In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic impact follows.

This regulation would increase the revenue of this agency by approximately \$229,845. The economic impact to the licensees of the board will be an additional \$35 each for those that renew on time, an increase of \$50 for those that renew after second notice, and an increase of \$100 for those that allow their license to lapse and who apply for reinstatement. STATE FIRE MARSHAL

NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS

A public hearing will be conducted at 9:30 a.m. Thursday, June 15, in the State Fire Marshal's office, Suite 600, Jayhawk Tower, 700 S.W. Jackson, Topeka, to consider the adoption of proposed changes in existing rules and regulations of the State Fire Marshal's office.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the State Fire Marshal. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

These regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic impact follows:

K.A.R. 22-1-1. Kansas fire prevention code: The purpose of the proposed change to K.A.R. 22-1-1 is to update the reference to the newer 1987 edition of the national electric code from the older 1975 edition. There is no fiscal impact to this change.

K.A.R. 22-1-2. Compliance with certain building codes: The purpose of the proposed changes to K.A.R. 22-1-2 is to update the reference to the newer 1988 edition of the uniform building code from the older 1982 edition; the newer 1987 edition of the building officials and code administrator (BOCA) basic building code from the older 1981 and 1984 editions; and the newer 1988 edition of the standard building code from the older 1982 edition. There is no fiscal impact to these changes.

K.A.R. 22-3-1. Life safety code: The purpose of the proposed change to K.A.R. 22-3-1 is to update National Fire Protection Association pamphlet no. 101 from the 1985 edition to the newer 1988 edition. There is no fiscal impact to this change.

K.A.R. 22-3-2. Mobile home installations: This is a new regulation that adopts by reference National Fire Protection Association pamphlet no. 501A, 1987 edition. This regulation incorporates by reference standards for fire safety in the installation of manufactured homes and home sites, including accessory buildings and structures. The potential economic impact cannot be quantified as records regarding manufactured homes have never been maintained. There is a potential that such safety rules could cause higher manufacturing and installation costs, which could be passed on to the consumer, but at this juncture such hypothetical speculation is secondary to fire safety.

K.A.R. 22-5-6. Reporting of burn wounds: The purpose of the proposed change to K.A.R. 22-5-6 is to give doctors and health care providers more professional discretion in the reporting of burn wounds. The changes allow minor burns—less than 20 percent of the victim's body and not requiring hospitalization—to not be reported. The economic impact, while not quantifiable, should cause a savings to health care providers in reduced paperwork.

K.A.R. 22-6-17. Manufacture, transportation, and stor-

age of fireworks: This is a new regulation that adopts by reference National Fire Protection Association pamphlet no. 1124, 1988 edition. The scope of this regulation applies only to the manufacturer and wholesaler of fireworks and the physical requirements for safe transportation and storage. Economic impact is impossible to gauge. Wholesalers within Kansas not currently practicing the necessary safety procedures outlined in NFPA no. 1124 will be required to spend whatever is necessary to bring their warehouses into conformity.

K.A.R. 22-8-1. Liquefied petroleum gases: The purpose of the proposed change to K.A.R. 22-8-1 is to update the reference to the newer 1986 edition of National Fire Protection Association pamphlet no. 58 from the older 1983 edition. There is no fiscal impact to this change.

K.A.R. 22-10-3. Registration certificate: The purpose of the proposed changes to K.A.R. 22-10-3 is to add language to eliminate the possibility of a certified business from providing repair and service maintenance to extinguishing systems under the registration number of another certified business. The new regulation will prevent this. The other change adds language to protect the ability of authorized repair licensees to continue to provide service for at least as long as the period that their training certificates run. The economic impact of these changes, if any, should serve to enable a certified extinguishing system repairman to continue to ply such trade for a longer period of time than before when a manufacturer could simply de-certify its franchises for any reason.

K.A.R. 22-10-12. Portable fire extinguishers: The purpose of the proposed changes to K.A.R. 22-10-12 is to update the reference to the newer 1988 edition of National Fire Protection Association pamphlet no. 10 from the older 1984 edition. There is no fiscal impact to this change.

