Opinion No. 91-57

Automobiles and Other Vehicles—Uniform Act Regulating Traffic; Rules of the Road; Serious Traffic Offenses—Driving Under Influence of Alcohol or Drugs; Penalties; Work Release.

State Departments; Public Officers and Employees—Department of Corrections; Community Corrections Act—Required Participation by Counties in Community Corrections; Powers of Counties or Groups of Counties Under Act; Work Release Programs. Linda P. Jeffrey, Shawnee County Counselor, Topeka, May 24, 1991.

A conviction for a third or subsequent violation of K.S.A. 1990 Supp. 8-1567 requires that the offender serve a 90-day sentence. The offender must serve 48 consecutive hours imprisonment. Any subsequent time served in a work release program may be counted towards fulfilling the 90-day sentence provided the work release program requires such offender be confined at the end of each day. A planning unit may

(continued)

enter into an agreement with a private agency for the purpose of operating a work release program identified in the planning unit's comprehensive plan for community correctional services programs. Opinion No. 91-58

Cities and Municipalities—Public Recreation and Playgrounds—Recreation Commission; Annual Budget; Hearings; Notice; Tax Levy; Increase in Levy, Subject to Protest. Steve Smyth, President, Spring Hill Recreation Commission, Spring Hill, May 29, 1991.

Due to reappraisal, Spring Hill Recreation Commission levied only .567 mills in its first year of operation (1989), rather than the one mill authorized by K.S.A. 1990 Supp. 12-1925. Under K.S.A. 1990 Supp. 12-1927, any increase in the levy of a recreation commission is limited to one mill "above the current levy." Accordingly, where the current levy is .567 mills, Spring Hill Recreation Commission may increase the levy for the next year to a maximum of 1.567 mills. Opinion No. 91-59

Elections—Recall of Elected Officials; Local Officers—Grounds for Recall; County or District Attorney to Determine Sufficiency of Grounds; Constitutionality. Senator Ben E. Vidricksen, 24th District, Salina, May 29, 1991.

The legislature is authorized pursuant to article 4, section 3 of the Kansas constitution to prescribe the grounds and procedures for recall of elected public officials. The procedure set forth by the legislature obligates the county or district attorney to determine the sufficiency of the grounds asserted in a petition seeking the recall of a local officer. The county or district attorney does not determine whether the local officer should be subject to recall. Rather, the county or district attorney determines whether the grounds are set forth with sufficient particularity so as to permit the local officer an opportunity to prepare a statement in justification of the officer's conduct in office. Cited herein: K.S.A. 25-4301; K.S.A. 1990 Supp. 25-4302; K.S.A. 25-4312; K.S.A. 1990 Supp. 25-4320; K.S.A. 25-4326; 25-4329; 25-4331; Kan. Const., Art. 4, § 3. RDS

Opinion No. 91-60

Townships and Township Officers—Hospitals and Health Care Facilities; Health Care Facilities and Services Hospital Districts—Conversion of County Hospital. H. Scott Beims, Rawlins County Attorney, Atwood, May 29, 1991.

A county hospital need not terminate operations completely before converting to a health care facilities and services district pursuant to K.S.A. 80-2550 *et seq.* In our opinion, absent a statutory mechanism, a resolution adopted by the board of county commissioners and the present board of trustees of the hospital should

suffice to effectuate such a conversion. The county may also wish to consider holding an advisory election on the issue. Cited herein: K.S.A. 19-4601; 19-4625; 65-425; 80-2550; 80-2552. CN

Opinion No. 91-61

Counties and County Officers—Planning and Zoning; Planning and Zoning in Counties—Home Rule. Representative Joan E. Adam, 48th District, Atchison, May 30, 1991.

The Board of Atchison County Commissioners may enact a moratorium on the establishment of a salvage yard as long as such moratorium is enacted in good faith, without discrimination, and bears a reasonable relationship to the public health, safety and general welfare. Cited herein: K.S.A. 19-101; 19-2919; 19-2921; 68-2202. MJS

Opinion No. 91-62

Automobiles and Other Vehicles—Uniform Act Regulating Traffic on Highways—Size, Weight and Load of Vehicles, Permits for Excess Size and Weight. Gary Stotts, Secretary, Department of Transportation, Topeka, May 30, 1991.

