no more than 10 business days after the request for expedited review was filed.

(g) If the examiner determines that the complaint is not appropriate for expedited review, the examiner shall notify the parties in writing no more than 10 business days after the request for expedited review was filed. The complainant may appeal this decision to the commission within five business days of the written decision. A prompt ruling on the appeal shall be issued by the commission.

(h) Throughout the expedited review process, the examiner shall oversee the discussion between the parties and may act in the capacity of a mediator or negotiator. The examiner may issue an interim ruling that controls the actions of the parties until a formal hearing can be conducted or a subsequent written decision is filed. The interim ruling shall be in effect throughout the complaint process. Each interim ruling shall be considered as a nonfinal agency action.

(i) If the examiner determines that an informal resolution of the issues designated for expedited review is not possible, a hearing on the expedited issues shall commence no later than 15 business days after the complaint was filed. The examiner shall notify the parties not less than two business days before the hearing of the date, time, and location of the hearing.

(j) During the expedited review, each party shall refrain from taking action that would impair the other party's ability to offer service to its end users. Furthermore, both parties shall have at all meetings, unless otherwise agreed by the parties and the examiner, persons who are authorized to resolve the dispute.

(k) The examiner may require the parties to file decision point lists on or before the commencement of the hearing. The decision point lists shall identify all issues to be addressed in the expedited process, any witnesses who will be addressing each issue, and a synopsis of each witness's position on each issue. If the examiner requires the filing of decision point lists, the decision point lists shall be filed simultaneously. Except as provided in K.S.A. 66-1220a, and amendments thereto, relating to confidential information, all materials filed with the commission or provided to the examiner shall be subject to the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto.

(l) The examiner shall make written findings and recommendations on the expedited issues in the complaint within 10 business days after the close of the hearing. The examiner shall notify the parties by facsimile or electronic mail that the decision has been issued. If necessary to fully advise the commission about the expedited review, the examiner may file supplemental findings and recommendations. The examiner shall designate a time for parties to file objections, if any, to the examiner's findings and recommendations. Pursuant to K.S.A. 77-526(i) and amendments thereto, an order shall be promptly issued by the commission on the examiner's findings and recommendations regarding the issues. (Authorized by and implementing K.S.A. 2001 Supp. 66-106; effective Jan. 24, 2003.)

82-1-221. Exhibits and documentary evidence. (a) (1) The applicant shall file an original and at least seven copies of all exhibits and documentary evidence unless otherwise provided in these regulations.

(2) If an applicant is required to file with its application any map, profile, certificate, statement, or other document that has already been filed with the commission, the applicant may reference rather than attach the document. The applicant shall include in its application the fact that the document has been previously filed, and the date and the proceeding in which, or occasion on which, the filing was made. The application may request that the previously filed document be incorporated by reference.

(3) Court records may be offered into evidence by reference, but shall not be received over the objection of any party unless opportunity for examination has been afforded to the objecting party.

(b) Unless otherwise directed by the commission or hearing examiner, an original and seven copies of any exhibit a party intends to offer into evidence, other than in rebuttal, shall be filed with the commission at least 10 days before the date of the hearing, and one copy of any such exhibit shall be furnished to every other party to the proceeding at least 10 days before the date of hearing. For conservation division matters, an original and four copies of any exhibit an applicant intends to offer in evidence, other than in rebuttal, shall be filed with the conservation division at least 20 days before the hearing; an original and four copies of any exhibit an intervenor or protestant intends to offer in evidence, other than in rebuttal, shall be filed with the conservation division at least 10 days before the hearing. Exceptions to these requirements may be granted only for good cause shown.
Each party desiring to introduce an exhibit during the course of the hearing shall furnish six copies to the commission and one copy to every other party to the proceeding. Any exhibit that is not filed within the required time limit may be refused by the commission.

(c) The presiding commissioner or hearing examiner shall assign numbers to the exhibits at the time they are marked for identification at the hearing.

(d) If relevant and material matter offered as documentary evidence by any party is embraced in a book, paper, or document containing other matter not material or relevant, the party offering the documentary evidence shall plainly designate the matter offered. If other matter is in a volume that would encumber the record, the book, paper, or document shall not be received in evidence. In this case, the voluminous matter may be marked for identification, and, if properly authenticated, the relevant or material matter may be read into the record. Alternately, a true copy of the matter, in proper form, may be received as an exhibit if the presiding commissioner or examiner so directs.

82-1-221a. Confidentiality. The explanation shall further specify the harm or potential harm that disclosure would cause to the entity seeking nondisclosure.

(b) Requests for information classified as confidential shall be made by filing a written request with the executive director of the commission and using a form provided by the commission for this purpose, or by motion from a party to the docket in which the information is sought.
(1) If a request for information classified as confidential is not filed as a motion in an active KCC docket, the entity seeking to maintain the confidential status of the information shall be notified by the commission of the request. The entity seeking to maintain the confidential status shall have five working days after service, plus three days if service is by mail, to respond to this request. Any response filed with the commission in opposition to a request shall substantiate the basis for nondisclosure and shall be served upon the commission and the entity requesting disclosure. (2) A request made by a party to a docket for disclosure of confidential documents or information contained within the docket shall be made by motion. No party shall request disclosure from the commission of information classified as confidential until the party has requested the information in writing from the party seeking to maintain its confidential nature and this request has been denied. The motion shall proceed in accordance with the Kansas corporation commission’s rules of practice and procedure, K.A.R. 82-1-201 et seq.

(3) A determination of the confidential nature of the information and whether or not to require the disclosure of the confidential information requested under paragraphs (b)(1) and (b)(2) above shall be issued by the commission in accordance with K.S.A. 66-1220a and amendments thereto.

(c) Each person making a request pursuant to K.S.A. 45-215 et seq., and amendments thereto, for nonconfidential information shall submit the request in writing and shall include the requester’s name, address, telephone number, and the name of the business or entity represented.

(d) Confidential documents submitted to the corporation commission before the adoption of this regulation, including information required by statute, regulation, or order of the commission, shall be handled in accordance with statutes, regulations, and orders applicable at the time the document was submitted. However, issues that are not germane to each other and that require separate and distinct proof shall not be joined in the same proceeding.

(b) Two or more dockets may be consolidated by the commission for hearing on a common record if the commission deems it to be in the public interest to do so.

(c) The broadening of issues may be permitted by the commission in any proceeding before the commission.

(d) Two or more grounds of complaint involving the same purposes, subjects, or statement of facts may be included in one complaint, but shall be separately stated and numbered.

(e) Two or more complainants may join in one complaint if their respective causes of complaint are against the same defendant or defendants and involve substantially the same purposes, subjects or subject matter and a similar statement of facts. (Authorized by K.S.A. 2001 Supp. 55-604, 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended Oct. 10, 2003.)

82-1-225. Intervention. This regulation shall apply to both KAPA and non-KAPA proceedings. (a) The presiding officer shall grant a petition for intervention if the following conditions are met:

(1) The petition is submitted in writing to the presiding officer, with copies mailed to all parties named in the presiding officer's notice of the hearing, at least three days before the hearing.

(2) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law.

(3) The presiding officer determines that the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

(b) The presiding officer may grant a petition for intervention at any time upon determining that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(c) If a petitioner qualifies for intervention, the presiding officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. The conditions may include the following:

(1) Limiting the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition;

(2) limiting the intervenor's use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(3) requiring two or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(d) The presiding officer, at least 24 hours before the hearing, shall issue an order granting or denying each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The presiding officer may modify the order at any time, stating the reasons for the modification. The presiding officer shall promptly give notice of an order granting, denying, or modifying intervention to the petitioner for intervention and to all parties. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended July 23, 1990; amended Oct. 10, 2003.)

Every subpoena shall contain the caption of the dock et and shall command each person to whom it is directed to attend and give testimony at the time and place specified.

(b) A subpoena duces tecum shall be issued in the same manner and form as a subpoena for the attendance of a witness, and may command the person to whom it is directed to produce the books, papers, documents, or tangible items designated in the subpoena. Upon a prompt motion, and in any event at or before the time specified in the subpoena duces tecum for compliance, any of the following actions may be taken by the commission:

(1) Quash or modify the subpoena if it is unreasonable and oppressive; or

(2) condition denial of the motion upon the advancement by the party on whose behalf the subpoena is issued of the reasonable cost of producing the books, papers, documents, or tangible items.

(c) Service of a subpoena or subpoena duces tecum shall be made by delivering a copy of the subpoena or subpoena duces tecum to the person and by tendering to the person the fees for one day’s attendance and the mileage allowed by law. A subpoena or subpoena duces tecum may be served by means of any of the following:

(1) Restricted mail;

(2) the sheriff;

(3) the sheriff’s deputy; or

(4) any other person who is designated by the commission or the party requesting issuance thereof, who is not a party to the proceeding, and who is not less than 18 years of age.

The subpoena or subpoena duces tecum and fees may then be issued by the commission as requested in the petition. The petitioning party shall be directly responsible for the payment of any and all costs incurred by the sheriff, the sheriff’s deputy, or any other person in serving the subpoena or subpoena duces tecum. (Authorized by and implementing K.S.A. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended July 23, 1990; amended Oct. 10, 2003.)

The provisions of these regulations governing hearings before the commission shall be applicable to hearings conducted by the presiding officer.

(b) Convening of hearings. On the date and at the place and time stated in the notice of the hearing, the presiding officer conducting the hearing shall call the docket by announcing the docket number and by reading the caption of the case into the record. The local counsel shall first enter the local counsel's own appearance and shall then orally move for the admission of the nonresident attorney with whom local counsel is associated. The oath required by K.S.A. 7-104, and amendments thereto, shall be administered to any nonresident attorneys by the presiding officer. An oral order admitting them as attorneys or representatives in the proceeding then pending shall be made by the presiding officer, and they shall enter their appearances on the record.

(2) Except as otherwise specified in paragraph (3) of this subsection, a corporation shall not be permitted to enter an appearance, except by its attorney.

(4) opening statements of attorneys or other representatives for the parties, if requested by the commission. Opening statements, if any, shall be made immediately before the introduction of testimony.

(f) Hearing room conduct.

(1) The conduct of attorneys and other representatives during a hearing shall be the same as the conduct required of attorneys in the district courts of Kansas. Anyone whose conduct before the commission is deemed inappropriate may be refused permission to appear by the commission.

(2) Smoking shall not be permitted on commission premises.

82-1-229. Use of prefiled testimony. (a) In lieu of oral examination, the examination of witnesses may be presented or, if required by the commission or by these regulations, shall be presented in written question-and-answer form. Presentation of prefiled testimony may be required by the commission in accordance with this regulation if it is deemed that doing so would be in the public interest and would be conducive to a fair and expeditious disposition of the proceeding. Any party may object to the use of prefiled testimony by a witness, and the objecting party shall have a right to be heard by the commission or the presiding officer at the hearing on the objection.

(b) All prefiled testimony shall be in typewritten form, double-spaced, on paper that is 8½ inches

An original and four copies of any prefiled testimony that an intervenor or protestant intends to offer into evidence, other than rebuttal, shall be filed with the conservation division at least 10 days before the hearing.

(d) At the hearing, after any prefiled testimony has been properly identified and authenticated under oath by the witness, upon motion, the prefiled testimony may be incorporated into the record in the same way as if the questions had been asked of the witness and the answers had been given by the witness orally. The prefiled testimony shall be subject to the same rules of evidence as if given orally, and the witness presenting the prefiled testimony shall be subject to cross-examination. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended, E-82-1, Jan. 21, 1981; amended May 1, 1981; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-230. Hearings; evidence and procedure. (a) Rules of evidence. The rules of evidence as stated in article four of the Kansas code of civil procedure shall be applied by the commission at all of its hearings. However, the presiding officer may relax the rules of evidence if the presiding officer believes that it is in the public interest to do so and will aid in ascertaining the facts. If an objection is made to the admissibility of evidence, the presiding officer may rule upon the objection or may receive the evidence subject to a subsequent ruling on the objection by the commission. The presiding officer may exclude inadmissible evidence on the presiding officer's own motion and may order cumulative evidence discontinued. All parties may note their exceptions on the record to any ruling or other action of the presiding officer.

(b) Order of procedure at hearings. The presiding officer shall determine the order of procedure at hearing.

(1) Unless otherwise ordered by the presiding officer, the following shall apply:

(A) The applicants shall open and close at hearings on applications.

(B) The complainant shall open and close at hearings on formal complaints.

(C) The staff counsel shall open and close at hearings on investigations initiated by the commission.

(3) The presiding officer shall designate when each intervenor may be heard.

(4) In all hearings, the presiding officer may direct departures from the suggested order of procedure.

(c) Examination and cross-examination of witnesses.

(1) Subject to the provisions of K.A.R. 82-1-229, concerning the use of prefiled testimony, each witness shall be examined and cross-examined orally and under oath in the order determined by the presiding officer. The direct examination of each witness shall be followed by cross-examination of the witness. Redirect examination, if any, shall be limited in scope to the testimony upon cross-examination. Recross examination, if any, shall be limited in scope to the testimony upon redirect examination.

(2) No more than one attorney for each party shall examine or cross-examine a witness. The presiding officer may require that only one attorney be allowed to cross-examine a witness on behalf of all parties united in interest. To facilitate the orderly and expedient conduct of hearings, the presiding officer may appoint a member of the commission's legal staff to assist any party not represented by counsel in cross-examining witnesses and in presenting evidence.

(d) Going off the record. All testimony shall be taken on the record unless permission to go off the record is first granted, upon request, by the presiding officer.

(e) Excluded evidence. If an objection to a question propounded to a witness is sustained by the presiding officer, the examining attorney may make a proffer of the excluded evidence. The presiding officer may add other statements to clearly show the character of the evidence, the form in which it was offered, the objection made, and the ruling made. Upon request, the excluded testimo-
ny or evidence shall be marked and preserved for the record upon appeal.

(f) Further evidence. At any stage of the hearing, or after the close of the testimony, the presiding officer may call for further evidence upon any issue and may require such evidence to be presented by the party or parties concerned or by the staff counsel, either at the hearing or at a further hearing.

(g) “Late-filed” exhibits. The presiding officer may authorize any party to the proceeding to file, within a designated time period, specific documentary evidence as part of the record. Exhibit numbers may be assigned in advance at the hearing to these items of documentary evidence.

(h) Administrative notice. In addition to matters that are required or permitted to be judicially noticed by K.S.A. 60-409 and amendments thereto, the presiding officer may take administrative notice of commission files and records in deciding matters pending before it.

(i) Briefs. Submission of briefs by the parties may be authorized or required by the presiding officer or the commission. The period of time in which briefs and reply briefs shall be filed may be fixed by order setting the procedural schedule or at the close of the hearing by the presiding officer. Any brief required by an order setting the procedural schedule may be waived by the presiding officer at the close of the hearing or by further commission order. Briefs shall be served in the same manner and upon the same persons as required for other pleadings.

(j) Closing the record. A hearing shall be concluded and the matter shall be submitted to the commission when all parties have submitted any requested briefs and all parties have completed oral arguments. If the parties submit no briefs and make no oral arguments, the presiding officer shall announce that the record of exhibits and testimony is closed and that the matter is taken under advisement. The matter shall then be submitted to the commission.

(k) Reopening the record. After the record of testimony has been closed by the presiding officer, any party may apply to reopen the record for good cause shown. However, no record shall be reopened for further hearing except upon order of the commission. Any record of any hearing may be reopened by the commission on its own motion. (Authorized by and implementing K.S.A. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended May 1, 1985; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-230a. Settlement agreements. (a) As used in this regulation, the following definitions shall apply:

(1) “Settlement agreement” means an agreement between parties to a proceeding submitted to the commission to dispose of all or any part of the issues pending for decision.

(2) “Unanimous settlement agreement” means an agreement that is entered into by all parties to the proceeding or an agreement that is not opposed by any party that did not enter into the agreement.

(3) “Nonunanimous settlement agreement” means an agreement that is entered into by fewer than all parties to the proceeding and is opposed by one or more parties.

(b) Unanimous settlement agreements and nonunanimous settlement agreements shall be filed as pleadings and may be approved, rejected, or modified by the commission. A settlement agreement may contain or refer to explanatory material or information in support of the justness and reasonableness of the settlement agreement. A hearing may be conducted by the commission for the purpose of receiving evidence or argument concerning the settlement agreement.

(c) Each party objecting to the settlement agreement shall file a written objection within 10 days after the filing of the settlement agreement or within a shorter time period as directed by the commission. Failure to object in a timely manner shall constitute a waiver of that party’s right to object to the settlement agreement. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106, K.S.A. 2001 Supp. 74-616; effective Oct. 10, 2003.)

82-1-231. Filing requirements for rate proceedings. (a) Each electric, gas, telecommunications, or water utility whose rates are under review by the commission at the request of the utility shall comply with this regulation and shall be prepared to establish, by appropriate schedules and competent testimony, all relevant facts and data pertaining to its business and operations that will assist the commission in arriving at a determination of rates that are fair, just, and reasonable both to the utility and the public. However, a telecommunications utility subject to price cap regulation pursuant to K.S.A. 66-2005(b), and amendments thereto, shall not be required to file the information described in this regulation with applications requesting a change in rates pursuant
to K.S.A. 66-2005(g), (i), (j), (n), (o), (p), (r), and (s), and amendments thereto. Electric, gas, telecommunications, or water utilities whose rates are under review as a result of an investigation, complaint, or any other procedure may be required by the commission, on its own motion or by party request, to submit the same information described in subsection (c) of this regulation.

(b) Procedures for different classes of utilities.
(1) For filing purposes, each utility shall be classified according to K.A.R. 82-1-204a.

(d) Revisions of applications and schedules. If the applicant desires to make revisions to its application and schedules, other than minor corrections and insertions that require only interlineation and do not unduly prolong the hearing with respect to the application or schedules, the applicant shall file with the commission those revised schedules that are necessary to reflect the desired revisions, as follows:

(1) Each page of any such revised section or schedule shall bear the same section letter designation, schedule number, and page number as the original page with the word “Revised” and the date of the revision immediately below the original section, schedule, or page designation.

(5) Substantial revisions of the schedules, including changing to a different test year, may constitute grounds for a continuance of a scheduled hearing to a later date to be granted by the commission.

(e) Prefiled testimony shall be required in all utility rate proceedings filed according to subsection (c) of this regulation. The prefiled testimony shall be filed simultaneously with the filing of the application.

(f) Any data request issued by the technical staff shall be answered by the applicant within the time period stated on the data request. The publication notice shall give a concise description of the filing and advise the public of the date and location of each public information hearing. The public information hearing shall provide an opportunity for the applicant to explain its application and shall provide an opportunity for the public to address the commission concerning the application. A transcript shall be made of the public information hearing, but the transcript shall not become a part of the record in the proceeding.

(h) This regulation shall not apply to a change in rates for services by telecommunications utilities that are not subject to price regulation pursuant to K.S.A. 66-2005(v), and amendments thereto.

the commission. All petitions for reconsideration shall be filed pursuant to the appropriate statutory provisions relating to them.

(b) If the petitioner relies on the ground that the commission, in making its determination, did not consider any of the evidence presented in the proceeding, the petition for reconsideration shall cite that portion of the transcript where the testimony appears, if the transcript is available on the date of the commission's order. The application shall specify by number the exhibits and the pertinent portion of those exhibits that is alleged not to have been considered by the commission.

(c) A party filing a petition for reconsideration shall serve a copy of the petition upon all parties to the proceeding in the manner prescribed by these regulations for the filing and service of pleadings.

(d) The burden of going forward with the evidence shall rest upon the applicant or applicants requesting reconsideration.

(F) “Hardship well” means a well authorized by commission order to produce at a specified rate because reasonable cause exists to expect that production below the specified rate would damage the well and cause waste.

(G) “Injection well” means a well that is used for any of the following:

(i) To inject brine or other fluids that are brought to the surface in connection with natural gas storage operations or oil or natural gas production and that may be commingled with waste waters from gas plants that are an integral part of production operations, unless those waste waters are classified as a hazardous waste at the time of injection;

In these cases, the wellhead working pressure shall be determined by adjusting the observed tubing pressure for the effect of friction caused by flow through the tubing, or by using a bottom-hole pressure bomb and correcting back to wellhead conditions.

(83) “Well history” means the chronological record of the development and completion of a well.
(84) “Well log” means the written record progressively describing the well’s down-hole development.

82-3-110. Penalties for violations of well spacing, basic proration orders. (a) Any well drilled or being drilled in violation of an order or rule of the commission in effect at the time drilling commences shall be considered to be an unlawful location. A show cause order to determine whether the drilling of the well was necessary to protect correlative rights or prevent waste may be issued by the commission, either upon receipt of a complaint or on the commission's own motion. A hearing shall be held after notice to all interested parties.

(b) If the commission determines that good cause has not been shown or that an exception should be denied, an order may be issued by the commission requiring the well to be permanently capped or plugged and abandoned in accordance with the rules of the commission, or production at a reduced rate may be permitted by the commission.

82-3-111. Temporarily abandoned wells; penalty; plugging. (a) Temporary abandonment approval or plugging required. Within 90 days after operations cease on any well drilled for the purpose of exploration, discovery, service, or production of oil, gas, or other minerals, the operator of that well shall perform either of the following:

(1) Plug the well; or
(2) file an application with the conservation division requesting temporary abandonment authority, on a form prescribed by the conservation division.

(b) Approval of temporary abandonment. No well shall be temporarily abandoned as described in subsection (a) unless first approved by the conservation division. If the operations on any temporarily abandoned well or other inactive well are not resumed within one year after the application has been approved, the well shall be deemed a permanently abandoned well, and the operator of the well shall comply with regulations of the commission relating to the plugging of wells. Upon application to the conservation division before the expiration of the one-year period and for good cause shown, the period may be extended by the conservation division for one year. Additional one-year extensions may be granted by the conservation division. A well shall not be eligible for temporary abandonment status if the well has been shut in for 10 years or more without an application for an exception pursuant to K.A.R. 82-3-100 and approval by the commission. The failure to file a notice of temporary abandonment shall be punishable by a $100 penalty.

(c) Right of denial. After an application for temporary abandonment has been filed, the well shall be subject to inspection by the conservation division to determine whether its temporary abandonment could cause pollution of fresh and usable water resources. If necessary to prevent the pollution of fresh and usable water, temporary abandonment may be denied by the conservation division, and the well may be required to be plugged or repaired according to the direction of the conservation division and in accordance with its regulations.

(d) Plugging of temporarily abandoned wells. At the expiration of any approved temporary abandonment period, each well temporarily abandoned shall be plugged, repaired, or returned to operation in accordance with applicable regulations.

(e) Certain wells exempted. The requirements of this regulation shall not apply to any well that meets all of the following criteria:

(1) The well is fully equipped for production of oil or gas or for injection.
(2) The well is capable of immediately resuming production of oil or gas or of injection.
(3) The well is subject to a valid, continuing oil and gas lease.
(4) The cessation period for the well is less than 365 consecutive days.
(5) The well is otherwise in full compliance with all of the commission’s regulations.

(f) Post-exemption requirements. The date on which a well ceases to qualify for the exemption specified in subsection (e) shall be deemed to be the date operations ceased on the well, for purposes of subsection (a). (Authorized by K.S.A. 55-152; implementing K.S.A. 55-152 and 55-164; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended April 23, 1990; amended Jan. 25, 2002; amended Oct. 24, 2008.)

82-3-112. Shut-off test; when required. Whenever it appears to the conservation division that any water from any well is migrating or infiltrating into oil-bearing or gas-bearing strata or that any detrimental substances are infiltrating any fresh and usable water, a shut-off test may be required by the conservation division, to be made at the expense of the operator or owner of that well. The time and procedure for the taking of the test shall be fixed by the conservation division. Reasonable notice of the test shall be given to the owner or operator.

The person legally responsible for the proper care and control of any abandoned oil or gas well from which water is migrating or infiltrating into any oil-bearing or gas-bearing strata, or from which any detrimental substances are infiltrating any fresh or usable water, shall immediately plug or repair the well in accordance with K.A.R. 82-3-114 or 82-3-115 and shall prevent the infiltration of oil, gas, salt water or other detrimental substances into underground fresh and usable water strata. (Authorized by K.S.A. 55-602; implementing K.S.A. 55-157; effective, T-83-44, Dec.
82-3-113. Notice of intention to plug and abandon a well; supervision; penalty. (a) Notice required; penalty. Before any work is commenced to plug and abandon any well drilled for the discovery of oil or gas, for underground porosity gas storage, or for disposal of salt water, or to plug and abandon any injection well for enhanced recovery, including any well drilled below the fresh and usable water level, the operator shall give written notice to the conservation division of the intention to plug and abandon that well. The notice shall be submitted upon a form furnished by the conservation division and shall contain all of the information requested on it. The failure to file a notice of intention to plug and abandon a well shall be punishable by a $100 penalty.

(b) Plugging instructions; scheduling.
(1) Upon receipt of the notice, the notice shall be acknowledged by the conservation division by letter to the operator. The letter shall provide instructions to the operator, including the name of the district office that is to be notified, and a requirement that the operator submit a proposed plugging plan.

(2) The operator shall notify the appropriate district office of the operator’s proposed plugging plan no later than five days before the plugging.

(c) Exceptions. Exceptions from the notice requirement on the plugging of wells may be granted by the district office if either of the following conditions is met:
(1) A drilling rig already at work on location is ready to commence plugging operations on a dry and abandoned well.

(2) An emergency situation exists. In this case, the operator shall orally notify and present the plugging proposal to the district office.

82-3-114. Plugging methods and procedure. (a) Plugging of producing, storage, and injection wells. In addition to any other applicable requirements in these regulations, the methods and procedure for plugging a well drilled for exploration of oil or gas, for underground porosity gas storage, or for injection shall be as follows:
(1) For productive or past-productive oil or gas formations, a cement plug not less than 50 feet in length or a bridge capped with cement shall be placed above each such formation.

(2) Cement plugs of 50 feet or more in length shall be placed both above and below any fresh or usable water horizons. The lower plug shall extend at least 50 feet below the base of water zones, and the upper plug shall extend at least 50 feet above the top of the water zones.

(3) In each well plugged, a cement plug shall be placed near the surface of the ground in a manner that does not interfere with soil cultivation.

(b) Rathole and mousehole plugging. Each rathole and each mousehole shall be plugged by displacing any mud or water with cement from the bottom of the hole to near the surface in a manner that does not interfere with soil cultivation.

(c) Highly permeable formations. If the wellbore has penetrated both a highly permeable formation and an overlying major salt formation, a cement plug of 50 feet or more in length shall be set above the highly permeable formation. Additionally, a cement plug of 50 feet or more in length shall be set in the first formation compatible with cement in each of the following locations:
(1) Immediately above the salt formation; and
(2) immediately below the salt formation.

(d) Well location exceptions. In wells located within 330 feet from the lease or unit boundary or located within less than the minimum distance specified in K.A.R. 82-3-108(b), all zones that are perforated or open in the well and that are being produced on the lease adjacent to that boundary shall be plugged. This requirement shall not apply to zones that are not producing within one-half mile of the well to be plugged.

(e) Plugging intervals. All intervals between plugs within the same wellbore shall be filled with an approved heavy, mud-laden fluid of not less than 36 viscosity as measured using the marsh funnel method described in sections 4.1 and 4.2 of the “recommended practice standard procedure for field testing water-based drilling fluids,” second edition, dated September 1997 and published by the American petroleum institute. Sections 4.1 and 4.2 of this document are hereby adopted by reference. The approved heavy, mud-laden fluid shall
have a weight of not less than nine pounds per gallon. If the requirements of this subsection are not met, a bridge shall be set at all plugging intervals.

(f) Alternative plugging methods; when authorized.

(1) If the procedures specified in this regulation cannot be followed due to conditions in the casing or wellbore, alternative plug placement while ensuring the protection of fresh and usable water may be authorized by a representative of the commission.

(2) The operator, with the approval of the representative of the commission, may place cement in the well by using a dump bailer, pumping through tubing, or using any other method approved by the commission.

(g) Tagging plugs. Plugs may be tagged by the commission at the direction of the director of the conservation division.

82-3-115. Plugging methods and procedure for core and other stratigraphic holes; fees. The methods and procedure for plugging core and other stratigraphic holes shall be as follows:

(a) The owner or operator shall notify the commission prior to the plugging of each core or stratigraphic hole pursuant to the requirements of K.A.R. 82-3-115. An on-site inspection of the plugging operation may be conducted by a representative of the commission.

(b) Each core or stratigraphic hole that penetrates a regionally confined salt water aquifer shall be plugged so as to prevent the migration of salt waters into fresh or usable water.

(1) As used in this regulation, a “regionally confined salt water aquifer” means a salt water-bearing zone overlain by an aquitard which, in area, is coextensive with the salt water zone and restricts the movement of the salt water. Aquitard means a zone of low permeability.

(2) The hole shall be filled with a cement plug from a point 20 feet below the base of the regionally confined salt water aquifer to within 10 feet of the surface. The remaining hole shall be filled to surface with coarse ground bentonite.

(c) Each core or stratigraphic hole that does not penetrate a regionally confined salt water aquifer shall be plugged as follows:

(1) A bridge and cement plug shall be placed at the depth set forth as the base of the deepest fresh and usable water. The cement plug shall be not less than 50 feet in length or shall be placed to a point within 12 feet of the surface, whichever is the lesser length. The remaining hole shall be filled to the surface with coarse ground bentonite as defined in K.A.R. 82-3-101(a)(12);

(2) The interval or intervals between the bottom of any hole and the plug or plugs set in any hole shall be filled with an approved heavy mud laden fluid of not less than 9.4 pounds per gallon.

(d) Each core or stratigraphic hole that penetrates multiple usable or fresh water aquifers regionally confined by consolidated rock or strata, as distinguished from usable or fresh water zones in an unconsolidated stratum, shall be filled with cement from the bottom of the hole to the top of the highest aquifer, if identifiable and the remaining hole shall be filled with fine grain materials to within 20 feet of the surface, then with impermeable material to within 12 feet of the surface and the top 12 feet of the hole filled with coarse ground bentonite. If the top of the highest aquifer is not identifiable the hole shall be filled with cement from the bottom to within 12 feet of the surface and the remaining hole filled with coarse ground bentonite.

(e) Each core or stratigraphic hole that penetrates a usable or fresh water zone resulting in an artesian flow to the surface shall have a cement plug placed immediately above the top of the artesian water zone. The plug shall not be less than 25 feet in length or shall be placed to a point within 12 feet of the surface, whichever is the lesser length. The remaining hole shall be filled with coarse ground bentonite.

(f) If circulation is lost in the drilling of any hole and circulation cannot be regained, a cement plug shall be placed immediately above the zone of lost circulation. The plug shall not be less than 25 feet in length or shall be placed to a point within 12 feet of surface, whichever is the lesser length. The remaining hole shall be filled with coarse ground bentonite.

(g) Alternative plugging methods may be specified by the district supervisor when geological conditions warrant.

(h) Alternative plugging materials may be substituted for coarse ground bentonite upon approval.
by the Director of the Conservation Division. The Director shall base approval or denial upon material specifications including experimental results supplied by the manufacturer of such material and will keep a list available of all materials approved. The approval process for alternative plugging materials shall also be applicable to K.A.R. 82-3-115b.

(i) All core and stratigraphic holes shall be plugged as soon after being used as is reasonably practicable. However, such holes shall not remain unplugged for a period of more than 10 days after the drilling of the hole. An extension may be granted by the district supervisor if access to the hole is prevented by force of nature.

(j) A minimum fee of $5 shall be assessed for plugging of core and other stratigraphic holes. The minimum fee for any hole which penetrates a regionally confined salt water aquifer shall be assessed pursuant to K.A.R. 82-3-115. (Authorized by K.S.A. 1992 Supp. 55-152; implementing K.S.A. 1992 Supp. 55-151, 55-152, 55-164; effective March 20, 1995.)

The plug shall be placed from bottom to top using tubular goods for placement. Prior to plugging, the company shall immediately notify the appropriate district office for plugging instructions.

(d) If groundwater is not encountered in a seismic shot hole that is drilled with air, dry augured, or otherwise drilled, the hole shall be either pre-plugged or post-plugged by filling the hole with clay or silt sized cuttings from the point of collapse of the last shot to within 12 feet of the surface. The top 12 feet of the hole shall be filled with coarse ground bentonite. A non-metallic retrievable plug with identifying mark shall be placed three feet from the surface.

(e) The district supervisor may make changes in the plugging requirements on a case-by-case basis and may prescribe other methods where the district supervisor deems other plugging methods to be more appropriate due to geological or hydrologic conditions.

If one of the producing sources of supply is abandoned, the plugging of the abandoned source of supply shall be in accordance with the requirements of the commission.

(e) Plugging. If any common source of supply in an intended dual or multiple completion is found upon testing to be nonproductive, it shall immediately be plugged under the direction of a commission representative.

(f) Packer testing. Dual and multiple-completed wells shall be operated and maintained so as to ensure complete segregation of all fluids from the producing sources of supply. In monitoring installation of packers, and in inspecting dual and multiple-completed wells, tests shall be made by or at the direction of representatives of the commission to determine whether packer leakage exists. (j) Installation charge. An installation charge for each dual or multiple-completed well, and a charge for any inspection of such a well, shall be made to defray necessary expenses of supervision by the commission.

(k) Revocation. Failure of the operator of any dual or multiple-completed well to comply with any of the provisions of this regulation shall constitute grounds for the revocation of the order granting the dual or multiple completion, or the suspension or cancellation of current or future allowables of that well. If the order granting the dual or multiple completion of any well is revoked, all but one of the producing sources of supply shall immediately be sealed off under the direction of the commission.

(c) Production volumes for gas wells shall be balanced on the semiannual basis of April through September and October through March. Any over-age shall be made up in the six-month period following the six-month period in which it was accrued. Accrued underage shall be used in the six-month period after it is accrued, or it shall be canceled.

(d) Records kept for the subsequent year shall show the amounts that were made up during the time period denoted in subsection (b) or (c), and these amounts shall not be counted against the production allowable in the subsequent year.

(e) Any underage that is not made up within the time designated in subsections (b) and (c) shall be canceled and may not be reinstated except through application to the commission and for good cause shown.

(f) Any over-age that is not made up within the time designated in subsections (b) and (c) may be eliminated or reduced, at the discretion of the commission, through application to the commission for retroactive assignment of allowable and for good cause shown.

(g) Any overage that is not made up within the time designated in subsections (b) and (c) shall subject the well and operator to the penalties for overproduction. 82-3-200. Prevention of waste, protection of correlative rights, and prevention of discrimination between pools. (a) Any person having the right to drill, complete and operate wells from which oil from any common source of supply or pool is produced may produce on a monthly basis not more than that amount of crude oil from any well or lease than the allowable specified by the commission.

(b) Oil market demand.

1. A monthly hearing may be held by the commission to determine the total statewide oil allowable.

2. The statewide oil allowable shall be the amount of crude petroleum that can be produced daily throughout the state, during the next succeeding proration period, without causing waste.

3. The total statewide allowable shall be allocated by the commission among the prorated pools, leases and wells.

4. Any crude oil which is removed from a lease shall be charged against the allowable established for that lease, except in cases where permission is granted to use waste oil for oiling roads leading to the lease.
(c) The crude oil allowable shall be that amount of oil which may be produced currently from any pool without causing waste or injury to correlative rights, and without discriminating between pools.

(1) In determining allowables, the statistical status of each well or lease, as of the first day of the preceding proration period shall be considered by the commission.

(2) Any applicable overages and shortages for each well or lease shall be used in determining the statistical status of that well or lease.

**82-3-201. Oil production in prorated areas: balancing of underages.** Whenever an oil well producing in a prorated area fails to produce its allowable, this shortage or underage shall be carried forward for two months upon the monthly proration report of the commission. The well shall be permitted to produce the underage in addition to its designated allowable. If the commission determines, however, that a proration unit is incapable of producing its allowable, the accrued underages shall be cancelled. Whenever shortages are attributable to the lack of transportation facilities, these shortages shall not be accrued for more than 60 days from the date of the initial productivity test, except as otherwise ordered by the commission. (Authorized by and implementing K.S.A. 1999 Supp. 55-604; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1986; amended April 23, 1990; amended June 1, 2001.)

**82-3-202. Productivities, methods of determining, when required.** The productivity of all wells in prorated pools in this state shall be determined in accordance with the following rules.

(a) Type of test. The productivity of each well shall be determined by a physical test conducted in the manner in which the well is normally produced. The initial physical test shall be conducted within 30 days of the filing of the affidavit of completion for the well.

(b) Supervision. Each test shall be conducted under the supervision of the commission.

(c) Notice and witnesses. Each operator of a well on which a test is to be conducted shall notify the commission’s agent at least 12 hours before the beginning of a test. Any offset operator may witness the test.

(d) Temporary allowable of a well. After the operator files an affidavit of completion, a temporary allowable for the well shall be established and shall be effective for 30 days.

(e) Production considered. Only pipeline oil produced during the test shall be considered in determining a well’s productivity.

(f) Pool and productivity tests.

(1) Pool and productivity tests shall be taken initially and on an annual basis, except on wells which produced less than 25 barrels of oil per day at the time of the last current test.

(2) Those wells producing less than 25 barrels of oil per day shall be exempt from further testing unless the well becomes capable of producing more than 25 barrels of oil per day or unless otherwise ordered by the commission.

(3) Whenever, due to some act or omission of the operator, more than 15 months have lapsed since the last productivity test for a well was conducted, the well shall not be entitled to an allowable until tested, unless otherwise exempt.

(4) Any well that was tested less than three months before the date of a scheduled pool test shall not be required to take the pool test.

(5) Operators shall be notified 10 days before the start of a pool test.

(g) Good cause shown. The commission may, on its own motion and for good cause shown, direct the taking of a productivity test of any well or any pool. (Authorized by and implementing K.S.A. 55-604; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1986; amended May 1, 1988.)

**82-3-203. Production allowable.** (a) An allowable shall be assigned to each well in a nonprorated pool. The allowable shall be set by the following schedule and shall take effect on the date of first production:

<table>
<thead>
<tr>
<th>Depth of Producing Interval</th>
<th>Daily Production Allowable (barrels per well per day)</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-4000’</td>
<td>100</td>
</tr>
<tr>
<td>4001-6000’</td>
<td>200</td>
</tr>
<tr>
<td>Below 6000’</td>
<td>300</td>
</tr>
</tbody>
</table>

(b) Any interested party may file an application for an exception to this regulation with the conser-
vation division. The application shall include the following:

2. The allowable requested;
3. The geological name of the producing formation;
4. The top and bottom depths of the producing formation;
5. A list of the persons provided notice pursuant to K.A.R. 82-3-135a and the date that notice was provided; and
6. Any other relevant information that the commission may require.

(c) The applicant shall publish notice of the application pursuant to K.A.R. 82-3-135a and notice of any hearing pursuant to K.A.R. 82-3-135.

82-3-204. Reports by producers. The producer or operator of each well in prorated pools, including minimum wells, shall file each month a verified statement showing the amount of crude petroleum actually produced by each well and lease. 82-3-302. (Authorized by and implementing K.S.A. 55-704; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; revoked May 1, 1988.)

82-3-303. Determination of open flow of a gas well. In the absence of field rules to the contrary, the open flow capacity of a gas well shall be determined by flowing the well into a pipeline for a period of 24 to 72 hours, as required to attain stabilization through approved metering equipment. This procedure shall be known as a one point stabilized flow test. The rate of flow shall be recorded on a standard orifice meter chart, either graphically or mathematically, or recorded electronically in a flow computer connected to a metering device. The rate of flow at the end of the period shall be extrapolated to atmospheric pressure by using the characteristic well slope as determined from a multipoint back-pressure test.

(a) Multipoint back-pressure test. A multipoint back-pressure test shall be taken for determination of characteristic well slope, “n,” as determined from the equation

\[ Q = C(P_c^2 - P_w^2)^n \]

where:

- \( Q \) = the rate of flow, using MCF per day at 14.65 pounds per square inch absolute and 60°F;
- \( C \) = the performance coefficient of the well;
- \( P_c \) = wellhead shut-in pressure, expressed in pounds per square inch absolute and using the casing or tubing pressure, whichever is higher;
- \( P_w \) = static wellhead working pressure, expressed in pounds per square inch absolute, at the termination of each flow period. Except as otherwise provided, the casing pressure shall be used if the annulus is open to the formation. If the annulus is not open to the formation so that the pressure cannot be measured on a static column, the tubing pressure shall be used if the flowing pressure is corrected for friction. All squared pressures shall be expressed in thousands; and

\( n \) = a numerical exponent characteristic of the particular well, referred to as “slope.”

Multipoint back-pressure tests shall be limited to one per commercial gas well. A second test shall be permitted for a commercial gas well only if the well is recompleted into a separate common source of supply or for good cause shown.

The basic procedures for taking a multipoint back-pressure test shall be as follows:

1. The well shall be shut in for 72 hours, plus or minus six hours, and the shut-in pressure shall be taken. This shut-in pressure shall be considered stabilized unless readings taken with commission-approved equipment at a shorter period are higher. In this event, the highest recorded pressure during the test shall be used as the shut-in pressure. If the shut-in period appreciably affects the surface pressure, appropriate correction of the surface pressure shall be made in order to account for the pressure due to the liquid column.

2. If the well being tested has a pipeline connection, it shall be flowed for at least 24 hours before the shut-in period at a rate high enough to clear the well of liquids.

3. A series of at least four flow tests shall be taken. The tests shall be run in an increasing flow rate sequence. In the case of high liquid-to-gas ratio wells, a decreasing flow rate sequence may be used if the increasing sequence method will not give point alignment. If the decreasing sequence method is used, a statement giving the reasons why the use of this method is necessary, with a copy of the data taken on increasing sequence, shall be furnished to the commission.

4. Each flow test shall extend for not more than two hours. If the wellhead working pressure does not decline more than 0.1 percent of the wellhead shut-in pressure during any 15-minute period before the end of the two-hour flow period, the pressure may be recorded and the next flow test started. All subsequent flow periods shall be of the same duration.

5. If the back-pressure curve cannot be drawn through at least three of the plotted points, the well shall be retested. If upon retest a curve cannot be drawn through at least three of the plotted points, an average curve shall be drawn through the points of the test if the slope of the curve will be not more than 1.0 and not less than 0.5.

6. If the curve drawn through at least three points of the back-pressure test has a slope greater than 1.0 or less than 0.5, the well shall be retest-
ed. If upon retest the slope of the curve is greater than 1.0, a curve with a slope of 1.0 shall be drawn through the data point corresponding to the highest rate of flow. If upon retest the slope of the curve is less than 0.5, a curve with a slope of 0.5 shall be drawn through the data point corresponding to the lowest rate of flow.

(7) All tests shall be subject to review and approval by a representative of the state corporation commission.

(8) The lowest rate of flow on the test shall be at a rate high enough to keep the well clear of liquids.

(9) If possible, the working wellhead pressure at the lowest rate of flow shall be drawn down at least five percent of the well's shut-in pressure and, if possible, 25 percent of the well's shut-in pressure at the highest rate of flow. If data cannot be obtained in accordance with this paragraph, a written explanation shall be furnished to the commission.

(10) Correction for the compressibility of flowing gas shall be made in accordance with approved commission methods.

(11) If the static wellhead working pressure reading cannot be obtained due to packer or dual completion, the pressure shall be calculated by using appendix A in the document adopted by reference in paragraph (b)(4).

(12) If a satisfactory test cannot be obtained on wells whose indicated open flow is 500 mcf or less, an exception to the foregoing procedure may be granted by the commission and a slope of 0.85 may be assigned to the well.

(13) Upon completion of the test, all the calculations shall be shown on any approved form and shall be accompanied by a back-pressure curve neatly plotted on equal scale log paper of at least three-inch cycles.

(b) One-point stabilized flow test.

(1) An initial one-point stabilized flow test shall be made within 30 days from the date of first production of gas into a pipeline, and additional tests shall be taken yearly or as ordered by the commission. Upon the completion of all flow tests, a copy of the flow calculations shall be submitted to the commission.

(2) Immediately after the shut-in wellhead pressure is taken, the well shall be opened into the pipeline and gas shall be produced for the subsequent 24 to 72 hours at the test rate as required to reach stabilization. During this time, the working pressure at the wellhead shall be maintained as nearly as possible at 85 percent of the wellhead shut-in pressure, expressed in pounds per square inch gauge, or as close to 85 percent as operating conditions in the field will permit.

(3) The wellhead working pressure shall never be more than 95 percent or less than 75 percent of the wellhead shut-in pressure of the well being tested unless, in the judgment of the commission's representative, it is impractical to maintain the pressure within these limits. In this case, the well shall be produced at maximum capacity through either the tubing or the annulus, whichever will give the greater drawdown.

(4) The open flow shall be calculated by use of the formula specified in this paragraph. Flow shall be measured by an approved meter throughout the test period, and the wellhead and meter pressures shall be measured at the close of the test period by gauges approved for use in the state corporation commission's “manual of back pressure testing of gas wells,” written pursuant to commission order dated May 15, 1957, docket number 34,780-C (C-1825), which is hereby adopted by reference, including the appendices.

The rate at which the well is producing at the end of the flow period shall be considered the stabilized producing rate corresponding to the wellhead working pressure existing at that time, if the rate is not greater than the average producing rate for the entire flow period. The observed stabilized producing rate shall be converted to open flow by use of the following formula:

\[
OF = R \times \left( \frac{(P_c^2 - P_w^2)}{(P_a^2 - P_w^2)} \right)^n
\]

where:

- \(OF\) = Open flow, expressed in MCF/D.
- \(R\) = Stabilized producing rate, expressed in MCF per day at 14.65 pounds per square inch absolute and 60°F.
- \(P_a\) = Atmospheric pressure, expressed in pounds per square inch absolute.
- \(P_c\) = Wellhead shut-in pressure of the well, expressed in pounds per square inch absolute.
- \(P_w\) = Stabilized wellhead working pressure at rate \(R\), expressed in pounds per square inch absolute.
- \(n\) = Characteristic well slope as determined by the multipoint back-pressure test.
(5) Shut-in wellhead pressure shall be measured after the well has been shut in for approximately 72 hours. The well shall have been shut in for not less than 66 hours and not more than 78 hours when the shut-in pressure is taken. If the representative of the commission believes that the shut-in pressure taken upon a well is incorrect, the representative may require that the well be blown to clean fluids from the well bore or may take any other reasonable steps that may be necessary to get a true pressure reading upon the well. If more than one shut-in pressure is taken upon a well during the test period, the highest shut-in pressure obtained shall be used in calculating the open flow of the well.

(c) Metering devices. An orifice meter, a critical flow prover, or a turbine meter in good operating condition and properly calibrated in accordance with the manufacturer's recommendation shall be the only acceptable metering devices. The owner of the metering device shall have documentation of any recalibration or refurbishment of the metering device and shall furnish the documentation to the conservation division upon request.

82-3-304. Tests of gas wells. (a) Initial test.

1) Each operator shall conduct a multipoint back-pressure test and a one-point stabilized flow test, as specified in K.A.R. 82-3-303, on each gas well producing at least 250 mcf per day. The tests shall be conducted within 30 days of the first gas sales. The test results shall be filed with the commission within 60 days of the first gas sales.

2) Each operator shall conduct a 24-hour shut-in pressure test on each gas well producing less than 250 mcf per day. Each test shall be conducted within 120 days of the first gas sales. The test results shall be filed with the commission within 150 days of the first gas sales.

(b) Annual test. Before April 1 of each calendar year, each operator shall conduct a one-point stabilized flow test on each gas well producing at least 500 mcf per day. The test results shall be filed with the commission before May 1 of each calendar year.

(c) Test witnessing. Each test shall be conducted under the supervision of the conservation division, which may have an employee witness any test. A test of any individual well may be required by the commission at any time.

(d) Coalbed natural gas exemption.

1) Any operator of a well producing only coalbed natural gas may seek an exemption from subsection (a) or (b) by filing an application with the conservation division stating that only coalbed natural gas is produced from the well and that testing would be physically impossible or contrary to prudent practices. No well shall be exempt unless the application has been approved by the conservation division.

2) If the exemption is granted, the exemption shall continue in effect until the well no longer meets the criteria for exemption. The operator shall notify the conservation division immediately if the well begins producing oil or gas other than coalbed natural gas or if the well characteristics change so that testing becomes possible. (Authorized by K.S.A. 55-704; implementing K.S.A. 2014 Supp. 55-164 and K.S.A. 55-703; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1986; amended May 1, 1987; amended May 1, 1988; amended April 23, 1990; amended Aug. 29, 1997; amended Jan. 25, 2002; amended Jan. 14, 2005; amended June 1, 2007; amended Oct. 23, 2015.)

82-3-305. Gas to be metered. (a) Well, lease, or unitized property. All gas, when produced or sold, shall be metered with an approved meter of sufficient capacity. Gas may be metered from a lease or unitized property as a whole if it is shown that ratable taking can be maintained. Meters shall not be required for gas produced and used on the lease for development purposes and lease operations or for use in primary dwellings.

(b) Meters: calibration, testing, charts, and records. Each party who owns, maintains, or operates the metering device used to record gas sales from each well or lease in gas fields shall at a minimum test and calibrate the metering device on an annual basis by a method approved by the conservation division and retain the record of the testing and calibration for at least two years. Each party shall also retain for at least two years the original field record consisting of magnetic tapes, meter charts, electronic records, or records of gas purchases. All information retained shall be made available to the conservation division upon request.

(c) By-passes. By-passes shall not be connected around meters in a manner that will permit the improper taking of gas.
(d) Penalties. Each failure to comply with any of the requirements of this regulation shall be punishable by a $1,000 penalty. (Authorized by K.S.A. 55-152; implementing K.S.A. 55-164 and 55-703; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 8, 1989; amended Dec. 22, 2006.)

82-3-306. Report of gas produced. (a) Each party who owns, maintains, or operates the metering device used to record gas produced from each well in any prorated gas field shall file a monthly volume report showing the amount of gas actually metered on each well. The volume report shall be filed with the conservation division on or before the 20th day of the succeeding month in which the production occurred. Extensions of the time period within which the volume report shall be filed may be granted by the director. The form or electronic format used for reporting the volume shall be furnished or approved by the commission.

(b) Each party who owns, maintains, or operates the metering device used to record gas produced from each lease or well in any gas field under statewide general rules and regulations may be directed by the commission to file a volume report showing the amount of gas actually metered on each lease or well for a specified time period. The form or electronic format used for reporting the volume shall be furnished or approved by the commission. (Authorized by K.S.A. 2017 Supp. 55-152; implementing K.S.A. 2017 Supp. 55-176; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended April 23, 1990; amended Aug. 19, 1991; amended Dec. 6, 1993; amended Nov. 15, 1996; amended June 1, 2001; amended Dec. 22, 2006; amended June 15, 2018.)

82-3-307. Gas conservation assessment. In order to pay the conservation division expenses and other costs in connection with the administration of the gas conservation regulations not otherwise provided for, an assessment shall be made as follows:

(a) A charge of 20.50 mills shall be assessed on each 1,000 cubic feet of gas sold or marketed each month. The assessment shall apply only to the first purchaser of gas.

(b) Each month, the first purchaser of the production shall perform the following:

(1) Before paying for the production, deduct an amount equal to the assessment for every 1,000 cubic feet of gas produced and removed from the lease;

(2) remit the amounts deducted, in a single check if the purchaser desires, to the conservation division when the purchaser makes regular gas payments for this period; and

(3) show all deductions on the regular payment statements to producers, royalty owners, and other interested persons.

(c) The assessment established by the commission shall not apply to gas that is being returned to the ground for repressuring purposes within the field, but shall apply to gas that is produced and removed from the lease and returned to the ground for storage purposes. (Authorized by K.S.A. 2017 Supp. 55-152; implementing K.S.A. 2017 Supp. 55-176; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended April 23, 1990; amended Aug. 19, 1991; amended Dec. 6, 1993; amended Nov. 15, 1996; amended June 1, 2001; amended Dec. 22, 2006; amended June 15, 2018.)

(Authorized by K.S.A. 55-704; implementing K.S.A. 55-703; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended June 1, 2001.)

82-3-311. Drilling through gas storage formations. (a) Any person, firm, or corporation who, for any purpose, drills or causes the drilling of a well or test hole that penetrates or bores through any underground stratum or formation utilized for the underground storage of natural gas shall seal off the natural gas storage stratum or formation by either of the following:

(1) The methods and materials recommended by the operator of the gas storage facility and approved by the commission or its duly authorized representative; or

(2) any methods and materials that the commission determines to be fair, equitable, and reasonable.

(b) That person, firm, or corporation shall maintain the well or test hole in a manner that protects
the stratum or formation at all times against pollution and the escape of natural gas.

(c) Not less than 30 days before commencing or plugging a well or test hole as referred to in subsection (b), the person, firm, or corporation desiring to commence drilling or plugging operations shall give the operator of the gas storage facility and the commission notice in writing, by registered mail, of the date desired for commencement of drilling or plugging the well.

(d) Within 10 days after receipt of notice, the operator of the gas storage facility shall forward to the commission its recommendations as to the manner, methods, and materials to be used in the sealing off or plugging operation. (c) Gas measurement; continuing jurisdiction. The volume of gas vented or flared under this regulation shall be metered, measured, or monitored, and the charts or records shall be retained for two years. This information shall be reported to the commission semiannually or as designated by the commission. The continuing jurisdiction with authority to terminate the venting or flaring of gas when necessary shall lie with the commission.

82-3-403. Permitting factors; application approval. (a) Permitting factors. When a permit authorizing injection is issued, the following factors shall be considered by the conservation division:

(1) Maximum injection rate;
(2) surface pressure, formation pressure, pressure at the formation face, or all of the above;
(3) the type of injection fluid and the rock characteristics of the injection zone and the overlying strata;
(4) the adequacy and thickness of the confining zone or zones between the injection interval and the base of the lowest fresh and usable water; and
(5) the construction of all oil and gas wells within a ¼-mile radius of the proposed injection well, including all abandoned, plugged, producing, and other injection wells, to ensure that fluids introduced into the proposed injection zone will be confined to that zone. If deemed necessary by the conservation division to ensure the protection of fresh and usable water, this radius may be determined pursuant to 40 C.F.R. 146.6(a)(2), as published July 1, 2000, which is hereby adopted by reference.

(b) Conditions for simultaneous injection. Simultaneous injection may be permitted if, in addition to the requirements of subsection (a) above, all of the following conditions are met:

(2) Injection pressure is limited to less than the local injection formation fracture gradient.
(3) The injection well is continuously cemented across the injection and producing intervals.
(4) The well demonstrates mechanical integrity.
(c) Protection of fresh and usable water. Before any formations may be approved for use, determinations shall be made that these formations are separated from fresh and usable water formations by impervious beds to give adequate protection to the fresh and usable water formations.

(d) In reviewing applications for injection wells, the protection of hydrocarbons and water resources and oil and gas advisory committee recommendations concerning safe depths for injection for all producing areas in the state shall be considered by the conservation division.

(e) Minimum depth for injection. (f) For all injection well applications that require wellhead pressure to inject fluids, filed on and after December 8, 1982, the operator shall inject the fluids through tubing under a packer set immediately above the uppermost perforation or open-hole zone, except as specified in K.A.R. 82-3-406. A packer run on the tubing shall be set in casing opposite a cemented interval at a point immediately above the uppermost perforation or open-hole interval.

(g) Design approval. If the application requests design approval, approval of the design of the proposed well may be obtained before actual construction of the well.

(1) Each applicant shall be notified by the conservation division of its approval of the well design if both of the following conditions are met:
   (A) All requirements set forth in K.A.R. 82-3-401(a), K.A.R. 82-3-402(a), and K.A.R. 82-3-403(a) have been met.
   (B) The design of the proposed well will protect fresh and usable water.
(2) Upon completion of each well, the applicant shall submit a copy of the well completion report,
Production and Conservation of Oil and Gas  82-3-405

on the form furnished by the commission, to the conservation division. The application for the injection of fluid into the proposed well for injection purposes shall be approved, if there are not significant differences between actual construction and the approved designed construction of the proposed well and if the mechanical integrity of the well has been tested according to K.A.R. 82-3-407.

(b) Emergency authority. Emergency authority to inject or dispose of fluids at an alternate location, if a facility is shut in for maintenance, testing, or repairs, or by order of the commission, may be granted by the conservation division. (Authorized by K.S.A. 55-151, 55-152, 55-605, 55-901; implementing K.S.A. 55-151, 55-605, 55-901, 55-1003; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1984; amended April 23, 1990; amended April 5, 2002.)

82-3-404. Notice of commencement and discontinuance of injection operations; cessation of production from dually completed well; penalty.

(a) Immediately upon the commencement of injection operations, the applicant shall notify the conservation division of the date of commencement.

(b) Within 90 days after permanent discontinuance of injection operations, the operator of the project shall notify the conservation division of the date of the discontinuance and the reasons for discontinuance, and shall follow the provisions of K.A.R. 82-3-111.

(c) Cessation of production from dually completed well. Upon cessation of commercial production from the producing interval of a dually completed injection well, the injection authority shall be canceled by the conservation division unless the operator, through the filing of a modification, shows all of the following:

1. The perforations at the producing interval are sealed.
2. The casing above the injection packer has mechanical integrity according to K.A.R. 82-3-407.
3. The tubing-casing annulus is filled with a corrosion-inhibiting fluid.
4. If the injection zone lies stratigraphically above the Wellington salt and the wellbore has penetrated into or through the salt, a cement plug of at least 50 feet in length shall be placed in the borehole or casing below the injection zone and above the salt. However, if the plug is inside

82-3-405. Casing and cement. Injection wells shall be cased and the casing cemented so that damage will not be caused to hydrocarbon sources or fresh and usable water resources. Steel surface casing shall be set and cemented in the following manner:

(a) In existing wells to be converted to injection use, all additional casing that is next to the bore hole shall be cemented by circulating cement to the surface from a point at least 50 feet below the base of the lowest known fresh and usable water. If cement fails to circulate to the surface, staged squeezes shall be required to protect and isolate fresh and usable water resources. Cementing shall be completed with a portland cement blend, except as provided by K.A.R. 82-3-106(d)(3).

(b) The operator shall notify the appropriate district office before the cementing of the additional casing. A backside squeeze, the uncontrolled placement of cement in the annular space between the surface casing and the production casing from the surface down, shall be permitted only upon request to the appropriate district office. Each request shall be granted only upon the approval of the cement evaluation method to be utilized and submitted as verification of cement placement.

(c) An exception to the cementing requirements of subsection (a) may be granted by the director or the director’s designee. A written request for exception shall be submitted to the conservation division and shall include cement evaluation logs demonstrating that the proposed alternate process adequately protects fresh and usable water resources. The alternate process shall be proposed to be performed between the casing and the borehole at a point at least 50 feet below the base of the lowest known fresh and usable water resources to ensure protection of fresh and usable water resources.

(d) If the injection zone lies stratigraphically above the Wellington salt and the wellbore has penetrated into or through the salt, a cement plug of at least 50 feet in length shall be placed in the borehole or casing below the injection zone and above the salt. However, if the plug is inside
the casing, the annular space between the casing and the well bore shall be protected with cement through the same interval. (Authorized by K.S.A. 55-152, 55-157, and 55-901, as amended by L. 2001, ch. 5, sec. 198; implementing K.S.A. 55-1003, 55-152, and 55-157; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended May 1, 1987; amended May 8, 1989; amended April 23, 1990; amended April 5, 2002.)

(3) The annular space between the tubing and the casing shall be filled with a corrosion-inhibiting fluid or hydrocarbon liquid that has a specific gravity less than 1.00 and that is displaced and maintained at a point within 50 feet of the bottom of the tubing.
(4) Each wellhead shall be equipped with a pressure observation valve on the tubing and the tubing-casing annulus.
(5) A positive annulus pressure shall be maintained and monitored.
(6) Annulus pressure and injection surface pressure shall be monitored and recorded monthly and kept by the operator for five years.
(7) All pressure readings recorded shall be taken during actual injection operations and under static conditions.
(c) Injection without tubing may be authorized by the conservation division if all five of the following requirements are continuously met during the life of the well:

(1) The casing shall be cemented continuously from setting depth to surface.
(2) Surface wellhead injection pressure shall be recorded monthly and kept by the operator for five years.
(3) All pressure readings recorded shall be taken during actual injection operations.
(4) Mechanical integrity tests shall be performed at least every five years by running a retrievable plug to a depth of no more than 50 feet above the uppermost perforation or open hole of the injection zone or by another method approved by the conservation division.
(5) It shall be the sole responsibility of the operator of the tubingless completion to maintain the well so that the mechanical integrity tests can be performed as specified, or the well shall be immediately plugged and abandoned by displacing cement from the bottom of the well to the surface. (Authorized by K.S.A. 55-152, 55-901, as amended by L. 2001, ch. 5, sec. 198; implementing K.S.A. 55-152, 55-901, as amended by L. 2001, ch. 5, sec. 198, 55-1003; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1984; amended May 1, 1987; amended April 23, 1990; amended April 5, 2002.)

82-3-407. Mechanical integrity requirements; penalty. (a) Each injection well shall be completed, equipped, operated, and maintained in a manner that will prevent pollution of fresh and usable water, prevent damage to sources of oil or gas, and confine fluids to the interval or intervals approved for injection.

An injection well shall be considered to have mechanical integrity if there are no significant leaks in the tubing, casing, or packer and no fluid movement into fresh or usable water. Mechanical integrity shall be established on each well by one of the following:

(1) Pressure test. The annulus above the packer, or the injection casing in wells not equipped with a packer, shall be pressure tested at least once every five years under the supervision of a representative of the operator. The date for this test shall be mutually agreed upon by the operator's representative and a representative of the commission. Test results shall be verified by the operator's representative. A minimum of 25 percent of the tests conducted each year shall be witnessed by a representative of the commission. The test
shall be conducted in accordance with subsection (b). Injection wells within tubing shall be tested in accordance with K.A.R. 82-3-406.

(2) Alternate tests. Alternative test methods approved by the commission, including radioactive tracer surveys and temperature surveys, may be used to establish mechanical integrity if conditions are appropriate. The test shall be run at least once every five years under the supervision of a representative of the operator. The date for this test shall be mutually agreed upon by the operator's representative and a representative of the commission. Test results shall be verified by the operator's representative and shall be interpreted as specified in commission-approved procedures. A minimum of 25 percent of the tests conducted each year shall be witnessed by a representative of the commission.

(3) Monitoring. Once a month, the operator shall monitor and record, during actual injection, the pressure or fluid level in the annulus and any other information deemed necessary by the conservation division. An annual report of information logged shall be submitted to the conservation division in accordance with K.A.R. 82-3-409.

(4) Dually completed injection wells. For dually completed injection wells, the testing requirements shall include the following:

(A) The operator shall determine the fluid level in the annular space in the production casing and the fluid level within the injection tubing. All fluid level determinations shall be performed under static well conditions. The minimum shut-in time shall be 24 hours before determining the fluid level. Fluid level tapes shall be submitted as verification of measurements.

(B) The operator shall measure and report the oil-to-water ratio of produced fluids from the well. In the case of gas wells, the operator shall report changes in monthly production volumes.

(C) The fluid level determination and oil-to-water ratios shall be performed once every three months during the first year of the well's five-year test cycle, and then once a year for the next four years. The repeat test cycle of quarterly reports for one year and annual reports for four years shall begin on the five-year anniversary of the first fluid level test.

(b) Before operating a well drilled or converted to injection after December 8, 1982, an operator choosing to use a pressure test for the initial mechanical integrity test shall perform the test in the following manner:

(1) Wells constructed with tubing and a packer shall be pressure tested with the packer in place. A fluid pressure of 300 psig shall be applied. If the operator requests a pressure in excess of 300 psig on the injection application, a test pressure up to the requested pressure may be required. The duration of the test shall be at least 30 minutes. Maintenance of the fluid pressure during the test shall provide assurance of the integrity of the injection casing.

(2) For wells constructed with tubing and no packer, a retrievable plug or packer shall be set immediately above the uppermost perforation or open hole zone. A fluid pressure of 300 psig shall be applied. The duration of the test shall be at least 30 minutes. Maintenance of the fluid pressure during the test shall provide assurance of the integrity of the injection casing.

(3) For wells constructed with tubing and no packer, a method of pressure testing known as fluid depression may be conducted with prior approval and under guidelines established by the appropriate district office. The fluid in the well shall be depressed with gas pressure to a point in the wellbore immediately above the perforations or open hole interval. The minimum calculated pressure required to depress the fluid in the wellbore shall be no less than 100 psig.

(4) For simultaneous injection wells, the following requirements shall be met:

(A) Mechanical integrity shall initially be demonstrated at a pressure of 300 psig before installation of downhole simultaneous injection equipment and shall be demonstrated in the same manner each time that the downhole simultaneous injection equipment is removed; and

(B) after the initial mechanical integrity test, the operator shall monitor the well once each month and record the oil-to-water or gas-to-water ratio. The operator shall report the oil-to-water or gas-to-water ratio to the commission within 30 days for the first month and then annually at the time of filing the annual report according to K.A.R. 82-3-409. The operator shall immediately report an oil-to-water or gas-to-water ratio at or in excess of 10% over the prior month’s ratio to the appropriate district office.

(5) In lieu of paragraph (b)(3), the casing may be tested before perforating, upon approval of the conservation division. A fluid pressure of 300 psig shall be applied. If the operator requests a pressure in excess of 300 psig on the injection application, a test pressure up to the requested pressure may be required. The duration of the test shall be
at least 30 minutes. Maintenance of the fluid pressure during the test shall provide assurance of the integrity of the injection casing.

(c) The operator of any well failing to demonstrate mechanical integrity by one of the above methods shall have no more than 90 days from the date of initial failure in which to perform one of the following:

(1) Repair and retest the well to demonstrate mechanical integrity;

(2) plug the well; or

(3) isolate the leak or leaks to demonstrate that the well will not pose a threat to fresh or usable water resources or endanger correlative rights.

(d) Mechanical failures or other conditions indicating that a well is not, or may not be, directing the injected fluid into the permitted or authorized zone shall be cause to shut in the well. The operator shall orally notify the conservation division of any of these failures or conditions within 24 hours of knowledge of any failure or condition. The operator shall submit written notice of a well failure to the conservation division within five days of the occurrence together with a plan for testing and repairing the well. Results of the testing and well repair shall be reported to the conservation division, and all information shall be included in the annual monitoring report to the conservation division. Any mechanical downhole well repair performed on the well that was not previously reported shall also be included in the annual report.

(e) If the district office has approved the use of any chemical sealant or other mechanical device to isolate the leak before use, the injection pressure into the well shall not exceed the maximum mechanical integrity test pressure. Additionally, the well shall demonstrate mechanical integrity on an annual basis for the duration the well is completed in this manner.

(f) Each operator choosing a pressure mechanical integrity test on a well permitted for injection before December 8, 1982 or on a well having passed an initial pressure mechanical integrity test as specified in subsection (b) shall conduct the test in the following manner:

(1) Wells located in areas having saltwater-bearing zones with sufficient bottom-hole pressure to sustain a static fluid level at or above fresh or usable water bearing zones shall be pressure tested as specified in paragraphs (b)(1) and (2), except that the maximum required test pressure shall be limited to 300 psi.

(2) Wells located in areas without saltwater-bearing zones with sufficient bottom-hole pressure to sustain a static fluid level at or above fresh or usable water bearing zones shall be pressure tested as specified in paragraphs (b)(1) and (2), except that the maximum required test pressure shall be limited to 100 psi.

(3) For wells constructed with tubing and no packer, a method of pressure testing known as fluid depression may be conducted with prior approval and under guidelines established by the commission. The fluid in the well shall be depressed with gas pressure to a point in the wellbore immediately above the perforations or open-hole interval. The minimum calculated pressure required to depress the fluid in the wellbore shall be no less than 100 psi unless otherwise approved by the appropriate district office.

82-3-108. Duration of injection well permits; modification penalty. (a) Permits authorizing injection into wells shall remain valid for the life of the well, unless revoked by the commission for just cause.

(b) Modifications of any injection well permit may be made only upon application to the conservation division. Each application shall be submitted on the form furnished by the conservation division. The applicant shall give notice of the application to modify according to the provisions of K.A.R. 82-3-135a.

(c) An operator shall not be required to file an application to modify any injection well permit but shall file with the conservation division a no-
tice of modification on a form furnished by the conservation division for permit modifications for one or more of the following purposes:

1. The operator seeks to decrease the maximum injection pressure.
2. The operator seeks to decrease the maximum injection rate.
3. The operator seeks to add or delete leases disposing into the well but will not exceed the maximum authorized injection rate and pressure.
4. The failure to obtain conservation division approval of any modification to an existing injection well, other than the modifications designated in subsection (c), before resuming injection operations, or the failure to notify the conservation division under subsection (c) shall be punishable by a $1,000 penalty. (Authorized by K.S.A. 55-152 and K.S.A. 55-901; implementing K.S.A. 55-1003, K.S.A. 55-152, K.S.A. 55-164, and K.S.A. 55-901; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended May 1, 1985; amended, T-87-46, Dec. 19, 1986; amended May 1, 1987; amended May 8, 1989; amended April 23, 1990; amended March 19, 1999; amended April 5, 2002; amended Nov. 2, 2007.)

82-3-409. Record retention; annual report; penalty. (a) Each operator of an injection well shall perform the following:

1. Keep current, accurate records of the amount and kind of fluid injected into the injection well; and
2. preserve the records required in paragraph (a)(1) above for five years.
(b) Each operator of an injection well shall submit a report to the conservation division, on a form required by the commission, showing for the previous calendar year the following information:

1. The monthly average wellhead pressure;
2. the maximum wellhead pressure;
3. the amount and kind of fluid injected into each well; and
4. any other performance information that may be required by the conservation division.

The report shall be submitted on or before March 1 of the following year.

82-3-410. Transfer of authority to inject; penalty. (a) Authority to operate an injection well shall not be transferred from one operator to another without the approval of the conservation division. The transferring operator shall notify the conservation division in writing, on a form prescribed by the commission and in accordance with K.A.R. 82-3-136, of the intent to transfer authority to operate an injection well from one operator to another. In addition to the requirements of K.A.R. 82-3-136, the written notice shall contain the following information:

1. The name and address of the present operator and the operator’s license number;

8. the signature of the new operator and the date signed.
(b) The transferring operator may be required by the conservation division to conduct a mechanical integrity test as a condition of the transfer.

82-3-411. Authorization for existing injection wells. Each injection well authorized by order of the commission on or before December 8, 1982 shall be considered an existing injection well. Injection shall be prohibited in any existing well unless the operator had filed, on or before May 1, 1983, an inventory of existing injection wells on the form prescribed by the commission. (Authorized by K.S.A. 55-152, 55-901, as amended by L. 2001, ch. 5, sec. 198; implementing K.S.A. 55-152, 55-901, as amended by L. 2001, ch. 5, sec. 198, 55-1003; effective April 5, 2002.)

82-3-802. Gas-gathering services and access, complaint, hearing. (a) Each person offering any gas-gathering services or facilities essential to providing these services shall do so in a manner that is just, reasonable, not unjustly discriminatory, and not unduly preferential to persons seeking services or access to facilities.

(b) Each person performing gas-gathering services shall engage in practices and charge fees for such services that are just, reasonable, not unjustly discriminatory, and not unduly preferential.

(c) Any consumer of gas-gathering services, any person seeking direct purchase of natural gas at the wellhead, any royalty owner, or any natural gas producer may request that the commission investigate and initiate proceedings to review a fee, term, or practice being used by a person offering gas-gathering services.

(d) As a condition to commission action, the person under subsection (c) requesting the action shall file a complaint that includes the following:

(1) A statement that the complainant has presented the complaint, in writing, to the person offering gas-gathering services and has requested a meeting to discuss the complaint. A copy of this document shall accompany the complaint;

(2) a statement that the requested meeting took place and no resolution was reached or that the person offering gas-gathering services refused to meet;

(7) proof of service of the complaint on the gas gatherer.

(e) Upon the filing of a complaint, the parties to the complaint shall be contacted by the commission staff, and resolution of the matter shall be attempted by the commission staff through the use of informal procedures, including one or more of the following:

(1) A meeting with the complainant, the person offering gas-gathering services, and commission staff.

(2) A mediation conference conducted under the following procedures:

(A) Upon the request of any party and acceptance of the other party, the commission shall schedule a mediation conference. The purpose of the mediation shall be to assist the parties in reaching agreement on any disputed issues by the intervention of a third party who has no decision-making authority, is impartial to the issues being discussed, assists the parties in defining the issues in dispute, facilitates communication between the parties, and assists the parties in reaching resolution.

(B) Mediation conferences shall be conducted by mediators appointed by the commission who are qualified as mediators pursuant to the dispute resolution act, K.S.A. 5-501 et seq., and amendments thereto, and any relevant rules of the Kansas supreme court as authorized pursuant to K.S.A. 5-510, and amendments thereto.

(C) Persons with final settlement authority for each party shall be present, in person, at the mediation conference.

(D) All mediation conferences shall be conducted by a mediator in accordance with the dispute resolution act.

(E) The confidentiality and privilege provisions of K.S.A. 60-452(a) shall apply to all mediation conferences to assure that all verbal or written information transmitted between any party to a dispute and the mediator shall be treated as confidential information and that no admission, representation, or statement made in the mediation conference shall be admissible as evidence or subject to discovery.

(F) The costs of mediation shall be shared equally among all parties.
(G) The commission shall disseminate information about the mediation conference procedure.

(f) The commission may at any time review a fee, term, or practice. Upon notice and opportunity for hearing in accordance with the Kansas administrative procedures act, the authority to order the remediation of any violation of L. 1997, Ch. 132, § 24 shall rest with the commission.

(g) A formal hearing shall be scheduled by the commission if the complaint is not resolved by informal procedures within 60 days of its filing or upon notice that no party wishes to utilize any informal procedure. A scheduling order providing notice to the affected parties of the date of hearing and setting forth any additional conditions as the commission deems appropriate shall be issued by the commission.

(h) The hearing shall be conducted in accordance with the Kansas administrative procedure act, K.S.A. 77-501 et seq., and with the commission’s rules of practice and procedure, K.A.R. 82-3-201 et seq.

(i) The costs of a proceeding may be assessed to a party or parties based on the findings of the commission.

(j) In determining whether or not to grant access to a system, factors including the following may be considered by the commission:

(1) whether or not the natural gas can be reasonably carried by a gatherer;

(2) whether or not construction of a new system would be feasible;

(3) whether or not a material extension or expansion of facilities would be required;

(4) whether or not there is another gatherer of natural gas who is willing to gather or can more conveniently gather gas;

(5) whether or not the gathering of gas can reasonably be expected to have a materially adverse effect on safety or on service to existing customers or on the operation of or recovery of any processing facility;

(6) whether or not the gas satisfies minimum standards for quality, energy or recoverable hydrocarbon content consistently applied by the gatherer of that system;

(7) whether or not the gas gatherer is gathering gas from an affiliated marketer or producer;

(8) the fiscal impact to all parties; or

(9) any other matters that the commission determines to be relevant.

(k) In evaluating or establishing a fee, term, or practice for a gathering service, whether or not the fee, term, or practice is a just, reasonable, not unjustly discriminatory, and not unduly preferential fee that would result from good faith negotiations in a competitive market shall be determined by the commission. In evaluating or establishing a fee, term, or practice, all economically relevant factors including the following may be considered by the commission:

(1) the fees or terms that the gatherer receives from other shippers;

(2) the fees or terms charged by other gatherers within a relevant area determined by the commission;

(3) the financial risks of installing a gathering system;

(4) the financial risks of operating a gathering system;

(5) the capital, operating and maintenance costs of a gathering system;

(6) the existing gas contract or contracts;

(7) the fiscal impact to all parties;

(8) the fees, terms, or practices that the gas gatherer offers to an affiliated producer or marketer; or

82-3-803. Abuse of complaint procedure. No person shall abuse the complaint process in any manner, including causing a delay in the proceedings that may damage a party’s ability to pursue or defend the complaint. Any action deemed necessary to protect the rights of a party against abuse of the complaint process may be taken by the commission. (Authorized by and implementing L. 1997, Ch. 132, § 24 and L. 1997, Ch. 132, § 25; effective April 3, 1998.)

82-3-804. Notice of termination. A public utility providing service from a gas-gathering system shall provide written notice to the executive director of the commission at its Topeka office and to the person receiving service, not later than November 1 preceding the calendar year of service, that it cannot serve the needs of the person receiving service. The utility shall explain in detail any reasons it is unable to perform the service. Investigation of the proposed termination and re-
porting to the commission shall be made by the utilities division with the assistance of the conservation division of the commission. Any further action taken by the commission shall be conducted under chapter 66. (Authorized by and implementing L. 1997, Ch. 132, § 30; effective April 3, 1998.)

82-3-900. Enhanced recovery severance tax exemption, application, hearing, penalty. (a) Any operator seeking exemption from the severance tax provisions pursuant to K.S.A. 79-4217, and amendments thereto, shall submit an application to the director of the conservation division. The commission staff shall assign a certifying number to each application upon receipt. The determination as to whether or not the production enhancement project qualifies for exemption shall be made and certified by the director of the conservation division or the director's designee. In the event of an adverse decision at the director's level, an appeal may be made by requesting a hearing before the full commission pursuant to the Kansas administrative procedures act.

(b) Upon the certification by the director of the conservation division or by the commission after hearing, the certification shall be forwarded by the conservation division to the operator for submission to the department of revenue.

(c) All records submitted in connection with an application for exemption from the severance tax under this provision shall be retained by the corporation commission. These records shall be subject to the confidentiality provision of K.A.R. 82-3-107(e). The records shall be retained for no fewer than four years and shall be open at all times to the department of revenue.

(d) Either the first purchaser and the operator or an operator who has duly elected to report the severance tax shall be notified by the department of revenue of its acceptance of the certification from the state corporation commission.

