Opinion No. 89-147

Automobiles and Other Vehicles—Uniform Act Regulating Traffic; Parties, Arrests, Citations, Procedures and Penalties; Penalties—Prosecution of Juvenile Traffic Offenders.

Minors—Kansas Juvenile Offenders Code—Definitions. Otis Morrow, Arkansas City City Attorney, Arkansas City, December 18, 1989.

Based on the 1986 amendment to K.S.A. 8-2117, the Court of Appeals opinion in *In re Hockenbury* and section 3.06 of the Kansas Municipal Court Manual, it is our opinion that a municipal court has the authority to hear prosecutions of persons 16 and 17 years of age for violations of municipal ordinances prohibiting the acts prohibited by K.S.A. 1988 Supp. 8-1567. Attorney General Opinion No. 77-228, due to changes in the applicable statutes, is hereby withdrawn. Cited herein: K.S.A. 1988 Supp. 8-1567; 8-2117; 38-1602; K.S.A. 38-802, 38-815, repealed L. 1982, ch. 182, § 150; L. 1978, ch. 158. JLM

Opinion No. 89-148

Taxation—Property Exempt from Taxation—Property Exempt from Taxation; Merchants' and Manufacturers' Inventory. Representative Debara K. Schauf, 81st District, Mulvane, December 18, 1989.

Because the Kansas Constitution does not define the term "merchants' and manufacturers' inventory" for purposes of the property tax exemption in article 11, section 1, it is appropriate to rely on common understanding of the terms at the time the constitutional provision was adopted and the statutory definitions contained in K.S.A. 1988 Supp. 79-201m. The scope of these definitions does not include real estate, such as houses constructed on-site for later sale. Therefore, such property is not eligible for the merchants' and manufacturers' inventory exemp-

tion from property tax under article 11, section 1. Cited herein: K.S.A. 79-102; K.S.A. 1988 Supp. 79-201m, as amended by L. 1989, ch. 289, § 1; Kan. Const., Art. 11, § 1. JLM

Opinion No. 89-149

State Departments; Public Officers and Employees—Public Officers and Employees; Open Public Meetings—Chamber of Commerce. David Markham, Labette County Counselor, Parsons, December 18, 1989.

The Parsons Chamber of Commerce, Inc. is not subject to the provisions of the Kansas Open Meetings Act in administering the county motel bed tax funds. While the Chamber expends public funds, it is not a legislative or administrative agency of the state or its political and taxing subdivisions. Cited herein: K.S.A. 75-4317; K.S.A. 1988 Supp. 75-4318. RLN

Opinion No. 89-150

Constitution of the State of Kansas—Finance and Taxation—Classification; Excise Tax on Inventories. Representative James D. Braden, 64th District, Clay Center; Representative Clyde D. Graeber, 41st District, Leavenworth, December 27, 1989.

An excise tax imposed on merchants, manufacturers, livestock producers and feedlot operators for the privilege of doing business in the state is not a tax on the property of these persons and thus is not violative of article 11, section 1(b)(2), which exempts merchants' and manufacturers' inventories and livestock from property taxation. Cited herein: K.S.A. 79-1001b; 79-1005 (repealed L. 1988, ch. 375, § 9); K.S.A. 79-3612; 79-3617; 1989 House Bill No. 2003, as amended by the House Committee of the Whole; Kan. Const., Art. 11, § 1. Notice Concerning Proposed Permit Action

The Secretary of the Kansas Department of Health and Environment is proposing to issue a permit to Tescott Woodcrafters in accordance with K.A.R. 28-19-14 (permits required) for the construction and operation of a wood-working shop in Tescott.

Tescott Woodcrafters has reported to the Bureau of Air and Waste Management a wide-belt sander, a jointer, shapers, a radial arm saw and a cyclone-type dust collector to which this equipment is vented. This woodworking shop must demonstrate, while operating this equipment at a production rate at which it expects to run, that it can meet applicable dust-control regulations in order for this permit to be valid.

