BOARD OF POLYGRAPHISTS**

**NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

A public hearing will be conducted at 10 a.m. Friday, October 16, in the Kansas Bureau of Investigation's auditorium, 1620 S.W. Tyler, Topeka, to consider the adoption of proposed temporary and permanent rules and regulations of the Kansas Board of Polygraphists.

All interested parties may submit written comments prior to the hearing to the executive director of the Kansas Board of Polygraphists, Office of the Attorney General, 2nd Floor, Kansas Judicial Center, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to orally express their views in regard to the adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentation to five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered by the board as the basis for making changes to the proposed regulations. A copy of the regulations and the fiscal impact statement may be obtained by writing to the executive director of the board at the address above.

The following is a brief summary of the proposed regulations:

K.A.R. 112-1-1 requires a polygraphist or intern license to conduct polygraph examinations. A polygraph examination is defined.

K.A.R. 112-2-1 describes standards of practice for administering polygraph examinations.

K.A.R. 112-3-1 through K.A.R. 112-3-4 describe the application process for obtaining a license as a polygraphist or intern.

K.A.R. 112-4-1 provides information on board approved educational institutions.

K.A.R. 112-5-1 through K.A.R. 112-5-4 describe the internship process, including intern and supervisor responsibilities.

K.A.R. 112-6-1 through K.A.R. 112-6-5 describe the written and practical examination process, including scheduling and re-examination.

K.A.R. 112-7-1 sets polygraphist, intern and reciprocal license application fees, renewal license application fees, late renewal fees, examination and re-examination fees.

K.A.R. 112-7-2 allows prorating of fees.

K.A.R. 112-7-3 sets the deadline for payment of fees.

K.A.R. 112-7-4 sets December 31 as the expiration date for polygraphist and intern licenses.

K.A.R. 118-8-1 provides information on filing complaints.

There is no fiscal impact to governmental agencies or businesses resulting from the adoption of these

proposed regulations other than the cost of licensing to the applicants.

REAL ESTATE COMMISSION**

**NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

A public hearing will be conducted at 8:30 a.m. Thursday, October 22, in Room 202, Federal Building, 444 S.E. Quincy, Topeka, to consider the adoption of amendments to permanent regulations of the Kansas Real Estate Commission. The following is a brief summary of the proposed amendments:

86-1-11, Minimum curricula and standards for course—changes affect the designation by the commission of mandatory and elective hours to meet the 50-hour requirements.

86-1-13, Submission of evidence of course attendance—evidence of having completed pre-license course to be furnished to testing service prior to taking salesperson examination or broker examination (presently furnished to commission with application for license).

86-3-6a, Offices—deletion of sentence pertaining to office in residence (no change in provision that office may be in residence of broker).

There is no estimated monetary impact of the proposed regulations on governmental agencies or units, private businesses or the general public.

All interested parties may submit written comments prior to the hearing to the director of the Kansas Real Estate Commission, 501-N, Landon State Office Building, 900 Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to orally present their views in regard to adoption of the proposed regulations.

Following the hearing, all written and oral comments will be considered by the commission. Copies of the regulations and complete fiscal impact statement may be obtained by writing the Kansas Real Estate Commission.

ATTORNEY GENERAL

Opinion No. 87-135

Taxation—Listing Property for Taxation—Oil and Gas Property as Personality; Property Held by Federal Land Bank Exempt from Taxation.

Collection and Cancellation of Taxes—Transfer of Personal Property Before Tax Paid; Collection. William B. Elliott, Graham County Attorney, Hill City, September 11, 1987.

If a person who is not insolvent transfers to a federal land bank (by voluntary conveyance or foreclosure) oil and gas producing interests after assessment but before the payment of personal property taxes, a lien attaches against the property for the unpaid taxes in accordance with K.S.A. 1986 Supp. 79-2020. (We note the question presented does not involve assessing personal property taxes against the federal land bank [see Attorney General Opinion No. 86-16]. The question presented involves determining the priority of claims against the personal property transferred.)

Under this statute the federal land bank takes subject to the lien, is liable for the tax, and has a civil cause of action against the transferor for the amount paid. However, insolvency of the debtor and subsequent transfer of property by the debtor for the benefit of creditors will make the priority issue a question of federal law triggering 31 U.S.C. § 3713 (formerly 31 U.S.C. § 191), priority of government claims.

