Counties and County Officers—County Commissioners; Powers and Duties—Control of Expenditures and Printing.

Roads and Bridges—County and Township Roads—County Road Unit System; Adoption.

Roads and Bridges—Roads; General Provisions—Creation of Special Fund for Rock Crusher. Marilyn Wilson, Greenwood, County Clerk, Eureka, May 30, 1985.

(1) A board of county commissioners may, pursuant to the authority of K.S.A. 19-101 and 19-229, designate a newspaper as the official county newspaper for the purpose of publishing legal notices. For a newspaper to be eligible to print legal notices, it must meet the requirements of K.S.A. 64-101.

(2) A township may utilize the revenue produced by taxes levied for road maintenance to contract with a county, under the terms of an interlocal agreement, to perform road maintenance work. In the absence of a county road unit system, which must be imposed on the entire county rather than selected townships, the county cannot dissolve townships unless the townships initiate the procedure under K.S.A. 80-1109.

(3) Acting under its home rule authority, a county may designate a portion of the general fund or the road and bridges fund as a separate fund for the maintenance of the county rock crusher.

Opinion No. 85-58

Waters and Watercourses—Groundwater Management Districts—Definitions; Eligible Voters, Water Users, Tract. Representative Gayle Mollenkamp, One Hundred and Eighteenth District, Russell Springs, May 30, 1985.

The term "tract" as used in K.S.A. 82a-1021(e) means a single unit of land which is described in a deed or other recorded instrument. The term "water user" defined in K.S.A. 82a-1021(k) includes those persons who use one or more acre foot of water per year for domestic purposes. A groundwater management district may require an individual to show that his or her domestic use does not reach this amount in order to qualify for the exemption from user charges authorized by K.S.A. 82a-1030, and which apply to all water users, including domestic ones. Individuals who live within the limits of a city which is a water user are represented in the affairs of the district by the city, unless they themselves use one or more acre foot of water a year and so qualify as water users. Here, the presumption is one of non-use, so that an individual must show that his or her water use equals one or more acre foot per year in order to qualify as an eligible voter in the district. Cited herein: K.S.A. 12-519, 82a-1021, 82a-1028, 82a-1029, 82a-1030, 82a-1203. JSS

Opinion No. 85-59

Waters and Watercourses—Groundwater Management Districts—Definitions; Eligible Voter. Van Smith, Attorney for Southwest Kansas Groundwater Management No. 3, Garden City, May 30, 1985.

K.S.A. 82a-1021(e) defined those persons who are eligible to vote in elections of a groundwater management district, with the fee owner of land authorized to designate his tenant to cast the owner's vote in district elections. The subsection also permits estates, trusts and corporations to designate representatives to cast the votes of such entities. However, a person employed by a corporation to manage land owned in fee by a third person could not cast a vote in a district election, as such person would not be either a tenant or the representative of an estate, trust or corporation which itself owned land. Taxation—Sales of Liquor by Clubs—Disposition of Revenues. Lee Hornbaker, Grandview Plaza City Attorney, Junction City, June 5, 1985.

Pursuant to the provisions of K.S.A. 79-41a04 (as amended by 1985 Senate Bill No. 370), the governing body of a city that has a population of 10,000 or less may transfer any moneys credited to a special alcohol programs fund (established pursuant to L. 1979, ch. 152, § 14) to the city general fund. Cited herein: K.S.A. 79-41a04 (as amended by 1985 Senate Bill No. 370); L. 1982, ch. 424, § 5; L. 1979, ch. 152, § 14. TRH

Counties and County Officers—District Coroner—Possession of Property. Gene M. Olander, District Attorney, Topeka, June 5, 1985.

Under K.S.A. 19-1029 a district coroner may take possession of *any property* important to the determination of the cause of death in any case in which the law requires the coroner to be notified of the death. This statutory language is sufficiently broad to include records maintained by an ambulance service if such records are important to determining the cause of death. The School District will pay for all initial registration costs and for printing of a reasonable supply of registered bond blanks as determined by the Registrar and Paying Agent. Any additional costs or fees that might be incurred in the secondary market will be the responsibility of the bondholder.

The type and denomination of the Bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the Board by July 1, 1985.

Redemption of Bonds

Bonds maturing in the years 2000 through 2005 shall be redeemable at the option of the School District in October 1, 1999, and on any interest payment date thereafter at par and accrued interest to date of call, without premium. Notice of any such redemption shall be made in the manner prescribed by law.

