ADMINISTRATIVE REGULATIONS**

A public hearing will be held Monday, November 19, 1984, at 9:00 a.m., in the Kansas Department of Transportation Conference Room Number Two, 7th Floor, State Office Building, Topeka, KS, to consider the adoption of proposed permanent administrative regulations.

ATTORNEY GENERAL**OPINION NO. 84-107**

State Boards, Commissions and Authorities—Department of Economic Development—Establishment of Incubator Facilities for Small Business Concerns. Charles J. Schwartz, Secretary, Kansas Department of Economic Development, Topeka, October 18, 1984.

The authority of the Kansas Department of Economic Development to make grants pursuant to Chapter 276 of the 1984 Session Laws of Kansas (to establish incubator facilities for small business concerns) is subject to the condition that only qualified nonprofit corporations shall be eligible to receive a grant. A city or county is not such a nonprofit corporation, and is not eligible to receive a grant, even under circumstances where the city or county agrees to "pass the funds through" to an eligible nonprofit corporation. Cited herein: L. 1984, ch. 276, § 1, L. 1984, ch. 23, § 21, 42 U.S.C.A. §§ 5302(a)(1), 5306(d)(2)(A), 24 C.F.R. §§ 570.1(a)(3), 570.3(w), 570.488. TRH

OPINION NO. 84-108

Cities and Municipalities—General Improvement and Assessment Law—Special Assessments; Work or Improvements Authorized. Phillip L. Harris, City Attorney, Overland Park, October 18, 1984.

An extension of water lines owned and maintained by a water district organized pursuant to K.S.A. 19-3501 *et seq.* does not constitute a "municipal work or improvement" within the meaning and intent of K.S.A. 12-6a01 *et seq.* Cited herein: K.S.A. 12-6a01, 12-6a02, 19-3501, 19-3502, 19-3509. TRH

OPINION NO. 84-109

Alcoholic Liquors and Beverages—Prohibited Acts and Practices—Sale of Liquor to Intoxicated Persons. John A. Lamb, Director, Alcoholic Beverage Control Division, Department of Revenue, Topeka, October 18, 1984.

K.S.A. 41-715 prohibits the dispensing, whether through sale or gift, of alcoholic liquor to persons who are incapacitated or who are physically or mentally incapacitated through the consumption of liquor, and makes a violation of the statute a misdemeanor. As a criminal statute, the language of K.S.A. 41-715 must be strictly construed, and cannot be read so as to include the sale of liquor to a person who is not intoxicated at the time of sale, even if such person is known to have a history of alcohol abuse. Cited herein: K.S.A. 41-715; 59-3002; K.S.A. 1983 Supp. 77-201, *Thirty-First*; L. 1965, ch. 277, ch. 505; L. 1983, ch. 191. JSS

OPINION NO. 84-110

Corporations—Securities—Registration; Submission of Notice.

Attorneys at Law—Attorneys From Other States—Appearances Before Administrative Agencies; Local

Counsel. John R. Wurth, Securities Commissioner, Topeka, October 19, 1984.

Both K.S.A. 7-104 and Rule No. 116 of the Kansas Supreme Court (K.S.A. 60-2702a) require that an attorney who is licensed to practice in another jurisdiction associate with local counsel prior to transacting professional business before an administrative agency of the state. The submission of securities registration statements to the Kansas Securities Commissioner pursuant to K.S.A. 17-1256 does not involve any personal appearance unless and until the commissioner denies registration under K.S.A. 17-1260, and so does not constitute professional business before an administrative agency sufficient to invoke the provisions of the local counsel statute and rule. Accordingly, the local counsel requirements of K.S.A. 7-104 and Rule No. 116 do not apply to the filing of such statements. Cited herein: K.S.A. 7-102, 7-104, 17-1256, 17-1260, 17-1261, 60-2702a (Rule No. 116), K.A.R. 81-4-1, 81-11-1, 82-1-228 (amended 1977). JSS

OPINION NO. 84-111

Counties and County Officers—Planning and Zoning—Regulations Governing Subdivision of Lands; Approval of Plats. William A. Taylor III, Cowley County Counselor, Winfield, October 19, 1984.

