Accordingly, K.S.A. 9-2011 is not applicable to an institution such as a federal land bank which is not empowered to "receive money on deposit" or issue checks, drafts or "other evidence of indebtedness" for which it charges a fee, pursuant to K.S.A. 9-702. Cited herein: K.S.A. 9-702, 9-2011, 12 U.S.C. §§ 2033, 2071. JSS

(continued)

certificated bonds or uncertificated bonds. Consideration will be given to the successful purchaser's preference regarding the plan of registration; however, the city will make the final decision on the registration plan and the bid may not be conditioned on the plan of registration.

The city will pay for all initial registration costs and for printing of a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market will be the responsibility of the bondholders.

The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar by December 6, 1985. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

Conditions of Bids

Bids will be received on the bonds bearing the rates of interest specified herein subject to the following conditions: The bonds will be sold in one block on an "all or none" basis. No supplemental interest payments will be authorized. No bid less than the principal amount of the bonds plus accrued interest thereon to the date of their delivery will be considered. Each bid shall specify the total interest cost to the city during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, the net interest cost to the city on the basis of such bid, and the average annual net interest rate on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city will determine which bid, if any, shall be accepted, and its determination shall be final.

Delivery of and Payment for the Bonds

The city will pay for and furnish to the successful bidder the unqualified approving opinion of its Bond Counsel, Gaar & Bell, and also for printing and registering the bonds and will deliver the same properly prepared, executed and registered to the successful bidder within 15 days after the date of sale at such bank or trust company located in Kansas City, Kansas, or Kansas City, Missouri, as may be specified by the successful bidder without cost to the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Payment for the bonds shall be made in federal reserve funds or other funds which shall be available to the city on the same day the bonds are delivered to the successful bidder. The successful bidder will be furnished with a certified transcript evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending

or threatened at the time of the delivery of the bonds affecting their validity.

Good Faith Deposit

Each bid must be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$55,000 (2 percent of the total par value of the bonds), made payable to the order of the Treasurer of the City of Kansas City, Kansas, to secure the city from any loss resulting from the failure of the bidder to comply with the term of the bid. No interest will be paid on the deposit made by the successful bidder. Said check will be returned to the bidder if the bid is not accepted. If a bid is accepted, said check will be held by the city until the bidder has complied with all of the terms and conditions of this notice, at which time the check will be paid to or upon the order of the bidder. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages.

Bid Forms

All bids shall be subject to the terms and conditions contained in this notice of bond sale and must be made on the forms which may be obtained from the City Clerk. No additions or alterations may be made to such forms and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and reject any and all bids.

It is anticipated that CUSIP identification numbers will be printed on certificated bonds, or assigned to uncertificated bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the successful bid and this notice of bond sale. Each bid shall also specify the average annual net interest rate to the Secretary on the basis of such bid. The principal amount of bonds maturing on July 1, 1998 is subject to adjustment upward or downward in order to adjust the amount of proceeds received in order to meet adequately the refunding requirements for the outstanding Kansas Highway Refunding Bonds, Series 1985. The determination of net interest cost and average annual interest cost shall be made based upon the principal maturity set forth above, and not upon the principal maturity as finally determined. The amount of the adjustment in the July 1, 1998 maturity shall be communicated to the successful bidder not later than 10 a.m., C.S.T., November 27, 1985.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the Department, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost on the bonds or by adding the amount of the underwriting fee, if any, to the total interest cost on the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid must be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the Secretary will determine which bid, if any, shall be accepted, and his determination will be final.

Authorization, Purpose and Security for the Bonds

The bonds are being issued pursuant to Kansas Statutes Annotated Sections 68-2301 to 68-2313, inclusive, as amended, for the purpose of providing funds to refund in advance of their maturities the bonds of an issue of outstanding Kansas Highway Refunding Bonds, Series 1985. The bonds and the interest thereon are secured by and payable from a valid lien on moneys accruing to the State Freeway Fund and pledged to their payment, such moneys consisting of a portion of the taxes collected by the state on motor fuels, subordinate only to the lien of six series of outstanding bonds described in a Resolution of the Secretary adopted January 25, 1985, for which the payment of the principal of and the interest on has been provided for by the state of Kansas pursuant to an Escrow Trust Agreement dated as of January 15, 1985, by and between the state of Kansas and First National Bank of Topeka, in the city of Topeka, Kansas. The bonds do not constitute a debt or a pledge of the faith and credit of the state of Kansas or of any political subdivision thereof.

Legal Opinion

The Bonds will be sold subject to the approving legal opinion of Gaar & Bell, Overland Park, Kansas, Bond Counsel, which opinion will be furnished and

paid for by the Secretary, printed on the bonds and delivered to the successful bidder when the bonds are delivered.

Delivery and Payment

The Secretary will pay for printing the bonds and will deliver the bonds, properly prepared, executed and registered, on or about December 19, 1985, at such bank or trust company, as may be suggested by the successful bidder and is acceptable to the Secretary, at least seven days prior to the date of closing, without cost to the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate attesting to the completeness and accuracy of the official statement. Payment for the bonds shall be made in federal reserve or other funds, immediately available for use by the Secretary. The type and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the Secretary and bond registrar at least 10 days prior to the date of delivery of the bonds. In the absence of such information, the Secretary will deliver bonds in the form of one bond registered in the name of the successful bidder.

CUSIP Numbers

CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the printing and assigning of CUSIP numbers on the bonds will be paid by the Secretary.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$2,862,000, payable to the order of the Secretary, to secure the Secretary from any loss resulting from the failure of the bidder to comply with the terms of its bid. No interest will be paid upon the deposit made by any bidder. Said check will be returned to the bidder if its bid is not accepted by registered mail to the address of the bidder shown on the bid form. If a bid is accepted, said check will be held by the Secretary until the bidder has complied with all of the terms and conditions of its bid at which time said check will be returned to the successful bidder or deducted from the purchase price at the option of the Secretary. If a bid is accepted but the Secretary fails to deliver the bonds to the bidder in accordance with the terms and conditions of its bid, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of its bid, the proceeds

of such check will be retained by the Secretary as and for liquidated damages.

Bid Forms

All bids must be made on forms which may be procured from the Secretary or Stern Brothers & Co., the financial advisor. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The Secretary reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the Secretary of Transportation and marked "Proposal for the Purchase of Highway Refunding Bonds, Series 1985A." Bids may be mailed or delivered in person and must be received by the undersigned by 10 a.m., C.S.T., Tuesday, November 26, 1985.

Bond Insurance

The Secretary has applied to the Municipal Bond Insurance Association for a bond insurance policy, which policy will unconditionally guarantee the payment of principal and interest on the bonds. The premium for such policy will be paid from the proceeds of the sale of the bonds. Details of the policy

and information regarding bond ratings will be communicated prior to the sale date by "Munifacts."

Official Statement

The Secretary has prepared a preliminary official statement dated November 13, 1985, copies of which may be obtained from the Secretary or from Stern Brothers & Co., the financial advisor. Upon the sale of the bonds the Secretary will adopt the final official statement and, at the request of the successful bidder, will furnish the successful bidder with a reasonable number of copies thereof without additional cost. Additional copies may be ordered by the successful bidder at its expense.

Additional Information

Additional information regarding the bonds may be obtained from the Secretary or from the Secretary's financial advisor, Stern Brothers & Co., Suite 2200, City Center Square, Kansas City, MO 64105, Attention: Mr. Rick Worner, (816) 471-6460.
