## State of Kansas

**Department of Agriculture****Notice of Hearing**

Pursuant to K.S.A. 2-2117, a public hearing will be conducted at 10:00 a.m. June 30, 2021, in room 124, Kansas Department of Agriculture ("KDA"), 1320 Research Park Dr., Manhattan, KS 66502, regarding the issuance of a permanent statewide quarantine of all weed species designated noxious by federal regulation 7 CFR 360.200. The proposed quarantine would replace KDA's existing Federal Noxious Weed Quarantine, which is expiring, and would prohibit all movement of items regulated pursuant to the quarantine into or within the State of Kansas. Regulated items under the quarantine would include entire plants and all parts of plants of any federally designated noxious weed capable of growing or propagating, as well as forage, hay, or any other commodity containing any such plants or plant parts.

All interested persons may attend the hearing in person or appear by counsel and will have the opportunity to express comments orally, in writing, or both. Written comments and requests for information concerning the proposed quarantine should be directed to Jeff Vogel, Plant Protection and Weed Control Program Manager, Kansas Department of Agriculture, 1320 Research Park Dr., Manhattan, KS 66502, email [jeff.vogel@ks.gov](mailto:jeff.vogel@ks.gov), at or before the time of hearing. A copy of the proposed quarantine may be accessed at <https://agriculture.ks.gov/document-services/public-comment>. Comments may also be made on KDA's website. For persons intending to present oral comments at the hearing, prior notice to KDA would be helpful in arranging the agenda and may be provided using any of the contact information contained in this notice. In order to ensure all parties are able to comment, it may be necessary to limit each participant's oral presentation to five minutes.

Anyone with a disability may request accommodation in order to participate in the public hearing and request a copy of the quarantine in an accessible format. Such requests should be made at least five working days in ad-

vance of the hearing by contacting Ronda Hutton at 785-564-6715 or fax 785-564-6777. Handicapped parking is located in the west parking lot and the building entrance is accessible to individuals with disabilities.

Mike Beam  
Secretary

Doc. No. 049143

## State of Kansas

**Housing Resources Corporation****Notice of Hearing**

The State of Kansas is amending its 2019-2023 Consolidated Plan, including the 2019 Annual Action Plan, to include the third round of Coronavirus Aid, Relief, and Economic Security (CARES) Act funding. The Consolidated Plan is the state's policy framework for federal community development and housing programs. Estimated resources will include \$5,300,724, for the Community Development Block Grant (CDBG-CV).

Due to the recent COVID-19 pandemic, a public hearing will be held digitally. You may join the hearing at 10:00 a.m. June 2, 2021, at <https://global.gotomeeting.com/join/309814325>. You may use your device's audio or call 646-749-3122, conference ID 309-814-325#.

The public hearing will be conducted to receive comments on the proposed amended Consolidated Plan and Action Plan located at [www.kshousingcorp.org](http://www.kshousingcorp.org). The document will be available for public examination beginning June 2, 2021. Limited hard copies will be available upon request. The public comment period ends June 8, 2021.

If you are in need of a sign language interpreter, large print, or other material for accommodations to participate, you must notify the Kansas Housing Resources Corporation at least one week prior to the meeting. Requests may be addressed to the Community Solutions Director, Kansas Housing Resources Corporation, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803, by telephone at 1-800-752-4422, or via the Kansas Relay Service.

(Published in the Kansas Register May 20, 2021.)

## City of Lenexa, Kansas

#### Notice to Bidders

Sealed bids for K-7 and Prairie Star Parkway Interchange Project (KDOT: 7-46 KA-6027-01) will be accepted by the City of Lenexa, Kansas at the Community Development Department, Lenexa City Hall, 17101 W. 87th St. Pkwy., Lenexa, KS 66219 until 1:00 p.m. (CST) June 17, 2021, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attn: City Clerk, and marked "Bid for: K-7 and Prairie Star Parkway Interchange Project – KDOT: 7-46 KA-6027-01." Copies of plans, specifications, bidding documents, and other contract documents are on file at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214.

Bidders desiring contract documents for use in preparing bids may obtain a set of such documents at the address above. Plans and specifications may be downloaded from the Drexel Technologies, Inc. website at <http://planroom.drexeltech.com/>.

Each bidder will be responsible for ensuring that it has received any and all addenda issued by city in accordance with IB-10 of the instructions to bidders.

Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to

fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid form;
- b. 5% bid security—bid bond, cashier’s check, or certified check (see below); and
- c. Acknowledgment of addenda issued by city.

Each bidder shall file with its bid a bid bond, a cashier’s check, or a certified check drawn on an acceptable bank, made payable to the City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by the City of Lenexa, Kansas until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond, and statutory bond, each in an amount equal to 100% of the contract amount; required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of city clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the Instructions to Bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

Jennifer Martin  
City Clerk

Doc. No. 049156

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking qualified consulting engineering firm(s) for the project listed below. Interested consulting firms must: (a) be prequalified by KDOT or otherwise demonstrate qualification in category 221 – Nonstandard Bridge Design. A PDF must be emailed to David Lutgen, P.E., Contracts Engineer at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Responses are to be limited to eight pages, the subject line of the reply email and the file name must read “KA-6173-01 RFP – Firm Name.” RFPs must be received by 12:00 p.m. May 28, 2021 for the consulting firm to be considered.

If a firm is not currently prequalified by KDOT a response may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at

(continued)

the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

### Scope of Services to be Performed

KDOT is seeking the services of a consulting firm to provide new sign structure standards for overhead sign trusses. A consultant will be awarded a contract to provide new sign structure standard details, and a design program. The structures are to be designed to AASHTO LRFD Specifications for Structural Supports for Highway Signs, Luminaires, and Traffic Signals and Interims. The structures are to be designed using steel, using the current KDOT general truss configuration.

Overhead Sign Truss Design and Details shall include:

- Sign structure standard details
- Design Mathcad/spreadsheets in combination with other software to be determined to assist
- Foundation design with software to be determined to assist for site specific conditions
- Designed for Fatigue Category 1
- AASHTO LRFD Design 2015 Plus Interims
- Fatigue Design shall include truck gust, galloping, natural wind
- Design for maximum sign area per structure as well as individual designs
- Utilizing angle webs
  - Minimize the use of transverse welds
  - Simplify details
    - Splice
    - Truss end connection
  - Add box ends to each section

The selected consultant firm will be required to submit standard detail plan sheets, structural calculation package and a design Mathcad/spreadsheets program. Periodic meetings with KDOT forces will also be necessary. The electronic format for the standard details and design program will be required as a deliverable. Review KDOT design policy for the trusses for feasibility.

### Anticipated Schedule for Subsequent Events

Request for Proposals (RFPs) are due by 12:00 p.m. (CST) May 28, 2021. Evaluation and ranking of technical proposals on or about June 10, 2020 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about June 21, 2020. Agreement in place and in effect July 12, 2020. RFPs are to be delivered via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

### Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed eight (8) pages total to address the pertinent topics. Please use the following naming convention for submittal...KA-6173-01 RFP – Firm Name. RFPs submitted will consist of the proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a completed and signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Subconsultants will need to complete these attachments as well

RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks

and to produce deliverables described above under “Scope of Services to be Performed.” Also, include items such as:

- Project manager/engineer in charge
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Familiarity with KDOT standards and content
- Any Subconsultant and their role (if any) that will be performing services on the project

### Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors: 1) the quality and completeness of the response; 2) qualifications and experience of consultant design personnel/manager proposed for services; 3) proposed project approach; 4) availability to respond to the work; and 5) past performance history for similar projects/services for KDOT. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

### Exhibits to this RFP

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

### Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special Attachments for the Kansas “Tax Clearance Certificate,” the “Certification of Final Indirect Costs,” and the Special Attachment No. 10 (“Policy Regarding Sexual Harassment”) will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

Calvin E. Reed, P.E., Director  
Division of Engineering and Design

Doc. No. 049134

## State of Kansas

## Department of Transportation

### Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of

business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) June 16, 2021. The KDOT bid letting will be conducted remotely by audio broadcast ONLY at 3:00 p.m. (CST) Wednesday, June 16, 2021. To join the conference call, dial 866-620-7326 and enter conference code 5895748207. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

## State of Kansas

**Department of Health and Environment****Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Growmark, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Growmark, Inc., PO Box 2500, Bloomington, IL 61702, owns and operates a refined petroleum pump station and loading terminal located at 963 Vernon Rd., Watheana, Doniphan County, KS 66090.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, Kansas. To obtain or review the proposed permit and supporting documentation, contact Jonathan Tennis, 785-296-6024, at the central office of the KDHE or Pat Simpson, 785-330-8611, at the Northeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Jonathan Tennis, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, June 21, 2021.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Jonathan Tennis, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, June 21, 2021, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

**Department of Health and Environment****Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Globe Engineering Co., Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Globe Engineering Co., Inc., 1539 S. St. Paul, Wichita, KS 67213 owns and operates a facility that manufactures airplane parts located at 1539 S. St. Paul, Wichita, Sedgwick County, KS 67213.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202-2921. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of the KDHE or Allison Herring, 316-337-6042, at the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, June 21, 2021.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richard-

son, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, June 21, 2021, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-21-184/186

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Errebo Farms, Inc. 789 E. Rye Dr. Sylvan Grove, KS 67481	NE/4 of Section 7 T11S, R09W Lincoln County	Saline River Basin

Kansas Permit No. A-SALC-M003

The proposed action is to reissue an existing state permit for an existing facility for 70 head (70 animal units) of cattle more than 700 pounds and 70 head (35 animal units) of cattle 700 pounds or less; for a total of 105 animal units of cattle. There will be no change in the operation or permitted number of animal units from the previous permit.