K.A.R. 22-10-17. Wet chemical extinguishing systems: The purpose of the proposed changes to K.A.R. 22-10-17 is to add the paragraphs b and c to elaborate on who is covered by the adoption of National Fire Protection Association pamphlet no. 17A. The changes provide that anyone who manufactures, transports or stores wet chemical extinguishing systems shall comply with pamphlet no. 17A. There should be no economic impact with this new language as it only clarifies what had already been the standard operating procedure of both the agency and the applicable industry.

K.A.R. 22-13-35. Assembly seating: The only change to K.A.R. 22-13-35 is to update the reference to the newer 1986 edition of National Fire Protection Association pamphlet no. 102 from the older 1978 edition. There is no economic impact to this change.

Copies of the regulations and their economic impact statements may be obtained from the State Fire Marshal's office, 700 S.W. Jackson, Suite 600, Topeka 66603-3714, (913) 296-3401.

ATTORNEY GENERAL

Opinion No. 89-46

State Boards, Commissions and Authorities—Department of Commerce—Low-Income Housing Tax Credit Program; Records Subject to Disclosure.

Laws, Journals and Public Information—Records Open to Public—Department of Commerce; Low-Income Housing Tax Credit Program. Harland E. Priddle, Secretary, Kansas Department of Commerce, April 17, 1989.

Documents of the Kansas Department of Commerce involving the federal low-income housing tax credit program are required by state and federal law to be kept confidential as they concern federal tax return information. Therefore, these documents are not subject to public disclosure under the Kansas Open Records Act. Cited herein: K.S.A. 45-215; 45-216; 45-217; K.S.A. 1988 Supp. 45-221; 79-3234; 26 U.S.C. § 42; 26 U.S.C. § 6103. RLN

Opinion No. 89-47

Laws, Journals and Public Information—Records Open to Public—Exception to Disclosure.

Crimes and Punishment—Kansas Criminal Code; Crimes Affecting Public Trust—Unlawful Use of Names Derived from Public Records. John M. Duma, Chief Deputy County Counselor, Wyandotte County, April 17, 1989.

K.S.A. 21-3914 and K.S.A. 1988 Supp. 45-220 limit the use of information obtained from public records so as to prohibit commercial solicitation of persons whose names

and addresses are of record. Using information from county assessment, appraisal and tax records and maps to produce "microfiche ownership products and maps" is not prohibited. In this case, names and addresses taken from public records are not used to solicit those persons to purchase property or services; rather, they are used to produce an item that provides the same information that is available to the public. Cited herein: K.S.A. 21-3914; 45-215; 45-220; K.S.A. 1988 Supp. 45-221. RLN

Opinion No. 89-48

Bonds and Warrants—General Provisions—Local Legislative Powers—Financing; Issuance of Bonds. Thomas A. Glinstra, Municipal Counsel, City of Olathe, Olathe, April 17, 1989.

A city which has adopted an ordinance prescribing how revenues from a combined water and sewer system may be expended may not pledge those revenues for an unauthorized purpose. The city of Olathe may not use revenues from the city's combined water and sewer system to pay debt service on general obligation bonds issued by the city to finance improvements and extensions to such system. The city has pursuant to ordinance limited the availability of the system surplus revenues to the purposes stated therein. Cited herein: K.S.A. 12-860. REF

Opinion No. 89-49

Automobiles and Other Vehicles—Uniform Act Regulating Traffic; Powers of State and Local Authorities—Provisions of Act Uniform Throughout State; Local Traffic Regulations. Senator B. D. Kanan, 5th District, Kansas City; Representative Bill Wisdom, 31st District, Kansas City; Representative Hank Turnbaugh, 39th District, Kansas City, April 18, 1989.

