**DEPARTMENT OF HEALTH
AND ENVIRONMENT****PUBLIC NOTICE**

The U.S. Environmental Protection Agency (EPA), Region VII, 726 Minnesota Ave., Kansas City 66101, and the Kansas Department of Health and Environment (KDHE), Forbes Field, Topeka 66620, may issue a joint hazardous waste storage permit to the U.S. EPA Region VII Laboratory of Kansas City, Kansas.

The permit would allow for the operation of three storage areas for wastes generated from laboratory analytical activities, unneeded samples, and field sampling activities.

The EPA and KDHE have jointly reviewed the hazardous waste permit application from the U.S. EPA Region VII Laboratory, 25 Funston Road, Kansas City, Kansas. If a decision is made to issue the joint permit,

the EPA portion of the permit would be issued under the authority of the Resource Conservation and Recovery Act (RCRA), and the KDHE portion of the permit would be issued under the authority of Kansas Statutes Annotated 65-3431(i) and 65-3431(s). Kansas has received final authorization to operate all portions of the RCRA permit program, except for the portions covered by the Hazardous and Solid Waste Amendments of 1984 (HSWA). Therefore, the EPA portion of the joint permit will address the requirements of HSWA, in particular Section 222. This section, effective on January 14, 1985, deals with the requirements and permit conditions involving the following wastes: F020, F021, F022, F023, F026, and F027.

Copies of the administrative record, which include the draft permit, permit application and all information submitted by the U.S. EPA Region VII Laboratory, are available for public review starting January 23 at the EPA Region VII Headquarters, 726 Minnesota Ave., Kansas City 66101, from 7:30 a.m. to 4:30 p.m. weekdays; and the KDHE, Room 131, Building 321, Forbes Field, Topeka, from 8 a.m. to 4:30 p.m. weekdays.

Comments on the proposed permit may be directed in writing to Lyndell Harrington, RCRA Branch, EPA Region VII, Kansas City, Kansas, or to John Goetz, Hazardous Waste Section, KDHE, Topeka. Comments must be submitted in writing prior to March 8. Requests for additional information, including the fact sheet, may be made by contacting EPA at (913) 236-2888 or KDHE at (913) 862-9360.

A joint EPA and KDHE public hearing has been scheduled. It will be held at 7 p.m. Tuesday, March 10, in the second floor auditorium of the Kansas City-Wyandotte County Health Department, 619 Ann Ave., Kansas City, Kansas.

After consideration of all comments received and of the requirements of RCRA and state statutes, EPA and KDHE will make a final permit decision. If the decision is made to issue a joint permit that is substantially unchanged from those drafts made available for public comments as announced by this notice, the EPA regional administrator and the KDHE secretary will jointly notify all persons submitting comments or requesting notice of final decision. If the draft permit is substantially changed, the EPA regional administrator and the KDHE secretary will jointly issue a public notice indicating the revised decisions.

BOARD OF EDUCATION**NOTICE OF HEARING
ON THE SUMMER FOOD SERVICE
PROGRAM FOR CHILDREN**

The Kansas State Board of Education will hold a public hearing at 1:30 p.m. Tuesday, February 10, in Room 121 of the Kansas State Education Building, 120 E. 10th, Topeka, to consider the proposed Kansas State Plan for the Summer Food Service Program for Children for fiscal year 1987.

The proposed plan sets forth management and administrative policies and procedures to meet U.S. Department of Agriculture requirements for administration of the program. Chapter One presents 1986 program participation data and projections for 1987 participation; Chapter Two describes outreach activities and nondiscrimination policies and procedures; Chapter Three describes the training and monitoring activities to be conducted by the State Department of Education; Chapter Four identifies activities to be followed to maximize the use of on-site meal preparation and school food service facilities; and Chapter Five outlines the procedures for sponsor approval and disbursing funds to participating sponsors. Charts projecting total meals and federal funds also are included. Chapter Six describes audit and appeal procedures, and Chapter Seven presents the staff and budget for the State Department of Education's administration of the program.

A copy of the plan may be obtained by contacting the secretary of the State Board of Education, Kansas State Education Building, 120 E. 10th, Topeka 66612, prior to the date of the hearing.

