Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. Notice of Requested Ancillary Technical Services

Notice is hereby given of the commencement of negotiations for the 12-month period of January 1, 2023, to December 31, 2023, for the following technical services:

- Land surveying, geotechnical investigation;
- Materials testing services including but not limited to roofing and hazardous materials, concrete, spray-on fire resistive materials, and welding;
- Inspection services including but not limited to air and water balancing, roofing, concrete, asphalt, and welding; or
- Commissioning of mechanical and electrical systems.

Interested firms are not required to provide all the services described but should indicate on the form which services they can provide.

If your firm is interested in providing the listed services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the name of the firm submitting the SOQ. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2023.

It is the intention of the Office of Facilities and Property Management to preapprove a separate group of qualifying firms for each classification listed above. If a firm anticipates being limited to specific sized projects, by dollar volume or locations in the state, that information should also be supplied with the response.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Building Materials Manufacturing Corporation has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of oxides of Nitrogen (NO_x), oxides of Sulfur (SO_x), Carbon Monoxide (CO), Volatile Organic Compounds (VOCs), Total Particulate Matter (PM), Particulate Matter less than or equal to 10 microns in aerodynamic diameter (PM₁₀), Particulate Matter less than or equal to 2.5 microns in aerodynamic diameter (PM_{2.5}) and Hazardous Air Pollutants (HAPs) were evaluated during the permit review process.

Building Materials Manufacturing Corporation, 14911 Quorum Dr., Suite 600, Dallas, TX 75254, owns and operates an asphalt roofing manufacturing and asphalt processing facility located at SE 12th Street, Newton, KS 67114, at which a new asphalt roofing manufacturing and asphalt processing facility is to be constructed.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are

available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Joshua Webb, 316-337-6020, at the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 17, 2023.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, January 17, 2023, in order for the Secretary of Health and Environment to consider the request.

The proposed action is to issue a new State/NPDES permit for an existing facility. This is an existing water treatment plant with a capacity to treat 650 gallons per minute that treats river water. Waste streams generated from this facility consists of wastes from the primary clarifier (4,000 gpd), filter back wash (60,000 gpd), filter to waste (4,000 gpd). Online monitoring wastewater, domestic wastes and wastewater from miscellaneous floor drains are directed to the city sanitary sewer. These wastes are all directed to a one cell lagoon for treatment, before discharging to a ditch, which drains to the Neosho River. The proposed permit contains limits for total residual chlorine, total suspended solids, and pH; as well as monitoring for flow. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this existing facility's new proposed permit for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated uses.

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a mechanical wastewater treatment plant consisting of an Activated Sludge Package Plant that provides aeration, clarification and sludge digestion prior to a 3-cell aerated lagoon providing extended detention time before discharge. The facility receives domestic wastewater from residential areas. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, ammonia, and E. coli; as well as monitoring for total phosphorus, nitrates + nitrites, total Kjeldahl nitrogen, and total nitrogen.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before January 14, 2023, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-22-316/322, KS-Q-22-117/119) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Paige Drury, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Michael Beezhold at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to

request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) January 18, 2023. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. local time Wednesday, January 18, 2023. To join the conference call, dial 866-620-7326 and enter conference code 5895748207. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CST) January 4, 2023, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in categories:

- 171 Environmental Documentation
- 172 Site Assessments
- 211 Highway Design–Major Facility
- 222 Standard Span Bridge Design
- 231 Traffic Control Analysis and Design
- 325 Hydraulic and Hydrologic Studies
- 401 Landscape Seeding and Erosion Control

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contract-

ing and must comply with applicable state and federal laws, rules, and regulations.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: Preliminary Design Service, Final Design Service, Environmental Documentation Preparation (Permitting), Letting and Construction Phase Service, and 3D Electronic Deliverables Preparation.

Current expectations for consultant scope are detailed below. The scope included herein may not be all-inclusive. A scoping meeting will take place after consultant selection is made.

Project Management

- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Provide bi-annual construction cost estimates and at major project milestones.

Road Design

- Develop Preliminary Plans to Field Check.
- Develop Final Plans for Construction.
- Perform roadway geometric design, drainage design, interchange analysis, and roadside safety analysis.
- Visit the project site location.

