**NOTICE OF STANDARDS FOR
 SSI RECIPIENTS' RESIDENTIAL FACILITIES**

Public Law 94-566, section 505(d), enacted in 1976 and Public Law 97-35, enacted in 1981, established section 1616(e) of the Social Security Act, commonly known as the "Keys Amendment."

The Keys Amendment, as implemented by the federal regulation 45 CFR Part 1397, requires each state to make available for public review a summary of the standards used in regulating residential facilities in which recipients of Supplemental Security Income (SSI) reside or are likely to reside.

Standards for some types of facilities are set by the Department of Social and Rehabilitation Services while the Kansas Department of Health and Environment sets standards for others. The summary of all standards or further information about the full standards set by SRS may be obtained by writing the Department of Social and Rehabilitation Services, Janet Schalansky, Acting Commissioner of Adult Services, Biddle Building, 1st Floor, 2700 W. 6th, Topeka 66606.

Further information about the full standards set by KDHE may be obtained by writing the Department of Health and Environment, Gerald Block, Director of Field Services, Forbes Field, Building 740, Topeka 66620.

All affected facilities must meet the standards. Compliance with the standards assures that facilities provide a safe and healthy environment for SSI recipients and other disadvantaged persons in need of continuous protective oversight. Persons with knowledge of facilities which may not have met the standards are urged to write either SRS or KDHE at the addresses above.

**STATE CORPORATION COMMISSION
 MINED-LAND CONSERVATION AND
 RECLAMATION BOARD**

**REQUEST FOR QUALIFICATIONS FOR
 ENGINEERING AND TECHNICAL SERVICES**

The Mined-Land Conservation and Reclamation Board, pursuant to K.S.A. 75-430a and 75-5803, is establishing a list of prequalified firms for engineering and technical services. Firms are invited to submit qualifications for engineering and technical services as required in connection with the Mined-Land Conservation and Reclamation Act, K.S.A. 49-401 *et seq.*, which includes the state's administration and enforcement program for current coal mining operations and the state's abandoned mined-land program.

Examples of work to be performed include, but are not restricted to, the preparation of environmental assessment statements in compliance with the National Environmental Policy Act, actual design and construction work related to abandoned mined-land reclamation projects, aerial photography related to the preparation of topographic maps, cross-sections and related work and review of surface coal mining permits and permit applications to determine completeness and technical compliance with the Act and rules and regulations promulgated thereunder.

Interested firms must submit completed Kansas Form ASD-E1, Statement of Qualifications and Performance Data, to Joyce Stover, Executive Director, Mined-Land Conservation and Reclamation Board, 107 W. 11th, P.O. Box 1418, Pittsburg 66762, and Judith McConnell, Executive Secretary, State Corporation Commission, 4th Floor, State Office Building, Topeka 66612, by the close of business January 5, 1987 to be considered. Requests for submission forms or telephone inquiries may be directed to Joyce Stover at (316) 231-8615.

This is not a request for proposals. As actual projects arrive, proposals from at least three prequalified firms will be requested. Minority business enterprises are encouraged to respond to this invitation and will not be discriminated against on the grounds of race, color, sex or national origin.

The board will negotiate contracts on the basis of the services required at a just and reasonable fee, in accordance with state law.

DEPARTMENT OF TRANSPORTATION

NOTICE TO CONSULTING ENGINEERS

The Kansas Department of Transportation is seeking a qualified engineering firm for plan production for the following project:

Riley—18-81 K-0711-01—a hydraulic study of computation to verify or modify the design for flood protection at the city of Ogden, Kansas.

Firms expressing interest in these projects must respond in writing and complete the Consulting Engineers Qualification Questionnaire (if not already prequalified) by January 7, 1987.

It is the policy of the K.D.O.T. to use the following criteria as the basis for selection of engineering consultant firms:

1. Size and professional qualification of firm.
2. Experience of staff.
3. Location of firm with respect to proposed project.
4. Work load of firm.
5. Firm's performance record.

ATTORNEY GENERAL

Opinion No. 86-161

Criminal Procedure—Preliminary Proceedings—Service of Warrants. Judd Dent, City Attorney, Independence, November 20, 1986.