On the date of the hearing, all interested persons will be given a reasonable opportunity to present their views or arguments, either orally or in writing, in regard to the proposed plan. Individuals or organizations that cannot appear at the hearing may submit to the secretary of the board, at least five days before the hearing, their views concerning the proposed plan. All comments received will be considered by the board. The hearing shall be conducted in compliance with the public hearing procedures of the board.

BOARD OF EDUCATION**NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

The Kansas State Board of Education will hold a public hearing at 1:30 p.m. Tuesday, February 10, in Room 121 of the Kansas State Education Building, 120 E. 10th, Topeka, to consider proposed changes in Kansas Administrative Regulations 91-12-25, 91-12-52, 91-12-53, 91-12-54, 91-12-55 and 91-12-58. These regulations concern special education.

The proposed amendments to these regulations would increase the class size or caseload limitations, or both. Editorial changes also are proposed. The proposed changes are to become effective July 1, 1987.

A copy of each proposed regulation is being mailed to chief school administrators in the state and may be reviewed in their offices by interested persons. Also, a copy of each of the proposed regulations and its fiscal impact statement may be obtained by contacting the secretary of the State Board of Education, Kansas State Education Building, 120 E. 10th, Topeka 66612, prior to the date of the hearing.

On the date of the hearing, all interested persons will be given a reasonable opportunity to present their views or arguments, either orally or in writing, in regard to the proposed regulations. Individuals or organizations that cannot appear at the hearing may submit written comments to the secretary of the board. All comments received will be considered by the board. The hearing shall be conducted in compliance with the public hearing procedures of the board.

ATTORNEY GENERAL

Opinion No. 87-1

Intoxicating Liquors and Beverages—Cereal Malt Beverages—Off-Premise Sales. Edwin Wheeler, Jr., City Attorney, Marion, January 9, 1987.

Cereal malt beverage (CMB) licenses must state the place of business at which the beverages are to be sold. Delivery and retail sale of CMB to persons at their individual residences does not comply with the requirements of the licensing statutes. Constitution of the State Kansas—Judicial—Compensation of Justices and Judges; Certain Limitation. Senator Robert G. Frey, 38th District, Liberal, January 9, 1987.

The term "salaried officer of the state," as used in Article 3, Section 13 of the Kansas Constitution, refers to any person holding a salaried state office. Common law criteria set out in *Durflinger v. Artiles*, 234 Kan. 502 (1983) must be applied to determine whether a person holding a specific state position is a state officer. Opinion No. 87-3

Consumer Credit Code—Insurance; Insurance in General; Consumer Credit Insurance; Property and Liability Insurance. Judith K. Stringer, Consumer Credit Commissioner, Topeka, January 9, 1987.

A creditor may not contract for or receive a separate charge for insurance unless the credit insurance provides a benefit which covers a loss to property related to the credit transaction. Household goods cannot be related to the transaction unless a purchase money credit arrangement is involved. Nor may the creditor be named as a loss payee of a policy which covers all of a consumer's household goods, even though that creditor has a security interest in some of the property covered under the policy. The amount of insurance is limited to the lesser of either the amount of debt or the value of the property insured. If a separate charge is received for credit insurance, before the insurance may be written, the consumer must be given an informed, affirmative, written request for the policy. In addition, a creditor may not sell credit insurance to a consumer if he has knowledge that an existing policy gives full coverage of the property related to the transaction, and the credit insurance would therefore be pro-rated. Laws, Journals and Public Information—Records Open to Public—Abstracts or Copies of Records; Fees. Gene Porter, Barton County Attorney, Great Bend, January 13, 1987.

The Kansas Open Records Act provides that public agencies may charge reasonable fees for photocopying public records. Fees are reasonable if they do not exceed the actual cost, or costs directly incurred, in providing copies. The twenty cents per page fee charged by Unified School District No. 431 is not unreasonable as it reflects the actual costs incurred in furnishing copies of public records. Taxation—Property Exempt From Taxation—Claim to be Filed Each Year.

Constitution of the State of Kansas—Finance and Taxation—Exemption of Property for Economic Development Purposes. E. A. Mosher, Executive Director, Topeka, January 13, 1987.

Under the provisions of K.S.A. 1986 Supp. 79-213, the Board of Tax Appeals is authorized to examine the legal and factual basis of an economic development tax exemption granted pursuant to Article 11, Section 13 of the Kansas Constitution. However, the board has no authority to review the advisability of granting a proposed exemption, as that policy decision has been delegated to the governing body of the city or county by Article 11, Section 13 of the Kansas Constitution. Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment, and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone regardless of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the K.D.O.T. district office responsible for the work.