Bridge Design

- Field Check
 - Replace existing box culverts with structures that extend past the clear zone and perform necessary hydraulic analysis and documentation.
- Final Design
 - Provide final plans for construction for all bridge-sized and 10-20-foot structures.

Traffic Engineering

- Traffic Control Plans: This project will require traffic to be carried through construction.
- Develop permanent signing and pavement marking plans.

Activities to be performed by KDOT include:

- Engineering Survey
- Environmental Services
 - Asbestos and lead paint testing.
 - Permit application.
 - Technical data to support these activities will be required from the consultant immediately after field check.
- Permits will include NPDES – Storm Water Runoff Permit in which KDOT will require from consultant:
 - Total project site area in acres.
 - Total disturbed area in acres (from Seeding Plans).
 - Impervious area in square feet (existing and proposed).
 - Above information needs to be provided by consultant (90) days prior to letting.
- Utility coordination, if required.
- Geotechnical services including soil investigations, bridge foundation geology, pavement field investigation and design, and surfacing recommendations.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (CST) January 4, 2023.
2. Ranking of proposals is expected to occur on or around January 6, 2023. Negotiations with the most highly ranked firm are expected to begin on or around January 11, 2023. An executed agreement is anticipated around January 25, 2023.
3. The program fiscal year for this project is FY2026 (July 2025–June 2026).
4. Important dates in Discovery Phase:
 - a. Notice to Proceed: June 5, 2023
 - b. PLNMR: August 25, 2023
 - c. FDCHK: February 9, 2024
 - d. PLROW: March 8, 2024
 - e. PLNTE: December 17, 2024
 - f. PLCOM: July 18, 2025
 - g. LETTING: November 19, 2025

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “KA-6867_ClearZoneImprovement_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>.

[html](https://www.ksrevenue.gov/taxclearance.html). Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.

6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Depending on the number of responses received, KDOT may elect to shortlist (based on proposals) to no more than 3-5 firms and hold in-person interviews prior to final selection (which may be based on both proposal and interview content). If KDOT deems them necessary, interview evaluation criteria will be distributed to shortlisted consultant teams in advance.

Table 3: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Project Approach	Demonstrate a unique approach to accomplish the design efficiently and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements in the design. Include unique qualifications or experience related to the project approach.	
Approach to Schedule	Describe the approach to accomplish the scope of services within the schedule requirements. Include anticipated key milestone dates and availability of staff.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.	
Qualifications and Experience	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.	
Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions.

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Special Contract Conditions

This project will be managed by KDOT Road Design.

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until December 14, 2022; answers will be provided to all prequalified consultants on December 21, 2022.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: Preliminary Design Services, Final Design Services, Environmental Documentation Preparation (Permitting), and Letting and Construction Phase Services, and 3D Electronic Deliverables Preparation.

Current expectations for consultant scope are detailed below. The scope included herein may not be all-inclusive. A scoping meeting will take place after consultant selection is made.

Project Management

- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Provide bi-annual construction cost estimates and at major project milestones.

Road Design

- The Consultant shall propose and design extensions to existing RCBs.
- Develop preliminary plans to field check.
- Develop final plans for construction.
- Perform roadway geometric design, drainage design, and roadside safety analysis.
- Run the roadside safety analysis program for the culverts greater than eight feet in height and present findings to KDOT.
- Visit the project site locations.

Bridge Design

- The consultant shall propose and design extensions to the existing bridge-sized box structures that are called for by the RSAP process in the Road Design Scope.

- Each existing and extended structure will be hydraulically evaluated using the HY-8 Culvert Hydraulics program and results documented in the current version of Hydraulic Assessment Checklist (HAC).
- Develop preliminary plans to field check for Bridge 017-0016 and Culverts 017-C505 and 017-C506.
- Develop final plans for construction.

Traffic Engineering

- Develop permanent signing and pavement marking plans.
- Traffic control plans: Traffic to be carried through staged construction.

Activities to be performed by KDOT include:

- Engineering survey (project is currently being surveyed; anticipated completion is late December 2022).
- Development of existing right of way.
- Environmental services, including lead and asbestos testing and permit application.
- Utility coordination, if required.
- Geotechnical services including soil investigations, bridge foundation geology, pavement field investigation and design, and surfacing recommendations.