Authority, Purpose and Security for the Bonds

The Bonds are being issued pursuant to and in full compliance with the constitution and laws of the State of Kansas including K.S.A. 72-6761 *et seq.*, Article 1 of Chapter 10 and Chapter 49 of the 1983 *Kansas Session Laws*, for the purpose of paying the cost of certain school building improvements.

The General Obligation School Building Bonds, Series "A," 1985, will be general obligations of the School District, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property within the School District.

Conditions of Bids

Bids will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds maturing in the same year. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by *Credit Markets* (formerly the *Weekly Bond Buyer*), in New York, New York, on the Monday next preceding the day on which the Bonds are sold, plus 2%, and the difference between the highest and lowest interest rates specified in any bid shall not exceed 2%. No bid of less than the principal amount of the Bonds plus accrued interest thereon to the date of their delivery will be considered. Each bid shall specify the total interest cost to the School District on the basis of such bid, and the average annual net interest rate on the basis of such bid.

Basis of Award

The award of the Bonds shall be made on the basis of the lowest net interest cost to the School District, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the School District. If there is any discrepancy between said net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids which provide for identical amounts for the lowest net interest cost are received, the Board shall determine which bid, if any, shall be accepted, and its determination shall be final.

Delivery of and Payment for the Bonds

The School District will pay for printing and registering the Bonds and will deliver the same properly prepared, executed and registered to the successful bidder within 45 days after the date of sale at such bank or trust company located in the contiguous United States of America, as may be specified by the successful bidder without cost to the successful bidder. Payment for the Bonds shall be made in federal reserve funds or other funds which shall be available to the School District on the same day the Bonds are delivered to the successful bidder. The successful bidder will be furnished with a certified transcript evidencing the authorization and issuance of the Bonds and the usual closing proofs, which will in-

(continued)

clude a certificate that there is no litigation pending or threatened at the time of the delivery of the Bonds affecting their validity.

Legal Opinion

The Bonds will be sold subject to the legal opinion of Fred W. Rausch, Jr., Bond Counsel, Topeka, Kansas, whose unqualified approving opinion will be furnished and paid for by the School District, and will be printed on the Bonds and provided to the successful bidder as and when the Bonds are delivered. Said opinion will also state that in the opinion of Bond Counsel, under existing laws and regulations, the interest on the Bonds is exempt from federal income taxation and from Kansas intangible personal property tax.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds, or assigned to uncertificated bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the successful bid and this Notice of Bond Sale. All expenses in relation to the assignment and printing of CUSIP numbers on the Bonds will be paid for by the School District.

Good Faith Deposit

Each bid must be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$79,000.00 (2% of the total par value of the Bonds) made payable to the order of the Treasurer of the School District, to secure the School District from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid on the deposit made by the successful bidder. Said check will be returned to the bidder if the bid is not accepted. If a bid is accepted, said check may be deposited by the Board or held by the Board until the bidder has complied with all of the terms and conditions of this notice, at which time the check will be deposited and credited to the order of the bidder. If a bid is accepted but the School District shall fail to deliver the Bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the School District as and for liquidated damages.

Bid Forms

All bids shall be subject to the terms and conditions contained in this Notice of Bond Sale and must be made on the bid forms which may be obtained from the Clerk, or upon equivalent forms. No additions or alterations may be made to such forms and any erasures may cause rejection of any bid. The School District reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes and addressed to the undersigned Clerk of the Board of Education, P. O. Box 97, Gardner, Kansas 66030, and marked "Bid for the Purchase of Bonds." Bids may be submitted by mail or delivered in person, and must be received by the undersigned prior to 7:30 o'clock p.m. local time on June 18, 1985.

Assessed Valuation and Indebtedness

The total equalized assessed valuation of the taxable, tangible property within the School District for the year 1984 is \$35,852,966.00, including motor vehicle valuation of \$3,796,251.00, motor vehicle dealer's inventory valuation of \$1,010.00, and farm machinery and business aircraft valuation of \$6,732,560.00. The total general obligation bonded indebtedness of the School District as of June 1, 1985, including the Bonds being sold, is \$7,200,000.00.

