Public Notice

Agencies, organizations and interested community groups in Cowley, Seward, Montgomery, Sedgwick, Shawnee and Wyandotte counties are invited and encouraged to submit an application for funding for a teen pregnancy prevention project. The application must demonstrate that groups, agencies and organizations have worked closely together and show a commitment of matching funding as well as a commitment to continue the effort after funding has ended. This is a three-year grant subject to state appropriations on an annual basis.

The 1991 Kansas Legislature appropriated funding in the amount of \$100,000. Based on current budget uncertainties, one or two projects will be funded. These projects should be designed to develop effective interventions for the prevention of teen pregnancy with a budget up to \$50,000. The proposal for the Kansas projects is based upon a model in South Carolina that clearly demonstrated a significant reduction in teen pregnancy rates in one rural county.

For more information and a copy of the grant application guidance materials, contact the Kansas Department of Health and Environment, Bureau of Family Health, Landon State Office Building, 900 S.W. Jackson, Topeka 66612-1290, (913) 296-1237 or (913) 296-1307.

The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards and regulations of the state of Kansas and the EPA. The permit requires control of any existing or potential discharges to achieve the goal of "no discharge" whenever possible. Year (September 1)	Principal Amount
1992	\$158,000
1993	160,000
1994	160,000
1995	160,000
1996	160,000

1998	160,000
1999	160,000
2000	160,000
2001	160,000

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1992.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on September 1, 1997, and thereafter will be subject to redemption and payment prior to maturity on September 1, 1996, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected, by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city

shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States certified mail to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. Thereafter the paying agent and bond registrar will notify the owners of the bonds of the city's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly *MuniWeek*, f/k/a *Credit Markets*, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the city. The bonds will be general obligations of the city payable as to both principal and interest in part from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

(continued)

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations for taxable years beginning after December 31, 1989, in the calculation of alternative minimum taxable income with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds may also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will

deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about August 21, 1991, at such bank or trust company in the state of Kansas or the greater metropolitan area of Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 1 p.m. C.D.T. on July 17, 1991. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 1 p.m. C.D.T. on July 17, 1991, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$31,960 payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If the bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city, and the city reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall

constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bond Ratings

The outstanding general obligation bonds of the city are rated "A1" by Moody's Investor's Service, and the city has applied for rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at city hall and must be received by the undersigned prior to 10 a.m. C.D.T. on Tuesday, July 9, 1991.

Date and Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the successful bidder (the underwriter) and the price or yield at which the underwriter will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the underwriter a reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the underwriter's expense. If the sale of the bonds are awarded to a syndicate, the city will designate the senior managing underwriter of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating underwriters for the purpose of assuring the receipt and distribution by each such participating underwriter of the final official statement.

The city will deliver to the underwriter on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1990 is \$111,427,296. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$14,115,000, including, as of the date of the bonds, temporary notes outstanding in the principal amount of \$1,657,000, all of which will be retired out of the proceeds of the bonds herein offered for sale with the balance being payable from other legally available and unencumbered funds of the city.

Any exempt recipient may volunteer for participation in the KanWork program. The geographic areas in the state and the public assistance programs in which the KanWork requirements are to be enforced shall be designated by the secretary. The administration of the KanWork program shall be within the limits of appropriations. (a) Exemptions. The persons listed below shall be exempt from the KanWork requirements:

(1) Any person who is ill, when determined on the basis of medical evidence or another sound basis that the illness or injury is serious enough to temporarily prevent entry into employment or training;

(2) any person who is incapacitated, when verified that a physical or mental impairment, determined by a physician or a licensed or certified psychologist, by itself or in conjunction with age, prevents the individual from engaging in employment or training. When an individual claims exempt status due to incapacity, but medical verification is needed to establish the incapacity, the individual shall be regarded as temporarily exempt for a period not to exceed 30 days while the individual's status is being verified. If verification is not provided because of a legitimate delay in obtaining an examination by or a consultation with a medical practitioner, the temporary exemption period shall be extended for a period not to exceed 15 days;

(3) any person who is 60 years of age or older;

However, if normal round trip commuting time in the area is more than two hours, then the round trip commuting time shall not exceed the generally accepted community standards;

(10) any parent or other caretaker of a child when another adult relative in the plan is participating in the KanWork program and the youngest child in the plan is under the age of three. If all children in the plan are age three or older, both parents shall be required to participate in the KanWork program; and

(11) any person who is a full-time volunteer serving under the Volunteers In Service To America (VISTA) program.

