ATTORNEY GENERAL

Opinion No. 86-1

Laws, Journals and Public Information—Records Open to Public—Exceptions to Disclosure.

Crimes and Punishments—Criminal Code; Crimes Affecting Public Trusts—Unlawful Use of Names Derived from Public Records. John Dekker, City Attorney, Wichita, January 3, 1986.

The Kansas Open Records Act, K.S.A. 1984 Supp. 45-215 *et seq.*, does not require that a city employee disclose names and addresses derived from city records to a person who the employee knows intends to use such names and addresses for a commercial purpose. Such disclosure is specifically prohibited by K.S.A. 1984 Supp. 21-3914. Any person who receives a list of such names and addresses for the purpose of selling or offering to sell any property or service to listed persons may be found guilty of a misdemeanor. Cited herein: K.S.A. 1984 Supp. 21-3914; 45-221. KG

Opinion No. 86-2

Counties and County Officers—County Appraiser—Transfer of Powers from County Clerk.

Taxation—Property Valuation, Equalizing Assessments, Appraisers and Assessment of Property—Duties of County Appraiser; Determination by Board of County Commissioners. Keith D. Hoffman, Dickinson County Attorney, Abilene, January 8, 1986.

The duties of the county clerk and county appraiser are statutorily prescribed but are administered at the direction of the board of county commissioners, which has the power and authority to determine and allocate how county resources are to be used and which office has responsibility for such resources. Accordingly, the county commission may establish policies concerning the use of a county computer system by the county appraiser in listing and assessing tangible property, and by the county clerk in maintaining the tax rolls thereafter. Cited herein: K.S.A. 12-3903; 19-212; 19-426; 19-430; 79-1411b; 79-1466; 79-1467, as amended by L. 1985, ch. 311, § 8 and ch. 315, § 2. JSS
