ATTORNEY GENERAL

OPINION NO. 83-19

Cities and Municipalities—Interlocal Cooperation—Interlocal Agreement to Construct a Building for School District, City and County Purposes.

Counties and County Officers—County Buildings—Financing of Construction Costs. Brenda West Hagerman, Pawnee County Attorney, Larned, February 18, 1983.

A county may enter into an interlocal agreement with a city and school district to provide for the construction, operation and maintenance of a public building. K.S.A. 19-15,116 prescribes the sources from which the county can derive moneys with which to pay its share of the costs of such an undertaking. Finally, if the county chooses to issue general obligation bonds in regard to this project, a vote of the county electors may or may not be required, depending upon whether the cost to the county would exceed \$100,000. Cited herein: K.S.A. 12-2901, 19-15,114, 19-15,116. RJB

OPINION NO. 83-20

Drainage and Levees—Watershed Districts—Financing Proposed Projects; Special Assessments. Gordon K. Lowry, Delaware Watershed District No. 10, Valley Falls, February 18, 1983.

The board of directors of a watershed district organized pursuant to K.S.A. 24-1201 *et seq.*, may pay for works of improvement by making special assessments against lands especially benefitted by such project, with such assessments used to pay off improvement bonds issued by the district. Prior to doing so, the board must submit the question of approval of the bond issue to an election, said election involving only the owners of the land so benefitted and assessed. While the making of such special assessments accordingly can be limited to a particular subdistrict, the same is not true of a levy under K.S.A. 24-1219 for general improvement bonds, which must be spread over the entire district. Cited herein: K.S.A. 24-1215, 24-1217, 24-1219. JSS

Both principal and interest on the Bonds will be payable in lawful money of the United States of America at the Office of the State Treasurer in the City of Topeka, Kansas.

Redemption of the Bonds

The Bonds maturing on October 1, 1991, and thereafter, will be subject to redemption and payment at the option of the City, in whole or in part on October 1, 1990, or on any interest payment date thereafter, in inverse numerical order at the redemption prices (expressed as percentages of principal amount set out below), plus accrued interest thereon to the date fixed for redemption and payment:

Written notice of such redemption will also be sent by United States registered or certified mail to the office of the State Treasurer, Topeka, Kansas, and to the manager or managers of the underwriting account making the successful bid not less than thirty (30) days prior to the date fixed for redemption.

Security for the Bonds

The General Improvement Bonds, Series 1983-A, will be general obligations of the City payable as to both principal and interest in part from special assessments levied upon the property benefited by such improvements and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the City, the balance being payable from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the City.

Conditions of Bids

Bids will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The Bonds will be sold in one block on an "all or none" basis. The same rate shall apply to all Bonds maturing in the same year. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by *The Weekly Bond Buyer*, in New York, New York, on the Monday next preceding the day on which the Bonds are sold, plus 2%, and the difference between the highest and lowest interest rates specified in any bid shall not exceed 1%. No bid less than the principal amount of the Bonds plus accrued interest thereon to the date of their delivery will be considered, and no bid providing for supplemental interest coupons will be considered.

Basis of Award

Each bid shall specify the total interest cost to the City during the life of the Bonds on the basis of such bid, the premium, if any, offered by the bidder, the net interest cost to the City on the basis of such bid, and the average annual net interest rate on the basis of such bid. The net interest cost to the City shall be determined by subtracting the amount of the premium, if any, from the total interest cost to the City and shall be stated as a dollar amount in the bid. The City shall be entitled to rely upon such dollar amount as stated in the bid as the basis for determining the lowest net interest cost bid. If there is any discrepancy

(continued)

between said net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the coupon rates specified in the bid shall be adjusted accordingly.

Delivery of and Payment for the Bonds

The City will pay for printing and registering the Bonds and will deliver the same properly executed and registered to the successful bidder within 45 days from the date of sale at such bank or trust company located in the United States of America, as may be specified by the successful bidder without cost to the successful bidder. Payment for the Bonds shall be made in federal funds or other funds which shall be available to the City on the same day as delivery of the Bonds. The successful bidder will be furnished with a certified transcript evidencing the authorization and issuance of the Bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of the delivery of the Bonds affecting their validity.

Legal Opinion

The Bonds will be sold subject to the legal opinion of the Gaar & Bell, Overland Park, Kansas, Bond Counsel, whose unqualified approving opinion will be furnished and paid for by the City and will be printed on the Bonds.

CUSIP Numbers

At the request of the successful bidder, CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the successful bid and this Notice of Bond Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds, including the CUSIP Service Bureau charge in the assignment of said numbers, will be paid for by the City.