The Federal-Aid Highway Act of 1956, as amended and codified at 23 U.S.C. § 127, contains a grandfather clause which has been interpreted by the courts to provide that a state may allow divisible loads in excess of 80,000 pounds today if in 1956 state statutes or regulations would have permitted the issuance of special permits for divisible excess loads, regardless of actual state practice at that time. Congress has acquiesced in this broad interpretation. K.S.A. 8-5,122 (Corrick, 1956) was broad enough to authorize the issuance of special permits for divisible loads. Therefore, the Kansas Department of Transportation can do so now pursuant to the grandfather clause. Cited herein: K.S.A. 8-5,122 (Corrick, 1956); K.S.A. 1990 Supp. 8-1911. GE

Opinion No. 91-63

Public Health—Controlled Substances; Uniform Controlled Substances Act—Unlawful Acts; Possession of Methamphetamine. Paul J. Morrison, Johnson County District Attorney, Olathe, June 4, 1991.

Possession of methamphetamine under the uniform controlled substances act, K.S.A. 65-4101 *et seq.*, is a class C felony as of July 1, 1990. Cited herein: K.S.A. 1990 Supp. 65-4107; 65-4127a; 65-4127b; 65-4127f; 65-4127g, as amended by 1991 House Bill No. 2365; 65-4159. KGS

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, July 16, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of regulations of the Kansas Department of Health and Environment. The regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic impact follows:

K.A.R. 28-4-530. Definitions. This regulation defines terms relative to the program which provides for the early identification of hearing impaired infants and high risk infants in medical care facilities in Kansas.

K.A.R. 24-4-531. Risk screening procedures. This regulation describes the screening procedures for high risk for hearing impairment to be used by medical care facilities for all newborns; describes the follow-up procedures to be used by medical care facilities when a newborn is identified as at high risk for hearing impairment; and describes the follow-up procedures to be used by medical care facilities when a newborn is identified as not at high risk for hearing impairment.

Kansas medical care facilities shall provide risk screening using the high risk criteria questionnaire provided by the Kansas Department of Health and Environment. The risk criteria are those identified by the national Joint Committee on Infant Hearing. For those newborns identified to be at high risk for hearing impairment, the medical care facility shall provide information to the parent relative to the effects of hearing loss on language development and resources for follow-up hearing evaluation (information developed by the Kansas Department of Health and Environment).

The proposed new regulations play a key role in initiating early medical and educational intervention critical for the optimal development of communication and social skills in children with hearing impairments. The economic impact analysis of these regulations continues to be minimal.

Copies of the proposed new regulations and a complete economic impact statement pertaining to the proposal may be obtained by contacting Lorraine I. Michel, Ph.D., KDHE, Bureau of Family Health, Landon State Office Building, 10th Floor, 900 S.W. Jackson, Topeka 66612-1290, (913) 296-6134.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit such comments prior to the hearing to the address above. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit oral presentation to five minutes.

Temporary Administrative
Regulations

Article 2.—LOTTERY RETAILERS

111-2-13. (Authorized by and implementing K.S.A. 1988 Supp. 74-8710; effective, T-111-11-2-89, Oct. 17, 1989; revoked May 24, 1991.)

111-2-15. (Authorized by K.S.A. 1989 Supp. 74-8710; implementing 1989 Supp. 74-8708 and 74-8710; effective, T-111-11-29-90, Nov. 16, 1990; revoked May 24, 1991.)

111-2-18. On-Line Sales Promotion. In addition to compensation specified in K.A.R. 111-2-4 and 111-2-6, the Kansas Lottery may also offer the following as bonus incentives to enhance the sale of all on-line tickets:

(a) The on-line sales promotion will commence at 6:00 a.m. on May 30, 1991, and end at 11:59:59 p.m. on August 7, 1991.

