Request for Proposals

Kansas Rehabilitation Services (KRS) is requesting proposals for model employer development programs which increase employer awareness, retention of employees with disabilities, and employment opportunities for individuals with disabilities. With a primary focus on employer needs, proposed projects must address a variety of disability issues such as risk management, return to work for employees with disabilities, assistive technology and the Americans with Disabilities Act. Proposals must provide evidence of employer organization participation such as the local Chamber of Commerce and/or small business development center. Priority will be given to proposals that target small business employers.

A total not to exceed \$375,000 is available to fund grant awards for one year, with a maximum award not to exceed \$75,000. The closing date for receipt of proposals is May 24.

To obtain a request for proposals and grant application packet, contact Jaryl Perkins at (913) 296-3911 or TDD (913) 296-7029.

**Request for Comments on Proposed
Special Local Need Registration**

Pursuant to U.S.C. 136v, the Mobay Corporation has filed an application for a special local need registration for Sencor DF.75% Dry Flowable Herbicide, EPA Registration Number 3215-325, to provide for low use rates to obtain post emergence control of general weed pests in field corn. The Sencor DF is to be used in combination with 2, 4-D or Basagran on a variety of emerged weeds during or after planting. This combination should provide an effective alternative to current weed control practices which include the use of atrazine. Sencor is currently registered for pre-emergence and early post-emergence weed control in a wide variety of crops.

Information submitted by the applicant is on file with the Kansas State Board of Agriculture. Written comments, data, or other evidence in support of or in opposition to the proposed special local need registration may be submitted before June 9 to Gary E. Boutz, Plant Health Division, Kansas State Board of Agriculture, 901 S. Kansas Ave., Topeka 66612.

Notice of Hearing

The State Advisory Council on Aging, in conjunction with the Kansas Department on Aging (KDOA), will conduct a public hearing on the needs of older Kansans from 4:15 to 5:15 p.m. Tuesday, May 21, in the Petro Center on the campus of Washburn University in Topeka. The hearing is one of the activities of the 14th Governor's Conference on Aging.

The purpose of the hearing is to receive direct input from interested individuals and organizations about the needs of older Kansans and other aging issues. KDOA is particularly interested in comments on information and referral services, the reauthorization of the Older Americans Act, amendments to the state plan on aging, and elderly housing issues.

Persons wishing to speak at the hearing are asked to notify KDOA prior to the hearing and to provide a written copy of their comments. Depending upon the number of persons wishing to be heard, the time available for oral presentation may be limited. Written comments will be accepted through May 31. For more information contact George Dugger, KDOA, 915 S.W. Harrison, Room 122-S, Topeka 66612, (913) 296-4986 or 1-800-432-3535.

Real Estate Appraisal Board

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Monday, June 10, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed regulations of the Real Estate Appraisal Board.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Real Estate Appraisal Board, Room 501, Landon State Office Building, 900 S.W. Jackson, Topeka 66612-1220. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

The regulations are proposed for adoption as temporary and permanent regulations. A summary of the proposed regulations and their economic impact follows.

Regulation 117-1-1 contains definitions.

Regulations 117-2-1, 117-2-2, 117-2-3, 117-2-4, 117-3-1, 117-3-2, 117-3-3, 117-3-4, 117-4-1, 117-4-2, 117-4-3 and 117-4-4 provide qualifications criteria for state licensed and certified real estate appraisers and define each classification.

The cost of obtaining the required education is estimated at an average of \$1,400 per applicant and \$65 per applicant for the examination. However, many applicants met all or a portion of the education prior to the federal law.

Regulations 117-6-1, 117-6-2, and 117-6-3 pertain to continuing education requirements. The cost of obtaining the required education for each renewal is estimated at \$100. The cost to sponsors who offer approved courses is estimated at \$7,500.

Regulation 117-7-1 establishes fees at the statutory maximum.

Regulation 117-8-1 adopts the excerpts from the uniform standards of professional appraisal practice applicable to federally related transactions.

Regulation 117-9-1 prescribes the method for an out-of-state appraiser to register for temporary practice within the state. No estimate has been made on the number of out-of-state appraisers who may elect to register for temporary practice.

Copies of the regulations and their economic impact statements may be obtained from the Real Estate Appraisal Board at the address above, (913) 296-0706.

Office of the
Securities CommissionerNotice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted from 10-10:30 a.m. Monday, June 10, at the Office of the Securities Commissioner of Kansas, 618 S. Kansas Ave., 2nd Floor, Topeka, to consider the amendment of K.A.R. 81-5-8, 81-4-1, 81-3-1 and 81-2-1, and the adoption of K.A.R. 81-5-9.

The period of 30 days notice constitutes a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the commissioner at the address above. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to adoption of the proposed amendments and regulation. Following the hearing, all written and oral comments submitted by interested parties will be considered by the commissioner as a basis for making any changes to the proposed amendments.

