Cities and Municipalities—Miscellaneous Provisions—City and County Service for Programs for the Elderly; Tax Levy, Use of Proceeds. Dale J. Paulsen, Attorney for Board of Stafford District Hospital No. 4, St. John, November 5, 1984.

A city or county may levy a tax to support a service program for the elderly under the provisions of K.S.A. 12-1680. That statute does not, however, authorize a hospital district to levy such a tax. Cited herein: K.S.A. 10-101, 12-1680. TRH

Proposals will be received on the Bonds bearing such rate or rates of interest, not exceeding five (5) different interest rates, as may be specified by the bidder. Each interest rate specified shall be in an even multiple of one-eighth (1/8th) or one-twentieth (1/20th) of one percent (1%). The difference between the highest and lowest

interest rates specified in any bid shall not exceed two and one-half percent (2½%). No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being two percent (2%) above the "Bond Buyer's 20 Bond Index," published in the *Weekly Bond Buyer* on the Monday next preceding the day on which the Bonds are sold (November 12, 1984), and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the City will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to two percent (2%) of the total amount of the bid, and shall be payable to TREASURER, CITY OF BELLE PLAINE, KANSAS. In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the City as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the Bonds shall be opened publicly and only at the time and place specified in this Notice, and the Bonds will be sold to the best bidder. The City reserves the right to reject any and/or all of the bids, and to waive any irregularities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the City, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities.

Delivery of the Bonds

The Bonds, duly printed, executed and registered, will be furnished and paid for by the City, and the Bonds will be sold subject to the unqualified approving opinion of GAAR & BELL, Bond Counsel, of Wichita, Kansas, whose opinion will be paid for by the City. THE NUMBER, DENOMINATION OF BONDS, AND NAMES OF THE INITIAL REGISTERED OWNERS SHALL BE SUBMITTED IN WRITING BY THE SUCCESSFUL BIDDER TO THE BOND REGISTRAR NOT LATER THAN DECEMBER 17, 1984. The purchaser will be furnished with a complete Transcript of Proceedings evidencing the authorization and issuance of the Bonds, and the usual closing proofs, which will include a Certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. Payment for the Bonds shall be made in immediately

available funds. Delivery of the Bonds will be made to the successful bidder on or before DECEMBER 31, 1984, at any bank in the STATE OF KANSAS or KANSAS CITY, MISSOURI, at the expense of the City. Delivery elsewhere will be made at the expense of the purchaser.

The cost of this legal opinion and the expense of printing the Bonds and Legal Opinion will be paid by the City. Said Legal Opinion will state in part substantially that the Bonds will constitute general obligations of the City, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable, tangible property within the territorial limits of the City and that, under existing law, the interest on said Bonds are exempt from intangible personal property taxes levied by Kansas cities, counties and townships.

Purpose of Issue

The Bonds are being issued for the purpose of constructing sewer improvements in the City.

It is anticipated that CUSIP identification numbers will be printed on the Bonds; but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of its Contract and this Notice of Bond Sale. (continued)

America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the "Paying Agent" and "Bond Registrar"), to the registered owners thereof whose names are on the registration books of the Bond Registrar as of the 15th day of the month preceding each interest payment date. The Bonds will be registered pursuant to a plan of registration approved by the City and the Attorney General of the State of Kansas. The Bonds may be registered as fully registered certificated bonds or uncertificated (book entry) bonds at the option of each registered owner.

The City will pay for the fees of the Bond Registrar for registration and transfer of the Bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, will be the responsibility of the bondholders.

THE DENOMINATIONS OF THE BONDS AND THE NAMES, ADDRESSES AND SOCIAL SECURITY OR TAXPAYER IDENTIFICATION NUMBERS OF THE REGISTERED OWNERS SHALL BE SUBMITTED IN WRITING BY THE SUCCESSFUL BIDDER TO THE CITY AND BOND REGISTRAR AT LEAST TWO WEEKS PRIOR TO THE CLOSING DATE.

Redemption of Bonds Prior to Maturity

Bonds maturing in the year 1985 to 1996, inclusive, shall become due without option of prior payment. At the option of the City, bonds maturing in the years 1997 to 2004, inclusive, may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the City in such equitable manner as it may determine) on December 1, 1996, or on any interest payment date thereafter at the redemption price of 100% of the principal amount of the Bonds plus accrued interest thereon to the date of redemption.

Whenever the City selects bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the Bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered Bond as though it were a separate bond of the denomination of \$5,000.

If the City shall elect to call any Bonds for redemption and payment prior to the maturity thereof, the City will give written notice of its intention to call and pay the Bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of the Bonds, to the State Treasurer of Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any Bond be called for redemption and payment as aforesaid, all interest on such Bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1%. No interest rate shall exceed a rate equal to the "20 Bond Index" of tax exempt municipal bonds published by *Credit Markets* (formerly the *Weekly Bond Buyer*) in New York, New York, on the Monday next preceding the day on which the Bonds are sold, plus 2%. The difference between the highest rate specified and the lowest rate specified shall not exceed 2½%. No bid of less than the par value of the Bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid shall specify the total interest cost to the City during the life of the Bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the City on the basis of such bid. Each bid shall also specify the average annual net interest rate to the City on the basis of such bid.

