ADMINISTRATIVE REGULATION**

The State of Kansas to all Licensed Dentists and Dental Hygienists of the State of Kansas, and all other persons who are or may be concerned:

You are hereby notified that pursuant to K.S.A. 77-421, as amended, a public hearing will be held at the business offices of the Board of Dental Examiners of the State of Kansas, 4301 Huntoon, Topeka, Kansas, on the 13th day of November, 1982, commencing at 1:00 o'clock P.M.

At this hearing, the Dental Board shall grant to all licensed dentists, dental hygienists, any and all other interested parties, a reasonable opportunity to present their views and arguments concerning a proposed amendment to Regulation 71-1-3, which is to be considered by the Board at the public hearing. All interested parties will be given the opportunity to present oral or written testimony in presenting their views and arguments in favor of or in opposition to the proposed permanent rules and regulations summarized above.

SECRETARY OF STATE**KANSAS PUBLIC
DISCLOSURE COMMISSION****Advisory Opinion No. 82-21**

Written October 20, 1982 to whom it may concern.

This Kansas Public Disclosure Commission takes this opportunity pursuant to K.S.A. 25-4159 to review Opinion No. 78-8 issued by the Kansas Governmental Ethics Commission on March 15, 1978.

In that opinion, the Commission held that a National Committee of a political party which anticipates making contributions attributable to Kansas candidates for State office must register as a party committee under the Campaign Finance Act and report as a party committee.

It is our opinion that Opinion No. 78-8 must be modified. Specifically, K.S.A. 25-4172 provides an alternative means of reporting by out-of-state entities. Opinion No. 78-8 is therefore modified to permit the National Committees of political parties to avail themselves of the reporting alternatives contained in K.S.A. 25-4172. As modified, Opinion No. 78-8 is otherwise reaffirmed.

Advisory Opinion No. 82-22

Written October 20, 1982 to Allyn O. Lockner, Director of the Kansas Water Office, The New England Bldg., Suite 303, 503 Kansas Avenue, Topeka, Kansas, 66603.

This opinion is in response to your letter of September 20, 1982, in which you request an opinion from the Kansas Public Disclosure Commission concerning a memorandum issued by the Commission concerning solicitation by State officers and employees. That memorandum read as follows:

It has come to the Commission's attention that it is a not uncommon practice for State officers and employees to solicit funds from registered lobbyists and other special interest groups to finance meetings, seminars, conventions, and other events which relate either directly or indirectly to the conduct of State business. As a general rule, any solicitations by State officers and employees of lobbyists or special interest groups are unlawful under K.S.A. 46-236.

If you are aware of any such solicitations, please have them stopped. If you have any questions concerning the limited exceptions to this rule, please contact our office for guidance.

You advise us that you request this opinion in your capacity as the Director of the Kansas Water Office. You state that in connection with the implementation of laws assigned to it by the Legislature, the Kansas Water Office periodically holds informal meetings or formal hearings which the general public and/or interest groups attend. Governmental officials and agencies and private individuals and organizations often offer their facilities for the meetings or hearings at no charge to the Kansas Water Office. Also, you state the Kansas Water Office sometimes asks these persons and entities if they would make their facilities available for these meetings and hearings. These facilities are usually at convenient locations and are not an expense to the

Kansas Water Office. These persons or entities are often affected, directly or indirectly, by the outcome of the meetings or hearings.

You ask whether the arrangements for meeting places contravene our memorandum and the underlying law, K.S.A. 46-236.

The purpose of our memorandum was to avoid certain overreaching by State officers and employees which on occasion has put lobbyists and other special interest associations in the uncomfortable position of paying for certain expenses or being fearful of not staying in the good graces of the State officer or employee making the request. As a general rule, the situations you have described do not fall within that purpose.

More specifically, we have no difficulties with State officers or employees soliciting space for meetings in local public buildings or community centers. In addition, we believe it to be acceptable to solicit space for public meetings from banks or other commercial entities when no public building is conveniently available for a meeting and the entity does not incur any significant expense for the provision of the space. Finally, we believe it to be acceptable to request meeting space for informal meetings from the entity concerned therewith so long as the entity does not incur any significant expense for the provision of the space. Under any circumstance, if the person or entity to whom the request is made exhibits any reservations about the use of space, the request should be immediately withdrawn.

By Direction of the Commission

The difference between the highest and lowest coupon rates specified in any bid shall not exceed one per cent (1%). No interest rate shall exceed the maximum interest rate allowed by Kansas Law; said amount to be the 20 Bond Index of tax exempt municipal bonds published in the Weekly Bond Buyer in New York, New York on the Monday next preceding the day on which the bonds are sold (NOVEMBER 8, 1982), plus two per cent (2%) and no bid of less than par and accrued interest will be considered. All bids must state the total interest cost of the bid, the premium bid, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct; and the School District will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check in the amount of \$158,400.00, which shall be payable to UNIFIED SCHOOL DISTRICT NO. 308, RENO COUNTY, STATE OF KANSAS. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the School District as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The Bonds, duly printed, executed and registered, will be furnished and paid for by the School District; and the Bonds will be sold subject to the unqualified approving opinion of GAAR & BELL, Bond Counsel, of Wichita, Kansas, whose opinion will be paid for by the School District. A manually signed original of said opinion will be furnished without expense to the purchaser of the Bonds at the delivery thereof. Payments shall be made in federal funds or other funds which shall be available to the School District on the same day as delivery of the Bonds.

At the request of the successful bidder, CUSIP identification numbers will be printed on the Bonds; but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and to pay for the Bonds in accordance with the terms hereof. All expenses in relation to printing of CUSIP numbers on the Bonds and the expense of CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the School District.

The Bonds will constitute general obligations of the School District, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the School District. The sealed bids for the Bonds shall be opened publicly and only at the time and place specified in this Notice; and the Bonds will be sold to the highest bidder. The School District reserves the right to reject any and/or all of the bids, and to waive any irregularities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the School District; and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities.
