ATTORNEY GENERAL

Opinion No. 87-113

Schools—Special Education; Exceptional Children—Compulsory Public School Attendance of Exceptional Children. Senator Eric Yost, 30th District, Wichita, August 3, 1987.

K.S.A. 72-977 is not unconstitutional as it does not mandate exceptional children to attend public schools. This compulsory attendance statute requires children attending public schools who have been determined to be exceptional children to attend special education services. To clarify this matter, K.S.A. 72-977 could be amended to provide, similar to K.S.A. 72-1111(a), that exceptional children attending private schools will be in compliance with the compulsory attendance requirements. State Departments; Public Officers and Employees—State Historical Society—"Project" Defined. Joseph W. Snell, Executive Director, Kansas State Historical Society, August 5, 1987.

The change or amendment of a municipal zoning ordinance is a "project" within the meaning of K.S.A. 75-2716(c) and K.S.A. 1986 Supp. 75-2724. Accordingly, a city is required to give the state historic preservation officer notice and an opportunity to comment when such change or amendment is being considered. The term "environs," as used in the Kansas historic preservation act, may include property surrounding a designated historic site even though said properties are not adjoining. DEPARTMENT OF REVENUE

NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS

A public hearing will be conducted at 10 a.m. Tuesday, September 8, in the office of the Kansas Department of Revenue, secretary's conference room, second floor, Robert B. Docking State Office Building, Topeka, to consider the adoption of proposed temporary regulations of the Department of Revenue.

A copy of the full text of the proposed regulations and fiscal impact statement may be obtained by contacting Melanie Caro, Legal Services Bureau, Kansas Department of Revenue, Robert B. Docking State Office Building, Topeka 66612-1588.

All interested parties may submit written comments prior to or at the hearing. All interested parties will be given a reasonable opportunity during the hearing to orally present their views on the adoption of the proposed regulations.

Ch. 92, Art. 26—92-26-1 is a new regulation which defines terms used in order to implement the agricultural ethyl alcohol producer incentive fund.

92-26-2 is a new regulation which requires producers to file an application with the Department of Revenue in order to be eligible for production incentive funds. The regulation also sets out the information required on the application.

92-26-3 is a new regulation which requires that each person purchasing agricultural ethyl alcohol from a qualified agricultural ethyl alcohol producer for the purpose of blending alcohol in this state have a valid manufacturer's license.

92-26-4 is a new regulation which requires ethyl alcohol producers to file a report with the director of taxation within 30 days from the last day of each quarter. The regulation also sets out the information each producer is required to report.

92-26-5 is a new regulation which requires each producer to maintain certain records at the plant where production occurs for a minimum period of three years. The regulation also sets out the information required to be maintained by the producer.

92-26-6 is a new regulation which requires that before spirits are withdrawn from an alcohol fuel plant, the producer must render them unfit for beverage use as required by federal law. The regulation also requires records be prepared and maintained by the consignor when shipping fuel alcohol from the plant premises.

92-26-7 is a new regulation which states that if the director of taxation determines from available reports and records that a producer has erroneously received moneys from the agricultural ethyl alcohol producer incentive fund, the recipient shall refund to the director the amounts erroneously paid.

**DEPARTMENT OF HEALTH
AND ENVIRONMENT****NOTICE CONCERNING
PROPOSED HAZARDOUS WASTE
DISPOSAL FACILITY PERMIT**

The U.S. Environmental Protection Agency (EPA) Region VII, 726 Minnesota Ave., Kansas City, Kansas, and the Kansas Department of Health and Environment (KDHE), Forbes Field, Topeka, may issue a joint hazardous waste disposal permit to Total Petroleum, Incorporated of Arkansas City, Kansas.

The permit would allow for the operation of a 3.85 acre land treatment unit located entirely on refinery property.

