DEPARTMENT OF CORRECTIONS**NOTICE OF HEARING
ON PROPOSED TEMPORARY
ADMINISTRATIVE REGULATIONS**

Notice is given that a public hearing will be held at 8:30 A.M. on December 13, 1982 in the conference room of the Department of Corrections, 3rd Floor, 535 Kansas Avenue, Topeka, Kansas 66603.

The regulations are:

K.A.R. 44-12-304(c). The reporting requirement in paragraph (c) is deleted as being nearly impossible to comply with without seriously inhibiting the discipline process in prison. A field audit can accomplish the same result.

K.A.R. 44-13-404(g). The investigation requirement is changed. As it now exists it is impossible to comply with and is unnecessary and unproductive. Upon clarification of the true meaning of The American Correctional Association Standard, the rule must be modified and reflect reality and the current ACA interpretation. Failure to do so will inhibit the inmate discipline process. The investigation proposed to be required is to ascertain reliability of facts before bringing the discipline charge.

The fiscal impact is zero.

A full copy may be obtained from: Chief Legal Counsel, Department of Corrections, 535 Kansas Avenue, Suite 200, Topeka, Kansas 66603.

Interested parties may present their views orally or in writing at the hearing. They may be submitted by mail and will be accepted if they arrive before the hearing.

Crimes and Punishments—Code; Crimes Against Property—Tampering With a Traffic Signal. Michael Johnston, State Senator, Fourteenth District, Parsons; Fred A. Kerr, State Senator, Thirty-third District, Pratt, November 8, 1982.

Although K.S.A. 21-3725 and 21-3726 prohibit all persons from manipulating or tampering with railroad traffic signal devices, railroad personnel are excused from complying with said statutes when they are required to manipulate such devices to conduct operational tests in accordance with federal regulations. OPINION NO. 82-240

Roads and Bridges—Minimum Maintenance Roads—River Crossing; Title of Land Held by State. Terry R. Fuller, Edwards County Attorney, Kinsley, November 8, 1982.

Title to the bed and channel of any navigable river is held by the State of Kansas. In that the Arkansas River is legally declared to be a navigable river, title to the bed, even if dry, remains with the state, and its use by a county for road purposes would be subject to the approval of the state. In the absence of such approval, county equipment should not be used to maintain the crossing. Additionally, while a county may designate the county road leading to the crossing as a minimum maintenance road, pursuant to K.S.A. 1981 Supp. 68-5,102, an easement from the state would be required before the crossing itself could be so posted. OPINION NO. 82-241

Public Health—Examination and Registration of Pharmacists—Public Health Departments and Private, Not-For-Profit Family Planning Clinics; Distribution and Control of Prescription Medications. Robert E. Davis, Attorney, Kansas State Board of Pharmacy, Kansas City, November 8, 1982.

The State Board of Pharmacy is not authorized, under the provisions of K.S.A. 65-1648 (as amended by L. 1982, ch. 262, § 5) or any other statute, to adopt a regulation which provides, expressly or by implication, that the issuance of standing orders is outside the authorized course of professional practice of a physician. However, the State Board of Healing Arts has jurisdiction to investigate complaints against practitioners who allegedly issue standing orders in contravention of standards of competent medical practice.

A public health department or private not-for-profit family planning clinic may not distribute any drug to a patient where such distribution would violate any provision of the Uniform Controlled Substances Act, K.S.A. 65-4101 *et seq.*

A designated registered nurse, in charge of distributing drugs at a public health department or private

not-for-profit family planning clinic (when a pharmacist is not on the premises), may supply the entire quantity of drugs necessary for treatment of a patient, if completion of the course of treatment ordered by the supervising practitioner entails supplying such a quantity of drugs. Cited herein: K.S.A. 65-1626 (as amended by L. 1982, ch. 182, § 138), 65-1648 (as amended by L. 1982, ch. 262, § 5), 65-4101, 65-4123 (as amended by L. 1982, ch. 269, § 7). TRH

OPINION NO. 82-242

Townships and Township Officers—Miscellaneous Provisions—First and Second Class Cities Excluded From Townships. Michael F. Willcott, Lansing City Attorney, Leavenworth, November 8, 1982.

