#### NOTICE OF HEARING ON PROPOSED **ADMINISTRATIVE REGULATIONS**

The Kansas Department of Health and Environment will conduct a public hearing at 1:30 p.m. Thursday, January 5, in Room 106 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed temporary and permanent regulations concerning intermediate care facilities for the mentally retarded and licensure fees for all adult care homes.

The regulations to be considered are: Proposed temporary and permanent revocation of K.A.R. 28-39-200; proposed temporary and permanent revocation of K.A.R. 28-39-202 through 218; proposed temporary and permanent adoption of K.A.R. 28-39-226; proposed temporary and permanent amendments to K.A.R. 28-39-225; and proposed permanent amendments to K.A.R. 28-39-77.

The department is proposing to revoke all current regulations governing the operation of intermediate care facilities for the mentally retarded and adopt new federal regulations for state licensure purposes. Physical environment standards are proposed to be amended to encourage the development of small non-institutional facilities. K.A.R. 28-39-77 is proposed to be amended to delete the requirement that adult care home licensure fees be prorated or refunded when a license is issued for less than

The department does not identify that intermediate care facilities for the mentally retarded or a person with mental retardation will bear any direct or indirect cost resulting from the revocation of the current regulation and adoption of the proposed regulation. The department believes that revocation of current state regulations with their many procedural components should result in cost savings. Persons affected by the proposed amendment to K.A.R. 28-39-77 are the licensees of facilities which will change ownership or be issued a provisional license. In fiscal year 1988, license fees in the amount of \$31,107 were refunded to 93 facilities.

A complete copy of the proposed rules and regulations and a complete economic impact statement may be obtained by contacting Joseph F. Kroll, Adult Care Home Program Director, Bureau of Adult and Child Care, Kansas Department of Health and Environment, Landon State Office Building, 900 S.W. Jackson, 10th Floor, Topeka 66612-1290, (913) 296-1240.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed rules and regulations.

All interested parties may submit comments prior to the hearing to the address above. All interested parties will also be given a reasonable opportunity at the hearing to present their views orally or in writing concerning the adoption of the proposed rules and regulations.

Following the hearing all written and oral comments

submitted will be considered by the Secretary of Health and Environment prior to adoption.

Taxation—Property Exempt from Taxation—Machinery and Equipment Used in the Operation of an Electric Utility Company.

Taxation—Kansas Retailers' Sales Tax—Exempt Sales; Purchase and Installation of Machinery and Equipment Used in the Operation of an Electric Utility Company. Representative Tim Shallenburger, 1st District, Baxter Springs, November 16, 1988.

The purchase of machinery and equipment used by a utility in the production of electricity is subject to taxation under the Kansas retailers' sales tax act unless it is exempted pursuant to L. 1988, ch. 386, § 3(mm) or is purchased for installation at a qualified business facility located within an enterprise zone and which qualifies for an income tax credit under K.S.A. 1987 Supp. 79-32,153, as amended. The service of installing such machinery and equipment is taxable under the sales tax act unless purchased for installation at a qualified business facility as described above, or unless it is installed in connection with the original construction of a facility as defined by K.S.A. 1987 Supp. 79-3603(p)(3), as amended.

The machinery and equipment used exclusively by a municipality in the operation of an electric utility is exempt from property tax, while the machinery and equipment of a privately owned and operated electric utility is generally subject to such taxation unless included within an economic development exemption granted pursuant to Article 11, Section 13 of the Kansas Constitution or is purchased with IRB moneys or is otherwise exempted due to extenuating circumstances. Intoxicating Liquors and Beverages—Certain Prohibited Acts and Penalties—Consumption of Alcoholic Liquor Prohibited in Certain Places; Exceptions. Linda S. Trigg, Seward County Attorney, Liberal, November 16, 1988.

