Wichita State University Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU's vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Wichita State University Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. Department of Administration Office of Facilities and Procurement Management Notice of Annual Qualifications

To Contractors

Pursuant to K.S.A. 75-37,143, to assist in the procurement of alternative project delivery (construction management at-risk and design-build) construction services, the Secretary of Administration shall encourage firms engaged in the performance of construction services to submit annually to the Secretary and to the State Building Advisory Commission (SBAC) a statement of qualifications and performance data. Each statement shall include data relating to the following:

1. The firm's capacity and experience, including experience on similar or related projects; and
2. The capabilities and other qualifications of the firm's personnel.

If your firm is interested in providing construction management at-risk or design-build services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the phrase "annual qualifications." Further information may be found at <https://admin.ks.gov/office/ofpm/dcc/bdcm>, Part B, Chapter 7 – Procurement of Alternative Project Delivery Building Construction. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2025.

Submissions will be on file with the office for use by the State Building Advisory Commission and the Secretary of Administration.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders, vendors, and/or contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder, vendor, and/or contractor is encouraged to submit same as part of their bid response.

Notice of Annual Qualifications

To Architectural, Engineering, and Land Surveying Firms

Pursuant to K.S.A. 75-1252, as amended, “in the procurement of architectural, engineering, or land surveying services, the secretary of administration shall encourage firms engaged in the lawful practice of their profession to submit to the secretary and to the state building advisory commission annually a statement of qualifications and performance data.”

By statutory definition, “firm” means such individual, firm, partnership, corporation, association, or other legal entity which is permitted by law to practice the profession of architecture, engineering or land surveying by the Kansas Board of Technical Professions.

If your firm is interested in providing architectural, engineering, or land surveying services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the phrase “annual qualifications.” Further information may be found at <https://admin.ks.gov/office/ofpm/dcc/bdcm>, Part B, Chapter 2 – Professional Design Services. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2025.

Submissions will be on file with the office for use by the state building advisory commission and the secretary of administration.

Notice of Requested Ancillary Technical Services

Notice is hereby given of the commencement of negotiations for the 12-month period of January 1, 2025, to December 31, 2025, for the following technical services:

- Land surveying, geotechnical investigation;
- Materials testing services including but not limited to roofing and hazardous materials, concrete, spray-on fire resistive materials, and welding;
- Inspection services including but not limited to air and water balancing, roofing, concrete, asphalt, and welding; or
- Commissioning of mechanical and electrical systems.

Interested firms are not required to provide all the services described but should indicate on the form which services they can provide.

If your firm is interested in providing the listed services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the name of the firm submitting the SOQ. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2025.

It is the intention of the Office of Facilities and Property Management to preapprove a separate group of qualifying firms for each classification listed above. If a firm anticipates being limited to specific sized projects, by dollar volume or locations in the state, that information should also be supplied with the response.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. This action consists of the reissuance of an existing industrial process wastewater NPDES/Kansas Water Pollution Control (KWPC) Permit for an existing facility. The Water Treatment Plant discharge and the Sanitary sewage treatment plant are under common ownership (GPDA) and the discharges from both have historically been included in this permit. A portion of the water plant facilities (the water plant solids lagoons) are located on the Great Plains Development Authority Industrial Park Site; the remainder of the water plant site is located about a mile east of the Industrial Park boundary. This permit contains limits for Total Suspended Solids, Oil and Grease, Ammonia, BOD, Whole Effluent Toxicity, pH, E. coli, and Total Residual Chlorine. The permit contains monitoring for Flow – MGD, and Total Phosphorous.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before February 8, 2025, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-25-002/004, KS-AG-R-25-001, KS-Q-25-004/005) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

State of Kansas

Office of the Governor

Executive Order No. 24-05

Day of Mourning for President James (Jimmy) Earl Carter Jr.

WHEREAS, former President James (Jimmy) Earl Carter Jr. was a dedicated public servant who will be remembered for his service to his country in the both the military and as President, as well as for his service to humanity, including winning the Nobel Peace Prize, facilitating the Camp David Accords between Egypt and Israel, building homes for those in need through Habitat for Humanity, supporting civil rights, and founding, with his wife Rosalynn Carter, the Carter Center, a nonprofit focused on human rights and alleviating human suffering, including the near eradication of Guinea worm that infected millions in the 1980s. As a result of their work, today, new infections total roughly a dozen worldwide; and

WHEREAS, President Carter grew up in Plains, Georgia, graduated from the United States Naval Academy and served in the United States Navy Submarine Service before returning home to Georgia to mind his family's business. He served in the Georgia State Senate and then as the Governor of Georgia before serving as the 39th President of the United States; and

WHEREAS, President Carter and Rosalynn Carter were married for 77 years and had four children; and

WHEREAS, President Biden has declared Thursday, January 9, 2025, to be a National Day of Mourning for President Carter; and

WHEREAS, State of Kansas offices were closed by Order of the Governor to mourn the passing of Presidents Kennedy, Eisenhower, Truman, Johnson, Reagan, Ford, and H.W. Bush.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby designate Thursday, January 9, 2025, as a legal holiday in observance of the National Day of Mourning for President Jimmy Carter, and order that State of Kansas offices be closed in observance of the holiday. State Offices will reopen and resume normal operations on Friday, January 10, 2025.