(e) The willful filing of false documents, fraudulent documents, or both, in order to obtain an exemption from the severance tax with the conservation division shall constitute a simultaneous false filing with the department of revenue under K.S.A. 79-4225, and amendments thereto, and its provisions shall apply with respect to civil penalties, criminal prosecution, or both. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-901. Determination of base production. “Base production,” as defined in K.S.A. 79-4217(b)(6)(A)(2), and amendments thereto, shall be determined with respect to production decline by the operator certifying under penalty of perjury as to the 12-month history of any well or wells that are part of the production enhancement project. The production decline curve shall be prepared and certified to by either a petroleum geologist or petroleum engineer under penalty of perjury. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-902. Relief from severance tax; when available. Relief from the severance tax under K.S.A. 79-4217, and amendments thereto, shall be available only to a well that has been in existence for no fewer than 12 months in order that an accurate production decline curve can be calculated and substantiated, except if the increase in production is a result of projects utilizing secondary recovery projects or new discoveries from the use of new technology, as defined in K.S.A. 79-4217(b)(6)(A)(4)(iii) or (vii), and amendments thereto. If the increase in production is the result of new technology, the base production shall be zero. Base production for secondary recovery projects shall be as determined under K.A.R. 82-3-906. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-903. Certification of well history; right to review. As part of the certification process, the operator shall certify that the history file of each well or wells substantiates that the efforts taken with respect to a work-over as defined in K.S.A. 79-4217, and amendments thereto, are more than routine maintenance, routine repair, and like-for-like replacement of downhole equipment. The right to review any of this documentation shall be reserved by the commission. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-904. Wells qualifying for both new well and production enhancement severance tax exemptions. When a new well or the opening of a new zone in an existing well would qualify for a severance tax exemption both as a new pool under K.S.A. 79-4217(b)(4), and amendments thereto, and as a production enhancement project under
K.S.A. 79-4217(b)(6)(A)(4)(ii), and amendments thereto, the operator shall elect which exemption is being claimed. The seven-year exemption for any other production enhancement project for a well already qualifying for a new pool exemption shall begin on the date of the first sale after the enhancement project is completed. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-905. New technology; qualification for severance tax exemption. “New technology,” as used in K.S.A. 79-4217 and amendments thereto, shall include three-dimensional seismic studies and other technology that may be certified by the KCC technical staff. The applicant shall furnish to the Kansas corporation commission proof that the production is the result of new technology, as may be required by the commission staff. All wells drilled as a result of the utilization of new technology shall qualify for the severance tax exemption. (Authorized by and implementing K.S.A. 79-4217, as amended L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-906. Production enhancement projects; secondary recovery projects. For secondary recovery projects, the base production and production decline calculations required under K.A.R. 82-3-901 shall be based on either of the following:

(a) Aggregate production of all producing wells within the boundaries of the secondary recovery project if unitized; or

(b) total production from the enhanced recovery project. (Authorized by and implementing K.S.A. 79-4217, as amended L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-907. Production enhancement project; multiple well lease. When a production enhancement project is performed on a multiple well lease producing into a common battery or meter, the operator shall make a separate filing for each well. A production test shall be performed on each individual well before the enhancement project and immediately following the enhancement project so that total lease production may be allocated to the individual wells for the purpose of establishing base production and production decline as referenced in K.A.R. 82-3-901. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

82-3-908. Definition, “start-up date.” The term “start-up date” shall be defined as the date of the first sale following the production enhancement procedure. (Authorized by and implementing K.S.A. 79-4217, as amended by L. 1998, ch. 130, sec. 28; effective March 19, 1999.)

(D) before adding any additional gas storage well within the underground porosity gas storage facility, if the well will be located 1,320 feet or less from the boundary of the storage facility; or

(E) before adding any additional gas storage well within the underground porosity gas storage facility, if the well will be located more than 1,320 feet from the boundary of the storage facility.

(2)(A) The applicant for any amendments under paragraphs (h)(1)(A) through (D) of this regulation shall publish notice of the application in at least two issues of the official county newspaper of each county in which the lands affected by the application are located. In addition, notice shall also be published in at least one issue of the Wichita Eagle newspaper. The applicant shall also deliver or publish any notice that the applicant deems necessary to ensure that those persons whose rights may be affected by the application have been sufficiently notified in accordance with applicable due process requirements.

(B) The application shall be held in abeyance for 15 days from the date of last publication or delivery of notice, whichever is later. If during the 15-day period a valid protest is filed according to K.A.R. 82-3-135b or if the commission on its own motion deems that there should be a hearing on the application, a hearing shall be held. The applicant shall publish notice of the hearing in the same manner as that required by paragraph (h)(2)(A) above.

(C) If an application for an amendment is administratively denied, the operator shall have a right to a hearing upon written request.

(d) Requirements upon test failure. If a gas storage well fails to demonstrate mechanical integrity by an approved method, the operator of the well shall immediately isolate the leak or leaks in a manner that contains natural gas and associated fluids in the well or storage reservoir and demonstrates that the well does not pose a threat to fresh and usable water resources or to public safety. The operator shall, within 90 days, perform one of the following:

shall file with the conservation division a written
report consisting of the inspection procedure and
results within 30 days following completion of the
inspection. The operator shall notify the conserva-

so that a representative of the conservation division
can be present to witness the inspection. An exten-

(c) Right of denial. After an application for temporary abandonment of an underground porosity gas storage well has been filed, the gas storage well shall be subject to inspection and record review by the conservation division to determine the likelihood that the temporary abandonment of the well might cause pollution, the waste of hydrocarbons, or a threat to public safety. If necessary to prevent pollution, the waste of hydrocarbons, or a threat to public safety, temporary abandonment may be denied by the conservation division, and the well may be required to be plugged or repaired according to the specifications received from the conservation division and in accordance with its regulations.

(d) Plugging of temporarily abandoned gas storage wells. 82-4-53. Common carrier tariffs. (a) Common motor carriers of household goods or passengers that are engaged in intrastate commerce in Kansas shall maintain on file with the commission a copy of the tariff publications applicable to their lines between points in Kansas. The carriers shall keep open for public inspection, at their principal offices and locations at which they have employed exclusive agents, all intrastate tariff publications applicable to their lines from or to their stations.

(b) Each change to a tariff publication shall be made subject to 30-day notice to the public and the commission, unless otherwise authorized by the commission. Tariff publications of motor carriers effecting changes resulting in increases in charges, either directly or by means of any change in the regulation or practice affecting a charge or value of service, may be filed on one-day notice to the commission and the public. Applicants granted new authority may file tariffs to be effective on one-day notice. Transferees may adopt the existing tariffs of transferors to be effective on one-day notice.

(c) Tariff publication, except general rate increases, shall not go into effect without prior approval of the commission. The publications shall be subject to protest and suspension. All publications shall be accompanied by a full and complete statement citing the reasons and justifications for the changes.

(d) General rate increases shall be made only by filing an application and after approval of the commission.

(e) Protests of tariff publications shall be considered only if received by the commission at least 12 days before the published effective date of publications. Pursuant to protest or on the commission’s own motion without protest, postponement of an effective date may be ordered by the commission to permit the matter to be properly investigated. (a) Departure from the commission’s requirement in K.A.R. 82-4-53(b) that tariff publications become effective on 30-day notice may be permitted by the commission, if good and sufficient cause is shown to convince the commission that publication should be made on short notice.

(b) The applicant shall provide all related facts or circumstances that could aid the commission in determining if the request is justified. If permission to establish provisions on less than the required notice is sought, the applicant shall state why the proposed provisions could not have been established upon 30-day notice.

(c) Permission to allow a tariff to become effective on less than 30-day notice shall be granted in cases for which good cause is shown. The desire
to meet tariff publications of a competing carrier that has been filed on 30-day notice or one-day notice may be considered a factor for permitting publication on short notice. (Authorized by K.S.A. 66-1218 and K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-1218 and K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended May 1, 1987; amended Jan. 4, 1999; amended Oct. 22, 2010.)

The protest shall state the grounds, indicate in what respect the protested tariff publication is considered unlawful, and state what the protestant offers as a substitution. Each protest shall be addressed to the commission. A protest shall not include a request that it also be considered as a formal complaint. If a protestant desires to proceed further against a tariff publication that is not postponed or that has been postponed and the postponement vacated, a separate, later, formal complaint or petition shall be filed.

(b) Protests against, and requests for, postponement of tariff publications filed under this regulation shall not be considered unless made in writing and filed with the commission in Topeka, Kansas. The original and five copies of each request for postponement shall be filed with the commission at least 12 days before the effective date of the tariff publication, unless the protested publication was filed on less than 30-day notice under the authority of this commission, in which event the protests shall be filed at the earliest possible date. In an emergency, protests submitted by fax shall be acceptable if they fully comply with subsection (a) and copies are simultaneously faxed by protestants to the respondent carriers or their publishing agents. An original and five copies of the fax shall simultaneously be mailed by the protestants to the commission in Topeka.

(c) An original and five copies of each protest or reply filed under this regulation shall be filed with the commission no later than 10 days after the publication of the tariff, and one copy of the protest shall simultaneously be served upon the publishing carrier or agent and upon other known interested parties.

(d) Each order instituting an investigation shall be served by the commission upon respondents. If the respondent fails to comply with any requirements or time period specified in the order, the respondent shall be deemed to be in default and to have waived any further hearing. The investigation may then be decided without further proceedings. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-117 and K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended Jan. 4, 1999; amended Oct. 22, 2010.)

If a corporation, the laws under which it was incorporated shall be included. If a limited liability company, the laws under which it was organized shall be included. If a limited liability partnership, the laws under which it was organized shall be included. If a partnership, the names and addresses of all partners and the date of formation of partnership shall be included;

2. The motor carrier identification number assigned by the commission to each participating applicant;

3. The name and business address of the organization that will administer the agreement;

4. The facts and circumstances relied upon to establish that the agreement is in the public interest;

5. The name, title, and business address of counsel, officers, or any other person to whom correspondence and notice are to be addressed;

6. A true copy of the agreement and an opinion of a counsel for the applicant that the application made meets the requirements of K.S.A. 66-1,112, and amendments thereto, and commission regulations; and

7. A prepared public notice to be published in the Kansas Register stating the fact that an application has been filed under these rules, and the date of the hearing, if required by the commission. (Authorized by and implementing K.S.A. 1997 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983; amended Jan. 4, 1999; amended July 26, 2019.)
(b) Upon written request, the organization shall divulge to any person the name of the proponent of a rule or rate docketed with it, and shall divulge to any person the vote by any member carrier on any proposal before the organization. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-73. Quorum standard. (a) At any meeting of carriers party to the agreement or carrier committees at which rates, rules or classifications are discussed or considered, 30 percent of the carriers party to the agreement or 50 percent of the committee shall constitute a quorum. The quorum requirement shall apply to any meeting when discussion includes general rate increases and decreases, tariff restructuring, commodity classification, or rules and classifications changes proposed for tariff publication. Carrier members present by means of a proxy shall count towards the satisfaction of the quorum requirement. There shall be no voting unless at least one member carrier is present and possesses the authority for a lawful vote.

(b) Exceptions to the quorum standard may be granted upon a showing to the commission of genuine hardship. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-74. Voting on rate proposals. The organization shall allow any participating member carrier to discuss any rate proposal docketed. Only those carriers with authority to participate in the transportation to which the rate proposal applies shall vote upon the rate proposal. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-75. Proxy voting. (a) The organization shall not allow a carrier to vote for one or more other carriers without specific written authority from the carrier being represented.

(b) While any member carrier may discuss any collectively established rate proposals docketed, only carriers with authority to participate in the transportation to which the proposed rates apply shall vote on the rates.

(c) To vote for an absentee, a carrier shall possess a written proxy containing the grantor or grantors signature, the specific items or items for which the vote is released, directions on voting, and certification of authority. A written affirmation shall be made by each carrier for itself and by each grantor of a proxy.

(d) The organization shall provide standard proxy forms to members, and a copy of all proxies exercised and the written certification of authority executed by the proxy holder for the grantor shall be made part of the voting record. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-76. Notification and consideration of rate proposals. General rate increases or decreases, joint rates, changes in commodity classification, changes in tariff structures and publishing of tariffs may be discussed and voted on at any meeting only if:

(a) Shippers receive detailed notice of meetings and agenda, through docket service, at least 15 days prior to the time a proposal is to be discussed or voted upon;

(b) shippers are accorded the opportunity to present either oral or written comments for consideration at the meeting;

(c) shippers’ comments are given appropriate weight and consideration in discussion and voting upon the proposals;

(d) discussion of general rate increase or decrease is limited to industry average carrier cost information;

(e) any person attending those meetings is permitted to take notes and make sound recordings; and

(f) the organization maintains detailed minutes of all meetings. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

That organization shall not change or cancel any rate established by independent action other than a general increase or broad rate restructuring. However, changes in the rates may be effected, with the written consent of the carrier or carriers that initiated the independent action, for the purpose of tariff simplification, removal of discrimination, or elimination of obsolete items.
(b) Collective adjustments pursuant to K.S.A. 66-1,112, and amendments thereto, shall not cancel rate or rule differentials or differences in rates or rules existing as a result of any independent action taken previously, unless the proponent and any other participant in that independent action desires to eliminate the rate differential or application and notifies the organization in writing of its consent.

(c) Independent action shall mean any action taken by a common carrier member of an organization to perform any of the following:

(1) Establish a rate to be published in the appropriate rate tariff or cancel a rate for that carrier's account;

(2) Instruct the organization publishing the rate tariff that the existing rate or rates, whether established by independent action or collective action, proposed to be changed or cancelled be retained for that carrier's account and published in the appropriate tariff; or

(3) Publish for the common carrier's account, in the appropriate tariff, a rate established by the independent action of another carrier. This definition shall apply regardless of the manner in which the carrier joins in the rate, if the rate published for the joining carrier's account is the same as the rate established by the other carrier under independent action. (Authorized by and implementing K.S.A. 2009 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983; amended Oct. 22, 2010.)

82-4-78. Docketing of independent action. (a) Proponents of independent actions shall have the absolute right to decide whether or when organizations will docket these actions.

(b) The organization shall comply with the instructions of the proponent of an independent action with regard to whether or not the action should be docketed, and in the absence of explicit instructions shall refrain from docketing until the proposal has been filed with the commission.

(c) There shall be no collective discussion of independent actions as defined in K.A.R. 82-4-77 until they have been filed with the commission. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-79. Organization employee limitations. (a) Employees and employee committees of the organization shall not initiate a proposal nor determine whether to adopt, reject, or otherwise dispose of a proposal affecting a change in any tariff item published by or for the account of any member carrier.

(b) Employees and employee committees may provide expert analysis and technical assistance to any member carriers or shippers in developing or evaluating a carrier or shipper initiated rate or rule proposal.

(c) Any advice concerning an independent action as defined in K.A.R. 82-4-77 proposal shall remain confidential. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-80. Final disposition of dockets. The organization shall make a final disposition of a rate or rule docketed with it by the 120th day after the proposal is docketed. However, if unusual circumstances require, the organization may extend that period, subject to review by the commission. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-81. Organization protest. The organization shall not file a protest or complaint with the commission against any tariff item published by or for the account of any motor carrier of property or passengers. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-82. Burden of proof of violations and effects of violations. In any proceeding in which a party alleges that a carrier voted, discussed, or agreed on a rate or allowance in violation of collective ratemaking regulations of the commission, that party shall have the burden of showing that the vote, discussion, or agreement occurred. A showing of parallel behavior shall not satisfy that burden by itself. (Authorized by and implementing K.S.A. 1982 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983.)

82-4-83. Commission review of collective rate making agreements. The commission shall review each collective rate making agreement approved under these rules at least once every three years to determine whether the agreement or an organization established or continued under an approved agreement still complies with the requirements of the statutes and applicable rules.
82-4-84. Revoking collective rate making agreements. Upon proper notice and hearing, and a finding that the collective rate making procedures are not being followed, the commission may revoke its approval or order corrections to the activities and procedures of persons, groups, agencies, bureaus and other entities engaging in collective rate making before the commission.

82-4-85. Rate applications filed by carriers party to a collective rate-making agreement. (a) Each carrier that is a party to a collective rate-making agreement and files an application proposing a general increase or decrease in rates shall submit with the application schedules indicating to the commission the nature and extent of the proposed changes to be effected.

(b) Each application shall be based upon data submitted for a test year. The application and schedules shall be filed with the commission by electronic mail. The size of print used in the application and schedules shall be clearly legible. Negative numbers shall be shown in parentheses. Amounts included in the application shall be cross-referenced between the appropriate summary schedule and supporting schedules, as well as among the various sections. Referencing shall include allocation ratios, when appropriate. All items shall be self-explanatory. Additional information, cross-references, or explanatory footnotes shall be presented on the schedule. The application shall be supported by schedules as specified in this subsection and shall be assembled under topical sections, with each section clearly identified and a page number for each schedule. The form, order, and titles of each section shall be prescribed as follows:

(2) General information and publicity. This section shall list the means employed by the carriers to acquaint the general public affected by the proposed rate change with the nature and extent of the proposal. These methods may include meetings with public officials, shippers, and citizen groups; newspaper articles; and advertisements. This section shall include general information concerning the application that will be of interest to the public and suitable for publication. That information shall include the following, if applicable:

A The percent and dollar amount of the aggregate annual increase or decrease that the application proposes; and

B any other pertinent information that the applicant wants to submit.

(3) List of carriers participating in the application. This list shall show the motor carrier identification number and the name and address of each carrier that is a participant in the application.

(4) List of carriers in the study group. The list shall state the carriers used in the study group. A detailed explanation of how the study group of carriers was selected shall also accompany this section.

(5) Study group carriers' operating ratios. This section shall contain the Kansas intrastate operating ratios for the actual test year for the study group carriers.

(6) Study group carriers: test year and pro forma income statements. This section shall present the following:

A An operating income statement for each of the study group carriers and a composite statement of all the study group carriers depicting the unadjusted test year operations for the total system; and

B a second schedule that expands the actual system composite income statement to a Kansas intrastate operations income statement. This statement shall be adjusted to show pro forma test year operations. Supporting schedules shall set forth a full and complete explanation of the purpose and rationale for the pro forma adjustments. The pro forma adjustments may include adjustments to reflect the elimination or normalization of nonrecurring and unusual items, and adjustments for known or determinable changes in revenue and expenses.

(7) Capital and cost of money. This section shall be prepared for each participating carrier having total Kansas intrastate system revenue of one million dollars or more. This section shall contain the following:

A A schedule indicating the amounts of the major components of the capital structures of the carrier that are outstanding at the beginning and at
the end of the test year. This schedule shall contain the ratios of each component to the total capital;

(B) a schedule disclosing the cost of each issue of debt and preferred stock outstanding, with due allowance for premiums, discounts, and issuance expense. Data relating to the other components of capital shall be shown, if appropriate; and

(C) if the applicant is a part of a consolidated group or a division of another company, the consolidated capital structure shall be included in this section.

(8) The proposed tariffs. The application shall contain the proposed tariffs requested for approval.

(c) Prefiled testimony shall be required in all transportation rate cases filed by a tariff publishing organization, and all prefilled testimony shall be filed simultaneously with the filing of the application.

(d) Each application found to be incomplete or not in the form prescribed in this regulation shall be rejected by the commission. (Authorized by and implementing K.S.A. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983; amended Jan. 4, 1999; amended July 26, 2019.)

Article 5.—RAILROAD SAFETY

82-5-3. General duty of carriers. The officers, officials and agents of every carrier shall comply with the rules and regulations of this commission and with reasonable requests of the commission or its duly authorized agents for inspection of the carrier's right-of-way. (Authorized by K.S.A. 66-231b; and implementing K.S.A. 66-156; effective, E-71-15, March 5, 1971; amended, E-71-22, May 28, 1971; effective Jan. 1, 1972; amended May 1, 1984.)

82-5-4. Regulations relating to inspection of bridges and other structures. Every railroad operating in the state of Kansas shall inspect its bridges, trestles and culverts at least once a year and certify to the commission that the bridges, trestles and culverts are safe for the loads imposed upon them. (Authorized by and implementing K.S.A. 66-231b; effective, E-71-15, March 5, 1971; amended, E-71-22, May 28, 1971; effective Jan. 1, 1972; amended May 1, 1984.)

82-5-6. Regulation relating to inspection, maintenance and repair of trackage, road bed, right-of-way, bridges and other structures. If, on the inspector's report, the commission has reasonable ground to believe that any track, bridge or other structure of the railroad is in a condition which renders it dangerous, unfit or unsafe, the commission shall immediately give the superintendent or other executive officer of the company operating that railroad notice of the condition thereof and of the repairs or reconstruction necessary to place it in a safe condition. The commission may prescribe the time in which the repairs or reconstruction necessary to place it in a safe condition must be made and the maximum speed that trains may be operated over the dangerous or defective track, bridge or other structure until the repairs or reconstruction required are made. The commission may forbid the running of trains over the defective track, bridge or other structure, if it is of the opinion that such action is necessary and proper. However, the railroad affected by such a prohibition may request a hearing to determine whether or not such action is necessary and proper. Any company operating a railroad in Kansas may designate a representative to confer with the commission or any member thereof, at the time and place designated by the commission, in order to discuss the condition of the railroad property affected by this section. (Authorized by and implementing K.S.A. 66-231b; effective, E-71-15, March 5, 1971; effective Jan. 1, 1972; amended May 1, 1984.)

82-5-8. **Trackage and grade crossings.** (a) “Track Safety Standards,” 49 CFR Part 213, as in effect on September 15, 1983 is hereby adopted by reference.

(b) Grade crossing surfaces shall be adequately maintained for rail movement.

(c) The railroad shall keep its right-of-way clear, for a reasonable distance, of weeds and vegetation and other unnecessary obstructions, including railroad cars, when the vegetation and obstructions may interfere with the visibility of approaching motor vehicles. (Authorized by and implementing K.S.A. 66-231b; effective, E-71-15, March 5, 1971; amended, E-71-22, May 28, 1971; effective Jan. 1, 1972; amended May 1, 1984.)

82-5-9. **Regulations relating to construction, reconstruction and maintenance of walkways adjacent to the railroad trackage; control of vegetation and removal of debris and trash.** (a) In all switching areas within and outside of the yard limits, each railroad shall provide reasonably safe and adequate walkways adjacent to its tracks. All such walkways shall be maintained and kept as reasonably free of vegetation, trash and debris as may be appropriate to prevailing conditions. Each railroad shall provide for the abatement of weeds and brush adjacent to and upon walkways that is necessary to prevent the objectionable vegetation from encroaching upon such walkways.

(b) The commission may order the railroad corporation to eliminate any unsafe walkway condition and may specify a reasonable time for completion of the improvement as may be appropriate under the circumstances.

(c) If any railroad shows good cause and submits an application for a deviation from the provisions of this regulation. The requested deviation may be authorized by the commission. The application shall include a full statement of the conditions which prevail at the time and place involved and the reasons why deviation is deemed necessary. (Authorized by and implementing K.S.A. 66-231b; effective, E-71-15, March 5, 1971; effective Jan. 1, 1972; amended May 1, 1984.)

82-5-10. **Speed restrictions.** Whenever a railroad deems it necessary to protect the movement of trains by placing a speed restriction on a portion of trackage, and the speed restriction remains in force over sixty (60) days, the existence of the speed restriction must be reported to the commission, the reasons stated for the speed restriction and the reasons why corrective action has not been completed. (Authorized by K.S.A. 66-141, 66-156; effective, E-71-15, March 5, 1971; effective Jan. 1, 1972.)

82-5-11. **Regulation relating to transportation of hazardous materials by railroads.** (a) When the track condition on any railroad makes the transportation of explosives and other dangerous articles hazardous, restriction of the movement over the track may be imposed by the state corporation commission until track conditions are corrected or a satisfactory alternate route is available.

(b) The following parts of the federal hazardous materials rules and regulations promulgated by the U.S. department of transportation are incorporated by reference as the rules and regulations of the state corporation commission of the state of Kansas: Title 49 CFR, Parts 171, 172, 173, 174, 177, 178, and 393.77, except sections 49 CFR 174.45, 174.104(c) and (d), 174.700, 177.825, 177.842, 177.843 and 177.861, as in effect on September 26, 1986.

Any regulation subsections in which these exceptions appear are not incorporated by reference in this regulation. (Authorized by K.S.A. 66-1,222, 66-141; implementing K.S.A. 66-1,223, 66-156; effective, E-71-15, March 5, 1971; amended, E-71-22, May 28, 1971; effective Jan. 1, 1972; amended May 1, 1985; amended May 1, 1987.)

82-5-12. **Regulations relating to the filing of rules and regulations of the operating departments of railroad corporations.** (a) Each railroad corporation operating in the state of Kansas shall file with the commission, the exist-
ing rules and regulations of the operating department and any future changes or revisions thereof in accordance with the provisions of the following paragraphs:

1. The rules and regulations of operating departments presently in effect on any railroad operating in the state of Kansas shall be filed no later than 60 days from the effective date of this order and rules.

2. Each railroad operating in the state of Kansas shall file with the commission any change or reissue, either in whole or in part, of the rules and regulations of the operating department within 30 days after any change or reissue. (Authorized by K.S.A. 66-141; effective, E-71-15, March 5, 1971; amended, E-71-22, May 28, 1971; effective Jan. 1, 1972.)

(a) Overhead clearance shall be a minimum of 22 feet, six inches, unless excepted in another subsection of this regulation.

(b) In buildings, clearances may be reduced to 18 feet, for those tracks terminating:

1. within the building; or

2. in the immediate plant area, if the tracks extend through the building. Overhead clearance of doors may be reduced to 17 feet, no inches.

(c) In tunnels, the minimum clearance shall be defined by the half-circumference of a circle having a radius of eight feet and a tangent to a horizontal line 23 feet above the top of the rail at a point directly over the center line of track.

(d) The clearance under bridges shall be a minimum of 22 feet.

(e) All other structures, except as specifically provided in these regulations, shall have a minimum clearance as defined by starting at the center of the track at the top of the rail, then eight feet, six inches laterally from the center line of track, then vertically upward to a point 16 feet above the top of the rail, then diagonally upward to a point 22 feet, six inches above the top of the rail and four feet horizontally from the center of track, then horizontally to the center of the track. Overhead clearance may be reduced if overhead telltales are maintained for clearance less than 22 feet, six inches. However, any reduction of clearance below 22 feet, six inches shall be approved by the commission.

The minimal vertical clearance requirements under all wires, including wires, conductors, and cables over railroad tracks, shall be those specified in K.A.R. 82-12-2. (Authorized by and implementing K.S.A. 66-231b and 66-1201; effective, E-82-2, Jan. 21, 1981; effective May 1, 1981; amended May 1, 1984; amended Aug. 11, 1995.)

**82-5-14. Regulations relating to side clearance between railroad equipment and other structures.** The minimum side clearances from center line of track shall be as follows:

(a) in general eight (8) feet six (6) inches;

(b) at platforms eight (8) inches or less above the top of the rail, five (5) feet from the center of the track;

(c) platforms more than eight (8) inches but less than four (4) feet above the top of rail shall be either six (6) feet two (2) inches or eight (8) feet from center line of track with no intermediate clearance permitted. Further, if side clearance is reduced to six (6) feet two (2) inches on one side, a full clearance of eight (8) feet shall be maintained on the opposite side;

(d) platforms on main line tracks or passing tracks shall be eight (8) feet six (6) inches;

(e) platforms more than four (4) feet above the top of the rail shall be a minimum of eight (8) feet six (6) inches on main line, passing tracks, or side tracks;

(f) icing platforms shall be a minimum of six (6) feet eight (8) inches. Further, the supports of this platform shall provide a minimum clearance of eight (8) feet;

(g) retractive platforms, either sliding or hinged, which are attached to a permanent structure, shall be so constructed that, when retracted or in a nonworking position and firmly secured or anchored, the resulting clearance is a minimum of eight (8) feet;

(h) platforms defined under subsection (b) of this regulation may be combined with platforms defined under subsections (c) and (e) of this regulation, provided that the lower platform presents a level surface to the face of the wall of the platform with which it is combined. No other combinations will be permitted.

(i) bridges and tunnels shall have a minimum side clearance of eight (8) feet. Further, the lower section with structure of bridges including bridges supporting track affected; handrails, water barrels and refuge platforms on bridges and trestles, water columns, oil columns, block signals, cattle guards, or portions thereof, four (4)
feet or less above the top of the rail may have clearances decreased to the extent defined by a line extending diagonally upward from a point level with the top of the rail and five (5) feet six (6) inches distant laterally from the center line of track to a point four (4) feet above the top of the rail and eight (8) feet distant laterally from the center line of track. However, the clearance authorized in this subsection is not permitted on through bridges where the work of trainmen or yardmen requires them to be upon the decks of such bridges for the purpose of coupling or uncoupling cars in the performance of switching service on a switching lead;

(j) switch boxes, switch operating mechanism necessary for the control and operation of signals, and interlockers projecting four (4) inches or less above the top of the rail shall have a minimum clearance of three (3) feet;

(k) signals and switch stands three (3) feet or less above the top of the rail when located between tracks shall have minimum clearance of six (6) feet;

(l) signals and switch stands over three (3) feet above the top of the rail shall have a minimum clearance of eight (8) feet six (6) inches;

(m) mail cranes and train order stands when not in the operative position shall have a minimum clearance of eight (8) feet six (6) inches;

(n) minimum clearances at building entrances shall be seven (7) feet. However, inside clearance of buildings may be reduced on one side of the track to six (6) feet two (2) inches provided eight (8) feet is maintained on the opposite side. Further, clearance at doors may be reduced to six (6) feet two (2) inches on one side of the track provided, full clearance of eight (8) feet three (3) inches is maintained on the opposite side;

(o) minimum clearance on curved track shall be increased to allow for overhang and the tilting of a car eighty-five (85) feet long, sixty (60) feet between centers of trucks and fourteen (14) feet high;

(p) material, merchandise and other articles adjacent to tracks shall be located at a minimum of eight (8) feet six (6) inches from the tracks. (Authorized by K.S.A. 66-141; effective, E-82-2, Jan. 21, 1981; effective May 1, 1981.)

82-5-17. Special provisions. (a) Exemptions from any of the requirements contained in these rules shall be considered by the commission upon proper application from a carrier, industry or other interested person. A request for such exemption shall be accompanied by a full statement of the conditions existing, and the reasons for requesting the exemption. Any exemption shall be limited to the particular case covered by the application.

(b) No restricted clearance set out in this article shall apply to false works, shoofly tracks or other temporary emergency conditions caused by derailments, washouts, slides, or other unavoidable disasters.

(c) None of the restricted clearances set out shall apply to ballast, track material, or construction material unloaded on or adjacent to tracks for contemplated use thereon or in the immediate vicinity, nor shall they apply to falseworks or temporary construction necessary on any construction project.

(d) All existing structures, operating appurtenances, pole lines, service facilities, and track arrangements shall be exempt from these regulations except as specifically provided.

82-5-15. Regulations relating to track clearance. (a) Track clearance on main and subsidiary tracks shall be a minimum of fourteen (14) feet as measured between the center lines of parallel standard gauge railroad tracks;

(b) minimum clearance between parallel team, house or industry tracks shall be thirteen (13) feet between center lines;

(c) minimum clearance between ladder track and any parallel track shall be seventeen (17) feet except that the clearance between ladder track and another parallel ladder track shall be at least twenty (20) feet between center lines. (Authorized by K.S.A. 66-141; effective, E-82-2, Jan. 21, 1981; effective May 1, 1981.)
(e) No change in track location or elevation shall be made which will reduce existing vertical or horizontal structural clearance below the minimum allowed by these rules, except where tracks are constructed as part of the existing facility, and in such cases the clearance shall conform to existing conditions.

(f) No repair or maintenance work shall be done on structures, facilities or appurtenances adjacent to tracks which will reduce existing vertical or horizontal structural clearance below the minimum allowed by these rules.

(g) Where an existing structure does not provide clearance equal to the minimum set out in K.A.R. 82-5-13 or such other minimum herein specified, the portion of the structure producing the impaired clearance may be repaired and maintained by partial replacements, which shall in no case reduce the clearance available at the time this order takes effect.

(h) When the owner shall replace in its entirety the portion of a structure which has not previously provided standard clearance, the rebuilt portion must, when complete, provide the full standard clearance unless otherwise ordered by the commission.

(i) Existing tracks of all kinds may be maintained by reballasting, resurfacing and replacing rails and ties subject to the limitations of these rules. Where existing yards are completely replaced or are partially replaced as a unit or section of a master plan, the arrangement must meet the provisions of the rules both as to track centers and clearances to structures and other facilities being built in connection with and as a part of such plan. Existing structures which are to remain and which do not provide the minimum clearance with respect to the proposed new track must be approved by the commission for exemption from the requirements of these rules. Existing tracks having less vertical clearance than that specified by these rules may be maintained but the top of the rail may not be raised without a corresponding raise of the overhead structure to maintain the existing available clearance. Existing tracks having less horizontal clearance between them than is specified for new construction or having less horizontal clearance to structures than is specified by these rules may be maintained but they may not be shifted horizontally to reduce either the existing track centers or the existing structural clearance. (Authorized by K.S.A. 66-141; effective, E-82-2, Jan. 21, 1981; effective May 1, 1981.)

Article 6.—SUPPRESSION OF DIESEL LOCOMOTIVE ORIGINATED FIRES ON RAILROAD RIGHT OF WAY

82-6-1. Definitions. The following terms used in connection with rules and regulations governing suppression of diesel locomotive originated fires on railroad right of way shall be defined as follows:

(1) The term “commission” refers to the state corporation commission of the state of Kansas.

(2) The term “carrier” means any railroad, railway company or corporation subject to commission jurisdiction, which operates a railroad in the state of Kansas.

(3) The term “right of way” is the property on which the road bed, tracks and fixed facilities necessary for the operation of trains are located.

82-6-2. Spark arresters. (a) No carrier shall use or operate a non-turbo charged diesel locomotive for over-the-road service in the state of Kansas unless it is equipped with a spark arrester. The spark arrester shall be constructed of non-flammable materials that are at least 80 percent efficient in the retention or destruction of all carbon particles .023 inch in diameter and larger for 30 to 100 percent of the locomotive engine’s exhaust flow rate. With the addition of the arrester, the total manifold exhaust back leg pressure shall not exceed 3½ inches of mercury.

(b) Any carrier may make application to the commission for an extension of time to meet the standards of subsection (a) on the grounds of nonavailability of parts and material, or on the grounds of financial inability to meet the provisions of subsection (a). (Authorized by and implementing K.S.A. 66-231b; effective, E-72-22, July 28, 1972; effective Jan. 1, 1973; amended May 1, 1984.)

82-6-3. High fire areas. (a) The term “high fire area” means any 10-mile section of a carrier’s right-of-way wherein there has been, during the immediate past three-calendar-year period, an average of three or more diesel locomotive originated fires per year.

(b) Every carrier shall treat high fire areas by either plowing, burning, cutting, or chemically spraying all vegetation for a distance of not less than 25 feet from the outside rails and between
all rails on its right-of-way. Periodic inspections of the high fire areas shall be made by the commission to assure compliance with this standard.

(c) On or before March 1 of each year, every carrier shall report to the commission all high fire areas on its right-of-way in the state of Kansas.

(d) The report shall state the location of the high fire areas by railroad mile post numbers, county, and nearest town or city. The report shall also include, but not be limited to, the date of each fire, the number of fires and the total acres burned in each of the specific high fire areas.

(e) The report shall state the nature of the treatment of high fire areas, and the date of that treatment for each area in the preceding calendar year.

82-8-100. (Authorized by and implementing K.S.A. 66-183; effective May 1, 1983; amended July 23, 1990; revoked Aug. 11, 1995.)

82-8-102 to 82-8-107. (Authorized by and implementing K.S.A. 66-183; effective July 23, 1990; revoked Aug. 11, 1995.)

82-8-108. (Authorized by and implementing K.S.A. 66-183; effective July 23, 1990; revoked Aug. 11, 1995.)

Article 9.—RAILROAD RATES

82-9-1. Railroad tariff filing requirements. (a)(1) Each railroad tariff for rates or provisions published in connection with a new service, and each railroad tariff change that
would result in increased rates, shall be on file with the commission at least 20 days prior to its effective date.

(2) Each railroad tariff which would result in decreased rates or increased value of service shall be on file at least 10 days prior to its effective date.

(3) Each rate publication filed with the commission shall be on forms prescribed by the commission and shall contain such information as the commission may require, including, but not limited to:

(A) a tariff containing all relevant and material provisions relating to the rate and its application; and

(B) a statement as to whether the rate will increase, decrease, or produce no change in the carrier's revenue.

(4) Each railroad tariff which would result in a decrease in the value of service shall be on file at least 20 days prior to its effective date.

(5) Each railroad tariff which would result in neither increases or reductions of rate or services shall be filed at least 10 days prior to its effective date.

(6) Independently filed new and reduced rail rates may become effective on one day's notice pursuant to 3 I.C.C. 323 (1987) and 49 C.F.R. § 1312.39(h) as in effect on October 1, 1989.

(7) Shorter notice will be available for changes in rail rates upon a showing of good cause pursuant to 49 C.F.R. § 1312.2 as in effect on October 1, 1989.

(c) Rate Discrimination.

(1) Differences between rates, classifications, rules and practices of rail carriers providing transportation subject to the jurisdiction of this commission shall not constitute unlawful discrimination if such differences result from different services provided by rail carriers.

(2) The commission recognizes that the following matter are not unjust, unreasonably discriminating or unduly preferential:

(A) contracts approved by the commission except as provided in 49 U.S.C. 10713;
(B) surcharges or cancellations pursuant to 49 U.S.C. 10705a;
(C) separate rates for distinct rail services;
(D) rail rates applicable to different routes; and
(E) expenses authorized under 49 U.S.C. 10751.

(3) The discrimination limitations of 49 U.S.C. § 10741 do not restrict the commission's mandate to eliminate discrimination in the rail transportation of recyclables.

(d) The commission hereby adopts 49 U.S.C. § 10730 by reference, authorizing railroads to publish rates under which the liability of the carrier is limited to a value established by the written declaration of the shipper or by written agreement between the carrier and the shipper.

82-9-2. Commencement of proceedings. (a) To determine whether a new individual or joint rate, or an individual or joint classification, rule, or practice related to a rate filed with the commission by a rail carrier, is discriminatory, unreasonable or in any way violates the law, the commission may:

(1) on its own initiative, commence an investigation proceeding; or

(2) upon protest of an interested party, commence an investigation proceeding; or

(3) upon protest of an interested party, commence an investigation and suspension proceeding.

The provisions of this subsection shall not apply to general rate increases, inflation-based increases, or fuel adjustment surcharges filed under the provisions of 49 U.S.C. § 11051(b)(6), over which the commission has no jurisdiction.

(b) Rates based on limited carrier liability may be published and filed with the commission, without prior approval. However, those rates shall be subject to protest on grounds including unreasonableness or nonconformance with the tariff publication requirements found in 49 CFR 1300.4(i)(11), as in effect on September 23, 1983, which are hereby adopted by reference.

(c) The commission shall give reasonable notice to each interested party before beginning a proceeding. However, the commission may begin the proceeding without allowing an interested party to file an answer.

(d) The commission recognizes that the interstate commerce commission has exclusive authority to prescribe an intrastate rate for transportation provided by a rail carrier, pursuant to 49 U.S.C. § 11051(d) when:
(a) A railroad with the appropriate state authority a change in an intrastate rate, or a change in a classification, rule, or practice that has the effect of changing an intrastate rate, that adjusts the rate to the rate charged on similar traffic moving in interstate or foreign commerce; and

(2) the state authority does not act finally on the change by the 120th day after it was filed. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984; amended May 1, 1985.)

82-9-3. Grounds for suspension. (a) A proposed rate, classification, rule, or practice shall not be suspended unless it appears, from the specific facts shown by a verified statement of a protestant, that:

(1) there is a substantial probability that the protestant will prevail on the merits;

(2) without suspension, the proposed rate change will cause substantial injury to the protestant or the party represented by the protestant; and

(3) because of the peculiar economic circumstances of the protestant, the provisions of K.A.R. 82-9-11 of these rules do not protect the protestant.

(4) A state agency shall not suspend a proposed rail rate classification, rule or practice on its own motion. (Authorized by K.S.A. 66-106; implementing K.S.A. 1989 Supp. 66-146; effective May 1, 1984; amended Oct. 29, 1990.)

82-9-4. Duration of suspension period. (a) Each proceeding commenced under these procedures shall be completed within five months from the effective date of the proposed rate, classification, rule or practice. However, if the commission reports to the interstate commerce commission that it cannot make a final decision within that time and explains the reason for the delay, an extension of three months may be allowed to complete the proceeding and make a final decision.

(b) If the commission does not render a final decision within the applicable time period, the rate, classification, rule or practice shall become effective immediately or, if already in effect, shall remain in effect. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-5. Market dominance. (a) When any new individual or joint rate is alleged to be unreasonably high, a determination of whether or not the railroad proposing the rate has market dominance over the transportation to which the rate applies shall be made by the commission within 90 days after the start of a proceeding under these rules.

(b) If the railroad proposing the rate has market dominance over the transportation to which the rate applies, a determination of whether or not the proposed rate exceeds a maximum reasonable level for that transportation shall be made.

(c) If the railroad proposing the rate does not have market dominance over the transportation to which the rate applies, no determination on the issue of reasonableness will be made.

(d) Any finding by the commission that the proposed rate has a revenue-variable cost percentage which is equal to or greater than the percentages found in 49 U.S.C. § 10709(d)(2) as in effect on September 23, 1983, which is hereby adopted by reference, shall not establish a presumption that:

(1) The railroad has or does not have market dominance over such transportation; or

(2) the proposed rate exceeds or does not exceed a reasonable maximum level.

(e) The interstate commerce commission’s decision in Market Dominance Determinations 365 ICC 118, applying to the market dominance standards, is hereby adopted by reference.

82-9-6. Reasonableness. (a) Except for nonferrous recyclables, the reasonableness of a rate shall be evaluated by the commission only after market dominance has been established. Authority to determine and prescribe reasonable rules, classifications and practices may not be used directly or indirectly to limit the rates that rail carriers are otherwise authorized to establish. Unless prohibited by specific statutory provision, any reasonable rate may be established. The standards set out in 1 I.C.C.2d 520 (1985) and ex parte no. 347 (Sub-No. 2) (unpublished) as served April 8, 1987, are hereby adopted by reference. In determining whether a rate is reasonable, evidence of the following shall be considered:

(1) The amount of traffic that is transported at revenues which do not contribute to going concern value and the efforts made to minimize that traffic;

(2) the amount of traffic which contributes only marginally to fixed costs and the extent to which, if any, rates on the traffic can be changed to maximize the revenues from the traffic; and
(3) the carrier’s mix of rail traffic, to determine whether one commodity is paying an unreasonable share of the carrier’s overall revenues.

(b) Any rate on nonferrous recyclable material shall be presumed to be unreasonable when it is set at a revenue to variable cost ratio greater than 147.7 percent.

(c) Revenue adequacy standards as set out in standards for railroad revenue adequacy, 364 I.C.C. 803 (1981) shall be established by the commission. Where there is a prior interstate commerce commission ruling on revenue adequacy of a particular carrier, a certified state agency is bound by the ICC ruling and may not determine revenue adequacy independently. The return on investment/cost of capital standards as set out in 3 I.C.C.2d 261 (1986) are also adopted by reference.

(d) Intrastate rates in existence on October 1, 1980, shall be conclusively presumed reasonable unless a complaint that was filed under § 229 of the Staggers rail act of 1980 with the interstate commerce commission not later than March 31, 1981, was submitted to the commission for disposition.

(1) The cost adjustment factor determined by the interstate commerce commission on a quarterly basis shall be used by the commission to determine the adjusted base rate.

(2) Complaints on adjustments to the base rate which cover inflation will not be investigated, suspended or accepted.

(3) Increases within the zone will not be suspended or investigated unless the increases produce ratios exceeding the year’s market dominance threshold plus 20%, or 190%, whichever is less. In deciding whether to investigate, the following shall be considered by the commission:

(A) The amount of traffic below going concern value and efforts to minimize it;

(B) amount of traffic contributing marginally to fixed costs;

(C) traffic impact on revenue adequacy and energy; and

(D) cross subsidization of traffic.

(e) The protestant shall have the burden of justifying an investigation.

(f) A rail carrier may petition the interstate commerce commission to review a decision regarding intrastate rates pursuant to 49 U.S.C. § 11501(c). (Authorized by K.S.A. 66-106; implementing K.S.A. 1989 Supp. 66-146; effective May 1, 1984; amended May 1, 1985; amended May 1, 1986; amended Oct. 29, 1990.)

82-9-7. Burden of proof. (a) General. The burden shall be on the protestant to prove the matters described in K.A.R. 82-9-3 of these rules.

(b) Jurisdiction. The respondent railroad shall bear the burden of showing that the commission lacks jurisdiction to review the proposed rate because the rate produces a revenue—variable cost percentage that is less than the percentages found in 49 U.S.C. Sec. 10709(d)(2), which is hereby adopted by reference, as in effect on September 23, 1983. The railroad may meet its burden of proof by showing the revenue—variable cost percentage for that transportation to which the rate applies is less than the threshold percentage cited in 49 U.S.C. Sec. 10709(d)(2). The protestant may rebut the railroad’s evidence with a showing that the revenue—variable cost percentage is equal to or greater than the threshold percentage in 49 U.S.C. Sec. 10709(d)(2).

(c) Intramodal and intermodal competition. The protestant shall bear the burden of demonstrating that there exists no effective intramodal or intermodal competition for the transportation to which the rate applies. The respondent railroad may rebut the protestant’s showing with evidence that effective intramodal or intermodal competition exists.

(d) Product and geographic competition. The railroad shall also introduce evidence of product or geographic competition by identifying such competition. Once the railroad has made this identification, the party opposing the rate shall have the burden of proving that the product or geographic competition identified by the railroad is not effective.

(e) Reasonableness of rate increases. Each party protesting a rate increase shall bear the burden of demonstrating its unreasonableness if the rate:

(1) is authorized under 49 U.S.C. § 10707a, as in effect on September 23, 1983; and

(2) results in a revenue—variable cost percentage, for the transportation to which the rate applies that is less than the lesser of the percentages described in clauses (i) and (ii) of 49 U.S.C. § 10707a(e)(2)(A), as in effect on September 23, 1983.

(f) Respondent’s burden of proof. The respondent railroad shall bear the burden of demonstrating the reasonableness of a rate increase if:

(A) The rate is greater than that authorized under paragraph (e)(1) of this regulation; or

(B) The rate results in a revenue—variable cost percentage, for the transportation to which the rate applies, that is equal to or greater than the...
lesser of the percentages described in clauses (i) and (ii) of 49 U.S.C. § 10707a(e)(2)(A), as in effect on September 23, 1983; and

(2) the commission initiates an investigation.

(g) Rate decreases. A party protesting a rate decrease shall bear the burden of demonstrating that the rate does not contribute to the going concern value of the railroad, and is therefore unreasonably low. A party may meet its burden by making a showing that the rate is less than the variable cost for the transportation to which the rate applies. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984; amended May 1, 1985.)

82-9-8. Zone of rate flexibility. (a)(1) Any rail carrier may raise any rate subject to the limitations described in 49 U.S.C. Sec. 10707a as in effect on September 23, 1983. Base rates increased by the quarterly rail cost adjustment factor shall not be investigated or suspended.

(2) In addition, any railroad may increase any rate by 6% per annum until October 1984. Railroads not earning adequate revenues, as defined by the interstate commerce commission, after that period, may raise rates 4% per year. Neither the 6% or 4% increase shall be suspended. If either increase results in a revenue to variable cost ratio that equals or exceeds 190%, the rate may be investigated either upon the commission's own motion or on complaint of an interested party. The preceding standards regarding the regulation of intrastate rail rates are adopted by the commission to conform to the staggers rail act of 1980.

(b) In determining whether or not to investigate the rate, the following shall be considered:

(1) the amount of traffic which the railroad transports at revenues which do not contribute to going concern value and efforts made to minimize that traffic;

(2) the amount of traffic which contributes only marginally to fixed costs and the extent to which rates on that traffic can be changed to maximize the revenues from that traffic;

(3) the impact of the challenged rate on national energy goals;

(4) state and national transportation policy; and

(5) the revenue adequacy goals incorporated in the interstate commerce act, as in effect on September 23, 1983.

(6) Increased rates resulting from application of the rail cost adjustment factor (RCAF) are conclusively presumed lawful so long as they do not exceed the adjusted base rate. (Authorized by K.S.A. 66-106; implementing K.S.A. 1989 Supp. 66-146; effective May 1, 1984; amended May 1, 1985; amended Oct. 29, 1990.)

82-9-9. Monetary adjustments for suspension actions. (a) Rate increases with no suspensions. If the commission does not suspend, but investigates, a proposed rate increase under K.A.R. 82-9-3, the rail carrier shall account for all amounts received under the increase until the commission completes its proceedings under K.A.R. 82-9-4. The accounting shall specify by whom and for whom the amounts are paid. When the commission takes final action, the carrier shall refund to the persons for whom the amounts were paid that part of the increased rate found to be unreasonable, plus interest at a rate equal to the average yield, on the date that the “statement of monetary adjustment” is filed, of marketable securities of the United States government having a duration of 90 days.

(b) Rate increases with suspension. If a rate is suspended and any portion of that rate is later found to be reasonable, the carrier shall collect from each person using the transportation to which the rate applies the difference between the original rate and the portion of the suspended rate found to be reasonable for any services performed during the period of suspension. The carrier shall also collect, from such persons, interest at a rate equal to the average yield, on the date that the “statement of monetary adjustment” is filed, of marketable securities of the United States government having a duration of 90 days.

(c) Rate decreases with suspension. If the commission suspends a proposed rate decrease which is later found to be reasonable, the rail carrier may refund any part of the decrease found to be reasonable if the carrier makes the refund available to each shipper who participated in the rate, in accordance with the relative amount of that shipper's traffic which was transported at that rate. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-10. Filing requirements. (a) The protest, reply and any other pleadings relating to the proceeding shall not be considered unless made in writing and filed with the commission.

(b) The protest, reply or other pleadings relating to the proceeding shall be received for filing at the commission's office within the time limits, if
any, for that filing. The date of receipt at the commission, and not the date of deposit in the mail, is determinative.

(c) If, after examination, the commission finds that the protest, reply, “statement of monetary adjustment” or other pleadings relating to the proceeding are not in substantial compliance with the provisions of these regulations, the commission may decline to accept the documents for filing, advise the party submitting the documents of the deficiencies, and require correction of the deficiencies.

(d) The protest, reply, tariff and other pleadings relating to the proceeding shall be signed in ink and the signer’s address shall be stated.

(e) The facts alleged in a protest, reply, tariff or other pleading shall be verified by the person on whose behalf it is filed. If a protest or pleading is filed on behalf of a corporation or other organization, it shall be verified by an officer of that corporation or organization.

(f) Identification. The protested tariff shall be identified by making reference to the name of the railroad or its publishing agent, to the KCC docket number, to the specific items of particular provisions protested and to the effective date of the protested publication. Reference shall also be made to the tariff and specific provisions of the tariff that are proposed to be superseded.

(g) Ground for suspension. The protest shall incorporate:

(1) Sufficient facts to meet the criteria for suspension, as set forth in K.A.R. 82-9-3;

(2) Sufficient facts to sustain the applicable burdens of proof, as set forth in K.A.R. 82-9-7; and

(3) Any additional information that would support suspension of the proposed rate.

(h) Timing. When a proposed change is to become effective upon not less than 20 days notice, each protest and request for suspension of a tariff filed by a railroad shall be received by the commission at least 10 days prior to the effective date. When the proposed change is to become effective upon not less than 10 days notice, such protests and requests shall be received at least five days prior to the effective date.

(i) Reply to protest. The reply shall adequately identify the protested tariff. Further, it shall contain sufficient facts to rebut the allegations made in the protest and to sustain the applicable burdens of proof.

(j) When the proposed change is to become effective upon not less than 20 days notice, a reply to a protest shall be received by the commission not later than the fourth working day prior to the effective date. When the proposed change is to become effective upon not less than 10 days notice, the reply shall be received no later than the second working day prior to the effective date. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-11. Refund or collection of freight charges based upon commission findings.

(a) Except as otherwise provided, when the commission finds that a railroad must make refunds on freight charges collected, or that the railroad is entitled to collect additional freight charges, but the amount cannot be ascertained upon the record before it, the party entitled to the refund or the railroad entitled to collect additional monies shall immediately prepare a statement showing details of the shipments involved in the proceeding.

(b) The statement shall not include any shipment not covered by the commission’s findings. If the shipments moved over more than one route, a separate statement shall be prepared for each route and each statement shall be separately numbered. However, shipments which, in each instance, have the same collecting carrier may be listed in a single statement if grouped according to routes.

(c) Each prepared, certified statement shall be filed with the commission and it shall then consider entry of an order awarding refunds or authorizing collection of additional freight charges.

(d) If a rail carrier wishes to waive the collection of amounts due when such amounts are more than $2,000, a petition for appropriate authority shall be filed by the carrier on the special docket by submitting a letter of intent to waive insignificant amounts. These petitions shall contain the following information:

(1) The name and address of the customer for whom the carrier wishes to waive collection;

(2) The name and addresses of the carriers involved in the intended waiver and a statement certifying that all carriers concur in the action;

(3) The amount intended to be waived;

(4) The points of origin and destination of the shipments and the routes of movement; and

(5) A brief statement of justification for the intended waiver, including the anticipated costs of billing, collection and/or litigation if the waiver is not permitted.
If the amount to be waived is $2,000 or less, no petition need be filed prior to the waiver. A letter of disposition informing the commission of the action taken, the date of the action, and the amount waived shall be submitted to the commission within 30 days of the waiver.

Petitions to waive the collection of undercharges or waive the collection of insignificant amounts shall be made available by the commission for public inspection five days after receipt, and shall remain available for 25 days. Any interested person may protest the granting of a petition by filing a letter of objection with the commission within 30 days of commission receipt of the petition. Letters of objection shall clearly state the reasons for the objection, and shall certify that a copy of the letter of objection has been served on all parties named in the petition. A period of 15 days shall be allowed for reply from the respondent.

Any petition which is not contested within 30 days shall be considered an order of the commission authorizing the action contemplated in the petition. In such a case the order shall take effect 45 days after commission receipt of the petition. Within 30 days after the expiration of the 45-day period, the carrier filing the petition shall file a letter of disposition informing the commission of the date of the action and the amount paid or waived. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-12. Zone of rate flexibility. Base rates increased by the quarterly rail cost adjustment factor shall not be found to exceed a reasonable maximum for the transportation involved. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-13. Market dominance. (a) The commission shall determine, within 90 days of the start of a complaint proceeding, whether the carrier has market dominance over the transportation to which the rate applies. If the commission finds that the carrier has market dominance, it may then determine that rate to be unreasonable if it exceeds a reasonable maximum for that transportation.

(b) If the rail carrier establishing the challenged rate proves that the rate charged results in a revenue-variable cost percentage which is less than that allowed in K.A.R. 82-9-5, the rail carrier shall not be considered to have market dominance over the transportation to which the rate applied.

(c) If the commission determines that a rail carrier does not have market dominance over the transportation to which a particular rate applies, the rate established by that carrier for the transportation shall be reasonable. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-14. Maximum rates. (a) Rail rates shall not be established below a reasonable minimum. Any rate for transportation by a rail carrier that does not contribute to the going concern value for that carrier is presumed to be not reasonable.

(b) Rail rates which equal or exceed the variable cost of providing the transportation shall be conclusively presumed to contribute to the going concern value of that rail carrier, and therefore shall be presumed not to be below a reasonable minimum.

(c) In determining whether a rate is reasonable, the policy that railroads earn adequate revenues, as well as evidence of the following factors, shall be considered:

1. the amount of traffic which is transported at revenues which do not contribute to going concern value and efforts made to minimize such traffic;
2. the amount of traffic which contributes only marginally to fixed costs and the extent to which, if any, rates on that traffic can be changed to maximize the revenues from such traffic; and
3. the carrier’s mix of rail traffic to determine whether one commodity is paying an unreasonable share of the carrier’s overall revenues. (Authorized by K.S.A. 66-106; implementing K.S.A. 1989 Supp. 66-146; effective May 1, 1984; amended Oct. 29, 1990.)

82-9-15. Burden of proof. (a) Jurisdiction. Each defendant railroad shall bear the burden of showing that the commission lacks jurisdiction to review a rate because the rate produces a revenue—variable cost percentage that is less than the percentages incorporated in K.A.R. 82-9-7. The railroad shall meet its burden of proof by showing the revenue-variable cost percentage for the transportation to which the rate applies is less than the threshold percentage incorporated in K.A.R. 82-9-7. Any complainant may rebut the railroad’s evidence with a showing that the
Railroad Rates

82-9-17

Revenue-variable cost percentage is equal to or greater than the applicable threshold percentage.

(b) Reasonableness of existing rates. Any party complaining that an existing rate is unreasonably high shall bear the burden of proving that the rate is not reasonable. Any party complaining that an existing rate is unreasonably low shall bear the burden of demonstrating that the rate does not contribute to the going concern value of the carrier, and that the rate is, for that reason, unreasonably low.

(c) Nonapplicability. Complaints shall not be entertained by the commission to the extent that they challenge the reasonableness of the following rate adjustments:

1. general rate increases;
2. inflation-based rate increases; or
3. fuel adjustment surcharges. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

1. “Contract,” as used in this regulation, means a written agreement entered into by one or more rail carriers with one or more purchasers of rail services, to provide specified services under specified rates, charges, and conditions.
2. “Amendment” means written contract modifications signed by the parties.

(b) Filing and approval. Each rail carrier providing transportation subject to commission jurisdiction shall file, with the commission, an original and one copy of all contracts entered into with one or more purchasers of rail services. These contracts shall be accompanied by two copies of the contract tariff that contains a summary of the nonconfidential elements of the contract in the form specified in 49 C.F.R. 1300.300-1300.315, as in effect on September 23, 1983, which is hereby adopted by reference. The following parts of the federal rules and regulations promulgated by the interstate commerce commission, as they existed on September 23, 1984, are hereby incorporated by reference: 49 C.F.R. 1300.300 through 1300.315.

(c) Each contract filed under the section shall specify that the contract is made pursuant to K.A.R. 82-9-16, and shall be signed by duly authorized parties.

(d) Each amendment shall be treated as a new contract. Each amendment shall be lawful only if it is filed and approved in the same manner as a contract. To the extent terms affecting the lawfulness of the underlying contract are changed, remedies shall be revived and review shall again be available.

(e) Grounds for review of contract. A proceeding to review a contract may be initiated within 30 days of its filing date upon the commission’s own motion or complaint of an interested party. Such a review shall be based only on an allegation of violations as described in K.A.R. 83-9-17. For purposes of this subsection, the definition of the term for “agricultural commodities,” “forest products,” and “paper” will be decided on a case-by-case basis.

(f) Enforcement. The exclusive remedy for an alleged breach of a contract approved by the commission shall be an action in an appropriate state district court, unless the parties otherwise agree in the contract. A rail carrier shall not be required to violate the terms of a contract, except to the extent necessary to comply with 49 U.S.C. § 11128.

(g) A rail carrier may enter into contracts for the transportation of agricultural commodities that involve the use of carrier-owned or based equipment if the involved equipment does not exceed 40 percent of the total number of the carrier’s owned or leased equipment, by major car type. Agricultural commodities shall include forest products, excluding wood pulp, wood chips, pulpwood or paper.

(h) Any transportation or service performed under a contract or amendment may begin, without specific commission authorization, on or after the date the contract and contract summary or contract amendment and supplement are filed and before commission approval.

82-9-17. Grounds for complaints. Any contract may be reviewed by the commission on its motion, or upon complaint. Contracts shall be reviewed only on the following grounds:

(a) In the case of a contract other than a contract for the transportation of agricultural commodities, including forest products and paper, a shipper may file a complaint only on the grounds that the shipper individually will be harmed because the contract unduly impairs the ability of
the contracting carrier or carriers to meet their common obligations under 49 U.S.C. Sec. 11101 (a), as in effect on September 23, 1983.

(b) In the case of a contract for the transportation of agricultural commodities, including forest produce and paper, a shipper may file a complaint only on the grounds that:

(1) The shipper individually will be harmed because the contract unduly impairs the ability of the contracting carrier or carriers to meet common carrier obligations;

(2) The rail carrier or carriers unreasonable discriminated against the shipper; or

(3) The contract constitutes a destructive, competitive practice.

(c) “Unreasonable discrimination,” as used in these rules and when applied to agricultural shippers, means that the railroad has refused to enter into a contract with the shipper for rates and services for transportation of the same type of commodity under similar conditions to the contract at issue, and that the shipper was ready, willing, and able to enter into a contract at a time essentially contemporaneous with the period during which the contract at issue was offered. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-18. Filing and service of complaints.

(a) An original and six copies of a complaint shall be filed with the commission by the 18th day after the filing date of the contract. A copy of the complaint shall also be served on each railroad listed as a railroad participating in the contract, by hand, express mail, or other overnight delivery service.

(b) An original and six copies of a reply shall be filed by the 23rd day after the filing date of the contract and a copy shall be served upon the complainants.

(c) Any appeal of the commission's decision shall be made at least two work days prior to the contract approval date. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

(a) Within 30 days after the date a proceeding is begun to review a contract upon the grounds specified in 82-9-17(b), the commission shall decide whether the contract violates the provisions of 49 U.S.C. Sec. 10713, as in effect on September 23, 1983. If the commission finds that a violation exists, it shall:

(1) disapprove the contract;

(2) in the case of agricultural contracts where the commission finds unreasonable discrimination by a carrier, order the carrier to provide rates and services substantially similar to the contract at issue with any differences in terms and conditions that are justified by the evidence; or

(3) allow the carrier to cancel the contract.

(b) Approval date of contract. Each contract shall be approved on the 30th day after the filing date of that contract. If the commission does not institute a proceeding to review the contract, the contract shall be considered “expressly approved” by the commission.

(c) If the commission institutes a proceeding to review a contract, that contract shall be approved:

(1) on the date the commission approves the contract, if the date of approval is 30 or more days after the filing date of the contract;

(2) on the 30th day after the filing date of the contract, if the commission approves the contract prior to the 30th day after the filing date of the contract; or

(3) on the 60th day after the filing date of a contract, if the commission fails to disapprove the contract. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984; amended May 1, 1985.)

82-9-20. Limitation of rights of a rail carrier to enter future contracts.

The commission may limit the right of any rail carrier to enter into future contracts if it determines that additional contracts would impair the ability of the rail carrier to fulfill its common carrier obligations. That determination shall be handled on a case-by-case basis. The commission may investigate either on its own initiative or upon the filing of a verified complaint, by a shipper, which demonstrates that the carrier's inability to fulfill its common carrier obligations, as a result of existing contracts, harmed that shipper. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

(a) The terms of each contract approved by the commission shall completely determine the duties and service obligations of the parties to the contract with respect to the services provided under the contract. The contract shall not affect the parties' responsibilities for any services which are not included in the contract.

(b) The exclusive remedy for an alleged breach
of a contract approved by the commission shall be an action in an appropriate state court or United States district court, unless the parties otherwise agree in the contract. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-22. Filing a contract and contract tariff. (a) Each railroad entering into a contract for railroad transportation services (or the originating railroad for a contract involving movement over more than one railroad) with one or more purchasers of rail service shall file, with the commission, the original and one copy of the contract and two copies of the contract tariff.

(b) Each contract filed under these rules shall not be available for inspection by persons other than the parties to the contract and authorized commission personnel, except by a petition demonstrating that the petitioner is likely to succeed on the merits of the complaint and that the matter complained of could not be proved without access to the complete contract.

(c) The contract tariff filed under these rules shall include the information specified in 49 CFR 1300.300-1300.315, as in effect on September 23, 1983, which are hereby adopted by reference. The contract tariff shall be made available for inspection by the general public.

(d) Copies of contract summaries shall be available from the commission. When requesting a summary, reference shall be made to the contract docket number.

(e) Each contract and contract tariff shall be filed with the commission at least 30 days, and not more than 60 days, before the date on which it is to become effective, except as otherwise authorized by the commission. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

82-9-23. Exempt transportation. (a) The commission may exempt a person, class of person, transaction or service from further rail regulation by the commission when it finds that:

1. further regulation is not necessary to carry out state and national transportation policy; and

2. either the transaction or service is of limited scope, or further regulation is not needed to protect shippers from the abuse of market power.

(b) The commission may, on its own initiative, or on application by any interested party, begin a proceeding to exempt rail carrier transportation.

(c) The commission may specify the period of time during which the exemption granted is effective.

(d) The commission may revoke, in whole or in part, an exemption if it determines that a revocation is necessary to carry out state and national transportation policy.

(e) When the interstate commerce commission concludes that a particular category of interstate traffic is exempted, this commission will adopt it as a standard for intrastate traffic. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984; amended May 1, 1985.)

82-9-24. Joint rate surcharges and cancellations. (a) 49 U.S.C. 10705a, as it existed on September 15, 1984, is adopted by reference.

(b) Rail variable cost and revenue determinations for joint rates subject to surcharge or cancellation shall be made pursuant to 3 I.C.C.2d 703 and 49 C.F.R. Part 1138 as in effect October 1, 1989.

(c) Cancellation of joint rates and complaints seeking prescription of joint rates and reciprocal switching arrangements shall be made pursuant to 1 I.C.C.2d 822 and 49 C.F.R. Part 1144 as in effect October 1, 1989. (Authorized by K.S.A. 66-106; implementing K.S.A. 1989 Supp. 66-146; effective May 1, 1984; amended May 1, 1985; amended Oct. 29, 1990.)

82-9-25. Rate discrimination. Differences between rates, classifications, rules and practices of rail carriers that provide transportation which is subject to the jurisdiction of the commission shall not constitute unlawful discrimination if the differences result from different services provided by rail carriers. (Authorized by K.S.A. 66-106; implementing K.S.A. 66-146; effective May 1, 1984.)

Article 10.—OIL AND NATURAL GAS LIQUID PIPELINES

82-10-1. Definitions. The following terms as used in this regulation and the identified sections of the regulations adopted by reference are defined as follows:

(1) The term “carrier” as used in 18 C.F.R. 352, means an oil or natural gas liquid pipeline company as defined as a common carrier in K.S.A. 55-501 and 66-1,215.

82-10-2. Rate applications of oil and natural gas liquid pipeline companies. (a) Scope. An oil or natural gas liquid pipeline company whose rates are under review by this commission at the request of the applicant, or as a result of investigation, complaint or any other procedure, shall comply with this regulation. The applicant shall be prepared to establish by appropriate schedules and competent testimony all relevant facts and data pertaining to its business and operations which will assist the commission in arriving at a determination of rates which will be fair, just and reasonable both to the applicant and the public.

(b) In preparing justification statements, prefiled testimony and supporting schedules, the applicant shall utilize the following format:

(1) The first section shall contain a copy of the application, a copy of the letter of transmittal, and the appropriate document or documents authorizing the filing of the application, if any.

(2) The second section shall give general information and shall include:

(A) the amount of dollars of the aggregate annual increase which the application proposes;

(B) a summary of the reasons for filing the application;

(C) such other pertinent information which the applicant may desire to submit or which the commission may in its discretion require;

(D) copies of any press releases issued by the applicant prior to or at the time of filing the application for a rate review, relating to that review; and

(E) a copy of the system diagram map.

(3) The annual report or Federal Energy Regulatory Commission Form 6 shall be included.

(4) The last sections shall include all other schedules, exhibits and data deemed pertinent to the application which may not be properly included under the preceding sections. Such additional evidence may be submitted at the option of the applicant and shall be submitted upon the direction of the commission.

(c) Prefiled testimony shall be filed simultaneously with the filing of the application.

(d) For good cause shown the commission may waive any of the requirements of this rule. (Authorized by K.S.A. 55-504, K.S.A. 66-106 and K.S.A. 66-1,218; implementing K.S.A. 55-504 and K.S.A. 66-1,218; effective May 1, 1987.)

82-10-3. Revisions of application and schedules. (a) If an oil or natural gas liquid pipeline company desires to make revisions to its application and schedules, other than minor corrections and insertions which can only be made by interlineation without unduly prolonging a hearing with respect to the application or schedules, the applicant shall file with the commission revised schedules as are necessary to reflect the desired revisions:

(1) Each page of the revised section or schedule shall bear the same section letter designation, schedule number, and page number as the original page with the word “Revised” and the date of the revision immediately below the original section, schedule, or page designation.

(2) There shall be filed the same number of copies of any revised sections, schedules or pages as the number of copies originally required to be filed.

(3) A copy of each revised section, schedule or page shall also be served upon each party whose intervention has previously been permitted by the commission pursuant to K.A.R. 82-1-225.

(4) All revised sections, schedules and pages shall be filed according to the provisions of K.A.R. 82-1-221, unless otherwise ordered by the commission for good cause shown.

(5) Substantial revisions of the schedules, such as changing to a different test year, may constitute grounds for the commission to continue any scheduled hearing to a later date, if necessary for its staff to conduct further investigation or revise its schedules with respect to these revisions.

(6) Revised prefiled testimony shall be filed simultaneously with the filing of the revised application.

(b) For good cause shown the commission may waive any of the requirements of this rule. (Authorized by K.S.A. 55-504, K.S.A. 66-106 and K.S.A. 66-1,218; implementing K.S.A. 55-504 and K.S.A. 66-1,218; effective May 1, 1987.)

82-10-4. Annual report. Every oil or natural gas liquid pipeline company subject to the commission’s jurisdiction shall file with the commission a copy of form No. 6, “Annual Report of Oil Pipeline Companies” which has been filed with the Federal Energy Regulatory Commission. This report shall be filed by March 31 of each year for the previous calendar year. (Authorized by K.S.A. 55-504, K.S.A. 66-106, and K.S.A. 66-1,218; implementing K.S.A. 55-504 and K.S.A. 66-1,218; effective May 1, 1987.)
**82-10-5. Suspension of certificate for failure to comply with regulations.** The certificate of any oil or natural gas liquid pipeline company who fails to comply with the rules and regulations of the commission or the laws of the state of Kansas may be suspended. This failure shall be full and sufficient cause for the commission to cancel the certificate upon citation and hearing. (Authorized by and implementing K.S.A. 66-1,216; effective May 1, 1987.)

**Article 11.—NATURAL GAS PIPELINE SAFETY**

**82-11-1. Definitions.** The following terms, as used in this article and in the identified sections of the federal regulations adopted by reference, shall be defined as specified in this regulation:

(a) “Area of residential development” means a location in which over 25 residential customers are being, or are expected to be, added over the period in which the area is to be developed.

(b) “Barhole” means a small hole made near gas piping to extract air from the ground.

(h) “Exposed pipeline” means buried pipeline that has become uncovered due to erosion, excavation, or any other cause.

(i) “Flame ionization” means a type of leak detection equipment that uses a technology that continuously draws ambient air through a hydrogen flame and thereby provides an indication of the presence of hydrocarbons.

82-11-6. Procedures to ensure compliance with minimum safety standards. The following procedures may be utilized by the commission to ensure compliance with the minimum safety standards of this article of the commission's regulations: (a) Annual audit-inspection. Inspectors from the gas pipeline safety section of the commission may visit each operator annually, or as needed, to inspect the operator's operation and maintenance records and to perform field surveys and tests as required by this article of the commission's regulations. Audit-inspection evaluation forms shall be used to record information and test results obtained in each field inspection. The inspector shall record the observations, findings, and test results on an audit-inspection evaluation form. The inspector shall provide a copy of the audit-inspection evaluation form to the operator following the audit-inspection if the operator so requests. If the results of the audit-inspection indicate that the operator does not meet the requirements of this article of the commission's regulations, the gas pipeline safety section of the commission may issue a notice of probable violation as described in subsection (b).

(b) Issuance of notice of probable violation. If after an annual audit-inspection or any other audit, inspection, or review conducted by commission staff, the commission staff believes that an operator has violated any regulations adopted pursuant to K.S.A. 66-1,150 and amendments thereto, the minimum safety standards adopted by this article of the commission's regulations, or any regulation or commission order, commission staff may serve a notice of probable violation against the operator. Service of a notice of probable violation may be conducted by standard U.S. mail, certified mail, hand delivery, or, if the operator consents to electronic service, electronic mail.

Audit-inspection evaluation forms shall be used to record information and test results obtained in each field inspection. The inspector shall record the observations, findings, and test results on an audit-inspection evaluation form. The inspector shall provide a copy of the audit-inspection evaluation form to the operator following the audit-inspection if the operator so requests. If the results of the audit-inspection indicate that the operator does not meet the requirements of this article of the commission's regulations, the gas pipeline safety section of the commission may issue a notice of probable violation as described in subsection (b).

(b) Issuance of notice of probable violation. If after an annual audit-inspection or any other audit, inspection, or review conducted by commission staff, the commission staff believes that an operator has violated any regulations adopted pursuant to K.S.A. 66-1,150 and amendments thereto, the minimum safety standards adopted by this article of the commission's regulations, or any regulation or commission order, commission staff may serve a notice of probable violation against the operator. (3) the recommended civil penalty or remedial action.

(d) Response to notice of probable violation. Within 30 days of receipt of a notice of probable violation, the operator shall respond by U.S. mail or electronic mail. Hard-copy responses shall be sent by U.S. mail to the commission's Topeka headquarters, gas pipeline safety section. Responses by electronic mail shall be electronically mailed to the address listed on the notice of probable violation. An operator's response to a notice of probable violation shall be made in at least one of the following ways:

(1) Submit written explanations, a statement of general denial, or other materials contesting the allegations. The written explanations, statements of general denial, or other materials contesting the allegations shall be verified by a signed statement from an authorized representative of the operator. An operator may verify the written explanations, statements of general denial, or other materials contesting the allegations with an electronic signature;

(2) submit a signed acknowledgment of commission staff's findings of violations or instances of noncompliance. An operator may verify its acknowledgment of commission staff's findings of violations or instances of noncompliance with an electronic signature from an authorized representative of the operator; or

(3) submit a signed proposal for the completion of any remedial action that addresses the commission staff's findings of violations or noncompliance. An operator may verify its proposal of remedial action with an electronic signature from an authorized representative of the operator.

(e) Follow-up inspection. If the inspection specified in subsection (a) reveals any instances of noncompliance or violations, the inspector shall return to the operator's premises within 90 calendar days of the date of the inspection, or as soon as is practicable, to perform a follow-up inspection. The inspector shall reinspect the operator's system and record any instances of noncompliance or violations. A follow-up audit-inspection evaluation form shall then be sent to the operator specifying any further action required by the operator.

(f) Amendment. Commission staff may amend a notice of probable violation at any time before the commission issues a civil penalty assessment. An amendment includes any new material allegations of fact or proposes an increased civil penalty assessment or additional remedial action, the operator shall have 30 days from service of the amended notice of probable violation to respond in accordance with subsection (d).

(g) Meeting with commission staff. If the inspector determines during the follow-up inspection that the violations or instances of noncompliance have not been corrected, the operator may be requested to attend an informal meeting at the commission offices or by telephone to discuss the operator's violations or instances of noncompliance with the minimum safety standards of this article of the commission's regulations, regulations adopted pursuant to K.S.A. 66-1,150 and amendments thereto, or any applicable regulation or commission order.

(h) Default admissions. Unless good cause is shown or a consent agreement is executed by commission staff and the operator before the expiration of the 30-day time limit specified in subsection (d), the failure of an operator to timely respond to a notice of probable violation shall constitute an admission to all factual allegations made by commission staff and may be used against the operator in future proceedings.

(i) Consent agreement. Commission staff and an operator may agree to modify a proposed civil penalty assessment or remedial action by joint execution of a consent agreement. Modifications to a civil penalty assessment may include a reduction in the civil penalty assessment or nonmonetary remedial action in lieu of monetary penalties. The consent agreement shall become effective if the commission issues an order approving the consent agreement. Each consent agreement shall include the following:

(4) a statement of the actions required of the operator and the date by which the actions shall be completed.

(j) Issuance of order. No sooner than 30 days after service of a notice of probable violation upon an operator, an order against an operator may be issued by the commission. The order may impose
a monetary civil penalty or require the operator to undertake remedial action or impose any other obligation or combination thereof for violating the minimum safety standards as adopted by this article of the commission's regulations, regulations adopted pursuant to K.S.A. 66-1,150 and amendments thereto, or any regulation or commission order identified in the notice of probable violation.

(k) Time to remit payment for penalty assessment. If an operator does not request a hearing and the commission issues a penalty order, the operator shall remit payment for any civil penalty assessment imposed by the commission within 20 days of service of a penalty order imposing the civil penalty assessment.

(l) Orders and hearings. Each order issued pursuant to this article of the commission's regulations shall comply with K.A.R. 82-1-232. Any operator may request a hearing on an order issued pursuant to this article of the commission's regulations by filing a request for hearing with the commission within 15 days of service of the order. Each hearing shall be conducted in accordance with the commission's rules of practice and procedure. Except for orders approving a consent agreement, each order issued by the commission pursuant to this article of the commission's regulations shall include information detailing how an operator may request a hearing. Failure to request a hearing within 15 days from service of an order shall be deemed an admission of the alleged violations or instances of noncompliance in the order.

(m) Show cause hearings. A show cause hearing may be held by the commission regarding violations or instances of noncompliance of regulations adopted pursuant to K.S.A. 66-1,150, and amendments thereto, or any regulation or commission order. If the commission issues a show cause order before or during the course of an investigation, the gas pipeline safety section of the commission shall not be required to issue a notice of probable violation before the commission issues an order regarding any actual or potential violations or instances of noncompliance.

(n) Waiver of procedures. The requirements of this regulation may be waived by the commission and an interim order issued pursuant to K.A.R. 82-1-232 if any violations or instances of noncompliance with the safety standards of this article of the commission's regulations present a probable danger to persons or property. (Authorized by and implementing K.S.A. 66-106 and 66-1,150; effective, T-82-10-28-88, Oct. 28, 1988; effective, T-82-2-25-89, Feb. 25, 1989; revoked, T-82-3-31-89, April 30, 1989; effective May 1, 1989; amended Dec. 10, 2021.)