(b) Each on-line retailer will be assigned a sales level designation, A through E, based upon retailers' "base sales average." The "base sales average" is arrived at by computing retailers' average on-line sales for the 10-week period ending May 15, 1991. For new on-line retailers, starting on-line sales after March 6, 1991, the "base sales average" will be the week with the highest sales occurring between March 6, 1991, and May 15, 1991.

(continued)

(c) Each sales level will be determined as follows:

| Sales Level | Average Weekly Sales Between |
|-------------|------------------------------|
| A | \$1800 and UP |
| B | \$1200 and \$1799.99 |
| C | \$800 and \$1199.99 |
| D | \$400 and \$ 799.99 |
| E | \$ 0 and \$ 399.99 |

(d) Retailers with a sales average under \$50.00 per week will be assigned a base sales average of \$50.00 for purposes of this promotion.

(e) There are four cash prizes in each sales level, first, second, third and fourth prizes. At the termination of the on-line sales promotion, retailers in each of the five sales levels will be ranked according to each retailer's cumulative per cent of sales increase between the base period and the ten-week promotion period to the nearest fraction of a per cent necessary to determine a winner. The retailer in each sales level with the greatest percentage increase will be the first prize winner, second highest percentage increase will be the second prize winner, third highest percentage increase will be the third prize winner and the fourth highest percentage increase will be the fourth prize winner.

(f) The prize winnings will be distributed as follows:

| Sales Level | Prize | Prize | Prize | Prize |
|-------------|---------|---------|--------|--------|
| A | \$2,000 | \$1,000 | \$ 600 | \$ 400 |
| B | 1,500 | 750 | 450 | 300 |
| C | 750 | 375 | 225 | 150 |
| D | 500 | 250 | 150 | 100 |
| E | 250 | 125 | 75 | 50 |

(g) All retailers who achieve an increase of 15% or more over their base average sales will be awarded one automatic entry into a random drawing to be held at the end of the promotion. The retailer whose entry is drawn shall be awarded a vacation package, consisting of:

(1) Round trip air fare for two to anywhere in the "lower 48 states" from either Kansas City or Wichita.

(2) Five nights' lodging at a maximum of \$100 per night.

(h) In the event of a percentage tie in any sales level, for any prize, the retailer with the highest dollar volume of on-line sales shall be awarded the appropriate prize.

(i) The drawing for the vacation package will be conducted under the supervision of lottery security at Lottery headquarters in Topeka, Kansas, on August 14, 1991. (Authorized by and implementing K.S.A. 1989 Supp. 74-8710; effective, T-111-5-28-91, May 24, 1991.)

111-2-19. Summer Getaway Giveaway Retailer Incentive. (a) In addition to compensation provided for in K.A.R. 111-2-4, the Kansas lottery shall also offer the "Summer Getaway Giveaway" retailer incentive promotion. It will be held in conjunction with the Kansas Lottery's "Summer Getaway Giveaway" drawing (K.A.R. 111-4-295 through 111-4-300).

(b) The retailer(s) who sold the tickets contained in a winning envelope shall receive or share an amount prorated and based on the percentage of those tickets they sold, as follows:

| | Players Receive | Retailers Receive or Share |
|------|-----------------|----------------------------|
| 1st: | \$5,000 | \$500 |

(c) The affidavit shall be placed in an envelope, sealed, and given to the director of security to hold in a secured file until the time designated by the executive director for the drawings.

(d) In the event the auditor fails to appear at the location of a lottery drawing or is unable to provide the services required, the executive director or the senior lottery official present shall designate a lottery staff person to serve as an auditor to perform the necessary services. (f) Once the individual has selected the appropriate

number of envelopes from each tray, the drum shall be sealed and the contents mixed by shaking or rotating.

(g) The designated individual shall then unseal the drum, and using the bare-arm technique, remove the number of envelopes specified in the rules and regulations of the drawing from the drum.

(h) The designated Kansas lottery security official shall unseal the envelopes removed from the drum and review the tickets inside to determine if they are eligible for the drawing in accordance with this regulation.

