ATTORNEY GENERAL

Opinion No. 89-21

Elections—School District Elections—Candidates for Elections. Jerry R. Wilson, Oswego City Attorney, Oswego, February 23, 1989.

There are no statutory obstacles to a city treasurer of a city of the second class having the mayor-council form of government simultaneously holding the office of member of the board of education of a unified school district. Moreover, the common law doctrine of incompatibility of offices does not preclude either of such simultaneous incumbencies. Cited herein: K.S.A. 25-2020. TRH

Opinion No. 89-22

Counties and County Officers—General Provisions—Charter Resolutions; Procedure. W. Lee Fowler, Chase County Attorney, Cottonwood Falls, February 23, 1989.

Pursuant to K.S.A. 19-101b, unless challenged pursuant to K.S.A. 19-101b(c) or rescinded by future action, a charter resolution is validly adopted when approved by the unanimous vote of a three member board of county commissioners. Cited herein: K.S.A. 19-101b. TMN

Opinion No. 89-23

Waters and Water Courses—Groundwater Management Districts—District Powers; Annual Assessment Per Acre Against Landowners; Extension or Reduction of District Territory by Chief Engineer; Disposition of Funds. Thomas J. Burgardt, Attorney at Law, Groundwater Management District No. 3, Garden City, February 23, 1989.

Reduction of territory within a groundwater management district (GMD) pursuant to K.S.A. 82a-1033 does not require that funds from previous GMD assessments be returned to the county wherein the excluded territory is located. It is our opinion that funds properly collected prior to reduction of GMD boundaries must be remitted to the GMD treasurer and credited to the general fund of the GMD. Opinion No. 89-24

Constitution of the State of Kansas—Legislative—Subject and Title of Bills. Representative Kerry Patrick, 28th District, Leawood; Representative Bruce Larkin, 62nd District, Baileyville, February 23, 1989.

1989 Senate Bill No. 24 does not violate article 2, section 16 of the Kansas Constitution which prohibits a bill from containing more than one subject. Cited herein: K.S.A. 1988 Supp. 72-7067; K.S.A. 72-7068; K.S.A. 79-4904; Kan. Const., Art. 2, § 16; L. 1988, ch. 17, § 6; L. 1988, ch. 31, § 2. JLM

Opinion No. 89-25

Counties and County Officers—Election Commissioners—Duty to Establish Precinct Boundaries.

Counties and County Officers—County Commissioners—Rearrangement of Commissioner Districts. Leonard J.

Dix, Rooks County Attorney, Stockton, February 24, 1989.

The doctrine of "one person-one vote" applies to local units of government through the Equal Protection Clause of the Fourteenth Amendment of the United States Constitution. Kansas law provides that it is the duty of boards of county commissioners to redistrict their members districts according to population.

The boundaries of county commission districts must follow the boundaries of election precincts. It is the duty of the county election officer to establish precinct boundaries. The great inequities of population in the election precincts in Rooks County prevent the county commissioners from redrawing their districts to meet the constitutional requirements of equal representation.

K.S.A. 1988 Supp. 25-26a03 prohibits county election officers from changing or creating new election precinct boundaries until December 1, 1990. To the extent that K.S.A. 1988 Supp. 25-26a03 prevents the Rooks County commissioners from establishing commission districts that meet federal constitutional requirements, this statute is unconstitutional. Cited herein: K.S.A. 19-204; 19-3424; 19-3426; K.S.A. 1988 Supp. 25-26a03; K.S.A. 25-2702; 25-2702a; U.S. Const., Amendment XIV. RLN

Opinion No. 89-26

Public Health—Secretary of Health and Environment, Activities; Water Supply and Sewage—Prevention of Water Pollution; Financial Responsibility for Underground Petroleum Storage Tanks. Stanley C. Grant, Ph.D., Department of Health and Environment, Topeka, February 27, 1989.

