## State of Kansas

### Department of Administration Office of Facilities and Property Management

#### Notice of Commencement of Negotiations for Construction Manager At-Risk Services

Notice is hereby given for the seeking of interest and qualifications for Construction Management At-Risk (CMAR) services for the Landscape Zone U – ArcD Addition and Remodeling, Phase 1 for the School of Architecture KUbe, University of Kansas (KU), Lawrence, Kansas. The construction budget is \$50,000,000.

The university is seeking comprehensive design proposals for a building project that presents a rare opportunity to advance the school into a vibrant and ambitious future. This initiative aims to establish a sustainable complex featuring a new iconic mass timber building that is filled with natural light designed to foster collaboration and unite KU Architecture and Design programs while promoting creativity and interdisciplinary interactions on the greater campus. Furthermore, the project will streamline the school's existing programs into fewer buildings with enhanced facilities and create additional spaces to attract exceptional students and faculty from all over the world, accommodate innovative and emerging academic programs, and support the expansion and enhancement of its current highly accomplished offerings. The design and construction phases will be guided by the recently completed concept design of the school, which includes the envisioned building linked to Marvin Hall and Chalmers Hall (Phase 1), as well as renovations to segments of historic Marvin Hall and the Marvin Bridge (Phase 2) and the adaptive reuse of Chalmers Hall (Phase 3). This project represents a significant transformation for the School of Architecture & Design, and we seek a highly acclaimed design team to oversee all phases, ensuring cohesive design throughout.

The construction manager at-risk will provide cost estimating, scheduling, constructability reviews, and value engineering studies for each phase; procure equipment, prequalify subcontractors, and take bids; review bids with the design team and owner to determine bids to accept; prepare cost estimate(s) for the un-bid portion(s); provide a guaranteed maximum price and a bond; and manage construction and track all costs for the design team and owner's review.

An architectural program is available at <https://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. Questions about the proposed scope of services should be submitted to Mark Reiske at [dcmmlr@ku.edu](mailto:dcmmlr@ku.edu) or 785-864-3431.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051, 052, 053 and 054, inclusive, and information regarding similar projects. Forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each SOQ (statement of qualification) submittal. Please include your firm name, agency abbreviation and an abbreviated project name in the title of the PDF document. Submittals of SOQ forms should be less than 5Mb and follow the current State Building Advisory Commission guidelines for Phase I of the Construction Management at Risk process, which can be found in Part B – Chapter 7 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>.

Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions about the proposal submissions, please contact Randy Riveland at [randy.riveland@ks.gov](mailto:randy.riveland@ks.gov) or call 785-296-0749. Proposals shall be emailed to [professional.qualifications@ks.gov](mailto:professional.qualifications@ks.gov) to the attention of the State Building Advisory Commission by 2:00 p.m. on or before August 8, 2025.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or

participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Barbara Schilling  
Deputy Director-DCC  
Office of Facilities and Property Management  
Department of Administration

Doc. No. 053337

(Published in the Kansas Register July 24, 2025.)

## East Central Kansas Economic Opportunity Corporation

### Notice to Contractors

East Central Kansas Economic Opportunity Corporation (ECKAN) Weatherization, located in Ottawa, Kansas, is a non-profit corporation that does retrofit weatherization work on homes for the elderly, low-income and individuals with disabilities.

Currently, we are expressing the invitation for competitive bids to become a prequalified contractor for the Kansas Weatherization Assistance Program at ECKAN.

- 2025 General Contractor Weatherization Crews
- 2025 HVAC Weatherization Crews

Weatherization services will be available in the following counties (including one temporary county):

- Allen
- Anderson
- Bourbon
- Chase
- Coffey
- Douglas
- Franklin
- Greenwood
- Johnson
- Linn
- Lyon
- Miami
- Morris
- Osage
- Shawnee
- Woodson
- Wyandotte

Please be specific on what counties you are willing to perform work in.

ECKAN is an Equal Opportunity Employer and will not do business with any firm or individual that in any way, directly or indirectly, discriminates against any person because of age, race, color, handicap, sex, national origin, or religious creed.