The procedure for obtaining an exemption from the payment of ad valorem property taxes is found in K.S.A. 1986 Supp. 79-213. While a federal land bank is exempt from the assessment of ad valorem taxes, as a property owner requesting an exemption it is not exempt from the procedure of filing for an exemption. Opinion No. 87-136

Intoxicating Liquors and Beverages—Cereal Malt Beverages—Definition of "Premises." Paul E. McPhillips, Mayor, Garden Plain, September 15, 1987.

K.S.A. 41-2701 *et seq.*, as amended by L. 1987, ch. 182 and L. 1987, ch. 183, regulates the sale and consumption of cereal malt beverages. However, neither Article 27, nor any subsequent amending legislation, contains a definition for "premises." Therefore, since the consumption of cereal malt beverages is not an area of concern exclusively reserved by the state, a local licensing authority may prescribe, within reason, its own definition of what constitutes "premises." Cited herein: K.S.A. 41-2701, as amended by L. 1987, ch. 182, § 97; K.S.A. 41-2702, as amended by L. 1987, ch. 182, § 98; K.S.A. 41-2704, as amended by L. 1987, ch. 182, § 100, and by L. 1987, ch. 183, § 4; K.A.R. 14-21-2. Crimes and Punishments—Kansas Criminal Code; Prohibited Conduct; Crimes Affecting Public Trusts—Unlawful Use of Names Derived from Public Records. Philip S. Harness, Johnson County Counselor, Olathe, September 15, 1987.

A custodian of public records who reasonably believes that a requestor will use the information for prohibited purposes must deny access to the records. Disclosure of the information in such a case will subject the custodian to possible criminal charges. The Kansas Open Records Act does not require a public agency which maintains records on computer facilities to write a computer program to produce requested information in a certain form if the information is available in existing records. Redmon, State Fire Marshal, Topeka; Representative Phil Kline, 19th District, Overland Park, September 18, 1987.

1. Engineers and private arson investigators consulting in cases requiring the use of their technical knowledge are exempt from K.S.A. 75-7b01(a).

Opinion No. 87-139

Procedure, Civil—Rules of Evidence; Privileges—Physician-Patient Privilege. Gene Marks, Barton County Sheriff, Great Bend, September 19, 1987.

When an inmate is given a medical examination upon arrival at a detention facility pursuant to intake procedures, the physician-patient privilege may be invoked to prevent disclosure of confidential communications in a civil action or misdemeanor criminal case, subject to statutory exceptions. Public policy supports the confidentiality of communications between the patient and physician beyond the witness stand.

Such policy must give way, however, when the public's right to know about the patient's dangerous condition outweighs the individual's privacy interests. In that case, a physician would be justified in notifying sheriff's department personnel so that steps may be taken to protect the health interest of other inmates. amended by L. 1987, ch. 176, sec. 6; 60-427; K.S.A. 75-5228; K.A.R. 28-1-1, 28-1-2. MWS

Crimes and Punishments—Crimes Against the Public Morals—Legality of Electronic Crane Amusement Game. Senator Paul Feleciano, Jr., 28th District, Wichita, September 18, 1987.

Electronic crane amusement games involve the use of skill by the player to win a prize, and therefore are not gambling devices as defined by Kansas law. Cited herein: K.S.A. 21-4302, as amended by L. 1987 ch. 112, § 23 and by L. 1987 ch. 292, § 23. BLB

Opinion No. 87-141

Taxation—Kansas Retailers' Sales Tax—Exempt Sales.

Taxation—Income Tax—Taxable Income. Senator Ben E. Vidricksen, 24th District, Salina, September 22, 1987.

A non-profit hospital operating a telephone answering service exclusively for hospital purposes is exempt from payment of sales tax on the telephone services it purchases for such operation (K.S.A. 1986 Supp. 79-3606(b), as amended). A telephone answering service is not itself taxable under the Kansas retailers' sales tax act, but the rental of beepers or other such equipment by the hospital to physicians is taxable (K.S.A. 1986 Supp. 79-3603(h), as amended).

A non-profit hospital which meets the requirements of 26 U.S.C. § 501 and 26 C.F.R. § 1.501 is exempt from federal income taxation pursuant to 26 U.S.C. § 501(a), and thus from state income taxation pursuant to K.S.A. 79-32,113, except to the extent it receives "unrelated business income." The receipt of a service free of charge from an employer as partial compensation for services rendered would fall within the scope of the broadly interpreted term "gross income," and therefore would be taxable income to the employee unless specifically exempted. State of Kansas

BOARD OF REGENTS

REQUEST FOR BIDS FOR
 AN OIL AND GAS LEASE

Under authority of K.S.A. 76-164 through 76-168, the State Board of Regents has determined that certain lands in Pawnee County, Kansas, owned by the University of Kansas and consisting of approximately 320 acres, are valuable for leasing for the purpose of the production of oil and gas and that such land can be leased for that purpose. The board intends to lease the lands described as:

The Southeast Quarter (SE/4) in Section Twenty-one (21), Township Twenty-two (22) South, Range Fifteen (15) West, Pawnee County, Kansas.