The amendments to K.A.R. 81-5-8 and 81-4-1 are necessary to bring the regulations into conformity and compliance with the securities laws. The amendment to K.A.R. 81-5-8 eliminates a filing fee specified in the regulation because the underlying filing is no longer required by statute. In the amendments to K.A.R. 81-4-1, the commissioner sets the maximum fee to be charged for the registration of securities. The commissioner is directed to set the fee by the amendments made this year to K.S.A. 17-1259. The amendments to K.A.R. 81-4-1 are being adopted on both a temporary and a permanent basis.

The amendment to K.A.R. 81-3-1 eliminates a \$5 fee required of broker-dealers when they file their annual report. This will result in a small fiscal benefit to the businesses regulated by this agency and in a slight decrease in revenues to this agency. No overall economic impact is estimated.

Proposed K.A.R. 81-5-9 creates an exemption from registration for securities issued by certain open-end management investment companies and unit investment trusts. The securities of these entities are currently required to be registered. It is estimated that this regulation would result in a slight increase of revenues to this agency, but that the amount of additional revenues would have a very small impact on this agency. It is also estimated that this regulation would provide an economic benefit to qualifying entities, as the costs of filing for an exemption would generally be less than the costs of registering securities.

The amendment to K.A.R. 81-2-1 adopts a form to be used for filing for the exemption under K.A.R. 81-5-9.

Other than what is noted above, there is no determinable economic impact of the amendments and proposed regulation on this agency, other governmental

agencies or units, the general public or the businesses regulated by this agency.

Copies of the full text of the proposed amendments and regulation and the economic impact statement may be obtained by writing to the Office of the Securities Commissioner at the address above.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10:30 a.m. Friday, June 21, in the Conference Center of the Howard Johnson Hotel and Conference Center, 3839 S.W. Topeka Blvd., Topeka, to consider the adoption of a proposed regulation relating to the apportionment to the regional systems of cooperating libraries of the annual system grant-in-aid fund authorization.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to the hearing to the State Librarian, 3rd Floor, State Capitol, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views on the adoption of the proposed regulation during the public hearing. In order to permit all parties to present their views, it may be necessary to limit each presentation to five minutes.

A summary of the proposed regulation and the related economic impact is as follows:

K.A.R. 54-1-23. Allocation of the grant-in-aid fund among the regional systems of cooperating libraries. The proposed regulation, authorized and directed by K.S.A. 75-2555, defines a formula for the method of allocating the annual grant-in-aid fund for the regional systems of cooperating libraries. The fiscal effect of the formula will be to distribute more of the system grant fund to the systems of greater population, modified by a base grant of equal size to each system and by the greater territory of the systems with less population. The proposed regulation defines an administrative procedure, the application of which will not have an additional cost to state or local government or to individuals.

Copies of the proposed regulation and the economic impact statement may be obtained by contacting the State Librarian at the address above, (913) 296-3296.

Notice Concerning Kansas Water Pollution Control Permit

In accordance with state regulations 28-16-57 through 63 and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, a tentative permit has been prepared for discharges to the waters of the United States and the state of Kansas for the applicant described below. The tentative determinations for permit content are based on preliminary limitations of the state of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

Name and Address of Applicant	Waterway	Type of Discharge
Clausen Koch Corporation Highway 83 North HCR 1, Box 14A Sublette, KS 67877 Haskell County, Kansas	Non-discharge	Non-discharge

Kansas Permit No: I-CI21-N002

Description of Facility: This facility produces edible food supplements by processing whole blood and plasma which is obtained from slaughtering facilities. Most wastewater is non-contact cooling water but some is from cleanup operation. After treatment in a waste stabilization pond, excess water is used to irrigate nearby cropland. This is a new permit for a non-overflowing facility.

Written comments on the proposed determinations may be submitted to Bethel Spotts, Permit Clerk, Kansas Department of Health and Environment, Division of Environment, Bureau of Water, Forbes Field, Topeka 66620. All comments received prior to June 7 will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate application number (KS-ND-91-3) and name of applicant as listed when preparing comments.

If no objections are received, the Secretary of Health and Environment will issue the final determinations. If response to this notice indicates significant public interest, a public hearing may be held in conformance with state regulation 28-16-61. Media coordination (newspapers, radio) for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

The application, proposed permit, including proposed effluent limitations and special conditions, fact sheets as appropriate, comments received, and other information are on file and may be inspected at the Division of Environment offices from 8 a.m. to 4:30 p.m. Monday through Friday. The documents are available upon request at the copying cost assessed by KDHE. Additional copies of this public notice also may be obtained at the Division of Environment.

Board of Education

Notice of Hearing on Proposed
Administrative Regulations

The State Board of Education will conduct a public hearing at 1:30 p.m. Tuesday, June 11, in Room 121 of the State Education Building, 120 E. 10th, Topeka, to consider proposed State Board regulations 91-1-68a, 91-1-68b, 91-1-68c, and 91-1-68d, and the revocation of S.B.R. 91-1-68 and 91-1-69. These proposed regulations concern the procedures utilized to accredit teacher preparation institutions and approve teacher education programs. To a large degree, the regulations merely recite current practices. The following is a summary of the substance of the proposed regulations and a summary of their anticipated economic impact.

