Announcements

The Office of Human Development Services has issued projections for state allotments for fiscal year 1987 for the Social Services Block Grant reflective of allocation of \$2.7 billion nationally, compared to \$2.9 billion for fiscal year 1986. The projection for Kansas is \$27,718,612. The median income for a four-person family in Kansas to be eligible for low-income home

energy assistance is \$27,569. Participants must earn less than 60 percent of the median income, or less than \$16,541. For more information on the Low Income Home Energy Assistance grant program, contact Barbara Levering at (202) 245-2637, or the local Social Security Administration Office.

The U.S. Department of Education announced February 13, 1986 as the closing date for new applications to expand or improve vocational and other rehabilitation services for severely handicapped persons. State, public and other nonprofit organizations are eligible to apply. Contact Leo Eger at (202) 732-1344.

Applications are due January 15, 1986 for the Public Telecommunications Facilities Program. Contact Dennis Connors at (202) 377-5802.

Comments on the selection process of grantees for the JTPA Migrant/Seasonal Farmworkers Program are due February 3, 1986. Contact Charles C. Kane at (202) 376-1226.

According to Circular 128, imposing audit requirements on state and local governments, O.M.B. announced December 6 (page 50027 of the Federal Register) that the one copy of audit reports to be submitted within 30 days after issuance should be submitted to the designated central clearinghouse: Census Bureau, Data Preparation Division, 1201 E. 10th, Jeffersonville, IN 47132; Attention: Audit Clearinghouse.

Awards

The Office of Human Development Services of the U.S. Department of Health and Human Services announced the award of \$1,016,817 to SEK-CAP, Inc. for a full year Head Start-Part Day and Handicapped Program.

ADJUTANT GENERAL'S DEPARTMENT

PUBLIC NOTICE

The Kansas Army National Guard (KSARNG) is proposing to construct a new track/vehicle washing facility to support the maintenance requirements and mobilization objectives of the KSARNG 35th Infantry Division (Mech) including the 69th Infantry Brigade (Mech), 35th Divarty, and the 161st Field Artillery Battalion. The site of the proposed project is in the approximate location of the mobilization and training equipment site which is located in the southeast corner of Fort Riley Military Installation. An environmental review has been performed on the proposed project.

The environmental review process which is documented by an environmental assessment (EA) indicates that no significant environmental impacts should result from the proposed project. The primary environmental variable associated with vehicle washing facilities is water contamination. Water containment includes both surface and ground waters. This will be prevented by the properly designed wastewater treatment system of the wash facility. All wastewater will be directed through a series of two settling basins and a combination weir/baffle which will direct any floating oil/scum to the oil skimmer for removal. The water will then be directed through a series of sand filters and recycled, preventing any effluents to enter the surface or ground waters of the area. Therefore, a preliminary decision not to prepare an environmental impact statement (EIS) has been made.

This action is taken on the basis of a review of the EA which is on file in the Facilities Management Office, 2800 S. Topeka, Topeka, and is available for public review between 8 a.m. and 4 p.m. Monday through Friday or upon request.

Comments supporting or disagreeing with this decision may be submitted for consideration to Ron Cramer, Facility Management Office, Room 116, P.O. Box C-300, Topeka 66601-0300.

After evaluating comments received, a final decision will be made. However, no administrative action will be taken on the project for at least 30 days after the published release of this finding of no significant impact.

ATTORNEY GENERAL

Opinion No. 85-167

Bonds and Warrants—Cash Basis Law—Lease or Installment Purchase Agreement; When Allowed. Ronald Heberling, Elk Township Trustee, Overbrook, December 12, 1985.

The Cash Basis Law, K.S.A. 10-1101 *et seq.*, forbids a municipality to incur a contractual indebtedness in excess of funds actually on hand in the municipality's treasury and budgeted for such indebtedness in any particular budget year. K.S.A. 10-1116b allows municipalities to enter into lease-purchase agreements which provide for periodic payments or monthly installments, but only if such agreements specifically state that the municipality is obligated only to pay such payments or installments as have been provided in the budget of the municipality for the current year, or which can be derived from a lawfully operated revenue-producing source. Accordingly, an agreement which may obligate a municipality for an amount in excess of the funds provided in the budget for the current budget year does not comply with the Cash Basis Law. Opinion No. 85-168

Counties and County Officers—Powers and Duties—Public Letting of Contracts; Prequalification of Bidders. Philip S. Harness, Johnson County Counselor, Olathe, December 12, 1985.

