Interest Rate

Proposals will be received on the bonds bearing such rate or rates of interest, not exceeding five different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest coupon rates specified in any bid shall not exceed 2.5 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law; said rate being the 20 bond index of tax exempt municipal

bonds published by the Credit Markets in New York, New York on the Monday next preceding the day on which the bonds are sold (December 23, 1985), plus 2 percent, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city, and shall be addressed to the city at City Hall, Cheney, KS 67025, Attention: Lois I. Marteney, City Clerk, and shall be plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to Treasurer, City of Cheney, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice; and the bonds will be sold to the best bidder. The city reserves the right to reject any and all of the bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the city, and the bonds will be sold subject to the unqualified approving opinion of Garr and Bell, Bond Counsel, of Wichita, Kansas. The number, denomination of bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than January 15, 1986. The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before January 29, 1986, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser.

Legal Opinion

Bids shall be conditioned upon the unqualified approving opinion of Garr and Bell, Bond Counsel, Wichita, Kansas, a copy of which opinion will be

printed on the reverse side of each bond and a manually signed original will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds and legal opinion will be paid by the city. Said legal opinion will state in part substantially that the bonds will constitute general obligations of the city, payable as to both principal and interest in part from the collection of special assessments which have been levied on benefitted property, but any portion of said specially assessed part not so paid, and the remainder of said principal and interest, will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property within the territorial limits of the city; and that, under existing law, the interest on said bonds is exempt from present federal income taxation and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties, and townships.

Purpose of Issue

The bonds are being issued for the purpose of constructing certain street, drainage, water, and sanitary sewer improvements in the city.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on said bonds. All expenses in relation to printing of CUSIP numbers on said bonds and the expenses of CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city.

The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city.

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$18,000, payable to the order of the city to secure the city from any loss resulting from the failure of the successful bidder to comply with the terms of his bid. No interest will be paid upon the successful bidder's good faith check. Said check shall be returned to the bidder if his bid is not accepted. If a bid is accepted, said check will be held by the city until the bidder shall have complied with all of the terms and conditions of the notice, at which time the check will be returned to the successful bidder or paid to his order at the option of the city. If a bid is accepted but the city shall fail to deliver the

bonds to the bidder in accordance with the terms and conditions of this notice, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages.

All bids must be made on forms which may be procured from the City Clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid.
