Kansas Housing Resources Corporation

Notice of Hearing

The Kansas Housing Resources Corporation (KHRC) will conduct a public hearing to provide an opportunity for citizens to review and comment upon the preliminary draft of the 2025 Action Plan of the 2024 – 2028 Kansas Consolidated Plan. An amendment for the 2024 Annual Action Plan is also available for review and comment. The Consolidated Plan is the state’s policy framework for federal community development and housing programs.

The proposed 2025 Action Plan and Amended 2024 Annual Action Plan will be available for public comment from October 1, 2024 to October 31, 2024, at <http://www.kshousingcorp.org>. Limited hard copies will be available at the public hearing site and upon request. Please direct written comments to the attention of the Consolidated Plan, at the address listed below.

(continued)

Estimated resources available annually in the 2025 Annual Action Plan include approximately \$28,786,581 from the Community Development Block Grant (CDBG), \$5,871,509 from the HOME Investment Partnerships (HOME), \$3,000,000 from the Housing Trust Fund, \$1,645,105 from the Emergency Solutions Grant (ESG), and \$800,244 from the Housing Opportunities for Persons with AIDS (HOPWA) programs.

Additionally, for CDBG the 2024 Annual Action Plan will undergo a substantial amendment, focusing on the closure of the State Revolving Loan Fund (RLF), which is expected to return approximately \$4.5 million to the state. Of these funds, \$1.5 million will be allocated for planning to develop pre-approved community center designs under the Community Facilities category, and another \$1.5 million will support the 2024 Commercial Rehabilitation program. The remaining returned funds will be directed to Community Facilities. Furthermore, up to \$2.4 million in unspent 2023 funds will be reallocated to enhance 2024 program categories, including Commercial Rehabilitation, Water/Sewer, Youth Job Training, and Housing Rehabilitation.

The hearing will be held from 10:00 a.m. to 11:00 a.m. Thursday, October 3, 2024, in the Sunflower Conference Room, Kansas Housing Resources Corporation, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603. To attend virtually, register at <https://register.gotowebinar.com/register/1293129470230508119>.

Individuals with disabilities or limited English proficiency are encouraged to attend and participate in the public hearing. If you need a sign language interpreter, an assistive listening device, large print, Braille material, or other accommodation to attend this meeting, please notify KHRC at least five business days prior to the meetings. Requests may be addressed to KHRC, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803 or by phone at 785-217-2001 or via the Kansas relay service.

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time,

but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU’s educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University’s campus designated as the “Innovation Campus,” for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on

term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. **Notice of Requested Architectural
 and Engineering Services**

Notice is hereby given of the commencement of the selection process for architectural and engineering services for the Kansas Department of Corrections Behavioral, Medical, and Support Building project. The project construction budget is no more than \$37,003,292.

This project would provide a new behavioral health and medical unit for the treatment of residents at the Topeka Correctional Facility. The building will include isolation rooms, suicide watch rooms, x-ray, dental, infirmary beds, group rooms, behavioral health offices, and exam rooms. In addition to the new medical unit this building will also serve as the facility’s staff and visitor check-in, visiting room, control center, admission and discharge of residents, and office space. The new building will enable the facility to connect the two compounds at the Topeka Correctional Facility, allowing for a centralized access point to the facility for staff.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information contact James Skidmore at james.skidmore@ks.gov or 785-746-7481.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Paper cop-

ies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions about the proposal submissions, please contact Randy Riveland at randy.riveland@ks.gov or call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of the State Building Advisory Commission by 2:00 p.m. on or before October 4, 2024.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso des-

ignado o terminación del permiso designado. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación al 785-296-5156 o en: KDHE.NonDiscrimination@ks.gov.

The permit contains monitoring for Flow – MGD, and Chloride.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before October 19, 2024, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-24-284/290, KS-Q-24-182/183) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Jada Martin at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico: kdhe.feedlots@ks.gov; por teléfono: 785-296-6432. Notice of Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Brooks Grease Service has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds particulate matter (PM), particulate matter with less than or equal to 10 microns in aerodynamic diameter (PM₁₀), particulate matter with less than or equal to 2.5 microns in aerodynamic diameter (PM_{2.5}), carbon monoxide (CO), oxides of nitrogen (NO_x), oxides of sulfur (SO_x), combined hazardous air pollutants (HAPs) and individual (HAP) Formaldehyde were evaluated during the permit review process.

