All interested persons may attend the hearing and those attending will be given an opportunity to express comments either orally or in writing, or both. Entries, including slides of scale models of the proposed sculptures, must be received in the commission office by December 1. The final selection shall be made by January 1, 1989. The artist whose work is selected will receive an initial award of \$1,500.

According to the statute, the sculpture shall be selected by these criteria: (1) The appropriateness of the artwork to the architectural setting of the Capitol, (2) the artistic quality of the artwork, and (3) the association of the artist with the state, "through having been born or raised in Kansas, having resided or worked in Kansas, or through having current residence in Kansas."

The sculpture must comply with engineering requirements stipulated by the Division of Architectural Services of the Kansas Department of Administration. The sculpture shall be finished and delivered to the Capitol by April 1990; henceforth the state shall own all copyright to the work. No bid of less than par and accrued interest will be considered. Purchasers shall submit their bids in writing, sealed, and marked "Bond Bid."

Basis of Award

All bids must be submitted on the form which may be obtained from the undersigned at the address shown below. All bids must state the average annual net interest rate, the total interest cost, the premium, if any, and the net interest cost—all certified by the bidder to be correct—and the city will be entitled to rely on such representations. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city.

Good Faith Deposit

Each bid must be accompanied by a good faith deposit in the form of a cashier's or certified check in the amount of \$22,300, made payable to the order of the treasurer of the city of Salina, Kansas. No interest will be paid on the deposit made by the successful bidder.

Delivery of and Payment of the Bonds

The city will pay for printing and registering the bonds and the expenses of legal service rendered to the city in connection with the issuance of the bonds, and will deliver the bonds properly executed and registered to the successful bidder on or before December 15, 1988, at such bank or trust company as may be specified by the successful bidder, without cost to the successful bidder. Payment for the bonds shall be made in federal funds or other funds which shall be available to the city on the same day the bonds are delivered to the successful bidder. The successful bidder will be furnished with a certified transcript evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of the delivery of the bonds affecting their validity. The number, denomination of bonds, and names of the registered owners to be initially shown on the bonds shall be submitted in writing by the successful bidder to the bond registrar not later than December 5, 1988.

(continued)

Legal Opinion and Transcript

The sale and issuance of the bonds will be subject to the legal opinion of Stinson, Mag and Fizzell, Kansas City, Missouri, as bond counsel, whose final approving opinion will be furnished and paid for by the city and will be printed on the bonds. The successful bidder will be furnished a certified transcript of proceedings evidencing the authorization and issuance of the bonds, which will include a certificate that no litigation is pending or threatened at the time of delivery of the bonds affecting the validity or security of the bonds.

Tax Exemption

In the opinion of bond counsel, under existing statutes, regulations, rulings and court decisions, including the Internal Revenue Code of 1986, interest on the bonds is not includable in gross income for purposes of federal and Kansas income taxation. In rendering its opinion, bond counsel will state that it has assumed the city's present and continuing compliance with covenants in the proceedings of the city authorizing the issuance of the bonds and other documents. Interest on the bonds is not an item of tax preference for purposes of the individual or corporate alternative minimum tax, except that interest on the bonds may be subject indirectly to a corporate alternative minimum tax as pre-tax book income in taxable years beginning in 1987, 1988 and 1989 or as adjusted earnings and profits for taxable years beginning after 1989. Interest on the bonds also may be subject to a tax based on the modified alternative minimum taxable income of a corporation under the Superfund Amendments and Reauthorization Act of 1986 in taxable years beginning after 1986. In addition, interest on the bonds held by certain foreign corporations may be subject to the branch profits tax under the code in taxable years beginning after 1986. The city will designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code relating to interest deductions for banks and thrift institutions. Reference is made to the preliminary official statement for further discussion of the Tax Reform Act of 1986 and the Superfund Amendments and Reauthorization Act of 1986.

CUSIP Number

CUSIP identification numbers will be printed on said bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the bonds in accordance with this notice. All expenses in relation to the printing of CUSIP numbers on said bonds and the CUSIP Service Bureau's charge for the assignment of said numbers will be the responsibility of and shall be paid for by the city.

Purpose

Series FLP-234 is being issued for the purpose of paying the cost of the purchase of certain fire equipment, repair of the library roof, and street and utility improvements.

Bid Form

All bids shall be subject to the terms and conditions contained in this notice of bond sale and must be made on the forms which may be obtained from the city clerk.