Where a county is required to let contracts to the lowest and best bidder, or to the lowest responsible bidder, such bidding must be open to all who wish to offer bids. Prequalification of bidders for the construction of public buildings and county roads would be contrary to both Kansas statutes and to public policy. However, as the statutes providing for the bidding of contracts for the construction of bridges are contained in an act which is not uniform as to all of its sections, a county may employ a charter ordinance to exempt itself from these provisions and substitute language which allows prequalification of bidders. Cited herein: K.S.A. 19-101a, as amended by L. 1985, Ch. 208, § 1; 19-214; 19-215; 68-521; 68-1113; 68-1115. BPA

State Departments; Public Officers and Employees—Public Officers and Employees; Conflict of Interests—Prohibition on Certain Contracts; Community College Board of Trustees. M. Leon Foster, President, Independence Community College, Independence, December 12, 1985.

A determination whether a member of a community college's board of trustees has a conflict of interest because of his or her affiliation with a business should be based on the general conflict of interest statutes, K.S.A. 75-4301 *et seq.* Where those statutes are inapplicable, the determination of a conflict of interest

should be based on common law principles. Cited herein: K.S.A. 75-4301; 75-4304. KG

Opinion No. 85-170

Public Health—Hospitals and Other Facilities—Moratorium on Modifications; Consolidation of Adjacent Hospital and Nursing Home. Representative Marvin L. Littlejohn, 119th District, Phillipsburg, December 12, 1985.

A consolidation of a nursing home and hospital by converting the nursing home into a long-term care unit of the hospital is an alteration which increases the licensed bed capacity of the hospital. Such a consolidation is prohibited under L. 1985, Ch. 204. Cited herein: L. 1985, Ch. 204. KG

Opinion No. 85-171

Cities and Municipalities—Miscellaneous Provisions—Employee Benefits Contribution Fund in Certain Taxing Subdivisions; Application to Township Officers. Thelma L. Hagen, Trustee, Soldier Township, Topeka, December 12, 1985.

Township board members, as officers of the township, are considered to be township employees for purposes of K.S.A. 1984 Supp. 12-16,102. Township board members are thus entitled to any employee benefits as may be prescribed in the ordinance or resolution of the township establishing such benefits, and may be paid from an employee benefits contribution fund created pursuant to K.S.A. 1984 Supp. 12-16,102. Cited herein: K.S.A. 1984 Supp. 12-16,102; K.S.A. 13-14,100; 13-14,107; 13-14a02; 14-10a02; K.S.A. 1984 Supp. 40-2305; K.S.A. 44-505c; 44-710e; K.S.A. 1984 Supp. 74-4920, as amended by L. 1985, ch. 254, § 13; K.S.A. 1984 Supp. 74-4967. Opinion No. 85-172

Roads and Bridges—County and Township Roads—Classification and Designation of Roads in a Non-County Road System. Representative William M. Bryant, 63rd District, Washington, December 12, 1985.

A county is primarily responsible for the maintenance of main traveled highways which lie within a city and which connect county primary roads with the city, although a city is also empowered to aid in the maintenance of such roads (K.S.A. 68-506). Thus, in the event of a controversy over the maintenance of a county road which passes through a third class city, and to ensure the most efficient use of public funds, an interlocal agreement apportioning the costs between the county and the city may be formed. Cited herein: K.S.A. 12-2901; 12-2904; 12-2905; 12-2907; 68-169; 68-506; 68-506e; 68-572; 79-2925; L. 1967, ch. 354. BPA

Opinion No. 85-173

State Boards, Commissions and Authorities—Public Employees Retirement Systems—Withdrawal From Kansas Public Employees Retirement System. Zyg-

munt J. Jarczyk, Assistant Wyandotte County Counselor, Kansas City, December 12, 1985.

An eligible employer may by resolution elect to affiliate with the Kansas Public Employees Retirement System (KPERS), with such election irrevocable once it is made. Cited herein: K.S.A. 1984 Supp. 74-4902(13), as amended by L. 1985, Ch. 254, § 7; K.S.A. 1984 Supp. 74-4910; 74-4911; 74-4992. BPA

Opinion No. 85-174

Constitution of the State of Kansas—Constitutional Amendment and Revision—Proposals by Legislature; Approval by Electors. Representative Michael R. O'Neal, 104th District, Hutchinson, December 12, 1985.