Brooks Grease Service, 3901 Fairbanks Ave., Kansas City, KS 66106, owns and operates a fat and oil refining and blending process located at 3901 Fairbanks Ave., Kansas City, Wyandotte County, KS 66106, at which one (1) new natural gas fired boiler and eleven (11) new storage tanks are to be installed.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Wyandotte County District Office, 619 Ann Ave., Kansas City, KS 66101. To obtain or review the proposed permit and supporting documentation, contact Arwa Alrefaai at the central office of KDHE at 785-368-7030, or Jennifer Stewart at the Wyandotte County District Office at 913-321-7932. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Arwa Alrefaai, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, October 21, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall

be in writing and set forth the basis for the request. The written request must be submitted to Arwa Alrefaai, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than noon on Monday, October 21, 2024, in order for the Secretary of Health and Environment to consider the request.

The preceding notice refers to the air permit for Brooks Grease Service located at 3901 Fairbanks Ave., Kansas City, Wyandotte County, KS 66106. Notice of Proposed Kansas Air Quality Class I Operating Permit Significant Modification

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed significant permit modification of an air quality operating permit. Birla Carbon USA, Inc. has applied for a significant permit modification of the facility's Class I operating permit in accordance with the provisions of K.A.R. 28-19-513 et al. Only those provisions that are being revised by this permit action are open for comment at this time.

Birla Carbon USA, Inc., 3500 S. Road S, Ulysses, KS 67660, owns and operates Carbon Black Manufacturing Facility located at 3500 S. Road S, Ulysses, Grant County, KS 67660.

A copy of the proposed significant permit modification, significant permit modification application, all supporting documentation, and all information relied upon during the significant permit modification application review process are available for public review during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801-6098. To obtain or review the proposed significant permit modification and supporting documentation, contact Gyanendra Prasai at the central office of KDHE at 785-296-6427, and review of the proposed permit only, contact Ethel Evans at the Southwest District Office at 620-682-7940. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the documents to Gyanendra Prasai, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final decision, written comments must be received no later than 12:00 p.m. Monday, October 21, 2024.

A person may request a public hearing be held on the proposed documents. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Gyanendra Prasai, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, Kansas 66612-1366, no later than 12:00 p.m. Monday, October 21, 2024 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

The preceding notice refers to the air permit for Birla Carbon USA, Inc. located at 3500 S. Road S, Ulysses, Grant County, KS 67660. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: KDHE.NonDiscrimination@ks.gov. Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consultant to supply personnel to

perform professional services as described below. Interested consultants must upload a proposal by 12:00 p.m. (Central Time) October 2, 2024 to Bid Express page to be considered for selection. KDOT is soliciting interests for the following project.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 231 – Traffic Control Analysis and Design

If a firm is not currently prequalified by KDOT in any of the required categories, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this solicitation for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Number of Staff Needed

Consultant to determine number of staff required.

Scope Type

Technical Assistance for the Manual Uniform Traffic Control Devices (MUTCD).

Anticipated Consultant Scope

KDOT anticipates the following to be included in consultant's scope:

- KDOT is looking for a consultant to provide technical assistance to the Bureau of Traffic Engineering.
- The consultant will provide staff for Engineering Services to assist in reviewing the 11th Edition of the MUTCD.
- The consultant will evaluate all the changes between the 11th edition and the 10th edition.
- For every section of the MUTCD the consultant will develop a summary and list of changes to discuss with each unit of KDOT's Bureau of Traffic Engineering.
- Meetings will be held with each unit of KDOT's Bureau of Traffic Engineering to discuss changes that will be made to the documents listed below until a clear concise decision is made. Changes to KDOT's documents will not necessarily be limited to those due to the MUTCD, other changes may be directed by KDOT Traffic Engineering staff.
- Based on the outcome from these meetings, no later than October 3, 2025, the consultant will then revise/update:
 - KDOT Highway Sign Manual.
 - KDOT Technical Standard Drawings.
 - KDOT Technical Specifications and Special Provisions.
- Following the KDOT's submittal of the deliverables to the FHWA, the consultant will then revise/up-

date the documents as necessary to allow for final document approval by FHWA no later than December 12, 2025.

Consultant Response

- List names, team function, titles, certifications/registrations, and project experience of staff who will be assigned to the project (include firm name for subconsultants).
- Indicate past services similar to these for KDOT or other clients.
- Provide any unique qualifications.
- Understanding the nature and scope of services.