*Note: Technical data to support these activities will be required from the consultant immediately after field check.

Permits will include NPDES – Storm Water Runoff Permit in which KDOT will require the following from consultant:

- Total project site area in acres.
- Total distributed area in acres (from Seeding Plans).
- Impervious area in square feet (existing and proposed).
- Above information needs to be provided by consultant (90) days prior to letting.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (CST) January 4, 2023.
2. Ranking of proposals is expected to occur on or around January 6, 2023. Negotiations with the most highly ranked firm are expected to begin on or around January 11, 2023. An executed agreement is anticipated around January 25, 2023.
3. The program fiscal year for this project is FY2026 (July 2025–June 2026).
4. Important dates in Discovery Phase:
 - a. Notice to Proceed: April 20, 2023
 - b. PLNMR: July 12, 2023
 - c. FDCHK: December 27, 2023
 - d. PLROW: January 25, 2024
 - e. PLNTE: January 14, 2025
 - f. PLCOM: August 15, 2025
 - g. LETTING: December 17, 2025

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.

2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “KA-6876-01_ClearZoneImprovement_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Depending on the number of responses received, KDOT may elect to shortlist (based on proposals) to no more than 3-5 firms and hold in-person interviews prior to final selection (which may be based on both proposal and interview content). If KDOT deems them necessary, interview evaluation criteria will be distributed to shortlisted consultant teams in advance.

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Special Contract Conditions

This project will be managed by KDOT Road Design.

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until December 14, 2022; answers will be provided to all prequalified consultants on December 21, 2022.

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CST) January 4, 2023, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in categories:

- 171 Environmental Documentation

- 172 Site Assessments
- 211 Highway Design–Major Facility
- 222 Standard Span Bridge Design
- 231 Traffic Control Analysis and Design
- 325 Hydraulic and Hydrologic Studies
- 401 Landscape Seeding and Erosion Control

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

- Visit the project site location.

Bridge Design

- Field Check
 - In consultation with KDOT, determine whether to extend or replace existing bridge-sized RCB structures and perform necessary hydraulic analysis and documentation.
 - Near the crossing of the Little Arkansas River, in the vicinity of Bridge 80-014, perform 2-D Hydraulic Analysis of entire floodplain to determine type, size and location of proposed replacement bridge structure and possible replacement or removal of other nearby structures.
- Final Design
 - Provide final plans for construction for all bridge-sized structures, to include structure removals, box extensions, box replacements, and span-bridge replacements.

Traffic Engineering

- Traffic Control Plans: This project will require traffic to be carried through construction.
- Develop permanent signing and pavement marking plans.

Activities to be performed by KDOT include:

- Engineering Survey
- Environmental Services
 - Asbestos and lead paint testing.
 - Permit application.
 - Technical data to support these activities will be required from the consultant immediately after field check.
- Permits will include NPDES – Storm Water Runoff Permit in which KDOT will require from consultant:

Real Estate Appraisal Board

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10:00 a.m. Friday, February 17, 2023, at Jayhawk Tower, 700 SW Jackson, Suite 804, Topeka, KS 66603, to consider the adoption of K.A.R. 117-7-1 and 117-20-4. In the event the hearing needs to be held remotely instead of in person, this information will be provided on the Board's website.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Appraisal Board, Jayhawk Tower, 700 SW Jackson, Suite 804, Topeka, KS 66603 or via email to sally.pritchett@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sally Pritchett at 785-296-6736 or sally.pritchett@ks.gov.

The proposed regulations are for adoption on a permanent basis. A summary of the proposed regulations and the economic impact follows:

117-7-1. Fees. This regulation is being amended to increase annual renewal fees by \$50.00 for each appraiser renewing their license/certification.

There will be an economic impact to each appraiser licensed or certified in KS of \$50.00. There will be an economic impact to the agency and the state general fund of an annual increase of \$45.00 per appraiser and \$5.00 to the state general fund. There will be no economic impact to other governmental agencies.

117-20-4 Fees. This regulation is being amended to increase annual renewal fees by \$200.00 for each appraisal management company renewing their registration.

There will be an economic impact to each appraisal management company in Kansas of \$200.00. There will be an economic impact to the agency and the state general fund of an annual increase of \$180.00 per appraisal management company and \$20.00 to the state general fund. There will be no economic impact to other governmental agencies.