Any law enforcement officer may execute an arrest warrant within the officer's jurisdictions. Cited herein: K.S.A. 19-812a; K.S.A. 1985 Supp. 22-2202, as amended by L. 1986, ch. 133, 150; K.S.A. 22-2305; K.S.A. 1985 Supp. 22-2401a. BLB

Opinion No. 86-162

State Departments; Public Officers and Employees—Public Officers and Employees; Open Public Meetings—Executive Sessions; Consultation with an Attorney. Thomas A. Krueger, Legal Counsel for Unified School District 252, Emporia, November 20, 1986.

K.S.A. 75-4319(b)(2) authorizes public bodies subject to the Kansas Open Meetings Act (KOMA) to recess into an executive session for the purpose of "consultation with an attorney for the body or agency which would be deemed privileged in the attorney-client relationship" The term "consultation," as used in the KOMA, necessarily implies the presence of an attorney. Even though a letter from an attorney to his client containing advice is a privileged communication, we must conclude that members of a public body cannot recess into an executive session to review and discuss among themselves a letter from their attorney. Therefore, it is our opinion that the

"consultation with an attorney" exception to the open meetings law cannot be invoked unless the attorney for the body is present. Cited herein: K.S.A. 60-426; 75-4317; K.S.A. 1985 Supp. 75-4318(a); K.S.A. 75-4319. RLN

Opinion No. 86-163

Public Health—Maternity Hospitals, Homes for Children—Constitutionality of K.S.A. 65-516(a)(3); Child Abuse Validation by the Department of Social and Rehabilitation Services. Rep. Ron Fox, 21st District, Prairie Village, November 21, 1986.

K.S.A. 65-516(a)(3) provides that no person may be licensed to operate a child day care home or child boarding home if said person has a resident, employee or regular volunteer who has been validated as a child abuser by the Department of Social and Rehabilitation Services (SRS) pursuant to K.S.A. 1985 Supp. 38-1523. In our opinion, validating an individual as a child abuser without affording that individual sufficient notice and an opportunity to be heard violates the individual's constitutional right to due process. Since the statute does not provide for notice and hearing and there are not rules and regulations to supplement it, K.S.A. 65-516(a)(3) as applied does not meet the constitutional requirement of due process. To insure that due process requirements are met, those procedures must be codified by statute or agency rules and regulations. Cited herein: K.S.A. 1985 Supp. 38-1523; K.S.A. 65-128; 65-501; 65-504; 65-516; 77-415; 75-3306; K.A.R. 30-7-26 *et seq.*; L. 1980, ch. 184, § 2; L. 1982, ch. 259, § 2; L. 1983, ch. 140, § 46; L. 1984, ch. 225, § 1; L. 1985, ch. 210, § 1; U.S. Const., 14th Amendment. Opinion No. 86-164

Automobiles and Other Vehicles—General Provisions—Regulatory Provisions; Vehicle Identification Number; Check of Assembled Vehicles by Highway Patrol; Vehicle Seizure and Disposition. Thomas E. Kelly, Director, Kansas Bureau of Investigation, Topeka, November 24, 1986.

K.S.A. 1985 Supp. 8-116a provides for the assignment of a new vehicle identification number to vehicles that have been assembled or restored, or upon which the proper identification number is in doubt. The vehicle is checked for stolen parts; if none are found, a new VIN is assigned and the vehicle returned to its owner in accordance with the procedure outlined. If there is evidence of fraud, the vehicle must be seized and disposed of as mandated by K.S.A. 1985 Supp. 8-116 and K.S.A. 22-2512. However, the forfeiture provisions of K.S.A. 1985 Supp. 8-116 and K.S.A. 22-2512 do not authorize an *ex parte* destruction or sale of private property without some compliance with due process requirements of notice and an opportunity to be heard. For this reason, the disposition of vehicles under K.S.A. 1985 Supp. 8-116 must be determined in an *in rem* proceeding filed by the state. Opinion No. 86-165

State Departments; Public Officers and Employees—Department of Administration; State Buildings and Grounds—Custody and Care of Certain State-Owned Buildings and Grounds; Fountain of Justice.

State Departments; Public Officers and Employees—State Capitol—Capitol Area Plaza Authority; Powers and Duties. Arthur H. Griggs, Acting Secretary of Administration, Topeka, November 26, 1986.

The Secretary of Administration has the authority to enter into an agreement with a non-profit corporation whereby that corporation, at its own expense, will plan and construct a Fountain of Justice, dependent upon the secretary's approval, on state-owned property. The secretary may further agree to maintain such fountain, provided the agreement complies with relevant budget laws. Opinion No. 86-166

Counties and County Officers—Sheriff—Meetings and Seminars; Discretionary Authority to Send Personnel.