Bond Ratings

The School District has not applied for a rating on the Bonds herein offered for sale. The School District has made it possible for the successful bidder, at its option, to purchase insurance guaranteeing the payment of the principal of and interest on said Bonds at the bidder's cost. Said insurance can be purchased from the AMBAC Indemnity Corporation at a cost of approximately \$61,500.00. AMBAC Indemnity Corporation ("AMBAC") has issued a Commitment for Municipal Bonds Insurance covering the Bonds. All bids may be conditioned upon the issuance, effective as of the date on which the Bonds are issued, of a policy of insurance by AMBAC Indemnity, or a policy of insurance by another insurance company fully reinsured by AMBAC Indemnity guaranteeing the payment of principal and interest on the Bonds. Each bond will bear a legend referring to the insurance. The purchaser, holder, or owner is not authorized to make any statement beyond those set out here and in the bond legend. If the successful bidder elects to purchase said insurance the School District must be so notified in writing on or before June 24, 1985, if information that such insurance has been purchased is desired by the bidder to be included in the legal opinion which will be printed on the Bonds.

For additional information concerning the Bonds and U.S.D. No. 231, contact George K. Baum & Company, 1004 Baltimore, Kansas City, Missouri 64105. (816) 474-1100.

Delivery elsewhere will be made at the expense of the purchaser.

The Bonds will constitute General Obligations of the City, payable as to both principal and interest in part from taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property within the City and in part from the collection of special assessments which have been levied on benefited property; but if not so paid, then said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the City. DEPARTMENT OF CORRECTIONS

TEMPORARY ADMINISTRATIVE
REGULATIONS

(Effective March 22, 1985. Expires May 1, 1986.)

Article 6.—GOOD TIME CREDITS

44-6-136. Delinquent time lost on parole (DTLOP). (a) Delinquent time lost on parole shall be computed from the date on which the secretary's parole violation warrant, the conditional release violation warrant, or parole officer's arrest and detain order was issued to the date of the service of the warrant as shown on the warrant. If the warrant is issued after confinement, no DTLOP shall be accrued. DTLOP shall be added to the controlling maximum date and the conditional release date shall be adjusted by that same amount.

(b) Delinquent time lost on parole shall only accumulate during the period of time in which the offender is classified as an absconder. Once the initial warrant has been served, delinquent time shall stop accumulating and time after service of the warrant shall not be considered when the sentences are adjusted for delinquent time lost on parole. Credit shall therefore be allowed for any time spent in jail awaiting disposition on revocation hearings.

(c) If, after the parolee or conditional release is located, the parole or conditional release is continued without revocation, no delinquent time lost on parole shall be shown.

(d) The arresting officer shall endorse, on the back of the parole violation warrant, the conditional release violation warrant, or the arrest and detain order, the date of service, arrest and incarceration. (Authorized by K.S.A. 75-5251, 75-5210; implementing K.S.A. 22-3427, 75-5210, 75-5251, K.S.A. 1984 Supp. 21-4608, 22-3717; effective T-84-32, Nov. 23, 1983; effective May 1, 1984; amended, T-86-5, March 22, 1985.)

Article 13.—DISCIPLINARY PROCEDURE

44-13-406. Disposition. (a) The disposition shall be rendered by the board or hearing officer in an official session with the inmate present unless other-

wise provided by law or regulation. The dispositions shall be made without unreasonable delay following the final hearing, preferably at the conclusion of the hearing.

(b) The disciplinary board or hearing officer may:

- (1) Designate the minimum and maximum penalty;
- (2) impose a flat sentence, within the limits set in the disciplinary code;

(3) designate only the minimum within the limits set out in the disciplinary code, in which case the maximum shall be that shown in the code. If not a flat sentence, the case shall be reviewed, after the minimum penalty has been served, by the principal administrator or the principal administrator's designee; or

(4) order the sentences for two or more rule violations to be served on a concurrent or consecutive basis. If the disciplinary board or hearing officer makes no specific order in this regard, the sentences shall be computed on a concurrent basis.

(c) The disciplinary board or hearing officer may suspend all or part of the sentence imposed.

(d) The disciplinary board or hearing officer may make a recommendation regarding classification, housing or assignment to the unit team on a separate form or in a separate space on the disposition form as designated for such purpose.

(e) The charging officer shall be notified promptly of the disposition. (Authorized by K.S.A. 75-5210; effective, May 1, 1980; amended, T-83-23, Aug. 11, 1982; amended, T-84-6, May 1, 1983; amended, May 1, 1984; amended, T-86-5, March 22, 1985.)
