ATTORNEY GENERAL

Opinion No. 86-159

Automobiles and Other Vehicles—Drivers' Licenses—License Required to Operate a Motorized Bicycle. Representative Robert D. Miller, 110th District, Russell, November 13, 1986.

K.S.A. 8-235(d) provides that a motorized bicycle may be operated upon a highway of this state by 1) all drivers who have a valid driver's license of any class or classes; or 2) persons who are at least 14 years of age and who have passed the written and visual examinations required for obtaining a class C driver's license. This second category of persons will be given a class C license which clearly indicates such license is valid only for the operation of motorized bicycles. Cited herein: K.S.A. 8-234b; 8-235. JLM

Opinion No. 86-160

Courts—Supreme Court—Qualifications of Justices. Robert C. Foulston, Chairman of the Supreme Court Nominating Commission, Wichita, November 17, 1986.

Based on the nominee's personal data form as submitted to the Supreme Court Nominating Commission, said nominee does not meet the qualification in K.S.A. 20-105 of having engaged in the active and continuous practice of law for a period of 10 years prior to the date of appointment as justice. The active practice of law has been defined by the Supreme Court of Kansas as meaning that the legal activities of the individual must have been pursued on a full-time basis and constituted his regular business. The nominee is not automatically disqualified because of having held the positions to which he has been appointed, but because his personal data form does not indicate that his legal activities while holding those positions were "pursued on a full-time basis and constituted his regular business." In making the ultimate determination of whether this nominee is qualified, the Supreme Court Nominating Commission may consider additional information regarding specific legal services performed by the nominee in his various employments and may thus reach a contrary conclusion. Cited herein: K.S.A. 20-105. JLM

ROBERT T. STEPHAN
Attorney General

Sedgwick—87 U-1003-01—21st and Oliver in Wichita, intersection improvement. (Federal Funds)

(continued)

DISTRICT SIX—Southwest

Finney/Gray—23-106 K-3057-01—K-23 in Finney and Gray counties, 16.9 miles, overlay. (State Funds)

Finney—156-28 K-2803-01—K-156, 9.9 miles east of Garden City east to the west junction of K-23, 12.3 miles, recycling. (State Funds)

Finney—28 C-2087-01—County road, 8.0 miles north and 17.0 miles east of Garden City, then east, 0.1 mile, bridge replacement. (Federal Funds)

Ford—50-29 K-1730-01—U.S. 50, 1 mile east of FAS 257 east to the Ford-Edwards county line, 9.4 miles, overlay. (State Funds)

Ford—29 K-3058-01—U.S. 54 and K-154 in Ford County, 16.7 miles, overlay. (State Funds)

Lane—51 K-3056-01—K-4 and K-23 in Lane County, 27.0 miles, overlay. (State Funds)

Ness—96-68 K-2799-01—K-96, east end of brick pavement in Ness City east to Rush County line, 17.3 miles, recycling. (State Funds)

Scott/Wichita—106 K-3059-01—K-96 in Scott County, K-96 and K-167 in Wichita County, 24.7 miles, overlay. (State Funds)

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone regardless of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the K.D.O.T. district office responsible for the work.

JOHN B. KEMP
Secretary of Transportation

Doc. No. 004820

State of Kansas**DEPARTMENT OF TRANSPORTATION****NOTICE TO CONSULTING ENGINEERS**

The Kansas Department of Transportation is seeking a qualified engineering firm for plan production for the following projects:

Johnson—56-46 K-2819-01/BRM 2724(6) and 56-46 K-2855-01/BRM 2724(7)—study of the interchange and design for the replacement of bridges #76, 77, 78, and 79 at the interchange of U.S. 56 and Roe Avenue in Kansas City.

Butler—77-8 K-2323-01/BRF 055-1(36)—replacement of bridge #31 over the Walnut River 0.76 mile south of Augusta.

Reno—50-78 K-2356-01/F-BRF 050-4(45)—replacement of bridges #16 and #17 over the Arkansas River and drainage at Hutchinson.

Firms expressing interest in these projects must respond in writing and complete the Consulting Engineers Qualification Questionnaire (if not already prequalified) by December 11, 1986.

It is the policy of the K.D.O.T. to use the following criteria as the basis for selection of engineering consultant firms:

1. Size and professional qualification of firm.
2. Experience of staff.
3. Location of firm with respect to proposed project.
4. Work load of firm.
5. Firm's performance record.

**NOTICE OF REDEMPTION
CITY OF GARDEN CITY, KANSAS
INDUSTRIAL REVENUE BONDS
SERIES A, 1972
(GARDEN VALLEY
RETIREMENT VILLAGE, INC.)**

Notice is hereby given that pursuant to Section 4 of Ordinance No. 1035 of the city of Garden City, Kansas, passed and approved on July 27, 1972, there will be redeemed on January 1, 1987 all bonds maturing after January 1, 1987 (bonds 149 to 351, inclusive) at a redemption price equal to 103 percent of the principal amount thereof, plus accrued interest thereon to said redemption date.

On January 1, 1987, all bonds will be due and payable at the principal office of the Fidelity State Bank of Garden City, Garden City, Kansas. All coupons maturing subsequent to January 1, 1987 must be attached and surrendered with said bonds. From and after January 1, 1987, interest on the aforesaid bonds will cease to accrue.

