**NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

A public hearing will be conducted from 9-9:30 a.m. Monday, November 20, at the Office of the Securities Commissioner of Kansas, 618 S. Kansas Ave., second floor, Topeka, to consider the amendment of permanent regulations of the commissioner.

All interested parties may submit written comments prior to the hearing to the commissioner at the address above. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to adoption of the proposed amendment and revocations. Following the hearing, all written and oral comments submitted by interested parties will be considered by the commissioner as a basis for making any changes to the proposed amendment.

The following is a brief summary of the purpose of the proposed amendment to the regulation and the anticipated fiscal impact:

K.A.R. 81-3-2. Broker-dealer, investment adviser and agents; fees. The amendments to this regulation are intended to finance new positions authorized by 1989 House Bill No. 2030 as a part of the fiscal year 1990 budget for the Securities Commissioner. The fee rate increases will finance compliance audits, investigations and enforcement actions in relation to broker-dealers, agents, and investment advisers. The increased fees are not expected to directly affect the general public who are customers because registration fees represent an extremely small portion of securities transaction costs.

K.A.R. 81-5-6. Uniform limited offering exemption. The availability of the exemption is conditioned on compliance with Federal Regulation D adopted under the 1933 Securities Act. The proposed amendment updates the reference to the federal regulation to incorporate recent amendments, which provide a substantial good faith compliance defense for an insignificant failure to comply with literal terms of the exemption. The amendment also involves minor changes in grammar and syntax, which do not substantively change the regulation. There is no determinable fiscal impact of this amendment on this agency, businesses regulated by this agency, or the general public.

Copies of the full text of the proposed amendments and regulations and the fiscal impact statement may be obtained by writing to the Office of the Securities Commissioner at the address above.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Secretary of Social and Rehabilitation Services, Room 603-N, Docking State Office Building, 915 Harrison, Topeka 66612. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

This regulation is proposed for adoption on a permanent basis and is scheduled to become effective February 1, 1990. A summary of proposed regulation and its economic impact follows.

The phrase "Federal Mandate" indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

**Article 6.—MEDICAL ASSISTANCE PROGRAM—
CLIENTS' ELIGIBILITY FOR PARTICIPATION**

1. 30-6-73. Deprivation in ADC. This regulation is being amended to delete the provision that allows for the continuation of ADC for a period not to exceed six months if the extension is needed for a satisfactory reconstruction of normal family life. Current federal regulations do not permit such extended medical benefits for up to six months. (Federal Mandate.)

Economic Impact: Estimated cost savings of \$61,542 (\$27,694 state general funds).

Copies of this regulation and the economic impact statement may be obtained from the Office of Policy, Room 606-N, Docking State Office Building, Topeka 66612, (913) 296-3969 (KANS-A-N 561-3969).

Opinion No. 89-121

Public Health Service—Population Research and Voluntary Family Planning Programs—Prohibition Against Funding Programs Using Abortion as Family Planning Method; Provision Does Not Prohibit Funding Entirely. Representative Wanda Fuller, State Representative, 87th District, Wichita, September 27, 1989.

The Kansas Department of Health and Environment (KDHE), as agent of the Department of Health and Human Services (DHHS), and the entities with whom KDHE contracts, as subagents of DHHS, are subject to the final decree issued by the United States District Court for the District of Massachusetts in *Commonwealth of Massachusetts v. Bowen*, 679 F.Supp. 137 (D. Mass. 1988), enjoining the enforcement and application of the regulations published at 52 Fed. Reg. 2944-2946 (February 2, 1988), including without limitation those regulations appearing at 42 C.F.R. §§59.7, 59.8, 59.9 and 59.10, and the related definitions appearing at §59.2. A partial effect of these regulations, which expanded the definition of "federal funds" to include matching funds and income from fee paying clients, would have been to prohibit health clinics from obtaining membership in or supporting organizations whose lobbying activities advocated abortion and to deny federal grant funds to health clinics that provided abortion counseling or referrals, even though the activities were supported through nonfederal funds. Cities and Municipalities—Retirement Systems; Group Health Care Benefits for Retirees—Group Health Care Benefits Plan. Ward Loyd, Attorney for Unified School District 371, Garden City, October 6, 1989.

The intent of K.S.A. 1988 Supp. 12-5040 is to expand the eligibility of retirees to continue coverage under an employer-sponsored health care benefits plan beyond the 18-month continuation period mandated by the Consolidated Omnibus Budget Recommendation Act. A retiree remains eligible for coverage under this provision until: (1) the retiree reaches age 65, (2) the retiree fails to make required premium payments on a timely basis, or

(3) the retiree becomes eligible for coverage under the plan of another employer. Cited herein: K.S.A. 1988 Supp. 12-5040. RDS

K.S.A. 8-237 allows persons possessing restricted drivers' licenses to drive over the most direct and accessible route from their residence to their school of enrollment and back for the purpose of school attendance. Constitution of the State of Kansas—Corporations—Cities' Powers of Home Rule. Senator B. D. Kanan, 5th District, Kansas City, October 6, 1989.

