ATTORNEY GENERAL

Opinion No. 86-102

Crimes and Punishments—Code; Crimes Against the Public Morals—Legality of a Contest Which Requires the Purchase of a Newspaper to Participate. Linda Trigg, Seward County Attorney, Liberal, July 16, 1986.

A contest which requires a person to purchase a newspaper to obtain entry forms to participate constitutes a lottery and is illegal in Kansas. Cited herein: K.S.A. 21-4302. BLB

Opinion No. 86-103

Townships and Township Officers—Water Supply; Joint Water District; City of Lansing and Delaware Township—Nature of the Joint Board. Rep. Martha Jenkins, 42nd District, Leavenworth, July 18, 1986.

The joint water district is separate and distinct from other categories of water districts. As a municipality, yearly auditing of the board's accounts is required. Bonding of the board is not prescribed by statute. While liability insurance is not required, its purchase is optional. Cited herein: K.S.A. 40-3101; K.S.A. 1985 Supp. 40-3106; K.S.A. 75-1117; 75-1122; 75-6101; 75-6111; 80-1616; 80-1617; 80-1618, as enacted by L. 1984, ch. 108; 82a-617; 82a-621. JLM

Opinion No. 86-104

Taxation—Miscellaneous Provisions—Creation of Indebtedness in Excess of Budget. Sally David Pokorny, Montgomery County Attorney, Independence, July 18, 1986.

The Kansas budget law provides in part that any indebtedness incurred by a governing body or any other officer or officers of such taxing subdivision or municipality in excess of the amount budgeted shall be void as against such taxing subdivision or municipality. In our opinion the term void in this context means null or of no effect. Prosecutorial discretion may be used in determining whether such a penalty should be sought in view of the purposes to be accomplished by the budget law. Cited herein: K.S.A. 10-1113; K.S.A. 1985 Supp. 77-201; K.S.A. 79-2935. JLM

Opinion No. 86-105

Cities and Municipalities—Libraries—Library Districts; Election on Building, Equipment and Site; Bonds. Duane F. Johnson, State Librarian, Topeka, July 18, 1986.

K.S.A. 12-1244 authorizes a library district board of directors to call an election for the purpose of building, erecting and equipping a library building and procuring a site therefor. The district may issue bonds to fund the building, equipment and site if the issuance is approved by district electors. In our opinion, K.S.A. 12-1244 includes authority for the district board of directors to call an election for the purpose of

issuing bonds to acquire an existing building to be used as a library. Cited herein: K.S.A. 12-1244. JLM

Opinion No. 86-106

Crimes and Punishments—Kansas Criminal Code—Hazing. Sen. Ben Vidricksen, 24th District, Salina, July 18, 1986.

Hazing, as defined in 1986 Senate Bill 777, is prohibited in all social and fraternal organizations, including the Shrine and the Elks Lodge. Cited herein: K.S.A. 1985 Supp. 77-201; 1986 Senate Bill 777, L. 1986, Ch. 117, § 1. JLM

Opinion No. 86-107

Procedure, Civil, For Limited Actions—Small Claims Procedure—1986 House Bill 2849. Robert A. Walsh, Cloud County Attorney, Concordia, July 18, 1986.

The burden of proof in a small claims court proceeding is the same burden of proof in similar civil proceedings. The trial of all small claims shall be before the court, unless the judgment is appealed. The trial of an appeal is heard *de novo* and may be before a court or jury. Cited herein: 1986 House Bill 2849; K.S.A. 1985 Supp. 21-3707; K.S.A. 61-1716; 61-2701 *et seq.*; 61-2702; K.S.A. 1985 Supp. 61-2707; K.S.A. 61-2709. TL

Opinion No. 86-108

Roads and Bridges—County and Township Roads; General County Rural Highway System—Legal Liability of Townships. John E. Lang, Pottawatomie County Counselor, Westmoreland, July 21, 1986.

When a township transfers all equipment and road funds on hand to the board of county commissioners, pursuant to the adoption of the General County Rural Highway System Act, K.S.A. 68-591 *et seq.*, the county becomes liable for roads which were previously township roads, and the township's liability terminates for incidents occurring after the transition. Interest Rate

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 3.5 percent.

(continued)

No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York on the Monday next preceding the day on which the bonds are sold, plus 2 percent, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city, and shall be addressed to the city at 208 W. Spring, Conway Springs, KS 67031, Attention: Sherrill Orr, City Clerk, and shall be plainly marked "Bond Bid." All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to Treasurer, City of Conway Springs, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The city reserves the right to reject any and all bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the city, and the bonds will be sold subject to the approving opinion of Winton M. Hinkle, P.A., bond counsel, of Wichita, Kansas. The number, denomination of bonds, and the names of the initial registered owners to be initially printed on the bonds shall be submitted in writing by the successful bidder to the bond registrar not later than September 5, 1986. The purchaser will be furnished with complete transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before

September 22, 1986, at any bank in the state of Kansas or in the city of Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser.

On December 17, 1985, the United States House of Representatives passed H.R. 3838, the Tax Reform Act of 1985. The bill, which presently is pending in the U.S. Senate, contains a number of requirements which generally are effective for all state and local obligations issued after December 31, 1985, and if the bill becomes law in its present form would be applicable to the bonds. On June 24, 1986, the U.S. Senate passed a version of H.R. 3838. The city will covenant to comply with the requirements of the provisions of the bill to maintain the tax-exempt status of the bonds. The opinion of bond counsel will state under existing laws and regulations, the interest on the bonds is exempt from federal income taxation and, assuming continued compliance by the city with such covenant, interest on the bonds would continue to be exempt from federal income taxation if the bill becomes law in its present form, except that for taxable years beginning after 1987, the interest on the bonds would be included in adjusted net gain for purposes of the minimum tax imposed on property and casualty insurers under Section 1023 of the bill.

Legal Opinion

Bids shall be conditioned upon the approving opinion of Winton M. Hinkle, P.A., bond counsel, Wichita, Kansas, a copy of which opinion will be printed on the reverse side of each bond and a manually signed original will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds and legal opinion will be paid by the city. Said legal opinion will state in part that the bonds will constitute general obligations of the city, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city; and that, under existing law, the interest on said bonds is exempt from present federal income taxation and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties and townships.

Purpose of Issue

The bonds are being issued for the purpose of constructing certain internal improvements in the city of Conway Springs, Kansas.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on said bonds. All expenses in relation to printing of CUSIP numbers on said bonds and the expenses of CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city.

Assessed Valuation

Assessed valuation figures for the city of Conway Springs, Kansas, for the year 1985, are as follows:

Equalized assessed valuation of taxable tangible property	\$1,759,458.00
Tangible valuation of motor vehicles	\$ 642,973.00
Equalized assessed tangible valuation for computation of bonded debt limitations	\$2,402,431.00