This document shall be filed with the Secretary of State as Executive Order No. 24-05. It shall become effective immediately.

Dated December 30, 2024.

Permanent Administrative Regulation

Article 7.—MISCELLANEOUS PROVISIONS

68-7-20a. Delivery of prescriptions dispensed to an alternate site for administration. (a) Definitions. Each of the following terms shall have the meaning specified in this regulation:

- (1) "Administering facility" means a registered administering facility or a non-registered administering facility.
- (2) "Non-registered administering facility" means a facility that is not registered with the board and is authorized to administer prescription-only drugs under the direction of a practitioner or mid-level practitioner.
- (3) "Registered administering facility" means a facility registered with the board that is authorized to administer prescription-only drugs pursuant to state or federal authority.

(b) Any pharmacist may fill a prescription at an originating pharmacy and cause the prescription to be delivered to an administering facility for preparation and administration to the patient.

(c) Each owner and pharmacist-in-charge of an originating pharmacy participating in drug delivery for administration under subsection (b) shall maintain and comply with a policies and procedures manual that includes the following:

(1) Maintaining and retrieving dispensing records that include the following:

(A) The manner in which the pharmacy will access prescription information necessary to complete assigned responsibilities;

(B) a method of recordkeeping that identifies the pharmacist responsible for dispensing the prescription and counseling the patient; and

(C) a method of recordkeeping that documents all required elements of medication preparation specified in article 13 of the board's regulations;

(2) the mechanism for the administering facility to track the prescription during each stage of the delivery process;

(3) controls to protect the privacy and security of confidential records;

(4) ensuring accuracy, security, integrity, and accountability in the delivery process from the time the prescription leaves the originating pharmacy until the prescription is received by staff at the administering facility;

(5) recordkeeping requirements for handling any unopened prescription medication not administered to the patient; and

(6) informing and obtaining consent from the patient for using this dispensing and delivery process.

(d) Each owner and pharmacist-in-charge of an originating pharmacy participating in drug delivery for administration under subsection (b) shall ensure that the following requirements are met:

(1) Each prescription waiting to be picked up or in the process of being delivered to the administering facility

Kansas Register

shall be stored according to the manufacturer's requirements and relevant laws and regulations.

(2) The pharmacist responsible for filling the prescription shall meet the following requirements:

(A) Notify the administering facility of the anticipated arrival date of the shipment to the administering facility, the exact address where the prescription will be shipped, the name of the patient to whom the drug is being dispensed, and any special storage requirements for the prescription;

(B) provide counseling to the patient or ensure that a process is in place for the patient to receive counseling from a practitioner or pharmacist;

(C) provide a procedure for returning to the originating pharmacy any unopened prescription medication not administered to the patient; and

(D) coordinate the preparation and delivery of the materials needed by the administering facility to administer the dispensed prescription.

(3) Each prescription shall be scheduled for delivery during the administering facility's normal business day unless otherwise agreed upon by the administering facility.

(e) Prescriptions for controlled substances shall not be delivered under this regulation unless the delivery is in compliance with state and federal law.

(f) Each owner and pharmacist-in-charge of a registered administering facility participating in drug delivery for administration under subsection (b) shall ensure each prescription waiting to be administered to the patient shall be stored according to the manufacturer's requirements and relevant laws and regulations in a room, cabinet, cart, or other device that is locked when not in use, cannot be easily moved, and is restricted to the practitioner, pharmacist, or their designee.

(g) A pharmacist shall only allow a prescription to be returned to stock at either the originating pharmacy or the registered administering facility by agreement with the originating pharmacy if it meets the following requirements:

(1) The prescription was delivered to a registered administering facility pursuant to subsection (b); and

(2) the prescription is unopened, unadulterated, and was continuously maintained in accordance with the manufacturer's requirements and relevant laws and regulations.

(h) All records required under this regulation shall be readily retrievable and maintained for five years at the pharmacy. (Authorized by K.S.A. 65-1630; implementing K.S.A. 2023 Supp. 65-1626a, K.S.A. 65-1634, K.S.A. 2023 Supp. 65-1637, K.S.A. 65-1642, and K.S.A. 2023 Supp. 65-1656; effective Jan. 24, 2025.)