Guaranty and suretyship agreements are enforceable obligations in this state for purposes of establishing financial responsibility of owners and operators of storage tanks containing petroleum. Cited herein: K.S.A. 1988 Supp. 65-171(d)(f)(1); 40 C.F.R. §§ 280.93, 280.96, 280.98. MWS

Opinion No. 89-27

Crimes and Punishments—Trading Stamps—Trading Stamps or Similar Devices Redeemable in Merchandise or Other Thing of Value Prohibited. Senator Edward F. Reilly, 3rd District, Leavenworth, March 1, 1989.

The practice of "cross-store couponing" whereby two or more retailers offer coupons redeemable for each other's products sold in the usual course of business is excepted from the trading stamp act. Cited herein: K.S.A. 21-2801; 21-2803. JLM

There is no fiscal impact expected from these changes. Copies of the regulations and their fiscal impact statements may be obtained from the agency upon written request. These regulations were previously heard on July 14, 1988, with a few minor amendments. They are being reheard due to a clerical error.

State of Kansas
**KANSAS PUBLIC DISCLOSURE
 COMMISSION**

Advisory Opinion No. 88-24

Written August 25, 1988, to Doris Reynolds Stout, Mission.

This opinion is in response to your letter of August 12, 1988, in which you request an opinion from the Kansas Public Disclosure Commission concerning the conflict of interest statutes (K.S.A. 46-215 *et seq.*).

We note at the outset that the commission's jurisdiction relative to your question is limited to the above statutes. Thus, whether some other common law, statutory system, or rule or administrative policy applies to your question is not covered by this opinion.

We understand you request this opinion in your capacity as the Kansas Long Term Care Ombudsman for the Kansas Department on Aging. You advise us that recently you filed incorporation papers with the Kansas Secretary of State's Office for Helios, a business to provide education and consultation on a broad range of topics. You are in business with Karl A. Friedmann, Ph.D., who lives in Canada and teaches at the University of Toronto. You have made no money yet from this business and have only spent money to incorporate it.

It is your intention to take vacation days or leave without pay to perform services under the Helios, Inc. aegis. You would charge no group or individual in Kansas for performing duties relative to your work. Outside Kansas, however, you would give presentations with Dr. Friedmann on such subjects as ombudsmanship, investigative training, governmental structure, dispute resolution, long term care issues and a variety of other topics. You would charge for these services. It is possible that Dr. Friedmann might provide services in Kansas under the Helios, Inc. aegis.

Based on this factual situation, you ask whether the situation you describe constitutes a conflict of interest.

It is our opinion, so long as you do not participate in your capacity as a state employee in the making of any contracts with Helios, Inc., or in any way license, regulate

or inspect that entity, that the situations you describe are clearly permissible under K.S.A. 46-215 *et seq.*

Advisory Opinion No. 88-25

Written August 25, 1988, to Shari M. Feist, Director, Conservation Division, Kansas Corporation Commission, Wichita.

This opinion is in response to your letter of August 5, 1988, in which you request an opinion from the Kansas Public Disclosure Commission concerning the conflict of interest statutes (K.S.A. 46-215 *et seq.*).

We note at the outset that the commission's jurisdiction relative to your question is limited to the above statutes. Thus, whether some other common law, statutory system or rule or administrative policy applies to your questions is not covered by this opinion.

We understand you request this opinion in your capacity as director of the Conservation Division of the Kansas Corporation Commission.

You state that the division has recently employed L. Kristopher Moore for a Hydrologist I position. Mr. Moore is primarily responsible for reviewing and approving notices of intents to drill oil and gas wells in the state of Kansas. Mr. Moore's review involves a determination as to whether the proposed drilling location is proper and whether the surface pipe is adequate to protect fresh and usable waters.

Mr. Moore has indicated that prior to his employment with the commission he performed a drafting service for oil and gas industry clientele and wishes to continue this service while employed with the commission.

On behalf of Mr. Moore, you ask whether it is permissible for him to continue his consulting service while working for the state in the position discussed.