SOCIAL AND REHABILITATION SERVICES

FAMILY AND CHILDREN TRUST FUND SOLICITATION

Application kits will be available for the programs listed below from the SRS area offices beginning January 26, 1987:

Program I—Continuation Grants. The programs currently receiving first, second, or third year trust fund grants are eligible to apply for second, third, or fourth year grants. All of these applicants will be subject to the trust fund guidelines being issued January 26, 1987. Each program will be notified of the maximum amount of funds available to them in 1987.

Program II—New Community Based Child Abuse and Neglect and Family Abuse Prevention Grants. Approximately five to 10 new programs will be funded in dollar amounts ranging from \$500-\$20,000.

Program III—New Community Based Child Sexual Abuse Prevention Grants. Six projects will be funded for up to a maximum amount of \$20,000 each for the first year to further the goal of reducing the sexual abuse of children in Kansas. Three of the projects will be funded beginning July 1, 1987, and the second three beginning July 1, 1989. This program is limited to providers proposing to serve counties with at least 2,000 children and no more than 7,500 children.

Applications for Program I, Program II and Program III must be submitted to the SRS area office no later than 5 p.m. March 13. Late applications will not be considered. Final award decisions will be made by the Children and Youth Advisory Committee. Successful applicants will be notified about June 15, 1987.

Pre-submission conferences will be held in Topeka on Friday, February 6; in Hutchinson on Tuesday, February 10; and in Chanute on Thursday, February 12.

Questions regarding this notification should be directed to the SRS area office social service chiefs or to David O'Brien of SRS/Youth Services, (913)296-4649.

NOTICE OF BOND SALE
\$1,065,000
INTERNAL IMPROVEMENT BONDS
SERIES 1987-A
OF THE
CITY OF HUTCHINSON, KANSAS
 (general obligation bonds payable
 from unlimited ad valorem taxes)

Sealed Bids

Sealed bids will be received by the undersigned, city clerk of the city of Hutchinson, Kansas, on behalf of the Commission at City Hall, 125 E. Avenue B, P.O. Box 1567, Hutchinson, KS 67504-1567, until 10 a.m., C.S.T. Tuesday, January 27, 1987, for the purchase of \$1,065,000 principal amount of internal improvement bonds, Series 1987-A, of the city hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body immediately thereafter.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof, dated February 1, 1987, and becoming due serially on September 1 in the years as follows:

Year	Principal Amount
1988	30,000
1989	30,000
1990	30,000
1991	35,000
1992	35,000
1993	40,000
1994	40,000
1995	45,000
1996	45,000
1997	50,000
1998	55,000
1999	55,000
2000	60,000
2001	70,000
2002	70,000
2003	80,000
2004	85,000
2005	90,000
2006	60,000
2007	60,000

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on September 1, 1987.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city

and the Attorney General of the State of Kansas. The bonds may be registered as fully registered certificated bonds or uncertificated (book entry) bonds at the option of each registered owner.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

The type and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar at least two weeks prior to the closing date.

The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the city by the original purchaser at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1988 to 1998, inclusive, shall become due without option of prior payment. At the option of the city, bonds maturing in the years 1999 to 2007, inclusive, may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on September 1, 1998, or on any interest payment date thereafter at the redemption prices (expressed as percentages of the principal amount) plus accrued interest to the redemption date:

Redemption Dates	Redemption Price
September 1, 1998, and March 1, 1999	103%
September 1, 1999, and March 1, 2000	102%
September 1, 2000, and March 1, 2001	101%
September 1, 2001, and thereafter	100%

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bonds for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to call and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the State Treasurer of Kansas, and to the manager or managers of the underwriting account making the successful bid; each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made,

provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No bid of less than the par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-6a01 *et seq.* and amendments thereto, inclusive, for the purpose of paying the cost of certain street improvements, alley repaving and sewer improvements. The bonds and the interest thereon will constitute general obligations of the city, payable as to both principal and interest in part from special assessments levied upon the property benefited by the improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property located within the city, the balance payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Gaar & Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

The Internal Revenue Code of 1986 imposes certain requirements and restrictions which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations. In the opinion of Gaar & Bell, bond counsel, under existing statutes, regulations, rulings and judicial decisions, assuming continued compliance by the city, with the terms of the bond ordinance, the interest on the bonds is exempt from federal income taxation except as follows:

(a) For purposes of computing the corporate alternative minimum tax, the alternative minimum taxable income for any corporation for any taxable year beginning in 1987, 1988 or 1989 must be increased by 50 percent of the amount (if any) by which the adjusted net book income of the corporation exceeds such corporation's alternative minimum taxable income for the taxable year (determined without regard to this adjustment and alternative tax net operating loss deduction). For any taxable year beginning after 1989, the use of "adjusted net book income" will be replaced by "adjusted current earnings," and "50%" will be replaced by "75%." Interest on the bonds will be included in the calculation of adjusted net book income and adjusted current earnings.

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for losses incurred on insurance contracts by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

(c) H.R. 2005, the Superfund Amendments and Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax on corporations. The amount of tax is equal to 0.12 percent of the excess of the modified alternative minimum taxable income of such corporation for the taxable year (determined without regard to the alternative tax net operating loss deduction and the deduction for the windfall profit tax allowed under Section 164(a)(5) of the code) over \$2 million. Interest on the bonds will be included in the calculation of the modified alternative minimum tax income of corporations. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environmental tax is effective for taxable years beginning after December 31, 1986 and before January 1, 1992. The imposition of this environmental tax could result in additional taxation of the interest on the bonds for certain bondowners.

Qualified Tax-Exempt Obligations

Under Section 265(b) of the code, for taxable years ending after December 31, 1986, financial institutions will not be allowed to deduct the portion of their interest expense which is "allocable" to tax-exempt interest on bonds acquired after August 7, 1986, unless

(continued)

such bonds qualify for the exception described herein. The portion of interest expense allocable to tax-exempt interest is equal to the total interest expense of the taxpayer multiplied by the fraction:

$$\frac{\text{Average adjusted bases (within the meaning of Section 1016 of the code) of the taxpayer's tax-exempt obligations acquired after August 7, 1986}}{\text{Average adjusted bases for all of the taxpayer's assets}}$$

Average adjusted bases
for all of the
taxpayer's assets

A bond which constitutes a "qualified tax-exempt obligation" is exempt from the operation of Section 265(b), and a financial institution may generally deduct 80 percent of its interest expense allocable to such a bond, as under prior law. A qualified tax-exempt obligation is a governmental purpose or qualified 501(c)(3) bond which is "designated" by the issuer for this purpose. No more than \$10,000,000 of bonds may be designated by the issuer for this purpose during any calendar year, and the reasonable anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the issuer during the calendar year may not exceed \$10,000,000.

The city intends to designate the bonds as qualified tax-exempt obligations for purposes of Section 265 of the code.

Delivery and Payment

The city will pay for printing and registering the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder by February 26, 1987 at such bank or trust company in the contiguous United States as may be specified by the successful bidder without cost to the successful bidder. Delivery elsewhere will be made at the expense of the purchaser. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$21,300 payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of his bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if his bid is not accepted. If a bid is accepted, said check will be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time the check will be returned to the successful

bidder or paid to his order at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check will be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Rating

The outstanding general obligation bonds of the city are rated "A1" by Moody's Investor Service, Inc., and the city has applied for rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of Internal Improvement Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to 10 a.m. C.S.T. January 27, 1987.

Official Statement

The city has prepared a preliminary official statement dated January 12, 1987, copies of which may be obtained from the city clerk. Upon the sale of the bonds, the city will adopt the final official statement dated February 1, 1987, and, at the request of the successful bidder, will furnish the successful bidder with a reasonable number of copies thereof without additional cost. Additional copies may be ordered by the successful bidder at his expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city, for the year 1986, is \$142,185,079. The total general obligation indebtedness of the city as of the date of the bonds, including the bonds being sold, is \$23,672,000.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk.

