**State of Kansas
CONSUMER CREDIT COMMISSIONER
PUBLIC NOTICE**

Effective July 1, 1987, the alternate interest rate of 21 percent per year on the unpaid balances of the amounts financed that creditors may charge on consumer credit transactions will expire.

The following maximum rates may be charged on and after that date:

**Supervised Loans Made Under a License
(K.S.A. 16a-2-401)**

- | | |
|---------------------|--------|
| 1. 0 to \$600 | 36% |
| 2. \$601 to \$2,000 | 21% |
| 3. over \$2,000 | 14.45% |

As an alternative to the above rates, a supervised lender may charge 18 percent on the unpaid balance of the amount financed.

**Closed End Consumer Credit Sales
(K.S.A. 16a-2-201)**

- | | |
|---------------------|--------|
| 1. 0 to \$300 | 21% |
| 2. \$301 to \$1,000 | 18% |
| 3. over \$1,000 | 14.45% |

**Open End Consumer Credit Sales
(K.S.A. 16a-2-202)**

- | | |
|---------------------|-------|
| 1. 0 to \$300 | 1.75% |
| 2. \$301 to \$1,000 | 1.5 % |
| 3. over \$1,000 | 1.2 % |

The above is not an exhaustive treatment of maximum rates. The relevant statutes should be consulted.

ATTORNEY GENERAL

Opinion No. 87-97

State Departments; Public Officers and Employees—Kansas Tort Claims Act—Personal Liability of Board of State Fair Managers.

Intoxicating Liquors and Beverages—Cereal Malt Beverages—Prohibited Acts; Sunday Sales on Fairgrounds. Robert A. Gottschalk, Executive Secretary, The Kansas State Fair, June 25, 1987.

Members of the Board of State Fair Managers are state employees for purposes of the Kansas Tort Claims Act. As such, except as provided in K.S.A. 75-6104, they are subject to suit for claims arising out of their wrongful acts. Members who have been held liable for damages occurring within the scope of their employment shall be indemnified by the state, though in the event the employee has acted with actual fraud or malice or has failed to cooperate in the defense, the state is entitled to repayment of any amounts paid out.

The board is given authority to regulate and control fairground use. While the sale and consumption of intoxicating liquors are generally prohibited on public property, the prohibition does not extend to cereal malt beverages. Therefore, as long as the statutory and regulatory requirements are met, the board may authorize Sunday sales of cereal malt beverages on the fairgrounds. FISH AND GAME COMMISSION

TEMPORARY ADMINISTRATIVE
REGULATIONS

Article 5.—SPECIAL SURETY BONDS

23-5-1. Special surety bond program; definitions.

(a) "Applicant" shall mean any person, partnership or corporation who has presented the director of the Kansas fish and game commission with a completed application for appointment as a vendor agent for selling hunting and fishing permits.

(b) "Director" shall mean the director of the Kansas fish and game commission.

(c) "Fishing and/or hunting license or permit" shall mean any license, stamp or special permit issued by the Kansas fish and game commission for sale to the general public.

(d) "Special surety bond" shall mean a bond agreement issued by a vendor agent and accepted by the director of the Kansas fish and game commission as having satisfied the bond requirements established in K.S.A. 1986 Supp. 19-328.

(e) "Premium period" shall mean the period of time in which the vendor agent has paid the prescribed fee and in which the special surety bond shall be in effect.

(f) "Vendor agent" shall mean any person, partnership or corporation authorized by the director or county clerk pursuant to K.S.A. 1986 Supp. 19-328 to sell Kansas hunting and fishing licenses and permits issued by the Kansas fish and game commission. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

23-5-2. Special surety bond authorized. Vendor agents may elect to satisfy the special surety bond requirements provided in K.S.A. 1986 Supp. 19-328 by executing a special surety in favor of the state of Kansas pursuant to the rules and procedures provided in K.A.R. 12-5-3. All such special surety bonds shall be in a form approved by the commission. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

23-5-3. Special surety bond procedure. (a) Special surety bonds authorized by the director shall be issued for the period specified in the special surety bond pursuant to the following requirements:

(1) An applicant shall complete an application form and provide all information prescribed by the commission and certify the facts represented by the applicant thereon. The director may require any applicant to provide the commission, at applicant's expense, with a current audited financial statement.