As previously noted in Attorney General Opinion No. 85-110, a concurrent resolution containing a constitutional amendment adopted by the legislature during the 1985 session may be amended during the 1986 session prior to being submitted to the voters in November, 1986. At present, Chapter 360 of the Laws of 1985 provides for the submission to the voters of an amendment to Article 15, Section 10, which would allow liquor by the drink under certain circumstances. The amendment must be approved by a majority of the voters of the entire state in order to be adopted and a majority of the voters in a particular county before becoming effective in that county. Such a "dual purpose" is clearly disclosed in the explanatory statement which is to be printed on the ballot with the proposed amendment. Further, since the Kansas Constitution limits, rather than confers, power, the people of the state may amend the constitution in any manner they deem appropriate, subject only to the limits of the United States Constitution. Cited herein: K.S.A. 41-301; L. 1985, Chs. 360, 364; Kan. Const., Art. 14, § 1; Art. 15, § 10; Kan. Bill of Rights, §§ 2, 20. JSS

Opinion No. 85-175

State Departments; Public Officers, Employees—Public Officers and Employees; Open Public Meetings—Application of Act to Electric Cooperatives. Representative Robert J. Vancrum, 29th District, Overland Park, Kansas, December 13, 1985.

Electric cooperatives organized pursuant to K.S.A. 17-4601 *et seq.* are non-profit corporations formed for the purpose of supplying electric energy to their members and promoting and extending the use of such energy. They are private business corporations which are owned and controlled by the members who receive their services. Such cooperatives are not legislative or administrative bodies or agencies of the state or its political and taxing subdivisions, and do not receive or expend public funds. Accordingly, they are not subject to the requirements of the Kansas Open Meetings Act. Cited herein: K.S.A. 17-4602; 17-4606; 17-4608; 75-4609; 17-4610; 17-4612; 17-4614; K.S.A. 75-4317; 75-4318, as amended by L. 1985, Ch. 284. CMA

Opinion No. 85-176

Cities and Municipalities—Code for Municipal Courts; General Provisions—Municipal Court; Place of Courtroom. Laurence R. Hollis, Municipal Judge for the City of Eastborough, Wichita, December 16, 1985.

K.S.A. 12-4109 requires each city to provide a suitable courtroom for the municipal court, and states that the court shall be held at such time and place designated by city ordinance. Nothing in the statute, or in the Code of Procedure for Municipal Courts of which it is a part, prohibits a city from designating a location outside the city limits as the site of the municipal court. However, if appearing at a designated site imposes a burden on defendants which is unreasonable, such action of a city may be found to be a violation of due process under the United States Constitution. Given the location of the city of Eastborough and the lack of any suitable courtroom facility within the city limits, the designation of a courtroom in the Sedgwick County Courthouse is not unreasonable. Cited herein: K.S.A. 12-4109; Kan. Const., Art. 12, § 5; U.S. Const., 14th Amendment. JSS

Opinion No. 85-177

Procedure, Civil, For Limited Actions—Forcible Detainer—Execution of Writ of Restitution; Disposition of Non-Exempt Property.

Personal and Real Property—Landlords and Tenants—Personal Property of Tenant; Disposition. William D. Rustin, Sedgwick County Counselor, Wichita, December 16, 1985.

Pursuant to K.S.A. 61-2311, a sheriff upon receipt of a writ of restitution issued in a forcible detainer action shall restore the landlord to possession of the premises. No statutes authorize the sheriff to take possession of any personal property which remains on the premises, and he or she should only do so at the direction of the court in the writ of restitution or a subsequent order. Failure to obtain such judicial authorization could subject the sheriff to an action for conversion, and would further leave him or her with no legal means of recovering the costs of removal and storage. **NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

A public hearing will be conducted from 9 a.m. to noon Wednesday, January 15, in the second floor conference room at 512 W. 6th, Topeka, to consider the adoption of proposed temporary regulations of the Department of Human Resources.

All interested parties may submit written comments prior to the hearing to the Department of Human Resources, Legal Division, Attention: Paul E. Pendergast, 401 Topeka Ave., Topeka 66603.

Copies of the proposed temporary regulations may be obtained at the address above. Persons requesting copies of the proposed temporary regulations will be required to compensate the legal division for reproduction.

All interested parties will be given a reasonable opportunity to present their views, orally, in regard to the adoption of the proposed temporary regulations.