Name and Address of Applicant	Legal Description	Receiving Water
Rio Vista Farms, LLC 9801 W. US-50 Hwy. PO Box 20 Coolidge, KS 67836	SE/4 of Section 20 W/2 of Section 21 T23S, R42W Hamilton County	Upper Arkansas River Basin

Kansas Permit No. A-UAHM-D001  
Federal Permit No. KS0093343

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted for 6,850 head (9,590 animal units) of mature dairy cows and 2,800 head (2,800 animal units) of cattle weighing more than 700 pounds; for a total of 12,390 animal units of cattle. The facility's NMP was updated to include a change in the application rate limitation for five fields. The fields' application rate limitations for 24-3 cropland, 24-3 pasture, 23-1, 24-4 cropland and 25-1 cropland have become less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Turon Feed Yard 16510 S. Sylvia Rd. Turon, KS 67583	SW/4 of Section 15 W/2 of Section 22 T25S, R10W Reno County	Lower Arkansas River Basin

Kansas Permit No. A-ARRN-C001  
Federal Permit No. KS0085804

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted for 35,000 head (35,000 animal units) of cattle weighing more than 700 pounds. The facility's NMP was updated to include changes in the application rate limitations. The application rate limitations for 1NW and 21 have become less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Public Notice No. KS-Q-21-037/044

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Altoona, City of PO Box 147 Altoona, KS 66710	Verdigris River via Big Cedar Creek	Treated Domestic Wastewater

Kansas Permit No. M-VE01-0001  
Federal Permit No. KS0027511

Legal Description: NW¼, SE¼, NW¼, S21, T29S, R16E. Wilson County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a two-cell wastewater stabilization lagoon system. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined

(continued)

through analysis of the facility's highest attainable criteria (HAC) for ammonia and an Economic Eligibility Determination (EED) that assessed the impact of the cost of a new mechanical facility to the community's rate payers. The ammonia effluent limit was determined on 10/5/2020 by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 6.4 mg/L for this facility. The EED was completed on 9/24/2020. The proposed permit has limits for biochemical oxygen demand, total suspended solids, pH, and ammonia, as well as monitoring for ammonia.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Bayer Construction Company, Inc PO Box 889 Manhattan, KS 66505	Big Blue River via Tuttle Creek Reservoir via Mill Creek via Unnamed Tributary	Process Wastewater

Kansas Permit No. I-BB19-PO04  
Federal Permit No. KS0098078

Legal Description: SE¼, S3, T9S, R6E, Riley County, Kansas

Facility Name: Stevens Quarry

The proposed permit is to reissue an existing State/NPDES permit to an existing facility. This is a limestone quarrying and crushing operation with no rock washing. Outfalls 001A1 and 002A1 consist of pit water and stormwater runoff. The proposed permit contains generic language to protect the waters of the state.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Cherryvale, City of 123 W. Main St. Cherryvale, KS 67335	Verdigris River via Drum Creek	Treated Domestic Wastewater

Kansas Permit No. M-VE07-OO02  
Federal Permit No. KS0094803

Legal Description: SW¼, SE¼, NE¼, S7, T32S, R17E, Montgomery County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a three-cell wastewater stabilization lagoon system. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia and an Economic Eligibility Determination (EED) that assessed the impact of the cost of a new mechanical facility to the community's rate payers. The ammonia effluent limit was determined on 8/24/2020 by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 4.4 mg/L for this facility. The EED was completed on 8/7/2020. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, and ammonia, as well as monitoring for E. coli.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Chisholm Creek Utility Authority 5551 N. Broadway Park City, KS 67219	Chisholm Creek	Treated Domestic Wastewater

Kansas Permit No. M-LA19-OO02  
Federal Permit No. KS0089176

Legal Description: E½, SE¼, SE¼, S17, T26S, R1E, Sedgwick County, Kansas

The proposed action is to issue a modified State/NPDES permit for an existing facility. This facility is a mechanical Sequencing Batch Reactor (SBR) treatment plant consisting of two mechanical screen units, emergency bar screen, Eutek grit removal system, three-unit sequencing batch reactors, SBR effluent equalization basin, three multi-unit UV disinfection, one primary and two secondary aerobic

sludge digesters, belt filter press, plant reuse water system, covered sludge storage, and cascade reaeration. The proposed facility upgrades will consist of the construction of three larger SBR basins equal to the size of the existing larger SBR basin #3 and converting the two existing SBR smaller basins into primary digesters with surface aerators and converting the existing primary digester into a second post equalization basin. Additional improvements include converting two existing secondary digesters to lime thickeners and the addition of a chemical feed system for phosphorus removal. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, ammonia, whole effluent toxicity, priority pollutants, and E. coli, as well as monitoring for total phosphorus, nitrate + nitrite, total Kjeldahl nitrogen, total nitrogen, mercury and flow.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Inman, City of PO Box 177 Inman, KS 67546	Blaze Fork Creek	Treated Domestic Wastewater

Kansas Permit No. M-LA08-OO01  
Federal Permit No. KS0080292

Legal Description: SE¼, SW¼, NE¼, S9, T21S, R4W, McPherson County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a four-cell wastewater stabilization lagoon system. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia and an Economic Eligibility Determination (EED) that assessed the impact of the cost of a new mechanical facility to the community's rate payers. The ammonia effluent limit was determined on 9/9/2020 by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 5.7 mg/L for this facility. The EED was completed on 9/21/2020. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, ammonia, and E. coli, as well as monitoring for chlorides, selenium, arsenic, and total phosphorus.

Name and Address of Applicant	Receiving Stream	Type of Discharge
LaCrosse, City of PO Box 339 LaCrosse, KS 67548	Sand Creek via Unnamed Tributary	Treated Domestic Wastewater

Kansas Permit No. M-UA23-OO02  
Federal Permit No. KS0100081

Legal Description: NW¼, SE¼, SW¼, S35, T17S, R18W, Rush County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility consists of a submersible raw sewage pump station with an ozone injection system (unused) and a three-cell wastewater stabilization lagoon system. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia and an Economic Eligibility Determination (EED) that assessed the impact of the cost of a new mechanical facility to the community's rate payers. The ammonia effluent limit was determined on 8/11/2020 by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 3.1 mg/L for this facility. The EED was completed on 8/26/2020. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, and ammonia, as well as monitoring for E. coli, total phosphorus, arsenic, selenium and flow.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Montgomery County Commissioners PO Box 446 Independence, KS 67301	Little Caney River via Bee Creek via Cotton Creek via Unnamed Tributary	Treated Domestic Wastewater

Kansas Permit No. M-VE21-0002  
 Federal Permit No. KS0086207

Legal Description: SE¼, NE¼, SW¼, S18, T34S, R14E, Montgomery County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a three-cell wastewater stabilization lagoon system. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, and pH, as well as monitoring for ammonia, E. coli, and nitrate + nitrite.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Tribune, City of PO Box 577 Tribune, KS 67879	White Woman Creek	Treated Domestic Wastewater

Kansas Permit No. M-UA41-0001  
 Federal Permit No. KS0085642

Legal Description: NW¼, SE¼, NW¼, S21, T18S, R40W, Greeley County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a three-cell wastewater stabilization lagoon system. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, chlorine residual, and E. coli, as well as monitoring for ammonia.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before June 19, 2021, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-21-184/186, KS-Q-21-037/044) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Matthew Steele Ph.D., P.E., Section Chief, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Michael Beezhold at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Rachel Hammond, BEFS, Livestock Waste

Management Section at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov). For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Christopher Zwiener, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-3056 or email at [Christopher.Zwiener@ks.gov](mailto:Christopher.Zwiener@ks.gov). These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

**Notice of Hearing**

A public hearing is scheduled to be conducted at 1:00 p.m. Wednesday, June 23, 2021, in the Azure Conference Room of the Curtis State Office Building, 1000 SW Jackson St., 4th floor, Topeka, Kansas, to discuss the 2022 Intended Use Plans (IUP) for the Kansas Public Water Supply Loan Fund (KPWSLF) and the Kansas Water Pollution Control Revolving Fund (KWPCRF). These Intended Use Plans will make additions to the Project Priority List of each program and include estimates and uses of anticipated capitalization grants from EPA. Copies of the draft IUPs can be obtained online at [www.kdheks.gov/pws/loansgrants/loanfunddocumentsadministration.html](http://www.kdheks.gov/pws/loansgrants/loanfunddocumentsadministration.html).

Any individual with a disability may request accommodation to participate in the public hearing. Requests for accommodation should be made at least five working days before the hearing by contacting Linda White at 785-296-5514.

Comments can be presented at the hearing or in writing prior to the hearing. Due to the uncertainty of gathering restrictions that may be in effect at the time and location of the scheduled public hearing, written comments are strongly encouraged. Written comments should be addressed to William Carr, Bureau of Water, Kansas Department of Health and Environment, 1000 SW Jackson St, Suite 420, Topeka, KS 66612.

**State of Kansas**

**Department of Health and Environment**

**Request for Comments**

In accordance with Section 303(e) of the Federal Clean Water Act (CWA) and the interpreting regulations at 40 CFR 130.5, the Kansas Department of Health and Environment (KDHE) Bureau of Water has prepared an up-

*(continued)*

date to the Kansas Continuing Planning Process (CPP) and is inviting the public to provide comments. The Kansas CPP provides an overview of the programs and processes applied by the state to meet the CWA objectives of preventing, reducing, and eliminating pollution in the nation's waters in order to restore and maintain the chemical, physical, and biological integrity of those waters. As required by 40 CFR 130.5, nine primary elements are addressed by the Kansas CPP:

1. The process for developing effluent limitations and schedules of compliance.
2. The process for incorporating elements of any applicable areawide waste treatment plans under section 208 and applicable basin plans under section 209.
3. The process for developing total maximum daily loads (TMDLs).
4. The process for updating and maintaining Water Quality Management (WQM) plans.
5. The process for assuring adequate authority for intergovernmental cooperation in the implementation of state WQM plans.
6. The process for establishing and assuring adequate implementation of new or revised water quality standards.
7. The process for assuring adequate controls over the disposition of all residual waste from any water treatment processing.
8. The process for developing an inventory and ranking, in order of priority needs for construction of waste treatment works.
9. The process for determining the priority of permit issuance.

The updated Kansas CPP is available at [https://www.kdheks.gov/tmdl/ks\\_cpp.htm](https://www.kdheks.gov/tmdl/ks_cpp.htm).

Comments on the document will be received through June 21, 2021 and may be submitted in writing or via email. Please direct comments and questions to Michelle Probasco of the Watershed Planning, Monitoring, and Assessment Section of KDHE at 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367; by email at [Michelle.Probasco@ks.gov](mailto:Michelle.Probasco@ks.gov); by telephone at 785-296-8229; or by fax at 785-559-4258.

## Watco South Kansas & Oklahoma Railroad

### Request for Proposals

Interested parties are invited to submit a proposal to build subgrade and install track at the Sicut facility in Neodesha, Kansas.

#### Scope of Work

Project is in Neodesha, Kansas on proposed rail spur for Sicut. This proposal requests the contractor provide all necessary labor, equipment, and logistical services for installation of a rail spur including grading, subballast, erosion control, power line modification, complete all

rehab and track construction work, ties, ballast, etc. The scope is further described as follows:

- Grading site including clearing, stripping, embankment, subballast installation, and an earthen bumper
- Raise existing overhead power lines to clear planned rail to FRA Requirements
- Obtain, manage, and closeout SWPPP for project including install of erosion control measures- silt fence, rock check dams, and construction entrance
- Construction surveying to include final as-built survey
- Install only pricing for approximately 811 Track Feet of 136# jointed relay rail (owner supplied to jobsite) on new 7x9x8.6' composite crossties (owner supplied to jobsite)
- Install only pricing for one each owner supplied AREMA industrial Turn Out to be built using 136# rail, Sampson Points, Rail Bound Manganese Frog, Wood Ties, and OTM – plates, spikes, anchors, bolt/washer/nut assemblies
- Install owner provided 807 tons of ballast, tamping, and regulating
- Any pre-existing rail, ties, or OTM that is removed when installing switch components, must be removed and disposed of according to all local, state, and federal regulations
- Additional details concerning the scope of work needing to be done with each portion of the project, will be addressed at the pre-bid meeting

#### Minimum Requirements

##### MSA and Roadway Worker Protection

Contractors must complete, and have on file, a current Master Services Agreement with Watco Prior to submitting a proposal.

- Contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person
- Contractor, contractor employees, agents and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program
- Any subcontracted work will need to be approved prior to any work starting

##### Work Windows

Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with Watco/South Kansas & Oklahoma Railroad. Contractor can anticipate a minimum work window of eight hours with no more than one schedule of interruption in that time frame between the hours of 07:00 and 17:00. This topic will be further discussed and clarified during the pre-proposal meeting.

##### Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work,

unless certain standards are excluded from the project with written approval. All rail shall be replaced at standard gauge of 56-1/2".

#### Submittals

The following documents shall be submitted by the contractor as part of the project at the times listed:

- Schedule of Work – submitted with proposal
- Certificate of Insurance – submitted prior to construction
- Safety Plan – submitted prior to construction
- Proof of Roadway Worker Training – submitted prior to construction
- Rail Testing (If AREMA #1 Relay Rail is Used) – submitted prior to construction
- Rail Weld UT Test Requirements (All Rail Comp Welds) – submitted with billing

#### Other Responsibilities

- Permits – contractor is responsible for all federal, state, and local permits required for the work
- Utilities – contractor is responsible to locate and protect site utilities
- Site Clean-up – contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state and federal laws

#### Insurance

Contractor shall purchase required coverage and submit for verification a certificate of insurance.

#### Materials

All non-owner supplied materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on Railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of the Sicut facility, to be stockpiled as directed by a representative.

#### **Non-Project Areas**

Watco has secured access to the project through the Sicut property right of way. Other access may be obtained by the contractor if they so choose. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

#### **Pre-Proposal Meeting**

Watco shall hold a pre-proposal meeting at the project site at 11:00 a.m. (CST) Tuesday May 25, 2021. The meeting shall be held at the Sicut property at 1206 Worley Dr., Neodesha, Kansas. Contractors are required to be present at this meeting to submit a proposal or their proposal can be rejected.

#### **Project Completion**

All work pertaining to this project shall be completed by August 15, 2021.

#### **Submission of a Proposal**

All proposals must be submitted no later than May 25, 2021. All submitted proposals shall be reviewed by the Watco Purchasing Department. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. Contractors who wish to submit a proposal must attend the pre-proposal meeting. The structure of your proposal must be able to be clearly understood, all proposals shall provide the following line items and provide costs as required below:

- Provide a total sum of all line items on the proposal
- Mobilization and demobilization – lump sum
- Clearing and grubbing – three acres
- Excavation – 1948 CY (in place measure)
- Embankment – 1418 CY (in place measure)
- Power line raise – lump sum
- Erosion control – silt fence – 900 linear feet
- Erosion control – ditch checks – three each
- Erosion control – construction entrance – lump sum
- Contractor surveying – lump sum
- SWPPP – lump sum
- Subballast install – owner supplied – 811 tons
- Install approx. 895 track feet of new rail built with 136# RE rail on polymer cross ties
- Distribute approximately 807 tons ballast.
- Tamp and regulate
- Install one each #11 Turn Out (AREMA Industrial 136# RE rail, Rail Bound Manganese Frog, Hardwood Switch Ties, and HSS Switch Stand)
- Clean up work site to completion

#### **Work Reporting**

Daily work reports must be filled out and submitted to Paul Leonards, Watco VP of Construction at [pleonards@watco.com](mailto:pleonards@watco.com), phone 601-506-1800. Weekly reports should include updates to project schedules, any delays, or any change in the scope of work. A detailed summary report must be submitted at the completion of the project. Daily reporting shall consist of daily progress reports.

Doc. No. 049160

(Published in the Kansas Register May 20, 2021.)

### **Skyland Grain, LLC**

#### **Request for Proposals**

Interested parties are invited to submit a proposal to complete the below scope of repairs for the proposed Skyland Grain, LLC Elkhart, Kansas project.

#### **Scope of Work**

The Skyland Grain, LLC elevator track rehabilitation at Elkhart, Kansas. Provide all equipment, labor, and logistical services to supply all required materials; complete all rehabilitation and track construction work, ties, ballast, etc. The scope of work is further described as follows:

- Clear off debris and perform rehabilitation on approximately 2,400 feet of track at the Skyland Grain, LLC location in Elkhart, Kansas
  - Inspection and replacement of approximately 345 ties
- (continued)*

- Replacement of rail as needed
- Surfacing of the tracks
- Addition of new ballasts

Work in progress and the completed project must be done in compliance with applicable FRA Class I track specifications and applicable AREMA standards.

#### Roadway Worker Protection

All contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.

Skyland Grain, LLC requires all contractors to provide a Certificate of Insurance prior to work being performed.

Proposals must be submitted no later than June 3, 2021. All proposals will be reviewed by Skyland Grain, LLC. All proposals must include the following line items and provide costs as required:

1. Provide sum of all line items on the proposal
2. Removal and installation of new track
3. Installation of 345 relay grade ties
4. Replacement of rail
5. Installation of ballast
6. Surfacing of track

The following documents shall be submitted by the contractor as part of the project, at the times listed:

- Schedule of Work – submitted with proposal
- Certificate of Insurance – submitted prior to construction

#### Other Responsibilities

- Permits – contractor is responsible for all federal, state, and local permits required for the work.
- Utilities – contractor is responsible to locate and protect site utilities.
- Site Clean-up – contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state, and federal laws.

Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting.

#### Pre-Construction Meeting

Skyland Grain, LLC shall hold a pre-construction meeting at the project site to identify and mark ties that will be replaced.

#### Project Completion

All work pertaining to this project shall be completed by June 3, 2022.

#### Work Reporting

Daily/Weekly reports must be submitted to Amanda Florence.

If interested, please email your proposal to [Amanda.florence@skylandgrain.com](mailto:Amanda.florence@skylandgrain.com).

## Skyland Grain, LLC

### Request for Proposals

Interested parties are invited to submit a proposal to complete the below scope of repairs for the proposed Skyland Grain, LLC Manter, Kansas project.

#### Scope of Work

The Skyland Grain, LLC elevator track rehabilitation at Manter, Kansas. Provide all equipment, labor, and logistical services to supply all required materials; complete all rehabilitation and track construction work, ties, ballast, etc. The scope of work is further described as follows:

- Clear off approximately 2000' of track at the Skyland Grain, LLC location in Manter, Kansas
- Inspection of existing track and installation of new 200 relay grade ties with new spikes
- Replace damaged relay frog

Work in progress and the completed project must be done in compliance with applicable FRA Class I track specifications and applicable AREMA standards.

#### Roadway Worker Protection

All contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.

Skyland Grain, LLC requires all contractors to provide a Certificate of Insurance prior to work being performed.

Proposals must be submitted no later than June 3, 2021. All proposals will be reviewed by Skyland Grain, LLC. All proposals must include the following line items and provide costs as required:

1. Provide sum of all line items on the proposal
2. Removal and installation of new track
3. Installation of 200 relay grade ties and spikes
4. Replace relay frog

The following documents shall be submitted by the contractor as part of the project, at the times listed:

- Schedule of Work – submitted with proposal
- Certificate of Insurance – submitted prior to construction

#### Other Responsibilities

- Permits – contractor is responsible for all federal, state, and local permits required for the work.
- Utilities – contractor is responsible to locate and protect site utilities.
- Site Clean-up – contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state, and federal laws.

Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting.

**Pre-Construction Meeting**

Skyland Grain, LLC shall hold a pre-construction meeting at the project site to identify and mark ties that will be replaced.

**Project Completion**

All work pertaining to this project shall be completed by June 3, 2022.

**Work Reporting**

Daily/Weekly reports must be submitted to Amanda Florence.

If interested, please email your proposals to [Amanda.florence@skylandgrain.com](mailto:Amanda.florence@skylandgrain.com).

**State of Kansas**

**Department for Aging and Disability Services**

**Request for Applications**

The Department for Aging and Disability Services (KDADS), announces the release of a Request for Application (RFA) to qualified applicants to provide services to produce outcomes requested in the goal areas identified within the RFA. Applications will be accepted no later than 2:00 p.m. (CST) June 11, 2021. A complete copy of the RFA with details of important dates and timelines may be found at <https://www.kdads.ks.gov/provider-home/providers/bhs-funding-opportunities> or on Page 2 of the RFA. Additional files may be located at this website throughout the process so please monitor on a regular basis for changes.

**Kansas Prevention Collaborative-Community Initiative (KPCCI) Substance Abuse Prevention Planning Grant-Cohort VI**

**Request for Application Timeline**

Release of Request for Application	May 17, 2021
Questions submitted by Please include questions about the application if you have any	May 31, 2021
Response to Questions Posted	June 3, 2021
Pre-Application Webinar (785-414-8630, 187737044#)	June 4, 2021
Applications Due	June 11, 2021
Awards Announced	No later than June 25, 2021
Grant Phase	July 1, 2021 – June 30, 2022

Submit application and questions to [KDADS.Prevention@ks.gov](mailto:KDADS.Prevention@ks.gov), Cc: [Stephanie.Rhinehart@ks.gov](mailto:Stephanie.Rhinehart@ks.gov), [chris.bush@ks.gov](mailto:chris.bush@ks.gov), and [lindsey.spoonergabaldon2@ks.gov](mailto:lindsey.spoonergabaldon2@ks.gov).

**Overview**

The Kansas Department for Aging and Disability Services (KDADS), Behavioral Health Services Commission, announces the release of a Request for Applications (RFA) for planning grant (Cohort V) that will allow eligible applicants to engage in a comprehensive community-based strategic plan that will result in community driven strategies to reduce underage drinking, youth marijuana use,

health disparities, shared risk and protective factors to produce sustainable systems change.

- Behavioral health disparities pose a significant threat to the most vulnerable populations in our society. Whether manifesting themselves as elevated rates of substance misuse among American Indian/Alaska Natives, high rates of suicide among LGBTQ youth, or reduced access to prevention services among people living in rural areas, these disparities threaten the health and wellness of these populations and of our society as a whole. To overcome systemic barriers that may contribute to disparities, planners must be culturally competent. They must recognize and value cultural differences—such as those in the health beliefs, practices, and linguistic needs of diverse populations. They must develop and deliver prevention programs and practices in ways that ensure members of diverse cultural groups benefit from their efforts.

This Kansas Prevention Collaborative-Community Initiative (KPCCI) is intended to reduce underage drinking, youth marijuana use, health disparities, shared risk and protective factors, produce sustainable systems change, and prevent substance abuse in identified communities and enrich prevention efforts across the state through the implementation and sustainability of evidence-based strategies, culturally competent prevention strategies. Grantees will be supported by each of the Kansas Prevention Collaborative partners. You can find out more about each of these partners at <https://kansaspreventioncollaborative.org/>.