No additions or alterations may be made to such forms and any erasures may cause rejection of any bid. The right is reserved to waive irregularities and reject any and all bids.

Bid Forms

All bids must be submitted on the official bid form, which may be obtained from the undersigned at the address shown below. No additions or alterations in said form shall be made and any erasures may cause rejection of a bid. The city reserves the right to waive irregularities.

Conditions of Bids

Bids will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. The same rate shall apply to all bonds of the same maturity. No interest rate shall exceed the index of treasury bonds published by the weekly *Credit Markets* in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. Each bid shall be accompanied by a cashier's or certified check or other official check drawn upon a bank located in the United States payable to the city in the amount of \$60,000, as evidence of good faith, to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. All checks of the unsuccessful bidders will be returned immediately upon the award of the bonds. If a bid is accepted, the check delivered to the city on account of such bid or the proceeds thereof will be held by the city until the successful bidder has complied with all the terms of this notice and of such bid, at which time the amount of said check will be credited to the successful bidder in the final settlement. If a bid is accepted but the city shall fail to deliver the bonds to the successful bidder in accordance with the terms of this notice and of such bid, said check or the proceeds thereof will be delivered to the successful bidder. If a bid is accepted and the successful bidder fails or refuses to take up and pay for the bonds in accordance with the terms and conditions of this notice and such bid, then the proceeds of said check shall be retained and accepted by the city as full and complete liquidated damages.

Submission of Bids

Bids accompanied by the good faith checks may be mailed to the undersigned at the address given below or delivered in sealed envelopes addressed to the undersigned at the place for opening bids described above. Each bid must be marked "Bid for the Purchase of Bonds" and must be received by the undersigned by 2 p.m. C.S.T. on Monday, November 14, 1988.

Basis of Award

Each bid shall specify the total interest cost during the

(continued)

life of the bonds on the basis of the rate or rates of interest specified in such bid; the premium, if any; the net interest cost on the basis of such bid; and the average annual net interest rate on the basis of such bid. The net interest cost will be determined by subtracting the amount of the premium, if any, from the total interest cost. The city shall be entitled to rely on such calculation of net interest cost in awarding the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified in the bid, the specified net interest cost shall govern and the interest rates on the bid will be adjusted accordingly. The city reserves the right to waive irregularities in a submitted bid or to reject any or all bids.

Delivery and Payment

The bonds, duly prepared, executed and registered, will be delivered without cost to the successful bidder on or about December 21, 1988. Payment shall be made in Federal Reserve funds or other immediately available funds not later than 11 a.m. C.S.T. on the day of delivery.

List of Registered Owners

The successful bidder must deliver to the bond registrar, before the close of business on the fifth business day prior to the date of delivery of the bonds, the names and addresses of the registered owners of the bonds and the denominations in which the bonds of each maturity are to be issued. If the successful bidder fails to submit such information to the bond registrar by the aforesaid date, one bond will be issued for each maturity date in the full amount maturing on such date and the bonds will be registered in the name of the successful bidder.

Legal Opinion and Transcript

The sale and issuance of the bonds will be subject to the legal opinion of Stinson, Mag & Fizzell, Kansas City, Missouri, whose final approving opinion will be furnished and paid for by the city and will be printed on the bonds. The successful bidder will be furnished a certified transcript of proceedings evidencing the authorization and issuance of the bonds, which will include a certificate that no litigation is pending or threatened at the time of delivery of the bonds affecting the validity or security of the bonds.

Tax Exemption

In the opinion of bond counsel, under existing statutes, regulations, rulings and court decisions, including the Internal Revenue Code of 1986, interest on the bonds is not includable in gross income for purposes of federal and Kansas income taxation. In rendering its opinion, bond counsel will state that it has assumed the city's present and continuing compliance with covenants in the proceedings of the city authorizing the issuance of the bonds and other documents. Interest on the bonds is not an item of tax preference for purposes of the individual or corporate alternative minimum tax, except that interest on the bonds may be subject indirectly to a corporate alternative minimum tax as pre-tax book income in taxable years beginning in 1987, 1988 and 1989 or as adjusted earnings and profits for taxable years after 1989. Interest on the bonds also may be subject to a tax based on the modified alternative minimum taxable income of a corporation under the Superfund Amendments and Reau-

thorization Act of 1986 in taxable years beginning after 1986. In addition, interest on the bonds held by certain foreign corporations may be subject to the branch profits tax under the code in taxable years beginning after 1986.