NOTICE OF BOND SALE
\$2,000,000
GENERAL OBLIGATION BONDS
SERIES 1987
OF
UNIFIED SCHOOL DISTRICT 200
GREELEY COUNTY, KANSAS (TRIBUNE)
 (general obligation bonds payable
 from unlimited ad valorem taxes)

Sealed Bids

Sealed bids will be received by the undersigned, Clerk of the Board of Education of Unified School District 200, Greeley County, Kansas, on behalf of the Board of Education at the district office, 400 W. Lawrence, Tribune, KS 67860, until 7:30 p.m. M.S.T. on Monday, February 2, 1987, for the purchase of \$2,000,000 principal amount of general obligation bonds, Series 1987, of the district hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the Board of Education. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, dated February 1, 1987, and becoming due serially on October 1 in the years as follows:

Year	Principal Amount
1989	\$ 55,000
1990	60,000
1991	65,000
1992	70,000
1993	75,000
1994	75,000
1995	80,000
1996	85,000
1997	95,000
1998	100,000
1999	105,000
2000	110,000
2001	120,000
2002	130,000
2003	135,000
2004	145,000
2005	155,000

2006	165,000
2007	175,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the district and the Attorney General of the State of Kansas.

The district will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the district and bond registrar at least two weeks prior to the closing date. In the absence of such information, the district will deliver one bond per maturity registered in the name of the manager of the successful bidder. The initial reoffering price to the public by the original purchaser shall be furnished to the district at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the district by the original purchaser at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1989 to 1995, inclusive, shall become due without option of prior payment. At the option of the district, bonds maturing in the years 1996 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the district in such equitable manner as it may determine) on October 1, 1995, or on any interest payment date thereafter at the redemption price of 101 percent (expressed as a percentage of the principal amount), plus accrued interest to the redemption date.

Whenever the district is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the district shall elect to call any bonds for re-

(continued)

demption and payment prior to the maturity thereof, the district shall give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the Treasurer of the State of Kansas, Topeka, Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed a rate equal to the 20 bond index of tax exempt municipal bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid shall specify the total interest cost to the district during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the district on the basis of such bid, all certified by the bidder to be correct, and the district will be entitled to rely on the certificate of correctness of the bidder. Each bid shall also specify the average annual net interest rate to the district on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the district, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the district. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the Board of Education shall determine which bid, if any, shall be accepted, and its determination shall be final. The district reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 72-6761 *et seq.*, as amended, for the purpose of paying the cost of certain school building improvements. The bonds and the interest thereon will constitute general obligations of the district, payable from ad valorem taxes which may be levied without limitation as to rate

or amount upon all the taxable tangible property, real and personal, within the territorial limits of the district.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Gaar & Bell, Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the district, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

On October 22, 1986, the President of the United States signed into law H.R. 3838, the Tax Reform Act of 1986, which redesignates the Internal Revenue Code of 1954 as the Internal Revenue Code of 1986. The 1986 code imposes certain additional requirements and restrictions which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations. The district will covenant in the bond resolution to comply with the provisions of the Act and to take all action as may be necessary to comply with the Act and all applicable future law to preserve the tax-exempt status of the bonds, to the extent such actions can be taken by the Board of Education of the district.

In the opinion of Gaar & Bell, Wichita, Kansas, bond counsel, under existing law, statutes, regulations, rulings and judicial decisions, assuming continued compliance by the district with the terms of the bond resolution, the bonds are exempt from intangible personal property taxes levied by Kansas counties, cities or townships, and the interest on the bonds is exempt from federal income taxation except as follows:

(a) For taxable years beginning in the years 1987, 1988 and 1989, the interest on the bonds will be included in the adjusted net book income of corporations. For purposes of computing the corporate alternative minimum tax, a corporation's alternative minimum taxable income must be increased by 50 percent of the amount by which such corporation's adjusted net book income exceeds such corporation's alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction). For taxable years beginning after 1989, the use of "book income" will be replaced by "adjusted current earnings," and "50%" will be replaced by "75%."

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for losses incurred on insurance contracts by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

H.R. 2005, the Superfund Amendments and Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax. Calculation of the tax is to be based generally on a percentage of the corporate alternative minimum taxable income as defined in the 1986 code which would include interest on tax-exempt obligations, including the bonds. The

amount of tax is equal to 0.12 percent of excess of the alternative minimum taxable income (without regard to net operating losses and the deduction for the environmental tax) over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environmental tax is effective for taxable years beginning after 1991. The imposition of this environmental tax could result in additional taxation of interest on the bonds for certain bondowners.

A form of bond counsel's opinion is contained in the official statement of the district with respect to the bonds.

