ATTORNEY GENERAL

Opinion No. 87-115

Cities of the Second Class—Elections—Elective and Appointive Officers; Terms. D. Randall Heilman, Council Grove City Attorney, Council Grove, August 6, 1987.

Under the provisions of K.S.A. 14-201, officers appointed and confirmed in the cities of the second class hold their offices for a term of one year and until their successors are appointed and qualified. A city governing body may not vary the one-year term of office prescribed thereby (except by adoption of a valid charter ordinance), and an appointment of a chief of police for a six-month probationary period is valid for the full statutory period (one year) prescribed by K.S.A. 14-201. Cited herein: K.S.A. 14-201; 14-308. TRH

Opinion No. 87-116

State Boards, Commissions and Authorities—Athletic Commission; All-Sports Hall of Fame—Surcharge on Tickets for Certain Intercollegiate Athletic Events. Representative Edwin Bideau III, 5th District, Chanute, August 11, 1987.

K.S.A. 1986 Supp. 74-2915, as amended, imposes a surcharge on each ticket sold for admission to intercollegiate athletic events. Where a local program admits senior citizens to these events without charge and without the sale of a ticket, the senior citizens are exempted from paying the surcharge. Cited herein: K.S.A. 1986 Supp. 74-2915, as amended by L. 1987, ch. 294, § 2. GE

Opinion No. 87-117

Agriculture—County Extension Councils, Boards and Agents—Application of L. 1987, ch. 215. Ted D. Ayres, General Counsel, Kansas Board of Regents, Topeka, August 12, 1987.

Without Internal Revenue Code, Section 501(c) exemption status, county extension councils do not qualify as "nonprofit organizations" pursuant to L. 1987, ch. 215. However, if county extension councils did have Section 501(c) exemption status, and if they carried general liability insurance, then their volunteers would be eligible to receive the negligence liability immunity afforded by L. 1937, ch. 215. Cited herein: L. 1987, ch. 215; K.S.A. 1986 Supp. 2-611. JLM

Opinion No. 87-118

Counties and County Officers—Public Improvements—Storm Drainage Districts in Urban Area Counties; Powers of Eminent Domain. Representative Phil Kline, 19th District, Overland Park, August 12, 1987.

K.S.A. 19-27,129 *et seq.*, the Act which provides for the creation of storm drainage districts in "urban area" counties, makes no express reference to a drainage

district's power of eminent domain. However, the board of county commissioners of urban area counties which create storm drainage districts may exercise the power of eminent domain to carry out the purposes of the Act, insofar as this power is authorized by implication through home rule and K.S.A. 19-27,129 and K.S.A. 19-27,130. Cited herein: K.S.A. 19-27,129; 19-27,130; 24-125; 24-467. BPA

Opinion No. 87-119

Schools—Organization, Powers and Finances of Boards of Education—Interlocal Agreements; Duration of Agreements; Constitutionality of 1987 House Bill No. 2482, amending K.S.A. 72-8230 (L. 1987, ch. 276, § 1). Fred W. Rausch, Jr., Attorney at Law, Topeka, August 12, 1987.

1987 House Bill No. 2482 amends K.S.A. 72-8230 (L. 1987, ch. 276, § 1) to nullify the duration provisions in existing school district interlocal cooperation agreements concerning special education services. In our opinion, this provision is not unconstitutional. For a retrospective law to be invalid, it must either be proscribed by state constitution, which is not the case in Kansas, or it must violate a constitutionally vested right. School districts have no vested rights in interlocal agreements as both school districts and interlocal agreements are creatures of the legislature. Therefore, the legislature has authority to alter the provisions of existing interlocal agreements. Cited herein: K.S.A. 72-8230, as amended by L. 1987, ch. 276, § 1; Kan. Const. Art. 6, § 5; U.S. Const., Art. I, § 10; Amend. XIV. RLN

Opinion No. 87-120

Constitution of the State of Kansas—Corporations—Cities; Powers of Home Rule.

Cities and Municipalities—General Provisions—Cities Classified for Purpose of Imposing Limitations and Prohibitions Upon Levy of Sales and Excise Taxes. John R. Horst, Caney City Attorney, Caney, August 12, 1987.