The Northeast Quarter (NE/4) in Section Twenty-one (21), Township Twenty-two (22) South, Range Fifteen (15) West, Pawnee County, Kansas.

The terms and conditions prescribed by the board for leasing and the provisions for the competitive bids are contained in a resolution passed by the board September 17, 1987, and spread at large upon the minutes of the board, which minutes and resolution are open to public inspection in the office of the Kansas Board of Regents, Suite 609, Capitol Tower, 400 S.W. 8th, Topeka 66603. Copies may be obtained by contacting Dr. Stanley Z. Koplík, executive director of the State Board of Regents.

Competitive bids for leasing of the land will be received by the board until 8 a.m. C.S.T. November 12, and no bids will be accepted after that time. Bids received will be considered by the board, and any lease or leases entered into by the board will be awarded to the highest, responsible bidder, provided that the board reserves the right to reject any and all bids.

Bids should be addressed to the executive director of State Board of Regents. Envelopes containing bids should be plainly marked "Bid on Oil and Gas Lease." Only those bids in substantial conformity with the terms and provisions of the resolution will be considered or accepted by the board.

STANLEY Z. KOPLIK
 Executive Director

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment, and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the K.D.O.T. district office responsible for the work.

NOTICE OF BOND SALE
Leavenworth County, Kansas
\$2,280,000
Bridge and Equipment Bonds
(Two Series)
Dated October 1, 1987

Sealed Bids

Sealed bids will be received by the county clerk of Leavenworth County, Kansas, on behalf of the governing body of the county in the office of the county clerk in the Leavenworth County Courthouse, 4th and Walnut, Leavenworth, KS 66048, until 10 a.m. C.D.T. on Wednesday, October 14, 1987, for the purchase of \$2,280,000 aggregate principal amount of bridge and equipment bonds, Series "A" and "B," collectively, of the county hereinafter described. All bids will be publicly opened and read at said time and will be

(continued)

acted upon by the county at a commission meeting to be held in the commission chambers at 10 a.m. on such date.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated October 1, 1987, and become due serially on October 1, of each year in the years as follows:

Year	Series "A"	Series "B"	Total
1988	155,000	115,000	270,000
1989	165,000	130,000	295,000
1990	180,000	140,000	320,000
1991	195,000	150,000	345,000
1992	205,000	160,000	365,000
1993	220,000	165,000	385,000
1994	230,000	175,000	405,000
1995	245,000	190,000	435,000
	1,595,000	1,225,000	2,820,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on October 1 and April 1 of each year, beginning on April 1, 1988.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the county and the Kansas Attorney General. The bonds will be registered as either fully registered certificated bonds or uncertificated (book entry) bonds.

The county will pay the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

Redemption of Bonds Prior to Maturity

The bonds are not subject to option of prior payment.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No specified interest rate may exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday preceding the day on which the bonds are sold,

plus 2 percent. No rate specified shall be less than that specified for any earlier maturity. No bid of less than 100 percent of the principal amount of the bonds and accrued interest will be considered. Each bid must specify the total interest cost to the county during the term of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the county on the basis of such bid. Each bid must also specify the average annual net interest rate on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost on the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid must be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body of the county will determine which bid, if any, will be accepted, and its determination will be final.

Authority, Purpose and Security for the Bonds

The Series "A" bridge bonds are being issued pursuant to and in full compliance with the constitution and laws of the state of Kansas, including the Kansas general law and K.S.A. 68-1103(b), as amended, and resolutions 1984-42 and 1984-43, for the purpose of repairing and reconstructing of bridges in Leavenworth County.

The Series "B" equipment bonds are being issued pursuant to and in full compliance with the constitution and laws of the state of Kansas, including the Kansas general bond law, K.S.A. 19-101a(a) and 19-101(b), and resolutions 1985-20 and 1985-21, for the purpose of purchasing, repairing or replacing equipment, apparatus or machinery necessary for street, road and bridge construction, repair or maintenance within the county.