Pursuant to K.S.A. 19-2918c, a county planning board has no authority to review subdivision plats before they are filed with the register of deeds unless the planning board has enacted subdivision regulations pursuant to K.S.A. 19-2918. Under these statutes, a board of county commissioners has the authority to approve subdivision regulations, but has no authority to approve or review a final plat which has been approved by the county planning board. Regardless of the existence of subdivision regulations, however, K.S.A. 19-2633 requires that subdivision plats of land located more than one mile from the limits of an incorporated city be approved by the board of county commissioners before such plats may be filed with the register of deeds. The provisions of this statute are applicable in Cowley County, which has a county planning board (appointed pursuant to K.S.A. 1983 Supp. 19-2915) that has not adopted subdivision regulations.

The filing and recording of a plat vests title to property designated for public use in the county, and such property is to be held in trust for the purposes of the dedication. A decision as to when a road or public way dedicated to public use is opened or put in condition for public use is within the discretion of the governing body charged with the responsibility of maintenance. Subdivided land which has been platted pursuant to K.S.A. 19-2633 is subject to the restrictions stated in the plats. Cited herein: K.S.A. 12-705; 12-705a; 12-705b; 19-2633; 19-2901; 19-2902; 19-2902a; 19-2905; 1983 Supp. 19-2915; K.S.A. 19-2918; 19-2918b; 19-2918c. MFC

**KANSAS PUBLIC
DISCLOSURE COMMISSION**

Advisory Opinion No. 84-18

Written October 17, 1984 to George M. Parsons, Chairman of Sedgwick County Republican Central Committee, P.O. Box 47626, Wichita, Kansas 67201.

This opinion is in response to your letter of October 1, 1984, concerning a donation of funds by the Republican National Committee to the Sedgwick County Republican Central Committee for the sole purpose of funding a get out the vote drive.

You ask whether the Republican National Committee is required to file a verified statement pursuant to K.S.A. 25-4172 when the transfer of funds takes place.

By rule and regulations, the Kansas Public Disclosure Commission has determined that funds used for voter registration drives and get out the vote drives do not constitute "contributions" under the Campaign Finance Act. Since K.S.A. 25-4172 applies only to "contributions," that section does not apply and a verified statement is not required under the circumstances you have described.

Advisory Opinion No. 84-19

Written to Garry L. Kemp, Director, Planning, Research, Evaluation and Accreditation Department of Corrections, Jayhawk Tower, 700 Jackson, Topeka, Kansas 66603.

This opinion is in response to your letter of August

10, 1984, in which you request an opinion from the Kansas Public Disclosure Commission.

We understand you request this opinion in your capacity as Director of Planning, Research, Evaluation and Accreditation for the Kansas Department of Corrections.

You advise us that in 1980 the Department of Corrections made a policy decision to take steps necessary to have its institutions accredited by the Commission on Accreditation for Corrections. With respect to one institution, Kansas State Penitentiary, the State agreed as part of a consent decree to obtain accreditation for that institution. You were hired to manage this process. The process involves the agency contracting with the Commission on Accreditation. The contract is a form contract designed by the Commission on Accreditation. The terms are not negotiable. The cost to the State is also not negotiable. The State pays a specific fee to the Commission on Accreditation for the accreditation service. It is your understanding that the Commission on Accreditation is a sole source provider in the accreditation process for correctional institutions.

You also state that in your role in managing the accreditation process, you contact the Commission on Accreditation each time you are ready to begin accreditation efforts at a specific institution. At that time, the Department enters into the agreement which is attached. You are then involved in working with the Commission on Accreditation throughout the entire process.

We also understand that you have been accepted by the Commission on Accreditation to be trained as an auditor in the accreditation process. In this capacity you would be involved in going to other states, to audit their institutions.

We understand that this training and auditing would be extremely useful to the State of Kansas since you would be in a position to better understand the process and prepare for audits of our institutions. We understand that during your time auditing institutions outside of the state you would be on loan to the Commission on Accreditation, receiving your state salary with no reimbursement for your service from the Commission.