Pursuant to the provisions of K.S.A. 8-2001, local authorities (including cities) may adopt additional traffic regulations prohibiting "U-turns" where such regulations do not conflict with the provisions of the Uniform Act Regulating Traffic on Highways. Under the Uniform Act, no such ordinance regulating or prohibiting the turning of vehicles shall be effective until official traffic control devices giving notice of such local traffic regulation are erected upon or at the entrances to the highway or part thereof affected (K.S.A. 8-2002(a)(9) and (c)). Accordingly, an ordinance which prescribes additional circumstances under which U-turns are prohibited (*i.e.*, the ordinance sets forth limitations in addition to those prescribed by K.S.A. 8-1546) is not effective until official traffic control devices giving notice of such prohibitions are erected. Thus, subsections (1), (3) and (4) of section 35-323 of the Kansas City Municipal Code, which impose additional prohibitions on U-turns in the absence of official traffic control devices giving notice of such prohibitions, conflicts with subsection (c) of K.S.A. 8-2002, and is invalid pursuant to K.S.A. 8-2001. KANSAS INSURANCE DEPARTMENT

**NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

A public hearing will be conducted at 10 a.m. Thursday, June 1, in the third floor conference room of the Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of a proposed permanent regulation of the Insurance Department.

Copies of the full text of the regulation and the economic impact statement may be obtained by writing to the Commissioner of Insurance, 420 S.W. 9th, Topeka 66612. The following is a summary of the economic impact statement and the regulation:

40-3-45: This regulation will complement and implement L. 1988, Ch. 155, which requires earnings or losses resulting from the investment of unearned premiums and loss reserves to be considered in the development of insurance rates pursuant to K.S.A. 40-927 and K.S.A. 40-1112. As proposed, the regulation establishes the manner in which the investment results are to be calculated and specifies the information upon which such calculations are to be based.

Because of the generally competitive nature of the property and casualty insurance business, it is not anticipated that adoption of this regulation will have a dramatic or significant economic impact on insurance companies, insurance consumers or the Insurance Department. The regulation will have an impact from the perspective of administrative expenses. Such costs cannot be quantified but would be minimal.

All interested parties may submit written comments prior to the hearing to the Commissioner of Insurance. The period of time between the date of publication of this notice and the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

(a) Obtain a valid Kansas instant game lottery ticket;

(b) Determine if the ticket is a winning ticket in accordance with any instant game rules. If the ticket is a winning ticket, it is not eligible for the "Game Prize Drawing" or other drawings and shall be redeemed in accordance with the appropriate game rules;

(c) If the ticket is a non-winning ticket, the ticket is eligible for winning the drawing, and the holder of the ticket may enter the "Grand Prize Drawing" or other drawings once the holder accumulates five (5) non-winning tickets;

(d) The holder of the five (5) non-winning tickets must complete the information form on the back of at least one (1) ticket in a legible manner and sign all five (5) tickets. Unsigned tickets shall not be considered valid entries in any drawing conducted by the lottery;

(e) The holder of the tickets must obtain an official entry envelope entitled "Grand Prize Draw" or "Kansas Lottery Entry Label" from any Kansas lottery retailer; and

(f) Place the five (5) tickets into the envelope or a 3½ by 6½ inch envelope with an official Kansas Lottery Entry Label affixed and mail them to the address printed on the envelope or label.

111-3-22. Weekly Selection of Participants. The following process shall be used for the selection of participants in the weekly "Grand Prize Draw" and other draws:

(a) Kansas Lottery mail room personnel shall pick up all mail trays containing "Grand Prize Draw" envelopes at the Topeka United States Post Office on a daily basis.

(b) The mail room and security personnel shall transport the mail trays to a secure area where they will be held until the time designated by the executive director

for the selection of participants in the "Grand Prize Draw" and other draws.

(c) The selection process shall be held weekly. All draws shall be held in a place accessible to the public and be open for public attendance and with lottery security personnel present. All draws shall be audio and video taped.

(d) An individual designated by the executive director shall pick at random two (2) sealed envelopes from each tray using the bare-arm technique. Should the designated individual draw an envelope with tickets belonging to that designated individual, the envelope shall be disqualified.

(e) The designated individual shall place the envelopes in a drum.

(f) Once the individual has selected two (2) envelopes from each tray, the drum shall be sealed and the contents mixed by shaking or rotating.