Counties and County Officers—County Commissioners; Powers and Duties—Control of Expenditures. Gene Marks, Barton County Sheriff, Great Bend, December 1, 1986.

K.S.A. 1985 Supp. 19-805(b) authorizes a sheriff, in his or her discretion, to require staff attendance at meetings and seminars which the sheriff determines to be beneficial to the operation of the office, within the limits of the sheriff's budget as approved by the county commissioners. In view of the discretionary nature of the activity, the expenditures authorized under subsection (b) are subject to the general rule that the authority and responsibility for county expenditures is vested in the board of county commissioners. A policy of "shared discretion" could effectively reconcile the interests of the sheriff and the commissioners in regard to this statute, if the commissioners would approve a specific sum in the sheriff's budget each year to be expended for attendance at meetings and seminars. In this way, the sheriff could exercise his or her authority under the statute within the limits of the approved budget without seeking prior approval from the commissioners. Cited herein: K.S.A. 19-212; 19-229; K.S.A. 1985 Supp. 19-805; 74-5607a. BPA

Opinion No. 86-167

Counties and County Officers—County Buildings—Financing Cost; Issuance of Bonds. William D. Rustin, Sedgwick County Counselor, Wichita, December 2, 1986.

The failure of county voters to approve a proposition to issue general obligation bonds of the county pursuant to subsection (c) of K.S.A. 1985 Supp. 19-15,116 to finance construction of a new county jail does not

affect the exercise of the authority granted to the board of county commissioners in subsection (d) of the same statute. Thus, the board of county commissioners may continue to levy a tax authorized by a resolution adopted pursuant to subsection (d) to create a building fund for a new county correctional facility. Similarly, the board of county commissioners may issue general obligation bonds of the county, as authorized by subsection (d), for the same purpose. In subsections (c) and (d) of K.S.A. 1985 Supp. 19-15,116, the legislature has given Kansas counties two separate authorizations for the issuance of general obligation bonds to finance the construction and improvement of county public buildings. The failure of a prerequisite election under subsection (c) does not prevent the county from issuing duly authorized bonds for the same purpose under subsection (d). In subsection (d) the legislature has given a board of county commissioners due authority to issue general obligation bonds of the county, as limited therein, without submitting the proposition to a vote of the county electorate. Taxation—Property Exempt From Taxation—Claim to be Filed Each Year.

Kansas Constitution—Finance and Taxation—Exemption of Property for Economic Development Purposes. Charles J. Schwartz, Secretary, Kansas Department of Economic Development, Topeka, December 3, 1986.

While cities and counties may grant economic development tax exemptions pursuant to Article 11, Section 13 of the Kansas Constitution, the Board of Tax Appeals is authorized under K.S.A. 79-213 (as amended) to examine the legal and factual basis of any such exemption and to determine its merits. Additionally, under K.S.A. 79-210 an economic development tax exemption must be claimed (by the property owner) in each year after approval thereof by the Board of Tax Appeals. Cited herein: K.S.A. 79-210, 79-213 as amended by L. 1986, ch. 370, § 2; Kan. Const., Art. 11, § 13 (L. 1986, ch. 423, § 1). TRH

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NO. 86-90

OFFICIALLY NAMING AND DESIGNATING
CERTAIN STATE-OWNED BUILDINGS

WHEREAS, Alfred Mossman Landon served with distinction as 26th Governor of the State of Kansas from January 9, 1933 to January 11, 1937, and was the Republican Nominee for President of the United States in 1936; and

WHEREAS, Robert Blackwell Docking served with distinction as 38th Governor of the State of Kansas from January 9, 1967 to January 13, 1975, and was the first and only person to be elected to four consecutive terms as Governor; and

WHEREAS, the State of Kansas owns and operates the former Santa Fe Office Building located at 9th and Jackson Streets in Topeka, purchased in 1982 under the authority of K.S.A. 75-3648; and

WHEREAS, the State of Kansas owns and operates the State Office Building located between 9th and 10th Streets and Harrison Street and Topeka Boulevard in Topeka, erected in 1953-55 under the authority of K.S.A. 75-3608; and

WHEREAS, the occupancy of such buildings has created confusion as to the proper designation of such State-owned structures.