Anticipated Schedule and Key Dates

1. Proposals are due on or before 12:00 p.m. (Central Time) October 2, 2024.
2. Ranking of proposals is expected to occur on or around October 4, 2024.
3. Negotiations with the highest ranked firm are expected to begin on or around October 25, 2024.
4. An executed agreement is anticipated around November 15, 2024.
5. The anticipated start date is November 15, 2024.
6. Target Completion dates:
 - a. October 3, 2025 – Draft deliverables due to FHWA.
 - b. December 12, 2025 – address comments and re-submit deliverables to FHWA.
 - c. January 12, 2025 – Final documents complete.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the response. Responses including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal shall not exceed 4 pages total, (including any cover letter, index, etc.) All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on the size.
3. A single PDF (10MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. “P-1807-25, Consultant Engineer for MUTCD Review and Adoption FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 1 below describes the expected proposal organization and content sections.
7. Depending on the number and quality of responses received, KDOT anticipates shortlisting (based on proposals) and holding interviews prior to final se-

lection (which may be based on both proposal and interview content). If KDOT deems interviews to be necessary, interview details and requirements and evaluation criteria for the interview will be distributed to shortlisted consultant teams in advance.

8. The selected firm will be asked to enter scope and fee negotiations with KDOT for an Agreement. In the event KDOT cannot reach an agreement with the highest-ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest-ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.
9. Table 2 lists the evaluation criteria and associated weights which will be used to shortlist respondents and may be considered in final selection.
10. The scope included herein may not be all-inclusive and is subject to change.

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project description, interested consultants must submit a proposal as laid out herein by 12:00 p.m. (Central Time) October 2, 2024, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 301 – Land Surveying
- 302 – Engineering Surveying
- 336 – Right of Way Services

If a firm is not currently prequalified by KDOT in any of the required categories, a proposal may still be submitted. Firms not pre-qualified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this solicitation for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. Brief Project Description

Survey needed for project: Reconstruct and add shoulders, extend or replace four bridges and three culverts, consisting of 14.5 miles.

Location

K-156 highway from the Finney/Hodgeman County line east to the 214 Road intersection.

Anticipated Consultant Scope

KDOT Survey Manual to be the guide for the survey practice, content, and format. The hydraulic survey to support the design will be standard by KDOT survey practices. Review the KDOT Survey Manual for details of the breadth of channel sections, valley sections, and the stream bed profile. Survey information to be developed in accordance with KDOT Design Survey Manual and KDOT CADD requirements.

In general, the survey effort shall include the following:

- Horizontal reference datum to be the pertinent Kansas Regional Coordinate System.
- Vertical reference datum to be NAVD 88. Survey may include mapping with mobile and aerial lidar.
- Basis of stationing shall be initiated on the as-built plans of the corridor with correlation of measured values to plan values at all found alignment monuments and bridge structures. Sideroad alignments at interchange to be monumented, mapping along-side roads within interchange to be included. No station equations.
- Utility location mapping within the mapping limits. Utilities should be labeled with ownership and size where available.
- Property owner research, contacts to prior entry, property owner log to be completed.
- Copies of adjacent deeds of ownership, copies of recorded plats, land survey monument recovery and property monument ties to determine boundaries of adjacent plats and deeds of ownership and support the determination of existing right of way for the project mapping area. No calculated section corners.

The development of existing right of way will aid the design effort in determining the limits of the present right of way within which KDOT project construction could occur. Existing right of way includes KDOT right of way, county right of way (e.g.: dedicated county road records and county plans), and platted right of way of cities, towns, and subdivisions. The determination by plan station and offset, and by record description shall be evaluated. In addition, the depicting of property lines per deed and plat adjacent/intersecting the existing right of way shall be detailed.

All files shall be delivered per current standard KDOT MicroStation environment. (Bentley Connect ORD)

Any questions pertaining to development, (software, naming conventions, field notes, etc.) of completed survey should be addressed prior to submission.

KDOT shall provide a copy of its Engineering Manual and desk manual for guidance. KDOT shall furnish its plans of record and descriptions for the corridor.

All electronic files shall be developed with Bentley software in KDOT’s point numbering scheme, naming conventions and line styles. Section corner numbering should adhere to KDOT’s standard naming conventions. Examples are available upon request.

KDOT quality control procedures require that consultant perform and document a cold-eye (independent) review of the files they generate to document the existing right of way.