Contractors must bid on all the listed items, separated by material and labor. You will have to work on both stick built and mobile homes.

With a competitive proposal method of procurement, proposers will be evaluated on a weighted scale that considers some or all the following criteria as appropriate for the procurement:

1. Adequacy of the proposed methodology.
2. Skill and experience of key personnel.
3. Demonstrated experience.
4. Other technical specifications designated by the department requesting proposals.
5. Compliance with the administrative requirements of the request for proposal (format, due date, etc.).

# Kansas Register

---

Volume 44 - Issue 30 - July 24, 2025

[Table of Contents](#)

6. Contractor's financial stability.
7. Contractor's demonstrated commitment to the nonprofit sector.
8. Results of communications with references supplied by the vendor.
9. Ability/commitment to meeting time deadlines.
10. Cost.
11. Minority- or women-owned business status of vendor.
12. Other criteria (to be specified by the department requesting the proposal).

If your bid is accepted, you must supply ECKAN Weatherization with:

- Your Federal ID number (W-9)
- Proof of Liability Insurance and Workman's Compensation (\$1,000,000 minimum coverage)
- Licensed Renovation Firm Certificate
- LEAD Training Certificate

You are responsible for all permits if required. All material and labor must be under warranty for one (1) year from installation date for HVAC Contractors and (1) year from final inspection date for General Contractor services.

ECKAN Weatherization understands that all work is not identical. We will work with the winning bidders if the actual cost exceeds the bid. Please bid only in the counties that you are willing to work.

We will be holding a meeting from 9:00 a.m. July 29, 2025, for HVAC Contractors and 1:00 p.m. to 4:00p.m. for General Contractors, to answer any questions and/or discuss the procurement bidding process for new contractors wanting to bid to provide services for weatherization and discuss the changes being made in the program for any existing contractors who will be bidding for the 2025 cycle.

## **Meeting location**

204 S. Walnut St., Suite B  
Ottawa, KS 66067  
(Northwest door of the building)  
Please RSVP to Linda Wood at [lwood@eckan.org](mailto:lwood@eckan.org) by July 21, 2025

The deadline to submit bid proposals is 12:00 p.m. Friday, August 22, 2025. No late bid proposals will be accepted.

All bids must be submitted using one of the following methods (labeled – Weatherization Bid):

## **By mail to:**

ECKAN Weatherization  
PO Box 40  
Ottawa, KS 66067

## **Hand delivered to:**

ECKAN Weatherization  
204 S. Walnut St., Suite B  
Ottawa, KS 66067  
8:00 a.m. to 5:00 p.m. Monday through Friday

ECKAN Central Office  
1320 S. Ash St.  
Ottawa, KS 66067  
8:00 a.m. to 4:30 p.m. Monday through Friday

## State of Kansas

# Department of Transportation

## Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://www.bidx.com/ks/main>, until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

### Projects for the August 20, 2025 Letting

#### District One – Northeast

**Statewide:** 106 KA-7817-01 – Johnson, Wabaunsee, Douglas, Shawnee, Wyandotte and Lyon counties, mudjacking. (State Funds)

**Statewide:** 106 KA-7579-01 – Marshall County, sites in Summerfield and Beattie; and Dickinson County, sites in Hope, sidewalk improvements. (State Funds)

#### District Two – North Central

**Ellsworth:** 27 C-5249-01 – Project west of K-156, signing, 111.0 miles. (Federal Funds)

**McPherson:** 135-59 KA-7282-01 – I-135, northbound and southbound McPherson rest area/truck parking, lighting. (Federal Funds)

#### District Three – Northwest

**Ellis:** 26 C-5261-01 – Various paved major collectors, surfacing, 126.0 miles. (Federal Funds)

**Graham:** 24-33 KA-7744-01 – US-24, from the Graham/Sheridan County line east to the east city limits of Hill City, milling and overlay, 17.5 miles. (Federal Funds)