You ask whether you may do auditing for the Commission of institutions outside Kansas during your tenure with the Kansas Department of Corrections.

We have reviewed K.S.A. 46-215 *et seq.* in its entirety and it is our opinion, based on this specific factual situation, that the situation you have described is permissible.

RICHARD E. DIETZ, Chairman
By Direction of the Commission

Interest Rate

Proposals will be received on the Bonds bearing such rate or rates of interest not exceeding six (6) different interest rates as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be in an even multiple of one-eighth ($\frac{1}{8}$ th) or one-twentieth ($\frac{1}{20}$ th) of one percent (1%). The difference between the highest interest rate bid and the lowest rate of interest bid shall not exceed two (2%) percent per annum. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the "Twenty Bond Index" of Tax Exempt Municipal Bonds published by the *Weekly Bond Buyer* in New York, New York on the Monday next preceding the day on which the Bonds are sold, plus two percent (2%). A bid for the purchase of less than all of the Bonds or bid at a price less than par and accrued interest will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the OFFICIAL BID FORM furnished by the City and should be addressed to Donald C. Gisick, City Clerk, 455 North Main Street, Wichita, Kansas 67202-1679, plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, and the net interest cost of the bid, and the average annual net interest rate, all certified by the bidder to be correct, and the City may rely upon the certificate of correctness of the bidder. No bid will be considered if made on other than the Official Bid Form and no bid will be considered if such form is amended or modified. Each bid must be accompanied by a certified or cashier's check in the amount of two percent (2%) of the total par value of the Bonds payable to the City Treasurer, City of Wichita, on which no interest will be allowed. The checks of unsuccessful bidders will be returned promptly. The check of the successful bidder or the proceeds thereof will be held as security for the performance of the contract to purchase the Bonds, but in the event that the successful bidder shall fail to comply with the terms of the bid, the check or the proceeds thereof shall then be forfeited and retained by the City as and for liquidated damages.

Award of the Bonds

The sealed bids for the Bonds shall be opened publicly and only at the time and place specified in this Notice, and the Bonds will be sold to the best bidder. The City reserves the right to reject any and/or all of the bids, and to waive any irregularities or informalities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the City, and the net interest cost will be determined by deducting the amount of any premium bid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities. If there is a discrepancy between the lowest net interest cost and the average annual interest rate specified, the net interest cost figure shall govern and the interest rates in the bid shall be adjusted accordingly.

Delivery and Payment

The Bonds, duly printed, executed and registered, will be furnished and paid for by the City. Delivery of the Bonds will be made on or before December 20, 1984, in New York, New York. Payment shall be made in immediately available federal reserve funds. The number, denomination of Bonds, and the names and tax identification numbers of the initial registered owners to be initially printed on the Bonds must be submitted in writing by the successful bidder to the Bond Registrar at least ten (10) business days prior to the date of delivery of the Bonds. In the absence of such information, the City will deliver the Bonds in the denomination of each maturity registered in the name of the successful bidder.

Legal Opinion

The Bonds will be sold subject to the unqualified approving opinion of Curfman, Harris, Stallings & Snow, Bond Counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each Bond. The cost of this legal opinion and the expense of printing the Bonds and legal opinion will be paid by the City. Said legal opinion will state in part substantially that the Bonds will constitute general obligations of the City, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the City, and that, under existing law, the interest on said Bonds is exempt from present federal income taxation and the Bonds are exempt from intangible personal property taxes levied by Kansas cities, counties and townships. The General Obligation Major Trafficway Bonds, Series "A," 1984, will be general obligations of the City, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property within the City.

Conditions of Bids

Bids will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds maturing in the same year. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1%. No interest rate shall exceed a rate equal to the "20 Bond Index" of tax exempt municipal bonds published by *The Weekly Bond Buyer*, in New York, New York, on the Monday next preceding the day on which the Bonds are sold, plus 2%, and the difference between the highest and lowest interest rates specified in any bid shall not exceed 2%. No bid of less than the principal amount of the Bonds plus accrued interest thereon to the date of their delivery will be considered. Each bid shall specify the total interest cost to the City on the basis of such bid, and the average annual net interest rate on the basis of such bid.