The consumption of alcoholic liquor on unlicensed premises is prohibited in Kansas with certain exceptions. One such exception permits consumption on private property by the person owning or leasing that property and the person's guests, as long as "no charge is made for the serving or mixing of any drink or drinks of alcoholic liquor or for any substance mixed with any alcoholic liquor" and no sale of alcoholic liquor is made in violation of K.S.A. 1987 Supp. 41-803 (K.S.A. 1987 Supp. 41-719(b)(2), as amended). This exception would authorize the owner or lessee of private property to hold a banquet as a moneymaking project and serve alcoholic liquor at such function if no money charged for admission is used to defray the costs of providing the alcoholic liquor or mixes and the

individuals admitted to the banquet are personally known to the owner/lessee of the premises. Cited herein: K.S.A. 1987 Supp. 41-719, as amended by L. 1988, ch. 165, § 3; K.S.A. 1987 Supp. 41-803. JLM

#### **Opinion No. 88-160**

State Departments; Public Officers and Employees—Kansas Tort Claims Act—Purchase of Insurance. Constance M. Achterberg, Saline County Counselor, Salina, November 16, 1988.

Claims against a county, based upon federal civil rights law, are not subject to the damage limitation provisions set forth in the Kansas tort claims act. K.S.A. 1987 Supp. 75-6105 sets a damage limitation and K.S.A. 1987 Supp. 75-6111 creates an exception to that limitation when an insurance policy is purchased that has policy limits in excess of the limitation. If such a policy is purchased, the damage limitation becomes the limitation of the policy. If a policy does not cover liability for certain claims, the damage limitation contained in K.S.A. 1987 Supp. 75-6105 remains applicable. Cited herein: K.S.A. 1987 Supp. 75-6105; 75-6111. TMN

Livestock and Domestic Animals—Registration of Veterinarians—Practice of Veterinary Medicine; Pregnancy Diagnosis; Embryo Transfers. Earl E. Gatz, Secretary, Board of Veterinary Examiners, Pratt, November 16, 1988.

Manual pregnancy testing and embryo transfer in cattle constitute the practice of veterinary medicine. A person must be a licensed veterinarian to perform these procedures unless the person is exempt from licensure pursuant to K.S.A. 47-817. Cited herein: K.S.A. 47-814; 47-816; 47-817; 47-834. RLN

#### Opinion No. 88-162

Crimes and Punishments—Sex Offenses—Rape; Aggravated Criminal Sodomy; Rape Shield Statute. Representative Edwin H. Bideau III, 5th District, Chanute, November 16, 1988.

K.S.A. 1987 Supp. 21-3525, known as the rape shield law, applies where the crime of rape, K.S.A. 1987 Supp. 21-3502, has occurred. Due to the sexual neutrality of the language used in the rape statute, the definition of "sexual intercourse" found in K.S.A. 1987 Supp. 21-3501(1), and due to the rule that criminal statutes are to be strictly construed, it is possible for a male to be the victim of rape. K.S.A. 1987 Supp. 21-3525 also applies when the crime of aggravated criminal sodomy, K.S.A. 1987 Supp. 21-3506, has occurred. Therefore, the rape shield law does indeed apply to forceable rapes committed against male victims, as well as applying to cases of aggravated criminal sodomy when the victim is a male. ## State of Kansas DEPARTMENT OF COMMERCE

#### NOTICE OF HEARING ON PROPOSED ADMINISTRATIVE REGULATIONS

A public hearing will be conducted at 10 a.m. Wednesday, December 28, in the Old Supreme Court Chamber (Room 313-South) at the State Capitol, Topeka, to consider the adoption of proposed new permanent rules and

regulations of the Department of Commerce.

All interested parties may submit written comments prior to the hearing to the Secretary of Commerce, 400 S.W. 8th, 5th Floor, Topeka 66603. All interested parties will be given a reasonable opportunity at the hearing to present their views orally in regard to the adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentation to five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered by the Secretary of Commerce as the basis for making any

changes to these proposed regulations.