Education and training activities include such elements as vocational training, adult basic education, literacy training, general educational development, and post-secondary education and training.

(4) Work supplementation. Each assigned recipient shall participate in a work supplementation program in which an employer receives a wage subsidy from money diverted from public assistance grants for employing program participants.

Transitional services shall include, but are not limited to, child care and transportation, as outlined in K.A.R. 30-4-120(a)(4), and medical assistance, as outlined in K.A.R. 30-6-65(n).

(e) Penalty. When a person who is required to participate in the KanWork program fails without good cause to participate in the program or refuses without good cause to accept employment, or terminates employment or reduces earnings without good cause, the individual shall be ineligible for assistance. In ADC-UP and GA, the spouse of the individual or the other parent in the household shall also be ineligible unless the spouse or the other parent is a KanWork participant. In GA, a potential employment penalty, as set forth in K.A.R. 30-4-58(d), shall be considered in combination with any other KanWork penalty. The period of ineligibility shall be as follows:

(3) for any subsequent failure or refusal, until the failure or refusal ceases, or six months, whichever is longer.

(f) Good cause. The individual shall be determined to have good cause for failing to participate in the program, refusing to accept employment, terminating employment, or reducing earnings if the individual has presented verification that one of the criteria listed below has been met:

(1) The person is exempt from participation in the program;

(2) there was no bona fide offer of employment or training;

(4) the work or training was so dangerous or hazardous according to OSHA standards as to make the refusal or termination a reasonable one;

(8) the assignment for training was not within the scope of the agency-approved plan;

(9) the total daily commuting time to and from home to the work or training site to which the individual is assigned exceeds two hours, not including the transporting of a child to and from a child care facility. If a longer commuting distance is generally accepted in the community, the round trip commuting time shall not exceed the generally accepted community standards; or

The administration of the work programs shall be within the limits of appropriations.

(a) Exemptions. The persons listed below shall be exempt from the work requirements:

(1) Any person who is ill, when determined on the basis of medical evidence or another sound basis that the illness or injury is serious enough to temporarily prevent entry into employment or training;

(2) any person who is incapacitated, when verified that a physical or mental impairment, determined by a physician or a licensed or certified psychologist, by itself or in conjunction with age, prevents the individual from engaging in employment or training. When an individual claims exempt status due to incapacity, but medical verification is needed to establish the incapacity, the individual shall be regarded as temporarily exempt for a period not to exceed 30 days while the individual's status is being verified. If verification is not provided because of a legitimate delay in obtaining an examination by or a consultation with a medical practitioner, the temporary exemption period shall be extended for a period not to exceed 15 days.

(3) any person who is 60 years of age or older;

(4) any person who is needed in the home because another member of the household requires the individual's presence due to illness or incapacity and no other appropriate member of the household is available to provide the needed care;

(5) any parent or other relative who is personally providing care for a child under age three, except that a custodial parent shall not be exempt from the educational component if the parent is under age 20, does

not possess a high school diploma or its equivalent, and is not otherwise exempt. Only one person or other relative in a case may be exempt for providing care for a child under age three. This exemption cannot be claimed if the other parent or caretaker relative in the home or the stepparent in the plan is exempt from the work program requirements for another reason and is available and capable of providing child care;

(6) any person who is employed full-time, unless the employment was obtained during current participation in the program. Employment is considered to be full-time when the person is employed 30 or more hours a week and is earning at least the federal minimum wage;

(7) any child who is under age 16 or who attends full-time an elementary, secondary, vocational or technical school. This exemption shall not apply to a child age 16 or older who:

(A) Is a custodial parent who does not possess a high school diploma or its equivalent; or

(B) attends full-time an elementary, secondary, vocational or technical school as a required work program activity;

(8) any woman who is three or more months pregnant;

(9) any person who resides in an area of the state where the work program is available, but in a location which is so remote that effective participation is precluded. The individual shall be considered remote if a round trip of more than two hours by reasonably available public or private transportation, exclusive of time necessary to transport children to and from a child care facility, would be required for a normal work or training day. However, if normal round trip commuting time in the area is more than two hours, then the round trip commuting time shall not exceed the generally accepted community standards;

(10) any parent or other caretaker of a child when another adult relative in the plan is participating in the work program and the youngest child in the plan is under the age of three. If all children in the plan are age three or older, both parents shall be required to participate in the work program; and

(11) any person who is a full-time volunteer serving under the Volunteers In Service To America (VISTA) program.

(b) Participation requirements. Each assigned recipient shall participate in one or more components of an agency-approved, work-related program directed toward a plan of self-sufficiency. The components of the work program may include, but are not limited to, the following:

(1) Job search. Each assigned recipient shall participate in job search activities which may include agency-approved job clubs, supervised and unsupervised job search activities, job referral and placement services, and employment counseling.

(2) Community work experience program (CWEP). Each assigned recipient shall participate in CWEP activities which may include the opportunity to regain work skills, learn new skills, test interest and skills on the job, gain a work history, and obtain a work reference.

(3) Education and training. Each assigned recipient shall participate in education and training activities which are aimed at facilitating a recipient's movement toward self-sufficiency and employment retention. Education and training activities include such elements as vocational training, adult basic education, literacy training, general educational development, and post-secondary education and training.

(c) Support services. Support services shall be provided to participants. Support services shall include, but are not limited to:

(1) Transportation expenses, as outlined in K.A.R. 30-4-120(a)(1);

(2) day care expenses, as outlined in K.A.R. 30-4-120(a)(2); and

(3) education and training expenses, as outlined in K.A.R. 30-4-120(a)(3).

(d) Transitional services. Transitional services shall be provided to each participant and to members of the participant's assistance family group who lose eligibility for ADC or APW due to the participant's employment. Transitional services shall include, but are not limited to, child care, as outlined in K.A.R. 30-4-120(a)(4), and medical assistance, as outlined in K.A.R. 30-6-65(n).

(e) Penalty. When a person who is required to participate in the work program fails without good cause to participate in the program, refuses without good cause to accept employment, or terminates employment or reduces earnings without good cause, the individual shall be ineligible for assistance. In ADC-UP and GA, the spouse of the individual or the other parent in the household shall also be ineligible unless the spouse or the other parent is a work program participant. In GA, a potential employment penalty, as set forth in K.A.R. 30-4-58(d), shall be considered in combination with any work program penalty. The period of ineligibility shall be as follows:

(1) For the first such failure or refusal, until the failure or refusal ceases;

(2) for the second such failure or refusal, until the failure or refusal ceases, or three months, whichever is longer; and

(3) for any subsequent failure or refusal, until the failure or refusal ceases, or six months, whichever is longer.

(f) Good cause. The good cause criteria set forth in K.A.R. 30-4-63(f) shall be used in determining good cause for the work program requirements. The effective date of this regulation shall be July 1, 1991. (Authorized by and implementing K.S.A. 1990 Supp. 39-708c, 39-7,103; effective Oct. 1, 1989; amended Jan. 2, 1990; amended, T-30-3-29-90, April 1, 1990; revoked, T-30-7-2-90, July 2, 1990; amended, T-30-7-2-90, July 2, 1990; revoked, T-30-8-14-90, Oct. 1, 1990; amended Oct. 1, 1990; amended Jan. 7, 1991; amended, T-30-6-10-91, July 1, 1991.)