NOW THEREFORE, pursuant to the authority vested in me as Governor and chief executive of the State of Kansas, I hereby name and designate the following buildings owned by the State of Kansas:

- (a) The former Santa Fe Office Building located at 9th and Jackson Streets in Topeka is hereby named "The Alfred M. Landon State Office Building" in honor of the former Governor of Kansas, and may be designated for directory, routing and mailing purposes as "LSOB"; and
- (b) The State Office Building located between 9th and 10th Streets and Harrison Street and Topeka Boulevard in Topeka is hereby named "The Robert B. Docking State Office Building" in honor of the former Governor of Kansas, and may be designated for directory, routing and mailing purposes as "DSOB."

The Secretary of Administration is hereby authorized and directed to cause, and provide for the payment of, the erection of proper signs, monuments, and insignia commemorating and recognizing the above and foregoing names and designations on buildings owned by the State of Kansas.

The Secretary of Administration shall also establish procedures for all State agencies and the Divisions of the Department of Administration as to uniform names and designations of such buildings, including but not limited to uniform printing, standardized and uniform telephone directory designations and uniform building designations.

All State agencies housed or located in the buildings named in this Order are hereby authorized and directed to change, at the earliest practical date, all

forms, stationery and mailing designations to reflect the above and foregoing.

As the above and foregoing names and designations honor distinguished Kansans who have served State government with distinction, all State agencies shall use such building names and designations uniformly and consistently.

From and after the effective date of this Order, all statutes, contracts and other documents may refer to the above and foregoing buildings as named and designated in this Order, and this Order may be used by any court of competent jurisdiction as a proper reference as to the actual name and designation of the buildings and properties enumerated herein.

This document shall be filed with the Secretary of State as Executive Order No. 86-90 and shall become effective immediately.

Dated December 1, 1986.

(Published in the KANSAS REGISTER, December 11, 1986.)

**NOTICE OF BOND SALE
CITY OF OLATHE, KANSAS**

\$4,890,000

**GENERAL OBLIGATION BONDS
SERIES 176**

The city of Olathe, Kansas will receive sealed bids at the office of the Director of Administrative Services, City Hall, 100 W. Santa Fe, Olathe, KS 66061, until noon C.S.T. on Tuesday, December 16, 1986, for the purchase of \$4,890,000 par value general obligation bonds of the city. Such bids will be publicly considered by the governing body of the city thereafter at its regularly called meeting December 16, at 7 p.m. C.S.T. No oral or auction bids will be considered.

Details of the Bonds

The bonds will be dated December 1, 1986, and shall mature on December 1 in each of the years and in the amounts set forth below. Such bonds shall consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof not exceeding the principal amount of bonds maturing in each year. Interest will be payable semi-annually on June 1 and December 1 of each year until their respective maturities beginning June 1, 1987. The principal of, and premium, if any, on the bonds shall be payable in lawful money of the United States of America at the principal office of the Treasurer of the State of Kansas (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of

(continued)

the United States of America, by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding each interest payment date. The fees of the bond registrar for registration and transfer of the bonds shall be paid by the city.

The bonds will mature serially in accordance with the following schedule:

Principal Amount	Maturity Date (December 1)
\$390,000	1987
500,000	1988
500,000	1989

Redemption

At the option of the city, the bonds maturing on and after December 1, 1995 will be subject to redemption and payment prior to maturity on December 1, 1994, or on any interest payment date thereafter, in whole or in part in inverse order of maturity at the par value thereof together with accrued interest to the redemption date, without premium.

If the city shall elect to call any of the bonds for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the State Treasurer of Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. If any of the bonds shall be called for redemption and payment as aforesaid, all interest on such bonds shall cease from and after the date for which such call is made, provided funds are available for the payment of such bonds at the price specified herein.

Whenever bonds of less than a single maturity are to be redeemed, the paying agent and bond registrar shall select bonds by lot in multiples of \$5,000 principal amount in such equitable manner as it shall designate and shall, in the case of bonds in denominations greater than \$5,000, treat each \$5,000 of face value of each bond as though it were a separate bond of the denomination of \$5,000.