### **Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, real property located on the Wichita State University's campus designated as the "Innovation Campus" for the private development and operation of a partnership building or buildings. There are three separate building sites available for private development. Proposals may be submitted for one or more of the sites. Each site is approximately one to two and a half acres in area, and will be customized based on the proposal for the respective site. Site #1 is located east of Woolsey Hall. Site #2 is located on the northwest corner of 17th and Innovation Boulevard. Site #3 is located on the northwest corner of 17th and Oliver. The university intends to lease each site for a mutually agreeable period, not to exceed sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that may not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/ use of building improvement, and benefit to the university. The university is interested in proposals from any individual, organization or entity, for the development of a building or buildings to provide rental space available for occupants who are committed to advancing the university's mission and vision as an education, cultural, and economic driver for Kansas and the greater public good, and aligning with the university's research and applied learning goals. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu) or Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

#### Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. The Onyx Collection, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

The Onyx Collection Inc., PO Box 37, Belvue, Pottawatomie County, KS 66407, owns and operates a manufacturing facility for plastic plumbing fixtures located at 202 Broadway St., Belvue, Pottawatomie County, KS 66407.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Angela Bryson at the central office of KDHE at 785-296-3589, or Byron Dotson at the Northeast District Office at 785-842-4600. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Angela Bryson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 25, 2025.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Angela Bryson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 25, 2025, in order for the Secretary of Health and Environment to consider the request.

The United States Environmental Protection Agency (USEPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the USEPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the USEPA to review the permit. The 60-day public petition period will directly follow the USEPA 45-day review period.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, USEPA, Region 7, Air Permitting and Standards Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day USEPA review period ends and the 60-day petition period commences.

The preceding notice refers to the air permit for The Onyx Collection Inc. located at 202 Broadway St., Belvue, Pottawatomie County, KS 66407. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov). [El aviso anterior se refiere al permiso de aire para The Onyx Collection Inc. ubicado en 202 Broadway St., Belvue, Pottawatomie County, KS 66407. #### Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Ash Grove Cement Company has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds (VOC), particulate matter (PM), particulate matter with less than or equal to 10 microns in aerodynamic diameter (PM<sub>10</sub>), particulate matter with less than or equal to 2.5 microns in aerodynamic diameter (PM<sub>2.5</sub>), carbon monoxide (CO), oxides of nitrogen (NO<sub>x</sub>), oxides of sulfur (SO<sub>x</sub>), and hazardous air pollutants (HAPs) were evaluated during the permit review process.

Ash Grove Cement Company, 1801 N. Santa Fe, Chanute, KS 66720, owns and operates a Portland Cement manufacturing facility located at 1801 N. Santa Fe, Chanute, Neosho County, KS 66720, at which the rail loadout process is to be modified.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact William Stubbs at the central office of KDHE at 785-296-4174, or Ryan Jack at the Southeast District Office at 620-860-7235. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to William Stubbs, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 25, 2025.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to William Stubbs, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 25, 2025, in order for the Secretary of Health and Environment to consider the request.

The preceding notice refers to the air permit for Ash Grove Cement Company located at 1801 N. Santa Fe, Chanute, Neosho County, KS 66720. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov). [El aviso anterior se refiere al permiso de aire para Ash Grove Cement Company ubicado en 1801 N. Santa Fe, Chanute, Neosho County, KS 66720. ## Department of Health and Environment

### Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación al 785-296-5156 o en: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov).

Public Notice No. KS-AG-25-198/206

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
CJ Strahm, Inc. Faron and Jana Strahm 2663 S Rd. Sabetha, KS 66534	NE/4 of Section 25 & NW/4 of Section 24 T01S, R13E Nemaha County	Missouri River Basin
Kansas Permit No. A-MONM-S002		
The proposed action is to reissue an existing state permit for an existing facility for 145 head (58 animal units) of swine weighing more than 55 pounds, 500 head (50 animal units) of swine weighing 55 pounds or less, 250 head (250 animal units) of cattle weighing more than 700 pounds, and 150 head (75 animal units) of cattle weighing less than 700 pounds for a total of 433 animal units. There will be no change in the operation or permitted number of animal units from the previous permit.		
Name and Address of Applicant	Legal Description	Receiving Water
Deerfield Dairy, LLC 2401 Road X Deerfield, KS 67838	SE/4 of Section 05 T23S, R35W Kearny County	Upper Arkansas River Basin