Pursuant to K.S.A. 80-1404, no city of the second class shall be included within the corporate limits of any township. Said statutory provision, which serves as a limitation on township boundaries, may not be made inapplicable to any township or city through the exercise of city home rule powers.

Although statutory provisions prescribe procedures for the sale of real or personal property used in the operation of a township water system, any such property may not be disposed of absent adequate consideration. OPINION NO. 82-243

Taxation—Redemption of Real Estate—Interest to be Charged on Offer to Redeem. Annabel A. Miller, Reno County Treasurer, Hutchinson, November 15, 1982.

If a person desires to totally redeem property bid off by the county, the amount of interest owed by the person must be calculated under the provisions of K.S.A. 1981 Supp. 79-2004. If, however, a person desires merely to make a partial redemption of property, the interest due is at the rate specified in K.S.A. 1981 Supp. 79-2968(b) and the amount thereof must be calculated pursuant to K.S.A. 1981 Supp. 79-2401a. Counties and County Officers—Economic Development Programs—Use of Funds
Schools—Vocational Education—Sources of Revenues for Capital Outlay Fund. John C. Herman, Ellis County Attorney, Hays, November 15, 1982.

K.S.A. 72-4440 *et seq.* provide no authority for a transfer of moneys raised pursuant to the Economic Development Programs tax levy established according to K.S.A. 19-4101 *et seq.* to the vocational education capital outlay fund. Cited herein: K.S.A. 19-4101, 19-4102, 72-4423, 72-4440, 72-4441, 72-4442, 72-4443. RVE

OPINION NO. 82-245

Counties and County Officers—Ambulance Service—Obligations of County Providing County-wide Ambu-

lance Service. Michael D. Pepoon, Esq., Counsel, Miami County Board of County Commissioners, Paola, November 15, 1982.

K.S.A. 19-261 authorizes a county to provide ambulance service at public expense within such county, except in areas where adequate ambulance service is already being provided.

The geographical area served by any ambulance service need not follow the boundaries of any particular taxing district. However, absent an effective interlocal agreement executed pursuant to K.S.A. 12-2001 *et seq.*, there is no apparent authority for a taxing district to provide ambulance service beyond its boundaries.

The board of county commissioners is responsible for determining whether a county-financed ambulance service will serve any particular area of the county. If an entire county receives adequate ambulance service from the county-financed ambulance service, the county is precluded from reimbursing any taxing district that provides a duplicate service.

An effective interlocal agreement entered into pursuant to K.S.A. 12-2901 *et seq.* would serve to minimize and/or indemnify Miami County's civil liability exposure arising from the operation of an ambulance service pursuant to contract. Cited herein: K.S.A. 12-2901, 19-261. RVE

OPINION NO. 82-246

Laws, Journals and Public Information—Kansas Public Records Law—Public Access to Salary of County Hospital Administrator. David Belling, Miami County Attorney, Paola, November 15, 1982.

Amounts paid as salary to an administrator of a county hospital operating pursuant to K.S.A. 19-1801 *et seq.*, are subject to public access pursuant to K.S.A. 45-201 *et seq.* Cited herein: K.S.A. 10-801, 10-804, 10-805, 10-806, K.S.A. 1981 Supp. 12-105a, 12-105b, K.S.A. 19-1801, 19-1804, 45-201. FISH AND GAME COMMISSION

NOTICE TO ALL PERSONS INTERESTED THAT THE KANSAS FISH AND GAME COMMISSION HAS DETERMINED TO ISSUE REVENUE BONDS UNDER THE AUTHORITY OF CHAPTER 173, AS AMENDED BY CHAPTER 174, LAWS OF KANSAS 1982

Pursuant to the authority and direction of Section 10 of Chapter 173, as amended by Chapter 174, Laws of Kansas 1982 (the "Act"), the Kansas Fish and Game Commission (the "Commission") hereby causes this notice to be published in the Kansas Register in order to give such notice to all persons interested that it has determined by resolution adopted at a regular meeting of the Commission held November 15, 1982, to issue \$6,000,000 principal amount of the Commission's Fish Hatchery Gross Revenue Bonds, Series 1982 (the "Bonds"). The Bonds have been authorized to be issued and directed to be sold to the best bidder submitting the lowest net interest cost on the Bonds in a sealed bid to be received at a public sale of the Bonds to be held Wednesday, December 8, 1982. The Bonds are being issued pursuant to the authority of the Act for the purpose of preparing a site, constructing, improving and equipping the Milford Fish Hatchery and are payable, both as to the principal of and the interest on, from a pledge of the gross revenues derived from the sale of hatchery stamps as defined in the Act and as implemented by regulations adopted by the Commission.