(g) The designated individual shall then unseal the drum, and using the bare-arm technique, remove one (1) "Grand Prize Draw" envelope from the drum.

(h) The designated Kansas lottery security official shall unseal the "Grand Prize Draw" envelope removed from the drum and review the tickets inside to determine if they are eligible for the "Grand Prize Draw" and other draws in accordance with this regulation.

(i) If the tickets contained in the envelope are determined to be ineligible, the envelope removed shall be discarded, the drum resealed, and another envelope removed. This procedure will be repeated until all valid selections are obtained from the drum.

(j) Each valid entry, as it is obtained, shall be clearly marked in a permanent manner with a number. The number one (1) shall be placed on the first valid entry, the number two on the second valid entry, and so on until all valid entries are marked.

(k) As long as there is a "Grand Prize Draw" the first entry drawn shall be entered into the "Grand Prize Draw." The next six entries drawn shall be entered into the televised draw show unless direct entries pursuant to individual game rules have been validated and received by the Kansas lottery headquarters by 5:00 p.m. on the day preceding the weekly selection of participants, in which case a minimum of four entries will be drawn and entered onto the televised draw show. Direct entrants shall be scheduled on the soonest available draw show in the order that direct entry claim forms are received by the Kansas lottery headquarters. Thereafter, the next six entries drawn shall be home partners for televised draw show participants. The identities of the last six participants drawn will be disclosed on the appropriate draw show.

(l) All "Grand Prize Draw" envelopes remaining in the drum and the mail trays after valid entries have been selected shall be destroyed.

(m) The valid entry envelopes shall be certified and secured in accordance with K.A.R. 111-3-21.

(n) Participants in the draw show need not claim prizes awarded on the draw show within the 180-day period during which their winning tickets are valid. 111-3-22a. Weekly selection of "Call-4-Cash" Numbers. The following process shall be used for the selection of numbers for the weekly "Call-4-Cash" segments of the televised draw show.

(a) The selection process shall be held weekly in conjunction with the weekly selection of participants. Each drawing shall be held not less than nine days in advance of the appropriate televised draw show except for the first drawing, which shall be for the televised draw show immediately following that drawing as well. All drawings shall be held in a place accessible to the public and be open for public attendance and with lottery security personnel present. All drawings shall be audio and video taped.

(b) Kansas lottery security personnel shall place a set of the numbers 0 through 9, one inside each of 10 plastic canisters.

(c) The designated Kansas lottery security official shall place the canisters inside a drum.

(d) Once the canisters are placed inside the drum, the drum shall be sealed and the contents mixed by shaking or rotating.

(e) An individual designated by the executive director shall then unseal the drum and, using the bare-arm technique, remove one canister from the drum.

(f) The designated lottery security official shall unseal the canister removed from the drum and examine the number inside. This canister shall then be returned to the drum and the contents re-mixed. This procedure shall be repeated until a total of four canisters have been selected from the drum.

(g) Each number, as it is obtained, shall be clearly recorded in a permanent manner in the order it is drawn from the drum, and disclosed on the appropriate draw show.

(h) All canisters remaining in the drum after the selections have been made shall then be removed and secured by the designated lottery security official.

(i) In the event that any of the canisters become unsealed inside the drum, the designated Kansas lottery security official shall unseal the drum, reseal the canister, replace it, and re-shake or re-rotate the drum before continuing the selection process. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710(b); effective T-111-4-13-89, April 7, 1989.)

Article 4.—INDIVIDUAL GAME RULES

111-4-66. Televised Draw Show. (a) The Kansas Lottery shall conduct a televised draw show commencing January 23, 1988, and continuing for a time to be determined by the executive director. The time and place of the draw show shall be determined by the executive director.

(b) In the event that televised broadcast of the draw show is impossible due to unforeseen difficulties, the show itself will be conducted at the time and location scheduled for the show if possible, or at a time and location determined by the executive director, but it will not be televised. (Authorized by and implementing K.S.A. 1987 Supp. 74-8710(a) as amended by L. 1988, Ch. 366, § 23;

(continued)

effective T-89-4, January 21, 1988; amended T-111-1-12-89, Jan. 11, 1989; amended T-111-4-13-89, April 7, 1989.)