K.S.A. 1986 Supp. 12-187 and 12-189, as amended by sections 1 and 2 of L. 1987, ch. 63, prescribe that the rate of any city retailers' sales tax shall be fixed in the amount of .5 percent of 1 percent. As the legislature has established two valid classes of cities for the purpose of limiting the levying of sales and excise taxes, and the above-cited rate limitations (and the acts of which they are a part) apply uniformly to all cities of the same class, a city may not increase the maximum 1 percent rate through adoption of a charter ordinance. Cited herein: K.S.A. 1986 Supp. 12-187; K.S.A. 12-188; K.S.A. 1986 Supp. 12-189; 12-192; Kan. Const., Art. 12, § 5. TRH

DEPARTMENT ON AGING**NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

A public hearing will be conducted at 10:30 a.m. Thursday, September 10, in Room D on the second floor of the KNEA Building, 715 W. 10th, Topeka, to consider the adoption of a proposed temporary administrative regulation of the Kansas Department on Aging.

All interested parties may submit written comments prior to the hearing to the Secretary of Aging, Kansas Department on Aging, 610 W. 10th, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to orally present their views in regard to the adoption of the proposed regulation. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentation to five minutes.

Following the hearing, all written and oral comments submitted by interested parties prior to and at the hearing will be considered by the Secretary of Aging as the basis for making changes to the proposed regulation. Copies of the regulation and the fiscal impact statement may be obtained by writing the Department on Aging.

There is no fiscal impact resulting from the adoption of the proposed amended regulation that is briefly summarized as follows:

K.A.R. 26-2-3 contains the addition for clarification purposes of the sentence, "Revised final financial reports received after April 15th of the calendar year following the end of the grant period shall not be considered a final financial report."

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment,

and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the K.D.O.T. district office responsible for the work.

- Glick (Mississippi) gas pool in Barber, Comanche and Kiowa counties
- Greenwood gas field in Morton County
- Harding (Indian Cave) gas pool in Barber and Pratt counties
- Harding West gas pool in Barber and Pratt counties

- Hugoton gas field in Finney, Grant, Gray, Hamilton, Haskell, Kearny, Morton, Seward, Stanton, Stevens and Wichita counties
- ILS Southwest (Douglas Sand) gas pool in Barber County
- Komarek Indian Cave gas field in Kingman County
- McKinney East Mississippi gas pool in Clark County
- Negro Creek (Indian Cave) gas pool in Kingman County
- Panoma-Council Grove gas field in Finney, Grant, Hamilton, Haskell, Kearny, Morton, Seward, Stanton, Stevens, and Wichita counties
- Perry Ranch Northwest (Cherokee-Mississippi) gas pool in Comanche County
- Richfield (Morrow Sand) gas pool in Morton County
- Salley (Lower Morrow) gas pool in Seward County
- Shepherd conglomerate field in Pratt County
- Sparks (Keyes Sand) gas pool in Stanton and Morton counties
- Sullivan (Douglas) gas pool in Harper County
- Sullivan (Lower Stalnaker) gas pool in Harper County
- Sullivan (Upper Stalnaker) gas pool in Harper County
- Wall-Mississippi gas pool in Harvey County
- Zenith-Peace Creek (Mississippi) gas pool in Reno County
- Zerger North East Douglas field in Kingman County

The hearing will be conducted at 9 a.m. Thursday, September 24, at the Conservation Division hearing room, 300 Colorado Derby Building, 202 W. 1st, Wichita. All purchasers of gas produced from the above-listed pools should furnish at the hearing their nominations from the pools for the calendar months included in the proration period.

Questions should be directed to Ann T. Rider, Assistant General Counsel, State Corporation Commission, Conservation Division, 202 W. 1st, Wichita 67202, (316) 263-3238.

**AMENDED
NOTICE OF BOND SALE
\$214,400***
**Internal Improvement Bonds
Series 1987
of the
City of Mission, Kansas
(general obligation bonds payable
from unlimited ad valorem taxes)**

This amended notice of bond sale supersedes the notice of bond sale dated July 22, 1987. The only change is the date of sale.