Legal Opinion and Tax Exemption

In the opinion of Burke, Williams, Sorensen & Gaar, Overland Park, Kansas, bond counsel, assuming continued compliance by the county with the terms of the bond resolution, under existing law, the interest on the bonds (a) is excludable from gross income for federal income tax purposes and (b) is not an item of preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. No opinion is expressed regarding other federal tax consequences arising with respect to the bonds.

The Internal Revenue Code of 1986, as amended, imposes certain requirements which must be met subsequent to the issuance of the bonds in order for

the interest thereon to be and remain excluded from gross income for federal income tax purposes. Non-compliance with such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issue of the bonds. These requirements include, but are not limited to, limitations on the use of bond proceeds and restrictions on the yield which may be earned on the investment of bond proceeds and other amounts. In the resolution authorizing the issuance of the bonds, the county will covenant to comply with the provisions of the code relating to the exclusion of the interest on the bonds from gross income for federal income tax purposes.

The county has designated the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code.

Prospective purchasers of the bonds should be aware that (1) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds or, in the case of a financial institution (within the meaning of Section 265(b)(5) of the code), that portion of an owner's interest expense allocable to interest on the bonds; (2) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(i) reduces the deduction for loss reserved by 15 percent of the sum of certain items, including interest on the bonds; (3) for taxable years beginning after December 31, 1986 and before January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (4) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States should be subject to a branch profits tax imposed by Section 884 of the code; (5) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (6) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of bondowners should consult their own tax advisers to the applicability of these consequences.

A form of bond counsel's opinion is contained in the official statement of the county with respect to the bonds.

Delivery and Payment

The county will pay for printing the bonds, the legal services and bond opinion thereon, and will deliver the same properly prepared, executed, and registered without cost to the successful bidder within six days after the date of sale at such bank or trust company as may be suggested by the successful bidder and is acceptable to the county without cost to the successful

bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of the delivery of the bonds affecting their validity. Payment for the bonds must be made in federal reserve funds, immediately subject to use by the county.

The number, type and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners must be submitted in writing by the successful bidder to the county and bond registrar no more than two days after the sale date. In the absence of such information, the county will deliver the bonds in the denominations of each maturity registered in the name of the successful bidder. Prior to delivery, the successful bidder shall make a bona fide public offering of the bonds, and as a condition to the county's obligation to deliver the bonds, the successful bidder must furnish to the county, no more than six days after the sale date, a certificate acceptable to bond counsel (i) specifying the reoffering price at which a substantial amount (at least 10 percent of the bonds of each maturity) of the bonds was sold to the public (excluding bond houses, brokers and other intermediaries) and (ii) certifying as to the accuracy of such reoffering prices.

CUSIP Numbers

CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on any bond or any error with respect thereto shall constitute cause for failure or refusal by the successful bidder thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assigning and printing of CUSIP numbers on the bonds will be paid for by the county.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$56,400 payable to the order of the county, to secure the county from any loss resulting from the failure of the successful bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by any bidder. Said check will be returned to the bidder if the bid is not accepted. If a bid is accepted, said check will be held by the county until the bidder has complied with all of the terms and conditions of the bid and this notice, at which time the check will be returned to the successful bidder or deducted from the purchase price at the option of the county. If a bid is accepted but the county fails to deliver the bonds to the bidder in accordance with the terms and conditions of the bid and this notice, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of the bid and this notice, the proceeds of such check will be retained by the county as and for liquidated damages.

(continued)

Bid Forms

All bids must be made on forms which may be procured from the county clerk. No additions or alterations in such forms may be made and any erasures may cause rejection of any bid. The county reserves the right to waive irregularities and to reject any and all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the county clerk and marked "Proposal for the Purchase of Leavenworth County Bridge and Equipment Bonds." Bids may be mailed or delivered in person and must be received by the county clerk prior to 10 a.m. C.D.T. on Wednesday, October 14, 1987, at the county clerk's office in the Leavenworth County Courthouse, 4th and Walnut, Leavenworth, KS 66048.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county for the year 1986 is \$120,952,591. The total general obligation bonded indebtedness of the county, as of the date of the bonds, including the bonds being sold, is \$2,820,000. In addition, the county has outstanding \$3,052,376.50 of temporary notes which will be retired from the proceeds of the bonds and available cash balances. For the purposes of determining the statutory debt limitation, the Series "A" bonds, in the amount of \$1,595,000, are by statute exempted from such limitation.

Bond Ratings

The county has applied to Moody's Investors Service Inc. and Standard and Poor's Corporation for a rating on the bonds.

