Counties and County Officers—Register of Deeds—Custody and Recordation of Documents; Computerization of Records. Lyndus A. Henry, County Counselor, Olathe, May 30, 1984.

K.S.A. 19-1204 requires a Register of Deeds to maintain certain handwritten record books. Although K.S.A. 58-2224 provides that certain other forms of record keeping will satisfy this requirement, it does not authorize the exclusive use of computerized recording. Thus, while a Register of Deeds may use a computer to aid in the recording functions of the office, he or she must also maintain the books required by K.S.A. 19-1204 until the Legislature specifically allows computerized record keeping to be substituted for the handwritten records. OPINION NO. 84-43

Cities and Municipalities—Municipal Courts—Traffic Violations; Failure to Appear. Thomas E. Osborn, Prosecutor for the Municipal Court of Bonner Springs, Kansas City, Kansas, May 30, 1984.

A person who is stopped for a violation of a municipal traffic ordinance may be issued a complaint and notice to appear pursuant to K.S.A. 12-4205. The notice to appear, which is signed by the person who is detained, constitutes a promise to attend a specified municipal court hearing, and may be enforced through the issuance of a warrant if no appearance is made.

K.S.A. 12-4306 provides that such a warrant may be enforced by any law enforcement officer in the state through the collection of a cash appearance bond. However, unlike a similar provision in the Uniform Act Regulating Traffic (K.S.A. 8-2110), K.S.A. 12-4306 contains no provision that a person's non-appearance also subjects him or her to driver's license suspension proceedings. Accordingly, a municipal court is required to notify the division of motor vehicles of its

proceedings only as provided by K.S.A. 8-2115. Cited herein: K.S.A. 8-2105, 8-2106, 8-2110, 8-2115, 12-4205, 12-4206, 12-4211, 12-4301, 12-4306, 12-4406. JSS

Automobiles and Other Vehicles—Driving Under Influence of Alcohol or Drugs—Elements of Offense. E. Edward Johnson, City Attorney, Topeka, May 31, 1984.

K.S.A. 1983 Supp. 8-1567, as amended by 1984 Senate Bill No. 490, provides [at subsection (a)] that no person shall operate a vehicle within this state while under the influence of alcohol. While it is necessary to show that a defendant was "under the influence of alcohol" in order to prove a violation, this phrase means that the defendant's mental or physical function was impaired to the extent that he or she was incapable of safely driving a vehicle. Such incapability may be presumed if it is shown that there was .10% or more by weight of alcohol in the defendant's blood, and need not be accompanied by any showing that the actual operation of the vehicle was erratic or that the driver failed to exercise due care. Cited herein: K.S.A. 8-1005, K.S.A. 8-1566, as amended by 1984 Senate Bill No. 490, § 8; K.S.A. 1983 Supp. 8-1567, as amended by 1984 Senate Bill No. 490, § 9. JSS

Section 5(a)(3) of 1984 Senate Bill No. 654 authorizes the Kansas Real Estate Commission to provide the names of persons licensed under the Real Estate Brokers and Salesmen Act to organizations and institutions authorized to provide educational courses and materials to such licensees under K.S.A. 58-3046a(d). A repeat of a rate will not constitute a change. The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be in an even multiple of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%). The difference between the highest and lowest coupon rates specified in any bid shall not exceed four percent (4%). No interest rate shall exceed the maximum interest rate allowed by Kansas law; said rate being the "20 Bond Index" of tax exempt municipal bonds published by the *Weekly Bond Buyer* in New York, New York on the Monday next preceding the day on which the Bonds are sold (June 11, 1984), plus 2%, and no bid of less than par and accrued interest will be considered. Each bid must be accompanied by a certified or cashier's check equal to two percent (2%) of the total amount of the bid, and shall be payable to the CITY OF GOODLAND, KANSAS. In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the City as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the Bonds shall be opened publicly and only at the time and place specified in this Notice; and the Bonds will be sold to the best bidder. The City reserves the right to reject any and/or all of the bids, and to waive any irregularities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the City; and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities.