Copies of these regulations and the economic impact statement may be obtained by contacting the Kansas Real Estate Appraisal Board at 785-296-6736, fax 785-368-6443, sally.pritchett@ks.gov, or <http://www.kansas.gov/kreab>.

Permanent Administrative Regulations

Article 28b.—INDEPENDENT PRACTICE OF MIDWIFERY

100-28b-2. Application for licensure. Each applicant for licensure to engage in the independent practice of midwifery shall submit the following to the board:

- (a) The fee required by K.A.R. 100-28b-6;
- (b) a completed application on a form provided by the board;
- (c) a signed waiver agreement and statement for fingerprint-based record checks;
- (d) an official transcript for the applicant from an educational program approved by the board under K.A.R. 100-28b-3 that specifies the degree awarded;
- (e) an official verification of licensure to practice as an advanced practice registered nurse in the role of nurse-midwife provided directly to the board from the state board of nursing;
- (f) an official verification of approved national certification provided directly to the board from the American midwifery certification board; and
- (g) an official verification of licensure, registration, or certification to practice a health profession provided directly to the board from each state or jurisdiction where the applicant holds a current license, registration, or certification to practice a health profession. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b03, 65-28b04, 65-28b05, 65-28b08; effective Dec. 30, 2022.)

100-28b-4. Approved national certification. The national certification approved by the board to obtain authorization to engage in the independent practice of midwifery shall be the certification offered by the American midwifery certification board. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b03; effective Dec. 30, 2022.)

100-28b-7. Continuing education. (a) As a condition of renewal, evidence of completion within the preceding one-year period of 15 contact hours of continuing education may be requested by the board. The continuing education shall meet or exceed the standards specified in K.S.A. 65-1132(a)(2), and amendments thereto.

(b) For the purposes of this regulation, “contact hour” shall mean a total of 50 minutes of participation in a learning experience intended to build upon the educational and experiential bases of an advanced practice registered nurse midwife. Fractions of hours over 30 minutes to be computed towards a contact hour shall be accepted.

(c) An individual initially licensed to engage in the independent practice of midwifery less than 12 months before the renewal date shall not be required to submit the evidence of completion of continuing education required by subsection (a) for the first renewal period.

(d) An extension of not more than six months to submit evidence of completion of continuing education may be granted by the board for a substantiated medical condition, natural disaster, death of a spouse or an immediate family member, or any similar circumstance beyond the licensee’s control that renders the licensee incapable of meeting the requirements of subsection (a). Each such request shall be submitted with or before submitting an application for renewal and shall include a plan for completion of the continuing education requirements within the requested extension period. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b04; effective Dec. 30, 2022.)

100-28b-11. Licensees who direct, supervise, or delegate acts that constitute the independent practice of midwifery; requirements and limitations. Each licensee who directs, supervises, or delegates acts that constitute the independent practice of midwifery to any other persons shall meet the following requirements:

(a) Be engaged in the independent practice of midwifery in Kansas;

(b) direct, supervise, or delegate only those acts and functions that the licensee knows or has reason to know can be competently performed by the person and are not in violation of any statute or regulation; and

(c) direct, supervise, or delegate only those acts and functions that are within the competence and lawful practice of the licensee. (Authorized by and implementing K.S.A. 65-28b07; effective Dec. 30, 2022.)

100-28b-12. Assessment of patient for identifiable risks. Each licensee shall perform and document an initial and ongoing assessment of each identifiable risk to the course of labor, delivery, or health of the patient or newborn to determine whether the clinical services required by the patient will be limited to those associated with a normal, uncomplicated pregnancy and a normal, uncomplicated delivery, including the following:

- (a) Age of the patient;
- (b) gestational age;
- (c) major medical problems, including the following:
 - (1) Chronic hypertension, heart disease, or pulmonary embolus;
 - (2) congenital heart defect assessed as pathological by a cardiologist that places the patient or fetus at risk;
 - (3) renal disease;
 - (4) drug addiction or use of anticonvulsant drugs;
 - (5) diabetes mellitus;
 - (6) thyroid disease; and
 - (7) bleeding disorder or hemolytic disease;
- (d) previous history of a significant obstetrical complication or medical condition, including the following:

- (1) Rh sensitization;
- (2) previous uterine wall surgery, including cesarean section;
- (3) seven or more term pregnancies;
- (4) previous placental abruption; and
- (5) previous preterm birth; and
- (e) medical indication of any of the following:
 - (1) Uncontrolled gestational hypertension;
 - (2) polyhydramnios or oligohydramnios;
 - (3) placental abruption;
 - (4) chorioamnionitis;
 - (5) known fetal anomaly;
 - (6) multiple gestations;
 - (7) intrauterine growth restriction;
 - (8) fetal distress;
 - (9) alcoholism or drug addiction;
 - (10) thrombophlebitis; or
 - (11) pyelonephritis. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b02 and 65-28b07; effective Dec. 30, 2022.)

100-28b-19. Unprofessional conduct. (a) For the purposes of the independent practice of midwifery act and this article of the board’s regulations, “unprofessional conduct” shall mean any of the following:

- (1) Soliciting patients through the use of fraudulent or false advertisements, or profiting by the acts of those representing themselves to be agents of the licensee;
- (2) representing to a patient that a manifestly incurable disease, condition, or injury can be permanently cured;
- (3) assisting in the care or treatment of a patient without the consent of the patient or the patient’s legal representatives;
- (4) using any letters, words, or terms as an affix, on stationery, or in advertisements, or otherwise indicating that the person is entitled to practice any profession regulated by the board or any other state licensing board or agency for which the person is not licensed;
- (5) performing, procuring, or aiding and abetting in the performance or procurement of a criminal abortion;
- (6) willful betrayal of confidential information;
- (7) advertising professional superiority or the performance of professional services in a superior manner;
- (8) advertising to guarantee any professional service painlessly;
- (9) engaging in conduct related to practice as an independent certified nurse-midwife that is likely to deceive, defraud, or harm the public;
- (10) making a false or misleading statement regarding the licensee’s skill or the efficacy or value of the drug, treatment, or remedy prescribed by the licensee or at the licensee’s direction in the treatment of any disease or other condition of the body or mind;
- (11) committing any act of sexual abuse, misconduct or other improper sexual contact that exploits the licensee-patient relationship with a patient or a person responsible for health care decisions concerning the patient;
- (12) using any false, fraudulent, or deceptive statement in any document connected with the independent practice of midwifery, including the intentional falsifying or fraudulent altering of a patient or medical care facility record;

(continued)

- (13) obtaining any fee by fraud, deceit, or misrepresentation;
- (14) failing to transfer patient records to another licensee when requested to do so by the subject patient or by the patient's legally designated representative;
- (15) performing unnecessary tests, examinations, or services that have no legitimate medical purpose;
- (16) charging an excessive fee for services rendered;
- (17) prescribing, dispensing, administering, or distributing a prescription drug or substance, including a controlled substance, in an improper or inappropriate manner, for other than a valid medical purpose, or not in the course of the licensee's professional practice;
- (18) repeated failure to practice with that level of care, skill, and treatment that is recognized by a reasonably prudent similar practitioner as being acceptable under similar conditions and circumstances;
- (19) failure to keep health care records that accurately describe the services rendered to the patient, including patient histories, pertinent findings, examination results, and test results;
- (20) delegating professional responsibilities to a person if the licensee knows or has reason to know that the person is not qualified by training, experience, or licensure to perform these responsibilities;
- (21) failing to properly supervise, direct, or delegate acts that constitute the independent practice of midwifery to persons who perform professional services pursuant to the licensee's direction, supervision, order, referral, delegation, or practice protocols;
- (22) failing to meet the requirements of K.A.R. 100-28b-11;
- (23) willfully or repeatedly violating the independent practice of midwifery act, the pharmacy act of the state of Kansas, or the uniform controlled substances act, or any implementing regulations, or any regulations of the secretary of health and environment;
- (24) being found to have unlawfully practiced any profession regulated by the board in which the licensee is not licensed to practice;
- (25) violating any lawful order or directive of the board;
- (26) being found to be mentally ill, disabled, not guilty by reason of insanity, not guilty because the licensee suffers from a mental disease or defect, or incompetent to stand trial by a court of competent jurisdiction;
- (27) prescribing, selling, administering, distributing, or giving a controlled substance to any person for other than medically accepted or lawful purposes;
- (28) engaging in a practice or conduct that violates a federal law or regulation relating to controlled substances;
- (29) engaging in a practice or conduct that violates a federal law or regulation relating to health care records;
- (30) failing to furnish the board, or its investigators or representatives, any information legally requested by the board;
- (31) having sanctions or disciplinary actions against the licensee by a peer review committee, a health care facility, a governmental agency or department, or a professional association or society for acts or conduct similar to acts or conduct that would constitute grounds for disciplinary action under the independent practice of midwifery act;