82-12-2. Adoption by reference of the national electrical safety code, or NESC, 1997 edition. The standard entitled the “national electrical safety code,” or NESC, of the american national standards institute, 1997 edition, ANSI C2-1997, approved June 6, 1996, and published by the institute of electrical and electronic engineers, or IEEE, is adopted by reference. menting K.S.A. 66-183; effective Aug. 11, 1995; amended March 12, 1999.)

82-12-3. Utility applications for electric supply lines. Each utility proposing to build a new electric supply line, or contemplating a change in an existing electric supply line located outside the corporate limits of any city, shall present an application to the commission for approval. The application shall consist of a completed application form as approved by the commission, and any other information required by the form or these regulations including:

(a) Maps and plats, of a scale of at least one inch to the mile, showing any changes or additions to the electric supply lines; and
(b) a cost breakdown of the construction or extensions with unit cost of the plant.

On or before the day the application is submitted to the commission, the utility shall send written notice of the proposed construction or changes as required by K.A.R. 82-12-5. (Authorized by and implementing K.S.A. 66-183; effective Aug. 11, 1995.)

82-12-4. Exceptions to 82-12-3 application. (a) Any utility may proceed with necessary construction, in cases of emergency, after written or telephone communication with the commission establishing need and securing emergency approval from the commission, if:

(1) The utility complies with the rules and regulations to the extent practicable under the circumstances; and
(2) the utility files immediately with the commission an application as approved by the commission showing that the construction will ultimately be brought into full conformity with the regulations.

(b) A utility may proceed with construction of any electric supply line without submitting an application under K.A.R. 82-12-3, if all of the following requirements are met.

(1) Prior to beginning construction, the utility shall give written notice to railroads and other utilities having facilities within ½ mile of any contemplated electric supply line construction or change in construction.

(2) The proposed electric supply line shall:
   (A) be within the utility's certified area;
   (B) not interfere with the supply lines, tracks or facilities of other utilities or railroads; and
   (C) be no longer than ½ mile. However, if the proposed extension is to an extension previously made under this exception, then the combined length of the proposed and original extensions shall be considered as the length of the proposed extension for purposes of this subsection. If the combined length exceeds ½ mile, then K.A.R. 82-12-3 application is required for the combined length. (Authorized by and implementing K.S.A. 66-183; effective Aug. 11, 1995.)

82-12-5. Notice of construction of electric supply lines. On or before the day a utility makes an application to the commission for any contemplated electric supply line construction, change in construction, or change in operating conditions to be located outside the corporate limits of any city, the utility shall send written notice of their plan:

(a) To the commission, at least 10 days before commencing construction;
(b) to railroads within ½ mile of the contemplated construction. The application shall not be considered for approval until at least 15 days after that notice is sent; and
(c) to all other utilities within ½ mile of the contemplated construction unless the utilities have executed a joint use or other agreement covering the area in which the construction is proposed. The application shall not be considered for approval until at least 10 days after this notice is sent. (Authorized by and implementing K.S.A. 66-183; effective Aug. 11, 1995.)

82-12-6. Requirements for the installation of warning buoys and warning spheres installed in connection with electric lines crossing water areas suitable for sailboating. (a) Each electric utility in Kansas that maintains electric lines over water areas, other than rivers, streams and creeks, which are suitable for sailboating, or other water sports, shall place warning buoys in the water under electric lines and warning spheres on the electric lines, where they cross water.

(b) A waiver, as deemed appropriate, of the sphere and buoy requirement may be granted by the commission for good cause upon application by the utility. Applications for waivers may be submitted by each electric utility at the same time it supplies the information required by subsection (c). Each application for waiver shall specify the reasons for the requested waiver and assess the safety implications of the commission's waiver of the buoy and sphere requirement.
(c) For each newly constructed or reconstructed electric supply line which crosses water areas suitable for sailboating or other water sports, each electric utility shall report the following facts in an attachment to the application form at the time of application:

1. The name, type, configuration, and location of the electric line that crosses one or more water areas that are subject to this regulation;
2. The length and primary voltage of the electric line crossing the water area;
3. The approximate clearance height of the electric line above water, at its lowest point, using the design high water level;

When such an agreement is necessary, the most convenient and economical method consistent with effectiveness shall be employed whether that method limits inductive influence of the electric circuits, the inductive susceptiveness of the communication circuits, the inductive coupling between the two kinds of circuits or employs a combination of these methods. If there is a choice of methods, the one selected shall be applied to one or both systems according to the best engineering solution regardless of which circuit will require the greatest cost in corrective measures. (Authorized by and implementing K.S.A. 66-183; effective Aug. 11, 1995.)

The exiting competitive local exchange carrier shall provide sufficient customer support to answer calls to the toll-free number during the 30-day period before discontinuing service. The notice shall also include the customer's billing address and service address, circuit identification number, telephone number, specific service being provided, the date on which service will be discontinued, and any other information that is reasonably necessary to assist the customer in obtaining service from another local service provider. If a customer had a preferred carrier freeze on the account, the exiting carrier shall remove this freeze, and the notice shall inform the customer that the preferred carrier freeze has been removed.

(2) A copy of the notice shall be provided to the commission, each underlying local exchange carrier, and all affected customers' presubscribed interexchange carriers.

(3) Within 10 days after the commission receives a copy of the notice, additional notice requirements may be prescribed by the commission, as it deems necessary.

(b) If the competitive local exchange carrier providing local service through a resale arrangement either abandons service without providing notice consistent with the requirements of subsection (a) of this regulation or abandons service after notice is provided but before 30 days have passed, the underlying local exchange carrier shall provide the customer with equivalent service for a limited time as required in this subsection.

(1) Within five days after the transfer of service, the underlying local exchange carrier shall notify each transferred customer that service is now being provided by the underlying local exchange carrier at that carrier's usual rate for the service. The notice shall inform customers that they have 30 days to select a local service provider. The notice shall include a list of providers approved by the commission and a toll-free number that customers with questions can call. The underlying local exchange carrier shall provide a copy of the notice to the commission when the notice is provided to the customers.

(2) At least 15 days but not more than 20 days after the transfer of service, the underlying local exchange carrier shall send a final notice to the transferred customers that have not chosen a new local service provider, reminding the customers of the date by which they must select a local service provider in order to avoid loss of service. The underlying local exchange carrier may discontinue service to customers who have not chosen a new provider by the specified date.

(3) The exiting competitive local exchange carrier that abandoned service without notice to its customers shall be required to reimburse the underlying local exchange carrier for the expense of the notices required in this subsection.

(4) The exiting competitive local exchange carrier shall not market or solicit the sale of its customer base after notice is provided to customers in accordance with this subsection.

(c) Each competitive local exchange carrier providing local service through an arrangement other than resale shall provide the commission and the underlying local exchange carrier with notice at least 45 days before discontinuing service. The notice shall include the billing address and service address, telephone number, circuit identification number, the specific service being provided, the date for discontinuance of service for each affected customer in the underlying local exchange carrier's service area, and any other information that is reasonably necessary to protect the customer from loss of service.

(1) The exiting competitive local exchange carrier and the underlying local exchange carrier shall
be contacted by the commission’s staff to arrange for continuing service to the affected customers.

(2) Unless otherwise directed by the commission, the exiting competitive local exchange carrier shall provide the affected customers with notice at least 30 days before discontinuing service. The notice shall include the information required in subsection (c), a list of providers available to the customer, and a toll-free number that customers with questions can call. The exiting competitive local exchange carrier shall provide sufficient customer support to answer calls to the toll-free number during the 30-day period before discontinuing service. A copy of the notice shall be provided to the commission, the underlying local exchange carrier, and all affected customers’ pre subscribed interexchange carriers. Within 10 days after the commission receives a copy of the notice, additional notice requirements may be prescribed by the commission, as it deems necessary.

(3) The exiting competitive local exchange carrier shall not market or solicit the sale of its customer base after notice is provided to customers in accordance with this subsection.

(d) The underlying local exchange carrier shall provide notice to the commission and the competitive local exchange carrier before discontinuing service to the competitive local exchange carrier for lack of payment or any other reason. The notice shall be provided in a manner that provides the competitive local exchange carrier with adequate time to comply with the notification requirements in this regulation.

(e) Each carrier that reaches an agreement to purchase or otherwise agrees to serve the entire customer base of another carrier shall provide notice to the affected customers pursuant to 47 C.F.R. 64.1120, as in effect on April 18, 2002, which is adopted by reference. Each carrier shall furnish the commission with a copy of each notice provided pursuant to 47 C.F.R. 64.1120 when the notice is sent to the federal communications commission.

(f) An underlying local exchange carrier shall not be subject to claims of unwanted or unlawful provision of service if the transfers of service are consistent with the requirements of this regulation.

(g) Each competitive local exchange carrier that has discontinued service shall relinquish all assigned central office codes and all assigned blocks of numbers and shall provide written notice of the relinquishment to the North American numbering plan administrator in accordance with the current guidelines of the industry numbering committee. The competitive local exchange carrier shall furnish the commission with a copy of the notice when the notice is sent to the North American numbering plan administrator. (1) Mark the location of its facilities according to the requirements of subsections (m) and (n) in the area described in the notice of intent of excavation and, if applicable, notify the excavator of the operator's election to require a tolerance zone of 60 inches; or
(2) inform the excavator that the operator's underground facilities are expected to be at least two feet deeper than the excavator's planned excavation depth and that the location of its facilities will not be provided for the affected tier 2 facilities.

(h) Each operator of a tier 2 facility that notifies an excavator of its election to require a tolerance zone of 60 inches shall record and maintain the following records of the notification for at least two years:

(1) The name of the excavator contacted for the notification of a 60-inch tolerance zone;
(2) the date of the notification; and

(1) The name of the excavator notified that the operator will not provide locates;
(2) the excavator's maximum planned excavation depth;
(3) the date of the notification; and
(4) a description of the location of the excavation site.

(j) If the operator of a tier 2 facility is unable to provide the location of its facilities within a 60-inch tolerance zone, the operator shall mark the approximate location of its facilities to the best of its ability, notify the excavator that the markings could be inaccurate, remain on site or in the vicinity of the excavation, and provide additional guidance to the excavator in locating the facilities as needed during the excavation.

(k) Each tier 2 facility constructed, replaced, or repaired after July 1, 2008 shall be locatable. Location data shall be maintained in the form of maps or any other format as determined by the operator.

(l) The requirement to inform the excavator of the facility location shall be met by marking the location of the operator's facility and identifying the name of the operator with flags, paint, or any other method by which the location of the facility is marked in a clearly visible manner.

(m) In marking the location of its facilities, each operator shall use safety colors substantially similar to five of the colors specified in the American national standards institute standard no. Z535.1-2002, “American national standard for safety color code,” not including annex A, dated July 25, 2002 and hereby adopted by reference, according to the following table:

(n) If the facility has any outside dimension that is eight inches or larger, the operator shall mark its facility so that the outside dimensions of the facility can be easily determined by the excavator.

(o) If the facility has any outside dimension that is smaller than eight inches, the operator shall mark its facility so that the location of the facility can be easily determined by the excavator.

(p) The requirement to notify the excavator that the tier 1 operator has no facilities in the area described in the notice of intent of excavation shall be met by performing one of the following:

1. Marking the excavation site in a manner indicating that the operator has no facilities at that site; or
2. contacting the excavator by telephone, facsimile, or any other means of communication. Two documented attempts by the operator to reach an excavator by telephone during normal business hours shall constitute compliance with this paragraph.

(q) If the notice of intent of excavation contains a request for a meet on site, the operator shall meet with the excavator at a mutually agreed-upon time within two working days after the day on which the notice of intent of excavation was given.

(r) After attending a meet on site, the operator shall inform the excavator of the tolerance zone of the operator's facilities in the area of the planned excavation within two working days before the excavation scheduled start date that was agreed to at the meet on site.

(s) Any operator may request that the excavator white-line the proposed excavation site.

(u) If the operator requests that the excavator use whitelining at the excavation site, the operator shall document the whitelining request and any subsequent meetings regarding the facility location for that excavation site. The operator shall maintain records of the whitelining documentation for two years after the excavation scheduled start date. The documentation shall include the following:

1. A record stating the name and contact information of the excavator contacted for the request for whitelining;
2. verification that both parties understand the description of the excavation site;
3. the agreed-upon excavation scheduled start date; and
4. the date and time of the request for whitelining.

(v) Each operator that received more than 2,000 requests for facility locations in the preceding calendar year shall file a damage summary report at least semiannually with the Kansas corporation
commission. The report shall include information on each incident of facility damage resulting from excavation activity that was discovered by the operator during that period. For each incident, at a minimum the following data, if known, shall be included in the report:

- The type of operator;
- The type of excavator;
- The type of excavation equipment;
- The city or county, or both, in which the damage occurred;
- The type of facility that was damaged;
- The date of damage, specifying the month and year;
- The type of locator;
- The existence of a valid notice of intent of excavation; and
- The primary cause of the damage.

The damage summary report for the first six months of the calendar year shall be due on or before August 1 of the same calendar year. 82-14-4. Notification center requirements. In addition to the provisions of K.S.A. 66-1805 and amendments thereto, the executive director of the notification center shall ensure that the following requirements are met:

- Notice shall be provided to each affected operator of a tier 1 facility of any excavation site for which the location has been requested pursuant to K.S.A. 66-1804(e), and amendments thereto, and K.A.R. 82-14-2(e) or (f) if the affected operator is a tier 1 member and has facilities recorded with the notification center in the area of the proposed excavation site.
- If the affected operator is a tier 2 member and has a facility recorded with the notification center in the area of the proposed excavation, the notification center shall provide the excavator with the name of the tier 2 member and contact information for the tier 2 member.
- If the affected operator is a tier 3 member and has facilities recorded with the notification center in the area of the proposed excavation, the notification center shall provide the excavator with the name of the tier 3 member and the preferred method of contact for the tier 3 member.

Notice provided by the notification center directly to the operators of tier 2 facilities of any excavation site shall be deemed to meet the requirements of subsections (b) and (c) if the operator agrees to the method of notification.

- A record of receipts for each notice of intent of excavation shall be maintained by the notification center for two years, including an audio record of each notice of intent of excavation, if available, and a written or electronic version of the notification sent to each operator that is a tier 1 member.

(Authorized by K.S.A. 2008 Supp. 66-1815; implementing K.S.A. 66-1805, as amended by L. 2008, ch. 122, sec. 7; effective Jan. 19, 2007; amended July 6, 2009.)

82-14-5. Tier 3 member notification requirements. In addition to meeting the requirements of K.A.R. 82-14-3(e), each tier 3 member shall ensure that the following requirements are met:

- A record of receipts for each notice of intent of excavation shall be maintained for at least two years, including an audio record, if available, of each notice of intent of excavation and a written or electronic version of the notification.
- A copy of the tier 3 member’s record documenting the notice of intent of excavation resulting in a response from the member shall be provided to the commission or to the person giving the notice of intent of excavation, upon request.

82-14-6. Violation of act; enforcement procedures. (a) After investigation, if the commission staff believes that there has been a violation or violations of K.S.A. 66-1801 et seq. and amendments thereto or any regulation or commission order issued pursuant to the Kansas underground
utility damage prevention act and the commission staff determines that penalties or remedial action is necessary to correct the violation or violations, the commission staff may serve a notice of probable noncompliance on the person or persons against whom a violation is alleged. Service shall be made by registered mail or hand delivery.

(b) Any notice of probable noncompliance issued under this regulation may include the following:

(1) A statement of the provisions of the statutes, regulations, or commission orders that the respondent is alleged to have violated and a statement of the evidence upon which the allegations are based;

(2) a copy of this regulation; and

(3) any proposed remedial action or penalty assessments, or both, requested by the commission staff.

(c) Within 30 days of receipt of a notice of probable noncompliance, the recipient shall respond by mail in at least one of the following ways:

(1) Submit written explanations, a statement of general denial, or other materials contesting the allegations;

(2) submit a signed acknowledgment of commission staff's findings of noncompliance; or

(3) submit a signed proposal for the completion of any remedial action that addresses the commission staff's findings of noncompliance.

(d) The commission staff may amend a notice of probable noncompliance at any time before issuance of a penalty assessment. If an amendment includes any new material allegations of fact or if the staff proposes an increased civil penalty amount or additional remedial action, the respondent shall have 30 days from service of the amendment to respond.

(e) Unless good cause is shown or a consent agreement is executed by the commission staff and the respondent before the expiration of the 30-day time limit, the failure of a party to mail a timely response to a notice of probable noncompliance shall constitute an admission to all factual allegations made by the commission staff and may be used against the respondent in future proceedings.

(f) At any time before an order is issued assessing penalties or requiring remedial action or before a hearing, the commission staff and the respondent may agree to dispose of the case by joint execution of a consent agreement. The consent agreement may allow for a smaller penalty than otherwise required. The consent agreement may also allow for nonmonetary remedial penalties. Upon joint execution, the consent agreement shall become effective when the commission issues an order approving the consent agreement.

(g) Each consent agreement shall include the following:

(1) An admission by the respondent of all jurisdictional facts;

(2) an express waiver of any further procedural steps and of the right to seek judicial review or otherwise challenge or contest the validity of the commission's show cause order;

(3) an acknowledgment that the notice of probable noncompliance may be used to construe the terms of the order approving the consent agreement; and

(4) a statement of the actions required of the respondent and the time by which the actions shall be completed.

(h) If any violation resulting in a notice of probable noncompliance is not settled with a consent agreement, a penalty order may be issued by the commission no sooner than 30 days after the respondent has been served with a notice of probable noncompliance.

(i) The respondent shall remit payment for any civil assessments imposed by a penalty order within 20 days of service of the order.

(j) The respondent may request a hearing to challenge the allegations set forth in the penalty order by filing a motion with the commission within 15 days of service of a penalty order. The respondent's failure to respond within 15 days shall be considered an admission of noncompliance.

(k) An order may be issued by the commission to open a formal investigation docket regarding any potential noncompliance with the Kansas underground utility damage prevention act, and amendments thereto, or any regulations or orders pursuant to that act. If the commission finds evidence that any party to the investigation docket was not in compliance, a show cause order may be issued by the commission. If a show cause order is issued during the course of a formal investigation, the staff shall not be required to issue a notice of probable noncompliance. (Authorized by K.S.A 66-106 and K.S.A 66-1812; implementing K.S.A 66-1812; effective July 6, 2009.)

Article 15.—VIDEO SERVICE AUTHORIZATION

82-15-1. Application for a video service authorization certificate. (a) Each entity seek-
ing to provide cable or video service on or after July 1, 2006 shall file an application with the commission for a video service authorization certificate. Each cable operator providing video service pursuant to a franchise that is in effect on July 1, 2006 shall file an application for a state-issued video service authorization certificate at least 30 days before the expiration of its franchise agreement in order to continue to provide video service.

Article 16.—ELECTRIC UTILITY RENEWABLE ENERGY STANDARDS

82-16-1. Definitions. As used in these regulations, the following definitions shall apply:

(b) “Auxiliary power” has the meaning assigned to “station power” in K.S.A. 66-1,170, and amendments thereto.

(c) “Capacity from generation” means the net capacity of renewable energy resources owned or leased by a utility. Net capacity is the gross capacity minus auxiliary power required to operate the resource as determined in a test conducted as soon as possible after commercial operation begins. This test shall reflect operation of the resource over a four-hour period under conditions that do not limit performance due to ambient conditions, equipment, or operating or regulatory restrictions. The determination for a multiunit resource, including a wind farm, may be made through tests for a representative sample of at least 10% of the units. If the tests specified in this subsection are not practicable, the nameplate capacity of the resource minus the associated auxiliary power may be used as the net capacity unless there are factors that would prevent the resource from achieving nameplate capacity, other than ambient conditions, equipment, or operating or regulatory restrictions.

(d) “Capacity from net metering systems” means the rated generating capacity of systems interconnected with a utility pursuant to the net...
metering and easy connection act, K.S.A. 66-1263 et seq. and amendments thereto.

(e) “Capacity from purchased energy” means the capacity associated with energy purchased by a utility from renewable energy resources. The capacity from purchased energy shall be the nameplate capacity of the resource minus auxiliary power, adjusted as appropriate to reflect the utility's share of the output of the resource.

(f) “Capacity from RECs” means the capacity associated with the purchase of renewable energy credits. For each source of RECs, this capacity shall be determined according to the following formulas:

\[
\text{Capacity (MWs)} = \frac{\text{RECs}}{\text{Capacity Factor} \times 8760 \text{ hours}}
\]

\[
\text{Capacity Factor} = \frac{12}{n} \sum_{t=1}^{n} \frac{E_{i,t}}{8760 \times C_{i,t}}
\]

where

- \(i\) = the individual renewable generation facility (source of the RECs)
- \(n\) = the number of months the facility has been in operation over the past 24 months, with \(n\) representing at least 12 months
- \(E_{i,t}\) = the total energy output (MWh) by renewable generation facility \(i\) during compliance period \(t\)
- \(C_{i,t}\) = the average total generator capacity (MW) by renewable generation facility \(i\) during compliance period \(t\)

The capacity factor shall be calculated for the source of the RECs, if possible. If the utility is unable to calculate the capacity factor for the source of the RECs, the capacity factor shall be the capacity factor of the utility's own renewable generation from the prior calendar year for the same or similar type of resource as the source of the RECs, if known. If the utility has multiple installations of the same or similar type of resource, the capacity factor shall be the average of the facilities. If the utility did not have the same or similar type of resource as the source of the RECs or if the source is unknown, the overall capacity factor of the utility's total renewable generation shall be used. In the absence of renewable resource generation, a default capacity factor of 34% shall be used.

(g) “Data year” means the calendar year that occurred before the due date of the utility's report to the commission specified in K.A.R. 82-16-2.

(h) “Electric distribution cooperative” means a cooperative as defined by K.S.A. 17-4603, and amendments thereto, that is engaged in the retail sale and distribution of electricity and does not own or operate any generation or wholesale transmission facilities within the state of Kansas.

(i) “Electric utility” and “utility” mean any “affected utility,” as defined by K.S.A. 66-1257 and amendments thereto.

(j) “Generation and transmission cooperative” means a cooperative as defined by K.S.A. 17-4603, and amendments thereto, that does not engage in the retail distribution and sale of electricity and operates generation facilities and transmission facilities solely for the wholesale distribution and sale of electricity.

(k) “Nameplate capacity” means the maximum rated output of a generator under specific conditions designated by the manufacturer, generally indicated in units of kilovolt-amperes (kVA) and in kilowatts (kW) on a nameplate attached to the generator.

(l) “REC” means “renewable energy credit,” which means a credit representing energy produced by renewable energy resources and issued as part of a program that has been approved by the commission. For purposes of these regulations, this term is reflected on a certificate representing the attributes associated with one megawatt-hour (MWh) of energy generated by a renewable energy resource.

(m) “Renewable energy resources” has the meaning specified in K.S.A. 66-1257, and amendments thereto. For the purposes of K.S.A. 66-1257(d)(9)(A) and (B) and amendments thereto, the following shall apply:

1. “Existing hydropower” shall mean hydropower that existed on or before May 27, 2009.
2. “New hydropower” shall mean hydropower that existed after May 27, 2009.

(n) “Renewable energy goal” means the goal established by K.S.A. 66-1256, and amendments thereto, for energy and energy portfolios of each utility subject to the provisions of the act. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1257 and 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

82-16-2. Renewable energy goal and report. (a) Any utility may attain the renewable energy goal in K.S.A. 66-1256, and amendments thereto, by maintaining a portfolio of renewable capacity from generation, purchased energy, RECs, or net metering systems.
Electric Utility Renewable Energy Standards

82-16-4

(b) Each utility planning to seek commission approval for recovery of reasonable costs incurred under RESA and either related to the previous mandatory requirement or due to attaining the renewable energy goal, pursuant to K.S.A. 66-1259 and amendments thereto, shall submit a report to the commission detailing that utility's efforts related to attainment of the renewable energy goal. A generation and transmission cooperative may submit a collective report on behalf of the electric distribution cooperatives it represents. If this collective report is submitted, the electric distribution cooperatives shall not be required to file their own reports as required by this subsection. The report shall specify the renewable generation that has been put into service or the portion of the utility's portfolio of renewable generation resources served from purchased energy, RECs, or net metering systems on or before December 31 of each data year. An annual report shall be due on or before March 31 of each year. Each report shall contain the following information:

(1) A description of each type of renewable energy resource that was purchased or put into service on or before December 31 of the data year, including type, location, owner, operator, date of commencement of operations, nameplate capacity, and for the data year, the monthly capacity factor, monthly availability factor, and monthly and annual amounts of energy generated;

(2) a narrative supporting the rationale for selecting each capacity resource that was purchased or put into service and each purchased power contract that was executed during the data year;

(3) a description of the utility's plans for attaining the renewable energy goal for the current calendar year, including the utility's assessment of the expected impact to revenue requirements;

(4) the Kansas retail one-hour peak demand for each of the three calendar years before the data year and the average for these three years, with supporting data and calculations if the demand differs from the information reported on the federal energy regulatory commission's FERC form 1. Each electric distribution cooperative that does not file FERC form 1 with the commission shall file a Kansas electric cooperative utility annual report with the commission;

(5) the amount of renewable energy capacity that will qualify as a portion of the year's peak demand as calculated pursuant to paragraph (b)(4), broken down by capacity from generation, purchased energy, RECs, and net metering systems;

(6) the renewable energy capacity identified in paragraph (b)(5) from a facility constructed in Kansas after January 1, 2000; and

(7) total retail energy sales, as measured in kilowatt-hours (kWh), in Kansas for the data year. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

82-16-4. Retail revenue requirement. The retail revenue requirement attributable to attainment of the renewable energy goal shall be calculated as follows for each utility:

(a) In conjunction with the reports required by K.A.R. 82-16-2, each affected utility shall calculate the retail revenue requirement for each capacity resource used to attain the renewable energy goal. A capacity resource may result from generation resources, purchased energy, RECs, or net metering systems.

(b) Each determination of the retail revenue requirement shall reflect the total revenues required to allow the utility the opportunity to do the following:

(1) Earn a return on rate base items;

(2) earn a return on plant investments through depreciation;

(3) recover taxes other than income taxes;

(4) recover fuel and purchased power costs, including incremental fuel expense resulting from the inefficient dispatch of power generation if this expense is known;

(5) recover operating and maintenance costs;

(6) recover administrative and general expenses; and

(7) recover income taxes, including current deferred income taxes.

(c) In order to calculate a return on rate base items, each utility shall use the overall rate of return authorized by the commission from its last litigated rate case or specified in a stipulation and agreement authorized by the commission. If an overall rate of return was not specified in a utility's last rate case, then the average of the utility's proposed rate of return and the rate of return proposed by commission staff shall be used. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

82-16-6. Renewable energy credit program. (a) Renewable energy credits shall be issued and used as part of a REC program either established or approved by the commission. Each application for approval of any program not approved by the commission in any prior year shall be submitted on or before January 1 of the calendar year in which the RECs are proposed to be included in the portfolio.

(b) Any utility may purchase or sell RECs without commission approval. However, each renewable energy credit shall be counted only once. A REC or any attributes associated with renewable energy generation sold or intended for any purpose other than attainment of the renewable energy goal shall not be applied toward attainment of the renewable energy goal.

(c) For the purpose of RESA, unused RECs shall remain valid for up to two years from the end of the calendar year in which the associated electricity was generated and shall be permanently retired when used for attainment of the renewable energy goal prescribed by the act. To the extent that RECs or attributes associated with renewable energy generation are sold or used for any purpose other than attainment of the renewable energy goal, the utilities shall reduce the capacity used for attainment of the renewable energy goal according to the formula specified in this subsection.

Total Renewable Capacity for Voluntary Attainment = \( TRC - C_{OF} \)

where

\[
TRC = \text{total renewable capacity}
\]

\[
C_{OF} = \text{renewable capacity sold or used for any other purpose than attainment of the renewable energy goal}
\]

\[
E_{OF} = \text{energy from RECs or renewable energy attributes sold or used for any other purpose than attainment of the renewable energy goal}
\]

\[
CF = \text{capacity factor for source of } E_{OF}
\]

(d) Each REC created, sold, or purchased by any Kansas utility shall be reported in an approved registry that documents and verifies attributes and other compliance conditions as well as tracks the creation, sale, retirement, and other transactions regarding the REC to prevent double counting and misuse, in accordance with these regulations and commission direction. (Authorized by K.S.A. 2016 Supp. 66-106; implementing K.S.A. 2016 Supp. 66-1259; effective Nov. 19, 2010; amended Feb. 24, 2017.)

(h) “REC” means renewable energy credit, as defined in K.S.A. 66-1257 and amendments thereto. For purposes of these regulations, this term is reflected on a certificate representing the attributes associated with one megawatt-hour (MWh) of energy generated by a renewable energy resource that is located in Kansas or serves ratepayers in the state.

(i) “UL standard 1741” means the UL standard 1741, “inverters, converters, controllers and interconnection system equipment for use with distrib-
82-17-2. Utility requirements pursuant to the act. (a) In addition to the requirements set forth in the act, any utility may install, at its expense, equipment to allow for load research metering for purposes of monitoring each net metered facility.

(b) Responsibilities for maintenance, repair, or replacement of meters, service lines, and other equipment provided by the utility shall be governed by the utility’s current tariffs and terms of service on file with the commission. This equipment shall be accessible at all times to utility personnel.

(c) Each utility’s interconnection with a customer-generator’s net metered facility shall be subject to the utility’s current tariffs and terms of service on file with the commission.

(d) Each utility shall enter into a written interconnection application or interconnection agreement with each customer-generator that is equivalent to sample forms available from the commission. Each agreement shall include the following information:

2. Utility account number and number of meters associated with the account;
3. Information about the net metered facility, including AC power rating, voltage, type of system, address of the net metered facility, and the name of the manufacturer and the model number of the inverter or interconnection equipment;
4. Information about the installation of the net metered facility, including the name and license number of the contractor who installed the facility, and verification that the net metered facility meets the standards in K.A.R. 82-17-1(c), (d), (e), and (i);
5. Information regarding dispute resolution opportunities available with the commission as specified in K.A.R. 82-1-20;
6. Information regarding periodic testing requirements necessary to meet the standards in K.A.R. 82-17-1(c), (d), (e), and (i); and
7. Verification by a licensed engineer or licensed electrician that the net metered facility has been installed in a manner that meets the requirements of all applicable codes and standards for that net metered facility.

82-17-3. Tariff requirements. Each utility shall file a tariff with the commission setting forth the terms and conditions for net metering interconnection with a customer-generator. In addition to setting forth the terms and conditions required by the act, the tariff shall include the following information:

(a) Any specific criteria and guidelines for determining the appropriate size of generation to fit the expected load;
(b) A provision requiring the customer-generator to furnish, install, operate, and maintain in good repair without cost to the utility any relays, locks and seals, breakers, automatic synchronizers, disconnecting devices, and any other control and protective devices required by an applicable recognized industry standard that is clearly identified in the tariff or in a tariff that is already approved by the commission, or by any requirements adopted by federal, state or local governing authorities for the interconnection of net-metered facilities, for the parallel operation of the net metered facility with the utility’s system;
(c) A provision requiring the customer-generator to supply, at no expense to the utility, a suitable location for the utility’s equipment;
(d) A statement indicating whether or not the utility requires the customer-generator to install a utility-controlled manual disconnect switch located on the line side of a meter that has the capability to be locked out by utility personnel to isolate the utility’s facilities if an electrical outage in the utility’s facilities occurs. If a manual switch is required, the utility shall give notice to the customer-generator, as soon as possible, when the switch is locked out or used by the utility. The disconnect switch may also serve as a means of isolation for the net metered facility during any customer-generator maintenance activities, routine outages, or emergencies;
(e) A requirement that the customer-generator shall notify the utility before the initial energizing or start-up testing, or both, of the net metered facility. The utility shall have the right to be present at these times;
(f) The requirement that, if harmonics, voltage fluctuations, or other disruptive problems on the
utility's system can be directly attributed to the operation of the net metered facility, each problem shall be corrected at the customer-generator’s expense. The utility shall provide to the customer-generator a written estimate of all costs that will be incurred by the utility and billed to the customer-generator to accommodate interconnection or correct problems;

(g) a requirement that no net metered facility shall damage the utility’s system or equipment or present an undue hazard to utility personnel; and

(h) a requirement that the customer-generator enter into a written interconnection application or interconnection agreement with the utility, as specified in K.A.R. 82-17-2(d). (Authorized by K.S.A. 2009 Supp. 66-1269; implementing K.S.A. 2009 Supp. 66-1264, 66-1268, 66-1269; effective Aug. 6, 2010.)

82-17-4. Reporting requirements. (a) Each utility shall annually submit to the commission, by March 1, a report in a format approved by the commission listing all net metered facilities connected with the utility during the prior calendar year, pursuant to the act.

(b) Each report shall specify the following information:

1. Information by customer type, including the following for each net metered facility:
   (A) The type of generation resource in operation;
   (B) zip code of the net metered facility;
   (C) first year of interconnection;
   (D) any excess kilowatt-hours that expired at the end of the prior calendar year;
   (E) generator size; and
   (F) number and type of meters; and

2. the utility’s system retail peak in Kansas and total rated net metered generating capacity for all net metered facilities connected with the utility’s system in Kansas. (Authorized by K.S.A. 2009 Supp. 66-1269; implementing K.S.A. 2009 Supp. 66-1265, 66-1266, 66-1269, and 66-1271; effective Aug. 6, 2010.)

82-17-5. Renewable energy credit program. As specified in K.A.R. 82-16-6, neither utilities nor customer-generators may create, register, or sell renewable energy credits (RECs) from energy produced by a net metered facility that is used by a utility to comply with the requirements of the renewable energy standards act. Each utility shall inform a customer-generator if the utility does not intend to use the capacity of the customer-generator’s net metered facility, in whole or part, to comply with these requirements for any specified calendar year or years. The utility shall provide this notice on or before October 1 of the year preceding the first such specified year. (Authorized by K.S.A. 2009 Supp. 66-1269; implementing K.S.A. 2009 Supp. 66-1271; effective Aug. 6, 2010.)

84-1-1. Definitions. “Act” means the public employer-employee relations act K.S.A. 75-4321 et seq. and amendments thereto. Terms used in these rules shall have the same meaning as defined in the act unless their context clearly indicates otherwise.

(b) “Party” means any public employee, employee organization, or public employer filing a complaint, petition, or application under the act or these rules; any public employee, employee organization or public employer named as a party in a complaint or petition filed under the act or these rules; any person, organization or public employer whose timely motion to intervene in a proceeding has been granted who has been permitted to intervene in a proceeding under the act or these rules; or any person, employee organization or public employer that has been joined as a necessary party in a complaint or petition filed under the act or these rules by order of the board or presiding officer.

(c) Pleading—For purposes of these rules and regulations, pleadings shall include any petition, complaint, application, or notice. (Authorized by and implementing K.S.A. 75-4323(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-1-2. Scope. (a) Purpose. These rules and regulations are intended as aids to promote the efficient operation of the board and the orderly administration of the act, and to provide meaningful avenues for realizing and for enforcing the statutory rights and obligations of public employees, public employee organizations, and public employers of this state under the act.

(b) Interpretation. These rules shall be liberally construed to effectuate the purposes and provisions of the act.

(c) Waiver. In the event that the application of these rules would not be feasible or would work an injustice, the rules may be waived or suspended by the board at any time or in any proceeding unless such action would deprive a party of substantial rights.

(d) Separability. If any provisions of these rules be held invalid, it shall not be construed to invalidate any of the other provisions of these rules. (Authorized by and implementing K.S.A. 75-4323(d), 75-4330(b), 75-4334(a), 75-4336, 75-4337; effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-1-3. Computation of time. Whenever the time limited in these rules for any act is seven days or more, Saturdays, Sundays and legal holidays shall be included in making the computation. Whenever the time so limited is less than seven days, Saturdays, Sundays and legal holidays shall be excluded. Whenever the last day of any such period shall fall on a Saturday, Sunday or legal holiday, such day shall be omitted from computation. Any time prescribed in these rules may be extended by the board, its designee or the presiding officer for good cause shown. Computation of time shall commence upon service to a party. (Authorized by and implementing K.S.A. 75-4323(d); effective July 30, 1990.)

84-1-4. Registration and reports. (a) Filing annual report. Each employee organization shall file with the board a copy of the annual report required by K.S.A. 75-4337 and amendments thereto.

(b) Proof of employee organization Kansas license registration. Each person who desires to act as a business agent of any public employee orga-
nization shall register with the Kansas secretary of state pursuant to K.S.A. 75-4336 and shall show proof of such registration to the board before that person may participate in any proceedings under the public employer-employee relations act, K.S.A. 1988 Supp. K.S.A. 75-4337. (Authorized by and implementing K.S.A. 75-4336, 75-4337; effective July 30, 1990.)

84-2-1. Service of pleadings. (a) Method, proof, complaints, orders, and other processes and papers of the board. Service of pleadings and orders shall be conducted in accordance with K.S.A. 77-531, and amendments thereto. Complaints, decisions, orders, and other processes and papers of the board may be served personally, by certified mail, by telefacsimile machine, by electronic mail, or by leaving a copy in the proper office or place of business of persons to be served. The return by the individual serving any of these documents, setting forth the manner of service, shall be proof of service. The return post office receipt, when certified and mailed as specified in this subsection, shall be proof of service.

(b) Service by a party. The moving party and respondent in any action shall be required to file the original and five copies of any pleadings with the board or its designee in person, by certified mail, by telefacsimile machine, or by electronic mail. If a party files any pleading with the board by telefacsimile machine or by electronic mail, the party shall file the original and five copies of the pleading with the board either in person or by certified mail within five days of electronically filing the pleading. The moving party shall also cause a copy of the pleading to be served, by regular mail or in person, upon all other parties of record with a statement of certification of service appearing upon the pleading.

(c) Service upon attorney. If a party appears by the party’s attorney, all papers other than the complaint, notice of original hearings, and decisions and orders may be served as provided in subsection (d), upon the party’s attorney with the same force and effect as though served upon the party.

(d) Service by the board. Once a party has been permitted to intervene in a pending action, upon request of the intervening party the other parties shall be ordered by the board, its designee, or the presiding officer to serve upon the intervening party copies of all pleadings of the other parties filed with the board before the date of intervention. (Authorized by K.S.A. 2007 Supp. 75-4323; implementing K.S.A. 77-519; effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990; amended June 19, 2009.)

(1) Hearings may be conducted by the board, or any member or members thereof, or any member of its staff or other individual designated by the board.

(2) The hearing shall be limited to pertinent matters necessary to determine questions relating to the immediate controversy.

(b) Notice of hearing.

(1) Following the filing of a petition, if it appears to the board or its designee that further proceedings are warranted, a notice of hearing, at a place fixed therein, shall be issued and served upon each of the parties and upon any known individuals or employee organizations claiming to represent any employees directly affected, and, except by agreement of the parties or in unusual circumstances, at a time not less than ten days after the service of such notice.

(2) Any such notice of hearing may be withdrawn or amended prior to the hearing by the presiding officer upon reasonable notice to the parties.

(c) Conduct of hearings.

(1) It shall be the duty of the presiding officer to inquire fully into all matters at issue and to obtain a full and complete record.

(2) The presiding officer may continue the hearing from day to day or adjourn it to a later date or another place, by announcement thereof at the hearing or by other appropriate notice.

(d) Motions.

(1) All motions made during a hearing shall be made part of the record of the proceedings.

(2) All motions and answers other than those made during a hearing shall be made in writing to the board, or its designee, pursuant to the provisions of 84-2-1(b), and shall briefly state the relief sought. Answers, if any, shall be filed with the board or its designee within seven days after service of the pleading, unless the board or its designee directs otherwise. Motions shall be ruled upon by the board, its designee or the presiding officer who may decide to hear oral argument or testimony relating to the motion. The parties shall be notified of the purpose of the hearing and of
the time and place of oral argument or the taking of testimony. Rulings and orders determinative of all matters presented at the hearing shall be issued by the presiding officer. All such motions and rulings shall be part of the record of the case.

(e) An objection not made before the presiding officer shall be deemed waived unless the failure to make such objection shall be excused by the presiding officer because of extraordinary circumstances.

(f) Introduction of evidence; the rights of parties at hearings.

(1) Any party shall have the right to appear at any hearing in person, by counsel, or by other representative, and any party and the presiding officer shall have the power to call and examine witnesses, and to introduce into the record documentary and other evidence. A party shall, upon offering an exhibit into evidence at a hearing, simultaneously furnish copies to all other parties, unless otherwise ordered by the presiding officer. Witnesses shall be examined orally under oath. Compliance with the technical rules of evidence shall not be required. Stipulations of fact may be introduced in evidence with respect to any issue.

(2) The refusal of a witness at any hearing to answer any question which has been ruled proper by the hearing officer shall be noted in the record. Such refusal shall go to the weight of previous testimony, but shall not be grounds for striking all previous testimony of the particular witness.

(3) Misconduct at any hearing before the board or presiding officer shall be grounds for summary exclusion from the hearing. As used herein, "misconduct" means conduct which disrupts or interferes with the orderly administration of proceedings under the act, or conduct which evinces refusal to obey or disregard a lawful order or ruling of the hearing officer. Misconduct, if of an aggravating character and engaged in by an attorney or other representative of a party, shall be grounds for suspension or disbarment from further practice before the board or its designee. Such suspension or disbarment shall be ordered only after the board, presiding officer or another party in the proceedings files a complaint in writing with the board alleging the acts of misconduct committed by the attorney or other representative of a party, the attorney or other representative of a party has been given thirty days notice of the charges, and the attorney or other representative of a party is given an evidentiary hearing before the entire board.

(g) Upon appointment by the board of a presiding officer to perform any of its functions, the parties must file within three days any objection to the person appointed. The objection must contain a statement setting forth the reasons for the party’s position.

(h) Findings of fact; conclusions of law; initial order. No later than 30 days after the conclusion of the hearing, the presiding officer shall issue findings of fact, conclusions of law, and an initial order unless the 30 day period is waived or extended with the written consent of all parties, or for good cause shown. Such findings of fact, conclusions of law, and initial order shall be in writing and shall contain, but need not be limited to a statement of the case findings of fact, and conclusions of law and initial order to the board. All parties and members of the board shall be served with the presiding officer’s decision and initial order.

(i) Appeal Procedure.

(1) Review of initial orders shall be initiated pursuant to and controlled by K.S.A. 77-527 through K.S.A. 77-529.

(2) If the board grants review of an initial order, and unless otherwise extended by the board, the appellant shall have 30 days from the date of service of the board’s order setting forth the issues to be reviewed to file its brief with the board. Appellee shall have thirty (30) days from the date of service of appellant’s brief in which to file its response brief. No reply briefs will be allowed. Oral arguments will be allowed at the next regularly scheduled board meeting after service of appellee’s brief. Briefs shall specifically set forth the issues to be reviewed and transcript references must be cited in the brief where a transcript is available. (Authorized by and implementing K.S.A. 75-4323(c)(d)(4), 75-4327(c)(d)(e), 75-4332(b)(c)(d)(e) and 75-4334(a); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-3. Intervention and joinder. Any third party having a legitimate interest in any proceedings may file a petition of intervention setting forth facts sufficient to establish such interest and requesting that the board resolve contested factual matters in its favor. In the alternative any third party may be joined upon a motion by the board, its designee or the presiding officer. Any organization which has a signed, valid memorandum of agreement encompassing the proposed unit or any portion thereof shall be considered to have a legitimate interest in any proceedings upon presentation of same. If the intervention is pursuant
to K.A.R. 84-2-11(e) the petition must be accompanied with a 30% showing of interest in accordance with K.S.A. 75-4327(d). (Authorized by and implementing K.S.A. 75-4323(d)(4), 75-4324, 75-4327(a)(b)(c)(d) and 75-4328; effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-4. Authorization cards; acceptability. Evidence of representation or legitimate interest may be either individual authorization cards, or by petition. In either case, the petition or card must show address of, and be signed and dated by, the employee expressing an intent to be represented by a specific employee organization. A card or petition signed and dated by a public employee less than one year prior to the date on which the petition for certification was filed shall constitute prima facie evidence of continuation of such authorization. (Authorized by and implementing K.S.A. 75-4323(d)(4), 75-4324, 75-4327(a)(b)(c)(d) and 75-4328; effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-5. Validity of showing of interest. (a) The proof of interest when submitted becomes the property of the board and shall not be furnished to any of the parties. The adequacy of the showing of interest shall be determined by the board or its designee and such decision shall not be subject to collateral attack at a hearing before the board. Proof of interest shall not be required until after unit determination has been made by the board.

(b) Each public employer shall be required to furnish the board with an alphabetical listing of all employees within the appropriate unit including their work site and home addresses as expeditiously as possible, not to exceed 30 days after the filing of a petition for a certification election following unit determination, unless otherwise directed by the board or its designee. (Authorized by and implementing K.S.A. 75-4323(d)(4), 75-4324, 75-4327(a)(b)(c)(d) and 75-4328; effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-6. Units. (a) Determining appropriate unit.

(1) Any unit may consist of all of the employees of the public employer, or any department, division, section or area, or party or combination thereof, if found to be appropriate by the board, except as otherwise provided in the act or these rules.

(2) In considering whether a unit is appropriate, the provisions of K.S.A. 75-4327(e) and whether the proposed unit of the public employees is a distinct and homogeneous group, with significant problems which can be adjusted without regard to the other public employees of the public employer shall be considered by the board or presiding officer, and the relationship of the proposed unit to the total organizational pattern of the public employer may be considered by the board or presiding officer. Neither the extent to which public employees have been organized by an employee organization nor the desires of a particular group of public employees to be represented separately or by a particular employee organization shall be controlling on the question of whether a proposed unit is appropriate. (Authorized by and implementing K.S.A. 75-4323(d)(4) and 75-4327(b)(c); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-7. Petition for unit determination, unit clarification and investigation or certification or decertification of employee organization; of petition. A petition, form to be provided by the board, may be filed with the board by an employee organization or group of public employees or public employer. The original of the petition shall be signed by the petitioner or his authorized representative and the original and five copies thereof shall be filed with the board. (Authorized by and implementing K.S.A. 75-4323(d)(4) and 75-4327(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-8. (Authorized by K.S.A. 75-4323 (d)(4), 75-4327(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; revoked May 1, 1975.)

84-2-9. Procedure following filing of petitions. (a) Petition; amendment or withdrawal. Any petition may be amended, in whole or in part, or withdrawn by the petitioner at any time prior to the filing of an answer by an interested party. A petition may be amended or withdrawn by the petitioner after the filing of an answer by any party or after the board has acted thereon, only with the approval of the board, its designee or the presiding officer and upon such conditions as the board, its designee or the presiding officer may deem proper and just.

(b) Answers. Each party shall file an answer to the petition within 20 days after receipt thereof. The time for filing an answer may be extended
by the board, its designee or the presiding officer upon showing of good cause. Failure to answer within 20 days will be deemed as an admission by said party to all allegations in the petition.

(c) Investigation. The parties shall be notified by the board or its designee of the name of the person assigned to investigate the allegations contained in the petition. That person shall direct an investigation of all questions concerning representation, including, if applicable, whether the proof of interest requirement, as set forth in the rules, has been met; whether more than one employee organization seeks to represent some or all of the employees in the allegedly appropriate unit; and whether there is agreement among the parties as to the appropriateness of the alleged unit.

(d) Hearings. The presiding officer may direct a hearing, pursuant to 84-2-2(b), in which event the presiding officer shall prepare and cause to be served upon the parties a notice of hearing before the presiding officer at a time and place fixed therein. (Authorized by and implementing K.S.A. 75-4323(d)(4) and 75-4327(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-10. (Authorized by K.S.A. 75-4323(d)(4), 75-4327(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; revoked May 1, 1975.)

84-2-11. Elections; eligibility and conditions. (a) When an employee organization files a petition for certification a determination shall be made by the board or its designee as to whether a sufficient showing of interest has been filed by said employee organization. If a sufficient showing of interest exists, an order shall be entered by the board or its designee directing an election be conducted by such persons as may be appointed by the board or its designee.

(b) All elections shall be held not later than 30 days from date of validation of the first submitted proof of interest or such other date as the board or its designee may specify, at such times and places and upon such terms or conditions as the board or its designee may specify.

(c) The employees eligible to vote shall be those on the payroll on the date of the validation of proof of interest and who remain on the payroll on the date of the election.

(d) A list of names and work site and home addresses of all eligible employees in the appropriate unit shall be furnished by the board or its designee to all employee organizations submitting proof of interest immediately upon validation of said proof of interest.

(e) A motion for intervention for purpose of representation on an election ballot at a certification election will not be entertained during the 15 days immediately preceding said election.

(f) A notice of election and sample ballot shall be posted not less than seven days prior to the election in conspicuous areas where employees in the affected unit assemble. Orders to cause such posting shall be issued by the board or its designee. (Authorized by and implementing K.S.A. 75-4323(d)(4) and 75-4327(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

84-2-12. Elections; procedure. (a) All elections shall be by secret ballot, at times, places, and in such manner as the board or its designee may direct, and shall be conducted by a designee of the board, whose determination of all questions arising shall be final, subject, however, to review by the board.

(b) Ballots shall be prepared and issued by the board or its designee. Ballots shall contain the name of each representative and a choice of “no representative.” The place of priority on the ballot shall be determined by the chronological filing or appearance on the dockets of the board but with the petitioner taking first priority. In a run-off election, the place of priority shall be determined by the sequence appearing on the ballot at the prior or inclusive election.

(c) Each party to the election shall be entitled to be represented by an equal number of observers watching at each polling place. Observers shall be employees eligible to vote, or in the case of employer’s observers, shall be non-supervisory personnel, unless otherwise agreed to by all parties.

(d) Prior to the commencement of the election, the designee of the board shall designate the polling area and no electioneering of any kind shall be permitted within this area. Any violation of this rule by any party or its representative or agent may be grounds for setting aside the election.

(e) Any prospective voter may be challenged for cause.

(f) All employees whose names do not appear upon the list certified by the board as being a complete list of the employees within the defined appropriate unit shall be challenged by the designee of the board.
(g) A challenged voter shall be permitted to vote but his ballot shall not be cast. It shall instead be sealed in a separate, unmarked envelope under the supervision of the agent of the board and then inserted in a special identifiable form envelope provided by the board for that purpose and returned to the board.

(h) In all elections a majority of the valid votes cast shall determine the employee representative designated or selected by the employees in the defined appropriate unit or the determination that no representative has been designated. A tally of ballots shall be made by the board agent immediately following the closing of the polls and a tally sheet shall be furnished to all parties to the election.

(i) Each party to the election shall be permitted to observe the count of the ballots.

(j) All objections to a party’s conduct or third person’s conduct to the election shall be, by a charge of unfair practice, filed with the board within five days of the holding of the election and such order as required to effectuate the purposes of the act shall be immediately issued by the board or its designee.

(k) All objections to the board’s conduct of an election must be filed within five days of the holding of the same and such order as required to effectuate the purposes of the act shall be immediately issued by the board or its designee.

(l) The board shall conduct a runoff election when an election in which the ballot provides for not less than three choices, at least two employee organizations and “no representation,” results in none of the choices receiving a majority of the valid ballots cast.

(m) The ballot in the runoff election shall provide for a selection between the two choices receiving the largest and second largest number of votes.

(n) Runoff elections shall be conducted by the board or its designee as expeditiously as possible not to exceed 30 days following the first election unless otherwise ordered by the board or its designee. (Authorized by and implementing K.S.A. 75-4323(d)(4), 75-4327(d); effective, E-72-29, Sept. 29, 1972; effective Jan. 1, 1973; amended May 1, 1975; amended July 30, 1990.)

(a) Certification—If no objections are filed within the time set forth above, if the challenged ballots are insufficient in number to affect the result of the election, and if no runoff election is to be held, a certification of the results of the election, including certification of representative, where appropriate shall forthwith be issued to the parties by the board or its designee. All employee organizations shall be certified as of the last day of election.

(b) Pre-existing contracts. When a governmental sub-division elects to come under the provisions of K.S.A. 75-4321 et seq. and at the time of such election there are formal written agreements between that governmental sub-division and a recognized employee organization representing one or more employee units entered into prior to the election to come under K.S.A. 75-4321 et seq. and those agreements continue and are in force at the time of such election, either the employer or the recognized employee organization may petition the board to certify the recognized employee organization as the exclusive representative of the employees within the unit. After a determination by the board or its designee that the petitioned for employee unit is not in violation of the act notice of the intent to certify the previously recognized employee organization shall be ordered by the board posted in locations conspicuous to all employees within the proposed employee unit not less than 10 days prior to making a final determination. If no protest or counter petition is filed, the board shall certify the employer organization as petitioned. Then, if you believe you should be eligible for resident classification for fee purposes, complete the attached application for residence classification and submit it to the registrar within 30 days of your notification of classification as a nonresident for fee purposes. When an appeal is made by a student from a determination that the student is a nonresident, the student must pay nonresident fees at the time designated for payment of fees. If the student is found to be a resident, the difference between resident and nonresident fees will be refunded. Subject to the provisions of K.S.A. 77-601, et seq., decisions of the residence committee shall not be subject to further administrative review by any officer or committee of the university, or by the state board of regents.

**Responsibility**

If a student enrolls incorrectly as a resident of Kansas and it is determined at a later date the student was a nonresident for fee purposes, the student shall be required to pay the nonresident fee for all terms during which the student was incorrectly registered.” (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended, E-76-50, Oct. 10, 1975; amended, E-77-5, March 19, 1976; amended Feb. 15, 1977; amended May 1, 1986; amended Nov. 18, 1991; amended July 24, 1998.)

**88-3-2. Definition of “residence” for fee purposes.** (a) Except as otherwise provided in the rules and regulations of the state board of regents, “residence” means a person’s place of habitation, to which, whenever the person is absent, the person has the intention of returning. A person shall not be considered a resident of Kansas unless that person is in continuous physical residence, except for brief temporary absences, and intends to make Kansas a permanent home, not only while in attendance at an educational institution, but indefinitely thereafter as well.

(b) The factors that, while not conclusive, shall be given probative value in support of a claim for resident status include the following:

8. Ownership of a home in Kansas.

No factor shall be considered in support of a claim for resident status unless the factor has existed for at least one year before enrollment or re-enrollment.

1. Voting or registration for voting in Kansas;
2. Employment in any position normally filled by a student;
3. Lease of living quarters in Kansas;
4. A statement of intention to acquire residence in Kansas;
5. Residence in Kansas of the student’s spouse;

(d) If a person is continuously enrolled for a full academic program as defined by the institution where enrolled, it shall be presumed that the student is in Kansas for educational purposes, and the burden shall be on the student to prove otherwise.

(e) Maintenance of ties with another state or country, including financial support, voting, payment of personal property taxes, registering a vehicle or securing a driver’s license in that state or country, may be considered sufficient evidence that residence in the other state or country has been retained. (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended, E-76-50, Oct. 10, 1975; amended, E-77-5, March 19, 1976; amended Feb. 15, 1977; amended May 1, 1986; amended Nov. 18, 1991; amended July 24, 1998.)

88-3-4. **Residence of persons under eighteen years of age.** Generally, the residence of a person who is under 18 years of age is determined by the residence of the person’s custodial parent or parents or of the parent providing the preponderance of the student’s support. If both parents are deceased, residence shall be determined by the residence of the person’s legal guardian or custodian, or if none exists, of the person providing the preponderance of support. Any person under 18 years of age who is legally emancipated shall be considered an adult for residence purposes. (Authorized by K.S.A. 76-730; implementing K.S.A. 76-729, 76-730; effective, E-71-35, Aug. 20, 1971; effective Jan. 1, 1972; amended, E-76-50, Oct. 10, 1975; amended, E-77-5, March 19, 1976; amended May 1, 1986.)

(b) An application from an out-district student shall be accompanied by an affidavit of residency using the form as provided in K.A.R. 91-16-19 or 91-16-20.

(c) An application shall be submitted for approval or disapproval to the vocational education institution the applicant wishes to attend.

(d) An applicant may be disapproved or placed on a waiting list by a vocational education institution for any of the following reasons:

In addition to the foregoing reasons, the application of a student for the payment of out-district tuition may be denied by the district if it is determined that the same or substantially the same state approved vocational education course or program applied for is offered within the district, or is otherwise available to the student under the terms of a state approved participating agreement.

(A) The child is enrolled full-time in a separate facility.
(B) The child needs specially designed physical education, as prescribed in the child's IEP.

d) (1) Each agency shall ensure that assistive technology devices or assistive technology services, or both, are made available to a child with a disability if required as a part of the child's special education or related services, or the child's supplementary aids and services.

(2) Each agency, on a case-by-case basis, shall allow the use of school-purchased assistive technology devices in a child's home or in other settings if the child's IEP team determines that the child needs access to those devices at home or in other settings in order to receive FAPE.

(e) (1) Each agency shall ensure that extended school year services are available as necessary to provide FAPE to a child with a disability.

(2) An agency shall be required to provide extended school year services only if a child's IEP team determines, on an individual basis, that the services are necessary for the provision of FAPE to the child.

(3) An agency shall neither limit extended school year services to particular categories of disabilities nor unilaterally limit the type, amount, or duration of those services.

(f) (1) Each agency shall ensure that hearing aids worn in school by children with hearing impairments or deafness are functioning properly.

(2) Each agency shall ensure that the external components of surgically implanted medical devices of children with disabilities are functioning properly. However, an agency shall not be responsible for the maintenance, programming, or replacement of any surgically implanted medical device or any external component of the device.

(g) Each gifted child shall be permitted to test out of, or work at an individual rate, and receive credit for required or prerequisite courses, or both, at all grade levels, if so specified in that child's individualized education program.

(h) Any gifted child may receive credit for college study at the college or high school level, or both. If a gifted child chooses to receive college credit, however, the student shall be responsible for the college tuition costs. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-966; effective May 19, 2000; amended March 21, 2008.)

(A) Admission procedures shall be initiated by the child's home school district and by the child's parent or parents.

(B) Placement of any child in a state school shall be made only after the local school district and the child's parent or parents have considered less restrictive placement options.

(C) Placement shall be based on a child's IEP, which shall indicate a need for educational services provided at the state school.

(D) Any agency may refer a child to a state school for a portion or all of the child's evaluation. In such a case, a representative or representatives from the agency shall be included in any meeting at which the child's eligibility for services or placement is determined.

(E) If the initial evaluation and staffing are conducted by any local school district and if one of the state schools is proposed as a placement for the child, a representative or representatives from the state school shall be included in the meeting at which placement for the child is determined.

(2) Personnel from the child's home school district, as well as personnel from the state school and the child's parent or parents, shall be afforded an opportunity to participate in any IEP meeting for the child. Placement of the child in the home school district shall be considered at each annual IEP meeting.

(3) Each state school shall attempt to make arrangements so that each child enrolled in the state school has access to the educational programs in the local school districts near the location of the school, on either a part-time or full-time basis.

(4) If a state school determines that its program is not appropriate for a student and it can no longer maintain the student in its program, the state school shall give the district of residence of the student at least 15-day notice of this determination.

(c) Unless otherwise expressly authorized by state law, when a student transfers from a state school to a school district or from one school dis-
trict to another, the most recent individualized education program, as well as any additional educationally relevant information concerning the child, shall be forwarded immediately to the receiving school district.

(d) SRS institutions and facilities.
1. In accordance with K.S.A. 72-8223 and amendments thereto, and subject to the provisions of K.S.A. 72-970 and 72-1046 and amendments thereto, provision for FAPE shall be made by the secretary of social and rehabilitation services for each exceptional child housed and maintained at any institution or facility under the jurisdiction of the secretary.

2. The requirements in this article concerning placement and LRE may be modified in accordance with the child’s need for maintenance at the state institution or facility. (Authorized by K.S.A. 1999 Supp. 72-963; implementing K.S.A. 1999 Supp. 72-966 and 72-970; effective May 19, 2000.)

91-40-5. FAPE for detained or incarcerated children with disabilities. (a) Local detention facilities.

1. Subject to the provisions of K.S.A. 72-1046 and amendments thereto, each board shall provide FAPE to each child with a disability detained or incarcerated in a local juvenile or adult detention facility located within its jurisdiction.

2. The requirements in this article concerning placement and LRE may be modified in accordance with the child’s detention or incarceration.

(b) State juvenile correctional facilities.

1. The commissioner of the juvenile justice authority shall make provision for FAPE for each child with a disability detained or incarcerated in any state juvenile correctional facility or other facility at the direction of the commissioner.

2. The requirements in this article concerning parental rights, placement, and LRE may be modified in accordance with state and federal laws and the child’s conditions of detention or incarceration.

(c) State adult correctional facilities.

1. Except as otherwise provided in this regulation, provision for FAPE shall be made by the secretary of corrections for each child with a disability incarcerated in any state correctional institution or facility.

2. In making provision for FAPE under paragraph (1) of this subsection, compliance with state or federal laws or regulations relating to the following shall not be required of the secretary of corrections:

(A) Participation of children with disabilities in state or local assessments; and

(B) transition planning and services with respect to any disabled child whose eligibility for special education services will end, because of the child’s age, before the child is eligible to be released from the secretary’s custody based on consideration of the child’s sentence and eligibility for early release.

3. Provision of FAPE to any person incarcerated in a state correctional institution or facility shall not be required by the secretary of corrections if the person meets both of the following criteria:

(A) The incarcerated person is at least 18 years of age.

(B) The incarcerated person, in the person’s last educational placement before incarceration, was not identified as a child with a disability.

4. (A) Except as otherwise provided in paragraph (4)(B) of this subsection, the IEP team of a child with a disability incarcerated in a state adult correctional institution or facility may modify the child’s IEP or placement if personnel of the correctional institution or facility demonstrate a bona fide security or compelling penological interest that cannot otherwise be accommodated.

(B) An IEP team of a child with a disability incarcerated in a state adult correctional institution or facility shall not modify the following requirements:

(i) That any decision regarding modifications to, and reviews and revisions of, any IEP shall be made by the IEP team; and

(ii) that, except as otherwise expressly provided in paragraph (c)(2), each IEP shall have the content specified in K.S.A. 72-987 and amendments thereto. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-966; effective May 19, 2000; amended March 21, 2008.)

91-40-7. Child find. (a) Each board shall adopt and implement policies and procedures to identify, locate, and evaluate all children with exceptionalities residing in its jurisdiction, including children with exceptionalities who meet any of the following criteria:

1. Attend private schools;

2. are highly mobile, including migrant and homeless children; or

3. are suspected of being children with disabilities even though they are advancing from grade to grade.

(b) Each board’s policies and procedures under this regulation shall include age-appropriate
screening procedures that meet the following requirements:

(1) For children younger than five years of age, observations, instruments, measures, and techniques that disclose any potential disabilities or developmental delays that indicate a need for evaluation, including hearing and vision screening;

(2) for children from ages five through 21, observations, instruments, measures, and techniques that disclose any potential exceptionality and indicate a need for evaluation, including hearing and vision screening as required by state law; and

(3) implementation of procedures ensuring the early identification and assessment of disabilities in children.

(c) Any board may refer a child who is enrolled in public school for an evaluation if one of the following conditions is met:

(1) School personnel have data-based documentation indicating that general education interventions and strategies would be inadequate to address the areas of concern for the child.

(2) School personnel have data-based documentation indicating that before the referral or as a part of the referral, all of the following conditions were met:

(A) The child was provided with appropriate instruction in regular education settings that was delivered by qualified personnel.

(B) The child's academic achievement was repeatedly assessed at reasonable intervals that reflected formal assessment of the student's progress during instruction.

(C) The assessment results were provided to the child's parent or parents.

(D) The assessment results indicate that an evaluation is appropriate.

(3) The parent of the child requests, and gives written consent for, an evaluation of the child, and the board agrees that an evaluation of the child is appropriate.

(d) Each board, at least annually, shall provide information to the public concerning the availability of special education services for exceptional children, including child find activities conducted by the board.

(e) Each agency shall ensure that the collection and use of data under this regulation are subject to the confidentiality requirements of K.A.R. 91-40-50. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-966; effective May 19, 2000; amended May 4, 2001; amended March 21, 2008.)

91-10-8. Evaluations. (a) Each agency shall ensure that a full and individual evaluation is conducted for each child being considered for special education and related services. Each evaluation shall include procedures to determine the following:

(1) Whether the child is an exceptional child; and

(2) what the educational needs of the child are.

(b) In implementing the requirements of subsection (a), the agency shall ensure that the following conditions are met:

(1) The evaluation is conducted in accordance with the procedures described in K.A.R. 91-40-9 and, if applicable, K.A.R. 91-40-11.

(2) The results of the evaluation are used by the child's IEP team to develop the child's IEP.

(3) The evaluation is conducted before the initial provision of special education and related services to the child.

(c) As a part of an initial evaluation, if appropriate, and as a part of any reevaluation, each agency shall ensure that members of an appropriate IEP team for the child and other qualified professionals, as appropriate, comply with the following requirements:

(1) The evaluation team shall review existing evaluation data on the child, including the following information:

(A) Evaluations and information provided by the parent or parents of the child;

(B) current classroom-based, local, and state assessments and classroom-based observations; and

(C) observations by teachers and related services providers.

(2) On the basis of that review and input from the child's parent or parents, the evaluation team shall identify what additional data, if any, is needed to determine the following matters:

(A) Whether the child has a particular category of exceptionality or, in the case of a reevaluation of a child, whether the child continues to have such an exceptionality;

(B) what the present levels of academic achievement and educational and related developmental needs of the child are;

(C) whether the child needs special education and related services, or in the case of a reevaluation of the child, whether the child continues to need such services and related services; and

(D) whether, in the case of a reevaluation of the child, any additions or modifications to the special education and related services currently being provided to the child are needed to enable...
the child to meet the measurable annual goals set out in the IEP of the child and to participate, as appropriate, in the general education curriculum.

(d) The team described in subsection (c) may conduct its review without a meeting.

(e) (1) If the team described in subsection (c) determines that additional data is required to make any of the determinations specified in paragraph (2) of subsection (c), the agency, after giving proper written notice to the parent and obtaining parental consent, shall administer those tests and evaluations that are appropriate to produce the needed data.

(2) If the team described in subsection (c) determines that no additional data is needed to make any of the determinations specified in paragraph (2) of subsection (c), the agency shall give written notice to the child's parent of the following information:

(A) The determination that no additional data is needed and the reasons for this determination; and

(B) the right of the parent to request an assessment.

(3) The agency shall not be required to conduct any additional assessments unless requested to do so by a parent.

(f) Unless an agency has obtained written parental consent to an extension of time and except as otherwise provided in subsection (g), the agency shall complete the following activities within 60 school days of the date the agency receives written parental consent for evaluation of a child:

(1) Conduct the evaluation of the child;

(2) conduct a meeting to determine whether the child is an exceptional child and, if so, to develop an IEP for the child. The agency shall give notice of this meeting to the child's parent or parents as required by K.A.R. 91-40-17(a); and

(3) implement the child's IEP in accordance with K.A.R. 91-40-16.

(g) An agency shall not be subject to the time frame prescribed in subsection (f) if either of the following conditions is met:

(1) The parent or parents of the child who is to be evaluated repeatedly fail or refuse to produce the child for the evaluation.

(2) The child enrolls in a different school before the evaluation is completed, and the parent and new school agree to a specific date by which the evaluation will be completed.

(h) In complying with subsection (f), each agency shall ensure that an IEP is developed for each exceptional child within 30 days from the date on which the child is determined to need special education and related services. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-966 and 72-986; effective May 19, 2000; amended March 21, 2008.)

91-40-9. Evaluation procedures. (a) If assessment instruments are used as a part of the evaluation or reevaluation of an exceptional child, the agency shall ensure that the following requirements are met:

(1) The assessment instruments or materials shall meet the following criteria:

(A) Be selected and administered so as not to be racially or culturally discriminatory; and

(B) be provided and administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless this is clearly not feasible.

(2) Materials and procedures used to assess a child with limited English proficiency shall be selected and administered to ensure that they measure the extent to which the child has an exceptionality and needs special education, rather than measuring the child's English language skills.

(3) A variety of assessment tools and strategies shall be used to gather relevant functional and developmental information about the child, including information provided by the parent, and information related to enabling the child to be involved and progress in the general curriculum or, for a preschool child, to participate in appropriate activities that could assist in determining whether the child is an exceptional child and what the content of the child's IEP should be.

(4) Any standardized tests that are given to a child shall meet the following criteria:

(A) Have been validated for the specific purpose for which they are used; and

(B) be administered by trained and knowledgeable personnel in accordance with any instructions provided by the producer of the assessment.

(5) If an assessment is not conducted under standard conditions, a description of the extent to which the assessment varied from standard conditions shall be included in the evaluation report.

(6) Assessments and other evaluation materials shall include those that are tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.
(7) Assessments shall be selected and administered to ensure that if an assessment is administered to a child with impaired sensory, manual, or speaking skills, the results accurately reflect the child's aptitude or achievement level or whatever other factors the assessment purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills, unless those skills are the factors that the assessment purports to measure.

(8) A single procedure shall not be used as the sole criterion for determining whether a child is an exceptional child and for determining an appropriate educational program for the child.

(9) Each agency shall use assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the child.

(b) (1) Each child shall be assessed in all areas related to a suspected exceptionality, including, if appropriate, the following:
(A) Health;
(B) vision;
(C) hearing;
(D) social and emotional status;
(E) general intelligence;
(F) academic performance;
(G) communicative status; and
(H) motor abilities.

(2) Each evaluation shall be sufficiently comprehensive to identify all of the child's special education and related services needs, whether or not commonly linked to the disability category in which the child has been classified.

(c) If a child is suspected of having a specific learning disability, the agency also shall follow the procedures prescribed in K.A.R. 91-40-11 in conducting the evaluation of the child. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-986; effective May 19, 2000; amended May 4, 2001; amended March 21, 2008.)

91-40-10. Eligibility determination.
(a)(1) After completion of appropriate evaluation procedures, a team of qualified professionals and the parent of the child who has been evaluated shall prepare a written evaluation report that includes a statement regarding each of the following matters:
(A) The determination of whether the child has an exceptionality;
(B) the basis for making the determination;
(C) the relevant behavior noted during the observation of the child;
(D) the relationship of that behavior to the child's academic functioning;
(E) educationally relevant medical findings, if any; and
(F) if the child was evaluated for a specific learning disability, the additional information specified in subsection (e).

(2) Each team member shall certify in writing whether the report reflects the member's conclusion. If the report does not reflect that member's conclusion, the team member shall submit a separate statement presenting the member's conclusion.

(b) Each agency shall provide, at no cost, a copy of the evaluation report to the child's parent.

(c) An evaluation team shall not determine a child to be an exceptional child if the determinative factor for that eligibility determination is the child's lack of appropriate instruction in reading or mathematics or limited English proficiency, and if the child does not otherwise qualify as a child with an exceptionality.

(d) Each evaluation team, in determining whether a child is an exceptional child and what the educational needs of the child are, shall meet the following requirements:
(1) The evaluation team shall draw upon information from a variety of sources, including the following:
(A) Aptitude and achievement tests;
(B) parent input;
(C) teacher recommendations;
(D) physical condition;
(E) social or cultural background; and
(F) adaptive behavior.

(2) The evaluation team shall ensure that the information obtained from all of the sources specified in paragraph (1) of this subsection is documented and considered.

(e) If the evaluation team and the parent determine the parent's child to be a child with a specific learning disability, the evaluation team and the parent shall prepare a written evaluation report that includes a statement regarding each of the following matters:
(1) An indication of whether the child has a specific learning disability;
(2) the basis for making the determination, including an assurance that the determination has been made in accordance with applicable laws and regulations;
(3) the relevant behavior, if any, noted during the observation of the child and the relationship of that behavior to the child's academic functioning;
(4) educationally relevant medical findings, if any; 
(5) an indication of whether the child meets the following criteria: 
   (A) Does not achieve adequately for the child’s age or meet state-approved grade-level standards; and 
   (B)(i) Does not make sufficient progress to meet age standards or state-approved grade-level standards; or 
   (ii) exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, state-approved grade-level standards, or intellectual development; and 
   (6) the determination of the team concerning the effect of the following factors on the child’s achievement level: 
      (i) Visual, hearing, or motor skills disability; 
      (ii) mental retardation; 
      (iii) emotional disturbance; 
      (iv) cultural factors; 
      (v) environmental or economic disadvantage; and 
      (vi) limited English proficiency. 
(f) If the child has participated in a process that assessed the child’s response to scientific, research-based intervention, the evaluation report shall also address the following matters: 
   (1) The instructional strategies used and the student-centered data collected; and 
   (2) the documentation indicating that the child’s parent or parents were notified about the following: 
      (A) The state’s policies regarding the amount and nature of student performance data that would be collected and the general education services that would be provided; 
      (B) strategies for increasing the child’s rate of learning; and 
      (C) the right of a parent to request an evaluation. 
(g) (1) Except as provided in paragraph (2) of this subsection, after a child has been determined to be a child with an exceptionality and has been provided special education or related services, an agency shall conduct a reevaluation of the child before terminating special education or related services to the child. 
   (2) An agency shall not be required to conduct a reevaluation of a child with an exceptionality before terminating special education or related services to the child if the reason for termination of services is due to either of the following: 
      (A) The child has graduated from high school with a regular high school diploma. 
      (B) The child has reached the age of 21 years. 
(c) An agency shall provide prior written notice before terminating special education services for either of the reasons stated in paragraph (g)(2). 
(h) An agency shall not be required to classify children with disabilities according to their categories of disabilities if each child with a disability is regarded as a child with a disability and is provided FAPE. 
   (i) With regard to children ages three through nine who are determined to need special education and related services, an agency shall use one or more of the categories of disabilities described in the definition of the term “child with a disability” or the term “developmental delay.” (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-986; effective May 19, 2000; amended May 4, 2001; amended March 21, 2008.) 

91-40-11. Evaluation for specific learning disability; use of response to intervention process. (a) If a child is suspected of having a specific learning disability and believed to need special education services because of that disability, the agency shall ensure that the evaluation of the child is made by the child’s parent and a group of qualified professionals, including the following individuals: 
   (1)(A) The child’s regular education teacher or, if the child does not have a regular education teacher, a regular classroom teacher qualified to teach a child of the child’s age; or 
   (B) for a child of less than school age, an individual who is qualified to teach a child of the child’s age; and 
   (2) at least one person qualified to conduct individual diagnostic examinations of children, including a school psychologist, speech-language pathologist, or remedial reading teacher. 
   (b)(1) A group evaluating a child for a specific learning disability may determine that the child has that disability only if the following conditions are met: 
      (A) The child does not achieve adequately for the child’s age or meet state-approved grade-level standards, if any, in one or more of the following areas, when the child is provided with learning experiences and instruction appropriate for the child’s age and grade level: 
         (i) Oral expression; 
         (ii) listening comprehension; 
         (iii) written expression; 
         (iv) basic reading skill;
(v) reading fluency skills;
(vi) reading comprehension;
(vii) mathematics calculation; and
(viii) mathematics problem solving; and
(B)(i) The child does not make sufficient progress to meet age or state-approved grade-level standards in one or more of the areas identified in paragraph (b)(1)(A) when using a process based on the child's response to scientific, research-based intervention; or
(ii) the child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, grade-level standards, or intellectual development that is determined by the group conducting the evaluation to be relevant to the identification of a specific learning disability, using appropriate assessments.

(2) A child shall not be determined to be a child with a specific learning disability unless the group evaluating the child determines that its findings under paragraphs (b)(1) (A) and (B) are not primarily the result of any of the following:
(i) A visual, hearing, or motor disability;
(ii) mental retardation;
(iii) emotional disturbance;
(iv) cultural factors;
(v) environmental or economic disadvantage; or
(vi) limited English proficiency.

(c) (1) The group evaluating the child shall ensure that the child is observed in the child's learning environment, including the regular classroom setting, to document the child's academic performance and behavior in the areas of difficulty.

(2) In conducting the observation, the group may employ either of the following procedures:
(A) Use information from an observation in routine classroom instruction and monitoring of the child's performance that was done before the child was referred for an evaluation; or
(B) have at least one member of the group conduct an observation of the child's academic performance in the regular classroom after the child has been referred for an evaluation and parental consent is obtained. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-986; effective May 19, 2000; amended March 21, 2008.)

91-40-12. Right to independent educational evaluation. (a) (1) Subject to the conditions specified in this regulation, a parent of an exceptional child shall have the right to request an independent educational evaluation at public expense if the parent disagrees with the evaluation obtained by the agency.
(2) The parent shall be eligible for only one independent educational evaluation at public expense in response to an evaluation conducted by the agency.
(b) If a parent requests an independent educational evaluation of the child, the agency, without unnecessary delay, shall take one of the following actions:
(1) Initiate a due process hearing to show that its evaluation is appropriate; or
(2) (A) Provide information to the parent about where an independent educational evaluation may be obtained and the agency criteria prescribed under subsection (g) that apply to independent educational evaluations; and
(B) take either of the following actions:
(i) Pay the full cost of the independent educational evaluation or otherwise ensure that the evaluation is provided at no cost to the parent; or
(ii) initiate a due process hearing to show that the evaluation obtained by the parent does not meet agency criteria.
(c) If the agency initiates a hearing and the final decision is that the agency's evaluation is appropriate, the parent shall still have the right to an independent educational evaluation, but the agency shall not be required to pay the cost of that evaluation.
(d) If a parent requests an independent educational evaluation, the agency may ask the reason for the objection to the public evaluation. However, the explanation by the parent shall not be required, and the agency shall not unreasonably delay either providing the independent educational evaluation at public expense or initiating a due process hearing to defend the public evaluation.
(e) If the parent obtains an independent educational evaluation at public expense or provides the agency with an evaluation obtained at private expense, the results of the evaluation shall be considered by the agency, if it meets agency criteria, in any decision made with respect to the provision of FAPE to the child. The results of this evaluation may be presented as evidence at a due process hearing regarding that child.
(f) If a hearing officer requests an independent educational evaluation as part of a hearing, the cost of the evaluation shall be paid by the agency.
(g) (1) Subject to the provisions of paragraph (2) of this subsection, each agency shall adopt criteria for obtaining an independent educational evalu-
ation at public expense. The criteria may include the qualifications of the examiner and the location of the evaluation, but shall not impose other conditions or timelines for obtaining the evaluation.