With the use of Substance Abuse Block Grant funds, the Kansas Prevention Collaborative has a primary objective to help communities plan, implement, and evaluate activities that prevent and treat substance abuse. Integration of other identified priority behavioral health areas is encouraged when possible to supplement substance abuse prevention. These funds are intended for the focus of primary prevention efforts directed at individuals not identified to be in need of treatment services.

This initiative will utilize the five steps of the SAMHSA Strategic Prevention Framework (SPF) with focus on steps 1, 2, 3, and 5. The SPF is a community-based approach to substance abuse prevention that cuts across existing programs and systems. SPF executes a data-driven, five-step process known to promote youth development, reduce risk-taking behaviors, build assets and resilience, and prevent problem behaviors across the life span. The SPF was initiated by SAMHSA and the Center for Substance Abuse Prevention (CSAP). The five steps of the SPF are designed to help states and communities build prevention competencies and infrastructure necessary to implement and sustain effective prevention policies, practices, and programs. An outline of the five-step process of the Strategic Prevention Framework is provided in the link. A general overview of each step is presented below.

Visit <https://www.samhsa.gov/sites/default/files/20190620-samhsa-strategic-prevention-framework-guide.pdf> to learn more about the Strategic Prevention Framework.

*(continued)*

**Step 1: Assessment**

- The purpose of this step is to understand local prevention needs based on a careful review of data gathered from a variety of sources. These data help planners to identify and prioritize the substance misuse problems present in their community; clarify the impact these problems have on community members; identify the specific factors that contribute to these problems; assess readiness; and determine the resources required to address those factors. Ultimately, a thorough and inclusive assessment process helps to ensure that substance misuse prevention efforts are appropriate and on target.

**Step 2: Capacity Building**

- In this step, local resources are built and mobilized and the community's readiness to address priority substance misuse problems is determined. In Step 1, planners took stock of what was available in their communities. In Step 2, they ensure the readiness of the community to buy in to the prevention effort and take stock of the resources needed to tackle the problem and produce a positive change. A community needs both human and structural resources to establish and maintain a prevention system that can respond effectively to local problems. It also needs people who have the motivation and willingness—that is, the readiness—to commit local resources to addressing these problems.

**Step 3: Strategic Planning**

- Strategic planning increases the effectiveness of prevention efforts by ensuring that prevention planners select and implement the most appropriate programs and strategies for their communities. In an effective planning process, communities involve diverse stakeholders, replace guesswork and hunches with data driven decisions, and create comprehensive, evidence-based prevention plans to address their priority substance misuse problems.

**Step 4: Implementation**

- In this step, a community's prevention plan is put into action by delivering evidence-based programs and practices as intended. To accomplish this task, planners will need to balance fidelity and adaptation, and establish critical implementation supports.

**Step 5: Evaluation**

- In the SPF, evaluation is about enhancing prevention practice. It is the systematic collection and analysis of information about prevention activities to reduce uncertainty, improve effectiveness, and facilitate decision-making

The SPF is guided by two cross-cutting principles that should be integrated into each of the steps that comprise it:

- **Sustainability** – the capacity of a community to produce and maintain positive prevention outcomes over time. To maintain positive outcomes, communities will want to sustain an effective strategic planning process as well as those programs and practices that produced positive prevention results. Accomplishing these dual tasks requires the partic-

ipation, resolve, and dedication of diverse community members and a lot of careful planning.

- **Cultural competence** – one of the SPF's two guiding, cross-cutting principles and, as such, should be integrated into each step of the framework's implementation. By considering culture at each step, planners can help to ensure that members of diverse population groups can actively participate in, feel comfortable with, and benefit from prevention practices.

**I. Purpose**

The KPCCI Planning Grant is intended to reduce underage drinking, youth marijuana use, health disparities, shared risk and protective factors, and produce sustainable systems change. Reduce and prevent substance abuse in identified communities and enrich prevention efforts across the state through the implementation and sustainability of evidence-based strategies, culturally competent prevention strategies. The grant is intended for primary prevention only.

Community coalitions that are awarded this grant, will be better prepared to apply for, and secure, other state and national resources to support the implementation and evaluation of their comprehensive plans and efforts to continue work with their communities. KDADS and the Kansas Prevention Collaborative will provide communities with support to make the best use of their efforts throughout the implementation phase.

Utilizing funding and technical assistance, community coalitions will analyze local data that is contributing to substance abuse within their identified geographic area. Resources and technical assistance will be provided to review local assessment profile, logic model, and action plan to address these issues using the five-step SPF process (i.e., assessment, capacity building, planning, implementation, and evaluation). This will also include reviewing plans for sustainability, cultural competence, and evaluation.

**II. Eligibility**

Kansas Department for Aging and Disability Services invites applications from private, nonprofit and/or community organizations.

Eligible applicants and their fiscal agents must be an existing community coalition or task force for at least the past six months and may include local government agencies, schools, public universities and colleges, private and/or not-for-profit 501(c)(3) organizations based in the targeted community. Community coalitions shall be defined as a multiple sector partnership, mobilized at the local level to make their communities safer, healthier, and drug-free. Effective community coalitions must possess a stable and effective organizational structure with clearly defined roles, responsibilities, and may include multiple geographic areas or school district boundaries that are efficiently and effectively able to work together (e.g., a rural, multi-county partnership).

Existing Community Defined:

- An established coalition that is already formed and can prove they have existed at least 6 months prior to the RFA release date. We asked that documentation be submitted to demonstrate that you are an existing coalition, providing minutes, names of

members, meetings and general functionable activities in place or plans in place for other work, etc. (Only send a copy of minutes for one month prior to December 2020)

- No group can be developed prior to the RFA by collaborating with others to meet the guidelines for the RFA, where no established work has not been done as a coalition earlier than 6 months.

### III. Outcomes/Goal(s)

To reduce underage drinking, youth marijuana use, shared risk and protective factors, produce sustainable systems change, and prevent substance abuse in identified communities and enrich prevention efforts across the state through the implementation and sustainability of evidence-based strategies, culturally competent prevention strategies through the implementation and sustainability of effective, culturally competent and diverse prevention strategies. Implementation grantees will demonstrate progress made toward community assessment and readiness, building capacity, addressing cultural competency, by developing a solid coalition infrastructure to create a comprehensive strategic plan that will make positive change in their community. This will be done by utilizing the Strategic Prevention Framework model. Emphasis will be placed on steps one, two, three and five as planning grantees will not be implementing strategies during this grant phase but preparing for the implementation process.

- Planning recipients are expected to implement some strategies (separate and different from those strategies in Stage 4 Implementation of the SPF). During the planning stage, recipients will increase their capacity/raise community readiness and all other prominent steps leading up to a successful transition to the implementation phase. Recipients will receive guidance, training and technical assistance from a DCCCA specialist, and additional support from the KPC team. The following 4 out of 5 steps are listed below that will utilize in the planning phase (Step 4—not included). As stated above these steps can be viewed in their entirety by accessing the provided link.

### IV. Terms of the Grant

The award is for a 12-month planning year. Grantees successfully completing the planning grant year will be eligible for implementation grant funds, based on performance, budget, and compliance. The awarded planning grantees will enter a binding legal agreement between the Kansas Department for Aging and Disability Services and the awarded recipient. The agreement requires the awarded grantee to comply with specific grant criteria, which includes mandatory trainings, weekly reporting, quarterly reports, monthly fiscal reports, and data collection. Should a community coalition not meet these requirements, they will be placed on high-risk status which could delay expense reimbursement, and/or affect future funding opportunities provided by the Kansas Department for Aging and Disability Services.

#### Transitioning from Planning Grantee to Implementation Grantee

Over the course of the year planning coalitions work will be accessed by the KPC team monthly ensuring that

work is being met. Coalitions who are meeting their goals and have met the expectations with approval from the KPC and final decision will be informed that they will proceed to move into year 1 for implementation. The awarded Implementation grantees will enter a binding legal agreement between the Kansas Department for Aging and Disability Services and the awarded recipient. The agreement requires the awarded grantee to comply with specific grant criteria, which includes mandatory trainings, weekly reporting, quarterly reports, monthly fiscal reports, and data collection.

**Note:** *Additional coalition-specific training and technical assistance events, virtually or on site, may be scheduled in coordination with individual coalitions to select ideal dates, times, and locations.*

### Deliverables and Reporting

- Community coalitions will be required to collect and report relevant National Outcome Measures (NOMs) which is data required for the state to report to the Federal Government.
  - NOMs—The Substance Abuse and Mental Health Services Administration (SAMHSA) has identified ten domains for National Outcome Measures (NOMs). The domains embody meaningful, real-life outcomes for people who are striving to attain and sustain recovery, build resilience, and work, learn, live, and participate fully in their communities. The NOMs matrix represents the beginning of a state-level reporting system that, in turn, will create an accurate and current national picture of substance-abuse and mental-health services.
- To assist the state's compliance with federal and community level evaluation requirements, grantees will participate in the Kansas Communities That Care (KCTC) Student Survey and achieve a 60% participation rate.
- Community coalitions will be expected to assess school district(s) in the area to be served as to whether there is an agreed upon plan for administration of the KCTC Student Survey. If not, the Community coalition will work with the KPC to develop an Action Plan to increase participation.
- Community coalitions will participate in evaluation and sense making, as directed, through documentation in the Community Check Box which will be submitted weekly on Fridays at the end of business or 5:00 p.m.
  - **CCB documentation** – The community check box is a tool for coalitions to document their activities they are doing in the community. Upon receiving ongoing training in the CCB where coalitions will learn how to document, it will be expected each week that coalitions are documenting their community activities-where this is reviewed by the KPC to ensure documentation is being entered in the CCB.
  - **Identifying population with BH Disparities** – Coalitions will use data to identify addi-  
(continued)

tional gaps of at least one ‘at risk’ population within their community and implement prevention strategies to reduce risk among the identified at risk population taking into account diversity and health disparities with the intended goal to take a deeper dive into identifying populations of other diversities and ethnic backgrounds.

- Community coalitions will be required to submit quarterly reports and monthly budget reports as specified in the Notification of Award.
- Designated coalition members must demonstrate an ability to participate in all required training and technical assistance provided by the Kansas Prevention Collaborative. Training may be offered virtually or face to face. Funds may be used to assist with travel to and from these events. (see section IV)

**V. Overview of Grant Awards**

Planning grants will be \$15,050 per community for one-year grantees. Number of awards will be based on funds available.

**KPCCI Planning Grantees Training Dates**

General Overview of Trainings

Trainings are scheduled throughout the year facilitated by the KPC Team members assigned to the training event to help coalitions to accomplish their goals expected in their grant deliverables. The training is mandatory where we ask at least one person from the coalition to be present, but strongly suggest two members to be present if possible. Dates, times, and locations are subject to change due to many contributing factors such as weather, and other unforeseen circumstances. Coalitions will be notified in a timely manner of any changes.