Official Statement

The county has prepared an official statement dated October 1, 1987, copies of which may be obtained from the county clerk. Upon the sale of the bonds, at the request of the successful bidder, the county will furnish the successful bidder with a reasonable number of copies thereof without additional cost. Additional copies may be ordered by the successful bidder at his expense.

Additional Information

Additional information regarding the bonds may be obtained from the undersigned county clerk.

Dated October 1, 1987.

Date, Time and Place of Receiving Sealed Bids

The undersigned, city clerk of the city of Argonia, Kansas, will receive sealed bids on behalf of the governing body at her office in City Hall, 210 S. Main, Argonia, until 7:30 p.m. C.D.T. on Tuesday, October 13, 1987, for the purchase of \$195,000 principal amount of general obligation street bonds, Series A, 1987, of the city as hereinafter described. All bids will be publicly opened and read at said time in the City Council meeting room of City Hall, and will be immediately thereafter acted upon by the governing body. No oral or auction bids will be considered.

Description of Bonds

The bonds shall consist of fully registered certificated bonds in denominations of \$5,000, or any integral multiple thereof not exceeding the principal amount of bonds maturing in each year, will bear a dated date of November 1, 1987, and shall mature serially on May 1 in each of the years and in the amounts as follows:

Principal Amount	Maturity Date
5,000	May 1, 1989
15,000	May 1, 1990
15,000	May 1, 1991
20,000	May 1, 1992
20,000	May 1, 1993
20,000	May 1, 1994
20,000	May 1, 1995
25,000	May 1, 1996
25,000	May 1, 1997
30,000	May 1, 1998

The bonds will bear interest from the dated date at rates which shall be determined upon the public sale thereof as heretofore provided; and said interest will be payable semiannually on May 1 and November 1 of each year, commencing May 1, 1989.

Payment of Principal and Interest; Registration

The principal of the bonds shall be payable in lawful money of the United States of America at the principal office of the Kansas State Treasurer (the paying agent and bond registrar) to the registered owners thereof upon presentation of bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America by mailing of check or draft of paying agent to registered owners as their names appear on the registration books maintained by bond registrar as of the 15th day of the month next preceding the interest payment dates.

The fees of the bond registrar for registration and transfer of the bonds shall be paid by the city, and it shall also pay for printing of a reasonable supply of blank registered bond certificates for that purpose. Any additional costs or fees that might be incurred in

the secondary market, except the bond registrar's fees, shall be the responsibility of the owners of the bonds.

Initial Registration

The number and denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the initial registered owners of the bonds shall be submitted in writing to the bond registrar by the successful bidder not later than Tuesday, November 3, 1987. In the event such information is not furnished by such date, the bonds will be delivered one bond per maturity registered in the name of the successful bidder.

An original purchaser's certificate, which sets forth the initial reoffering price to the public on the bonds, will be furnished to the successful bidder by bond counsel, and such certificate must be completed and returned no later than the date of delivery of the bonds.

Redemption of Bonds

Bonds maturing May 1, 1989 through May 1, 1994, inclusive, are not subject to call for redemption prior to their respective maturities.

Bonds maturing May 1, 1995 and thereafter are callable at the option of the city prior to the stated maturities thereof, in whole or in part and in inverse numerical order, on any interest payment date on and after May 1, 1994, the date being so set for redemption and payment being referred to as the "Redemption Date," at the principal amount thereof, plus accrued interest to the redemption date and without premium.

Notice of any call for redemption shall be given in writing to the bond registrar and paying agent not less than 60 days before the redemption date, and the bond registrar and paying agent shall give written notice of such redemption to the registered owners of the bonds not less than 30 days before the redemption date. Notice of any call for redemption and payment shall also be published one time in the official newspaper of the state of Kansas and in the official newspaper of the city not less than 30 days before the redemption date.

Prior to the redemption date, the city shall deposit with the paying agent sufficient funds to pay the bonds so called at the purchase price set forth above and all unpaid and accrued interest thereon to the redemption date. Upon the deposit of said funds, and the giving of notice in the form and manner hereinbefore specified, bonds thus called for redemption shall cease to bear interest from and after the redemption date.

Conditions of Bidding

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder, subject to the conditions of this paragraph. The same rate of interest shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being equal to the index of treasury bonds published by Credit Markets in New York, New York, on the Monday next preceding the date on which the bonds are sold, plus 2 percent. No

bid of less than the entire par value of the bonds and accrued interest thereon from the dated date to the date of delivery will be considered, and no supplemental interest payments will be authorized. Each bid must state the total interest cost to the city during the life of the bonds on the basis of the bid, the premium, if any, offered by the bidder for the bonds, the net interest cost to the city on the basis of the bid, and the average annual interest rate on the bonds on the basis of the bid. Each bid shall be certified by the bidder to be correct, and the city will be entitled to rely on such certificate of correctness.