(i) If the tickets contained in the envelope are determined to be ineligible, the envelope removed shall be discarded, the drum resealed, and another envelope removed. This procedure will be repeated until all valid selections are obtained from the drum.

(j) Each valid entry, as it is obtained, shall be clearly marked in a permanent manner with a number. The number one (1) shall be placed on the first valid entry, the number two on the second valid entry, and so on until all valid entries are marked.

(k) All envelopes remaining in the drum and the mail trays after valid entries have been selected shall be destroyed.

(l) The valid entry envelopes shall be certified and secured in accordance with K.A.R. 111-3-21. (Authorized by and implementing K.S.A. 1989 Supp. 74-8710; effective, T-111-5-28-91, May 24, 1991.)

(continued)

111-4-288. Definitions. The following definitions shall apply to the "HIGH CARD" instant lottery game:

(a) "Play symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determine if the ticket bearer is entitled to a prize. In this instant game, the play symbols are printed in black ink in 10 pt. Archer bold. A play symbol appears in each of six play spots within the play area. Each play symbol for this instant game is one of the following: 9 - 10 - J - Q - K - A.

(b) "Play symbol captions" are the words or portions of words printed beneath each play symbol in the play area and are used to repeat or explain the play symbol. The play symbol caption associated with each play symbol is as follows:

| Play Symbol | Play Symbol Caption |
|-------------|---------------------|
| FREE | TICKET |
| 9 | NINE |
| 10 | TEN |
| J | JACK |
| Q | QUEEN |
| K | KING |
| A | ACE |

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is a 10-digit number which appears on the front of each instant ticket and will be covered by latex.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the bottom portion of the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a two letter code printed and appearing in two of six varying locations among the play symbols. The codes and their meanings are as follows: AA = FREE TICKET; ZZ = 3 FREE TICKETS; DD = \$2.00; KK = \$5.00; HH = \$6.00; GG = \$15.00; RR = \$25.00. (Authorized by and implementing K.S.A. 1989 Supp. 74-8710; effective, T-111-5-28-91, May 24, 1991.)

111-4-289. Determination of Instant Prize Winners. An instant prize winner is determined in this "beat the dealer" instant game when the player "scratches off" the removable layer of material covering the play area to reveal the three separate games, each containing a "YOUR CARD," area, a "DEALER'S CARD" area, and a "PRIZE" area. A solid line is imaged between Game 1 and 2, and between Game 2 and 3. "CARDS" in one game relate to that game only and not to either of the other two games. A player

can win up to three times on a single ticket. If "YOUR (player's) CARD" is higher than the "DEALER'S CARD" in a single game, the player wins the dollar amount shown in the prize area for that game. ACE is the highest card. (Authorized by K.S.A. 1989 Supp. 74-8710(b), (c) & (i); implementing K.S.A. 1989 Supp. 74-8710(b), (c) & (i) and 74-8720 (b) & (d); effective, T-111-5-28-91, May 24, 1991.)

111-4-290. Number and Value of Instant Prizes. (a) There will be approximately 3,600,000 tickets ordered for this instant game. The expected number and value of the instant prizes are as follows:

| Prizes | Expected Number of Prizes in Game | Expected Value in Game |

| \$ 15 (5+5+5) | 12,000 | 180,000 |
| \$ 25 | 12,000 | 300,000 |
| \$ 75 (25+25+25) | 1,200 | 90,000 |

| \$ 300 (100+100+100) | 180 | 54,000 |
| \$1000 | 72 | 72,000 |
| | <u>709,812</u> | <u>\$1,596,000</u> |

(b) The executive director may terminate the sale of tickets prior to the complete sale of all tickets. In this event, the number and value of prizes will be approximately proportional to the number of tickets actually sold.

(c) All prizes are subject to deductions provided by law. (Authorized by K.S.A. 1989 Supp. 74-8710(b), (c) & (f); implementing 74-8710(b), (c) & (f); and 74-8720; effective, T-111-5-28-91, May 24, 1991.)