Written materials, including the application and information related to the application submitted by Tescott Woodcrafters, the draft permit, permit summary and the analysis by the BAWM describing the basis for the proposed permit, are available for public inspection during normal business hours through February 12 by contacting Peter Denning, BAWM Regional Office, 2501 Market Place, Salina 67401. The materials also can be reviewed at the BAWM offices in Building 740, Forbes Field, Topeka 66620. Questions concerning the proposed permit should be directed to L.C. Hinthner, (913) 296-1576.

K.S.A. 65-3008 provides that any person affected by the issuance of a permit can request a public hearing prior to issuance of the permit. The request must be in writing and addressed to the secretary. If the secretary determines there is sufficient reason in the request, a public hearing will be conducted. If a public hearing is to be conducted, the place, date, and time of the hearing will be announced in this publication. A request for a hearing or written comments on the proposed permit must be submitted to the Secretary, Kansas Department of Health and Environment, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, before February 12.

on Proposed
Administrative Regulations**

The Kansas State Board of Nursing will conduct a public hearing at 1 p.m. Thursday, February 15, in Room 202 of the Frank M. Carlson Building, 444 S.E. Quincy, Topeka, on K.A.R. 60-11-104a, concerning protocol requirements, transmitting prescription orders in writing.

The permanent regulation is related to the advanced practice of nursing, defining the format prescription orders must be in when transmitted by the advanced registered nurse practitioner from protocols developed in conjunction with the responsible physician.

The individuals benefiting from this change in the regulation are advanced nurse practitioners, physicians and pharmacists. Although this change in regulation clarifies present practice, there should be no economic impact on any of these health professionals. There is no change in economics on the Kansas State Board of Nursing.

Public comments regarding the regulations may be given at the hearing or written comments may be submitted to the Board of Nursing. Complete copies of these permanent regulations are available upon request from the Kansas State Board of Nursing, Suite 551-S, Landon State Office Building, 900 S.W. Jackson, Topeka 66612-1256.

(Authorized by K.S.A. 1988 Supp. 74-8710; implementing K.S.A. 1988 Supp. 74-8708; effective T-111-12-15-89, Dec. 8, 1989.)

Article 3.—INSTANT GAME RULES

111-3-14a. (Authorized by K.S.A. 1988 Supp. 74-8710(c); implementing K.S.A. 1988 Supp. 74-8710(c) and 74-8720(c); effective T-111-4-13-89, April 7, 1989; amended T-111-6-30-89, June 30, 1989; revoked T-111-12-15-89, Dec. 8, 1989.)

111-3-22. Weekly Selection of Participants. The following process shall be used for the selection of participants in the weekly "Grand Prize Draw" and other draws:

(a) Kansas Lottery mail room personnel shall pick up all mail trays containing "Grand Prize Draw" envelopes at the Topeka United States Post Office on a daily basis.

(b) The mail room and security personnel shall transport the mail trays to a secure area where they will be held until the time designated by the executive director for the selection of participants in the "Grand Prize Draw" and other draws.

(c) The selection process shall be held weekly. All draws shall be held in a place accessible to the public and be open for public attendance and with lottery security personnel present. All draws shall be video taped.

(d) An individual designated by the executive director shall pick at random two (2) sealed envelopes from each tray using the bare-arm technique. Should the designated individual draw an envelope with tickets belonging to that designated individual, the envelope shall be disqualified.

(e) The designated individual shall place the envelopes in a drum.

(f) Once the individual has selected two (2) envelopes from each tray, the drum shall be sealed and the contents mixed by shaking or rotating.

(g) The designated individual shall then unseal the drum, and using the bare-arm technique, remove one (1) "Grand Prize Draw" envelope from the drum.

(h) The designated Kansas Lottery security official shall unseal the "Grand Prize Draw" envelope removed from the drum and review the tickets inside to determine if they are eligible for the "Grand Prize Draw" and other draws in accordance with this regulation.

(i) If the tickets contained in the envelope are determined to be ineligible, the envelope removed shall be discarded, the drum resealed, and another envelope re-

moved. This procedure will be repeated until all valid selections are obtained from the drum.

(j) Each valid entry, as it is obtained, shall be clearly marked in a permanent manner with a number. The number one (1) shall be placed on the first valid entry, the number two on the second valid entry, and so on until all valid entries are marked.

