Taxation—Correction of Irregularities—Unlawful Release, Discharge, Remission or Commutation of Taxes; Release or Waiver of Tax Lien.

Taxation—Collection and Cancellation of Taxes—Collection of Delinquent Taxes in Certain Counties; Tax Lien; Release or Waiver by Sedgwick County. Henry R. Blase, Sedgwick County Counselor, Wichita, January 25, 1991.

Release or waiver of a tax lien arising pursuant to K.S.A. 1990 Supp. 79-2017 does not violate the provisions of K.S.A. 79-1703. However, an unconditional waiver or release is outside the authority granted to Sedgwick County officials. Cited herein: K.S.A. 1989 Supp. 8-173; K.S.A. 1990 Supp. 19-101a; K.S.A. 79-1703; K.S.A. 1990 Supp. 79-2017. TMN

Opinion No. 91-6

Taxation—Correction of Irregularities—Unlawful Release, Discharge, Remission or Commutation of Taxes; Interests and Penalties Owed by City.

Taxation—Property Exempt from Taxation—Claim to be Filed Each Year. Gene Sharp, Liberal City Attorney, Liberal, January 29, 1991.

A board of county commissioners is without authority to forgive interest and penalties lawfully owed as a result of unpaid taxes. Moreover, county officials and school district officials cannot decline receipt of

tax moneys which should be received by operation of law. Tax moneys must be collected and distributed in the manner and to the entities prescribed by law. Once such collection and distribution has occurred and a county or school district receives tax moneys, such moneys may only be spent according to the procedures applicable to all expenditures by those entities. Unless statutorily exempted for a specified number of years, property need not be exempted on a yearly basis. Rather, K.S.A. 79-214 requires a property owner to notify taxing officials if the exempt use ceases. Cited herein: K.S.A. 79-201; 79-201a; K.S.A. 1990 Supp. 79-210; 79-213; K.S.A. 79-214; 79-301; 79-306; 79-1703; 79-1704; 79-2934; Kan. Const., art. 11, § 13. TMN

Personal and Real Property—Public Buildings—Handicapped Accessibility Standards Responsibility for Enforcement; Injunction to Restrain Violation of Standards; Violation of Injunction; Civil Penalty. Ray D. Siehndel, Former Secretary, Department of Human Resources, January 29, 1991.

Mandatory injunctive relief may be sought pursuant to K.S.A. 1989 Supp. 58-1308 to remedy facilities built in violation of the handicapped accessibility standards found in K.S.A. 58-1301 *et seq.* Cited herein: K.S.A. 58-1301 *et seq.*; K.S.A. 1989 Supp. 58-1304; 58-1308; K.S.A. 60-901; K.S.A. 1990 Supp. 60-906. trainer nor any employee or agent of the trainer was
responsible for or had knowledge of the administration
of the substance causing the positive test.

(c) Each trainer shall be held responsible for each

unless the trainer can show by a preponderance of the

Article 6.—RACE TRACK OFFICIALS

112-6-1. Race track officials. (a) Unless otherwise ordered by the commission, race track officials at a race meet for greyhounds shall be as follows: the director of racing, the mutuel manager, the paddock judge, the kennel master, the clerk of scales, the starter, the lure operator and the racing secretary. Each individual, and each member of the individual's family, as defined by K.S.A. 1989 Supp. 74-8810(c), who owns a greyhound or has a financial interest in a greyhound entered at a race meet shall not serve as a race track official at the meet. A lessee or lessor of a greyhound shall be deemed to have a financial interest in the greyhound.

(b) Each race track official shall be strictly responsible to the commission for the performance of the official's respective duties and shall promptly report to the commission or the racing judges any violation of the regulations of which the official has knowledge. Each race track official who fails to perform the official's responsibilities shall be discharged by the racing judges.

(c) Each employee of the racing and mutuel departments at a racetrack facility shall be an employee of the organization licensee and accountable to the board of directors of the organization licensee. No organization licensee or facility manager licensee shall, by contract or agreement, diminish the organization licensee's ultimate responsibility to conduct the races and the parimutuel system of wagering. However, any organization licensee may execute a contract or agreement with a facility manager licensee that permits the delegation of day-to-day management over the conduct of races and the parimutuel system of wagering.