111-4-67. Televised Draw Show Procedure. The following method shall be used to determine the draw show winner:

(a) An electronic game board with a ten (10) space grid path for each of the six (6) players shall be provided. At the top of the grid paths will be a space designated as the grand prize. The first player to reach the grand prize space wins the grand prize.

(b) Movement up and down the grid paths will be determined by each player taking turns spinning a wheel. The spaces on the wheel will be marked with a variety of positive and negative numbers as approved by the external auditor. The space on which the wheel stops determines the movement of the player on the grid path.

(c) The beginning point is the bottom space of the grid path of each player. For the first spin, each player shall spin the wheel in the order each was selected for spin sequence on the show. For subsequent spins, the player spinning first in the immediately preceding spin shall spin last and the person spinning second in the preceding spin shall spin first. This process shall continue until a player has reached the spot designated as the grand prize.

(d) All players must spin the wheel clockwise, and it must complete at least one full revolution to be considered a valid spin. Should the wheel not travel one full revolution, draw show personnel shall reset the wheel and the player will be entitled to spin again. Disputes in this area shall be resolved by the auditor.

(e) A player landing on a negative number shall move backwards down the grid path the number of spaces indicated on the wheel. If a player lands on a negative number on his or her first spin, that player shall remain at the beginning point. If a player lands on a negative number in subsequent rounds but has not progressed up the grid path, the player shall remain at the beginning point. Landing on a negative number shall never disqualify a player and negative spaces that a player cannot move are not carried over to his or her next spin.

(f) A player landing on a positive number shall advance up the grid path a corresponding number of space.

(g) The grand prize shall be awarded to the first player who moves 11 spaces up the grid path into the grand prize space. The exact number is not required to enter the grand prize space.

(h) Beginning April 15, 1989, the executive director shall offer to the grand prize winner the option of accepting a predetermined grand prize amount or choosing between two unknown Double Bonanza amounts, one of which shall be twice the predetermined grand prize amount, and one of which shall be a consolation prize less than the predetermined grand prize amount. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710(b); effective T-89-4, Jan. 21, 1988; amended T-111-4-13-89, April 7, 1989.)

111-4-71. Bonus Round Audience Player. In addition to other prizes awarded during the televised draw show, a prize will be awarded to the winner of the "Bonus Round Audience Player Drawing." During the televised draw show, the winner of the drawing will spin the wheel one final time. The bonus round audience player shall

win the prize reflected on the space on which the wheel stops. The prize will be \$1,000 or a non-monetary prize of similar or greater value. (Authorized by K.S.A. 1988 Supp. 74-8710; implementing K.S.A. 1988 Supp. 74-8710 and 74-8720; effective T-89-4, Jan. 21, 1988; amended T-89-25, May 24, 1988; amended T-111-4-73-89, April 7, 1989.)

KANSAS RACING COMMISSION

TEMPORARY ADMINISTRATIVE REGULATIONS

(Effective February 23, 1989)

The complete text of the following regulations has not been published because of its length and resulting cost of publication. Copies of the complete text of any of the following regulations may be obtained by contacting the Kansas Racing Commission, 128 N. Kansas Ave., Topeka 66603, (913) 296-5800.

Article 7.—RULES FOR RACING

1. 112-7-2. **Ownership.** This regulation outlines the identification requirements for a single owner, multiple owner or corporate owner to properly identify a horse in a program that is distributed daily to the wagering public and other attendees at a racetrack.

2. 112-7-3. **Deceased owners.** This regulation outlines the authority of the personal representatives or remaining multiple owners in the event of the death of a horse. This regulation allows the nomination of a horse to a stakes race, which is well in advance of the race, to continue in force and effect.

3. 112-7-4. **Documents.** This regulation makes certain that the itemized documents are complete, accurate, and that no racing secretary will release these documents to any but the individual charged with the care, custody, and control of the race horse at the racetrack.