Qualified Tax Exempt Obligations

The Tax Reform Act of 1986, H.R. 3838, was signed into law by the President of the United States on October 22, 1986. The Act provides that banks and thrift institutions would be unable to deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations (with certain exceptions) if such interest costs are incurred in taxable years ending after December 31, 1986 with respect to bonds acquired after August 7, 1986. The Act provides that certain "qualified tax-exempt obligations" as defined in Section 902(b)(3) will be treated as having been acquired on August 7, 1986. The district will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" described above.

Delivery and Payment

The district will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before February 27, 1987, at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the district.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America equal to 2 percent of the total amount of the bid payable to the order of the district. If a bid is accepted, said check or the proceeds thereof will be held by the district until the bidder shall have complied with all of the terms and conditions of this notice. If a bid is accepted but the district shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the district as and for liquidated damages. No interest

will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the district.

Bid Forms

All bids must be made on forms which may be procured from the clerk or the financial adviser. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The district reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned clerk and marked "Bond Bid." Bids may be submitted by mail or delivered in person to the undersigned at the district office and must be received by the undersigned prior to 7:30 p.m. M.S.T. on February 2, 1987.

Official Statement

The district has prepared an official statement dated January 15, 1987, copies of which may be obtained from the clerk or from the financial adviser. Upon the sale of the bonds, the district will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered by the successful bidder at his expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the district, for the year 1986, is as follows:

Equalized assessed valuation of taxable, tangible property	\$35,188,135
Tangible valuation of motor vehicles	\$ 1,584,402
Equalized assessed tangible valuation for computation of bonded debt limitations ...	\$36,772,537

The total general obligation indebtedness of the district as of the date of the bonds, including the bonds being sold, is \$2,000,000.

Additional Information

Additional information regarding the bonds may be obtained from the clerk.

KANSAS FACTS

Education is top priority

Education in Kansas springs from simple settings—sod huts and one-room schoolhouses. If the means were modest, the goals were not. Early-day Kansans understood the value of education as revealed in the original State Constitution which provides: "The legislature shall encourage the promotion of intellectual, moral, scientific and agricultural improvement by establishing a uniform system of common schools, and schools of a higher grade, embracing normal, preparatory, collegiate and university departments."

From such humble beginnings, Kansas has developed a comprehensive network of public schools. The State Board of Education supervises all public elementary, secondary, vocational-technical schools and community colleges. The 10 members of the board, each representing different districts, are elected by the voters. They serve four-year terms, with five being elected every two years. Higher education in state universities is the responsibility of the State Board of Regents, a nine-member board appointed by the governor.

Elementary and Secondary Education

Elementary and secondary education is provided in Kansas primarily through the public school system. The state is divided into 306 unified school districts. Each district is controlled by a seven-member board of education, which is elected by the district residents. The unpaid board members serve four-year terms.

Local control of public education has a long history in Kansas. The state provides supervision, basic finance and related resources as well as general guidelines, but educational policies and operational matters are left to local school districts. Local boards are responsible for the quality of educational services available in their communities. They select their own textbooks and teaching materials, determine what is taught, establish graduation requirements and hire their own staff. The more than \$500 million spent annually on elementary and secondary schools is divided almost evenly between local property taxes and state aid.

The Kansas educational system was in the national spotlight on May 17, 1954 when the U.S. Supreme Court handed down its landmark decision in the case of *Brown vs. Board of Education of Topeka*. The decision held that "separate but equal" school facilities were inherently unequal and that school segregation violated the Constitution's guarantee under the 14th Amendment. Topeka had unusual segregation—it existed only in grade schools. The city's junior highs and high schools had been integrated for several decades. Before the court even heard the case, complete integration of the Topeka schools was underway. The Brown decision set in motion the desegregation of schools throughout the United States.

Higher Education

Kansas ranks fifth in the United States in the number of institutions of higher learning per capita,

(continued)

and eighth among the states in the number of public institutions of higher learning per capita.

Bethel College, Newton, was the first Mennonite College in the nation. Haskell Indian Junior College in Lawrence is the only federally operated two-year college for Indians. Haskell celebrated its centennial in 1984. The school was dedicated September 17, 1884. Three days later, "the arrival of a wagon train bringing 42 Cheyennes and 36 Arapahoes created a stir at Haskell." The students came "with their parents wearing paint and feathers." Baker University, Baldwin City, is the oldest institution of higher learning in Kansas. Washburn University, Topeka, is the state's only public municipal university. It is home to one of the state's two law schools. The school's mascot is the "Ichabod," which is named for founder Ichabod Washburn.