Dated November 19, 1986.

**NOTICE OF BOND SALE
\$500,000
GENERAL OBLIGATION BONDS
SERIES A, 1986
OF THE
CITY OF HOLCOMB, KANSAS
(general obligation bonds payable
from unlimited ad valorem taxes)**

Sealed Bids

Sealed bids will be received by the undersigned, City Clerk of the city of Holcomb, Kansas, on behalf of the governing body at the City Hall, Holcomb, Kansas, until 7:30 p.m. C.S.T. on Wednesday, December 10, 1986, for the purchase of \$500,000 principal amount of general obligation bonds, series A, 1986, of the city hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body immediately thereafter. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, dated December 1, 1986, and becoming due serially on October 1 in the years as follows:

Year	Principal Amount	Year	Principal Amount
1988	\$ 5,000	1998	\$20,000
1989	5,000	1999	20,000
1990	5,000	2000	35,000
1991	5,000	2001	35,000
1992	5,000	2002	40,000
1993	5,000	2003	45,000
1994	10,000	2004	50,000
1995	10,000	2005	55,000
1996	10,000	2006	60,000
1997	15,000	2007	65,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Attorney General of the State of Kansas.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number, denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar at least two weeks prior to the closing date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the manager of the successful bidder. The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the city by the original purchaser at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1988 to 1997, inclusive, shall become due without option of prior payment. At the option of the city, bonds maturing in the years 1998 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on October 1, 1997, or on any interest payment date thereafter at the redemption price of 103 percent (expressed as a percentage of the principal amount), plus accrued interest to the redemption date.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bonds for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the Treasurer of the State of Kansas, Topeka, Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid shall specify the total interest cost to the city during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and its determination shall be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-6a01 *et seq.*, as amended, for the purpose of paying the cost of certain sewer and water improvements. The bonds and the interest thereon will constitute general obligations of the city, payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Gaar & Bell, Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

On October 22, 1986, the President of the United States signed into law H.R. 3838, the Tax Reform Act of 1986, which redesignates the Internal Revenue Code of 1954 as the Internal Revenue Code of 1986. The 1986 code imposes certain additional requirements and restrictions which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations. The city will covenant in the bond ordinance to comply with the provisions of the Act and to take all action as may be necessary to comply with the Act and all applicable future law to preserve the tax-exempt status of the bonds, to the extent such actions can be taken by the governing body of the city.

In the opinion of Gaar and Bell, Wichita, Kansas, bond counsel, under existing law, statutes, regulations, rulings and judicial decisions, assuming continued compliance by the city with the terms of the bond ordinance, the bonds are exempt from intangible personal property taxes levied by Kansas counties, cities or townships, and the interest on the bonds is exempt from federal income taxation except as follows:

(a) For taxable years beginning in the years 1987, 1988 and 1989, the interest on the bonds will be included in the adjusted net book income of corporations. For purposes of computing the corporate alternative minimum tax, a corporation's alternative minimum taxable income must be increased by 50 percent of the amount by which such corporation's adjusted net book income exceeds such corporation's alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction). For taxable years beginning after 1989, the use of "book income" will be replaced by "adjusted current earnings," and "50%" will be replaced for "75%."

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for losses incurred on insurance contracts by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

H.R. 2005, the Superfund Amendments and

(continued)

Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax. Calculation of the tax is to be based generally on a percentage of the corporate alternative minimum taxable income as defined in the 1986 code which would include interest on tax-exempt obligations, including the bonds. The amount of tax is equal to 0.12 percent of excess of the alternative minimum taxable income (without regard to net operating losses and the deduction for the environmental tax) over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environmental tax is effective for taxable years beginning after 1991. The imposition of this environmental tax could result in additional taxation of interest on the bonds for certain bondowners.

A form of bond counsel's opinion is contained in the official statement of the city with respect to the bonds.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before December 31, 1986, at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America equal to 2 percent of the total amount of the bid payable to the order of the city. If a bid is accepted, said check or the proceeds thereof will be held by the city until the bidder shall have complied with all of the terms and conditions of this notice. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses

in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk or the financial adviser. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Bond Bid." Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to 7:30 p.m. C.S.T. on December 10, 1986.

Official Statement

The city has prepared an official statement dated December 1, 1986, copies of which may be obtained from the city clerk or from the financial adviser. Upon the sale of the bonds, the city will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered by the successful bidder at his expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city, for the year 1985, is as follows:

Equalized assessed valuation of taxable tangible property	\$2,174,659
Tangible valuation of motor vehicles	\$ 525,797
Equalized assessed tangible valuation for computation of bonded debt limitations ..	\$2,700,456

The total general obligation indebtedness of the city as of the date of the bonds, including the bonds being sold, is \$1,498,000.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk or from the financial adviser, Kenneth E. Smith, Municipal Bond Consultant, 150 N. Parkwood, Wichita, KS 67208 (316) 683-6338.

Dated November 12, 1986.

Doc. No. 004829

(Published in the KANSAS REGISTER, November 27, 1986.)