4. 112-7-5. **Horses sold or transferred with engagements.** This regulation ensures that a horse sold with engagements, which is a horse obligated to participate in a specific race, will be entered and available to race if otherwise qualified. This regulation creates a penalty that will prompt a horse owner to start a horse that is newly purchased but previously obligated to run in a race. The regulation also prevents a disqualified owner from transferring a horse or engagement to an otherwise qualified individual for the purpose of avoiding a disqualification.

5. 112-7-6. **Registration and eligibility.** This regulation outlines the procedures that will properly identify a horse to be run in a race. The regulation prevents "ringers," which are improperly identified horses, from competing under the name of a faster or slower horse.

6. 112-7-7. **Entries.** This regulation outlines the procedure for entry of a horse in a race. In addition to identification requirements to prevent unfair racing practices, this regulation identifies track and KRC personnel authorized to receive entry information and the payment of entry money in the event of entrance of a horse associated with suspended or unlicensed persons. The regulation also places responsibility for the adjudication of disputes.

7. 112-7-8. **Coupled entries.** This regulation outlines the restrictions on entering horses as coupled entries, in which a wager may be placed on one horse as part of a coupled entry and the wager may win on the other horse, should it complete the race in the way the first horse was wagered on to finish. The regulation maintains the integrity of the race and increases the wagering interest for the general public.

(continued)

8. 112-7-9. **Loss of entries.** This regulation outlines the procedure of when an entrant alleges loss of an entry by the organization licensee in a stakes race. The stakes race occurs following payment or payments into an escrow account. The payments are used as part of the award paid to the winner of the race.

9. 112-7-10. **Closing of entries and drawing of post positions.** This regulation outlines the procedure for closing entries for a stakes race, which occurs at a designated time previous to the race. In addition, the regulation outlines the procedure when more horses are nominated for the race than the permitted number of starters.

10. 112-7-11. **Changing of races.** This regulation outlines the procedures for an organization licensee to withdraw or change a race at that licensee's racetrack.

11. 112-7-12. **Preference system.** This regulation maximizes the wagering interest and maximizes the number of races an owner and a trainer can run horses in by allowing horses excluded from previous races to run in later races.

12. 112-7-13. **Declarations and scratches.** This regulation outlines the procedures for withdrawing a horse from a race.

13. 112-7-14. **Penalties and allowances.** This regulation outlines the weight to be carried by a horse in a race due to the conditions of a race, which are set by the racing secretary, a track employee. The regulation increases the competition of the horse race and spreads the wagering interest more evenly by making allowances, which is decreasing the weight required to be carried, of weight for younger horses and allowances of weights for longer distances, and penalties, which is increasing the weight, for outstanding horses.

14. 112-7-15. **Claiming races.** This regulation outlines the requirements for claiming a horse in a claiming race, which is a form of sale that generally takes place after a prospective owner identifies exactly the horse to be claimed, deposits the amount of the bid on the horse with the "horsemen's bookkeeper," and the field has entered the racetrack for the race.

15. 112-7-16. **Invalid or void claims or prohibition on claims.** This regulation outlines the restrictions concerning claims on horses in claiming races. The regulation guarantees as smooth a transfer of title as possible through requirements including that the horse, claimant and designated price be exactly identified, that at least the amount of the claim and any applicable sales tax be deposited with the "horsemen's bookkeeper," that an incumbrance against the horse such as mortgages or liens be disclosed, and that the owner discloses if any filly or mare entered has been bred.

16. 112-7-17. **Claiming authorization.** This regulation outlines the terms on which a claiming authorization will be issued from the commission or its appointive representatives. The regulation ensures that a prospective claimant generally meets the requirements for the issuance of an owner's license, has made provision for care and training of the race horse, and has deposited or has been credited with the "horsemen's bookkeeper," at least the amount of the claim in the applicable taxes.

17. 112-7-18. **Jockeys.** This regulation outlines the requirements of a jockey engaged to ride in a horse race,

the restrictions against entry to the jockey room throughout a "card," or racing day, the requirement that each minimum jockey mount fee be on deposit with the "horsemen's bookkeeper," and the jockeys weighing-in and weighing-out requirements. This regulation protects the integrity of the jockey, the racing industry, and the wagering interest vote.