Sealed Bids

Sealed bids will be received by the undersigned, city clerk of the city of Mission, Kansas, on behalf of the governing body at the City Hall, 6090 Woodson Road, Mission, until 10 a.m. C.D.T. on Wednesday, August 26, 1987, for the purchase of \$214,400* principal amount of internal improvement bonds, Series 1987, of the city hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body at a regular meeting to be held by the governing body at 7:30 p.m. on such date. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in denominations of \$5,000 or any integral multiple thereof, except one bond in the denomination of \$4,400*, dated September 1, 1987, and becoming due serially on December 1 in the years as follows:

Year	Principal Amount
1988	\$14,400*
1989	15,000
1990	20,000
1991	20,000
1992	20,000
1993	20,000
1994	25,000
1995	25,000
1996	25,000
1997	30,000

* Subject to change.

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on June 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General. The bonds may be registered as fully registered certificated or uncertificated (book entry) bonds at the option of each registered owner.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and the bond registrar at least two weeks prior to the closing date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the manager of the successful bidder.

The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such reoffering price to the public shall be furnished by the original purchaser to the city at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1988 to 1994, inclusive, shall become due without option of prior payment. At the option of the city, bonds maturing in the years 1995 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on December 1, 1994, or on any interest payment date thereafter at the redemption price of 100 percent (expressed as a percentage of the principal amount), plus accrued interest to the redemption date.

Whenever the city is to select bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city elects to call any bonds for redemption and payment prior to the maturity thereof, the city will publish once in the Kansas Register a notice of the intention of the city to call and pay said bonds, the same being described by number and maturity, said notice to be published not less than 30 days prior to the date on which said bonds are called for payment. The city will also give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States certified mail addressed to the registered owners of said bonds, to the Kansas State Treasurer, Topeka, Kansas, to the paying agent, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest, as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate may exceed a rate equal to the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No rate specified may be lower than any rate specified for an earlier maturity of the bonds. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be authorized. Each bid must specify the total interest cost to the city during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must also specify the average annual net interest rate to the city on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body will determine which bid, if any, shall be accepted, and its determination will be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-6a01 to 12-6a17, inclusive, as amended, for the purpose of paying a portion of the cost of certain street improvements. The bonds and the interest thereon will constitute general obligations of the city, payable from special assessments levied upon the property benefited by the construction of said improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Legal Opinion and Tax-Exemption

The bonds will be sold subject to the legal opinion of Gilmore and Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes certain

additional requirements and restrictions which must be met subsequent to the issuance of state and local government obligations in order to maintain the exemption from federal income taxation of the interest on such obligations. The city will covenant in the bond ordinance to comply with the provisions of the code and to take all action as may be necessary to comply with the code and all applicable future laws to preserve the tax-exempt status of the bonds, to the extent such actions can be taken by the governing body of the city.

In the opinion of Gilmore and Bell, Overland Park, Kansas, bond counsel, under existing law, statutes, regulations, rulings and judicial decisions, assuming continued compliance by the city with the terms of the bond ordinance, the interest on the bonds will be exempt from federal income taxation except as follows:

(a) For taxable years beginning in the years 1987, 1988 and 1989, the interest on the bonds will be included in the adjusted net book income of corporations. For purposes of computing the corporate alternative minimum tax, a corporation's alternative minimum taxable income must be increased by 50 percent of the amount by which such corporation's adjusted net book income exceeds such corporation's alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction). For taxable years beginning after 1989, the use of "book income" will be replaced by "adjusted current earnings," and "50 percent" will be replaced by "75 percent."

(b) For taxable years beginning after December 31, 1986, property and casualty insurance companies will be required to reduce their deduction for losses incurred on insurance contracts by 15 percent of the amount of interest received or accrued on tax-exempt obligations acquired after August 7, 1986, including the bonds.

H.R. 2005, the Superfund Amendments and Reauthorization Act of 1986, which was enacted on October 17, 1986, includes among its provisions the imposition of a new environmental tax. Calculation of the tax is to be based generally on a percentage of the corporate alternative minimum taxable income as defined in the code which would include interest on tax-exempt obligations, including the bonds. The amount of tax is equal to 0.12 percent of excess of the alternative minimum taxable income (without regard to net operating losses and the deduction for the environmental tax) over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax, but is deductible from gross income. The environmental tax is effective for taxable years beginning after 1991. The imposition of this environmental tax could result in additional taxation of interest on the bonds for certain bondowners.

