DEPARTMENT OF CORRECTIONS**NOTICE OF PROPOSAL TO ADOPT
TEMPORARY REGULATIONS BY THE
SECRETARY OF CORRECTIONS**

Notice is hereby given that the Secretary of Corrections proposes certain regulations be adopted as temporary regulations. These relate primarily to inmate discipline and most are amendments to current regulations. A copy of the complete proposed regulations and the fiscal impact statement may be obtained by contacting Kansas Department of Corrections, Kansas Register Liaison Officer, 535 Kansas Avenue, Suite 200, Topeka, Kansas 66603.

A public hearing will be held from 9:00 to 10:00 A.M. on Tuesday, July 6, 1982, in the Conference Room of the Department of Corrections, Third Floor, 535 Kansas Avenue, Topeka, Kansas 66603.

Interested parties may express their views at the hearing in writing and may also make oral presentations with the substance of the presentation submitted in writing.

A summary of the substance of the regulations is as follows:

44-12-304. Simplifies disobeying orders making it always a class I offense but requires documented reporting.

44-12-1101. Broadens those covered by a conspiracy to any person not merely other inmates.

44-12-1301. Increases the fine and adds reprimand to the possible class I penalties.

44-12-1302. Increases the fine and adds reprimand to the possible class II penalties.

44-12-1303. Increases the fine and adds reprimand to the possible class III penalties.

44-12-1304. Adds a fine of \$5.00 and reprimand to possible class IV penalties.

44-13-101. Requires the appointment of a disciplinary administrator in each facility to manage inmate disciplinary procedure; eliminates direct instant reports; lists rights of inmates; mandates notice of felonies to county prosecutor; allows by-pass of stage A of final hearing in guilty pleas; allows hearing officer to hear both stages of final hearing in guilty pleas or no contest pleas; defines the disciplinary log.

44-13-102. Eliminates direct instant report regulation.

44-13-105. Requires disciplinary administrator be appointed in each facility and sets out list of duties. (All new regulation.)

44-13-201. Prohibits the writing officer from serving notice of disciplinary charge on inmate unless absolutely necessary to help avoid confrontation in the cellhouse. Allows service at the first hearing in certain circumstances; requires justification and a written explanation to the writing officer if supervisor dismisses or rejects disciplinary report; allows warning or reprimand by officer in lieu of writing report in Class II, III and IV cases.

44-13-301. Allows a three member board at honor camps and work release centers. Allows hearing officer to conduct the entire final hearing, both stages, in guilty or no contest pleas.

44-13-302. Clarifies the make up and qualification of the board and hearing officer.

44-13-303. Allows a one man board for class IV.

44-13-304. Clarifies the use and purpose of the disciplinary representative as one to present the case on behalf of the facility to assist the officer.

44-13-402. Allows continuance of hearing for transferee return from Kansas Reception and Diagnostic Center, court, or mental hospital.

44-13-403. Shortens deadline for first hearing from 6 days to 4 days; allows dismissal with explanation by hearing officer at first hearing.

44-13-404. Reduces requirement that officer be present at all hearings and allows limited substitution of written sworn statements in some cases and sets requirements for those statements.

44-13-405. Allows limits on presentation of witnesses by inmates for good cause and with written explanation; allows hearing without inmate present if inmate disrupts or refuses to attend; restricts hearing officer decision to the evidence; allows limitation of confrontation and cross examination in certain cases with cause and written explanation.

44-13-406. Requires that the charging officer be notified promptly of the disposition in a disciplinary case.

44-13-407. Requires directors review in class IV cases.

44-13-408. Substantially limits and restricts right to legal counsel for inmates at disciplinary hearing; clarifies when counsel is to be considered not available; requires legal counsel for officers at disciplinary hearings in certain limited circumstances.

44-13-601. Requires service of disciplinary penalty begin immediately after hearing rather than after appeal is finished.

44-13-602. Adds "time awaiting investigation" to period credited to disciplinary penalty to clarify this matter.

44-13-702. Clarifies counting of time for review on appeal by secretary of corrections.

44-13-704. Clarifies counting of time for review by director.

44-13-707. Adds a "harmless error" and "plain error" provision thus reducing dismissals for technicalities and help avoid unfairness. (All new regulation.)

44-14-302. Requires review of inmates status in administrative segregation in cases where inmate is held pending investigation, or pending hearing.

44-14-310. Eliminates the hearing before administrative segregation but requires instead a review of the placement and optional interview of the inmate.

The fiscal impact of these regulations is nothing or nil.

This concludes the notice of public hearing, summary of substance, and fiscal impact for the proposed temporary regulations, which are being submitted as temporary because of a need to alienate conditions tending to produce tension, unrest, and possibly dangerous disruption at certain correctional institutions, and to comply with legislative directives expressed during the 1982 legislative session.

Both the principal and interest on the Bonds will be payable to bearer at the Office of the State Treasurer in the City of Topeka, Kansas.

It is anticipated that CUSIP identification numbers will be printed on the Bonds; but neither the failure to print such numbers on any Bond or any error with respect thereto shall constitute cause for a failure by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of its Contract and this Notice of Bond Sale. All expenses in connection with the printing of CUSIP numbers on the Bonds shall be paid for by the County.

Proposals will be received on the Bonds bearing such rate or rates of interest, not exceeding five (5) different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be in an even multiple of one-eighth ($\frac{1}{8}$ th) or one-twentieth ($\frac{1}{20}$ th) of One percent (1%). All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct; and the County will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to Two percent (2%) of the total amount of the bid, and shall be payable to TREASURER, COUNTY OF BUTLER, STATE OF KANSAS. In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the County as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The Bonds, duly printed, executed and registered, will be furnished and paid for by the County; and the Bonds will be sold subject to the unqualified approving opinion of GAAR & BELL, Bond Counsel, of Wichita, Kansas, whose opinion will be paid for by the County. The purchaser will be furnished with a complete Transcript of Proceedings evidencing the authorization and issuance of the Bonds; and the usual closing proofs, which will include a Certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. Delivery of the Bonds will be made to the successful bidder on or before JULY 30, 1982, at any bank in the STATE OF KANSAS or KANSAS CITY, MISSOURI, at the expense of the County. Delivery elsewhere will be made at the expense of the purchaser.

The Bonds will constitute general obligations of the County, payable as to both principal and interest from the collection of special assessments which have been levied on benefited property; but if not so paid, then said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the County. The proceeds of the Bonds will be used for the purpose of paying the costs of sewer improvements to a portion

(continued)

of the County designated as Butler County Sewer District No. 16.

The sealed bids for the Bonds shall be opened publicly and only at the time and place specified in this Notice; and the Bonds will be sold to the best bidder. The County reserves the right to reject any and/or all of the bids, and to waive any irregularities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the County; and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities.

The Equalized Assessed Valuation of Taxable Tangible Property for the County of Butler, State of Kansas, for the year 1981 is \$203,804.00.