**NOTICE OF BOND SALE
UNIFIED SCHOOL DISTRICT 348
DOUGLAS COUNTY, KANSAS
\$1,100,000
GENERAL OBLIGATION
SCHOOL IMPROVEMENT BONDS
SERIES 1986**

Unified School District 348, Douglas County, Kansas, will receive sealed bids at the district office, P.O. Box 67, Baldwin City 66006, until 7:30 p.m. local time on December 8, 1986, for \$1,100,000 par value general obligation school improvement bonds, series 1987, of the district, at which time and place such bids shall be publicly opened.

The bonds initially issued will be dated January 1, 1987 and shall mature on April 1 in each of the years and in the amounts set forth below. The bonds shall consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof not exceeding the principal amount of the bonds maturing in any year. Interest will be payable semiannually on April 1 and October 1 of each year, commencing April 1, 1988. The principal of the bonds shall be payable in lawful money of the United States of America at the principal office of the Treasurer of the State of Kansas (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the calendar month next preceding the interest payment dates (the record dates). The fees of the bond registrar for the registration and transfer of the bonds shall be paid by the district.

The bonds will mature serially in accordance with the following schedule:

Principal Amount	Maturity Date
	April 1:
\$ 25,000	1988
25,000	1989
30,000	1990
40,000	1991
45,000	1992
55,000	1993
60,000	1994
65,000	1995
80,000	1996
90,000	1997
95,000	1998
105,000	1999
115,000	2000
130,000	2001
140,000	2002

All bonds of this series maturing April 1, 1994 and thereafter shall be subject to redemption prior to maturity at the option of the district on April 1, 1993 or on any interest payment date thereafter, as a whole or in part, in inverse order of maturity (and by lot and multiples of \$5,000 principal amount within a single maturity) at the principal amount thereof plus accrued interest to the date of redemption plus a premium of 1

percent of the principal, being \$50 for each \$5,000 bond called. If a bond is called for redemption and payment prior to maturity, the district will cause written notice of its intention to redeem and pay the bond on a specified date, such bond being described by number, principal amount and maturity, said notice to be given by United States certified mail addressed to the paying agent and to the registered owner of each bond so called, each of such notices to be mailed at least 30 days prior to the redemption date. The district shall also publish, once in the Kansas Register, a notice of its intention to call and pay the bond, describing it by its number, principal amount and maturity, which notice shall be published not less than 30 days prior to the date fixed for redemption.

Proposals will be received on the bonds bearing such rate or rates of interest not exceeding five different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute a different rate. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 2 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being 2 percent above the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York on the Monday next preceding the day on which the bonds are sold, and no bid of less than par plus accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bids shall be submitted on the official bid form furnished by the district addressed to the district at the above address to the attention of Donna I. Saile, Clerk of the Board of Education of the district, and marked "Bond Bid." All bids must state the total interest cost of the bid and the average annual interest rate, certified by the bidder to be correct, and the district will be entitled to rely on the certificate of correctness. Bids must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to Unified School District 348, Douglas County, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the district as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The bonds, duly printed, executed and registered, will be furnished and paid for by the district, and the bonds will be sold subject to the approving opinion of Cosgrove, Webb & Oman, bond counsel of Topeka, Kansas, as to the validity of the bonds, whose opinion will be paid for by the district. The opinion will state that it is counsel's opinion that, under existing law, and assuming compliance by the district with the terms of the bond resolution, the interest on said bonds is exempt from present federal income taxation except as such interest may be included in the measure of income for computing alternative minimum taxes imposed on corporations and the bonds are exempt from Kansas intangible personal property taxes, subject, however, to the following information.

(continued)

(Published in the KANSAS REGISTER, November 27, 1986.)

**NOTICE OF BOND SALE
UNIFIED SCHOOL DISTRICT 413
NEOSHO COUNTY, KANSAS
\$4,900,000
GENERAL OBLIGATION
SCHOOL IMPROVEMENT BONDS
SERIES 1986**

The Internal Revenue Code of 1986, signed by the President on October 22, 1986, imposes requirements and restrictions which must be satisfied in order for interest on obligations issued on behalf of local governments to be exempt from federal income taxation. The district will covenant in the bond resolution to take all action (within their ability to do so) necessary to comply with the 1986 code in order to preserve the tax exempt status of the bonds.

The number, denomination of bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than December 23, 1986.

The purchaser will be furnished with a complete transcript of proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in funds which are immediately available for use by the district. Delivery of the bonds will be made to the successful bidder on or about January 13, 1987 at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the district; delivery elsewhere will be made at the expense of the purchaser.

The bonds will constitute general obligations of the district payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the district. The bonds are being issued for the purpose of paying a portion of the costs of remodeling, equipping and furnishing the junior high school and its gymnasium within the district, pursuant to K.S.A. 72-6761 *et seq.* and K.S.A. 10-101 *et seq.*, as amended and supplemented.

Sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice. The district reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the district, and the net interest cost will be determined by deducting any amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

The equalized assessed valuation of taxable tangible property within the district for 1986 is \$15,429,817. The total general obligation bonded indebtedness of the district, including the bonds, will be \$1,250,000.

Additional copies of this notice of bond sale and further information may be received from John C. McArthur, Beecroft, Cole & Company, One Townsite Plaza, Topeka, KS 66603, (913) 234-5671, financial adviser for the district.