- Grantees will be expected to attend 4 days of SAPTS training
- Dates will be provided after award announcement

Quarter time periods for trainings are the following:

1st Quarter 2021	July 1, 2021 through September 30, 2021
2nd Quarter 2021	October 1, 2021 through December 31, 2021
3rd Quarter 2022	January 1, 2022 through March 31, 2022
4th Quarter 2022	April 1, 2022 through June 30, 2022

**KPCCI Planning–Cohort VI Grantees (Dates TBD)**

Training Event	Date	Time	Location
Orientation and Community Check Box (CCB)	July 21, 2020	10:00 a.m.–3:00 p.m.	TBD
Substance Abuse Prevention Skills Training (SAPST)	August 24-27, 2020	8/24 – 8:30 a.m. – 4:00 p.m. 8/25 – 8:30 a.m. – 4:30 p.m. 8/26 – 8:30 a.m. – 4:00 p.m. 8/27 – 8:30 a.m. – 1:30 p.m.	TBD
Assessment and Capacity-Building	September 9, 2020	10:00 a.m.–4:00 p.m.	TBD
Behavioral Health Disparities and Cultural Competence (All Grantees)	September 10, 2020	10:00 a.m.–4:00 p.m.	TBD
Community Check Box Training	September 18, 2020	10:00 a.m.–11:30 a.m.	Online
Planning, Implementation, and Evaluation	November 18, 2020	9:30 a.m.–4:00 p.m.	TBD
Community Check Box Training combined with Sense-making Documentation Review Event	December 3, 2020	New Planning grantees with individual times	Online
Sustainability	Recording available online, Due by February 16, 2021	Recording available online to listen at any time	Online
Community Check Box Training	February 19, 2021	10:00 a.m.–11:30 a.m.	Online
Data and Evaluation Workshop (planning grantees required; other grantees encouraged)	April 21, 2021	10:00 a.m.–4:00 p.m.	TBD
Data and Evaluation Workshop (all grantees)	April 22, 2021	10:00 a.m.–4:00 p.m.	
Sense-making Documentation Review Event	TBD	New planning grantees with individual times	Online

**Note:** Additional coalition-specific training and technical assistance events, virtually or on site, may be scheduled in coordination with individual coalitions to select ideal dates, times, and locations.

**Grant Deliverables/Key Components:**

SPF Step	Milestone/Key Product	Supports
Step 1: Assessment	<ul style="list-style-type: none"> <li>• Completion of community needs assessment                             <ul style="list-style-type: none"> <li>◦ data will be provided by KPC</li> <li>◦ local community data (optional)</li> <li>◦ other data sources (optional)</li> </ul> </li> <li>• Cultural competence assessment</li> <li>• Components of logic model</li> <li>• Identify target area and target populations considering diversity and health disparities.</li> </ul>	<ul style="list-style-type: none"> <li>• Data</li> <li>• Technical Assistance</li> <li>• Learning Events</li> </ul>
Step 2: Capacity	<ul style="list-style-type: none"> <li>• Assess Coalition and Describe Readiness and Capacity</li> <li>• Demonstrate participation of 12 key sectors and/or plan for recruiting representatives</li> <li>• Mission and Vision Statement</li> <li>• Clear organizational structure with formalized leadership</li> <li>• Build capacity for evaluation</li> </ul>	
Step 3: Planning	<ul style="list-style-type: none"> <li>• Memoranda of understanding with school districts for the Kansas Communities That Care (KCTC) survey participation</li> <li>• Complete logic model and action plans</li> <li>• Selection of evidence-based strategies tied to identified needs</li> </ul>	
Step 5: Evaluation (plan development)	<ul style="list-style-type: none"> <li>• Timeline for evaluation</li> <li>• Monthly use of community checkbox to document steps of planning</li> </ul>	

Although all five steps of the Strategic Prevention Framework will be implemented, grantees will not be expected to place emphasis on Step Four: Implementation during the planning process.

Community Coalitions will be required to engage in a multidisciplinary partnership committed to collaboratively work through each of the five steps of the SPF process identified community. To ensure diverse representation within SPF community coalitions, KDADS has elected to align the SPF award process with the 12-key community sectors required through the national Drug-Free Communities Support Program. This approach ensures the involvement of representatives from key community organizations and institutions who provide varying perspectives and interests in substance abuse prevention and related consequences.

Alignment with federal grant program requirements prepare Kansas communities to obtain additional resources to support and sustain local efforts. The 12 sector representatives required as member participants in each community coalition funded through the KPC are provided in Figure 2.

Figure 2 12-Key Community Sectors as Identified in the Drug-Free Communities Support Program
<ol style="list-style-type: none"> <li>1. Youth (18 or younger)</li> <li>2. Parents</li> <li>3. Business</li> <li>4. Media</li> <li>5. School</li> <li>6. Youth-serving organizations</li> <li>7. Law-enforcement agencies</li> <li>8. Religious or Fraternal organizations</li> <li>9. Healthcare Professionals (i.e. doctors, nurses, substance abuse treatment providers)</li> <li>10. State, Local, or Tribal Government entities</li> <li>11. Civic or volunteer groups</li> <li>12. Other organizations involved in reducing substance abuse</li> </ol>

**Community Plan**

Each community will submit a comprehensive plan to address targeted substance use, shared risk and protective factors, diversity, and health disparities which includes a broad array of prevention strategies directed at individuals not identified to be in need of treatment.

Each community’s plan will be required to contain at a minimum the following components: All of the components below are important, however as recipients move through phase 2 each step will be assessed, reviewed by your DCCCA specialist and supported by the KPC team ensuring each step is met with the goal to move to the next step before the implementation year 2 phase. The 8 components are in alignment of what you recipients are expected to fulfill in their deliverables:

- Demographics
- Staffing patterns/organizing structures
- Logic model to address underage drinking and/or youth marijuana use, health disparities, low perceived risk of harm from substance use, and other prioritized risk/protective factors
- Action plans for evidence-based strategies
- Cultural competency assessment and integration into action plan
- Evaluation plan
- Capacity development plan
- Sustainability plan

Upon successful completion of this Planning Grant, grantees will then be eligible for a continuation award contingent upon budget, compliance and performance. Continued funding will allow communities to continue execute strategies identified in their plans and evaluate outcomes.

**VI. Notification of Grant Awards**

Awarded grantees will be notified via email no later than June 12, 2020. The Kansas Prevention Collaborative partners will work closely with each of the grantees to initiate the planning process. Community mobilizers will

*(continued)*

be required to participate in the learning events (virtual and/or in-person as determined). In addition, technical assistance will be provided throughout the planning process. Community plans and supporting documents will be expected to be completed and approved by the Kansas Prevention Collaborative.

#### Training/Technical Assistance Support

Each community coalition will receive substantial support from the Kansas Prevention Collaborative partners.

- KDADS prevention team will provide support to the grantee regarding compliance and fiscal management.
- Grantees will receive community support from DCCCA specialists who will provide guidance on training and technical assistance.
- Grantees will receive support from Greenbush with data and evaluation tools.
- Grantees will receive support and training from KU on the reporting and documenting community activities.
- Grantees will receive support with communication through the KPC from WSU, that include training events, workshops, etc.

The Kansas Prevention Collaborative partners will assist with tools and resources to ensure a successful outcome. Grantees will also have additional opportunities to attend training events to strengthen their coalition. While it is not required, it is encouraged to budget travel to PreventionWorKS meetings that are held quarterly. In addition, several online tools and resources are available to grantees to provide assistance with the completion of project milestones and work documents.

#### Kansas Prevention Collaborative Resources

PreventionWorKS is a statewide Behavioral Health Prevention Coalition led by members of local community coalitions. One of the goals of PreventionWorKS is to connect coalitions across the state in a way that allows them to be resources and supports to one another. Participation in PreventionWorKS is strongly encouraged. This statewide coalition provides an opportunity for local coalitions to connect, share successes and lessons learned to strengthen statewide efforts. This coalition of coalitions is led by a steering committee comprised of community coalition members and other professionals. This peer led committee incorporates local level needs into the resources provided during these quarterly events.

Prevention TalkS is a monthly podcast that is offered and led by experts who address a variety of topics around Behavioral Health issues and other factors associated to prevention and promotion. These are not mandatory but strongly recommended to attend some throughout the year.

The annual Kansas Prevention Conference will be held on October 21-22, 2021, with the pre-conference being held on the 20th in Wichita, Kansas. Scholarships will be made possible to grantees who would like to attend the conference.

## VII. Application Instructions

### Submission Information

Those interested in applying shall submit any questions regarding the RFA prior to May 31, 2021 via email to [KDADS.Prevention@ks.gov](mailto:KDADS.Prevention@ks.gov).

Applications and required documents shall be submitted via email by 5:00 p.m. (CST) June 11, 2021. The application must be arranged in the order indicated in the "Application Checklist." Applications must include all the components described in this section. Failure to submit an application that contains all the specified information may negatively affect the review of the application.

Applicants are required to be registered with SAM.gov (System Award Management) and hold a DUNS number at time of submission. This is a unique nine-digit identification number provided by Dun & Bradstreet. It may be obtained at no cost at the following website: <https://fedgov.dnb.com/webform/pages/CCRSearch.jsp> or by calling 866-705-5711. Verification of the DUNS number must be submitted as part of the funding proposal.

### Application and Required Documentation

- Completed Applicant Information - (Attachment A) This is a standard form used for submission of proposals and related information. The Application page must be signed by an official authorized to sign.
- 501(c)(3) Verification as appropriate
- Current list of board members
- Budget Worksheet - (Attachment B) outlining how funds will be allocated. *(These are estimates and can be revised if awarded)* The Budget Worksheet and justification should thoroughly and clearly describe every category of expenses listed.
- Program Narrative - The program narrative must include the following sections:
  - Community Description (20 points)
  - Community Capacity for Collaboration and Planning (20 points)
  - Cultural Competency (20 points)
  - Organizational Description (20 points)
- Tax Clearance Certificate

All applicants must submit a "Tax Clearance." This is a comprehensive tax account review to determine and ensure that the account is compliant with all primary Kansas Tax Laws administered by the Kansas Department of Revenue, Director of Taxation. Information pertaining to a Tax Clearance is subject to change(s), which may arise as a result of a State Tax Audit, Federal Revenue Agent Report, or other lawful adjustment(s). This may take up to 24 hours to obtain. This is not the same as an entity being tax-exempt. **Do Not Submit Your Tax-Exempt Certificate.**

To obtain a Tax Clearance Certificate, you must:

- Go to <http://www.ksrevenue.org/taxclearance.html> to request a Tax Clearance Certificate
- Return to the website the following working day to see if KDOR will issue the certificate

- If issued an official certificate, print it or save and attach it to your signed renewal document
- If denied a certificate, contact the Kansas Department of Revenue, Director of Taxation about why a certificate wasn't issued
- It may take up to 24 hours to obtain the certificate/tax clearance and are only valid for 30 days
- **Please note this is not the same as tax-exempt status**

**Program Narrative (No template provided)**

**Instructions**

The narrative should describe the target community and the coalition's capability to engage in comprehensive community-based strategic planning that will result in a plan to address substance use disorder as it relates to prevention efforts and identifying shared risk and protective factors, diversity and health disparities that will produce sustainable systems change. The following guidance outlines the elements the narrative requests.