Reference is made for the time, location, details and specifics of the public sale of the Bonds to the publication of the Notice of Bond Sale elsewhere in this issue of the Kansas Register and further to the Prelim-

(continued)

inary Official Statement prepared by the Commission in connection with the sale of the Bonds and available upon request at the principal office of the Commission, Route 2, Box 54A, Pratt, Kansas 67124.

The special attention of all persons interested in the Bonds being issued is invited to the provisions of this paragraph: Unless an action to contest the legality of the issuance of the Bonds shall be filed in a court of law within 30 days from the date of this publication, the right to contest the legality of the Bonds or any other revenue bonds issued in compliance with the Act and the proceedings taken by the Commission prior to the date of this publication and the right to contest the validity of the provisions of such proceedings shall cease to exist and no court shall thereafter have authority to inquire into such matters. After the expiration of such 30 days, no one shall have any right to commence an action contesting the validity of the Bonds or the provisions of such proceedings, and all of the Bonds shall be conclusively presumed to be legal, and no court shall thereafter have authority to inquire into such matters.

The preceding description of the limitation of the right to contest the issuance of the Bonds and/or the validity of the proceedings is the substance of the statutory language of the Kansas legislature as set out and enumerated in the Act which took effect and became in force from and after its publication in the Kansas Register on April 29, 1982.

Kansas Fish and Game Commission

The Bonds will bear interest at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on December 1, 1983.

Place of Payment. Both principal of and interest on the Bonds will be payable in lawful money of the United States of America at such Kansas bank having trust powers or Kansas trust company as may be requested by the successful bidder and approved by the Commission.

Redemption of Bonds. (1) The Bonds maturing in the year 1997 shall be subject to mandatory redemption and payment prior to maturity (by lot) at a redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date, on December 1 in the years and in the following principal amounts:

<i>Year</i>	<i>Principal</i>

1994	545,000
1995	605,000
1996	675,000
1997	755,000 (scheduled maturity)

(2) The Bonds maturing in the year 1997, at the option of the Commission, may be called for redemption and payment prior to maturity as a whole, or in part in inverse numerical order on December 1, 1992, or on any interest payment date thereafter, at a redemption price equal to the principal thereof, plus a premium of 2½% of the principal amount so redeemed (which premium shall be reduced by 1/2 of 1% for each year expired thereafter), plus accrued interest thereon to the redemption date.

Conditions of Bids. Proposals will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same interest rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. **NO INTEREST RATE SHALL BE SPECIFIED WHICH IS HIGHER THAN THE INTEREST RATE SPECIFIED FOR ANY PRECEDING MATURITY.** The difference be-

(continued)

tween the highest rate specified and the lowest rate specified shall not exceed 4%, and the highest rate specified shall not exceed the maximum rate specified by K.S.A. 10-1009, as amended. No supplemental interest coupons will be authorized. No bid of less than 100% of the principal amount of the Bonds and accrued interest will be considered.

Basis of Award. Each bid shall specify the total interest cost to the Commission during the life of the Bond issue on the basis of such bid, the amount of premium, if any, and the net interest cost to the Commission on the basis of such bid. Each bid shall also specify the average annual net interest rate to the Commission on the basis of such bid. The award of the Bonds will be made on the basis of the lowest net interest cost to the Commission, which will be determined by subtracting the amount of premium, if any, from the total amount of interest required to be paid from the date of the Bonds to their respective maturity dates at the coupon rate or rates specified in the bid. The Commission shall be entitled to rely on the stated net interest cost in awarding the Bonds. If there is any discrepancy between the stated net interest cost and the stated average annual net interest rate, the stated net interest cost shall govern and the coupon rates specified in the bid shall be adjusted accordingly.