- (32) surrendering a license or authorization to practice nursing in another state or jurisdiction, surrendering the authority to utilize controlled substances issued by any state or federal agency, agreeing to a limitation to or restriction of privileges at any medical care facility, or surrendering the licensee's membership on any professional staff or in any professional association or society while under investigation for acts or conduct similar to acts or conduct that would constitute grounds for disciplinary action under the independent practice of midwifery act;
- (33) having an adverse judgment, award, or settlement against the licensee resulting from a medical liability claim related to acts or conduct similar to acts or conduct that would constitute grounds for disciplinary action under the independent practice of midwifery act;
- (34) failing to maintain a policy of professional liability insurance as required by K.S.A. 40-3402 or K.S.A. 40-3403a, and amendments thereto;
- (35) failing to pay the premium surcharges pursuant to K.S.A. 40-3404, and amendments thereto;
- (36) knowingly submitted any misleading, deceptive, untrue, or fraudulent representation on a claim form, bill, or statement;
- (37) giving a worthless check or stopping payment on a debit or credit card for fees or moneys legally due to the board;
- (38) knowingly or negligently abandoning medical records;
- (39) engaging in conduct that violates patient trust and exploits the licensee-patient relationship for personal gain; or
- (40) obstructing a board investigation, including engaging in one or more of the following acts:
- (A) Falsifying or concealing a material fact;
- (B) knowingly making or causing to be made any false or misleading statement or writing; or
- (C) any other acts or conduct likely to deceive or defraud the board.
- (b) "False advertisement" shall mean any advertisement that is false, misleading, or deceptive in a material respect. In determining whether any advertisement is misleading, there shall be taken into account not only representations made or suggested by statement, word, design, device, sound, or any combination thereof, but also the extent to which the advertisement fails to reveal facts material in the light of the representations made.
- (c) "Advertisement" shall mean any representation disseminated in any manner or by any means, for the purpose of inducing, or likely to induce, directly or indirectly, the purchase of professional services.
- (d) Failure to meet any of the requirements of this regulation shall constitute unprofessional conduct. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b08; effective Dec. 30, 2022.)

Article 69.—ATHLETIC TRAINING

100-69-10. License renewal; continuing education.

- (a) As a condition of renewal, each licensed athletic trainer shall submit, in addition to the annual application for renewal of licensure, evidence of satisfactory completion of at least 20 hours of continuing education within the

preceding year and proof of continuous certification in emergency cardiac care procedures including administration of an automated external defibrillator (AED) through a nationally recognized provider approved by the board. Each course approved by the board of certification for the athletic trainer shall meet this requirement.

(1) Acceptable providers of certification in emergency cardiac care (ECC) procedures shall be those adhering to the most current international guidelines for cardiopulmonary resuscitation and emergency cardiac care.

(2) Online ECC courses shall not be accepted, unless the provider confirms in writing that the skills were demonstrated and tested in person by a qualified instructor.

(3) Instructor certifications shall not be accepted, unless the provider confirms in writing that the instructors are required to maintain and successfully demonstrate provider skills to renew instructor status.

(b) Any licensee who suffered an illness or injury during the 12-month period before the expiration date of the license that made it impossible or extremely difficult to reasonably obtain the required continuing education hours may be granted an extension of not more than six months, in order to complete the continuing education requirements.

(c) Each athletic trainer initially licensed within one year of the expiration date of the license shall be exempt from the continuing education required by subsection (a) for that first renewal period.

(d) All continuing education shall be related to the field of athletic training and shall be presented by providers approved by the board. In order to qualify as board-approved, the continuing education shall be delivered by an approved provider or shall be intended for an audience of credentialed health care providers. The content shall be at least entry-level and shall pertain to one of the current domains of athletic training practice identified by the board. The current domains of athletic training practice identified by the board of certification of athletic trainers shall meet this requirement.