Kansas Permit No. A-UAKE-D002  
Federal Permit No. KS0094641

The proposed action is to modify and reissue the existing State/NPDES permit for a facility for a proposed maximum capacity of 2,500 head (2,500 animal units) of cattle weighing more than 700 pounds, 2,500 head (1,250 animal units) of cattle weighing less than 700 pounds, and 4,500 head (6,300 animal units) of mature dairy cattle; for a total of 10,050 animal units. This represents an increase in the permitted animal units from the previous permit. This permit is also being modified to construct one (1) anaerobic digester, two (2) freestall barns, 13.0 acres of manure storage area, and the modification of two (2) existing settling basins. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Deines Farms, Inc. – North Site 3454 Timber Ramona, KS 67475	NW/4 of Section 06 T17S, R04E Marion County	Smoky Hill River Basin

Kansas Permit No. A-SHMN-B005

The proposed action is to issue a new state permit for a facility for 699 head (699 animal units) of cattle weighing greater than 700 pounds. The facility will consist of approximately 11.7 acres of total drainage area. This will include 4.7 acres of open lot pens, a feed road, gravel turnaround lots, receiving/working pens, and a 4.7-acre waste management system consisting of two (2) grass buffers. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water

Federal Permit No. KS0025500

Legal Description: N½, SW¼, SE¼, Section 1, Township 1S, Range 9E, Marshall County

Location: [39.98933](#), [-96.35851](#)

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a two-cell wastewater stabilization lagoon system with a minimum of 150 days detention time. The facility receives domestic wastewater from residential and commercial areas. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, Ammonia, and E. coli. The permit contains monitoring for pH, Total Phosphorus, Arsenic, and Lead.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Monarch Cement – Humboldt PO Box 1000 Humboldt, KS 66748	Neosho River via Coal Creek Impoundment via Unnamed Tributary	Process Wastewater
Permit No. I-NE36-PO01 Federal Permit No. KS0000701		
Legal Description: Marshall County		
Location: <a href="#">37.79740, -95.43166</a>		

This action consists of modification and reissuance of an existing NPDES/Kansas Water Pollution Control Permit for an existing facility. The modification consists of including surface water intake provisions, treatment for zebra mussel control, and the addition of one new non-washing, quarry discharge outfall on a tributary of Coal Creek. This facility manufactures Portland cement by heating a stoichiometric mixture of pulverized limestone. This permit also includes requirements for the limestone and shale quarries that are contiguous to the facility. Domestic sanitary wastewater and service shop wastewater is connected to the City of Humboldt wastewater collection and treatment system. This permit contains limits for Temperature, pH, Cooper, Mussel, TSS. The permit contains monitoring for TSS, and Temperature. This Facility has a schedule of compliance to determine applicability of part 316(b) regulations.

**Notice of Intent to Terminate**

Pursuant to the requirements of K.A.R. 28-16-60 and K.A.R. 28-16-62, the Kansas Department of Health and Environment (KDHE) hereby provides notice of intent to terminate the following KDHE-issued permits.

Proposed Action: The Kansas Department of Health and Environment (KDHE) issued Authorizations for stormwater discharges the General Permit for the above-named facilities/projects. K.S.A. 65-166a requires the Secretary of KDHE to assess appropriate annual fees for Authorizations/Permits issued by the Department and provides that failure to pay the annual fee shall be cause for revocation/termination of the Authorization/ Permit. The authorized entities named above have failed to comply with the requirement to pay the annual fee. Further, according to K.A.R. 28-16-62(f)-(g), the director has discretion to initiate termination of a permit. Therefore, pursuant to K.S.A. 65-166a, K.A.R. 28-16-60 and K.A.R. 28-16-62, KDHE is hereby providing notice of intent to terminate the Authorizations associated with the projects named herein. The entity may re-instate the Authorization by paying the appropriate annual fees. If you have any questions regarding the termination of your permit, please contact the Stormwater Coordinator.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit

# Kansas Register

---

Volume 44 - Issue 30 - July 24, 2025

[Table of Contents](#)

their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before August 23, 2025, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-25-198/206, KS-Q-25-130/132) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Jada Martin at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov). Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, Kansas 66612-1367; por correo electrónico: [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov); por teléfono: 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Jamie Packard, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-4148 or email at [Jamie.Packard@ks.gov](mailto:Jamie.Packard@ks.gov). These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. The Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

## State of Kansas

# Department of Health and Environment

## Notice of Hearing

The Kansas Department of Health and Environment (KDHE) has prepared a revised draft Total Maximum Daily Load (TMDL) for Cow Creek in the Lower Arkansas River Basin. This revised draft addresses EPA comments by including the assignment of wasteload allocation for two facilities. This river is impaired for total phosphorus and does not meet state surface water quality standards.

The total phosphorus TMDL presented for public review is:

### Lower Arkansas River Basin

- Cow Sub-basin (Hydrologic Unit Code--11030011):
  - Cow Creek (with the following tributaries):
    - Little Cheyenne Creek
    - Plum Creek
    - Lost Creek
    - Spring Creek
    - Little Cow Creek
    - Owl Creek
    - Jarvis Creek
    - Dry Creek
    - Salt Creek

Draft copies of this TMDL can be obtained for review by contacting the Policy Planning and Standards Unit at 785-296-0491 or by accessing them online through the

KDHE TMDL website at <http://www.kdhe.ks.gov/1443/>. A public hearing to take testimony from interested parties will be held virtually:

Date: August 6, 2025

Time: 11:00 a.m. to 12:00 pm

The first portion of the hearing will be a briefing outlining the TMDL, and the second portion of the hearing will be open for public comment. The public comment period for these TMDLs will be held open from July 24, 2025 through August 25, 2025. After reviewing the testimony and public comments, KDHE will make appropriate revisions to the TMDLs and submit them to Region 7 of the U.S. Environmental Protection Agency.

Any individual with a disability may request accommodation in order to participate in the public hearing process and may request the proposed TMDLs in an accessible format. Requests for accommodation to participate in the hearing process should be made at least five working days in advance of the hearing by contacting KDHE. Requests, questions, or written comments should be directed to Ryan Brice at: 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367; by email at [Ryan.Brice@ks.gov](mailto:Ryan.Brice@ks.gov); or by telephone at 785-296-0491.

## Aviso de audiencia

El Departamento de Salud y Medio Ambiente de Kansas (KDHE, por sus siglas en inglés) ha preparado un borrador revisado de la Carga Diaria Máxima Total (TMDL) para Cow Creek en la cuenca inferior del Río Arkansas. Este borrador revisado atiende los comentarios de la EPA al incluir la asignación de carga contaminante permitida para dos instalaciones. Este río tiene niveles de contaminación de fósforo total y no cumple los estándares estatales de calidad de aguas superficiales.

La Carga Diaria Máxima Total de fósforo total presentada para revisión pública corresponde a:

### Cuenca inferior del Río Arkansas

- Subcuenca Cow (Código de Unidad Hidrológica-11030011):
  - Cow Creek (con los siguientes arroyos afluentes):
    - Little Cheyenne Creek
    - Plum Creek
    - Lost Creek
    - Spring Creek
    - Little Cow Creek
    - Owl Creek
    - Jarvis Creek
    - Dry Creek
    - Salt Creek

Se pueden obtener copias del proyecto de esta TMDL para su revisión comunicándose con la Unidad de Planificación de Políticas y Estándares (Policy Planning and Standards Unit) al 785-296-0491 o a través de la sección de TMDL del sitio web del KDHE disponible en <http://www.kdhe.ks.gov/1443/>. Se realizará una audiencia pública para recibir testimonio de las partes interesadas de manera virtual:

Fecha: 6 de agosto de 2025.