Authorization, Purpose and Security for the Bonds. The Bonds are being issued pursuant to Chapter 173, as amended by Chapter 174, Laws of Kansas 1982 (the "Act") for the purpose of preparing a site, constructing, improving and equipping the Milford Fish Hatchery. The Bonds and the interest thereon will constitute special obligations of the Commission, payable from the gross income and revenues derived by the Commission from the sale of hatchery stamps as defined by the Act. The taxing power of the State of Kansas is not pledged to the payment of the Bonds either as to principal or interest. The Bonds shall not be or constitute a general obligation of the Commission or the State of Kansas, nor shall they constitute an indebtedness of the Commission or the State of Kansas within the meaning of any constitutional or statutory provision, limitation or restriction.

Delivery of Bonds. The Bonds, properly prepared and executed, will be furnished by the Commission without cost to the successful bidder, and will be delivered to the successful bidder on or before December 31, 1982 at such bank or trust company located in the State of Kansas or in Kansas City, Missouri, as may be specified by the successful bidder; or elsewhere at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing proofs which will include a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity.

Legal Opinion. The Bonds will be sold subject to the approving legal opinion of GAAR & BELL, Overland Park, Kansas, Bond Counsel, which opinion will be printed on the Bonds and will be furnished and paid

for by the Commission and delivered to the successful bidder as and when the Bonds are delivered.

CUSIP Numbers. CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on said Bonds shall be paid for by the Commission; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

Good Faith Deposit. Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$120,000 payable to the order of the Commission, to secure the Commission from any loss resulting from the failure of the bidder to comply with the terms of its bid. No interest will be paid upon the deposit made by any bidder. Said check will be returned to the bidder if its bid is not accepted. If a bid is accepted, said check will be held by the Commission until the bidder shall have complied with all of the terms and conditions of this Notice, at which time the amount of said check will be paid to or upon the order of the bidder. If a bid is accepted but the Commission shall fail to deliver the Bonds to the bidder in accordance with the terms and conditions of this Notice, said check will be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this Notice, the proceeds of such check will be retained by the Commission as and for liquidated damages.

Tax Exemption. In the opinion of GAAR & BELL, Bond Counsel, under existing statutes, regulations and court decisions, the interest on the Bonds is exempt from federal income taxation and from all state, county and municipal taxation in the State of Kansas, except Kansas inheritance taxes.

Bid Forms. All bids must be made on forms which may be procured from the undersigned. No additions or alterations in such forms shall be made. The right is reserved to waive irregularities and to reject any or all bids.

Submission of Bids. Bids may be mailed or delivered addressed to the undersigned Secretary of the Commission and marked "Proposal for the Purchase of Fish Hatchery Gross Revenue Bonds"; and must be received by the undersigned at the aforespecified location prior to 10:00 o'clock A.M., C.S.T., on Wednesday, December 8, 1982.

Official Statement. The Commission has prepared a Preliminary Official Statement dated November 26, 1982, copies of which may be obtained from the undersigned or from the Commission's Bond Counsel, GAAR & BELL, Overland Park, Kansas. Upon the sale of the Bonds, the Commission will adopt the final Official Statement, and, at the request of the successful

(continued)

bidder, will furnish the successful bidder with a reasonable number of copies thereof, without additional cost. Additional copies may be ordered by the successful bidder at its expense.

Additional Information. Additional information regarding the Bonds may be obtained from the Secretary of the Commission or from the Commission's Bond Counsel, GAAR & BELL, 8717 W. 110th Street, Suite 640, Overland Park, Kansas 66210, (913) 642-0001.

PURPOSE OF THE ISSUE

The proceeds from the sale of City of Wichita, Kansas Metropolitan Transit System Revenue Bonds, Series 1982, will be used to make available to its agency, The Wichita Metropolitan Transit Authority, for the purpose of providing funds to be used in conjunction with a grant made by the United States of America to purchase 16 new buses in the amount of \$2,492,697.00 and repair the Transit Center parking apron in the amount of \$47,803.00, the sum of \$450,000.00, which with an anticipated \$1,962,500.00 from the United States of America, and an estimated \$76,000.00 from the sale of used buses, and \$52,000.00 from other funds available, will provide the sum of \$2,540,500.00 being the total estimated cost of the project.