Qualified Tax-Exempt Obligations

Under Section 265(b) of the code, for taxable years

(continued)

ending after December 31, 1986, financial institutions will not be allowed to deduct the portion of their interest expense which is "allocable" to tax-exempt interest on bond acquired after August 7, 1986, unless such bonds qualify for the exception described herein. The portion of interest expense allocable to tax-exempt interest is equal to the total interest expense of the taxpayer multiplied by the fraction:

Average adjusted basis (within the meaning of Section 1016 of the code) of the taxpayer's tax-exempt obligations acquired after August 7, 1986

Average adjusted basis for all
of the taxpayer's assets

A bond which constitutes a "qualified tax-exempt obligation" is exempt from the operation of Section 265(b), and a financial institution may generally deduct 80 percent of its interest expense allocable to such a bond, as under prior law. A qualified tax-exempt obligation is a governmental purpose or qualified 501(c)(3) bond which is "designated" by the issuer for this purpose. No more than \$10 million of bonds may be designated by the issuer for this purpose during any calendar year, and the reasonable anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the issuer during the calendar year may not exceed \$10 million.

The city intends to designate the bonds as qualified tax-exempt obligations for purposes of Section 265 of the code.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America an amount equal to 2 percent of the total amount of the bid payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of its bid. Good faith checks submitted by unsuccessful bidders will be returned. If a bid is accepted, said check, or the proceeds thereof, will be held by the city until the bidder has complied with all of the terms and conditions of this notice. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said

check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Rating

The city has not applied for a rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk, and marked "Proposal for the Purchase of Internal Improvement Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to 10 a.m. C.D.T. on Wednesday, August 26, 1987.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1986 is \$53,483,859. The total general obligation indebtedness of the city as of the date of the bonds, for purposes of calculation of statutory debt limitations, including the bonds being sold, is \$1,314,400.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk or from Gilmore and Bell, Overland Park, Kansas, bond counsel.

Dated August 13, 1987.

**NOTICE OF BOND SALE
\$170,000**

**General Obligation Public Building Bonds
Series A, 1987
of Sherman County, Kansas**

Date, Time and Place of Receiving Sealed Bids

The undersigned, county clerk of Sherman County, Kansas, will receive sealed bids on behalf of the Board of County Commissioners at her office in the Sherman County Courthouse located in Goodland, Kansas, until 1:30 p.m. M.D.T. on Monday, August 24, 1987, for the purchase of \$170,000 principal amount of general obligation public building bonds, Series A, 1987, of the county as hereinafter described. All bids will be publicly opened and read at said time in the county commission meeting room at the Sherman County Courthouse, and will be immediately thereafter acted upon by the Board of County Commissioners. No oral or auction bids for the bonds will be considered.

Description of Bonds

The bonds shall consist of fully registered certificated bonds in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of bonds maturing in each year; will bear a dated date of September 1, 1987; and shall mature serially on September 1 in each of the years and in the amounts as follows:

Principal Amount	Maturity Date
\$15,000	September 1, 1988
15,000	September 1, 1989
15,000	September 1, 1990
15,000	September 1, 1991
15,000	September 1, 1992
15,000	September 1, 1993
20,000	September 1, 1994
20,000	September 1, 1995
20,000	September 1, 1996
20,000	September 1, 1997

The bonds will bear interest from the dated date at rates which shall be determined upon the public sale thereof as heretofore provided, and said interest will be payable semiannually on March 1 and September 1 of each year, commencing March 1, 1988.

Payment of Principal and Interest; Registration

The principal of the bonds shall be payable in lawful money of the United States of America at the principal office of the Kansas State Treasurer (the paying agent and bond registrar), Topeka, Kansas, to the registered owners thereof upon presentation of bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America by mailing of check or draft of paying agent to registered owners as their names appear on the registration books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates.