(d) Each race track official shall be approved by the commission before the official assumes any race meet duties. Each organization licensee shall identify the race track officials 30 days before the first day of the race meet for which they are to serve. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8813 and 84-8818; effective, T-112-1-19-89, January 19, 1989; effective April 10, 1989; amended March 25, 1991.)

112-6-2. Commission officials, racing judges. (a) Each licensee and each individual attending greyhounds during a race meet shall conduct their activities pursuant to the general authority and supervision of the racing judges. Any of these racing regulations may be interpreted by the racing judges, and any appropriate action not expressly authorized by these racing regulations may be ordered by the racing judges to ensure a fair race and to protect the best interests of racing.

(b) Each race day any licensee who wishes to consult with the racing judges may do so at the administrative offices of the race track facility where two of the three racing judges shall be in attendance not later than one half hour before weighing-in time for official schooling.

Any licensee who wishes to consult with the racing judges before weighing-in time for official races may do so at the administrative offices of the race track facility where all three of the racing judges shall be in attendance not later than one-half hour before weighing-in time. If all three of the racing judges are present in the judges' stand during a performance, one and only one racing judge may leave the judges' stand to supervise any racing-related matter as official duties may dictate.

(c) If a vacancy occurs among the race track officials, a substitute shall be appointed by the organization licensee subject to the approval of the racing judges. The appointment shall be effective until the vacancy is filled in accordance with these racing regulations.

(d) If a vacancy occurs among the racing judges, a substitute may be appointed by the chief judge in an emergency. If the chief judge is absent, the senior associate judge may make the appointment. Each substitution shall be reported immediately to the commission office. If a vacancy has occurred among the racing judges, the remaining two judges may conduct the business of the racing judges until the vacancy is filled in accordance with these racing regulations.

(e) The racing judges' jurisdiction over any matter shall commence 72 hours before any entry is taken for the first day of racing at the meet and shall extend until 30 days after the last day of the meet. If a dispute arises during a race meet that is not settled within the racing judges' 30 day jurisdiction, the authority of the racing judges may be extended by the commission until the matter is resolved or until it is referred or appealed to the commission.

(f) Any occupation licensee may be penalized by the racing judges or the commission in accordance with the Kansas parimutuel racing act and the Kansas administrative procedure act. At the direction of the commission, all of the racing judges, or any of them as designated by the commission, may conduct summary adjudicative hearings in accordance with the Kansas administrative procedure act.

(g) Each penalty shall be reported immediately to the commission by the racing judges.

(h) Any greyhound that the racing judges determine is disabled or unfit to run may be excused by them.

(i) Any greyhound may be suspended from participating in races for any period of time determined by the racing judges if the greyhound does not meet the requirements of or has been involved in any violations of these racing regulations or any provisions of the Kansas parimutuel racing act, including but not limited to the following:

(1) medication laws and regulations; or

(2) any suspension or revocation of any occupation license by the racing judges or the commission of any racing jurisdiction recognized by the commission.

(j) Any matter within the jurisdiction of the racing judges may be referred to the commission with or without recommendation.

(k) A detailed written account of each question, dispute, protest, complaint and objection shall be maintained by the racing judges. A daily report that details

(continued)

each raceday's activities, which shall include but not be limited to each derogatory comment, each disciplinary hearing, each fine and each suspension, the conduct of each race, each interruption and delay and the condition of the race track facility, shall be prepared by the racing judges and submitted to the executive director within 72 hours of the race date that is the subject of the report.

(l) Each greyhound that has entered a race or that has run in a race shall be tested or examined by a qualified person when ordered by the racing judges. Any ownership papers, certificates, documents of eligibility, contracts or leases pertaining to any greyhound at the race track facility may be examined by the racing judges.

(m) If the racing judges determine that a race or races cannot be conducted in accordance with the regulations, they shall cancel each race.

(n) The timing of each race shall be conducted by the racing judges as follows:

(1) The official time of each race shall be declared by the racing judges;

(2) Each race shall be hand-timed by the racing judges using a stop watch that has been inspected and certified by a competent watchmaker;

(3) Each race shall be timed to 1/100th of a second;

(4) The timing of the race shall commence with the opening of the lids of the starting box; and

(5) The time shown on the official timing device shall be declared the official time of the race if the racing judges are satisfied the timing device is functioning properly. If the racing judges are not satisfied, the time shown on the hand held stop watch shall be used.