S.B.R. 91-1-68 and 91-1-69. It is proposed that these regulations be revoked. They will be replaced by proposed new S.B.R. 91-1-68a, 91-1-68b, 91-1-68c and 91-1-68d.

S.B.R. 91-1-68a sets forth definitions of terms used in regulations numbered 91-1-68b, 91-1-68c and 91-1-68d. There will be no fiscal impact upon the State Department of Education or upon other governmental agencies, private business or individuals.

S.B.R. 91-1-68b sets forth procedures for accrediting teacher preparation institutions. There will be no fiscal impact upon the State Department of Education or upon other governmental agencies, private business or individuals.

S.B.R. 91-1-68c sets forth procedures for initial approval of teacher education programs. There will be no fiscal impact upon the State Department of Education or upon other governmental agencies, private business or individuals.

S.B.R. 91-1-68d sets forth procedures for renewal of teacher education program approval. There will be no fiscal impact upon the State Department of Education or upon other governmental agencies, private business or individuals.

All interested persons will be given a reasonable opportunity at the hearings to present their views or arguments, either orally or in writing, in regard to the proposed regulations. In addition, the period of public notice hereby provided constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations. Such written com-

ments may be submitted to the secretary of the board at the address above. The hearing shall be conducted in compliance with the public hearing procedures of the board.

Each regulation is printed with this notice. A complete economic impact statement may be obtained by contacting the board secretary.

91-1-68. (Authorized by Article 6, Section 2(a) of the Kansas Constitution; effective May 1, 1982; revoked P—)

(continued)

which maintains a department or unit which offers teacher education programs.

(o) "Teacher education program" or "program" means an organized set of learning activities designed to provide prospective school personnel with the knowledge, competencies and skills to successfully perform in a specified educational position. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective P-_____.)

91-1-68b. Procedures for accrediting teacher education institutions. (a) *Process initiation.* Each teacher education institution that desires to be accredited by the state board shall submit a request for accreditation to the commissioner at least 12 months prior to the time at which accredited status is to begin. Each institution also shall submit an institutional self-study report to the commissioner, which shall be in the form and contain the information prescribed by the commissioner. The self-study shall be submitted at least three months prior to the date of the on-site review scheduled for the institution. These requirements shall be applicable whether or not an institution is currently accredited by the state board.

(b) *On-site review team.*

(1) Upon receipt of a complete institutional self-study report, the commissioner shall consult with the institution concerning the appointment of an on-site review team, including its size, membership and chairperson. After such consultation, the commissioner shall appoint an on-site review team to analyze the institutional self-study report and conduct an on-site review. The commissioner shall designate the chairperson of the review team and shall determine the number of review team members based upon the scope of the programs offered at the teacher education institution.

(2) If a teacher education institution requests a joint accreditation review by the state board and NCATE:

(A) After consultation with representatives of NCATE and the institution, the commissioner may appoint a combined on-site review team, and the commissioner shall have final authority on the designation of the state chairperson and the number of review team members; and

(B) The institution shall be evaluated utilizing NCATE accreditation standards as in effect on March 1, 1991, and any state board accreditation standards not included in the NCATE standards. The commissioner shall conclusively determine any question regarding the standards which apply to the review of any institution.

(c) *On-site review.*

(1) In accordance with procedures adopted by the state board, each on-site review team shall examine and analyze the self-study report, conduct an on-site review of the teacher education institution, and prepare a report expressing the findings and conclusions of the review team. The on-site review team report shall be submitted to the commissioner who shall forward the report to the evaluation review committee and to an appropriate representative of the teacher education institution.

(2) Any such institution may prepare a written response to the on-site review team report. This response shall be prepared and submitted to the commissioner within 30 days of receipt of the on-site review team's report. The commissioner shall forward any such response to the evaluation review committee.

(d) *Initial recommendation.* The evaluation review committee, in accordance with procedures adopted by the state board, shall examine and analyze the institutional self-study report, the on-site review team report, the response by the institution to the on-site review team's report, if any, and any other relevant information properly brought to its attention. The committee shall then prepare a written initial recommendation regarding the appropriate accreditation status to be assigned to the teacher education institution, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(e) *Request for hearing.*

(1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the commissioner for a hearing before the evaluation review committee to appeal the initial recommendation. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the teacher education institution, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner who shall submit the final recommendation to the state board for its consideration and determination.

(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. In any such situation, the commissioner shall submit the recommendation of the evaluation review committee to the state board for its consideration and determination.

(f) *Accreditation status.*

(1) The accreditation status assigned to any teacher education institution shall be accredited, provisionally accredited, or not accredited.

