ATTORNEY GENERAL**OPINION NO. 83-125**

State Departments; Public Officers, Employees—Open Meetings Act—Hospital District Elections.

Townships and Township Officers—Hospital Districts of Cities of Third Class and Townships—Election of Directors; Ballots. Max Moomaw, State Representative, One Hundred Seventeenth District, Dighton, August 26, 1983.

The public electors of a county hospital district operating pursuant to K.S.A. 80-2113 *et seq.*, may elect the district board of directors by ballot without violating the Kansas Open Meetings Act. Cited herein: K.S.A. 75-4317, K.S.A. 1982 Supp. 75-4318, K.S.A. 80-2113, 80-2118, 80-2119, 80-2121, Kan. Const. Art. 4, § 1. BJS

OPINION NO. 83-126

Public Health—Kansas Healing Arts Act—Filing a False Claim. Dr. Helen Gilles, Secretary, Kansas Board of Healing Arts, Topeka, August 30, 1983.

The Kansas Board of Healing Arts may limit, suspend, or revoke the license of a physician for submit-

ting false claims to insurance companies on the grounds of "immoral" or "dishonorable" conduct pursuant to K.S.A. 65-2836(b) as amended by 1983 S.B. 41. Cited herein: K.S.A. 65-2836 as amended by 1983 Senate Bill No. 41. BLH

OPINION NO. 83-127

Townships and Township Officers—Prairie Dog Eradication—Duty of Township Trustees; Entry onto Private Land and Assessment of Costs. Craig D. Hershner, Lane County Attorney, Dighton, August 30, 1983.

K.S.A. 80-1201 *et seq.*, impose a duty on the township trustees of each Kansas township with regard to the eradication of prairie dogs in those counties in which there is an infestation. The trustee of each township is empowered to purchase such materials as may be needed for this task, including poisons, with the cost thereof spread as an additional mill levy upon real property in the township. While K.S.A. 80-1202 provides for notice to be given to landowners concerning the problem and, upon their failure to act, for entry by the township trustee or his agents upon private land, such provisions apply only to those counties which meet the criteria contained in the statute. The same is true regarding the provisions of the same statute which deal with the assessment of landowners who do not comply with the notice of the township trustee. However, as it is within the home rule authority of a county to provide for the eradication of prairie dogs, Lane County may adopt by resolution those provisions of K.S.A. 80-1202 which are otherwise applicable only to townships in certain counties. Cited herein: K.S.A. 1982 Supp. 19-101a(b), as amended by L. 1983, ch. 92, § 1, K.S.A. 80-1202, L. 1969, ch. 472, § 1. JSS

OPINION NO. 83-128

Cities and Municipalities—City Manager Plan—Adoption of Council-City Manager Plan by Cities of the First Class. John Dekker, Wichita City Attorney, Wichita, August 30, 1983.

K.S.A. 12-1029 provides that any city of the first class may adopt the council-city manager form of government pursuant to the procedure prescribed therein. The provisions of K.S.A. 12-1019, relating to acceptance of the commission form of government or the mayor-council form of government (and prescribing the form of the ballot for any election held thereunder), do not apply where the question of adopting the council-city manager form of government is submitted to voters pursuant to the provisions of K.S.A. 12-184. Cited herein: K.S.A. 12-184, 12-1001, 12-1018, 12-1019, 12-1029. TRH

BOARD OF TAX APPEALS**SUMMARIZED ORDERS OF
STATE-WIDE IMPACT****Docket No. 303-83-PR**

Assessment and taxation—computer software; considered as tangible personal property and taxed to owner thereof. In re tax protest of Thomas D. Strayer, Graham County, Kansas, dated August 17, 1983.

Computer software is property. It is capable of being owned, conveyed, used or abandoned, leased, loaned and otherwise dealt with as any item of property. Since it is not real property it must be personalty. Tangible means perceptible to the touch or readily apprehensible to the mind, but it need not mean perceptible to the unaided touch or directly apprehensible to the mind. The value of computer software is greater than the value of the tapes, cards, floppy disks, or other media upon which it may be recorded. Thus, as tangible personal property it can be valued. With rapidly diminishing (in value) property it may be valued much the same way as a merchant or manufacturer inventory—with a month-to-month average on the diminishing value, to establish a fair market value for the entire year.

Docket No. 2812-83-TG

“Freeport” exemption—necessity of being licensed bonded warehouseman, a condition precedent to granting. In re application of Collins Microscope Company, Johnson County, Kansas, dated August 17, 1983.

K.S.A. 79-201f, as amended, only provides for the exemption of property moving in interstate commerce or held in Kansas by a licensed bonded warehouse for shipment out of state. A condition precedent to the granting of such an exemption is the holding of a licensed bonded warehouseman's license.

Docket No. 2873-82-TX

Charitable/benevolent exemptions—gift to the poor or positive steps to relieve distress and suffering is implied. In re application of Health Care Plus, Inc., Sedgwick County, Kansas, dated August 17, 1983.

K.S.A. 79-201(2) authorizes exemption from ad valorem taxation for property used exclusively in charitable or benevolent purposes. However, the requirements set by the U.S. Internal Revenue Service for exemption from income taxation are not the same as those for a property tax exemption. In *Lutheran Home, Inc. v. Board of County Commissioners*, 211 Kan. 270, 505 P.2d 1118 (1983) the court specifically addresses the criteria necessary to qualify as a charitable organization. Key among these is the provision of services at no or nominal charge. Here, the sole purpose of the organization is to reduce an enrollee's health care costs which benefits only that individual and not the community as a whole.

*State of Kansas***STATE FIRE MARSHAL****STAY OF EFFECT OF ORDER OF THE
STATE FIRE MARSHAL
AND****NOTICE OF RECONVENING OF HEARING**

Edward C. Redmon, State Fire Marshal, will reconvene a hearing at 10:00 a.m. on Friday, September 23, 1983, in the conference room of the State Fire Marshal's Office, Suite 303, 503 Kansas Avenue, Topeka, Kansas, to hear the testimony of any and all interested parties concerning the possible existence of inconsistencies between the Kansas Fire Prevention Code and the ordinances of cities and counties regarding the prohibition or regulation of the personal possession of fireworks.

An initial hearing was held on July 22, 1983, at the request of Mr. Gerald L. Dunnegan. On August 5, 1983, the State Fire Marshal issued a decision entitled "In RE: Gerald L. Dunnegan" which, in part, found that those specific sections of Sedgwick County Resolution #129-1980 and Butler County Resolution #432, which attempt to prohibit the personal possession of fireworks, were inconsistent with the Kansas Fire Prevention Code and pursuant to K.S.A. 31-134 could not be enforced. In response to an Application for Review filed by the Sedgwick County District Attorney in Sedgwick County District Court, the State Fire Marshal will reconvene the hearing to hear the testimony of the Sedgwick County District Attorney and any and all other interested parties concerning the specific issue of the local prohibition or regulation of the personal possession of fireworks.

The State Fire Marshal hereby stays the effect of Section II of the decision issued August 5, 1983, which is the part of the decision concerning the local prohibition or regulation of the personal possession of fireworks. The effect of this section of the decision is stayed pending the outcome of the hearing scheduled for September 23, 1983.