Please use 12-point font and standard 1-inch margins. Headings for each section (1-4) should be clearly labeled. Applicants should clearly and comprehensively respond to each bullet within each of the sections described below.

**1. Community Description**

- Describe and define the community/geographical area served by the coalition that will be targeted by the efforts of this award.
- Describe the challenges that address underage alcohol, marijuana use and/or ATOD presents in your community.
- List the coalition membership by sector in Figure 2.

**2. Community Capacity, Readiness, Mobilization, and Planning Efforts**

Coalitions identified staff is required to dedicate their time for the entire work and expected to fulfill the requirements of the RFA. It is important that those identified who will be contributing part time efforts to this project that they manage out time to complete the deliverables.

- Describe the coalition's capacity to engage in community organizing.
  - Describe the ability to build on partnerships during the planning process.
  - Who will participate in the planning process, how or what role?
- Discuss your community coalition's experience utilizing data to inform the decision making;
  - Describe any community needs assessment that has been done.
  - Describe both the readiness and capacity of your coalition to begin the planning phase.
- Discuss what activities have been implemented to increase readiness and capacity, discuss how the capacity and readiness for implementation will be increased during the planning phase.

- Describe the community mobilization that was required for the coalition to apply for this funding opportunity.
- Describe the coalition's experience working with grants and with strategic planning.
- Discuss any anticipated challenges or barriers and describe how those may be addressed.
- List any coalition needs for training or technical assistance.

**3. Cultural Competency and Sustainability**

- Briefly describe the community's culture and its diversity.
- Describe how your community coalition represents the cultural groups in your community and what changes are needed to ensure cultural competence and diverse engagement.
- Describe what will be required to improve cultural competency during the Implementation phase.
- Discuss how long your coalition has been involved in prevention and what other sources of funding your community provides to the coalition's prevention efforts.

**4. Organizational Description**

- If the coalition is not the fiscal agency for this application, please identify the fiscal agent and their role in project.
- Describe how the community coalition intends to structure its staffing and resources to ensure completion of all planning deliverables, including how the coalition plans to address any challenges, barriers, etc.
- Describe experience and capability in ensuring compliance with grant requirements including fiscal and progress reporting.

**VIII. Selection Process**

Applications will be evaluated according to the demonstrable capacity of the community coalition to create and implement a plan that produces community change. The community coalition must articulate its understanding of the challenges posed in addressing community-level factors related to underage drinking and/or marijuana use as well as shared risk and protective factors. Selection will also be given to those who demonstrate the willingness to support this grant and all key players involved. The quality and strength of the application narrative will also be considered. Grant applications will be reviewed based upon the following criteria.

APPLICATION COMPONENT	Points Possible
<b>Applicant Information &amp; Required Documentation (Attachment A)</b> <ul style="list-style-type: none"> <li>• 501(c)(3) Verification as appropriate</li> <li>• List of Board Members and a Board Member Conflict of Interest Statement if a 501(c)(3)</li> </ul>	5
<b>Budget Worksheet (Attachment B)</b>	15

<b>Narrative</b>	<b>80</b>
Community Description	20
Community Capacity for Collaboration and Planning	20
Cultural Competency	20
Organizational Description	20
<b>TOTAL</b>	<b>100</b>

**Application Checklist**

The following sections must be submitted in this order, in a combined PDF format (one complete document):

- \_\_\_ Applicant Information (Attachment A)
- \_\_\_ 501(c)(3) verification as appropriate (Applicant provides)
- \_\_\_ List of Board Members (Applicant provides)
- \_\_\_ Budget Justification Worksheet (Attachment B)
- \_\_\_ Project Narrative (Applicant provides)
- \_\_\_ Tax Clearance Certificate (Applicant provides)

*Kansas Department for Aging and Disability Services views KPCCI community grant applicants and grantees as learning partners; while specific guidance, consultation, and deliverables have been identified by federal and state partners, much will be learned as community leaders engage in building sustainable capacity within targeted populations to infuse a prevention mindset into multiple disciplines. This will have a direct impact on attitudes, beliefs, and actions related to substance abuse prevention specific to their community. The Kansas Prevention Collaborative is committed to working mutually with community coalitions to provide clarity through email, telephone or in person, as needed. As part of its commitment to lead and foster learning, KDADS will strive to create an environment in which the expertise of community stakeholders is honored and supported through competent supports both face-to-face and virtual settings.*

**Overview**

The Kansas Department for Aging and Disability Services (KDADS), Behavioral Health Services Commission, announces the release of a Request for Applications (RFA) for Implementation grant (Cohort IV) that will allow eligible applicants to engage in a comprehensive community-based strategic plan that will result in community driven strategies to reduce underage drinking, youth marijuana use, health disparities shared risk and protective factors and produce sustainable systems change.

- Behavioral health disparities pose a significant threat to the most vulnerable populations in our society. Whether manifesting themselves as elevated rates of substance misuse among American Indian/Alaska Natives, high rates of suicide among LGBTQ youth, or reduced access to prevention services among people living in rural areas, these disparities threaten the health and wellness of these populations and of our society as a whole. To overcome systemic barriers that may contribute to disparities, planners must be culturally competent. They must recognize and value cultural differences—such as

those in the health beliefs, practices, and linguistic needs of diverse populations. They must develop and deliver prevention programs and practices in ways that ensure members of diverse cultural groups benefit from their efforts.

This Kansas Prevention Collaborative-Community Initiative (KPCCI) is intended to reduce underage drinking, youth marijuana use, shared risk and protective factors, produce sustainable systems change, and prevent substance abuse in identified communities and enrich prevention efforts across the state through the implementation and sustainability of evidence-based strategies, culturally competent prevention strategies. Grantees will be supported by each of the Kansas Prevention Collaborative partners. You can find out more about each of these partners at <https://kansaspventioncollaborative.org/>.

With the use of Substance Abuse Block Grant funds, the Kansas Prevention Collaborative has a primary objective to help communities plan, implement, and evaluate activities that prevent and treat substance abuse. Integration of other identified priority behavioral health areas is encouraged when possible to supplement substance abuse prevention. These funds are intended for the focus of primary prevention efforts directed at individuals not identified to be in need of treatment services.

This initiative will utilize the five steps of the SAMHSA Strategic Prevention Framework (SPF) with focus on all steps of the SPF 1, 2, 3, 4, and 5. SPF is a community-based approach to substance abuse prevention that cuts across existing programs and systems. SPF executes a data-driven, five-step process known to promote youth development, reduce risk-taking behaviors, build assets and resilience, and prevent problem behaviors across the life span. The SPF was initiated by SAMHSA and the Center for Substance Abuse Prevention (CSAP). The five steps of the SPF are designed to help states and communities build prevention competencies and infrastructure necessary to implement and sustain effective prevention policies, practices, and programs. An outline of the five-step process of the Strategic Prevention Framework follows. A general overview of each step is presented below.

Visit <https://www.samhsa.gov/sites/default/files/20190620-samhsa-strategic-prevention-framework-guide.pdf> to learn more about the Strategic Prevention Framework.

### Step 1: Assessment

- The purpose of this step is to understand local prevention needs based on a careful review of data gathered from a variety of sources. These data help planners to identify and prioritize the substance misuse problems present in their community; clarify the impact these problems have on community members; identify the specific factors that contribute to these problems; assess readiness; and determine the resources required to address those factors. Ultimately, a thorough and inclusive assessment process helps to ensure that substance misuse prevention efforts are appropriate and on target.

### Step 2: Capacity Building

- In this step, local resources are built and mobilized and the community's readiness to address priority

substance misuse problems is determined. In Step 1, planners took stock of what was available in their communities. In Step 2, they ensure the readiness of the community to buy in to the prevention effort and take stock of the resources needed to tackle the problem and produce a positive change. A community needs both human and structural resources to establish and maintain a prevention system that can respond effectively to local problems. It also needs people who have the motivation and willingness—that is, the readiness—to commit local resources to addressing these problems.

### Step 3: Strategic Planning

- Strategic planning increases the effectiveness of prevention efforts by ensuring that prevention planners select and implement the most appropriate programs and strategies for their communities. In an effective planning process, communities involve diverse stakeholders, replace guesswork and hunches with data driven decisions, and create comprehensive, evidence-based prevention plans to address their priority substance misuse problems.

### Step 4: Implementation

- In this step, a community's prevention plan is put into action by delivering evidence-based programs and practices as intended. To accomplish this task, planners will need to balance fidelity and adaptation, and establish critical implementation supports.

### Step 5: Evaluation

- In the SPF, evaluation is about enhancing prevention practice. It is the systematic collection and analysis of information about prevention activities to reduce uncertainty, improve effectiveness, and facilitate decision-making.

The SPF is guided by two cross-cutting principles that should be integrated into each of the steps that comprise it:

- **Sustainability** – the capacity of a community to produce and maintain positive prevention outcomes over time. To maintain positive outcomes, communities will want to sustain an effective strategic planning process as well as those programs and practices that produced positive prevention results. Accomplishing these dual tasks requires the participation, resolve, and dedication of diverse community members and a lot of careful planning.
- **Cultural competence** – one of the SPF's two guiding, cross-cutting principles and, as such, should be integrated into each step of the framework's implementation. By considering culture at each step, planners can help to ensure that members of diverse population groups can actively participate in, feel comfortable with, and benefit from prevention practices.

### I. Purpose

The KPCCI Implementation Grant is intended to reduce underage drinking, youth marijuana use, health disparities, shared risk and protective factors, produce sustainable systems change. Reduce and prevent sub-

(continued)

stance abuse in identified communities and enrich prevention efforts across the state through the implementation and sustainability of evidence-based strategies, culturally competent prevention strategies. The grant is intended for primary prevention only.

Community coalitions that are awarded this grant will be better prepared to apply for, and secure, other state and national resources to support the implementation and evaluation of their comprehensive plans and efforts to continue work with their communities. KDADS and the Kansas Prevention Collaborative will provide communities with support to make the best use of their efforts throughout the implementation phase.

Utilizing funding and technical assistance, community coalitions will analyze local data that is contributing to substance abuse within their identified geographic area. Resources and technical assistance will be provided to review local assessment profile, logic model, and action plan to address these issues using the five-step SPF process (i.e., assessment, capacity building, planning, implementation, and evaluation). This will also include reviewing plans for sustainability, cultural competence, and evaluation.

## II. Eligibility

Kansas Department for Aging and Disability Services invites applications from private, nonprofit and/or community organizations.

Eligible applicants and their fiscal agents must be existing community coalitions for at least the past six months and may include local government agencies, schools, public universities and colleges, private and/or not-for-profit 501(c)(3) organizations based in the targeted community. Community coalitions shall be defined as a multiple sector partnership, mobilized at the local level to make their communities safer, healthier, and drug-free. Effective community coalitions must possess a stable and effective organizational structure with clearly defined roles, responsibilities, and may include multiple geographic areas or school district boundaries that are efficiently and effectively able to work together (e.g., a rural, multi-county partnership).

