Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU's vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. Notice of List of Permit Modifications at Hazardous Waste Facilities

The Hazardous Waste Permits Section of the Kansas Department of Health and Environment (KDHE) Bureau of Waste Management (BWM) has available for review a list of all approved permit modifications for Resource Conservation and Recovery Act (RCRA) permitted facilities that treat, store, or dispose of hazardous waste in Kansas. The list has been updated to reflect permit modifications approved in 2024 and is available for review at <https://www.kdhe.ks.gov/621/Hazardous-Waste-Public-Notices>.

The publication of this notice fulfills the requirement of a Memorandum of Agreement (MOA) between KDHE and the Environmental Protection Agency (EPA). The MOA establishes policies, responsibilities, and procedures for the State of Kansas's Hazardous Waste program authorized under Section 3006 of RCRA by EPA Region 7 Administrator on June 27, 2013.

For further information, please contact Maura O'Halloran, Chief, Hazardous Waste Permits Section, at 785-296-1609 or Maura.OHalloran@ks.gov.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. The proposed action consists of reissuing the above referenced Pretreatment permit. There were no significant changes made to the permit. This facility operates a small job shop and performs zinc electroplating and chromating operations in two buildings on-site. Examples of the parts plated include nuts, bolts and washers made of steel. Outfall 001 consists of process wastewater, collected in several pits, that is treated by a treatment process, before being released to the city sanitary sewer. On-site treatment consists of the addition of polymers, pH adjustment, clay additives, a filter press and Evoqua ion filters. This permit contains generic language to protect water quality.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before March 1, 2025, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-25-018/024, KS-Q-25-009/011) and name of the applicant/permittee when preparing comments.

State of Kansas

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

South Kansas & Oklahoma Railroad

Request for Proposals

Interested parties are invited to submit a proposal to complete the below scope of work for the South Kansas & Oklahoma (SKOL) Railroad.

Scope of Work

Project is in Longton, Kansas on proposed track expansion coming off an existing main track between crossings at Harvest Road and 66 Road. This proposal requests contractor provides all necessary labor, equipment, and logistical services for installation of all track and subgrade including crossing panels, to complete all track, subgrade and subballast installation, and construction work inclusive of ties, ballast, subballast, turnouts, etc. The scope is further described as follows:

- Contractor to plan for mobilization and demobilization under a lump sum amount. This includes all necessary equipment, trailers, storage, or other site needs for the duration of the project including items as required by local or state construction regulations.
- Construction surveying to include final as-built survey to be completed within 90 days of Final Project Execution.
- Clearing and grubbing of 4.79 acres established by grading limits for the track subgrade preparation and drainage limits.
- Excavation of 8,862 CY, Embankment (Track) 4,928 CY, and Embankment (Overburden) 1,889 CY measured with 30% shrinkage factor applied. Overburden to be placed as embankment in fill areas within right of way as directed by SKOL.
- Culvert extensions 50 LF of 36" CMP as shown in plans and 102 LF of 30" CMP of culvert replacement to be properly disposed of off-site. Culverts to be bedded per plan and connections to meet plan specifications. Drainage to be maintained during installation or modification to drainage conditions.
- Supply and install 9462 NT of subballast meeting gradation specifications and placement according to KDOT and AREMA Standards.
- SWPPP to be the responsibility of the contractor on a lump sum basis including plan finalization, submittal, and implementation/maintenance. Preliminary plan quantities to be updated with SWPPP approved plan – 4,095 LF of silt fence, 12 ditch checks, four (4) riprap aprons, and two (2) construction entrances to be monitored throughout construction. All temporary erosion measures are based on KDOT Standards.
- Assemble and install pricing for approximately 6,260 track feet bolted track on siding and 232 CWR track on main, 132# relay rail on new 7x9x8.6' wood crossties. Owner will supply track materials.
- Install pricing for eight (8) each transition rails with 7x9x8.6' wood crossties as indicated in plans past crossing and turnouts. Owner will supply track materials.
- Assemble and install pricing for two (2) each AREMA industrial No. 10 Turnouts including 232 TF removal at installation. Built using 136# CWR, Sampson Points, RBM Bolted Frog, wood ties, and OTM – plates, spikes, anchors, bolt/washer/nut assemblies. Owner will supply track materials.
- Road crossing panel replacement at two (2) each crossings on either side of the siding limits, railroad will supply panels and 10' ties. Road crossing, barriers, and signage meeting local protection, at all times to maintain public safety required by state, local, and federal regulations. All track to be continuously welded through crossings. Closure for crossings to be coordinated with the roadway authority and to have minimum impact to traffic.
- Supply and install pricing for 5,755 tons of ballast, including lump sum basis for tamping and regulating. Ballast to meet AREMA and DOT Requirements for gradation and placement. Owner reserves the right to supply any or all track and aggregate materials without impact to other scope items.
- Sign relocation one (1) each of sign to be relocated outside new track limits as shown in plans.

