The City will also give written notice of its intention to call and pay such Bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered mail addressed to the State Treasurer of Kansas and to the original purchaser of the Bonds, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. All Bonds so called for redemption and payment as aforesaid shall cease to bear interest from and after the date for which such call is made, provided funds are available for the payment of such Bonds at the price hereinbefore specified.

Place of Payment

Both principal and interest on the Bonds will be payable in lawful money of the United States of America at the Office of the State Treasurer in the City of Topeka, Kansas.

Purpose and Security

The Series 1983-I Bonds are being issued for the purpose of providing funds to pay the cost of certain street, intersection and storm drainage improvements in the City, and the Series 1983-II Bonds are being issued for the purpose of providing funds to pay the cost of certain storm drainage improvements in the City. The Bonds will be general obligations of the City, payable as to both principal and interest in part from special assessments levied upon the property benefited by such improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property within the City, the balance payable from ad valorem taxes which may be levied without limitation as to rate or amount on all taxable tangible property within the City.

Conditions of Bids

Bids will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The Bonds will be sold in one block on an "all or none" basis. The same rate shall apply to all Bonds maturing in the same year. Not more than five different interest rates shall be specified, but a rate may be repeated. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. No interest rate shall exceed a rate equal to the "20 Bond Index" of tax exempt municipal bonds published by *The Weekly Bond Buyer*, in New York, New York, on the Monday next preceding the day on which the Bonds are sold, plus 2%, and the difference between the highest and lowest interest rates specified in any bid shall not exceed 2%. No bid less than the principal amount of the Bonds plus accrued interest thereon to the date of their delivery will be considered, and no bid providing for supplemental interest coupons will be considered.

(continued)

Basis of Award

Each bid shall specify the total interest cost to the City during the life of the Bonds on the basis of such bid, the premium, if any, offered by the bidder, the net interest cost to the City on the basis of such bid, and the average annual net interest rate on the basis of such bid. The net interest cost to the City shall be determined by subtracting the amount of the premium, if any, from the total interest cost to the City and shall be stated as a dollar amount in the bid. The City shall be entitled to rely upon such dollar amount as stated in the bid as the basis for determining the lowest net interest cost bid. If there is any discrepancy between said net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the coupon rates specified in the bid shall be adjusted accordingly.

Delivery of and Payment for the Bonds

The City will pay for printing and registering the Bonds and will deliver the same properly executed and registered to the successful bidder on or before June 27, 1983, at such bank or trust company located in the contiguous United States of America as may be specified by the successful bidder, without cost to the successful bidder. Payment for the Bonds shall be made in federal funds or other funds which shall be available to the City on the same day the Bonds are delivered to the successful bidder. Proposals will be received on the Bonds bearing such rate or rates of interest, not exceeding six (6) different interest rates, as may be specified by the bidder. Each interest rate specified shall be in an even multiple of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%). The difference between the highest and lowest coupon rates specified in any bid shall not exceed three percent (3%). No interest rate shall exceed the maximum interest rate allowed by Kansas law; said rate being two percent (2%) above the "Bond Buyer's 20 Bond Index," published in the *Weekly Bond Buyer* on the Monday next preceding the day on which the Bonds are sold, and no bid of less than par and accrued interest will be considered. Bids involving the use of extra or supplemental coupons will not be considered. Bids for less than the entire issue of Bonds will not be considered.

In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the City as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The Bonds, duly printed, executed and registered, will be furnished and paid for by the City; and the Bonds will be sold subject to the unqualified approving opinion of GAAR & BELL, Bond Counsel, of Wichita, Kansas, whose opinion will be paid for by the City. The purchaser will be furnished with a complete Transcript of Proceedings evidencing the authorization and issuance of the Bonds; and the usual closing proofs, which will include a Certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. Payment for the Bonds shall be made in immediately available funds. Delivery of the Bonds will be made to the successful bidder on or before JUNE 30, 1983, at any bank or trust company located in the STATE OF KANSAS or KANSAS CITY, MISSOURI; NEW YORK, NEW YORK; SAN FRANCISCO, CALIFORNIA; LOS ANGELES, CALIFORNIA; or CHICAGO, ILLINOIS, at

the expense of the City. Delivery elsewhere will be made at the expense of the purchaser.

It is anticipated that CUSIP identification numbers will be printed on the Bonds; but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure by the successful bidder to accept deliver of and pay for the Bonds in accordance with the terms of its Contract and this Notice of Bond Sale. All expenses in connection with the printing of CUSIP numbers on the Bonds shall be paid for by the City.

The Bonds will constitute general obligations of the City, payable as to both principal and interest in part from the collection of special assessments which have been levied on benefited property; but any portion of said specially assessed part not so paid, and the remainder of said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the City.