The EPA and KDHE have jointly reviewed the hazardous waste permit application from Total Petroleum, Incorporated, 1400 S. M St., Arkansas City. If a decision is made to issue the joint permit, the EPA portion of the permit would be issued under the authority of the Resource Conservation and Recovery Act (RCRA), and the KDHE portion of the permit would be issued under the authority of Kansas Statutes Annotated 65-3431(i) and 65-3431(s). Kansas has received final authorization to operate all portions of the RCRA permit program, except for the portions covered by the Hazardous and Solid Waste Amendments of 1984 (HSWA). Therefore, the EPA portion of the joint permit will address the requirements of HSWA.

Copies of the administrative record, which includes the draft joint permit, permit application and all information submitted by Total Petroleum, Incorporated, are available for public review beginning August 14, at the EPA Region VII Headquarters, 726 Minnesota Ave., Kansas City, from 7:30 a.m. to 4:30 p.m. weekdays; at the KDHE, Building 730, Forbes Field, Topeka, and the KDHE district office, 3244 E. Douglas, Wichita, from 8 a.m. to 4:30 p.m. weekdays; and at the Arkansas City Public Library, 120 E. 5th, Arkansas City, from 9 a.m. to 6 p.m. weekdays.

Comments on the proposed permit may be directed in writing to Lyndell Harrington, RCRA Branch, EPA Region VII, Kansas City 66101; or to John Goetz, Hazardous Waste Section, KDHE, Topeka 66620. Comments must be submitted in writing prior to September 28. Requests for additional information, including the fact sheet, may be made by contacting EPA at (913) 236-2888 or KDHE at (913) 296-1607.

Since it is anticipated that a public hearing regarding this permit decision will be requested, a hearing is being scheduled for 7 p.m. Tuesday, September 22, at the Arkansas City Middle School, 400 E. Kansas Ave., Arkansas City. EPA and KDHE reserve the right to cancel this public hearing if a written request for a hearing is not received by September 14. Public notice of any such cancellation would be provided.

After consideration of all comments received and of the requirements of RCRA and state statutes, EPA and KDHE will make a final permit decision. If the decision is made to issue a joint permit which is substantially unchanged from those drafts made available for

public comments as announced by this notice, the EPA regional administrator and the KDHE secretary will jointly notify all persons submitting comments or requesting notice of final decision. If the draft permit is substantially changed, the EPA regional administrator and the KDHE secretary will jointly issue a public notice indicating the revised decisions.

**BOARD OF INDIGENTS'
DEFENSE SERVICES****NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

The State Board of Indigents' Defense Services will conduct a public hearing at 1 p.m. Friday, September 11, in Room 106, Landon State Office Building, 900 Jackson, Topeka, to consider the adoption of proposed amendments to the permanent rules and regulations of the agency. These amendments will take effect on May 1, 1988. The following summarizes the proposed changes:

K.A.R. 105-5-2—Changes the hourly rate paid to assigned counsel from \$30 per hour to \$40 per hour.

K.A.R. 105-5-6—Changes the \$400 nontried case maximum to \$750 and the \$250 nontried case maximum to \$500.

K.A.R. 105-7-8—Allows the director to approve expert services claims over \$300 without board approval.

The fiscal impact of these changes is estimated at \$430,000 annually after fiscal year 1988.

All interested parties may submit written comments prior to the hearing to Ronald E. Miles, Director, State Board of Indigents' Defense Services, 900 Jackson, Room 506, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to orally present their views in regard to the adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentations to five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered by the board as the basis for making changes to these regulations.

NOTICE OF BOND SALE
\$214,400*
Internal Improvement Bonds
Series 1987
of the
City of Mission, Kansas
(general obligation bonds payable
from unlimited ad valorem taxes)

Sealed Bids

Sealed bids will be received by the undersigned, city clerk of the city of Mission, Kansas, on behalf of the governing body at the City Hall, 6090 Woodson Road, Mission, until 10 a.m. C.D.T. on Thursday, August 20, 1987, for the purchase of \$214,400* principal amount of internal improvement bonds, Series 1987, of the city hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body at a special meeting to be held by the governing body at 5 p.m. on such date. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, except one bond in the denomination of \$4,400*, dated September 1, 1987, and becoming due serially on December 1 in the years as follows:

Year	Principal Amount
1988	\$14,400*
1989	15,000
1990	20,000
1991	20,000
1992	20,000
1993	20,000
1994	25,000
1995	25,000
1996	25,000
1997	30,000

* Subject to change.