(2) Subject to subsequent action by the state board, the assignment of accredited status to a teacher education institution shall be effective for 10 academic years. The state board, at any time, may change the accredited status of a teacher education institution if, after providing an opportunity for a hearing, it is found that the institution has failed to meet any accreditation standard adopted by the state board. The state board, for just cause, may extend the accredited status of an institution, and the accredited status of an institution

shall be extended automatically if, at the end of the current accreditation period, the institution is in the process of being reaccredited by the state board. Any extension of accredited status shall be counted as part of any subsequent accreditation period of an institution.

(3) (A) Provisionally accredited status shall be effective for one academic year, but may be assigned to an institution for a total of three, consecutive academic years.

(B) Any teacher education institution that is provisionally accredited shall submit to the commissioner, on or before March 1, a report which indicates the steps the institution has taken and the progress the institution has made during the current academic year to meet accreditation standards.

(C) The commissioner shall submit any such report to the evaluation review committee for its examination and analysis. After such examination and analysis, the evaluation review committee shall prepare a written initial recommendation regarding the status to be assigned to the teacher education institution for the succeeding academic year or years. The recommendation shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. Thereafter, the provisions in subsection (e) of this regulation shall be applicable.

(D) For certification purposes, each teacher education institution that is provisionally accredited shall be considered as being accredited. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective P-_____.)

91-1-68c. Procedures for initial approval of teacher education programs. (a) Application.

(1) Each teacher education institution that desires to have any new program approved by the state board shall submit an application for program approval to the commissioner. The application shall be submitted by December 1 of the year preceding the academic year in which the institution plans to begin offering the program.

(2) Each institution shall submit with its application a detailed written description of the proposed program and a plan for implementation and operation of the program, which shall be in the form and contain the information prescribed by the commissioner. The institution shall submit the number of copies of the written program description and plan requested by the commissioner.

(b) Program review and report.

(1) Upon receipt of a complete application, program description and plan, the commissioner shall review the materials to determine whether the proposed program meets the standards for such a program established by the state board, and prepare a report expressing the findings and conclusions of the review.

(2) The commissioner shall submit one copy of the report to an appropriate representative of the teacher education institution. Another copy of the report, along with a copy of the institution's application, pro-

gram description and plan, shall be submitted to the evaluation review committee.

(3) Any such institution may prepare a response to the commissioner's report and submit it to the commissioner within 30 days of receipt of the commissioner's report. The commissioner shall forward any such response to the evaluation review committee.

(c) *Initial recommendation.* The evaluation review committee, in accordance with procedures adopted by the state board, shall examine and analyze the institution's application, program description and plan, the commissioner's report, the response by the institution, if any, and any other relevant information properly brought to its attention. The committee shall then prepare a written initial recommendation regarding the appropriate status to be assigned to the proposed program, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(d) Request for hearing.

(1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution or the commissioner may submit a written request to the evaluation review committee for a hearing before the committee to appeal the initial recommendation. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution or by the commissioner.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the proposed program, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner who shall submit the final recommendation to the state board for its consideration and determination.

(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. In any such situation, the commissioner shall submit the recommendation of the evaluation review committee to the state board for its consideration and determination.

(e) Approval status.

(1) Each new program shall be provisionally approved or not approved.

(2) If a new program is provisionally approved, that status shall be effective for the first two consecutive academic years that the program is operated and may be extended for one additional academic year. This status shall be extended automatically if, at the end of the current approval period, the program is in the process of being reevaluated by the state board. Any such extension shall be counted as part of any subsequent approval period of the program.

(continued)

(f) *Progress report and on-site review team.*

(1) If provisionally approved status is assigned to a new program, within 45 days after completion of the second semester of operation of the program, the institution shall submit a progress report to the commissioner, containing the information required by the commissioner.

(2) Upon receipt of a complete progress report, the commissioner shall consult with the institution concerning the appointment of an on-site review team, including its size, membership and chairperson. After such consultation, the commissioner shall appoint an on-site review team to analyze the report and conduct an on-site review. The commissioner shall designate the chairperson of the review team and shall determine the number of review team members based upon the scope of the program or programs to be reviewed.

(g) *On-site review.*

(1) In accordance with procedures adopted by the state board, each on-site review team shall examine and analyze the progress report, conduct an on-site review of the teacher education program, and prepare a report expressing the findings and conclusions of the review team. The on-site review team report shall be submitted to the commissioner who shall forward the report to the evaluation review committee and to an appropriate representative of the teacher education institution.

(2) Any such institution may prepare a written response to the on-site review team report. Any such response shall be prepared and submitted to the commissioner within 30 days of receipt of the on-site review team's report. The commissioner shall forward any such response to the evaluation review committee.

(h) *Initial recommendation.* The evaluation review committee, in accordance with procedures adopted by the state board, shall examine and analyze the progress report, the on-site review team report, the response by the institution to the on-site review team's report, if any, and any other relevant information properly brought to its attention. The committee shall then prepare a written initial recommendation regarding the appropriate status to be assigned to the program, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(i) *Request for hearing.*

(1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee under subsection (h), the teacher education institution may submit a written request to the commissioner for a hearing before the evaluation review committee to appeal the initial recommendation. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the teacher education program, which shall

include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner who shall submit the final recommendation to the state board for its consideration and determination.