(k) As long as there is a "Grand Prize Draw" the first entry drawn shall be entered into the "Grand Prize Draw." The next six entries drawn shall be entered into the televised draw show unless direct entries pursuant to individual game rules have been validated and received by the Kansas lottery headquarters by 5:00 p.m. Wednesday, July 12, 1989, the day preceding the July 13, 1989, final weekly selection of participants, in which case a minimum of four entries will be drawn and entered onto the televised draw show. Direct entrants shall be scheduled on the soonest available remaining draw show in the order that direct entry claim forms are received by the Kansas lottery headquarters. The final televised draw show will be broadcast on Saturday, July 22, 1989. Thereafter, the next six entries drawn shall be partners for televised draw show participants. The identities of the last six participants drawn will be disclosed on the appropriate draw show. This procedure will remain in effect through July 13, 1989. Starting July 18, 1989, only one valid entry will be selected during the weekly "Grand Prize Draw." The individual whose envelope is selected shall receive one thousand dollars (\$1,000) upon receipt of the necessary claim form by the Lottery. The individual will also be entered in the "1989 Year-end Grand Prize Drawing" which shall be held on Thursday, December 14, 1989, at Lottery headquarters. The winner, drawn from entries into the "1989 Year-end Grand Prize Drawing," will receive five thousand dollars (\$5,000).

(l) All "Grand Prize Draw" envelopes remaining in the drum and the mail trays after valid entries have been selected shall be destroyed.

(m) The valid entry envelopes shall be certified and secured in accordance with K.A.R. 111-3-21.

(n) Participants in the draw show need not claim prizes awarded on the draw show within the 180-day period during which their winning tickets are valid. **RULES FOR INSTANT GAME NO. 18
"MONEY TREE"**

111-4-196. Name of Game. The Kansas Lottery shall conduct an instant winner lottery game entitled "Money Tree" commencing on January 11, 1990. The specific rules for the "Money Tree" are contained in K.A.R. 111-3-1 *et seq.* and 111-4-196 through 111-4-199. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective T-111-12-15-89, Dec. 8, 1989.)

111-4-197. Definitions. The following definitions shall apply to the "Money Tree" instant lottery game:

(a) "Play symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determine if the ticket bearer is entitled

to a prize. In this instant game, the play symbols are printed in black ink in 10 pt. Archer. A play symbol appears in each of four play spots within each game in the play area. Each play symbol for this instant game is one of the following: 1 - 2 - 4 - 5 - 6 - 7 - 8 - 9.

(b) "Play symbol captions" are the words or portions of words printed beneath each play symbol in the play area and are used to repeat or explain the play symbol. The play symbol caption associated with each play symbol is as follows:

Play Symbol	Play Symbol Caption
1	ONE
2	TWO
4	FOR
5	FIV
6	SIX
7	SVN
8	EGT
9	NIN

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is a 10-digit number which appears under the "Void If Removed" spot on the bottom right center portion of the front of each instant ticket.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the bottom right portion of the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a two letter code printed and appearing in two of six varying locations among the play symbols. The codes and their meanings are as follows: CC = \$1.00; EE = \$3.00; KK = \$5.00; JJ = \$10.00; NN = \$20.00. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective T-111-12-15-89, Dec. 8, 1989.)

111-4-198. Determination of Instant Prize Winners.

An instant prize winner is determined for this instant game when the player removes or "scratches off" the removable layer of material covering the play area to reveal the five play symbols and captions. This is a key number match game. Each ticket has five (5) numbers, one (1) marked "Your Number" and four (4) other numbers. The player wins when his/her "Your Number" matches any one (1) of the other four (4) numbers. The dollar amount in the prize box determines the player's prize for any winning ticket. No ticket will be eligible to win more than one prize. Prizes a player may win are as follows:

\$ 1.00	ONE
3.00	THREE

5.00	FIVE
10.00	TEN
20.00	TWNTY
50.00	FIFTY
\$5,000.00	FIV-THOU

(Authorized by K.S.A. 1988 Supp. 74-8710(b), (c) & (i); implementing K.S.A. 1988 Supp. 74-8710(b), (c) & (i) and 74-8720 (b) & (d); effective T-111-12-15-89, Dec. 8, 1989.)