(o) The official winner and other respective positions in the order of finish shall be determined by the racing judges. Only the relative position of the respective racing muzzles of the greyhounds shall be considered when the racing judges determine each place at the finish.

(p) If a greyhound loses its racing muzzle or finishes with a hanging muzzle, the racing judges shall consider only the relative position of the nose of the greyhound that finishes without its racing muzzle in respect to the racing muzzles of the other greyhounds in the race.

(q) In each race the number of the first three greyhounds in order of their finish shall be displayed promptly by the racing judges. The number of the greyhound finishing fourth shall also be displayed. If the racing judges disagree about the order of finish, the majority shall prevail.

(r) If the racing judges wish to consult a picture from the photo finish camera, the placements they have agreed upon may be posted without waiting for a picture and, after consulting the picture, each other placement may be posted by the racing judges. However, the race shall not be declared official until the racing judges have determined the greyhounds that finished first, second and third.

(s) Nothing in these racing regulations shall be construed to prevent the racing judges from correcting an error before the official sign is displayed or from re-

calling the official sign in the event it has been displayed through error. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804 and 74-8816(g); effective, T-112-1-19-89, January 19, 1989; effective April 10, 1989; amended March 25, 1991.)

112-6-3. Director of racing. (a) The director of racing shall have general supervision over each owner, trainer and any other individual attendant on greyhounds.

(b) The director of racing shall have control over and free access to the race track facility.

(c) The director of racing shall determine all matters regarding eligibility, entries, withdrawals, scratches and the conduct of the races, except as those matters may be otherwise determined by the racing judges. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804; effective, T-112-1-19-89, January 19, 1989; effective April 10, 1989; amended March 25, 1991.)

112-6-4. The paddock judge and the kennel master: (a) Each paddock judge shall complete an identification card for each greyhound before it is entered for official schooling. Each paddock judge shall ensure that each greyhound conforms to the card index identification and shall report each discrepancy to the racing judges.

(b) Under the supervision of the paddock judge and in cooperation with the commission animal health officer, each kennel master shall unlock the lock-out kennels immediately before weigh-in time to see that the lock-out kennels are in safe and perfect repair and that nothing has been deposited in them for the greyhounds to consume. The kennel master shall see that the lock-out kennels are sprayed, disinfected and kept in proper sanitary condition. The kennel master or his assistants shall receive each greyhound from its trainer, one at a time, and see that the greyhound is placed in its crate. After the kennel master receives the greyhounds, the kennel master shall remain on duty at the lock-out kennel until each greyhound is removed for the last race.

(c) No paddock judge or paddock judge's assistant shall allow anyone to present a greyhound for weigh-in at an official schooling or an official race except the greyhound's kennel owner, trainer or licensed assistant, as designated on the kennel roster.

(d) As each greyhound is weighed in, each paddock judge, kennel master or paddock judge's assistant shall ensure that an identification tag is attached to the greyhound's collar that indicates the number of the race in which the greyhound is entered and its post position. The tag shall not be removed until the greyhound has been weighed out and blanketed.

(e) After the greyhounds are placed in the lock-out kennels, only the racing judges, the paddock judge, the kennel master, the animal health officer, the assistant animal health officers or the lead-outs shall enter the lock-out kennels. None of these individuals shall enter the lock-out kennels unaccompanied.

(f) Before the greyhounds leave the paddock for the starting box, each paddock judge or paddock judge's

assistant shall carefully compare each greyhound with its identification card and shall determine that each greyhound is equipped with a regulation racing muzzle and blanket. The paddock judge or his assistant shall examine all muzzles and blankets to determine they are properly fitted before the greyhounds leave the paddock.

(g) The paddock judge shall assign lead-outs to the respective post positions by lot before each racing program. However, if a greyhound is difficult to handle, the paddock judge may assign the greyhound to the particular lead-out who is most capable of handling the greyhound in the paddock judge's opinion. The paddock judge or the paddock judge's assistant shall maintain a written record of lead-out assignments. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804; effective, T-112-1-19-89, Jan. 19, 1989; effective April 10, 1989; amended March 25, 1991.)

112-6-5. Clerk of scales. (a) Each clerk of scales shall monitor the weigh-in and weigh-out of each greyhound and shall post the accurate weight of each greyhound on the weight board for the information of the public. The established race weight, pre-post weight and track weight must be promptly posted or announced for the information of the public.