The fees of the bond registrar for registration and transfer of the bonds shall be paid by the county, and the county shall also pay for printing of a reasonable supply of blank registered bond certificates for that

purpose. Any additional costs or fees that might be incurred in the secondary market, except the bond registrar's fees, shall be the responsibility of the owners of the bonds.

Initial Registration

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the initial registered owners of the bonds shall be submitted in writing to the bond registrar by the successful bidder not later than Friday, September 4, 1987. In the event such information is not furnished by such date, the bonds will be delivered one bond per maturity registered in the name of the successful bidder.

An original purchaser's certificate, which sets forth the initial reoffering price to the public on the bonds, will be furnished to the successful bidder by bond counsel, and such certificate must be completed and returned no later than the date of delivery of the bonds.

Redemption of Bonds

Bonds maturing September 1, 1988 through September 1, 1992, inclusive, are not subject to call for redemption prior to their respective maturities.

Bonds maturing September 1, 1993 and thereafter are callable at the option of the county prior to the stated maturities thereof, in whole or in part and in inverse numerical order, on any interest payment date on and after September 1, 1992, the date being so set for redemption and payment being referred to as the "redemption date," at a price equal to 102 percent of the principal amount thereof, plus accrued interest to the redemption date.

Notice of any call for redemption shall be given in writing to the bond registrar and paying agent not less than 60 days before the redemption date, and the bond registrar and paying agent shall give written notice of such redemption to the registered owners of the bonds not less than 30 days before the redemption date. Notice of any call for redemption and payment shall also be published one time in the official newspaper of the state of Kansas and in the official newspaper of the county not less than 30 days before the redemption date.

Prior to the redemption date, the county shall deposit with the paying agent sufficient funds to pay the bonds so called at the purchase price set forth above and all unpaid and accrued interest thereon to the redemption date. Upon the deposit of said funds, and the giving of notice in the form and manner hereinbefore specified, bonds thus called for redemption shall cease to bear interest from and after the redemption date.

Conditions of Bidding

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder, subject to the conditions of this paragraph. The same rate of interest shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the maximum interest rate

(continued)

allowed by Kansas law, said rate being equal to the index of treasury bonds published by Credit Markets in New York, New York, on the Monday next preceding the date on which the bonds are sold, plus 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon from the dated date to the date of delivery will be considered, and no supplemental interest payments will be authorized. Each bid must state the total interest cost to the county during the life of the bonds on the basis of the bid, the premium, if any, offered by the bidder for the bonds, the net interest cost to the county on the basis of the bid, and the average annual interest rate on the bonds on the basis of the bid. Each bid shall be certified by the bidder to be correct, and the county will be entitled to rely on such certificate of correctness.

Bid Form; Good Faith Deposit

Bids shall be submitted on an official bid form which may be obtained from the county and shall be submitted in sealed envelopes, plainly marked "Bond Bid," addressed to the County Commission, Sherman County Courthouse, Goodland, KS 67735, Attention: Janet R. Rumpel, County Clerk. Bids may be submitted by mail or delivered in person and must be received by the county clerk no later than the date and time hereinbefore specified.

Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check payable to the order of the county for an amount equal to 2 percent of the total amount of the bonds. If a bid is accepted, said deposit will be held by the county until the bidder shall have complied with all of the terms and conditions of this notice and of the bid. In the event a bidder whose bid is accepted shall default in the performance of any of the terms and conditions of this notice or of the bid, said deposit shall be retained by the county as and for liquidated damages. If a bid is accepted, but the county shall fail to deliver the bonds to the bidder in accordance with the terms and conditions hereof, said deposit shall be returned to the bidder. No interest will be paid upon the successful bidder's deposit. The good faith deposit checks of the unsuccessful bidders will be promptly returned.

Award of Bonds

The bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the county, which will be determined by deducting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more identical bids for the lowest net interest cost are received, the Board of County Commissioners shall determine which bid, if any, shall be accepted, and such determination shall be final. The county reserves the right to reject any and all bids, and to waive any irregularities in a submitted bid.

Delivery of Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the county, and will

be delivered to the successful bidder on or about Tuesday, September 15, 1987, at any bank in the state of Kansas or in Kansas City, Missouri, at the expense of the county. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will also be furnished with a transcript of proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately available for use by the county.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on the bonds. All expenses in relation to printing of the CUSIP numbers and the expenses of the CUSIP Service Bureau for assignment thereof shall be the responsibility of and shall be paid for by the county.