(2) The criteria adopted by an agency under paragraph (1) of this subsection shall be the same as the criteria that the agency uses when it conducts an evaluation, to the extent that those criteria are consistent with the parents’ right to obtain an independent educational evaluation. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-986 and 72-988; effective May 19, 2000; amended March 21, 2008.)

91-40-16. IEP requirements. (a) Each agency shall be responsible for initiating and conducting meetings to develop, review, and revise the IEP of each exceptional child served by the agency.

(b) Except as otherwise provided in subsection (c), each agency shall ensure that the following conditions are met:

(1) An IEP is in effect before special education and related services are provided to an exceptional child.

(2) Those services for which written consent has been granted as specified by law are implemented not later than 10 school days after parental consent is granted unless reasonable justification for a delay can be shown.

(3) An IEP is in effect for each exceptional child at the beginning of each school year.

(4) The child’s IEP is accessible to each regular education teacher, special education teacher, related service provider, and other service provider who is responsible for its implementation.

(5) Each teacher and provider described in paragraph (4) of this subsection is informed of the following:

(A) That individual’s specific responsibilities related to implementing the child’s IEP; and

(B) the specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP.

(c)(1) If an agency and a child’s parent agree, an IFSP that meets the requirements of the federal law and that is developed in accordance with this article may serve as the IEP of a child with a disability who is two years old but will reach three years of age during the next school year or who is three, four, or five years of age.

(2) Before using an IFSP as an IEP, each agency shall meet the following requirements:

(A) The agency shall provide to the child’s parent or parents a detailed explanation of the differences between an IFSP and an IEP.

(B) If an IFSP is chosen, the agency shall obtain written consent from the parent for use of the IFSP as the child’s IEP. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-987; effective May 19, 2000; amended March 21, 2008.)

(b) The notice shall be written in language understandable to the general public and provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so.

(c) If the native language or other mode of communication of a parent is not a written language, the agency shall take steps to ensure all of the following:

(1) The notice is translated orally or by other means to the parent in the parent’s native language or other mode of communication.

(2) The parent understands the content of the notice.

(3) There is written evidence that the requirements of paragraphs (1) and (2) of this subsection have been met.

(1) Conducting an initial evaluation or any reevaluation of an exceptional child;
(2) initially providing special education and related services to an exceptional child; or
(3) making a material change in services to, or a substantial change in the placement of, an exceptional child, unless the change is made under the provisions of K.A.R. 91-40-33 through 91-40-38 or is based upon the child's graduation from high school or exceeding the age of eligibility for special education services.
(b) When screening or other methods used by an agency indicate that a child may have a disability and need special education services, the agency shall make reasonable and prompt efforts to obtain informed consent from the child's parent to conduct an initial evaluation of the child and, if appropriate, to make the initial provision of services to the child.
(c) Unless a judicial order specifies to the contrary, each agency shall recognize the biological or adoptive parent of an exceptional child who is a minor as the educational decision maker for the child if the parent exerts the parent's rights on behalf of the child, even if one or more other persons meet the definition of parent for the particular child.
(d) An agency shall not construe parental consent for initial evaluation as consent for the initial provision of special education and related services to an exceptional child.
(e) An agency shall not be required to obtain parental consent before taking either of the following actions:
(1) Reviewing existing data as part of an evaluation, reevaluation, or functional behavioral assessment; or
(2) administering a test or other evaluation that is administered to all children, unless before administration of that test or evaluation, consent is required of the parents of all children.
(f)(1) If a parent of an exceptional child who is enrolled or is seeking to enroll in a public school does not provide consent for an initial evaluation or any reevaluation, or for a proposed material change in services or a substantial change in the placement of the parent's child, an agency may, but shall not be required to, pursue the evaluation or proposed change by initiating due process or mediation procedures.
(2) If a parent of an exceptional child who is being homeschooled or has been placed in a private school by the parent does not provide consent for an initial evaluation or a reevaluation, or fails to respond to a request to provide consent, an agency shall not pursue the evaluation or reevaluation by initiating mediation or due process procedures.
(3) An agency shall not be in violation of its obligations for identification, evaluation, or reevaluation if the agency declines to pursue an evaluation or reevaluation because a parent has failed to provide consent for the proposed action.
(4) Each agency shall document its attempts to obtain parental consent for action proposed under this regulation.
(g) An agency shall not be required to obtain parental consent for a reevaluation or a proposed change in services or placement of the child if the agency has made attempts, as described in K.A.R. 91-40-17(e)(2), to obtain consent but the parent or parents have failed to respond.
(h) An agency shall not use a parent's refusal to consent to an activity or service to deny the parent or child other activities or services offered by the agency.
(i) If, at any time after the initial provision of special education and related services, a parent revokes consent in writing for the continued provision of all special education, related services, and supplementary aids and services, the following shall apply:
(1) The agency shall not continue to provide special education, related services, and supplementary aids and services to the child but shall provide prior written notice in accordance with K.A.R. 91-40-26 before ceasing the provision of those services.
(2) The agency shall not use the procedures in K.S.A. 72-972a or K.S.A. 72-996, and amendments thereto, or K.A.R. 91-40-28, including the mediation procedures and the due process procedures, in order to obtain an agreement or a ruling that the services may be provided to the child.

(3) The agency shall not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education services, related services, and supplementary aids and services.

(4) The agency shall not be required to convene an IEP team meeting or develop an IEP under K.S.A. 72-987, and amendments thereto, or K.A.R. 91-40-16 through K.A.R. 91-40-19 for the child for further provision of special education, related services, and supplementary aids and services.

(j) If a parent revokes consent in writing for the child's receipt of all special education and related services after the child is initially provided special education and related services, the agency shall not be required to amend the child's education records to remove any references to the child's receipt of special education and related services because of the revocation of consent.

(k) If a parent revokes consent for the continued provision of particular special education, related services, supplementary aids and services, or placements, or any combination of these, and the IEP team certifies in writing that the child does not need the service or placement for which consent is being revoked in order to receive a free appropriate public education, the following shall apply:

(1) The agency shall not continue to provide the particular special education, related services, supplementary aids and services, and placements for which consent was revoked but shall provide prior written notice in accordance with K.A.R. 91-40-26 before ceasing the provision of the particular special education, related services, supplementary aids and services, and placements.

(2) The agency shall not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with the particular special education, related services, supplementary aids and services, or placements, or any combination, for which parental consent was revoked.

(l) If a parent who revoked consent for all special education, related services, and supplementary aids and services under subsection (i) subsequently requests that the person's child be reenrolled in special education, the agency shall conduct an initial evaluation of the child to determine whether the child qualifies for special education before reenrolling the child in special education. If the team evaluating the child determines that no additional data are needed to make any of the determinations specified in K.A.R. 91-40-8(c)(2), the agency shall give written notice to the child's parent in accordance with K.A.R. 91-40-8(e)(2). If the child is determined to be eligible, the agency shall develop an initial IEP. (Authorized by K.S.A. 2008 Supp. 72-963; implementing K.S.A. 2008 Supp. 72-958; effective May 19, 2000; amended May 4, 2001; amended March 21, 2008; amended July 23, 2010.)

(b) (1) If mediation is requested by either party, the provisions of K.S.A. 72-996 and amendments thereto shall be followed, together with the requirement in paragraph (2) of this subsection.

(2) When agreement is reached to mediate, the agency shall immediately contact the state board or its designee. A mediator shall be appointed by the state board from its list of qualified mediators, based upon a random or other impartial basis.

(c) If a disagreement as described in subsection (a) arises, the parent or the agency, or both, may initiate a special education due process hearing by filing a due process complaint notice. Each due process hearing shall be provided for by the agency directly responsible for the education of the child.

The parent and agency shall determine which members of the IEP team will attend the meeting.

(2) If a parent who files a due process complaint fails to participate in a resolution meeting for which the agency has made reasonable efforts to give the parent notice, the timelines to complete the resolution process and begin the due process hearing shall be delayed until the parent attends a resolution meeting or the agency, at the end of the 30-day resolution period, requests the hearing officer to dismiss the due process complaint.

(3) If an agency fails to hold a resolution meeting within 15 days of receiving a due process complaint or to participate in a meeting, the parent may request the hearing officer to begin the due process hearing and commence the 45-day timeline for its completion.

(g) The 45-day timeline for completion of a due process hearing shall start on the day after one of the following events occurs:

(1) Both parties to the due process proceedings agree, in writing, to waive the resolution meeting.

(2) The parties participate in a resolution meeting or in mediation but agree, in writing, that resolution of their dispute is not possible by the end of the 30-day resolution period.

(3) Both parties agreed, in writing, to continue to engage in mediation beyond the end of the 30-day resolution period, but later one or both of the parties withdraw from the mediation process. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-963a, 72-973, and 72-996; effective May 19, 2000; amended March 21, 2008.)

(A) The child is suspended or expelled from school for more than 10 consecutive school days.

(B) The child is subjected to a series of short-term suspensions constituting a pattern that meets all of the following criteria:

(i) The suspensions cumulate to more than 10 school days in a school year.

(ii) Each incident of misconduct resulting in a suspension involved substantially the same behavior.

(iii) The length of each suspension, the total amount of time the child is suspended, and the proximity of the suspensions to one another indicate a pattern.

(C) The child is placed in an interim alternative educational setting.

(2) (A) If school personnel order two or more short-term suspensions of a child with a disability
during a school year, these suspensions shall not constitute a change in placement for disciplinary reasons if the suspensions do not constitute a pattern as described in paragraph (a)(1)(B).

(B) School officials shall have the authority to make the determination of whether a series of short-term suspensions of a child with a disability constitutes a change in placement for disciplinary reasons. This determination shall be subject to review through due process proceedings.

(b) “School officials” means the following:

(2) the director of special education or the director’s designee or designees; and

(b) As authorized in K.S.A. 72-991a and amendments thereto, school personnel may order a change in placement of a child with a disability to an interim alternative educational setting.

(2) If a child with a disability is suspended from school under either of the circumstances stated in paragraph (b)(1), the agency that suspended the child shall provide, commencing on the 11th day of suspension and during any subsequent day or days of suspension, special education and related services that are needed to enable the child to continue to participate in the general education curriculum and to progress toward meeting the goals set out in the child’s IEP.

(c) If a child with a disability is placed in an interim alternative educational setting in accordance with K.S.A. 72-991a and amendments thereto, the agency shall provide special education and related services to the child that meet the following requirements:

(1) The services provided shall enable the child to continue both of the following:

(A) To progress in the general curriculum, although in another setting; and

(B) to receive those services and modifications, including those described in the child’s IEP, that will enable the child to meet the goals set out in the IEP.

(b) If a child with a disability is suspended from school for more than 10 consecutive school days or is expelled from school for behavior that has been determined not to be a manifestation of the child's disability, the child's IEP team shall determine the special education and related services that will be provided to the child.

(c) If a child with a disability is placed in an interim alternative educational setting as a result of the child's possession of a weapon or illegal drug, the child's IEP team shall determine the following:

1) The special education and related services to be provided to the child in the interim alternative educational setting; and

2) Those services and modifications that will be provided to address the misbehavior of the child and that are designed to prevent the misbehavior from recurring.

(d) (1) If a child with a disability is to be placed in an interim alternative educational setting by a due process hearing officer because the child is substantially likely to cause injury to self or others, school officials shall propose to the hearing officer the special education and related services to be provided to the child, and those services and modifications to be provided to address the behavior and prevent its recurrence.

(e) An agency shall convene IEP meetings under this regulation as expeditiously as possible and shall be required to give only 24 hours' prior notice of a meeting to the child's parent or parents.

(2) If the matter has not been resolved to the satisfaction of both parties within 15 days of the filing of the due process complaint, the due process hearing may proceed. (Authorized by K.S.A. 2007 Supp. 72-963; implementing K.S.A. 2007 Supp. 72-991a; effective May 19, 2000; amended May 4, 2001; amended March 21, 2008.)

(A) The agency did not make FAPE available to the child in a timely manner before the private school enrollment.

(B) The private school placement made by the parent is appropriate to meet the needs of the child.

   (B) at least 10 business days, including any holidays that occur on a business day, before removal of the child from public school, the parent did not give written notice to the public agency of the information specified in paragraph (1) (A) of this subsection.

(3) The parent had not been given notice by the agency of the prior notice requirement prescribed in subsection (b).

(d) At the discretion of a court or due process hearing officer, the court or hearing officer may allow a parent full or partial reimbursement of the cost of a private school placement even though the parent failed to provide the notice required in subsection (b), if the court or hearing officer finds either of the following:

(d) After each incident, a parent may request a meeting with the school to discuss and debrief the incident. A parent may request the meeting verbally, in writing or by electronic means. A school shall hold a meeting requested under this subsection within 10 school days of the date on which the parent sent the request. The focus of any meeting convened under this subsection shall be to discuss proactive ways to prevent the need for emergency safety interventions and to reduce incidents in the future.

If the parent requests an individualized education program team meeting, the private school shall help facilitate the meeting.
(4) For a student who does not have an individualized education program or section 504 plan, the parent and school shall discuss the incident and consider the appropriateness of a referral for an evaluation under the special education for exceptional children act, K.S.A. 72-961 et seq. and amendments thereto, the need for a functional behavioral analysis, or the need for a behavior intervention plan. Each meeting called pursuant to this subsection shall include the student's parent, a school administrator for the school where the student attends, one of the student's teachers, a school employee involved in the incident, and any other school employees designated by the school administrator as appropriate for the meeting.

(e) If a school is aware that a law enforcement officer or school resource officer has used seclusion, physical restraint or mechanical restraint on a student on school grounds or during a school-sponsored activity, the school shall notify the parent on the same day the school becomes aware of the use, using the parent's preferred method of contact as described in K.A.R. 91-42-5. A school shall not be required to provide written documentation to a parent, as set forth in subsection (b) or (c) regarding law enforcement use of an emergency safety intervention, or report to the department law enforcement use of an emergency safety intervention. For purposes of this subsection, mechanical restraint includes, but is not limited to, the use of handcuffs.

(f) If a parent believes that emergency safety interventions have been used in violation of this article or policies of the school district, then within 30 days from being informed of the use of emergency safety intervention, the parent may file a complaint through the local dispute resolution process. Any parent may request an administrative review by the state board within 30 days from the date the final decision was issued pursuant to the local dispute resolution process. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective, T-91-2-17-16, Feb. 17, 2016; effective June 10, 2016; amended July 7, 2017.)

91-42-5. Administrative review. (a) Any parent who filed a written complaint with a local board regarding the use of emergency safety intervention may request an administrative review by the state board of the local board's final decision.

(b) Each parent seeking administrative review shall provide the following information in the request:

(1) The name of the student and the student's contact information;

(2) the name and contact information, to the extent known, for all involved parties, including teachers, aides, administrators, and district staff;

(3) a detailed statement of the basis for seeking administrative review, with all supporting facts and documentation. The documentation shall include a copy of the complaint filed with the local board and shall include the local board's final decision, if issued. The request shall be legibly written or typed and shall be signed by the parent. Relevant written instruments or documents in the possession of the parent shall be attached as exhibits or, if unavailable, referenced in the request for administrative review; and

(4) written consent to disclose any personally identifiable information from the student's education records necessary to conduct an investigation pursuant to this regulation.

(1) A discussion with the parent, during which additional information may be gathered and specific allegations identified, verified, and recorded;

(2) contact with the local board or other district
staff against which the request for administrative review is filed to allow the local board to respond to the request with facts and information supporting the local board’s final decision; and

(3) an on-site investigation by department officers or employees.

(e) If the hearing officer receives information that the hearing officer determines was not previously made available to both parties during the local board dispute resolution process, the hearing officer may remand the issue back to the local board. The local board then has 30 days to issue a written amended final decision.

Upon remand, the hearing officer’s case will be closed. All rights to and responsibilities of an administrative review shall begin again when the local board’s amended final decision is issued or upon 30 days from when the hearing officer’s remand is issued, whichever occurs first.

(f) Within 60 days of the commissioner’s receipt of the request for administrative review, the hearing officer shall inform the parent, the school’s head administrator, the district superintendent, the local board clerk, and the state board in writing of the results of the administrative review. This time frame may be extended for good cause upon approval of the commissioner.

(g) The results of the administrative review shall contain findings of fact, conclusions of law, and, if needed, suggested corrective action. The hearing officer shall determine whether the district is in violation of this article based solely on the information obtained by the hearing officer during the course of the investigation and the administrative review process. This determination shall include one of the following:

(1) The local board appropriately resolved the complaint pursuant to its dispute resolution process.

(2) The local board should reevaluate the complaint pursuant to its dispute resolution process with suggested findings of fact.

(3) The hearing officer’s suggested corrective action is necessary to ensure that local board policies meet the requirements of law.

(h) Nothing in this regulation shall require exhaustion of remedies under this regulation before using procedures or seeking remedies that are otherwise available. Article 2.— INHERITANCE TAXES

92-2-54. Transfer of assets prior to payment of tax. When it becomes necessary to transfer assets prior to payment of the inheritance tax, a consent to transfer can be obtained in those cases where the inheritance tax lien is not released automatically pursuant to K.S.A. 1979 Supp. 79-1569. A consent to transfer any property is not necessary where the sale is properly authorized by the decedent's will or by order of the district court. A request for consent to transfer shall be made by filing a completed form IH-14.

A consent to transfer assets will not be issued prior to the receipt of a return. If a complete return can not be filed at the time the transfer becomes necessary, a preliminary return shall be filed. A preliminary return shall be as complete as is possible, and shall include an explanation of the reason for the inability to file a complete return. A preliminary return must also include copies of the decedent's will and any trust instruments involved. A consent to transfer will be issued when the return describes remaining real estate or stock of a value sufficient to secure payment of the inheritance tax. When there is no real estate or stock to secure payment of the tax, a consent to transfer may be obtained by one of the three (3) following methods: (a) The executor, administrator, or deemed executor may file an affidavit describing other assets of a value sufficient to secure payment of the inheritance tax, and warranting that those assets will not be disposed of until a complete return has been filed and the tax determined and paid.

(b) The executor, administrator or deemed executor may establish an escrow account in an amount the director finds to be sufficient to secure payment of the inheritance tax. The escrow account shall provide that the account shall not be released to the executor, administrator or deemed executor until the complete inheritance tax return has been filed and the tax determined and paid.

(c) The executor, administrator or deemed executor may establish a joint account with the director in an amount the director finds to be sufficient to secure payment of the inheritance tax. The joint account shall not be released to the executor, administrator or deemed executor until the complete inheritance tax return has been filed and the tax determined and paid. (Authorized by K.S.A. 1979 Supp. 79-1583; implementing K.S.A. 79-1537; effective May 1, 1986.)

92-2-56. Family settlement agreements. To be effective for purposes of estate distribution and inheritance tax liability determinations, a family settlement agreement shall be properly executed and presented to a court of competent jurisdiction for its approval, pursuant to K.S.A. 59-618a, and its amendments. The copy of the agreement filed with the Department of Revenue shall indicate that it has been so presented. (Authorized by K.S.A. 1979 Supp. 79-1583; implementing K.S.A. 79-1537; effective May 1, 1986.)

92-2-57. Distributees; prior transfers between class A distributees. (a) Any person or entity acquiring an interest in property as a result of a decedent's death shall be a distributee of such decedent's estate.

(b) When more than one individual dies as a result of a common disaster, and it cannot be determined whether one survived the other or others, problems concerning title to property or the devolution thereof shall be resolved under the provisions of the Kansas uniform simultaneous death law, K.S.A. 58-701 to 58-707, and its amendments. The Kansas inheritance tax shall apply to the property of each decedent as so determined.

(c) When a person is taxed as a class A distributee upon receipt of property from a decedent's estate, and that person dies within five years of the date of death of the first decedent, the same prop-
Property may pass partially exempt to a person who is a class A distributee of the second decedent. The portion of the value which is exempt upon the death of the second decedent shall be that portion which was actually taxed upon the death of the first decedent. The tax contemplated in determining the extent to which property was taxed and the tax thereon paid in the estate of the first decedent shall be the inheritance tax imposed by K.S.A. 79-1537, and its amendments. The portion of the value which was not taxed upon the death of the first decedent, because of the personal deduction of the distributee or for any other reason, shall be included as a part of the taxable estate of the second decedent. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1537; effective May 1, 1986.)

92-2-58. Debts forgiven by will. The discharge or bequest, in a will, of any debt or demand of a testator against any person shall be construed as a specific bequest of the debt or demand. The amount thereof shall be included in the inventory of the assets of the decedent. The amount of the indebtedness shall be set over to the debtor the same as any other specific bequest, included in the debtor's distributable share, and subjected to tax. Notes or other evidences of debt which are forgiven by provision made in any will and which are otherwise barred from collection by operation of law shall be exempt from Kansas inheritance tax. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1537a; effective May 1, 1986.)

92-2-59. Surviving spouses. (a) Only a person decreed to have been a common law spouse by a court of competent jurisdiction shall be given the same status as a spouse by marriage for inheritance tax purposes.

(b) Any property interest passing to the surviving spouse of a decedent shall be exempt from Kansas inheritance tax, regardless of the manner in which the interest is held or passed.

(c) If the tax for an estate is determined under the provisions of K.S.A. 79-1539 or 79-1540, and its amendments, the share passing to the surviving spouse shall be chargeable with the tax in proportion to the amount of the share of the estate received by the surviving spouse. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1537b, 79-1539, 79-1540; effective May 1, 1986.)

92-2-60. Charitable distributees. (a) Any property interest passing from the decedent to a charitable organization shall be exempt from Kansas inheritance tax, regardless of the manner in which the interest is held or passed.

(b) If the tax due for an estate is determined under the provisions of K.S.A. 79-1539 or 79-1540 and its amendments, the share passing to a charitable organization shall be chargeable with the tax when there are no other distributees whose distributive shares are large enough to pay the tax. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1537c, 79-1539, 79-1540; effective May 1, 1986.)

92-2-61. Qualified terminable interest property election. (a) A qualified terminable interest property election shall be made on form IH 80, Kansas inheritance tax return for estates filing federal estate tax returns, or form IH 90, Kansas inheritance tax return for estates not filing federal estate tax returns, and by attaching or including information sufficient to identify the particular assets or groups of assets subject to the election. A qualified terminable interest property election may be made without regard to the filing of, or making of a similar election on, a federal estate tax return. The election shall be irrevocable once it is made.

(b) Elections, including less than all qualified property, shall be allowed. If a partial election is made, a computation schedule or other information sufficient to identify the particular assets or groups of assets subject to the partial election shall be included. If identification of particular assets is not possible, the dollar amount, or percentage, of all assets subject to the election shall be indicated. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1537d; effective May 1, 1986.)

92-2-62. Tax to residue. When a will or other written instrument specifically provides for the payment of inheritance tax from the residue of the decedent's estate, the tax due on property which is not a part of the residue of the estate, shall be deducted from the residue before it is distributed and taxed. Tax due on the balance of the residue shall not be deducted from the residue in making distribution and calculating tax. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1538; effective May 1, 1986.)

92-2-63. Additional tax; credit for state death taxes. If the Kansas inheritance tax, computed in accordance with K.S.A. 79-1537, and its amendments, is less than an amount equal to the
federal credit for state death taxes, the difference between the inheritance tax and the amount of the federal credit shall be due as an additional tax. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1539; effective May 1, 1986.)

92-2-64. Minimum tax; credit for state death taxes. If no Kansas inheritance tax is due upon the distributive shares of an estate under K.S.A. 79-1537, and its amendments, an amount equal to the federal credit for state death taxes shall be due as a minimum tax. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1540; effective May 1, 1986.)

92-2-65. Proration of credit for state death taxes; tax chargeable against distributee's interests. (a) When an estate is comprised of property both within and without the Kansas jurisdiction, the amount of the credit for state death taxes shall be prorated between the jurisdictions, based upon the relationship between the value of the gross estate within the Kansas jurisdiction and the value of the federal gross estate.

(b) The tax imposed pursuant to K.S.A. 79-1539 or 79-1540, and its amendments, shall be chargeable against the interests of each distributee in proportion to the amount of the shares of the estate received by each. Even though no tax may be due on a distributable share pursuant to K.S.A. 79-1537, and its amendments, the distributee shall pay a portion of the tax. A charitable beneficiary shall be required to pay a proportionate part of the tax only when there is no other beneficiary whose distributive share is large enough to pay the tax. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1541; effective May 1, 1986.)

in the ratio that assets subject to tax by Kansas bear
to the gross valuation includible for federal estate
tax purposes. (Authorized by K.S.A. 79-1583; im-

92-2-79. Deduction of expenses and
debts. (a) The determination of the deductibility
of funeral expenses and administration expen-
ses against the estate under K.S.A. 79-1561 shall
be made in accordance with Treasury Reg. Sec.
20.2053-1 (1972), Treasury Reg. Sec. 20.2053-2
(1958) and Treasury Reg. Sec. 20.2053-3 (1979),
which are hereby adopted by reference.

(b) Any claim or debt against a decedent's estate
which accrued prior to the death of the decedent
shall be deductible from the gross estate for inherit-
tax purposes when allowed by the district
court in probated estates. In the case of a non-
probated estate, the director of taxation may exam-
ine and disallow any claims which are not legal
and legitimate obligations of the estate. The determi-
nation of what claims and debts are allowable shall
be made in accordance with the general principles
set forth in Treasury Reg. Sec. 20.2053-4 through
Sec. 20.2053-6 (1958), Treasury Reg. Sec. 20.2053-
7 (1963) and Treasury Reg. Sec. 20.2053-8 (1958),
which are hereby adopted by reference.

(c) The total amount of claims and debts allow-
able under subsection (b) shall be deducted from
the adjusted gross estate in computing the amount
of the distributable estate. Unless otherwise pro-
vided by the decedent's will, the portion of each
distributee's share which is considered to be offset
by claims and debts, and therefore not subject to
inheritance tax, shall be dependent upon the type
of conveyance by which the distributees receive
their shares. For inheritance tax purposes, con-
veneys shall be offset by claims and debts in the
order specified by K.S.A. 59-1405, and its amend-
ments. (Authorized by K.S.A. 79-1583; imple-

92-2-80. Expense deductions not allow-

and amount of the deduction, a statement that the
amounts have not been allowed as deductions un-
der K.S.A. 79-1559(d) and (e) or K.S.A. 79-1561,
and its amendments, and a waiver of the right to
have the amounts allowed at any time as deduc-
tions under K.S.A. 79-1559(d) and (e) or K.S.A.
79-1561, and its amendments. The waiver shall be
irrevocable once it is made.

(b) The manner in which expenses are deduct-
ed at the federal level shall not determine the
manner of deductions for Kansas. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1562; effective May 1, 1986.)

92-2-81. Deductions for federal estate tax. The amount of federal estate tax which will be allowed as a deduction for inheritance tax purposes shall be limited to the extent that the tax is imposed upon assets deemed to be included in the decedent's estate as of the date of death as defined by Kansas law. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1563; effective May 1, 1986.)

92-2-82. Filing of return; payment of tax; liens; interest; computations by director.
(a) A complete return shall be filed within nine months after the date of the decedent's death to avoid the accrual of interest. When the filing of the return is delayed beyond nine months after the death of the decedent, and the director finds that such delay was due to the inability of the personal representative to determine that distributive shares of an estate or its proper recipients, or to litigation, interest shall commence at the time the problem resulting in the delay is resolved. A return shall be deemed to have been filed upon delivery to the inheritance tax section of the Kansas department of revenue. Returns mailed to the department shall be deemed to have been filed as of the postmark date.

(b)(1) A return shall disclose all information and be accompanied by any supplemental documents necessary for the determination of the tax liability. The following documents shall be submitted where applicable:
(A) A certified copy of the will and codicils;
(B) a certified family settlement agreement;
(C) trust instruments and their amendments;

(F) the following proof of contribution, where available:
(i) Copies of cancelled checks from an identifiable account;
(ii) an affidavit from a disinterested third party having knowledge of the decedent's and surviving joint tenant's financial affairs and who can trace the source of funds;
(iii) an affidavit from the seller of real estate to the decedent if the seller knows the source of funds used to acquire the real estate;
(iv) an affidavit from a banker knowing how funds in certain accounts were acquired; and
(v) copies of the decedent's and surviving joint tenant's income tax returns;
(F) a schedule of the computation and method used if the election is made to use a qualified real property exclusion;
(G) a schedule of the computation and method used when necessary to explain the values listed on any schedule;
(H) an explanation of any loss incurred during the settlement of the estate arising from fires, storms, shipwrecks or other casualties, or from theft, not compensated by insurance. The property on which the loss was incurred is required to be identified;
(I) a separate schedule showing the computation of the net non-Kansas property and the net non-Kansas shares;
(J) a certified copy of any disclaimer filed;
(K) an explanation or the statutory citation creating an exemption applicable to assets of the estate;
(L) appropriate fees for waivers, copies, etc; and
(M) a copy of the return filed in the state of domicile if the decedent was a nonresident of Kansas and owned real property situated in Kansas or tangible personal property with a Kansas situs, or both.

(2) In all estates in which a federal estate tax return shall be made or required, the representative of the estate shall furnish the director of taxation, in addition to all other information required to be filed, true copies of the entire federal estate tax return showing recapitulation of assets and computation of the taxes. If only a portion of the federal estate tax return is required to be filed, and the schedules are not prepared, information necessary to identify the individual assets and expenses of the decedent's estate which are normally contained in the schedules shall be submitted to the inheritance tax section. Where an election is made to have the director compute the tax, failure to supply all information necessary for the determination of the tax liability shall result in the accrual of interest from the due date of the return.

(3) Within 90 days of the conclusion of litigation, the representative of the estate shall submit to the director of taxation true copies of any court order affecting the composition or distribution of the estate. Failure to comply shall result in the accrual of interest.

(4) If tax is paid with a return which does not disclose all information necessary for the determination of the tax liability, and subsequent receipt
of this information results in additional tax liability, interest shall accrue upon the additional liability from the due date of the return.

(c) All property of which a decedent dies seized or possessed, in any form of investment, shall be charged with a general lien for all taxes and interest thereon which are or may become due on such property. The personal representative shall have a right to proceed against the property or interests passing to a distributee or against property or interests held by the distributee in the distributee’s own right, in the following cases:

(1) If the personal representative has received an approved stay of payment of the balance of the taxes from the director, the personal representative shall have a right to proceed against each individual distributee receiving a share not within the custody or control of the personal representative. To enforce this right to proceed, the personal representative shall perfect a lien.

(2) If the personal representative pays the taxes due on shares not within the personal representative’s custody and control, the personal representative shall have a right to proceed against the one or more individual distributees receiving such shares. To enforce this right, a lien shall be perfected. The right to proceed against an individual distributee arises only after issuance of a receipt for taxes. All associated forms and notices shall be prepared and issued by the inheritance tax section following a review of the specific situation.

(d) When it appears the filing of a return cannot be completed within nine months of the decedent’s death, the personal representative of the estate, prior to the due date of the return, may request an extension of time to file the return. A request for an extension of time to file shall be made in writing, set forth the fact situation which makes timely filing impossible or unreasonably difficult, state the grounds upon which the extension should be allowed, and specify the time of extension or the extended due date requested.

(e) At the election of the personal representative, the taxes imposed may be determined by the director. The election shall be made by filing a return disclosing all information necessary for the determination of the taxes imposed. Upon receipt of all necessary information, the director shall determine the taxes due and owing and shall notify the personal representative of the tax liability by registered or certified mail. Notwithstanding any election made pursuant to this section, the taxes shall be due and payable at the same time and in the same manner as if the taxes had been determined by the personal representative. (Authorized by K.S.A. 79-1583; implementing K.S.A. 79-1564; effective May 1, 1986.)

92-2-83. Reporting adjustments of internal revenue service. The representative of an estate shall notify the department of adjustments made by the internal revenue service pursuant to K.S.A. 79-1574, and its amendments, by submitting true copies of the line adjustments and of the adjusted computation of tax. The distances of 500 and 200 feet are to be construed as minimum distances with greater distances required as necessary to preserve stream bed and bank stability. 92-11-22. Credit. (a) General. The amount of estimated tax paid by the taxpayer during the calendar or fiscal year shall be allowed as a credit on the return filed by the taxpayer under the provisions of the Kansas income tax act.

(b) Credit or refund. In the event that the amount of declaration of estimated tax and/or the amount of tax withheld from wages exceeds the amount of tax due under the provisions of the Kansas income tax act, the taxpayer has the following options:
(1) To request a refund of such overpayment or overwithholding or
(2) To apply the amount of such overpayment or overwithholding to the declaration of estimated tax for the succeeding calendar or fiscal year.
(c) Adjustment of credit prohibited. In the event that the overpayment or overwithholding is credited to the declaration of estimated tax liability for the succeeding calendar or fiscal year and the taxpayer's income tax liability for the fiscal or calendar year is adjusted to reflect additional tax due, the amount of credit to the succeeding tax year's estimate will not be adjusted. In such cases the taxpayer will be billed for any increase and will be required to pay the deficiency pursuant to the provisions of the Kansas income tax act. (Authorized by K.S.A. 79-3236, K.S.A. 1965 Supp. 79-3294; effective Jan. 1, 1966.)

Article 12.—INCOME TAX

92-12-1. (Authorized by K.S.A. 79-3236; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-3. (Authorized by K.S.A. 79-3236, 79-32,109; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-4a. Resident individual. (a) As used in this regulation, the term “Kansas resident” shall have the same meaning as that assigned to the term “resident individual” in K.S.A. 79-32,109, and amendments thereto.
(b) This subsection shall apply in determining whether a natural person is a “resident individual,” as the term is defined in K.S.A. 79-32,109 and amendments thereto, on the basis that the person’s domicile is within Kansas.
(1) Subject to the further conditions and requirements in this subsection, “domicile” shall mean that place in which a person’s habitation is fixed, without any present intention of removal, and to which, whenever absent, that person intends to return.
(2) Each person shall have only one domicile at any particular time. Once shown to exist, a domicile shall be presumed to continue until the contrary is shown. The absence of any intention to abandon an existing domicile shall be considered to be equivalent to the intention to retain the domicile.
(A) A person who leaves that person’s domicile to go into another jurisdiction for temporary purposes shall not be considered to have lost the domicile. The mere intention to acquire a new domicile, without the fact of physical removal, shall not change a person’s domicile, and the fact of physical removal from a person’s domicile, without the intention to remain absent, shall not change that person’s domicile.
(B) If a person whose domicile is in Kansas is absent from Kansas for more than six months of the tax year, that person shall not be presumed to have lost that domicile. If a person leaves this state to accept a job assignment in another jurisdiction, that person shall not be presumed to have lost that person’s domicile in this state.
(C) A person who is temporarily employed within this state shall not be deemed to have acquired a domicile in this state if, during that period, the person maintains that person’s domicile outside of the state of Kansas.
(3) A person shall be considered to have established that person’s domicile in Kansas on the date that the person arrives in the state for other than temporary or transitory purposes. A person shall be considered to have abandoned that person’s domicile on the date that the person leaves the state without any intention to return to Kansas.
(4) Any citizen of a foreign country may acquire a domicile for Kansas tax purposes without
surrendering that person's rights as a citizen of that country.

(5) Except for a person who is covered by the provisions of the soldiers' and sailors' civil relief act of 1940, 50 U.S.C. app. §574, as amended by the servicemembers civil relief act, public law 108-189, there shall be a presumption that the place where a person's family is domiciled is that person's domicile. The domicile of a person who is married shall be the same as the person's spouse unless there is affirmative evidence to the contrary, the husband and wife are legally separated, or the marriage has been dissolved. When a person has made a home at any place with the intention of remaining there indefinitely and the person neither lives at the home in which the person's family lives nor intends to do so, then that person shall be deemed to have established a domicile separate from that person's family.

(6) If a minor child is not emancipated, the domicile of the child's parents shall be the domicile of the child. The domicile of the parent who has legal custody of the child shall be the domicile of the child.

(7) The following factors may be considered in determining whether or not a person's domicile is in this state for the tax years in question, although none of these factors shall, by itself, be a determinant of a person's domicile:

(A) The percentage of time that the person is physically present within the state of Kansas and the percentage of time that the person is physically present in each jurisdiction other than the state of Kansas;

(B) the location of the person's domicile for prior years;

(C) the location at which the person votes or is registered to vote, except that casting an illegal vote shall not establish a domicile for income tax purposes;

(D) the person's status as a student;

(E) the location of services performed by the person in the course of employment;

(F) the classification of the person's employment as temporary or permanent;

(G) the change in the person's living quarters;

(H) the person's ownership of other real property;

(I) the jurisdiction in which the person has been issued a valid driver's license;

(J) the jurisdiction from which any motor vehicle registration was issued to the person and the actual physical location of the person's vehicle or vehicles;

(K) the purchase of any resident fishing or hunting licenses by the person;

(L) the filing by the person of a Kansas tax return, report, or application as a Kansas resident or a nonresident individual;

(M) the fulfillment or failure to fulfill by the person of the tax obligations required of a Kansas resident;

(N) the address where personal mail is received by that person and not subsequently forwarded;

(O) the location of the jurisdiction from which any unemployment compensation benefits are received by the person;

(P) the location of any school that the person or the person's spouse attends and whether resident or nonresident tuition was charged, as well as the location of the school attended by any of the person's children who are in grades K-12;

(Q) the representations made to any insurance company concerning the person's residence and on which any insurance policies are issued;

(R) the location where the person, the person's spouse, or the person's minor children regularly participate in sporting events, group activities, or public performances; and

(S) any other fact relevant to the determination of that person's domicile.

(8) The following factors shall not be considered in determining whether or not a person is domiciled in Kansas:

(A) The location of any organization to which the person makes charitable contributions; and

(B) the location of any charitable organization for which the person serves as a board member, committee member, or other volunteer.

(c) This subsection shall apply in determining whether a natural person is a “resident individual,” as the term is defined in K.S.A. 79-32,109 and amendments thereto, based on the presumption that a natural person who spends, in the aggregate, more than six months of the taxable year within the state of Kansas is a resident individual in the absence of proof to the contrary.

(1) In counting the number of days spent in Kansas, the person shall be treated as present in Kansas on each day that the person is physically present in Kansas at any time during that day.

(2) The length of time that a person spends in Kansas during a taxable year shall not be used to determine whether the person is a resident individual if that person is deemed not to be a resident of Kansas under the soldiers' and sailors' relief act of 1940, 50 U.S.C. app. § 574, as
amended by the servicemembers civil relief act, public law 108-189.

(3) The presumption that a person who spends, in the aggregate, more than six months of the taxable year within the state of Kansas is a resident individual in the absence of proof to the contrary shall be deemed to be rebutted if the person is temporarily employed within this state but maintains that person’s domicile outside of the state of Kansas.

(d) Each natural person who is deemed not to be a resident of Kansas using criteria established under other statutes, regulations, or policies regarding residency shall nonetheless be deemed a resident individual if the person meets the conditions and requirements established by this regulation.

(e)(1) Each Kansas resident who moves at any time during the tax year to another jurisdiction without any intention to return to Kansas shall be considered a part-year Kansas resident for that tax year.

(2) Each person whose domicile is outside of Kansas, but who moves that person’s domicile to Kansas at any time during the tax year, shall be deemed to be a part-year Kansas resident. (Authorized by K.S.A. 2005 Supp. 75-5155 and K.S.A. 79-3236; implementing K.S.A. 79-32,109; effective March 24, 2006.)

92-12-6. Resident status of certain individuals. A person who is a resident of this state, does not terminate residency upon entering the armed services or peace corps of the United States. A member of the armed services domiciled in Kansas at the time he entered such service generally retains his status as a domiciliary of Kansas throughout his stay in the service, regardless of where he may be assigned to duty or how long.

For purposes of this act a person shall not be deemed to be a resident of Kansas, nor will he lose his status as a resident of the state in which he formerly resided, solely because of a transfer into this state under military orders. Such person may, however, become a resident of Kansas for purposes of this act by the performance of certain overt acts which would constitute a termination of his residence in such former state and the establishment of a residence in Kansas. A resident of Kansas establishing temporary quarters in another state or foreign country remains a resident of Kansas.

A nonresident individual means an individual other than a resident individual. (Authorized by K.S.A. 79-3236, K.S.A. 1967 Supp. 79-32,109; effective Jan. 1, 1968.)

92-12-7. (Authorized by K.S.A. 79-3236; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-8. Corporation. The term “corporation” as used in these regulations includes not only corporations which have been created or organized under the laws of Kansas, but also every corporation doing business within this state or deriving income from sources within this state, in a corporate or organized capacity, by virtue of creation or organization under the laws of the United States or some state, territory or district or a foreign country. The term “corporation” is not limited to the legal entity usually known as a corporation, but includes also an association, a trust classed as an association because of its nature or its activities, a joint stock company, and certain kinds of partnerships. Any association or organization which is required to report as a corporation, for federal income tax purposes under the internal revenue code of 1954 as amended during the taxable year, shall be considered to be a corporation for the purposes of the Kansas act. Conversely, any association, organization or corporation required to report in any other capacity, for federal income tax purposes under the internal revenue code as amended during the taxable year, shall report in a like capacity for purposes of the Kansas act. (Authorized by K.S.A. 79-3236, K.S.A. 1971 Supp. 79-32,110; effective Jan. 1, 1968; amended, E-71-8, Jan. 1, 1971; amended Jan. 1, 1972.)

92-12-9 and 92-12-10. (Authorized by K.S.A. 79-3236, 79-32,109; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-11. Credits for income taxes paid to other states. (a) The credit for income tax paid to another state allowed by K.S.A. 79-32,111, and amendments thereto, shall be limited to the net amount of income taxes actually paid to another state. The net amount of income taxes actually paid to another state shall be the amount of the taxpayer's tax liability to the other state less any refundable or nonrefundable tax credits allowed by the other state. The net amount of income tax paid to another state shall not include interest or penalties paid to another state.
The credit for income tax paid to another state shall be taken at the time of filing the income tax return and shall be applied against the entire tax until the credit is exhausted. A copy of the return or returns on which the taxes are assessed shall be filed with the director of taxation, at the time the credit is claimed.

(c) Credit for income tax paid to another state on income for any year shall be applied only against tax due on income for the same year. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-32,111; effective Jan. 1, 1968; amended Jan. 1, 1974; amended May 1, 1982; amended May 10, 2002.)

92-12-14. Persons and organizations exempt from Kansas income tax. A person or organization claiming an exemption from Kansas income taxation under the provisions of subsection (a) of K.S.A. 1980 Supp. 79-32,113 shall submit evidence to the director of the person's or organization's exemption from federal income taxation, when so called upon by the director. (Authorized by K.S.A. 79-3236; implementing K.S.A. 1981 Supp. 79-32,113; effective Jan. 1, 1968; amended Jan. 1, 1974; amended May 1, 1982.)

92-12-16. Change of accounting period. Permission for change of a taxpayer's Kansas taxable year shall not be required from the director. In all cases a short period return shall be filed to accomplish this change. The Kansas taxable income for this short period shall be computed in the same manner as is the federal taxable income for this short period. For the purpose of the tax computation on a short period individual income tax return, only the taxable income for the short period shall be reported, but the tax exemptions and the Kansas standard deduction shall be apportioned by the same ratio as the number of months in the short period bears to twelve (12) months. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-32,114; effective Jan. 1, 1968; amended May 1, 1982.)

92-12-17 and 92-12-18. (Authorized by K.S.A. 79-3236, 79-32,114; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-19. Limitation of tax-spreadback rule. When an accounting method is changed in compliance with K.S.A. 79-32,114 (c) or (d) (i), other than from an accrual to an installment method, any additional tax which results from the adjustments determined to be necessary solely by reason of the change shall not be greater than if these adjustments were divided equally between the year of change and the two (2) preceding taxable years during which the taxpayer used the method of accounting from which the change is made. But, if the taxpayer has only one (1) preceding taxable year, the allocation may be made equally between the year of change-over and the one (1) preceding year. For the purpose of redetermining the tax liabilities under the two-year carry-back rule all computations shall be made as though the returns for the three (3) years were being amended to include the income thus apportioned, and all income, deductions, and limitations shall be adjusted accordingly. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-32,114; effective Jan. 1, 1968; amended May 1, 1982.)

92-12-20. Change from accrual to installment method of accounting. If for any tax year beginning after December 31, 1967, the taxpayer is allowed or required to change from the accrual to the installment method of accounting to comply with K.S.A. 1967 Supp. 79-32,114 (c) or (d) (i), no part of the installments collected in the year of the change or thereafter may be excluded from income, even though the income reported before the year of change had already reflected the amount of the sales including such installments. Therefore, for the year of change or subsequent years, (such years being referred to as the adjustment years) in which such amounts are reflected in income the second time, the tax for such year of change or subsequent year shall be reduced by an adjustment computed as follows:

(1) Determine separately the portion of the tax for each taxable year before the year of change which is attributable to the gross profit from in-
stallment sales which was included in gross income in that year and which is also includable in gross income for any adjustment year;

(2) Determine separately the portion of the tax for each adjustment year which is attributable to the gross profit described in subdivision (1) of this regulation;

(3) Select for each adjustment year the lesser of the amounts determined under subdivisions (1) and (2) of this regulation;

(4) The tax imposed in any adjustment year shall be reduced by the amount as determined in subdivision (3) of this regulation or the sum of all such amounts if more than one prior taxable year is involved.

The portion of the tax for any taxable year attributable to the gross profit described in subdivision (1) of this regulation shall be that proportion of the tax determined for such year, without regard to the adjustments under this regulation, which the gross profit included in gross income in the prior year and includable in gross income for the adjustment year bears to the gross income of such prior year. (Authorized by K.S.A. 79-3236, K.S.A. 1967 Supp. 79-32,114; effective Jan. 1, 1968.)

92-12-22. (Authorized by K.S.A. 79-3236, 79-32,117; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-23. (Authorized by K.S.A. 79-3236, 79-32,117; effective Jan. 1, 1968; amended May 1, 1976; revoked May 1, 1982.)

92-12-25 and 92-12-26. (Authorized by K.S.A. 79-3236, 79-32,117; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-27. Kansas deduction of an individual. A taxpayer entitled to elect to either itemize deductions or to take the Kansas standard deduction shall be bound by an election unless an amended return is filed. In the absence of an election, the taxpayer shall be deemed to have elected to take the Kansas standard deduction. (Authorized by K.S.A. 79-3236; implementing K.S.A. 1981 Supp. 79-32,118, 79-32,119, 79-32,120; effective Jan. 1, 1968; amended, E-71-8, Jan. 1, 1971; amended Jan. 1, 1972; amended May 1, 1982.)

92-12-30. (Authorized by K.S.A. 79-3236, 79-32,121; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-31. (Authorized by K.S.A. 79-3236, 79-32,123; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-32. (Authorized by K.S.A. 79-3236, 79-32,124; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-36. (Authorized by K.S.A. 79-3236, 79-32,128; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-37. (Authorized by K.S.A. 79-3236, 79-32,129; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-38. (Authorized by K.S.A. 79-3236, 79-32,130; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-40. (Authorized by K.S.A. 79-3236, 79-32,132; effective Jan. 1, 1968; revoked May 1, 1982.)
92-12-41. (Authorized by K.S.A. 79-3236, 79-32,133; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-42. (Authorized by K.S.A. 79-3236, 79-32,134; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-43. (Authorized by K.S.A. 79-3236, 79-32,135; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-44. (Authorized by K.S.A. 79-3236, 79-32,136; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-45 and 92-12-46. (Authorized by K.S.A. 79-3236, 79-32,137; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-47. Distribution withholding. The fiduciary of a resident estate or trust shall within 30 days of the close of the taxable year of the estate or trust furnish or mail to the last known address of each nonresident beneficiary from which deductions have been made in accordance with K.S.A. 79-32,137, and amendments thereto, a report in duplicate on a form furnished by the director showing the amount of the deduction during the taxable year of the resident estate or trust. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-32,137; effective Jan. 1, 1968; amended May 10, 2002.)

92-12-49. (Authorized by K.S.A. 79-3236, 79-32,139; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-50. (Authorized by K.S.A. 79-3236, 79-32,140; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-51. (Authorized by K.S.A. 79-3236, 79-32,141; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-52. Consolidated returns. Corporations which are members of an affiliated group which do not derive their entire income from sources within Kansas and have filed a federal consolidated return for federal income tax purposes, may file a consolidated return for purposes of determining their Kansas income tax liability. The director may permit or require this group of affiliated corporations to file consolidated returns provided they are permitted to file a federal consolidated return and when in the director's opinion this consolidated return is necessary to clearly reflect the Kansas taxable income of the affiliated group. Once a consolidated return is filed for a taxable year, consolidated returns shall be filed for all future years unless the group is not permitted to file a consolidated federal return. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-32,142; effective Jan. 1, 1968; amended May 1, 1982; amended May 1, 1987.)

92-12-53. Methods of determining income allocable to Kansas business. Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a financial organization or the rendering of purely personal services by an individual, shall allocate and apportion net income as provided in the “uniform division of income for tax purposes act” (K.S.A. 79-3271 et seq.) Non-business income shall be allocated according to the provisions of K.S.A. 79-3274 through 79-3278 and all business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3). The three (3) factors are determined by the provisions of K.S.A. 79-3279 through 79-3287, and amendments thereto. This shall be the general rule to be followed in computing Kansas taxable income of taxpayers. The law also provides that if the allocation and apportionment provisions of this act do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the secretary of revenue may require, in respect to all, or any part of the taxpayer's business activities, if reasonable, any of the methods set forth in K.S.A. 1980 Supp. 79-3285. These methods are the exceptions to the prescribed method and shall be allowed or used only in rare and exceptional cases and the burden of proving the exception which would warrant the use of any of the alternate methods rests upon the party who would invoke the exception. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3289, K.S.A. 1981 Supp. 79-3272, 79-3285; effective Jan. 1, 1968; amended May 1, 1975; amended May 1, 1982.)
92-12-54. (Authorized by K.S.A. 79-3236, 79-32,143; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-55. Returns; who shall file. (a) Copies of the prescribed return forms shall, so far as possible, be furnished to taxpayers. A taxpayer shall not be excused from making a return solely because a return form was not furnished. Each taxpayer shall carefully prepare the return so as to fully and clearly set forth the data called for. Imperfect or incorrect returns shall not be accepted as meeting the requirements of the act. The joint return of a husband and wife shall be signed by both spouses.

(b) Every corporation not expressly exempt from tax shall make a return of income regardless of the amount of its net income. In the case of ordinary corporations, the returns shall be made on form 120. A corporation having an existence during any portion of a taxable year shall be required to make a return. A corporation which has received a charter, but has never perfected its organization, which has transacted no business and had no income from any source, may, upon presentation of the facts to the director, be relieved from the necessity of making a return as long as it remains in an unorganized condition. In the absence of a proper showing to the director the corporation will be required to make a return. When called upon by the director, an exempt corporation shall render proof of its exemption.

(c) A receiver who stands in the stead of an individual or corporation shall render a return of income and pay the tax for the receiver's trust, but a receiver of only part of the property of an individual or corporation need not. If the receiver acts for an individual, the return shall be made on the same form the individual would be required to file. When acting for a corporation, a receiver is not treated as a fiduciary, and in this case the return shall be made as if by the corporation itself. A receiver in charge of the business of a partnership shall render a return on the same form the partnership would be required to file. A receiver of the rents and profits appointed to hold and operate a mortgaged parcel of real estate, but not in control of all the property or business of the mortgagor, and a receiver in partition proceedings, shall not be required to render returns of income. In general, statutory receivers and common receivers of all the property or business of an individual or corporation shall make returns.

(d) A fiduciary acting as a guardian of a minor or an incompetent subject to Kansas income tax shall make a return for the person and pay the tax, unless in the case of a minor, the minor makes the return or causes it to be made. For the purpose of determining the liability of a fiduciary to render a return under the provisions of the preceding sentence where the minor or incompetent is married and was living with husband or wife at the close of the taxable year, it shall be the aggregate gross income of both husband and wife which is controlling.

92-12-57. Records and income tax forms. Every person subject to the tax, except persons whose gross income consists solely of salary, wages, or similar compensation for personal services rendered, shall, for the purpose of enabling the director to determine the correct amount of income subject to tax, keep permanent books of account or records, including inventories, that are sufficient to establish the amount of the gross income and the deductions, credits, and other matters required to be shown in any return. These books or records shall be kept available at all times for inspection by agents or representatives of the director, and shall be retained so long as the contents may become material in the administration of this act. Income tax forms shall be prescribed by the director and shall be signed and filed in accordance with these regulations and the instructions on or issued with the form. (Authorized by K.S.A. 79-3236; implementing K.S.A. 1981 Supp. 79-3223; effective Jan. 1, 1968; amended May 1, 1982.)

92-12-58. Payment of tax; receipt; insufficient fund checks. (a) Upon request, a receipt shall be furnished by the director for each tax payment. In the case of payments made by check or money order, the cancelled check or the money order receipt shall be considered a sufficient receipt. For payments in cash, a receipt shall be furnished by the director if the taxpayer requests one.
(b) If payment is made by check and the check is returned for lack of funds or for any other reason, the taxpayer's account shall be treated as though a payment had not been made. If the check is not made good or the tax is not paid before the due date of the return, the return shall be considered as delinquent and penalties shall be added in accordance with K.S.A. 79-3228, and amendments thereto.

(c) All fees associated with the return of a check shall be the responsibility of the taxpayer. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3225; effective Jan. 1, 1968; amended May 1, 1982; amended May 10, 2002.)

92-12-59. (Authorized by K.S.A. 79-3226, 79-3236; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-61. (Authorized by K.S.A. 79-3236; effective Jan. 1, 1968; amended Feb. 15, 1977; revoked May 1, 1982.)

92-12-62. (Authorized by K.S.A. 79-3228, 79-3236; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-63. (Authorized by K.S.A. 79-3229, 79-3236; effective Jan. 1, 1968; revoked May 1, 1982.)

92-12-64. Claims for refund by taxpayers. Claims by the taxpayer for the refunding of taxes, interest, penalties, and additions to tax erroneously or illegally collected shall set forth in detail and under oath the grounds upon which a refund is claimed and the facts which are sufficient to apprise the director of the exact basis of these grounds. Refund or credits shall not be allowed after the expiration of the statutory period of limitation applicable to the filing of the claim, except upon one or more grounds set forth in a claim filed before the expiration of this period. A claim which does not comply with this regulation shall not be considered for any purpose as a claim for refund. If a return is filed by an individual and a refund claim is then filed by a legal representative of the deceased, certified copies of the letters testamentary, letters of administration, or similar evidence shall be annexed to the claim to show the authority of the executor, administrator, or other fiduciary, by whom the claim is filed. If an executor, administrator, guardian, trustee, receiver, or other fiduciary files a return and then a refund claim is filed by the same fiduciary, documentary evidence to establish the legal authority of the fiduciary need not accompany the claim, provided a statement is made in the claim showing that the return was filed by the fiduciary and that the latter is still acting. In these cases, if a refund or interest is to be paid, letters testamentary, letters of administration, or other evidence may be required, but shall be submitted only upon receipt of a specific request. If claim is filed by a fiduciary other than the one by whom the return was filed, the necessary documentary evidence shall accompany the claim. (Authorized by K.S.A. 79-3236; implementing K.S.A. 1981 Supp. 79-3230; effective Jan. 1, 1968; amended May 1, 1982.)

92-12-65. Powers of the director of taxation. The director or his or her delegate shall be permitted to examine any books, papers, records, or memoranda of a taxpayer for the purpose of determining the correctness of information contained in, or the existence of additional information that should be contained in, the taxpayer's returns. The director or his or her delegate may examine all the taxpayer's books, papers, records, or memoranda to determine which of these items are relevant to a determination of the taxpayer's tax liability. The determination of relevance shall not be made by the keeper of the books, papers, records, or memoranda. Books, papers, records, or memoranda which may be examined shall include, but not be limited to, the following: general ledgers and subordinate ledgers; general journals, and subordinate journals; computer printouts of any accounting or financial data; audit workpapers of company, internal auditor and independent auditor; annual reports with all supporting workpapers, schedules, and exhibits; SEC 10-K with all supporting workpapers, schedules, and exhibits; cancelled checks; sales invoices; vendors invoices; time cards; deposit slips; bank statements; cash register tapes; inventory sheets; board of directors minutes and reports; audit committee minutes and reports; executive committee minutes and reports; internal company financial reports, statements and memoranda, with schedules and attachments; trial balances; employee lists; list of accounts receivable; capital asset ledgers and subordinate ledgers; depreciation ledgers and schedules; route schedules; bills of lading; shipping and receiving reports; weight tickets; work orders; job

tickets; production reports; rents paid schedules; procedure manuals, operations manuals, employee manuals; table of organization; appraisal reports; property tax reports and receipts; federal income tax returns, and all schedules and attachments (pro forma and consolidated); all state tax returns, and all schedules and attachments; federal and state revenue agent adjustments reports; sales tax returns and all supporting workpapers; ad valorem tax returns and all supporting workpapers; intangible tax returns and all supporting workpapers; local occupation licenses; corporate charter; permits to do business as a foreign corporation; motor vehicle license returns to all appropriate states; special fuel licenses; cigarette licenses; liquor licenses; franchise agreements with supporting details; stock certificates ledger; security agreements; insurance policies; blueprints of plant facilities; patent agreements; royalty agreements; aging of accounts receivable; payroll journals and ledgers, W-2 forms; unemployment compensation ledgers; sales journals and subordinate details; accounts receivable ledger; bad debts workpapers; accounts payable ledger; computer cards; computer program guides; all lease agreements; lease-purchase agreements; apportionment workpapers—property, payroll, and sales workpapers by state and total company; management and personnel directory; director, officer and employee directory; list of articles and publications concerning company, its predecessors and subsidiary and affiliated corporations, which describes their development, operations and activities; travel vouchers and authorization; and internal memorandums. The director shall have the authority to issue interrogatories, subpoenas, and requests for production relating to disclosure of any of the information or items listed here. This authority may be exercised any time before or after an assessment has been made. (Authorized by K.S.A. 79-3236; implementing K.S.A. 1981 Supp. 79-3233; effective Jan. 1, 1968; amended May 1, 1979; amended May 1, 1982.)

92-12-66a. Abatement of final tax liabilities. (a) General. The authority of the secretary to abate all or part of a final tax liability shall be exercised only in cases in which there is serious doubt as to either the collectability of the tax due or the accuracy of the final tax liability and the abatement is in the best interest of the state. This authority shall be exercised to effect the collection of taxes with the least possible loss or cost to the state and with fairness to the taxpayer. The determination of whether to abate all or part of a final tax liability shall be wholly discretionary.

(b) Definitions.

(1) “Assets” means the taxpayer’s real and personal property, tangible and intangible.

(2) “Collectability” means the ability of the department of revenue to collect, and the ability of the taxpayer to pay, the tax liability.

(3) “Concealment of assets” means a placement of assets beyond the reach of the department of revenue, or a failure to disclose information relating to assets, that deceives the department with respect to the existence of the assets, whether accomplished by act, misrepresentation, silence, or suppression of the truth.

(4) “Final tax liability” means a tax liability that was established by the department to which the taxpayer has no further direct appeal rights.

(5) “Order denying abatement” means an order issued by the secretary that rejects a petition for abatement and refuses to abate any part of a final tax liability.

(6) “Order of abatement” means an order issued by the secretary that abates all or part of a final tax liability and states the reasons that this action was taken.

(7) “Parties” means either the person who requests an abatement of a final tax liability or the person’s authorized representative, and either the secretary of revenue or the secretary’s designee.

(8) “Secretary” means the secretary of the department of revenue or the designee of the secretary.

(9) “Serious doubt as to collectability” means the doubt that exists when a reasonable person, viewing the controlling circumstances objectively, would conclude that the likelihood of recovering the tax liability is less than probable.

(10) “Serious doubt as to liability” means the doubt that exists when a reasonable person, viewing the controlling circumstances objectively, would conclude that it is probable that the final tax liability previously established by the department is greater than the actual tax liability imposed by the Kansas tax imposition statutes.

(11) “Tax” means the particular tax owed by the taxpayer and shall include any related interest and penalty.
(c) Factors affecting abatement.
(1) No final tax liability shall be abated on the ground of serious doubt as to liability if the taxpayer's liability for the tax has been established on the merits by a court judgment or decision of the court of tax appeals. No final tax liability shall be abated on the ground of serious doubt as to liability if the taxpayer has filed tax returns, absent a showing of the reporting errors on the returns.

(2) No tax liability shall be abated by the secretary if the taxpayer has acted with intent to defraud or to delay collection of tax. Frivolous petitions and petitions submitted only to delay collection of a tax shall be immediately rejected.

(d) Procedures.
(1) Each petition for abatement shall be captioned “petition for abatement of a final tax liability” and shall be submitted to the secretary. The petition shall be signed by the petitioner and the taxpayer, if available, under the penalties of perjury and shall include the following:
(A) The reasons why all or part of the final tax liability should be abated;
(B) the facts that support the abatement; and
(C) a waiver of the taxpayer's right of confidentiality under the confidentiality provisions of chapter 79 of the Kansas statutes annotated and amendments thereto, conditioned upon the secretary's abatement of all or part of the final tax liability.

(2) If a petition alleges serious doubt as to collectability, the taxpayer shall submit a statement of financial condition that lists assets and liabilities, accompanied by an affidavit signed by the preparer under the penalties of perjury attesting that the financial statement is true and accurate to the best of the preparer's knowledge.

(3) After a petition has been submitted, the taxpayer shall provide any additional verified documentation that is requested by the secretary. The petitioner or taxpayer may be required by the secretary to appear before the secretary and testify under oath concerning a requested abatement.

(4) A petition for abatement may be withdrawn by the taxpayer at any time before its acceptance. When a petition is denied, the taxpayer shall be notified in writing by the secretary within 30 days of the decision to deny.

(5) An order of abatement that abates all or part of a final tax liability may be issued by the secretary. The order may direct any remaining liability to be paid within 30 days. Each order of abatement shall set forth the reasons that the petition for abatement was granted and all relevant information, including the following:
(A) The names of all parties;
(B) the amount and type of tax, interest, and penalties that were abated;
(C) the amount of tax, penalty, and interest that remain to be paid on the date of the order; and
(D) the amount that has been paid, if any.

(6) The submission of a petition for abatement shall not prevent the collection of any tax.

(e) Effect of an order of abatement. Each order of abatement shall relate to the entire liability of the taxpayer with respect to which the order is made and shall conclusively settle the amount of liability. Once an order of abatement is issued, matters covered by the order shall not be reopened by court action or otherwise, except for one of the following reasons:
(1) Falsification of statements or concealment of assets by the taxpayer;
(2) mutual mistake of a material fact sufficient to cause a contract to be reformed or set aside; or
(3) serious doubt as to collectability arising after an abatement order is issued that is based on serious doubt as to liability.

(f) Effect of waiver of confidentiality. The issuance of an order of abatement for $5,000 or more shall make all reports of the abatement proceeding available for public inspection upon written request, in accordance with K.S.A. 79-3233b, and amendments thereto, and the taxpayer's express waiver of the right to confidentiality under the confidentiality provisions of chapter 79 of the Kansas statutes annotated, and amendments thereto.

(g) Annual report. On or before the last day of September of each year, a summary of each petition of abatement that was granted during the preceding state fiscal year that reduced a final tax liability by $5,000 or more shall be prepared for filing with the secretary of state, the division of post audit of the legislature, and the attorney general. Each summary shall include the following:
(1) The name of the taxpayer;
(2) a summary of the issues and the reasons for the abatement; and
(3) the amount of final tax liability, including penalties and interest, that was abated. (Authorized by K.S.A. 79-3236; implementing K.S.A. 2010 Supp. 79-3233, 79-3233a, and 79-3233b, as amended by 2011 SB 212, sec. 1; effective July 27, 2001; amended Oct. 28, 2011.)
Extension of time for filing returns. A six-month extension of time to file shall be granted by the director of taxation if at least 90% of the current year’s tax liability is paid or 100% of the prior year’s tax liability is paid. An extension of time to file shall not constitute an extension of time to pay. If the amount of tax due is not paid by the original due date, interest and penalty shall be assessed unless both of the following conditions are met:

(a) At least 90% of the tax liability is paid on or before the original due date.

(b) The balance of the tax and interest is paid with the return when it is filed. The appropriate Kansas payment voucher shall be submitted when paying the tax balance due for an extension of time to file. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3221; effective Jan. 1, 1968; amended Jan. 1, 1970; amended May 1, 1982; amended May 10, 2002.)

Two or more businesses of a single taxpayer. A taxpayer may have more than one (1) "trade or business." In such cases, it is necessary to determine the business income attributable to each separate trade or business. The income of each business is then apportioned by an apportionment formula which takes into consideration the instate and outstate factors which relate to the trade or business the income of which is being apportioned.

The determination of whether the activities of the taxpayer constitute a single trade or business or more than one (1) trade or business will turn on the facts in each case. In general, the activities of the taxpayer will be considered a single business if there is evidence to indicate that the segments under consideration are integrated with, dependent upon, or contribute to each other and the operations of the taxpayer as a whole. The following factors are considered to be good indicia of a single trade or business, and the presence of any of these factors creates a strong presumption that the activities of the taxpayer constitute a single trade or business: (a) A taxpayer is generally engaged in a single trade or business when all of its activities are in the same general line.

(b) A taxpayer is almost always engaged in a single trade or business when its various divisions or segments are engaged in different steps in a large, vertically structured enterprise.

(c) A taxpayer which might otherwise be considered as engaged in more than one (1) trade or business is properly considered as engaged in one (1) trade or business when there is a strong central management, coupled with the existence of centralized departments for such functions as financing, advertising, research, or purchasing. Thus, some conglomerates may properly be considered as engaged in only one (1) trade or business when the central executive officers are normally in-
volved in the operations of the various divisions and there are centralized offices which perform for the divisions the normal matters which a truly independent business would perform for itself, such as accounting, personnel, insurance, legal, purchasing, advertising, or financing. (Authorized by K.S.A. 79-3236, 79-3271, 79-4301; effective May 1, 1979.)

92-12-73. Business and nonbusiness income: application of definitions. The following are rules for determining whether particular income is business or nonbusiness income. (a) Rental income from real and tangible property is business income if the property with respect to which the rental income was received is used in the taxpayer's trade or business or incidental thereto and therefore is includable in the property factor.

(b) Gain or loss from the sale, exchange or other disposition of real or tangible or intangible personal property constitutes business income if the property while owned by the taxpayer was used in the taxpayer's trade or business. However, if such property was utilized for the production of nonbusiness income or otherwise was removed from the property factor before its sale, exchange or other disposition, the gain or loss will constitute nonbusiness income.

(c) Interest income is business income where the intangible with respect to which the interest was received arises out of or was created in the regular course of the taxpayer's trade or business operations, or where the purpose for acquiring and holding the intangible is related to or incidental to such trade or business operations.

(d) Dividends are business income where the stock with respect to which the dividends are received arises out of or was acquired in the regular course of the taxpayer's trade or business operations or where the purpose for acquiring and holding the stock is related to or incidental to such trade or business operations.

(e) Patent and copyright royalties are business income where the patent or copyright with respect to which the royalties were received arises out of or was created in the regular course of the taxpayer's trade or business operations or where the purpose for acquiring and holding the patent or copyright is related to or incidental to such trade or business operations. (Authorized by K.S.A. 79-3236, 79-3271, 79-4301; effective May 1, 1979.)

92-12-74. Proration of deductions. In most cases an allowable deduction of a taxpayer will be applicable only to the business income arising from a particular trade or business or to a particular item of nonbusiness income. In some cases an allowable deduction may be applicable to the business incomes of more than one (1) trade or business and to several items of nonbusiness income. In such cases the deduction shall be prorated among such trades or businesses and such items of nonbusiness income in a manner which fairly distributes the deduction among the classes of income to which it is applicable.

In filing returns with this state, if the taxpayer departs from or modifies the manner of prorating any such deduction used in returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

If the returns or reports filed by a taxpayer with all states to which the taxpayer reports under the multistate tax compact or the uniform division of income for tax purposes act are not uniform in the application or proration of any deduction, the taxpayer shall disclose in its return to this state the nature and extent of the variance. (Authorized by K.S.A. 79-3236, 79-3289, 79-32,141; effective May 1, 1979.)

92-12-75. Definitions. (a) Apportionment means the division of business income between states by the use of a formula containing apportionment factors.

(b) Allocation means the assignment of nonbusiness income to a particular state.

(c) Business activity means the transactions and activity occurring in the regular course of a particular trade or business of a taxpayer. (Authorized by K.S.A. 79-3236, 79-3271, 79-3272, 79-4301; effective May 1, 1979.)

92-12-76. Apportionment. If the business activity in respect to any trade or business of a taxpayer occurs both within and without this state, and if by reason of such business activity the taxpayer is taxable in another state, the portion of the net income (or net loss) arising from such trade or business which is derived from sources within this state shall be determined by apportionment in accordance with K.S.A. 79-3279. (Authorized by K.S.A. 79-3236, 79-3272, 79-3279, 79-4301; effective May 1, 1979.)

92-12-77. Combined income method of reporting. If a particular trade or business is car-
ried on by a taxpayer and one (1) or more affiliated corporations, nothing in K.S.A. 79-3271 et seq., and 79-4301, article IV or in these regulations shall preclude the use of a combined income method of reporting whereby the entire business income of such trade or business is apportioned in accordance with K.S.A. 79-3279 to 79-3287 and 79-4301, article IV.9. to IV.17. (Authorized by K.S.A. 79-3236, 79-3288, 79-32,141; effective May 1, 1979.)

92-12-78. Allocation. Any taxpayer subject to the taxing jurisdiction of this state shall allocate all of its nonbusiness income or loss within or without this state in accordance with K.S.A. 79-3275 through 79-3278. (Authorized by K.S.A. 79-3236, 79-3272, 79-4301; effective May 1, 1979.)

92-12-79. Consistency and uniformity in reporting. In filing returns with this state, if the taxpayer departs from or modifies the manner in which income has been classified as business income or nonbusiness income in returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

If the returns or reports filed by a taxpayer for all states to which the taxpayer reports under the multistate tax compact or the uniform division of income for tax purposes act are not uniform in the classification of income as business or nonbusiness income, the taxpayer shall disclose in its return to this state the nature and extent of the variance. (Authorized by K.S.A. 79-3236, 79-3289, 79-4301; effective May 1, 1979.)

92-12-80. Taxable in another state; in general. The taxpayer is subject to the allocation and apportionment if it has income from business activity that is taxable both within and without this state. A taxpayer's income from business activity is taxable without this state if such taxpayer, by reason of such business activity (i.e., the transactions and activity occurring in the regular course of a particular trade or business), is taxable in another state pursuant to K.S.A. 79-3273 and 79-4301, article IV.3.

A taxpayer is not taxable in another state with respect to a particular trade or business merely because the taxpayer conducts activities in such other state pertaining to the production of nonbusiness income or business activities relating to a separate trade or business. (Authorized by K.S.A. 79-3236, 79-3273, 79-4301; effective May 1, 1979.)

92-12-81. Taxable in another state; when a corporation is “subject to” a tax under K.S.A. 79-3273(1) and 79-4301, article IV.3.(1). A taxpayer is “subject to” one (1) of the taxes, specified in K.S.A. 79-3273(1) and 79-4301, article IV.3.(1) if it carries on business activities in such state and such state imposes such a tax thereon. Any taxpayer which asserts that it is subject to one (1) of the taxes specified in K.S.A. 79-3273(1) or 79-4301, article IV.3.(1) in another state shall furnish to the director of taxation upon his request evidence to support such assertion. The director of taxation may request that such evidence include proof that the taxpayer has filed the requisite tax return in such other state and has paid any taxes imposed under the law of such other state; the taxpayer's failure to produce such proof may be taken into account in determining whether the taxpayer in fact is subject to one (1) of the taxes specified in K.S.A. 79-3273 and K.S.A. 79-4301, article IV.3.(1) in such other state.

If the taxpayer voluntarily files and pays one (1) or more of such taxes when not required to do so by the laws of that state or pays a minimal fee for qualification, organization or for the privilege of doing business in that state, but (a) does not actually engage in business activity in that state, or (b) does actually engage in some business activity, not sufficient for nexus, and the minimum tax bears no relation to the taxpayer's business activity within such state, the taxpayer is not “subject to” one of the taxes specified within the meaning of K.S.A. 79-3273 and K.S.A. 79-4301, article IV.3.(1).

The concept of taxability in another state is based upon the premise that every state in which the taxpayer is engaged in business activity may impose an income tax even though every state does not do so. In states which do not, other types of taxes may be imposed as a substitute for an income tax. Therefore, only those taxes enumerated in K.S.A. 79-3273 and 79-4301, article IV.3.(1) which may be considered as basically revenue raising rather than regulatory measures shall be considered in determining whether the taxpayer is “subject to” one of the taxes specified in K.S.A. 79-3273 and 79-4301, article IV.3.(1) in another state. (Authorized by K.S.A. 79-3236, 79-3273, 79-4301; effective May 1, 1979.)

92-12-82. Taxable in another state; when a state has jurisdiction to subject a taxpayer to a net income tax. The second test, that of K.S.A. 79-3273(2) and 79-4301, article IV.3.(2),
applies if the taxpayer’s business activity is sufficient to give the state jurisdiction to impose a net income tax by reason of such business activity under the constitution and statutes of the United States. Jurisdiction to tax is not present where the state is prohibited from imposing the tax by reason of the provisions of Public Law 86-272, 15 U.S.C.A. Sections 381-385. In the case of any “state” as defined in K.S.A. 79-3271(h) and K.S.A. 79-4301, article IV1.(h), other than a state of the United States or political subdivision of such state, the determination of whether such “state” has jurisdiction to subject the taxpayer to a net income tax shall be made as though the jurisdictional standards applicable to a state of the United States applied in that “state.” If jurisdiction is otherwise present, such “state” is not considered as without jurisdiction by reason of the provisions of a treaty between that state and the United States. (Authorized by K.S.A. 79-3236, 79-3273, 79-4301; effective May 1, 1979.)

92-12-83. Apportionment formula. All business income of each trade or business of the taxpayer shall be apportioned to this state by use of the apportionment formula set forth in K.S.A. 79-3279 and 79-4301, article IV9. The elements of the apportionment formula are the property factor, the payroll factor and the sales factor of the trade or business of the taxpayer. (Authorized by K.S.A. 79-3236, 79-3279, 79-4301; effective May 1, 1979.)

92-12-84. Property factor; in general. The property factor of the apportionment formula for each trade or business of the taxpayer shall include all real and tangible personal property owned or rented by the taxpayer and used during the tax period in the regular course of such trade or business. The term “real and tangible personal property” includes land, buildings, machinery, stocks of goods, equipment, and other real and tangible personal property but does not include coin or currency. Property used in connection with the production of nonbusiness income shall be excluded from the property factor. Property used both in the regular course of taxpayer's trade or business and in the production of nonbusiness income shall be included in the factor only to the extent the property is used in the regular course of taxpayer's trade or business. The method of determining that portion of the value to be included in the factor will depend upon the facts of each case. The property factor shall include the average value of property includable in the factor. (Authorized by K.S.A. 79-3236, 79-3280, 79-4301; effective May 1, 1979.)

92-12-85. Property factor; property used for the production of business income. Property shall be included in the property factor if it is actually used or is available for or capable of being used during the tax period in the regular course of the trade or business of the taxpayer. Property held as reserves or standby facilities or property held as a reserve source of materials shall be included in the factor. Property or equipment under construction during the tax period, (except inventory goods in process) shall be excluded from the factor until such property is actually used in the regular course of the trade or business of the taxpayer. If the property is partially used in the regular course of the trade or business of the taxpayer while under construction, the value of the property to the extent used shall be included in the property factor. Property used in the regular course of the trade or business of the taxpayer shall remain in the property factor until its permanent withdrawal is established by an identifiable event such as its conversion to the production of nonbusiness income, its sale, or the lapse of an extended period of time (normally, five years) during which the property is held for sale. (Authorized by K.S.A. 79-3236, 79-3280, 79-4301; effective May 1, 1979.)

92-12-86. Property factor; consistency in reporting. In filing returns with this state, if the taxpayer departs from or modifies the manner of valuing property, or of excluding or including property in the property factor, used in returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification. If the returns or reports filed by the taxpayer with all states to which the taxpayer reports under the multistate tax compact or the uniform division of income for tax purposes act are not uniform in the valuation of property and in the exclusion or inclusion of property in the property factor, the taxpayer shall disclose in its return to this state the nature and extent of the variance. (Authorized by K.S.A. 79-3236, 79-3289, 79-4301; effective May 1, 1979.)

92-12-87. Property factor; numerator. The numerator of the property factor shall in-
clude the average value of the real and tangible personal property owned or rented by the taxpayer and used in this state during the tax period in the regular course of the trade or business of the taxpayer. Property in transit between locations of the taxpayer to which it belongs shall be considered to be at the destination for purposes of the property factor. Property in transit between a buyer and seller which is included by a taxpayer in the denominator of its property factor in accordance with its regular accounting practices shall be included in the numerator according to the state of destination. The value of mobile or movable property such as construction equipment, trucks or leased electronic equipment which are located within and without this state during the tax period shall be determined for purposes of the numerator of the factor on the basis of total time within the state during the tax period. An automobile assigned to a traveling employee shall be included in the numerator of the factor of the state to which the employee’s compensation is assigned under the payroll factor or in the numerator of the state in which the automobile is licensed. (Authorized by K.S.A. 79-3236, 79-3280, 79-4301; effective May 1, 1979.)

92-12-88. Property factor; valuation of owned property. Property owned by the taxpayer shall be valued at its original cost. As a general rule “original cost” is deemed to be the basis of the property for federal income tax purposes (prior to any federal adjustments) at the time of acquisition by the taxpayer and adjusted by subsequent capital additions or improvements thereto and partial disposition thereof, by reason of sale, exchange, abandonment, etc.

If original cost of property is unascertainable, the property is included in the factor at its fair market value as of the date of acquisition by the taxpayer.

Inventory of stock of goods shall be included in the factor in accordance with the valuation method used for federal income tax purposes.

