ATTORNEY GENERAL

OPINION NO. 83-1

Waters and Watercourses—Groundwater Management Districts—Records of Meetings; Effect of Official Public Records Act. State Representative Ardena Matlack, Ninety-Third District, Clearwater, January 7, 1983.

The Official Public Records Act (K.S.A. 45-201 *et seq.*) applies to the records of a groundwater management district organized pursuant to K.S.A. 82a-1020 *et seq.* While the minutes of each meeting of the district's board of directors are not expressly required by law to be kept, they are a necessary method of exercising other functions of the board, and so are impliedly required to be kept and are thus subject to the Public Records Act once they have been approved by the board. However, as the making of an attendance list taken of those eligible voters attending a meeting of the board is neither required by law nor necessarily implied, such lists, if made, are not subject to the Act. A secretary who is absent from a meeting may, by completing the minutes taken by a temporary secretary, submit them as a valid record of what transpired. However, in that the secretary was not present, he or she may certify the results of a roll call vote only by relying on records taken by someone serving as temporary secretary. Cited herein: K.S.A. 45-201 (as amended by L. 1982, ch. 182, sec. 135), K.S.A. 82a-1027. JSS

State of Kansas**STATE BOARD OF EDUCATION****NOTICE OF PUBLIC HEARING**

TO ALL TEACHERS, ADMINISTRATORS, BOARDS OF EDUCATION, TRUSTEES AND CONTROL, TEACHER TRAINING INSTITUTIONS, SCHOOL AND COMMUNITY COLLEGE DISTRICTS, AND ALL OTHER PERSONS WHOM IT MAY CONCERN:

You are hereby notified that the Kansas State Board of Education will hold a public hearing in the first floor conference room of the Kansas State Board of Education, Kansas State Education Building, 120 East Tenth Street, Topeka, Kansas 66612 on the 8th day of

February, 1983, beginning at 1:30 p.m. of said day to consider in substance the proposed changes in the Kansas Migrant Education State Plan which is to become effective July 1, 1983.

The revised Kansas Migrant Education State Plan relates generally to the following:

The Kansas Migrant Education State Plan is a document covering fiscal year 1984 and has been designed as a state-operated program under Chapter I of the Education Consolidation and Improvement Act of 1981 (P.L. 97-35). It provides for special educational services for migratory children of migratory agricultural workers or migratory fishers, and includes: 1) yearly needs assessment; 2) parental involvement; 3) staff development; 4) state-wide identification and recruitment; 5) interstate communication; 6) interagency coordination; 7) comprehensive evaluation and monitoring plan; 8) dissemination of information; 9) nutrition and health plan.

Programs are currently formulated to serve approximately 3,600 children of migratory families at the following locations in Kansas: Bonner Springs, Emporia, Garden City, Goodland, Holcomb, Plains, Leoti, Kansas City, Liberal (2), Moscow, Piper, Rolla, Salina, Sublette, Topeka, Tribune, and Turner.

The amount of funds the state is to receive for such programs is based on the prorated portion of time the children reside in Kansas in relation to the calendar year. During FY 1983, Kansas' entitlement was \$1,088,501. However, the FY 1984 entitlement will not be known until July 1, 1983, and will be published as soon as it is released.

Copies of this public hearing notice (along with the state board's public hearing procedures) are being mailed to all chief school administrators in the state and may be reviewed in their offices by interested persons. They are also being mailed to the clerks of local school boards for the attention of school board members. Copies of said plan may be obtained by contacting the secretary of the state board of education, Kansas State Education Building, 120 E. 10th Street, Topeka, Kansas 66612, prior to January 28, 1983.

On the date of said hearing all interested persons shall be given reasonable opportunity to be heard and to present their views or arguments, orally or in writing, on said plan. Individuals or organizations that cannot appear at the hearing may, prior to February 3, 1983, submit to the secretary of the state board of education their written reactions in favor of or in opposition to said plan, and any other matters, suggestions, or proposals that relate thereto, and such reactions will be read into the record and considered by the board. Said hearing shall be conducted in compliance with the public hearing procedures of the state board of education.