Official Statement

The county will prepare an official statement relating to the bonds, copies of which may be obtained from the county clerk or from the county's financial adviser. Upon the sale of the bonds, the county will furnish the successful bidder with a reasonable number of copies of the official statement, without cost, upon request. Copies in excess of a reasonable number may be ordered by the successful bidder at his expense.

Authority, Purpose and Security for Bonds

The bonds are being issued under the authority of K.S.A. 19-15,114 *et seq.*, and will be authorized by a bond resolution which will be adopted August 24, 1987. Proceeds from the bonds will be used to pay the total costs of making repairs and improvements to public buildings owned by the county.

The bonds and the interest thereon will constitute general obligations of the county, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the county.

Legal Opinion and Tax Exemption

All matters incidental to authorization and issuance of the bonds are subject to the approving opinion of Hinkle, Eberhart, Elkouri & Jensen, bond counsel, Wichita, Kansas. Bond counsel's opinion will be printed on the reverse side of each bond, and a manually signed original will be furnished without expense to the successful bidder concurrently with delivery of the bonds. All fees and expenses of bond counsel will be paid by the county. A specimen form of bond counsel's opinion is contained in the county's official statement regarding these bonds.

In the opinion of bond counsel, assuming continued compliance by the county with the terms of the bond resolution, under existing law, the interest on the bonds is: (i) excludable from gross income for federal income tax purposes; and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corpora-

tions. However, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion mentioned in the preceding clause (i) is subject to compliance by the county with all requirements of the Internal Revenue Code of 1986, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in gross income retroactive to the date of issuance thereof. The county will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Prospective bidders for purchase of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, except with respect to certain financial institutions within the meaning of Section 265(b)(5) of the code; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986 and prior to January 1, 1992, interest earned on the bonds by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest earned on the bonds by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. The foregoing categories of prospective bondowners should consult their own tax advisers as to the applicability of any of these consequences.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships.

Qualified Tax-Exempt Obligations

The county will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code; and, in the case of certain financial institutions within the meaning of Section

265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

Assessed Valuation and Bonded Indebtedness

The assessed valuation of taxable tangible property within the county, for the year 1986, is as follows:

Assessed valuation of taxable tangible property	\$38,680,135.00
Taxable value of motor vehicles	<u>5,112,743.00</u>
Equalized assessed tangible valuation for computation of bonded debt limitations	\$43,792,878.00

The total outstanding general obligation bonded indebtedness of the county as of the date of the bonds is \$985,000, which amount does include this proposed issue.

Additional Information

Additional information regarding the bonds may be obtained from the county clerk or from the county's financial adviser, Mid-Continent Investments, Inc., 333 Century Plaza Building, Wichita, KS 67202, Attention: Jerry Rayl, Senior Vice President, (316) 262-5161.

Series D 1987
of the**

**City of Lawrence, Kansas
(general obligation bonds payable
from unlimited ad valorem taxes)**

Sealed Bids

Sealed bids will be received by the undersigned, city clerk of the city of Lawrence, Kansas, on behalf of the governing body at the City Hall, 6 E. 6th, Lawrence, until 11 a.m. C.D.T. on Tuesday, August 25, 1987, for the purchase of \$1,960,000 principal amount of internal improvement bonds, Series D 1987, of the city hereinafter described. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body at the regular meeting of the governing body to be held at 7 p.m. on such date. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in denominations of \$1,000 or any integral multiple thereof, dated September 1, 1987, and becoming due serially on March 1 and September 1 in the years as follows, beginning September 1, 1988:

(continued)

Maturity	Principal Amount	Maturity	Principal Amount
9/1/1988	\$98,000	9/1/1993	\$98,000
3/1/1989	98,000	3/1/1994	98,000
9/1/1989	98,000	9/1/1994	98,000
3/1/1990	98,000	3/1/1995	98,000
9/1/1990	98,000	9/1/1995	98,000
3/1/1991	98,000	3/1/1996	98,000
9/1/1991	98,000	9/1/1996	98,000
3/1/1992	98,000	3/1/1997	98,000
9/1/1992	98,000	9/1/1997	98,000
3/1/1993	98,000	3/1/1998	98,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General. The bonds may be registered as fully registered certificated or uncertificated (book entry) bonds at the option of each registered owner.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and the bond registrar at least two weeks prior to the closing date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the manager of the successful bidder.