Good Faith Deposit

Each bid must be accompanied by a good faith deposit in the form of a cashier's or certified check in the amount of \$188,100, made payable to the order of the Treasurer of the City of Topeka, Kansas. Such check, or the proceeds thereof, will be held by the Treasurer pending payment for and delivery of the Bonds to the successful bidder. In the event the successful bidder shall fail to carry out its contract of purchase, the amount of said deposit shall be retained by the City as liquidated damages. No interest will be paid on the deposit made by the successful bidder.

Bid Forms

All bids shall be subject to the terms and conditions contained in this Notice of Bond Sale and must be made on the forms which may be obtained from the City Clerk. No additions or alterations shall be made to such forms and any erasures may cause rejection of any bid. The right is reserved to waive irregularities and reject any and all bids.

Submission of Bids

Mailed bids may be addressed to the undersigned, City Clerk, City Hall, 215 East 7th Street, Topeka,

Kansas 66603, and marked "Bid for the Purchase of Bonds."

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the City for the year 1982 is \$357,991,267. The total general obligation bonded indebtedness of the City as of the date of the Bonds, including the Bonds, is \$53,460,000. In addition, the City has outstanding as of the date of the Bonds, \$7,014,000 of temporary notes, all of which will be retired out of the proceeds of the Bonds herein offered for sale.

The outstanding general obligation bonds of the City are rated "Aa1" by Moody's Investors Service, Inc., and the City has applied for rating on the Bonds herein offered for sale.

Official Statement

Upon the sale of the Bonds, the City will adopt an Official Statement in substantially the form as the Preliminary Official Statement, subject to minor amendments and supplementation. Copies of the City's Preliminary Official Statement relating to the Bonds may be obtained from the City Clerk or the City's Financial Advisor, Shearson/American Express Inc., 2345 Grand Avenue, Suite 1600, Kansas City, Missouri 64108 (816/346-6112). Upon request, a reasonable number of copies of the Official Statement will be made available to the successful bidder without charge. Additional copies may be obtained at the expense of such bidder.

Delivery elsewhere will be made at the expense of the purchaser.

The District is requesting CUSIP identification numbers be printed on the Series 1983A Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Series 1983A Bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and the printing of CUSIP numbers on the Bonds shall be paid for by the District.

The Bonds will constitute General Obligations of the District, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the District. Notice is hereby given to all interested parties that on March 25, 1983, at 9:00 a.m., in the SRS Board Room, 6th Floor, State Office Building, Topeka, Kansas, the Secretary of Social and Rehabilitation Services will hold a public hearing concerning the adoption on a temporary basis of certain proposed administrative regulations. A summary of the proposed regulations is set forth below.

The various changes are scheduled to become effective as indicated in the summary. Some regulations are being amended twice (April 1 and May 1) to implement changes at different times and/or to comply with the technical requirements of the regulation filing act.

(continued)

I. Public Assistance Program

A. General Assistance Program

The General Assistance Program is being revised effective April 1, 1983 to divide the program into two parts: unrestricted and transitional.

1. General Assistance—Unrestricted (GAU)

The GAU program will basically be the current GA program. Eligibility for this program will be limited to family groups in which all persons meet one of the following criteria:

(a) A parent or parents and their minor children with whom they are living (including non-ADC eligible children living with a conservator or another person who is not within the degree of relationship for ADC).

(b) A person who has been determined to be physically incapacitated.

(c) A person who has been medically or psychologically determined to be mentally retarded.

(d) A person who has been medically or psychologically determined to be mentally ill to the extent that employment is precluded and who is actively participating in a treatment program.

(e) A person whose presence is required at home because of a verified medically determined condition of another member of the home whose condition does not permit self-care if the care is not available from another person in the home.

(f) A person who is participating in vocational rehabilitation program training.

(g) A person who is residing in an alcohol and drug abuse facility.

(h) A person who is 51 years old or older.

2. Transitional General Assistance (TGA)

Family groups composed of one or more persons who do not fall within one of the above mentioned eight categories but otherwise meet the remaining eligibility factors for GAU will be eligible for TGA. TGA recipients will be exempt from participation in the Community Work Experience Program but will be required to participate in Job Search and/or Job Club activities.

The maximum assistance payment to TGA recipients will be \$100.00 per month. The special allowances set forth in K.A.R. 30-4-120 will not be applicable to the TGA program.

The proposals concerning the TGA program are subject to change depending on available appropriations.

B. Emergency Assistance Program

The Emergency Assistance Program is being continued past its scheduled termination date of April 30, 1983. Such continuation is for an indefinite period of time.

C. Transient Assistance Program

The Transient Assistance Program is being terminated March 31, 1983.

D. List of affected regulations and other proposed changes.

1. 30-4-34. *Program* (amended April 1 and May 1).