Basis of Award

The award of the Bonds will be made on the basis of the lowest net interest cost to the City, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the City. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and its determination shall be final. The City reserves the right to reject all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The Bonds are being issued pursuant to K.S.A. 12-6a01, *et seq.*, as amended, for the purpose of paying the cost of certain water system, sanitary sewer and street improvements in the City. The Bonds and the interest thereon will constitute general obligations of the City, payable in part from special assessments levied upon the property benefited by the construction of said improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City, with the balance payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City.

Legal Opinion

The Bonds will be sold subject to the legal opinion of GAAR & BELL, Overland Park, Kansas, Bond Counsel, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the City, printed on the Bonds and delivered to the

successful bidder as and when the Bonds are delivered. Said opinion will also state that in the opinion of Bond Counsel, under existing laws and regulations, the interest on the Bonds is exempt from federal income taxation.

Delivery and Payment

The City will pay for printing the Bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before December 28, 1984, at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing proofs which will include a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. Payment for the Bonds shall be made in federal reserve funds, immediately subject to use by the City.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$22,400 payable to the order of the City to secure the City from any loss resulting from the failure of the successful bidder to comply with the terms of its bid. No interest will be paid upon the successful bidder's good faith check. Said check shall be returned to the bidder if its bid is not accepted. If a bid is accepted, said check will be held by the City until the bidder shall have complied with all of the terms and conditions of this Notice, at which time the check will be returned to the successful bidder or paid to its order at the option of the City. If a bid is accepted but the City shall fail to deliver the Bonds to the bidder in accordance with the terms and conditions of this Notice, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this Notice, the proceeds of such check will be retained by the City as and for liquidated damages.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated Bonds or assigned to uncertificated Bonds, but neither the failure to print such number on or assign such number to any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the Bonds will be paid by the City.

Bond Ratings

The City has applied to Standard & Poor's Corporation and Moody's Investors Service, Inc. for ratings on the Bonds. It is expected that ratings will be available to prospective bidders on or before the date of the sale.

All bids must be made on forms which may be procured from the City Clerk or the Financial Advisor. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The City reserves the right to waive irregularities and to reject any or all bids.

Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to 4:00 o'clock p.m., Central Standard Time, on Tuesday, November 20, 1984.

Proposals will be received on the Bonds bearing such rate or rates of interest, not exceeding eight (8) different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be in an even multiple of one-

eighth (1/8th) or one-twentieth (1/20th) of one percent (1%). The difference between the highest and lowest interest rates specified in any bid shall not exceed two percent (2%). No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being two percent (2%) above the "Bond Buyer's 20 Bond Index," published in the *Weekly Bond Buyer* on Monday, November 12, 1984, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bids shall be submitted on the OFFICIAL BID FORM furnished by the City, and shall be addressed to the City at City Hall, 805 Main, Sabetha, Kansas 66534, and shall be plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the City will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to two percent (2%) of the total amount of the bid, and shall be payable to the City of Sabetha. In the event a bidder whose bid is accepted shall fail to carry out his Contract of Purchase, said deposit shall be retained by the City as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The Bonds, duly printed, executed and registered, will be furnished and paid for by the City, and the Bonds will be sold subject to the unqualified approving opinion of NICHOLS AND WOLFE CHARTERED, Bond Counsel of Topeka, Kansas, whose opinion will be paid for by the City.

The number, denomination of Bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the Bond Registrar not later than December 19, 1984.

The purchaser will be furnished with a complete Transcript of Proceedings evidencing authorization and issuance of the Bonds, and the usual closing proofs, which will include a Certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity. Payment for the Bonds shall be made in immediately available funds. Delivery of the Bonds will be made to the successful bidder on or before December 31, 1984, at any bank in the STATE OF KANSAS or KANSAS CITY, MISSOURI, at the expense of the City. Delivery elsewhere will be made at the expense of the purchaser.

The Bonds will constitute General Obligations of the City, payable as to both principal and interest from the collection of special assessments which have been levied on benefited property; but if not so paid, then said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the City. The Series 1984 A Bonds are being issued for the purpose of constructing certain street improvements in the City of Sabetha.

The sealed bids for the Bonds shall be opened

publicly and only at the time and place specified in this Notice. The City reserves the right to reject any and/or all of the bids, and to waive any irregularities. Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the City; and the net interest cost will be determined by deducting any amount of any premium paid from the aggregate amount of interest upon all of the Bonds from their date until their respective maturities.

Assessed valuation figures of the City of Sabetha, Kansas, for the year 1984, are as follows:

Equalized assessed valuation of taxable, tangible property	\$6,748,684.00