It is our opinion, so long as Mr. Moore does not hold any formal positions with his clientele other than as an independent consultant, does not charge more than a reasonable fee for his services, and does not participate on behalf of the state in contracting with either his business or his clientele that the situation you describe does not constitute a conflict of interest under K.S.A. 46-215 *et seq.*

Advisory Opinion No. 88-26

Written September 15, 1988, to Ruth Sears, Attorney, Southwestern Bell Telephone, Topeka.

This opinion is in response to your letter of August 31, 1988, in which you request an opinion from the Kansas Public Disclosure Commission concerning the Campaign Finance Act.

We understand you request this opinion on behalf of Southwestern Bell Telephone Company. You state that Southwestern Bell Telephone Company (SWBT), which is a telephone public utility, has a new employee political awareness program termed BUILD (Better Utilization of Individual Leadership in Democracy). As part of that program, its administrative committee is contemplating sponsoring employee candidate forums over the lunch hour, before or after work, or otherwise on non-paid time. For example, regarding a particular local or state race, both candidates would be invited to speak to employees for

30-60 minutes concerning their qualifications and views on current issues at one of SWBT's buildings.

Tentative plans call for the events to be billed as a brown bag luncheon, with the company providing soft drinks. SWBT would, of course, publicize the events via intra-company mail, employee newsletters, etc., and would provide the building space for the candidates and employees attending.

Based on this factual situation, you ask whether SWBT's furnishing of facilities, light refreshments or publicity for such a candidate forum would constitute a reportable in-kind contribution of SWBT, or would in any manner violate Kansas campaign finance laws. If reportable, you also ask if the total amount of the contribution would be attributable to each candidate attending, or proratable among them?

We first note that pursuant to K.S.A. 25-1709, contributions by regulated industries are now legally permissible. The question turns then to whether the costs associated with the provision of a forum for both candidates to an office constitutes a contribution which triggers any limitations or reporting requirements.

"Contribution" is defined in K.S.A. 25-4143 (d)(1) as follows: . . . "(A) Any advance, conveyance, deposit, distribution, gift, loan or payment of money or any other thing of value made for the purpose of influencing the nomination or election of any individual to state office; (B) a transfer of funds between any two or more candidate committees, party committees or political committees; (C) the payment, by any person other than a candidate, candidate committee, party committee or political committee, of compensation to an individual for the personal services rendered without charge to or for a candidate's campaign or to or for any such committee; (D) the purchase of tickets or admissions to, or advertisements in journals or programs for, testimonial events."

Although one could argue that "a thing of value" (here the costs associated with the forum) is being provided, the more important issue is whether it is being provided to "any individual."

It is our opinion that when a forum is being provided to both candidates for the same office, the costs associated therewith cannot be attributed to "any individual" candidate and therefore do not constitute a contribution to either. Thus, in response to your question and based on the specific factual situation provided to us, we do not believe the provision of the forum constitutes an in-kind contribution and no reporting requirements are triggered.

Advisory Opinion No. 88-27

Written September 15, 1988, to James P. Kelly, City Commissioner, City of Independence.

This opinion is in response to your letter of September 2, 1988, in which you request an opinion from the Kansas Public Disclosure Commission concerning the local conflict of interest law (K.S.A. 75-4301 *et seq.*).

We understand you request this opinion in your capacity as a city commissioner for the city of Independence, Kansas. You state that the Independence City Commission is currently considering the annexation of three residential areas into the city of Independence, and the

extension of services to those areas, including sewer services. The areas are currently served by septic tanks.

You are also an employee and stockholder of the Citizens National Bank, Independence, Kansas. The Citizens National Bank is the owner of several unimproved lots in the area being considered for annexation.

You ask whether the ownership by your employer of real property in the area being considered for annexation and extension of services constitutes a conflict of interest which would prevent you from voting on the matter.

