Schools—Organization, Powers and Finances of Boards of Education—Superintendent of Schools; Additional Compensation After Resignation. Robert L. Bates, Attorney for U.S.D. No. 428, Great Bend, April 13, 1990.

Additional compensation conferred upon a superintendent of schools after the superintendent's resignation has been accepted by the local board of education constitutes a gift if the payment is made gratuitously and without additional consideration. Because local boards of education do not have the authority to permit the payment of school funds as gifts or gratuities, such a payment is unlawful. State Departments; Public Officers and Employees—Public Officers and Employees—Open Meetings; Work Sessions; Minutes. Representative Don M. Rezac, 61st District, Onaga, April 13, 1990.

K.S.A. 75-4317 *et seq.* requires Kansas cities to record specific information when an open meeting is recessed into an executive session. Minutes setting forth other matters discussed at a meeting are not dictated or required by the Kansas open meetings act. In the absence of statutory directives, a city governing body is not required to record specific information in the minutes of special or

regular meetings. Cited herein: K.S.A. 75-4317; 75-4318; 75-4319. TMN

Insurance—Health Care Provider Insurance—Professional Liability Insurance to be Maintained; Health Maintenance Organizations; Professional Services. Representative Dale M. Sprague, 73rd District, McPherson, April 13, 1990.

A health maintenance organization (HMO) renders professional services by making available to enrollees health care services provided by physicians who are independent contractors of the HMO, and is therefore a health care provider that must maintain liability insurance or otherwise be self-insured. **Consumer Credit Commissioner**

**Notice of Hearing  
 on Proposed  
 Administrative Regulations**

The office of the Consumer Credit Commissioner will conduct a public hearing at 10 a.m. Tuesday, May 29, in Room 352, Landon State Office Building, 900 S.W. Jackson, Topeka, on permanent regulation 75-6-24. All interested parties may present oral or written comments and shall be given reasonable opportunity to present their views or arguments on adoption of this regulation at the hearing.

The regulation proposed for adoption as a permanent regulation is required by K.S.A. 16a-2-401a, which requires the designated dollar amounts to be changed on July 1 of each even-numbered year when the percentage of change, calculated to the nearest whole percentage point, between the index at the end of the preceding year and the reference base index is 10 percent or more. The percentage of change calculated to the nearest whole percentage point was 20 percent since the date of the last required change in 1988.

The purpose of the proposed permanent regulation is to adjust the dollar amounts of \$630 and \$2,100 to \$690 and \$2,300.

The economic impact on the individual consumer, based on the average size consumer loan of \$3,125.44 as taken from the 1988 annual report of licensed lenders, would result in an increase of \$26.04. There will be no economic impact on either the agency or the industry.

Copies of the proposed regulation and the economic impact statement can be obtained from the office of the Consumer Credit Commissioner at the address above, (913) 296-3151.

This 30-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed permanent regulation. Written comments may be submitted to the Consumer Credit Commissioner at the address above.

Department of Health  
and EnvironmentNotice Concerning Variance Request  
from Hazardous Waste Regulations

The Kansas Department of Health and Environment is providing public notice that on December 14, 1989, Gordon-Piatt Energy Group, Inc., located at Strother Field Industrial Park near Winfield, submitted a request for a variance from specific hazardous waste regulations. The request for a variance was submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-4 and 40 CFR 265.176, which require the storage of containers holding ignitable hazardous waste must be located at least 15 meters (50 feet) from the facility's property line.

Gordon-Piatt generates ignitable hazardous waste, which is stored prior to being shipped off-site for reclamation. Gordon-Piatt proposes to store this waste in a hazardous waste storage building with a concrete floor with curbing to contain any potential spills. KDHE has reviewed the variance request and concluded that the variance is justified.

In accordance with K.A.R. 28-31-13(b), public notice was provided that KDHE considered the request for a variance justified and made a tentative decision to grant the variance. A public comment period to receive comments regarding this tentative decision was established between March 22 and April 20. No public comments were received.

In accordance with K.A.R. 28-31-13(b), KDHE is announcing its decision to approve this request for a variance and not to include any special conditions. The variance will become effective April 26, 1990, and shall remain in effect until April 26, 1992.

AN ACT relating to the financing of highway construction identified as system enhancements in Finney and Ford counties; authorizing the issuance of revenue bonds to pay certain costs; and authorizing the levy of countywide retailers' sales taxes for the payment of such bonds; amending K.S.A. 1989 Supp. 12-187, 12-187, as amended by section 1 of this act, 12-189 and 12-189, as amended by section 2 of this act and repealing the existing sections; also repealing K.S.A. 1989 Supp. 12-187, as amended by section 1 of 1990 Senate Bill No. 602 and 12-189, as amended by section 3 of 1990 Senate Bill No. 602.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 1989 Supp. 12-187 is hereby amended to read as follows: 12-187. (a) No class B city shall impose a retailers' sales tax under the provisions of this act without the governing body of such city having first submitted such proposition to and having received the approval of a majority of the electors of the city voting thereon at an election called and held therefor. The governing body of any class B city may submit the question of imposing a retailers' sales tax and the governing body shall be required to submit the question upon submission of a petition signed by electors of such city equal in number to not less than 10% of the electors of such city.

(continued)

a petition signed by electors of such county equal in number to not less than 10% of the electors of such county who voted at the last preceding general election for the office of secretary of state, or upon receiving resolutions requesting such an election passed by not less than  $\frac{2}{3}$  of the membership of the governing body of each of one or more cities within such county which contains a population of not less than 25% of the entire population of the county, or upon receiving resolutions requesting such an election passed by  $\frac{2}{3}$  of the membership of the governing body of each of one or more taxing subdivisions within such county which levy not less than 25% of the property taxes levied by all taxing subdivisions within the county.

(2) The board of county commissioners of Jefferson, Montgomery and Wyandotte counties may submit the question of imposing a countywide retailers' sales tax and pledging the revenue received therefrom for the purpose of financing the construction or remodeling of a courthouse, jail or law enforcement center facility, to the electors at an election called and held thereon. The tax imposed pursuant to this paragraph shall expire upon the payment of all costs authorized pursuant to this paragraph in the financing of such highway projects. Nothing in this paragraph shall be construed to allow the rate of tax imposed by Finney or Ford county pursuant to this paragraph to exceed the maximum rate prescribed in K.S.A. 12-189, and amendments thereto.