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on June 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General. The bonds may be registered as fully registered certificated or uncertificated (book entry) bonds at the option of each registered owner.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of

the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and the bond registrar at least two weeks prior to the closing date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the manager of the successful bidder.

The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such reoffering price to the public shall be furnished by the original purchaser to the city at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1988 to 1994, inclusive, shall become due without option of prior payment. At the option of the city, bonds maturing in the years 1995 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on December 1, 1994, or on any interest payment date thereafter at the redemption price of 100 percent (expressed as a percentage of the principal amount), plus accrued interest to the redemption date.

Whenever the city is to select bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city elects to call any bonds for redemption and payment prior to the maturity thereof, the city will publish once in the Kansas Register a notice of the intention of the city to call and pay said bonds, the same being described by number and maturity, said notice to be published not less than 30 days prior to the date on which said bonds are called for payment. The city will also give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States certified mail addressed to the registered owners of said bonds, to the Kansas State Treasurer, Topeka, Kansas, to the paying agent, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest, as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity.

(continued)

Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate may exceed a rate equal to the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No rate specified may be lower than any rate specified for an earlier maturity of the bonds. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid must specify the total interest cost to the city during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must also specify the average annual net interest rate to the city on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body will determine which bid, if any, shall be accepted, and its determination will be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-6a01 to 12-6a17, inclusive, as amended, for the purpose of paying a portion of the cost of certain street improvements. The bonds and the interest thereon will constitute general obligations of the city, payable from special assessments levied upon the property benefited by the construction of said improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Legal Opinion and Tax-Exemption

The bonds will be sold subject to the legal opinion of Gilmore and Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes certain additional requirements and restrictions which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations. The city will covenant in the

bond ordinance to comply with the provisions of the code and to take all action as may be necessary to comply with the code and all applicable future laws to preserve the tax-exempt status of the bonds, to the extent such actions can be taken by the governing body of the city.

In the opinion of Gilmore and Bell, Overland Park, Kansas, bond counsel, under existing law, statutes, regulations, rulings and judicial decisions, assuming continued compliance by the city with the terms of the bond ordinance, the interest on the bonds will be exempt from federal income taxation except as follows:

(a) For taxable years beginning in the years 1987, 1988 and 1989, the interest on the bonds will be included in the adjusted net book income of corporations. For purposes of computing the corporate alternative minimum tax, a corporation's alternative minimum taxable income must be increased by 50 percent of the amount by which such corporation's adjusted net book income exceeds such corporation's alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction). For taxable years beginning after 1989, the use of "book income" will be replaced by "adjusted current earnings," and "50 percent" will be replaced by "75 percent."

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for losses incurred on insurance contracts by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

H.R. 2005, the Superfund Amendments and Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax. Calculation of the tax is to be based generally on a percentage of the corporate alternative minimum taxable income as defined in the code which would include interest on tax-exempt obligations, including the bonds. The amount of tax is equal to 0.12 percent of excess of the alternative minimum taxable income (without regard to net operating losses and the deduction for the environmental tax) over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environmental tax is effective for taxable years beginning after 1991. The imposition of this environmental tax could result in additional taxation of interest on the bonds for certain bondowners.