K.S.A. 75-4303 states:

"(a) No public officer or employee shall in his or her capacity as such officer or employee, make or participate in the making of a contract with any person or business by which he or she is employed or in whose business he or she has a substantial interest, and no such person or business shall enter into any contract where any public officer or employee, acting in such capacity, is a signatory to or a participant in the making of such contract and is employed by or has a substantial interest in such person or business. A public officer or employee does not make or participate in the making of a contract if he or she abstains from any action in regard to the contract. This section shall not apply to the following: (1) Contracts let after competitive bidding has been advertised for by published notice; and (2) Contracts for property or services for which the price or rate is fixed by law. (b) Any public officer or employee who is convicted of violating this section shall forfeit his or her office or employment."

The commission has consistently held that this section relates to "contracts" and not legislative decisions such as annexation. Thus, this section does not cover the situation you have described.

K.S.A. 75-4305 states:

"Any public officer or employee who has not filed a disclosure of substantial interests and who, while acting in his or her official capacity, shall pass upon any matter which will affect any business in which such officer or employee shall hold a substantial interest, shall, before he or she acts upon such matter, file a written report of the nature of said interest with the office of the secretary of state, if such person is a state officer or employee, or if such person is an officer or employee of a municipal or quasi-municipal corporation, with the county clerk of the county which all or the largest geographical part of such municipal or quasi-municipal corporation is located. A public officer or employee does not pass or act upon any matter if he or she abstains from any action in regard to the matter."

Here, it is our opinion that your participation on the annexation vote would "affect" the bank, and therefore, if you have filed a disclosure statement or do so before taking any action, you may legally participate in the annexation process. If you have not filed the statement or do not, then you may not participate in the process in your capacity as a city official.

NOTICE OF HEARING ON PROPOSED TRAFFIC REGULATIONS AT THE KANSAS COLLEGE OF TECHNOLOGY

A public hearing will be conducted at 2 p.m. Thursday, April 20, in the Resource Center Audiovisual Room, Kansas College of Technology, Salina, concerning the adoption by Kansas College of Technology of regulations governing its traffic and parking facilities. The following is a summary of the substance of the rules in sections that have proposed changes and those proposed changes.

Parking Permit Location:

The current regulations require that the parking permit be affixed to the left bumper of the vehicle. The proposed amendment provides for the permit to be in a conspicuous position on the left rear of the vehicle to be clearly visible from behind the vehicle.

Misuse Fees:

The current regulations provide that a report will be sent to the president when faculty or staff members accumulate a fourth unpaid violation. The proposed amendment provides for that report to be sent to the vice president for administration.

The current regulations also provide that the names of faculty or staff members who have unpaid violations be submitted to the office of the president on a quarterly basis. The proposed amendment provides that the quarterly report be made to the vice president for administration.

Appeals:

The current regulations provide for written appeals to be reviewed by the Traffic and Parking Committee. The committee then gives a written notification of its decision to the person making the appeal. The proposed amendment provides for the committee to make a written recommendation on the appeal to the vice president for administration who will notify the appellant of his decision, which will be final.

Interested persons will be given a reasonable opportunity at the hearing to present their views concerning the adoption of the proposed amendments to the existing regulations. Written comments may also be submitted, but must be received prior to the hearing. Written comments or a request for a copy of the proposed regulations and a copy of the financial impact statement of such changes should be submitted to William H. BOARD OF REGENTS

NOTICE OF HEARING ON
PROPOSED TRAFFIC REGULATIONS
AT THE UNIVERSITY OF KANSAS

A public hearing will be conducted at 3 p.m. Friday, April 7, in the Kansas Union Building, Level 6, Pine Room, University of Kansas, Lawrence, concerning the adoption by the Board of Regents of regulations governing traffic and parking on the roads, streets, driveways, and parking facilities at the University of Kansas. The following is a summary of the substance of the rules and proposed changes. While certain sections of the regulations have been renumbered and reorganized, the only substantive changes in the regulations are noted as follows:

1. **General Regulations.** The current regulations specify who is subject to these rules and regulations, that all vehicles must have a valid parking permit, and hours of access to the central campus. The proposed amendment will change all reference of campus pass to campus access.