(2) An applicant shall agree to be firmly bound to the state of Kansas and to fully indemnify the commission for all loss to the state of Kansas of whatever nature arising out of applicant's actions as a vendor agent.

(3) An applicant's officer or agent executing the prescribed application form and special surety bond shall be authorized by the applicant to fully bind and represent the applicant in all activities to be under-

taken as an authorized vendor agent, and shall provide evidence of this authority as may be required by the director.

(b) Each application shall be accompanied by a fee which shall be applied to the one-year bond premium period. The minimum fee shall be \$35 for a special surety bond in any amount up to \$5,000. For bonds in amounts of \$5,000 and above, the fee shall be \$35 plus \$4 per additional \$1,000 coverage or any fraction thereof. The fee shall be returned to the applicant if the applicant is not authorized to act as a vendor agent. (Authorized by and implementing K.S.A. 1986 Supp. 19-328 effective, T-88-19, July 1, 1987.)

23-5-4. Special surety bond term of effect and renewal. Each special surety bond automatically expires on the next succeeding anniversary date of its issuance. Its period of coverage shall coincide exactly with the period for which a vendor agent is authorized to act as such. A vendor agent may elect to renew a special surety bond upon its expiration by providing the commission with a completed renewal form prescribed by the director and payment of the fee prescribed in K.A.R. 23-5-3. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

23-5-5. Effect of loss of special surety bond on vendor agent authority. The expiration of a special surety bond shall act to automatically terminate the authority of the vendor agent to act as a vendor agent, except for a vendor agent who pays cash for the fishing and/or hunting licenses or permits. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

23-5-6. Authorized amount of special surety bond. The amount for which an applicant shall be authorized to execute a special surety bond shall be determined by the director. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

23-5-7. Reduction or increase in special surety bond. No special surety bond once authorized and in effect may be reduced within the premium period. A special surety bond may be increased upon: (a) supplying the director with information he or she determines necessary to process the amendment application;

(b) paying the required premium for the increased amount, prorated to the bond premium period; and

(c) a finding by the director that the increase is justified. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

23-5-8. Grounds for termination of a special surety bond. A special surety bond shall be terminated when a vendor agent commits any of the following acts:

(a) Fails to pay, within 30 days of the director's or county clerk's demand, the cash value of all lost, missing, or destroyed Kansas hunting and/or fishing licenses and permits;

(b) fails to pay, within 30 days of the director's or county clerk's demand, the cash value of all monies

(continued)

collected for the Kansas hunting and/or fishing licenses and permits sold by the vendor agent;

(c) fails to return all Kansas hunting and/or fishing licenses and permits in the vendor agent's possession when required by the terms of the vendor agent agreement or when demand is made by the director or county clerk;

(d) fails to properly perform any of the duties which may be imposed upon the vendor agent by the director or county clerk pursuant to the vendor agent agreement executed by the vendor agent and the director or county clerk; or

(e) fails to perform any other instructions which the director or county clerk may convey to such vendor agent. (Authorized by and implementing K.S.A. 1986 Supp. 19-328; effective, T-88-19, July 1, 1987.)

DEPARTMENT OF TRANSPORTATION
 NOTICE TO CONSULTING ENGINEERS

The Kansas Department of Transportation is seeking a qualified engineering firm for survey and plan production for the following project:

Wyandotte—169-105 K-3048-01 and 169-105 K-2878-01—bridge inspection and rating on U.S. 169, Bridge No. 72 over the Kansas River and Bridge No. 73 over Union Pacific Railroad.

Firms expressing interest in these projects must respond in writing and complete the Consulting Engineers Qualification Questionnaire (if not already pre-qualified) by July 30.

It is the policy of the K.D.O.T. to use the following criteria as the basis for selection of engineering consulting firms:

1. Size and professional qualification of firm.
2. Experience of staff.
3. Location of firm with respect to proposed project.
4. Work load of firm.
5. Firm's performance.