30-4-90. Eligibility factors specific to the general assistance (GA) program. (a) Each applicant or recipient shall meet the applicable general eligibility requirements of K.A.R. 30-4-50, and the specific

(continued)

eligibility requirements set forth below, to be eligible for GA.

(1) Each applicant or recipient, and the members of the assistance family group for whom the applicant or recipient is legally responsible, shall be ineligible for GA if the applicant or recipient:

(A) Is eligible for a federal program; or

(B) has been rendered ineligible for a federal program due to a voluntary action on the part of the applicant or recipient.

(2) Each applicant or recipient and the members of the assistance family for whom the applicant or recipient is legally responsible shall be ineligible for GA if the applicant or recipient:

(A) Refuses to accept a referral to the vocational rehabilitation program;

(B) is eligible for vocational rehabilitation program services and has refused services; or

(C) has been rendered ineligible for vocational rehabilitation program services due to a voluntary action on the part of the applicant or recipient.

(3) Each applicant or recipient, and the members of the assistance family for whom the applicant or recipient is legally responsible, shall be ineligible for GA if the applicant or recipient:

(A) Is eligible for vocational rehabilitation program benefits related to maintenance; or

(B) has been rendered ineligible for these benefits due to a voluntary action on the part of the applicant or recipient.

(4) Each applicant or recipient and all persons for whom the applicant or recipient is legally responsible, if living together, shall be within at least one of the following categories to be eligible for GA:

(A) Parents and their minor children who are living together provided the parents are not voluntarily unavailable for employment. A person shall not be considered voluntarily unavailable for employment if the person is attending high school full-time or is participating in an agency-approved work related activity. Assistance under this provision may not be denied solely because a person is participating in post-secondary education or training activities during other than normal working hours. Assistance under this provision shall also be granted to non-ADC children who are living with a conservator or a personal representative who is not within the degree of relationship for ADC;

(B) a person who has a physical or mental disability which constitutes a substantial handicap to gainful employment and is expected to last at least six months from the date of onset. The disability must be determined by a physician or a licensed or certified psychologist;

(C) a person who has been medically or psychologically determined to be mentally retarded;

(D) a person whose presence is required at home because of a verified, medically determined condition of another member of the home whose condition does not permit self-care, and when the care is not available from another person in the home;

(E) a woman who is pregnant and not eligible for APW. If married, her husband shall also be included

in the same assistance plan if they are living together. Neither the pregnant woman nor her husband shall be voluntarily unavailable for employment;

(F) a parent or parents of a child who has been removed from the home and placed in foster care, provided that there is an agency-approved plan to return the child to the home; or

(G) a child in a family group who is not otherwise eligible for assistance as a result of an established period of ineligibility resulting from the provisions of K.A.R. 30-4-58(d), K.A.R. 30-4-63(e), K.A.R. 30-4-64(d), or K.A.R. 30-4-110(c)(8) provided there is an approved social service plan substantiating that the child is facing imminent removal from the home and placement into a foster care arrangement if assistance is not reinstated. Assistance shall be provided in accordance with the social service plan which shall not exceed the budget deficit for the family group.

(5) The needs of the applicant or recipient and all persons for whom the applicant or recipient is legally responsible shall be included in the same assistance plan, if living together, except for persons who are not otherwise eligible. The needs of certain persons in the family group who are not otherwise eligible shall be excluded in determining eligibility for GA. However, the resources of certain persons in the family group shall, unless the resources are specifically exempt, be included in determining eligibility for GA. Such persons include:

(A) SSI recipients;

(B) persons who are ineligible due to the receipt of lump sum income;

(C) persons who are ineligible due to a sanction;

(D) minor parents whose needs are met through foster care payments; and

(E) aliens who are ineligible because of the citizenship and alienage requirements or sponsorship provisions.