2. **Definitions.** The current regulations specify, for the purpose of these regulations, the definitions of student, faculty, staff, visitors, dormitory visitor, medical parking needs, handicap parking, moped and motorcycle parking. No amendments are proposed.

3. **Visitor Parking.** The current regulations specify conditions under which visitors may legally park at the University of Kansas. No amendments are proposed.

4. **Parking Permits.** The current regulations establish procedures pertaining to parking permits and the types of permits available. The proposed amendment advises permit holders that the improper application of a sticker will be a Group I violation. It also advises permit holders that short-term permits are available through the parking office if their primary permitted vehicle is out of service for a total of two weeks per semester. Blue and red permits would also be allowed to park in the JRP lot.

5. **Student, faculty, and staff parking.** The current regulations establish procedures by which parking permits for vehicles may be obtained and appealed, and procedures for new employees. The proposed amendment would require that new and temporary employees purchase a temporary permit for \$11 for six weeks. The price

of the temporary would be applied to the cost of the permanent permit.

6. **Permit Fees.** The current regulations specify the fees charged for parking permits. The proposed amendment would raise the rate for hooded meters from \$1 half day, and \$2 all day, to \$2 half day, and \$4 all day. The parking facility will provide 370 stalls for faculty, staff and students who purchase a blue, red, or yellow parking permit. A parking facility access card will be issued at no charge upon application to the Parking Services' business office. Visitors will have 400 stalls at \$.50 per hour; \$5 for special events.

7. **Control of Parking Lots and Zones.** The current regulations specify times and locations for parking restrictions at the University of Kansas. The proposed amendment will allow backing into a parking stall. Lot 119 will be eliminated. Loading zone meters will be enforced 24 hours per day.

8. **Violations.** The current regulations specify violations for which a vehicle may be ticketed and the cost of such violations. The proposed amendment would restructure the ticket and eliminate violations for parking in a guest area, parking on the wrong side of the street facing traffic, and illegal parking in an emergency vehicle area. These violations would be covered under other existing violations. The handicap stall violation will incorporate handicap ramps. The fire lane and fire hydrant violations will be combined. All Group II violations and "Backing into stall" will be eliminated. New Group III violations will be \$50/\$60.

9. **Payment of Fees for Violations.** The current regulations specify the method and procedure for payment of violation notices, late payment, what constitutes excessive violations and consequences of excessive violations, and towing and impoundment procedures. The proposed amendment would reduce the number of violations required to be considered excessive from five to three.

10. **Appeal of Violation Notices.** The current regulations establish the procedures for appeals from a charge of misuse of parking area. No amendments are proposed.

11. **Statutory Authorization.** The current regulations establish the authorization of the Board of Regents to promulgate regulations for the control of parking and traffic on the University of Kansas campus and to establish misuse fees for violations of the regulations. No amendments are proposed.

Interested persons will be given reasonable opportunity at the hearing to present their views concerning the adoption of the proposed amendments to the existing regulations. Written comments also may be submitted prior to the hearing. Written comments or a request for a copy of the proposed regulations and a copy of the financial impact statement of such changes should be submitted to Edwyna Gilbert, Associate Dean, College Office, University of Kansas, Strong Hall, Room 206, Lawrence 66045.

Bids will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. All checks of the unsuccessful bidders will be returned immediately upon the award of the bonds. If a bid is accepted, the check delivered to the city on account of such bid or the proceeds thereof will be held by the city until the successful bidder has complied with all the terms of this notice and of such bid, at which time the amount of said check will be credited to the successful bidder in the final settlement. If a bid is accepted but the city shall fail to deliver the bonds to the successful bidder in accordance with the terms of this notice and of such bid, said check or the proceeds thereof will be delivered to the successful bidder. If a bid is accepted and the successful bidder fails or refuses to take up and pay for the bonds in accordance with the terms and conditions of this notice and such bid, then the proceeds of said check shall be retained and accepted by the city as full and complete liquidated damages.