Property acquired by gift or inheritance shall be included in the factor at its basis for determining depreciation for federal income tax purposes. ( Authorized by K.S.A. 79-3236, 79-3281, 79-4301; effective May 1, 1979.)

92-12-89. Property factor; valuation of rented property. Property rented by the taxpayer is valued at eight (8) times its net annual rental rate. The net annual rental rate for any item of rented property is the annual rental rate paid by the taxpayer for such property, less the aggregate annual subrental rates paid by subtenants of the taxpayer.

Subrents are not deducted when the subrents constitute business income because the property which produces the subrents is used in the regular course of a trade or business of the taxpayer when it is producing such income. Accordingly there is no reduction in its value.

“Annual rental rate” means the amount paid as rental for property for a 12-month period (i.e., the amount of the annual rent). Where property is rented for less than a 12-month period, the rent paid for the actual period of rental shall constitute the “annual rental rate” for the tax period. However, where a taxpayer has rented property for a term of twelve (12) or more months and the current tax period covers a period of less than twelve (12) months, the rent paid for the short tax period shall be annualized. If the rental term is for less than twelve (12) months, the rent shall not be annualized beyond its term. Rent shall not be annualized because of the uncertain duration when the rental term is on a month to month basis.

“Annual rent” means the actual sum of money or other consideration payable, directly or indirectly, by the taxpayer or for its benefit for the use of the property and includes: (a) Any amount payable for the use of real or tangible personal property, or any part thereof, whether designated as a fixed sum of money or as a percentage of sales, profits or otherwise.

(b) Any amount payable as additional rental or in lieu of rents, such as interest, taxes, insurance, repairs or any other items which are required to be paid by the terms of the lease or other arrangement, not including amounts paid as service charges, such as utilities, janitor services, etc. If a payment includes rent and other charges unsegregated, the amount of rent shall be determined by consideration of the relative values of the rent and the other items.

“Annual rent” does not include incidental day-to-day expenses such as hotel or motel accommodations, daily rental of automobiles, etc.

Leasehold improvements shall, for the purposes of the property factor, be treated as property owned by the taxpayer regardless of whether the taxpayer is entitled to remove the improvements or the improvements revert to the lessor upon expiration of the lease. Hence, the original cost of leasehold improvements shall be included in the
factor. (Authorized by K.S.A. 79-3236, 79-3281, 79-4301; effective May 1, 1979.)

92-12-90. Property factor; averaging property values. As a general rule the average value of property owned by the taxpayer shall be determined by averaging the values at the beginning and ending of the tax period. However, the director of taxation may require or allow averaging by monthly values if such method of averaging is required to properly reflect the average value of the taxpayer’s property for the tax period.

Averaging by monthly values will generally be applied if substantial fluctuations in the values of the property exist during the tax period or where property is acquired after the beginning of the tax period or disposed of before the end of the tax period.

Averaging with respect to rented property is achieved automatically by the method of determining the net annual rental rate of such property as set forth in K.A.R. 92-12-89. (Authorized by K.S.A. 79-3236, 79-3282, 79-4301; effective May 1, 1979.)

92-12-91. Payroll factor; in general. (a) The payroll factor of the apportionment formula for each trade or business of the taxpayer shall include the total amount paid by the taxpayer in the regular course of its trade or business for compensation during the tax period.

(b) The total amount “paid” to employees shall be determined upon the basis of the taxpayer’s accounting method. If the taxpayer has adopted the accrual method of accounting, all compensation properly accrued shall be deemed to have been paid. Notwithstanding the taxpayer’s method of accounting, at the election of the taxpayer, compensation paid to employees may be included in the payroll factor by use of the cash method if the taxpayer is required to report such compensation under such method for unemployment compensation purposes.

(c) The compensation of any employee on account of activities which are connected with the production of nonbusiness income shall be excluded from the factor.

(d) The term “compensation” means wages, salaries, commissions, and any other form of remuneration paid to employees for personal services. Payments made to an independent contractor or any other person not properly classifiable as an employee shall be excluded. Only amounts paid directly to employees shall be included in the payroll factor. Amounts considered paid directly include the value of board, rent, housing, lodging, and other benefits or services furnished to employees by the taxpayer in return for personal services when the amounts constitute income to the recipient under the federal internal revenue code. In the case of employees not subject to the federal internal revenue code such as those employed in foreign countries, the determination of whether the benefits or services would constitute income to the employees shall be made as though the employees were subject to the federal internal revenue code. The term “employee” means any officer of a corporation, or any individual who, under the usual common-law rules applicable in determining the employer-employee relationship, has the status of an employee. Generally, a person will be considered to be an employee if the person is included by the taxpayer as an employee for purposes of the payroll taxes imposed by the federal insurance contributions act; except that, since certain individuals are included within the term “employees” in the federal insurance contributions act who would not be employees under the usual common-law rules, it may be established that a person who is included as an employee for purposes of the federal insurance contributions act is not an employee for purposes of this regulation.

(e) In filing returns with this state, if the taxpayer departs from or modifies the treatment of compensation paid used in returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

(f) If the returns or reports filed by the taxpayer with all states to which the taxpayer reports under the multistate tax compact or the uniform division of income for tax purposes act are not uniform in the treatment of compensation paid, the taxpayer shall disclose in its return to this state the nature and extent of the variance. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3283, 79-3289, 79-4301; effective May 1, 1979; amended May 1, 1986.)

92-12-92. Payroll factor; denominator. The denominator of the payroll factor is the total compensation paid everywhere during the tax period. Accordingly, compensation paid to employees whose services are performed entirely in a state where the taxpayer is immune from taxation, for example, by Public Law 86-272, is included in the denominator of the payroll factor. (Authorized
by K.S.A. 79-3236, 79-3283, 79-4301; effective May 1, 1979.)

92-12-93. Payroll factor; numerator. The numerator of the payroll factor is the total amount paid in this state during the tax period by the taxpayer for compensation. The tests in K.S.A. 79-3284 and 79-4301, article IV.14. to be applied in determining whether compensation is paid in this state are derived from the model unemployment compensation act. Accordingly, if compensation paid to employees is included in the payroll factor by use of the cash method of accounting or if the taxpayer is required to report such compensation under such method for unemployment compensation purposes, it shall be presumed that the total wages reported by the taxpayer to this state for unemployment compensation purposes constitute compensation paid in this state except for compensation excluded pursuant to this regulation, K.A.R. 92-12-91, 92-12-92 and 92-12-94. The presumption may be overcome by satisfactory evidence that an employee’s compensation is not properly reportable to this state for unemployment compensation purposes. (Authorized by K.S.A. 79-3236, 79-3284, 79-4301; effective May 1, 1979.)

92-12-94. Payroll factor; compensation paid in this state. Compensation is paid in this state if any of the following tests, applied consecutively, are met: (a) The employee’s service is performed entirely within the state.

(b) The employee’s service is performed both within and without the state, but the service performed without the state is incidental to the employee’s service within the state. The word “incidental” means any service which is temporary or transitory in nature, or which is rendered in connection with an isolated transaction.

(c) If the employee’s services are performed both within and without this state, the employee’s compensation will be attributed to this state: (1) If the employee’s base of operations is in this state; or

(2) If there is no base of operations in any state in which some part of the service is performed, but the place from which the service is directed or controlled is in this state; or

(3) If the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed but the employee’s residence is in this state.

The term “place from which the service is directed or controlled” refers to the place from which the power to direct or control is exercised by the taxpayer.

The term “base of operations” is the place of more or less permanent nature from which the employee starts his work and to which he customarily returns in order to receive instructions from the taxpayer, or communications from his customers or other persons, or to replenish stock or other materials, repair equipment, or perform any other functions necessary to the exercise of his trade or profession at some other point or points. (Authorized by K.S.A. 79-3236, 79-3284, 79-4301; effective May 1, 1979.)

92-12-95. Sales factor; in general. For the purposes of the sales factor of the apportionment formula for each trade or business of the taxpayer, the term “sales” means all gross receipts derived by the taxpayer from transactions and activity in the regular course of such trade or business. The following are rules for determining “sales”; (a) In the case of a taxpayer engaged in manufacturing and selling or purchasing and reselling goods or products, “sales” includes all gross receipts from the sales of such goods or products (or other property of a kind which would properly be included in the inventory of the taxpayer if on hand at the close of the tax period) held by the taxpayer primarily for sale to customers in the ordinary course of its trade or business. Gross receipts for this purpose means gross sales less returns and allowances, and includes all interest income, service charges, carrying charges, or time-price differential charges incidental to such sales. Federal and state excise taxes (including sales taxes) shall be included as part of such receipts if such taxes are passed on to the buyer or included as part of the selling price of the product.

(b) In the case of cost plus fixed fee contracts, such as the operation of a government-owned plant for a fee, “sales” includes the entire reimbursed cost, plus the fee.

(c) In the case of a taxpayer engaged in providing services, such as the operation of an advertising agency, or the performance of equipment service contracts, research and development contracts, “sales” includes the gross receipts from the performance of such services including fees, commissions, and similar items.

(d) In the case of a taxpayer engaged in renting real or tangible property, “sales” includes the
gross receipts from the rental, lease, or licensing
the use of the property.

(e) In the case of a taxpayer engaged in the sale,
assignment, or licensing of intangible personal
property such as patents and copyrights, “sales”
includes the gross receipts therefrom.

(f) If a taxpayer derives receipts from the sale
of equipment used in its business, such receipts
constitute “sales.”

In some cases certain gross receipts should be
disregarded in determining the sales factor in or-
der that the apportionment formula will operate
fairly to apportion to this state the income of the
taxpayer's trade or business.

In filing returns with this state, if the taxpayer
departs from or modifies the basis for excluding or
including gross receipts in the sales factor used in
returns for prior years, the taxpayer shall disclose
in the return for the current year the nature and
extent of the modification.

If the returns or reports filed by the taxpayer
with all states to which the taxpayer reports under
the multistate tax compact or the uniform division
of income for tax purposes act are not uniform in
the inclusion or exclusion of gross receipts, the
taxpayer shall disclose in its return to this state the
nature and extent of the variance. (Authorized by
K.S.A. 79-3236, 79-3285, 79-3288, 79-3289, 79-
4301; effective May 1, 1979.)

92-12-96. Sales factor; denominator. The
denominator of the sales factor shall include the
total gross receipts derived by the taxpayer from
transactions and activity in the regular course of
its trade or business, except receipts excluded un-
der K.A.R. 92-12-103. (Authorized by K.S.A. 79-
3236, 79-3285, 79-4301; effective May 1, 1979.)

92-12-97. Sales factor; numerator. The
numerator of the sales factor shall include gross
receipts attributable to this state and derived by
the taxpayer from transactions and activity in the
regular course of its trade or business. All interest
income, service charges, carrying charges, or time-
price differential charges incidental to such gross
receipts, shall be included regardless of the place
where the accounting records are maintained or
the location of the contract or other evidence of
indebtedness. (Authorized by K.S.A. 79-3236, 79-
3285, 79-4301; effective May 1, 1979.)

92-12-98. Sales factor; sales of tangible
personal property in this state. Gross receipts
from sales of tangible personal property (except
sales to the United States government) are in this
state: (a) If the property is delivered or shipped to
a purchaser within this state regardless of the free
on board point or other conditions of sale; or

(b) If the property is shipped from an office,
store, warehouse, factory, or other place of storage
in this state and the taxpayer is not taxable in the
state of the purchaser.

Property shall be deemed to be delivered or
shipped to a purchaser within this state if the re-
cipient is located in this state, even though the
property is ordered from outside this state.

Property is delivered or shipped to a purchaser
within this state if the shipment terminates in this
state, even though the property is subsequently
transferred by the purchaser to another state.

The term “purchaser within this state” shall
include the ultimate recipient of the property if
the taxpayer in this state, at the designation of the
purchaser, delivers to or has the property shipped
to the ultimate recipient within this state.

When property being shipped by a seller from
the state of origin to a consignee in another state is
diverted while enroute to a purchaser in this state,
the sales are in this state.

If the taxpayer is not taxable in the state of the
purchaser, the sale is attributed to this state if the
property is shipped from an office, store, ware-
house, factory, or other place of storage in this
state.

If a taxpayer whose salesman operates from an
office located in this state makes a sale to a pur-
chaser in another state in which the taxpayer is
not taxable and the property is shipped directly by
a third party to the purchaser, the following rules
apply: (a) If the taxpayer is taxable in the state
from which the third party ships the property,
then the sale is in such state.

(b) If the taxpayer is not taxable in the state
from which the property is shipped, then the sale
is in this state. (Authorized by K.S.A. 79-3236, 79-
3286, 79-4301; effective May 1, 1979.)

92-12-99. Sales factor; sales of tangible
personal property to United States govern-
ment in this state. Gross receipts from sales of
tangible personal property to the United States
government are in this state if the property is
shipped from an office, store, warehouse, factory,
or other place of storage in this state. For the pur-
poses of this regulation, only sales for which the
United States government makes direct payment
to the seller pursuant to the terms of a contract
Income Tax

92-12-100. Sales factor; sales other than sales of tangible personal property in this state. (a) Gross receipts from transactions other than sales of tangible personal property (including transactions with the United States government) are attributed to this state if the income producing activity which gave rise to the receipts is performed wholly within this state. Also, gross receipts are attributed to this state, if, with respect to a particular item of income, the income producing activity is performed within and without this state but the greater proportion of the income producing activity is performed in this state, based on costs of performance.

The term “income producing activity” applies to each separate item of income and means the transactions and activity directly engaged in by the taxpayer in the regular course of its trade or business for the ultimate purpose of obtaining gains or profit. Such activity does not include transactions and activities performed on behalf of a taxpayer, such as those conducted on its behalf by an independent contractor. Accordingly, income producing activity includes but is not limited to the following:

1. The rendering of personal services by employees or the utilization of tangible and intangible property by the taxpayer in performing a service.
2. The sale, rental, leasing, licensing or other use of real property.
3. The rental, leasing, licensing or other use of tangible personal property.
4. The sale, licensing or other use of intangible personal property.

The mere holding of intangible personal property is not, of itself, an income producing activity.

The term “costs of performance” means direct costs determined in a manner consistent with generally accepted accounting principles and in accordance with accepted conditions or practices in the trade or business of the taxpayer.

(b) The following are special rules for determining when receipts from the income producing activities described below are in this state:

1. Gross receipts from the sale, lease, rental or licensing of real property are in this state if the real property is located in this state.
2. Gross receipts from the rental, lease, or licensing of tangible personal property are in this state if the property is located in this state. The rental, lease, licensing or other use of tangible personal property in this state is a separate income producing activity from the rental, lease, licensing or other use of the same property while located in another state; consequently, if property is within and without this state during the rental, lease or licensing period, gross receipts attributable to this state shall be measured by the ratio which the time the property was physically present or was used in this state bears to the total time or use of the property everywhere during such period.
3. Gross receipts for the performance of personal services are attributable to this state to the extent such services are performed in this state. If services relating to a single item of income are performed partly within and partly without this state, the gross receipts for the performance of such services shall be attributable to this state only if a greater proportion of the services was performed in the state, based on costs of performance. Usually, where services are performed partly within and partly without this state, the services performed in each state will constitute a separate income producing activity; in such case the gross receipts for the performance of services attributable to this state shall be measured by the ratio which the time spent in performing such services in this state bears to the total time spent in performing such services everywhere. Time spent in performing services includes the amount of time expended in the performance of a contract or other obligation which gives rise to such gross receipts. Personal service not directly connected with the performance of the contract or other obligation, as for example, time expended in negotiating the contract, is excluded from the computations. (Authorized by K.S.A. 79-3236, 79-3287, 79-4301; effective May 1, 1979.)

92-12-101. Special rules; in general. K.S.A. 79-3288 and 79-4301, article IV.18. permit a departure from the allocation and apportionment provisions of K.S.A. 79-3271 et seq., and 79-4301, article IV in limited and specific cases. This regulation may be invoked in specific cases where unusual fact situations (which ordinarily will be
unique and nonrecurring) produce incongruous results under the apportionment and allocation provisions contained in K.S.A. 79-3271 et seq., and 79-4301, article IV.

In the absence of unusual fact situations, the director of taxation may, in his discretion, establish appropriate procedures to determine the apportionment factors for any industry when it is found that the apportionment and allocation provisions of K.S.A. 79-3271 et seq., and 79-4301, article IV do not adequately represent the extent of the taxpayer's business activity in this state, but such procedures shall be applied uniformly within any such industry. (Authorized by K.S.A. 79-3236, 79-3288, 79-4301; effective May 1, 1979.)

92-12-102. Special rules; property factor. The following special rules are established in respect to the property factor of the apportionment formula: (a) If the subrents taken into account in determining the net annual rental rate under K.A.R. 92-12-89 produce a negative or clearly inaccurate value for any item of property, another method which will properly reflect the value of rented property may be required by the director of taxation or requested by the taxpayer.

In no case however shall such value be less than an amount which bears the same ratio to the annual rental rate paid by the taxpayer for such property as the fair market value of that portion of the property used by the taxpayer bears to the total fair market value of the rented property.

(b) If property owned by others is used by the taxpayer at no charge, or rented by the taxpayer for a nominal rate, the net annual rental rate for such property shall be determined on the basis of a reasonable market rental rate for such property.

(Authorized by K.S.A. 79-3236, 79-3288, 79-4301; effective May 1, 1979.)

92-12-103. Special rules; sales factor. The following special rules are established in respect to the sales factor of the apportionment formula: (a) Where substantial amounts of gross receipts arise from an incidental or occasional sale of a fixed asset used in the regular course of the taxpayer's trade or business, such gross receipts shall be excluded from the sales factor.

(b) Insufficient amounts of gross receipts arising from incidental or occasional transactions or activities may be excluded from the sales factor unless such exclusion would materially affect the amount of income apportioned to this state.

(c) Where the income producing activity in respect to business income from intangible personal property can be readily identified, such income is included in the denominator of the sales factor and, if the income producing activity occurs in this state, in the numerator of the sales factor as well.

Where business income from intangible property cannot readily be attributed to any particular income producing activity of the taxpayer, such income cannot be assigned to the numerator of the sales factor for any states and shall be excluded from the denominator of the sales factor. (Authorized by K.S.A. 79-3236, 79-3288, 79-4301; effective May 1, 1979.)

92-12-104. (Authorized by K.S.A. 79-3236, 79-3291; effective May 1, 1979; revoked May 1, 1982.)

92-12-105. Contribution to income; debtor setoff. (a) As used in K.S.A. 75-6202, and amendments thereto, “contribution to income” shall mean that portion of the income of a spouse filing a joint return that is subject to withholding, or that can be otherwise determined, from information filed with the return, to have been received by that spouse individually. Income that cannot be determined, from information filed with the Kansas income tax return, to have been received by either spouse individually shall be considered attributable to each spouse at the ratio of the income that has been determined to have been received individually by each spouse to the total income of both spouses. If the amount reported as Kansas adjusted gross income does not include income subject to Kansas tax received by either spouse individually, this amount shall be considered to have been contributed equally by each spouse.

(b) The amount of the refund shall be adjusted to properly reflect the debtor’s contribution to income if the debtor proves either of the following:

(1) Any of the income attributed to the debtor was received by the debtor’s spouse individually and should not have been attributed to the debtor for the purpose of determining contribution to income.

(2) Any of the income attributed wholly or partly to the debtor’s spouse should have been attributed to the debtor.

(c) Income shall not be attributed to either spouse individually unless the debtor proves either of the following:
(1) Only one spouse had an ownership interest in the source of the income at the time it was received.

(2) In the case of earned income not subject to Kansas withholding tax, the income was earned solely by one spouse.

If the debtor proves that the proportionate ownership interest in an income source is not the same as the ratio determined under subsection (a), the amount of refund shall be adjusted accordingly.

(d) Questions regarding the proper computation of contribution to income as specified in this regulation may be raised at the hearing provided for in K.S.A. 75-6207, and amendments thereto. (Authorized by K.S.A. 75-6203; implementing K.S.A. 2000 Supp. 75-6202; effective, E-82-26, Dec. 16, 1981; effective May 1, 1982; amended May 10, 2002.)

92-12-106. Composite returns for non-resident partners and shareholders. (a) Any partnership or S corporation required to file a return under the Kansas income tax act may file a composite income tax return for all nonresident partners or nonresident shareholders that derive income from the partnership or S corporation. Nonresident partners and nonresident shareholders included in a composite return shall not file a separate income tax return.

(b) Any nonresident partner or nonresident shareholder may be included in a composite return unless the partner or shareholder has income from a Kansas source other than the partnership or S corporation.

(c) Each composite return shall list the name, address, social security number, and the percentage of ownership of each nonresident partner or nonresident shareholder.

(d) Each composite return shall be filed and any tax due paid by the partnership or S corporation on or before the 15th day of the fourth month following the close of the taxable year of the partnership or S corporation.

(e) Each return shall be filed in the manner specified by the director of taxation.

(f) Trusts shall not be included in a composite return. Each trust shall file a separate income tax return on a form provided by the director. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3220; effective May 1, 1987; amended May 10, 2002.)

92-12-109. Report of income adjusted by internal revenue service. The revenue agent's report detailing adjustments made by the internal revenue service and the amended return reporting these adjustments to the director shall be sent separate from any other document except those required by this regulation. If federal taxable income, in the case of a corporation, or federal adjusted gross income, in the case of an individual, on the Kansas income tax return as originally filed is not the same as reported on the revenue agent's report, a reconciliation and explanation as to the difference shall also be submitted. (Authorized by K.S.A. 79-3236; implementing K.S.A. 1981 Supp. 79-3230; effective, E-82-26, Dec. 16, 1981; effective May 1, 1982.)

92-12-110. Combined income method of reporting; surtax exemption. Each corporation filing a Kansas income tax return using the combined income method of reporting with more than one entity of the combined group doing business in Kansas, may report the total Kansas combined income and pay the tax due by filing one Kansas income tax return. When a corporation uses this method for a taxable year, the corporation shall continue to use this method for all future years or as long as the Kansas combined return is utilized. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3220; effective May 1, 1987.)

92-12-111. Special rules; airlines. (a) Apportionment of business income. When an airline has income from sources both within and without the state of Kansas, the amount of business income from sources within the state of Kansas shall be determined pursuant to this regulation.

(b) The following definitions are applicable to the terms used in the apportionment factor descriptions:

(1) “Value of owned real and tangible personal property” shall mean its original cost.

(2) “Cost of aircraft by type” means the average original cost or value of aircraft by type which are ready for flight.

(3) “Original cost” means the initial federal tax basis of the property plus the value of capital improvements to such property, except, for this purpose, it shall be presumed that safe harbor leases are not true leases and do not affect the original initial federal tax basis of the property.

(4) “Average value” of property means the amount determined by averaging the values at the beginning and end of the income year. However, the department of revenue may require the aver-
(a) The Kansas destination sales of tangible prop-

aging of monthly values during the income year if averaging is necessary to reflect properly the aver-
age value of the airline's property.

(5) The "value of rented real and tangible per-
sonal property" means the product of eight times the net annual rental rate.

(6) "Net annual rental rate" means the annual rental rate paid by the taxpayer.

(7) "Property used during the income year" in-
cludes property which is available for use in the taxpayer's trade or business during the income year.

(8) "Aircraft ready for flight" means aircraft owned or acquired through rental or lease, except for an interchange, which are in the possession of the taxpayer and are available for service on the taxpayer routes.

(9) "Revenue service" means the use of aircraft ready for flight for the production of revenue.

(10) "Transportation revenue" means revenue earned by transporting passengers, freight and mail as well as revenue earned from such things as liquor sales and pet crate rentals.

(11) "Departures" means all takeoffs, whether they are regularly scheduled or charter flights, that occur during revenue service.

(c) Property factor.

(1) Owned aircraft shall be valued at its original cost and rented aircraft shall be valued at eight times the net annual rental rate. The use of the taxpayer's owned or rented aircraft in an inter-

change program with another air carrier will not constitute a rental of the aircraft by the airline to the other participating airline. The aircraft used in an interchange program shall be accounted for in the property factor of the owner. Parts and other expendables, including parts for use in contract overhaul work, shall be valued at cost.

(2) The denominator of the property factor shall be the average value of all of the taxpayer's real and tangible personal property owned or acquired through rental or lease, except for aircraft ready for flight personnel, including the air crew aboard an aircraft which assist in the operations of the aircraft or the welfare of the passengers while in the air, shall be included in the ratio that depart-
ures of aircraft from locations in the state of Kan-
sas, weighted as to the cost and value of aircraft by type compared to total departures similarly weighted.

(d) Payroll factor.

(1) The denominator of the payroll factor is the total compensation paid everywhere by the tax-
payer during the income year. The numerator of the payroll factor is the total amount paid in the state of Kansas during the income year by the tax-
payer for compensation.

(2) Compensation paid to non-flight employees shall be included in the numerator as provided in K.A.R. 92-12-93 and 92-12-94. Compensation to flight personnel, including the air crew aboard an aircraft which assist in the operations of the aircraft or the welfare of the passengers while in the air, shall be included in the ratio that depart-
ures of aircraft from locations in the state of Kan-
sas, weighted as to the cost and value of aircraft by type compared to total departures similarly weighted, multiplied by the total flight personnel compensation.

(e) Sales factor.

(1) The transportation revenue derived from transactions and activities in the regular course of the trade or business of the taxpayer and miscellaneous sales of merchandise are included in the denominator of the revenue factor. Passive income items, including but not limited to items such as interest, rental income, dividends, and proceeds, shall not be included in the denomina-
tor. Proceeds and net gains or losses from sales of an aircraft shall not be included in the denomina-
tor.

(2) The numerator of the revenue factor is the total revenue of the taxpayer in the state of Kan-
sas during the income year. The total revenue of the taxpayer in Kansas during the income year is the result of the following calculation: The ratio of departures of aircraft in Kansas weighted as to the cost and value of aircraft by type, as compared to total departures similarly weighted multiplied by the total transportation revenue. The product of this calculation is to be added to any non-flight rev-

ues directly attributable to the state of Kansas.

(f) The taxpayer shall maintain the records nec-

essary to arrive at departures by type of aircraft as used in these regulations. These records are sub-
ject to review by the department of revenue. (Au-

thorized by K.S.A. 79-3236; implementing K.S.A. 79-3288; effective May 1, 1987.)

92-12-112. Sales factor numerator; as-

signment of sales of a corporation which is a member of a unitary group of corporations. (a) The Kansas destination sales of tangible prop-
erty of a corporation shall be assigned to the Kansas sales factor numerator if the Kansas activity of any unitary group member exceeds the solicitation of orders.

(b) Sales made by a corporation from a Kansas location into a state where the activity of any unitary group member exceeds the solicitation of orders shall be excluded from the Kansas sales factor numerator.

(c) The accounting method in this regulation shall be utilized prospectively for the taxable years beginning after December 31, 1990. (Authorized by K.S.A. 79-3236; implementing K.S.A. 79-3285, 79-3286; effective June 1, 1992.)

92-12-113. Credit for property tax paid on commercial and industrial machinery and equipment; tax receipts. (a) If the amount of the business machinery and equipment credit claimed by a taxpayer on credit schedule K-64 is more than $500, the taxpayer shall submit a copy of each property tax receipt issued by a county treasurer, showing timely payment of the personal property tax on the commercial and industrial machinery and equipment for which the tax credit is sought. Each taxpayer claiming the business machinery and equipment credit for property taxes paid on railroad machinery and equipment shall submit the documentation provided to that taxpayer by the division of property valuation of the Kansas department of revenue specifying the value of the railroad machinery and equipment on which this credit is calculated and a copy of each supporting tax receipt issued by a county treasurer.

(b) The property tax receipts and documentation specified in subsection (a) shall not be required to be submitted with the taxpayer's credit schedule K-64 if the amount of the credit claimed by the taxpayer is $500 or less.

(c) Each taxpayer claiming the business machinery and equipment credit shall retain, as part of the taxpayer's records, each property tax receipt and any other document substantiating the claim. (Authorized by K.S.A. 79-3236; implementing K.S.A. 2004 Supp. 79-32,206; effective April 22, 2005.)

92-12-114. Determining transportation income within a unitary group. If a unitary group of corporations consists of one or more corporations engaged in railroad or interstate motor carrier operations, including the interstate transport of persons or property for hire by rail or motor carrier, and one or more corporations not engaged in railroad or interstate motor carrier operations, the following method shall be used to determine the apportionable income of the group members engaged in railroad or interstate motor carrier operations.

(a) A three-factor formula consisting of property, payroll, and sales shall be used to divide the apportionable business income of the unitary group between each corporation engaged in railroad or interstate motor carrier operations and all other members of the unitary group. The apportionment factor numerators shall consist of the property, payroll, and sales of each corporation engaged in railroad or interstate motor carrier operations. The apportionment factor denominators shall consist of the property, payroll, and sales of the entire unitary group. For purposes of this subsection, the property, payroll, and sales factors shall be as defined in the uniform division of income for tax purposes act, K.S.A. 79-3271 et seq., and amendments thereto, and the regulations promulgated under this act.

(b) The apportionable business income of each corporation engaged in railroad or interstate motor carrier operations shall be determined by multiplying the apportionable business income of the unitary group by the fraction computed according to subsection (a).

(c) The apportionable business income of each corporation engaged in railroad or interstate motor carrier operations as determined according to subsection (b) shall then be apportioned to this state by using the single-factor mileage formula set forth in K.S.A. 79-3279(a), and amendments thereto.

(d) The apportionable business income of each corporation in the unitary group that is not engaged in railroad or interstate motor carrier operations shall be determined by subtracting the amount determined in subsection (b) from the apportionable business income of the unitary group.

(e) The apportionable business income of each corporation in the unitary group that is not engaged in railroad or interstate motor carrier operations, as determined in subsection (d), shall be apportioned to this state by using the applicable apportionment formula specified in K.S.A. 79-3279(b), and amendments thereto. (Authorized by K.S.A. 2007 Supp. 75-5155; implementing K.S.A. 79-32,141; effective June 20, 2008.)

92-12-120. Definition of qualified taxpayer. A “qualified taxpayer,” as defined in K.S.A. 79-32,211(b)(4) and amendments thereto, shall
not be considered to be a “community service organization,” as defined in K.S.A. 79-32,195(d) and amendments thereto. (Authorized by K.S.A. 2004 Supp. 75-5155; implementing K.S.A. 2004 Supp. 79-32,211; effective March 24, 2006.)

92-12-121. Incurred qualified expenditures. Before a qualified taxpayer may qualify for a credit allowed under K.S.A. 79-32,211, and amendments thereto, both of the following conditions shall have been met: (a) The qualified taxpayer has incurred “qualified expenditures,” as defined in K.S.A. 79-32,211(b) and amendments thereto, for the restoration and preservation of a qualified historic structure; and
(b) either the qualified expenditures have been paid in full or the qualified taxpayer has entered into a legal document that outlines the scope of the restoration and preservation work and identifies the date by which the qualified expenditures are to be paid in full by the qualified taxpayer. (Authorized by K.S.A. 2005 Supp. 75-5155; implementing K.S.A. 2005 Supp. 79-32,211; effective March 24, 2006.)

92-12-130. Amount of tax credit. For each employer that has established a “small employer health benefit plan” or made any contributions to the “health savings account” of an “eligible employee,” as these terms are defined in K.S.A. 40-2239 and amendments thereto, after December 31, 2004, the amount of tax credit allowed shall be the following: (a) For the first 12 months of the employer’s participation, the lesser of the following:
(1) $70 per month for each eligible employee; or
(2) the actual amount paid by the employer per month for each eligible employee;
(b) for the second 12 months of the employer’s participation, the lesser of the following:
(1) $50 per month for each eligible employee; or
(2) the actual amount paid by the employer per month for each eligible employee; and
(c) for the third 12 months of the employer’s participation, the lesser of the following:
(1) $35 per month for each eligible employee; or
(2) the actual amount paid by the employer for each month per eligible employee. (Authorized by and implementing K.S.A. 40-2246, as amended by L. 2005, ch. 118, §4; effective March 24, 2006.)

92-12-140. Definitions. (a) “Contribution” shall include the donation of cash, stocks and bonds, personal property, or real estate.
(4) Washburn university of Topeka.

(d) “Endowment association” and “foundation” shall mean either of the following:

(1) An entity designated as the investing agent for a state educational institution pursuant to K.S.A. 76-156a and amendments thereto; or

(2) an entity dedicated to securing financial support for Washburn university of Topeka, any community college as defined in K.S.A. 79-32,261(d)(1) and amendments thereto, or any technical college as defined in K.S.A. 79-32,261(d)(4) and amendments thereto.

(e) “Secretary” shall mean the secretary of revenue or the secretary’s designee. (Authorized by and implementing K.S.A. 2007 Supp. 79-32,261; effective June 20, 2008.)

92-12-141. Tax credit agreement. (a) The chief executive officer of each educational institution for which an allocation of tax credits has been authorized pursuant to K.S.A. 79-32,261, and amendments thereto, shall enter into an annual tax credit agreement with the secretary for the educational institution’s allocation of tax credits. The tax credit agreement shall provide the following information:

(1) The name of the educational institution and, if applicable, the name of the educational institution’s endowment association or foundation;

(2) the amount of tax credits to be allocated to the institution in the calendar year;

(3) the time period during which donations may be accepted by the educational institution to qualify for tax credits; and

(4) any other relevant information that the secretary requires.

(b) A new tax credit agreement shall be entered into by the secretary with each educational institution for which an allocation of tax credits has been authorized pursuant to K.S.A. 79-32,261, and amendments thereto, at least two months before the beginning of each calendar year for which the tax credits are available. (Authorized by and implementing K.S.A. 2007 Supp. 79-32,261; effective June 20, 2008.)

92-12-142. Tax credit application. (a) Each contributor making a contribution to an educational institution, or to an endowment association or foundation on behalf of the educational institution, shall complete a tax credit application with the educational institution, endowment association, or foundation on a form furnished by the secretary.

The application may be filed by electronic means in a manner approved by the secretary. Each application shall include the following information:

(1) The name, address, and either the employer identification number or the social security number of the contributor;

(2) if the contributor is an S-corporation, a partnership, or a limited liability company, the following information:

(A) The name of each shareholder, partner, or member;

(B) the employer identification number or social security number of each shareholder, partner, or member; and

(C) each shareholder’s, partner’s, or member’s proportionate share of the income or loss of the corporation, partnership, or limited liability company;

(3) the name of the educational institution or the endowment association or foundation to which the contribution is being made and the fund in which the contribution will be deposited;

(4) the amount and form of the contribution;

(5) the date of the contribution; and

(6) any other relevant information that the secretary requires.

(b) The chief executive officer of the educational institution, endowment association, or foundation shall submit the completed tax credit application and supporting documentation to the secretary for review. The educational institution, endowment association, or foundation shall receive written notification from the secretary when the application is approved or denied. The chief executive officer of the educational institution, endowment association, or foundation shall provide a copy of this approval or denial to the contributor that has made the contribution. (Authorized by and implementing K.S.A. 2007 Supp. 79-32,261; effective June 20, 2008.)

92-12-143. Quarterly reports. The chief executive officer of each educational institution shall submit or cause to be submitted a quarterly report indicating the amount of contributions qualifying for tax credits. This report shall be submitted to the secretary on a form furnished by the secretary. Any quarterly report may be filed by electronic means in a manner approved by the secretary. 92-13-11. Presumption, evidence. In the absence of records or other information showing the number of miles actually traveled per gallon of fuel, it shall be presumed that one gallon of motor vehicle fuel was consumed for every three miles traveled; that one gallon of special fuel was consumed for every 3.5 miles traveled and that one gallon of liquefied petroleum fuel was consumed for every 2.5 miles traveled. (Authorized by K.S.A. 79-34,123; implementing K.S.A. 79-34,116; effective Jan. 1, 1966; amended Jan. 1, 1972; amended May 1, 1987.)

Article 14.—LIQUEFIED PETROLEUM FUEL TAX

92-14-4. LP gas withdrawn from a motor vehicle’s cargo tank and used to propel the vehicle on public highways. If LP gas from the cargo tank of a motor vehicle is used to propel the vehicle on public highways, the LP-gas user shall maintain an accurate record of the amount of LP gas consumed for highway use, unless taxes have been paid in advance or the vehicle is operating on a mileage basis as provided for by the liquefied petroleum motor fuel tax law, K.S.A. 79-3490 et seq. and amendments thereto. The records that show consumption shall be maintained for three years. If the director finds that the records do not accurately reflect the amount of fuel consumed for highway use, the tax owed shall be computed by the director based on the best evidence available, and the LP-gas dealer or user shall be required by the director to report and pay the tax on a mileage basis in the future. (Authorized by K.S.A. 79-34,102; implementing K.S.A. 2000 Supp. 79-3491a, as amended by L. 2001, Ch. 5, § 456, K.S.A. 79-3492, 79-3497, 79-3499; effective, E-73-20, July 1, 1973; effective Jan. 1, 1974; amended March 29, 2002.)

92-14-5. Records. (a) Each LP-gas dealer shall maintain records showing the receipts from all LP-gas fuel sales and the tax collected thereon for three years. The records shall identify each sale made to an LP-gas permit user and shall include the user’s permit number. The records shall document all purchases made by the LP-gas dealer, including those for the dealer’s use and for resale.

(b) Each LP-gas user shall maintain records of LP-gas purchases for three years. The records shall include all purchase invoices issued to the purchaser.

(c) Each LP-gas dealer and wholesaler shall, at the time of sale and delivery, issue an invoice to the buyer that contains the following information:
(1) The date of the sale;
(2) the names and addresses of the seller and buyer;
(3) the place of delivery;
(4) the number of gallons of LP gas sold; and
(5) if the sale is at retail, the amount of tax collected or the buyer’s special LP-gas user permit number. (Authorized by K.S.A. 79-34,102; implementing K.S.A. 2000 Supp. 79-3491a, as amended by L. 2001, Ch. 5, § 456, K.S.A. 79-3492, 79-3499; effective, E-73-20, July 1, 1973; effective Jan. 1, 1974; amended March 29, 2002.)

92-14-6. Sales of LP gas to special LP-gas permit users; use of special LP-gas permit user decals. (a) Each operator of any motor vehicle that bears a Kansas special permit LP-gas user decal shall either self-report tax on the use of LP gas on a mileage basis or pay the tax in advance, pursuant to K.S.A. 79-3492a through K.S.A. 79-3492c and amendments thereto. Each LP-gas dealer who delivers gas into the tank of any vehicle that bears a permit decal shall record the user’s
permit number and name on the sales invoice if tax is not collected on the sale.

(b) Except as provided in subsection (c), if a motor vehicle that is authorized to operate under a special LP-gas user permit is destroyed, sold, traded, or otherwise disposed of before the end of a calendar year or if for any other reason the permit holder removes the decal from the vehicle, the permit holder shall immediately notify the director of taxation in writing of the nature of the vehicle transfer or the destruction of the decal. Failure to remove a permit decal from a vehicle that has been disposed of and to notify the director shall be grounds for cancellation of the authorization to operate on a mileage basis.

(c) If a permit holder sells a vehicle that is registered for LP-gas purposes to another permit holder or to a person who is applying for a permit, the purchaser may request the transfer of the permit, decal, and all other related rights and obligations to the purchaser. This transfer may be authorized by the director.

(d) If taxes have been paid in advance on a motor vehicle that is destroyed, sold, traded, otherwise disposed of, or converted from LP-gas use before the first of December in any year, the permit holder may apply for a refund of the taxes.

92-14-7. Special LP-gas permits. In determining if the taxes paid in advance by a special LP-gas permit user are wholly inadequate as provided by K.S.A. 79-3492c and amendments thereto, the taxes paid in advance by other permit holders on similar motor vehicles may be taken into consideration by the director of taxation. (Authorized by K.S.A. 79-34,102; implementing K.S.A. 79-3492c, effective, E-73-20, July 1, 1973; effective Jan. 1, 1974; amended March 29, 2002.)

92-14-8. License applications; bond requirements. (a) Each individual, partnership, and corporation that applies for a liquefied petroleum gas license shall post a bond equal to its three months’ average tax liability. New business-
business changes from operating as one kind of legal entity to another, including from a sole proprietorship to a corporation. Each nonresident contractor shall immediately report any change of name, address, or ownership to the secretary of revenue. (Authorized by K.S.A. 79-1014; implementing K.S.A. 79-1010; effective Jan. 1, 1968; amended March 29, 2002.)

92-15-4. Registration not assignable. The registration of a contract shall not be assigned or transferred to a different legal entity and shall be used only by the person, partnership, corporation, or other legal entity that the registration identifies as the person or entity that is performing the contract. Each assignment or transfer of the contract to a different legal entity, including to a successor entity that operates under the same business name, shall terminate registration of the contract and shall require the new entity to apply for a new registration and secure a new bond. (Authorized by K.S.A. 79-1014; implementing K.S.A. 79-1010; effective Jan. 1, 1968; amended March 29, 2002.)

92-15-6. Bond; time in effect. Each nonresident contractor's bond required under K.S.A. 79-1010, and amendments thereto, shall be the equivalent of an annual bond that covers only those contracts begun during the calendar year in which the bond is filed. This bond shall remain in effect until all contracts registered during the calendar year in which the bond was filed are fully performed and all taxes due under it are paid. (Authorized by K.S.A. 79-1014, 79-1010; effective Jan. 1, 1968; amended July 27, 2001.)

92-15-8. Bond; release. The bond required under K.S.A. 79-1008 et seq., and amendments thereto, shall be released only after the contract or contracts secured by the bond are fully performed and the secretary of revenue has received the following written releases: (a) A certification from the secretary of human resources that all contributions and interest due from the nonresident contractor under the employment security law have been paid; and
(b) a certification from the county treasurer of each county where the nonresident contractor performed the contract or contracts under the bond, that all taxes accruing because of the performance of the contract or contracts have been paid, or that no taxes are due. (Authorized by K.S.A. 79-1014; implementing K.S.A. 79-1010; effective Jan. 1, 1968; amended March 29, 2002.)

Article 16.—INTANGIBLES TAX

Article 17.—TOBACCO PRODUCTS

92-17-1. Terms; distributor, retailer. (a) (1) Each person engaged in the business of selling tobacco products in this state who brings or causes to be brought into this state from without the state any tobacco products for sale shall be deemed a distributor unless that person is a retailer who has purchased tobacco products on a tax-paid basis from a licensed distributor.

(2) Each person who has one or more retail outlets and who brings or causes to be brought into this state from without the state tobacco products for sale by one of the retail outlets shall be deemed a distributor; however, the retail outlet from which the tobacco products are sold to the ultimate consumer shall be a retailer.

(b) Each person within the state, including a retailer, who purchases tobacco products upon which the tax has been unpaid from sources out of the state and brings those products into the state for resale shall be required to purchase a distributor's license and shall be responsible for the tax due on the products. (Authorized by K.S.A. 79-3326; implementing K.S.A. 79-3373; effective, E-74-37, July 2, 1974; effective May 1, 1975; amended March 22, 2002.)

92-17-2. Imposition of tax. (a) The tax imposed by the cigarette and tobacco products law shall be paid by the distributor who first performs any of the following:

(1) Brings or causes to be brought into this state from outside the state tobacco products for sale;
(2) makes, manufactures, or fabricates tobacco products in this state for sale in this state; or
(3) ships or transports tobacco products to retailers in this state to be sold by those retailers.

(b) Liability for the tax shall accrue at the time tobacco products are first brought into the state from outside the state for sale within the state. Each person causing tobacco products to be brought into this state upon which the tax has been unpaid shall be responsible for the payment of the tax on those products.

(c) A transfer from one distributor to another shall not relieve the distributor who first brought or caused the tobacco products to be brought into this state from the tax liability. Therefore, a tax credit shall not be taken on tobacco tax returns for any transfers made within this state. (Authorized by K.S.A. 79-3326; implementing K.S.A. 79-3371; effective, E-74-37, July 2, 1974; effective May 1, 1975; amended March 22, 2002.)

92-17-3. Applications; forms. Each person required by the cigarette and tobacco products act to be licensed as a distributor shall make
application for a license on a form furnished by the director.

All questions on the application shall be answered completely. Answers shall be printed legibly in ink or typed. The application shall be signed and acknowledged by the applicant or an officer of the applicant.

Each license shall be granted with the understanding that the license is a grant from the state to one particular individual, partnership, or corporation and is not transferable from one owner to another. If any member of a partnership dies, sells, or transfers the member's interest in the partnership, the license shall become null and void. (Authorized by K.S.A. 79-3326; implementing K.S.A. 79-3374, 79-3375; effective, E-74-37, July 2, 1974; effective May 1, 1975; amended March 22, 2002.)

92-17-4. Distributor's bond. Each application for a “tobacco products” distributor’s license shall be accompanied by a corporate surety bond submitted on forms prescribed by the director and issued by a surety licensed to do business in the state of Kansas. The bond shall list each place of business at which the distributor proposes to engage in business under the cigarette and tobacco products act. The minimum amount of the required bond shall be $1,000.00 for each place of business and shall be conditioned upon compliance with the provisions of K.S.A. 79-3301 et seq. and amendments thereto, and the payment of all taxes, penalties, and accrued interest due the state of Kansas. The bond shall be kept in effect during the entire period of the license. Whenever it is the opinion of the director that the bond is inadequate in amount to fully protect the state, an additional bond shall be required by the director in an amount that the director deems sufficient. (Authorized by K.S.A. 79-3326; implementing K.S.A. 79-3374; effective, E-74-37, July 2, 1974; effective May 1, 1975; amended March 22, 2002.)

92-17-5. Bond; cancellations. The surety on a bond furnished by a tobacco products distributor as required by the cigarette and tobacco products act shall be released and discharged from any liability to the state accruing on that bond after the expiration of 60 days from the date upon which the surety has submitted to the director a written request to be released and discharged, but this requirement shall not operate to relieve, release, or discharge the surety from any liability that has already accrued or that will accrue before the expiration of the 60-day period.

The tobacco products distributor who furnished the bond shall be promptly notified by the director upon receipt of the request. If the distributor, on or before the expiration of the 60-day period, fails to file with the director a new bond fully complying with the provisions of the tobacco products law, the license or licenses of the distributor shall be revoked and canceled by the director. (Authorized by K.S.A. 79-3326; implementing K.S.A. 79-3374, 79-3375; effective, E-74-37, July 2, 1974; effective May 1, 1975; amended March 22, 2002.)

92-17-6. Refund or credit of tax-exempt tobacco products. A Kansas tobacco products distributor may present a claim for refund of or claim for credit for the tobacco products tax paid on tobacco products sold to the United States government or an instrumentality of it that is exempt from the Kansas tobacco products tax on a form approved by the director.

Each Kansas tobacco products distributor shall present evidence acceptable to the director certifying that the sale of tobacco products for which a claim for refund or claim for credit is filed was made by the Kansas distributor to the United States government or an instrumentality of it that is exempt from the Kansas tobacco products tax.

Each distributor selling tobacco products to the United States government or an instrumentality of it that is exempt from the Kansas tobacco products tax shall submit a report to the division of taxation for refund or credit of tobacco products sold in the preceding calendar month. The report shall provide the sales slips in serial number order signed by the receiving officer. The sales slips shall designate the club, armed forces exchange, or other instrumentality of the United States government buying exempt tobacco products. (Authorized by K.S.A. 79-3326; implementing K.S.A. 79-3379; effective, E-74-37, July 2, 1974; effective May 1, 1975; amended March 22, 2002.)

Article 18.— SPECIAL FUEL TAX

Article 19.—KANSAS RETAILERS' SALES TAX

92-19-1b. Collection schedules for state and local sales tax. (a) Except as provided in K.S.A. 12-189a, and amendments thereto, Kansas retailers shall charge and collect sales tax on each taxable retail sale at a combined tax rate equal to the sum of the state tax rate established by K.S.A. 79-3603, and amendments thereto, plus any applicable local tax rate established under K.S.A. 12-187, and amendments thereto.

(b) Tax collection schedules for each of the combined sales tax rates shall be published by the department and given to retailers upon request.

(c) The state and local sales tax to be charged to a consumer shall be computed by multiplying the selling price by the applicable combined tax rate in effect. Each retailer using machine or computer billings shall use a straight percentage basis for calculating the tax on its billings. If the calculation of the sales tax to be charged results in a fraction of a cent, the tax liability shall be rounded up or down to the nearest whole cent. If the fraction is an even one-half cent, the liability shall be rounded to the next highest whole cent. No tax shall be charged to a consumer when the calculation of the tax to be charged totals less than one-half cent.

(d) The sales tax payable to the department by a retailer shall be the product of the applicable combined state and local tax rate multiplied by the retailer's taxable gross receipts, regardless of the amount that is collected from consumers by use of the authorized method for computing taxes.

92-19-2a. Registration certificates. (a)(1) Every person who is required to collect retailers' sales tax under the act shall secure a sales tax registration certificate from the department of revenue before engaging in business or opening a new place of business in this state. As used in this regulation, “sales tax registration certificate,” “registration certificate,” and “certificate” shall mean the document that evidences the registration with the department and is required by K.S.A. 79-3608, and amendments thereto.

(2) Each retailer, before making retail sales of tangible personal property or performing taxable services in this state, shall secure a sales tax registration certificate from the department of revenue. A certificate shall not be issued for any purpose other than to make retail sales of tangible personal property or to perform taxable services. A certificate shall be valid until the retailer ceases doing business or the certificate is canceled by the department. Certificates shall be issued and amended without charge.

(3) Failure to secure a certificate shall subject a retailer who engages in a taxable retail business to criminal or civil sanctions, or both. The failure to secure a certificate shall not relieve a retailer from either the obligation to properly collect, remit, and account for sales tax or the obligation to maintain complete records of all transactions in the manner required by law.

(4) Each retailer shall file a separate application and secure a separate certificate for each place of business. Any retailer that operates at more than one location under the same ownership may re-
(5)(A) Each retailer maintaining a public place of business in Kansas shall display the registration certificate in a conspicuous location so that the certificate can be readily seen and read by the public. If a retailer maintains more than one place of business, a certificate shall be displayed at each location.

(B) Each retailer who operates at a special event or at any other temporary location, including from a truck, wagon, portable stand, or other merchandising device, shall prominently display the certificate so that it can be readily seen and read by the public. Transient retailers who do not operate from such a merchandising device shall have their certificates in their possession and shall display them upon request.

(6) A certificate shall be valid only for use by the individual, partnership, corporation, or association in whose name it is issued and for the transaction of business at the place designated on the certificate. A certificate shall not be assigned or transferred. If there is a change in ownership or a change in the name or location of a business, the certificate shall no longer be valid. A new certificate shall be obtained, and the old certificate shall be returned to the department for cancellation whenever there is a change in ownership, business location, or name of a business.

(7) Each wholesaler, distributor, and manufacturer that makes retail sales, including sales to employees, shall secure a registration certificate and report these sales to the department. To simplify reporting, the wholesaler, distributor, or manufacturer may set up a retail division to report the retail sales. Transfers of inventory to the retail division for resale shall be exempt sales for resale, and the sales tax returns shall reflect only the sales made by the retail division to final consumers.

(b)(1) Each trustee, receiver, executor, administrator, and other fiduciary who by virtue of the appointment continues to operate, manage, control, or liquidate a retail business shall report and remit sales tax on the gross receipts received by the business and from liquidation of the business's inventory items. These reporting duties shall apply to each court-appointed fiduciary, whether appointed by a state or federal court.

(2) A certificate of a retail business that is being managed by a fiduciary that was valid at the time the fiduciary relationship was created shall continue to be valid to allow the fiduciary to conduct the business for a reasonable time before the transfer of ownership or to close out the business when probating an estate or liquidating the assets of the business.

(3) Each trustee, receiver, executor, administrator, and other fiduciary who engages in liquidating the inventory of a business that does not have an existing registration certificate under which to report sales tax shall secure a certificate and shall report tax on taxable receipts from sales of inventory items and taxable services.

(c) Only a business that is actively engaged in making retail sales or performing taxable services that are subject to Kansas sales tax may hold a registration certificate. A registration certificate may be cancelled by the director if during any prior consecutive 12-month period the certificate holder does not file a return or, if any returns are filed, does not report any taxable transactions. When a certificate is to be cancelled, the certificate holder shall be notified in writing of the director's intention to cancel the certificate and the date when the cancellation is final. The certificate shall be cancelled on the date set forth in the notice, unless the certificate holder objects in writing within 60 days from the date that the notice of intention to cancel is mailed. If a certificate holder objects to cancellation, a hearing shall be scheduled pursuant to the Kansas administrative procedures act to determine whether the certificate holder is actively engaged in a retail business.

(d)(1) Issuance of a sales tax registration certificate may be refused by the department, if the department ascertains any of the following:

A) The department has issued an unsatisfied tax warrant against a partner, business owner, corporate officer, or majority stockholder of the business that is applying for the certificate.

B) There is a pending department administrative action or legal proceeding against a partner, business owner, corporate officer, or majority stockholder of the business that is applying for the certificate.

C) The applicant is an agent or representative of a principal that is required to be registered and is responsible for filing sales tax returns, pursuant to K.S.A. 79-3604, and amendments thereto.

(2) If the department ascertains that a certificate was issued at a time when the certificate
could have been denied under paragraph (d) (1)(A), (B), or (C), the certificate may be cancelled by the department. When such a certificate is cancelled, the certificate holder shall be notified in writing of the director's intention to cancel the certificate and the date when the cancellation is final. The certificate shall be cancelled on the date specified in the notice, unless the certificate holder objects in writing within 60 days from the date that the notice of intention to cancel is mailed. If a certificate holder objects to cancellation, a hearing shall be scheduled by the secretary or designee pursuant to the Kansas administrative procedures act to determine whether there were adequate grounds under paragraph (d)(1)(A), (B), or (C) to refuse to issue the certificate. (Authorized by K.S.A. 2001 Supp. 79-3618; implementing K.S.A. 79-3607, 79-3608, K.S.A. 2001 Supp. 79-3615, and K.S.A. 79-3630; effective Aug. 23, 2002.)

92-19-3a. Credit sales, conditional sales, and other sales and service transactions that allow deferred payment. (a) For purposes of this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, and K.A.R. 92-19-55b, the following definitions shall apply:

(1) “Conditional sale” means a sales transaction made pursuant to a written agreement that is treated as a sale of goods for federal income tax purposes in which the buyer gains immediate possession or control of the goods but the seller or a financial institution retains title to or a security interest in the goods to ensure its future receipt of full payment before clear title is transferred to the buyer in possession or control of the goods. Conditional sale contracts include “financing leases.”

(2) “Credit charge” means interest, finance, and carrying charges from credit extended on the sale of goods or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the buyer.

(3) “Credit sale” means a sale of goods or services under an agreement that provides for the deferred payment of the purchase price. Credit sales shall include sales made under the following:

(A) An installment contract that transfers title and possession of the goods to the buyer at the time of purchase, but allows payment to be made in periodic installments; and

(B) a revolving credit contract that extends a line of credit to a buyer that allows purchases to be charged against the account and provides for periodic billing that requires payment of part of, and allows for payment of all of, the credit balance owed by the buyer.

(4) “Creditor” means an entity or person to whom money is owed.

(5) “Financial institution” means a bank, savings and loan, credit union, or other finance company licensed under the provisions of the Kansas uniform consumer credit code as specified in K.S.A. 79-3602, and amendments thereto, for isolated or occasional sales.

(6) “Financing lease” means a conditional-sale contract that is denominated a lease, but that is intended to finance a lessee's purchase of goods or its continued possession of goods under a sale-leaseback agreement. A lessor shall be presumed to have entered into a financing lease if the lessor accounts for the lease transaction as a financing agreement for federal income tax purposes. The term “capital lease” shall be considered synonymous with “financing lease.”

(7) “Goods” has the same meaning as “tangible personal property,” which is specified in K.S.A. 79-3602, and amendments thereto.

(8) “Invoice” means a paper or electronic bill of sale or similar dated document containing an itemized list of goods or services sold to the buyer that specifies the selling price of the goods or services and complies with the requirements of K.S.A. 79-3648 and amendments thereto, when an itemized charge is taxable.

(9) “Layaway sale” means a transaction in which property is set aside for future delivery to a customer who makes a deposit, agrees to pay the balance of the purchase price over a period of time, and, at the end of the payment period, receives the property. An order shall be deemed accepted for layaway by the seller when the seller removes the property from normal inventory or clearly identifies the property as sold to the purchaser.

(10) “Operating lease” has the meaning specified in K.A.R. 92-19-55b.

(11) “Purchase price” has the meaning of “sales or selling price” specified in K.S.A. 79-3602, and amendments thereto.

(12) “Rain check” means that the seller allows
a customer to purchase an item at a certain price at a later time because the particular item was out of stock.

(13) “Repossessed goods” means goods sold on credit that a retailer or other creditor reclaims as allowed by law after a buyer or debtor defaults on installment payments.

(14) “Returned goods” means goods that a buyer returns to a retailer upon the parties’ cancellation of the original sales contract when the retailer either credits or refunds the full selling price of the goods and associated sales tax to the buyer. Returned goods shall not include goods accepted in trade or barter, goods repossessed or recaptured by legal process, and goods secured pursuant to the consumer’s abandonment of the sales contract or other voluntary surrender.

(15) “Sales tax” or “tax” means Kansas retailers’ sales tax, Kansas retailers’ compensating use tax, and any local retailers’ sales or use tax that is levied in addition to the state tax.

(16) “Services” has the meaning specified in K.S.A. 79-3602, and amendments thereto.

(b) Nothing in this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, or K.A.R. 92-19-55b shall be construed as modifying any of the following:

(1) Any requirement of any Kansas certificate-of-title statute or supporting regulation;

(2) any provision of the retailers’ sales tax act that allows a retailer to discount the selling price of goods or services based on a trade-in, coupon, or other price reduction that is allowed by a retailer and taken by a buyer on a sale; or

(3) any requirement imposed on creditors or consumers by the Kansas uniform consumer credit code, K.S.A. 16a-1-101 et seq., and amendments thereto.

(c)(1) When a retailer makes credit sales, the retailer may report and pay tax to the department on the total cash and other payments the retailer receives during each reporting period or, if the retailer’s books and records are regularly kept on the accrual basis, on the total receipts accrued in its books and records during each reporting period. A retailer that has filed six or more sales tax returns using the same method of accounting that it uses for its federal income tax reporting shall be presumed to have knowingly elected to use that method of accounting for sales tax purposes and to have benefited from its election. Regardless of the reasons for electing to use one method of accounting, a retailer shall continue to use that method of accounting to report its credit and other retail sales unless the director of taxation authorizes the retailer in writing to change its method of accounting for all future sales tax returns or the internal revenue service directs or authorizes the retailer to change its method of accounting for federal income tax purposes.

(2) A retailer shall not be disqualified from reporting sales on a cash-receipts basis because it makes credit sales or has accounts receivable. However, when a retailer that reports credit sales on a cash-receipts basis sells, factors, assigns, or otherwise transfers an installment contract, account receivable, or similar instrument, sales tax shall become due on the total amount of the remaining payments and shall be reported on the return for the period in which the retailer is paid or credited for the contract or receivable.

(3) For the purposes of administering and enforcing the requirements of the Kansas retailers’ sales tax act for retailers that report tax based on the total receipts accrued during a reporting period, the date contained on the invoice given to the buyer shall be presumed to be the date the retailer recognizes the receipts in its books and records as earned.

(4) If a retailer finds that it is a hardship to report and remit sales tax in accordance with the requirements in this subsection, the retailer may apply in writing to the director of taxation for permission to start reporting its sales using a different accounting method. The retailer shall fully explain the reasons for the request, and the director may identify reasonable requirements that the retailer shall meet as a condition to allowing the retailer to change the method of accounting it uses to report sales tax.

(d)(1) Each retailer that accounts for its credit sales on the accrual basis shall bill the buyer the full amount of tax that is due on the purchase price of the goods or services sold on credit and shall source and report the sale as if it were a cash sale. The purchase price shall not be reduced by any expense that the retailer attributes to the sale or service and recovers from the buyer even when the retailer bills the expense as a separate line-item charge or on a separate invoice.

(2) When a credit sale is made, any credit charge that is paid by a buyer in addition to the purchase price of goods or services shall be deemed not to be part of the purchase price and shall not be subject to sales tax if both of the following conditions are met:

(A) The invoice, bill of sale, or similar document given to the buyer separately states the credit
charge and the selling price of the goods or services that were sold on credit.  

(B) The extension of credit was contracted for by the parties, provided for by standard industry custom or practice, or otherwise granted by the retailer, including by issuing an invoice that unilaterally informs the buyer that interest at a stated rate will be added each month to any outstanding credit balance.

(3) A retailer's charges for the extension of credit that meet the requirements of paragraph (d)(2) shall not be included in the retailer's report of gross receipts.

(4) A retailer that makes credit sales shall maintain records that separately show the selling price of the goods or services, the corresponding amount of sales tax charged, the customer's credit balance, and any interest, financing, or carrying charge that has been added to that balance.

(5) A retailer shall not collect sales tax on charges to customers for insufficient funds checks or closed-account checks. The receipts from these charges shall not be included in the retailer's report of gross receipts.

(6) This subsection shall not apply to the types of charges related to credit-card use that are specified in subsection (e).

(e)(1) If a retailer increases the selling price of goods or services for a buyer who uses a credit card to compensate for interchange fees or other charges that the credit-card company will later deduct from the payment it forwards to the retailer's account, these increases shall be considered to be part of the selling price of the goods or services and shall be subject to tax.

(2) Interchange fees and other charges that a credit-card company deducts from a participating retailer's account shall be deemed charges for the financial services that the credit-card company has rendered for the retailer and shall not be deducted from the retailer's report of gross receipts or otherwise used to reduce the amount of sales tax being reported.

(f)(1) A progress payment shall mean a payment made to a contractor as work progresses on a construction project that may be conditioned on the percentage of work completed, the stage of work completed, the costs incurred by the contractor, a payment schedule, or some other basis. Each contractor who issues a bill or statement for a progress payment for a period in which the contractor performed taxable labor services shall report sales tax on the taxable services as part of its gross receipts.

(2) If a contractor reports sales tax on the cash basis, it shall report the taxable labor services it performed during the period covered by a progress payment on the return it files for the sales-tax reporting period in which it receives the progress payment. If a contractor reports sales tax on the accrual basis, it shall report the taxable services it performed during the period covered by a progress-billing statement on the return it files for the sales-tax reporting period in which it recognizes the charges on its progress-billing statement in its books and records as earned.

(g)(1) Unless otherwise provided by statute, each retailer that makes a layaway sale shall report sales tax on the total selling price of the goods sold on layaway when the final payment is made and the goods are delivered to the buyer. The tax rate that is applied to a layaway sale shall be the rate that is in effect at the time of delivery. An exemption may be claimed on a layaway sale only if the exemption is in effect at the time of delivery. If an unpaid balance remains when the goods are delivered, the transaction shall be reported as a credit sale that is consummated when the goods are delivered to the buyer.

(2) Sales tax shall be applied to a purchase made under a rain check in the same way that the tax is applied to a purchase made under a layaway sale.

(h)(1) Each retailer shall collect and remit tax in accordance with this subsection on any taxable sales of goods the retailer makes under a financing lease agreement or other conditional sale, unless the lease or sale satisfies one of the requirements listed in paragraphs (i)(2)(A) through (C).

(2) When an accrual-basis retailer sells goods at retail and the sale is financed under a financing lease, the retailer shall collect and remit sales tax at the time of sale on the full selling price of the goods. Sales tax shall be collected and remitted in this manner even if the retailer transfers title to the goods to a financial institution and possession of the goods to the third-party lessee or if the retailer retains title to the goods and transfers possession to the lessee. Lease payments that a third-party lessee makes to a financial institution or retailer to discharge its loan-repayment obligations under a financing lease or other conditional sale shall not be subject to tax.

(3) A financial institution shall not claim a resale exemption for the purchase of goods that the financial institution is financing under a financing lease agreement.

(4) The transfer of title to the lessee upon
completion of the lease payments required under a financing lease agreement shall not be subject to tax.

(i)(1) A contract shall be treated as a financing lease regardless of whether the underlying transaction is characterized as a lease or rental under generally accepted accounting principles, the internal revenue code, the uniform commercial code, K.S.A. 84-1-101 et seq. and amendments thereto, or any other provision of federal, state, or local law, if the contract requires the lessee to possess or control the goods under a security agreement or deferred payment plan that requires the transfer of possession or control of the goods to the lessee under either of the following:

(A) A security agreement or deferred payment plan that requires the transfer of title to the lessee upon completion of the required payments; or

(B) an agreement that requires the transfer of title upon completion of the required installment payments plus the additional payment of an option price, and the option price does not exceed the greater of $100 or 1% of the total required payments.

(2) Unless paragraph (i)(1) requires a contract to be treated as a financing lease, a contract shall be treated as an operating lease and not as a financing lease if the contract meets one of the following requirements:

(A) Contains a provision that allows the lessor to claim federal income tax depreciation benefits for the leased goods;

(B) allows the lessee to terminate the agreement at any time by returning the goods and making all lease payments due to the date of return; or

(C) qualifies as a Kansas consumer lease-purchase agreement under K.S.A. 50-680 et seq., and amendments thereto.

(j)(1) A late payment charge or penalty billed to a customer shall be exempt under this regulation only if the late payment charge or penalty is imposed for nonpayment of a credit balance that is owed under the parties’ agreement for the extension of credit, a financing lease, or other conditional sale agreement.

(2) A late payment charge or penalty that is billed to a customer by a regulated utility, cable provider, telecommunications company, or other entity that operates under the authority granted by law or contract by a municipal, county, state, or federal governmental unit is not a credit charge imposed for the extension of credit and shall be subject to sales tax.

(1) For purposes of this regulation, “bad debt” shall mean any debt owed to or account receivable held by a retailer that can be claimed as a “wholly or partially worthless debt” deduction under 26 U.S.C. Section 166 that arose from the sale of goods or services upon which the retailer reported retailers’ sales or use tax in a prior reporting period; and

(2)(A) A retailer shall be eligible to claim a bad debt allowance if the retailer meets the following conditions:

(i) Was the original seller of the taxable goods or services;

(ii) charged and remitted the retailers’ sales or use tax on a sale that can be claimed as a worthless debt deduction under 26 U.S.C. Section 166; and

(iii) has written off the bad debt as worthless or uncollectible in its books and records.

(B) A certified service provider shall be eligible to claim a bad debt allowance on behalf of a retailer that meets the conditions in paragraph (a)(2)(A) if the provider meets the requirements in subsection (g).

(3) A claim for a bad debt allowance shall be considered to be filed with the department according to one of the following:

(A) On the due date of the return for the reporting period in which the bad debt is written off as uncollectible in the retailer’s books and records, when a deduction for the bad debt is taken on that return; or

(B) on the date that the retailer files a refund claim with the department, if part or all of a bad debt allowance is being claimed as a refund because the bad debt allowance was not taken as a deduction on the appropriate return or the deduction that was taken exceeded the amount of taxable gross receipts being reported on that return. The filing date for a refund claim provided by K.S.A. 79-3609, and amendments thereto, shall be the later of either the postmark date on the re-
fund request or the postmark date on the required supporting documentation.

(4) Each claim by a retailer for a deduction, credit, or refund based on a bad debt allowance shall be made in accordance with this regulation. K.A.R. 92-19-3c shall control the treatment of goods that are repossessed by a retailer after the retailer has taken a bad debt allowance on the underlying credit sale of goods defaulted on by the retailers’ customer.

(5) After a retailer sells, factors, assigns, or otherwise transfers an account receivable, installment contract, or other similar debt instrument for a discount of any kind that authorizes a third party to collect customer payments, the retailer shall not be eligible to claim a bad debt allowance, credit, or refund for bad debts that arise under an instrument that was sold or transferred at a discount. A third party that purchases or otherwise obtains a debt instrument from the retailer, and any person that subsequently purchases or otherwise obtains the debt instrument, shall not be eligible to claim a bad debt allowance, credit, or refund for an underlying credit sale of goods or services defaulted on by the retailer’s customer.

(b) Determining the amount of a bad debt allowance.

(1) The bad debt allowance that may be claimed for sales tax purposes shall be the difference between the federal worthless debt deduction calculated for the sale or account pursuant to 26 U.S.C. Section 166(b) and the applicable adjustments and exclusions to the federal worthless debt deduction specified in K.S.A. 79-3674 and amendments thereto.

(2) No anticipatory or statistical sampling method of estimating the amount of a sales-tax bad debt allowance shall be allowed except as specified in K.S.A. 79-3674(h) and amendments thereto.

(3) If a retailer maintains a reserve account for bad debts, only charges against the bad debt reserve that have been written off the retailer’s books and records may be claimed as a bad debt allowance.

(4) The amount of sales tax that is deducted, credited, or refunded under a bad debt allowance shall not exceed the difference between the tax that the retailer remitted to the department on a retail transaction and the tax that the retailer collected on the retail transaction.

(5) The amount of a bad debt allowance shall not include any finance charges, collection expenses, or repossession expenses that the retailer assigned to the consumer’s account.

(6) Whenever the sales tax rate that was in effect at the time and place of the original sale is changed pursuant to a statutory rate change or the enactment or repeal of a local tax, the amount of the bad debt allowance shall be adjusted to account for the rate change before the bad debt allowance is claimed.

(7) In the absence of adequate records showing the contrary, it shall be presumed that the interest rate for financing charges that the retailer billed to a customer’s delinquent account is the maximum rate of interest that the retailer charged on the same type of delinquent account during the same period that gave rise to the bad debt.

(8) No interest shall be paid by the department on any sales-tax bad debt deduction taken on a retailer’s tax return. Interest on a refund claim filed to recover part or all of a bad debt allowance shall be computed as provided in subsection (e).

(c) How to claim a bad debt allowance.

(1) A retailer that is required to file federal income tax returns shall claim a bad debt allowance as a deduction from the taxable gross receipts being reported on the return the retailer files for the reporting period in which the bad debt is charged off its books and records as uncollectible.

(B) A retailer that is not required to file federal income tax returns, including a church or other nonprofit entity, shall claim a bad debt allowance as a deduction from taxable gross receipts during the reporting period in which the bad debt is charged off its books and records, if the allowance would otherwise qualify for a worthless debt deduction under 26 U.S.C. Section 166 if the retailer were required to file federal income tax returns.

(2) If a retailer fails to timely claim a bad debt deduction on the return identified in paragraph (c)(1) or if a bad debt allowance exceeds the taxable gross receipts being reported on that return, the retailer shall file a refund request pursuant to K.S.A. 79-3609, and amendments thereto, to recover the bad debt allowance or the balance of the allowance. The retailer shall not claim a bad debt allowance as a deduction so that a negative balance is reported on a return, as a deduction on an amended return filed for an earlier reporting period, or as a deduction on a return filed for a later period.

(3) A refund request that is filed to recover a bad debt allowance shall not include any other type of refund claim. The supporting documentation shall clearly state that the refund request is based on a
claim for a bad debt allowance and shall identify the sales tax reporting period in which the worthless debt deduction could have first been claimed for federal income tax purposes.

(4) A refund claim based on a bad debt allowance shall be denied if the due date of the return for the reporting period in which the retailer first became eligible to write off the worthless debt for federal income tax purposes is outside the limitation period specified in K.S.A. 79-3609, and amendments thereto, for filing refund claims.

(d) Substantiating documentation.

(1) The burden of establishing the right to and the validity of a sales-tax bad debt allowance shall be on the retailer. In order to verify each sales-tax bad debt allowance being claimed, the retailer shall retain records that show the following:

(A) The date when the retailer first became eligible to write off the worthless debt in the books and records that it maintains for federal income tax purposes;

(B) the amount of the worthless debt that was written off for federal income tax purposes and the amount of the worthless debt that is being claimed for Kansas sales tax purposes;

(C) any computations or adjustments made by the retailer to its federal worthless debt deduction to arrive at the bad debt allowance being claimed for Kansas sales tax purposes;

(D) any portion of the debt or worthless account that represents customer charges that were not taxed; and

(E) the amount of interest, finance charges, service charges, collection, and repossession costs that the retailer assigned to the debt or worthless account.

(2) The information specified in paragraphs (d)(1)(A) through (d)(1)(E) may be requested by the department at any time to substantiate a retailer's bad debt allowance claim.

(3) Any retailer that qualifies to claim a sales-tax bad debt allowance and whose volume and character of uncollectible or worthless accounts warrant an alternative method of substantiating the allowance may apply in writing to the director of taxation and ask to be allowed to maintain records other than those specified in this subsection. The retailer shall explain the reasons for the request, and the director may identify reasonable requirements that the retailer must meet as a condition to allowing the retailer to maintain records other than those specified in this subsection.

(e) A bad debt allowance submitted as a refund request. If a retailer claims a bad debt allowance by filing a refund request in accordance with paragraphs (c)(2) through (c)(4), the request shall be treated as the retailer's application for a refund. If a refund request based on a bad debt allowance is approved, either a credit memorandum or a refund payment may be issued by the department to the retailer for the approved amount. The amount credited or refunded shall not include interest, unless a credit memorandum or refund payment is not issued within the time provided for refunds by K.S.A. 79-3609, and amendments thereto. If a credit memo or refund payment is issued after the time provided for refunds, interest shall be computed from the later of either the filing date of the refund request or the filing date of the supporting documentation required by K.S.A. 79-3693, and amendments thereto.

(f) Recovery of allowances previously taken. If a retailer collects payment for goods or services or repossesses goods that were the basis of a bad debt allowance, the retailer shall apply the payment first proportionally to the selling price of the goods or services and the corresponding sales tax that remains unpaid and then to any other charges that are owed on the customer's account, including interest, service charges, and collection costs billed to the customer. The retailer shall report the payment amount that is apportioned to the selling price of the taxable goods or services as part of its taxable gross receipts for the period in which the payment is received.

(g) Certified service providers.

(1) If a retailer's filing responsibilities have been assumed by a certified service provider, the certified service provider may claim, on the retailer's behalf, any bad debt allowance that the retailer could claim under this regulation. The certified service provider shall provide a credit or issue a refund to the retailer for the full amount of any bad debt allowance that the provider recovers. No person other than the retailer who reported the taxable transaction and reported tax to the department, or a retailer's certified service provider, shall be entitled to claim a bad debt allowance that is based on a worthless debt or uncollectible account.

(2) If the books and records of the retailer or certified service provider claiming a sales-tax bad debt allowance support an allocation of the sales-tax bad debts among the member states on a particular customer's uncollectible account, the allocation shall be allowed pursuant to K.S.A. 79-3674, and amendments thereto. (Authorized by
92-19-3c. Repossessed goods. (a) Each retailer that repossesses goods that were the basis of a bad debt allowance under K.A.R. 92-19-3b, and each financial institution that repossesses goods, shall account for the repossessed goods in accordance with this regulation.

(b) The recovery of goods being repossessed and the transfer of title to the goods from the debtor to the retailer or financial institution are not retail sales and shall not be taxed.

(c) When repossessed goods are resold by a retailer at retail, the receipts from the sale shall be reported as part of the retailer’s gross receipts. When repossessed goods are resold by a retailer as a sale for resale, a retailer that previously claimed a bad debt allowance on the goods shall account for the receipts as an allowance recovery in accordance with K.A.R. 92-19-3b(f).

(d) When goods are repossessed by a financial institution, the resale of the goods by the financial institution and the transfer of title to the buyer shall be treated as nontaxable isolated or occasional sales.

(e) When a debtor satisfies the underlying debt after goods are repossessed, the return of goods and the transfer of title to the goods to the debtor are not retail sales and shall not be taxed. A retailer that previously claimed a bad debt allowance on the goods shall report the taxable gross receipts that are included in the payment from the debtor in accordance with K.A.R. 92-19-3b(f).

92-19-4b. Recordkeeping requirements. (a) Purpose. Each taxpayer shall maintain the books, records, and other information required to be maintained by the Kansas retailers’ sales tax act in accordance with this regulation.

(b) Definitions. For purposes of this regulation, these terms shall be defined as follows:

(1) “Database management system” means a software system that controls, relates, retrieves, and provides accessibility to data stored in a database.

(2) “Director” means the director of taxation of the department of revenue or the director’s designee.

(3) “Electronic data interchange” or “EDI technology” means the computer-to-computer exchange of business transactions in a standardized, structured electronic format.

(4) “Hard copy” means any documents, records, reports, or other data printed on paper.

(5) “Machine-sensible record” means a collection of related information in an electronic format. This term shall not include hard-copy records that are created or recorded on paper or stored in or by an imaging system, including microfilm, microfiche, and storage-only imaging systems.

(6) “Storage-only imaging system” means a system of computer hardware and software that provides for the storage, retention, and retrieval of documents originally created on paper. This term shall not include any system, or part of a system, that manipulates or processes any information or data contained on the document in any manner other than to reproduce the document in hard copy or as an optical image.

(7) “Taxpayer” means any person who is obligated to account to the director of taxation for taxes collected or accrued under the Kansas retailers’ sales tax act.

(c) Recordkeeping requirements; general.

(1) Each taxpayer shall maintain all records that are necessary to determine the correct tax liability under Kansas sales and compensating tax acts. All required records shall be made available on request by the director as provided for in K.S.A. 79-3609, and amendments thereto. These records shall include the following:
(A) Invoices;
(B) bills of lading;
(C) sales records;
(D) copies of bills of sale;
(E) exemption certificates;
(F) a true and complete inventory taken at least once a year; and
(G) all other pertinent documents that establish gross receipts from sales, as well as any deductions allowed by law or claimed on returns.

(2) If a taxpayer retains records that are required to be retained under this regulation in both machine-sensible and hard-copy formats, that individual shall make the records available to the director in machine-sensible format upon request of the director.

(3) Nothing in this regulation shall be construed to prohibit any taxpayer from demonstrating tax compliance with traditional hard-copy documents or reproductions of them, in whole or in part, whether or not the taxpayer also has retained or has the capability to retain records using electronic or other storage media in accordance with this regulation. However, this subsection shall not relieve the taxpayer of the obligation to comply with paragraph (c)(2).

(d) Recordkeeping requirements: machine-sensible records.

(1) General requirements.

(A) Machine-sensible records used to establish tax compliance shall contain sufficient transaction-level detail information so that the details underlying the machine-sensible records can be identified and made available to the director upon request. Any taxpayer may discard duplicated records and redundant information if the taxpayer's responsibilities under this regulation are met.

