- The property is located adjacent to I-35 and west of the 4500-4600 block of S. Madison Ave. in Wichita, Kansas.
- The property consists of portions of original KTA Right of Way Tracts 7-18, 7-19 and 7-20 east of an approximately 150-foot line running east of and parallel to the survey centerline of I-35, informally described as the portions of original KTA Right of Way Tracts 7-18, 7-19, and 7-20 that lie outside of the existing I-35 Right of Way fence.
- The property consists of thirty-five thousand (35,000) square feet, more or less.

Inspection of property will take place from 11:00 a.m. to 11:30 a.m. Wednesday, August 7, 2024.

Sale will be conducted at 11:30 a.m. Thursday, August 8, 2024, at the Kansas Turnpike Authority Wichita Maintenance Facility, 9401 E. Kellogg, Wichita, Kansas. Opening and minimum acceptable bid will be \$7,000. Seller reserves the right to reject any and all bids.

Access

This property fronts a paved city street (S. Madison Avenue) along its east line.

Utilities

Public sewer and waterline run along the east side of S. Madison Avenue adjacent to the property. Extensions of public utilities into the property may be subject to easement.

Zoning

The property has no zoning designation, since it has been a part of highway right of way. Properties in the area are zoned LI, limited industrial.

Terms of Sale

Cashier’s check for \$700 representing ten percent (10%) of the minimum acceptable bid, is due at the time of the sale.

The exact legal description of the property shall be determined by survey prior to closing, which shall be used as described below. The survey shall be by a Kansas licensed surveyor, sealed, and include a drawing depicting the described parcel labeled as “Exhibit A”. Said survey shall be obtained and paid for by the buyer.

The accepted high bid from the buyer on the day of auction shall establish the purchase price. The purchase price is predicated on a property size of thirty-five thousand (35,000) square feet. A unit value expressed in dollars(\$)/square foot will be established by dividing the purchase price by 35,000. The purchase price shall be adjusted based on the final property size as determined by the above referenced legal description. The adjusted purchase price will be included in the Contract to Purchase.

The buyer will receive a Contract to Purchase, with the balance of adjusted purchase price less the \$700 deposit, upon completion and approval by the KTA of the legal description.

The buyer will receive a Quit Claim Deed after balance of the Contract to Purchase amount is paid. If the balance of the purchase price is not paid within 30 days of receipt of the Contract to Purchase, the ten percent (10%) down payment will be forfeited to the Seller.

Any description of the property is for information purposes only, and no representations, warranties or guarantees are made concerning locations, dimensions, or tract size or nature or quality or suitability for use of the tract for any improvements. Should a dispute arise after the auction, the Seller's records will be conclusive in all respects.

Sold Subject to the Following

Tract will be sold subject to any existing easements, restrictions or reservations of record. The prospective buyer is encouraged to research the chain of title of this tract.

KTA makes no representations concerning the condition, value or suitability of use for this property or the improvements, attachments, or fixtures thereof, if any. The property and said improvements, etc. will be sold in the present "as is" condition, without warranties or guarantees of any kind. It is not KTA's intent to impose any restrictions not already in existence on the property. KTA has no specific knowledge about such restrictions, but does not warrant the property to be free of restrictions either.

KTA ensures the acceptance of any bid pursuant to this notice will be without discrimination on the grounds of sex, race, color, religion, physical handicap, or national origin. For additional information contact Glen Scott at 316-652-2672.

The effective date of the permit is from January 1, 2025 through December 31, 2029.

One (1) simple cycle combustion turbine affected by this permit action, identified as EU-ComTurb-1 is located at 1486 17th Ave., McPherson, KS 67460, operated by McPherson Board of Public Utilities, PO Box 768, 401 W. 111-4-3547. 2024 Kansas State Fair second-chance drawing. (a) The Kansas lottery may conduct a second-chance drawing in conjunction with the Kansas State Fair event giving away five \$500 cash prizes. The drawing will be on September 19, 2024, and the winners will be announced on September 20, 2024.

(b) To enter the drawing, a player shall purchase one or more Kansas lottery tickets with a total value of at least \$20 in a single transaction at the Kansas lottery's selling location at the Kansas State Fair. A player may purchase lottery products during the hours the Kansas lottery selling location at the Kansas State Fair is open to the public beginning September 6, 2024, through September 15, 2024. For each qualifying purchase, the player will be given an official entry form by the representative selling

the ticket(s). A player shall complete the entry form in a legible manner and deposit the entry form into receptacles designated for the purpose of this drawing no later than 2:00 p.m. on September 15, 2024. Only one name shall appear on an eligible entry.

(c) After the close of entries, the entry forms shall be transported by Kansas lottery security officials, or a security designee as appointed by the security person on duty, in a sealed container from the selling location at the Kansas State Fair to Kansas lottery headquarters and secured until the drawing occurs.

(d) On the designated date, the drawing shall be conducted by a drawing official designated by the executive director of the Kansas lottery in accordance with the Kansas lottery's established drawing procedures.

Five entries shall be drawn. The person whose name appears on each valid entry drawn shall be the winner of a prize described in these rules. After five entries have been drawn and verified as valid, five more valid entries will be drawn, one at a time, which entries drawn will serve as alternate entries. The alternate entries will be marked in the order drawn, 1A, 2A, 3A, 4A, and 5A.

Each person who is selected as a prize winner in the drawing described above, will be sent an email with an electronic claim form attached, followed by the same documentation sent by U.S. mail. That winner must return his or her completed claim form, electronically, by U.S. mail, or hand-delivered to the Kansas lottery claims center, and the claim form must be received by the Kansas lottery within 14 days following the date the winners are announced. If the prize winner cannot be located, is declared ineligible, or fails to return the completed claim form in the allotted time, the prize will be awarded to the first alternate winner drawn. In the event an alternate winner is awarded a prize, that alternate winner must return his or her completed claim form, electronically, by U.S. mail, or hand-delivered, and the claim form must be received by the Kansas lottery within 14 calendar days following the date the alternate winner was sent a claim form electronically or by U.S. mail or another alternate will be selected until all alternates, in the order drawn, are exhausted. The Kansas lottery is not responsible for electronic malfunction or player error.

(e) There is no limit on the number of entries a person may make, but a person may only win one \$500 prize.

(f) Eligible entrants in the 2024 Kansas State Fair second-chance drawing must be 18 years of age or older.

(g) The Kansas lottery shall not be responsible for any lost, destroyed, mutilated, illegible, or altered entries into the Kansas State Fair drawing. Illegible or incomplete entries shall be discarded.