Existing Community Defined:

- An established coalition that is already formed and can prove they have existed at least 6 months prior to the RFA release date. We asked that documentation be submitted to demonstrate that you are an existing coalition, providing minutes, names of members, meetings and general functionable activities in place or plans in place for other work, etc. (Only send a copy of minutes for one month prior to December 2020)
- No group can be developed prior to the RFA by collaborating with others to meet the guidelines for the RFA, where no established work has not been done as a coalition earlier than 6 months.

## III. Outcomes/Goal(s)

To reduce underage drinking, youth marijuana use, shared risk and protective factors, produce sustainable systems change, and prevent substance abuse in identified communities and enrich prevention efforts across the state through the implementation and sustainabil-

ty of evidence-based strategies, culturally competent prevention strategies through the implementation and sustainability of effective, culturally competent and diverse prevention strategies. Implementation grantees will demonstrate progress made toward community assessment and readiness, building capacity, addressing cultural competency, by developing a solid coalition infrastructure to create a comprehensive strategic plan that will make positive change in their community. This will be done by utilizing the Strategic Prevention Framework model. Community Coalitions will be implementing strategies during this grant phase. Strategies to be funded by KPCCI funding that are currently in place will be reviewed by the KPC team.

## IV. Terms of the Grant

The award is for a 12-month grant year. Grantees successfully completing the first grant year will be eligible to transition into implementation year 2 and will receive additional grant funds, (based on performance, budget and compliance). The awarded implementation grantees will enter a binding legal agreement between the Kansas Department for Aging and Disability Services and the awarded recipient. The agreement requires the awarded grantee to comply with specific grant criteria, which includes mandatory trainings, weekly reporting, quarterly reports, monthly fiscal reports, and data collection. Should a community coalition not meet these requirements, they will be placed on high-risk status which could delay expense reimbursement, and/or affect future funding opportunities provided by the Kansas Department for Aging and Disability Services.

### KPCCI Implementation Grantees

**Note:** *Additional coalition-specific training and technical assistance events, virtually or on site, may be scheduled in coordination with individual coalitions to select ideal dates, times, and locations.*

### Deliverables and Reporting

- Community coalitions will be required to collect and report relevant National Outcome Measures (NOMs) which is data required for the State to report to the Federal Government.
  - NOMs-The Substance Abuse and Mental Health Services Administration (SAMHSA) has identified ten domains for National Outcome Measures (NOMs). The domains embody meaningful, real-life outcomes for people who are striving to attain and sustain recovery, build resilience, and work, learn, live, and participate fully in their communities. The NOMs matrix represents the beginning of a state-level reporting system that, in turn, will create an accurate and current national picture of substance-abuse and mental-health services.
- To assist the State's compliance with federal and community level evaluation requirements, grantees will participate in the Kansas Communities That Care (KCTC) Student Survey and achieve a 60% participation rate.
- Community coalitions will be expected to assess school district(s) in the area to be served as to wheth-

er there is an agreed upon plan for administration of the KCTC Student Survey. If not, the Community coalition will work with the KPC to develop an Action Plan to increase participation.

- Community coalitions will participate in evaluation, and sensemaking as directed, through documentation in the Community Check Box which will be submitted weekly on Fridays at the end of business or 5:00 p.m.
  - **CCB documentation** – The community check box is a tool for coalitions to document their activities they are doing in the community. Upon receiving ongoing training in the CCB where coalitions will learn how to document, it will be expected each week that coalitions are documenting their community activities-where this is reviewed by the KPC to ensure documentation is being entered in the CCB.
  - **Identifying population with BH Disparities** – Coalitions will use data to identify additional gaps of at least one ‘at risk’ population within their community and implement prevention strategies to reduce risk among the identified at risk population taking into account diversity and health disparities with the intended goal to take a deeper dive into identifying populations of other diversities and ethnic backgrounds.
- Community coalitions will be required to submit quarterly reports and monthly budget reports as specified in the Notification of Award.

- Designated coalition members must demonstrate an ability to participate in all required training and technical assistance provided by the Kansas Prevention Collaborative. Training may be offered virtually or face to face. Funds may be used to assist with travel to and from these events. (see section IV)

**V. Overview of Grant Awards**

Implementation grants will be \$32,000 per community for one-year grantees. Number of awards will be based on funds available.

**KPCCI Implementation Grantees Training Dates**

General Overview of Trainings

Trainings are scheduled throughout the year facilitated by the KPC Team members assigned to the training event to help coalitions to accomplish their goals expected in their grant deliverables. The training is mandatory where we ask at least one person from the coalition to be present, but strongly suggest two members to be present if possible. Dates, times, and locations are subject to change due to many contributing factors such as weather, and other unforeseen circumstances. Coalitions will be notified in a timely manner of any changes.

- Grantees will be expected to attend 4 days of SAPTS training
- Dates will be provided after award announcement

Quarter time periods for trainings are the following:

1st Quarter 2021	July 1, 2021 through September 30, 2021
2nd Quarter 2021	October 1, 2021 through December 31, 2021
3rd Quarter 2022	January 1, 2022 through March 31, 2022
4th Quarter 2022	April 1, 2022 through June 30, 2022

**KPCCI Implementation–Cohort V Grantees (Dates TBD)**

Training Event	Date	Time	Location
Substance Abuse Prevention Skills Training (Required for KPCCI Implementation Grantees)	August 2021	8/20 – 8:30 a.m.–4:00 p.m. 8/21 – 8:30 a.m.–4:30 p.m. 8/22 – 8:30 a.m.–4:00 p.m. 8/23 – 8:30 a.m.–1:30 p.m.	TBD
Behavioral Health Disparities and Cultural Competence (All Grantees)	1st quarter	10:00 a.m.–4:00 p.m.	TBD
Fidelity	1st quarter	10:00 a.m.–11:30 a.m.	TBD
Community Check Box Training	TBD	Grantees with individual times	TBD
Sense-making Documentation Review Event	TBD	TBD	TBD
Community Check Box Training	3rd quarter	TBD	TBD
Sustainability	3rd quarter	Recording available online to listen at any time	TBD
Tri-Ethnic Readiness Assessment Training	Recording available online, due by	Recording available online to listen at any time	TBD
Community Check Box Training	4th quarter	TBD	TBD
Data and Evaluation Workshop (all grantees)	4th quarter	10:00 a.m.–4:00 p.m.	TBD
Implementation Presentations	4th quarter	TBD	Lawrence and Wichita
Sense-making Documentation Review Event	TBD	TBD	Online

**Note:** Additional coalition-specific training and technical assistance events, virtually or on site, may be scheduled in coordination with individual coalitions to select ideal dates, times, and locations.

(continued)

Community Coalitions will be required to engage in a multidisciplinary partnership committed to collaboratively work through each of the five steps of the SPF process identified community. To ensure diverse representation within SPF community coalitions, KDADS has elected to align the SPF award process with the 12-key community sectors required through the national Drug-Free Communities Support Program. This approach ensures the involvement of representatives from key community organizations and institutions who provide varying perspectives and interests in substance abuse prevention and related consequences.

Alignment with federal grant program requirements prepare Kansas communities to obtain additional resources to support and sustain local efforts. The 12 sector representatives required as member participants in each community coalition funded through the KPC are provided in Figure 2.

**Figure 2**

**12-Key Community Sectors as Identified in the Drug-Free Communities Support Program**

1. Youth (18 or younger)
2. Parents
3. Business
4. Media
5. School
6. Youth-serving organizations
7. Law-enforcement agencies
8. Religious or Fraternal organizations
9. Healthcare Professionals (i.e. doctors, nurses, substance abuse treatment providers)
10. State, Local, or Tribal Government entities
11. Civic or volunteer groups
12. Other organizations involved in reducing substance abuse

### Community Plan

Each community will submit a comprehensive plan to address targeted substance use, shared risk and protective factors, diversity and health disparities which includes a broad array of prevention strategies directed at individuals not identified to be in need of treatment.

Each community's plan will be required to contain at a minimum the following components: All of the components below are important, however as recipients move through phase 2 each step will be assessed, reviewed by your DCCCA specialist and supported by the KPC team ensuring each step is met with the goal to move to the next step before the implementation year 2 phase. The 8 components are in alignment of what you recipients are expected to fulfill in their deliverables:

- Demographics
- Staffing patterns/organizing structures
- Logic model to address underage drinking and/or youth marijuana use, health disparities, low perceived risk of harm from substance use, and other prioritized risk/protective factors
- Action plans for evidence-based strategies
- Cultural competency assessment and integration into action plan

- Evaluation plan
- Capacity development plan
- Sustainability plan

Upon successful completion of this Implementation Grant, grantees will then be eligible for a continuation award contingent upon budget, compliance and performance. Continued funding will allow communities to continue execute strategies identified in their plans and evaluate outcomes.

### VI. Notification of Grant Awards

Awarded grantees will be notified via email no later than June 12, 2020. The Kansas Prevention Collaborative partners will work closely with each of the grantees to initiate the implementation process. Community mobilizers will be required to participate in the learning events (virtual and/or in-person as determined). In addition, technical assistance will be provided throughout the implementation process. Community plans and supporting documents will be expected to be completed and approved by the Kansas Prevention Collaborative.

### Training/Technical Assistance Support

Each community coalition will receive substantial support from the Kansas Prevention Collaborative partners.

- KDADS prevention team will provide support to the grantee regarding compliance and fiscal management.
- Grantees will receive community support from DCCCA specialists who will provide guidance on training and technical assistance.
- Grantees will receive support from Greenbush with data and evaluation tools.
- Grantees will receive support and training from KU on the reporting and documenting community activities.
- Grantees will receive support with communication through the KPC from WSU, that includes training events, workshops, media campaigns/promotions, etc.

The Kansas Prevention Collaborative partners will assist with tools and resources to ensure a successful outcome. Grantees will also have additional opportunities to attend training events to strengthen their coalition. While it is not required, it is encouraged to budget travel to PreventionWorKS meetings that are held quarterly. In addition, several online tools and resources are available to grantees as they progress.

### Kansas Prevention Collaborative Resources

PreventionWorKS is a statewide Behavioral Health Prevention Coalition led by members of local community coalitions. One of the goals of PreventionWorKS is to connect coalitions across the state in a way that allows them to be resources and supports to one another. Participation in PreventionWorKS is strongly encouraged. This statewide coalition provides an opportunity for local coalitions to connect, share successes and lessons learned to strengthen statewide efforts. This coalition of coalitions is led by a steering committee comprised of community coalition members and other professionals. This peer

led committee incorporates local level needs into the resources provided during these quarterly events.

Prevention TalkS is a monthly podcast that is offered and led by experts who address a variety of topics around Behavioral Health issues and other factors associated to prevention and promotion. These are not mandatory but strongly recommended to attend some throughout the year.

The annual Kansas Prevention Conference will be held on October 21-22, 2021, with the pre-conference being held on the 20th in Wichita, Kansas. Scholarships will be made possible to grantees who would like to attend the conference.

