**Opinion No. 88-145**

**Corporations—Agricultural Corporations—Limitations; Holding Seed Stock. Representative Carl D. Holmes, 125th District, Plains, October 5, 1988.**

K.S.A. 1987 Supp. 17-5904 generally prohibits certain corporate ownership of agricultural land. Exception number three, however, allows corporations to acquire agricultural land for a nonfarming business, so long as the corporation does not directly or indirectly farm the land. The short term holding of swine for commercial sale does not involve the production of livestock and thus is not farming and not proscribed by the corporate farming act. Pursuant to K.S.A. 25-901, the Lawrence Arts Center must file a report with the county election officer because it "engaged in promoting" the adoption of a question submitted at a county election. The center, however, is not required to report all of its receipts and expenditures, only those which relate to the activity in question. Cited herein: K.S.A. 25-901; 25-4119a. RLN

Johnson County Community College District, Johnson County, Kansas, will receive sealed bids at the Office of the President, Room 112, GEB Building, Johnson County Community College, 12345 College Blvd., Overland Park, Kansas, until 11 a.m. C.S.T. on Tuesday, November 1, 1988, for \$13,595,000 par value general obligation bonds, Series 1988 of the district, at which time such bids will be publicly opened in the Community Conference Center, Room 137, GEB Building. Such bonds shall be fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof, not exceeding the principal amount of bonds maturing in each year. The bonds will mature serially (with-

out option of prior redemption) in accordance with the following schedule:

1,210,000	November 1, 1989
1,250,000	May 1, 1990
1,290,000	November 1, 1990

1,375,000	November 1, 1991

1,515,000	May 1, 1993
1,565,000	November 1, 1993

Interest will be payable from the date thereof semi-annually, commencing May 1, 1989, and each November 1 and May 1 thereafter. The principal of, and premium, if any, on the bonds shall be payable in lawful money of the United States of America at the office of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds shall be payable in lawful money of the United States of America by check or draft of the paying agent to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month next preceding the interest payment dates (the record dates). The fees of the bond registrar for registration and transfer of the bonds shall be paid by the district.

#### Types of Bids and Interest Rates

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the maximum rate allowed by Kansas law, said maximum rate being 2 percent above the index of treasury bonds published weekly by *Credit Markets*, New York, New York, on the Monday next preceding the day on which the bonds are sold. No bid of less than par and accrued interest will be considered. Bids involving the use of extra or supplemental interest rates will not be considered. Bids for less than the entire issue of bonds will not be considered. The difference between the highest rate specified and the lowest cannot exceed 2 percent.

Bids shall be submitted on the official bid form furnished by the district, and shall be addressed to the district at the Office of the President, Room 112, GEB Building, Johnson County Community College, 12345 College Blvd., Overland Park, Kansas, and shall be plainly marked "Proposal for the Purchase of Bonds." All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate—all certified by the bidder to be correct—and the district will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check on a bank located in the United States of America equal to 2 percent

of the principal amount of the bonds, and shall be payable to Johnson County Community College. In the event a bidder whose bid is accepted shall default in the terms and conditions of this notice, said deposit shall be retained by the district as liquidated damages. No interest will be paid on the bidders good faith check. The checks of unsuccessful bidders will be returned promptly.

#### Basis for Award

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice, and the bonds will be sold to the best bidder. The district reserves the right to reject any and all of the bids, and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the district. The net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the district shall determine which bid, if any, shall be accepted, and its determination shall be final. Any bid received after 11 a.m. on the date of the sale will be returned to the bidder unopened.

#### Delivery

The bonds, duly printed, executed and registered, will be furnished and paid for the district, and the bonds will be sold subject to the approving opinion of Gilmore & Bell, bond counsel, Overland Park, Kansas, whose opinion will be paid for by the district. The number, type and denomination of bonds and names of the initial registered owners to be initially printed on the bonds and their Social Security or taxpayer identification numbers shall be submitted in writing by the successful bidder to the bond registrar not later than seven business days preceding delivery of the bonds. The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing-proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the district. Delivery of the bonds will be made to the successful bidder on or about November 30, 1988, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the district. Delivery elsewhere will be made at the expense of the purchaser.

The reoffering prices to the public by the original purchaser must be furnished to the district at least one week prior to the closing date. A certificate stating that at least 10 percent of the bonds of each maturity has been sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at such reoffering prices must be furnished to the district by the original purchaser at closing.

It is anticipated that CUSIP identification numbers will

(continued)

be printed on the bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure by the successful bidder to accept delivery and pay for the bonds in accordance with the terms of this notice of bond sale. All expenses in connection with the printing of CUSIP numbers on the bonds shall be paid for by the district.

**Authority, Security and Purpose**

The bonds will constitute general obligations of the district, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the district. The bonds are being issued pursuant to K.S.A. 71-502 for the purpose of providing financing for the construction and remodeling of buildings on the college campus.

**Official Statement**

The district has prepared a preliminary official statement dated October 1, 1988, copies of which may be obtained from the president or the financial adviser at the addresses given below.

**Legal Matters**

The bonds will be sold subject to the legal opinion of Gilmore & Bell, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the district, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

In the opinion of bond counsel, assuming continued compliance by the district with the terms of the bond resolution, under existing law, the interest on the bonds: (a) is excludable from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in clause (a) above is subject to the condition that the district comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The district will covenant to comply with all such requirements.

Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Under existing law, the interest on the bonds is exempt from computation of Kansas adjusted gross income and the bonds are exempt from intangible personal property taxes levied by Kansas cities, counties or townships.

**Related Federal Tax Matters**

Prospective purchasers of the bonds should be aware that: (i) Section 265 of the code denies a deduction for

interest on indebtedness incurred or continued to purchase or carry the bonds, or in the case of a financial institution (within the meaning of Section 265(b)(5) of the code), that portion of a holder's interest expense allocable to interest on the bonds; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986 and before January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of bondowners should consult their own tax advisers as to the applicability of these consequences.