(b) Each clerk of scales shall keep a record of the weigh-in and the weigh-out weights and shall record any scratches and the reasons for them.

(c) Each clerk of scales shall be responsible for having the scales checked for accuracy by a certified person before each race meet. Each organization licensee shall equip the scales with a certified weight for the use of any interested person.

(d) Each clerk of scales shall promptly report to the racing judges each infraction of the regulations regarding weight or weighing. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804; effective, T-112-1-19-89, Jan. 19, 1989; effective April 10, 1989; amended March 25, 1991.)

112-6-8. The racing secretary. (a) Each racing secretary shall maintain a file of each lease or ownership paper on each greyhound racing in the race meet. The racing secretary shall inspect all ownership and lease documents to confirm that they are accurate, complete and current. The racing secretary is responsible for the custody and safe keeping of each lease or national greyhound association ownership paper and shall permit only authorized personnel access to them. Each document shall not be removed from the racing secretary's custody by any individual except the greyhound's kennel owner or trainer.

(b) Each racing secretary shall maintain a complete record of all races, shall receive all stakes and entrance money and shall pay over all monies collected to officers or other persons entitled to receive them.

(c) Any racing secretary may request proof that a greyhound is not disqualified or nominated by or the property, wholly or in part, of a disqualified person. If sufficient proof is not given to satisfy the racing secretary, the racing secretary may declare the greyhound disqualified.

(d) Each racing secretary shall receive all entries and declarations.

(e) Any racing secretary may demand production of and inspect each owner's and trainer's license and each paper and document relating to owners, trainers, partnership agreements, appointment of authorized agents and adoption of kennel names. Each racing secretary shall make a reasonable attempt to establish that required individuals are licensed and that the regulations have been followed. The documents shall be available to the racing judges at all times.

(f) Each day, as soon as the entries are composed and compiled and the declarations made, each racing secretary shall post a list of entries in a conspicuous place. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804; effective, T-112-1-19-89, Jan. 19, 1989; effective April 10, 1989; amended March 25, 1991.)

(d) If any greyhound has lost more than two pounds at weigh-out time from its weigh-in weight while in the lock-out kennel, the racing judges may order the greyhound scratched. If the loss of weight does not impair the racing condition of the greyhound in the opinion of the assistant animal health officer, the racing judges may allow the greyhound to race. Each greyhound that is a weight loser shall be identified with the initials WL on the racing program.

(e) Each weight regulation set out in subsections (a) through (d) of this regulation shall be printed in the racing program.

(f) The racing judges shall scratch a greyhound if there is a variation of more than two pounds between the greyhound's weighing-in weight for the present race and the weighing-in weight for its last race.

(g) Any kennel owner or trainer may file a written request to change a greyhound's racing weight with the racing judges. The judges shall state in writing whether the change is allowed and shall direct the change to be made four calendar days before the greyhound is permitted to start at the new weight.

(1) Each greyhound that has an established weight change of more than one pound shall be schooled at least once at the new established weight before it is eligible to start in a race. The racing judges may require more than one schooling in this event.

(2) Any greyhound that has not raced or schooled officially for a period of three weeks may be allowed to establish a new racing weight with the permission of the racing judge.

(h) Subject to the approval of the commission, a second weigh-in may be held during performances with more than 13 races, if a sufficient number of crates are available in the lock-out kennels.

(i) Each greyhound shall be placed in the lock-out kennel under the supervision of the paddock judge immediately after it is weighed in, and only the paddock judge, the animal health officer, the assistant animal health officers, the kennel master, the lead-outs, or the racing judges shall enter the lock-out kennels. None of these individuals shall enter the lock-out kennels unaccompanied. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804; effective, T-112-1-19-89, Jan. 19, 1989; effective April 10, 1989; amended March 25, 1991.)

112-8-10. Rules of the race. (a) Each greyhound

shall wear a racing muzzle and blanket approved by the racing judges while racing.

(b) Before the greyhounds leave for the post, each racing muzzle and blanket shall be carefully examined in the paddock by the paddock judge subject to the supervision of the chief racing judge or the chief racing judge's designee. Each muzzle and blanket shall be examined once more at the judges' stand in the presence of the racing judges and the public.