Vocational-Technical Schools

Vocational-technical schools are the fastest growing educational area in the state. The 14 vocational-technical schools in Kansas are scattered throughout the state. They provide Kansas business and industry with skilled craftsmen and technicians. The state system covers seven general occupational areas: trade and industry, technical training, agriculture, distribution, home economics, business and office occupations and health occupations. Course offerings include agriculture production, distributive education, practical nursing, food management and production, clerical work, auto mechanics, carpentry, drafting, electronics, printing, welding and computer work.

Regents' Institutions

The seven Regents' institutions offer a variety of academic programs. Each institution has certain unique activities and offerings. A brief description of each follows:

University of Kansas, Lawrence—KU opened in 1866. It was the first state university in the Great Plains region. KU has an enrollment of nearly 27,000 students, the largest of any school in the Big Eight Conference. Its academic programs include the only medical school and the only pharmacy school in the state. It also has one of the two law schools in Kansas. The KU Medical Center, Kansas City, serves not only as a teaching facility for health professionals, but also as an important research and treatment hospital. KU's Mid-America Cancer Center is nationally recognized as one of the top cancer research and treatment centers, and a recently completed Radiation Therapy Center is one of the best in the country. The KU Medical Center operates a branch in Wichita. Special activities at KU include: the State Geological Survey, the Law Enforcement Training Center and the Bureau of Child Research, an internationally recognized leader in the study of mental retardation and developmental disabilities. KU athletic teams, the Jayhawks, are members of the Big Eight Conference.

Kansas State University, Manhattan—Established in 1863, K-State was the nation's original land-grant university. Although the main campus is in Manhattan, the university owns or leases more than 14,000 acres in 19 counties for agricultural research. It also conducts agricultural programs in several foreign nations. More than 18,000 students are enrolled in the

university, which offers off-campus education in several areas of the state. K-State is especially noted for its academic programs in agriculture, home economics and veterinary medicine. Through the Federal Land-Grant Act, Kansas State is responsible for all county extension activities in the state. K-State has one of the most prestigious lecture series in American colleges and universities, the Alfred M. Landon Lecture Series on Public Issues. In athletic events, the K-State Wildcats compete in the Big Eight.

Wichita State University, Wichita—Founded as Fairmount College in 1895, WSU became a municipal university in 1926 and a state university in 1964. Enrollment is more than 17,000. WSU has a cultural program that serves not only the student body, but also the city of Wichita. Activities include theater, music, art exhibits and lectures, including the Dwight D. Eisenhower Lecture Series. The Center for Gerontology and the Center for Urban Studies provide special research and services. WSU's mascot is the Wheat Shocker. WSU is in the Missouri Valley Conference.

Emporia State University, Emporia—Established in 1863 as the Kansas State Normal School, ESU was later called the Kansas State Teachers College of Emporia. Training of educators is still emphasized, although other academic programs are offered. Enrollment is nearly 5,500. The ESU campus is designed to accommodate handicapped students, and an extensive program for the handicapped is available. ESU is also home to the Center for the Study of the Great Plains. The ESU Hornets are in the Central States Intercollegiate Conference.

Fort Hays State University, Hays—FHSU was established in 1901 as the western branch of the State Normal School. It is on land which was once the Fort Hays Military Reservation and is the only state university in the western two-thirds of the state. It has an enrollment of about 5,400. The FHSU Tigers are members of the Central States Intercollegiate Conference. Fort Hays burst into national basketball prominence in the 1980s. The Tigers made their first appearance at the NAIA national basketball tournament in Kansas City, Mo., in 1981 and in 1983 they finished third in the nation. In 1984 and 1985, they won back-to-back national championships.

Pittsburg State University, Pittsburg—PSU was established in 1903 as the Auxiliary Manual Training Normal School, a branch of the Emporia Normal School. Enrollment is about 5,000. A unique part of the university is the School of Technology and Applied Science, which works toward improvement of various industries in Kansas. The school conducts seminars and workshops for industries and provides consultations on industrial safety. The Center for Business and Economic Development is another special program. PSU's athletic teams, the Gorillas, are members of the Central States Intercollegiate Conference.

Kansas Technical Institute, Salina—Opened in 1966, KTI offers two-year programs in solar energy technology, computer science technology and surveying technology, as well as more traditional fields of technical study. It has an enrollment of more than 600.