Schedule

Land survey effort to be completed and submitted to KDOT Bureau of Right of Way, Survey Department by May 30, 2025. Existing Right of Way development to be completed and submitted to KDOT Right of Way, Engineering Section by November 1, 2025.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) October 2, 2024.
2. Ranking of proposals is expected to occur on or around October 4, 2024. Negotiations with the most highly ranked firm are expected to begin on or around October 11, 2024. An executed agreement is anticipated around October 25, 2024. KDOT anticipates giving notice to proceed on or around October 31, 2024.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (10 MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. “KA-7428-01_Survey Services in Hodgeman Co. FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) October 2, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must

also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the pre-qualification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
24123	U077-058	KA-3924-01	Bridge Replacement, Marshall		160	Wamego	September letting. Construction could start in November, but the Wamego Construction office anticipates this will start closer to the late start date in early March 2025.
24124	K099-058	KA-5764-01	Bridge Replacement, Marshall		170	Wamego	September letting. Construction could start in November, but the Wamego Construction office anticipates this will start closer to the late start date in February 2025.
24125	UO69-105	KA-4881-02	Bridge Replacement, Wyandotte	February 1, 2025	June 1, 2027	Bonner Springs	

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed

in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) October 2, 2024.
2. Ranking of proposals is expected to occur on or around October 4, 2024. Negotiations with the most highly ranked firm are expected to begin on or around October 11, 2024. An executed agreement is anticipated shortly thereafter.
3. Anticipated scope starts dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed the page

limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.

3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. "ConstInsp Multiple Projects_2024.09 Release FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"), No. 10 ("Policy Regarding Sexual Harassment"), and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter.
 - b. Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall both indicate interest and preferences on the "September 2024 Construction Inspections Interest & Preference Form" is provided on the Bid Express page to complete and upload. Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm's familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications ("Past Performance" selection plus "Approach to Quality Control" section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Request for Comments

The following Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF-IID) cost center limits are being set forth for public comment. Comments should be sent to Sheri Jurad, Director of Nursing Facility and Adult Care Home Programs, 503 Kansas Ave., Topeka, KS 66603 or Sheri.Jurad@ks.gov. The comment period will expire 30 days from the publication of this notice.

K.A.R. 30-10-214 provides for the annual review and adjustment of Class II ICF-IID cost center limits, approved by the secretary of the Kansas Department for Aging and Disability Services (KDADS) or designee, based on current cost information supplied by the enrolled, licensed providers of ICF-IID services, and formula set forth in the Kansas State Medicaid Plan (Attachment 4.19-D, Part II, Subpart O). The formula is as follows: Total allowable costs, including an inflation factor, are compared to the amount to be reimbursed under the current limits.

The formula threshold requires that 60 percent of all ICF-IIDs are reimbursed 90 percent of their allowable costs. If less than 60 percent of the facilities are reimbursed at 90 percent of their allowable costs, then the cost center limits are adjusted until the threshold is met. The inflation factor is based on the IHS Global Insight, National Skilled Nursing Facility Market Basket Without Capital Index (IHS Index).

To determine where to make the adjustments, two major cost centers are analyzed according to the following prescription:

- Administrative costs are based on facility size.
- Habilitation costs are based on facility size and level of care (LOC).

The cost analysis for SFY2025 demonstrates 100 percent of the Class II ICF-IIDs are being reimbursed at 90 percent or more of their allowable costs. Per the state plan, the analysis indicates that adjustments are not required.

Recommendations

Based on cost report analysis, available funding and to incentivize providers that care for high acuity residents, two additional habilitation levels are being added and cost center limits for Class II ICF-IIDs are as follows:

Levels	Converted DDP Scores
Level I	225-and up
Level II	200-224.99
Level III	175-199.99
Level IV	150-174.99
Level V	125-149.99
Level VI	100-124.99
Level VII	75-99.99

Facility

Size	Level I	Level II	Level III	Level IV	Level V	Level VI	Level VII
+16 beds	\$224.65	\$197.06	\$172.86	\$164.71	\$156.98	\$149.64	\$142.65
9-16 beds	\$278.91	\$244.66	\$214.61	\$204.40	\$194.68	\$185.46	\$176.67
4-8 beds	\$324.11	\$284.30	\$249.39	\$237.42	\$226.04	\$215.24	\$204.98

Administrative per diem limits are based on the size of the facility, using the same classes as referred to above.

Administrative Per Diem Limits

- A. \$26.92
- B. \$44.68
- C. \$50.18

Fiscal Impact

Due to rebasing the base year to FY2023 cost reports as the new based year, the estimated annual cost increase is \$413,532.

Economic Impact Statement

- https://www.dcf.ks.gov/services/PPS/Documents/Economic_Impact_Statement.docx

Summaries of the proposed regulations follow:

30-46-10 removes the definition of “affirmed perpetrator” from definitions of abuse and amends the definition of “neglect” as those definitions relate to the child abuse and neglect central registry.

30-46-13 removes language concerning affirmed finding of abuse or neglect.

30-46-15 removes language concerning affirmed finding of abuse or neglect.

Economic Impact

There is no associated cost or economic impact with these amendments.