(c) Each greyhound shall be exhibited in the show paddock before post time for the race in which it is entered.

(d) A race starts when the lid to the starting box opens completely.

(e) All greyhounds shall be removed from the starting box in the event of a false start. After the malfunction in the equipment is corrected, the racing judges shall determine whether the race will be canceled or run.

(f) If a greyhound remains in the box when the lid of the starting box opens, there shall be no refund of wagers.

(g) If a greyhound bolts the course, runs in the opposite direction or does not run the entire prescribed distance for the race, the greyhound shall forfeit all rights in the race. The greyhound shall be considered a starter, but the finish of the race shall be declared the same as if it were not a contender.

(h) If a greyhound bolts the course or runs in the opposite direction during the course of the race and, in the opinion of the racing judges, interferes with any other greyhound in the race, the race shall be declared a "no race" by the racing judges, and all moneys wagered shall be refunded, except when the interference did not affect the outcome of the race in the opinion of the racing judges.

(i) If a greyhound fails to leave the box for any reason, refuses to race or falls and it appears that the greyhound may interfere with the running of the race, any person under the supervision of the racing judges stationed around the track, may remove the greyhound from the track. However, the greyhound shall be considered a starter.

(j) No race shall be called official unless the lure is in advance of the greyhounds at all times during the race. If any greyhound or greyhounds catch or pass the lure during the race, the race shall be declared a "no race" by the racing judges, and all moneys shall be refunded.

(k) The racing judges shall closely observe the operation of the lure and hold the lure operator to strict accountability for any inconsistency in its operation.

(l) If any race is marred by jams, spills or racing circumstances, other than accident to the machinery while the race is being run, and three or more greyhounds finish, the race shall be declared finished by the racing judges. However, if fewer than three greyhounds finish, the race shall be declared "no race" by the racing judges, and all moneys shall be refunded.

(m) The winner of a race shall be the greyhound whose racing muzzle first reaches the finish line, unless the greyhound is disqualified by the racing judges for ineligibility or other good cause. In the event a

greyhound loses its muzzle or finishes with a hanging muzzle, the tip of the greyhound's nose shall determine its order of finish.

(n) If two greyhounds run a dead heat for first place, all prizes and moneys to which the first and second greyhounds would have been entitled shall be divided equally between them. This regulation applies to any division of prizes and moneys, whatever the number of greyhounds running a dead heat and whatever places for which the dead heat is run. (Authorized by K.S.A. 1989 Supp. 74-8804; implementing K.S.A. 1989 Supp. 74-8804; effective, T-112-1-19-89, Jan. 19, 1989; effective April 10, 1989; amended March 25, 1991.)

Article 10.—ANIMAL HEALTH

112-10-34. Drugs or medication, greyhound. (a) No individual shall administer any drug or medication to any greyhound entered in a race for 24 hours before the race in which the greyhound is to run and continuing until after the race is run.

(b) If the official test laboratory reports a positive test for any drug, its metabolites, or any foreign substance, the animal health officer shall classify the test in accordance with the following classifications:

(1) Class one: drugs and medications that are stimulants, depressants, narcotics, local anesthetics having no recognized therapeutic value or substances that impede testing procedures;

(2) class two: drugs and medications that are therapeutic medications that may affect the outcome of the race, naturally occurring substances that appear in unusual levels or that may interfere with or impede testing procedures; and

(3) class three: drugs and medications that are incidental residues of substances of recognized therapeutic value or recurring substances that have an undetermined effect or that cannot be identified by recognized analytical methods.

(c) The animal health officer's classification of the positive test shall be reported to the commission. The final decision regarding classification of the positive test shall be made by the commission.

(d) The finding of a class one positive may result in penalties of:

(1) A disqualification of the animal and a redistribution of the purse;

(2) a return of any trophy or other award delivered to the owner or trainer;

(3) a fine of up to \$5,000;

(4) a suspension or a revocation of license; or

(5) a combination of the above.

(e) The finding of a class two positive may result in a penalty of:

(1) A disqualification of the animal and a redistribution of the purse;

(2) a return of any trophy or other award delivered to the owner or trainer;

(3) a fine of up to \$500;

(4) a suspension of up to 60 days;

(5) a warning; or

(6) a combination of the above.