The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such reoffering price to the public shall be furnished by the original purchaser to the city at closing.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1988 to 1994, inclusive, shall become due without option of prior payment. At the option of the city, bonds maturing in the years 1995 and thereafter may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on September 1, 1994, or on any interest payment date thereafter at the redemption price of 100 percent (expressed as a per-

centage of the principal amount), plus accrued interest to the redemption date.

Whenever the city is to select the bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$1,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$1,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$1,000.

If the city elects to call any bonds for redemption and payment prior to the maturity thereof, the city will publish once in the Kansas Register a notice of the intention of the city to call and pay said bonds, the same being described by number and maturity, said notice to be published not less than 30 days prior to the date on which said bonds are called for payment. The city will also give written notice of its intention to call and pay said bonds on a specified date, said notice to be mailed by United States certified mail addressed to the registered owners of said bonds, to the Kansas State Treasurer, Topeka, Kansas, to the paying agent, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest, as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate may exceed a rate equal to the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No rate specified may be lower than any rate specified for an earlier maturity of the bonds. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered, and no supplemental interest payments will be authorized. Each bid must specify the total interest cost to the city during the life of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must also specify the average annual net interest rate to the city on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accord-

ingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body will determine which bid, if any, shall be accepted, and its determination will be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-6a01 to 12-6a17, inclusive; K.S.A. 12-617 and 12-618; K.S.A. 12-685 to 12-689, inclusive; K.S.A. 12-1736 to 12-1739, inclusive; K.S.A. 12-1801 to 12-1814, inclusive; and K.S.A. 13-1024a, all as may be amended, for the purpose of paying a portion of the cost of certain street, sidewalk, storm sewer, sanitary sewer, box culvert, park and community building improvements. The bonds and the interest thereon will constitute general obligations of the city, payable in part from special assessments levied upon the property benefited by the construction of said improvements and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Legal Opinion and Tax Exemption

The bonds will be sold subject to the legal opinion of Gilmore & Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

In the opinion of bond counsel, assuming continued compliance by the city with the terms of the bond ordinance, under existing law, the interest on the bonds (a) is excludable from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in clause (a) above is subject to the condition that the city comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The city has covenanted to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Prospective purchasers of the bonds should be aware that (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, except with re-

spect to certain financial institutions (within the meaning of Section 265(b)(5) of the code); (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986 and before January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of bondowners should consult their own tax advisers as to the applicability of these consequences.

Qualified Tax-Exempt Obligations

The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and, in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the code), a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

A form of bond counsel's opinion is contained in the official statement of the city with respect to the bonds.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in federal reserve funds, immediately subject to use by the city.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in an amount equal to 2 percent of

(continued)

the total amount of the bid payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of its bid. Good faith checks submitted by unsuccessful bidders will be returned. If a bid is accepted, said check or the proceeds thereof will be held by the city until the bidder has complied with all of the terms and conditions of this notice. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Rating

The outstanding general obligation bonds of the city are rated "A-1" by Moody's Investor Service, Inc., and the city has applied for rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for Internal Improvement Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the City Hall and must be received by the undersigned prior to 11 a.m. C.D.T. on Tuesday, August 25, 1987.

Official Statement

The city has prepared an official statement dated August 11, 1987, copies of which may be obtained from the city clerk. Upon the sale of the bonds, the city will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered by the successful bidder at his expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable, tangible property within the city for the year 1986 is \$173,149,099. The total general obligation indebtedness of the city for purposes of calculation of statutory

debt limitations, as of the date of the bonds, including the bonds being sold, is \$23,762,725. Temporary notes in the principal amount of \$1,122,200 will be retired out of proceeds of the bonds and other available funds.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk or from Gilmore & Bell, Overland Park, Kansas, bond counsel.