The following is a brief summary of the proposed regulations:

Article 45. Boiler Specifications and Inspections. 49-45-27 and 49-45-28. The proposed regulations incorporate by reference two codes utilized in boiler specifications and inspections.

Article 45a. Definitions. 49-45a-1 through 49-45a-27. The proposed regulations define terms utilized in the inspections of the boilers.

Article 47. Inspections. 49-47-2. The proposed regulation details the manner in which a boiler will be stamped at installation or inspection.

Article 48. Frequency of Inspection. 49-48-1. The proposed regulation deletes the word "steel" in 49-48-1(b) and retains the phrase hot water heating boilers.

Article 49. Fee Schedule for Boiler Inspections. 49-49-1. The proposed regulation specifies the fee for inspections made by the chief or deputy inspector. The proposed regulation increases the certification fee from \$10 to \$15.

Article 50. General Requirements for All Boilers. 49-50-1 through 49-50-19. The proposed regulations specify the criteria which must be satisfied to operate boilers in Kansas.

49-50-20. The proposed regulation requires the owners and users of new boilers to notify the office of chief inspector within 72 hours of an inspection by a commissioned inspector. The proposed regulation details specifications regarding the placement of boilers and the means of exit from new boiler rooms.

Article 51. High Pressure Boilers. 49-51-1 through 49-51-14. The proposed regulations specify the criteria which must be satisfied to operate high pressure boilers in Kansas.

Article 52. Low Pressure Boilers. 49-52-1 through 49-52-15. The proposed regulation specifies standards which must be satisfied to operate low pressure heating boilers in Kansas.

Article 53. Nuclear Power Plant Components. 49-53-1. The proposed regulation specifies the code which must be satisfied to operate nuclear power systems in Kansas.

49-53-2. The proposed regulation specifies criteria regulating repairs of nuclear power plant components.

(Published in the KANSAS REGISTER, December 26, 1985.)

**NOTICE OF BOND SALE
\$472,952
GENERAL OBLIGATION BONDS
CITY OF HESSTON, KANSAS
SERIES 1986-A**

Sealed bids will be received in the office of the City Clerk at the City Building, Hesston, KS 67062 until 6 p.m. Central Standard Time; Monday, January 13, 1986, and will be considered by the governing body of the City of Hesston at its regular place of meeting in the City Building, Hesston, at 6 p.m. Central Standard Time, January 13, 1986, at which time and place all bids will be publicly opened, read aloud, and considered for the purchase of a series of general obligation bonds designated Series 1986-A, in the principal amount of \$472,952. No oral or auction bids will be considered.

Details of the Bonds

The bonds shall be issued in the form of fully registered certificated bonds without coupons, each in the denomination of \$5,000 (except for one bond which shall be in the amount of \$2,952) or any integral multiples thereof, not exceeding the principal amount of bonds maturing in each year. The bonds will bear interest from the date thereof and interest on the bonds will be payable semiannually, commencing February 1, 1987, and each August 1 and February 1 thereafter. The bonds shall be dated February 1, 1986, and shall become due serially on February 1 in each of the years and in the principal amounts as follows:

Date of Maturity	Total
February 1, 1987	\$42,952
February 1, 1988	\$45,000
February 1, 1989	\$45,000
February 1, 1990	\$45,000
February 1, 1991	\$45,000
February 1, 1992	\$50,000
February 1, 1993	\$50,000
February 1, 1994	\$50,000
February 1, 1995	\$50,000
February 1, 1996	\$50,000

Place of Payment

The principal of and premium, if any, on the bonds shall be payable in lawful money of the United States of America, by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas, (the paying agent and bond registrar) of the registered owners thereof upon presentation of the bonds for payment and cancella-

(continued)

tion. Interest on the bonds shall be payable in lawful money of the United States of America, by check or draft of the paying agent and bond registrar to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month preceding the interest payment dates (the record dates).

The bonds will be registered pursuant to a plan of registration approved by the city and the Attorney General of the State of Kansas. The bonds may be registered as fully registered certificated bonds or uncertificated (book entry) bonds at the option of each registered owner.

The city will pay the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

The type and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar at least two weeks prior to the closing date.