Summaries of the regulations and accompanying economic impact statements follow. Copies of the complete regulations along with the economic impact statements may be obtained by writing: Administrator, Kansas Partnership Fund, Department of Commerce, 400 S.W. 8th, 5th Floor, Topeka 66603.

K.A.R. 110-2-1 through 110-2-11 are all related to the administration of the Kansas Partnership Fund program. Adoption of these regulations is necessitated by the passage of new legislation, namely L. 1988, Chap. 394, Sec. 2. The subjects of each of these regulations are as follows:

110-2-1: Application criteria. 110-2-2: Eligible applicants.

110-2-3: Eligible projects. 110-2-4: Ineligible projects.

110-2-5: Terms of the program.

110-2-6: Conditions of final loan approval. 110-2-7: Distribution of funds by congressional district.

110-2-8: Program fees and administration.

110-2-9: Terms of suspension. 110-2-10: Termination procedures.

110-2-11: Repayment assurances.

None of the proposed regulations are mandated by federal law or required for participation in any federally as-

sisted or subsidized program.

There will be costs to local units of government that apply for loans through the Kansas Partnership Fund in order to document the necessary application criteria, and to prepare a satisfactory loan application. In addition, applicants and loan recipients may be assessed certain fees established by the Secretary of Commerce to help offset the costs of administering this program.

There will also be administrative costs borne by the Community Development Division of the Kansas Department of Commerce, including printing and photocopying charges, postage and freight expenses, supplies, telephone expenses, staff travel and subsistence, salaries and wages, and other necessary and appropriate admin-

istrative expenses.

Affected parties may include city, county and other local units of government, as well as the Community Development Division of the Kansas Department of Commerce, which will administer the program. Also affected may be any businesses classified as "Kansas basic enterprises" that may be the primary beneficiaries of public infrastructure improvements financed under this program.

None of the proposed regulations are considered excessively costly or intrusive. Every effort was made to ensure that the regulations proposed were the minimum necessary to carry out the legislative intent for the program, while at the same time preserving the legitimate interests of the state in the wise use of public funds.

#### **Conditions of Bids**

Bids will be received for the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be a multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest rates specified in any bid will not exceed 21/2 percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of treasury bonds published in the weekly Credit Markets in New York, New York, on November 30, 1988, plus 2 percent. No bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bonds maturing on September 1, 1999, and thereafter, will be subject to redemption prior to maturity at the option of the school district, as a whole or in part, in inverse order of maturity (selection of bonds for partial redemption of bonds of the same maturity to be by such method as the bond registrar shall deem fair and appropriate) on September 1, 1998, or on any interest payment date thereafter, at the redemption price of 100 percent of the principal amount of bonds redeemed plus accrued interest to the redemption date. As a condition of the bid, at least one week prior to the delivery of the bonds the successful bidder shall furnish to the district the reoffering prices to the public in a certificate stating that a substantial amount of the bonds has been sold to the public (excluding bondhouses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at such reoffering prices. The certificate must

be executed by the successful bidder and furnished to the district at the time of closing.

#### Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form furnished by the school district and will be addressed to Loretta Breedlove, District Clerk, District Office, 12036 Leavenworth Road, Kansas City, KS 66109, and will be plainly marked "Bond Bid." Each bid will specify the total interest cost to the school district on the basis of such bid and the average annual net interest rate on the basis of such bid. The net interest cost to the school district will be determined by subtracting the amount of the premium, if any, from the total interest cost and will be stated as a dollar amount in the bid. The school district will be entitled to rely on such dollar amount as stated in the bid as the basis of determining the lowest net interest cost bid. If there is any discrepancy between the said net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

Each bid must be accompanied by a certified or cashier's check equal to \$59,000 made payable to Treasurer, Unified School District 203, Wyandotte County, Kansas. In the event a bidder whose bid is accepted fails to carry out the contract to purchase the bonds, said deposit will be retained by the school district as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

#### **Basis of Award**

The school district reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the school district.