NOTICE OF BOND SALE
\$364,442
 City of Leavenworth, Kansas
 General Obligation Bonds
 Series 1987-A

(Public Facility and Alley Improvement)

Sealed Bids

Sealed bids for the purchase of \$364,442 principal amount of general obligation bonds, Series 1987-A (public facility and alley improvement), of the city hereinafter described, will be received by the undersigned city clerk of the city of Leavenworth, Kansas, on behalf of the governing body of the city at City Hall, 5th and Shawnee, Leavenworth, until 10 a.m. C.D.T. on Tuesday, July 28, 1987. All bids will be publicly opened and read at said time and place and will be acted upon by the city immediately thereafter. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 (except one bond in the amount of \$4,442) or any integral multiple thereof. The bonds will be dated August 15, 1987, and will become due serially on December 1 in the years as follows:

| Year (December) | Principal Amount |
|--------------------|---------------------|
| 1988 | \$34,442 |
| 1989 | 35,000 |
| 1990 | 35,000 |
| 1991 | 35,000 |
| 1992 | 35,000 |
| 1993 | 35,000 |
| 1994 | 35,000 |
| 1995 | 40,000 |
| 1996 | 40,000 |
| 1997 | 40,000 |

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on June 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for
(continued)

registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

The bonds are not subject to redemption prior to their maturity.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 1.5 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance municipal building and street improvements to the city. The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the

taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 was signed into law by the President of the United States on October 22, 1986. The provisions of the code regarding obligations of state and local units of government are generally effective for obligations such as the bonds issued after August 31, 1986. Certain of these provisions impose requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or prior to August 28, 1987 at such bank or trust company in the state of Kansas or Kansas City, Missouri, specified by the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.D.T. on August 14, 1987. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. C.D.T. on August 14, 1987 a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$7,288.84 (2 percent of the bid) payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of his bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if his bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder

shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be retained by the city as and for liquidated damages.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at City Hall and must be received by the undersigned prior to 10 a.m. C.D.T. on Tuesday, July 28, 1987.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city as of July 7, 1987, is \$75,726,487. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$11,519,006, including, as of the date of the bonds, temporary notes outstanding in the principal amount of \$453,900 of which \$370,500 will be retired out of the proceeds of the bonds herein offered for sale and other funds lawfully available to the city.

NOTICE OF BOND SALE
Decatur County, Kansas
General Obligation Hospital Bonds
Series A, 1987

Pursuant to K.S.A. 1986 Supp. 10-106, Decatur County, Kansas will receive sealed bids in the office of the County Clerk, Decatur County Courthouse, 194 S. Penn, P.O. Box 281, Oberlin, KS 67749, until 10 a.m. C.D.T. on Wednesday, July 29, 1987, for \$2,700,000 par value general obligation hospital bonds, Series A, 1987, of the county, at which time and place such bids shall be publicly opened. No oral or auction bids will be considered.

Details of the Bonds

The Series A, 1987 bonds will be dated as of September 1, 1987, and shall mature on September 1 in each of the years and in the amounts set forth below. Such bonds shall consist of fully registered certificated bonds each in the denomination of \$5,000 or integral multiples thereof, not exceeding the principal amount of bonds maturing in each year. Interest will be payable semiannually commencing March 1, 1988, and each September 1 and March 1 thereafter. The principal and premium, if any, on the bonds shall be payable in lawful money of the United States of America at the principal office of the Kansas State Treasurer (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates (the record dates). The county shall pay for the fees of the bond registrar for registration and transfer of the bonds and shall also pay for printing a reasonable supply of bond blanks.

The bonds will mature serially in accordance with the following schedule:

| Principal Maturity | Maturity Date |
|--------------------|-------------------|
| \$ 75,000.00 | September 1, 1988 |
| \$ 85,000.00 | September 1, 1989 |
| \$ 90,000.00 | September 1, 1990 |
| \$ 95,000.00 | September 1, 1991 |
| \$105,000.00 | September 1, 1992 |
| \$110,000.00 | September 1, 1993 |
| \$120,000.00 | September 1, 1994 |
| \$125,000.00 | September 1, 1995 |
| \$135,000.00 | September 1, 1996 |
| \$145,000.00 | September 1, 1997 |
| \$155,000.00 | September 1, 1998 |
| \$165,000.00 | September 1, 1999 |
| \$180,000.00 | September 1, 2000 |
| \$195,000.00 | September 1, 2001 |
| \$205,000.00 | September 1, 2002 |
| \$220,000.00 | September 1, 2003 |
| \$240,000.00 | September 1, 2004 |
| \$255,000.00 | September 1, 2005 |

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1988 to 2000, inclusive,

shall become due without option of prior payment. At the option of the county, bonds maturing in the years 2001 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the county in such equitable manner as it may determine) on September 1, 2000, or on any interest payment date thereafter at a redemption price equal to 100 percent of the principal amount of bonds to be redeemed plus accrued interest to redemption date.