(f) The finding of a class three positive may result in a penalty of:

(1) An investigation into the possible source;

(2) a search of the individual and any assigned area;

(3) a warning; or

(4) any combination of the above.

(g) Each laboratory analysis of saliva, urine, blood or other sample taken from a greyhound that indicates the presence of a drug or medication shall be evidence that the drug or medication was present in the greyhound's system during the running of the race.

(h) Despite each provision to the contrary in this regulation, liniments, including Dimethylsulfoxide, may be administered to a greyhound as an external topical application. If the assistant animal health officer determines there has been excessive use of liniment on the racing greyhound, the assistant animal health officer may scratch the greyhound.

(i) Despite each provision to the contrary in this regulation, procaine, trimethoprim and sulfa shall be permitted medications subject to the following condition. Procaine, trimethoprim and sulfa shall not be permitted medications if the racing chemist in consultation with the animal health officer determines that a test sample contains procaine, trimethoprim or sulfa in a quantity considered:

(1) Significant; or

(2) capable of altering the performance of a greyhound. Procaine shall not be transported or possessed on the racetrack facility by any individual who is not licensed to practice veterinary medicine by the state of Kansas.

(j) No individual shall possess, transport or use any drug or medication or equipment for administering a drug or medication at the racetrack or within the confines of the kennel compound except:

(1) when licensed as a veterinarian by the state of Kansas and the commission; or

(2) when licensed as a kennel owner or trainer by the commission, subject to the following conditions:

(A) Each kennel owner or trainer who possesses a drug or medication or equipment for administering a drug or medication shall place the drug or medication in the designated area, including the refrigerator, in the kennel building.

(B) Each drug or medication in the kennel owner's or trainer's possession shall be listed on a form approved by the animal health officer and filed with the assistant animal health officer.

(C) Each kennel owner or trainer shall update the form on a daily basis so that at all times a current and correct list of drugs or medications and the equipment for administering them is on file with the assistant animal health officer.

(k) Each drug or medication at a race track facility shall be in a container bearing a veterinarian's prescription or in the original container bearing the manufacturer's label with the serial or lot number. No veterinarian or kennel owner or trainer shall abandon a drug or medication or equipment for administering the drug or medication. All equipment for administering the drug or medication shall be destroyed before

(continued)

it is discarded. (Authorized by K.S.A. 1989 Supp. 77-8804; 74-8811; implementing K.S.A. 1988 Supp. 74-8804, 74-8811 and 74-8816; effective, T-112-8-22-89, Aug. 22, 1989; effective Oct. 9, 1989; amended March 25, 1991.)

112-10-35. Testing. (a) Each racing greyhound entered in a race shall be submitted to a urine, blood or other pre-race test. No greyhound shall be eligible to start in a race until the owner or trainer complies with the required test procedure.

(b) A blood, urine or other test sample shall be taken under the supervision of the animal health officer or senior assistant animal health officer from the winner of every race and from every other greyhound designated by the racing judges.

(c) Each test sample shall be taken in the paddock area unless otherwise approved by the animal health officer or senior assistant animal health officer.

(d) Each trainer, owner or their authorized representative may witness and confirm the taking of each test sample.

(e) If a urine sample is not obtained within a reasonable time, the senior assistant animal health officer may take a blood sample from the brachiocephalic vein in lieu of a urine sample and submit the blood plasma from the blood sample to the official test laboratory for testing.

(f) Each test sample shall remain in the custody of the animal health officer or senior assistant animal health officer from the time it is taken until it is delivered for shipment to the official test laboratory.

(g) No person shall tamper with, adulterate, add to, break the seal of, remove or otherwise attempt to alter or violate any test sample taken.

(h) The commission may direct the official test laboratory or the animal health officer and senior assistant animal health officer to retain and preserve test samples for future analysis.

(i) That purse money has been paid before the issuance of an official test laboratory report shall not constitute a finding that no prohibited substance has been administered in violation of these racing regulations to the greyhound earning the purse money. (Authorized by K.S.A. 1989 Supp. 74-8804, implementing K.S.A. 1989 Supp. 74-8806, 74-8810 and 74-8811; effective, T-112-8-22-89, Aug. 22, 1989; effective Oct. 9, 1989; amended March 25, 1991.)

Doc. No. 010202

(Published in the Kansas Register February 7, 1991.)