CALL PROVISIONS—REGISTRABLE AS TO PRINCIPAL ONLY

The Bonds are special obligations of the City of Wichita, Kansas, payable from revenues and limited ad valorem taxes. The Bonds are registrable as to principal only at the expense of the purchaser.

Bonds maturing December 1, 1991, and thereafter, are subject to call for redemption and payment prior to their respective maturities at the option of the City in inverse numerical order on December 1, 1990, or on any interest payment date thereafter, at the par value thereof, accrued interest to date of redemption, plus a premium as set out below (expressed as a percent of the principal amount):

<i>Redemption Period</i>	<i>Premium</i>
December 1, 1990 to November 30, 1991	1%
December 1, 1991 to November 30, 1992	½%
December 1, 1992 and thereafter	0%

Notice of any call for redemption will be given by the City by one publication in the official state paper of the State of Kansas not less than 30 days prior to the date fixed for such redemption and payment, such notice to specify the bond numbers of the bonds called for redemption and payment if such call be for less than all of the bonds then outstanding. Also, a notice shall be sent by the City by registered or certified mail to the said City's Fiscal Agent, Kansas State Bank and Trust Company, Wichita, Kansas 67202, not less than 30 days before the date fixed for such redemption and payment. Failure to mail notice or any defect therein shall not affect the validity of any proceedings for redemption and payment of such bonds. Interest on the Bonds so called for redemption and payment will cease to accrue as of the effective date of redemption, provided funds are then available to pay the full redemption price thereof.

AUTHORITY TO ISSUE

The bonds are to be issued under and pursuant to an ordinance which is intended to be adopted by the Governing Body of the City of Wichita, Kansas, on November 30, 1982, and pursuant to the authority of and in full compliance with the provisions, restrictions and limitations of the Constitution and Statutes of the State of Kansas.

SECURITY

The Bonds shall be paid solely and only from revenues derived by the City of Wichita, Kansas from operation of its Mass Transit System, as said System now exists or as the same may exist hereafter, and from not to exceed a two (2) mill ad valorem tax levy authorized by K.S.A. 13-3112, and not from any other fund or source. It is estimated that average annual debt service on the Bonds proposed to be sold as indicated herein will be less than twenty per cent (20%) of the total authorized 2-mill ad valorem tax levy based on the current assessed valuation of the City of Wichita, Kansas. There are \$620,000.00 of outstanding Mass Transit System Revenue Bonds maturing December 1, 1983, through December 1, 1990, which are a first lien against the ad valorem tax levy and the revenues of the system.

INTEREST RATES AND AWARD OF BONDS

Bidders are invited to name the rate or rates of interest which the Bonds are to bear expressed in multiples of one-eighth (1/8th) or one-twentieth (1/20th) of one per centum (1%). No bidder may name more than five (5) different rates of interest for the Bonds; and all Bonds maturing in the same year shall bear the same rate of interest. No interest rate shall exceed the legal rate therefor as provided by the laws of the State of Kansas. The maximum stated rate, determined on the date the Bonds are sold, shall not exceed the 20 bond index of tax exempt municipal bonds published by the Weekly Bond Buyer in New York, New York on the Monday next preceding the day on which the Bonds are sold, plus 2%. All bids must state the total interest cost of the bid, the premium bid, if any, and the net interest cost of the bid, as well as the average annual net interest rate, all certified by the bidder to be correct; and the City may rely upon the correctness of such certificate. The repeating of a rate of interest after a different rate has been named will not constitute the naming of an additional rate. The difference between the highest interest rate bid and the lowest rate of interest bid shall not exceed four per centum (4%). No bid naming supplemental coupons or providing for the cancellation of coupons will be considered. A bid for the purchase of less than all of the Bonds or a bid at a price less than par will not be considered. No bid will be considered if made on other than the "Official Bid Form", and no bid will be considered if such form is amended or modified, except that the City reserves the right to waive any irregularity or informality.