(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. In any such situation, the commissioner shall submit the recommendation of the evaluation review committee to the state board for its consideration and determination.

(j) *Approval status.*

(1) The status assigned to any teacher education program pursuant to subsections (h) or (i) shall be approved, provisionally approved, or not approved.

(2) Subject to subsequent action by the state board, the assignment of approved status to a teacher education program shall be effective for five academic years. After the state board assigns approved status to a teacher education program, such status may be renewed pursuant to S.B.R. 91-1-68d.

(3) The state board, at any time, may change the approved status of a teacher education program if, after providing an opportunity for a hearing, it is found that the institution has failed to meet any program standard or has materially changed the program. The state board, for just cause, may extend the approved status of a program, and the status of a program shall be extended automatically if, at the end of the current approval period, the program is in the process of being reevaluated by the state board. Any such extension shall be counted as part of any subsequent approval period of a program.

(4) For certification purposes, each teacher education program that is provisionally approved shall be considered to be approved. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective P-_____.)

91-1-68d. Procedures for renewal of teacher education program approval. (a) *Application.* Each teacher education institution that desires to have the state board renew the approval of one or more of its teacher education programs shall submit an application for program approval to the commissioner. The application shall be submitted at least 12 months prior to the expiration of the current approval period. Each institution also shall submit an institutional self-study report, which shall be in the form and contain the information prescribed by the commissioner at least three months prior to the date of the on-site review scheduled for the program or programs.

(b) *On-site review team.* Upon receipt of a complete institutional self-study report, the commissioner shall consult with the institution concerning the appointment of an on-site review team, including its size, membership and chairperson. After such consultation, the commissioner shall appoint an on-site review team to analyze the institutional self-study report and conduct an on-site review. The commissioner shall des-

ignite the chairperson of the review team and shall determine the number of review team members based upon the scope of the program or programs for which approval is sought.

(c) *On-site review.*

(1) In accordance with procedures adopted by the state board, each on-site review team shall examine and analyze the self-study report, conduct an on-site review, and prepare a report expressing the findings and conclusions of the review team. The on-site review team report shall be submitted to the commissioner who shall forward the report to the evaluation review committee and to an appropriate representative of the teacher education institution.

(2) Any such institution may prepare a written response to the on-site review team report. Any such response shall be prepared and submitted to the commissioner within 30 days of receipt of the on-site review team's report. The commissioner shall forward any such response to the evaluation review committee.

(d) *Initial recommendation.* The evaluation review committee, in accordance with procedures adopted by the state board, shall examine and analyze the institutional self-study report, the on-site review team report, the response by the institution to the on-site review team's report, if any, and any other relevant information properly brought to its attention. The committee shall then prepare a written initial recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

(e) *Request for hearing.*

(1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the commissioner for a hearing before the evaluation review committee to appeal the initial recommendation of the committee. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner who shall submit the final recommendation to the state board for its consideration and determination.

(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. In any such situation, the commissioner shall submit the recommendation of the evaluation review committee to the state board for its consideration and determination.

(f) *Approval status.*

(1) The status assigned to any teacher education program pursuant to this regulation shall be approved, provisionally approved, or not approved.

(2) Subject to subsequent action by the state board, the assignment of approved status to a teacher education program shall be effective for five academic years. The state board, at any time, may change the status of an approved program if, after providing an opportunity for a hearing, it is found that the institution has failed to meet any program standard adopted by the state board or has made a material change in an approved program. The state board, for just cause, may extend the approved status of a program, and the status of an approved program shall be extended automatically if, at the end of the current approval period, the program is in the process of being reevaluated by the state board. Any extension of approved status shall be counted as part of any subsequent approval period of a program.

(3)(A) Provisionally approved status shall be effective for one academic year, but may be assigned to a program for a total of three, consecutive academic years.

(B) If any program of a teacher education institution is provisionally approved, the institution shall submit to the commissioner, on or before March 1, a report which indicates the steps the institution has taken and the progress the institution has made during the current academic year to meet program standards.

(C) The commissioner shall submit any such report to the evaluation review committee for its examination and analysis. After such examination and analysis, the evaluation review committee shall prepare a written initial recommendation regarding the status to be assigned to the teacher education program for the succeeding academic year or years. The recommendation shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. Thereafter, the provisions in subsection (e) of this regulation shall be applicable.

(D) For certification purposes, each teacher education program that is provisionally approved shall be considered to be approved. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective P-____.)

State of Kansas Secretary of State

I, Bill Graves, Secretary of State of the State of Kansas, do hereby certify that each of the following bills is a correct copy of the original enrolled bill now on file in my office.

In Testimony Whereof, I have hereunto subscribed my name and affixed my official seal.

Bill Graves
Secretary of State

(Published in the Kansas Register, May 9, 1991.)