(B) At the time of an examination, the retained records shall be capable of being retrieved and converted to a standard record format.

(C) Taxpayers shall not be required to construct machine-sensible records other than those created in the ordinary course of business. A taxpayer who does not create the electronic equivalent of a traditional paper document in the ordinary course of business shall not be required to construct the record in an electronic format for tax purposes.

(2) Electronic data interchange requirements.

(A) If a taxpayer uses electronic data interchange processes and technology, the level of record detail, in combination with other records related to the transactions, shall be equivalent to that contained in an acceptable paper record. The retained records shall contain the following information:

(i) The vendor name;
(ii) the invoice date;
(iii) a product description;
(iv) the quantity purchased;
(v) the price;
(vi) the amount of tax;
(vii) an indication of tax status;
(viii) the shipping detail; and
(ix) any other information required by the secretary.

Codes may be used to identify some or all of the data elements, if the taxpayer provides a method that allows the director to interpret the coded information.

(B) The taxpayer may capture the information necessary to satisfy the requirements of paragraph (d)(2)(A) at any level within the accounting system and shall not be required to retain the original EDI transaction records if the audit trail, authenticity, and integrity of the retained records can be established.

(3) Electronic data processing systems requirements. The requirements for an electronic data processing accounting system shall be similar to those for a manual accounting system, in that an adequately designed accounting system shall incorporate methods and records that will satisfy the requirements of this regulation.

(4) Business process information.

(A) Upon the request of the director, the taxpayer shall provide a description of the business process that created the retained records. This description shall include the relationship between the records and the tax documents prepared by the taxpayer, and the measures employed to ensure the integrity of the records.

(B) Each taxpayer shall be capable of demonstrating the following:

(i) The functions being performed as they relate to the flow of data through the system;
(ii) the internal controls used to ensure accurate and reliable processing; and
(iii) the internal controls used to prevent the unauthorized addition, alteration, or deletion of retained records.

(C) The following documentation shall be required for machine-sensible records retained as specified in this regulation:

(i) Record formats or layouts;
(ii) field definitions, including the meaning of all codes used to represent information;
(iii) file descriptions, including the data set name; and
(iv) detailed charts of accounts and account descriptions.
(e) Records maintenance requirements.
(1) The taxpayer shall adequately catalog and preserve electronic and other retained machine-sensible records.
(2) The taxpayer’s computer hardware or software shall accommodate the extraction and conversion of retained machine-sensible records.
(f) Access to machine-sensible records.
(1) The manner in which the director is provided access to machine-sensible records as required in paragraph (c)(2) may be satisfied through a variety of means, each of which shall take into account the taxpayer’s facts and circumstances through consultation with the taxpayer.
(2) The access shall be provided in one or more of the following manners:
(A) The taxpayer may arrange to provide the director with the hardware, software, and personnel resources to access the machine-sensible records.
(B) The taxpayer may arrange for a third party to provide the hardware, software, and personnel resources necessary to access the machine-sensible records.
(C) The taxpayer may convert the machine-sensible records to a standard record format specified by the director, including copies of files, on a magnetic medium that is approved by the director.
(D) Other means of providing access to the machine-sensible records may be agreed upon by the taxpayer and director.
(g) Taxpayer responsibility and discretionary authority.
(1) In conjunction with meeting the requirements of subsection (d), a taxpayer may create files solely for the use of the director, including a file that contains the transaction-level detail from the data base management system and that meets the requirements of subsection (d). The taxpayer shall document the process that created any separate file to show the relationship between that file and the original records.
(2) Any taxpayer may contract with a third party to provide custodial or management services of the records. A third-party contract shall not relieve the taxpayer of the taxpayer’s responsibilities under this regulation.
(h) Alternative storage media.
(1) For purposes of storage and retention, taxpayers may convert hard-copy documents received or produced in the normal course of business and required to be retained under this regulation to microfilm, microfiche, or other storage-only imaging systems and may discard the original hard-copy documents, if the conditions of this subsection are met. Documents that may be stored on these media shall include the following:
(A) General books of account;
(B) journals;
(C) voucher registers;
(D) general and subsidiary ledgers; and
(E) supporting records of details, including sales invoices, purchase invoices, exemption certificates, and credit memoranda.
(2) Microfilm, microfiche, and other storage-only imaging systems shall meet the following requirements:
(A) The taxpayer shall maintain, and make available on request, documentation establishing the procedures for converting the hard-copy documents to microfilm, microfiche, or other storage-only imaging system. The documentation shall contain, at a minimum, a description sufficient to allow an original document to be followed through the conversion system as well as internal procedures established for inspection and quality assurance.
(B) The taxpayer shall establish procedures for the effective identification, processing, storage, and preservation of the stored documents and for making them available for the period they are required to be retained under subsection (j).
(C) Upon request by the director, the taxpayer shall provide facilities and equipment for reading, locating, and reproducing any documents maintained on microfilm, microfiche, or other storage-only imaging system.
(D) When displayed on equipment or reproduced on paper, the documents shall exhibit a high degree of legibility and readability. For this purpose, “legibility” means the quality of a letter or numeral that enables the observer to identify it positively and quickly to the exclusion of all other letters or numerals. “Readability” means the quality of a group of letters or numerals being recognizable as words or complete numbers.
(E) All data stored on microfilm, microfiche, and other storage-only imaging systems shall be maintained and arranged in a manner that permits the location of any particular record.
(F) There shall be no substantial evidence that the microfilm, microfiche, or other storage-only imaging system lacks authenticity or integrity.
(i) Effect on hard-copy recordkeeping requirements.

(1) Except as otherwise provided in this regulation, the provisions of this regulation shall not relieve taxpayers of the responsibility to retain hard-copy records that are created or received in the ordinary course of business as required by existing law and regulations. Hard-copy records may be retained using a recordkeeping medium as specified in subsection (h).

(2) If hard-copy records are not produced or received in the ordinary course of transacting business, including when electronic data interchange technology is used, hard-copy records shall not be required to be produced simply for the purpose of maintaining hard-copy records.

(3) The taxpayer shall retain hard-copy records generated at the time of a transaction using a credit or debit card, unless all the details necessary to determine correct tax liability relating to the transaction are subsequently received and retained by the taxpayer in accordance with this regulation. These details shall include those listed in paragraph (d)(2)(A).

(4) Computer printouts that are created for validation, control, or other temporary purposes shall not be required to be retained.

(5) Nothing in this regulation shall prevent the director from requesting hard-copy printouts in lieu of retained machine-sensible records at the time of examination.

(j) Record retention: time period. All records required to be retained under this regulation shall be preserved pursuant to K.S.A. 79-3609 and amendments thereto, unless the director has advised the taxpayer in writing that the records are no longer required. (Authorized by K.S.A. 2000 Supp. 79-3618 and K.S.A. 79-3707; implementing K.S.A. 2000 Supp. 79-3609, K.S.A. 79-3702, and K.S.A. 2000 Supp. 79-3706; effective July 27, 2001.)

92-19-5a. Extension of time for filing a return. (a) Each request for an extension of time in which to file a return shall be submitted in writing and shall contain the taxpayer’s business name and account number. The request shall be received by the department on or before the due date of the return. If granted, the extension shall extend the time for filing a return but shall not extend the time for payment of the tax that is due.

The taxpayer shall estimate the tax due for the filing period and remit that estimated tax with the extension request. If an extension request is received on or before the return’s original due date, any tax that remains unpaid after the original due date shall accrue interest, but not penalty, from the original due date.

(b)(1) Each request for an extension of time to file a return that is received after the original filing due date shall be treated as a request for a waiver of penalty. Each late request for extension or a request for penalty waiver shall be submitted in writing and shall contain the taxpayer’s business name, account number, and the applicant’s signature. The request shall state the reasons for the request and provide a definite date when the return will be filed and the tax due will be paid. An extension and waiver shall be granted upon proper showing of good cause as specified in subsection (c).

(2) If granted, the extension shall extend the time for filing a return but shall not extend the time for payment of the tax that is due. A taxpayer seeking an extension or penalty waiver after the normal due date shall estimate the tax due for the period or periods in question and remit the estimated amount. If an extension is granted, any tax that remains unpaid after the original due date shall accrue interest, but not penalty, from the original due date.

(c)(1) “Good cause” may include any of the following:

(A) The death or a disabling injury or illness of the taxpayer, a member of the taxpayer’s immediate family, or a person upon whom the taxpayer has routinely relied for the preparation of returns;

(B) the prolonged, unavoidable absence of the taxpayer or a person upon whom the taxpayer routinely relied to prepare the returns and the taxpayer’s preclusion from making alternative arrangements for the timely filing or payment, due to circumstances beyond the taxpayer’s control;

(C) the destruction by fire or other means of the taxpayer’s place of business or records;

(D) the embezzlement or fraud of an employee or agent; or

(E) the breakdown or malfunction of a computer that is essential to the preparation of the taxpayer’s returns.

(2) Good cause shall be presumed to exist if the department’s records indicate that, except for
the delinquency in question, the taxpayer’s sales tax account is current and paid in full and the taxpayer has not filed a delinquent return or made a delinquent payment during the 36 months that immediately precede the delinquency.

(d) A taxpayer may request a permanent extension of time to file returns. This extension shall be for not more than 60 days for each future filing period. As a condition for obtaining a permanent extension of time, the taxpayer shall file a cash or surety bond or shall open an escrow account in accordance with K.A.R. 92-19-35a(d). This security requirement shall continue in effect until the permanent extension is terminated by the taxpayer or the director. A taxpayer who is granted a permanent extension of time to file returns shall remit the tax or the estimated tax that is due on or before the original due date. If a payment of tax is received on or before the original due date, any tax that remains unpaid after the original due date shall accrue interest, but not penalty, from the original due date. (Authorized by K.S.A. 2001 Supp. 79-3618, 79-3619; implementing K.S.A. 2001 Supp. 79-3602, 79-3603, as amended by L. 2002, ch. 185, sec. 6, K.S.A. 79-3607, K.S.A. 2001 Supp. 79-3615, 79-3619; effective Dec. 13, 2002.)

92-19-6a. Retailer’s duties when a retail business moves, ceases operation, or changes its name, ownership, or form of ownership.

(a) If a retailer ceases to do business or if a change of ownership occurs through the sale of a business or through a change in the legal form of business ownership, the retailer shall notify the department of the date of the last day of business operation or the date of the change of ownership. The retailer shall return its certificate for cancellation, remit all taxes, and file its final return during the month that follows the sale or the change of ownership of the business. The retailer shall preserve its business records for three years from the end of the calendar year or fiscal year, whichever is later, in which the retailer files its final return.

(b) When there is a sale or other change of ownership of a business, the entity acquiring ownership shall secure a certificate in its name before beginning business as the new owner.

(c) Each retailer shall promptly notify the department of any change in location, mailing address, business name, or trade name. Upon receipt of this notification, the retailer shall be issued an amended certificate by the department, or the old certificate shall be canceled and the retailer shall be issued a new certificate by the department.

(d)(1) For purposes of sales tax registration, a change in ownership of a business shall be deemed to occur when a business is sold or when a business changes its legal form of ownership from a sole proprietorship, partnership, corporation, or other legal form to another form of ownership. A change in ownership of a general partnership shall include the withdrawal, substitution, or addition of one or more general partners if the general partnership continues as a business organization and the change in the number of partners is equal to or greater than 50 percent.

(2) For purposes of sales tax registration, a change in ownership shall be deemed not to occur when there is a sale of all or part of the common stock in a corporation. A change in ownership of a limited partnership shall be deemed not to occur if the limited partnership continues as a business organization and either of the following occurs:

(A) A withdrawal, substitution, or addition of one or more limited partners in a partnership; or

(B) a withdrawal, substitution, or addition of one or more general partners if the number of general partners being changed is less than 50 percent.

(3) When control of a corporation is transferred to a different corporation or owner, or when new corporate officers are added or replaced, the corporation shall notify the department of the changes although no new sales tax certificate shall be required. When the change in the number of general partners is less than 50 percent, the partnership shall notify the department of the changes although no new sales tax certificate shall be required.

(4) Partners and officers who leave a business may, in their individual capacity, notify the department of the change to avoid possible claims of personal liability being made against them for reporting periods that occur after they have left the business. (Authorized by K.S.A. 2001 Supp. 79-3618; implementing K.S.A. 79-3608; effective Aug. 23, 2002.)

92-19-7. Leased departments. Where a person engaged in the business of selling tangible personal property or taxable services has leased
certain parts of the premises wherein that business is conducted by other persons for use in selling tangible personal property or services, each such lessee shall make a separate return to the state, provided that the lessee keeps separate books of account and makes his own collections on account of the sales. If the lessor keeps the books for the lessee, the lessor must render a consolidated return, including therein the gross receipts from the operations of the business conducted by the lessee. (Authorized by K.S.A. 79-3608, 79-3618, K.S.A. 1971 Supp. 79-3602, 79-3603; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972.)

92-19-11. Property purchased for resale, but used by purchaser. If a wholesaler or retailer takes tangible personal property from a stock of goods to use for personal consumption or gifts, he shall enter on his books the amount of the cost of all tangible personal property so removed from stock for the ultimate consumer, shall pay the tax thereon. (Authorized by K.S.A. 79-3618, K.S.A. 1971 Supp. 79-3602, 79-3603; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972.)

92-19-12. Newspapers, magazines, periodicals, trade journals, publications and other printed matter. (a) Newspapers, magazines, periodicals, trade journals, publications and other printed matter are tangible personal property and the receipts from the retail sale of these items are taxable. (b) When subscriptions for newspapers, magazines, periodicals, trade journals, publications and other printed matter are taken within the state of Kansas, sent to a printer or publishing house outside Kansas and the publication is thereafter mailed to the subscriber within Kansas, the receipts from the subscriptions are taxable. (c) When newspapers, trade publications, advertising pamphlets, circulars and other publications, are distributed free of charge, the person printing or publishing the publication for sale to the distributor is deemed to be the seller thereof and must collect the tax. (d) Each person who prints or produces and distributes publications, free of charge, is regarded as the final user or consumer of all materials used to print or produce the publication. For tax purposes, the printer or publisher shall pay sales tax on all purchases of materials used to print or produce the publication. If a person prints or publishes tangible personal property for sale to consumers, and also prints or publishes publications which are distributed free of charge, a person may purchase all materials used in the printing and publishing process exempt from sales tax. When a person prints or publishes the publication for distribution free of charge, that person shall include the cost of all exempt materials purchased for use in printing or producing that publication on the sales tax return and impose sales tax on that amount. (Authorized by K.S.A. 79-3618, K.S.A. 1986 Supp. 79-3602, 79-3603 as amended by L. 1987, Ch. 182, Sec. 108, 79-3606, as amended by L. 1987, Ch. 64, Sec. 1; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1988.)

92-19-13a. Florists. (a) For purposes of this regulation, “florist” means someone who is engaged in the business of selling flowers, potted plants, nursery stock, bouquets, wreaths, and other similar items at retail. Each florist shall collect sales tax on its sales of tangible personal property and on its charges for creating and fabricating
flower and ornamental plant arrangements. A florist’s delivery charges, whether or not separately stated, shall be included in the selling price that is subject to sales tax.

(b) In accordance with K.S.A. 79-3619, and amendments thereto, each retailer shall comply with the following special rules when sales are made through a floral telegraphic delivery association or a similar florist association or organization.

(1) Sales tax shall be collected on orders taken by a Kansas florist to be telegraphed to a second florist, whether the delivery is to be made within or without the state. Any handling charges in connection with these sales shall be included in the selling price that is subject to sales tax.

(2) A Kansas florist making deliveries pursuant to a telegraph order received from another florist shall not collect the tax, whether the florist forwarding the order is located within or without the state of Kansas.

For purposes of this subsection, “telegraph” means telegraph, telephone, or any other electronic means of long distance communication used by a florist organization. (Authorized by K.S.A. 79-3618, 79-3619; implementing K.S.A. 79-3603, K.S.A. 79-3619; effective June 26, 1998.)

92-19-15. Undertakers and funeral directors. Each funeral director who charges a lump sum for a funeral service that covers the total funeral charge, including services and tangible personal property, is required to collect, report, and remit sales tax on 50% of the entire amount charged for each funeral including embalming, casket, and usual services. When a funeral director charges separately for the sale of tangible personal property and for required services, the sales tax shall be collected only on an amount equal to the retail sales price of the tangible personal property if charges for tangible personal property are segregated from those for services rendered on the invoice furnished to the purchaser.

Cash advanced by the funeral director for the purchase of a cemetery lot or grave, associated cemetery expenses, remuneration to the minister and choir, use of the church, and press notices shall not be subject to sales tax.

Each funeral director shall collect and remit four percent on the full retail price of the sale of vaults, clothing, flowers and other special merchandise. Sales of hearses, furniture, instruments, and other equipment to a funeral director are taxable.

Each funeral director shall not collect and remit sales tax on a charge for embalming services when the services are not a part of a regular funeral service. Sales to a funeral director of embalming fluid and other material used in an embalming service are taxable.

When articles of personal property are ordered by the family from a merchant to be delivered to the funeral home, the merchant actually making the sale shall collect and remit the sales tax.

When bodies are shipped or delivered from one funeral director to another within the state of Kansas, the funeral director furnishing the merchandise shall collect and remit the sales tax.

When burial vaults or other items of personal property are sold in Kansas for ship-in cases, tax shall be charged and collected on the actual selling price of the merchandise.

Sales tax shall not be charged when the state of Kansas or another political subdivision pays for a burial. (Authorized by K.S.A. 79-3618, implementing K.S.A. 1985 Supp. 79-3602, 79-3603 as amended by L. 1986, Ch. 386, Sec. 1; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987.)

92-19-16a. Gifts, premiums, prizes, coupons, and rebates. (a) Each sale of tangible personal property shall be taxable if made to a person who will use the property as a prize or premium or who will give the property away as a gift. Donors of articles of tangible personal property shall be regarded as the users or consumers of the property. If a retailer donates property that was originally acquired for resale, the retailer shall accrue tax on the cost it paid for the property when the retailer files its next sales tax return, unless the retailer donates the property to an entity that is exempt from taxation on its purchases under K.S.A. 79-3606, and amendments thereto, or has provided the retailer with a resale exemption certificate.
(b) If a retailer making a retail sale that is subject to tax gives a premium or prize along with the item being sold, the transaction shall be regarded as the sale of both items to the purchaser if delivery of the premium or prize does not depend on chance.

(c) If the award of a premium or prize by a retailer depends on chance, the retailer’s acquisition of the premium or prize shall be subject to sales tax. The retailer shall pay the tax at the time of acquisition of the premium or prize or, if the item is removed from resale inventory, shall accrue tax on the item's cost on its sales tax return.

(d) If a retailer accepts a coupon for a taxable product and will later be reimbursed by a manufacturer or other party for the reduction in selling price, the total sales value, including the coupon amount, shall be subject to sales tax. If a retailer accepts a coupon and will not be reimbursed for the reduction in selling price, the reduction shall be considered a discount, and the taxable amount shall be the net amount paid by the customer after deducting the value of the coupon. If a retailer enhances the value of a manufacturer's coupon, the amount of the unreimbursed enhancement shall be treated as a discount that is not subject to sales tax.

(e) For purposes of this regulation, “rebate” shall mean a return of part of the amount paid for a product after the time of sale, which is commonly obtained by sending proof of purchase to the manufacturer. Like manufacturers’ coupons, a manufacturer’s rebate is a form of payment. Therefore, even if a manufacturer's rebate is assigned to a retailer at the time of sale, the rebate shall not reduce the amount that is subject to sales tax.

(f) Sales of gift certificates, meal cards, or other forms of credit that can be redeemed by the holder for the equivalent cash value shall not be subject to tax when sold. If the certificate or other form of credit is used as a cash equivalent to purchase taxable goods or services, the retailer who redeems the certificate or other form of credit shall charge sales tax on the selling price of the goods or services, which shall not be reduced by the amount of the certificate or other credit being redeemed.

(g) Sales of coupon books and similar materials that entitle the holder to a discount or other price advantage on the purchase of goods or services shall be presumed to have value in addition to the coupons or discounts contained in them and shall be taxable as sales of tangible personal property, except when the sale of this type of book is by a nonprofit organization that treats the receipts from the sales as a donation. If a coupon is redeemed from a coupon book or other material sold at retail, the retailer who redeems the coupon shall charge sales tax in accordance with the requirements for sales made with coupons that are specified in subsection (d).

(h) If a nonprofit organization treats receipts from the providing of coupon books and similar materials as donations, the nonprofit organization shall be liable for paying sales tax when it purchases the coupon books or other materials that are provided to a donor when a donation is made, unless the organization is otherwise exempted from paying tax on its purchases. If a coupon is redeemed, the retailer who redeems the coupon shall charge sales tax in accordance with the requirements for sales made with coupons that are specified in subsection (d). (2) Kansas motor vehicle dealers and trailer dealers are retailers and cannot make isolated or occasional sales of vehicles or trailers. These dealers shall collect sales tax at the time of the sale on each taxable retail sale of a motor vehicle or trailer.

(b)(1) Unless a sale is one that is excepted from the imposition of sales tax by K.S.A. 79-3603(o)
or exempted from tax under K.S.A. 79-3606, and amendments thereto, sales tax shall be levied on the isolated or occasional sale of a motor vehicle or trailer. Tax on the isolated or occasional sale of a motor vehicle or trailer shall be paid to the county treasurer when the purchaser or other transferee applies for a certificate of title or a certificate of title and registration or to the director of taxation, as provided in paragraph (c)(3).

(2) When a person who has acquired a vehicle in an isolated or occasional sales transaction applies for a certificate of title or certificate of title and registration, the county treasurer shall collect the sales tax that is due along with a service fee of 50 cents, and give the applicant a receipt for the tax and fee paid. A certificate of title or certificate of title and registration shall not be issued until the transferee pays the tax and applicable fee or proves to the satisfaction of the county treasurer or the director of taxation that the transfer is not taxable.

(c)(1) County treasurers shall be assisted by the director of taxation or director of vehicles in determining whether or not a transaction is taxable or exempt. Refusal to issue a certificate of title or certificate of title and registration for a vehicle may be requested by the director of taxation or director of vehicles until sales tax is paid. Sales tax shall be collected by a county treasurer if any doubt exists as to an applicant’s exemption claim. An applicant who pays sales tax may file a refund claim with the director of taxation if the applicant believes the tax has been erroneously collected by county treasurer or department of revenue.

(2) Each determination made by a county treasurer to exempt an isolated or occasional sale may be reviewed by the director of taxation. Following this review, a sales tax assessment may be issued to the vehicle registrant for any sales tax that is unpaid or underpaid because of clerical error, misinformation, or other cause.

(3) Any sales tax that is finally determined to be due under an assessment shall be paid to the director of taxation. Payment of sales or use tax on isolated or occasional sales of motor vehicles or trailers may be made to the director of taxation instead of the county treasurer, as provided in paragraph (b)(1), to correct any other underpayment or as an accommodation to the taxpayer.

(d) As a general rule, the base for computing the tax shall be the actual selling price of the vehicle. However, the tax shall be computed on the fair market value of the vehicle by the county treasurer or the director of taxation under either of the following circumstances:

(1) The selling price of the vehicle is unknown; or

(2) the stated selling price is not indicative of, and bears no reasonable relationship to, the fair market value of the vehicle or the average retail value as shown in the latest publication of the national automobile dealers’ association official used car guide book.

(e) The actual selling price shall be the base for computing the tax on the sale of wrecked or damaged vehicles.

(f)(1) “Sale” or “sales” means the exchange of property, a sale for money, and every other transaction in which consideration is given, whether conditional or otherwise.

(2) “Vehicle” means motor vehicle or trailer.

(3) “Transferor” means the seller, donor, or other person who sells, gives away, or otherwise parts with the vehicle.

(4) “Transferee” means the purchaser, donee, or other person who purchases, is given, or otherwise acquires ownership of the vehicle.

(g) K.S.A. 79-3603(o), and amendments thereto, which imposes sales tax on isolated or occasional sales of trailers and motor vehicles, excepts the following transfers or sales from the tax imposition on these isolated or occasional sales:

(1) Transfers by an individual to a corporation solely in exchange for stock in the corporation;

(2) transfers from one corporation to another corporation when done as part of the transfer of all the corporate assets; and

(3) sales of automobiles, light trucks, trailers or motorcycles between immediate family members.

(h) “Immediate family member” is any person in a class that is defined by statute to mean lineal ascendants and descendants and their spouses. Since a person may have lineal ascendants and descendants and may also be the spouse of someone who has lineal ascendants and descendants, this class includes the grandfather, grandmother, father, mother, son, daughter, and adopted child of the person; the spouses of these ascendants and descendants; the grandfather, grandmother, father, mother, son, daughter, and adopted child of the person’s spouse; and any other ascendants and descendants that are further removed, including great-grandparents and great-grandchildren. The sale or transfer of an automobile, light truck, trailer or motorcycle between members of this class shall be exempt from sales tax.
(i) Certain transfers of motor vehicles or trailers are not sales, as defined in paragraph (f)(1), and shall not be taxed. These include name changes, transfers by gift, and certain transfers made by operation of law. The following rules shall apply to these transfers.

(1) A transfer shall be presumed to be a gift when the transferee is the spouse, mother, father, brother, sister, child, grandmother or grandfather, aunt, uncle, niece, or nephew of the transferor and money is not exchanged for the vehicle. A gift shall also be presumed when these relatives trade or exchange vehicles and money is not exchanged as part of the trade or exchange. However, if money is exchanged for the vehicle, the transfer shall be taxable, unless the sale is exempted as set forth in subsection (h).

(2) A vehicle transfer by gift is not a sale and shall not be taxed. To qualify as a gift, the vehicle shall be given without any consideration and with an intention on the part of the donor that the transfer is a gift. When the relationship of the parties is not one of the relationships set forth above in paragraph (i)(1), the transferee claiming the transfer is a gift shall submit proof of this claim to the satisfaction of the county treasurer or director of taxation.

(3) The change of an owner's name on the title when there is no actual transfer of vehicle ownership to a different person or entity is not a sale and shall not be taxed. However, the transfer of a motor vehicle or trailer from a corporation to an individual shall be taxed since there is a change of ownership from one legal entity to another. The vehicle transfer shall be presumed to be the corporation's payment of a wage, dividend, bonus, or other benefit to the officer, employee, shareholder, or other transferee.

(4) A transfer to an heir or legatee by will or pursuant to the inheritance or intestacy laws of a state is not a sale and shall not be taxed. A certified copy of the probate court order making the distribution shall be filed with the county treasurer.

(5) The sale to a person who takes title to a vehicle with the intention of transferring it to the winner of a drawing or raffle shall be taxed. The subsequent transfer of the vehicle to the winner of a drawing or raffle is a gift from the donor to the winner and shall not be taxed. When a donor pays a motor vehicle dealer for a vehicle and the vehicle is transferred from the dealer directly to the winner of a drawing or raffle, the gift is considered to be the payment made for the automobile rather than the automobile itself, and the winner shall be liable for the sales tax that is charged by the dealer on the vehicle sale. Whenever a vehicle is won as a prize and sales tax has not been paid by either the vehicle donor or vehicle winner to this state or another state, the winner shall pay Kansas sales or use tax when the vehicle is registered with the county treasurer.

(6) When the title to a vehicle is transferred to the holder of an encumbrance as a result of repossession under the terms of a written agreement entered into at the time of original purchase by the purchaser and encumbrance holder, the transfer is not a sale and shall not be taxed. However, any registration or subsequent sale of the vehicle by the encumbrance holder shall be taxed.

(7) When a lender grants a debtor permission to redeem a vehicle pursuant to K.S.A. 84-9-506, and amendments thereto, the redemption of the vehicle by the debtor is not a sale and shall not be taxed.

(8) When a lien holder acquires title to a vehicle through a court-ordered foreclosure of a mechanic's lien, landlord's lien, storage lien, or other statutory lien, the transfer of title to the lien holder shall be exempt if the lien holder does not register the vehicle. However, any registration or subsequent sale of the vehicle by the lien holder shall be taxed. The redemption of a vehicle from a lien holder by a debtor who satisfies the underlying debt is not a sale and shall not be taxed.

(j) The following transfers shall be considered sales, and shall be subject to sales tax.

(1) K.S.A. 79-3602(h)(2), and amendments thereto, allows a credit or discount for a vehicle that is traded for another vehicle. When vehicles of different value are traded by private individuals, the person who pays cash or tenders some other consideration in addition to the vehicle being traded or exchanged shall pay sales tax on the amount of the cash payment or on the fair market value of the consideration. In this trade, sales tax shall not be due from the person who traded or exchanged a vehicle but did not pay any additional cash or provide any additional consideration. Each person claiming a sales tax credit or discount for a vehicle that is traded shall file an affidavit with the county treasurer on a form furnished by the department of revenue that contains information necessary to support the credit or discount being claimed.

When the stated cash amount or stated value of the other consideration is not indicative of, and
bears no reasonable relationship to, the difference between the fair market value of the vehicle traded and the fair market value of the vehicle received by the purchaser, the tax shall be computed by the county treasurer or the director of taxation on the difference between the fair market value of the vehicles or the difference between the average retail value of the vehicles as shown in the latest publication of the national automobile dealers’ association official used car guide book.

(2) The purchase of a vehicle that the purchaser intends to give to someone else shall be taxed, even though tax is not due on the subsequent transfer from the purchaser to the donee.

(3) A transfer of a vehicle from a partner to the partnership or from a partnership to a partner shall be presumed to be a taxable transfer. A transfer from the partner to the partnership shall be presumed to be made in consideration of an increased partnership interest. A transfer from the partnership to the partner shall be presumed to be made for services rendered to the partnership or for other value passing between the partner and the partnership.

(4) If a donor gives a donee a gift of cash or other property for the purpose of purchasing a vehicle, the donee shall be liable for the tax, if the vehicle is purchased.

(5) The transfer of a vehicle in exchange for the transferee’s assumption of an obligation to pay all or part of an encumbrance on the vehicle is a sale and shall be taxed, unless the sale is between immediate family members or is exempt under K.S.A. 79-3606, and amendments thereto. When the transfer does not involve a gift and is not otherwise exempt, the tax base shall be the sum of any payment made by the buyer to the seller plus the amount of the encumbrance being assumed. Sales tax shall be computed as set forth in subsection (d) of this regulation if this amount is not indicative of, or bears no reasonable relationship to the fair market value of the vehicle. When the transfer represents a gift of part of the value of the vehicle that has been established in accordance with paragraphs (i)(1) or (i)(2) of this regulation and is not otherwise exempt, the tax base shall be the sum of any payments made by the buyer to the seller plus the amount of the encumbrance being assumed, regardless of the fair market value of the vehicle.

(6) When a vehicle is purchased to replace a vehicle that has been stolen or destroyed by accident, fire, or other adversity, the purchase of the replacement vehicle is not exempt and shall be taxed. Each purchase of a replacement vehicle shall be taxed whether the replacement vehicle is purchased by the owner of the vehicle that was stolen or destroyed or by an insurance company that is obligated to provide a replacement vehicle.

(7) A transfer of a vehicle from a corporation to an officer, shareholder, board member, or employee shall be presumed to be a taxable transfer and shall be presumed to be made in consideration for services rendered to the corporation or for other value passing between the corporation and transferee.

(k)(1) Each transferee claiming exemption shall complete an affidavit form furnished by the department of revenue and file it with the county treasurer when the vehicle is registered. The exemption affidavit shall be completed in its entirety and shall contain the names, addresses, and telephone numbers of the transferor and transferee; the make, year, model and body style of the motor vehicle or trailer; and any additional information that is needed to support the exemption claim. The affidavit shall contain facts in detail sufficient to clearly bring the transferee within the exemption being claimed.

(2) Each transferee claiming a family relationship as the basis for the exemption of a vehicle sale or as the basis for the presumption of a gift may be required to file an additional affidavit that establishes the relationship.

(3) Exemption affidavits that are not correct in both substance and form shall not be accepted by the county treasurer, and the tax shall be collected if any doubt exists as to the validity of the exemption claim.

(4) Any taxpayer may file a refund claim with the director of taxation if the taxpayer believes the tax has been erroneously collected by the county treasurer or the director.

(l)(1) When a motor vehicle or trailer is purchased out of state in an isolated or occasional sale, the purchaser shall pay Kansas state and local use tax to the county treasurer upon application for a certificate of title or certificate of title and registration. When a motor vehicle or trailer is purchased from an out-of-state dealer who is not registered to collect and remit Kansas state and local retailers’ use tax and has not collected sales tax on the sale for the state of purchase, the purchaser shall pay Kansas state and local use tax to the county treasurer upon application for a certificate of title or certificate of title and registration.
(2) When the purchaser has paid state and local sales tax to another state at a rate that is less than Kansas state and local use tax rates where the vehicle is registered, the purchaser shall pay Kansas state and local use tax to the county treasurer at a rate that is equal to the difference between the combined state and local tax rates for the Kansas location and the combined state and local tax rates that were used to determine the tax paid to the other state. (Authorized by K.S.A. 8-132, 79-3618; implementing K.S.A. 8-132, K.S.A. 79-3602, 79-3603, 79-3604; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987; amended June 26, 1998.)

92-19-30a. Motor vehicles or trailers. Sales tax shall be imposed on the total selling price of each motor vehicle or trailer to the ultimate user or consumer. The total selling price includes all tangible personal property mounted, installed, applied or otherwise attached or affixed to the motor vehicle or trailer. For sales tax purposes, tangible personal property is not separable from the motor vehicle or trailer to which it is mounted, installed, applied or otherwise attached or affixed.

When calculating sales tax on the retail sale of a motor vehicle or trailer, the retailer shall not exclude or deduct for the tangible personal property, regardless of how any contract, invoice or other evidence of the transaction is stated or computed, and whether separately charged or segregated on the same contract or invoice. Any charge attributed to the tangible personal property mounted, installed, applied or otherwise attached or affixed to a motor vehicle or trailer cannot be separately billed or segregated on an invoice or contract in order to qualify for an isolated or occasional sale exemption. (Authorized by K.S.A. 79-3618, implementing K.S.A. 1986 Supp. 79-3602; effective May 1, 1988.)

92-19-32. (Authorized by K.S.A. 79-3618, K.S.A. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective, E-50-2, Jan. 18, 1979; effective May 1, 1979; amended May 1, 1988; revoked June 26, 1998.)

92-19-33. Permanent extensions of time to file sales and use tax returns. (a) A permanent extension of not more than 60 days, may be granted by the director of taxation, for good cause, for filing sales or compensating use returns and for payment of the tax that is due. A request for an extension shall meet the following requirements:

1. Be submitted in writing;
2. explain why accurate returns cannot reasonably be filed by the normal due date; and
3. set forth any additional facts relied on to establish good cause for granting the extension.

(b) The taxpayer shall be notified in writing when the request is granted or denied. The grant of a permanent extension may be conditioned on the taxpayer’s acceptance of and compliance with a payment plan for remitting any additional interest that may be due because of the extension. (Authorized by K.S.A. 2000 Supp. 79-3618, K.S.A. 79-3707; implementing K.S.A. 79-3607, K.S.A. 2000 Supp. 79-3706; effective May 1, 1979; amended May 1, 1984; amended July 27, 2001.)

92-19-34. (Authorized by K.S.A. 79-3618; effective, E-80-2, Jan. 18, 1979; effective May 1, 1979; revoked June 26, 1998.)

92-19-35a. Securities: surety bonds, escrow accounts, and cash bonds. (a) General. Pursuant to K.S.A. 79-3616 and amendments thereto, a retailer may be required to post a security before or after a registration certificate is issued. If a security is required, a written demand for security shall be sent to the retailer. If a person fails or refuses to post a security as required within 30 days of mailing of the notice, issuance of a registration certificate may be refused by the director of taxation, or a certificate that has been issued may be cancelled by the director.

(b) Refusal to issue a certificate or cancellation of a certificate.

1. If a written demand for a security is sent to a person who is applying for a registration certificate, the person who receives the demand shall either post the security or object to the demand. To object, the person shall submit the objection in writing within 30 days from the date that the demand was mailed. Once an objection is received, a hearing shall be scheduled by the secretary or sec-
retary's designee to determine whether the posting of the security is an appropriate prerequisite for issuing the registration certificate.

(2) If an existing registration certificate is to be cancelled because a security has not been posted within 30 days of the demand, the certificate holder shall be notified in writing of the director's intention to cancel the certificate and the date when the cancellation is final. The certificate shall be cancelled on the date specified in the notice, unless the certificate holder objects in writing within 30 days from the date that the notice of intention to cancel is mailed. If a certificate holder objects to the cancellation, a hearing shall be scheduled by the secretary or secretary's designee to determine whether cancellation of the certificate for failure to post a security is appropriate.

(c) When required for active businesses.

(1) Businesses with chronic delinquencies. A retailer shall post a security if the retailer has had four or more delinquencies during the last 24 months for sales and use taxes or if the retailer has had six or more delinquencies during the last 24 months for taxes imposed under chapter 79 of the Kansas statutes annotated and amendments thereto, including withholding tax, income tax, sales and use taxes, liquor excise tax, and all other excise taxes. Delinquencies shall include the failure to file a return, the filing of an improper return, nonpayment, late payment, and payment by an insufficient funds check. The simultaneous late filing of the return and the late payment of tax shall count as one delinquency. A delinquency shall be excused if the retailer establishes that, had a timely request been made under K.A.R. 92-19-5a, good cause would have existed for an extension.

(2) When required of a new applicant. A security shall be required of a new applicant if the applicant is substantially similar to a person who would have been required to post a security because of past delinquencies. An applicant shall be deemed to be similar to the extent that the applicant is owned or controlled by a person or persons who owned or controlled a previously registered retailer that became delinquent. Substantial similarity may be established by facts that tend to show common ownership or control of both businesses.

(d) Determination of security amount. The amount of a security for an annual filer shall be $25, and the security shall be made only as a cash bond. If a security is required of a monthly or quarterly filer, the amount of the security shall be fixed by the director and shall be equal to at least the average tax liability for state and local taxes for six months, or $1,000, whichever is greater. The average tax liability shall be based on the previous 12-month period, if there was a reporting history for those months. Amounts based on the average liability for a monthly or quarterly reporting period shall be rounded to the next higher, even $100 amount. If a retailer has no reporting history, the amount of the security may be based on the estimated tax liability as shown on the registration application, the predecessor's tax liability at the location specified on the registration application, and other factors that are based on the department's experience with similar businesses. After one year, the security amount fixed by the director for a new account may be increased or decreased based upon the retailer's compliance record, payment history, and annual average sales tax liability.

(e) Types of security. Acceptable types of security shall include the following:

(1) Money posted or deposited with the department as a cash bond. A cash bond may be required by the director to be paid in guaranteed funds by means of a cashier's check or money order. Cash bonds shall not pay interest;

(2) a surety bond issued by a bonding company that is authorized to do business in Kansas by the Kansas insurance commission. Each surety bond shall be issued on a form prescribed by the department and shall bear the seal of the insurance company, the effective date, and the signature of the applicant. If a bond is signed by an agent or other attorney-in-fact for the insurance company, the bond shall be accompanied by a power of attorney that grants to the attorney-in-fact the power to obligate the company for this type of liability; and

(3) an escrow account with a Kansas financial institution that is entered into on a form prescribed by the department. Escrow funds may be held in a savings account or certificate of deposit and shall be payable to the department upon demand. Interest earned on an escrow account may be paid to the retailer unless the director has made demand for payment on the account. Other than interest, an escrow account shall not be accessible to the retailer or to creditors of the retailer until the account is released in writing by the director.

(f) Release or cancellation of the security. A security that has been posted by a retailer who files on a monthly or quarterly basis may be released to the retailer upon request if the retailer has, for 24 consecutive months, timely filed and paid all
returns required to be filed under chapter 79 of
the Kansas statutes annotated, and amendments
thereto. The 24-month compliance requirement
shall begin on the day the security is received by
the department. If a retailer does not meet the
compliance requirements, the security shall con-
tinue to be required until the taxpayer has been
in compliance for 24 consecutive months from
the date of the latest noncompliance. A $25 cash
bond required to be posted by a retailer who files
on an annual basis shall be held by the depart-
ment until the retailer terminates business or is
required to file returns on a monthly or quarterly
basis. (Authorized by K.S.A. 2001 Supp. 79-
3618; implementing K.S.A. 79-3616; effective
Aug. 23, 2002.)

92-19-36. Jeopardy assessments. The follow-
ing actions by any person liable for tax under
the Kansas retailers' sales tax act shall be deemed
reason to believe that a taxpayer is about to depart
from the state, or to remove his property there-
from, or to conceal himself or his property there-
in, or to do any other act which tends to prejudice,
jeopardize, or render wholly or partly ineffectual
the collection of sales tax: (a) Failure to file sales
tax returns after notice as provided by K.S.A. 79-
3613, and subsequent termination of business op-
erations by the retailer; or
(b) failure to file sales tax returns after notice
as provided by K.S.A. 79-3613, and continuation
of the act of making retail sales. (Authorized by
18, 1979; effective May 1, 1979.)

92-19-37. Natural gas, electricity, heat
and water; sales to residential premises. (a)
Where sales of natural gas, electricity, heat and
water delivered through mains, lines or pipes are
made to multi-family dwellings or other build-
ings in which residential premises are not individu-
ally metered and billed, only the prorata portion of
these sales equal to the percentage of the building
actually occupied as residential premises shall be
subject to exemption. As used in this regulation,
“residential premises” shall have the meaning as-
ccribed to it in K.A.R. 92-19-38.
(b) Where utility services are not metered indi-
vidually between residential and commercial use
in combination purpose buildings, the occupant
owner or lessee shall file an exemption certificate
with each retailer providing sales of exempted
commodities. The exemption in this case shall be
prorated based on the portion of the commodities
used in portions of the premises actually occu-
pied as a residence and used for noncommercial
purposes. Formulas and computations used in
establishing the percentage of exempt use shall be
available for inspection by the department of
revenue at any time. Sales of otherwise taxable
materials or services shall not be exempted by vir-
tue of being sold in connection with commodities
exempt from sales tax hereunder. (Authorized by
79-3606; effective, E-80-26, Dec. 12, 1979; ef-
fective May 1, 1980; amended, E-82-26, Dec. 16,
1981; amended May 1, 1982.)

92-19-38. Propane gas, LP-gas, coal,
wood, and other fuel sources; sales to res-
idential premises. (a) Sales of propane gas,
LP-gas, coal and wood for the production of heat
or lighting for the noncommercial use of an oc-
cupant of residential premises are exempt from
sales tax. Sales of bottled water or such nonpri-
mary heat or light sources as charcoal, candles,
canned heat, batteries, lighter fluid or matches
are not exempt. Sales of otherwise taxable mate-
rials or services are not exempted by virtue of be-
ing sold in connection with commodities exempt
from sales tax hereunder.
(b) As used in this regulation and K.A.R. 92-
19-37 and 92-19-40, “residential premises” means
and includes any building or structure, or portion
thereof, used for human habitation. Such term
shall not include travel trailers or recreational
vehicles. (Authorized by K.S.A. 79-3618, K.S.A.
1979 Supp. 79-3606; effective, E-80-26, Dec. 12,
1979; effective May 1, 1980.)

92-19-39. (Authorized by K.S.A. 79-3618,
K.S.A. 1979 Supp. 79-3606; effective, E-80-26,
Dec. 12, 1979; effective May 1, 1980; revoked
June 26, 1998.)

92-19-40. (Authorized by K.S.A. 79-3618,
implementing K.S.A. 1986 Supp. 79-3606 as
amended by L. 1987, Ch. 292, Sec. 32, as further
amended by L. 1987, Ch. 64, Sec. 1; effective,
E-50-26, Dec. 12, 1979; effective May 1, 1980;
amended May 1, 1988; revoked April 1, 2011.)

92-19-41. (Authorized by K.S.A. 79-3618;
implementing K.S.A. 79-3603 as amended by L.
1986, Ch. 386, Sec. 1; effective, E-81-1, Jan. 10,
1980; effective May 1, 1980; amended May 1,
1987; revoked May 1, 1988.)

92-19-43. Tax due upon registration of vehicle by dealer; exception; credit upon subsequent transfer. (a) The registration of a vehicle by a licensed vehicle dealer pursuant to the provisions of article 1 of chapter 8 of Kansas Statutes Annotated shall constitute the taking of tangible personal property from a stock of goods within the meaning of K.A.R. 92-19-11 and amendments thereto. Except as provided in subsections (b) and (c), sales tax shall be due and payable to the county treasurer at the time the dealer makes application for the registration of the vehicle.

(b) Notwithstanding the provisions of subsection (a), whenever a vehicle is registered by a licensed vehicle dealer for the purpose of subsequently leasing the vehicle, sales tax shall be collected by the licensed vehicle dealer on each lease payment made by the lessee. At the time of making application for registration, the dealer shall provide the county treasurer with a resale exemption certificate pursuant to K.A.R. 92-19-25.

(c) Whenever a vehicle which has been registered by a licensed vehicle dealer, and upon which the sales tax has been paid, is sold or is otherwise transferred in a taxable transaction within 15 days from the date the vehicle was registered by the dealer, the taking of the vehicle from a stock of goods and the subsequent transfer shall be deemed to constitute a single transaction for sales tax purposes. Upon the subsequent transfer, the dealer shall collect the sales tax from the ultimate consumer and may apply for credit from the director of taxation for the tax paid by the dealer to the county treasurer. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1982 Supp. 79-3602, 79-3603; effective May 1, 1983.)

92-19-44. Sampling methods. At the discretion of the director of taxation, sampling principles or methods may be used in lieu of a 100% examination of records in conducting a sales or use tax audit. (Authorized by K.S.A. 79-3618, 79-3707; implementing K.S.A. 79-3609, 79-3707; effective May 1, 1987.)

92-19-46. Selling price. (a) Selling price is the total consideration given in each transaction, whether in the form of money, rights, property, promise or anything of value, or by exchange or barter. The key element in imposing sales tax on a transaction is not based on what a transaction may be called or termed, but on the operation of the transaction. The term selling price includes the following:

1. The total monetary value of the consideration of all those things which in fact are, or are promised to be paid by the consumer to a seller in the consummation and complete performance of a retail sale, whether or not the seller receives any benefit from the consideration;

2. The total cost to the consumer without any deduction or exclusion for the cost of the property or service sold, labor or service used or expended, materials used, losses, overhead or any other costs or expenses, or profit, regardless of how any contract, invoice or other evidence of the transaction is stated or computed, and whether separately billed or segregated on the same bill; and

3. All transactions in which a person secures for a consideration, the use of tangible personal property or services and includes transactions which may be termed royalties or licenses.

(b) Any discounts allowed and credited by the retailer are excludable from the selling price. However, all transportation, freight, handling, drayage or other similar charges are to be included in the selling price, regardless of how any contract, invoice or other evidence of the transaction is stated or computed, and whether the charges are separately billed or segregated on the same bill. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602; effective May 1, 1988.)

Goods returned when a sale is rescinded. (a)(1) When a retailer and consumer rescind a taxable sale of goods that the retailer reported on an earlier return, the retailer shall be entitled to deduct the original selling price of the returned goods from its current report of gross receipts, except as provided in paragraph (a)(2). A retail sale of goods shall be considered to be rescinded once the retailer accepts possession of the returned goods and the consumer accepts the repayment of all or part of the selling price and sales tax that was originally paid to buy the goods. This repayment to the consumer may be made by credit or refund.

(2) If a retailer reduces the amount credited or refunded to the consumer for the returned goods as compensation for depreciation, consumer usage, or any other reduction in the value of the goods, the amount of the reduction shall be considered a charge by the retailer for the consumer's use of the goods and shall be subject to sales tax as if it were a rental charge billed to the consumer. Both the deduction from gross receipts taken by the retailer on its current return and the selling price credited or refunded to the consumer shall be reduced by the amount taken as compensation for the reduced value of the goods. The amount of tax that is required to be credited or refunded to the consumer shall be reduced in a proportional amount.

(3) A retailer shall not be required to report its taxable receipts from a retail sale that is rescinded if the original sale, the acceptance of the returned goods by the retailer, and the full repayment to the consumer are all completed during one reporting period. If only partial repayment of the selling price and sales tax is made to the consumer, the retailer shall report the amount used as the reduced value of the goods as part of its gross receipts for that reporting period.

(4) If a retailer does not reduce the amount refunded to a consumer under paragraph (a)(2) or (a)(3) for a reduction in the value of the goods and charges a restocking or reshelving fee to the consumer after goods are returned, this fee shall not be taxable. A restocking or reshelving fee shall be defined as a fee charged by a retailer to cover the time and expense incurred returning goods to resale inventory if the consumer has not used the goods in a way that reduces their value.

Each retailer shall maintain records that clearly establish and support its deduction claim when a sale is rescinded.

(c) Any retailer may take a deduction or credit for a refund claim on its sales tax return only if the deduction or credit has been authorized in writing by the department or is allowed under this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, or another department regulation. All other refund claims shall be made by submitting a written refund application to the department, in accordance with K.A.R. 92-19-49c.

d) Repossessed goods shall be treated as specified in K.A.R. 92-19-3c.

e) Despite any other provision of this regulation, any motor vehicle manufacturer, manufacturer's agent, or authorized dealer may apply to the department for a refund or take a deduction during the reporting period if a consumer returns a motor vehicle in accordance with K.S.A. 50-645, and amendments thereto, and is refunded the total amount that the consumer paid for the vehicle, including sales tax, less a reasonable allowance for the consumer's use of the vehicle, which shall include the sales tax associated with that use. The manufacturer, agent, or dealer shall maintain records that clearly reflect the acceptance of the returned vehicle under K.S.A. 50-645 and amendments thereto, the amount of the refund, and the amount of taxes refunded. (Authorized by K.S.A. 2009 Supp. 75-5155 and K.S.A. 2009 Supp. 79-3618; implementing K.S.A. 2009 Supp. 79-3607 as amended by L. 2010, ch. 123, sec. 11, and K.S.A. 2009 Supp. 79-3609 as amended by L. 2010, ch. 123, sec. 12; effective May 27, 2005; amended April 1, 2011.)
ment for the kind of refund being requested. The refund application may be required by the department to be filed electronically. Refund application forms may be obtained from the department.

(3) Each agent, representative, or other third party filing a refund application on behalf of another shall submit a power of attorney that authorizes the agent, representative, or other third party to act on behalf of the claimant.

(b) Retailer-filed refund applications.

(1) Any business or individual who is registered with the department as a retailer and who reported and remitted sales tax to the department that was not owed, was remitted in error, or was an overpayment may apply for a refund. Each registered retailer shall have a continuing duty to correct any errors in sales tax returns filed with the department and to enable purchasers to obtain refunds of taxes that were overpaid or paid in error.

(2) Each refund claim filed by an entity that files sales or compensating use tax returns shall be treated as an application to adjust or amend the return. The amended tax return shall be subject to verification by examination of the taxpayer’s records.

(3) Refund applications shall be filed on the appropriate form and shall be completed in the manner prescribed by the form. Each refund application shall contain all the information requested and shall be accompanied by all additional documentation prescribed by the form and this regulation that is needed to determine the validity of the claim and verify and process the claim. Each refund application that contains insufficient information or documentation to verify and process the application shall be returned to the applicant with directions to file a new, complete application. If a refund application has been returned by the department, a refund claim shall not be considered to have been filed until a new application is submitted that contains sufficient information and is supported by sufficient documentation to verify and process the claim.

(4) The information provided on each retailer-filed refund application form or accompanying the form shall include the following:

(A) An amended return for each period for which a refund is sought, which shall contain the retailer’s current name, mailing address, employer identification number, and Kansas sales tax registration number;

(B) the name and telephone number of the person whom the department should contact if additional information is needed;

(C) an explanation of the reason why a refund is due, which may include an overpayment due to mathematical or clerical errors, the payment of tax on an exempt sale, or other explanation. If applicable, the explanation shall include a detailed, factual description of how the items sold were used by the consumer and an explanation of the legal theory that underlies the refund claim. A statement of such usage that only references Kansas statutes and Kansas administrative regulations shall be deemed an insufficient explanation of the factual basis for a refund;

(D) if tax has been refunded to the consumer, the amount, the name of the refund recipient, and an explanation of how the refund was made, whether by cash, check, credit, or other means;

(E) a schedule listing each invoice in chronological order that includes the name and address of the purchaser, a description of the items sold, the date of purchase, the invoice number, the amount subject to tax, the amount of tax collected, the reporting period and jurisdiction code for the tax, the location of the sale, the account codes, the department codes, and a detailed statement of usage of the item purchased. If the claimant or its agent maintains its records or prepares the schedule in an electronic, machine-sensible format, all schedules submitted to support the refund claim shall be provided in an electronic, machine-sensible format in addition to the paper document;

(F) the signature of the payee or the owner, a partner, or an officer of the business listed as payee, and the signature of the retailer or the owner, a partner, or an officer of the business listed as the retailer; and

(G) any additional information required by the application form that is needed to verify and process the specific refund application, including employment data for a refund pursuant to K.S.A. 79-3606(cc), and amendments thereto.

(5) The documentation provided with a retailer-filed refund application form shall include a copy of each of the following:

(A) A properly completed exemption certificate from the consumer, if the consumer is seeking a refund based on an exemption claim;

(B) if the retailer has refunded taxes to the consumer, a cancelled check or irrevocable credit memo issued by the retailer showing that the retailer has credited or refunded the tax previously collected from the consumer, a written agreement that the refund shall be jointly issued to the retailer and the consumer, or other proof of repayment; and
(C) all invoices pertaining to the schedule required to be submitted under paragraph (b)(4) (E) and any other documentation needed to verify and process the specific refund claim being made in the schedule, which may include credit memos, contracts, job cost records, tax accrual worksheets with refund items identified, charts of account, and any other documentation, including employment data for claims related to K.S.A. 79-3606(cc), and amendments thereto.

(6) Each business that files consumers' compensating use tax returns with the department shall comply with the requirements of this sub-section when filing a refund claim for consumers' compensating use tax that the business accrued, reported, and paid to the department.

(c) Consumer-filed refund applications.

(1) Except as authorized by K.S.A. 79-3650 and amendments thereto and as provided by paragraph (b)(6) of this regulation, a consumer seeking a refund of retailers' sales or compensating use tax shall request the refund from the retailer that collected the tax on the sale.

(2)(A) A consumer that paid tax to a retailer may apply directly to the department for a refund if the consumer submits an application and supporting documentation together with an affidavit that verifies any of the following:

(i) The retailer that collected the tax is no longer in business.

(ii) The retailer has moved and cannot be located.

(iii) The retailer is insolvent and is financially unable to make the refund.

(iv) The consumer has attempted in good faith to obtain the refund from the retailer and can document that the retailer refuses or is unavailable to refund the tax or has refused to act in a timely manner on the consumer's refund application.

(B) The documentation required to demonstrate that a retailer refused to refund the tax under paragraph (c)(2)(A)(iv) shall include a written denial of the consumer's refund request issued by the retailer. The documentation required to demonstrate that a retailer did not act on the refund request in a timely manner under paragraph (c)(2)(A)(iv) shall include a copy of the refund request sent to the retailer by certified mail at least 60 days before the consumer filed the refund application with the department. This documentation shall include the consumer's refund application, a copy of the certified mail receipt, and the consumer's affidavit stating that it acted in good faith in attempting to obtain the refund from the retailer.

(C) The consumer's affidavit shall state the date that the refund request was submitted to the retailer and shall identify the information and documentation included with the request. A copy of each piece of documentation shall be submitted to the department with the consumer's affidavit.

(D) The retailer may be contacted by the department to confirm that the consumer has acted in good faith in attempting to obtain the refund from the retailer. As used in this regulation, “good faith” shall mean that the consumer has provided the retailer with all of the information and documentation needed to validate and process the refund request, has complied with the requirements specified in K.S.A. 79-3650(a) and amendments thereto, and has otherwise made a reasonable attempt to obtain the refund from the retailer. The mere fact that a retailer agrees to allow the consumer to file a refund application directly with the department shall not satisfy the requirements of K.S.A. 79-3650(a), and amendments thereto, and shall not constitute a good faith attempt to obtain the refund from the retailer.

(E) For purposes of refund claims filed with the department pursuant to K.S.A. 79-3650 and amendments thereto, if the director of taxation finds that the retailer failed to act on the consumer's refund request in a timely manner, the period of limitations applicable to the filing of the consumer's refund claim may be extended by the director by not more than 90 days. As used in K.S.A. 79-3650 and amendments thereto and in this regulation, “timely manner” shall mean within 60 days after the retailer received written notice of the consumer's refund request. As used in K.S.A. 79-3650 and amendments thereto, “proper showing” shall mean the submission to the director of the consumer's affidavit, the completed refund application, and all supporting information and documentation that is needed to verify and process the refund.

(F) If the director finds that a refund application, information, and documentation submitted by a consumer to a retailer are insufficient to verify and process the refund claim, the limitations period for filing the consumer's refund claim with the department shall not be extended, and the refund application shall not be reviewed by the department but shall instead be returned to the consumer.

715
(3) The information provided on each consumer-filed refund application form or accompanying the form shall include the following:

(A) The consumer's name, current mailing address, and telephone number;

(B) the name and telephone number of the person whom the department should contact if additional information is needed;

(C) the retailer's name, current mailing address, and telephone number;

(D) a description of the items purchased, the date of purchase, the location of the purchase, the invoice number, the amount subject to tax, and the amount of tax paid;

(E) if applicable, a properly completed exemption certificate. The exemption certificate shall include a detailed factual description of how the items sold were used by the consumer. A statement of usage on an exemption certificate that only references Kansas statutes and Kansas administrative regulations shall be deemed an insufficient explanation of the factual basis for a refund;

(F) an explanation of the reason why a refund is due. If applicable, this explanation shall include a detailed, factual description of how the items sold were used by the consumer. A statement of usage that only references Kansas statutes and regulations shall be deemed an insufficient explanation of the factual basis for a refund;

(G) a schedule listing each invoice in chronological order that includes the name and address of the retailer, a description of the items sold, the date of purchase, the invoice number, the amount subject to tax, and the amount of tax paid;

(H) the signature of either the consumer or a business owner, partner, or officer of the business; and

(I) any additional information required by the form that is needed to verify and process the refund, including employment data for a refund pursuant to K.S.A. 79-3606(cc), and amendments thereto.

(4) The documentation provided with each consumer-filed refund application form shall include a copy of each of the following:

(A) A properly completed exemption certificate from the consumer, if the consumer is claiming refund entitlement based on an exemption;

(B) all original invoices pertaining to the refund claim placed in chronological order, with monthly subtotals, credit memos, contracts, cancelled checks, tax accrual worksheets, charts of accounts, and any other documentation required to verify the specific refund claim being made; and

92-19-49d. Review of refund applications; processing of refund claims. (a) Statute of limitations.

(1) Whenever a retailer or consumer that has filed a sales or compensating use tax return seeks a refund for the erroneous payment of the tax, penalty, or interest, the refund claim shall be filed within three years from the due date of the return for the reporting period as specified in K.S.A. 79-3607, and amendments thereto, unless the director of taxation has extended the time for filing the refund request pursuant to K.S.A. 79-3650(b), and amendments thereto.

(2) A written agreement may be entered into by the secretary and the taxpayer to extend the period within which the taxpayer may file a refund application, and an assessment may be made by the secretary. If such a mutual agreement is entered into, any additional interest due on an assessment that is in excess of 48 months shall be waived. This agreement shall be entered into before the expiration of the three-year statute of limitations.

(3) The provisions of K.S.A. 60-206, and amendments thereto, for the computation of time shall apply to determine the timeliness of the filing of a refund claim. Each refund claim shall be presumed to have been filed with the department on its postmark date.

(4) A person against whom an assessment or administrative decision has become final shall not be entitled to pay the amount of the assessment and then file a refund claim for the amount paid.

(b) Incomplete refund applications.
(1) A refund application that is incomplete, not supported by the required documentation, or otherwise fails to meet the requirements specified in K.A.R. 92-19-49c, whether submitted to the department or to a retailer, shall not be considered to be a refund claim or refund request for the purpose of any of the following:

(A) Tolling the statute of limitations provisions of K.S.A. 79-3609, and amendments thereto;

(B) commencing the running of the 60-day provision of K.S.A. 79-3609(d), and amendments thereto, for payment of refunds without interest; or

(C) extending the time for filing the refund application or refund request beyond the three-year statute of limitations under the provisions of K.S.A. 79-3650(b), and amendments thereto.

(2)(A) If a refund application is incomplete, not supported by the required documentation, or otherwise fails to meet the requirements specified in K.A.R. 92-19-49c, the substance or merits of the incomplete refund application shall not be reviewed by the department, and the incomplete application shall be returned to the applicant. At that time, the applicant shall be notified in writing of the actions, corrections, information, or additional documentation that is needed to complete a new refund application. The applicant also shall be provided with a written description of the method by which an informal conference may be requested pursuant to K.S.A. 79-3226, and amendments thereto, to request a review of the determination that the refund application is incomplete.

(B) Each review of the department’s determination that the taxpayer submitted a refund application that was incomplete, not supported by the required documentation, or otherwise failed to meet the requirements specified in K.A.R. 92-19-49c shall be limited to determining whether the refund application, as originally submitted, complied with the requirements of K.A.R. 92-19-49c by providing sufficient information and documentation to allow the refund application to be verified and processed. If, upon review at the informal conference, it is determined that the refund application failed to meet the requirements specified in K.A.R. 92-19-49c when submitted so that the refund application could not be verified and processed, the applicant shall be required to file a new refund application for the refund being claimed.

(c) Review of refund claims.

(1) Each refund application that meets the requirements specified in K.A.R. 92-19-49c so that it can be verified and processed shall be reviewed by the department as a refund claim and its validity determined. Each claimant shall be notified in writing of the department’s determination and, if the refund claim is denied in whole or in part, shall be provided with a written description of the method by which an informal conference pursuant to K.S.A. 79-3226, and amendments thereto, may be requested. Each denial of a refund claim by the department shall be final, unless the claimant timely requests an informal conference pursuant to K.S.A. 79-3226, and amendments thereto.

(2) Once an informal conference is requested, an informal conference shall be held by the secretary or designee, and a written final determination shall be issued by the secretary or designee, in accordance with K.S.A. 79-3226, and amendments thereto. The written final determination shall constitute a final agency action subject to administrative review by the Kansas board of tax appeals, as provided in K.S.A. 74-2438 and amendments thereto.

(d) Offsetting overpayments against deficiencies.

(1) If the department determines that a refund is due, the refund may first be set off against any outstanding tax liability for a tax that is administered by the department and owed by the person to whom the refund is ultimately due. Any refund amount that remains may be set off against any other outstanding state liabilities or shall be refunded. A retailer shall be considered to be the person to whom the refund is ultimately due under this subsection if the retailer previously credited or refunded the tax to the consumer. This person shall be provided with written notice of the setoff and informed of the right to seek administrative review of the setoff pursuant to K.S.A. 79-3226, and amendments thereto.

(2) If the department determines, upon review of a tax return, that there has been an overpayment of tax for the taxable period to which the return relates, either of the following actions may be taken by the department:

(A) Crediting the overpayment amount to the taxpayer without requiring the taxpayer to file a refund claim; or

(B) setting off the overpayment in accordance with subsection (c).

(e) Audits.

(1) If an audit by the department discovers that both underpayments and overpayments of a tax have been made in different reporting periods, the tax overpayments shall be credited against the tax underpayments if the taxpayer submits an affidavit that meets the requirements of paragraph (e)(2).
(2) To be entitled to the provision specified in paragraph (e)(1), the taxpayer shall provide the department with an affidavit signed by the taxpayer's owner, partner, or corporate officer that attests that the taxpayer has not claimed a duplicate refund or taken a credit on a return and will not claim a duplicate refund or credit for those taxes in the future. A retailer shall not be allowed to utilize the provisions of this subsection or any other setoff provisions for taxes that the taxpayer collected from its customers and has not credited or refunded to the customer.

(3) Once an audit engagement letter is issued by the department to a taxpayer, the taxpayer shall submit all refund claims for any tax overpayment that is alleged to have occurred during the audit period to the department to be considered as part of the audit review.

(f) Audits based on sampling.

(1) After a business pays a liability or accepts a refund that was determined under an audit assessment that applied a sampling technique to an established population, the population that served as the base for the sampling portion of the assessment shall be closed to all additional assessments and refunds.

(2) Refund applications based on sampling techniques shall not be allowed.

(g) Erroneous refunds. If the department erroneously refunds or credits any sales or compensating tax to a retailer or consumer, a notice of tax assessment for the erroneous refund or credit may be issued by the department in either of the following periods:

(1) Within three years from the date the refund was made; or

(2) if it appears that any part of the refund was induced by fraud or the misrepresentation of a material fact, within two years from the date of discovery of the fraud or misrepresentation.

92-19-51. Gratuities, service charges and minimum charges. (a) Each cover charge or minimum charge entitling the customer to receive entertainment, recreation, amusement, or food, meals or drinks furnished by any place where food, meals or drinks are regularly sold to the public, whether listed separately on a bill or collected as an admission fee or fixed charge shall be subject to sales tax.

(b) Each retailer shall include in the total selling price of the food, meals or drinks subject to sales tax, any amounts designated as a service charge which are added to the price of food, meals or drinks, even if the charges are made in lieu of tips and are paid over by the retailer in whole or in part to the retailer's employees.

(c) Cash gratuities or gratuities added by the consumer to a bill which are turned over in full to the employee, and gratuities given directly to an employee by a consumer and not pursuant to an arrangement made with the retailer shall not be subject to sales tax.

(d) Each retailer shall include in the total selling price of the food, meals or drinks subject to sales tax, any gratuities which are mandatory in order for a consumer to receive food, meals, drinks or service, even though a portion or all of the mandatory gratuities collected may be paid over by the retailer to the retailer's employees.

(e) Each retailer shall include in the total selling price of food, meals or drinks subject to sales tax, any gratuities which are required by the retailer to be turned over either in whole or in part by the employees and which are credited by the retailer as a part of the minimum wage of the employees pursuant to federal or state laws, even though a portion or all of the gratuities collected may be paid over by the retailer to the retailer's employees. (Authorized by K.S.A. 79-3618, implementing K.S.A. 1986 Supp. 79-3602; effective May 1, 1988.)

92-19-52. Agency relationships; direct purchases. (a) Unless specifically authorized by the sales tax act, an agency relationship between a purchaser and its principal shall not be recognized by the department of revenue for sales tax exemption purposes.

(b) To qualify as a direct purchase under K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1 and amendments, any bill, invoice, contract or other evidence of the transaction shall be made
out in the name of the entity which qualifies for an exemption under the act, and the payment shall be made on that entity’s check, warrant or voucher.

(c) Each sale of tangible personal property or taxable service made to and paid for by an agent, employee or other representative shall be taxable, even though the same purchase would have been exempt from sales tax had the principal or employer directly purchased the tangible personal property or service. Any contractual arrangement or understanding between an agent, employee or other representative and a principal or employer shall not be recognized by the department. Each retailer shall charge and collect the sales tax on the total selling price of tangible personal property or service even though the agent, employee, or other representative:

1. Is on official business on behalf of the principal or employer;
2. Is on a per diem from the principal or employer;
3. Is on an expense account or will otherwise be reimbursed by the principal or employer; or
4. Has or will receive monies, credits or other assets from the principal or employer to pay for the transaction. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

92-19-53. Consumed in production. (a) In order for purchases of tangible personal property to qualify for exemption under K.S.A. 1986 Supp. 79-3606(n) as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1 and amendments, the following requirements must be met:

1. The tangible personal property must be essential or necessary to the process;
2. The tangible personal property must be used in the actual process;
3. The tangible personal property must be immediately consumed or dissipated in the process;
4. The tangible personal property must be used in the production, manufacture, processing, mining, drilling, refining or compounding of tangible personal property, the providing of services or the irrigation of crops for ultimate sale at retail in the regular course of business; and
5. The tangible personal property cannot be reusable for such purposes. The identity of the buyer, seller or item purchased is immaterial.

Whether the purchase qualifies for exemption is determined by how the item is used in the production or processing activity. An item may be taxable for one use and exempt for another use, even though purchased by the same consumer. Each transaction shall be separately measured against the statutes and regulations to determine the taxability of the transaction.

(b) For the purposes of determining whether tangible personal property is consumed in the providing of services, the term “service” refers only to taxable services enumerated under the sales tax act. Each person providing a nontaxable service shall pay sales tax on all articles of tangible personal property and all services purchased by the person to provide the nontaxable service, and may not claim an exemption from sales tax.

(c) “Used in the actual process” means the use of the tangible personal property used shall:

1. Be integral and essential to the production or processing activity;
2. Occur at the location where the production or processing activity is carried on; and
3. Occur during the production activity.

The fact that a particular item of tangible personal property may be considered important to a production process does not, of itself, mean that the tangible personal property is used in the actual process. The following uses of tangible personal property do not qualify for exemption from sales tax as consumed in production: shipping, testing, repairing, servicing, maintaining, cleaning the equipment and the physical plant, and storing. Tangible personal property used in the administration of the business and wholesale, commercial or retail facilities or buildings do not qualify for exemption from sales tax as consumed in production.

(d) “Immediately consumed or dissipated” means that tangible personal property shall be consumed or destroyed both economically and physically in a time reasonably requisite in the production or processing activity. The fact that tangible personal property may be used for only one production or processing activity and then discarded, or that tangible personal property is rendered obsolete or worthless in a short time is not the determining factor. Purchases of tangible personal property used in a repetitive function to produce articles of tangible personal property designed to be sold to consumers and not immediately consumed or dissipated are subject to sales tax. Tangible personal property that is specifically produced to perform a specific job for a specific consumer and has no other val-
ue other than as scrap, may qualify for exemption from sales tax as consumed in production, if the purchased property meets the other requirements under the exemption. Tangible personal property which breaks, depreciates, wears out or becomes obsolete, albeit in a short time span, does not qualify for exemption from sales tax as consumed in production.

(e) Natural gas, electricity, heat and water consumed by machinery and equipment actually used to produce, manufacture, process, mine, drill, refine or compound tangible personal property, provide taxable services or irrigate crops for resale in the regular course of business, qualify for exemption as consumed in production.

(f) All purchases of tangible personal property by contractors, subcontractors, or repairmen for incorporation into any structure or for use in altering, servicing, repairing or maintaining personal property or personal property that has been affixed to real property are subject to sales tax unless specifically exempted by K.S.A. 1986 Supp. 79-3606(d), (e) as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1.

Contractors, subcontractors, repairmen, and consumers shall not purchase materials exempt from sales tax as consumed in the production of services whether or not the project is original construction. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602, K.S.A. 1986 Supp. 79-3603 as amended by L. 1987, Ch. 182, Sec 108, K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

92-19-54. Ingredient or component part.
(a) For purchases of tangible personal property to qualify for exemption under K.S.A. 1986 Supp. 79-3606(m) as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1 and amendments, the following requirements must be met:

(1) The tangible personal property shall be essential or necessary to the tangible personal property or service produced, manufactured or compounded;

(2) the tangible personal property shall be actually used in or on the tangible personal property or service produced, manufactured or compounded;

(3) the tangible personal property shall become an integral and material part of the tangible personal property or service produced, manufactured or compounded; and

(4) the tangible personal property must become an ingredient or compound part of tangible personal property or service for ultimate sale at retail.

The identity of the buyer, seller or the item is immaterial. Whether the purchase qualifies for exemption shall be determined by how the item is used in the production or processing activity. An item may be taxable for one use and exempt for another use, even though purchased by the same consumer. Each transaction shall be separately measured against the statutes and regulations to determine the taxability of the transaction.

(b) For the purpose of determining whether tangible personal property is an ingredient or component part of a service, the term “service” refers only to taxable services enumerated under the sales tax act. Each person providing a nontaxable service shall pay sales tax on all articles of tangible personal property and services purchased to provide the nontaxable service, and may not claim an exemption from sales tax.

(c) “Integral and material” means:

(1) The physical incorporation of two or more parts or elements by chemical or mechanical process in a manufacturing, production or compounding process, the result of which renders a third item or product separate and distinct from the constituent parts or elements; or

(2) an attachment or part that is so necessary and essential to the final product that, if omitted, would render the final product valueless for its intended purpose.

Except as provided in paragraph (d), tangible personal property that is important to the production process but does not become an integral and material or physical part of the tangible personal property for sale at retail is not exempt from sales tax.

(d) Each container, wrapper or other shipping or handling material actually accompanying the product sold is not subject to sales tax.

(e) Each retailer purchasing a container or other shipping or handling material for consumption which is not for resale as described in paragraph (d) is subject to sales tax. Each purchase by a retailer of a container or other shipping or handling material in which title remains with the retailer when the tangible personal property contained therein is sold by the retailer, or where the container or other shipping or handling materials are to be returned to the retailer by the consumer of the tangible personal property, is subject to sales tax.
(f) Each purchase of a container, wrapper or other shipping or handling material by a retailer using the container, wrapper or other handling material to provide nontaxable services is deemed to be consumed by the service provider and is subject to tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602, K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

(1) “Financing lease” shall have the meaning specified in K.A.R. 92-19-3a.

(2) “Goods” shall have the meaning as specified in K.A.R. 92-19-3a. For purposes of this regulation, “equipment” may be substituted for the word “goods” whenever equipment rentals or leases are being considered.

(3) “Lease or rental” shall have the meaning specified in K.S.A. 79-3602, and amendments thereto. When used in this regulation, these two terms and their derivatives are synonymous.

(4) “Lessee” shall mean a person who acquires the right to possess or control goods under a lease or rental agreement.

(5) “Lessor” shall mean a person who is engaged in the business of leasing or renting goods to others.

(6) “Operating lease” shall mean a lease agreement that gives the lessee possession or control of goods for a fixed or indeterminate period, while the lessor retains all or substantially all of the risk and rewards of ownership of the goods. This term shall be synonymous with “true lease.”

(7) “Primary property location” shall have the meaning specified in K.S.A. 79-3670, and amendments thereto.

(8) “Sales tax” or “tax” shall have the meaning specified in K.A.R. 92-19-3a.

(9) “Transportation equipment” shall have the meaning specified in K.S.A. 79-3670, and amendments thereto. When the term “motor vehicle” or “vehicle” is used, the term shall mean any passenger vehicle, truck, trailer, semitrailer, or truck tractor, as defined in K.S.A. 8-126 and amendments thereto, that is not classified as “transportation equipment” under K.S.A. 79-3670, and amendments thereto.

(b) Operating leases and rentals.

(1) Each agreement that is structured as a lease shall be treated as an operating lease unless the agreement meets the definition of a “financing lease” in K.A.R. 92-19-3a. Any operating-lease agreement may contain a future option to purchase the goods that are being leased or to extend the agreement, or both. Each oral lease shall be treated as an operating lease.

(2) Each person who rents or leases goods at retail for use in Kansas under an operating lease shall be deemed a retailer doing business in this state and shall register with the department and report tax on its taxable receipts as provided in this regulation. If tax is not collected on a taxable charge for a rental or lease, the tax together with interest and penalty may be collected by the department from either the lessor or the lessee.

(3) Each lessor shall collect tax on every taxable rental or lease charge that it bills to its lessees. A lessor shall not forgo this collection duty and elect instead to pay sales tax when the lessor buys goods to rent or lease.

(4) Each recurring periodic payment made under a rental or lease agreement shall be treated as a payment for a separate sales transaction in time units defined by the agreement of the parties. Each recurring periodic payment period under an agreement shall be treated as a complete sale for purposes of determining the following:

(A) Whether tax is required to be collected or paid on a periodic payment because of the enactment of a new tax imposition or exemption;

(B) whether a change in the tax rate applies to a periodic payment;

(C) what the appropriate local tax jurisdiction is when the primary property location is changed from one local taxing jurisdiction in Kansas to another; and

(D) what the appropriate state tax jurisdiction is when the primary property location is changed to Kansas from another state or from Kansas to another state.
(5) If a lease or rental agreement does not require recurring periodic payments to be made, the lump-sum payment shall be treated as a complete sale for purposes of applying exemptions, tax rates, sourcing requirements, and other requirements of the sales tax act to the lease payment. No refund claim shall be allowed or assessment issued that is based on an enactment that takes effect after payment but during the term of this type of lease or rental, unless the enactment specifies otherwise.

(6) Each “rent-to-own” or “rental-purchase” agreement that is subject to the Kansas consumer lease-purchase agreement act, K.S.A. 50-680 et seq. and amendments thereto, shall be treated as an operating lease. A reinstatement fee charged under this type of an agreement shall be taxable.

(7) A rental or lease shall not qualify for exemption as an isolated or occasional sale of goods.

(c) Sourcing receipts from operating leases. Each receipt from the lease or rental of goods shall be sourced according to the following:

(1) Classification of the receipt as a down payment, recurring periodic payment, or a single payment for the entire lease or rental period; and

(2) the type of goods being leased or rented.

Each different type of receipt shall be sourced according to K.S.A. 79-3670 and amendments thereto.

(d) Computation of the tax.

(1) Sales tax shall be computed on the total amount of each lease charge billed to the lessee without any deduction for mandatory insurance, damage waiver fees, property taxes, maintenance, service, repair, pickup, delivery, and other handling charges, administrative charges, late payment charges or penalties, reinstatement fees, late return charges, fuel charges, surcharges, and other charges or expenses whether paid by the lessor or lessee. Each of these fees or expenses shall be considered to be part of a taxable lease charge, even when the fee or expense is separately stated on an invoice given to a lessee or when separate contracts are entered into for the rental or lease and for the payment of one or more of these fees or expenses.

(2) All payments of interest, financing, and carrying charges, and any other payment that a lessee makes to reimburse a lessor for the costs or expenses the lessee incurs under the lease, shall be subject to sales tax whether billed as a separate line-item charge or on a separate invoice.

(3) When a rental or lease agreement has been subject to sales tax, sales tax shall apply to any charge made for either of the following:

(A) The cancellation of the agreement; or

(B) the early return of the rented or leased goods.