Qualified Tax-Exempt Obligations

Under Section 265(b) of the code, for taxable years ending after December 31, 1986, financial institutions will not be allowed to deduct the portion of their interest expense which is "allocable" to tax-exempt interest on bond acquired after August 7, 1986, unless such bonds qualify for the exception described herein. The portion of interest expense allocable to tax-ex-

empt interest is equal to the total interest expense of the taxpayer multiplied by the fraction:

Average adjusted basis (within the meaning of Section 1016 of the code) of the taxpayer's tax-exempt obligations acquired after August 7, 1986

Average adjusted basis for all
of the taxpayer's assets

A bond which constitutes a "qualified tax-exempt obligation" is exempt from the operation of Section 265(b), and a financial institution may generally deduct 80 percent of its interest expense allocable to such a bond, as under prior law. A qualified tax-exempt obligation is a governmental purpose or qualified 501(c)(3) bond which is "designated" by the issuer for this purpose. No more than \$10 million of bonds may be designated by the issuer for this purpose during any calendar year, and the reasonable anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the issuer during the calendar year may not exceed \$10 million.

The city intends to designate the bonds as qualified tax-exempt obligations for purposes of Section 265 of the code.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America an amount equal to 2 percent of the total amount of the bid payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of its bid. Good faith checks submitted by unsuccessful bidders will be returned. If a bid is accepted, said check, or the proceeds thereof, will be held by the city until the bidder has complied with all of the terms and conditions of this notice. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No

interest will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Rating

The city has not applied for a rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk, and marked "Proposal for the Purchase of Internal Improvement Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to 10 a.m. C.D.T. on Thursday, August 20, 1987.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1986 is \$53,483,859. The total general obligation indebtedness of the city as of the date of the bonds, for purposes of calculation of statutory debt limitations, including the bonds being sold, is \$1,314,400.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk or from Gilmore and Bell, Overland Park, Kansas, bond counsel.

SOCIAL AND REHABILITATION SERVICES

NOTICE OF MEETING AND HEARING ON PROPOSED ADMINISTRATIVE REGULATIONS

The Department of Social and Rehabilitation Services will meet at 9 a.m. Tuesday, September 1, in the Staff Development Training Center, 2700 W. 6th, Topeka.

The scheduled agenda includes an announcement soliciting public input in regard to proposals concerning permanent administrative regulations; requesting ideas related to possible legislation; and public hearing concerning adoption of proposed temporary administrative regulations. A summary and fiscal or financial impact are set forth below. The fiscal impact statements have been figured on an eight-month basis. "Minimal" means that the estimated fiscal impact (savings or expenditures) is less than \$50,000. The proposed regulations are scheduled to become effective upon adoption by the State Rules and Regulations Board.

A. Alcohol and Drug Abuse Treatment Programs

1. **30-31-3. License requirements.** This regulation is being amended to make technical changes and to provide that a standard renewable license may be issued for one, two or three years, or a portion thereof. (Fiscal impact: none.)

2. **30-31-4. Application procedures.** This regulation is being amended to make technical changes and to provide that an application for license shall be accompanied by a check payable to the Department of Social and Rehabilitation Services in the amount of \$25 per treatment component, not to exceed \$100. (Fiscal impact: minimal increase in revenue to the agency.)

A copy of the proposed regulations and the complete fiscal impact statements may be obtained prior to September 1 by contacting Mary Slaybaugh, Legal Services, 6th Floor, Docking State Office Building, Topeka 66612, (913) 296-3969. Written comments may be submitted prior to such date to Winston Barton, Secretary of Social and Rehabilitation Services, at the same address.

Interested persons will be given reasonable opportunity at the hearing to present their views and arguments on the adoption of the proposed temporary regulations. Presentations should be in writing whenever possible. Depending on the number of persons

wanting to speak, the department may require that each participant limit oral presentation to three minutes.

The public is invited to this meeting. Telephone hook-ups are provided at the following locations of Social and Rehabilitation Services offices: Chanute, Emporia, Garden City, Hays, Hiawatha, Hutchinson, Junction City, Kansas City, Lawrence, Olathe, Osawatomie, Parsons, Pittsburg, Pratt, Salina, Topeka (area office and Docking State Office Building), Wichita and Winfield.

DEPARTMENT OF TRANSPORTATION

NOTICE TO CONSULTING ENGINEERING FIRMS

The Kansas Department of Transportation is inviting all consulting engineering firms who wish to become prequalified to contact K.D.O.T.