Basis of Award

The award of the Bonds shall be made on the basis of the lowest net interest cost to the City, which shall be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the City. If there is any discrepancy between said net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids which provide for identical amounts for the lowest net interest cost are received, the City shall determine

which bid, if any, shall be accepted, and its determination shall be final.

Delivery of and Payment for the Bonds

The City will pay for printing and registering the Bonds and will deliver the same properly prepared, executed and registered to the successful bidder within 60 days after the date of sale at such bank or trust company located in the contiguous United States of America, as may be specified by the successful bidder without cost to the successful bidder. Payment for the Bonds shall be made in federal reserve funds or other funds which shall be available to the City on the same day the Bonds are delivered to the successful bidder. The successful bidder will be furnished with a certified transcript evidencing the authorization and issuance of the Bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of the delivery of the Bonds affecting their validity.

Legal Opinion

The Bonds will be sold subject to the legal opinion of Fred W. Rausch, Jr., Bond Counsel, Topeka, Kansas, whose unqualified approving opinion will be furnished and paid for by the City, and will be printed on the Bonds and provided to the successful bidder as and when the Bonds are delivered. Said opinion will also state that in the opinion of Bond Counsel, under existing laws and regulations, the interest on the Bonds is exempt from federal income taxation and from Kansas intangible personal property taxes.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated Bonds, or assigned to uncertificated Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the successful bid and this Notice of Bond Sale. All expenses in relation to the assignment and printing of CUSIP numbers on the Bonds will be paid for by the City.

Good Faith Deposit

Each bid must be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$2,500.00 (2% of the total par value of the Bonds) made payable to the order of the Treasurer of the City of Hoxie, Kansas, to secure the City from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid on the deposit made by the successful bidder. Said check will be returned to the bidder if the bid is not accepted. If a bid is accepted, said check may be deposited by the City or held by the City until the bidder has complied with all of the terms and conditions of this notice, at which time the check will be deposited and credited to the order of the bidder. If a bid is accepted but the City shall fail to deliver the Bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is

accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the City as and for liquidated damages.

Bid Forms

All bids shall be subject to the terms and conditions contained in this Notice of Bond Sale and must be made on the bid forms which may be obtained from the City Clerk, or upon equivalent forms. No additions or alterations may be made to such forms and any erasures may cause rejection of any bid. The City reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes and addressed to the undersigned, City Clerk, City Hall, 1024 Royal Avenue, Hoxie, Kansas 67740, and marked "Bid For the Purchase of Bonds." Delivery of the Bonds

The Bonds, duly printed, executed and registered, will be furnished and paid for by the Board, and the Bonds will be sold subject to the unqualified approving opinion of GAAR & BELL, Bond Counsel, of Wichita, Kansas. **THE NUMBER, DENOMINATION OF BONDS, AND NAMES OF THE INITIAL REGISTERED OWNERS TO BE INITIALLY PRINTED ON THE BONDS SHALL BE SUBMITTED IN WRITING BY THE SUCCESSFUL BIDDER TO THE BOND REGISTRAR NOT LATER THAN NOVEMBER 21, 1984.** The purchaser will be furnished with a complete Transcript of Proceedings evidencing the authorization and issuance of the Bonds, and the usual closing proofs, which will include a Certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. The cost of this legal opinion and the expense of printing the Bonds and legal opinion will be paid by the Board. Said legal opinion will state in part that under existing law, the interest on said Bonds is exempt from present federal income taxation and the Bonds and all income derived therefrom are and shall be exempt from all state, county and municipal taxation in the State of Kansas, except inheritance taxes of the State of Kansas.

Purpose of Issue

The Bonds are being issued for the purpose of providing funds to refund prior to maturity the outstanding Board of Regents of the State of Kansas, Academic and Service Building Revenue Bonds (Wichita State University) Series 1971, dated June 1, 1971 in the original principal amount of \$3,400,000, \$2,225,000 of which remain outstanding (the Series 1971 Bonds). The proceeds of the Series 1971 Bonds were used to provide a portion of the funds to construct and equip a Science Building containing classrooms, laboratories and offices, and a Power Plant to provide a central heating and air conditioning facility and necessary appurtenances thereto on the campus of Wichita State University (the Project). Certain funds currently held in accounts created in conjunction with the issuance of the Series 1971 Bonds will be used together with proceeds of the Series 1984 Bonds to establish an irrevocable escrow trust account of United States Government Securities and cash, the proceeds of which will be sufficient to retire the principal of and interest on the Series 1971 Bonds as the same become due for payment.