SENATE BILL No. 122

AN ACT concerning school districts; authorizing the levy of a technology education tax subject to certain conditions and limitations; relating to expenditures for which bids are required and providing for certain exemptions; amending K.S.A. 1990 Supp. 72-6760 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) The board of education of any school district may make an annual tax levy for a period of not to exceed six years in an amount not to exceed two mills upon the taxable tangible property in the school district for the purposes specified in this act and for the purpose of paying a portion of the principal and interest on bonds issued by cities under the authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects

(continued)

upon property located within the school district. Subject to the provisions of subsection (b), no levy shall be made under this act until the board of education has submitted the question of whether the tax levy shall be authorized to the electors of the school district at an election called for the purpose and the levy of the tax has been approved by a majority of the qualified electors voting at such election. The ballot shall specify the purposes for which the tax shall be levied, the mill rate of such tax, and the period of time for which such tax shall be levied.

(b) In lieu of holding the election provided for under subsection (a), the board of education may adopt a resolution authorizing the tax levy specified in subsection (a). The resolution shall be adopted in the following form:

Unified School District No. _____ County, Kansas.

RESOLUTION

Be It Resolved that:

The above-named board of education shall be authorized to make an annual tax levy for a period not to exceed _____ years at a mill rate not to exceed _____ mill[s] upon the taxable tangible property in the school district for the purpose of developing, implementing or enhancing technology education programs and for acquiring equipment necessary for such programs and for the purpose of paying a portion of the principal and interest on bonds issued by cities under the authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the school district. The tax levy authorized by this resolution may be made, unless a petition in opposition to the same, signed by not less than 5% of the qualified electors of the school district, is filed with the county election officer of the home county of the school district within 30 days after the last publication of this resolution. If a petition is filed, the county election officer shall submit the question of whether the tax levy shall be authorized to the electors in the school district at an election called for the purpose or at the next general election, as is specified by the board of education of the above school district.

CERTIFICATE

This is to certify that the above resolution was duly adopted by the board of education of Unified School District No. _____ County, Kansas, on the _____ day of _____, 19____.

Clerk of the above board of education.

All of the blanks in the above resolution shall be appropriately filled. The blank preceding the word years shall be filled with a specific number, and the blank preceding the word mill[s] shall be filled with a specific number or fraction of a number, and no word shall be inserted in either of the blanks. The resolution shall be published once a week for two consecutive weeks in a newspaper having general circulation in the school district. If no petition as specified above is filed in accordance with the provisions of the resolution, the board of education may make the tax levy specified in the resolution. If a petition is filed as provided in the resolution, the board of education may notify the county election officer of the date of an election to be held to submit the question of whether the tax levy shall be authorized. If the board of education fails to notify the county election officer within 60 days after a petition is filed, the resolution shall be deemed abandoned and no like resolution shall be adopted by the board of education within the nine months following the first publication of the resolution.

(c) As used in this act, the term "unconditionally authorized to make a technology education tax levy" means that the school district has held the election provided for under subsection (a) and that the tax levy has been approved by a majority of the qualified electors of the school district who voted at such election or that the school district has adopted a resolution under subsection (b), has published the same, and either that the resolution was not protested or that it was protested and an election was held by which the tax levy specified in the resolution was approved; and the term "technology education program" means a program to incorporate electronic computer and communications technologies into educational programs of the school district, including improvement and integration of on-line information management and communications systems in all application areas.

New Sec. 2. (a) There is hereby established in every school district of the state a fund which shall be called the technology education fund. The technology education fund shall consist of all moneys deposited therein in accordance with law. The proceeds of any tax levied under section 1, except for an amount to pay a portion of the principal and interest on bonds issued by cities under the authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the school district, shall be deposited in the technology education fund of the school district making such levy.

(b) Any moneys in the technology education fund of any school district and any moneys received from issuance of bonds under authority of this act, may be used for the purpose of developing,

implementing or enhancing technology education programs and for acquiring equipment necessary for such programs. The board of education of any school district is hereby authorized to invest any portion of the technology education fund of the school district which is not currently needed in investments authorized by K.S.A. 12-1675, and amendments thereto, in the manner prescribed therein or may invest the same in direct obligations of the United States government maturing or redeemable at par and accrued interest within three years from date of purchase, the principal and interest whereof is guaranteed by the government of the United States. All interest received on any such investment shall upon receipt thereof be credited to the technology education fund.

New Sec. 3. Any school district which is unconditionally authorized to make a technology education tax levy, in lieu of making all or part of such tax levy, may issue and sell general obligation bonds in the manner provided by the general bond law, except that such bonds shall be issued to mature in not more than six years and except that no election shall be required. In the event that bonds are issued under authority of this section, the amount of the bonds which may be issued shall be determined as follows:

(a) Subject to the provisions of subsection (b), the amount of the bonds shall not exceed the amount of the product which results from multiplying two mills times six times the assessed valuation of the taxable tangible property in the school district at the time the bonds are issued, less the sum of all amounts specified in subsections (c), (d) and (e) of this section.

(b) If the tax levied under section 1 was authorized to be levied at a lesser mill rate than two mills or for a lesser number of years than six, the number two or the number six, respectively, in subsection (a) of this section shall be reduced accordingly.