- Crossbuck replacement four (4) each will be replaced by others at existing crossbuck locations at each crossing. Road crossing, barriers, and signage meeting local protection, at all times to maintain public safety required by state, local, and federal regulations.
- Site cleanup following completion of work is captured as a lump sum item. Any pre-existing rail, ties, or OTM that is removed when installing switch components, must be removed and disposed of according to all state, local, and federal regulations. Any salvageable material shall be provided to railroad at location designated by railroad at no additional expense.
- Additional details concerning the scope of work needing to be done with each portion of the project, will be addressed at the pre-bid meeting.

Minimum Requirements

Roadway Worker Protection

- Contractors must complete, and have on file, a current Master Services Agreement with Owner Prior to submitting a proposal.
- Contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Workers and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
- Contractor, contractor employees, agents, and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.
- Any subcontracted work will need to be approved prior to any work starting.

Work Windows

Impact to current railroad and site operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with Watco/SKOL Railroad. Contractor can anticipate a minimum work window of 8 hours with no more than two (2) schedule of interruption in that time frame. Between the hours of 07:00 and 17:00. This topic will be further discussed and clarified during the pre-proposal meeting.

Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval. All rail shall be replaced at standard gauge of 56-1/2".

Submittals

The following documents shall be submitted by the contractor as part of the project at the times listed:

- Schedule of Work – Submitted with proposal.
- Certificate of Insurance – Submitted prior to construction to meet all owner provided insurance guidelines.
- Contractor Job Safety Plan (Safety Checklist and Project Descriptions).
- Contractor Welding Certification Requirements (Acknowledgement).
- Proof of Roadway Worker Training – Submitted prior to construction.
- Rail Testing (If AREMA #1 Relay Rail is used) – Submitted prior to construction.
- Rail Weld UT Test Requirements (All rail comp welds) – Submitted with billing.

Other Responsibilities

- Permits – Contractor is responsible for all federal, state, and local permits required for the work.
- SWPPP – To be supplied, installed, and maintained per KDOT Standards. A copy of the SWPPP shall always be available on-site and maintained for accuracy.
- Utilities – Contractor is responsible to locate and protect site utilities as well as coordinate with utility companies for modifications.

- Site Clean-up and Disposal – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state and federal laws.

Insurance

Contractor shall purchase coverage and submit for verification a Certificate of Insurance to meet all requirements demanded of the site, local, and state regulating agencies.

Materials

All non-owner supplied materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 25' from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of the SKOL Railroad, to be stockpiled as directed by a representative.

Non-Project Areas

Watco has secured access to the project through both crossing locations. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

Pre-Bid Meeting

Watco shall hold a pre-bid meeting at the project site as indicated by the project manager. The meeting shall be held at or near site in Longton, Kansas at 10:00 a.m. January 30, 2025. Contractors are required to be present at this meeting to submit a proposal or their proposal can be rejected.

Project Completion

In-service date for this project is tentatively expected to be May 31, 2025, subject to change after submittal of schedule with bid proposal. Contractor is to build schedule to meet this date and coordinate in service schedule. All work pertaining to this project shall be completed as indicated on the contractor supplied schedule. Failure to complete work by the scheduled date may result in the contractor's removal from the property or charges of \$1500/day until completed to satisfaction.

Submission of a Proposal

All proposals must be submitted no later than February 14, 2025, two weeks after the pre-bid meeting. All submitted proposals shall be reviewed by Watco Purchasing Department. Please ensure your proposal includes all required information. All late or incomplete proposals shall be rejected. Contractors who wish to submit a proposal are required to attend the pre-bid meeting at 10:00 a.m. January 30, 2025. Proposals will be submitted to Ryan Reyes via email at Ryan.Reyes@watco.com. The structure of your proposal must be able to be clearly understood, all proposals shall provide the following line items and provide costs as required below.

Provide a total sum of all line items on the proposal:

- Mobilization and Demobilization – Lump sum.
- Clearing and Grubbing – 4.79 acres.

Doc. No. 052837

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be held on at 9:00 a.m. Friday, February 14, 2025, in the conference room of the Kansas Development Finance Authority (the "Authority"), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the Authority to issue its tax-exempt Revenue Bonds (the "Bonds") in a principal amount not to exceed \$17,850,000, plus all amounts required for costs of issuance of the Bonds, costs of interest on the Bonds during the renovation of the Project, credit enhancement costs, and any required reserves for the payment of principal and interest on the Bonds. The Bonds will be Qualified 501(c)(3) Bonds as defined in Section 145 of the Internal Revenue Code of 1986, as amended, and will be issued pursuant to K.S.A. 74-8901 *et seq.* (the "Act") to finance the renovation and equipping of the university stadium on the campus of Wichita State University (the "University") located at 1845 E. 21st St. North, Wichita, Kansas (the "Project"), the principal users of which will be the University and Wichita State University Intercollegiate Athletic Association, Inc., a Kansas not-for-profit corporation.

The Bonds, when issued, will be a limited obligation of the Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, nor will the Bonds constitute an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but the Bonds will be payable solely from revenues pledged by the University in amounts sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds when they become due.

Interested individuals may participate in the public hearing via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

At the hearing, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue Bonds to finance the Project, and all written comments previously filed with the Authority at its above-referenced offices will be considered. Additional information regarding the Project may be obtained by contacting the Authority at the address of its offices listed above.