(b) A presumptive eligibility determination shall be made for persons who are being released from a medicaid-approved psychiatric hospital or the extended care unit at the Kansas state penitentiary in accordance with an approved discharge plan. Minimally, the presumptive determination shall be based on available information concerning the person's income and resources. The general eligibility requirements of K.A.R. 30-4-50 may be waived until a formal eligibility determination is completed. Assistance provided shall equal 100% of the applicable GA budgetary standards and the provision of subsection (a)(1) of K.A.R. 30-4-140 shall be waived. Assistance under this provision shall not exceed the month of discharge and the two following months. Assistance under this provision may be extended by the department beyond the three-month limitation for good cause.

(c) Each applicant or recipient who refuses to authorize the department to file for and claim reimbursement from the social security administration for the amount of GA provided the individual pending a determination of eligibility for the supplemental security income program shall be ineligible for GA. The effective date of this regulation shall be July 1, 1991. (Authorized by and implementing K.S.A. 1990 Supp. 39-

708c; effective May 1, 1981; amended, E-82-11, June 17, 1981; amended May 1, 1982; amended, T-84-8, March 29, 1983; amended May 1, 1983; amended, T-84-9, March 29, 1983; amended May 1, 1984; amended, T-85-34, Dec. 19, 1984; amended May 1, 1985; amended May 1, 1986; amended May 1, 1987; amended, T-88-14, July 1, 1987; amended, T-88-59, Dec. 16, 1987; amended May 1, 1988; amended Sept. 26, 1988; amended July 1, 1989; amended Oct. 1, 1989; amended, T-30-6-10-91, July 1, 1991.)

30-4-130. Types of payments. Public assistance payments shall be issued in accordance with the provisions set forth below. (a) Money payment. Payments shall be in cash, or by check or warrant immediately redeemable at par, and shall be made with no restriction on the use of the funds. All payments shall be money payments, except:

(1) Payments pursuant to the ADC-FC and GA-FC programs;

(2) special allowances; and

(3) protective payments.

(b) Who may receive money payments. The following persons shall be eligible to receive money payments: caretaker relative, recipient, conservator, personal representative, or substitute payee. A minor shall not receive a money payment unless emancipated.

(c) Protective payments in the ADC and GA programs. If any caretaker relative persistently mismanages the money payment to the detriment of any child for whom assistance is claimed and if an approved service plan is on file, a protective payment, in lieu of a money payment to the caretaker relative, shall be issued to a substitute payee. Protective payments shall also be made when the caretaker relative has been removed from the assistance plan pursuant to K.A.R. 30-4-55(d), K.A.R. 30-4-55(f), K.A.R. 30-4-63(e), and K.A.R. 30-4-64(d). If a substitute payee is unavailable, a protective vendor payment shall be issued. If the caretaker relative has been removed and all reasonable efforts to identify a suitable protective payee have failed, protective payments shall not be required.

(d) Substitute payee.

(1) Appointment and dismissal. The agency shall have the responsibility for appointing and assisting each substitute payee, for terminating the payee's services when no longer needed, and for removal of any payee who is not giving satisfactory service. Such a payee shall be removed only after a careful evaluation of the payee's performance has been made.

(2) (A) Who may be substitute payee. Individuals selected to serve in this capacity may be a relative, friend, neighbor, or member of a religious or com-

(continued)

munity organization. The following persons shall not serve as a substitute payee: The area director, worker supervisor, the worker determining financial eligibility, special investigative or resource staff, staff handling fiscal process for the client, or the landlord, grocers or vendors of goods or services dealing directly with the client.

(B) Exception. Payment may be made to a foster parent on behalf of a minor living in a foster care home with the minor's child in order to provide ADC for the child. Such a foster care home shall be licensed or approved as meeting licensing standards. This provision shall not be used in any other kind of public assistance case and may continue until the minor is released from custody of SRS or becomes emancipated.

(3) Criteria for selection. Each substitute payee shall demonstrate:

(A) An interest and concern for the welfare of the family;

(B) the ability to help the family with ordinary budgeting, experience in purchasing food, clothing and household equipment within a limited income, and knowledge of effective household practices;

(C) the ability to establish and maintain a positive relationship;

(D) that the substitute payee either lives near the caretaker relative or has transportation so that close contacts with the caretaker relative and child are maintained;

(E) that the substitute payee is a responsible and dependable person.