Donna I. Saile, Clerk
Board of Education
Unified School District 348
Douglas County, Kansas

Unified School District 413, Neosho County, Kansas, will receive sealed bids at the district office, 410 S. Evergreen, Chanute 66720, until noon local time on December 17, 1986, for \$4,900,000 par value general obligation school improvement bonds, series 1987, of the district, at which time and place such bids shall be publicly opened.

The bonds initially issued will be dated January 1, 1987 and shall mature on May 1 in each of the years and in the amounts set forth below. The bonds shall consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof not exceeding the principal amount of the bonds maturing in any year. Interest will be payable semiannually on May 1 and November 1 of each year, commencing May 1, 1988. The principal of the bonds shall be payable in lawful money of the United States of America at the principal office of the Treasurer of the State of Kansas (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America, by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the calendar month next preceding the interest payment dates (the record dates). The fees of the bond registrar for the registration and transfer of the bonds shall be paid by the district.

The bonds will mature serially in accordance with the following schedule:

Principal Amount	Maturity Date
	May 1:
\$105,000	1988
120,000	1989
130,000	1990
140,000	1991
150,000	1992
160,000	1993
170,000	1994
185,000	1995
200,000	1996
215,000	1997
230,000	1998
250,000	1999
270,000	2000
290,000	2001
315,000	2002
335,000	2003
365,000	2004
390,000	2005
420,000	2006
455,000	2007

All bonds of this series maturing May 1, 1993 and thereafter shall be subject to redemption prior to maturity at the option of the district on May 1, 1992 or on any interest payment date thereafter, as a whole or in part, in inverse order of maturity (and by lot and multiples of \$5,000 principal amount within a single

maturity) at the principal amount thereof plus accrued interest to the date of redemption plus a premium of 1 percent of the principal, being \$50 for each \$5,000 bond called. If a bond is called for redemption and payment prior to maturity, the district will cause written notice of its intention to redeem and pay the bond on a specified date, such bond being described by number, principal amount and maturity, said notice to be given by United States certified mail addressed to the paying agent and to the registered owner of each bond so called, each of such notices to be mailed at least 30 days prior to the redemption date. The district shall also publish, once in the Kansas Register, a notice of its intention to call and pay the bond, describing it by its number, principal amount and maturity, which notice shall be published not less than 30 days prior to the date fixed for redemption.

Proposals will be received on the bonds bearing such rate or rates of interest not exceeding eight different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute a different rate. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 2 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being 2 percent above the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York on the Monday next preceding the day on which the bonds are sold, and no bid of less than par plus accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bids shall be submitted on the official bid form furnished by the district, addressed to the district at the above address to the attention of Joan Colvin, Clerk of the Board of Education of the district, and shall be marked "Bond Bid." All bids must state the total interest cost of the bid and the average annual interest rate, certified by the bidder to be correct, and the district will be entitled to rely on the certificate of correctness. Bids must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to Unified School District 413, Neosho County, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the district as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The bonds, duly printed, executed and registered, will be furnished and paid for by the district, and the bonds will be sold subject to the approving opinion of Cosgrove, Webb & Oman, bond counsel of Topeka, Kansas, as to the validity of the bonds, whose opinion will be paid for by the district. The opinion will state that it is counsel's opinion that, under existing law, and assuming compliance by the district with the terms of the bond resolution, the interest on said bonds is exempt from present federal income taxation except as such interest may be included in the measure of income for computing alternative minimum taxes imposed on corporations and the bonds are exempt from Kansas intangible personal property taxes, subject, however, to the following information.

The Internal Revenue Code of 1986, signed by the President on October 22, 1986, imposes requirements and restrictions which must be satisfied in order for interest on obligations issued on behalf of local governments to be exempt from federal income taxation. The district will covenant in the bond resolution to take all action (within their ability to do so) necessary to comply with the 1986 code in order to preserve the tax exempt status of the bonds.

The number, denomination of bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than January 2, 1987.

The purchaser will be furnished with a complete transcript of proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in funds which are immediately available for use by the district. Delivery of the bonds will be made to the successful bidder on or about January 13, 1987, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the district; delivery elsewhere will be made at the expense of the purchaser.

The bonds will constitute general obligations of the district payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the district. The bonds are being issued for the purpose of paying the costs of acquiring and improving sites, and constructing, equipping and furnishing additions to the high school facility in the district, pursuant to K.S.A. 72-6761 *et seq.*, 10-101 *et seq.* and 25-2018(f) *et seq.*, as amended and supplemented.

Sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice. The district reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the district, and the net interest cost will be determined by deducting any amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

The equalized assessed valuation of taxable tangible property within the district for 1986 is \$47,983,539. The total general obligation bonded indebtedness of the district, including the bonds, will be \$6,080,000.

Additional copies of this notice of bond sale and further information may be received from John C. McArthur, Beecroft, Cole & Company, One Townsite Plaza, Topeka, KS 66603, (913) 234-5671, financial adviser for the district.

Joan Colvin, Clerk
Board of Education
Unified School District 413
Neosho County, Kansas

Doc. No. 004831

(Published in the KANSAS REGISTER, November 27, 1986.)