Sufficiency of Protest

The Board has adopted a Resolution declaring the intent to issue the Series 1984 Bonds and provided for notice of same to be published in accordance with K.S.A. 76-6a25. Such notice was published in the *Kansas Register* on October 25, 1984. Within thirty days of such publication an action may be filed in a court of competent jurisdiction to challenge the validity of the proceedings taken by the Board or the legality of the Series 1984 Bonds. The Series 1984 Bonds will be awarded subject to the rights created by such statute. In the event adverse litigation is filed and not favorably resolved prior to October 28, 1984, the Series 1984 Bonds will not be issued and delivered. The Board shall not be liable to the successful bidder for any failure to deliver the Series 1984 Bonds resulting from action taken pursuant to K.S.A. 76-6a25.

Security

The Series 1984 Bonds are secured by a pledge of the gross revenues to be derived from the Project and from a Student Building Fee levied against each regularly enrolled student at Wichita State University, which together with any other available funds, will be sufficient to meet all debt service and reserve requirements on the Series 1984 Bonds. A bond reserve account in the amount of \$300,000 will be created from available funds currently held in accounts established in conjunction with issuance of the Series 1971 Bonds. The Series 1984 Bonds do not constitute general obligations of the Board of Regents of the State of Kansas, Wichita State University, the State of Kansas or the United States of America and cannot be paid from any general property tax levied by the State of Kansas. The Board is immune from liability and suit on an implied contract, or for negligence, or any other tort, except as is otherwise specifically provided by statute.

 - (b) Have an elector living in the same county file an affidavit in his or her behalf.

An absentee ballot will be mailed to the address designated; the ballot must be voted in secrecy and returned to the county election officer of the home county by the time the polls close on election day.

2. An absent voter may go to the office of his or her home county election officer from the Tuesday noon preceding the election until Monday noon preceding the election, make application and vote in the office.

Sick, Physically Disabled or Illiterate Voters:

Special voting procedures are available for any voter having a permanent or temporary illness or disability which would make it difficult or impossible for that voter to vote at a polling place.

1. All registration and voting procedures may be handled by mail.

2. A sick, disabled or illiterate voter may make application for a ballot prior to the election, but no later than noon on election day; or such voter may have application made on his or her behalf by another.

3. Sick, physically disabled or illiterate voters who are unable to mark or transmit an absentee ballot may receive assistance from another person. The person rendering assistance must sign an affidavit and return both the affidavit and the absentee ballot to the county election officer by the time the polls close election day.

4. Registered voters having permanent physical disabilities or illnesses are permitted to automatically receive absentee ballots before every election. Applications for this special permanent absentee ballot status are available from local county election officers.

5. If an elderly or disabled voter is able to go to the voting place but finds it inaccessible by reason of stairs or steps, such voter may request that his or her ballot be brought to the entrance of the polling place.

Federal Service absentee voting:

Persons qualified to vote under Federal Service voting provisions are:

- a. Members of the armed forces and their spouses and dependents.
- b. Members of the Merchant Marine and their spouses and dependents.
- c. Citizens of the United States temporarily residing outside the territorial limits of the United States and their spouses and dependents residing with or accompanying them.

Such persons are not required to be registered to vote. However, such persons must be eligible to register in Kansas.

Postcard applications (Standard Form 76) must be mailed to the home county election officer or home state secretary of state. (If postcard application is not available at military installation, the voter should contact the Secretary of State for an application.)

Ballots will be mailed by the county election officer, and the marked ballots must be returned to that office by the time the polls close on election day.

All Federal Service ballot material is transmitted air mail free of charge (except items mailed by other than U.S. Mail).

