Office of Judicial Administration**Notice of Grant Funding**

The Kansas Supreme Court administers annual access to justice grant funding. Subject to available funding, access to justice grants will be made available for certain operating expenses of programs that improve access to the Kansas civil justice system for people who would otherwise be unable to effectively participate. Such programs may provide brief legal assistance to *pro se* litigants, pro bono legal counsel for civil and domestic matters, or other pro bono legal or dispute resolution services, to recipients who meet qualifications under grant guidelines promulgated by the Kansas Supreme Court.

Access to justice grant application packets may be requested from the Office of Judicial Administration and must be returned to that office by June 16, 2023.

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed

proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (Central Time) May 31, 2023, to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be prequalified by KDOT in Category 241–Construction Inspection and Testing.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals (RFP), KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally requested) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this RFP and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (Central Time) May 31, 2023.
- Ranking of proposals is expected to occur on or around June 7, 2023. Negotiations with the most highly ranked firm are expected to begin on or around June 14, 2023. An executed agreement is anticipated shortly thereafter.
- Anticipated scope start dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

- No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- The consultant's proposal must not exceed the 4 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
- A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
- The subject line of the email and the PDF file name must read:
 - "Constlnsp Multiple Projects_2023.05 Release_FIRM NAME"
- The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate") and No. 10 ("Policy Regarding Sexual Harassment"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
- The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - Each team is limited to a single, one-page cover letter.
 - Consultants may indicate interest in any and all projects, indicate preference(s) for up to three projects, and shall both indicate interest and preferences on the "May 2023 Construction Inspections Interest and Preference Form" (available at <https://ike.ksdot.gov/about/construction-inspection-rfps>). Also, consultants are to use the bottom of that form to indicate any capacity lim-

itations that need to be taken into account when making selections.

- c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm’s familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, one-page description of general qualifications (“Past Performance” section plus “Approach to Quality Control” section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used by KDOT when making selections.
 8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Board of Nursing

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 10:00 a.m. Monday, July 24, 2023, in Room 560 of the Landon State Office Building, 900 SW Jackson St., Topeka, Kansas, to consider the adoption of proposed amended changes in one existing regulation, K.A.R. 60-2-103, relating to nursing program faculty and preceptor qualifications.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to the hearing to the Executive Administrator of the Kansas State Board of Nursing, 900 SW Jackson St., Room 1051, Topeka, KS 66612 or by email to carol.moreland@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulation during the public hearing. Phone comments will be taken by calling 1-877-278-8686 (access code 110858) at the time of the hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Carol Moreland at 785-296-5752. The north entrance to the Landon State Office Building is handicapped accessible. Handicapped parking is located at the north end of the Landon State Office Building, across the street from the north entrance to the building, and on Ninth Street, just around the corner from the north entrance to the building.

A copy of the proposed regulation and associated economic impact statement may be obtained by accessing the Kansas State Board of Nursing website at <https://ksbn.kansas.gov> or by contacting the Executive Administrator of the Kansas State Board of Nursing, Landon State Office Building, 900 SW Jackson St., Room 1051, Topeka, KS 66612, phone 785-296-5752, or carol.moreland@ks.gov prior to the date of the hearing. A summary of the proposed regulation and the economic impact follows.

K.A.R. 60-2-103. Nursing program faculty and preceptor qualifications. The proposed amended revision for this regulation includes an addition of preceptor qualifications for a practical nursing (PN) program. The preceptor qualifications for a PN program would include the following requirements: be licensed as a registered professional nurse in the state in which the individual is currently practicing nursing; and complete a preceptor orientation that includes information about the pedagogical aspects of the student-preceptor relationship and course information. Each nursing program shall have a written plan that includes the method of selection of preceptors, the roles of the faculty members and preceptors, and the methods of contact between faculty members and preceptors during the preceptorship. There is minimal economic impact to the Board of Nursing. Communication of the changes can be communicated to nursing programs via existing communication venues. The economic impact to PN programs and community colleges is minimal. There is no economic impact to licensees and the general public.