## VII. Application Instructions

### Submission Information

Those interested in applying shall submit any questions regarding the RFA prior to May 31, 2021, via email to [KDADS.Prevention@ks.gov](mailto:KDADS.Prevention@ks.gov).

Applications and required documents shall be submitted via email by 5:00 p.m. (CST) June 11, 2021. The application must be arranged in the order indicated in the "Application Checklist." Applications must include all the components described in this section. Failure to submit an application that contains all the specified information may negatively affect the review of the application.

Applicants are required to be registered with SAM.gov (System Award Management) and hold a DUNS number at time of submission. This is a unique nine-digit identification number provided by Dun & Bradstreet. It may be obtained at no cost at the following website: <https://fedgov.dnb.com/webform/pages/CCRSearch.jsp> or by calling 866-705-5711. Verification of the DUNS number must be submitted as part of the funding proposal.

### Application and Required Documentation

- Completed Applicant Information - (Attachment A) This is a standard form used for submission of proposals and related information. The Application page must be signed by an official authorized to sign.
- 501(c)(3) Verification as appropriate
- Current list of board members (if applicable, some coalitions may not have board members)
- Budget Worksheet - (Attachment B) outlining how funds will be allocated. *(These are estimates and can be revised if awarded)* The Budget Worksheet and justification should thoroughly and clearly describe every category of expenses listed.
- Program Narrative - The program narrative must include the following sections:
  - Community Description (20 points)
  - Community Capacity for Collaboration and Planning (20 points)
  - Cultural Competency (20 points)
  - Organizational Description (20 points)
- Tax Clearance Certificate

All applicants must submit a "Tax Clearance." This is a comprehensive tax account review to determine and ensure that the account is compliant with all primary

Kansas Tax Laws administered by the Kansas Department of Revenue, Director of Taxation. Information pertaining to a Tax Clearance is subject to change(s), which may arise as a result of a State Tax Audit, Federal Revenue Agent Report, or other lawful adjustment(s). This may take up to 24 hours to obtain. This is not the same as an entity being tax-exempt. **Do Not Submit Your Tax-Exempt Certificate.**

To obtain a Tax Clearance Certificate, you must:

- Go to <http://www.ksrevenue.org/taxclearance.html> to request a Tax Clearance Certificate
- Return to the website the following working day to see if KDOR will issue the certificate
- If issued an official certificate, print it or save and attach it to your signed renewal document
- If denied a certificate, contact the Kansas Department of Revenue, Director of Taxation about why a certificate wasn't issued
- It may take up to 24-hours to obtain the certificate/tax clearance and are only valid for 30 days
- **Please note this is not the same as tax-exempt status**
- Please include a copy of your current Logic Model and Action Plan(s)
  - For each strategy include the action plan(s)
  - Please use the templates provided for logic model and action plan(s).

### Program Narrative (No template provided)

#### Instructions

The narrative should describe the target community and the coalition's capability to engage in comprehensive community-based strategic planning that will result in a plan to address substance use disorder as it relates to prevention efforts and identifying shared risk and protective factors, diversity and health disparities that will produce sustainable systems change. The following guidance outlines the elements the narrative requests.

Please use Times Roman, 12-point font (10-point font for charts and graphs) and standard 1-inch margins. Headings for each section (1-4) should be clearly labeled. Applicants should clearly and comprehensively respond to each bullet within each of the sections described below.

#### 1. Community Description

- Describe and define the community/geographical area served by the coalition that will be targeted by the efforts of this award.
- Describe the challenges that address underage alcohol, marijuana use and/or ATOD presents in your community.
- List the coalition membership by sector in Figure 2.

#### 2. Community Capacity, Readiness, Mobilization, and Implementation Efforts

Coalitions identified staff is required to dedicate their time for the entire work and expected to fulfill the requirements of the RFA. It is important that those iden-

*(continued)*

tified who will be contributing part time efforts to this project that they manage out time to complete the deliverables.

- Describe the coalition’s capacity to engage in community organizing.
  - Describe the ability to build on partnerships during the planning process.
  - Who will participate in the implementation process, how or what role?
- Discuss your community coalition’s experience utilizing data to inform the decision making;
  - Describe any community needs assessment that has been done.
  - Describe both the readiness and capacity of your coalition to begin the implementation phase.
- Discuss what activities have been implemented to increase readiness and capacity, discuss how the capacity and readiness for implementation will be increased during the implementation phase.
- Describe the community mobilization that was required for the coalition to apply for this funding opportunity.
- Describe the coalition’s experience working with grants and strategic planning.
- Discuss any anticipated challenges or barriers and describe how those may be addressed.
- List any coalition needs for training or technical assistance.

**3. Cultural Competency and Sustainability**

- Briefly describe the community’s culture and its diversity.
- Describe how your community coalition represents the cultural groups in your community and what changes are needed to ensure cultural competence and diverse engagement.
- Describe what will be required to improve cultural competency during the Implementation phase.
- Discuss how long your coalition has been involved in prevention and what other sources of funding your community provides to the coalition’s prevention efforts.

**4. Organizational Description**

- If the coalition is not the fiscal agency for this application, please identify the fiscal agent and their role in project.
- Describe how the community coalition intends to structure its staffing and resources to ensure completion of all planning deliverables, including how the coalition plans to address any challenges, barriers, etc.
- Describe experience and capability in ensuring

compliance with grant requirements including fiscal and progress reporting.

**VIII. Selection Process**

Applications will be evaluated according to the demonstrable capacity of the community coalition to create and implement a plan that produces community change. The Community coalition must articulate its understanding of the challenges posed in addressing community-level factors including but not limited to risk and perception of harm risk of harm and health disparities related to substance use. Consideration will also be given to those who demonstrate the willingness to support this grant and all key stakeholders involved. The quality and strength of the application narrative will also be considered. Grant applications will be reviewed based upon the following criteria.

APPLICATION COMPONENT	Points Possible
<b>Applicant Information &amp; Required Documentation (Attachment A)</b>	<b>5</b>
<ul style="list-style-type: none"> <li>• 501(c)(3) Verification as appropriate</li> <li>• List of Board Members and a Board Member Conflict of Interest Statement if a 501(c)(3)</li> </ul>

**Application Checklist**

The following sections must be submitted in this order, in a combined PDF format (*one complete document*):

- \_\_\_ Applicant Information (Attachment A)
- \_\_\_ 501(c)(3) verification as appropriate (Applicant provides)
- \_\_\_ List of Board Members (Applicant provides) if applicable
- \_\_\_ Budget Justification Worksheet (Attachment B)
- \_\_\_ Project Narrative (Applicant provides)
- \_\_\_ Tax Clearance Certificate (Applicant provides)
- \_\_\_ Logic Model (Attachment C)
- \_\_\_ Action Plan(s) one for each strategy (Attachment D)

*Kansas Department for Aging and Disability Services views KPCCI community grant applicants and grantees as learning partners; while specific guidance, consultation, and deliverables have been identified by federal and state partners, much will be learned as community leaders engage in building sustainable capacity within targeted populations to infuse a prevention mindset into multiple disciplines. This will have a direct impact on attitudes, beliefs, and actions related to substance abuse prevention specific to their community. The Kansas Prevention Collaborative is committed to working mutually with community coalitions to provide clarity through email, telephone or in person, as needed. As part of its commitment to lead and foster learning, KDADS will strive to create an environment in which the expertise of community stakeholders is honored and supported through competent supports both face-to-face and virtual settings.*

## State of Kansas

### Legislative Administrative Services

#### Legislative Bills and Resolutions Introduced

The following numbers and titles of bills and resolutions were introduced May 6–7 during the 2021 session of the Kansas Legislature. Full text of bills, bill tracking, and other information may be accessed at <http://www.kslegislature.org/li/>.

#### Senate Bills

**SB 315**, AN ACT concerning health and healthcare; relating to medical marijuana; creating the Kansas medical marijuana regulation act; providing for licensure and regulation of the cultivation, distribution, sale and possession of medical marijuana; delegating administrative duties and functions to the secretary of health and environment, secretary of revenue, board of healing arts, board of pharmacy and the director of alcoholic beverage control; imposing fines and penalties for violations of the act; establishing the medical marijuana registration fund and the medical marijuana business regulation fund; creating the crime of unlawful transport of medical marijuana; making exceptions to the crimes of unlawful manufacture and possession of controlled substances; amending K.S.A. 44-1009, 44-1015, 65-28b08, 79-5201 and 79-5210 and K.S.A. 2020 Supp. 19-101a, 21-5703, 21-5705, 21-5706, 21-5707, 21-5709, 21-5710, 23-3201, 38-2269, 44-501, 44-706 and 65-1120 and repealing the existing sections, by Committee on Ways and Means.

#### Senate Concurrent Resolutions

**SCR 1614**, A CONCURRENT RESOLUTION calling for the creation of a national federalism task force for the purpose of convening federalism summits to develop plans for restoring and maintaining clearly discernable divisions in the roles and responsibilities of the national government and the states, by Senator Hilderbrand.

**SCR 1615**, A PROPOSITION to amend section 13 of article 2 of the constitution of the state of Kansas, relating to vote requirements for passage of bills or concurrent resolutions, by Senator Pyle.

##### Notice of Hearing on Economic Impact of Proposed Administrative Regulations

A public hearing will be conducted at 1:00 p.m. Wednesday, June 2, 2021. Because of COVID-19 restrictions the hearing will be held virtually by Zoom, using Meeting ID 910 6400 5102 and password 5BVSpR.

At the hearing we will consider the economic impact of proposed administrative rules regarding the formation of crisis intervention centers. This notice of the public hearing shall constitute notice for the receipt of public comment about the costs of the proposed rules on both public and private entities that might consider operating

(continued)

such centers. In addition to the public comment during the hearing, the department will consider written comments sent to the Kansas Department on Aging and Disability Services, Attn: Stephanie Volle, 503 S. Kansas Ave., Topeka, KS 66603 or by email to [stephanie.volle1@ks.gov](mailto:stephanie.volle1@ks.gov).

Written comment should include the cost of complying with the proposed regulations. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing. There will be another public hearing regarding the text of the rule.

All interested parties will be given a reasonable opportunity to present their views orally regarding the economic impact of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. Any individual with a disability may request

an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five (5) working days in advance of the hearing by contacting Stephanie Volle at 785-296-0270 or [stephanie.volle1@ks.gov](mailto:stephanie.volle1@ks.gov).

Copies of the proposed regulations and the Economic Impact Statement for the proposed regulations can be viewed at [https://kdads.ks.gov/docs/default-source/legal/crisis-intervention-centers-proposed-regulations.pdf?sfvrsn=147d0eee\\_4](https://kdads.ks.gov/docs/default-source/legal/crisis-intervention-centers-proposed-regulations.pdf?sfvrsn=147d0eee_4), or by contacting Stephanie Volle at 785-296-0270 or [stephanie.volle1@ks.gov](mailto:stephanie.volle1@ks.gov).