(4) Payee-recipient relationship. Each payee shall have authority to make decisions about the expenditures of the assistance payment. The payee may spend the money for the family or may supervise the recipient's use of it, or the payee may give a portion of the funds to the recipient to spend for certain expenses and may pay for other requirements for the recipient.

(5) Payee-agency relationship. Each payee shall have responsibility for assuring the agency that the money is spent for the children's benefit. The payee's responsibility to the agency shall be set forth in writing with a copy for the payee and one for the agency. This written agreement shall cover the plans for accounting, use of the assistance funds, and reporting on the general progress made. The agreement shall be supplemented by discussions of the payee's responsibility, the purpose of the plan, the nature and frequency of reports, the rights of the recipient, and the confidential nature of the relationship.

(6) Periodic review of cases. All money payment mismanagement cases shall be reviewed at least every six months to determine whether to:

(A) Restore the recipient to regular money payment status;

(B) continue the recipient on protective payment status; or

(C) develop another plan for the care of the child or children if necessary, including placement with another relative, seeking appointment of a guardian, or placement in a foster home.

(7) Discontinuance of protective payments. Protective payments, except money payment mismanage-

ment cases, shall be discontinued only when the caretaker relative or recipient has complied with the appropriate program requirements which established the basis for the protective payment. Money payment mismanagement cases shall be discontinued when the caretaker relative has demonstrated an ability to manage the money payment or after a period of two years has lapsed, whichever comes first. However, payment may continue for such additional time as is reasonably necessary to complete a substitute plan for the care of the child.

(e) Special personal representative. A petition for the appointment of a personal representative shall be filed only if the need for an appointment is clearly established, and the agency has counseled with the applicant or recipient concerning the money management problems. Confidential reports shall be filed with the appropriate court as requested.

(1) Appointment of personal representative. A person shall be recommended to the court who is not an employee of the agency, who would not benefit directly from the assistance payment, and who meets the criteria set forth in paragraph (d)(2)(A) for selection of a substitute payee.

(2) Dismissal of personal representative. A recommendation to the court that a personal representative be dismissed shall be made by the agency if the client demonstrates that he or she no longer requires a personal representative, or if the personal representative is failing to execute the responsibilities set forth in this section, in which instance a substitute personal representative shall be recommended by the agency.

(3) Responsibility of personal representative. Each personal representative shall be responsible to the court, the agency and the recipient. An annual accounting shall be made by each personal representative to both the court and the agency. The agency or the court may require a more frequent accounting in the form and at the times prescribed by the agency or the court. Each personal representative shall maintain a confidential relationship with the applicant or recipient and shall consult with the applicant or recipient concerning the applicant's or recipient's requirements, resources, and the use of the money payment.

(4) Periodic review. The necessity of continuing the appointment of a personal representative shall be reviewed semiannually. Consideration shall be given to whether the recipient's ability to manage personal affairs has improved or if other changes in the recipient's circumstances or living arrangements make it possible for the recipient to manage without the help of a personal representative.

(5) Delivery of warrants. All money payments issued shall be delivered by mail to the address of the payee unless the payee requests otherwise. If the payee requests a different mode of delivery, the appropriateness of the request shall be considered by the agency. In appropriate instances, including emergencies or repeated thefts from the mailbox, the warrant shall be delivered in person to the payee by the agency. No materials shall be included in the envelope containing the warrant except those directly related to the administration of SRS programs. The effective date of this

regulation shall be July 1, 1991. (Authorized by K.S.A. 1990 Supp. 39-708c; implementing K.S.A. 59-2801 et seq., K.S.A. 1990 Supp. 39-708c, 39-709; effective May 1, 1981; amended May 1, 1983; amended, T-85-26, Oct. 15, 1984; amended May 1, 1985; amended May 1, 1986; amended May 1, 1987; amended May 1, 1988; amended July 1, 1989; amended Oct. 1, 1989; amended Jan. 2, 1990; amended, T-30-6-10-91, July 1, 1991.)
