1987	165-205	205,000.00
1988	206-246	205,000.00
1989	247-287	205,000.00

1991	329-370	210,000.00
1992	371-412	210,000.00

Said bonds shall not be subject to call for prior payment.

One bid shall be submitted for the entire series of bonds hereinbefore described. Proposals will be received on bonds bearing such rate or rates of interest as may be specified by the bidders subject to the following conditions: Not more than five different rates shall be specified and the same rate will apply to all bonds of the same maturity of all of said series. Each interest rate specified shall be in an even multiple of one-eighth of one percent, or one-tenth of one percent.

No bid of less than par and accrued interest will be considered. Each bid shall specify the total interest cost to the City during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, the net interest cost to the City, on the basis of such bid, and the average annual net interest rate on the basis of such bid. The net interest cost to the City shall be determined by subtracting the amount of the premium, if any, from the total interest cost to the City and shall be stated as a dollar amount in the bid. The City shall be entitled to rely on such dollar amount, as stated in the bid, as the basis of determining the lowest net interest cost bid. If there is any discrepancy between said net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the coupon rates specified in the bid shall be adjusted accordingly.

Interest on all of said bonds will be payable on May 31st, 1983, and semi-annually thereafter on May 31st, and November 30th, in each year. The first principal will be due on November 30th, 1983, and annually thereafter on said date. Both principal and interest on said bonds will be payable in lawful money of the United States of America at the office of the State Treasurer in the City of Topeka, Kansas.

The series of bonds hereinbefore described have been duly authorized as provided by law for the general statutory purposes of providing funds for Main Trafficway Improvements and payment of a judgment entered against the City. All of said bonds will constitute a general obligation of the City of Shawnee, Kansas, and are payable from ad valorem taxes which may be levied without limitation as to the rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the City of Shawnee.

It is anticipated CUSIP identification numbers will be printed on said bonds, but neither the failure to print such number on any bond or any error-with respect thereto shall constitute cause for a failure or

refusal by the purchaser thereof to accept delivery thereof and payment for said bonds in accordance with the terms of the purchase contract. All expense in relation to the printing of CUSIP numbers on said bonds will be paid for by the City. The CUSIP Service Bureau Charge for the assignment of said numbers will be the responsibility of and must be paid for, by the purchaser.

Said bonds will be printed at the expense of the City of Shawnee, Kansas, and said bonds will be sold subject to the legal opinion of Gaar and Bell, Overland Park, Kansas, whose unqualified approving opinion will be furnished to the successful bidder. The cost of this legal opinion shall be paid by the City of Shawnee, Kansas. The successful bidder will be furnished with said opinion together with a certified transcript of proceedings evidencing the authorization and issuance of said bonds and the usual closing proofs which will include a certificate that there is no litigation pending or, to the knowledge of the signers thereof, threatened at the time of delivery of the issue affecting the validity of the bonds. Said bonds duly printed, executed, and registered will be delivered on or before December 31st, 1982, to such location within a one hundred (100) mile radius of Kansas City, Missouri, as the purchaser shall specify. Delivery at any other place shall be at the expense of the successful bidder. The purchaser will not be required to pay the expense of legal services rendered to the City in regard to said bonds.

Each bid shall be accompanied by a certified or cashier's check equal to two percent (2%) of the total par value of the bonds. In case any purchaser whose bid is accepted shall fail to carry out his contract, said deposit shall be paid to the municipality as liquidated damages. The checks of the unsuccessful bidders will be returned promptly.

Bids shall be opened publicly and only at the time and place specified in this notice and the bonds will be sold to the best bidder; however, the City reserves the right to waive errors in the bid and any or all bids may be rejected. The assessed valuation of the City of Shawnee, Kansas, is \$84,032,204.00. The total outstanding bonded indebtedness of the City of Shawnee in bonds and notes as of the date on which the bonds being sold are to be dated, including the bonds submitted for bid is \$7,516,000.00. This amount includes temporary notes totaling \$1,580,000.00 of which \$1,530,000.00 will be retired using proceeds of this bond issue.

All bids must be made on forms which may be procured from the undersigned and no additions or deletions in said form shall be made. Proposals should be addressed to the City Clerk, City of Shawnee, City Hall, 11110 Johnson Drive, Shawnee, Kansas 66203, and marked "Proposal for Purchase of Bonds."

Dated at Shawnee, Kansas, this 22nd day of November, 1982.

Timmerman, Attorney and Bond Counsel, 400 North Woodlawn, Wichita, Kansas 67208, whose unqualified approving opinions will be furnished and paid for by the County. Delivery of said bonds will be made to the successful bidder on or about December 24, 1982, at any bank in the State of Kansas, or Kansas City, Missouri, at the expense of the County. Delivery elsewhere will be made at the purchaser's expense. The bond opinion will be printed on the back of each bond. CUSIP numbers will be printed on said bonds. The County will apply for a Moody's Rating for these bonds. The last Moody's Rating was "AA". It is understood that the good faith check will be returned and contract to purchase canceled if the bonds are not delivered to the purchaser before December 31, 1982.

Said bonds will be paid by a general ad valorem levy on all of the taxable, tangible property located within the boundaries of Sedgwick County, if necessary, and as such constitute a general obligation of said County.

Such sealed bids shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the highest bidder. The County reserves the right to reject any and/or all bids and to waive any and all irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder, whose proposal results in the lowest net interest cost to the issuer, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all bonds from their date until their respective maturities.