**NOTICE OF BOND SALE
\$200,000
GENERAL OBLIGATION BONDS
SERIES 1986
OF
CRAWFORD COUNTY, KANSAS
(general obligation bonds payable
from unlimited ad valorem taxes)**

Sealed Bids

Sealed bids will be received by the undersigned, County Clerk of Crawford County, Kansas, on behalf of the Board of County Commissioners at the County Courthouse, Girard, Kansas, until 10 a.m. C.S.T. on Tuesday, December 2, 1986, for the purchase of \$200,000 principal amount of general obligation bonds, series 1986, of the county hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the Board of County Commissioners immediately thereafter. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, dated December 1, 1986, and becoming due serially on October 1 in the years as follows:

Year	Principal Amount	Year	Principal Amount
1987	\$15,000	1993	\$20,000
1988	15,000	1994	20,000
1989	15,000	1995	20,000
1990	15,000	1996	25,000
1991	15,000	1997	25,000
1992	15,000		

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1987.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the county and the Attorney General of the State of Kansas.

The county will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number, denominations of the bonds, and the names, addresses and social security or taxpayer identification numbers of the registered owners shall

be submitted in writing by the successful bidder to the county and bond registrar at least two weeks prior to the closing date. In the absence of such information, the county will deliver one bond per maturity registered in the name of the manager of the successful bidder. The initial reoffering price to the public by the original purchaser shall be furnished to the county at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the county by the original purchaser at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1987 to 1992, inclusive, shall become due without option of prior payment. At the option of the county, bonds maturing in the years 1993 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the county in such equitable manner as it may determine) on October 1, 1992, or on any interest payment date thereafter at the redemption price of 101 percent (expressed as a percentage of the principal amount), plus accrued interest to the redemption date.

Whenever the county is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the county shall elect to call any bonds for redemption and payment prior to the maturity thereof, the county shall give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the Treasurer of the State of Kansas, Topeka, Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2.5 percent. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will

be authorized. Each bid shall specify the total interest cost to the county during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the county on the basis of such bid, all certified by the bidder to be correct, and the county will be entitled to rely on the certificate of correctness of the bidder. Each bid shall also specify the average annual net interest rate to the county on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the Board of County Commissioners shall determine which bid, if any, shall be accepted, and its determination shall be final. The county reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 19-4004 *et seq.*, as amended, for the purpose of paying the cost of remodeling and improving the Crawford County Mental Health Center. The bonds and the interest thereon will constitute general obligations of the county, payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the county.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Gaar & Bell, Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

On October 22, 1986, the President of the United States signed into law H.R. 3838, the Tax Reform Act of 1986, which redesignates the Internal Revenue Code of 1954 as the Internal Revenue Code of 1986. The 1986 code imposes certain additional requirements and restrictions which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations. The county will covenant in the bond resolution to comply with the provisions of the Act and to take all action as may be necessary to comply with the Act and all applicable future law to preserve the tax-exempt status of the bonds, to the extent such actions can be taken by the governing body of the county.

In the opinion of Gaar and Bell, Wichita, Kansas, bond counsel, under existing law, statutes, regulations, rulings and judicial decisions, assuming continued compliance by the county with the terms of the bond resolution, the bonds are exempt from intangible

personal property taxes levied by Kansas counties, cities or townships, and the interest on the bonds is exempt from federal income taxation except as follows:

(a) For taxable years beginning in the years 1987, 1988 and 1989, the interest on the bonds will be included in the adjusted net book income of corporations. For purposes of computing the corporate alternative minimum tax, a corporation's alternative minimum taxable income must be increased by 50 percent of the amount by which such corporation's adjusted net book income exceeds such corporation's alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction). For taxable years beginning after 1989, the use of "book income" will be replaced by "adjusted current earnings," and "50%" will be replaced by "75%."

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for losses incurred on insurance contracts by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

H.R. 2005, the Superfund Amendments and Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax. Calculation of the tax is to be based generally on a percentage of the corporate alternative minimum taxable income as defined in the 1986 code that would include interest on tax-exempt obligations, including the bonds. The amount of tax is equal to 0.12 percent of excess of the alternative minimum taxable income (without regard to net operating losses and the deduction for the environmental tax) over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environmental tax is effective for taxable years beginning after 1991. The imposition of this environmental tax could result in additional taxation of interest on the bonds for certain bondowners.

A form of bond counsel's opinion is contained in the official statement of the county with respect to the bonds.

Delivery and Payment

The county will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the county.

(continued)

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America equal to 2 percent of the total amount of the bid payable to the order of the county. If a bid is accepted, said check or the proceeds thereof will be held by the county until the bidder shall have complied with all of the terms and conditions of this notice. If a bid is accepted but the county shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the county as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the county.

Bid Forms

All bids must be made on forms which may be procured from the county clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned county clerk and marked "Bond Bid." Bids may be submitted by mail or delivered in person to the undersigned at the County Courthouse and must be received by the undersigned prior to 10 a.m. C.S.T. on December 2, 1986.

Official Statement

The county has prepared an official statement dated November 20, 1986, copies of which may be obtained from the county clerk. Upon the sale of the bonds, the county will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered by the successful bidder at his expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county, for the year 1985, is as follows:

Equalized assessed valuation of taxable tangible property	\$79,895,956
Tangible valuation of motor vehicles	\$18,631,312
Equalized assessed tangible valuation for computation of bonded debt limitations ..	\$98,527,268

The total general obligation indebtedness of the

county as of the date of the bonds, including the bonds being sold, is \$2,905,000.