(4) Each late return charge that is billed for a customer’s failure to return goods to a rental company or other lessor within the agreed-upon rental or lease term shall be treated as a charge for the customer’s continued possession or control of the goods. This charge shall be subject to sales tax regardless of whether the charge meets any of the following conditions:

(A) Is designated a late return charge, a penalty, or a credit charge;

(B) exceeds the standard rental charge; or

(C) is a flat charge that appears to be a fine.

(e) A lessor’s purchase of goods to rent or lease.

(1) Any registered lessor that rents or leases goods may claim that the goods are purchased for resale when the lessee buys goods for the sole purpose of renting or leasing to others.

(2) A lessor that rents or leases equipment or other goods to others shall not claim the equipment or goods are purchased for resale when the lessor buys the equipment or goods if the lessor engages in a service business that does either of the following:

(A) Uses the equipment or other goods to perform services, in addition to renting or leasing the equipment or goods; or

(B) furnishes the equipment or goods to others with an operator.

(3) If a lessor paid tax when it purchased goods, the payment of tax shall not exempt any subsequent charges that the lessor bills for the rental or lease of the goods and shall not entitle the lessor to claim a credit for the taxes paid. Each lessor that is allowed to claim that goods are purchased for resale as provided in paragraph (e)(1) but paid tax on the purchase of the goods in error shall apply to the department for a refund of the tax.

(4) If a lessor that purchased goods solely for rental or lease later withdraws the goods from its rental or lease inventory for its own occasional use and then returns them to its inventory, the lessor shall accrue sales tax on the regular rental amount that the retailer would charge to a customer for use of the goods under a rental or lease agreement.

(f) Purchases of repair services and repair parts.

(1) A lessor’s purchases of repair services and repair parts for incorporation into the goods or equipment that the lessor uses exclusively to rent or lease shall not be considered to be a retail sale. A lessor’s purchases of oil, grease, filters, lubri-
cants, and similar items that are purchased for use in equipment that the lessor uses exclusively to rent or lease shall not be considered to be a retail sale. Sales tax shall be collected on any charges for these items that are separately billed to a lessee.

(2) The sale of repair services, repair parts, oil, grease, filters, lubricants, and similar items to a rental or lease business for use in equipment in its rental or lease inventory shall be a retail sale if the business uses equipment from its inventory to perform services or if the business furnishes equipment from its inventory to others with an operator.

(g) Furnishing equipment with an operator.
(1) Each charge for furnishing equipment with an operator who will use the equipment to perform services shall be taxed as a service rather than a rental or lease and shall be subject to the impositions on services set forth in K.S.A. 79-3603, and amendments thereto.

(2) Each lessor shall charge and collect sales tax on each lease or rental charge that the lessor bills to a lessee who intends to use the equipment being rented or leased to perform services for others.

(3) When a lessee bills a customer for taxable services that it performed using leased equipment, the lessee shall not deduct or otherwise exclude the lease charges that it paid to the lessor when the lessee bills its customer for the taxable services.

(4) Equipment shall be considered to be leased or rented rather than provided with an operator if the only services the lessor provides are setup, inspection, or maintenance services that are performed on the leased equipment itself.

(h) Disposal of rental or lease inventory. When goods that were purchased for rental or lease are sold at retail, the lessor shall collect sales tax on the full selling price without regard to any tax that has been collected and remitted on receipts from the rental or lease of the goods. The sale of any goods that a retailer makes from its rental or lease inventory shall not qualify as an isolated or occasional sale.

(i) Real property considerations.
(1) If a contract for the rental or lease of real property requires goods, including furniture and restaurant equipment, to be provided to a tenant with real property, no sales tax shall be due on any amount that is separately charged to the tenant for the goods. When a business purchases or leases goods to use to furnish or equip an apartment, office, restaurant, or other real property that the business intends to lease or rent, the sale or lease of the goods to the business shall be considered a retail sale or lease, and the business shall pay sales tax on the purchase price or lease charges as the final user of the goods.
(2) Each rental or lease of goods, including computers, typewriters, and word processors, to a person who obtains the exclusive right to use the goods for a fixed term shall be subject to sales tax even though the goods are attached or affixed to real property, unless the goods are being furnished with the rental or lease of a real property as specified in paragraph (i)(1).

(j) Exemptions, discounts, and deductions. Any discount, deduction, or exemption may be claimed when a rental or lease of goods or services is entered into if the same discount, deduction, or exemption would be allowed when the same goods or services are sold at retail. When a lessee that makes recurring periodic payments claims entitlement to a new discount, deduction, or exemption that first takes effect during the term of a lease, any discount, deduction, or exemption may be applied to the periodic payments as provided in paragraph (b)(4).

92-19-57. Sales tax on motor fuels, special fuels, liquefied petroleum, and other fuels. (a) Each sale of motor fuel, special fuel, liquefied petroleum, and any other similar fuel that is subject to a Kansas fuel excise tax shall be exempt from sales tax if a Kansas fuel excise tax has been imposed and the fuel excise tax is not refundable. However, each sale of these fuels shall be subject to sales tax if no Kansas fuel excise tax has been
imposed, unless the sale is specifically exempt under the sales tax act.

(b) Except as provided in subsection (a), each sale of motor fuel, special fuel, liquefied petroleum, and any other similar fuel for use in cooling, refrigerating, or heating for nonresidential or nonagricultural purposes shall be subject to sales tax. Fuel used to power refrigeration units on trucks and trailers, other than fuel used in such units by interstate common carriers, shall be subject to sales tax.

(c) Except as provided in subsection (a), each sale of motor fuel, special fuel, liquefied petroleum, and any other similar fuel for use in aircraft, other than purchases of these fuels by passenger airlines and other interstate common carriers, shall be subject to sales tax. (Authorized by K.S.A. 2001 Supp. 79-3618; implementing K.S.A. 2001 Supp. 79-3602, 79-3606; effective May 1, 1988; amended Dec. 13, 2002.)

**92-19-58. Revenue rulings.** (a) A revenue ruling is a statement of the department of revenue issued to the general public, and is of general application. A revenue ruling interprets the statute and regulation to which the ruling relates and is ordinarily issued in response to newly enacted legislation, recent court decisions and areas of sales tax interpretation and application which affect a large number of taxpayers.

(b) A revenue ruling is general in nature, and is not issued to address a specified set of facts. A revenue ruling shall be measured against each transaction separately and the facts of each transaction shall determine the sales tax consequences to which the ruling applies.

(c) A revenue ruling shall cease to be valid when any one or all of the following occur:

1. The statute or regulation to which the ruling applies is changed in any pertinent part by the Kansas Legislature;
2. A pertinent change in the interpretation of the statute or regulation is made by a court decision;
3. The regulation or interpretation is changed in any pertinent part by a department regulation or revenue ruling, whether the change is accomplished by means of a new regulation or revenue ruling or by means of a revision of an existing regulation or revenue ruling;
4. The department rescinds an outstanding ruling issued prior to any given specified date by issuing a general bulletin or notice in the Kansas register. (Authorized by and implementing K.S.A. 79-3618; effective May 1, 1988.)

**92-19-59. Private letter rulings.** (a) A “private letter ruling” shall mean a statement of the secretary of revenue or the secretary’s authorized agent issued to an individual retailer and shall be of limited application. A private letter ruling interprets the statute or regulation to which the ruling relates. A private letter ruling is issued in response to a retailer’s written request for clarification of the tax statute or regulation relating to a specified set of circumstances affecting the retailer’s collections duties as they relate to a claim of exemption from sales tax.

(b) A retailer, consumer, or other person shall not rely upon a verbal opinion from the department of revenue. Only a written private letter ruling issued to a retailer that concerns the retailer’s collection duties shall bind the department. Each retailer seeking a private letter ruling from the department shall submit a written request for the ruling to the department. The written request shall identify the retailer and state with specificity the facts and circumstances relating to the issue for which the ruling is sought. If insufficient facts are presented with a retailer’s request for a ruling, a private letter ruling shall not be issued by the department. If material facts are misrepresented in a retailer’s request for a ruling, a private letter ruling that is issued by the department shall be of no effect and shall not be binding on the department. Department correspondence that does not state that the correspondence is a “private letter ruling” shall not be considered or otherwise treated as a private letter ruling.

(c) Nothing contained in a private letter ruling shall be construed as altering any provision of the Kansas retailers’ sales tax act or any department regulation or as otherwise meeting any of the following conditions:

1. Having the force and effect of law;
2. Being a notice, revenue ruling, or other tax-policy statement that has been published by the department; or
3. Being a precedent that can be cited or relied upon by any person other than the retailer to whom the ruling is issued, except to identify a ruling that is being relied upon as support for a request for the reduction or waiver of penalty or interest.

(d) If a private letter ruling erroneously instructs an individual retailer that it is not required to collect sales tax under a specific set of facts and circumstances, that retailer shall be absolved of its statutory duty to collect sales tax under a com-
parable set of facts and circumstances, unless the ruling has been rescinded or was based on the retailer’s misrepresentation of material facts. A consumer that did not pay the tax to the retailer shall continue to be liable for the uncollected tax. However, if the consumer belatedly pays or is later assessed the tax, penalty shall be waived, and any interest on the consumer’s late payment may be waived or reduced, upon the consumer’s request unless the consumer misrepresented material facts to either the retailer or the department.

(e) Each private letter ruling shall cease to be valid and shall be deemed to have been rescinded when any one of the following occurs:

(1) A statute or regulation that the department relied upon as a basis for the ruling is changed in any substantive part by the Kansas legislature or department of revenue.

(2) A substantive change in the interpretation of a statute or regulation that the department relied upon as a basis for the ruling is made by a court decision.

(3) An interpretation that the department relied upon as a basis for the ruling is made by a court decision.

(4) “Factoring” shall mean the method used to determine the amount of the tax due when the tax has been collected as an unspecified part of the customer charge. Menus and any billing memorandum given to customers shall also include the statement “sales tax included” or indicate that the price being charged is a tax-included amount.

92-19-61a. Retailers’ responsibility to collect sales tax; presumption of taxability.
(a) Each retailer shall collect the tax imposed by the act from the retailer’s customers. Each retailer who fails or refuses to collect tax that is lawfully due shall be liable for payment of the uncollected tax.

(b) A retailer shall not advertise, hold out, or otherwise state to the public or to any customer either of the following:

(1) The tax will be assumed, absorbed, or paid by the retailer for the customer.

(2) The tax will not be charged, or if the tax is charged and collected, the tax will be refunded.

These two requirements shall not prevent a retailer from billing tax as part of a tax-included charge, if proper notice is given to the customer or public as specified in subsection (d).

(c) Each retail sale shall be presumed to be taxable. If the director establishes that a transaction was a retail sale to a final user or consumer, the retailer shall have the burden to show that the tax was collected from the customer and remitted to the state or that an exemption certificate was secured from the customer that covers the transaction.

(d)(1) Whenever practical, each retailer shall add the tax as a separate line item to the selling price when billing the customers. The initial invoice, bill, charge ticket, sales slip, or other billing memorandum shall separately state the amount of the tax being charged or contain a written statement that tax is included in the price. If the initial billing memorandum fails to reflect tax as a separate line item or to state that tax is included in the price, it shall be presumed that tax was not charged to the customer or collected.

(2) Each retailer who makes large numbers of cash sales and desires to fix a sum for the selling price and applicable tax, including sporting event concessionaires, may charge customers a tax-included amount. The tax collected as part of a tax-included price shall be factored from the total receipts to arrive at the amount of gross receipts to report to the department.

(3) Each retailer who makes tax-included sales in which tax is an unspecified part of the customer charge shall conspicuously post a sign or notice that the customer charges are “sales tax included.” Menus and any billing memorandum given to customers shall also include the statement “sales tax included” or indicate that the price being charged is a tax-included amount.

(4) “Factoring” shall mean the method used to determine the amount of the tax due when the tax has been collected as an unspecified part of the customer charge, including tax-included sales and sales made through vending machines and other coin-operated machines. To calculate gross receipts from a tax-included amount, the total amount of the tax-included receipts shall be divided by one plus the sum of state and local sale tax rates, stated as a decimal. The result of this calculation shall be the gross receipts that are re-
ported on tax returns as the amount that is subject to state and local sales tax.

(e) Taxes collected by retailers shall be deemed to be held in trust until paid to the department. In addition, all funds paid by a customer to a retailer as taxes that exceed the taxes that are actually due shall be refunded to the consumer or, if the funds cannot be refunded, treated as public money that is held in trust for and payable to the state of Kansas.

(f) When billing the Kansas sales tax or use tax, an out-of-state retailer shall identify the tax being charged as Kansas tax, and not the tax of another state. (Authorized by K.S.A. 2001 Supp. 79-3618; implementing K.S.A. 79-3604, 79-3605; effective Aug. 23, 2002.)

92-19-62. Warranties, service and maintenance contracts. (a) Each warranty included in the selling price of tangible personal property which is not charged to the consumer separately from the tangible personal property is subject to sales tax.

(b) Each charge made by a retailer separate and apart from the selling price of the tangible personal property for an optional warranty, extended warranty, service contract, maintenance contract and other similar instruments is subject to sales tax. Each retailer shall collect sales tax on the total charge to the consumer for the contract.

(c) Each service rendered by a retailer, including supplying parts and services, without charge to the consumer under a warranty, maintenance or service contract is not subject to sales tax on the amount of the reimbursement received from the warrantor, whether reimbursement is in the form of money, credit or the replacement of parts used to perform the repair work. However, any charge such as a deductible or similar charge which the consumer is obligated to pay under the warranty, maintenance or service contract is fully taxable, and each retailer shall collect sales tax on the total charge paid by the consumer.

(d) If a retailer does not perform repair services under a warranty, maintenance or service contract, but instead has a third party perform the repairs, the third party's gross receipts received from that retailer are not subject to sales tax. The third party shall secure an exemption certificate from the retailer which states:

(1) that the service performed by the third party was pursuant to a warranty, maintenance or service contract;

(2) that the retailer collected from the consumer sales tax on the total selling price of the warranty, maintenance or service contract; and

(3) the retailer's sales tax registration number.

If a retailer has collected a deductible or similar charge from the consumer, the retailer shall include the amount in the retailer's taxable gross receipts, even though a third party may actually perform the service under the warranty, maintenance or service contract.

(e) Each retailer gratuitously providing parts, services or both to a consumer, is deemed to be the consumer of any materials, parts and third party services used. In this instance, each retailer shall pay sales tax to any third party service provider, report the cost of materials and parts on the retailer's sales tax return, and pay the appropriate sales tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602, K.S.A. 1986 Supp. 79-3603 as amended by L. 1987, Ch. 182, Sec. 108; effective May 1, 1988.)

92-19-63. Limitations. The tax imposed under the sales tax act shall be assessed within three years from the date the return is filed. However, if any person obligated to file a return for taxes imposed under the sales tax act fails to file a return for any reason, the tax may be assessed at any time. A levy or other proceeding to enforce the collection of the tax, penalty and interest may also be commenced at any time. (Authorized by K.S.A. 79-3618; implementing K.S.A. 79-3609; effective May 1, 1988.)

92-19-64. (Authorized by 79-3618; implementing K.S.A. 79-3643; effective May 1, 1988; revoked July 27, 2001.)

92-19-64a. Responsible individuals. (a) Under K.S.A. 79-3643, and amendments thereto, a person may be held liable for sales taxes not paid to the state of Kansas if that person is a responsible individual, and has willfully failed to collect, account for, or pay over to the state the taxes that are due, or has otherwise acted to evade or defeat payment of these taxes.

(b) “Responsible individual” shall mean any person with sufficient status, duties, and authority to have significant control over business finances or the disposition of business funds.

(c) Having one or more of the following factors that establish status, duties, and authority of a person shall be sufficient to establish that the person has significant control over business finances or the disposition of business funds:
supplies do not include tangible personal property
body, and consumed in a single usage. Medical
cures exclusively used in the cure, treatment or diagnosis of an injury, illness or other malady of the human body.

(6) The term "willfully" in K.S.A. 79-3643, and amendments thereto, shall have the same meaning as when the term "willfully" is used in K.S.A. 79-32,107(e), and amendments thereto.

(c) Each retailer whose principal line of business is the retail selling of tangible personal property designed or customarily used for human habitation purposes, or as a means for generally maintaining a quality of life not directly related to the cure, treatment or diagnosis of an injury, illness or other malady of the human body.

(b) "Medical supplies" means tangible personal property specifically designed for and exclusively used in the cure, treatment or diagnosis of an injury, illness or other malady of the human body. Medical equipment does not include equipment designed or customarily used for human habitation purposes, or as a means for generally maintaining a quality of life not directly related to the cure, treatment or diagnosis of an injury, illness or other malady of the human body.

The liability of a responsible individual who acted willfully shall survive the dissolution of a corporation or other business. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

92-19-66. Contractors, subcontractors and repairmen; purchases of material. (a) Sales of building material or other property to contractors, subcontractors or repairmen for use by them in building, constructing, erecting, equipping, furnishing, repairing, servicing, altering, maintaining, enlarging, reconstructing or remodeling shall be taxable. Material used by a contractor, subcontractor or repairman for a project under original construction shall be subject to sales tax. Each contractor, subcontractor or repairman is deemed to be the final user or consumer of material used by the contractor, subcontractor, and repairman in construction projects. Each contractor, subcontractor or repairman shall not give, and each retailer shall not accept, a resale exemption certificate to purchase material without sales tax.

(b) Each contractor, subcontractor or repairman shall be responsible for the payment of sales tax on all materials and supplies purchased for use by the contractor, subcontractor or repairman in erecting structures for others, or for building on, or otherwise improving, altering or repairing real or personal property of others.

(c) Each retailer whose principal line of business is the retail selling of tangible personal property to the final user or consumer, but who also performs contractor services, may purchase material exempt from sales tax for resale purposes. When the retailer engages in a construction project as a contractor and removes material from inventory to perform the project, the retailer shall
report and pay the proper sales tax on the cost of the material on the retailer's sales tax return.

(d) The taxing event shall be deemed to occur at the time a contractor purchases material, or when a retailer who is also a contractor removes material from inventory to perform a construction project. Therefore, bulk purchases of all material by persons who are contractors only, and all material removed from inventory by a retailer to perform a construction project shall be subject to sales tax at the time of purchase or at the time the material is removed from inventory, even though the material may be used in a construction project outside of Kansas. No deduction, exclusion, refund or credit for sales tax shall be allowed when a contractor purchases material in Kansas, or when a retailer who is also a contractor removes material from inventory as a sale in interstate commerce, even though the material may be used in a construction project outside of Kansas. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3603 as amended by L. 1987, Ch. 152, Sec. 108; effective May 1, 1988.)

92-19-66a. (Authorized by 79-3618; implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988; revoked June 26, 1998.)

92-19-66b. Labor services. (a) Each contractor, subcontractor, and repairman shall be responsible for collecting and remitting sales tax on taxable services performed for others, including taxable services performed for other contractors. A contractor, subcontractor, or repairman shall not issue or accept a resale exemption certificate that claims an exemption from sales tax for services being purchased from or sold to another contractor, subcontractor, or repairman.

(b) The taxable base for all contracts involving the application or installation of tangible personal property shall be the difference between the contract price and the cost of material, supplies, and payments to subcontractors, including sales or compensating tax paid by the contractor on the materials, supplies, and subcontractor charges purchased by the contractor to complete the contract.

(c) Each contractor, subcontractor, or repairman who does not separately state the amount of sales tax for services performed in that person's contract, bid estimates, customer billings, or other evidence of the transaction shall state in the document that all applicable sales taxes are included in the selling price. If the statement does not appear in the contract, bid estimate, billing, or other evidence of the transaction, it shall be presumed that the sales tax was not charged to the consumer. Each retailer shall carry the burden of proving that the sales tax was charged to the consumer and properly remitted to the state.

(d) The service of installing or applying tangible personal property in connection with the original construction, which is the first or initial construction of a new building or facility, shall not be subject to sales tax. The erection of a building or facility on a site previously occupied by a building or facility that has been demolished, razed, or dismantled shall be considered to be original construction if the building or facility is totally new, whether or not the old foundation was also demolished.

(e) The service of installing or applying tangible personal property for the addition of an entire room or floor to the exterior of an existing building or facility shall not be subject to sales tax. Any replacement, remodeling, restoration, repair, renovation, or reconstruction done in the interior of an existing building or facility necessary to the construction of an entire room or floor added to the exterior of an existing building or facility shall be considered to be original construction and not subject to sales tax when any of these conditions is met.

(1) Except for the addition of the entire room or floor to the exterior of the building or facility, the work performed inside the existing building or facility would not be necessary.

(2) The work being done in the existing building or facility is necessary to support the addition of the new room or floor being added to the exterior of the building, facility, or the machinery contained therein.

(3) The support to the entire room or floor being added to the exterior of the existing building or facility is the direct causal factor of the construction being performed to the interior of the existing building or facility.

If none of the three requirements can be met, the services performed to the interior of the existing building or facility shall be subject to sales tax, and the cost of services rendered in connection with the entire project shall be allocated between the addition of the new room or floor and the services performed to the interior of the existing
building or facility. Sales tax shall be collected and remitted for that portion of services allocated to those services performed to the interior of the existing building or facility.

(f) Services of installing or applying tangible personal property to complete unfinished portions of newly constructed buildings, facilities, shopping centers, and malls when space within the building, facility, center, or mall is leased or sold to the first or initial tenant of that space shall not be subject to sales tax. Services performed to install or apply tangible personal property for the completion of an unfinished portion of an existing building or facility shall be presumed not to be taxable when all of the following conditions are met.

(1) The service being rendered was called for in the original blueprint, building plan, or building specification at the time original construction of the building or facility was started, including any change orders issued during the original construction of the building or facility.

(2) The completion of the unfinished portion of the building or facility is within a time that is reasonably close to the time of the original construction of the building or facility.

(3) The service rendered would have been performed at the time of the original construction of the building or facility, except for circumstances beyond the owner's control. Those circumstances shall not include instances in which the project is essentially completed and usable for the purposes intended, but the owner merely fell short of funds, or when the owner, after taking possession or occupancy of the building or facility, contracts for additional services.

(4) The owner or occupant is the first or initial owner or occupant of the building or facility.

(g) Sales tax shall not be imposed on the service of installing or applying tangible personal property for the purpose of restoring, reconstructing, or replacing a building or facility damaged or destroyed by fire, flood, tornado, lightning, explosion, or earthquake. This exemption shall not apply to restoration, reconstruction, or replacement of a building or facility due to normal deterioration resulting from the continuous exposure to the elements, or the obsolescence of the building or facility. Each retailer performing a service under this exemption shall secure an affidavit from the owner of the building or facility stating that the building or facility was damaged or destroyed by one or more of the above-mentioned causes.

Each retailer shall retain the affidavit in the retailer's records for three years. The affidavit shall be in substantially the following form:

```
State of Kansas, County of __________________________

ss. __________________________

of lawful age, being first duly sworn, deposes, and states: ______

Subscribed in my presence and duly sworn to before me, this ______ day of ______________, 19______.

(Signature of Notary Public)
```

(h) Services performed to dismantle, demolish, raze, or destroy a building or facility or a portion of a building or facility shall be subject to sales tax. If the services are performed in connection with the original construction of a building or facility, and the building or facility is constructed on the same site, the service of dismantling, demolishing, razing, or destroying the original building or facility shall not be subject to sales tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 79-3603; effective May 1, 1988; amended June 26, 1998.)

92-19-66c. Purchase and lease of tools and equipment. (a) Each contractor, subcontractor and repairman shall be considered the final user or consumer of all tools, equipment and machinery purchased to perform construction services. Sales of tools, equipment and machinery to contractors, subcontractors and repairmen to perform construction services shall be subject to sales tax. With the exception of leases of equipment and machinery by a contractor under a project exemption certificate, leases of tools, machinery and equipment by a contractor to perform construction services shall be subject to sales tax.

(b) Leases of tools, equipment and machinery by a contractor are not exempt from sales tax as an ingredient or component part of the services performed by the contractor, whether the services are taxable or exempt from the sales tax.

(c) Leases of tools, equipment and machinery by a contractor are not exempt from sales tax as consumed in the production of the service performed by the contractor, whether the services are taxable or exempt from the sales tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602, K.S.A. 1986 Supp. 79-3603 as amended by L. 1987, Ch. 182, Sec. 108; effective May 1, 1988.)
amended by L. 1987, Ch. 182, Sec. 108; effective
May 1, 1988; revoked June 26, 1998.)

92-19-66e. Project exemptions. (a) “Proj-
et exemption” means a type of sales tax exemp-
tion that allows a qualifying entity to pass its ex-
empt status through a contractor to suppliers
when the contractor purchases materials for use
in improving the entity’s real property. K.S.A.
79-3606(d), K.S.A. 79-3606(e), and K.S.A. 79-
3606(ec), and amendments thereto, identify the
entities that may qualify for a project exemption.

(b) Project exemptions shall be limited to ex-
empting purchases by contractors for construc-
tion projects performed for qualifying entities
that have secured a project exemption certificate.
Project exemption certificates shall be consid-
ered to provide a specific, limited exemption that
contractors may claim for a single construction
project of limited duration and shall not create an
express or implied agency relationship between
the exempt entity, the contractor, or the suppli-
er. For purposes of this regulation, “contractor”
means the general contractor, subcontractors, and
repairmen, unless the context clearly indicates
otherwise. “Supplier” means retail vendors of con-
struction materials and other building supplies.

(c) Project exemption certificates may be issued
by the department of revenue or by an entity that
has been designated by the secretary of revenue as
an agent of the department for purposes of issuing
the certificates. Only entities that are entitled to
be granted a project exemption under K.S.A. 79-
3606(d) or K.S.A. 79-3606(e), and amendments thereto, may be designated as an agent of the
department for this purpose. Businesses that qualify
for project exemption because of economic devel-
opment laws shall not be granted agency status.
For purposes of this regulation, “contractor”
means the secretary of revenue or that individual’s
designee.

(d) Entities that have not been designated as
agents of the department shall apply to the de-
partment for a project exemption certificate for
each construction project. Upon approval of
the application, a project exemption certificate shall
be issued by the department directly to the entity
making application.

(e) Each application to the department for a
project exemption certificate shall provide the fol-
lowing information:

(1) The exempt entity’s name and address;
(2) the general contractor’s name and address;
(3) the project location, description, and the job
number being assigned to the project by the entity;
(4) the starting date for construction;
(5) the estimated completion date of the proj-
et; and
(6) any additional information required on
forms approved by the department for use in ap-
plying for project exemption.

(f) Requests by an entity for agency status to is-
uue its own project exemption certificates shall be
made on forms issued by the department. Each
entity’s request for agency status shall be approved
or denied in writing by the secretary of revenue.

(g) Each entity that is authorized to issue its
own project exemption certificates shall meet
these requirements:

(1) Use certificate forms that have been ap-
proved by the department;
(2) issue certificates in a numbered sequence;
(3) record each project exemption certificate
number when the certificate is issued;
(4) maintain records that contain the informa-
tion required in subsection (e);
(5) maintain records in a form that is acceptable
to the department; and
(6) establish procedures for releasing the infor-
mation in its records to department auditors.

(h) All records that concern an entity’s issuance
of project exemption certificates shall be made
available to the department for inspection during
normal business hours. Entities that receive au-
thorization to issue their own project exemption
certificates may be required to file quarterly re-
ports with the department. Forms for certifying
the contents of its records on project exemptions
for purposes of the hearsay exception require-
ments of K.S.A. 60-460(m), K.S.A. 60-460(n),
and K.S.A. 60-460(o), and amendments thereto,
shall be made available to authorized entities by
the department upon request. An entity’s autho-
rization to issue project exemption certificates
may be revoked if the entity fails to maintain
proper records, issues certificates for projects
that do not qualify for exemption, refuses to
make information available to the department,
has backdated a project exemption certificate, or
for other good cause.

(i) An entity that is authorized to issue its own
project exemption certificates may issue certifi-
cates only for wholly owned projects. It shall not
issue certificates for joint projects that involve
separate entities, including joint projects between
a municipality and a school, educational institu-
tion, other governmental unit, or a nonprofit corporation. When a project involves two or more entities, the entities shall file a joint application for project exemption with the department.

(j) An entity that issues a project exemption certificate for a project that does not qualify for exemption shall be liable for all taxes that would have otherwise been paid on the project by contractors who worked on the project, together with interest and penalty. Assessments may be issued based on projections of tax liability from material cost records and other records.

(k) When an exempt entity buys construction materials that are billed to and paid for by the exempt entity, the purchases shall be exempt without a project exemption certificate. Only indirect purchases made by an entity’s contractor shall require a project exemption certificate for exemption. Project exemption certificates shall not be issued for direct purchases or for projects that do not involve improvements to real property.

(l) Each exempt entity shall maintain the original project exemption certificate as part of its records and provide photostatic copies to the project’s general contractor for distribution to subcontractors, repairmen and suppliers. Each subcontractor, repairman, or supplier who is presented with a project exemption certificate or who uses one to exempt purchases shall maintain a copy of the certificate as part of its records. Each supplier shall inscribe the project exemption number on invoices or other billing documents issued to contractors, subcontractors, or repairmen and suppliers. Each exempt entity shall maintain the original project exemption certificate as part of its records.

(m) Project exemption certificates shall be considered to operate prospectively. Each certificate shall be issued for a specific project of limited duration and shall contain an expiration date. If an entity qualifies for a project exemption but fails to secure or issue a certificate before purchases for the project are made, contractors shall pay tax on their purchases. An exempt entity that fails to secure or issue a project exemption certificate in time for a contractor to secure exemption from its suppliers shall seek a refund from the department in accordance with subsection (n) and shall not backdate the certificate or refuse to pay the tax to the contractor.

(n) (1) Any exempt entity that fails to secure a project exemption certificate in time for a contractor to secure exemption for part or all of its purchases may apply to the department for permission to seek from its contractors’ suppliers a refund of taxes on sales that would have been exempt had a project exemption certificate been secured in time for its contractors to claim exemption on their purchases. The refund request shall be accompanied by the following documents or shall show the following:

(A) Proof that the project qualified for project exemption; and

(B) affidavits from the contractor, subcontractors, and repairmen verifying the amount of taxes they paid to suppliers on purchases for the project. The affidavit shall be supported by a schedule listing the taxes paid by the contractor, subcontractor, and repairmen; the supplier to whom the taxes were paid; and the date of the sale. Copies of invoices and other documentation that verifies the tax payments listed in the schedule shall accompany the affidavit and schedule. The affidavit shall include a waiver by all contractors, subcontractors, and repairmen that relinquish all claims to the refund.

(2) Each application shall be reviewed by the department. If the department determines that the sales to a contractor, subcontractor, or repairman would have been exempt had a project exemption certificate been obtained before purchases were made, the entity shall be provided with written authorization for the entity to seek a refund from the suppliers for the scheduled taxes paid by the contractors, subcontractors, and repairmen. To secure the refund, the entities shall submit the refund authorization to the supplier under the provisions of K.A.R. 92-19-49a.

(o) Each contractor who makes exempt purchases under a project exemption certificate shall maintain adequate records to show disposition of the materials, supplies, and services that were purchased exempt. Upon completion of an exempt project, each contractor shall furnish a sworn statement to the exempt entity indicating that all purchases made exempt under the project exemption certificate were entitled to exemption under the act. Forms for these affidavits shall be furnished by the department.

(p) A project exemption certificate shall not relieve a contractor from liability for taxes on materials and supplies that are not incorporated or consumed on an exempt project. Any material purchased under a project exemption certificate that has not been consumed or incorporated into...
the project or that has not been returned to the supplier for credit shall be subject to sales tax. Each contractor shall file a return and remit tax on the material directly to the department. This return shall be filed for the reporting period that follows the month in which the contractor determines that the materials or supplies were not used in the exempt project. (Authorized by and implementing K.S.A. 79-3606, 79-3618; effective June 26, 1998.)

92-19-69. Caterers. (a) Each person engaged in the business of catering is a retailer as defined in K.S.A. 1986 Supp. 79-3602(d). Each retailer shall collect sales tax on the total gross receipts received from the sale of food, meals and drinks, other than alcoholic liquor as defined in K.S.A. 41-102 as amended by L. 1987, Ch. 182, Sec. 1 and amendments, and cereal malt beverages as defined in K.S.A. 41-2701 as amended by L. 1987, Ch. 182, Sec. 97, and amendments, unless specifically exempt. Sales tax shall be imposed on the total selling price of the transaction without any deduction or exclusion for labor or services expended, skill, time spent, overhead and other expenses incurred by the caterer in producing the tangible personal property or profit thereon, regardless of how any contract, invoice or other evidence of the transaction is stated or computed, and whether separately billed or segregated on the same bill.

(b) Each amount designated as a service charge added to the price of food, meals or drinks, shall be a part of the selling price of the food, meals or drinks, and shall be included in the total selling price subject to sales tax, even though such charges are made in lieu of tips and are paid over by the retailer in whole or in part to the retailer’s employees.

(c) The gross receipts received by a person holding a temporary permit as defined in K.S.A. 41-2601 as amended by L. 1987, Ch. 182, Sec. 60, from each sale of alcoholic liquor as defined in K.S.A. 41-102 as amended by L. 1987, Ch. 182, Sec. 1 and amendments, and cereal malt beverages as defined in K.S.A. 41-2701 as amended by L. 1987, Ch. 182, Sec. 97 and amendments, upon which no Kansas excise tax has been paid, shall be subject to sales tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602, K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

92-19-71. Mobile phone, cellular phone, beeper and similar services. (a) Sales tax shall be imposed on the gross receipts received from cable, community antenna, subscriber radio and television services. A mobile phone, cellular phone, beeper or other similar services is deemed to be a subscriber radio service. The gross receipts received from mobile phone, cellular phone, beeper and other similar services are subject to sales tax.

(b) Sales tax shall be imposed on the total cost to the consumer without any deduction or exclusion for:

(1) The cost of the property or service sold;
(2) services used or expended;
(3) materials used;
(4) losses, overhead or any other cost or expense; or
(5) profit, regardless of how any contract, invoice or other evidence of the transaction is stated or computed, and whether separately billed or segregated on the same bill.

(c) Sales tax applies to all amounts paid for a mobile phone, cellular phone, beeper or other similar service, regardless of whether there is actual consumption of the service.

(d) Each charge for the use of equipment and facilities furnished in connection with, supplemental to or as an aid in the usage of a mobile phone, cellular phone, beeper or other similar tangible personal property shall be taxable.

(e) Each retailer shall collect sales tax on subscriber radio services which are resold to their customers. Each retailer furnishing a mobile phone, cellular phone or other similar service may purchase the service from the retailer's vendor exempt from sales tax for resale purposes by
furnishing the vendor a Kansas resale exemption certificate.

(f) Each retail sale involving the use or furnishing of a mobile phone, cellular phone, beeper or other similar service shall be considered to have been consummated at the billing address of the subscriber as it appears in the retailer's records. Each retail lease of telecommunication and data processing equipment used in connection with a mobile phone, cellular phone, beeper or other similar service shall be considered to have been consummated at the billing address of the lessee as it appears in the retailer's records. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3603 as amended by L. 1987, Ch. 182, Sec. 108; effective May 1, 1988.)

92-19-72. Retail sales between related entities. (a) Each interdepartmental transfer of tangible personal property and taxable services between various departments of a single legal entity shall not constitute a sale subject to sales tax.

(b) Each transfer of tangible personal property and taxable services between separate legal entities for use or consumption, and not for resale, shall be taxable, even though the entities:

(1) Share common principals or ownership and operations;
(2) share the same business location;
(3) file consolidated income tax returns for federal and state income purposes; or
(4) do not enjoy a profit or expense as a result of the transaction.

When a transaction would be subject to sales tax if the transaction were between two separately owned and operated entities, the commonality of the two entities is irrelevant, and sales tax is imposed on the transaction between the two related entities.

(c) “Separate legal entities” shall mean entities which are recognized as individual entities either in fact or at law. Each transfer of tangible personal property and taxable services between separate legal entities for use or consumption, and not for resale, shall include:

(1) Transfers between individuals and partnerships;
(2) transfers between individuals and corporations;
(3) transfers between individuals and unincorporated associations;
(4) transfers between partnerships and corporations;
(5) transfers between partnerships and unincorporated associations;
(6) transfers between partnerships;
(7) transfers between unincorporated associations and corporations; and
(8) transfers between corporations, whether between sister corporations or parent and subsidiary corporations. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3602; effective May 1, 1988.)

92-19-73. Membership fees and dues. (a) Each public or private club, organization, or business charging dues to members for the use of the facilities for recreation or entertainment shall collect sales tax on the gross receipts received from the dues, except for the following:

(1) Clubs and organizations that are exempt from property tax pursuant to the “eighth” paragraph of K.S.A. 79-201 and amendments thereto, including the American legion, the veterans of foreign wars, and certain other military veterans’ organizations;
(2) clubs and organizations that are exempt from property tax pursuant to the “ninth” paragraph of K.S.A. 79-201 and amendments thereto, including the Y.M.C.A., Y.W.C.A., Boy Scouts, Girl Scouts, and certain other humanitarian community service organizations; and
(3) nonprofit organizations that support nonprofit zoos, if the organization is exempt pursuant to section 501(c)(3) of the federal internal revenue code of 1986 and the dues are used to support the operation of the zoo.

(b)(1) “Dues” means any charge that is a debt owed to the club, organization, or business by an existing member or prospective member in order for the member or prospective member to enjoy the use of the facilities of the club, organization, or business for recreation or entertainment, and, except as provided in paragraph (b)(2), shall include periodic or one-time special assessments, initiation fees, and entry fees charged to members by a nonprofit club or organization if a member’s continued nonpayment of the assessment or fee will result in the loss of membership or membership rights.

(2) Dues shall not include the redeemable amount of a contribution required for membership in an equity country club or other equity entity organized for recreation or entertainment in which none of the net earnings inure to the benefit of any shareholder or other person, in-
cluding organizations described by I.R.C. 501(c)(7), if the club or organization is obligated to repay the redeemable amount of the contribution, and the redeemable amount either is reflected as a liability owed to the member on the club’s or organization’s books and records or is required to be repaid to the member under a written contract. The repayment obligation may be conditioned upon the club’s or organization’s receipt of a membership contribution from a new member. The redeemable amount of a contribution required for membership shall include payments made by a member or prospective member for membership stock, certificates of membership, refundable deposits, refundable capital improvement surcharges, refundable special or one-time assessments, or similar membership payments in an amount equal to the amount that the club or organization is obligated to repay to the member. These payments to a club shall not be considered redeemable contributions if the club’s repayment obligation is contingent solely on a club ceasing its operations as a nonprofit social organization sometime in the future.

(3) If all or part of a redeemable contribution paid to acquire or retain membership ceases to be carried as a liability on the books and records of a club that continues operation, or its successor, and the contribution has not been redeemed by a former member or former member’s estate, the amount of the contribution that is no longer carried as a liability and can no longer be redeemed shall be subject to sales tax.

(c) “Recreation or entertainment” means any activity that provides a diversion, amusement, sport, or refreshment to the member. This term shall include the health, physical fitness, exercise, and athletic activities identified in K.A.R. 92-19-22b.

(d) An exemption for gas, fuel, or electricity shall not be allowed for a public or private club, organization, or other business that charges dues to members if the gas, fuel, or electricity is utilized for heating, cooling, or lighting a building, facility, or other area that is used for recreation or entertainment. An exemption shall not be allowed for water, cleaning supplies, toilet supplies, sanitary supplies, and other consumables and supplies that are used by a public or private club, organization, or other business that enable dues-paying members or others to use the building or facility for recreation or entertainment. These exemptions shall not be allowed regardless of whether the business charges dues-paying members or others for admission or for participation in sports, games, or recreation. (Authorized by K.S.A. 2009 Supp. 75-5155 and K.S.A. 2009 Supp. 79-3618; implementing K.S.A. 2009 Supp. 75-5155, K.S.A. 2009 Supp. 79-3603 as amended by L. 2010, ch. 160, sec. 1 and K.S.A. 2009 Supp. 79-3618; effective May 1, 1988; amended July 27, 2001; amended April 1, 2011.)

92-19-74. Accounting periods; monthly filing of returns. Each retailer whose total tax liability exceeds $1600.00 in any one calendar year shall file a sales tax return on or before the twenty-fifth day of every calendar month, regardless of the accounting method employed by the retailer. Because all accounting periods end within a calendar month, a sales tax return shall be filed no later than the twenty-fifth day of the month following the month in which the accounting period ends. If there is a calendar month in which two accounting periods end, the tax return for that month shall include all retail sales made during both of these accounting periods. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 3607; effective May 1, 1988.)

92-19-75. (Authorized by 79-3618; implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988; revoked July 27, 2001.)

92-19-76. Sales to political subdivisions of the state of Kansas. (a) All direct purchases of tangible personal property and taxable services by a political subdivision of the state of Kansas shall be exempt from sales tax, unless otherwise provided by law.

(b) To qualify as a direct purchase, each bill, invoice, contract or other evidence of the transaction shall be made out in the name of the political subdivision which qualifies for an exemption under the act, and each payment shall be made on the check, warrant or voucher of that political subdivision.

(c) All sales of tangible personal property or taxable services made to and paid for by an agent, employee or other representative of a political subdivision shall be subject to sales tax, unless expressly authorized under a project exemption certificate issued by the department of revenue, even though the same purchase would have been exempt from sales tax had the political subdivision directly purchased the tangible personal property.
or service. Any contractual arrangement or understanding between an agent or employee and a political subdivision shall not be recognized by the department, and the retailer shall charge and collect the sales tax on the total selling price of tangible personal property or service, even though:

(1) The agent or employee may be on official business on behalf of the political subdivision;
(2) is on a per diem from the political subdivision;
(3) is on an expense account, allowance or shall otherwise be reimbursed by the political subdivision; or
(4) has or will receive monies, credits or other assets from the political subdivision to pay for the transaction.

(d) The exemption from sales tax for political subdivisions applies only to the extent the political subdivision is not engaged nor proposes to engage in the business of furnishing gas, water, electricity or heat to others and the tangible personal property or taxable services are used or proposed to be used in such business. When a political subdivision is engaged or proposes to engage in furnishing any of these four businesses, the political subdivision shall pay sales tax on all purchases of tangible personal property and taxable services used in these businesses. Nothing under this section of the act shall be construed to limit other exemptions which may be available to a political subdivision which furnishes gas, water, electricity or heat. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

92-19-77. Sales to the United States, its agencies and instrumentalities. (a) All direct purchases made by the United States, its agencies or instrumentalities for the use of the United States, its agencies or instrumentalities shall not be taxable except when the United States has provided by federal statute that a particular agency or instrumentality shall be subject to a state’s tax laws.
(b) To qualify as a direct purchase, each bill, invoice, contract or other evidence of the transaction shall be made out in the name of the United States, its agency or instrumentality, and payment shall be made on a federal check, warrant or voucher.
(c) Sales of tangible personal property or taxable services made to and paid for by an agent, employee or other representative of the United States, its agencies or instrumentalities shall be taxable, even though the same purchase would have been exempt from sales tax had the United States, its agency or instrumentality directly purchased the tangible personal property or services. Contractual arrangements or understandings between an agent or employee and the United States, its agencies or instrumentalities shall not be recognized by the department, and the retailer shall charge and collect the sales tax on the total selling price of tangible personal property or services, even though the agent or employee:

(1) is on official business on behalf of the United States, its agencies or instrumentalities;
(2) is on a per diem;
(3) is on an expense account, allowance or shall otherwise be reimbursed by the United States, its agencies or instrumentalities; or
(4) has or shall receive monies, credits or other assets from the United States, its agencies or instrumentalities to pay for the transaction.
(d) All sales of tangible personal property and taxable services sold to national banks, federal savings and loans and federal credit unions shall be subject to Kansas sales tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective May 1, 1988.)

92-19-79. Oil, gas and water wells. (a) Sales of drilling materials or other property incorporated into an oil, gas or water well to contractors, subcontractors or repairmen for use by them in original construction projects including drilling, equipping, furnishing, repairing, servicing, altering, maintaining, enlarging or redrilling shall be subject to sales tax. Each contractor shall be considered the final user or consumer of materials used by them in the construction projects. A contractor, subcontractor or repairman shall not give, and retailers shall not accept, a resale exemption certificate to purchase the materials without sales tax.
(b) Each contractor, subcontractor or repairman shall be responsible for the payment of sales tax on all materials and supplies which are purchased for use by them in drilling, redrilling, or otherwise improving, altering or repairing oil, gas or water wells for others.
(c) Each contractor, subcontractor or repairman shall be responsible for collecting sales tax on taxable services performed for others, including taxable services performed for other contractors. A contractor, subcontractor or repairman shall not purchase or sell services exempt from sales tax under a resale exemption certificate.

(d) The taxable base for all contracts involving the application or installation of tangible personal property shall be the difference between the contract price and the cost of material, supplies and payments to subcontractors, including sales or compensating tax paid by the contractor on the materials, supplies and subcontractor charges purchased by the contractor to complete the contract.

(e) Contractors, subcontractors or repairmen who do not separately state the amount of sales tax for their services in the contract, bid estimate or customer billing shall include a statement in the document in substantially the following form: “All applicable sales taxes are included in the selling price.” If the statement does not appear in the contract, bid estimate, billing or other evidence of the transaction, it shall be presumed that the sales tax was not charged to the consumer. If a statement does not appear on the document, the retailer shall carry the burden of proving that the sales tax was charged to the consumer and properly remitted to the state.

(f) The service of installing or applying tangible personal property in connection with original construction that is the first or initial construction of a new oil, gas or water well shall not be subject to sales tax. “Original construction” of an oil, gas or water well means all services performed by a contractor through the date of completion of the well. Any service performed in or on oil, gas or water wells other than as set forth herein shall be subject to sales tax. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1986 Supp. 79-3603 as amended by L. 1987, Ch. 182, Sec. 108; effective May 1, 1988.)

92-19-82. Direct pay permits. (a)(1) “Certificate,” as used in this regulation, shall mean a direct payment certificate issued by the department to a permit holder that explains direct pay authority to retailers and can be provided to retailers in lieu of a direct pay permit.

(2) “Department” shall mean the Kansas department of revenue.

(3) “Kansas sales and use tax laws” shall mean the following:
(A) Chapters 36 and 37 of article 79 of the Kansas statutes annotated, and amendments thereto;
(B) K.S.A. 12-187 et seq., and amendments thereto; and
(C) articles 19, 20, and 21 of these regulations.

(4) “Permit” shall mean a direct payment permit issued by the secretary that, under K.S.A. 79-3619 and amendments thereto, allows the holder of the permit to accrue and pay state and local sales and use taxes directly to the department of revenue.

(5) “Secretary” shall mean the secretary of revenue or the designee of the secretary.

(b) Application for permit. Each application for a permit shall be submitted in writing to the secretary. The application shall contain the applicant’s name, address, and sales and use tax account numbers, the location of the place or places of business for which direct payment of tax will be made, the business’s standard industrial classification number or its equivalent, and any other information prescribed by the secretary.

(c) Qualification process and requirements.
(1) Each applicant for a permit shall demonstrate the applicant’s ability to comply with the Kansas sales and use tax laws. The applicant shall provide a description of the applicant’s accounting system and shall demonstrate that the system calculates the correct amount of state and local tax.

(2) The applicant shall provide documentation of at least one of the following:
(A) The applicant makes annual purchases of at least $1 million of tangible personal property for business use and not for resale.
(B) The applicant purchases substantial amounts of property for business use under circumstances that normally make it difficult or impractical at the time of purchase to determine
whether the property will be subject to or exempt from sales or use tax.

(3) The applicant shall provide a statement that explains the business purpose for the permit and demonstrates how the grant of direct payment authority will meet one or more of the following criteria:

(A) Insure tax compliance;
(B) reduce the administrative work needed to determine taxability, or to collect, verify, calculate, or remit tax;
(C) improve compliance with Kansas tax laws;
(D) provide accurate compliance if the determination of taxability of the item is difficult or impractical at the time of purchase;
(E) more accurately calculate tax using new or electronic business processes, including electronic data interchange, evaluated receipts settlement, and procurement cards; or
(F) more accurately determine and calculate tax, based on a showing that the applicant has significantly automated or centralized its purchasing or accounting processes and that the applicant’s business activities require it to comply with the laws and regulations of multiple state and local jurisdictions.

(4) Within 90 days of the date the secretary receives the application, the applicant shall be notified by the secretary of whether the permit is granted or denied or whether a conference shall be scheduled because additional documentation is required to complete the review.

(d) Recordkeeping requirements. Each permit holder shall maintain records necessary to determine the correct tax liability. These records shall be made available upon request by the secretary pursuant to K.S.A. 79-3610 and K.S.A. 79-3611, and amendments thereto. Books and records shall be retained in accordance with K.S.A. 79-3609, and amendments thereto, and K.A.R. 92-19-4b.

(e) Tax reporting. Each permit holder shall accrue and pay tax directly to the department for all taxable transactions on which direct payment authority applies or is claimed by the permit holder. The tax shall be reported on forms prescribed by the department. The tax owed shall be due and payable on the next tax return due following the date on which a determination of taxability is made, or in the exercise of reasonable care should be made, for a given transaction, unless otherwise provided by written agreement between the taxpayer and the department.

(f) Certain transactions not permitted. A permit holder shall not use the permit in connection with the following purchases:

(1) Taxable meals or beverages;
(2) taxable lodging or services related to lodging;
(3) admission to places of amusement, entertainment or athletic events, and charges for use of amusement devices;
(4) memberships, dues, fees, or other similar charges paid to private and public clubs or other organizations;
(5) taxable fees to participate in sports, games, and other recreational activities;
(6) motor vehicles, aircraft, boats, and other tangible personal property required to be licensed or titled with any taxing authority;
(7) telephone or telegraph services, subscriber television or radio services, telephone answering services, mobile phone services, beeper services, and other similar services;
(8) real property construction services taxable under K.S.A. 79-3603, and amendments thereto; and
(9) any other purchases prescribed by the secretary or agreed to by the permit holder and the secretary.

(g) Permit holder duties. The permit holder shall provide a copy of the permit or certificate to each vendor from whom the holder purchases tangible personal property or services, other than to those identified in subsection (f). Once presented, a permit holder shall not be required to pay the tax to the vendor as prescribed by the Kansas sales and use tax laws, and the vendor who retains the permit or certificate as part of the vendor’s records shall not be required to collect sales tax. The permit holder shall accrue and pay the tax directly to the department on all taxable transactions not taxed at the time of the sale. A vendor who has been presented a permit or certificate may rely on the permit or certificate until it is withdrawn by the permit holder or notice is otherwise given that the authority has been withdrawn. If the secretary and permit holder agree in writing, the permit holder may maintain accounting records in sufficient detail to show in summary, and in respect to each transaction, the amount of sales and use taxes paid to vendors who have been not been asked to honor a permit or certificate for each reporting period.

(h) Vendor responsibilities. Receipt and maintenance of a copy of a direct payment permit or certificate shall relieve the vendor of the responsibility to collect tax on sales made to a permit hold-
er on qualifying transactions. Each vendor who makes sales upon which the tax is not collected because of this regulation shall maintain records that identify each sale, the amount of the sale, and the purchaser. The vendor's receipts from these sales shall not be subject to the tax levied under the Kansas sales and use tax laws.

(i) Local taxes. Each permit holder who makes taxable purchases of tangible personal property or services shall report and pay the applicable state and local tax on the purchases. A permit holder shall not use a permit as a device to defer payment of tax on purchases, or to avoid accruing and paying local sales tax to the appropriate local taxing jurisdiction pursuant to the local sales tax statutes.

(j) Revocation of permit.

(1) A direct payment permit shall not be transferable, and its use shall not be assigned to third parties, including contractors. A permit may be revoked by the secretary at any time if the secretary determines that the holder has not complied with the provisions of the law or that revocation is in the best interest of the department. The department's interests shall include increased audit expenses caused by permits, including larger staff, additional travel expenses, and adoption of new systems for tax reporting and auditing. The written notice of revocation shall be effective at the end of the direct payment permit holder's next reporting period.

(2) If a business is reorganized but ongoing business operations are unchanged, the new entity shall be allowed 120 days to apply for a new permit. During the 120-day period, the previous permit shall remain in effect.

(3) Each person whose permit is voluntarily forfeited or is revoked by the department shall return the permit to the department and shall immediately notify all vendors from whom purchases of taxable items are made, advising them that the permit and any certificates are no longer valid and should not be honored. Failure to give this notification shall be a violation of K.S.A. 79-3651(c) and amendments thereto. (Authorized by K.S.A. 79-3636; implementing K.S.A. 2001 Supp. 79-3633; effective April 18, 2003.)

92-19-201. Refund of sales tax paid upon food; definition of domicile; residency requirement; temporary absence.

(a) “Domicile” shall mean that place where a person resides, where the person has an intention to remain, and to which that person intends to return following any absence.

(b) Each claimant shall have maintained a domicile within the state of Kansas and resided within the state of Kansas during the entire year preceding the year in which the claim is filed to be eligible for a food sales tax refund.

(c) For purposes of the food sales tax refund program, a claimant shall be domiciled in this state if the claimant resides in this state and maintains the principal home within this state.

(d) A temporary absence from the domicile shall not disqualify a claimant for a refund. A seasonal absence or absence of a reasonable duration shall constitute a temporary absence. (Authorized by K.S.A. 79-3636; implementing K.S.A. 2001 Supp. 79-3633; effective April 18, 2003.)

92-19-202. Refund of sales tax paid upon food; right of representative to make a claim
on behalf of claimant. (a) Each individual filing a refund claim as a legal guardian or conservator of a claimant shall include with the claim an attested copy of the court order granting the power to act as a legal guardian or conservator for the claimant. A refund claim filed pursuant to the authority of a legal guardian or conservator shall be denied unless a copy of the court order granting the power to act as a legal guardian or conservator for the claimant is included with the refund claim.

(b) Each individual filing a refund claim as an attorney-in-fact for a claimant shall include with the claim a written document stating that an attorney-client relationship with the claimant exists. A refund claim filed pursuant to an authority of a power of attorney shall be denied unless a copy of the duly executed power of attorney for the claimant is included with the refund claim.

(c) An individual may file a refund claim on behalf of the claimant if the individual completes and includes with the claim an affidavit in support of the demand for a food sales tax refund on a form prescribed by the director of taxation. (Authorized by K.S.A. 79-3636; implementing K.S.A. 79-3634; effective April 18, 2003.)

92-19-203. Refund of sales tax paid upon food; death of claimant subsequent to filing claim; disbursement of refund. (a) If a claimant dies after timely filing a refund claim and a member of the household survives, the surviving member shall submit an affidavit of membership in the claimant’s household and either a copy of the claimant’s death certificate or other proof of the claimant’s death to the director before receiving a disbursement.

(b) If a claimant dies after timely filing a refund claim and was the only member of the household, the individual appointed as executor or administrator of the claimant’s estate shall submit an attested copy of the court order appointing that individual as executor or administrator and either a copy of the claimant’s death certificate or other proof of the claimant’s death to the director of taxation before receiving a disbursement. If an executor or administrator has not been appointed and qualified, an heir at law shall submit an affidavit of heirship and either a copy of the claimant’s death certificate or other proof of the claimant’s death to the director of taxation before receiving a disbursement. (Authorized by K.S.A. 79-3636; implementing K.S.A. 79-3634; effective April 18, 2003.)

Article 20.—COMPENSATING TAX

92-20-1. Purposes. The Kansas compensating (use) tax act, as amended, supplements the Kansas retailers’ sales tax act by imposing a like tax for the privilege of using, storing, or consuming within this state tangible personal property purchased at retail or for the privilege of utilizing taxable services within this state and in respect to which neither sales tax nor use tax of four percent or more has been imposed on property or taxable services by this state or any other state. (Authorized by K.S.A. 79-3707; implementing K.S.A. 79-3702, 79-3703 as amended by L. 1986, Ch. 386, Sec. 3, 79-3704; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987.)

92-20-2a. Transactions on which tax applies. Each person storing, using, or otherwise consuming personal property in this state is liable for the compensating tax regardless of whether the property was purchased or leased within or without this state. Unless the storage, use, or consumption of the property is exempt from compensating tax by K.S.A. 79-3704 and amendments thereto, each person shall be liable until the tax is paid to the state or collected by a retailer registered under the sales or compensating act. (Authorized by K.S.A. 79-3707; implementing K.S.A. 79-3703 as amended by L. 1986, Ch. 386, Sec. 3; effective May 1, 1987.)

92-20-3. Sales tax rules and regulations also apply to compensating tax. Each Kansas retailers’ sales tax rule and regulation relating to enforcement, collection, and administration, which are compatible to compensating tax rules and regulations, shall also apply to the enforcement, collection and administration of the Kansas compensating (use) tax act. (Authorized by K.S.A. 79-3707; implementing K.S.A. 79-3702, 79-3703 as amended by L. 1986, Ch. 386, Sec. 3, 79-3704; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987.)

92-20-4. Purchase price, consideration, trade-ins. The actual cost of transportation from the place where the article was purchased to the
person using the same in this state is taxable as a part of the consideration and purchase price. Transportation costs mean freight, express, parcel post, or other hauling charges. It shall include charges for crating, packing and preparing tangible personal property for shipment.

The tax is applicable to the full amount of the contract in case of installment, conditional, or credit sales or purchases as the full amount is deemed to be contracted to be paid. Interest, finance or carrying charges on installment purchases are not a part of the purchase price and not taxable when such charges are separately made and so shown by the seller on invoices rendered the purchaser.

Discounts allowed by the seller and taken by the purchaser, shall be deducted in determining purchase price.

An amount equal to the allowance given for the trade-in of property on a sale shall be deducted in arriving at the purchase price.

A manufacturer's excise tax imposed by the federal government, paid at the source by the manufacturer, is a part of the purchase price and is taxable, even though the seller may segregate this tax on the sale invoice. (Authorized by K.S.A. 79-3702, 79-3703, 79-3707, K.S.A. 1971 Supp. 79-3602; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987.)

92-20-5. Payment of tax. Each registered retailer as defined by this act shall collect from the consumer or user at the time of sale of tangible personal property or at the time of the furnishing of taxable services the full amount of the tax imposed by this act. The tax shall be a debt from the purchaser to the retailer and shall be added to the original purchase price. The tax is recoverable at law in the same manner as other debts. It is not to be absorbed by the registered retailer as part of the purchase price.

If the registered retailer fails to collect from the consumer or user the full amount of the tax, then the person using, consuming or storing taxable personal property in this state or utilizing taxable services furnished in this state shall file a return and pay the tax as required by K.S.A. 79-3706 and amendments thereto. (Authorized by K.S.A. 79-3707; implementing K.S.A. 79-3702, 79-3703 as amended by L. 1986, Ch. 356, Sec. 3, 79-3704, 79-3705, 79-3706; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987.)

92-20-6. Filing of returns. Each registered retailer shall, on or before the 25th day of each month, file a return with the director on forms furnished by the director. The return shall cover the sale of tangible personal property or the providing of taxable services subject to the Kansas compensating (use) tax sold for use, storage, or consumption or provided within this state during the preceding reporting period in which the sales or use occurred as prescribed in K.S.A. 79-3607 and amendments thereto.

The registered retailer or user shall remit, with the return, four percent of the total amount charged on all sales of tangible personal property or furnishing of taxable services to the purchaser, including transportation and other incidental charges. If transportation charges cannot be included or collected by the retailer, the purchaser shall pay the tax directly to the state.

Each individual or person who purchases tangible personal property or receives services furnished subject to the tax imposed by K.S.A. 79-3703 and amendments, for which the tax is not collected by the seller, shall file a return with the director as prescribed in K.S.A. 79-3607 and amendments thereto. The return shall show in detail the total purchase price of tangible personal property used, stored, or consumed by the person or the value of taxable services received within the state during the reporting period subject to the tax, with such other information as the director may deem proper. Each person making an individual return as a purchaser or consumer shall remit four percent of the purchase price, including transportation and other incidental charges with the return.

92-20-7. Registration of out-of-state retailers; collection of tax by retailers. (a) A retailer shall be deemed to be doing business in this state when engaged in business within this state under, but not limited to, any of the following methods of transacting business:

1. Maintaining directly, indirectly, or through a subsidiary, an office, distribution house, sales house, warehouse or other place of business;
2. having an agent, salesperson, or solicitor operating within the state under the authority of the retailer or its subsidiary, regardless of whether the agent, salesperson or solicitor is located in this state permanently or temporarily, or whether the retailer or subsidiary is qualified to do business within this state; or
3. soliciting orders within this state through catalogues or other advertising media.

The director shall require an out-of-state retailer to apply for authority to collect and remit the tax.

Each retailer shall be deemed to have agents in this state even though the agents solicit sales intermittently, e.g. once a year or oftener, and regardless of the residency of the agent.

(b) Each retailer doing business in this state shall register, collect and remit the compensating (use) tax on tangible personal property sold for use, storage or consumption in this state, by any agent, salesperson, representative, trucker, peddler, or canvasser, regardless of whether:

1. Sales are made on their own behalf or on behalf of the retailer;
2. delivery and collection is made by the agent, salesperson, representative, trucker, peddler, or canvasser;
3. the property is shipped and collection is made by the retailer.

(c) Each salesperson, representative, trucker, peddler, canvasser, or agent shall collect the tax from the purchaser, if full collection is made from the purchaser, and remit the tax to the registered retailer. Each salesperson, representative, trucker, peddler, canvasser, or agent authorized by the retailer to make full collection from the purchaser shall be issued a compensating (use) tax registration identification card bearing the account identification number issued to the out-of-state retailer. Each salesman, representative, trucker, peddler, canvasser, or agent shall carry upon their person this identification card and shall show it to the purchaser as proof of authority to collect the compensating (use) tax.

(d) Each holder of a certificate of registration shall indicate the account identification number found on the certificate on each billing or invoice. The retailer shall bill the compensating (use) tax due, as a separate item, on each billing or invoice. The registered retailer shall give each purchaser a receipt for each remittance of compensating (use) tax paid to the retailer. Each receipt of remittance shall be proof the purchaser has paid the compensating (use) tax. The billing shall be in substantially the form as shown:

Merchandise: .................................................. $_____
4% Kansas compensating (use) tax: .................................. $_____
Kansas registration number: ..............................................

If the registered vendor maintains two or more locations from which tangible personal property may be invoiced, shipped and delivered into the state of Kansas, duplicate certificates of registration shall be issued for each location.

(e) Each retail seller is required to report, collect and remit compensating (use) tax to the state of Kansas if:

1. Tangible personal property is purchased for use, storage, or consumption in the state of Kansas;
2. the seller is a retailer doing business in the state of Kansas;
3. delivery is made in the state of Kansas; and
4. use, storage or consumption is subject to the compensating (use) tax. Each registered retailer shall collect the tax even when the purchaser’s order specifies that the goods are to be manufactured or procured by the seller at a point outside the state of Kansas and shipped directly to the purchaser from the point of origin. It is immaterial that the contract of sale is closed by acceptance outside the state or that the contract is made before the property is brought into the state of Kansas. (Authorized by K.S.A. 79-3707; implementing K.S.A. 79-3702, 79-3704, 79-3705, 79-3706, 79-3708; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1987.)

92-20-8. Delivery. Delivery is held to have taken place in this state (1) when physical possession of tangible personal property is actually transferred to the buyer within this state or (2) when the tangible personal property is placed in the mails at a point outside this state directed to the buyer within this state or placed on board a carrier at a point outside this state, (or shipped otherwise) and directed to the buyer in this state. (Authorized by K.S.A. 79-3703, 79-3707; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972.)
92-20-9. Application for certificates. (a) Each retailer doing business in the state of Kansas shall apply for a certificate of registration. Each application shall be on a form prescribed by the director of taxation and shall include the following information:

1. The name of the person, firm or corporation to whom the certificate is to be issued;
2. The address of the location of each business;
3. If the applicant is a corporation, the name and address of each officer;
4. If the applicant is a partnership, the name and address of each partner;
5. The name of the owner, if the applicant is an individual owner;
6. The date when the applicant will begin selling tangible personal property subject to the Kansas compensating (use) tax;
7. The name and address of each office, warehouse, or other place of business in Kansas, either owned or leased by the applicant or the applicant’s subsidiary;
8. The name and address of each agent, representative, or salesperson of the applicant operating in the state of Kansas, either temporarily or permanently; and
9. The name and address of each out-of-state location from which tangible personal property will be delivered to purchasers in Kansas and from which billing for merchandise will be made.

(b) Each application shall be completed and mailed to the director of taxation, state office building, Topeka, Kansas. The director shall issue each registration certificate without cost to the applicant. (Authorized by K.S.A. 79-3704, 79-3707; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972.)

92-20-12. Sales tax exemptions also apply to compensating tax. The compensating tax does not apply in respect to the use, storage, or consumption of any article of tangible personal property or the furnishing of taxable services brought into or used within the state of Kansas if such article of tangible personal property or taxable services would not have been subject to the tax under the provisions of the retailers’ sales tax act of this state if purchased or utilized in this state. (Authorized by K.S.A. 79-3704, 79-3707; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972.)

92-20-13. Property formerly used in another state. When property purchased in another state and used outside the state of Kansas is later brought into the state of Kansas for use, storage, or consumption, it will be presumed that compensating or use tax shall apply unless the purchaser conclusively establishes the following conditions:

1. When purchased, the property was intended for bona fide use outside the state of Kansas;
2. The first actual use of the property was outside the state of Kansas; and
3. The first actual use of the property was substantial and constituted the primary use for which the property was purchased.

Each purchaser has the burden of proving these facts to the satisfaction of the director of taxation. (Authorized by and implementing K.S.A. 79-3702, K.S.A. 1986 Supp. 79-3703, 79-3704; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1988.)

92-20-14. Purchases other than at retail; property used in processing. The test of a retail purchase is the purpose for which the purchase is made. Purchases for final use, storage, or consumption are retail purchases as distinguished from purchases for resale. The status of the seller is not a controlling factor; purchases at retail may be made from so-called retailers, or from jobbers, wholesalers, manufacturers, compounders, processors or other middlemen, or producers. The important consideration is whether the purchase is made for final use, storage or consumption. Tangible personal property brought into the state for resale is not subject to the tax. Tangible personal property stored for the purpose of resale is not subject to the tax. Tangible personal property stored for subsequent use solely outside the state is not subject to the tax.
Tangible personal property shipped or brought into the state for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state is not subject to the tax. (Authorized by K.S.A. 79-3702, 79-3704, 79-3707; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972.)

92-20-15. Property already subjected to sales or use tax. The sale or use of property on which the state of Kansas or any other state of the United States has imposed sales or use tax equal to or greater than four percent (4%) is exempt from the tax. However, this exemption shall be denied if a tax paid in another state was not legally due and owing.

The sale or use of property on which the state of Kansas or any other state of the United States has imposed a sales or use tax at a rate of less than four percent (4%) is taxable at a rate determined by the difference between four percent (4%) and the rate of tax previously imposed.

Taxes imposed as a privilege tax which do not attach to the selling price of tangible personal property by law shall not be allowed as a credit against Kansas compensating (use) tax. (Authorized by K.S.A. 79-3707; implementing K.S.A. 79-3704, 79-3705; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; amended May 1, 1987.)

92-20-16. Railroads—interstate commerce. All tangible personal property purchased out of the state and brought into the state of Kansas for use, storage, or consumption by railroads is subject to the tax in the same manner as is tangible personal property brought into the state by other firms, persons, or corporations, except as exempted herein.

Rolling stock, including locomotives, engines and cars of all kinds purchased by railroads in another state and brought into Kansas for movement in interstate commerce are exempt.

All repair parts and replacement materials or parts brought into and stored in the state of Kansas which become a part of the aircraft or flight equipment operating in interstate commerce, are exempt.

“Aircraft” when used herein, means airplanes or any vehicle used for air navigation. “Flight equipment” means any apparatus or accessories that are attached to or become a part of the aircraft. (Authorized by K.S.A. 79-3704, 79-3707; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; amended Jan. 1, 1972.)

92-20-17. Airlines—interstate commerce. Any airline engaged in the transportation by aircraft of persons or property in interstate common carrier transportation shall be deemed to be a “public utility” as used in section 79-3704(a) of the act.

All tangible personal property purchased out of the state and brought into the state of Kansas for use, storage, or consumption by such airlines is subject to the tax in the same manner as is tangible personal property brought into the state by other firms, persons, or corporations, except as exempted herein.

All aircraft and flight equipment brought into the state for use in interstate transportation, including equipment to be installed in such aircraft, shall be exempt.

All repair parts and replacement materials or parts brought into and stored in the state of Kansas which become a part of the aircraft or flight equipment operating in interstate commerce, are exempt.

“Flight equipment” when used herein, means airplanes or any vehicle used for air navigation. “Aircraft” when used herein, means airplanes or any vehicle used for air navigation. “Flight equipment” means any apparatus or accessories that are attached to or become a part of the aircraft. (Authorized by K.S.A. 79-3704, 79-3707; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; amended Jan. 1, 1972.)

92-20-18. Motor carriers—interstate commerce. Motor carriers authorized by the interstate commerce commission as common carriers and engaged in the transportation of persons or property shall be deemed to be a public utility within the meaning of the term “public utility” as used in section 79-3704 (a) of the act.

Charges for labor services rendered to common carriers authorized to engage in interstate commerce by the interstate commerce commission for the servicing, maintenance, or repair of rolling stock including buses and trailers are taxable.

All tangible personal property purchased out of the state and brought into the state of Kansas for use, storage, or consumption by common carriers is subject to the tax in the same manner as is tangible personal property brought into the state by other firms, persons, or corporations, except as exempted herein.

Rolling stock including buses and trailers, purchased by common carriers authorized to engage in interstate transportation by the interstate commerce commission, which tangible personal property is brought into the state of Kansas for movement directly and immediately in interstate commerce, is exempt.
All repair parts and replacement material or parts brought into and stored in the state of Kansas which become a part of interstate commerce rolling stock are exempt. 92-23-52. Bingo; multiple winners. (a) Before the beginning of the first call bingo game of a session, the licensee shall notify the players of how the licensee intends to pay out the prize for each game of bingo during that session if there are multiple winners.
(b) If a bingo player has a winning pattern simultaneously on two or more bingo faces or reusable bingo cards, then that player shall be treated as a separate winner for each such winning bingo face or reusable bingo card when determining the awarding of the prize or prizes for that game of bingo.

(c) If a bingo player has two or more winning patterns simultaneously on the same bingo face or reusable bingo card, then the licensee may treat the player as a separate winner for each winning pattern when determining the awarding of the prize or prizes for that game only if the licensee has published a house rule to that effect.

The winning numbers shall be called out loud so that the other players present can hear the numbers. The caller shall announce whether the bingo face or reusable bingo card is a winner. For a blackout game, the numbers not selected may be called by the bingo worker and other call bingo player to verify the winners; or

(2) the bingo worker shall call out the unique identifying number on the bingo face while the other call bingo player verifies that the correct identifying number was called. The caller shall type the identifying number into the bingo machine with an electronic verifier and announce the bingo machine's response as to whether the bingo face is a winner. The licensee shall be responsible for arranging for the removal and disposal of the instant bingo tickets. However, the licensee shall retain all winning tickets.

(e) An instant bingo game in which the prize is awarded by matching the winning number in a call bingo game shall not be carried over from one session to another. If not all of the tickets from a game have been sold before awarding a prize, then the amount of the prize may be reduced based upon a formula or schedule that has been made known to the players before the commencement of the instant bingo game. The licensee shall maintain the outdated price listing statement for the period prescribed by K.A.R. 92-24-15 and amendments thereto,
and the price listing statement shall be available and subject to inspection in accordance with the provisions of K.A.R. 92-24-15 and amendments thereto. A theft of alcoholic liquor shall be reported to the proper police or sheriff's department and shall be substantiated by the report of the police or sheriff's department. A disaster causing a loss of alcoholic liquor shall be reported to the director and shall be substantiated by an affidavit of an investigative employee of the department of revenue. (b) If the secretary finds that the licensee has failed to maintain or make available adequate records required by K.A.R. 92-24-15 through K.A.R. 92-24-21, or by K.S.A. 41-2601 et seq. and amendments thereto, the correct amount of the tax may be determined from any available source or records. The tax liability of the licensee may be estimated by using any available record for any period for which the licensee has failed to maintain records or file a return.

(c) In determining the tax liability of any licensee, it shall be presumed that the disposition of all alcoholic liquor purchased by the licensee is taxable unless the contrary is established. The burden of proving the contrary shall be upon the licensee and shall be established through authentic records.

(d) If the liquor drink tax is not separately specified upon the source records of the licensee, tax liability shall be determined upon the total gross receipts derived from the sale of alcoholic liquor. Deductions for tax included within stated drink prices shall not be allowed unless the licensee has posted a sign in compliance with the provisions of K.A.R. 92-24-13. (Authorized by K.S.A. 79-41a03, as amended by L. 2001, Ch. 167, § 14; implementing K.S.A. 79-41a02, 79-41a03, as amended by L. 2001, Ch. 167, § 14; effective, T-83-30, Oct. 25, 1982; effective May 1, 1983; amended, T-88-58, Dec. 16, 1987; amended May 1, 1988; amended March 22, 2002.)

Any new applicant who has no previous tax experience may estimate that person's expected liquor drink tax liability projected over a 12-month period and submit a bond in an amount equal to 25% of the projected tax liability or $1000, whichever is greater. A certificate of liquor drink tax registration shall not be issued until the bond requirement is satisfied.

(b) Bond requirements may be satisfied through surety bonds purchased from a corporate surety, escrow bond agreements, or the posting of cash bonds.

(c) An additional bond may be required by the secretary of revenue at any time if the existing bond is not sufficient to satisfy the three months' average liability of the licensee.

(d) The existing liquor drink tax bond requirement for any licensee may be waived by the secretary of revenue if the relief is requested in writing and the licensee has remained compliant with K.S.A. 79-41a01 et seq., and amendments thereto, for at least 24 consecutive months before the date of the request for bond relief. If, after the bond is released, the licensee becomes delinquent in fil-

The company shall maintain adequate records for completion of an apportioned application or audit. Daily rental equipment firms that do not maintain adequate records for completion of an apportioned application shall be required to fully license the daily rental vehicles if based in Kansas or shall be subject to a 72-hour truck registration fee if based in a state other than Kansas.

If the gross weight registration secured by the lessee apportioned carrier is insufficient for the gross weight of the vehicle when trip leased, then the lessee apportioned carrier shall subject to a 72-hour truck registration fee if the vehicle is based in a state other than Kansas. If the vehicle is based in Kansas, then the lessee apportioned carrier shall secure proper gross weight registration of the vehicle through the division of motor vehicles.

If the gross weight of the vehicle is greater than the gross weight registration, then the registered owner of the vehicle shall make application for proper gross weight registration through the office of the county treasurer.

(g) If an apportioned fleet carrier, foreign or Kansas, leases a foreign-based vehicle for a period of more than 30 days and the vehicle is apportioned in the name of another carrier, then the apportioned registration of the vehicle shall be in the lessee’s name.

(h) If an apportioned fleet carrier, foreign or Kansas, leases a vehicle for a period of 30 days or more and the vehicle has been apportioned by a Kansas-based carrier, then apportioned registration shall be in the name of the lessee.

ly provides that conviction for a violation of such statute is a moving violation;

2. Any similar municipal ordinance or county resolution in this state; or

3. Any similar statute, municipal ordinance, or regulation in another state.

(b) Nothing in this regulation shall be construed to prevent the division of vehicles from recording on individual driving records other administrative actions or convictions relating to vehicles. (Authorized by K.S.A. 8-249; implementing K.S.A. 8-249 and 8-255; effective, E-82-26, Dec. 16, 1981; effective May 1, 1982; amended June 1, 1992; amended, T-92-7-2-01, July 2, 2001; amended Oct. 26, 2001; amended Jan. 23, 2004.)

92-52-9a. Moving violations; suspension or restriction of driving privileges. (a) If a person commits one or more moving violations on three separate occasions within a 12-month period, excluding the violations specified in K.S.A. 8-254, K.S.A. 8-285, and K.S.A. 8-291, and amendments thereto, then a warning notice shall be mailed by the division to the person advising the person that an additional violation may result in restricted driving privileges.

(b) If a person commits one or more moving violations on four separate occasions within a 12-month period, excluding the violations specified in K.S.A. 8-254, K.S.A. 8-285, and K.S.A. 8-291, and amendments thereto, then the person’s license shall be restricted by the division for 30 days to driving under the circumstances provided in K.S.A. 8-292, and amendments thereto. The person shall be advised by the division that an additional violation may result in suspended driving privileges.

(c) If a person commits one or more moving violations on five separate occasions within a 12-month period, excluding the violations specified in K.S.A. 8-254, K.S.A. 8-285, and K.S.A. 8-291, and amendments thereto, then the person’s license shall be suspended by the division for 90 days.

(d) If a person commits one or more moving violations on six or more separate occasions within a 12-month period, excluding the violations specified in K.S.A. 8-254, K.S.A. 8-285, and K.S.A. 8-291, and amendments thereto, then an order suspending the person’s license for one year shall be issued by the division. (Authorized by K.S.A. 2000 Supp. 8-234b, K.S.A. 8-249; implementing K.S.A. 2000 Supp. 8-255, as amended by L. 2001, Ch. 200, § 2; effective June 1, 1992; amended, T-92-7-2-01, July 2, 2001; amended Oct. 26, 2001.)

92-52-12. Standards for vision examinations. (a) A “good driving record” as that term is used in L. 1989, Ch. 33, Sec. 1, shall mean that a person has not been involved in a motor vehicle accident, convicted of any moving violation as defined in K.A.R. 92-52-9 and amendments, placed on diversion on a charge of a moving violation, or subject to adverse administrative action, resulting in suspension, revocation, restriction, denial, cancellation or non-renewal in Kansas or in any other jurisdiction during the immediately preceding three years.

In determining whether an individual has a “good driving record”; consideration shall not be given to any person’s previous failure to meet the 20/60 acuity standard of K.A.R. 92-52-1 and amendments. The standard for determining whether an individual has a “good driving record” shall not apply to any person who has never held a Kansas driver’s license or permit or to any person who has never unlawfully operated a vehicle in Kansas without a Kansas driver’s license or permit.