2. 30-4-53. *Financial eligibility* (amended April 1

and May 1). This regulation is being amended effective April 1, 1983 to provide that the eligibility under the 150% rule for ADC and GA families living alone will be determined by using the basic and shelter standards set forth in K.A.R. 30-4-101 and 30-4-102. For GA families not living alone the pro rata share of the budgetary requirements as set forth in K.A.R. 30-4-100(b)(3) will be used to determine eligibility under the 150% rule.

This regulation is being further amended effective May 1, 1983 to provide that the eligibility under the 150% rule for ADC, APW, and GA families in non-shared living arrangements will be determined by using the standards in 30-4-101 and 30-4-102. For ADC and APW families in shared living arrangements, the standards set forth in K.A.R. 30-4-100(a)(2) will be used to determine the 150% level. For GA families in shared living arrangements, the 150% level will be determined by using the pro rata share of the budgetary requirements set forth in K.A.R. 30-4-100(b)(3).

3. 30-4-85a. *Eligibility factors specific to the EA program* (reinstated May 1).

4. 30-4-90. *Eligibility factors specific to the general assistance-unrestricted (GAU) program* (amended April 1 and May 1).

8. 30-4-102. *Standards for persons in room, board, specialized living or care* (amended April 1 and May 1).

9. 30-4-120. *Special allowances for recipients of ADC, ADC-FC, GAU and GA-FC* (amended April 1 and May 1).

B. Reimbursement for services provided by general hospitals.

I. Inpatient Services.

a. The reimbursement methodology for inpatient services is being revised effective July 1, 1983. A prospective per diem rate model will be used to reimburse hospitals for services rendered subsequent to June 30, 1983. A description of the system is set forth below:

1. Per diem rate calculations. (a) The agency on or before June 1 of each calendar year will establish a per diem rate for each hospital to be effective for the upcoming state fiscal year. The agency on or before May 1 of each calendar year will provide each hospital with its estimated per diem rate.

(b) Participating hospitals.

(1) The per diem rate for state fiscal year 1984 will be calculated by first multiplying the lesser of a hospital's aggregate inpatient medicaid (medical assistance) program costs or charges for its adjusted fiscal year ending in 1981 times an inflation factor of 1.1449. The product will then be divided by the hospital's medicaid (medical assistance) program days in its fiscal year ending in 1981. The quotient will be the hospital's per diem rate for state fiscal year 1984 subject to final audit of its fiscal year 1981 operations and the provisions of paragraphs 2 and 3.

(2) Per diem rates for subsequent state fiscal years will be calculated by multiplying a hospital's most recent per diem rate times an inflation factor established by the secretary in consultation with the Kansas hospital association. The product will be the hospital's per diem rate for the state fiscal year in question subject to the provisions of paragraphs 2 and 3.

(c) Per diem rates for non-participating hospitals. The per diem rate will equal the mean per diem rate for participating Kansas hospitals (excluding teaching costs for approved intern, resident and nursing programs) subject to the provisions of section (c) of paragraph 2.

2. Per diem rate limitations. (a) Participating hospitals with a per diem rate (excluding teaching costs for approved intern, resident and nursing programs) in excess of the mean as set forth in section (b) will be limited to a maximum number of medicaid (medical assistance) program days per state fiscal year as set by the secretary in consultation with the Kansas hospital association subject to the provisions of paragraph 3. Days incurred up to and including the maximum will be paid at the per diem rate established pursuant to paragraph 1. Days incurred above the maximum will

be reimbursed at the rate of the mean of the per diem rates (excluding teaching costs for approved intern, resident and nursing programs) below the mean as set forth in section (b) plus any per diem teaching costs.

(b) The agency will annually rank the per diem rates (excluding teaching costs for approved intern, resident and nursing programs) for participating Kansas hospitals and calculate a mean per diem rate.

(c) Payment to non-participating hospitals will not exceed actual charges.

3. 30-5-81s. *Modification of per diem rates and medicaid (medical assistance) program day maximums.* (a) Any hospital participating in the prospective payment system may request, in writing, that the agency modify its medicaid (medical assistance) program day limitation.

(1) The agency, using data from the agency management area in which the hospital resides (or to which an out-of-state hospital is assigned), will compare the average monthly medicaid (medical assistance) program eligibles for the 12 month period immediately preceding the request with the average monthly program eligibles for the hospital's fiscal year ending in 1981.

(2) If the current average is greater than the 1981 average, then the ratio of the current average to the 1981 average will be multiplied by the current day limitation to calculate a revised day limitation.

(3) If the current average is equal to or less than the 1981 average then no adjustment will be made.

(b) The agency may request the hospital prospective payment review committee to reduce the per diem rate of a hospital participating in the prospective payment system if its per diem rate exceeds its current medicaid (medical assistance) program per diem cost by at least 10%.

(c) A hospital participating in the prospective payment system may also request the review committee to modify its per diem rate if its current medicaid (medical assistance) program patient per diem cost exceeds its per diem rate by at least 10%.