Additional Information

Additional information regarding the bonds may be obtained from the county clerk.

Dated November 14, 1986.

CRAWFORD COUNTY, KANSAS
By Dean McFarland, County Clerk
County Courthouse
Girard, KS 66743
(316) 724-6115

Doc. No. 004828

(Published in the KANSAS REGISTER, November 27, 1986.)

**NOTICE OF BOND SALE
LYON COUNTY, KANSAS
GENERAL OBLIGATION BRIDGE BONDS
SERIES A, 1986
(general obligation bonds payable
from unlimited ad valorem taxes)**

Pursuant to K.S.A. 1985 Supp. 10-106, Lyon County, Kansas will receive sealed bids in the County Clerk's office, Lyon County Courthouse, Emporia, KS 66801, until 11 a.m. C.S.T. on Thursday, December 11, 1986, for \$1,300,000 par value general obligation county bridge bonds, series A, 1986, of the county, at which time and place such bids shall be publicly opened. No oral or auction bids will be considered.

The series A, 1986 bonds will be dated December 1, 1986 and shall mature on October 1 in each of the years and in the amounts set forth below. Such bonds shall consist of fully registered certificated bonds each in the denomination of \$5,000 or integral multiples thereof, not exceeding the principal amount of the bonds maturing in each year. Interest will be payable semiannually, commencing April 1, 1988 and each October 1 and April 1 thereafter. The principal and premium, if any, on the bonds shall be payable in lawful money of the United States of America, at the principal office of the Treasurer of the State of Kansas (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates (the record dates). The fees of the bond registrar for registration and transfer of the bonds shall be paid by the county.

The bonds will mature serially in accordance with the following schedule:

Principal Maturing	Maturity Date
\$130,000	October 1, 1988
130,000	October 1, 1989
130,000	October 1, 1990
130,000	October 1, 1991
130,000	October 1, 1992
130,000	October 1, 1993
130,000	October 1, 1994
130,000	October 1, 1995

130,000	October 1, 1996
130,000	October 1, 1997

All of said bonds shall become due without option of prior payment.

Interest Rate

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate shall apply to all bonds of the same maturity. Each interest rate shall be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest interest rate shall not exceed 2 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent, and no bid of less than par plus accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

All bids shall be subject to the terms and conditions contained in this notice of bond sale and must be made on the bid forms which may be obtained from the county clerk, or upon equivalent forms. No additions or alterations may be made to such forms and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any and all bids.

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check in the amount of \$26,000 made payable to the order of the County Treasurer, Lyon County, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase the amount of said deposit shall be retained by the county as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The county reserves the right to reject any and all of the bids and to waive any irregularities. The bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the county, and the net interest cost will be determined by deducting the amount of any premiums paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. In the event more than one bid is received at the same net interest cost, the successful bidder will be selected by lot.

Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the county, and the bonds will be sold subject to the unqualified approving opinion of Fred W. Rausch, Jr., bond counsel, Topeka, Kansas. The cost of said legal opinion will be paid by the county. The numbers, denominations of bonds and the name of the initial registered owners to

be initially printed on the bonds shall be submitted in writing by the successful bidder to the bond registrar not later than December 23, 1986. The purchaser will be furnished with a complete transcription of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or about February 1, 1987 at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the county. Delivery elsewhere will be made at the expense of the purchaser.

Authority and Security for the Bonds

The bonds are being issued pursuant to the provisions of K.S.A. 10-201 and Chapter 25 and Article 1 of Chapter 10 of the Kansas Statutes Annotated and any acts amendatory thereof and supplemental thereto. The bonds will be general obligations of the county, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property within the county.

The Tax Reform Act of 1986

The Tax Reform Act of 1986, H.R. 3838, became effective on October 22, 1986. The provisions of the Act relating to obligations of state and local governments would generally be effective for obligations issued after August 15, 1986. Certain of these provisions would impose requirements which must be met subsequent to the issuance and delivery of such obligations, including the bonds, in order for the interest thereon to remain exempt from federal income taxation. The county will covenant to comply with the provisions of the Act and all other applicable federal law, regulations, published rulings and court decisions, in order to preserve the tax-exempt status of the bonds, to the extent such actions can be taken by the governing body of the county. The failure of the county to comply with such covenants could adversely affect the tax-exempt status of the bonds. The purchaser of the bonds should be aware that in such event, the bonds are not callable, nor will the interest rate on the bonds be adjusted to reflect the loss of federal tax exemption.

The Act subjects interest on certain obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years after 1986 and would include in the calculation of alternative minimum taxable income 50 percent of the excess of a corporation's adjusted net book income (determined without regard to this adjustment and prior to reduction for certain net operating losses). In addition, the Act provides that banks and thrift institutions would be unable to deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations (with certain exceptions) if such interest costs are incurred in taxable years ending after December 31, 1986, with respect to bonds acquired after August 7, 1986.

(continued)

The Act provides that property and casualty insurance companies would be required for taxable years beginning on or after January 1, 1986, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986. If the amount of this reduction exceeds the amount otherwise deductible as losses incurred, such excess may be includable in income.