Interest Rates

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. Interest rates are to be expressed in ascending order. No interest rate shall exceed the

maximum interest rate allowed by Kansas law, said rate being 2 percent above the 20 bond index published in Credit Markets on the Monday next preceding the sale of the bonds, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city addressed to the Director of Administrative Services, City Hall, 100 W. Santa Fe, Olathe, KS 66061, and plainly marked "Bond Bid." All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid, and shall be payable to the order of the Treasurer of the City of Olathe, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Legal Opinion

The bonds, duly printed, executed and registered, will be furnished and paid for by the city and sold subject to the unqualified approving opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose opinion will be paid for by the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 was signed into law by the President of the United States on October 22, 1986. The provisions of the code regarding obligations of state and local units of government are generally effective for obligations such as the bonds issued after August 31, 1986. Certain of these provisions impose requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Further-

more, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. In accordance with the requirements of Section 265 of the code, the city intends to designate the bonds as "qualified tax-exempt obligations."

Identification of Initial Owners

The number, denomination of bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than December 19, 1986.

Delivery

The purchaser will be furnished with a complete transcript of proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before December 29, 1986 at any bank in the United States at the expense of the city.

Purpose

The bonds will constitute general obligations of the city, payable as to both principal and interest from both ad valorem taxes levied without limitation as to rate or amount upon all the taxable, tangible property within the territorial limits of the city, and the collection of special assessments which have been levied on benefited property (but if not so paid, then said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the city). The bonds are being issued by the city to permanently finance and retire certain temporary notes issued by the city to finance various and certain internal improvement projects in the city.

Award

Sealed bids for the bonds shall be opened and publicly considered only as and at the time and place specified in this notice. The city reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting any amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number or assign a number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds. All expenses incurred in connection with the printing of CUSIP numbers on the bonds and the expenses of the CUSIP Service Bureau for the assignment of said numbers shall be paid for by the city.

Assessed Valuation and Indebtedness

The total assessed valuation of taxable tangible property within the city (including motor vehicle valuation and motor vehicle dealers' inventory valuation), for the year 1986, is \$185,267,695. The total general obligation bonded indebtedness of the city at the date hereof, including this proposed issue of bonds, is \$25,730,000. The city has temporary notes outstanding in the total amount of \$2,110,000, which will be redeemed and paid from the proceeds of this proposed issue of bonds and from other funds available to the city.

Additional information regarding the bonds may be obtained from either the city or the city's financial adviser, Evensen Dodge, Inc., Wayne S. Burggraaff, Senior Vice President, 3608 IDS Tower, Minneapolis, MN 55402, (612) 338-3535.

 unlimited ad valorem taxes)

Sealed Bids

Sealed bids will be received by the undersigned, city clerk of the city of Lawrence, Kansas, on behalf of the governing body at the office of the City Clerk, 6 E. 6th, Lawrence, until 11 a.m. C.S.T. on Tuesday, December 16, 1986, for the purchase of \$2,445,000 principal amount of general obligation bonds, series B of 1986 (10 year bonds) and \$43,000 principal amount of general obligation bonds, series C of 1986 (4 year bonds) of the city of Lawrence. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body at the regular meeting of said body which will be held at 7 p.m. December 16, 1986. No oral or auction bids will be considered.

Bond Details

The series B of 1986 bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, dated January 1, 1987, and become due serially on September 1 in the years as follows:

Year	Principal Amount
1988	\$180,000
1989	230,000
1990	240,000
1991	240,000
1992	250,000
1993	250,000
1994	260,000
1995	260,000
1996	265,000
1997	270,000

The series C of 1986 bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, except one bond in the denomination of \$8,000, dated January 1, 1987, and become due serially on September 1 in the years as follows:

Year	Principal Amount
1988	\$13,000
1989	10,000
1990	10,000
1991	10,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable

semiannually on March 1 and September 1 in each year, beginning on March 1, 1988.

Interest Rate and Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest interest rate bid and the lowest rate of interest bid shall not exceed 2 percent per annum. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold (December 16, 1986), plus 2 percent, and no bid of less than par and accrued interest will be considered.

A bid for the purchase of less than all of the bonds or bid at a price less than par and accrued interest will not be considered.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Attorney General of the State of Kansas.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the bond registrar at least two weeks prior to the closing date.