(d) Any per diem rate modification request will be in writing and set forth sufficient information and documentation to support the request.

(e) The review committee will submit its recommendations to the commissioner of income maintenance and medical services within 30 days after its receipt of the request.

The committee will be responsible for reviewing per diem rate modification requests initiated by hospitals or the agency. The composition of the committee has been amended to add an additional agency and hospital representative and to delete the consumer representative. Further, the six member committee will select its own chairperson. Finally, the agency may reimburse committee members a subsistence allowance and mileage if authorized by state law and regulation.

(c) Delete the prior authorization requirement for the 30 day substance abuse program.

(d) State that certain non-Kansas hospitals may be required to submit documentation of medical necessity if the stay exceeds the 75th percentile.

9. 30-5-100. Scope of dental services (amended May 1). This regulation is being amended to add the prevention of relief of pain and suffering as a guideline by which decisions of utilization will be made.

10. 30-5-110. Scope of psychiatric day treatment and partial hospitalization programs (amended May 1). This regulation is being amended to delete the limitation of 12 hours per day and add the limitation that coverage will be limited to a maximum of 160 hours per calendar month.

11. 30-5-150 through 30-5-172 (MediKan program limitations for adults, new April 1).

12. 30-10-13. Prospective reasonable cost-related reimbursement (amended May 1). The material concerning the establishment of the cost basis on pur-

chase of a facility as an ongoing operation (pages 11-15) is being revised as follows:

(1) In establishing the cost basis for depreciation purposes for a facility purchased as an ongoing operation after May 1, 1983, the price paid by the purchaser will be the cost basis where the purchaser can demonstrate that:

(a) The seller owned the property for a period of 36 calendar months prior to the closing date of the sale.

(b) The sale was a bona fide sale resulting from an arms length transaction or a sale between family members as defined in K.A.R. 30-10-12(b)(4)-(A)(iv)(bb).

(c) The selling price did not exceed the fair market value of those assets at the time of sale.

(2) Where the seller has not owned the real property for a period of 36 months prior to the closing date of the sale, the purchaser's cost basis will be the seller's allowable medicaid (medical assistance) program cost less accumulated depreciation to the date of the sale.

(3) The total purchase price of the facility will be allocated to the individual assets in the same ratio as the book value of each asset bears to the total book value of all assets involved with the operation of the facility that are included in the sale.

(4) Payments on lease agreements, between the owner of the facility and the provider in the medicaid (medical assistance) program, covering the land, buildings, furniture, fixtures and equipment will be limited to the allowable medicaid (medical assistance) program costs of ownership of the last owner or lessor when the prior owner or lessor has been a contracting party for less than 36 months. The cost of the lessor will include the terms of an arms length lease agreement.

(5) Payments on lease agreements that include sub-leases or sales-lease back arrangements that involve the purchase, sale or lease of facilities or equipment will be considered in light of all the facts and circumstances from the first stages of negotiations through the final closing and settlement of terms between the parties. In those cases where any of the parties in one transaction entered into the transaction, conditioned on, or in reasonable anticipation of, one or more other transactions, involving the purchase, sale or lease of substantially the same property, only the transaction resulting in the lowest cost basis, interest expense, or lease amount will be recognized for purposes of reimbursement. In the absence of compelling facts and circumstances to the contrary, the agency will deem all transactions involving substantially the same property as entered into, conditioned on, or in reasonable anticipation of, any other transaction, if either the transaction took place within a three year time period, or any party, other than the subsequent owners, retained a residual or participating interest in the property or revenues earned through use of the property.

(6) The 36 month ownership and lease requirements and sublease or lease back limitations will not apply in the event of the death or disability of an

(continued)

owner or lessor; or if a facility is designated by the secretary as a problem operation with a buyer acceptable to the secretary.

(7) If the purchaser cannot demonstrate that the sale was bona fide, the purchaser's cost basis will not exceed the seller's cost basis less accumulated depreciation. This applies to sales between family members as defined in K.A.R. 30-10-12(b)(4)(A)(iv)(cc).

(8) Further, for depreciable assets acquired on or after September 1, 1974, the cost basis of the depreciable assets will not exceed the current reproduction costs depreciated on a straight line basis over the life of the assets to the time of the sale.

(9) When a facility is purchased as an ongoing operation on or after September 1, 1974, the cost basis will not exceed the fair market value of the tangible assets purchased, subject to the above limitations applicable to the depreciable assets. The purchase of goodwill and payments for covenants not to compete will not be considered a current expense nor be amortized.

A copy of the proposed regulations may be obtained prior to the above mentioned hearing by contracting Mrs. Mary Slaybaugh, Legal Division, State Department of Social and Rehabilitation Services, 6th Floor, State Office Building, Topeka, Kansas 66612 (913) 296-3969.