Prequalification is based on the following criteria:

1. Firm principals or employees include qualified and licensed professionals who can be assigned the responsibility of performing the type of projects for which the firm has applied.
2. A staff of sufficient size is available to perform the work required within reasonable time frames.
3. The firm has met or is willing to meet the statutory requirements to do business in Kansas (K.S.A. 17-7301 and K.S.A. 60-306).
4. Evidence of work experience of the firm or individuals of the firm which indicates that work of a similar type has been successfully accomplished.
5. Employees include licensed individuals with one or more such individuals licensed with the Kansas State Board of Technical Professions or a willingness to obtain such licensure prior to receiving work (K.S.A. 74-7001).
6. The firm's willingness to submit to reasonable audits and to maintain accounting systems adequate to isolate and to accumulate project costs.

The Kansas Department of Transportation is an equal opportunity employer. It will negotiate contracts with prequalified firms on the basis of the services required and at a just, reasonable fee in accordance with K.S.A. 75-5801.

Prequalification information is available upon request by contacting the Kansas Department of Transportation, State Transportation Engineer, Docking State Office Building, Topeka 66612, Attention: Bureau of Management and Budget.

**DISADVANTAGED BUSINESSES UTILIZATION
PROGRAM POLICY STATEMENT**

It shall be the policy of the Kansas Department of Transportation that disadvantaged businesses (DBE), as defined in 49 CFR Part 23, shall have the maximum opportunity to participate in the performance of K.D.O.T. contracts that are financed in whole or in part with federal funds. In this regard, K.D.O.T. is committed to provide all necessary and reasonable steps in accordance with 49 CFR Part 23 to ensure that such businesses will be utilized to the maximum extent feasible.

To administer this program, a Kansas Department of Transportation DBE liaison officer shall be designated who will be responsible for developing, managing, and implementing the DBE program on a day-to-day basis. The objectives of the DBE program will be to meet, if not exceed, established goals for the utilization of disadvantaged businesses in the K.D.O.T. DBE program. Contract goals and overall goals shall be set for disadvantaged businesses.

Contract goals shall be established on a monthly basis for specific contracts having practical and feasible DBE subcontracting possibilities.

Overall goals shall be established on an annual basis and will be determined upon consideration of the following factors:

- A. Projection of the number and types of contracts to be awarded and a projection of the number and types of DBEs likely to be available to compete for contracts over the period during which the goals will be in effect.
- B. Past results of Kansas Department of Transportation's efforts to contract with DBEs and the reasons for the high or low level of those results.

tation's efforts to contract with DBEs and the reasons for the high or low level of those results.

The Kansas Department of Transportation shall review its overall goals annually. The review process shall analyze projected versus actual DBE participation during the previous year. Necessary revisions shall be made, based on the analysis, and submitted to the D.O.T. (FHWA) for approval.

The overall goals for fiscal year 1988 (October 1, 1987-September 30, 1988) shall be 10 percent for DBEs (depending upon the contracts let during this period). The goals and descriptions of how they were selected are available for inspection for a period of 30 days following the date of this notice from 8 a.m. to 5 p.m. Monday through Friday at the office of the secretary, 7th Floor, Docking State Office Building, 10th and Harrison, Topeka 66612-1568, (913) 296-3566. Comments, which will be for informational purposes only, will be accepted from the general public in relation to these goals for a period of 45 days following the date of this notice.

Verbal comments may be directed to Keyton E. Barker, Jr., DBE liaison officer, Kansas Department of Transportation, at (913) 296-3576. Written comments may be forwarded to the following addresses: Horace B. Edwards, Secretary of Transportation, Docking State Office Building, 7th Floor, 10th and Harrison, Topeka, KS 66612-1568, Attention: Keyton E. Barker, Jr., DBE Liaison Officer, Bureau of Construction and Maintenance; or Ray A. Barnhart, Federal Highway Administrator, Department of Transportation, Washington, D.C. 20590.