Redemption of Bonds Prior to Maturity

None of said bonds shall be called for redemption prior to its stated maturity.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the city and should be addressed to Vera Mercer, City Clerk, 6 E. 6th, P.O. Box 708, Lawrence, KS 66044, plainly marked "Bond Bid," and must be received by 11 a.m. C.S.T. on December 16, 1986. All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual net interest rate, all certified by the bidder to be correct, and the city may rely upon the certificate of correctness of the bidder. No bid will be considered if made on other than the official bid form and no bid will be considered if such form is amended or modified. Each bid must be accompanied by a

certified or cashier's check in the amount of 2 percent of the total par value of the bonds payable to the City of Lawrence, Kansas, on which no interest will be allowed. The checks of unsuccessful bidders will be returned promptly. The check of the successful bidder or the proceeds thereof will be held as security for the performance of the contract to purchase the bonds, but in the event that the successful bidder shall fail to comply with the terms of the bid, the check or the proceeds thereof shall then be forfeited and retained by the city as and for liquidated damages.

Authority, Purpose and Security

The bonds are being issued pursuant to:

- (a) K.S.A. 13-1055b, 12-693, 12-6a04 *et seq.*, all as amended, and the Eminent Domain Procedure Act, K.S.A. Chapter 26, as amended, for the purpose of paying the cost of certain general improvements (sidewalks, streets, and storm sewers) to west 15th Street.
- (b) K.S.A. 12-685 thru 12-689 as amended, for the purpose of resurfacing portions of 6th Street and 23rd Street and for engineering 31st Street and the southern by-pass to the city.
- (c) K.S.A. 12-617 and 618 as amended, for the purpose of paying the cost of sanitary sewer improvements in Stone Meadows West.
- (d) K.S.A. 12-1804 thru 1814 as amended, for the purpose of paying the cost of repairing and reconstructing sidewalks in the Oread neighborhood from 9th to 17th between Tennessee and Kentucky.

The bonds and the interest thereon will constitute general obligations of the city, payable in part from special assessments levied upon the property benefited by the construction of said improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city, with the balance payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Award of Bonds

The sealed bids for the bonds will be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The city reserves the right to reject any and all of the bids, and to waive any irregularities or informalities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest cost will be determined by deducting the amount of any premium bid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. If there is a discrepancy between the lowest net interest cost and the average annual interest rate specified, the net interest cost figure shall govern and the interest rates in the bid shall be adjusted accordingly. In the event more than one bid is received at the same net interest cost, the successful bidder will be selected by lot.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days from the date of the sale at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds or other funds which shall be available, immediately subject to use by the city.

Federal Tax Exemption

On October 22, 1986, the President of the United States signed into law H.R. 3838, the Tax Reform Act of 1986, which redesignates the Internal Revenue Code of 1954, as amended, as the Internal Revenue Code of 1986. The code imposes certain requirements which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations.

In the opinion of Gaar and Bell, Overland Park, Kansas, bond counsel, under existing law, assuming continued compliance by the city with the terms of the bond ordinance, the interest on the bonds is exempt from federal income taxation except as follows:

(a) For taxable years beginning in the years 1987, 1988 and 1989, the interest on the bonds will be included in the adjusted net book income of corporations. For purposes of computing the corporate alternative minimum tax, a corporation's alternative minimum taxable income must be increased by 50 percent of the amount by which such corporation's adjusted net book income exceeds such corporation's alternative minimum taxable income (determined without regard to this adjustment and the alternative tax net operating loss deduction). For taxable years beginning after 1989, the use of "adjusted net book income" will be replaced by "adjusted current earnings," and "75%" will be substituted for "50%."

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for underwriting losses by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

(c) Interest on the bonds must be included in the calculation of the modified alternative, minimum taxable income of corporations for purposes of calculating the environmental tax imposed by the Superfund Amendments and Reauthorization Act of 1986, effective for taxable years beginning after December 31, 1986 and ending before January 1, 1992.

**NOTICE OF BOND SALE
THE CITY OF PAOLA, KANSAS
\$780,000
GENERAL OBLIGATION BONDS
SERIES X, 1986**

The Act provides that certain "qualified tax-exempt obligations" as defined in Section 265 of the code will be treated as having been acquired on August 7, 1986. The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" described above.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Gaar and Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered. Said opinion will also state that in the opinion of the bond counsel, under existing law, assuming continued compliance by the city with the terms of the bond ordinance and with certain exceptions as set forth under the caption "Federal Tax Exemption" herein, the interest on the bonds is exempt from federal income taxation, and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties and townships.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and to pay for said bonds in accordance with the terms of this notice. All expenses in relation to printing of CUSIP numbers on said bonds and the expenses of the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city.