Federal Service absentee ballots shall be issued to qualified applicants for the following elections:

1. Any primary or general election held in his or her district or precinct.
2. All candidates (other than precinct committeemen and committeewomen) for whom the voter would otherwise be qualified to vote.
3. Proposed amendments to the Kansas Constitution.
4. Any other statewide proposition or question.

NOTE: Those persons entitled to vote the Federal Service absentee ballot and who have been discharged or have terminated employment too late to register in their home precinct will be allowed to sign an affidavit in the office of the county election officer which will permit them to vote at the next ensuing election. A voter's home county election officer should be consulted for details.

AT THE POLLS

Voting Hours:

The polls are open from 7:00 a.m. until 7:00 p.m. unless different hours are set and publicly announced by the county election officer. The polls must be open at least 12 continuous hours, not close before 7:00 p.m., and close no later than 8:00 p.m.

Paper Ballots:

When paper ballots are used, the voter will be given the official ballots and should then proceed to the voting booth to mark them. The voter must not place any marks on a ballot which would in any way identify it.

If a ballot is torn, soiled, defaced or erroneously marked, it may be refolded and returned to the election officer. A second set of ballots will be provided, but no more than three sets of ballots may be obtained.

A voter may be limited to five minutes in the voting booth if other voters are waiting to use it.

(continued)

Voting Machines:

If voting machines are used, a small model of the machine must be available at each polling place to demonstrate to voters how to use the machines.

Each voter is limited to three minutes in the voting machine booth.

Write-in Voting:

Write-in votes are allowed only if a blank line is provided under the specific office. A name must be written clearly and a proper cross or check mark placed in the box at the right. Voting machines also provide spaces for write-in votes, where allowed.

Assistance in Voting:

A voter may request assistance if unable to vote unassisted by reason of:

1. Physical disability;
2. Visual handicap;
3. Lack of proficiency in reading the English language; or
4. Sixty-five or more years of age.

Challenges:

A person offering to vote may be challenged as unqualified on any of the following grounds:

1. Not a citizen of the United States.
2. Not 18 years of age.
3. Not a resident of the precinct.
4. Not registered to vote.
5. If a former resident, such person has moved before 30 days prior to the election.
6. At primary election: not a member of the political party announced by the voter.

A challenged voter must be allowed to vote a "Challenged" ballot, which must be sealed and held by poll officials pending a determination, as provided by law, of the voter's qualifications to vote.

Persons who move within 30 days of an election:

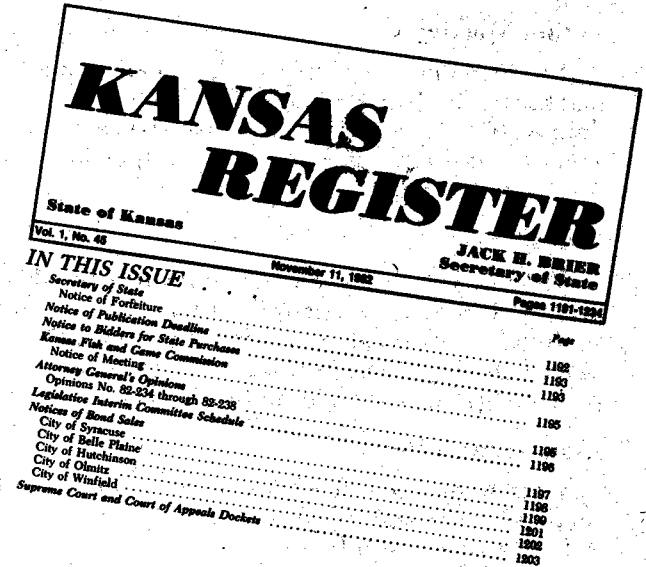

If a registered voter changes his or her name, or moves within the precinct, during the 30 days immediately preceding an election, the voter may sign an affidavit at the polling place and vote in that election. A voter who moves to another precinct in Kansas during the 30 days just prior to an election may vote in his or her former precinct in person or by absentee ballot. In either case, re-registration is required before the next election.

Poll Agents:

Authorized poll agents are permitted to be present as observers at original, intermediate and final canvasses of elections and at polling places.