(c) The amount of bonds shall be reduced by all amounts which have been or will be received by the school district from any tax levy made under authority of section 1 before such bonds are issued.

(d) The amount of bonds shall be reduced by the estimated amount of interest to be paid on the bonds.

(e) The amount of bonds shall be reduced by an amount equal to the amount of unpaid principal on bonds which have theretofore been issued under this section.

New Sec. 4. Bonds issued under authority of this act shall not be subject to or within any bonded debt limitation prescribed by law and, in determining the amount of bonded indebtedness of any school district, bonds issued under this act shall not be considered.

New Sec. 5. If any school district is unconditionally authorized to make a technology education tax levy, but the board of education of such school district chooses, in any year, not to make such tax levy, or chooses to make a smaller tax levy for such purpose, such board of education may do so. If the board of education of any school district refrains from making a levy in any one or more years or refrains from making the full levy which it is authorized to make under section 1, the authority of such school district to make a technology education tax levy shall not thereby be extended beyond the original period authorized under section 1, nor shall the mill rate of the tax authorized in any succeeding year be increased thereby.

New Sec. 6. Whenever the board of education of any school district has been unconditionally authorized to make a technology education tax levy and the tax was levied at a lesser mill rate than two mills or for a lesser number of years than six, the board of education may renew its authority to make such tax levy under the same procedure as is provided in section 1 for the initial authorization and subject to the same conditions and for the same purposes as provided in section 1, and shall be authorized to make an additional tax levy as authorized for the remainder of the six years succeeding the initial authorization. Any such renewed authorization shall be limited in amount as specified in section 1, less such amount as has been initially authorized, and not to exceed two mills in any one year. If any such tax levy is approved under the conditions specified in section 1, the amount of bonds which may be issued under section 3 may be increased accordingly.

New Sec. 7. The board of education of any school district which has made a tax levy under section 1 may at any time after the final levy is certified to the county clerk under any current authorization, initiate procedures to renew its authority to make a like annual tax

levy in the amount and upon the conditions and in the manner specified in section 1, and at six-year intervals thereafter may in like manner and on like conditions renew such levy for successive six-year periods.

New Sec. 8. Any school district which is authorized to make a tax levy under section 7, may issue and sell general obligation bonds based upon and in lieu of making all or part of such tax levy. Any bonds issued under authority of this section shall be subject to like limitations as bonds issued under section 3, and shall be issued in the same manner.

New Sec. 9. The boards of education of any two or more school districts are hereby authorized to enter into a school district interlocal agreement in accordance with the provisions of K.S.A. 72-8230, and amendments thereto, for the purpose of jointly and cooperatively providing technology education programs in such school districts. Any school district having a technology education program in operation or having a plan to develop, implement or enhance such program shall, upon request, share information on the research, development and operation of such programs with other school districts.

Sec. 10. K.S.A. 1990 Supp. 72-6760 is hereby amended to read as follows: 72-6760. (a) No expenditure involving an amount greater than \$10,000 for construction, reconstruction or remodeling or for the purchase of materials, goods or wares shall be made by the board of education of any school district except upon sealed proposals, and to the lowest responsible bidder.

(b) The provisions of subsection (a) do not apply to expenditures by a board of education for the purchase of:

- (1) Services;
- ~~(1)~~ (2) products required to be purchased under the provisions of K.S.A. 75-3317 ~~to through~~ 75-3322, ~~inclusive~~; and amendments thereto;
- ~~(2)~~ (3) educational materials directly related to curriculum and secured by copyright;
- ~~(3)~~ (4) motor fuels required to provide or furnish transportation; ~~and~~
- ~~(4)~~ (5) perishable foods and foodstuffs required for operation of a school lunch program;
- ~~(5)~~ (6) articles, or products or services that are produced, manufactured or provided by inmates under the prison-made goods act of Kansas;
- ~~(6)~~ services; (7) materials, goods or wares required for reconstructing, remodeling, repairing or equipping buildings when such purchase has been necessitated by the occurrence of a loss against which the board of education has purchased property or casualty insurance; and
- ~~(7)~~ (8) materials, goods, or wares or services which are purchased;

(A) From vendors who have entered into contracts with the state director of purchases pursuant to state purchasing statutes for purchases by state agencies; and

(B) under the same pricing provisions established in the state contracts, subject to agreement of the vendor to honor the state contract prices.

(c) Whenever the board of education of any school district lets bids for the purchase of materials, goods or wares and bids are submitted by bidders domiciled within the school district and by bidders domiciled outside the school district and the low bid is submitted by a bidder domiciled outside the school district, the school district domiciliary which submitted the lowest bid may be deemed the preferred bidder and awarded the bid if:

- (1) The quality, suitability and usability of the materials, goods or wares are equal; ~~and~~
- (2) the amount of the bid of the school district domiciliary is not more than 1% greater than the amount of the low bid; and
- (3) the school district domiciliary agrees to meet the low bid by filing a written agreement to that effect within 72 hours after receiving notification of being deemed the preferred bidder.