Superfund Amendments and Reauthorization Act of 1986

H.R. 2005, the Superfund Amendments and Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax. Calculation of the tax is to be based generally on a percentage of the corporate alternative minimum taxable income as defined in the 1986 code which would include interest on tax-exempt obligations, including the bonds. The amount of tax is equal to 0.12 percent of the excess of the alternative deduction for the environmental tax over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environment tax is effective for taxable years beginning after 1991. The imposition of this environmental tax could result in additional taxation of interest on the bonds for certain bond owners.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Fred W. Rausch, Jr., Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered. Said opinion will state that in the opinion of bond counsel, under existing law, and subject to the assumptions and limitations contained therein, the interest on the bonds is exempt from federal income taxation, and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties and townships.

The county intends to designate the bonds as qualified project bonds for purposes of Section 902(E) of the Act. The county does not intend to issue bonds in excess of \$10 million during this calendar year.

Purpose of Issue

The bonds are being issued for the purpose of constructing and repairing various bridges in the county. The total estimated projected cost of said improvements is \$1,300,000, which is being funded by the proceeds of this issue.

CUSIP Identification Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds, or assigned to uncertificated bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the successful bid and this notice of bond sale. All expenses

in relation to the assignment and printing of CUSIP numbers on the bonds will be paid for by the county.

Assessed Valuation

Assessed valuation for Lyon County, Kansas, for the year 1986, is as follows:

Equalized assessed valuation of taxable, tangible property	\$116,380,360
Tangible valuation of motor vehicles	\$ 18,728,492
Equalized assessed tangible valuation for computation of bonded debt limitations ..	\$135,108,852

Bonded Indebtedness

The total bonded indebtedness of the county, at the date hereof, including this \$1,300,000 issue, is \$2,010,000.

Bond Rating

The county does not intend to apply for a rating of these bonds. The last issue of bonds by the county, dated July 1, 1976, were rated A-1 by Moody's Investors Service.

Additional Information

Additional copies of this notice of sale and further information may be received from the office of the county clerk, Wanita Werner, Lyon County Courthouse, Emporia, KS 66801, or from Fred W. Rausch, Jr., Bond Counsel, 220 S.W. 33rd, Suite 201, Topeka, KS 66611.

Dated November 13, 1986.

(Published in the KANSAS REGISTER, November 27, 1986.)

NOTICE OF BOND SALE
\$91,850,000 *
STATE OF KANSAS
HIGHWAY SPECIAL OBLIGATION BONDS
SERIES 1986

Sealed Bids

Sealed bids for the purchase of \$91,850,000 * principal amount of State of Kansas highway special obligation bonds, series 1986, hereinafter described, will be received by the undersigned, Secretary of Transportation of the State of Kansas, on behalf of the Kansas Department of Transportation at the office of the Secretary, 7th Floor, State Office Building, 10th and Harrison, Topeka, Kansas, until 10 a.m. C.S.T. on Tuesday, December 9, 1986. All bids will be publicly opened and read at said time and place and will be acted upon by the undersigned immediately thereafter.

Bond Details

The bonds are issuable only as fully registered bonds without coupons and, when issued, will be registered in the name of CEDE & Co., as nominee of the Depository Trust Company (DCT), New York, New York. DTC will act as securities depository of the bonds. Individual purchases will be made in book-entry form only, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive

certificates representing their interest in the bonds purchased. All of the bonds will be dated December 1, 1986, and will mature on January 1 and July 1 in the years and in the principal amounts as follows:

Date	Principal Amount
July 1, 1987	\$1,755,000
January 1, 1988	525,000
July 1, 1988	545,000
January 1, 1989	570,000
July 1, 1989	595,000
January 1, 1990	625,000
July 1, 1990	650,000
January 1, 1991	675,000
July 1, 1991	700,000
January 1, 1992	725,000
July 1, 1992	755,000
January 1, 1993	780,000
July 1, 1993	810,000
January 1, 1994	840,000
July 1, 1994	870,000
January 1, 1995	900,000
July 1, 1995	14,440,000
January 1, 1996	760,000
July 1, 1996	11,110,000
January 1, 1997	645,000
July 1, 1997	17,110,000
January 1, 1998	440,000
July 1, 1998	18,460,000
January 1, 1999	205,000
July 1, 1999	16,360,000

The maturity schedule set forth above is subject to change. An updated maturity schedule will be communicated to potential bidders on Monday, December 8, 1986, on the Munifacts wire service.

The bonds will bear interest from their date at the rate to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on January 1 and July 1 in each year, beginning on July 1, 1987.

The bonds will not be subject to redemption prior to maturity.

Place of Payment and Bond Registration

The terms and conditions relating to registration, transfer and exchange of the bonds will be in accordance with the book-entry-only municipal securities system of DTC, as described in the official statement and any capitalized terms used herein shall have the meanings as set forth in such official statement.

DTC will receive payments from Security Bank of Kansas City, the fiscal agent, paying agent and bond registrar for the bonds, to be remitted to the participants for the benefit of the beneficial owners. The ownership interest of each beneficial owner in the bonds will be recorded through a computerized book-entry system operated by DTC and through the records of the participants.