Whenever the county is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000 of face value if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the county shall elect to call any bonds for redemption and payment prior to maturity thereof, the county shall give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States registered or certified mail addressed to the registered owner of said bonds, the Kansas State Treasurer, Topeka, Kansas, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bonds shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Interest Rates

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate shall apply to all bonds of the same maturity. Each interest rate shall be in an even multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. The difference between the highest and lowest interest rate shall not exceed 2 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being the index of treasury bonds published by Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check in the amount of \$54,000 made payable to the order of the county. In the event a bidder whose bid is accepted shall fail to carry out his contract of purchase, the amount of said deposit shall be retained by the county as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Award of Bids

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The county reserves the right to reject any and

all bids and to waive any irregularities. The bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the county, and the net interest cost will be determined by deducting the amount of any premiums paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. In the event more than one bid is received at the same net interest cost, the unsuccessful bidder will be selected by lot.

Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the county, and the bonds will be sold subject to the unqualified approving opinion of Fred W. Rausch, Jr., bond counsel, Topeka, Kansas. The cost of said legal opinion will be paid by the county. The numbers, denominations of the bonds and the names, addresses and social security or tax payer identification numbers of the initial registered owners to be initially printed on the bonds shall be submitted in writing by the successful bidder to the bond registrar not later than August 19, 1987. The initial reoffering price to the public by the successful bidder shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the county by the successful bidder at closing. The successful bidder will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Delivery of the bonds will be made to the successful bidder on or about September 3, 1987, at any bank in the state of Kansas, Kansas City, Missouri, or Chicago, Illinois, at the expense of the county. Delivery elsewhere will be made at the expense of the successful bidder.

Authority and Security for the Bonds

The bonds are being used pursuant to the provisions of K.S.A. 19-4606 *et seq.* The bonds will be general obligations of the county, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property within the county.

Purpose of Issue

The bonds are being issued for the purpose of constructing, equipping and furnishing additions and improvements to the Decatur County Hospital.

CUSIP Identification Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds, or assigned to uncertificated bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the successful bid and this notice of bond sale. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid for by the county.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Fred W. Rausch, Jr., Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county and printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Qualified Tax-Exempt Obligations

The Tax Reform Act of 1986 provides that banks and thrift institutions would be unable to deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations (with certain exceptions) if such interest costs are incurred in taxable years ending after December 31, 1986, with respect to bonds acquired after August 7, 1986. The Act provides that certain "qualified tax-exempt obligations" as defined in Section 902(b)(3) will be treated as having been acquired on August 7, 1986. In regard to certain financial institutions as to Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds. The county will covenant to take such actions as are necessary to designate the Series A, 1987, bonds as "qualified tax-exempt obligations" described above. The county does not intend to issue bonds in excess of \$5,000,000 in calendar year 1987.

Assessed Valuation

Assessed valuation for Decatur County, Kansas, for the year 1986, is as follows:

| | |
|---|--------------|
| Equalized assessed valuation of taxable tangible property | \$28,178,855 |
| Tangible valuation of motor vehicles | \$ 2,947,769 |
| Equalized assessed tangible valuation for computation of bonded debt limitations .. | \$31,126,624 |

Bonded Indebtedness

The total bonded indebtedness of the county, at the date hereof, including this \$2,700,000 issue, is \$2,710,000.

Bond Rating and Optional Bond Insurance

The county has not applied for a rating on the bonds herein offered for sale. AMBAC Indemnity Corporation has issued a commitment for municipal bond insurance covering the bonds. Said insurance may be purchased at the option and expense of the successful bidder. The details of the cost of the insurance may be obtained from AMBAC Indemnity. All bids may be conditioned upon the issuance, effective as of the date on which the bonds are issued, of a policy of insurance by AMBAC Indemnity, insuring the payment when due of principal of and interest on the bonds. Each bond will bear a legend referring to the insurance. The purchaser, holder, or owner is not authorized to make any statement beyond those set out here and in the bond legend without the approval of AMBAC Indemnity. If the successful bidder elects to purchase said insurance, the county must be so notified in writing on or before August 10, 1987 if information that such insurance has been purchased is desired by the bidder to be included in the legal opinion which will be printed on the bonds. AMBAC insured bonds

(continued)

are now rated "Aaa" by Moody's Investors Service, and "AAA" by Standard & Poor's Corporation.