(d) The provisions of subsection (c) do not apply to expenditures for construction, reconstruction or remodeling.

Sec. 11. K.S.A. 1990 Supp. 72-6760 is hereby repealed.

Sec. 12. This act shall take effect and be in force from and after its publication in the Kansas register.

HOUSE BILL No. 2463

AN ACT relating to securities; increasing the fee for an application or filing for any exemption from securities registration; amending K.S.A. 17-1259 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 17-1259 is hereby amended to read as follows: 17-1259. (a) When securities are registered by notification or by coordination or by qualification, they may be offered and sold by a registered agent of the insurer or by any registered broker-dealer. Every registration shall remain effective for one year after its effective date unless the commissioner by rule or order extends the period of effectiveness or until terminated upon request of the registrant with the consent of the commissioner. No registration is effective while a stop order is in effect under K.S.A. 17-1260, and amendments thereto. So long as a registration remains effective, all outstanding securities of the same class shall be considered to be registered for the purpose of any nonissuer distribution. ~~A Any registration statement relating to a security issued by a face amount certificate company or a redeemable security issued by an open-end management company or unit investment trust, as those terms are defined in the investment company act of 1940, may be amended after its effective date so as to increase the securities specified therein as proposed to be offered. The commissioner may permit the omission of any document or item of information from any registration statement. Upon completion of a registered offering a registrant shall file a final report of sales.~~

(b) (1) Every person filing a registration statement shall pay a fee of .05% of the maximum aggregate offering price at which the securities are to be offered in this state, but not less than \$100 or more than ~~\$1,500~~ \$2,500 for each year of effectiveness. ~~The commissioner shall establish registration fees by rules and regulations.~~ The commissioner may by rule and regulation set the maximum amount of securities that may be registered at any one time by a face-amount certificate company or an open-end management company or unit investment trust, as those terms are defined in the investment company act of 1940. If a registration statement is voluntarily withdrawn prior to being examined by the staff of the commissioner, the commissioner may refund 50% of the fee so paid.

(2) Every person filing an application to amend or extend an effective registration statement shall pay a fee of \$100. If an application to amend increases the maximum aggregate offering price of securities to be offered in this state, an additional fee shall be paid based upon the increase in such price calculated in accordance with the rate and annual minimum and maximum fees specified in paragraph (1) of this section.

(3) The commissioner may by rule and regulation set a fee not to exceed ~~\$100~~ \$2,500 for an application or filing made in connection with any exemption from securities registration.

(c) The commissioner at the time of the granting of the authorization to sell securities as herein provided, may determine and fix the maximum amount that may be paid as or in the way of commission, advertising expense and all other expenses from the sale of such securities.

(d) Before any authorization to sell securities shall be issued by the commissioner as herein provided, all stock or securities of any kind issued, or to be issued, for consideration less than the public offering price or for consideration other than cash may be required to be deposited in escrow according to such conditions as the commissioner shall provide by rule and regulation.

(e) The commissioner shall keep a register showing the issuer, date of registration, amount in number of dollars, of the securities registered.

(f) Neither the commissioner nor any employee of the securities department shall be interested as an officer, director, or stockholder in securing any authorization to sell securities under the provisions of this act.

(g) Upon termination of a registration the filing of a final report as required by section (a) shall satisfy the filing requirements of ~~subsection (m)(3) of K.S.A. 17-1261(m)(3),~~ and amendments thereto.

Sec. 2. K.S.A. 17-1259 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

(Published in the Kansas Register, May 9, 1991.)

HOUSE BILL No. 2625

AN ACT concerning the attorney general's antitrust special revenue fund; providing for annual transfers to the state general fund of certain amounts; amending K.S.A. 75-716 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 75-716 is hereby amended to read as follows: 75-716. (a) Except as otherwise provided by law, any moneys in the "attorney general's antitrust special revenue fund" shall be disbursed by the director of accounts and reports in the manner provided by law, upon order of the attorney general, for the payment of any expense incurred by the attorney general in the prosecution of antitrust actions. Such expenses shall include, but not be limited to, professional and witness fees, deposition costs, investigation, travel and subsistence, or any other expense reasonably related to enforcement of such laws, whether incurred pursuant to the recovery of money or enforcement through other civil or criminal remedies.

(b) On each June 30, the attorney general shall determine the amount of moneys credited to the attorney general's antitrust special revenue fund which is in excess of the amount authorized by the legislature to be expended from such fund for the ensuing fiscal year and shall certify such amount to the director of accounts and reports. Upon receipt of such certification, the director of accounts and reports shall transfer the amount certified from the attorney general's antitrust special revenue fund to the state general fund.

Sec. 2. K.S.A. 75-716 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

(Editor's Note: The following bill, HB 2456, was published in the May 2, 1991, Kansas Register and contained a paste-up error in which several sections of the bill were printed in the wrong order. The bill is reprinted below in its correct form.)