(continued)

Delivery of the Bonds

The Bonds, duly printed, executed and registered, will be furnished and paid for by the City; and the Bonds will be sold subject to the unqualified approving opinion of WILLIAM P. TIMMERMAN, Bond Counsel, of Wichita, Kansas. THE NUMBER, DENOMINATION OF BONDS, AND NAMES OF THE INITIAL REGISTERED OWNERS TO BE INITIALLY PRINTED ON THE BONDS SHALL BE SUBMITTED IN WRITING BY THE SUCCESSFUL BIDDER TO THE BOND REGISTRAR NOT LATER THAN JULY 1, 1984. The purchaser will be furnished with a complete Transcript of Proceedings evidencing the authorization and issuance of the Bonds; and the usual closing proofs, which will include a Certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. Payment for the Bonds shall be made in immediately available funds. Delivery of the Bonds shall be made to the successful bidder on or before July 15, 1984, at any bank in the STATE OF KANSAS or KANSAS CITY, MISSOURI, at the expense of the City. Delivery elsewhere will be made at the expense of the purchaser.

Legal Opinion

Bids shall be conditioned upon the unqualified approving opinion of William P. Timmerman, Bond Counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each Bond and a manually signed original will be furnished without expense to the purchaser of the Bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the Bonds and legal opinion will be paid by the City. Said legal opinion will state in part substantially that the Bonds will constitute general obligations of the City, payable as to both principal and interest primarily from special assessments levied against benefited properties, but if not so paid, then from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the City; and that, under existing law, the interest on said Bonds is exempt from intangible personal property taxes levied by Kansas cities, counties and townships.

Purpose of Issue

The Bonds are being issued for the purpose of paying the costs of constructing street, sewer, water and off-street parking improvements to various benefited areas in the City of Goodland, Kansas.

Assessed Valuation and Bonded Indebtedness

The Assessed Tangible Valuation of Goodland, Kansas, for computation of bonded debt limitation is \$15,047,996.00. The total general obligation bonded indebtedness of the City, at the date hereof, including this \$523,535.02 proposed issue of Bonds, is in the amount of \$1,373,535.02. The City will retire \$262,000.00 of outstanding Temporary Notes from the proceeds of the Bonds and other available funds.

Official Statement

Additional copies of this Notice of Bond Sale, or copies of the City's Official Statement relating to the

Bonds, or further information may be received from Mid-Continent Municipal Investments, Inc., 333 Century Plaza, Wichita, Kansas 67202, financial advisor to the City.

*State of Kansas***COMMISSIONER OF INSURANCE****NOTICE OF HEARING**

TO THE STOCKHOLDERS AND POLICYHOLDERS OF EMPLOYERS REINSURANCE CORPORATION AND ALL OTHER INTERESTED PARTIES:

You are hereby notified of a hearing to be held in the offices of the State Insurance Department, 420 S.W. Ninth Street, Topeka, Kansas, on June 11, 1984, at 2:00 p.m., to determine whether the original Form A Acquisition Statement filed by General Electric Corporation, a wholly owned subsidiary of General Electric Company was properly completed, whether such material was mailed to shareholders, and whether a deposit must be made as required by K.S.A. 40-3304(e).

Robert C. Wright, President of General Electric Credit Corporation (the acquiring party), has filed an application with the Commissioner of Insurance, pursuant to the Kansas Insurance Holding Companies Act, requesting the Commissioner of Insurance to approve its acquisition of all outstanding shares of the Employers Reinsurance Corporation, a Missouri Corporation. Employers Reinsurance Corporation, in turn, owns one hundred percent (100%) of Centennial Life Insurance Company of Overland Park, Kansas. This acquisition, together with presently owned shares, will result in ownership of more than ten percent (10%) of the outstanding stock of said companies. The Kansas Insurance Holding Companies Act (K.S.A. 40-3302(c)) contains a statutory presumption of control where more than ten percent (10%) of the outstanding voting securities of a Kansas insurance company are acquired. The statute further requires a hearing to be held to establish the fairness and reasonableness of the acquisition as it relates to the shareholders of the said companies.

Any interested party may attend and present either oral or written testimony concerning the Form A Acquisition Statement, the mailing requirements, and the deposit requirement.

FLETCHER BELL
Commissioner of Insurance