Official Statement

The city has prepared an official statement, copies of which may be obtained from the city clerk.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city, for the year 1986, is as follows:

Assessed valuation of real estate	\$ 96,825,350
Assessed valuation of personal property	34,668,615
Assessed valuation of state assessed property	<u>9,807,714</u>
Total assessed tangible valuation for computation of bonded debt limitations	\$141,301,679

The total general obligation indebtedness of the city as of the date of the bonds, including the bonds being sold, is \$20,368,500. Temporary notes in the principal amount of \$2,574,000 will be retired out of proceeds of the bonds and other available funds.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk.

Dated December 2, 1986.

CITY OF LAWRENCE, KANSAS
By Vera Mercer, City Clerk
6 E. 6th, P.O. Box 708
Lawrence, KS 66044
(913) 841-7722, ext. 202

The city of Paola, Kansas will receive sealed bids at the office of the City Clerk, City Hall, Paola, until 11:30 a.m. C.S.T. on Tuesday, December 23, 1986, for the purchase of \$780,000 par value general obligation bonds, series X, 1986, of the city, at which time and place such bids will be publicly opened. No oral or auction bids will be considered.

The series X, 1986 bonds initially issued will be dated as of December 1, 1986, and shall mature on December 1 in each of the years and in the amounts set forth below. Such bonds shall consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof, not exceeding the principal amount of bonds maturing in each year. Interest will be payable semiannually, commencing June 1, 1988 and each December 1 and June 1 thereafter. The principal of, and premium, if any, on the bonds shall be payable in lawful money of the United States of America, at the principal office of the Treasurer of the State of Kansas (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding each interest payment date. The fees of the bond registrar for registration and transfer of the bonds shall be paid by the city.

The bonds will mature serially in accordance with the following schedule:

Principal Amount	Maturity Date
\$60,000	December 1, 1988
\$70,000	December 1, 1989
\$70,000	December 1, 1990
\$70,000	December 1, 1991
\$80,000	December 1, 1992
\$80,000	December 1, 1993
\$80,000	December 1, 1994
\$90,000	December 1, 1995
\$90,000	December 1, 1996
\$90,000	December 1, 1997

Proposals will be received on the bonds bearing such rate or rates of interest, not exceeding five different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of one percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 2 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the 2 percent above the 20 bond index

published in Credit Markets on Monday, December 22, 1986, and no bid of less than par and accrued interest will be considered. A bid for the purchase of less than the entire issue of bonds or bid at a price less than par and accrued interest will not be considered.

Bids shall be submitted on the official bid form furnished by the city, addressed to the city at City Hall, P.O. Box 409, Paola, KS 66071, and plainly marked "Bond Bid." All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid and shall be payable to the city of Paola, Kansas. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, said deposit shall be retained by the city as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

The bonds, duly printed, executed and registered, will be furnished and paid for by the city, and the bonds will be sold subject to the unqualified approving opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose opinion will be paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

The Internal Revenue Code of 1986 was signed into law by the President of the United States on October 22, 1986. The provisions of the code regarding obligations of state and local units of government are generally effective for obligations such as the bonds issued after August 31, 1986. Certain of these provisions impose requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely effect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally

based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. In accordance with the requirements of Section 265 of the code, the city intends to designate the bonds as "qualified tax-exempt obligations."

The number, denomination of bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than December 30, 1986. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The purchaser will be furnished with a complete transcript of the proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before January 14, 1987 at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser.

The bonds will constitute general obligations of the city, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the city. The series X, 1986 bonds are being issued for the purpose of providing funds to pay the cost of construction of a force main sewer, interceptor main sewer and pumping station as authorized by K.S.A. 12-619, K.S.A. 12-624, and K.S.A. 12-626 to 12-629, both inclusive.

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice. The city reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, and the net interest

(continued)

cost will be determined by deducting any amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number or assign a number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds. All expenses incurred in connection with the printing of CUSIP numbers on the bonds and the expenses of the CUSIP Service Bureau for the assignment of said numbers shall be paid for by the city.

The total assessed valuation of the taxable tangible property within the city (including motor vehicle valuation and motor vehicle dealers' inventory valuation), for the year 1985, is \$14,058,037. The total general obligation bonded indebtedness of the city at the date hereof, including this proposed issue of bonds, is \$3,198,000.

Temporary notes in the amount of \$762,000, included in the debt above, will be retired from the proceeds of this issue and other available funds.

Additional copies of this notice of bond sale or further information may be received from the City Clerk, P.O. Box 409, Paola, KS 66071, (913) 294-2397.