**Geary County, Kansas
and
Riley County, Kansas
Public Notice**

Geary County, Kansas, and Riley County, Kansas, hereby announce their continued sponsorship of a program to reduce home loan financing costs. The counties have established a Mortgage Credit Certificate Program that will entitle first-time homebuyers and borrowers of qualifying home improvement loans to a federal income tax credit. A tax credit is a direct reduction of taxes due.

Under the program, a homebuyer would receive a mortgage credit certificate entitling the homebuyer to reduce their federal income taxes by 25 percent of the amount of interest paid on their home loan. The tax credit is available each year that the borrower continues to live in the home financed under the program.

In order to qualify for the program, federal law requires that a homebuyer satisfy each of the following guidelines:

1. First-time homebuyer

Each homebuyer must be a first-time homebuyer. Any person who has not owned their principal residence at any time during the three years prior to closing a loan under the program is considered a first-time homebuyer. This requirement does not apply to qualifying home improvement loans.

2. Income

Because the program is intended to benefit low and moderate income persons, federal law imposes limitations on the gross income of homebuyers. In most areas of the state of Kansas the current limit on gross income is \$34,000 for a household of one or two persons and \$39,100 for a family of three or more persons. Higher income limits apply in the following areas: Kansas City metropolitan area - \$38,800 for a household of one or two persons and \$44,620 for a family of three or more; Topeka metropolitan area - \$37,300 for a household of one or two persons and \$42,895 for a family of three or more; Wichita metropolitan area - \$40,200 for a household of one or two persons and \$46,230 for a family of three or more; Lawrence metropolitan area - \$34,300 for a household of one or two persons and \$39,445 for a family of three or more; Lyon County - \$35,400 for a household of one or two persons and \$40,710 for a family of three or more; and Seward County - \$34,100 for a household of one or two persons and \$39,215 for a family of three or more. The income limitations will be adjusted on or about March 1, 1991, as required to comply with federal law. Gross income includes salary and wages, including overtime, as well as dividends, alimony, public assistance, Social Security, unemployment compensation and investment income and profits.

3. Purchase price

In addition to income, federal law also imposes limitations on the purchase price of homes financed under the program. In most areas of the state of Kansas, the maximum purchase price for a new home is \$59,040 and for an existing home is \$53,370. Different purchase price limits apply in the following areas: Kansas City

metropolitan area - \$98,640 for a new home and \$69,750 for an existing residence; Lawrence metropolitan area - \$59,040 for a new home and \$71,280 for an existing residence; Topeka metropolitan area - \$89,730 for a new home and \$59,310 for an existing residence; and Wichita metropolitan area - \$109,890 for a new home and \$74,430 for an existing residence. The purchase price limits will be adjusted as required to comply with federal law. The purchase price limitation does not apply to qualifying home improvement loans.

4. Principal residence

The homebuyer must occupy the home financed under the program as their principal residence within 60 days after the financing is provided. A principal residence is a home occupied primarily for residential purposes. A principal residence does not include a home used as an investment property, as a recreation home or as a home in which 15 percent or more of the total area is used in a trade or business.

5. New mortgage

The mortgage loan financed in connection with the issuance of a mortgage credit certificate is required to be a new mortgage and may not replace a prior mortgage on the home (whether or not previously repaid). Additionally, the mortgage loan financed in connection with the issuance of a mortgage credit certificate cannot involve the assumption of a previously existing mortgage loan.

6. Program area

In order to be eligible for a certificate, the home financed under the program must be located in (i) the unincorporated areas of Geary or Riley counties, (ii) a city that has entered into an agreement with the counties allowing the program in the city, or (iii) the unincorporated areas of a county that have entered into such an agreement with the counties. A list of participating cities and counties is available from the institution listed below and will be updated as necessary.

Under the program, mortgage credit certificates will be issued to eligible borrowers on a first-come first-served basis. In order to be eligible for the program, the borrower must have received approval of eligibility to participate in the program *before* closing on their loan. The certificates are available in connection with any type of mortgage loan (other than loans derived from proceeds of tax-exempt bonds or a loan from a close relative), including fixed rate and adjustable rate mortgages. Any lending institution is eligible to provide loans under this program.

Applications for mortgage credit certificates, information concerning the first date in which loans can close, and additional information about the program is available now at the addresses listed below. Information and applications are *not* available through the counties directly, but only at the addresses below.
