Basis for Award

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The city reserves the right to reject any and all bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city; the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or about October 1, 1985, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser.

Security

Bids shall be conditioned upon the unqualified approving opinion of William P. Timmerman, Bond Counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each bond and a manually signed original will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds and legal opinion will be paid by the city. Said legal opinion will state in part substantially that the bonds will constitute general obligations of the city, payable as to both principal and interest from the collection of special assessments which have been levied on benefited property, but any portion of said specially assessed part not so paid will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the city; and that, under existing law, the interest on said bonds is exempt from present federal income taxation and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties or townships. The bonds are being issued for the purpose of paying special assessments levied for street and storm drainage improvements in the city of Andale, Kansas.