Bid Form; Good Faith Deposit

Bids shall be submitted on an official bid form which may be obtained from the city, and shall be submitted in sealed envelopes, plainly marked "Bond Bid," addressed to the City Council, City Hall, 210 S. Main, P.O. Box 35, Argonia, KS 67004, Attention: Ilene Wert, City Clerk. Bids may be submitted by mail or delivered in person, and must be received by the city clerk no later than the date and time hereinbefore specified.

Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check for an amount equal to 2 percent of the total amount of the bonds payable to the order of the city. If a bid is accepted, said deposit will be held by the city until the bidder shall have complied with all of the terms and conditions of this notice and of the bid. In the event a bidder whose bid is accepted shall default in the performance of any of the terms and conditions of this notice or of the bid, said deposit shall be retained by the city as and for liquidated damages. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions hereof, said deposit shall be returned to the bidder. No interest will be paid upon the successful bidder's deposit. The deposits of the unsuccessful bidders will be promptly returned.

Award of Bonds

The bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city, which will be determined by deducting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more identical bids for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and such determination shall be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Delivery of Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the city and will be delivered to the successful bidder on or about November 17, 1987, at any bank in the state of Kansas or in Kansas City, Missouri, at the expense of the city.

(continued)

Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will also be furnished with a transcript of proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately available for use by the city.

CUSIP Identification Numbers

It is not expected that CUSIP identification numbers will be printed on the bonds since the issue does not meet the CUSIP Service Bureau's minimum size guidelines for the assignment of CUSIP numbers.

Official Statement

The city will prepare an official statement relating to the bonds, copies of which may be obtained from the city clerk or from the city's financial adviser. Upon the sale of the bonds, the city will furnish the successful bidder with a reasonable number of copies of the official statement, without cost, upon request. Copies in excess of a reasonable number may be ordered by the successful bidder at his expense.

Authority, Purpose and Security for Bonds

The bonds are being issued under the authority of K.S.A. 12-685 *et seq.*, and will be authorized by a bond ordinance which will be adopted October 13, 1987. Proceeds from the bonds will be used to pay the total costs of constructing certain street and drainage improvements in the city.

The bonds and the interest thereon will constitute general obligations of the city, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city.

Legal Opinion and Tax Exemption

All matters incidental to authorization and issuance of the bonds are subject to the approving opinion of Hinkle, Eberhart, Elkouri & Jensen, bond counsel, Wichita, Kansas. Bond counsel's opinion will be printed on the reverse side of each bond, and a manually signed original will be furnished without expense to the successful bidder concurrently with delivery of the bonds. All fees and expenses of bond counsel will be paid by the city. A specimen form of bond counsel's opinion is contained in the city's official statement regarding these bonds.

In the opinion of bond counsel, assuming continued compliance by the city with the terms of the bond ordinance, under existing law, the interest on the bonds is: (i) excludable from gross income for federal income tax purposes; and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative

minimum tax imposed on such corporations. The exclusion mentioned in the preceding clause (i) is subject to compliance by the city with all requirements of the Internal Revenue Code of 1986, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in gross income retroactive to the date of issuance thereof. The city will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Prospective bidders for purchase of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, except with respect to certain financial institutions within the meaning of Section 265(b)(5) of the code; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986. Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986 and prior to January 1, 1992, interest earned on the bonds by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest earned on the bonds by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. The foregoing categories of prospective bondowners should consult their own tax advisers as to the applicability of any of these consequences.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships.

Qualified Tax-Exempt Obligations

The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code; and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

Assessed Valuation and Bonded Indebtedness

The assessed valuation of taxable tangible property within the city, for the year 1986, is as follows:

Assessed valuation of taxable tangible property	\$ 761,091.00
Taxable value of motor vehicles	282,712.00
Equalized assessed tangible valuation for computation of bonded debt limitations	\$1,043,803.00

The total outstanding general obligation bonded indebtedness of the city as of the date of the bonds is \$250,000, which amount does include this proposed issue.

Additional Information

Additional information regarding the bonds may be obtained from the city clerk or from the city's financial adviser, United Securities, Inc., 444 Board of Trade Center, 120 S. Market, Wichita, KS 67202, Attention: Dudley Brickell, Representative, (316) 265-9421.