#### Delivery of the Bonds

The bonds will be sold subject to the unqualified approving opinion of Cosgrove, Webb & Oman, bond counsel, of Topeka, Kansas, a copy of whose opinion will be printed on the reverse side of each certificated bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of the opinion of bond counsel and the expense of printing the bonds will be paid by the school district. Bond counsel's legal opinion will contain a statement to the effect that the bonds will constitute general obligations of the school district, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the school district.

The number and denominations of bonds and names of the registered owners to be shown on the bonds initially delivered must be submitted in writing by the successful bidder to the bond registrar not later than January 3, 1989.

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in

Federal Reserve funds or other immediately available funds not later than 11 a.m. C.S.T. on the day of delivery. Delivery of the bonds will be made to the successful bidder on or before January 16, 1989, at any bank in the state of Kansas or Kansas City, Missouri, at the district's expense. Delivery elsewhere will be made at the expense of the purchaser. The purchase price, including accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited.

Approval of Bonds/Tax Exemption

The bonds will be sold subject to the legal opinion of Cosgrove, Webb & Oman, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the district, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

The opinion will state that, assuming continuing compliance by the district with the provisions contained in the bond resolution, the interest on the bonds is, under existing law: (a) excludable from gross income for federal income tax purposes, and (b) not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, provided that for the purpose of computing alternative minimum tax imposed on corporations, bond interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989). The opinion set forth in clause (a) above is subject to the compliance by the district with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes; failure to comply with those requirements could cause the interest on the bonds to be included in federal gross income retroactive to the date of issuance of the bonds. The district has covenanted to comply with all such requirements. The opinion will state that the bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excluded from the computation of Kansas adjusted gross income. No further opinion concerning the tax consequences, other than the above, is or will be given.

#### **Related Federal Tax Matters**

Prospective bond purchasers are advised that: (a) except as stated above, Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or hold the bonds; (b) with respect to insurance companies subject to the tax imposed by Section 831 of the code, Section 832 of the code reduces the deduction for loss reserves by a percentage of the sum of certain items which include interest on the bonds; (c) for taxable years beginning before January 1, 1992, interest on the bonds earned by some corporations might be subject to the environmental tax imposed by Section 59A of the code; (d) interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to the tax imposed by Section 884 of the code; (e) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits if greater than 25 percent of the gross receipts of the Subchapter S corporation is passive investment income; and (f) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take receipts or accruals of interest on the bonds into account in determining gross income. Bondholders should consult their tax advisors with respect to the above.

**Qualified Tax Exempt Obligations** 

The district will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code; and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

#### Assessed Valuation and Bonded Indebtedness

The assessed valuation of taxable tangible property within the district, for the year 1988, is as follows:

Assessed valuation of taxable tangible property  Taxable value of motor vehicles	\$10,084,333 3,323,050	
Equalized assessed tangible valuation for		
computation of bonded debt limitations	13,407,383	

The total outstanding general obligation bonded indebtedness of the district upon the issuance of and including the bonds described herein will be \$3,490,000.

#### **CUSIP Identification Numbers**

CUSIP identification numbers will be printed on the bonds. All expenses in relation to printing of CUSIP numbers on the bonds and the expenses charged by the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the school district.

#### Preliminary Official Statement and Official Statement

The school district has prepared a preliminary official statement, copies of which may be obtained from the district's financial advisor. Upon the sale of the bonds, the board will approve the final official statement and will furnish the successful bidder a reasonable number of copies thereof without additional cost.

#### Official Information

Additional copies of this notice of bond sale, the official bid form or further information may be obtained from John C. McArthur, Beecroft Cole & Company, Inc., One Townsite Plaza, 6th and Kansas Ave., Topeka, KS 66603, (913) 234-5671, the school district's financial advisor.