Hora: de 11:00 a.m. a 12 del mediodía

La primera parte de la audiencia será una sesión informativa que describirá la TMDL, y la segunda parte de la audiencia estará abierta a comentarios públicos. El

período de comentarios públicos para estas TMDL estará abierto desde el 24 de julio de 2025 hasta el 25 de agosto de 2025. Después de revisar el testimonio y los comentarios públicos, el KDHE realizará las revisiones apropiadas a las TMDL y las enviará a la Región 7 de la Agencia de Protección Ambiental de EE. UU. (EPA).

Cualquier persona con una discapacidad puede solicitar adaptaciones para participar en el proceso de audiencia pública y puede solicitar las TMDL propuestas en un

formato accesible. Las solicitudes de adaptaciones para participar en el proceso de audiencia deben realizarse al menos cinco días hábiles antes de la audiencia comunicándose con el KDHE. Las solicitudes, preguntas o comentarios escritos deben dirigirse a Ryan Brice a: 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367; por correo electrónico a [Ryan.Brice@ks.gov](mailto:Ryan.Brice@ks.gov); o por teléfono al 785-296-0491.

## Cimarron Valley Railroad

### Request for Proposals

Interested parties are invited to submit a proposal to complete the scope below for the proposed Cimarron Valley Railroad (CVR) track rehabilitation project near Satanta, Kansas.

#### Scope of Work

CVR track rehabilitation project from Satanta, Kansas to Hugoton, Kansas. Provide all necessary labor, equipment and logistical services to provide labor cost to complete all rehab and track construction work, ties, ballast, etc.

The scope is further described as follows:

- Demolition of old 90# rail (42,240 track feet); install 112# (42,240 feet) rail and needed OTM – plates, spikes, anchors, bolt/washer/nut assemblies, and comp bars.
- Any pre-existing rail, ties, or OTM that is removed when installing switch components, must be removed and disposed of according to all local, state, and federal regulations.
- Additional details concerning the scope of work needing to be done with each portion of the project will be addressed at the pre-bid meeting.

#### Minimum Requirements

##### MSA and Roadway Worker Protection

Contractors must complete, and have on file, a current Master Services Agreement with CVR Railroad. Prior to submitting a proposal:

1. Contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
2. Contractor, contractor employees, agents and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.
3. Any subcontracted work will need to be approved by the CVR Railroad prior to any work starting.

##### Work Windows

Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with the railroad. Contractor can anticipate a minimum work window of eight (8) hours with no more than one schedule of interruption in that time frame, between the hours of 07:00 and 17:00. For work windows extending more than 8 hours, a minimum of 72 hours of notification is required to the railroad to arrange this window. Work windows may be arranged 7 days a week, if desired.

Current railroad operations consist of at least one train per day through the work area. This train operates in the evening hours; however, this schedule is subject to change at any time. This topic will be further discussed and clarified during the pre-proposal meeting.

##### Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval by CVR. All rails shall be replaced at standard gauge of 56-1/2".

# Kansas Register

---

Volume 44 - Issue 30 - July 24, 2025

[Table of Contents](#)

## Submittals

The following documents shall be submitted by the contractor as part of the project, at the times listed:

1. Schedule of Work – Submitted with proposal
2. Certificate of Insurance – Submitted prior to construction
3. Safety Plan – Submitted prior to construction
4. Proof of Roadway Worker Training – Submitted prior to construction
5. Rail Testing (if AREMA #1 Relay Rail is used) – Submitted prior to construction
6. All contractors must recognize this is a state contract
7. Rail Weld UT Test Requirements (all rail comp welds) – Submitted with billing

## Other Responsibilities

1. Permits – Contractor is responsible for all federal, state, and local permits required for the work.
2. Utilities – Contractor is responsible to locate and protect site utilities.
3. Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state and federal laws.

## Insurance

Contractor shall purchase the required coverage and submit for verification a Certificate of Insurance.

## Materials

All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on the railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track, at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of the railroad, to be stockpiled as directed by a railroad representative.