Interest Rate

Proposals will be received on the bonds bearing such rate or rates of interest not exceeding five different interest rates as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. The difference between the highest interest rate bid and the lowest rate of interest bid shall not exceed 2 percent per annum. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of tax exempt municipal bonds published by the Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. A bid for the purchase of less than all of the bonds or a bid at a price less than par and accrued interest will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city and should be addressed to Jean Krehbiel, City Clerk, City Building, Hesston, KS 67062, and plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, and the net interest cost of the bid, and the average annual net interest rate, all certified by the bidder to be correct, and the city will be entitled to rely upon the certificate of correctness of the bidder. No bid will be considered if made on other than the official bid form and no bid will be considered if such form is amended or modified. Each bid must be accompanied by a certified or cashier's check in the amount of 2 percent of the total par value of the bonds payable to the City Treasurer, City of Hesston, on which no interest will be allowed. The checks of

unsuccessful bidders will be returned promptly. The check of the successful bidder or the proceeds thereof will be held as security for the performance of the contract to purchase the bonds, but in the event that the successful bidder shall fail to comply with the terms of the bid, the check or the proceeds thereof shall then be forfeited and retained by the city as and for liquidated damages.

Award of the Bonds

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The city reserves the right to reject any and all of the bids, and to waive any irregularities or informalities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting the amount of any premium bid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. If there is a discrepancy between the lowest net interest cost and the average annual interest rate specified, the net interest cost figure shall govern and the interest rates in the bid shall be adjusted accordingly.

Delivery and Payment

The bonds, duly printed, executed and registered, will be furnished and paid for by the city. Delivery of the bonds will be made on or before February 24, 1986, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser. Payment for the bonds shall be made in immediately available federal reserve funds.

Legal Opinion

The bonds will be sold subject to the unqualified approving opinion of Curfman, Harris, Stallings & Snow, Bond Counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each bond. The cost of this legal opinion and the expense of printing the bonds and legal opinion will be paid by the city. Said legal opinion will state in part substantially that the bonds will constitute general obligations of the city, payable as to both principal and interest in part from the collection of special assessments which have been levied on benefitted property, but any portion of said specially assessed part not so paid, and the remainder of the principal and interest, will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city; and that, under existing law, the interest on said bonds is exempt from present federal income taxation and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties and townships. A manually signed original of such opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs,

which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity.

Purpose of Issue

The bonds are being issued for the purpose of paying for the cost of the construction of certain improvements in the city of Hesston, Kansas, consisting of grading, curbing, guttering, and paving of College Drive, Commerce Drive, Industrial Avenue and Pheasant Run Road; construction of a new 8-inch water main, new sewer discharge lines, and construction of a natural gas main line in Mallard Landing Addition.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on said bonds. All expenses in relation to printing of CUSIP numbers on said bonds and the expenses of CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city. Failure to print such numbers on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract.

Assessed Valuation

The assessed valuation of all taxable tangible property within the city of Hesston, Kansas, for the year 1985, is as follows:

Equalized assessed valuation of taxable tangible property	\$17,839,676
Tangible valuation of motor vehicles	\$ 1,633,034
Equalized assessed tangible valuation for computation of bonded indebtedness limitations	\$19,472,710

Bonded Indebtedness

The total bonded indebtedness of the city of Hesston, Kansas, at the date hereof, including this \$472,952 proposed issue of bonds, is \$2,597,554. In addition, the city has outstanding temporary improvement notes in the amount of \$956,450, of which \$557,250 will be retired from the proceeds of this proposed bond issue and other proceeds on hand.

Official Statement

Additional copies of this notice of bond sale or further information may be received from the office of the City Clerk, City of Hesston, KS 67062.

Dated December 16, 1985.

NOTICE OF BOND SALE

\$295,000

**WATER AND ELECTRIC UTILITY
SYSTEM REVENUE BONDS**

SERIES A, 1986

OF

JOHNSON CITY, KANSAS

The governing body of Johnson City, Kansas, shall receive sealed bids at City Hall, located in Johnson City, Kansas, until 7:30 p.m., C.S.T., Monday, January 6, 1986, for \$295,000 par value water and electric utility system revenue bonds of the city, at which time and place said bids shall be publicly opened. No oral or auction bids will be considered for the bonds.

The Series A, 1986 Bonds shall be dated as of January 1, 1986, and shall mature on the first day of January in each of the years and in the amounts set forth below.

The bonds shall consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof, not exceeding the principal amount of the bonds maturing in each year.