18. 112-7-19. **Jockey mount fees.** This regulation outlines the fees to be paid by an owner to a jockey, should the parties fail to execute a written agreement of the jockey's mount fee.

19. 112-7-20. **Safety helmets required.** This regulation is a protection for jockeys and others from skull injuries resulting or in the procedural of preparing for races.

20. 112-7-21. **Paddock to post.** This regulation outlines the precise procedures for conduct of a horse race from the paddock to the starting gate. The regulation allows the wager, general public, claimant and stewards to identify the horses by saddle cloth number and to inspect or observe each horse for physical appearance and behavior.

21. 112-7-22. **Post to finish.** This regulation outlines the precise procedures for the conduct of a horse race from the post, down the track and past the finish line. The regulation prevents "ringers," which are improperly identified horses, through proper and correct identification, define a "starter," in a race, identify prohibited conduct and define behavior for which stewards may "set down" a horse, which would be to remove it from a finishing position in which the horse actually finished because of a violation.

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, which will include a certificate that there is

(continued)

no litigation pending or threatened at the time of delivery of the bonds affecting their validity.

Approval of Bonds/Tax Exemption

The bonds will be sold subject to the unqualified approving opinion of Cosgrove, Webb & Oman, bond counsel, of Topeka, Kansas, a copy of whose opinion will be printed on the reverse side of each bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of the opinion of bond counsel and the expense of printing the bonds will be paid by the school district. Bond counsel's legal opinion will contain a statement to the effect that the bonds will constitute general obligations of the school district, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the school district.

The opinion will state that, assuming continuing compliance by the school district with the provisions contained in the bond resolution, the interest on the bonds is, under existing law: (a) excludable from gross income from federal income tax purposes, and (b) not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, provided that for the purpose of computing alternative minimum taxes imposed on corporations, bond interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989). The opinion set forth in clause (a) above is subject to the compliance by the district with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes; failure to comply with those requirements could cause the interest on the bonds to be included in federal gross income retroactive to the date of issuance of the bonds. The district has covenanted or will covenant to comply with all such requirements. The opinion will state that the bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excluded from the computation of Kansas adjusted gross income. No opinion concerning tax consequences other than stated above will be given.

Related Federal Tax Matters

Prospective bond purchasers are advised that: (a) except as stated above, Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or hold the bonds; (b) with respect to insurance companies subject to the tax imposed by Section 831 of the code, Section 832 of the code reduces the deduction for loss reserves by a percentage of the sum of certain items, which include interest on the bonds; (c) for taxable years beginning before January 1, 1992, interest on the bonds earned by some corporations might be subject to the environmental tax imposed by Section 59A of the code; (d) interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to the tax imposed by Section 884 of the code; (3) passive investment income, including interest on the bonds, may be subject to federal income

taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits if greater than 25 percent of the gross receipts of the Subchapter S corporation is passive investment income; and (f) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take receipts or accruals of interest on the bonds into account in determining gross income. Bondholders should consult their tax advisors with respect to the above.

The school district will *not* designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b) (3) of the code.

Redemption

At the option of the county, the bonds maturing on and after September 1, 1999, will be subject to redemption and payment prior to maturity on September 1, 1998, or on any interest payment date thereafter, in whole or in part in inverse order of maturity, at a redemption price of 100 percent of the par value thereof together with accrued interest to the redemption date, without any additional premium.

If the county shall elect to call any of the bonds for redemption and payment prior to the maturity thereof, the county shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the Kansas State Treasurer, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. If any of the bonds shall be called for redemption and payment as aforesaid, all interest on such bonds shall cease from and after the date for which such call is made, provided funds are available for the payment of such bonds at the price specified herein.

Whenever bonds of less than a single maturity are to be redeemed, the paying agent and bond registrar shall select bonds by lot in multiples of \$5,000 principal amount in such equitable manner as it shall designate and shall, in the case of bonds in denominations greater than \$5,000, treat each \$5,000 of face value of each bond as though it were a separate bond of the denomination of \$5,000.