111-4-199. Number and Value of Instant Prizes. (a) There will be approximately 5,100,000 tickets ordered for this instant game. The expected number and value of the instant prizes are as follows:

5,000.00	10	50,000
	<u>822,560</u>	<u>\$2,302,500</u>

(b) The executive director may terminate the sale of tickets prior to the complete sale of all tickets. In this event, the number and value of prizes will be approximately proportional to the number of tickets actually sold.

(c) All prizes are subject to deductions provided by law. (Authorized by K.S.A. 1988 Supp. 74-8710(b), (c) & (f); implementing 74-8710(b), (c) & (f); and 74-8720; effective T-111-12-15-89, Dec. 8, 1989.)

The specific rules for "Super 7's" instant game are contained in K.A.R. 111-3-1 *et seq.* and 111-4-200 through 111-4-203. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective T-111-12-15-89, Dec. 8, 1989.)

111-4-201. Definitions (Instant Tickets). The following definitions shall apply to the "Super 7's" instant lottery game:

(a) "Play Symbols" are the numbers, letters, symbols or pictures printed in the play area of each instant game ticket which determine if the ticket bearer is entitled to a prize. (b) "Play symbol captions" are the words, portions of words, letters or numbers printed beneath each play symbol in the play area and are used to repeat or explain the play symbol. The play symbol caption associated with each play symbol is as follows:

Play Symbol	Play Symbol Caption
Bar	BAR
Gold	GOLD
7	SEVN
BELL	BELL
STAR	STAR
PLUM	PLUM
CHERRIES	CHER

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is a 10-digit number which appears on the front of each instant ticket and will be covered by latex.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the bottom right portion of the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a two letter code printed and appearing in two of six varying locations among the play symbols. The codes and their meanings are as follows: CC = \$1.00; EE = \$3.00; JJ = \$4.00; HH = \$6.00; MM = \$7.00; PP = \$9.00; SS = \$21.00. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective T-111-12-15-89, Dec. 8, 1989.)

111-4-202. Determination of Instant Prize Winners. An instant prize winner is determined for this instant game when the player removes or "scratches off" the removable layer of material covering the play area to reveal the six play symbols and captions. Prizes a player may win are as follows:

3 - Plums	\$ 3
3 - Stars	\$ 6
3 - Bells	\$ 9
3 - Gold	\$21

3 - 7's	\$2,100

Each ticket will feature a play style of three (3) symbols in a row. Each ticket will contain three (3) games identified as Game 1, Game 2 and Game 3. If a player matches 3 like symbols in any horizontal row, the player wins the prize associated with that symbol. Symbols in one "game" relate to that "game" only and not to either of the other two "games." A player can win more than once on a single ticket but not more than twice. (Authorized by K.S.A. 1988 Supp. 74-8710(b) & (c); implementing K.S.A. 1988 Supp. 74-8710(b) & (c) and 74-8720; effective T-111-12-15-89, Dec. 8, 1989.)

Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar

(continued)

price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various improvements to the water and sewage system of the city. The bonds are payable solely from and secured as to the payment of principal and interest by a pledge of the revenues derived by the city from the operation of the water and sewage system, including revenues derived from extensions and improvements to the water and sewage system hereafter constructed or acquired by the city. The bonds do not constitute a general obligation of the city, nor do they constitute an indebtedness of the city within the meaning of any constitutional, statutory or charter provisions, limitations or restrictions.

The lien on water and sewage system revenues that secures the bonds is subordinate to the payment of the reasonable costs of operation and maintenance of the water and sewage system and to the lien securing the Series "A" 1970 and Series "B" 1972 bonds (the prior lien bonds) of the city. Pursuant to an escrow agreement dated as of November 1, 1984, the city has deposited with Security Bank of Kansas City, Kansas City, Kansas, direct obligations of the United States of America sufficient to pay the principal of and interest on the prior lien bonds. If at any time the payments from these escrowed securities are insufficient to pay the principal of and interest on the prior lien bonds, such insufficiency will be payable from the net operating revenues of the water and sewage system.