When reference is made to any action which is required or permitted to be taken by the beneficial owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such beneficial owners for such purposes.

When notices are given, they shall be sent by the paying agent to DTC with a request that DTC forward (or cause to be forwarded) the notice to the participants so that such participants may forward (or cause to be forwarded) the notices to the beneficial owners.

Beneficial owners will receive a written confirmation of their purchase detailing the terms of the bonds acquired. Transfers of ownership interests in the bonds will be accomplished by book entries made by DTC and the participants who act on behalf of the beneficial owners. Beneficial owners will not receive certificates representing their ownership interest in the bonds, except as specifically provided in the bond resolution. Interest and principal will be paid by the paying agent to DTC, then paid by DTC to the participants and thereafter paid by the participants to the beneficial owners when due.

For every transfer and exchange of the beneficial owner's ownership interest in the bonds, the bond registrar, DTC and the participants may charge the beneficial owner a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

No transfer or exchange of any beneficial owner's ownership interest in the bonds will be required to be made after the record date.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. The maximum difference between the highest interest rate bid and the lowest interest rate bid on the bonds shall not exceed 4 percent. No supplemental interest payments will be authorized. No bid of less than 100 percent of the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost, the premium, if any, and the net interest cost to the secretary on the basis of such bid during the life of the bond issue. Each bid shall also specify the average annual net interest rate to the secretary on the basis of such bid. The principal amounts of the bonds as set forth herein are subject to adjustment upward or downward in order to adjust the amount of proceeds received in order to meet adequately the refunding requirements for outstanding State of Kansas highway bonds. *The determination of net interest cost and average annual interest cost shall be made based upon the principal maturities communicated on Munifacts on Monday, December 8, 1986, and not upon the principal maturities set forth herein or as finally determined.* The amount of any adjustment in the final maturity schedule shall be communicated to the successful bidder not later than 10 a.m. C.S.T. on Wednesday, December 10, 1986.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the department, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost on the

(continued)

bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid must be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the secretary will determine which bid, if any, shall be accepted, and his determination will be final.

Authorization, Purpose and Security for the Bonds

The bonds are being issued pursuant to Kansas Statutes Annotated sections 68-2301 to 68-2313, inclusive, as amended, for the purpose of providing funds to refund a portion of an issue of outstanding Kansas highway refunding bonds. The bonds and the interest thereon are secured by and payable from a valid pledge of direct obligations of or obligations unconditionally guaranteed as to timely payment of principal and interest by the United States of America. The bonds do not constitute a debt or a pledge of the faith and credit of the state of Kansas or any political subdivision thereof.

Legal Opinion

The bonds will be sold subject to the approving legal opinions of Gaar & Bell, Overland Park, Kansas, bond counsel, and Haynes and Miller, Washington, D.C., special tax counsel, which opinions will be furnished and paid for by the secretary and delivered to the successful bidder when the bonds are delivered.

Delivery and Payment

The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, without cost to the successful bidder, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate attesting to the completeness and accuracy of the official statement. Payment for the bonds shall be made in federal reserve or other funds, immediately available for use by the secretary.

CUSIP Numbers

CUSIP identification numbers will be assigned to the bonds, but neither the failure to assign such numbers to any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assigning of CUSIP numbers on the bonds shall be paid for by the secretary.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of 2 percent of the total par value of the bonds as set forth on Munifacts on Monday, December 8, 1986, payable to the order of the Kansas Department of Transportation, to secure the secretary from any loss resulting from the failure of the bidder to comply with the terms of his bid. No

interest will be paid upon the deposit made by any bidder. Said check will be returned to the bidder if his bid is not accepted. If a bid is accepted, said check will be held by the secretary until the bidder has complied with all of the terms and conditions of his bid at which time said check will be returned to the successful bidder or deducted from the purchase price at the option of the secretary. If a bid is accepted but the secretary fails to deliver the bonds to the bidder in accordance with the terms and conditions of the bid, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of his bid, the proceeds of such check will be retained by the secretary as and for liquidated damages.

Bid Forms

All bids must be made on forms which may be procured from the undersigned or B.C. Christopher Securities Co., the financial adviser. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The secretary reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned Secretary of Transportation and marked "Proposal for the Purchase of Highway Special Obligation Bonds, Series 1986." Bids may be mailed or delivered in person and must be received by the undersigned at or prior to 10 a.m. C.S.T. on Tuesday, December 9, 1986.

Official Statement

The secretary has prepared a preliminary official statement dated November 27, 1986, copies of which may be obtained from the secretary or from B.C. Christopher Securities Co., the financial adviser. Upon the sale of the bonds, the secretary will adopt the final official statement and, at the request of the successful bidder, will furnish the successful bidder with a reasonable number of copies thereof without additional cost. Additional copies may be ordered by the successful bidder at his expense.

Additional Information

Additional information regarding the bonds may be obtained from Dale Jost, Chief of Fiscal Services, Kansas Department of Transportation, State Office Building, 7th Floor, Topeka, KS 66612, (913) 296-3640; or from the secretary's financial adviser, B.C. Christopher Securities Co., 4800 Main, Suite 126, Kansas City, MO 64112, Attention: John M. Holland, Rick Worner or Bradford J. Max, (816) 932-7000.
