## OPINION NO. 83-122

**Townships and Township Officers—Fire Protection—Tax Levies by Township; Fire Protection Contract with City.** Edwin H. Bideau, III, Neosho County Attorney, Chanute, August 17, 1983.

Pursuant to authority granted by K.S.A. 80-1501 *et seq.*, a township may enter into a contract for fire protection with a city, and may levy a tax for the purpose of paying compensation to the city thereunder. Such a tax, as permitted by K.S.A. 1982 Supp. 80-1503(a), is not restricted to any specified mill levy, and to the extent that the levy is one mill or less, it is not subject to the aggregate tax levy limit of 2.5 mills found in K.S.A. 79-1962. While the tax may be more than one mill, such excess will be included in the aggregate limit figure. Cited herein: K.S.A. 68-518c, 79-1962, 79-5001, 80-1501, K.S.A. 1982 Supp. 80-1502, 80-1503, K.S.A. 80-1509, K.S.A. 1982 Supp. 80-1543, K.S.A. 80-1545, 80-2125. JSS

## OPINION NO. 83-123

**Automobiles—Serious Traffic Offenses—Driving While Under Influence of Alcohol; Definition of "Imprisonment."** Robert A. Thiessen, Judge of the Municipal Court, Wichita, August 17, 1983.

As amended by L. 1983, ch. 37, K.S.A. 8-1567(c) provides that persons convicted for the first time for the offense of driving while under the influence of alcohol shall be sentenced to not less than 48 hours of imprisonment or 100 hours of public service. The term "imprisonment" includes not only actual incarceration in jail, but may refer to any situation in which the defendant's liberty is restrained and he or she is subject to additional sanctions should an escape be made. Cited herein: K.S.A. 8-1567, as amended by L. 1983, ch. 37. JSS

## OPINION NO. 83-124

**Cities and Municipalities and Public Utilities—Municipal and Public Utilities—Termination of Electric, Gas or Water Service.** Billy Q. McCray, Senator for the Twenty-ninth District, Wichita, August 17, 1983.

Utility services such as electricity, gas and water, provided solely by municipally owned or public utilities to their customers, are constitutionally protected property rights which cannot be terminated unless due process procedures of notice and the opportunity to be heard have been met. Each interest rate specified shall be in an even multiple of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%). The difference between the highest and lowest coupon rates specified in any bid shall not exceed two and one-half percent (2½%). Each bid must be accompanied by a certified or cashier's check equal to two percent (2%) of the total amount of the bid, and shall be payable to TREASURER, CITY OF LINDSBORG, KANSAS. In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the City as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

**AWARD OF BIDS**

The sealed bids for the Bonds shall be opened publicly and only at the time and place specified in this Notice; and the Bonds will be sold to the best bidder. The City reserves the right to reject any and/or all of the bids, and to waive any irregularities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the City; and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities.

**DELIVERY OF THE BONDS**

The Bonds, duly printed, executed and registered, will be furnished and paid for by the City; and the Bonds will be sold subject to the unqualified approving opinion of GAAR & BELL, Bond Counsel, of Wichita, Kansas. The cost of this legal opinion and the expense of printing the Bonds and legal opinion will be paid by the City. Said legal opinion will state in part substantially that the Bonds will constitute general obligations of the City, payable as to both principal and