The bonds are being issued on a parity with the Water and Sewer Revenue Bonds, Series 1989-A (the 1989 bonds), issued in the original principal amount of \$1,095,000, of which \$1,095,000 remains outstanding.

In the ordinance authorizing the issuance of the bonds the city covenants to fix, establish, maintain and collect such rates, fees and charges for the use and services furnished by or through the water and sewage system, including all extensions and improvements thereto hereafter constructed or acquired by the city, as will produce revenues sufficient to enable the city to have in each fiscal year net operating revenues from the water and sewage system in an amount that will be not less than 125 percent of maximum annual debt service on all water and sewage system revenue bonds of the city at the time outstanding.

In addition, all revenue bonds of the system will be

secured by a bond reserve account to be fully funded in the amount of \$129,500 from bond proceeds.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirement on the city that must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost or purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming con-

tinued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or prior to February 14, 1990, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.S.T. on January 31, 1990. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. C.S.T. on January 31, 1990, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices; and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$25,900, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check will be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the

bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city with the city reserving the right to pursue any consequential damages arising from such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms that may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of Water and Sewage System Revenue Bonds." Bids may be submitted by mail or delivered in person to the undersigned at City Hall and must be received by the undersigned prior to 5 p.m. C.S.T. on Tuesday, January 23, 1990.

Official Statement

Upon the sale of the bonds, the city will adopt an official statement in substantially the form as the preliminary official statement, subject to minor amendments and supplementation. Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, George K. The bonds will bear interest at rates to be determined

when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1991.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date (the record dates).

The district will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the district, bonds maturing on October 1, 2000, and thereafter will be subject to redemption and payment prior to maturity on October 1, 1999, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the district is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the district shall elect to call any bond for redemption and payment prior to the maturity thereof, the district shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders,

subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly *Muniweek, f/k/a Credit Markets*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the district during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the district on the basis of such bid. Each bid shall also specify the average annual net interest rate to the district on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the district, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the district. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the district shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued pursuant to K.S.A. 72-6761, as amended, to permanently finance part of the cost of constructing, furnishing and equipping certain buildings to be used for school purposes and to finance other various improvements to certain buildings used for school purposes. The bonds will be general obligations of the district payable as to both principal and interest from ad valorem taxes that may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the district.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the district that must be met subsequent to the issuance of the bonds by the district and, as a result, the district will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The district's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the district's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations,

(continued)

such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The district does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the district, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the district with the provisions of the resolution authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from federal income taxation. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The district will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or prior to February 8, 1990, at such bank or trust company in the state of Kansas or greater metropolitan area of Kansas City, Missouri. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual

closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the district. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the district and bond registrar not later than 3 p.m. C.S.T. on January 26, 1990. In the absence of such information, the district will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the district by 3 p.m. C.S.T. on January 26, 1990, a certificate acceptable to the district's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$90,000, payable to the order of the district to secure the district from any loss resulting from the failure of the bidder to comply with the terms of its bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if its bid is not accepted. If a bid is accepted, said check shall be held by the district until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the district. If a bid is accepted but the district shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the district with the district reserving the right to pursue any remedies available as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the district.

Bond Ratings

The outstanding general obligation bonds of the district are rated "AA" by Moody's Investor Service and "AA" by

Standard and Poor's Corporation, and the district has applied for rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms that may be procured from the office of the Associate Superintendent for Business. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The district reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned Associate Superintendent for Business and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the administrative offices and must be received by the undersigned prior to 11 a.m. C.S.T., on Monday, January 22, 1990.

Official Statement

Upon the sale of the bonds, the district will adopt an official statement in substantially the form as the preliminary official statement, subject to minor amendments and supplementation. Copies of the district's preliminary official statement relating to the bonds may be obtained

Upon request, a reasonable number of copies of the official statement will be made available to the successful bidder without charge. Additional copies may be obtained at the expense of such bidder.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the district for the year 1989 is \$1,722,471,381. The total general obligation bonded indebtedness of the district as of the date of the bonds, including the bonds, is \$24,500,000.