(e) One hour shall be 60 minutes of continuing education meeting the requirements of subsection (f).

(f) The categories of continuing education experiences shall be the following:

(1) Category A. The number of hours for all category A continuing education experiences shall be granted upon receipt of documented evidence of attendance or documented evidence of satisfactory completion issued by a national, state, or local organization meeting the requirements of subsections (a) and (d). Category A continuing education experiences shall include the following:

(A) Symposium. "Symposium" shall mean a conference of more than a single session organized for the purpose of discussing a specific subject from various viewpoints and by various speakers.

(B) Seminar. "Seminar" shall mean directed advanced study or discussion in a specific field of interest.

(C) Workshop. "Workshop" shall mean a series of meetings designed for intensive study, work, or discussion in a specific field of interest.

(D) Conference. "Conference" shall mean a formal meeting of a number of people for a discussion in a specific field of interest.

(E) Home study course. "Home study course" shall mean an online webinar course designed for advanced study in a specific field of interest.

(2) Category B. Category B continuing education experiences shall include the following:

(A) Scholarly presentations. The number of hours granted for scholarly presentations shall be the following:

(i) 10 hours for a speaker at a clinical symposium where the primary audience is allied health care professionals; and

(ii) five hours for a speaker at a seminar, workshop, or conference where the primary audience is allied health care professionals.

(B) Publication activities. The number of hours granted for writing a professional publication shall be the following:

(i) Five hours to author an article in a nonrefereed journal;

(ii) 15 hours to author an article in a refereed journal;

(iii) 10 hours to coauthor an article in a refereed journal;

(iv) 20 hours to author a published textbook;

(v) 10 hours to coauthor a published textbook;

(vi) five hours for being a contributing author of a published textbook;

(vii) 10 hours to author a refereed or peer-reviewed poster presentation; and

(viii) five hours to coauthor a poster presentation.

(3) Category C. Category C continuing education experiences shall consist of postcertification education. The number of hours assigned to category C continuing education experiences shall be 10 hours for each credit hour for postcertification education. The content shall be related to one of the domains of athletic training.

(4) Category D. Category D continuing education experiences shall consist of miscellaneous activities, which shall include evidence-based practice. The number of hours granted upon receipt of documented evidence of satisfactory completion for category D continuing education experiences shall be the following:

(A) One hour shall be granted for each hour of attendance at continuing education program activities that are not approved by the board for category A or category B, but that are related to specific athletic training and sports medicine topics.

(B) One hour shall be granted for each hour of listening to unapproved continuing education programs or other multimedia products related to one of the domains of athletic training. No more than five hours per renewal period shall be allowed.

(g) No credit shall be granted for making any repeated presentations of the same subject matter.

(h) No credit shall be granted for reiteration of material or information obtained from attendance at a continuing education program.

(i) To provide evidence of satisfactory completion of continuing education, the following shall be submitted to the board:

(1) Documented evidence of attendance at category A and category D activities;

(2) proof of participation in category B activities, which shall include a copy of any professional publication or documentation of any presentation;

(continued)

(3) receipt and verification of completion of approved self-instruction from home study courses;

(4) a copy of each transcript or grade report for category C activities; and

(5) personal verification of listening to or viewing continuing education program videotapes, audiotapes, or other multimedia products, as described in paragraph (f)(4)(B). (Authorized by K.S.A. 65-6905; implementing K.S.A. 65-6905 and 65-6909; effective Jan. 9, 1998; amended Nov. 15, 2002; amended Sept. 9, 2005; amended May 15, 2009; amended Jan. 10, 2020; amended, T-100-8-31-22, Aug. 31, 2022; amended Dec. 30, 2022.)

Article 73.—RADIOLOGIC TECHNOLOGISTS

100-73-7. License renewal; continuing education.

(a) On the license renewal form, each licensed radiologic technologist shall certify either of the following:

(1) The person completed at least 12 credits of continuing education during the 12-month period immediately preceding the license expiration date. Each person renewing a license for the first time shall be exempt from the 12-month requirement.