## **Non-Project Areas**

CVR has secured access to the project through the railroad right of way. Other access may be obtained by the contractor if they choose. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occur.

## **Pre-Proposal Meeting**

CVR shall hold a pre-proposal meeting on the project site at 1:00 pm. (Central Time) August 6, 2025. The meeting shall be held at the CVR office in Satanta, Kansas. Contractors are required to be present at this meeting to submit a proposal or their proposal can be rejected.

## **Project Completion**

All work pertaining to this project shall be completed by December 31, 2025. Failure to complete work by December 31, 2025, may result in the contractor's removal from the property or charges of \$2500/day until completed to satisfaction.

## **Submission of a Proposal**

All proposals must be submitted no later than August 22, 2025. All submitted proposals shall be reviewed by CVR. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. Contractors who wish to submit a proposal must attend the pre-proposal meeting. The structure of your proposal must be able to be clearly understood, all proposals shall provide the following line items and provide costs as required below:

1. Provide a total sum of all line items on the proposal

# Kansas Register

---

Volume 44 - Issue 30 - July 24, 2025

[Table of Contents](#)

2. Mobilization and demobilization – Lump sum
3. Install 42,240 track feet of #115 RE rail or larger

## Work Reporting

Daily work reports must be filled out and submitted to Arturo Andrade, CVR Roadmaster, at [aandrade@jag-transport.com](mailto:aandrade@jag-transport.com), phone 830-465-7285 and Kenton Esbenshade, VP Engineering, at [kesbenshade@jag-transport.com](mailto:kesbenshade@jag-transport.com), phone 971-719-0467.

Weekly Reports should include updates to project schedules, any delays, or any change in the scope of work. A detailed summary report must be submitted at completion of the project. Daily reporting shall consist of daily progress reports simultaneously emailed to Arturo Andrade and Kenton Esbenshade.

For further information or questions regarding the request for proposals, or submitting a proposal, it needs to be simultaneously emailed to Arturo Andrade and Kenton Esbenshade, or contacted by phone.

### Summary Notice of Bond Sale

**\$16,395,000\***

### General Obligation Bonds, Series 2025-A

#### (General Obligation Bonds Payable from Unlimited Ad Valorem Taxes)

**Bids**

Subject to the Notice of Bond Sale dated July 7, 2025 (the “Notice”), facsimile and electronic bids will be received on behalf of the Director of Finance of the City of Dodge City, Kansas (the “Issuer”) in the case of facsimile bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 10:00 a.m. (Central Time) August 4, 2025, for the purchase of the above-referenced bonds (the “Bonds”). No bid of less than 100% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

**Bond Details**

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated August 28, 2025, and will become due on September 1 in the years as follows:

Year	Principal Amount*
2026	\$485,000
2027	520,000
2028	550,000
2029	580,000
2030	610,000
2031	630,000
2032	660,000
2033	695,000
2034	740,000
2035	770,000
2036	810,000
2037	845,000
2038	885,000
2039	935,000
2040	985,000
2041	1,030,000
2042	1,080,000
2043	1,135,000
2044	1,195,000
2045	1,255,000

\* Subject to change, see the Notice.

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 2026.

## **Book-Entry-Only System**

The Bonds shall be registered under a book-entry-only system administered through DTC.

## **Paying Agent and Bond Registrar**

Treasurer of the State of Kansas, Topeka, Kansas.

## **Good Faith Deposit**

Each bid shall be accompanied (in the manner set forth in the Notice) by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$327,900.

## **Delivery**

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about August 28, 2025, to DTC for the account of the successful bidder.

## **Assessed Valuation and Indebtedness**

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2024 is \$240,594,080. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$88,145,000; such amount includes the Issuer's general obligation temporary notes in the principal amount of \$1,500,000, also dated as of the Dated Date, which will be issued on the Closing Date.

## **Approval of Bonds**

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds and delivered to the successful bidder as and when the Bonds are delivered.

## **Additional Information**

Additional information regarding the Bonds may be obtained from the undersigned, or from the Municipal Advisor at the addresses set forth below.
