State of Kansas

OFFICE OF THE ATTORNEY GENERAL

OPINION NO. 82-15

Counties and County Officers—Ambulance Service—City Ambulance Service within the County. Sterling Waggener, State Representative, Topeka, January 26, 1982.

A county resolution which requires an ambulance service to have at least four operational ambulances to operate within the county is valid insofar as it establishes minimum operational standards within the county in compliance with K.S.A. 1980 Supp. 19-262. However, such a standard may not be imposed upon a city which provides ambulance service within the city limits. Cited herein: K.S.A. 1980 Supp. 19-261, 19-262, K.S.A. 19-263, 65-4301, 65-4318, 65-4323, Art. 12, Sec. 5, Kansas Constitution. BLH.

OPINION NO. 82-16

State Departments; Public Officers, Employees—Public Officers and Employees—Written Memoranda. Marci Francisco, Mayor, Lawrence, January 26, 1982.

The Kansas Open Meetings Act does not prohibit the use of written memoranda between members of a public body subject to the Act. However, use of written documents at an otherwise public meeting which effectively deny the public access to the decision-making process may constitute a violation of the Kansas Open Meetings Act. Cited herein: K.S.A. 1980 Supp. 45-201, K.S.A. 75-4317, 75-4317a, L. 1981, ch. 344. BJS.

OPINION NO. 82-17

Cities and Municipalities—Home Rule Powers—Charter Ordinances. August Bogina, Jr., State Senator, Lenexa, January 28, 1982.

The provisions of the transient guest tax act, K.S.A. 1980 Supp. 12-1696 *et seq.*, are non-uniform in application to cities and hence are subject to charter ordinance pursuant to Article 12, Section 5 of the Kansas Constitution. However, after having exempted itself from the provisions of a non-uniform state statute, a city may not impose administrative duties upon a state agency. Cited herein: K.S.A. 1980 Supp. 12-1696, 12-1697, 12-1699, 12-16,101; Kan. Const., Art. 12, § 5. TRH

The Bonds will bear interest from the date thereof at rates to be determined when said Bonds are sold as hereinafter provided, and said interest will be payable semiannually on September 1, and March 1 in each year, beginning on September 1, 1982. Both principal of and interest on said Bonds will be payable in lawful money of the United States of America at the office of the State Treasurer of Kansas in the City of Topeka, Kansas.

Proposals will be received on Bonds bearing such rates of interest as may be specified by the bidders, subject to the following conditions: Not more than five different interest rates shall be specified and the same rate shall apply to all Bonds of the same maturity. The repetition of an interest rate shall not constitute one of said five rates. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. No interest rate shall exceed 12% per annum, and the difference between the highest rate specified and the lowest rate specified shall not exceed 2%. No bid of less than 100% of the principal amount of the Bonds plus accrued interest thereon to date of delivery will be considered. No bid providing for supplemental interest coupons will be considered.

The Series 1982-A Bonds hereinbefore described have been duly authorized pursuant to K.S.A. 12-614 *et seq.* and proceedings duly held by the City for the general statutory purposes of providing funds for the purpose of retiring temporary notes the funds of which were used for the purpose of financing certain street improvements.

The Bonds will constitute general obligations of the

City, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City.

Each bid shall specify the total interest cost to the City during the life of the Bond issue on the basis of such bid, the premium, if any, offered by the bidder, the net interest cost to the City on the basis of such bid and the average annual net interest rate to the City on the basis of such bid. The award of the Bonds will be made on the basis of the lowest net interest cost to the City, which shall be determined by subtracting the amount of the premium, if any, from the total interest to the City and shall be stated as a dollar amount in the bid. The City shall be entitled to rely upon such dollar amount as stated in the bid as the basis for determining the lowest net interest cost bid. If there is any discrepancy between said net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the coupon rates specified in the bid shall be adjusted accordingly.

The City will pay for printing and registering the Bonds and will deliver the same properly executed and registered to the successful bidder within 45 days from the date of sale at such bank or trust company located in the State of Kansas or in the State of Missouri designated by the successful bidder or elsewhere at the expense of the successful bidder. Payment for the Bonds shall be made in Federal Funds or other Funds which shall be available to the City on the same day as delivery of the bonds. The Bonds will be sold subject to the legal opinion of Nichols and Wolfe—Chartered, Bond Counsel, of Topeka, Kansas, which will be furnished and paid for by the City. The successful bidder will be furnished with a certified transcript evidencing the authorization and issuance of Bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of the delivery of the Bonds affecting their validity.

At the request of the successful bidder, CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the successful bid and this Notice of Bond Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the City. The CUSIP Service Bureau's charge for assignment of said numbers will be paid for by the successful purchaser.

In the event a bidder whose bid is accepted shall fail to carry out its contract of purchase, the amount of said deposit shall be retained by the City as liquidated damages. No interest

(continued)

will be paid on the deposit made by the successful bidder.

All bids shall be subject to the terms and conditions contained in this Notice of Bond Sale, and must be made on the forms which may be obtained from the City Clerk. No additions or alterations shall be made to such forms and any erasures may cause rejection of any bid. The right is reserved to waive irregularities and reject any and all bids.

All bids will be opened and read by the City Clerk at the time and place as aforesaid. At a meeting to be held at 7:30 P.M., C.S.T. on February 15, 1982, the City Council will act on the bids received.