BID FORM AND GOOD FAITH DEPOSIT

Each bid submitted must be on the "Official Bid Form" furnished by the City and should be addressed to Donald C. Gisick, City Clerk, 455 North Main Street, Wichita, Kansas 67202-1679, plainly marked "Bond Bid" and must be accompanied by a certified or cashier's check in the amount of two per centum (2%) of the total amount of such bid payable to the City Treasurer, City of Wichita, on which no interest will be allowed.

The checks of unsuccessful bidders will be returned
(continued)

promptly. The check of the successful bidder or the proceeds thereof will be held as security for the performance of his contract to purchase the Bonds; but in the event that the successful bidder shall fail to comply with the terms of the bid, the proceeds shall be forfeited and retained by the City as and for full liquidated damages.

The City reserves the right to determine who is the successful bidder for the Bonds and to reject any or all of the bids for the Bonds. Unless all bids are rejected, the Bonds will be awarded by the City on the day the bids are received, November 30, 1982, and the City reserves the right to waive any informality or irregularity in any bid for the Bonds.

The Bonds will be sold to the highest and best bidder or bidders. Determination of the highest and best bid will be made by deducting the premium bid (if any) from the total interest cost and the Bonds will be awarded to the bidder bidding the lowest total net interest cost to the City.

TAX EXEMPT STATUS

In the event that prior to delivery of the Bonds, the income received by private holders from bonds of the same type and character shall be taxable by the terms of any Federal income tax law, the successful bidder may, at his option, prior to the tender of said Bonds by the City, be relieved of his obligations under the contract to purchase the Bonds, and in such case, the deposit accompanying its bid will be returned.

AWARD OF THE BONDS

The Governing Body of the City of Wichita, Kansas, intends to take action awarding the Bonds or rejecting all bids as soon as reasonably possible after 10:00 o'clock a.m., Central Standard Time, November 30, 1982.

DELIVERY

With respect to the delivery of the bonds of this issue, the bidder may, on the official bid form, reserve the right to withdraw its bid and require the immediate return of the good faith deposit in the event that delivery of the bonds cannot be made in coupon form prior to December 31, 1982.

Delivery of the Bonds will be made on or before December 31, 1982, in Wichita, Kansas or Kansas City, Missouri, at the expense of the City, and elsewhere at the expense of the successful bidder; and the place of delivery shall be specified by the bidder in writing to the City not later than December 7, 1982. Payment shall be made in Federal Reserve Funds. The purchasers will be furnished with a certified transcript of proceedings authorizing the issuance of the Bonds, as well as the usual closing certificates including one certifying that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity.

The final delivery certificate which will be executed and delivered to the successful bidder at the time and place of the delivery of and payment for the Bonds, and which will be signed by the Mayor and City Clerk of the City of Wichita, Kansas, will contain the following certification among others:

"The Official Statement and Notice of Bond Sale, dated as of November 16, 1982, as of its date, as of the date of the sale, November 30, 1982, and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made in the light of the circumstances in which they are made not misleading."

An additional closing certificate will be furnished to the purchaser if desired stating that no material adverse change has occurred in the financial condition of the City of Wichita since the date of sale.

LEGAL OPINION

Bids shall be conditioned upon the unqualified approving opinion of Curfman, Harris, Stallings, Grace & Snow, Bond Counsel Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each Bond, and a manually signed and dated original opinion will be furnished without expense to the purchaser of the Bonds at the delivery thereof. The cost of the legal opinion and the expense of printing the Bonds and legal opinion will be paid by the City of Wichita, Kansas. The legal opinion will state in part substantially the following:

"... The principal of and interest on said Bonds are payable solely and only from revenues derived by the City of Wichita, Kansas from operation of its Mass Transit System, as said System now exists or as the same may exist hereafter, and from not to exceed a two (2) mill ad valorem tax levy authorized by K.S.A. 13-3112, and not from any other fund or source, subject only to the prior lien of \$620,000.00 outstanding Transit System Revenue Bonds. We are further of the opinion that, under existing law, the interest on the Bonds is exempt from Federal income taxation and the Bonds are exempt from Kansas intangible personal property taxes."

REGISTRATION

It is anticipated that CUSIP identification numbers will be printed on the Bonds; but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and to pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds and the expense of CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the City of Wichita.

RATING OF THE BONDS

The City does not anticipate obtaining a rating on this issue.