(b) Criteria to determine whether a person “can safely operate a vehicle” as that term is used in L. 1989, Ch. 33, Sec. 1 shall include:

(1) A statement by the person’s ophthalmologist or optometrist that there is no reason to believe that the person’s eyesight would preclude that person from operating a vehicle;

(2) a determination by both the director of vehicles and the Kansas medical advisory board that there is no reason to believe that the person’s eyesight would preclude that person from operating a vehicle. The director of vehicles or the medical advisory board may require the person to submit to additional tests as they may in their discretion deem necessary to make a determination; and

(3) an actual test of the person’s driving ability by an examiner employed by the division of vehicles at a time and place arranged by the director. Each test shall be performed by an examiner who has training and experience in testing a visually-impaired driver. Each person shall comply with sections (b) (1) and (2) before a driving test will be administered. A person shall not be permitted to take a driver’s test if the examiner has cause to believe that allowing the person to drive may be potentially hazardous to the safety of themselves or others.

(c) Each person shall use the form provided by the division for the doctor’s statement required in section (b) (1). A person may be required by the division to provide the following information:

(1) Static visual acuity;

(2) visual fields;

(3) diagnosis of visual condition and prognosis;

(4) recommendation as to the extent of driving privileges to be permitted; and

(5) recommendations as to the need for and frequency of periodic reporting to the division of the status of the person’s visual condition. (Authorized by K.S.A. 8-234b (d); implementing L. 1989, Ch. 33, Sec. 1 and 2; effective Feb. 26, 1990.)

92-52-14. Definitions. As used in this article, these terms shall have the following meanings:

(a) “Appropriate security clearance requirements” shall mean the following:

(1) Collection of fingerprints in order to perform a criminal history record check through the federal bureau of investigation and Kansas bureau of investigation;

(2) a check for lawful status through the systematic alien verification for entitlements program, or comparable system, to verify that the individual has lawful status in the United States; and

(3) any other security criteria deemed necessary by the director of vehicles to ensure the integrity of the division of vehicles’ mission.

(b) “Covered position” means any of the following:

(1) A position within the department of revenue wherein the employee has the ability to affect identity information that appears on the driver’s license or identification card, has access to the production process, or is involved in the manufacture of drivers’ licenses and identification cards;

(2) a position with a private, third-party provider who has contracted with the department of revenue to manufacture and produce drivers’ licenses and identification cards;

(3) a position held by any person whom the director of vehicles has authorized, pursuant to the authority granted by the motor vehicle drivers’ license act, K.S.A. 8-234a et seq. and amendments thereto, to accept an application for a driver’s license and administer the examinations required for the issuance or renewal of a driver’s license.
(d) “Disqualifying security risk” shall include the following:

1. An individual who has been convicted or found not guilty by reason of insanity of one or more disqualifying offenses;
2. an individual working within the United States who is not lawfully present in the United States; and
3. an individual who is otherwise shown to be untrustworthy based on information obtained through appropriate security clearance requirements. (Authorized by and implementing K.S.A. 2007 Supp. 75-5156; effective Aug. 29, 2008.)

92-52-15. Applications for employment in a covered position. (a) Each selected candidate for employment in a covered position shall be subjected to appropriate security clearance requirements. If the selected candidate for employment is determined to be a disqualifying security risk, the candidate shall not be eligible for the covered position.

(b) The director of vehicles shall subject all current employees, county employees, and third-party contractors working in covered positions to appropriate security clearance requirements. If an employee or contractor is determined to be a disqualifying security risk, that employee or contractor shall not be eligible to retain the covered position.

(c) Appropriate security clearance requirements shall be used only to evaluate a selected candidate for employment and contracting purposes and shall not be used to discriminate on the basis of race, color, national origin, religion, sex, disability, age, veteran’s status, or sexual orientation. (Authorized by and implementing K.S.A. 2007 Supp. 75-5156; effective Aug. 29, 2008.)

92-52-16. Third-party relationship requirement. Each county employee or third-party contractor contracting with the division of vehicles to provide services as described in K.A.R. 92-52-14(b)(2) and (3) shall submit to appropriate security clearance requirements and training required by law. (Authorized by and implementing K.S.A. 2007 Supp. 75-5156; effective Aug. 29, 2008.)

Article 53.—MOTOR VEHICLE INVENTORY TAX

Article 54.—SIGHT CLEARANCE CERTIFICATION

Article 55.—MOTOR VEHICLE TAXATION

92-55-1. Definitions. Motor vehicle tax shall mean the tax imposed upon a motor vehicle pursuant to article 51 of chapter 79 of the Kansas Statutes Annotated.

Replacement motor vehicle shall mean any motor vehicle subject to motor vehicle tax which replaces a motor vehicle previously registered and subject to motor vehicle tax and to which the registration plates of the motor vehicle replaced are transferred. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5101 et seq.; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)

92-55-2. Valuation of motor vehicles; classification. (a) The January 1980 midwest edition of the NADA Official Used Car Guide, published by the National Automobile Dealers Used Car Guide Company, is hereby adopted by reference for use by the various county appraisers in determining the trade-in value of all motor vehicles listed therein subject to motor vehicle tax. The winter 1980 edition of the Old Cars Price Guide, published by Krause Publications, Inc., is hereby adopted by reference for use by the various county appraisers in determining the trade-in value of all motor vehicles listed therein subject to motor vehicle tax which are not listed in the January 1980 midwest edition of the NADA Official Used Car Guide. The January through April 1980 edition of the NADA Recreational Vehicle Appraisal Guide, published by the National Automobile Used Car Guide Company, is hereby adopted by reference for use by the various county appraisers in determining the trade-in value of all recreational vehicles listed therein subject to motor vehicle tax. County appraisers shall determine the trade-in value of all motor vehicles not listed within the publications adopted by reference by using such manuals, guides or supplemental schedules devised or prescribed by the division of property valuation of the department of revenue and furnished to the counties by such division. Trade-in value of a specially constructed motor vehicle shall be determined through conferral with the division of property valuation of the department of revenue on a case-by-case basis.

(b) Trade-in value as determined from the sources enumerated in subsection (a) shall be classed pursuant to K.S.A. 1980 Supp. 79-5104 as follows:

92-55-2a. Valuation of motor vehicles; allowance for depreciation. (a) When the period for which an owner is seeking to register a motor vehicle covers a portion of two calendar years, the value of a motor vehicle to be registered shall be reduced by taking into account depreciation which is equal to the product determined by multiplying 16% by a fraction, the numerator of which is the number of months in the next succeeding calendar year remaining in the owner's registration year and the denominator of which is 12. The depreciation allowed hereunder shall be in addition to the amounts allowed as reductions in the value of a vehicle pursuant to K.S.A. 79-5105(a).

92-55-3. Application for refund of motor vehicle tax; county officer's duties; refund of registration fees; credit of refund against other motor vehicle tax; application form. When the owner disposes of and transfers title to a motor vehicle on which the motor vehicle tax has been paid and replaces it with a replacement motor vehicle, application for refund shall be made to the county in which the motor vehicle was registered.

It shall be the duty of the county appraiser to prepare the application for refund of motor vehicle tax paid upon a motor vehicle being replaced by the owner thereof with a replacement motor vehicle. It shall be the responsibility of the owner of such motor vehicle being replaced to present the county appraiser with proof that such motor vehicle was registered and that the motor vehicle tax was paid.

It shall be the duty of the county clerk to prepare the application for refund of the motor vehicle tax paid upon a motor vehicle, disposed of and whose title was transferred, for which the owner does not acquire a replacement motor vehicle. Except as otherwise provided herein, the claimant of any refund of the motor vehicle tax paid upon a motor vehicle, disposed of and whose title is transferred, for which no replacement vehicle is acquired, shall relinquish to the county clerk the claimant's copy of the registration receipt and the vehicle registration plate for the motor vehicle as a condition precedent to payment of the refund.

Refunds of any portion of the registration fee for a motor vehicle, disposed of and whose title is transferred, for which no replacement vehicle is acquired, shall not be made except as otherwise specifically provided by K.S.A. 1980 Supp. 8-143. The registration receipt and vehicle registration plate for a motor vehicle for which a portion of the registration fee may be refunded pursuant to K.S.A. 1980 Supp. 8-143 shall be relinquished directly to the county treasurer as a condition precedent to payment of the motor vehicle tax refund. The county treasurer shall notify the county clerk that the receipt and plate were relinquished. Whenever the owner of a motor vehicle is eligible for a refund of the motor vehicle tax from the owner's county of residence, the county, instead of making the refund, may credit the amount of the refund against the motor vehicle tax imposed against any motor vehicle being registered by the owner which does not qualify as a replacement motor vehicle solely because the registration plates cannot be transferred thereto. The claimant shall relinquish to the county appraiser the claimant's copy of the registration receipt and the vehicle registration plate for the motor vehicle on which motor vehicle tax was paid as a condition precedent to receipt of the credit.

92-55-4. Refunds not authorized when motor vehicle is placed on the personal property tax rolls; personal property tax valuation. If, for any reason, a motor vehicle which was previously subject to the motor vehicle tax is placed on the personal property tax rolls, the owner of the motor vehicle shall not be entitled to a refund of any motor vehicle tax previously paid on the motor vehicle. When any such motor vehicle is placed on the personal property tax rolls, the appraised valuation of the motor vehicle for general personal property tax purposes shall be computed in accordance with the following formula:

\[ AV = MV \times (12 - MVTM) \]

where:
- \( AV \) = Appraised valuation of the motor vehicle
- \( MV \) = Monthly value of the motor vehicle as determined under K.S.A. 1980 Supp. 79-306d
- \( MVTM \) = Months in the calendar year for which motor vehicle tax has been paid.

92-55-5. Motor vehicles of motor vehicle dealers. For the purpose of taxation under the provisions of article 51 of chapter 79 of the Kansas Statutes Annotated, a motor vehicle of a motor vehicle dealer shall not be deemed to be included within the inventory of the motor vehicle dealer if application is made for registration of the motor vehicle. The motor vehicle tax shall be due and payable upon a motor vehicle of a motor vehicle dealer at the time application is made for registration of the motor vehicle. The motor vehicle dealer shall be entitled to a refund of the motor vehicle tax pursuant to K.S.A. 1980 Supp. 79-5107 upon the disposition of and transfer of title to the motor vehicle. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5102, 79-5105, 79-5106, 79-5107; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)

92-55-6. Insufficient or no-fund check; collection of motor vehicle tax; combined remittance for tax and registration fee. Whenever a check, received as payment of the motor vehicle tax is returned to the county treasurer unpaid, it shall be the responsibility of the county to collect the motor vehicle tax. The registration of any motor vehicle on which the motor vehicle tax has been paid by check which subsequently is returned unpaid shall be invalid. In the event the county is unable to collect the motor vehicle tax after exhausting all of its remedies, the county treasurer shall notify the division of vehicles of the department of revenue thereof providing such information as the director of vehicles shall require.

Application for registration of a motor vehicle subject to the motor vehicle tax may be refused when the owner of the motor vehicle makes a combined remittance by personal check for payment of both the motor vehicle tax and the registration fee. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5105, 79-5106; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)

92-55-7. Distribution of tax receipts to taxing subdivisions. Moneys allocated to tax levy units and distributed in the year 1981 pursuant to K.S.A. 1980 Supp. 79-5109 shall be distributed among the state and each taxing subdivision levying taxes against tangible property within such unit in the proportion that the general ad valorem tax levies made in the year 1980 by the state and each taxing subdivision within such unit bear to the sum of all such tax levies made in the year 1980 by the state and all the taxing subdivisions within the unit.

Estimates of total general ad valorem property taxes which could have been levied by new taxing
subdivisions or taxing subdivisions making no general ad valorem tax levies during a year, made for purposes of distributing moneys thereto pursuant to K.S.A. 1980 Supp. 79-5109, shall be limited to an amount that could have been levied under such taxing subdivisions’ maximum levy authority or the amount of taxes that would have been required to be levied to entirely finance such taxing subdivisions’ budgets in the year such moneys are being distributed, whichever amount is the lesser. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5109; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)

92-55-8. Apportionment of tax receipts among tax levy funds. Moneys received by a taxing subdivision in the year 1981 from motor vehicle taxes shall be apportioned pursuant to K.S.A. 1980 Supp. 79-5110 to each tangible property tax fund of the taxing subdivision in the proportion that the amount levied for each such fund in the year 1980 for use and expenditure in the year 1981 bears to the total levied by such taxing subdivision for all such funds in the year 1981. Moneys received by a taxing subdivision in any year following 1981 from motor vehicle taxes shall be apportioned pursuant to K.S.A. 1980 Supp. 79-5110 to each tangible property tax fund of the taxing subdivision in the proportion that the amount levied for each such fund in the year immediately preceding the year in which such money is being distributed, whichever amount is the lesser. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5110; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)

92-55-9. Allocation of estimated tax receipts in budget preparation. For the purpose of preparing the 1982 budget in the year 1981, the amount estimated to be received by any taxing subdivision from motor vehicle tax receipts pursuant to K.S.A. 1980 Supp. 79-5111 shall be apportioned among the general ad valorem tax funds of such subdivision in the proportion that the amount levied for each such fund in the year 1980 for use and expenditure in the year 1981 bears to the total amount levied for all such funds in the year 1980 for use and expenditure in the year 1981. For the purpose of preparing the budget for any year following 1982, the amount estimated to be received by any taxing subdivision from motor vehicle tax receipts pursuant to K.S.A. 1980 Supp. 79-5111 shall be apportioned among the general ad valorem tax funds of such subdivision in the proportion that the amount levied for each such fund in the year immediately preceding the year in which such budget is being prepared bears to the total amount levied for all such funds in the year immediately preceding the year in which such budget is being prepared.

Estimated motor vehicle tax receipts shall not be apportioned to a tax levy fund of the taxing subdivision for which no taxes were levied in the year immediately preceding the year in which the budget is being prepared or to a tax levy fund being discontinued in the year for which the budget is prepared. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5111; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)

92-55-10. Motor vehicles registered in more than one (1) state. Any motor vehicle which is required by law to be registered in this state and in another state, shall not be taxed under the provisions of article 51 of chapter 79 of the Kansas Statutes Annotated if the vehicle has a permanent situs in such other state and such vehicle is, in fact, being subjected to ad valorem property taxation in that state. Upon making application for registration in this state, the owner of the motor vehicle shall present to the county treasurer proof that the motor vehicle is being assessed in such other state for ad valorem property taxation and an affidavit which shall contain the following information: A statement that the person is the owner of the motor vehicle for which application for registration is being made; the residence of such person; the name of the other state in which the motor vehicle is required to be registered; a statement that the vehicle has a permanent situs in such other state; and a statement that the vehicle is subject to ad valorem taxation in such other state. The motor vehicle tax shall not be imposed upon any motor vehicle registered in this state for which the affidavit and proof of assessment have been submitted to the county treasurer of the county in which the vehicle is being registered. (Authorized by K.S.A. 1980 Supp. 79-5115; implementing K.S.A. 1980 Supp. 79-5102, 79-5106; effective, E-81-40, Dec. 17, 1980; effective May 1, 1981.)
Article 56.—IGNITION INTERLOCK DEVICES

92-56-1. Ignition interlock device; definitions. As used in this article, each of the following terms shall have the meaning specified in this regulation: (a) “Device” means “ignition interlock device,” as defined in K.S.A. 8-1013 and amendments thereto. This device uses microcomputer logic and internal memory and has a breath alcohol analyzer as a major component that interconnects with the ignition and other control systems of a motor vehicle. This device measures the breath alcohol concentration (BrAC) of an intended driver to prevent the motor vehicle from being started if the BrAC exceeds a preset limit and to deter and record any instances of circumvention or tampering.

(b) “Alcohol setpoint” means the breath alcohol concentration at which the ignition interlock device is set to lock the ignition. The alcohol setpoint is the normal lockpoint at which the ignition interlock device is set at the time of calibration. The alcohol setpoint shall be .03. The alcohol setpoint for retests shall be .03.

(c) “BrAC” means the breath alcohol concentration expressed as weight divided by volume, based upon grams of alcohol per 210 liters of breath.

(d) “BrAC fail” means the condition in which the ignition interlock device registers a BrAC value equal to or greater than the alcohol setpoint when the intended driver conducts an initial test or retest. This condition is recorded as a violation.

(e) “Breath sample” means the sample of alveolar or end-expiratory breath that is analyzed for the analysis of alcohol content after the expiration of at least 1.2 liters of air.

(f) “Circumvention” means an overt, conscious attempt to bypass the ignition interlock device by any of the following:

(1) Providing samples other than the natural, unfiltered breath of the driver;
(2) starting the vehicle without using the ignition switch; or
(3) performing any other act intended to start the vehicle without first taking and passing a breath test.

(g) “Director” means director of vehicles, division of vehicles of the department of revenue.

(h) “Emergency bypass procedure” means the procedure that allows the driver to travel to a service provider and avoid a lockout. If used, the event shall be recorded in the event log, and the device shall be put into early service status. The emergency bypass procedure shall require the driver to provide a breath sample with a test result below the alcohol setpoint.

(i) “Fail-safe” means a condition in which the ignition interlock device cannot operate properly due to a problem, including improper voltage and a dead sensor. In fail-safe, the ignition interlock device will not permit the vehicle to be started.

(j) “Fixed site” means the building in which a service provider operates. The building shall have a separate waiting room, a bathroom, and a work area. The work area shall be accessible to only the service provider and the service provider’s employees while performing services.

(k) “High BrAC” means a BrAC fail result for an initial test or retest that registers an alcohol setpoint of .08 or greater.

(l) “Lockout” means an instance in which the ignition interlock device will prevent the vehicle from starting. The vehicle cannot be operated until serviced by the service provider. A lockout occurs if any of the following events occurs:

(1) A driver incurs five or more violations between scheduled inspections with the service provider.
(2) A driver fails to submit to calibration and inspection as required by K.A.R. 92-56-4(b)(5), and the seven-day grace period has expired.
(3) A driver engages in circumvention or tampering.

(m) “Manufacturer” means the person, company, or corporation that produces an ignition interlock device and certifies to the division that the manufacturer’s representative and the manufacturer’s service providers are qualified to service and provide information on the manufacturer’s state-approved ignition interlock device. To be a manufacturer, the division shall approve and certify the manufacturer’s device for use in the state, and the approval and certification shall remain in effect.

(n) “Manufacturer’s representative” means a single individual based in Kansas and designated by a manufacturer to act on behalf of or represent the manufacturer in matters relating to this article and K.S.A. 8-1001 et seq., and amendments thereto.

(o) “Rolling retest” means a breath test that is required after the initial engine start-up breath test and while the engine is running. This term is also known as a retest or a running retest. The device shall require the driver of the vehicle to submit to a retest within 10 minutes of starting the vehicle. A rolling retest shall continue at randomized, variable
intervals ranging from 10 to 45 minutes after the previous retest for the duration of the travel.

(p) “Service provider” means an ignition interlock device technician that is authorized by a manufacturer to service a certified device on behalf of the manufacturer or the manufacturer’s representative. The ignition interlock device technician shall have a written agreement or authorization from a division-approved manufacturer or its manufacturer’s representative to service the manufacturer’s devices within Kansas.

(q) “Services” means the installation, inspection, monitoring, calibration, maintenance, removal, replacement, and repair of division-approved ignition interlock devices within Kansas.

(r) “Tampering” means an overt, conscious attempt to physically disable, bypass, adjust, or otherwise disconnect an ignition interlock device from its power source.

(s) “Violation” means any of the following:

(1) The driver has blown a BrAC fail when attempting to start the vehicle.

(2) The driver has blown a BrAC fail when attempting a required rolling retest.

(3) The driver fails to execute a valid rolling retest after a five-minute period.

(4) The driver fails to submit to a requested rolling retest by turning the vehicle off to avoid submitting to the rolling retest.

(5) The driver has blown a high BrAC during an initial breath test or rolling retest. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014; amended Nov. 6, 2015.)

**92-56-2. Ignition interlock device; certification and standards.** (a) Each manufacturer of an ignition interlock device wanting to market the device in Kansas shall apply to the division of vehicles for certification of the device and submit the following information and equipment:

(1) The name and address of the manufacturer;

(2) the name and model number of the device;

(3) certification that the device meets the following criteria:

(A) Offers safe operation of the vehicle in which installed, works reliably and accurately in an unsupervised environment, and, when in fail-safe, prevents the vehicle from starting;

(B) offers protection against tampering and is able to detect and be resistant to circumvention;

(C) allows for a free restart of the vehicle’s ignition within two minutes after the ignition has been turned off without requiring another breath test if the driver has not registered a BrAC fail or is not in the process of completing a retest;

(D) allows for a rolling retest of a subsequent breath test after the vehicle has been in operation;

(E) disables the ignition system if the BrAC of the person using the device equals or exceeds the alcohol setpoint of .03;

If state specifications vary from the federal specifications, the state specifications shall control.

(f) Each manufacturer of a certified device shall accumulate a credit of at least two percent of the gross revenues attributed to services provided in Kansas or to out-of-state services provided to Kansas residents. All existing credit shall be made available to drivers who are restricted to operating a vehicle with a device and who are indigent as evidenced by eligibility for the federal food stamp program. The amount of the credit available shall be limited to the amount of the existing credit balance. The manufacturer and its service providers shall notify the manufacturer's customers of the existence of this indigent program by utilizing division notices and forms.

(g) Each manufacturer of a certified device shall submit a report to the division on or before January 31 of each year with the following information for the previous calendar year's activities:

(1) The number of ignition interlock devices initially installed on vehicles for Kansas drivers who were restricted to driving only with an ignition interlock device;

(D) the ending credit balance.

(h) Each manufacturer and manufacturer's representative of a certified device shall make sales brochures and other informational materials available at no cost to the state's community corrections and court services officers, the district courts, magistrate courts, municipal courts, and the division for distribution to potential drivers. These brochures and informational materials may be provided through electronic means if approved by the director.
(i) Each manufacturer shall provide to the division, on or before January 31 of each year for that calendar year, documentation indicating the normal prices and fees charged to a driver that are associated with the manufacturer's Kansas installation of devices. If the documentation regarding normal prices and fees charged changes during the course of that calendar year, the manufacturer and manufacturer's representative shall provide amended documentation to the division within seven days of the change.

(j) Each manufacturer shall have a service provider with a fixed site within each state judicial district, unless the following conditions are met:

(1) At least two manufacturers have a service provider located in the same judicial district.

(2) The director determines that a competitive market exists for ignition interlock services in the state judicial district and the absence of a manufacturer's service provider in the state judicial district specified in paragraph (j)(1) does not create a competitive advantage for that manufacturer.

(3) The director approves the manufacturer to be absent from that state judicial district.

(k) Each device shall be capable of uniquely identifying and recording all of the following:

(1) Each time the vehicle is attempted to be started;
(2) each time the vehicle is started;

(l) The requirements of this regulation shall take effect for all device installations beginning 90 days after publication of this regulation in the Kansas register. Each manufacturer shall replace any currently installed device that does not meet the requirements of this regulation with a device that is compliant upon the first calibration following the date this regulation takes effect. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014; amended Nov. 6, 2015; amended Jan. 8, 2020.)

92-56-3. Insurance; policy limits. (a)

The insurance policy shall contain minimum liability limits of $1,000,000 per occurrence with an aggregate coverage of $3,000,000. The insurance policy shall cover all liability arising from defects in design and materials, including the manufacture of the device, its calibration, maintenance, installation, and removal.

(b) Each insurance carrier shall provide 30-day notice to the division before canceling any insurance policy.

(c) The cancelation of insurance coverage by a carrier shall be a basis for revoking the certification for the device. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002.)

92-56-4. Installation, inspection, and calibration standards. (a)

Each ignition interlock device installed at the direction of the division shall be done at the driver's own expense, except as allowed by K.A.R. 92-56-2.

(b) A manufacturer shall ensure that each service provider meets the following requirements:

(1) Install each device in accordance with the manufacturer's instructions. Each service provider shall, within two weeks of installation, inform the division each time a device has been installed;
(2) install each device so that the device will be deactivated if the driver has a BrAC of .03 or higher until a successful retest occurs;
(3) set each device so that if the driver fails the initial ignition interlock device test, a retest cannot be done for 15 minutes;
(4) set each device so that a rolling retest will be required of the driver of the vehicle within 10 minutes of starting the vehicle. Subsequent rolling retests shall occur as described in K.A.R. 92-56-1. The driver shall have five minutes to complete the retest. The free restart shall not be
operative when the device is waiting for a rolling retest sample;

(5) calibrate each device at least every 30 days at the driver's own expense and maintain an inspection and calibration record with the following information:

(A) The name of the person performing the calibration;
(B) the date of the inspection and calibration;
(C) the method by which the calibration was performed;
(D) the name and model number of the device calibrated;
(E) a description of the vehicle in which the device is installed, including the license plate number, make, model, year, and color; and
(F) a statement by the service provider indicating whether there is any evidence of circumvention or tampering; and

(A) The 30-day calibration and service requirement has been reached;
(B) five or more violations are recorded;
(C) the emergency bypass procedure has been used;
(D) a hardware failure or evidence of tampering is recorded; or
(E) the events log has exceeded 90 percent of capacity.

(c) Each driver restricted to driving a vehicle equipped with an ignition interlock device shall keep a copy of the inspection and calibration records in the vehicle at all times. The manufacturer shall retain the original record for each current driver for one year after the device is removed. The manufacturer shall notify the division within seven days after a device has been serviced due to a lockout that occurred for any of the reasons specified in paragraph (b)(6)(D).

(d) The service provider shall enable each device's anticircumvention features when installing a device and keep the features enabled during the ignition interlock device period. Within two business days, a service provider shall notify the division of any evidence of tampering or circumvention. The evidence shall be preserved by the manufacturer or the manufacturer's representative until otherwise notified by the division.

(e) The division may conduct or have conducted independent checks on any of the approved ignition interlock devices to determine whether the devices are operating in a manner consistent with the manufacturer's specifications, manufacturer's certifications, or these regulations. The director may require the manufacturer or the manufacturer's representative to correct any abnormality found in the installation, calibration, maintenance checks, or usage records of the device. The manufacturer and the manufacturer's representative shall report in writing to the division within 30 days after receiving notification of any abnormality. In conducting these checks, the manufacturer shall install the device in a vehicle chosen by the division, and the manufacturer shall waive any costs to the division for the installation, calibration, or testing of the device.

(f) Each manufacturer shall ensure that its service providers meet all of the following requirements:

(1) Follow certified manufacturer's standards and specifications for service associated with the manufacturer's state-approved ignition interlock device;
(2) have the skills, equipment, and facilities necessary to comply with all of the certification and operational requirements specified in this article;

(4) have a fixed site to provide each driver with access to an enclosed building that is open for business and has a separate waiting area.

(g) Each manufacturer shall provide the division with written evidence of that manufacturer's statewide network of service providers within seven days of a request by the division. Written evidence shall include lease and ownership documents associated with each manufacturer's service providers in the required state judicial districts.

(h) A manufacturer, manufacturer's representative, or service provider shall not compel any driver to travel out of Kansas to receive services.

(i) A manufacturer shall not permit its service provider to install any device in that service provider's vehicle for the purpose of satisfying K.S.A. 8-1014, and amendments thereto. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014; amended Jan. 15, 2016.)

92-56-5. Revocation of certification; penalties. (a) A certification for any ignition interlock device may be revoked for any of the following reasons:
(1) The device fails to comply with specifications or requirements provided by the division.

(2) The manufacturer, the manufacturer's representative, or the manufacturer's service provider has failed to make adequate provisions for the service of the device, as required by K.A.R. 92-56-2, K.A.R. 92-56-4, and K.A.R. 92-56-6.

(3) The manufacturer has failed to provide statewide service network coverage or 24-hour, seven-day service support, as required by K.S.A. 8-1016(a)(3) and amendments thereto and K.A.R. 92-56-2(a)(4) and (j).

(4) The manufacturer is no longer in the business of manufacturing ignition interlock devices.

(5) The manufacturer or the manufacturer's representative fails to comply with the reporting and testing requirements of K.A.R. 92-56-4.

(6) The manufacturer, the manufacturer's representative, or the manufacturer's service provider fails to comply with K.A.R. 92-56-7.

(7) The manufacturer, the manufacturer's representative, or the manufacturer's service provider fails to promote, implement, and sustain the indigent program required by K.A.R. 92-56-2(f).

(8) The manufacturer, the manufacturer's representative, or the manufacturer's service provider fails to have a fixed location in every state judicial district on and after January 1, 2015, as required by K.A.R. 92-56-2(j).

(9) The manufacturer, the manufacturer's representative, or the manufacturer's service provider compels a driver to travel out of state to receive services, in violation of K.A.R. 92-56-4(h).

(b) Each manufacturer's device certification shall be subject to suspension, revocation, nonrenewal, or cancellation if the division determines that the manufacturer or its representatives have violated any requirement in this article.

(c) In lieu of revoking a manufacturer's device certification, the director may require a manufacturer to terminate its relationship with a service provider. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014.)

92-56-7. Security; tampering prohibitions; conflict of interest. (a) Each manufacturer and each manufacturer's representative shall be responsible for ensuring that the manufacturer's service providers comply with all of the following security requirements:

(1) Only authorized employees of a service provider may observe the installation of a device.

(2) Reasonable security measures shall be taken to prevent the driver from observing the installation of a device and from obtaining access to installation materials.

(3) Service providers shall be prohibited from assisting with, in any manner, tampering or circumvention.

(4) Manufacturer's representatives and service providers shall not install or service a device on
a vehicle owned or operated by the manufacturer's representative or service provider, or any of the service provider's employees, for division-required installations.

(b) Nothing in this regulation shall prohibit a manufacturer, manufacturer's representative, or service provider from installing a device in that entity's vehicles for demonstration and testing purposes. (Authorized by and implementing K.S.A. 8-1016; effective May 2, 2014.)

92-56-8. Device removal. Whenever a service provider removes a device, the following requirements shall apply:

(a) The only persons allowed to remove or observe the removal of the device shall be service providers or a manufacturer's representative associated with the manufacturer of that device.

(b) Adequate security measures shall be taken to ensure that unauthorized personnel cannot gain access to proprietary materials and to the files of drivers.

(c) Upon removal of the device, the service provider shall ensure that both of the following occur:

1. The driver is provided with a report showing the removal of the device.
2. The division is notified, in the form and format designated by the division.

(d) The service provider and the manufacturer shall restore the driver's vehicle to its original condition after removal of the device. (Authorized by and implementing K.S.A. 8-1016; effective May 2, 2014.)

92-56-9. Proof of installation. (a) If a driver is unable to provide proof of installation of the device to the division for the full restriction period required by K.S.A. 8-1014 and amendments thereto, the director shall extend the ignition interlock device restriction period until the driver provides the division with proof that the driver has had a device installed in a vehicle for a period that is equal to or greater than the initial ignition interlock device restriction period required by K.S.A. 8-1014 and K.S.A. 8-1015(d), and amendments thereto.

(b) Any device may deviate from the breath sample requirement by accepting a breath sample of less than 1.2 liters of air if the deviation is approved in advance by the division to address valid accommodation requests under the Americans with disabilities act of 1990. Each request for accommodation shall be submitted on a form provided by the division. Each form shall require a certification by a licensed pulmonologist that the driver has a lung condition that will render the driver incapable of blowing a normal breath sample, 1.2 liters of air or more, into an ignition interlock device.

(c) If an accommodation that is requested pursuant to subsection (b) cannot be made for a driver that is a qualified individual with a disability as defined by 42 U.S.C. 12131(2), and amendments thereto, the director, upon the driver's request, may reinstate the driver's license after the initial ignition interlock device restriction period if the records maintained by the division have no indication of the occurrence of any of the following offenses during the entire initial ignition interlock device restriction period:

1. Conviction pursuant to K.S.A. 8-1599, and amendments thereto;
2. Conviction pursuant to K.S.A. 41-727, and amendments thereto;
3. Conviction of any violation listed in K.S.A. 8-285(a), and amendments thereto;
4. Conviction of three or more moving traffic violations committed on separate occasions within a 12-month period; or
5. Revocation, suspension, cancellation, or withdrawal of the person's driving privileges due to an unrelated event.

If the driver that is requesting accommodation has any offenses during the initial ignition interlock device restriction period, the director shall not reinstate the driver's full driving privileges until the driver has no such offenses for the year before the driver's request for reinstatement of full driving privileges. This subsection shall not serve as a defense to allegations that the driver has violated K.S.A. 8-1017, and amendments thereto, during any required ignition interlock device restriction period.

(d) The director may waive the requirement for proof of ignition interlock device installation, upon a driver's request, if the director determines that all of the following conditions are met:

1. The driver's ignition interlock device restriction period has been extended at least two years beyond the initial ignition interlock device restriction period due to the driver's failure to provide the division with proof of installation as required by subsection (a);
2. The driver has not had an “alcohol or drug-related conviction” or “occurrence,” as those terms are defined by K.S.A. 8-1013 and amendments thereto.
thereto, a conviction pursuant to K.S.A. 8-1017 and amendments thereto, or a conviction of a violation of a law of another state that would constitute a violation similar to any violation specified in K.S.A. 8-1017 and amendments thereto, during the ignition interlock device restriction period.

(3) The driver has not had any violations specified in paragraphs (c)(1) through (c)(5) during the ignition interlock device restriction period.

(4) The driver has never held a driver’s license issued by the state of Kansas.

(5) The driver provides the director with clear and compelling evidence that the driver does not reside in Kansas and did not reside in Kansas during the ignition interlock device restriction period. (Authorized by K.S.A. 8-1016; implementing K.S.A. 2013 Supp. 8-1015 and K.S.A. 8-1016; effective May 2, 2014.)

No fee

(c) For purposes of this regulation, the following definitions shall apply:

(1) “Single-family residential property” means any parcel containing a residential structure or any portion of the structure that is designed for occupancy by no more than one family, regardless of whether the boundary of the parcel is ground, shared walls, or other structural elements. A parcel containing a structure designed to accommodate more than one family, including an apartment building, is not single-family residential property.

(2) “Valuation” means the value shown on the county notice of valuation or the value at the time of the filing of the appeal if the value has been reduced by the county appraiser at the informal hearing, by a local hearing officer panel, or by the small claims division of the court.

(d) Except as specified in this subsection, each application and appeal listed in subsections (a) and (b) shall be accompanied by the applicable filing fee in the form of a check or money order made payable to the “Court of Tax Appeals.” If the fee does not accompany the filed application or appeal, the fee shall be received by the court within seven business days of the receipt of the application or appeal. If the fee is not received within this time period, the application or appeal shall be considered not properly filed with the court, and the application or appeal shall be dismissed.

(e)(1) A filing fee may be waived by the court if an applicant or taxpayer by reason of financial hardship is unable to pay the fee and has filed an affidavit stating this reason, with any accompanying supporting documentation that may be deemed appropriate by the court.

(2) Filing fees may be abated by the court as prescribed in this paragraph upon written motion demonstrating that multiple appeals or applications involving multiple properties filed by a taxpayer or applicant should be consolidated into a single matter. For multiple applications or appeals involving contiguous parcels owned by the same person or entity that together comprise a single economic unit, the consolidated filing fee shall be the fee for the parcel with the highest valuation plus $25.00 for each additional parcel within the economic unit. If multiple applications or appeals do not involve contiguous parcels but involve substantially similar issues that, in the interest of administrative economy, should be heard and decided together, the filing fee may be abated by the court to reflect the administrative cost savings anticipated from consolidating the multiple filings for decision. If, after a filing fee has been remitted, the court determines that abatement is appropriate under this paragraph, the abated portion of the fee shall be refunded by the court.

(f) Public school districts ........................................... No fee

(g) Each not-for-profit organization shall be charged a fee of $10 for any appeal if the valuation of the property that is the subject of the controversy does not exceed $100,000, excluding all governmental entities except as provided in subsection (f). There shall be no filing fee reduction under this subsection (g) for property owned by a not-for-profit organization with a valuation exceeding $100,000. (Authorized by and implementing K.S.A. 2010 Supp. 74-2438a; effective Oct. 29, 2010; amended Sept. 16, 2011.)

94-5-9. Filing procedures; time limitations. (a) Each party filing any action with the court shall file the application or appeal and shall pay any applicable fees required by K.A.R. 94-5-8. Each pleading or other document filed with the court shall be deemed to have been filed when actually received and file-stamped by the secretary or the secretary’s designee, and the action shall commence on that date, if the document is in a form prescribed by these regulations or by statute.

(b) In computing any period of time prescribed by the Kansas administrative procedure act, the computation shall be made pursuant to K.S.A. 77-503(c), and amendments thereto. In computing any period of time not prescribed by the Kansas administrative procedure act, the computation shall be made pursuant to K.S.A. 60-206, and amendments thereto.

(c) When by these regulations or by notice given by the court, an act is required to be completed within a specified time, the time for completing the act may be extended by the court if a motion is filed before the expiration of the specified time. A motion for extension of time filed after the time...
limit has expired may be granted only if failure to act within the time limit was the result of excusable neglect.

(d) Any individual or entity may file documents at the court's office between the hours of 8:00 a.m. and 5:00 p.m. on any business day. Each document, whether mailed, hand-delivered, or sent by facsimile machine or electronically, shall be received by 5:00 p.m. in order to be file-stamped and considered filed on that date. The time of receipt shall be at the court's time clock, the time printed by the court's facsimile machine on the final page of the facsimile-received document, or the time shown as received by the court's electronic mail system or other electronic docketing system. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

Electronic mail sent to any electronic mail address other than the court's central electronic mail address shall be ignored and shall not be considered filed with the court.

(b) All pleadings filed by electronic mail shall be followed by any applicable filing fees.

(c) Each electronic mail filing shall include a return electronic mail address along with the name and telephone number of the individual sending the electronic mail.

(d) Each document filed with the court by electronic mail and in accordance with these regulations shall have the same effect as if the document had been filed by any other means and in accordance with these regulations. All requirements for pleadings and other filings with the court shall apply to pleadings and other filings transmitted by electronic mail. Only one copy of the pleading or document shall be transmitted. An electronic signature or the symbol “/s/” on the signature line in place of a signature shall have the same effect as that of an original signature.

(e) Electronic mail received in the court's office at the central electronic mail address on or before 5:00 p.m. shall be deemed filed on that date. Electronic mail received after 5:00 p.m. shall be deemed to be filed on the following regular workday of the court. The time of receipt shall be the time shown by the court's electronic mail system. Electronic mail received on a Saturday, Sunday, or legal holiday shall be deemed filed on the following regular workday of the court.

(f) If an electronic mail message indicates that there is an attachment but an attachment is not included or the attachment cannot be opened, the sender shall be notified by the court of the deficiency, with the court’s request that the electronic mail be re-sent and the deficiency corrected. The date and time of the filing shall be the date and time the electronic mail is re-sent without deficiency. Each attachment shall be sent in a format that meets the court's specifications.

(g) The sender of an electronic mail filing may petition the court for an order filing the document nunc pro tunc if the electronic mail document is not filed with the court because of either of the following reasons:

(1) An error in the transmission of the document, the occurrence of which was unknown to the sender at the time of transmission; or

(2) a failure to process the electronic mail document when received by the court.

(h) Each petition filed pursuant to subsection (g) shall be accompanied by the transmission record, a copy of any document included in the transmission, and an affidavit of transmission by electronic mail as prescribed by Kansas supreme court rule 119, appendix B.

(i) Each party who files a document by electronic mail shall retain a copy of that document in the party's possession or control during the pendency of the action and shall produce the document upon request pursuant to K.S.A. 60-234, and amendments thereto, by the court or any party to the action. Failure to produce the document may result in the document being stricken from the record and may result in sanctions pursuant to K.S.A. 60-211, and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-11. Facsimile filing. (a) The court's facsimile machine shall be available on a 24-hour basis, seven days each week. This requirement shall not prevent the court from sending documents by fax or from making repairs to and maintaining the facsimile machine.

(b) Each complete facsimile filing received in the court's office at or before 5:00 p.m. on a regular workday shall be deemed filed on that day. Each filing received after 5:00 p.m. shall be filed as if received on the next regular court workday. The time of receipt shall be the time printed by
the court’s facsimile machine on the final page of the facsimile-received document. Each filing received on a Saturday, Sunday, or legal holiday shall be filed as if received on the next regular court workday. Each pleading filed by facsimile shall be followed by any applicable filing fees.

(c) Each pleading or other document filed by facsimile transmission shall have the same effect as that of any pleading or other document filed with the court by other means. A facsimile signature shall have the same effect as that of an original signature. Only one copy of the pleading or other document shall be transmitted.

(d) Each certificate of service shall state the date of service and the facsimile telephone numbers of both the sender and the receiver.

(e) The sender may petition the court for an order filing a document nunc pro tunc if a facsimile filing is not filed with the court because of either of the following:

(1) An error in transmission of the document, the occurrence of which was unknown to the sender at the time of transmission; or
(2) a failure to process the facsimile filing when received by the court.

(f) The petition specified in subsection (e) shall be accompanied by the transmission record, a copy of the document transmitted, and an affidavit of transmission by fax as specified in Kansas supreme court rule 119 relating to district courts, appendix B. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-12. Confidentiality. (a) Each document filed and all evidence received by the court shall be a public record, unless a protective order is issued by the court designating all or portions of the record confidential.

(b) Any party may file a motion for a protective order, or a motion and agreed order may be jointly submitted by the parties, showing cause why specifically identified information in the record or information likely to become part of the record should be kept confidential. The motion shall state a legally valid basis for the protective order and shall include sworn statements or affidavits supporting the motion.

(c) If a motion for protective order is granted, any measures permitted by law may be taken by the court to protect the confidential information. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-14. Consolidation. If two or more cases involve the same or substantially similar issues or if joint presentation of the evidence or legal arguments would be economical, a written order of consolidation may be issued by the court either on its own motion or on a motion by one or more parties. If cases are consolidated, orders may be issued by the court in a consolidated format. In the absence of a formal written order of consolidation, individual cases shall be deemed separate, unconsolidated matters. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

(1) Reference to the provision of statute, regulation, or other procedural authority upon which the motion is based;
(2) a concise statement of the pertinent facts and legal authorities;
(3) a concise statement of the relief sought;
(4) a request for oral argument, if desired; and
(5) a proposed form of order to be adopted by the court if the motion is granted.

(b) Each response to a motion shall be filed not later than 10 days from the date of service of the motion, or within any shorter or longer period that the court may allow. Each reply, if any, shall be filed within seven days of service of the response or within any shorter or longer period that the court may allow.

(c) Regular times for hearings on motions shall be established by the court at intervals sufficiently frequent for the prompt dispatch of business.

(d) Notwithstanding subsections (a), (b) and (c), all motions for summary judgment shall be governed by the court rules governing motions for summary judgment in state district court actions, including K.S.A. 60-256 and amendments thereto, and Kansas supreme court rule 141, as
amended. Motion for summary judgment shall be specially set by the court for oral argument. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-16. Discovery. (a) All discovery matters, including disputes and requests for sanctions, shall be governed by the Kansas administrative procedure act and the Kansas code of civil procedure.

(b) Discovery shall be completed expeditiously. The parties and counsel shall conduct orderly discovery and shall freely exchange discoverable information and documents.

(c) The parties and counsel shall make all reasonable efforts to resolve discovery disputes before involving the court in these matters. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-17. Subpoenas. (a) Any party may issue a subpoena or subpoena duces tecum in a court proceeding. Each subpoena shall be prepared by the requesting party and shall be in substantial compliance with this regulation and any published court forms.

(b) Each subpoena shall state the following information:

(1) The name of the witness;
(2) the address where the witness can be served;
(3) the location where the witness is required to appear and the date and time of the appearance;
(4) the matter in which the witness is required to testify; and
(5) for a subpoena duces tecum, a detailed listing of the documents or other material to be produced.

(c) A subpoena may be used for the purpose of discovery or for the purpose of securing evidence for a hearing. The duties of the person responding to a subpoena shall be those specified in K.S.A. 60-245(d), and amendments thereto.

(d) Each settlement negotiation shall be confidential, unless all participants to the negotiation agree otherwise in writing. Facts disclosed, offers made, and all other aspects of negotiation shall not be part of the record. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-18. Stipulations. (a) The parties and counsel shall to the fullest extent possible stipulate to facts, issues, and other matters that are not the subject of reasonable dispute.

(b) Any stipulation may be made either by written stipulation or by oral statement shown upon the hearing record. All stipulations shall be binding upon all parties so stipulating and may be regarded by the court as conclusive evidence of the fact stipulated.

(c) Each stipulation that finally and conclusively settles an appeal involving the valuation of county-assessed property shall be made by means of a fully executed order of stipulation and dismissal. Each order shall be filed within 30 days from the date the parties notify the court of the pending stipulation. All stipulations executed by county officials shall be presumed by the court to have been made in keeping with the legal duties and obligations of those county officials.

94-5-19. Prehearing conferences. Each prehearing conference shall be conducted in accordance with K.S.A. 77-516 and K.S.A. 77-517, and amendments thereto.

94-5-20. Continuances. (a) Any hearing scheduled on the court's calendar may be continued by the court upon a written motion filed at least 30 days before the date of the scheduled hearing. This requirement may be waived by the
court at its discretion upon a showing of good cause. Before requesting a continuance, the mov- ing party shall consult with all other parties and shall state in the motion the position of the other parties with respect to the continuance request. Each motion for continuance shall clearly state the reason for the requested continuance. Parties and counsel shall not contact court staff in an attempt to reschedule a matter before the court. These requests shall be filed in writing as specified in this subsection. All necessary rescheduling shall be initiated by the court after a motion has been received.

(b) A motion to continue a hearing shall be granted only in exceptional and unforeseen circumstanc- es. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-21. Exchange of evidence and wit- ness lists. Unless otherwise ordered by the court, the following deadlines for the exchange of evidence and witness lists shall apply: (a) At least 10 calendar days before a scheduled hearing involving single-family residential property, each party shall have exchanged copies of each document, photograph, or other evidence that the party intends to present at the hearing.

(b) At least 20 calendar days before a scheduled hearing except a hearing involving single-family residential property as specified in subsection (a), each party shall have exchanged copies of each document, photograph, or other evidence that the party intends to present at the hearing, along with a listing of all witnesses expected to be called at the hearing. At least 10 calendar days before the scheduled hearing, each party shall have exchanged copies of any rebuttal evidence, along with a listing of any rebuttal witnesses.

(c) In computing the time periods specified in subsections (a) and (b), the day of the scheduled hearing shall not be included. If the 10th or 20th calendar day before the hearing falls on a Saturday, Sunday, or legal holiday, the last business day before the day shall be the deadline for the exchange of evidence.

(d) If the parties fail to comply with the deadlines specified in this regulation or with any modified deadline ordered by the court, the presiding officer may take appropriate measures in the interest of preserving a fair hearing, which may include barring or limiting the presentation of evi- dence. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-22. Hearings. (a) Each hearing shall be open to the public and shall be conducted in accor- dance with the Kansas administrative procedure act. Each hearing shall be recorded by a certified shorthand reporter selected by the court or by au- dio or video recording systems. The court's record shall be the only official record of the proceedings.

(b) The use of recording, photographic, or television devices during any hearing shall be permitted only if the use of these devices is not disruptive.

(c) The cost of obtaining a transcript of any hearing shall be borne by the person requesting the transcript. A certified shorthand reporter shall be selected by the court to transcribe the official record of the proceedings. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-23. Evidence. (a) Unless otherwise limited by a specific statutory or regulatory pro- vision, the presentation of evidence shall be gov- erned by K.S.A. 60-401 et seq., and amendments thereto, and by K.S.A. 77-524, and amendments thereto.

(b) Evidence may be received in writing instead of through oral presentation, in accordance with K.S.A. 77-524(d) and amendments thereto. How- ever, the filing of a document shall not signify its receipt into evidence. Only those documents that have been received into evidence shall be consid- ered as evidence in the official record.

(c) Whenever an evidentiary objection is made, the grounds relied upon shall be stated briefly when the evidence is offered. Any evidentiary objection may be ruled upon by the court, or the objection may be taken under advisement by the court. Evidence may be received by the court, subject to a motion to strike at the conclusion of the hearing.

(d) The discontinuation of the presentation of evidence may be ordered by the court upon its own motion if the evidence is cumulative, irre- levant, or otherwise objectionable. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-24. Failure to appear. (a) Failure of any party to appear at the time and place appoint- ed by the court may result in dismissal or a default judgment.

(b) Within 10 days after service of an order of dis- missal or default, the party against whom the order
was entered may file a written objection requesting that the order be vacated and stating the specific grounds relied upon. The written objection shall be served on all parties in accordance with these regulations. An entry of dismissal or default may be set aside by the court, for good cause.

(c) If all parties agree to waive the right to a hearing and submit stipulated facts and written arguments, a hearing may be waived. However, the parties' waiver may be rejected by the court at its discretion, and the parties may be required by the court at its discretion to appear for hearing if the court deems the action necessary or proper under the circumstances. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-25. Petitions for reconsideration. Each petition for reconsideration of a final order of the court shall be filed pursuant to K.S.A. 77-529, and amendments thereto. Each response to a petition for reconsideration shall be filed with the court within 11 calendar days after the petition for reconsideration is filed with the court. (2) Except for applications submitted by individuals with felony convictions, each complete application shall be required to be approved by the executive director before the applicant may be admitted to the KSH or KVH.

(3) For each applicant with a felony conviction, that applicant's completed application shall be evaluated by the commission regarding the rehabilitation of the applicant and current degree of dangerousness to the applicant, other persons, and the property of others before the applicant may be admitted to the KSH or KVH.

97-1-5. (Authorized by K.S.A. 76-1908; effective Jan. 1, 1966; amended May 1, 1980; revoked May 1, 2009.)

(1) The first priority for admission shall be given to veterans who have no adequate means of support. Within this group, priority shall be based on the severity of medical care required and the ability to pay for health care.

(2) The second priority for admission shall be given to a veteran's spouse or surviving spouse, parents, or children who have no adequate means of support, with priority based on the criteria specified in paragraph (a)(1) of this regulation.

(3) The third priority shall be given to veterans who have a means of support.

(4) The fourth priority shall be given to a veteran's spouse or surviving spouse, parents, or children who have a means of support.

(b) Residence halls. The superintendent of the KSH or KVH shall consult with that person's medical staff to assist in the prioritization of members.

(c) Cottages.

(1) Cottages, which are located only at the KSH, shall be available to eligible members, including those in need of domiciliary care.

(A) If domiciliary care is needed, the veteran member shall show that the care will be provided by that member's spouse, parent, or child. If a family member can not provide domiciliary care, the KSH superintendent shall be so notified, and the veteran member shall be directed to undergo a medical evaluation to determine whether that person can reside alone.

(B) If the KSH superintendent suspects that an applicant or a veteran member needs domiciliary care, the superintendent may direct that applicant or veteran member to undergo a medical evaluation to determine whether that person can reside alone.
(C) If the medical staff determines that the veteran member needs domiciliary care and resides alone, the KSH superintendent may direct that the veteran member be placed in the domiciliary unit for care until a permanent arrangement is made.

(2) No cottage shall be initially assigned to the spouse, parent, or child of a deceased veteran member. If the veteran member dies, the surviving spouse, parent, or child shall have 180 days to vacate the premises. Before the end of the 180-day period, any surviving nonveteran spouse may move to a domiciliary unit or a one-bedroom cottage, if available, at the rental rate established for nonveterans. If a one-bedroom cottage is not available, the superintendent may allow the nonveteran spouse to remain by exception in the two-bedroom cottage past the 180-day period, contingent upon pending admissions. (Authorized by K.S.A. 76-1927 and 76-1955; implementing K.S.A. 76-1908 and 76-1954; effective May 1, 2009.)

97-1-6a. Approval or denial of application, notification to applicant, and right of reconsideration; right of hearing; final decision. (a) Approval of application. If an applicant qualifies for admission, the application shall be approved if there is space available in the KSH or KVH or shall be conditionally approved until space is available. Each applicant shall be notified in writing by the appropriate superintendent or by the executive director, whether the application is approved or denied.

(b) Denial of application.

(1) If an applicant is denied admission, written notification shall be sent to the last known address of the applicant by the appropriate superintendent, the executive director, or the commission. The notification shall state the reason or reasons for the denial.

(2) Within 30 days of the date of the decision, the applicant may file at the office of the executive director a written request for reconsideration by the commission. The request shall state the reasons supporting approval of the application. If no timely request is filed, the notification of denial shall become the final decision.

(3) Unless waived by the applicant, a hearing shall be set upon receipt of a request for reconsideration. The hearing shall be scheduled at the earliest available commission docket. The applicant shall be notified by the executive director of the date, time, and place of the hearing. The notice shall be mailed to the last known address of the applicant at least 10 days before the hearing.

(4) At the hearing, notice may be taken by the commission of its administrative records and files, and any other relevant evidence and arguments offered by the applicant, employees of the KCVA, or other interested persons may be heard by the commission. The applicant may appear in person, through telephone, by an attorney, or any combination of these.

(5) If the applicant fails to attend the hearing, the commission's decision may be made based upon the KCVAs records, files, and any other evidence that was presented at the hearing. The commission's decision shall be determined by a majority vote. A written decision shall be filed by the commission with the executive director, setting forth the facts and reasons for the commission’s decision. Within 30 days after the hearing, a copy of the decision shall be sent by the executive director to the applicant at the applicant's last known address. The filed decision shall be considered the final agency action. (Authorized by K.S.A. 76-1927 and 76-1955; implementing K.S.A. 76-1908 and 76-1954; effective May 1, 2009.)

(A) For a member of an active component of the armed forces of the United States, the time served on active duty for which the member has received or is eligible to receive the Vietnam war era medallion for service related to the Vietnam war;

(B) for a member of the armed forces of the United States, time served on active duty for the
support of operations in the Vietnam war whether or not that service was in the country of Vietnam.

(2) These terms shall include any time spent in a hospital as a result of service-connected wounds, diseases, or injuries sustained on active service. Proof of this service shall be the official military records of the United States or other evidence as deemed sufficient by the director of veteran services.

(3) These terms shall not include time served on active duty for annual training or schooling, except for training and schooling in preparation for active duty in the Vietnam war.

(b) “Director of veteran services” means the designated director of the veteran services program for the Kansas commission on veterans’ affairs, who is appointed by the executive director of the Kansas commission on veterans’ affairs.

(c) “Parent” shall include the following:

(1) The natural or adoptive parent of a veteran; and

(2) any person who, for a period of at least one year, acted in the capacity of a foster parent to a veteran immediately before the veteran attained 18 years of age.

(d) “Program” means the Vietnam war era medallion program.

(e) “Spouse or eldest living survivor of a deceased veteran” means any of those individuals listed in K.A.R. 97-7-4. (Authorized by L. 2009, ch. 62, sec. 2; effective March 12, 2010.)

97-7-2. Veteran status. (a) To be considered a veteran for purposes of the program, each applicant shall establish both of the following to the satisfaction of the director of veteran services:

(1) The person for whom the application under the program is submitted is a veteran.

(2) The person for whom the application under the program is submitted meets the requirements specified in L. 2009, ch. 62, sec. 1, and amendments thereto.

(b) In addition to meeting the requirements in subsection (a), the applicant shall certify that the person for whom the application under the program is submitted meets both of the following requirements:

(1) Was not, at any time during the Vietnam war, separated from the armed forces under other than honorable conditions, including a bad conduct discharge or dishonorable discharge, or an administrative discharge under other than honorable conditions; and

(2) has never renounced United States citizenship. (Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, sec. 1 and sec. 2; effective March 12, 2010.)

97-7-3. Legal resident status. (a) Proof of residence. In addition to establishing the veteran status of the person for whom an application under the program is submitted as specified in K.A.R. 97-7-2, the applicant shall establish to the satisfaction of the director of veteran services that the person was a legal resident of Kansas during the person’s active service within the period beginning February 28, 1961 and ending May 7, 1975. The proof of residence shall be the official records of the United States or other evidence deemed sufficient by the director of veteran services.

A legal resident of Kansas shall mean an individual for whom Kansas was the state of domicile while serving in the United States armed forces or a reserve component of the United States armed forces within the period specified in this subsection and who did not claim legal residence in any other state during that period of active service, without regard to the place of enlistment, commission, or induction. A service member’s legal residence shall not change by virtue of military assignment to another state.

(c) Home of record in Kansas not shown in official military records. In making a determination of legal residence if official military records do not show Kansas as the veteran’s home of record for the period of active service, the director of veteran services shall apply a rebuttable presumption that the veteran was not a legal resident of Kansas. The applicant may rebut this presumption by showing facts and circumstances establishing that Kansas was the veteran’s legal residence because Kansas was the veteran’s permanent place of abode to which the veteran intended to return.

(d) Documentation. If an applicant is unable to document the veteran’s legal residence in Kansas by means of official military records showing a home of record in Kansas during the period of active service, the director of veteran services may
consider the following documentation when determining whether sufficient evidence exists to show that the veteran was a legal resident of Kansas who did not claim legal residence in any other state at that time:

(1) Voter registration records for the period beginning February 28, 1961 and ending May 7, 1975;

(2) proof of payment of state income tax as a resident for the period beginning February 28, 1961 and ending May 7, 1975;

Applicants shall be considered in the following order:

(1) The surviving spouse of the eligible veteran, unless the surviving spouse was living separate and apart from the veteran when the veteran commenced active service. The proof of spousal status required shall be the same as the proof that would be accepted by the United States department of veterans affairs. The surviving spouse shall certify that the individual was not living separate and apart from the eligible veteran when the veteran commenced active service. If a surviving spouse qualifies under the program, the Vietnam war era medallion, medal, and certificate of appreciation shall be awarded to the surviving spouse at the time of the veteran’s death;

(Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, secs. 3, 4, and 5; effective March 12, 2010.)

If the application is submitted on behalf of a deceased veteran, a copy of the death certificate shall be attached.

(d) Review of applications. The director of veteran services shall conduct a review of each application for completeness. If the application is deemed complete, the director shall review the application to determine eligibility.

(e) Incomplete applications. Each incomplete

**98-4-3. Evaluation of permit application.**
(a) Each permit application shall be evaluated based on the following considerations:
   (1) The project can reasonably be expected to benefit the residents of the primary target area or an important segment of the state’s population.
   (2) The testimony and information presented at the public hearing are generally favorable to the proposed activity.
   (3) Economic, social, or research benefits are expected.
   (4) The applicant has provided adequate safeguards against potentially hazardous effects to health, property, or the environment and has outlined a program for the implementation of these safeguards.
   (5) The proposed project will not have any detrimental effect on previously authorized weather modification projects.
   (6) The proposed project is scientifically and technically feasible.
   (7) If the application is for a scientific research and development project, it offers promise of expanding the knowledge and technology of weather modification.

(b) Each permitted project shall be under the personal direction, on a day-to-day basis, of an individual who holds a valid license issued under the Kansas weather modification act.

(c) The permit holder shall not conduct activities outside the limits stated in the operational plan specified in K.A.R. 98-4-2. All activities planned for periods of severe weather shall be listed in the permit application and identified at the public hearing. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1411, and K.S.A. 82a-1412; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

**98-4-4. Reports.**
(a) Each permit holder shall maintain at that individual's project office a current log of all operations, which shall mean a log that has up-to-date information from the past 24 hours. This log shall be available for inspection by any person authorized by the director. The log shall include information at least equivalent to information required on the log forms available from the office.

(b) Each permit holder shall submit a monthly report of weather modification activities under the permit for each calendar month for which the permit is valid. Each monthly report shall be submitted no later than the close of business on the 15th day of the following month. One copy of all entries made in the weather modification logs shall be included when making the monthly reports, unless more detailed information is required when the permit is granted by the director.

(c) Each permit holder shall submit a preliminary annual report within 30 days after the end of each calendar year or within 30 days after the end of the project, whichever comes first. The permit holder shall also submit a final annual report on the project within 90 days after the end of the project. These reports shall include the following:
   (1) Monthly and project period totals for information required in the logs; and
   (2) the permit holder’s interpretation of project effects as compared to those anticipated in the original application for the permit. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1417; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

**98-4-5. Procedure for granting emergency permits.**
(a) A permit may be granted on an emergency basis if evidence is presented to the director that clearly identifies the situation as an emergency. “Emergency” shall mean an unusual condition that could not have reasonably been expected or foreseen and in which it can be anticipated that damage can be avoided or reduced by prompt weather modification action.

(b) Upon the applicant’s presentation of evidence satisfactory to the director that an emergency exists or could reasonably be expected to exist in the very near future that could be alleviated or overcome by weather modification activities, an emergency permit may be issued by the director to an individual holding a license issued under the Kansas weather modification act.

(c) If the permit holder desires to continue the permit activities and the director grants an emergency permit, a date for the public hearing shall be set by the director within 10 days after the permit is granted. The permit holder shall be responsible for providing public notice of the hearing through the local news media in the area. At the
public hearing, the permit holder shall describe the following:

1. The objectives of the emergency action;
2. the success to date; and
3. any future plans under the permit.

On the basis of the information presented at the public hearing, the decision of whether to revoke the emergency permit, modify it, or allow continued operation under conditions specified by the director shall be made by the director. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1414; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

The extension shall be granted, unless the application is found to be incomplete or not in compliance with statutory or regulatory requirements.

(j) Any part of the application, except the reservoir from which the applicant proposes to withdraw water, may be amended at any time. Each applicant wanting to change the reservoir from which the applicant proposes to withdraw water shall file a new application. 98-5-3. Request to negotiate. (a) When an applicant is ready to enter into a water purchase contract, the applicant shall provide written notice of the applicant’s desire to enter into negotiations for a contract with the director.

(b) Any applicant may be required by the director to provide information in addition to that included in the application required in K.A.R. 98-5-2(b). This information shall be for the purpose of determining the following:

1. What is the annual quantity of water needed;
2. whether the proposed sale of water supply is in the public interest; and
3. whether the benefits to the state from approval of the contract are greater than the disadvantages to the state from rejection of the contract.

(c) When the director believes that there is sufficient information available to determine whether the proposed sale is in the interest of the people of Kansas and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall be notified by the director indicating that a request to enter into negotiations for a written contract has been received.

(d) The authority shall be provided by the director with the information collected or developed to show that the proposed sale is in the interest of the people of Kansas and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(e) The authority shall consider the request to begin negotiations for a written contract and make a finding of one of the following:

1. The proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.
2. The proposed sale is not in the public interest and will not advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(f) If the authority finds that the proposed sale is not in the public interest or will not advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall do one of the following:

1. Reject the request to begin negotiations and advise the applicant of the reasons; or
2. ask the applicant or the director to provide additional information that would permit the authority to find that the proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(g) If the authority finds that the proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall authorize the director to negotiate with the applicant for the purposes of entering into a written contract for sale of water supply.

The authorization to negotiate shall be valid for a period not to exceed three years. If the parties have not concluded a contract within that period, the authority shall reconsider authorizing contract negotiations. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305 and K.S.A. 82a-1311a; effective May 1, 1979; amended May 1, 1980; amended, E-82-7, April 10, 1981; amended May 1, 1981; amended May 1, 1984; amended May 1, 1987; amended April 26, 1993; amended Aug. 30, 2013.)

98-5-4. Contract negotiation procedures. (a) Upon approval of the authority to begin negotiations, the applicant shall be notified by the director and asked to submit the following items
before the commencement of negotiations, unless the requirement is waived:

(1) The anticipated location, legal description, engineering plans, and specifications of all works, ditches, conduits, and watercourses proposed to be constructed or used for the transportation of waters;

(2) the engineering report or other evidence to support the need for the annual quantity of water requested throughout the term of the contract;

(3) a list of alternative sources of water available to the applicant;

(4) specification of whether the applicant has adopted and implemented a water conservation plan;

(5) an engineering report and specifications for metering water pumped or used under the contract;

(6) proof of any easement that is granted by the federal government for rights-of-way across, in, and upon federal government land that is required for intake, transmission of water, and necessary appurtenances;

(7) engineering plans and specifications for any pump, siphon, conduit, canal, or any other device planned to be used to withdraw water from the reservoir; and

(8) any other relevant information that the director may deem necessary, specify, or require for that specific contract request or set of negotiations.

(b) After negotiations for a water purchase contract have been authorized by the authority and if the proposed sale is not for surplus waters, all other persons with a pending application shall be notified by the director or a designee that a water purchase contract or a request to negotiate a water purchase contract relating to the same reservoir has been authorized by the authority. Notice shall be given, by first-class mail with postage prepaid, to the last address provided by each applicant. The notice shall include the name of the applicant with whom negotiations are underway and the application date, number, and annual quantity requested. Each person so notified shall, within 20 days following notification by the director, file in writing a request to begin negotiations for a written water purchase contract, water assurance contract, or water supply access contract or a request to negotiate a water purchase contract, water assurance contract, or water supply access contract on file with the director relating to the reservoir from which water is proposed to be sold.

(d) When contract negotiations have been completed and a contract has been drafted, a proposed final contract shall be sent by the director to the applicant.

(e) After receipt of the proposed final contract, the applicant shall perform one of the following, within 45 days:

(1) Indicate acceptance of the contract by signing and returning it to the director or by other communication to the director;

(2) return the contract to the director with written comments;

(3) request a meeting with the director to discuss the contract; or

(4) request an extension of time for consideration of the contract.

(f) If the applicant and the director cannot agree on terms or language in the contract, the negotiations may be terminated by the director.

(g) After the applicant and the director agree to a contract, the contract shall be submitted to the authority for consideration at the next regular meeting of the authority or at a special meeting, if deemed necessary by the chairperson and the director.

(h) Before approving any contract, the authority shall find that all of the following conditions are met:

(1) The sale of water by written contract is in the interest of the people of the state of Kansas.

(2) The state has filed or will file, before initiation of water use under the contract, a water reservation right for storage of water in the reservoir designated in the contract.

(3) The state, if necessary, has signed an agreement with an agency or department of the United States for water supply storage in the named reservoir.

(4) The person has filed an application to negotiate the purchase of water from the named reservoir at an average daily rate equal to or greater than the rate specified in the contract.

(5) The quantity of water from the reservoir being negotiated does not exceed the yield capability from the conservation storage water supply capacity available to the state for use under the water marketing program through a drought having a two percent chance of occurrence in any one year.

(6) The annual withdrawal and use of the quantity of water contracted by the applicant will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.
(i) If the authority finds that the proposed sale of water is not in the interest of the people of the state of Kansas or that the proposed sale will not advance the purposes in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall reject the contract and perform one of the following:

(1) Terminate the contract negotiations. The application shall be removed from the list of current applications and shall be void. The applicant shall be required to reapply for any future water supply contract, or

(2) return the contract to the applicant and director with recommendations for contract changes or additional contract negotiation.

(j) If the authority approves the contract, copies shall be provided to the house of representatives and the senate and to the secretary of state, pursuant to K.S.A. 82a-1307 and amendments thereto.

(k) The application shall be terminated when a contract is signed by the applicant, the director, and the chair, or their designees, and if the contract is not disapproved by the legislature. If the contracted quantity of water is less than the quantity stated in the application, the applicant shall not retain the application number for the remaining quantity. A new application shall be filed for additional water.

(l) If the legislature has not disapproved the contract when the period for legislative review has expired, a copy of the water purchase contract shall be filed by the director with the chief engineer.

(m) Any regulatory requirements may be waived by the director in order to sell surplus waters. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305, K.S.A. 82a-1307, K.S.A. 82a-1311a, K.S.A. 82a-1312, and K.S.A. 82a-1316; effective May 1, 1979; amended May 1, 1980; amended May 1, 1981; amended May 1, 1984; amended Aug. 30, 2013.)

(b) To request permission to assign, sell, convey, or transfer all or any part of a water purchase contract, the purchaser shall provide information requested by the director to consider the request.

(c) Before approving any assignment, sale, conveyance, or transfer of all or any part of the water purchase contract, the authority shall determine that both of the following conditions are met:

(1) The contract was negotiated and signed by the parties to the contract pursuant to K.S.A. 82a-901a et seq. and K.S.A. 82a-1301 et seq., and amendments thereto.

98-5-6. Rate charged for water. (a) The rate to be charged for water shall be fixed by the director pursuant to K.S.A. 82a-1308a, and amendments thereto. The rate fixed by the director shall be approved by the authority on or before July 15 of each calendar year. The rate shall take effect on January 1 of the following year.

(b) The fixed rate shall include amounts to cover the components required in K.S.A. 82a-1308a, and amendments thereto, and to meet the needs of the water marketing capital development and storage maintenance plan, as approved by the authority.

(c) The rate fixed for each calendar year shall apply to all water use under contracts negotiated on or after March 17, 1983.

(d) For any contract negotiated before March 17, 1983, the rate in effect on the date established by the contract for review and adjustment of the rate charged for water shall become the new rate to be charged for all water that shall be paid for under terms of the contract, up to a maximum rate not to exceed 10 cents per 1,000 gallons. The new rate shall remain in effect until the next rate established by the contract for review of the rate charged for water. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 2012 Supp. 82a-1308a; effective, T-84-29, Oct. 19, 1983; effective May 1, 1984; amended May 1, 1987; amended Aug. 30, 2013.)

98-5-7. Rate charged for surplus water. (a) No charges shall be made for surplus water if the water is for streamflow maintenance or reservoir pool management.

(b) The rate to be charged for surplus water shall be the rate set in K.S.A. 82a-1308a, and amendments thereto, and defined in K.A.R. 98-5-6. The purchaser shall be obligated to pay for at least 50 percent of the quantity specified in the contract.

(c) The rate charged for surplus water shall change on January 1 of each calendar year, when
the new water rate, as described in K.A.R. 98-5-6, becomes effective. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305; effective May 1, 1984; amended May 1, 1987; amended Aug. 30, 2013.)

98-5-8. Contract provisions. (a) Each contract for the sale of water supply shall be on a form specified by the director. If the director determines, during the contract negotiation process, that any article or portion of any article in the standard contract format is not needed or is not applicable, the article or portion of it may be deleted from the standard contract by the director.

(b) Any special requirement not covered in the standard contract format may be added as an additional article in the contract. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1306; effective Nov. 22, 1996; amended Aug. 30, 2013.)

(A) All available climatic and hydrologic information for the period of record; or

(B) if the climatic and hydrologic information does not include the drought period of 1952 through 1957, estimation of the climatic and hydrologic information for the drought period of 1952 through 1957; and

(2) the conservation storage water supply capacities of the reservoirs in the basin system determined by capacities anticipated to be available after accounting for sedimentation in the reservoirs.

(b) The reservoir yield may be recalculated upon the office’s receipt of information that could influence the yield calculations. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305; effective Aug. 30, 2013.)

Article 6.—WATER ASSURANCE PROGRAM

98-6-2. Contract authority. The director of the Kansas water office shall enter into water assurance contracts with water assurance districts. (Authorized by K.S.A. 1988 Supp. 82a-1345(e); implementing K.S.A. 1988 Supp. 82a-1330 et seq.; effective Sept. 4, 1989.)

The request shall be submitted on forms provided by the office and include all information requested on those forms. Each request shall include a copy of the district’s certificate of incorporation filed with the secretary of state.

(b) The request to negotiate and the information provided by the water assurance district shall be reviewed by the director to determine if the information provided is sufficient to begin negotiations for a water assurance contract. The district shall be notified by the director if there is a need for additional information or if the request submitted is sufficient to begin negotiations. The notice shall be in writing and shall be provided within 30 days of receipt of the request.

(c) If the director finds that the information provided by the assurance district is sufficient, the negotiations shall commence.

(d) Each person who has a water purchase contract or an application for a water purchase contract on file with the director, or a water assurance contract pertaining to storage in reservoirs in the designated basin, shall be notified in writing that negotiations with an assurance district have begun. The notice shall be mailed to each person’s last known address. Each person so notified shall, within 20 days following notification by the director, file in writing a request to begin negotiations for a written contract, or forfeit the right to participate in current negotiations for a written contract for water purchase or for a water assurance contract.

(e) Water assurance contract negotiations shall be conducted by the director and the board members of the assurance district or their designees.

(f) If the district and the director cannot agree on terms or language in the contract, the negotiations may be terminated by either party.

(g) A water assurance contract shall be approved by the director if the director finds that all of the following conditions are met:

(1) The approval of the water assurance contract is in the best interest of the people of the state of Kansas.
(2) The water assurance contract refers to and incorporates by reference an operations agreement that includes the following:
   (A) The rules of operation for designated assurance reservoirs to provide assurance water;
   (B) quantities of water supply in designated assurance reservoirs;

   (F) a provision to release water from storage from one or more reservoirs in order to meet specified instream purposes; and
   (G) any other related matters to which the parties agree.

(3) The state has filed or will file, if necessary, before initiation of the operations agreement, a water reservation right for storage of water in the reservoirs designated in the contract.

(4) The state has signed or will sign, if necessary, an agreement with an agency or department of the United States for water supply storage space in reservoirs named in the operations agreement.

(5) The water assurance contract includes a statement that the water assurance storage component of the major reservoirs in the designated basin are designated for the sole use and benefit of the water assurance district in accordance with the operations agreement.

(6) The remaining water supply capacity satisfies any present water purchase contract.

(7) Before any member of the water assurance district receives benefits or water pursuant to a water assurance contract, that member has adopted a water conservation plan consistent with the guidelines for conservation plans and practices developed and maintained by the Kansas water office pursuant to K.S.A. 74-2608, and amendments thereto.

(8) The water assurance contract contains a provision that establishes procedures for allocating inflows in any reservoir in which a water assurance district has purchased storage.

(h) Upon completion of negotiations, a proposed final water assurance contract shall be sent by the director to the water assurance district.

(i) After receipt of the proposed final water assurance contract, the water assurance district shall perform one of the following, within 45 days:

1. Indicate acceptance of the water assurance contract by signing and returning it to the director;
2. Return the unsigned water assurance contract to the director with written comments;
3. Request a meeting with the director to discuss the water assurance contract; or
4. Request an extension of time for consideration of the water assurance contract.

The charges to be paid by the district shall be determined by the director as provided in K.S.A. 82a-1345 and amendments thereto, which shall include the following: (a) The amount necessary to cover the amortized capital costs to the state for acquisitions of assurance storage capacity from the federal government necessary to meet the requirements of the operations agreement. The amortized capital costs to the state shall be determined on an individual reservoir basis for reservoirs in the designated basin in which the assurance district is formed as follows:

1. One lump sum, up-front payment for principal and interest paid, or due to be paid, including any interest which has accumulated through the date of commencement of operations of storage space under the operations agreement;

98-8-1. Application for easement. (a) Any cooperating landowner may submit an application for an easement on state property along a navigable river on forms provided by the director. The cooperating landowner shall acknowledge that the cooperating landowner will pay all applicable filing fees for any easement granted.

(b) The following shall be confirmed by the director:
   (1)(A) The cooperating landowner owns the property adjacent to the state property upon which an easement is proposed; or
   (B) the cooperating landowner otherwise has a legal right to complete a project on the adjacent land.
   (2) The cooperating landowner is participating in a state, local, or federal program, if applicable.
   (c) A notice of intent to issue easement shall be issued by the director for each project that meets the requirements of subsection (b). The notice of intent to issue easement shall include the following:
      (1) The legal description of the cooperating landowner's property;
      (2) information about the location on the river upon which the easement is proposed;
      (3) a description of the type of projects proposed to be completed by and through the use of the easement; and
      (4) a date and time by which any comments or responses received, and the proposed project shall be reviewed by the director.
   (d) A determination of whether any prior easement in the county or counties in which the project is proposed could conflict with the proposed easement shall be made by the director. The notice of the intent to issue easement shall be sent by the director to each person holding any prior easements that could conflict.
   (e) The notice of intent to issue easement shall provide a comment period of at least 15 days and no more than 30 days. During that time, any person receiving notice may submit comments on the proposed easement to the director. The notice shall provide information on how to submit comments to the director.

(f) The notice of intent to issue easement may be sent by any means that the director specifies. (Authorized by and implementing K.S.A. 2011 Supp. 82a-220; effective Aug. 30, 2013.)

98-8-2. Notice to county and other government agencies. A copy of the notice of intent to grant easement shall be sent by the director to the following: (a) The register of deeds and the county commission in each county in which the easement is proposed;

   (b) the program agencies;

98-8-3. Review of notice of intent to grant easement. (a) After the comment period specified in the notice of intent to grant easement has ended, the application, any comments or responses received, and the proposed project shall be reviewed by the director.

   (b) No easement shall be granted until applicable program funding for the project has preliminary approval, if the project depends on a federal, state, or local program for funding.

   (c) If, after review, the director determines that the application meets the statutory requirements for an easement in K.S.A. 82a-220 and amendments thereto, notice of the approval shall be sent to the cooperating landowner and the fees necessary for filing the easement shall be collected by the director.

   (d) If, after review, the director determines that the application does not meet the statutory requirements for an easement or that the comments and responses received from those receiving the notice of intent to grant easement raise questions or issues that need to be resolved before an easement should be granted, a notice of cancellation of the intent to grant easement that provides the cooperating landowner with information about the concerns raised or problems to be addressed shall be issued by the director. The notice of cancellation shall indicate that the notice of intent to
grant easement will be cancelled on a date certain, but not less than 15 business days after the date of the notice to cancel. The notice of cancellation shall be sent to all entities that received the notice of intent to grant easement.

(e) The cooperating landowner may, before the date indicated in the notice of cancellation, provide additional information or data or address concerns. If the director determines that the additional information provided adequately addresses concerns noted in the notice of cancellation, the easement may be granted after the director provides a summary of the information to all receiving notice under this regulation. An easement may be granted by the director if no person receiving notice files an objection within 10 days. Each objection shall be reviewed by the director to determine if the objection would change the director’s intent to grant the easement. (Authorized by and implementing K.S.A. 2011 Supp. 82a-220, as amended by L. 2012, ch. 140, sec. 133; effective Aug. 30, 2013.)

(b) “Local anesthesia” means a drug that, when administered to a localized part of the human body by topical application or by local infiltration in close proximity to a nerve, produces a transient and reversible loss of sensation. This term shall include lidocaine injections not exceeding seven milligrams per kilogram of body weight and also tumescent local anesthesia.

(c) “Medical care facility” has the meaning specified in K.S.A. 65-425 and amendments thereto.