Submission of Bids

Bids accompanied by the good faith checks may be mailed to the undersigned at the address given below or

(continued)

delivered in sealed envelopes addressed to the undersigned at the place for opening bids described above. Each bid must be marked "Bid for the Purchase of Bonds" and must be received by the undersigned by 11 a.m. C.S.T. on Tuesday, March 21, 1989.

Basis of Award

Each bid shall specify the total interest cost during the life of the bonds on the basis of the rate or rates of interest specified in such bid; the premium, if any; the net interest cost on the basis of such bid; and the average annual net interest rate on the basis of such bid. The net interest cost will be determined by subtracting the amount of the premium, if any, from the total interest cost. The city shall be entitled to rely on such calculation of net interest cost in awarding the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified in the bid, the specified net interest cost shall govern and the interest rates on the bid will be adjusted accordingly. The city reserves the right to waive irregularities in a submitted bid or to reject any and all bids.

Delivery and Payment

The bonds, duly prepared, executed and registered, will be delivered without cost to the successful bidder on or about April 5, 1989. Payment shall be made in Federal Reserve funds or other immediately available funds not later than 11 a.m. C.S.T. on the day of delivery.

List of Registered Owners

The successful bidder must deliver to the bond registrar, before the close of business on the fifth business day prior to the date of delivery of the bonds, the names and addresses of the registered owners of the bonds and the denominations in which the bonds of each maturity are to be issued. If the successful bidder fails to submit such information to the bond registrar by the aforesaid date, one bond will be issued for each maturity date in the full amount maturing on such date and the bonds will be registered in the name of the successful bidder.

Legal Opinion and Transcript

The sale and issuance of the bonds will be subject to the legal opinion of Stinson, Mag & Fizzell, Kansas City, Missouri, whose final approving opinion will be furnished and paid for by the city and will be printed on the bonds. The successful bidder will be furnished a certified transcript of proceedings evidencing the authorization and issuance of the bonds, which will include a certificate that no litigation is pending or threatened at the time of delivery of the bonds affecting the validity or security of the bonds.

Tax Exemption

In the opinion of bond counsel, under existing statutes, regulations, rulings and court decisions, including the Internal Revenue Code of 1986, interest on the bonds is not includable in gross income for purposes of federal and Kansas income taxation. In rendering its opinion, bond counsel will state that it has assumed the city's present and continuing compliance with covenants in the proceedings of the city authorizing the issuance of the bonds and other documents. Interest on the bonds is not an item of tax preference for purposes of the individual or corporate alternative minimum tax, except that interest

on the bonds may be subject indirectly to a federal corporate alternative minimum tax as pre-tax book income in taxable years beginning in 1988 and 1989 or as adjusted earnings and profits for taxable years after 1989 and may be subject indirectly to a Kansas corporate alternative minimum tax for taxable years beginning after 1988. Interest on the bonds also may be subject to a tax based on the modified alternative minimum taxable income of a corporation under the Superfund Amendments and Reauthorization Act of 1986 in taxable years beginning after 1986. In addition, interest on the bonds held by certain foreign corporations may be subject to the branch profits tax under the code in taxable years beginning after 1986. The city will designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code relating to interest deductions for banks and thrift institutions. Reference is made to the preliminary official statement for further discussion of the tax exemption of the bonds.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number of any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the printing of CUSIP numbers on the bonds will be paid by the city.

Preliminary Official Statement and Official Statement

The city has prepared a preliminary official statement, copies of which may be obtained from the undersigned. Upon the sale of the bonds, the city will approve the final official statement and will furnish the successful bidder a reasonable number of copies thereof without additional cost. Additional copies may be ordered at the successful bidder's expense.

Bond Ratings

The outstanding combined general obligation bonds of the city are rated "Aa" by Moody's Investors Service, Inc., and the city has applied for a rating on the bonds herein offered for sale.