Kansas City, Kansas' Charter Ordinance No. 104 provides for an election prior to the sale of the municipal waterworks or electric-light system owned and operated by the Kansas City Board of Public Utilities (BPU) and the city of Kansas City. The ordinance further provides that the city, upon recommendation from the BPU, may sell portions of the waterworks or electric-light system without an election if the portions recommended for sale are deemed obsolete and the BPU continues to provide water and electric services to the citizens of Kansas City, Kansas. We believe the city has the authority to adopt this ordinance pursuant to its home rule powers. Cited herein: K.S.A. 12-101; 13-1223; 15-809; Kan. Const., Art. 12, §5. JLM

**DEPARTMENT OF HEALTH
AND ENVIRONMENT****NOTICE OF HEARING
ON PROPOSED
ADMINISTRATIVE REGULATIONS**

The Kansas Department of Health and Environment will conduct a public hearing at 1 p.m. Monday, November 20, in Conference Room A, Building 740, Forbes Field, Topeka. The adoption of amended regulations 28-31-1 through 28-31-6, 28-31-8, 28-31-8a, 28-31-9 and 28-31-14 and new regulation 28-31-8b will be considered.

The proposed amendments to the cited hazardous waste management regulations are intended to accomplish the following:

1. Adopt by reference federal hazardous waste regulations contained in 40 CFR Parts 124, 260-266, 268 or 270 that are in effect on July 1, 1989.
2. Clarify existing wording of the regulations.
3. Require small quantity generators that accumulate 25 kilograms or more of hazardous waste to either recycle, treat or dispose of the waste in a hazardous waste management facility.
4. Require groundwater samples analyzed in accordance with 40 CFR 264 and 265 Subpart F to be conducted by a laboratory that is certified for such analyses by KDHE.
5. Lower the heat value from 8,000 to 6,000 BTU/pound for determining whether an energy recovery system shall be considered hazardous waste treatment.

The proposed amendments are primarily designed to maintain KDHE authorization from the U.S. Environmental Protection Agency to carry out the federal hazardous waste management program in lieu of EPA. It is mandated by federal law that KDHE periodically update regulations to remain an authorized state.

The amendments proposed by KDHE have an unidentifiable, if not minimal, economic impact upon other governmental agencies and commercial facilities that generate hazardous waste. These regulations do not apply to the general public. The economic impact of the federal regulations that are adopted by reference are summarized in the *Federal Register* as each regulation is promulgated.

KDHE did not consider any less costly methods for achieving the stated purpose of these amendments.

Copies of the proposed amended and new regulations and a complete economic impact statement pertaining to them may be obtained by contacting John Paul Goetz, Kansas Department of Health and Environment, Building 730, Forbes Field, Topeka 66620, (913) 296-1607.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed amended rules and regulations. All interested parties may submit such comments prior to the hearing by mailing them to the address above. All interested parties also will be given a reasonable opportunity at the hearing to present their views orally or in writing concerning the adoption of the proposed amended and new regulations.

Following the hearing, all written and oral comments submitted by interested parties will be considered as the basis for making changes in these proposals.

**DEPARTMENT OF HEALTH
AND ENVIRONMENT****NOTICE CONCERNING VARIANCE REQUEST
FROM HAZARDOUS WASTE REGULATIONS**

The Kansas Department of Health and Environment (KDHE), Forbes Field, Topeka, is providing public notice that on July 21, 1989, Hackney & Sons Midwest, Inc., located at West Laurel Street and Hackney Avenue in Independence, submitted a request for a variance from specific hazardous waste regulations. The request for a variance was submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-4 and 40 CFR 265-176, which requires the storage of containers holding ignitable hazardous waste must be located at least 15 meters (50 feet) from the facility's property line.

Hackney & Sons Midwest, Inc. generates ignitable hazardous waste. The hazardous waste is stored prior to being shipped off-site for reclamation. Hackney & Sons Midwest, Inc. proposes to store this waste in a concrete pit that has a chain link fence surrounding the property. KDHE has reviewed the variance request and concluded that the variance is justified.

In accordance with K.A.R. 28-31-13(b), public notice was provided that KDHE considered the request for a variance justified and made a tentative decision to grant the variance. A public comment period to receive comments regarding this tentative decision was established between August 31, 1989, to September 30, 1989. No public comments were received.

Therefore, in accordance with K.A.R. 28-31-13(b), KDHE is announcing its decision to approve this request for a variance and not to include any special conditions. The variance shall become effective on October 19, 1989, and shall remain in effect until October 19, 1992.

