COMMISSIONER OF INSURANCE**NOTICE OF HEARING ON
PROPOSED TEMPORARY REGULATIONS**

A public hearing will be held on Monday, August 2, 1982 at 10:00 a.m. in the Kansas Insurance Department, 420 S.W. 9th Street, Topeka, Kansas to consider the adoption of proposed temporary regulations of the Insurance Department.

All interested parties may submit written comments at any time prior to the hearing by addressing them to the Commissioner of Insurance, 420 S.W. 9th Street, Topeka, Kansas 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

Copies of the full text of the regulations and the fiscal impact statement may be obtained by writing to the Commissioner of Insurance, 420 S.W. 9th Street, Topeka, Kansas 66612. The following is a summary of the regulations:

K.A.R. 40-8-2: Amendments to this regulation eliminate a duplication of the prohibition contained in House Bill No. 2789 (1982) relative to the placement of risks with non-admitted insurers based on rate alone. Other changes in the regulation are editorial in nature for purposes of clarity and simplification.

K.A.R. 40-8-7: Amendments to this regulation are necessary to properly implement the change in the excess lines gross premium tax. Specifically, it provides for the application of the 2% tax rate in effect prior to July 1 to excess lines business placed between December 31, 1981 and July 1, 1982. The 4% tax rate included in House Bill No. 2789 (1982) will be applied only to risks placed or premium received on and after July 1, 1982.

K.A.R. 40-8-8: Amendments to this regulation are necessary to accommodate the new notice requirements contained in House Bill No. 2789 (1982).

K.A.R. 40-8-11: Amendments to this regulation require the retention of evidence that persons insured by a non-admitted company were provided the information and consented to being placed with a non-admitted company in accordance with House Bill No. 2789 (1982).

Sealed bids will be received by the Board of County Commissioners of Johnson County, Kansas (the "County"), in the Commissioners' Hearing Room, Johnson County Courthouse, Kansas Avenue and Santa Fe Street, Olathe, Kansas 66061, until 10:30 o'clock A.M., C.D.T., on

Thursday, July 29, 1982

at which time said bids will be publicly opened for the purchase of seven issues of Sewer Bonds, Series 1982A, of the County, aggregating the principal amount of \$6,003,000 (the "Bonds").

All of the Bonds will be negotiable coupon bonds dated August 1, 1982, and will be in the denomination of \$1,000 or \$5,000 each. The Bonds will mature in the principal amounts on September 1 in each year as follows:

<i>Year</i>	<i>Principal Amount</i>	<i>Year</i>	<i>Principal Amount</i>
1983	\$297,000	1993	\$301,000
1984	297,000	1994	301,000
1985	297,000	1995	301,000
1986	301,000	1996	306,000
1987	301,000	1997	306,000
1988	301,000	1998	306,000
1989	301,000	1999	296,000
1990	301,000	2000	296,000
1991	301,000	2001	296,000
1992	301,000	2002	296,000

Interest on the Bonds will be payable semiannually on March 1 and September 1 in each year commencing March 1, 1983. Both principal of and interest on the Bonds will be payable in lawful money of the United States of America at the Office of the State Treasurer in the City of Topeka, Kansas, or, subject to the County's approval of the paying agency charges, at a Kansas bank having trust powers as defined by statute. The purchaser may also request designation, subject to the same County approval, of any bank having trust powers as defined by statute and located in a federal reserve city as a co-paying agent with the Kansas bank so designated.

The Bonds maturing in the year 1998 and thereafter may, at the option of the County, be called for redemption and payment prior to maturity as a whole or in part in inverse numerical order on September 1, 1997, or on any interest payment date thereafter at the principal amount of the Bonds so called for redemption, together with accrued interest thereon to date of redemption.

All of the Bonds will constitute general obligations of Johnson County, Kansas payable as to both principal and interest from special assessments or ad valorem taxes levied against property benefited in the County

and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property within the County.

Bids will be received on the aggregate amount of Bonds bearing such rate or rates of interest as may be specified by the bidders subject to the following conditions: The same rate shall apply to all Bonds maturing in the same year. Not more than five different rates shall be specified, the repetition of a rate not being considered a different rate. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. No rate shall exceed the 20 Bond Index of tax exempt municipal bonds published by the weekly Bond Buyer, in New York, New York on July 26, 1982, plus 2%. The difference between the highest rate specified and the lowest rate specified in any bid shall not exceed 2%. No bid providing for supplemental coupons will be considered.

No bid of less than the aggregate principal amount of the Bonds plus accrued interest thereon to the date of their delivery will be considered. Each bid shall specify the total interest cost to the County during the life of the Bonds on the basis of such bid, the premium, if any, offered by the bidder, the net interest cost to the County on the basis of such bid, and the average annual net interest rate on the basis of such bid. The best interest cost shall be determined by subtracting the amount of the premium, if any, from the total interest cost. The County shall be entitled to rely on the stated net interest cost in awarding the Bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate, the specified net interest cost shall govern and the coupon rates specified in the bid shall be adjusted accordingly.

The Bonds are being issued pursuant to the authority of K.S.A. 19-27,169 and K.S.A. 19-2704a to 19-2715a, inclusive, and all acts amendatory thereof and supplemental thereto, for the purpose of providing funds to pay the cost of sewer improvements in certain sewer districts in the County.

The County will pay for printing and registering the Bonds and will deliver the same properly executed and registered to the successful bidder on or before September 3, 1982, at such bank or trust company located in the United States as may be specified by the successful bidder. The Bonds will be sold subject to the final approving opinion of Gaar & Bell, Overland Park, Kansas, Bond Counsel, which will be furnished and paid for by the County and will be printed on the Bonds. The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity.

At the request of the successful bidder, CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any of the Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and pay for the Bonds in accordance with the terms of its bid and this

(continued)

Notice of Bond Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the County.

Payment for the Bonds shall be made in Federal Reserve or equivalent funds, to be immediately available on the day of delivery of the Bonds to the successful bidder.

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check in the amount of \$120,060 made payable to the order of the Treasurer of Johnson County, Kansas. Such check will be held by the County pending payment for and delivery of the Bonds to the successful bidder. In the event a bidder whose bid is accepted shall fail to carry out its contract of purchase, the amount of said deposit shall be retained by the County as liquidated damages. No interest will be paid on the deposit made by the successful bidder.

All bids must be submitted on forms which may be obtained from the undersigned. No additions or alterations in such forms shall be made, and any erasures may cause rejection of any bid. The County reserves the right to waive irregularities and to reject any or all bids.

Mailed bids should be addressed to the undersigned County Clerk and marked "Bid for Purchase of Bonds." Bids also may be delivered to said officer at said address at or immediately prior to 10:30 o'clock A.M., C.D.T. on July 29, 1982.