Interest on the bonds shall be payable semiannually on each January 1 and July 1 (the interest payment dates), commencing July 1, 1986. The principal of the bonds shall be payable in lawful money of the United States of America, at the principal office of the Treasurer of the State of Kansas, as paying agent (the paying agent and bond registrar), to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America by check or draft of the paying agent mailed to the registered owners thereof as they appear on the books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates (the record dates). The fees of the bond registrar for registration and transfer of the bonds shall be paid by the city.

The bonds shall mature serially in accordance with the following schedule:

Principal Amount	Maturity Date

\$40,000	January 1, 1996

Redemption of Bonds

The bonds maturing in the years 1986 through 1992, inclusive, will not be subject to redemption prior to their respective maturities. At the option of the city, the bonds maturing January 1, 1993, and thereafter, will be subject to call for redemption and payment prior to their respective maturities on January 1, 1992;

(continued)

or at any time thereafter, in whole or in part, in inverse order of maturity and by lot within maturities, at a redemption price equal to the principal amount of any bond so called for redemption and payment and accrued interest to the effective date of redemption, plus a premium on the principal amount thereof as follows:

Effective Dates of Redemption	Premium
January 1, 1992 to December 31, 1992	1.02%
January 1, 1993 to December 31, 1993	1.01%
January 1, 1994 and thereafter	1.00%

Notice of any call for redemption and payment shall be by publication one time in the official newspaper of the city and the official newspaper of the state of Kansas and by mailing, by United States registered mail, to the original purchaser of the bonds and to the Office of the State Treasurer, Topeka, Kansas, Attention: Bond Clerk, not less than 30 days, but not more than 60 days, prior to the effective date of redemption. Interest to the date of redemption will be paid on the bonds, and interest thereon shall cease to accrue after the redemption date, provided notice has been given and funds are then available to pay the full redemption price of the bonds so called for redemption.

Interest Rate

Proposals shall be received on the bonds bearing such rate or rates of interest, not exceeding six different interest rates, as may be specified by the bidder. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. The difference between the highest and lowest coupon rates specified in any bid shall not exceed 3 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of tax exempt municipal bonds published by the Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold (December 30, 1985), plus 2 percent, and no bid of less than par and accrued interest shall be considered. Bids for less than the entire issue of bonds shall not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city, and shall be addressed to: City of Johnson City, City Hall, P. O. Box 500, Johnson City, KS 67855, Attention: Trudee K. Little, City Clerk, and shall be plainly marked BOND BID. All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city shall be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or a cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to the Johnson City Treasurer. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders shall be promptly returned.

Award of Bonds

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds shall be sold to the best bidder. The city reserves the right to reject any and all of the bids, and to waive any irregularities. Unless all bids are rejected, the bonds shall be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost shall be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

Delivery of the Bonds

The bonds shall be furnished to the purchaser in duly printed, executed and registered form, the costs of which shall be paid by the city, and the bonds shall be sold subject to the unqualified approving opinion of Gaar and Bell, Bond Counsel, Wichita, Kansas. The number, denomination of bonds, and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than Wednesday, January 15, 1986. The purchaser shall be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds shall be made to the successful bidder on or about Tuesday, January 28, 1986, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere shall be made at the expense of the purchaser.

Legal Opinion

Bids shall be conditioned upon the unqualified approving opinion of Gaar and Bell, Bond Counsel, Wichita, Kansas, a copy of which opinion shall be printed on the reverse side of each bond, and a manually signed original opinion shall be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of said legal opinion and the expense of printing the bonds and legal opinion shall be paid by the city. Said legal opinion will state in part substantially that the bonds will constitute special obligations of the city, payable as to both principal and interest solely from, and secured by a pledge of, the revenues derived by the city from the operation of its water and electric utility system, and the rates, fees and charges collected for the use of or services therefrom, after providing only for the payment of the reasonable costs of maintaining and operating said utility system, and are not payable in any manner from funds raised by taxation; and that, under existing law, the interest on said bonds is exempt from present federal income taxation and from intangible personal property taxes levied by Kansas counties, cities or townships.

Purpose of Issue/Authority for Bonds

The proceeds of the bonds shall be used by the city for the purpose of paying the costs of extending, enlarging and improving the city's water and electric utility system, pursuant to the authority of K.S.A. 10-1201 *et seq.*, as amended and supplemented.

CUSIP Identification Numbers

CUSIP identification numbers shall be printed on the bonds. All expenses in relation to printing of such CUSIP numbers on the bonds and the expenses of the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city.