THE KANSAS LOTTERY

TEMPORARY ADMINISTRATIVE REGULATIONS

Article 4.—INDIVIDUAL GAME RULES

RULES FOR INSTANT GAME NO. 15 "LUCKY NUMBERS"

111-4-185. Name of Game. The Kansas Lottery shall conduct an instant winner lottery game entitled "Lucky Numbers" commencing on October 12, 1989. The specific rules for the "Lucky Numbers" are contained in K.A.R. 111-3-1 et seq. and 111-4-185 through 111-4-188. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective T-111-10-9-89, Sept. 29, 1989.)

111-4-186. Definitions. The following definitions shall apply to the "Lucky Numbers" instant lottery game:

(a) "Play symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determine if the ticket bearer is entitled to a prize. In this instant game, the play symbols are printed in black ink in 18 pt. Ealing. A play symbol appears in each of three play spots within each game in the play area. There are two separate games entitled "Game One" and "Game Two" in the play area. Each play symbol for this instant game is one of the following: 1 - 2 - 3 - 4 - 5 - 6 - 8 - 9.

(b) "Play symbol captions" are the words or portions of words printed beneath each play symbol in the play area and are used to repeat or explain the play symbol. The play symbol caption associated with each play symbol is as follows:

Play Symbol	Play Symbol Caption
1	ONE
2	TWO
3	THR
4	FOR
5	FIV
6	SIX
8	EGT
9	NIN

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is a 10-digit number which appears under the "Void If Removed" spot on the bottom right center portion of the front of each instant ticket.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the bottom right portion of the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each

instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a two letter code printed and appearing in two of five varying locations among the play symbols. The codes and their meanings are as follows: AA = FREE TICKET; EE = \$3.00; MM = \$7.00; HH = \$11.00; SS = \$21. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective T-111-10-9-89, Sept. 29, 1989.)

111-4-187. Determination of Instant Prize Winners. An instant prize winner is determined for this instant game when the player removes or "scratches off" the removable layer of material covering the play area to reveal the six play symbols and captions. There are two (2) separate add-up games on each ticket. For each of the games, three (3) numbers will be imaged on the face of the ticket and covered with scratch-off material. If the three (3) numbers add up exactly to seven ("7"), eleven ("11"), or twenty-one ("21"), the player wins the prize amount in the prize box. No ticket will be eligible to win more than one prize. Prizes a player may win are as follows:

Prize	Prize Caption
FREE TICKET	FREE TICKET
\$3.00	THREE
\$7.00	SEVEN
\$11.00	ELEVEN
\$21.00	TWN-ONE

2002	1,000,000
2003	1,000,000

The bonds will bear interest at rates to be determined

when the bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning on February 1, 1990.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on August 1, 1996, and thereafter will be subject to redemption and payment prior to maturity on August 1, 1995, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the redemption price equal to the principal amount thereof without premium, plus accrued interest thereon to the date fixed for redemption and payment.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such

rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed a rate equal to the index of treasury bonds published by the weekly *Credit Markets* in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a percentage of the principal amount thereof, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices). All bonds maturing on or after August 1, 1996, must be reoffered at 100 percent of the principal amount thereof.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the city. The bonds will be general obligations of the city, payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city that must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure

to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does not intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond-counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or prior to November 14, 1989, at such bank or trust company in the

(continued)

contiguous United States of America as may be specified by the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in the Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 1 p.m. C.S.T. on November 6, 1989. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 1 p.m. C.S.T. on November 6, 1989, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, which initial reoffering prices must reflect that all bonds maturing on or after August 1, 1996, are being reoffered at a price equal to 100 percent of the principal amount thereof, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$226,000, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city with the city reserving the right to pursue any remedies available to it as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof

to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Ratings

The outstanding general obligation bonds of the city are rated "Aa1" by Moody's Investor Service, Inc., and the city has applied for rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at City Hall and must be received by the undersigned prior to 11 a.m. C.S.T. on Tuesday, October 31, 1989.

Official Statement

Upon the sale of the bonds, the city will adopt an official statement in substantially the form as the preliminary official statement, subject to minor amendments and supplementation. Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, MG McMahon & Co., 4310 Madison, Suite 200, Kansas City, MO 64111, (816) 531-1777. Upon request, a reasonable number of copies of the official statement will be made available to the successful bidder without charge. Additional copies may be obtained at the expense of such bidder.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1989 is \$668,673,990. The total general obligation bonded indebtedness of the city, following the concurrent issuance of the bonds and the city's temporary notes, Series 1989-B dated November 1, 1989, in the aggregate principal amount of \$10,600,000, is \$100,360,000. There will be retired out of the proceeds of the bonds herein offered for sale temporary notes in the aggregate principal amount of \$5,635,000. A description of the city's temporary notes, Series 1989-B, is set forth within the city's official statement relating to said notes, copies of which may be obtained from the city clerk or the financial advisor. In accordance with the financial advisor's agreement with the city, the financial advisor will not be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.