(continued)

Interest Rates

Proposals will be received on the bonds bearing such rate or rates of interest, not exceeding eight different interest rates, as may be specified by the bidder. The repetition of a rate will not constitute one of said maximum number of rates. The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. The difference between the highest and lowest interest rates specified in any bid shall not exceed 2 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being 2 percent above the index of treasury bonds published by the weekly *Muni Week*, aka *Credit Markets*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, and no bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids shall be submitted on the official bid form furnished by the county and shall be addressed to the county at the office of the County Clerk, Room 107, Shawnee County Courthouse, Topeka, KS 66603, and shall be plainly marked "Bond Bid." All bids must state the total interest cost of the bid, the premium, if any, the net interest cost of the bid, and the average annual interest rate—all certified by the bidder to be correct—and the county will be entitled to rely on the certificate of correctness of the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid and shall be payable to the order of the Treasurer of Shawnee County, Kansas. In the event a bidder whose bid is accepted shall fail to carry out its contract of purchase, said deposit shall be forfeited to the county with the county reserving the right to pursue consequential damages. The checks of unsuccessful bidders will be returned promptly.

Legal Opinion

The bonds, duly printed, executed and registered, will be furnished and paid for by the county and sold subject to the approving opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose opinion will be paid for by the county.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the county which must be met subsequent to the issuance of the bonds by the county and, as a result, the county will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The county's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the county's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the cal-

ulation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The county does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Identification of Initial Owners

The number, denomination of bonds and names of the initial registered owners shall be submitted in writing by the successful bidder to the bond registrar not later than May 22, 1989.

Delivery

The purchaser will be furnished with a complete transcript of proceedings evidencing authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in immediately available funds. The county intends to deliver the bonds to the successful bidder approximately June 15, 1989, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the county. Delivery elsewhere will be made at the expense of the successful bidder.

Purpose

The bonds will constitute general obligations of the county, payable as to both principal and interest, in part, from the collection of special assessments that have been levied on benefited property, but if not so paid, then said principal and interest will be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable, tangible property within the territorial limits of the county. principal and interest on the bonds not payable from the collection of special assessments will also constitute general obligations of the county payable from ad valorem taxes levied without limitation as to rate or amount upon all the taxable, tangible property within the territorial limits of the county. The bonds are being issued by the county to permanently finance and retire certain temporary notes issued by the county to finance certain sanitary sewer system, street and courthouse improvement projects of the county.

Award

The sealed bids for the bonds shall be opened publicly and only at the time and place specified in this notice. The county reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the county, and the net interest cost will be determined by deducting any amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number or assign a number to any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds. All expenses incurred in connection with the printing of CUSIP numbers of the bonds and the expenses of the CUSIP Service Bureau for the assignment of said numbers shall be paid for by the county.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the county (including motor vehicle valuation and motor vehicle dealers' inventory valuation) as of August 25, 1988, is \$682,701,269. The total general obligation bonded indebtedness of the county at the date hereof, including this proposed issue of bonds, is \$54,690,608. The county has temporary notes outstanding in the total amount of \$2,095,290, of which \$825,015 will be redeemed and paid from the proceeds of this proposed issue of bonds and from other unencumbered funds legally available to the county.

Additional copies of this notice of bond sale or further information may be received from the county.

While registered bondholders have the option of presenting bonds to the Kansas paying agent, there will be a delay in the issuance of bonds for any unredeemed portion unless such presentation is made to the principal paying agent in Chicago, Illinois. Accordingly, the registered bonds that have been called in part should be presented to the paying agent in Chicago at the address given above.

Where a fully registered bond is redeemed in part, a new fully registered bond for the unredeemed portion will be issued and returned without charge. Interest on the bonds or portion of the bonds called for redemption will cease to accrue on June 1, 1989.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payment of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the above described securities who wish to avoid the imposition of the tax should submit certified tax identification numbers when presenting their securities for collection.