(2) The person completed at least 24 credits of continuing education during the 24-month period beginning on the first day of the person's next birth month after initial certification from the American registry of radiologic technologists and extending 24 months to the end of the month before the birth month. Each subsequent 24-month period shall be measured using the same beginning and ending months.

(b) Any licensee may request that the board grant an extension of the time to complete the required continuing education if, during the 12-month period immediately preceding the license expiration date, the person experienced an undue hardship resulting from illness, injury, or any other circumstance preventing the licensee's timely completion of continuing education.

(c) One credit shall be 50 minutes of continuing education meeting the requirements of subsection (f).

(d) Each person who certifies completion of continuing education shall, for at least three years following the date of certification, maintain documentation of completion that shall include one of the following:

(1) A verification of completion issued by a national, state, or local organization meeting the requirements of subsections (f) and (g);

(2) a copy of the written materials provided with the continuing education activity, along with documentation of all of the following:

(A) The name, address, and telephone number of the activity sponsor and the name and telephone number of a contact person for the activity sponsor;

(B) the title of the continuing education activity;

(C) the date and location of the activity;

(D) specification of whether the activity was presented in person or by video, satellite, or internet;

(E) the number of continuing education credits completed;

(F) the activity agenda;

(G) the name and professional biographical information of each presenter; and

(H) written proof of participation; or

(3) a notarized certificate of current registration with the American registry of radiologic technologists or the nuclear medicine technology certification board.

(e) Within 30 days following a written request by the board to a licensee, the licensee shall provide the board with proof of completion of continuing education as specified in this regulation.

(f) The categories of continuing education experiences shall be the following:

(1) Meetings and courses. Meetings and courses shall be planned, organized, and administered to enhance the knowledge and skills that a radiologic technologist uses to provide services to patients, the public, or the medical profession. Meetings and courses shall include the following:

(A) Symposium. "Symposium" shall mean a conference of more than a single session organized for the purpose of discussing a specific subject from various viewpoints and by various speakers.

(B) Seminar. "Seminar" shall mean directed advanced study or discussion in a specific field of interest.

(C) Workshop. "Workshop" shall mean a series of meetings designed for intensive study, work, or discussion in a specific field of interest.

(D) Conference. "Conference" shall mean a formal meeting of a number of people for a discussion in a specific field of interest.

(E) Home study course. "Home study course" shall mean a correspondence course designed for advanced study in a specific field of interest.

(2) Leadership. Leadership shall include any presentation at one of the types of meetings described in paragraphs (f)(1)(A) through (D). The number of credits granted for leadership shall be the following:

(A) Six credits for instructor or instructor-trainer at a cardiopulmonary resuscitation (CPR) course provided by the American red cross, American heart association, or American safety and health institute; and

(B) two credits for the development of each one-hour presentation that meets the requirements of paragraph (f)(1)(A), (B), (C), or (D).

(3) Classwork. Classwork shall include the following:

(A) Six credits for satisfactory completion of an advanced life support class or a pediatric life support class provided by the American red cross, the American heart association, or the American safety and health institute; and

(B) 12 credits for each academic quarter or semester credit granted by a postsecondary educational institution in a course that is relevant to radiologic technology or patient care for which the student received a grade of at least C or its equivalent, or a grade of pass in a pass-fail course. Relevant courses shall include courses in the biologic sciences, physical sciences, radiologic sciences, health and medical sciences, social studies, communication, mathematics, computers, management, and education methodology.

(g) Each continuing education activity offered using distance-learning media shall qualify for continuing education credit if the activity is in one of the categories of continuing education experiences specified in subsection (f) and meets all of the following conditions:

(1) The activity has a mechanism in place for the user to be able to contact the provider regarding questions about the continuing education activity.

(2) The provider of the activity evaluates the user’s knowledge of the subject matter discussed in the continuing education activity.

(3) The activity limits the amount of time within which a user can complete the activity, which shall be no more than twice the number of hours for each credit awarded for the activity.

(4) The person or organization offering the activity provides a printed verification of completion of the activity or allows the user to print verification when the activity is completed. (Authorized by and implementing K.S.A. 65-7307 and K.S.A. 65-7312; effective Nov. 27, 2006; amended, T-100-8-31-22, Aug. 31, 2022; amended Dec. 30, 2022.)
